ACTS 2016

Laws enacted by the

119th GENERAL ASSEMBLY

at the

SECOND REGULAR SESSION (2016)

VOLUME I

(P.L.1-2016 through P.L.83-2016)

By the authority of
INDIANA LEGISLATIVE COUNCIL
(IC 2-6-1.5)

Office of Code Revision
Legislative Services Agency

PREFACE TO 2016 ACTS

ARRANGEMENT

This edition of the Acts of Indiana includes all laws from the Second Regular Session of the 119th General Assembly. The laws are arranged into two categories: first, laws of a permanent nature that amend the Indiana Code or laws that are temporary or special in nature and that do not amend the Code; and second, joint resolutions (if any).

The text of all the laws enacted during the Second Regular Session is arranged, insofar as possible, in the order of the date on which the governor signed the bills into law, the order of the date on which laws not signed and not vetoed by the governor took effect, or the order of the date the governor's veto of a law was overridden by the vote of the General Assembly.

PRINTING CODE

A special printing code has been used in publishing the session laws in order that the reader may determine at a glance the specific changes made by any amendment. The following statement appeared at the top of each bill:

PRINTING CODE: Amendments: Whenever an existing statute (or a section of the Indiana Constitution) is being amended, the text of the existing provision will appear in this style type, additions will appear in **this style type**, and deletions will appear in ~~this style type~~.

Additions: Whenever a new statutory provision is being enacted (or a new constitutional provision adopted), the text of the new provision will appear in **this style type**. Also, the word **NEW** will appear in that style type in the introductory clause of each SECTION that adds a new provision to the Indiana Code or the Indiana Constitution.

Conflict reconciliation: Text in a statute in *this style type* or ~~this style type~~ reconciles conflicts between statutes enacted by the 2015 Regular Session of the General Assembly.

Upon the recommendation of the Code Revision Commission, the Legislative Council authorized a change in the style in which bills are printed to highlight the manner in which "blind amendments" are resolved in the technical correction bill prepared by the Code Revision Commission. A "blind amendment" occurs when two or more enrolled acts amend the same section of law but fail to indicate how they are to be read together. P.L.149-2016 (HEA 1036-2016), the technical correction bill prepared for the 2016 Regular Session of the General Assembly, uses an *italic typeface* to indicate that one or more words contained in a law enacted in 2015 were absent from other versions of the law enacted in the same session. P.L.149-2016 (HEA 1036-2016) in 2016 resolves the differences by striking superfluous words and inserting additional words as needed to harmonize the various versions of the law.

This system is intended to make the session laws more usable to the researcher by eliminating the need to compare each amendment against the text of the prior law in order to determine exactly what changes the General Assembly made.

Of course, these typefaces are intended only as a tool to indicate to the reader the text of the prior law that was deleted by amendment

and to highlight any new text that was added by amendment. They are not a permanent part of the law itself. In reproducing or quoting the law, it is unnecessary to retain these typefaces; instead, all stricken text may be deleted and all boldface and italic may be reproduced in regular type.

PUBLIC LAW CITATION FORM

The public law citation form incorporates the year the public law was enacted as a part of the public law number. For example, Public Law 1 enacted by the 119th Second Regular Session is cited as P.L.1-2016.

CERTIFICATION

IC 2-6-1.5 requires the Indiana Legislative Council to supervise the preparation, indexing, and distribution of the session laws. Under IC 2-6-1.5, the Speaker of the House of Representatives and President Pro Tempore of the Senate must certify that the printed session laws have been compared with the enrolled acts and joint resolutions and have been found correct. The certificate can be seen by clicking on "Certificate" on the Table of Contents page.

CASH STATEMENT

Article 10, Section 4 of the Constitution of the State of Indiana requires that an "accurate statement of the receipts and expenditures of the public money, shall be published with the laws of each regular session of the General Assembly". The cash statement can be seen by clicking on "2015 Cash Statement" on the Table of Contents page.

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. [EFFECTIVE JULY 1, 2015 (RETROACTIVE)] **(a) The definitions in IC 20 apply throughout this SECTION.**

(b) Notwithstanding IC 20-31-8 and 511 IAC 6.2-6, and subject to the requirements necessary to receive a flexibility waiver under 20 U.S.C. 7861, a school's or school corporation's category or designation of school or school corporation performance assigned by the state board under IC 20-31-8-4 for the 2014-2015 school year shall be calculated in the manner provided in 511 IAC 6.2-6 with the exception that a school's or school corporation's category or designation of school or school corporation performance may not be lower than the school's or school corporation's category or

designation of school or school corporation performance for the 2013-2014 school year.

(c) For purposes of determining whether a school has become newly eligible for consequences under IC 20-51-4-9(a)(1) through IC 20-51-4-9(a)(3) based on the category or designation of school performance assigned by the state board under IC 20-31-8-4 for the 2014-2015 school year, the department may not apply the consequences unless the school was placed in the lowest category or designation for the 2014-2015 school year.

(d) This SECTION expires January 1, 2017.

SECTION 2. An emergency is declared for this act.

P.L.2-2016

[H.1003. Approved January 21, 2016.]

AN ACT to amend the Indiana Code concerning education.

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 20-43-10-3, AS AMENDED BY P.L.213-2015, SECTION 226, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015 (RETROACTIVE)]: Sec. 3. (a) As used in this section, "achievement test" means a:

- (1) test required by the ISTEP program; or
- (2) Core 40 end of course assessment for the following:
 - (A) Algebra I.
 - (B) English 10.
 - (C) Biology I.

(b) As used in this section, "graduation rate" means the percentage graduation rate for a high school in a school corporation as determined under IC 20-26-13-10 but adjusted to reflect the pupils who meet the requirements of graduation under subsection (c).

(c) As used in this section, "test" means either:

- (1) a test required by the ISTEP program; or
- (2) a Core 40 end of course assessment.

~~in the school year ending in the immediately preceding state fiscal year or, for purposes of a school year to school year comparison, in the school year immediately preceding that school year.~~

(d) A pupil meets the requirements of graduation for purposes of this section if the pupil successfully completed:

- (1) a sufficient number of academic credits, or the equivalent of academic credits; and
- (2) the graduation examination required under IC 20-32-3 through IC 20-32-5;

that resulted in the awarding of a high school diploma or an academic honors diploma to the pupil for the school year ending in the immediately preceding state fiscal year.

(e) Determinations for a school for a state fiscal year must be made using:

- (1) the count of tests passed compared to the count of tests taken throughout the school;
- (2) the graduation rate in the high school; and
- (3) the count of pupils graduating in the high school.

(f) In determining grants under this section, a school corporation may qualify for the following two (2) grants each year:

- (1) One (1) grant under subsection (h), (i), or (j).
- (2) One (1) grant under subsection (k), (l), or (m).

(g) The sum of the two (2) grant amounts described in subsection (f), as determined for a school corporation under this section, constitutes an annual performance grant that is in addition to state tuition support. The annual performance grant for a state fiscal year shall be distributed to the school corporation before December 5 of that state fiscal year. If the:

- (1) total amount to be distributed as performance grants for a particular state fiscal year exceeds the amount appropriated by the general assembly for performance grants for that state fiscal year, the total amount to be distributed as performance grants to school corporations shall be proportionately reduced so that the total reduction equals the amount of the excess. The amount of the reduction for a particular school corporation is equal to the total

amount of the excess multiplied by a fraction. The numerator of the fraction is the amount of the performance grant that the school corporation would have received if a reduction were not made under this section. The denominator of the fraction is the total amount that would be distributed as performance grants to all school corporations if a reduction were not made under this section; and

(2) total amount to be distributed as performance grants for a particular state fiscal year is less than the amount appropriated by the general assembly for performance grants for that state fiscal year, the total amount to be distributed as performance grants to school corporations for that particular state fiscal year shall be proportionately increased so that the total amount to be distributed equals the amount of the appropriation for that particular state fiscal year.

The performance grant received by a school corporation shall be allocated among and used only to pay cash stipends to all teachers who are rated as effective or as highly effective and employed by the school corporation as of December 1. The lead school corporation or interlocal cooperative administering a cooperative or other special education program or administering a career and technical education program, including programs managed under IC 20-26-10, IC 20-35-5, IC 20-37, or IC 36-1-7, shall award performance stipends to and carry out the other responsibilities of an employing school corporation under this section for the teachers in the special education program or career and technical education program. The amount of the distribution from an annual performance grant to an individual teacher is determined at the discretion of the governing body of the school corporation. The governing body shall differentiate between the amount of the stipend awarded to a teacher rated as a highly effective teacher and a teacher rated as an effective teacher and may differentiate between school buildings. A stipend to an individual teacher in a particular year is not subject to collective bargaining and is in addition to the minimum salary or increases in salary set under IC 20-28-9-1.5. In addition, an amount determined under the policies adopted by the governing body but not exceeding fifty percent (50%) of the amount of a stipend to an individual teacher in a particular state fiscal year beginning after June 30, 2015, becomes a permanent part of and increases the base salary of

the teacher receiving the stipend for school years beginning after the state fiscal year in which the stipend is received. The addition to base salary under this section is not subject to collective bargaining, is payable from funds other than the performance grant, and is in addition to the minimum salary and increases in salary set under IC 20-28-9-1.5. The school corporation shall complete the appropriation process for all stipends from a performance grant to individual teachers before December 31 of the state fiscal year in which the performance grant is distributed to the school corporation and distribute all stipends from a performance grant to individual teachers before the immediately following January 31. Any part of the performance grant not distributed as stipends to teachers before February must be returned to the department on the earlier of the date set by the department or June 30 of that state fiscal year.

(h) **Except as provided in subsection (n)**, a school qualifies for a grant under this subsection if the school has more than seventy-five percent (75%) but less than ninety percent (90%) of the tests taken in the school year ending in the immediately preceding state fiscal year that receive passing scores. The grant amount for the state fiscal year is:

- (1) the count of the school's passing scores on tests in the school year ending in the immediately preceding state fiscal year; multiplied by
- (2) twenty-three dollars and fifty cents (\$23.50).

(i) **Except as provided in subsection (n)**, a school qualifies for a grant under this subsection if the school has at least ninety percent (90%) of the tests taken in the school year ending in the immediately preceding state fiscal year that receive passing scores. The grant amount for the state fiscal year is:

- (1) the count of the school's passing scores on tests in the school year ending in the immediately preceding state fiscal year; multiplied by
- (2) forty-seven dollars (\$47).

(j) This subsection does not apply to a school corporation in its first year of operation or to a school corporation that is entitled to a distribution under subsection (h) or (i). **Except as provided in subsection (n)**, a school qualifies for a grant under this subsection if the school's school year over school year percentage growth rate of

achievement tests receiving passing scores was at least one percent (1%), comparing the school year ending in the immediately preceding state fiscal year to the school year immediately preceding that school year. The grant amount for the state fiscal year is:

(1) the count of the school corporation's pupils who had a passing score on their achievement test in the school year ending in the immediately preceding state fiscal year; multiplied by

(2) one hundred sixty dollars (\$160).

(k) A school qualifies for a grant under this subsection if the school had a graduation rate of ninety percent (90%) or more for the school year ending in the immediately preceding state fiscal year. The grant amount for the state fiscal year is:

(1) the count of the school corporation's pupils who met the requirements for graduation for the school year ending in the immediately preceding state fiscal year; multiplied by

(2) one hundred seventy-six dollars (\$176).

(l) A school qualifies for a grant under this subsection if the school had a graduation rate greater than seventy-five percent (75%) but less than ninety percent (90%) for the school year ending in the immediately preceding state fiscal year. The grant amount for the state fiscal year is:

(1) the count of the school corporation's pupils who met the requirements for graduation for the school year ending in the immediately preceding state fiscal year; multiplied by

(2) eighty-eight dollars (\$88).

(m) This subsection does not apply to a school in its first year of operation or to a school corporation that is entitled to a distribution under subsection (k) or (l). A school qualifies for a grant under this subsection if the school's school year over school year percentage growth in its graduation rate is at least one percent (1%), comparing the graduation rate for the school year ending in the immediately preceding state fiscal year to the graduation rate for the school year immediately preceding that school year. The grant amount for the state fiscal year is:

(1) the count of the school corporation's pupils who met the requirements for graduation in the school year ending in the immediately preceding state fiscal year; multiplied by

(2) one thousand dollars (\$1,000).

(n) This subsection applies to the state fiscal year beginning July 1, 2015, and ending June 30, 2016. Notwithstanding subsection (h), (i), or (j), the amount of the grant described in subsection (h), (i), or (j) shall be calculated using the higher of:

(1) the percentage of passing scores on ISTEP program tests for the school for the 2013-2014 school year; or

(2) the percentage of passing scores on ISTEP program tests for the school for the 2014-2015 school year.

If a grant amount for a school is calculated using the percentage described in subdivision (1), the ISTEP data from the 2013-2014 school year shall be used in the calculation of the grant amount, and the grant amount may not exceed the grant amount that the school received for the state fiscal year beginning July 1, 2014, and ending June 30, 2015, or in the case of a currently eligible school that was ineligible for a grant in the state fiscal year beginning July 1, 2014, and ending June 30, 2015, because the school had not completed the required teacher evaluations, the grant amount that the school would have been entitled to receive for the state fiscal year beginning July 1, 2014, and ending June 30, 2015, if the school had been eligible. Notwithstanding subsection (g), the school corporation shall distribute all stipends from a performance grant to individual teachers within twenty (20) business days of the date the department distributes the performance grant to the school corporation.

~~(m)~~ **(o)** This section expires June 30, 2017.

SECTION 2. [EFFECTIVE JULY 1, 2015 (RETROACTIVE)] **(a)**

The definitions in IC 20 apply throughout this SECTION.

(b) Notwithstanding IC 20-28-11.5-4 or 511 IAC 10-6-4, ISTEP program test scores or a school's category or designation of school improvement under IC 20-31-8 for the 2014-2015 school year, based on the ISTEP program test taken in the spring of 2015, may not be used by a school corporation as part of an annual performance evaluation of a particular certificated employee under a performance plan developed under IC 20-28-11.5-4 unless the use of the ISTEP program test scores or a school's category or designation of school improvement under IC 20-31-8 for the 2014-2015 school year would improve the particular certificated employee's annual performance rating. If ISTEP program test scores or a school's category or designation of school improvement

is not used in a particular certificated employee's annual performance evaluation, the weight of all other measures used in the certificated employee's annual performance evaluation must be proportionately increased to replace measures based on the ISTEP program test or the school's category or designation of school improvement.

(c) This SECTION expires July 1, 2016.

complete the sale if the system generates a stop sale alert.

~~(6)~~ (7) If a pharmacy or NPLEEx retailer selling an over-the-counter product containing ephedrine or pseudoephedrine experiences mechanical or electronic failure of the electronic sales tracking system and is unable to comply with the electronic sales tracking requirement, the pharmacy or NPLEEx retailer shall maintain a written log or an alternative electronic recordkeeping mechanism until the pharmacy or NPLEEx retailer is able to comply with the electronic sales tracking requirement.

~~(7)~~ (8) The pharmacy or NPLEEx retailer stores the drug behind a counter in an area inaccessible to a customer or in a locked display case that makes the drug unavailable to a customer without the assistance of an employee.

(e) A person may not purchase drugs containing more than:

- (1) three and six-tenths (3.6) grams of ephedrine or pseudoephedrine, or both, on one (1) day;

A retailer may not sell a drug containing ephedrine or pseudoephedrine after December 31, 2013.~~

(f) If a purchaser does not have a relationship on record with

the pharmacy, as determined by rules adopted by the board under IC 25-26-13-4, or the pharmacist has made a professional determination that there is not a legitimate medical or pharmaceutical need for ephedrine or pseudoephedrine under subsection (d), the purchaser may, at the pharmacist's discretion, purchase only the following:

section.

(k) A pharmacy or NPLeX retailer that uses the electronic sales tracking system in accordance with this section is immune from civil liability for any act or omission committed in carrying out the duties required by this section, unless the act or omission was due to negligence, recklessness, or deliberate or wanton misconduct. A pharmacy or NPLeX retailer is immune from liability to a third party unless the pharmacy or NPLeX retailer has violated a provision of this section and the third party brings an action based on the pharmacy's or NPLeX retailer's violation of this section.

(iii) decrease the enrollee's ability to achieve or maintain reasonable functional ability in performing daily

If the trial was to the court, or the judgment was entered on a guilty plea, the court alone shall conduct the sentencing hearing. The jury or the court may consider all the evidence introduced at the trial stage of the proceedings, together with new evidence presented at the sentencing hearing. The court shall

instruct the jury concerning the statutory penalties for murder and any other offenses for which the defendant was convicted, the potential for consecutive or concurrent sentencing, and the availability of educational credit, good time credit, and clemency. The court shall instruct the jury that, in order for the jury to recommend to the court that the death penalty or life imprisonment without parole should be imposed, the jury must find at least one (1) aggravating circumstance beyond a reasonable doubt as described in subsection (1) and shall provide a special verdict form for each aggravating circumstance alleged. The defendant may present any additional evidence relevant to:

- (1) the aggravating circumstances alleged; or
- (2) any of the mitigating circumstances listed in subsection (c).

(e) For a defendant sentenced after June 30, 2002, except as provided by IC 35-36-9, if the hearing is by jury, the jury shall recommend to the court whether the death penalty or life imprisonment without parole, or neither, should be imposed. The jury may recommend:

- (1) the death penalty; or
- (2) life imprisonment without parole;

only if it makes the findings described in subsection (1). If the jury reaches a sentencing recommendation, the court shall sentence the defendant accordingly. After a court pronounces sentence, a representative of the victim's family and friends may present a statement regarding the impact of the crime on family and friends. The impact statement may be submitted in writing or given orally by the representative. The statement shall be given in the presence of the defendant.

(f) If a jury is unable to agree on a sentence recommendation after reasonable deliberations, the court shall discharge the jury and proceed as if the hearing had been to the court alone.

(g) If the hearing is to the court alone, except as provided by IC 35-36-9, the court shall:

- (1) sentence the defendant to death; or
- (2) impose a term of life imprisonment without parole;

only if it makes the findings described in subsection (1).

(h) If a court sentences a defendant to death, the court shall order the defendant's execution to be carried out not later than one (1) year

and one (1) day after the date the defendant was convicted. The supreme court has exclusive jurisdiction to stay the execution of a death sentence. If the supreme court stays the execution of a death sentence, the supreme court shall order a new date for the defendant's execution.

(i) If a person sentenced to death by a court files a petition for post-conviction relief, the court, not later than ninety (90) days after the date the petition is filed, shall set a date to hold a hearing to consider the petition. If a court does not, within the ninety (90) day period, set the date to hold the hearing to consider the petition, the court's failure to set the hearing date is not a basis for additional post-conviction relief. The attorney general shall answer the petition for post-conviction relief on behalf of the state. At the request of the attorney general, a prosecuting attorney shall assist the attorney general. The court shall enter written findings of fact and conclusions of law concerning the petition not later than ninety (90) days after the date the hearing concludes. However, if the court determines that the petition is without merit, the court may dismiss the petition within ninety (90) days without conducting a hearing under this subsection.

(j) A death sentence is subject to automatic review by the supreme court. The review, which shall be heard under rules adopted by the supreme court, shall be given priority over all other cases. The supreme court's review must take into consideration all claims that the:

- (1) conviction or sentence was in violation of the:
 - (A) Constitution of the State of Indiana; or
 - (B) Constitution of the United States;
- (2) sentencing court was without jurisdiction to impose a sentence; and
- (3) sentence:
 - (A) exceeds the maximum sentence authorized by law; or
 - (B) is otherwise erroneous.

If the supreme court cannot complete its review by the date set by the sentencing court for the defendant's execution under subsection (h), the supreme court shall stay the execution of the death sentence and set a new date to carry out the defendant's execution.

(k) A person who has been sentenced to death and who has completed state post-conviction review proceedings may file a written petition with the supreme court seeking to present new evidence

challenging the person's guilt or the appropriateness of the death sentence if the person serves notice on the attorney general. The supreme court shall determine, with or without a hearing, whether the person has presented previously undiscovered evidence that undermines confidence in the conviction or the death sentence. If necessary, the supreme court may remand the case to the trial court for an evidentiary hearing to consider the new evidence and its effect on the person's conviction and death sentence. The supreme court may not make a determination in the person's favor nor make a decision to remand the case to the trial court for an evidentiary hearing without first providing the attorney general with an opportunity to be heard on the matter.

(l) Before a sentence may be imposed under this section, the jury, in a proceeding under subsection (e), or the court, in a proceeding under subsection (g), must find that:

- (1) the state has proved beyond a reasonable doubt that at least one (1) of the aggravating circumstances listed in subsection (b) exists; and
- (2) any mitigating circumstances that exist are outweighed by the aggravating circumstance or circumstances.

(1) sentence the person to an additional fixed term of imprisonment equal to the sentence imposed for the underlying felony, if the person is sentenced for only one (1) felony; or

(2) sentence the person to an additional fixed term of imprisonment equal to the longest sentence imposed for the underlying felonies, if the person is being sentenced for more than one (1) felony.

(e) A sentence imposed under this section shall run consecutively to the underlying sentence.

(f) A term of imprisonment imposed under this section may not be suspended.

 - (B) hospital assessment committee (IC 16-21-10), after considering the modification and the reduction in available funding, does not alter the formula established under IC 16-21-10-13.3(b)(1) to cover the amount of the reduction in federal medical assistance.

For purposes of this subdivision, "coverage of plan participants" includes payments, contributions, and amounts referred to in IC 16-21-10-13.3(b)(1)(A), IC 16-21-10-13.3(b)(1)(C), and IC 16-21-10-13.3(b)(1)(D), including payments, contributions, and amounts incurred during a phase out period of the plan.

 - (B) hospital assessment fee committee (IC 16-21-10), after considering the modification and reduction in available funding, does not alter the formula established under IC 16-21-10-13.3(b)(1) to cover the amount of the reduction in fees; and
 - (C) office does not use alternative financial support to cover the amount of the reduction in fees.

(c) If the plan is terminated under subsection (b), the secretary may implement a plan for coverage of the affected population in a manner consistent with the healthy Indiana plan (IC 12-15-44.2 **(before its repeal)**) in effect on January 1, 2014:

(1) subject to prior approval of the United States Department of Health and Human Services; and

(2) without funding from the incremental fee set forth in IC 16-21-10-13.3.

SECTION 30. IC 12-15-44.5-4.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: **Sec. 4.5. (a) An individual who participates in the plan must have a health care account to which payments may be made for the individual's participation in the plan.**

(a) To participate in the plan, an individual must apply for the plan on a form prescribed by the office. The office may develop and allow a joint application for a household.**

(b) A pregnant woman is not subject to the cost sharing

provisions of the plan. Subsections (c) through (g) do not apply to a pregnant woman participating in the plan.

(c) An applicant who is approved to participate in the plan does not begin benefits under the plan until a payment of at least:

- (1) one-twelfth (1/12) of the two percent (2%) of annual income contribution amount; or
- (2) ten dollars (\$10);

is made to the individual's health care account established under section 4.5 of this chapter for the individual's participation in the plan. To continue to participate in the plan, an individual must contribute to the individual's health care account at least two percent (2%) of the individual's annual household income per year but not less than one dollar (\$1) per month.

(d) If an applicant who is approved to participate in the plan fails to make the initial payment into the individual's health care account, at least the following must occur:

- (1) If the individual has an annual income that is at or below one hundred percent (100%) of the federal poverty income level, the individual's benefits are reduced as specified in subsection (e)(1).
- (2) If the individual has an annual income of more than one hundred percent (100%) of the federal poverty income level, the individual is not enrolled in the plan.

(f) The state shall contribute to the individual's health care account the difference between the individual's payment required under this section and the plan deductible set forth in section 4.5(c) of this chapter.

(g) A member shall remain enrolled with the same health plan during the member's benefit period. A member may change health plans as follows:

If the individual does not complete the renewal process, the individual may not reenroll in the plan for at least six (6) months.

(c) This subsection applies to participants who consistently made the required payments in the individual's health care account. If the individual receives the qualified preventative services recommended to the individual during the year, the individual is eligible to have the individual's unused share of the individual's health care account at the end of the plan period, determined by the office, matched by the state and carried over to the subsequent plan period to reduce the individual's required payments. If the individual did not, during the plan period, receive all qualified preventative services recommended to the individual, only the nonstate contribution to the health care account may be used to reduce the individual's payments for the subsequent plan period.

(d) For individuals participating in the plan who, in the past, did not make consistent payments into the individual's health care

account while participating in the plan, but:

(1) had a balance remaining in the individual's health care account; and

(2) received all of the required preventative care services; the office may elect to offer a discount on the individual's required payments to the individual's health care account for the subsequent benefit year. The amount of the discount under this subsection must be related to the percentage of the health care account balance at the end of the plan year but not to exceed a fifty percent (50%) discount of the required contribution.

(e) If an individual is no longer eligible for the plan, does not renew participation in the plan at the end of the plan period, or is terminated from the plan for nonpayment of a required payment, the office shall, not more than one hundred twenty (120) days after the last date of participation in the plan, refund to the individual the amount determined under subsection (f) of any funds remaining in the individual's health care account as follows:

(1) An individual who is no longer eligible for the plan or does not renew participation in the plan at the end of the plan period shall receive the amount determined under STEP FOUR of subsection (f).

(2) An individual who is terminated from the plan due to nonpayment of a required payment shall receive the amount determined under STEP SIX of subsection (f).

The office may charge a penalty for any voluntary withdrawals from the health care account by the individual before the end of the plan benefit year. The individual may receive the amount determined under STEP SIX of subsection (f).

(f) The office shall determine the amount payable to an individual described in subsection (e) as follows:

STEP ONE: Determine the total amount paid into the individual's health care account under this chapter.

STEP TWO: Determine the total amount paid into the individual's health care account from all sources.

STEP THREE: Divide STEP ONE by STEP TWO.

STEP FOUR: Multiply the ratio determined in STEP THREE by the total amount remaining in the individual's health care account.

STEP FIVE: Subtract any nonpayments of a required

payment.

STEP SIX: Multiply the amount determined under STEP FIVE by at least seventy-five hundredths (0.75).

However, an individual may not be prohibited from using funds in the individual's health care account to pay for nonemergency services provided in an emergency room setting for a medical condition that arises suddenly and unexpectedly and manifests itself by acute symptoms of such severity, including severe pain, that the absence of immediate medical attention could reasonably be expected by a prudent layperson who possesses an average knowledge of health and medicine to:**

- (1) place an individual's health in serious jeopardy;**
- (2) result in serious impairment to the individual's bodily functions; or**
- (3) result in serious dysfunction of a bodily organ or part of the individual.**

[EFFECTIVE JULY 1, 2016]: Sec. 4. (a) A person:

- (1) who is not a credit restricted felon; and
- (2) who is imprisoned for a Level 6 felony or a misdemeanor or imprisoned awaiting trial or sentencing for a Level 6 felony or misdemeanor;

is initially assigned to Class A.

(b) A person:

- (1) who is not a credit restricted felon; and
- (2) who is imprisoned for a crime other than a Level 6 felony or misdemeanor or imprisoned awaiting trial or sentencing for a crime other than a Level 6 felony or misdemeanor;

is initially assigned to Class B.

(c) A person who is a credit restricted felon and who is imprisoned for a crime or imprisoned awaiting trial or sentencing is initially assigned to Class C. A credit restricted felon may not be assigned to Class A or Class B.

(d) A person who is not a credit restricted felon may be reassigned to Class C or Class D if the person violates any of the following:

- (1) A rule of the department of correction.
- (2) A rule of the penal facility in which the person is imprisoned.
- (3) A rule or condition of a community transition program.

However, a violation of a condition of parole or probation may not be the basis for reassignment. Before a person may be reassigned to a lower credit time class, the person must be granted a hearing to determine the person's guilt or innocence and, if found guilty, whether reassignment is an appropriate disciplinary action for the violation. The person may waive the right to the hearing.

(e) A person who is a credit restricted felon may be reassigned to Class D and a person who is assigned to Class IV may be assigned to Class III if the person violates any of the following:

- (1) A rule of the department of correction.
- (2) A rule of the penal facility in which the person is imprisoned.
- (3) A rule or condition of a community transition program.

However, a violation of a condition of parole or probation may not be the basis for reassignment. Before a person may be reassigned to Class III or Class D, the person must be granted a hearing to determine the person's guilt or innocence and, if found guilty, whether reassignment

is an appropriate disciplinary action for the violation. The person may waive the right to the hearing.

(f) In connection with the hearing granted under subsection (d) or (e), the person is entitled to:

- (1) have not less than twenty-four (24) hours advance written notice of the date, time, and place of the hearing, and of the alleged misconduct and the rule the **alleged** misconduct is alleged to have violated;
- (2) have reasonable time to prepare for the hearing;
- (3) have an impartial decisionmaker;
- (4) appear and speak in the person's own behalf;
- (5) call witnesses and present evidence;
- (6) confront and cross-examine each witness, unless the hearing authority finds that to do so would subject a witness to a substantial risk of harm;
- (7) have the assistance of a lay advocate (the department may require that the advocate be an employee of, or a fellow prisoner in, the same facility or program);
- (8) have a written statement of the findings of fact, the evidence relied upon, and the reasons for the action taken;
- (9) have immunity if the person's testimony or any evidence derived from the person's testimony is used in any criminal proceedings; and
- (10) have the person's record expunged of any reference to the charge if the person is found not guilty or if a finding of guilt is later overturned.

Any finding of guilt must be supported by a preponderance of the evidence presented at the hearing.

(g) Except for a credit restricted felon, a person may be reassigned from:

- (1) Class III to Class I, Class II or Class IV;
- (2) Class II to Class I;
- (3) Class D to Class A, Class B, or Class C;
- (4) Class C to Class A or Class B.

A person's assignment to Class III, Class II, Class C, or Class D shall be reviewed at least once every six (6) months to determine if the person should be reassigned to a higher credit time class. A credit restricted felon may not be reassigned to Class I or Class II or to Class

A, Class B, or Class C.

(h) This subsection applies only to a person imprisoned awaiting trial. A person imprisoned awaiting trial is initially assigned to a credit class based on the most serious offense with which the person is charged. If all the offenses of which a person is convicted have a higher credit time class than the most serious offense with which the person is charged, the person earns credit time for the time imprisoned awaiting trial at the credit time class of the most serious offense of which the person was convicted. However, this section does not apply to any period during which the person is reassigned to a lower credit time class for a disciplinary violation.

(i) This subsection applies only to a person placed on pretrial home detention awaiting trial. This subsection does not apply to any other person placed on home detention. A person placed on pretrial home detention awaiting trial is assigned to Class P. A person assigned to Class P may not be reassigned to another credit time class while the person is on pretrial home detention awaiting trial.

SECTION 11. IC 35-50-6-8, AS AMENDED BY P.L.74-2015, SECTION 38, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 8. (a) A person serving a sentence of life imprisonment without parole does not earn credit time under this chapter.

(b) This subsection does not apply to a person confined on home detention as a condition of probation under IC 35-38-2.5. A person spending time in pretrial home detention does not earn any credit time under this chapter.

SECTION 2. IC 32-17-4-2.5, AS AMENDED BY P.L.94-2014, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 2.5. (a) Not later than forty-five (45) days after the court has acquired jurisdiction over all the parties who have an interest in the property that is the subject of the action, the court shall refer the matter to mediation in accordance with the Indiana rules of alternative dispute resolution.

(b) Except as provided in subsection (c), mediation of the case may not begin until an appraiser files an appraisal report with the court.

(c) If each party waives the appraisal of the property, the case may move to mediation without the filing of an appraisal report.

(d) In its order referring the matter for mediation, the court shall advise the parties:

(1) that the real or personal property will be sold if the parties are unable to reach an agreement not later than sixty (60) days after the order is issued; and

(2) that the parties may agree upon a method of the sale of the property, and if the parties do not agree upon a method of the sale of the property, the property may be sold at public auction or by the sheriff under subsection (g).

(e) Except if the parties agree to waive the appraisal of the property, not later than thirty (30) days after the court acquires jurisdiction under subsection (a), the court shall appoint a licensed real estate appraiser to appraise the property. The appraiser shall file the appraisal with the court.

(f) After receiving the appraisal, the court shall notify the parties of the appraised value of the property.

(g) If an agreed settlement is not reached in mediation or if the parties agree upon a method of sale, the court shall not later than thirty (30) days after the date the mediator files a report with the court that the mediation was not successful, or the parties file their agreement establishing the method of sale:

(1) order the property to be sold using the method that all the parties agree upon; or

(2) order the parties to select an auctioneer to sell the property. If the parties fail to select an auctioneer not later than thirty (30) days after the court's order to select an auctioneer, the court shall order the sheriff to sell the property in the same manner that property is sold at execution under IC 34-55-6. ~~The manner of appraising property described in this section satisfies the appraisal requirement under IC 34-55-4 or any other statute. However, if the parties waive appraisal of the property:~~

~~(A) the court shall order the sale to proceed without relief from valuation or appraisal under IC 34-55-4 or any other statute; and~~

~~(B) IC 34-55-4-1 does not apply to the sale.~~

(h) At the time the court orders the property to be sold, the court shall notify all lienholders and other persons with an interest in the lien or property, as identified in the title search or lien search required

under IC 29-1-17-11 or section 2 of this chapter, of the sale. The property must be sold free and clear of all liens and special assessments except prescriptive easements, easements of record, and irrevocable licenses, with any sum secured by a lien or special assessment to be satisfied from the proceeds of the sale.

(j) Any person who has paid a tax or special assessment on the property is entitled to pro rata reimbursement from the proceeds of the sale.

(k) Any person may advertise a sale under this section at the person's own expense, but is not entitled to reimbursement for these expenses.

(l) After deduction of the amounts described in subsections (h), (i), and (j) and the reasonable expenses of the sale, the court shall divide the proceeds of the sale among the remaining property owners in proportion to their ownership interest.

(m) If a party having an ownership interest in the property becomes the successful purchaser of the property either through agreed settlement or through auction, that person shall be given a full credit based on the percentage of the person's interest in the property before the purchase.

(n) As used in this subsection, "real estate professional" has the meaning set forth in IC 23-1.5-1-13.5. If the court has ordered that some or all of the property be sold at auction and, at any time before the property is sold at auction, all parties inform the court in writing that they:

- (1) wish to sell some or all of the property through a real estate professional;
- (2) have jointly selected a real estate professional; and
- (3) have agreed upon a listing price for the property;

the court shall rescind its order that the property, or a part of the property, be sold at auction and permit the property to be sold through a real estate professional. If some or all of the property has not been sold at the expiration of the listing agreement with the real estate professional, upon petition by any party, the court shall order the

property to be sold at auction in accordance with subsection (h).

A failure to respond constitutes a denial.

SECTION 13. IC 31-34-12-4.5, AS AMENDED BY SEA 26-2016, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 4.5. (a) There is a rebuttable presumption that a child is a child in need of services if the state establishes that the child lives in the same household as an adult who:

- (1) committed an offense described in IC 31-34-1-3 **or IC 31-34-1-3.5** against a child and the offense resulted in a conviction or a judgment under IC 31-34-11-2; or
- (2) has been charged with an offense described in IC 31-34-1-3 **or IC 31-34-1-3.5** against a child and is awaiting trial.

(b) The following may not be used as grounds to rebut the presumption under subsection (a):

- (1) The child who is the victim of the offense described in IC 31-34-1-3 is not genetically related to the adult who committed the act, but the child presumed to be the child in need of services under this section is genetically related to the adult who committed the act.
- (2) The child who is the victim of the offense described in IC 31-34-1-3 differs in age from the child presumed to be the child in need of services under this section.

(c) This section does not affect the ability to take a child into custody or emergency custody under IC 31-34-2 if the act of taking the child into custody or emergency custody is not based upon a presumption established under this section. However, if the presumption established under this section is the sole basis for taking a child into custody or emergency custody under IC 31-34-2, the court first must find cause to take the child into custody or emergency custody following a hearing in which the parent, guardian, or custodian of the child is accorded the rights described in IC 31-34-4-6(a)(2) through IC 31-34-4-6(a)(5).

- (1) the placement is recommended or approved by the director of the department or the director's designee; or
- (2) the juvenile court makes written findings based on clear and convincing evidence that:
 - (A) the out-of-state placement is appropriate because there is not a comparable facility with adequate services located in Indiana;

or
 - ~~(B)~~ (C) the location of the home or facility is within a distance

not greater than fifty (50) miles from the county of residence of the child.

(c) If a dispositional decree under this section:

- (1) orders or approves removal of a child from the child's home or awards wardship of the child to the department; and
- (2) is the first juvenile court order in the child in need of services proceeding that authorizes or approves removal of the child from the child's parent, guardian, or custodian;

SECTION 1. IC 5-1.5-8-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. **(a)** Notwithstanding any other provision of law, to the extent that any department or agency of the state, including the treasurer of state, is the custodian of money payable to the qualified entity (other than for goods or services provided by the qualified entity), at any time after written notice to the department or agency head from the bank that the qualified entity is in default on the payment of principal or interest on the securities of the qualified entity then held or owned by or arising from an agreement with the bank, the department or agency shall withhold the payment of that money from that qualified entity and pay over the money to the bank for the purpose of paying principal of and interest on bonds of the bank. However, the withholding of payment from the qualified entity and payment to the bank under this section must not adversely affect the validity of the security in default.

(b) This subsection applies to securities of a qualified entity acquired by the bank, or arising from an agreement entered into with the bank, on or after March 1, 2016. Upon receiving notice from the bank that a qualified entity has failed to pay when due the

by an amount equal to the amount of the qualified entity's unpaid securities.

(2) Pay the amount by which the revenues or other money or property is reduced under subdivision (1) to the bank to pay the principal of and interest on bonds or other obligations of the bank.

(3) Notify the qualified entity that the revenues or other money or property, which would otherwise be available for distribution to the qualified entity, has been reduced by an amount necessary to satisfy all or part of the qualified entity's unpaid securities to the bank.

(c) This subsection applies to securities of a qualified entity acquired by the bank, or arising from an agreement with the bank, that is covered by subsection (b). A reduction under subsection (b) must be made as follows:

(1) First, from local income tax distributions under IC 6-3.6-9 that would otherwise be distributed to the qualified entity under the schedules in IC 6-3.6-9-12 and IC 6-3.6-9-16.

A security purchased by the treasurer of state under this subdivision must have a stated final maturity of not more than ~~five (5)~~ **ten (10)** years after the date of purchase.

(b) If an investment under subsection (a) is made at a cost in excess of the par value of the securities purchased, any premium paid for the securities shall be deducted from the first interest received and returned to the fund from which the investment was purchased, and only the net amount is considered interest income.

(c) The officer making the investment may sell any securities acquired and may do anything necessary to protect the interests of the funds invested, including the exercise of exchange privileges which may be granted with respect to maturing securities in cases where the new securities offered in exchange meet the requirements for initial investment.

(g) In addition to any other investments allowed under this chapter, a clerk-treasurer of a town with a population of more than five thousand (5,000) but less than ten thousand (10,000) located in a county having a population of more than one hundred forty thousand (140,000) but less than one hundred fifty thousand (150,000) may also invest money in a host community agreement future fund established by ordinance of the town in:

The total investments outstanding under this subsection may not exceed twenty-five percent (25%) of the total portfolio of funds invested by the clerk-treasurer of a town. However, an investment that complies with this subsection when the investment is made remains legal even if a subsequent decrease in the total

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 24-4.4-2-201, AS AMENDED BY P.L.27-2012, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 201. (1) A creditor or mortgage servicer shall provide, in writing, an accurate payoff amount for a first lien mortgage transaction to the debtor not later than seven (7) business days (excluding legal public holidays, Saturdays, and Sundays) after the creditor or mortgage servicer receives the debtor's written request for the accurate payoff amount. A payoff statement provided by a creditor or mortgage servicer under this subsection must show the date the statement was prepared and itemize the unpaid principal balance and each fee, charge, or other sum included within the payoff amount. A

creditor or mortgage servicer who fails to provide an accurate payoff amount is liable for:

(a) one hundred dollars (\$100) if an accurate payoff amount is not provided by the creditor or mortgage servicer not later than seven (7) business days (excluding legal public holidays, Saturdays, and Sundays) after the creditor or mortgage servicer receives the debtor's first written request; and

(b) the greater of:

(i) one hundred dollars (\$100); or

(ii) the loan finance charge that accrues on the first lien mortgage transaction from the date the creditor or mortgage servicer receives the first written request until the date on which the accurate payoff amount is provided;

if an accurate payoff amount is not provided by the creditor or mortgage servicer not later than seven (7) business days (excluding legal public holidays, Saturdays, and Sundays) after the creditor or mortgage servicer receives the debtor's second written request, and the creditor or mortgage servicer fails to comply with subdivision (a).

(2) This subsection applies to a first lien mortgage transaction, or the refinancing or consolidation of a first lien mortgage transaction, that:

(a) is closed after June 30, 2009; and

(b) has an interest rate that is subject to change at one (1) or more times during the term of the first lien mortgage transaction.

A creditor in a transaction to which this subsection applies may not contract for and may not charge the debtor a prepayment fee or penalty.

(3) This subsection applies to a first lien mortgage transaction with respect to which any installment or minimum payment due is delinquent for at least sixty (60) days. The creditor, servicer, or the creditor's agent shall acknowledge a written offer made in connection with a proposed short sale not later than five (5) business days (excluding legal public holidays, Saturdays, and Sundays) after the date of the offer if the offer complies with the requirements for a qualified written request set forth in 12 U.S.C. 2605(e)(1)(B). The creditor, servicer, or creditor's agent is required to acknowledge a written offer made in connection with a proposed short sale from a third party acting on behalf of the debtor only if the debtor has provided written

authorization for the creditor, servicer, or creditor's agent to do so. Not later than thirty (30) business days (excluding legal public holidays, Saturdays, and Sundays) after receipt of an offer under this subsection, the creditor, servicer, or creditor's agent shall respond to the offer with an acceptance or a rejection of the offer. Payment accepted by a creditor, servicer, or creditor's agent in connection with a short sale constitutes payment in full satisfaction of the first lien mortgage transaction unless the creditor, servicer, or creditor's agent obtains:

- (a) the following statement: "The debtor remains liable for any amount still owed under the first lien mortgage transaction."; or
- (b) a statement substantially similar to the statement set forth in subdivision (a);

As used in this subsection, "short sale" means a transaction in which the property that is the subject of a first lien mortgage transaction is sold for an amount that is less than the amount of the debtor's outstanding obligation under the first lien mortgage transaction. A creditor or mortgage servicer that fails to respond to an offer within the time prescribed by this subsection is liable in accordance with 12 U.S.C. 2605(f) in any action brought under that section.

(4) This section is not intended to provide the owner of real estate subject to the issuance of process under a judgment or decree of foreclosure any protection or defense against a deficiency judgment for purposes of the borrower protections from liability that must be disclosed under 12 CFR 1026.38(p)(3) on the form required by 12 CFR 1026.38 ("Closing Disclosures" form under the Amendments to the 2013 Integrated Mortgage Disclosures Rule Under the Real Estate Settlement Procedures Act (Regulation X) and the Truth In Lending Act (Regulation Z) and the 2013 Loan Originator Rule Under the Truth in Lending Act (Regulation Z)).

The thirty (30) day period described in this subsection may be extended for not more than fifteen (15) business days (excluding legal public holidays, Saturdays, and Sundays) if, before the end of the thirty (30) day period, the creditor, the servicer, or the creditor's agent notifies the debtor of the extension and the reason the extension is needed. Payment accepted by a creditor, servicer, or creditor's agent in connection with a short sale constitutes payment in full satisfaction of the mortgage transaction unless the creditor, servicer, or creditor's agent obtains:

- (a) the following statement: "The debtor remains liable for any amount still owed under the mortgage transaction."; or
- (b) a statement substantially similar to the statement set forth in subdivision (a);

acknowledged by the initials or signature of the debtor, on or before the date on which the short sale payment is accepted. As used in this subsection, "short sale" means a transaction in which the property that

With respect to a consumer loan that is primarily secured by an interest in land, a lender may contract for a penalty for prepayment of the loan in full, not to exceed two percent (2%) of any amount prepaid within sixty (60) days of the date of the prepayment in full, after deducting all refunds and rebates as of the date of the prepayment. However, the penalty may not be imposed:

(b) The debtor paid mortgage broker fee, if any, paid to a person who does not control, is not controlled by, or is not under common control with, the creditor holding the loan at the time a consumer loan is prepaid.

(3) The creditor or mortgage servicer shall provide, in writing, an accurate payoff amount for the consumer loan to the debtor within seven (7) business days (excluding legal public holidays, Saturdays, and Sundays) after the creditor or mortgage servicer receives the debtor's written request for the accurate consumer loan payoff amount. A payoff statement provided by a creditor or mortgage servicer under this subsection must show the date the statement was prepared and itemize the unpaid principal balance and each fee, charge, or other sum included within the payoff amount. The fee may not exceed the average cost of copying records by state agencies or ten cents (\$0.10) per page, whichever is greater. A state agency may not collect more than the uniform copying fee for providing a copy of a public record. However, a state agency shall establish and collect a reasonable fee for copying nonstandard-sized documents.

(d) This subsection applies to a public agency that is not a state agency. The fiscal body (as defined in IC 36-1-2-6) of the public agency, or the governing body, if there is no fiscal body, shall establish

a fee schedule for the certification or copying of documents. The fee for certification of documents may not exceed five dollars (\$5) per document. The fee for copying documents may not exceed the greater of:

- (2) the actual cost to the agency of copying the document.

As used in this subsection, "actual cost" means the cost of paper and the per-page cost for use of copying or facsimile equipment and does not include labor costs or overhead costs. A fee established under this subsection must be uniform throughout the public agency and uniform to all purchasers.

(e) If:

- (1) a person is entitled to a copy of a public record under this chapter; and
- (2) the public agency which is in possession of the record has reasonable access to a machine capable of reproducing the public record;

the public agency must provide at least one (1) copy of the public record to the person. However, if a public agency does not have reasonable access to a machine capable of reproducing the record or if the person cannot reproduce the record by use of enhanced access under section 3.5 of this chapter, the person is only entitled to inspect and manually transcribe the record. A public agency may require that the payment for copying costs be made in advance.

(f) Notwithstanding subsection (b), (c), (d), (g), (h), or (i), a public agency shall collect any certification, copying, facsimile machine transmission, or search fee that is specified by statute or is ordered by a court.

(g) Except as provided by subsection (h), for providing a duplicate of a computer tape, computer disc, microfilm, **law enforcement recording**, or similar or analogous record system containing information owned by the public agency or entrusted to it, a public agency may charge a fee, uniform to all purchasers, that does not exceed the sum of the following:

(i) This subsection applies to the fee charged by a public agency for permitting a governmental entity to inspect public records by means of an electronic device. A public agency may charge any reasonable fee for the inspection of public records under this subsection, or the public agency may waive any fee for the inspection.

(j) Except as provided in subsection (k), a public agency may charge a fee, uniform to all purchasers, for providing an electronic map that is based upon a reasonable percentage of the agency's direct cost of maintaining, upgrading, and enhancing the electronic map and for the direct cost of supplying the electronic map in the form requested by the purchaser. If the public agency is within a political subdivision having a fiscal body, the fee is subject to the approval of the fiscal body of the political subdivision.

(k) The fee charged by a public agency under subsection (j) to cover costs for maintaining, upgrading, and enhancing an electronic map may be waived by the public agency if the electronic map for which the fee is charged will be used for a noncommercial purpose, including the following:

- (1) Public agency program support.
- (2) Nonprofit activities.
- (3) Journalism.

(b) A denial of disclosure by a public agency occurs when the person making the request is physically present in the office of the agency, makes the request by telephone, or requests enhanced access to a document and:

(1) the person designated by the public agency as being responsible for public records release decisions refuses to permit inspection and copying of a public record when a request has been made; or

whichever occurs first.

(c) If a person requests by mail or by facsimile a copy or copies of a public record, a denial of disclosure does not occur until seven (7) days have elapsed from the date the public agency receives the request.

(d) If a request is made orally, either in person or by telephone, a public agency may deny the request orally. However, if a request initially is made in writing, by facsimile, or through enhanced access, or if an oral request that has been denied is renewed in writing or by facsimile, a public agency may deny the request if:

(1) the denial is in writing or by facsimile; and

(2) the denial includes:

(A) a statement of the specific exemption or exemptions

authorizing the withholding of all or part of the public record;
and

(B) the name and the title or position of the person responsible for the denial.

(e) A person who has been denied the right to inspect or copy a public record by a public agency may file an action in the circuit or superior court of the county in which the denial occurred to compel the public agency to permit the person to inspect and copy the public record. Whenever an action is filed under this subsection, the public agency must notify each person who supplied any part of the public record at issue:

(1) that a request for release of the public record has been denied;
and

(2) whether the denial was in compliance with an informal inquiry response or advisory opinion of the public access counselor.

Such persons are entitled to intervene in any litigation that results from the denial. The person who has been denied the right to inspect or copy need not allege or prove any special damage different from that suffered by the public at large.

(f) The court shall determine the matter de novo, with the burden of proof on the public agency to sustain its denial. If the issue in de novo review under this section is whether a public agency properly denied access to a public record because the record is exempted under section 4(a) of this chapter, the public agency meets its burden of proof under this subsection by establishing the content of the record with adequate specificity and not by relying on a conclusory statement or affidavit.

(g) **This subsection does not apply to an action under section 5.2 of this chapter.** If the issue in a de novo review under this section is whether a public agency properly denied access to a public record because the record is exempted under section 4(b) of this chapter:

(1) the public agency meets its burden of proof under this subsection by:

(A) proving that:

(i) the record falls within any one (1) of the categories of exempted records under section 4(b) of this chapter; and

(ii) **if the action is for denial of access to a recording under section 5.1 of this chapter, the plaintiff is not a "requestor" as that term is defined in section 5.1 of this**

chapter; and

(B) establishing the content of the record with adequate specificity and not by relying on a conclusory statement or affidavit; and

(2) a person requesting access to a public record meets the person's burden of proof under this subsection by proving that the denial of access is arbitrary or capricious.

(h) The court may review the public record in camera to determine whether any part of it may be withheld under this chapter. However, if the complaint alleges that a public agency denied disclosure of a public record by redacting information in the public record, the court shall conduct an in camera inspection of the public record with the redacted information included.

(i) **Except as provided in subsection (k)**, in any action filed under this section, a court shall award reasonable attorney's fees, court costs, and other reasonable expenses of litigation to the prevailing party if:

(1) the plaintiff substantially prevails; or

(2) the defendant substantially prevails and the court finds the action was frivolous or vexatious.

Except as provided in subsection (k), the plaintiff is not eligible for the awarding of attorney's fees, court costs, and other reasonable expenses if the plaintiff filed the action without first seeking and receiving an informal inquiry response or advisory opinion from the public access counselor, unless the plaintiff can show the filing of the action was necessary because the denial of access to a public record under this chapter would prevent the plaintiff from presenting that public record to a public agency preparing to act on a matter of relevance to the public record whose disclosure was denied.

(j) **Except as provided in subsection (k)**, a court may assess a civil penalty under section 9.5 of this chapter only if the plaintiff obtained an advisory opinion from the public access counselor before filing an action under this section as set forth in section 9.5 of this chapter.

(k) This subsection applies only to an action to appeal the denial of access to a law enforcement recording under section 5.1 of this chapter. A requestor (as defined in section 5.1 of this chapter) may bring an action to appeal from the denial of access to a law enforcement recording without first seeking or receiving an informal inquiry response or advisory opinion from the public

access counselor. If the requestor prevails in an action under this subsection:

- (1) the requestor is eligible for an award of reasonable attorney's fees, court costs, and other reasonable expenses; and**
- (2) a court may assess a civil penalty under section 9.5 of this chapter.**

~~(1)~~ **(1)** A court shall expedite the hearing of an action filed under this section.

~~(b) A person who knowingly or intentionally maintains a building, structure, vehicle, or other place that is used for the sale of alcoholic beverages (if the sale is in violation of section 5 of this chapter) commits maintaining a common nuisance, a Level 6 felony.~~

SECTION 2. IC 16-31-3-14, AS AMENDED BY P.L.168-2014, SECTION 30, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 14. (a) A person holding a certificate or license issued under this article must comply with the applicable standards and rules established under this article. A certificate holder or license holder is subject to disciplinary sanctions under subsection (b) if the department of homeland security determines that the certificate holder or license holder:

- (1) engaged in or knowingly cooperated in fraud or material deception in order to obtain a certificate or license, including cheating on a certification or licensure examination;
- (2) engaged in fraud or material deception in the course of professional services or activities;
- (3) advertised services or goods in a false or misleading manner;
- (4) falsified or knowingly allowed another person to falsify attendance records or certificates of completion of continuing education courses required under this article or rules adopted under this article;

- (7) fails to comply and maintain compliance with or violates any applicable provision, standard, or other requirement of this article or rules adopted under this article;
- (8) continues to practice if the certificate holder or license holder becomes unfit to practice due to:
 - (A) professional incompetence that includes the undertaking of professional activities that the certificate holder or license holder is not qualified by training or experience to undertake;
 - (B) failure to keep abreast of current professional theory or practice;
 - (C) physical or mental disability; or
 - (D) addiction to, abuse of, or dependency on alcohol or other drugs that endanger the public by impairing the certificate holder's or license holder's ability to practice safely;
- (9) engages in a course of lewd or immoral conduct in connection with the delivery of services to the public;
- (10) allows the certificate holder's or license holder's name or a certificate or license issued under this article to be used in connection with a person who renders services beyond the scope of that person's training, experience, or competence;
- (11) is subjected to disciplinary action in another state or jurisdiction on grounds similar to those contained in this chapter. For purposes of this subdivision, a certified copy of a record of

disciplinary action constitutes prima facie evidence of a disciplinary action in another jurisdiction;

(12) assists another person in committing an act that would constitute a ground for disciplinary sanction under this chapter;

or

(13) allows a certificate or license issued by the commission to be:

(A) used by another person; or

(B) displayed to the public when the certificate or license is expired, inactive, invalid, revoked, or suspended.

(b) The department of homeland security may issue an order under IC 4-21.5-3-6 to impose one (1) or more of the following sanctions if the department of homeland security determines that a certificate holder or license holder is subject to disciplinary sanctions under subsection (a):

(1) Revocation of a certificate holder's certificate or license holder's license for a period not to exceed seven (7) years.

(2) Suspension of a certificate holder's certificate or license holder's license for a period not to exceed seven (7) years.

(3) Censure of a certificate holder or license holder.

(4) Issuance of a letter of reprimand.

(5) Assessment of a civil penalty against the certificate holder or license holder in accordance with the following:

(A) The civil penalty may not exceed five hundred dollars (\$500) per day per violation.

(B) If the certificate holder or license holder fails to pay the civil penalty within the time specified by the department of homeland security, the department of homeland security may suspend the certificate holder's certificate or license holder's license without additional proceedings.

(6) Placement of a certificate holder or license holder on probation status and requirement of the certificate holder or license holder to:

(A) report regularly to the department of homeland security upon the matters that are the basis of probation;

(B) limit practice to those areas prescribed by the department of homeland security;

(C) continue or renew professional education approved by the

department of homeland security until a satisfactory degree of skill has been attained in those areas that are the basis of the probation; or

(D) perform or refrain from performing any acts, including community restitution or service without compensation, that the department of homeland security considers appropriate to the public interest or to the rehabilitation or treatment of the certificate holder or license holder.

The department of homeland security may withdraw or modify this probation if the department of homeland security finds after a hearing that the deficiency that required disciplinary action is remedied or that changed circumstances warrant a modification of the order.

(c) If an applicant or a certificate holder or license holder has engaged in or knowingly cooperated in fraud or material deception to obtain a certificate or license, including cheating on the certification or licensure examination, the department of homeland security may rescind the certificate or license if it has been granted, void the examination or other fraudulent or deceptive material, and prohibit the applicant from reapplying for the certificate or license for a length of time established by the department of homeland security.

(d) The department of homeland security may deny certification or licensure to an applicant who would be subject to disciplinary sanctions under subsection (b) if that person were a certificate holder or license holder, has had disciplinary action taken against the applicant or the applicant's certificate or license to practice in another state or jurisdiction, or has practiced without a certificate or license in violation of the law. A certified copy of the record of disciplinary action is conclusive evidence of the other jurisdiction's disciplinary action.

(e) The department of homeland security may order a certificate holder or license holder to submit to a reasonable physical or mental examination if the certificate holder's or license holder's physical or mental capacity to practice safely and competently is at issue in a disciplinary proceeding. Failure to comply with a department of homeland security order to submit to a physical or mental examination makes a certificate holder or license holder liable to temporary suspension under subsection (i).

(f) Except as provided under subsection (a), subsection (g), and

section 14.5 of this chapter, a certificate or license may not be denied, revoked, or suspended because the applicant, certificate holder, or license holder has been convicted of an offense. The acts from which the applicant's, certificate holder's, or license holder's conviction resulted may be considered as to whether the applicant or certificate holder or license holder should be entrusted to serve the public in a specific capacity.

(g) The department of homeland security may deny, suspend, or revoke a certificate or license issued under this article if the individual who holds or is applying for the certificate or license is convicted of any of the following:

- (10) Maintaining a common nuisance under IC 35-48-4-13 **(repealed) or IC 35-45-1-5, if the common nuisance involves a controlled substance.**

(i) The department of homeland security may temporarily suspend a certificate holder's certificate or license holder's license under IC 4-21.5-4 before a final adjudication or during the appeals process if the department of homeland security finds that a certificate holder or license holder would represent a clear and immediate danger to the public's health, safety, or property if the certificate holder or license holder were allowed to continue to practice.

(j) On receipt of a complaint or information alleging that a person certified or licensed under this chapter or IC 16-31-3.5 has engaged in or is engaging in a practice that is subject to disciplinary sanctions under this chapter, the department of homeland security must initiate an investigation against the person.

(k) The department of homeland security shall conduct a factfinding investigation as the department of homeland security considers proper in relation to the complaint.

(l) The department of homeland security may reinstate a certificate or license that has been suspended under this section if the department of homeland security is satisfied that the applicant is able to practice with reasonable skill, competency, and safety to the public. As a condition of reinstatement, the department of homeland security may impose disciplinary or corrective measures authorized under this chapter.

(m) The department of homeland security may not reinstate a certificate or license that has been revoked under this chapter.

(n) The department of homeland security must be consistent in the application of sanctions authorized in this chapter. Significant departures from prior decisions involving similar conduct must be

explained in the department of homeland security's findings or orders.

(o) A certificate holder may not surrender the certificate holder's certificate, and a license holder may not surrender the license holder's license, without the written approval of the department of homeland security, and the department of homeland security may impose any conditions appropriate to the surrender or reinstatement of a surrendered certificate or license.

(a) A practitioner shall comply with the standards established under this licensing program. A practitioner is subject to the exercise of the disciplinary sanctions under subsection (b) if the department finds that a practitioner has:

- (2) engaged in fraud or material deception in the course of professional services or activities;
- (3) advertised services or goods in a false or misleading manner;
- (4) falsified or knowingly allowed another person to falsify attendance records or certificates of completion of continuing education courses provided under this chapter;

 - (A) professional incompetence;
 - (B) failure to keep abreast of current professional theory or practice;
 - (C) physical or mental disability; or
 - (D) addiction to, abuse of, or severe dependency on alcohol or other drugs that endanger the public by impairing a practitioner's ability to practice safely;

- (8) engaged in a course of lewd or immoral conduct in connection with the delivery of services to the public;
- (9) allowed the practitioner's name or a license issued under this chapter to be used in connection with an individual or business who renders services beyond the scope of that individual's or business's training, experience, or competence;
- (10) had disciplinary action taken against the practitioner or the practitioner's license to practice in another state or jurisdiction on grounds similar to those under this chapter;
- (11) assisted another person in committing an act that would constitute a ground for disciplinary sanction under this chapter; or
- (12) allowed a license issued by the department to be:
 - (A) used by another person; or
 - (B) displayed to the public when the license has expired, is inactive, is invalid, or has been revoked or suspended.

For purposes of subdivision (10), a certified copy of a record of disciplinary action constitutes prima facie evidence of a disciplinary action in another jurisdiction.

(b) The department may impose one (1) or more of the following sanctions if the department finds that a practitioner is subject to disciplinary sanctions under subsection (a):

- (1) Permanent revocation of a practitioner's license.
- (2) Suspension of a practitioner's license.

- (4) Issuance of a letter of reprimand.
- (5) Assess a civil penalty against the practitioner in accordance with the following:
 - (A) The civil penalty may not be more than one thousand dollars (\$1,000) for each violation listed in subsection (a), except for a finding of incompetency due to a physical or mental disability.
 - (B) When imposing a civil penalty, the department shall consider a practitioner's ability to pay the amount assessed. If the practitioner fails to pay the civil penalty within the time specified by the department, the department may suspend the practitioner's license without additional proceedings. However, a suspension may not be imposed if the sole basis for the

suspension is the practitioner's inability to pay a civil penalty.

(6) Place a practitioner on probation status and require the practitioner to:

(A) report regularly to the department upon the matters that are the basis of probation;

(B) limit practice to those areas prescribed by the department;

(C) continue or renew professional education approved by the department until a satisfactory degree of skill has been attained in those areas that are the basis of the probation; or

(D) perform or refrain from performing any acts, including community restitution or service without compensation, that the department considers appropriate to the public interest or to the rehabilitation or treatment of the practitioner.

The department may withdraw or modify this probation if the department finds after a hearing that the deficiency that required disciplinary action has been remedied or that changed circumstances warrant a modification of the order.

(c) If an applicant or a practitioner has engaged in or knowingly cooperated in fraud or material deception to obtain a license to practice, including cheating on the licensing examination, the department may rescind the license if it has been granted, void the examination or other fraudulent or deceptive material, and prohibit the applicant from reapplying for the license for a length of time established by the department.

(d) The department may deny licensure to an applicant who has had disciplinary action taken against the applicant or the applicant's license to practice in another state or jurisdiction or who has practiced without a license in violation of the law. A certified copy of the record of disciplinary action is conclusive evidence of the other jurisdiction's disciplinary action.

(e) The department may order a practitioner to submit to a reasonable physical or mental examination if the practitioner's physical or mental capacity to practice safely and competently is at issue in a disciplinary proceeding. Failure to comply with a department order to submit to a physical or mental examination makes a practitioner liable to temporary suspension under subsection (j).

(f) Except as provided under subsection (g) or (h), a license may not be denied, revoked, or suspended because the applicant or holder has

been convicted of an offense. The acts from which the applicant's or holder's conviction resulted may, however, be considered as to whether the applicant or holder should be entrusted to serve the public in a specific capacity.

(g) The department may deny, suspend, or revoke a license issued under this chapter if the individual who holds the license is convicted of any of the following:

- (1) Possession of cocaine or a narcotic drug under IC 35-48-4-6.

- (7) Possession of paraphernalia as a Class D felony (for a crime committed before July 1, 2014) or a Level 6 felony (for a crime committed after June 30, 2014) under IC 35-48-4-8.3(b).
- (8) Possession of marijuana, hash oil, hashish, or salvia as a Class D felony (for a crime committed before July 1, 2014) or a Level 6 felony (for a crime committed after June 30, 2014) under IC 35-48-4-11.

(14) An offense in any other jurisdiction in which the elements of the offense for which the conviction was entered are substantially similar to the elements of an offense described in this subsection.

(1) Dealing in cocaine or a narcotic drug under IC 35-48-4-1.

(2) Dealing in methamphetamine under IC 35-48-4-1.1.

(3) Dealing in a schedule I, II, or III controlled substance under IC 35-48-4-2.

(4) Dealing in a schedule IV controlled substance under IC 35-48-4-3.

(12) Attempt under IC 35-41-5-1 to commit an offense listed in this subsection.

(13) An offense in any other jurisdiction in which the elements of the offense for which the conviction was entered are substantially similar to the elements of an offense described in this subsection.

(14) A violation of any federal or state drug law or rule related to wholesale legend drug distributors licensed under IC 25-26-14.

(i) A decision of the department under subsections (b) through (h) may be appealed to the commission under IC 4-21.5-3-7.

(j) The department may temporarily suspend a practitioner's license under IC 4-21.5-4 before a final adjudication or during the appeals process if the department finds that a practitioner represents a clear and immediate danger to the public's health, safety, or property if the practitioner is allowed to continue to practice.

(k) On receipt of a complaint or an information alleging that a person licensed under this chapter has engaged in or is engaging in a practice that jeopardizes the public health, safety, or welfare, the department shall initiate an investigation against the person.

(l) Any complaint filed with the office of the attorney general alleging a violation of this licensing program shall be referred to the department for summary review and for its general information and any authorized action at the time of the filing.

(m) The department shall conduct a fact finding investigation as the department considers proper in relation to the complaint.

(n) The department may reinstate a license that has been suspended under this section if, after a hearing, the department is satisfied that the applicant is able to practice with reasonable skill, safety, and competency to the public. As a condition of reinstatement, the department may impose disciplinary or corrective measures authorized under this chapter.

(o) The department may not reinstate a license that has been revoked under this chapter. An individual whose license has been revoked under this chapter may not apply for a new license until seven (7) years after the date of revocation.

(p) The department shall seek to achieve consistency in the application of sanctions authorized in this chapter. Significant departures from prior decisions involving similar conduct must be explained in the department's findings or orders.

(q) A practitioner may petition the department to accept the surrender of the practitioner's license instead of having a hearing before the commission. The practitioner may not surrender the practitioner's license without the written approval of the department, and the department may impose any conditions appropriate to the surrender or

reinstatement of a surrendered license.

(r) A practitioner who has been subjected to disciplinary sanctions may be required by the commission to pay the costs of the proceeding. The practitioner's ability to pay shall be considered when costs are assessed. If the practitioner fails to pay the costs, a suspension may not be imposed solely upon the practitioner's inability to pay the amount assessed. The costs are limited to costs for the following:

- (1) Court reporters.
- (2) Transcripts.
- (3) Certification of documents.
- (4) Photo duplication.
- (5) Witness attendance and mileage fees.

 - (8) Any other circumstances appropriate for consideration.
- (d) If the defendant was convicted of murder in a jury trial, the jury shall reconvene for the sentencing hearing. If the trial was to the court, or the judgment was entered on a guilty plea, the court alone shall conduct the sentencing hearing. The jury or the court may consider all the evidence introduced at the trial stage of the proceedings, together with new evidence presented at the sentencing hearing. The court shall instruct the jury concerning the statutory penalties for murder and any

other offenses for which the defendant was convicted, the potential for consecutive or concurrent sentencing, and the availability of educational credit, good time credit, and clemency. The court shall instruct the jury that, in order for the jury to recommend to the court that the death penalty or life imprisonment without parole should be imposed, the jury must find at least one (1) aggravating circumstance beyond a reasonable doubt as described in subsection (l) and shall provide a special verdict form for each aggravating circumstance alleged. The defendant may present any additional evidence relevant to:

- (1) the aggravating circumstances alleged; or
- (2) any of the mitigating circumstances listed in subsection (c).

(e) For a defendant sentenced after June 30, 2002, except as provided by IC 35-36-9, if the hearing is by jury, the jury shall recommend to the court whether the death penalty or life imprisonment without parole, or neither, should be imposed. The jury may recommend:

- (1) the death penalty; or
- (2) life imprisonment without parole;

only if it makes the findings described in subsection (l). If the jury reaches a sentencing recommendation, the court shall sentence the defendant accordingly. After a court pronounces sentence, a representative of the victim's family and friends may present a statement regarding the impact of the crime on family and friends. The impact statement may be submitted in writing or given orally by the representative. The statement shall be given in the presence of the defendant.

(f) If a jury is unable to agree on a sentence recommendation after reasonable deliberations, the court shall discharge the jury and proceed as if the hearing had been to the court alone.

(g) If the hearing is to the court alone, except as provided by IC 35-36-9, the court shall:

- (1) sentence the defendant to death; or
- (2) impose a term of life imprisonment without parole;

only if it makes the findings described in subsection (l).

(h) If a court sentences a defendant to death, the court shall order the defendant's execution to be carried out not later than one (1) year and one (1) day after the date the defendant was convicted. The

supreme court has exclusive jurisdiction to stay the execution of a death sentence. If the supreme court stays the execution of a death sentence, the supreme court shall order a new date for the defendant's execution.

(i) If a person sentenced to death by a court files a petition for post-conviction relief, the court, not later than ninety (90) days after the date the petition is filed, shall set a date to hold a hearing to consider the petition. If a court does not, within the ninety (90) day period, set the date to hold the hearing to consider the petition, the court's failure to set the hearing date is not a basis for additional post-conviction relief. The attorney general shall answer the petition for post-conviction relief on behalf of the state. At the request of the attorney general, a prosecuting attorney shall assist the attorney general. The court shall enter written findings of fact and conclusions of law concerning the petition not later than ninety (90) days after the date the hearing concludes. However, if the court determines that the petition is without merit, the court may dismiss the petition within ninety (90) days without conducting a hearing under this subsection.

(j) A death sentence is subject to automatic review by the supreme court. The review, which shall be heard under rules adopted by the supreme court, shall be given priority over all other cases. The supreme court's review must take into consideration all claims that the:

- (1) conviction or sentence was in violation of the:
 - (A) Constitution of the State of Indiana; or
 - (B) Constitution of the United States;
- (2) sentencing court was without jurisdiction to impose a sentence; and
- (3) sentence:
 - (A) exceeds the maximum sentence authorized by law; or
 - (B) is otherwise erroneous.

If the supreme court cannot complete its review by the date set by the sentencing court for the defendant's execution under subsection (h), the supreme court shall stay the execution of the death sentence and set a new date to carry out the defendant's execution.

(k) A person who has been sentenced to death and who has completed state post-conviction review proceedings may file a written petition with the supreme court seeking to present new evidence challenging the person's guilt or the appropriateness of the death

sentence if the person serves notice on the attorney general. The supreme court shall determine, with or without a hearing, whether the person has presented previously undiscovered evidence that undermines confidence in the conviction or the death sentence. If necessary, the supreme court may remand the case to the trial court for an evidentiary hearing to consider the new evidence and its effect on the person's conviction and death sentence. The supreme court may not make a determination in the person's favor nor make a decision to remand the case to the trial court for an evidentiary hearing without first providing the attorney general with an opportunity to be heard on the matter.

(l) Before a sentence may be imposed under this section, the jury, in a proceeding under subsection (e), or the court, in a proceeding under subsection (g), must find that:

- (1) the state has proved beyond a reasonable doubt that at least one (1) of the aggravating circumstances listed in subsection (b) exists; and
- (2) any mitigating circumstances that exist are outweighed by the aggravating circumstance or circumstances.

SECTION 7. IC 35-47-8.5 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]:

Chapter 8.5. NFA Firearm Certification

Sec. 1. The following definitions apply throughout this chapter:

(1) "Certification" means the participation and assent of the chief law enforcement officer necessary under federal law for the approval of an application to transfer or manufacture an NFA firearm.

(2) "Chief law enforcement officer" means any official whom the federal Bureau of Alcohol, Tobacco, Firearms, and

Explosives, or its successor agency, identifies by regulation or otherwise as eligible to provide a required certification for the transfer or manufacture of an NFA firearm. The term includes a designee of the official.

(3) "Completed request" means:

(A) a written request for certification under this chapter; and

(B) submission of the required information described in section 3(a) of this chapter.

(4) "NFA firearm" means a firearm as defined in 26 U.S.C. 5845(a) (the National Firearms Act).

(5) "NICS" (National Instant Criminal Background Check System) has the meaning set forth in IC 35-47-2.5-2.5.

Sec. 2. (a) If the certification of a chief law enforcement officer is required by federal law for the transfer or manufacture of an NFA firearm, the chief law enforcement officer shall issue the certification not later than fifteen (15) days after receipt of a completed request for certification, unless the applicant is:

(1) prohibited by law from receiving or possessing a firearm; or

(2) the subject of a proceeding that could result in the applicant being prohibited by law from receiving or possessing a firearm.

(b) A chief law enforcement officer may deny a request for certification only:

(1) because the request for certification is not complete; or

(2) for a reason described in subsection (a)(1) or (a)(2).

A chief law enforcement officer may not deny a request for certification based on a generalized objection to private persons or entities manufacturing, transferring, or receiving a firearm or an NFA firearm if the possession of the firearm or NFA firearm is not otherwise prohibited by law.

(c) If the chief law enforcement officer denies a request for certification under this section, the chief law enforcement officer shall provide the applicant with a written notification of the denial and the reason for the denial. If the chief law enforcement officer denies a request for certification because the request is not complete, the chief law enforcement officer shall set forth, in detail, why the request is not complete. An applicant whose request for

certification is denied because it is not complete may reapply or amend the existing request by supplying the required information.

Sec. 3. (a) In considering a request for certification, a chief law enforcement officer may require an applicant to submit only the following information:

(1) Information required by federal or state law to identify the applicant and conduct a background check, including a check of the NICS.

(2) Information necessary to determine the disposition of an arrest or proceeding relevant to the applicant's eligibility to lawfully possess or receive a firearm.

(b) A chief law enforcement officer may not require access to private property or consent to inspect any private premises as a condition of issuing a certification under this chapter.

Sec. 4. (a) Except for the award of court costs, attorney's fees, and other expenses as described in section 5 of this chapter, and except as provided in subsection (b), a chief law enforcement officer is immune from civil liability based on an act or omission relating to the issuance or denial of a certification under this chapter.

(b) The immunity described in subsection (a) does not apply to an act or omission that constitutes gross negligence or willful or wanton misconduct.

Sec. 5. (a) A person whose request for certification has been denied under this chapter may file an action in the circuit or superior court of the county in which the denial occurred to compel the chief law enforcement officer to issue a certification. The person filing an action under this subsection shall serve a copy of the action on the chief law enforcement officer in accordance with the Indiana Rules of Trial Procedure.

(b) The court shall determine the matter under subsection (a) de novo, with the burden of proof on the chief law enforcement officer to sustain the denial of the request for certification. If the request for certification was denied because the applicant is:

(1) prohibited by law from receiving or possessing a firearm;
or

(2) the subject of a proceeding that could result in the applicant being prohibited by law from receiving or possessing a firearm;

a certified copy of documentary evidence establishing that the applicant is ineligible for certification is sufficient to meet the burden of proof. However, an affidavit or conclusory statement is not sufficient to sustain the burden of proof that a denial of the request for certification was proper.

(c) In an action filed under this section, a court shall award reasonable attorney's fees, court costs, and other reasonable expenses of litigation to the prevailing applicant if the court finds that there was no substantial basis for the denial of the request for certification.

(d) A court shall expedite the hearing of an action filed under this section.

(b) The following transactions involving a domestic insurer and any person in its insurance holding company system (including amendments or modifications to affiliate agreements previously filed under this chapter) that are subject to any materiality standards described in subdivisions (1) through (7) may not be entered into unless the insurer has notified the commissioner in writing of its intention to enter into such transaction at least thirty (30) days prior thereto, or such shorter period as the commissioner may permit, and the commissioner has not disapproved it within that period:

This subsection does not authorize or permit any transactions that, in the case of an insurer not a member of the same insurance holding company system, would be otherwise contrary to law. Notice concerning amendments or modifications of a transaction must include the reasons for the change and the financial impact on the domestic insurer. Not more than thirty (30) days after an agreement that was previously filed under this section is terminated, the domestic insurer shall send written notice of the termination to the commissioner. The commissioner shall determine whether a filing concerning the termination is required and shall notify the domestic insurer of the commissioner's determination.

(c) A domestic insurer may not enter into transactions that are part of a plan or series of like transactions with persons within the insurance holding company system if the purpose of those separate transactions is to avoid the statutory threshold amount and thus avoid the review that would occur otherwise.

(d) The commissioner, in reviewing transactions pursuant to subsection (b), shall consider whether the transactions comply with the standards set forth in subsection (a) and whether the transactions may adversely affect the interests of policyholders.

(e) The commissioner shall be notified within thirty (30) days of any investment of the domestic insurer in any one (1) corporation if the total investment in that corporation by the insurance holding company system exceeds ten percent (10%) of the corporation's voting securities.

- (11) The quality of the earnings of the insurer and the extent to which the reported earnings of the insurer include extraordinary items.

(g) No domestic insurer subject to registration under section 3 of this chapter shall pay an extraordinary dividend or make any other extraordinary distribution to its security holders until:

(i) Notwithstanding any other provision of law, a domestic insurer may declare an extraordinary dividend or distribution which is conditional upon the commissioner's approval thereof, but such a declaration shall confer no rights upon shareholders until:

(1) the commissioner has approved the payment of such dividend or distribution; or

(2) the commissioner has not disapproved the payment within the thirty (30) day period referred to in subsection (g).

SECTION 25. IC 27-9-3-34.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: **Sec. 34.5. (a) This section:**

(1) applies to a worker's compensation large deductible policy issued by an insurer that is subject to this chapter; and

(2) does not apply to first party claims or claims funded by the guaranty association net of the deductible.

(b) To the extent that the terms of a large deductible policy conflict with this section, the policy must be administered in accordance with this section.

(c) Unless otherwise agreed by the guaranty association, all deductible claims that are covered claims (as defined in IC 27-6-8-4), including claims funded by an insured before liquidation, must be referred to the guaranty association for processing. To the extent an insured funds or pays a deductible claim under an agreement with the guaranty association or otherwise, the insured's funding or payment of the deductible claim extinguishes any obligation of the receiver or the guaranty association to pay the claim. A charge may not be made against the receiver or the guaranty association on the basis of an insured's funding or payment of a deductible claim.

(d) The following apply when the guaranty association pays a deductible claim:

(1) If the guaranty association pays a deductible claim for which the insurer would have been entitled to reimbursement from the insured, the guaranty association is entitled to the full amount of the reimbursement and available collateral to the extent necessary to reimburse the guaranty association. Reimbursements paid to the guaranty association under this subsection are not early access payments under section 32 of this chapter or distributions under section 40 of this chapter.

(2) If the guaranty association pays:

(A) a deductible claim that is not reimbursed:

(i) from collateral; or

(ii) by payment by the insured; or

(B) an incurred expense in connection with a large deductible policy that is not reimbursed;

the guaranty association is entitled to assert a claim for the payments in the delinquency proceeding.

(e) Subsection (d) does not limit the receiver's or guaranty association's rights under other applicable law to obtain reimbursement from an insured for claim payments made by the guaranty association:

(1) under the policies of the insurer; or

(2) for the guaranty association's related expenses;

including payments described in IC 27-6-8-11.5 or under another state's similar law.

(f) A receiver shall do the following:

(1) Upon receipt by the receiver of notice from the guaranty association of reimbursable payments for which the guaranty association has not been reimbursed, bill an insured for reimbursement of deductible claims:

(A) paid by the insurer before the commencement of delinquency proceedings;

(B) paid by the guaranty association; or

(C) paid or allowed by the receiver.

(2) If an insured that is billed under subdivision (1) does not make payment within:

(A) the time specified in the large deductible policy; or

(B) if no time is specified in the large deductible policy,

sixty (60) days after the date of billing;
the receiver shall pursue all commercially reasonable actions to collect the payment.

(g) The following do not relieve an insured from the insured's reimbursement obligation under a large deductible policy and this chapter:

- (1) An insurer's insolvency.
- (2) An insurer's inability to perform the insurer's obligations.
- (3) An allegation of improper processing or payment of a deductible claim, except for gross negligence, by the:
 - (A) insurer;
 - (B) receiver; or
 - (C) guaranty association.

(h) With respect to collateral, the following apply:

- (1) A receiver shall use available collateral to secure:
 - (A) an insured's obligation to fund or reimburse deductible claims; and
 - (B) other secured obligations or payment obligations.

The guaranty association is entitled to collateral to the extent needed to reimburse the guaranty association for the guaranty association's payment of a deductible claim. A distribution to the guaranty association under this subdivision is not an early access payment under section 32 of this chapter or a distribution under section 40 of this chapter.

- (2) A receiver shall pay all claims against collateral in the order received, and a claim of the receiver, including claims described in this subsection, does not supersede any other claim against the collateral as described in subdivision (4).
- (3) A receiver shall draw down collateral to the extent necessary if the insured fails to do any of the following:

- (A) Perform the insured's funding or payment obligations under the large deductible policy.
- (B) Pay a deductible claim reimbursement within the time specified in subsection (f)(2).
- (C) Pay amounts due to the insurer estate for pre-liquidation obligations.
- (D) Fund any other secured obligation within:
 - (i) the time specified in the large deductible policy; or
 - (ii) another reasonable period.

(E) Pay expenses within the time specified in subsection (f)(2).

(4) A receiver shall pay all claims that are validly asserted against the collateral in the order in which the claims are received by the receiver.

(5) A receiver shall return to an insured any excess collateral, as determined by the receiver after a periodic review of claims paid, outstanding case reserves, and a factor for incurred but not reported claims.

Right to Prepay - (1) Subject to the provisions on rebate upon prepayment (section 210 of this chapter), the debtor may prepay in full the unpaid balance of a consumer loan, refinancing, or consolidation at any time without penalty. With respect to a consumer loan that is primarily secured by an interest in land, a lender may contract for a penalty for prepayment of the loan in full, not to exceed two percent (2%) of any amount prepaid within sixty (60) days of the date of the prepayment in full, after deducting all refunds and rebates as of the date of the prepayment. However, the penalty may not be imposed:

(a) if the loan is refinanced or consolidated with the same creditor;

(b) for prepayment by proceeds of any insurance or acceleration after default; or

(c) after three (3) years from the contract date.

(2) At the time of prepayment of a consumer loan not subject to the provisions of rebate upon prepayment (section 210 of this chapter), the total finance charge, including the prepaid finance charge but excluding the loan origination fee allowed under ~~section 201~~ of this chapter, may not exceed the maximum charge allowed under this chapter for the period the loan was in effect. For the purposes of determining compliance with this subsection, the total finance charge does not include the following:

(a) The loan origination fee allowed under ~~section 201~~ of this chapter.

(b) The debtor paid mortgage broker fee, if any, paid to a person who does not control, is not controlled by, or is not under common control with, the creditor holding the loan at the time a consumer loan is prepaid.

(3) The creditor or mortgage servicer shall provide, in writing, an

accurate payoff amount for the consumer loan to the debtor within seven (7) business days (excluding legal public holidays, Saturdays, and Sundays) after the creditor or mortgage servicer receives the debtor's written request for the accurate consumer loan payoff amount. A payoff statement provided by a creditor or mortgage servicer under this subsection must show the date the statement was prepared and itemize the unpaid principal balance and each fee, charge, or other sum included within the payoff amount. A creditor or mortgage servicer who fails to provide the accurate consumer loan payoff amount is liable for:

- (a) one hundred dollars (\$100) if an accurate consumer loan payoff amount is not provided by the creditor or mortgage servicer within seven (7) business days (excluding legal public holidays, Saturdays, and Sundays) after the creditor or mortgage servicer receives the debtor's first written request; and
- (b) the greater of:
 - (i) one hundred dollars (\$100); or
 - (ii) the loan finance charge that accrues on the loan from the date the creditor or mortgage servicer receives the first written request until the date on which the accurate consumer loan payoff amount is provided;

if an accurate consumer loan payoff amount is not provided by the creditor or mortgage servicer within seven (7) business days (excluding legal public holidays, Saturdays, and Sundays) after the creditor or mortgage servicer receives the debtor's second written request, and the creditor or mortgage servicer failed to comply with subdivision (a).

A liability under this subsection is an excess charge under IC 24-4.5-5-202.

(4) As used in this subsection, "mortgage transaction" means a consumer loan in which a mortgage or a land contract (or another consensual security interest equivalent to a mortgage or a land contract) that constitutes a lien is created or retained against land upon which there is constructed or intended to be constructed a dwelling that is or will be used by the debtor primarily for personal, family, or household purposes. This subsection applies to a mortgage transaction with respect to which any installment or minimum payment due is delinquent for at least sixty (60) days. The creditor, servicer, or the

creditor's agent shall acknowledge a written offer made in connection with a proposed short sale not later than five (5) business days (excluding legal public holidays, Saturdays, and Sundays) after the date of the offer if the offer complies with the requirements for a qualified written request set forth in 12 U.S.C. 2605(e)(1)(B). The creditor, servicer, or creditor's agent is required to acknowledge a written offer made in connection with a proposed short sale from a third party acting on behalf of the debtor only if the debtor has provided written authorization for the creditor, servicer, or creditor's agent to do so. Not later than thirty (30) business days (excluding legal public holidays, Saturdays, and Sundays) after receipt of an offer under this subsection, the creditor, servicer, or creditor's agent shall respond to the offer with an acceptance or a rejection of the offer. The thirty (30) day period described in this subsection may be extended for not more than fifteen (15) business days (excluding legal public holidays, Saturdays, and Sundays) if, before the end of the thirty (30) day period, the creditor, the servicer, or the creditor's agent notifies the debtor of the extension and the reason the extension is needed. Payment accepted by a creditor, servicer, or creditor's agent in connection with a short sale constitutes payment in full satisfaction of the mortgage transaction unless the creditor, servicer, or creditor's agent obtains:

- (a) the following statement: "The debtor remains liable for any amount still owed under the mortgage transaction."; or
- (b) a statement substantially similar to the statement set forth in subdivision (a);

acknowledged by the initials or signature of the debtor, on or before the date on which the short sale payment is accepted. As used in this subsection, "short sale" means a transaction in which the property that is the subject of a mortgage transaction is sold for an amount that is less than the amount of the debtor's outstanding obligation under the mortgage transaction. A creditor or mortgage servicer that fails to respond to an offer within the time prescribed by this subsection is liable in accordance with 12 U.S.C. 2605(f) in any action brought under that section.

(b) At the hearing, which may be adjourned from time to time, the board shall hear all persons interested in the proceedings and consider all remonstrances that have been filed, and after considering them, the board shall take final action and determine the public necessity and convenience of the proposed improvement, and confirm, or modify and confirm, or rescind the resolution. The final action shall be duly entered of record, and is conclusive upon all persons, except as provided in sections 4 through 8 of this chapter. Any person who has remonstrated in writing and who is aggrieved by the decision of the board may take an appeal to the circuit court, **superior court, or probate court** in the county in which the city is located.

improvement, of all disbursements made during the course of the work, and of all equitable settlements between the parties contributing to the cost; but the total cost may not exceed the estimate adopted in the resolution.

(b) From time to time during the progress of the work, and upon completion of the improvement, the board shall make and adjust equitable settlements and payments between the parties contributing to the cost of the improvement so that the total cost of the improvement is apportioned between the parties as determined by the board consistent with this chapter.

(c) The equitable settlements and payments shall be made by the board, either on its own initiative or on petition of any railroad company charged with the work or any part of the work, or on petition of either the Indiana state highway commission or of the county in which the city is located, if the Indiana state highway commission and the county participate in the cost of the improvement.

(d) Any adjustment or adjustments are binding on all of the parties unless any aggrieved party, within sixty (60) days after the entry of an order of equitable settlement made by the board, files ~~his~~ **the aggrieved party's** complaint to review the adjustment in the circuit court, **superior court, or probate court** of the county in which the city is located. The decree of the court is final. The railroad company or companies, shall, upon the adjustment or decree, pay their portions of the cost as directed. SECTION 44. IC 8-6-2.1-21 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 21. (a) Upon final action of the board or **the** circuit court, **superior court, or probate court** confirming the resolution, all territory lying within the corporate limits of the city shall become a special taxing district for grade separation and railroad relocation and reconstruction purposes, and all property, real and personal, located within the territorial limits of the district shall be subject to a special tax for the purpose of providing funds to pay the city's portion of the total cost of the improvement.

(b) The special tax shall constitute the amount of benefits resulting to all of the property from the proceedings, and shall be levied in the manner provided for by this chapter. If the board determines that any lots or parcels of land, exclusive of improvements, lying within two thousand (2,000) feet of any grade crossing eliminated or altered by the improvement, or within two thousand (2,000) feet of any lands or rights-of-way abandoned for railroad use or from which railroad facilities are to be removed, will incur a particular benefit by reason of their proximity in addition to the benefits received by them in common with all other property located in the district, those lots and parcels of land which lie within the corporate limits of the city shall be subject to a special assessment for the benefits.

(c) The special assessment shall be determined in accordance with this chapter, but the total amount of the additional benefits assessed shall not in any case exceed forty percent (40%) of the city's share of the total cost of the improvement; and the total amount of the additional benefits assessed and finally confirmed or adjudged against lots and parcels of land exclusive of improvements lying within two thousand (2,000) feet shall be deducted from the city's share of the total cost and the balance of the city's share of the total cost, is the amount of the benefits resulting to all property in the special taxing district, and the special tax shall be levied only for this balance. Any lot or parcel of land owned and used or occupied for railroad purposes at the time of the adoption of any resolution by any railroad company whose tracks

are affected by the resolution, or any lot or parcel of land devoted to railroad purposes in connection with and because of the improvement, is not subject to any special assessment for the particular benefits.

SECTION 45. IC 8-6-2.1-25 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 25. Any person notified or considered to be notified under this chapter may appear before the board on the day fixed for hearing the remonstrances with regard to awards and assessments, and remonstrate in writing against them. All persons appearing before the board having an interest in the proceedings shall be given a hearing. After the remonstrances have been received and the hearings had, the board shall either sustain or modify, by increasing or decreasing, the awards or assessments. Any person remonstrating in writing who is aggrieved by the decision of the board may, within ten (10) days after the decision is made, take an appeal to the circuit court, **superior court, or probate court** of the county in which the city is located. The appeal affects only the amount of the assessment or award of the person appealing.

SECTION 46. IC 8-6-2.1-26 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 26. (a) The appeal shall be taken by filing an original complaint in the circuit court, **superior court, or probate court** of the county in which the city is located against the board within the time named, setting forth the action of the board in respect to the assessment or award, and stating the facts relied upon as showing an error of the board. The court shall rehear the matter of the assessment or award de novo, and confirm, lower or increase the amount. The cause shall be summarily tried by the court without the intervention of a jury, as in other civil cases. A change of venue from the county may not be taken.

(b) All remonstrances upon which an appeal is taken may be consolidated and heard as one (1) cause of action, and all the appeals shall be heard and determined by the court within thirty (30) days after the time of filing of the appeal. If the court reduces the amount of benefit assessed against the land of the property owner by ten percent (10%) or more of the assessment by the board, or increases the amount of the damages awarded in ~~his~~ **the property owner's** favor by ten percent (10%) or more of the amount awarded by the board, the plaintiff in the appeal shall recover costs, otherwise not.

(c) The amount of the judgment in the court shall be final, and no

appeal may be taken. However, any party in interest may take an appeal from the judgment to the supreme court of Indiana, upon the sole ground that the property in question has or has not incurred damages recoverable under law.

SECTION 47. IC 8-6-2.1-28 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 28. (a) The board, upon the completion of the award of damages, if any, or upon the determination of the appeals taken, shall make out certificates for the proper amounts and in favor of the proper persons. Presentation of the certificates to the city controller or clerk-treasurer of the city entitles those persons to a warrant drawn on the city treasury. The controller or clerk-treasurer shall pay the persons named the amounts due them respectively, as shown by the certificates, out of the separate and specific funds derived from the sale of bonds and from benefit assessments provided for in section 30 of this chapter, or out of funds coming from equitable settlements between the parties, and these payments may not be made from any other source or funds.

(b) The certificates or vouchers shall, whenever practical, be tendered actually to the person entitled to them, but where this is impractical, they shall be kept for the persons in the office of the board, and the making and filing of the certificates, in all cases, is considered to be valid tender to the person entitled to them at the time or as soon as there are sufficient funds to pay them. They shall be delivered to the person on request. In case of dispute or doubt as to which of various persons the money shall be paid, the board shall make out the certificates in favor of the attorney appointed by the board for the use of the persons entitled to them, and the attorney shall draw the money and pay it into court, requiring the various claimants to interplead and have their respective rights determined.

(c) If an injunction is obtained because damages have not been paid or tendered, the board shall tender the amount of damages with interest from the time of the entry of the property, if any has been made, and all accrued costs. If there are sufficient funds to pay the certificate, the injunction shall be removed. The pendency of an appeal to the circuit court, **superior court, or probate court** of a county does not affect the validity of a tender made under this section, but the board may proceed with its appropriation of the property in question.

SECTION 48. IC 8-6-3-1, AS AMENDED BY P.L.146-2008,

SECTION 361, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 1. (a) Whenever the separation of grades at the intersection of a railroad or railroads (as defined in IC 8-3-1-2) and a public street or highway is constructed, the railroad or railroads shall pay five (5) percent of the cost of the grade separation as provided in this chapter.

(b) This chapter shall apply to an existing crossing, a new crossing, or the reconstruction of an existing grade separation.

(c) If more than one (1) railroad (as defined in IC 8-3-1-2) is involved in a separation, the railroads involved shall divide the amount to be paid by the railroads by agreement between the railroads. If the railroads fail to agree, the circuit court, **superior court, or probate court** of the county in which the crossing is located shall have jurisdiction, upon the application of a party, to determine the division of the amount to be paid by the railroads. The decision of the court is final, unless one (1) or more parties deeming themselves aggrieved by the decision of the court shall appeal therefrom to the court of appeals of Indiana within thirty (30) days, or within additional time not exceeding ninety (90) days, as may be granted by the ~~circuit~~ court. The appeal shall be taken in substantially the same manner as an appeal in a civil case from the circuit court, **superior court, or probate court**.

(d) If a grade separation shall involve a state highway that is a part of the state highway system of Indiana, or a street or highway selected by the Indiana department of transportation as a route of a highway in the state highway system, the state, out of the funds of the Indiana department of transportation or funds appropriated for the use of the Indiana department of transportation, shall pay ninety-five percent (95%) of the cost of the grade separation.

(e) Before the Indiana department of transportation shall proceed with a grade separation within a city or town, the Indiana department of transportation shall first obtain the consent of the city, by a resolution adopted by the board or officials of the city having jurisdiction over improvement of the streets of the city, and any material modification of the plans upon which the consent was granted shall first be approved by the city by a similar resolution.

(f) If such grade separation is on a highway or street not a part of the highways under the jurisdiction of the Indiana department of transportation, or a part of a route selected by it, but is within any city

or town of the state, the city or town shall pay one-half (1/2) of ninety-five percent (95%) of the total of such cost and the county in which the crossing is located shall be liable for and pay one-half (1/2) of the ninety-five percent (95%).

(g) If a grade separation that involves a state highway that is a part of the state highway system of Indiana, or a street or highway selected by the Indiana department of transportation as a route of a highway in the state highway system, necessitates the grade separation on other highways or streets, not a part of the highways under the jurisdiction of the Indiana department of transportation but within any city of the state of Indiana, then of the total cost of the grade separation on a highway or street not under the jurisdiction of the Indiana department of transportation but necessitated by the grade separation involving a highway or street which is a part of the state highway system, the city shall pay one-fourth (1/4) of ninety-five percent (95%) and the county in which the crossing is located shall be liable for and pay one-fourth (1/4) of the ninety-five percent (95%) of the total of the costs and the state out of the funds of the Indiana department of transportation or funds appropriated for the use of the Indiana department of transportation, shall be liable for and pay one-half (1/2) of the remaining portion.

(h) If a crossing is not within any city or town and does not involve a highway under the jurisdiction of the Indiana department of transportation, then the county in which the crossing is located shall pay the ninety-five percent (95%) of the total cost which is not paid by the railroad or railroads.

(i) The division of the cost of grade separation applies when the grade separation replaces and eliminates an existing grade crossing at which active warning devices are in place or ordered to be installed by a state regulatory agency, but when the grade separation does not replace nor eliminate an existing grade crossing the state, county or municipality, as the case may be, shall bear and pay one hundred percent (100%) of the cost of the grade separation.

(j) In estimating and computing the cost of the grade separation, there shall be considered as a part of costs all expenses reasonably necessary for preliminary engineering, rights-of-way and all work required to comply with the plans and specifications for the work, including all changes in the highway and the grade thereof and the

approaches to the grade separation, as well as all changes in the roadbed, grade, rails, ties, bridges, buildings, and other structural changes in a railroad as may be necessary to effect the grade separation and to restore the railroad facilities aforesaid to substantially the same condition as before the separation.

(k) The required railroad share of the cost shall be based on the costs for preliminary engineering, right-of-way, and construction within the limits described below:

(1) Where a grade crossing is eliminated by grade separation, the structure and approaches for the number of lanes on the existing highway and in accordance with the current design standards of the governmental entity having jurisdiction over the highway involved.

(2) Where another facility, such as a highway or waterway, requiring a bridge structure is located within the limits of a grade separation project, the estimated cost of a theoretical structure and approaches as described under subdivision (1) to eliminate the railroad-highway grade crossing without considering the presence of the waterway or other highway.

(3) Where a grade crossing is eliminated by railroad or highway relocation, the actual cost of the relocation project, or the estimated cost of a structure and approaches as described under subdivision (1), whichever is less.

(l) If the Indiana department of transportation or any city, town, or county is unable to reach an agreement with a railroad company after determining that construction or reconstruction of a grade separation, which replaces or eliminates the need for a grade crossing, is necessary to protect travelers on the roads and streets of the state, the appropriate unit or combination of units of government shall give a written notice of its intention to proceed with the construction or reconstruction of a grade separation to the superintendent or regional engineer of the railroad company. The notice of intention shall be made by the adoption of a resolution stating the need for the grade separation. If, after thirty (30) days, the railroad has not agreed to a division of inspections, plans and specifications, the number and type of jobs to be completed by each agency, a division of costs, and other necessary conditions, the Indiana department of transportation, city, town, or county may proceed with the grade separation exercising any and all of

its powers to construct or reconstruct a bridge and, notwithstanding other provisions of this chapter, may pay for up to one hundred percent (100%) of the cost of the project. If the railroad is unable, for good cause, to pay the share of the cost required by this section, the city, town, or county may certify the amount owed by the railroad to the county auditor who shall prepare a special tax duplicate to be collected and settled for by the county treasurer in the same manner and at the same time as property taxes are collected. However, before the Indiana department of transportation, city, town, or county undertakes to do the work themselves they shall notify an agent of the railroad as to the time and place of the work.

SECTION 50. IC 8-10-1-8, AS AMENDED BY P.L.98-2008, SECTION 18, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 8. If the ports of Indiana shall find it necessary to change the location of any portion of any public road, highway,

railroad, or public utility facility, the ports of Indiana shall cause the same to be reconstructed at such location as the division of government having jurisdiction over such road, highway, railroad or public utility facility shall deem most favorable and of substantially the same type and in as good condition as the original road, highway, or railroad or public utility facility. The cost of such reconstruction, relocation, or removal and any damage incurred in changing the location of any such road, highway, railroad, or public utility facility, shall be ascertained and paid by the ports of Indiana as a part of the cost of the port or project. The ports of Indiana shall have authority to petition the circuit court, **superior court, or probate court** of the county wherein is situated any public road or part thereof, affected by the location therein of any port or project, for the vacation or relocation of such road or any part thereof with the same force and effect as statutes in effect on March 2, 1961, to the inhabitants of any municipality or governmental subdivision of the state. The proceedings upon such petition, whether it be for the appointment of appraisers or otherwise, shall be the same as provided by statutes in effect on March 2, 1961, for similar proceedings upon such petitions. In addition to the foregoing powers, the ports of Indiana and the authorized agents and employees of the ports of Indiana after proper notice, may enter upon any lands, waters, and premises in the state for the purpose of making surveys, soundings, drillings, and examinations as are necessary or proper for the purposes of this article, and such entry shall not be deemed a trespass, nor shall an entry for such purpose be deemed an entry under any condemnation proceedings which may be then pending; provided, that before entering upon the premises of any railroad, notice shall be given to the superintendent of such railroad involved at least five (5) days in advance of such entry, and provided, that no survey, sounding, drilling, and examination shall be made between the rails, or so close to a railroad track, as would render said track unusable. The ports of Indiana shall make reimbursement for any actual damage resulting to such lands, waters, and premises and to private property located in, on, along, over, or under such lands, waters and premises, as a result of such activities. The state of Indiana, subject to the approval of the governor, hereby consents to the use of lands owned by the state of Indiana, including lands lying under water and riparian rights, which are necessary or proper for the construction or operation of any port or

No survey, sounding, drilling and examination shall be made between the rails or so close to a railroad track as would render said track unusable. The department may make reimbursement for any actual damage resulting to such lands, waters and premises and to private property located in, on, along, over or under such lands, waters and premises, as a result of such activities. However, if on or before the day of the hearing a written remonstrance is filed with the board of commissioners or common council, the board of commissioners or common council shall fix a new hearing date at least thirty (30) days but less than forty (40) days after the original hearing date. the requested exemption not later than ninety (90) days after the hearing is concluded.

(e) The department may refuse to exempt a requesting entity from a provision of IC 24, IC 26, IC 28, IC 29, or IC 30 if the department finds that any of the following conditions apply:

(1) The department determines that a described provision of IC 24, IC 26, IC 28, IC 29, or IC 30 is not preempted for a federally chartered entity of the:

- (A) same; or
- (B) functionally equivalent;

type.

(2) The extension of the federal preemption in the form of an exemption from a provision of IC 24, IC 26, IC 28, IC 29, or IC 30 to the requesting entity would:

- (A) adversely affect the safety and soundness of the requesting entity; or
- (B) result in an unacceptable curtailment of consumer protection provisions.

(3) The failure of the department to provide for the exemption from a provision of IC 24, IC 26, IC 28, IC 29, or IC 30 will not result in a competitive disadvantage to the requesting entity.

(f) The operation of a financial institution in a manner consistent with exemption from a provision of IC 24, IC 26, IC 28, IC 29, or IC 30 under this section is not a violation of any provision of the Indiana Code or rules adopted under IC 4-22-2.

(g) If a financial institution is exempted from the provisions of IC 24, IC 26, IC 28, IC 29, or IC 30 in compliance with this section, the department shall do the following:

(1) Determine whether the exemption shall apply to all financial institutions that, in the opinion of the department, possess a charter that is:

- (A) the same as; or
- (B) functionally the equivalent of;

the charter of the exempt institution.

(2) For purposes of the determination required under subdivision (1), ensure that applying the exemption to the financial institutions described in subdivision (1) will not:

- (A) adversely affect the safety and soundness of the financial

institutions; or

(B) unduly constrain Indiana consumer protection provisions.

(3) Issue an order published in the Indiana Register that specifies whether the exemption applies to the financial institutions described in subdivision (1).

(h) If the department denies the request of a financial institution under this section for exemption from Indiana Code provisions that are preempted for federally chartered institutions, the requesting institution may appeal the decision of the department to the circuit court, **superior court, or probate court** of the county in which the principal office of the requesting institution is located.

(i) If the department determines that federal law has preempted a provision of IC 24, IC 26, IC 28, IC 29, or IC 30 as the provision applies to an operating subsidiary of a federally chartered entity, the provision of IC 24, IC 26, IC 28, IC 29, or IC 30 applies to a qualifying subsidiary (as defined in IC 28-13-16-1) of a state chartered entity only to the same extent that the department determines the provision applies to the operating subsidiary of:

(1) the same; or

(2) the functionally equivalent;

type of federally chartered entity. In determining whether to extend the exemption from a provision of IC 24, IC 26, IC 28, IC 29, or IC 30 to a qualifying subsidiary (as defined in IC 28-13-16-1) of a state chartered entity under this subsection, the department shall use the procedures and undertake the considerations described in this section for a preemption determination with respect to a state chartered entity.

(2) to engage in mergers, consolidations, reorganizations, or other

activities or to exercise other powers authorized for;
federal savings associations domiciled in Indiana.

(b) Subject to this section, savings associations may exercise the rights and privileges that are granted to federal savings associations.

(c) A savings association that intends to exercise any rights and privileges that are:

- (1) granted to federal savings associations; but
- (2) not authorized for savings associations under:

Except as provided in subsection (f), the savings association may exercise the requested rights and privileges sixty (60) days after the date on which the department receives the letter unless otherwise notified by the department.

(e) The department may deny the requested rights and privileges if the department finds that:

- (1) federal savings associations in Indiana do not possess the requested rights and privileges;
- (2) the exercise of the requested rights and privileges by the savings association would adversely affect the safety and soundness of the savings association;
- (3) the exercise of the requested rights and privileges by the savings association would result in an unacceptable curtailment of consumer protection; or
- (4) the failure of the department to approve the requested rights and privileges will not result in a competitive disadvantage to the savings association.

(f) The sixty (60) day period referred to in subsection (d) may be extended by the department based on a determination that the savings association letter raises issues requiring additional information or additional time for analysis. If the sixty (60) day period is extended

under this subsection, the savings association may exercise the requested rights and privileges only if the savings association receives prior written approval from the department. However:

(1) the department must:

- (A) approve or deny the requested rights and privileges; or
- (B) convene a hearing;

not later than sixty (60) days after the department receives the savings association's letter; and

(2) if a hearing is convened, the department must approve or deny the requested rights and privileges not later than sixty (60) days after the hearing is concluded.

(g) The exercise of rights and privileges by a savings association in compliance with and in the manner authorized by this section does not constitute a violation of any provision of the Indiana Code or rules adopted under IC 4-22-2.

(h) If a savings association receives approval to exercise the requested rights and privileges granted to national savings associations domiciled in Indiana, the department shall determine by order whether all savings associations may exercise the same rights and privileges. In making the determination required by this subsection, the department must ensure that the exercise of the rights and privileges by all savings associations will not:

- (1) adversely affect their safety and soundness; or
- (2) unduly constrain Indiana consumer protection provisions.

(i) If the department denies the request of a savings association under this section to exercise any rights and privileges that are granted to national savings associations, the company may appeal the decision of the department to the circuit court, **superior court, or probate court** with jurisdiction in the county in which the principal office of the savings association is located.

(a) The person seeking to create a trust for an interest in coal land for the purpose of leasing and developing the coal interest shall join as a defendant each person who has a legal interest in the coal land, except for any plaintiffs or persons having a legal interest in the coal land who at the time of the action are parties to a valid and existing lease granting to the plaintiff the mining rights sought by the plaintiff. A person who might have a contingent or future interest in the coal land is bound by the judgment entered in the

proceedings.

(b) The plaintiff shall file a verified petition that specifically sets forth the following:

- (1) The request of each plaintiff that a trustee be appointed to execute a lease granting the plaintiff the right to mine and remove coal from the subject coal land.

 - (H) conduct unbecoming a member; or
 - (I) furnishing information to an applicant for appointment or promotion that gives that person an advantage over another applicant.

(c) If the chief of the department, after an investigation within the department, prefers charges against a member of the department for an alleged breach of discipline under subsection (b), including any civilian complaint of an alleged breach of discipline under subsection (b)(2)(F),

(b)(2)(G), or (b)(2)(H), a hearing shall be conducted upon the request of the member. If a hearing is requested within five (5) days of the chief preferring charges, the parties may by agreement designate a hearing officer who is qualified by education, training, or experience. If the parties do not agree within this five (5) day period, the commission may hold the hearing or designate a person or board to conduct the hearing, as provided in the commission's rules. The designated person or board must be qualified by education, training, or experience to conduct such a hearing and may not hold an upper level policy making position. The hearing conducted under this subsection shall be held within thirty (30) days after it is requested by the member.

(d) Written notice of the hearing shall be served upon the accused member in person or by a copy left at the member's last and usual place of residence at least fourteen (14) days before the date set for the hearing. The notice must state:

- (1) the time and place of the hearing;
- (2) the charges against the member;
- (3) the specific conduct that comprises the charges;
- (4) that the member is entitled to be represented by counsel or another representative of the member's choice;
- (5) that the member is entitled to call and cross-examine witnesses;
- (6) that the member is entitled to require the production of evidence; and
- (7) that the member is entitled to have subpoenas issued, served, and executed.

(e) The commission may:

- (1) compel the attendance of witnesses by issuing subpoenas;
- (2) examine witnesses under oath; and
- (3) order the production of books, papers, and other evidence by issuing subpoenas.

(f) If a witness refuses to appear at a hearing of the commission after having received written notice requiring the witness's attendance, or refuses to produce evidence that the commission requests by written notice, the commission may file an affidavit in the circuit court, **superior court, or probate court** of the county setting forth the facts of the refusal. Upon the filing of the affidavit, a summons shall be issued from the circuit court, **superior court, or probate court** and

served by the sheriff of the county requiring the appearance of the witness or the production of information or evidence to the commission.

(g) Disobedience of a summons constitutes contempt of the circuit court, **superior court, or probate court** from which the summons has been issued. Expenses related to the filing of an affidavit and the issuance and service of a summons shall be charged to the witness against whom the summons has been issued, unless the circuit court, **superior court, or probate court** finds that the action of the witness was taken in good faith and with reasonable cause. In that case, and in any case in which an affidavit has been filed without the issuance of a summons, the expenses shall be charged to the commission.

(h) A decision to discipline a member may be made only if the preponderance of the evidence presented at the hearing indicates such a course of action.

(i) A member who is aggrieved by the decision of a person or board designated to conduct a disciplinary hearing under subsection (c) may appeal to the commission within ten (10) days of the decision. The commission shall on appeal review the record and either affirm, modify, or reverse the decision on the basis of the record and such oral or written testimony that the commission determines, including additional or newly discovered evidence.

(j) The commission, or the designated person or board, shall keep a record of the proceedings in cases of suspension, demotion, or dismissal. The commission shall give a free copy of the transcript to the member upon request if an appeal is filed.

(b) Within fifteen (15) days after the police officer or firefighter reports to the department, the police officer or firefighter shall be placed on duty at the rank held at the time of entering military service or government war work.

(c) If a member of the police or fire department is refused a proper

assignment under subsection (b), ~~he~~ **the member of the police or fire department** may file an action in the circuit court, **superior court, or probate court** of the county in the manner prescribed by IC 36-8-3-4.

SECTION 182. IC 36-8-10-3, AS AMENDED BY P.L.184-2015, SECTION 18, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 3. (a) The fiscal body of each county shall, by ordinance, establish a sheriff's merit board to be known as the _____ county sheriff's merit board (inserting the name of the county).

(b) The board consists of five (5) members. Three (3) members shall be appointed by the sheriff, and two (2) members shall be elected by a majority vote of the members of the county police force under procedures established by the sheriff's merit board. However:

- (1) an active county police officer;
- (2) a relative (as defined in IC 36-1-20.2-8) of an active county police officer; or
- (3) a relative (as defined in IC 36-1-20.2-8) of the sheriff;

may not serve on the board, either as a member appointed by the sheriff or elected by the county police force. Appointments are for terms of four (4) years or for the remainder of an unexpired term. Not more than two (2) of the members appointed by the sheriff nor more than one (1) of the members elected by the officers may belong to the same political party. All members must reside in the county. All members serve during their respective terms and until their successors have been appointed and qualified. A member may be removed for cause duly adjudicated by declaratory judgment of the circuit court, **superior court, or probate court** of the county.

(c) As compensation for service, each member of the board is entitled to receive from the county a minimum of fifteen dollars (\$15) per day for each day, or fraction of a day, that the member is engaged in transacting the business of the board.

(d) As soon as practicable after the members of the board have been appointed, they shall meet upon the call of the sheriff and organize by electing a president and a secretary from among their membership. Three (3) members of the board constitute a quorum for the transaction of business. The board shall hold regular monthly meetings throughout the year as is necessary to transact the business of the sheriff's department.

SECTION 183. IC 36-8-10-11, AS AMENDED BY P.L.135-2012, SECTION 12, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 11. (a) The sheriff may dismiss, demote, or temporarily suspend a county police officer for cause after preferring charges in writing and after a fair public hearing before the board, which is reviewable in the circuit court, **superior court, or probate court**. Written notice of the charges and hearing must be delivered by certified mail to the officer to be disciplined at least fourteen (14) days before the date set for the hearing. The officer may be represented by counsel. The board shall make specific findings of fact in writing to support its decision.

(b) The sheriff may temporarily suspend an officer with or without pay for a period not exceeding fifteen (15) days, without a hearing before the board, after preferring charges of misconduct in writing delivered to the officer.

(c) A county police officer may not be dismissed, demoted, or temporarily suspended because of political affiliation nor after the officer's probationary period, except as provided in this section. Subject to IC 3-5-9, an officer may:

- (1) be a candidate for elective office and serve in that office if elected;
- (2) be appointed to an office and serve in that office if appointed; and
- (3) except when in uniform or on duty, solicit votes or campaign funds for the officer or others.

(d) The board has subpoena powers enforceable by the circuit court, **superior court, or probate court** for hearings under this section. An officer on probation may be dismissed by the sheriff without a right to a hearing.

(e) An appeal under subsection (a) must be taken by filing in court, within thirty (30) days after the date the decision is rendered, a verified complaint stating in a concise manner the general nature of the charges against the officer, the decision of the board, and a demand for the relief asserted by the officer. A bond must also be filed that guarantees the appeal will be prosecuted to a final determination and that the plaintiff will pay all costs only if the court finds that the board's decision should be affirmed. The bond must be approved as bonds for costs are approved in other cases. The county must be named as the

sole defendant and the plaintiff shall have a summons issued as in other cases against the county. Neither the board nor the members of it may be made parties defendant to the complaint, but all are bound by service upon the county and the judgment rendered by the court.

(f) All appeals shall be tried by the court. The appeal shall be heard de novo only upon any new issues related to the charges upon which the decision of the board was made. Within ten (10) days after the service of summons, the board shall file in court a complete written transcript of all papers, entries, and other parts of the record relating to the particular case. Inspection of these documents by the person affected, or by the person's agent, must be permitted by the board before the appeal is filed, if requested. The court shall review the record and decision of the board on appeal.

(g) The court shall make specific findings and state the conclusions of law upon which its decision is made. If the court finds that the decision of the board appealed from should in all things be affirmed, its judgment should so state. If the court finds that the decision of the board appealed from should not be affirmed in all things, then the court shall make a general finding, setting out sufficient facts to show the nature of the proceeding and the court's decision on it. The court shall either:

- (1) reverse the decision of the board; or
- (2) order the decision of the board to be modified.

(h) The final judgment of the court may be appealed by either party. Upon the final disposition of the appeal by the courts, the clerk shall certify and file a copy of the final judgment of the court to the board, which shall conform its decisions and records to the order and judgment of the court. If the decision is reversed or modified, then the board shall pay to the party entitled to it any salary or wages withheld from the party pending the appeal and to which the party is entitled under the judgment of the court.

(i) Either party shall be allowed a change of venue from the court or a change of judge in the same manner as such changes are allowed in civil cases. The rules of trial procedure govern in all matters of procedure upon the appeal that are not otherwise provided for by this section.

(j) An appeal takes precedence over other pending litigation and shall be tried and determined by the court as soon as practical.

SECTION 184. IC 36-9-2-2, AS AMENDED BY P.L.153-2014, SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 2. (a) A unit may establish, aid, maintain, and operate transportation systems.

(b) This subsection applies to an eligible county (as defined by IC 8-25-1-4) that establishes a public transportation system through a public transportation project authorized and funded under IC 8-25. The unit must establish fares and charges that cover at least twenty-five percent (25%) of the operating expenses of the public transportation system. For purposes of this subsection, operating expenses include only those expenses incurred in the operation of fixed route services that are established or expanded as a result of a public transportation project authorized and funded under IC 8-25. The unit annually shall report on the unit's compliance with this subsection not later than sixty (60) days after the close of the unit's fiscal year. The report must include information on any fare increases necessary to achieve compliance. The unit shall submit the report to the department of local government finance and make the report available electronically through the Indiana transparency Internet web site established under IC 5-14-3.8.

(c) If a unit fails to prepare and disclose the annual report in the manner required by subsection (b), any person subject to a tax described in IC 8-25 may initiate a cause of action in the circuit court, **superior court, or probate court** of the eligible county to compel the appropriate officials of the unit to prepare and disclose the annual report not later than thirty (30) days after a court order mandating the unit to comply with subsection (b) is issued by the ~~circuit~~ court.

(a) An urban mass transportation system operating under this chapter is considered a common carrier not operating under a franchise or contract granted by a municipality and not regulated by ordinance, and is subject to the authority of the department of state revenue under IC 8-2.1 to the same extent as any other common carrier. However, in determining the reasonableness of the fares and charges of such a system, the department of state revenue shall consider, among other factors, the policy of this chapter to foster and assure the development and maintenance of urban mass

transportation systems, and it is not necessary that the operating revenues of the system be sufficient to cover the cost to the system of providing adequate service.

(b) If a public transportation corporation providing public transportation services in Marion County expands its service through a public transportation project authorized and funded under IC 8-25, the public transportation corporation shall establish fares and charges that cover at least twenty-five percent (25%) of the operating expenses of the urban mass transportation system operated by the public transportation corporation. For purposes of this subsection, operating expenses include only those expenses incurred in the operation of fixed route services that are established or expanded as a result of a public transportation project authorized and funded under IC 8-25. The public transportation corporation annually shall report on the corporation's compliance with this subsection not later than sixty (60) days after the close of the corporation's fiscal year. The report must include information on any fare increases necessary to achieve compliance. The public transportation corporation shall submit the report to the department of local government finance and make the report available electronically through the Indiana transparency Internet web site established under IC 5-14-3.8.

(c) If a public transportation corporation fails to prepare and disclose the annual report in the manner required by subsection (b), any person subject to a tax described in IC 8-25 may initiate a cause of action in the circuit court **or superior court** of the eligible county to compel the appropriate officials of the public transportation corporation to prepare and disclose the annual report not later than thirty (30) days after a court order mandating the public transportation corporation to comply with subsection (b) is issued by the circuit court **or superior court**.

The clerk shall make and file in his records an affidavit of the giving of the notice.

(c) Appeals from the assessments may be made to the circuit court within fifteen (15) days after the time of the filing of the clerk's affidavit of service. The appeals shall be conducted in the manner directed by the ~~circuit~~ court.

The ~~circuit~~ court may call the board together to make any necessary additions or corrections to the roll.

- (2) the money appropriated for that purpose by the municipality; and are not a general obligation of the municipality.

(c) Notwithstanding any other law, a financing agreement with the federal government may provide that a municipal ordinance may determine:

(2) a description of each parcel of property affected by the project; and

(3) the benefits and damages assessed upon or in favor of each parcel.

The clerk shall certify the copies under the seal of the court, and shall deliver one (1) copy to the municipal fiscal officer and one (1) copy to the county treasurer.

(b) If the works board finds that the project is necessary for the public welfare of the municipality and that the benefits assessed will fall below the amount required to pay the damages awarded and to pay for the project, the board shall order that any balance required for this purpose shall be paid by the municipality out of the general fund or out of any other available money. If the works board finds that the benefits assessed exceed the amount of financing needed, each assessment shall be reduced on a pro rata basis.

SECTION 191. IC 36-9-28-11 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 11. (a) After a project is completed and approved under this chapter, the care, management, control, repair, and maintenance of the project may be placed under the jurisdiction of a board of directors appointed under this section.

(b) A petition requesting the appointment of a board of directors for the project may be filed with the clerk of the circuit court. The petition may be signed by:

(2) the executive and legislative body of a township, if all or part

- of the township is located in the area affected by the project;
- (3) any twenty-five (25) landowners who reside in a municipality and whose lands are located in the area affected by the improvement; or
- (4) any twenty-five (25) landowners who do not reside in a municipality and whose lands are located in the area affected by the project.

The petition shall be docketed as a pending action, and the court shall fix a time when the petition shall be heard.

(c) After the petition is filed and docketed, the clerk of the circuit court shall give notice of the hearing by publication in accordance with IC 5-3-1. The notice shall be addressed to all persons who were originally assessed for the construction of the project.

(d) Any person owning land located in the area affected by the project may appear at the hearing and be heard, either in person or by his attorney.

(e) If the ~~circuit~~ court determines that a board of directors should be appointed and assessments should be imposed for the care, management, control, repair, and maintenance of the project, the court shall enter a judgment accordingly. If the court enters such a judgment, two (2) members of the board of directors shall be appointed by the county executive and one (1) member of the board of directors shall be appointed by the municipal executive. The three (3) appointed persons must be qualified under section 12 of this chapter.

(f) If the court determines that a board of directors should not be appointed, it shall dismiss the petition.

SECTION 192. IC 36-9-29-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 5. (a) The circuit court, **superior court, or probate court** shall hear a petition filed under section 4 of this chapter without a jury. The hearing may be continued and adjourned from time to time as the court may direct. There may be a change of judge as in civil cases, but no change of venue from the county.

(b) All persons affected by the establishment of the proposed flood control district or the construction of the proposed flood control district or the construction of the proposed flood control works may file objections showing any reason why:

- (1) the district should not be established;

- (2) the works should not be constructed; or
- (3) their property should or should not be included in the proposed district.

The court shall hear evidence and determine the facts upon these issues. All objections shall be filed at least two (2) days before the date fixed for the hearing.

(c) If the court finds that a necessity exists for the establishment of a flood control district and the construction and installation of flood control works as requested by the petition, the court shall render judgment accordingly and shall enter a decree establishing the district, describing it in such a manner that the property included in it may be sufficiently identified and segregated to permit the levy and collection of the special taxes provided for by this chapter. There is no appeal from such a judgment, and, after the entry of such a decree, the establishment of the district may not be questioned in any action or proceeding, except as otherwise provided by this chapter.

(d) If the court finds that no necessity exists for the establishment of the flood control district, the proceedings shall be dismissed at the cost of the petitioning city.

(e) If it appears to the court that the boundaries of the flood control district as described in the declaratory resolution should be changed, or that changes in the flood control works as described in the declaratory resolution should be made, and that such changes will beneficially or injuriously affect property that would not have been so affected by the district and works proposed in the declaratory resolution, then the court may enter an interlocutory order to that effect and fix a time for further hearing on the petition.

(f) The date for a hearing under subsection (e) may not be less than ten (10) nor more than fifteen (15) days after the order. The court shall direct the clerk of the court to publish a notice of the hearing that sets out a brief summary of the order, including a brief description of the changes the court proposes to make in respect to the boundaries or works. The notice shall be published in accordance with IC 5-3-1. The notice must state the time and place for the continuation of the hearing on the petition, and advise all parties affected by the proposed changes that they may appear and be heard. Objections may be filed in the manner prescribed by subsection (a), but must be filed at least two (2) days before the time fixed for the continuation of the hearing and must

be based solely on the changes proposed to be made. If, at the conclusion of the continued hearing, the court finds that all or part of the proposed changes should be made, or that the district should be established and the works constructed as provided for in the declaratory resolution, the court shall render judgment accordingly and enter a decree as provided under subsection (c).

SECTION 193. IC 36-9-29-35 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 35. After the docketing of the petition for the establishment of the flood control district, and until the flood control works have been completed and accepted, the cause remains on the docket of the circuit court, **superior court, or probate court** as a pending action for the filing of the further petitions and the making of the further orders that are authorized by this chapter or found necessary to facilitate the completion of the works.

SECTION 194. IC 36-9-29-36 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 36. All court proceedings relating to the establishment or maintenance of the flood control district, or the performance of any act under this chapter, must be brought and determined only in and by the circuit court, **superior court, or probate court** establishing the district. The jurisdiction of the court in all such matters is conclusive and its judgment is final, except as otherwise provided in this chapter. All proceedings had under this chapter shall be heard by the court without the intervention of a jury, except as otherwise provided in this chapter. Laws with respect to change of venue from the county do not apply to proceedings under this chapter, but changes of venue from the judge may be had as in other civil cases.

SECTION 195. IC 36-9-29-37 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 37. (a) If any defects or irregularities occur in any of the proceedings had under this chapter, the defects or irregularities may be cured by supplementary proceedings of the same general nature as those provided for by this chapter. Only those parties whose interests or property are directly and adversely affected by the defects or irregularities may object to them.

(b) It is not necessary to delay the general course of the proceedings while defects or irregularities are being corrected or supplied.

(c) If an objection is filed with the circuit court, **superior court, or probate court** and the objection is overruled or decided adversely to

the objecting party, the court costs incurred in the filing, hearing, and determination of the objection shall be taxed to the objecting party. If the objection is sustained or determined in favor of the objecting party, then the costs shall be taxed to the flood control district.

SECTION 196. IC 36-10-4-23 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 23. (a) The board may, in a proceeding separate from the acquisition of land by purchase or appropriation, order the improvement of a parkway, pleasure driveway, or boulevard, or part of any of these, under the control of the board by surface grading, paving, curbing, or constructing sidewalks in the same manner as the works board of the city may improve a public way or sidewalk within the city. The powers, rights, and duties of the board in carrying out this work are the same as the powers, rights, and duties of the works board in the performance of similar work under general procedures. In addition, the board may determine the kind of pavement to be used. The powers, rights, and duties of the persons to be assessed are the same as those provided under general procedures for doing similar work by the works board, with the cost of improvements assessed to the same extent as property is assessed.

(b) When costs are assessed, they become a lien upon the property to the same extent, are enforceable in the same manner, and have the same rights to payment by installments and appeal as are provided for street and sidewalk improvements ordered by the works board.

(c) If a majority of the resident freeholders affected by the proposed improvement remonstrate in writing against the improvement, the board may, after giving ten (10) days' notice to the remonstrators, petition the circuit court, **superior court, or probate court** to specifically order the improvement. If at the hearing on the petition the board establishes the public necessity of the proposed improvement and demonstrates that the benefits will equal the assessments against the separate lots or parcels of land, the order shall be made.

(d) If land along one (1) side of a parkway, pleasure driveway, or boulevard is owned by the city or used by it for park purposes, one-half (1/2) of the cost of the improvements under this section, as well as any part of the other one-half (1/2) of the cost of the improvements that cannot be met by special assessments against abutting property, is considered to be benefits accruing to all of the property, real and personal, not exempt from taxation under this chapter and located

within the boundaries of the district. The cost shall be paid out of the proceeds of the bonds of the taxing district that are issued and sold for those purposes. Payment shall be made as provided in sections 35 and 37 of this chapter.

(e) The board may provide for the rough grading of a parkway, pleasure driveway, or boulevard at the same time as the acquisition of the property or after the property, or a necessary part of it, has already been secured under section 21 of this chapter.

(f) The board may change and fix the grade of a boulevard, park boulevard, public driveway, or public ground under its control to the same extent as the works board of the city may change and fix the grade of a public way or public place within the city.

As one of the elements in such valuation the commission shall give weight to the reasonable cost of bringing the property to its then state of efficiency. In making such valuation, the commission may avail itself of any information in possession of the department of local government finance or of any local authorities. The commission may accept any valuation of the physical property made by the interstate commerce commission of any public utility subject to the provisions of this act.

(b) The lands of such public utility shall not be valued at a greater amount than the assessed value of said lands exclusive of improvements as valued for taxation. In making such valuation no account shall be taken of presumptive value resting on natural resources independent of any structures in relation thereto, the natural resource itself shall be viewed as the public's property. No account shall be taken of good will for presumptive values growing out of the operation of any utility as a going concern, all such values to rest with the municipality by reason of the special and exclusive grants given such utility enterprises. **Except in a proceeding under IC 8-1-30, and except as provided in IC 8-1-30.3-5 and IC 8-1.5-2-6.1,** no account shall be taken of construction costs unless such costs were actually incurred and paid as part of the cost entering into the construction of

the utility. **Except in a proceeding under IC 8-1-30, and except as provided in IC 8-1-30.3-5 and IC 8-1.5-2-6.1**, all public utility valuations shall be based upon tangible property, that is, such property as has value by reason of construction costs, either in materials purchased or in assembling of materials into structures by the labor or (of) workers and the services of superintendents, including engineers, legal and court costs, accounting systems and transportation costs, and also including insurance and interest charges on capital accounts during the construction period. As an element in determining value the commission may also take into account reproduction costs at current prices, less depreciation, based on the items set forth in the last sentence hereof and shall not include good will, going value, or natural resources.

(c) In determining the amount of allowable operating expenses of a utility, the commission may not take into consideration or approve any expense for institutional or image building advertising, charitable contributions, or political contributions.

(1) notice of the proposed acquisition and any changes in rates or charges to customers of the distressed utility;

If the commission grants the petition, the commission's order shall authorize the acquiring utility company to make accounting entries recording the acquisition and that reflect:

Notice of a hearing under this section shall be published in the manner prescribed by IC 5-3-1.

the legislative body shall submit the question as to whether the sale or disposition shall be made to the voters of the municipality at a special or general election. In submitting the public question to the voters, the legislative body shall certify within the time set forth in IC 3-10-9-3, if applicable, the question to the county election board of the county containing the greatest percentage of population of the municipality. The county election board shall adopt a resolution setting forth the text of the public question and shall submit the question as to whether the sale or disposition shall be made to the voters of the municipality at a special or general election on a date specified by the municipal legislative body. (k) If:

- (1) the legislative body adopts an ordinance under subsection (d); and
- (2) after the expiration of the thirty (30) day period described in subsection (g), a petition is not filed;

the municipal legislative body may proceed to sell the property as provided in the ordinance, **subject to subsection (m) and to section 6.1 of this chapter in the case of an ordinance adopted under subsection (d) after March 28, 2016.**

(l) Notwithstanding the procedures set forth in this section, if: ~~a municipality:~~

- (1) before July 1, 2015, **a municipality** adopts an ordinance under this section for the sale or disposition of nonsurplus municipally owned utility property in accordance with the procedures set forth in this section before its amendment on July 1, 2015; and
- (2) the ordinance adopted takes effect before July 1, 2015, in accordance with the procedures set forth in this section before its amendment on July 1, 2015;

the ordinance is not subject to challenge under subsection (g) after June 30, 2015, regardless of whether the thirty (30) day period described in subsection (g) expires after June 30, 2015. An ordinance described in this subsection is effective for all purposes and is legalized and validated.

(m) Subsections (g) through (k) do not apply to an ordinance adopted under subsection (d) after March 28, 2016, if the commission determines, in reviewing the proposed sale or disposition under section 6.1(h) of this chapter, that the factors set forth in IC 8-1-30.3-5(c) are satisfied as applied to the proposed sale or disposition.

SECTION 9. IC 8-1.5-2-6, AS AMENDED BY P.L.103-2008, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6. (a) The ordinance adopted by the municipal legislative body under section 5(d) of this chapter must provide for:

- (1) the sale or disposition of the municipally owned utility

property;

(2) the manner of the sale or disposition;

(3) the price, terms, and conditions of the sale or disposition, which must be consistent with any contractual obligations previously incurred under IC 8-1-2.2; and

(4) the officer or officers who are to execute the proper documents conveying title on behalf of the municipality.

(b) **Except as provided in subsection (e)**, the property may not be sold for less than its full appraised value, as set forth in the appraisal, less the amount of any bonds, liens, or other indebtedness due upon the property, and only in accordance with contractual obligations incurred under IC 8-1-2.2. The indebtedness shall either:

(1) be paid in accordance with the terms and conditions of the instruments governing the indebtedness before the sale; or

(2) be assumed and paid by the purchaser as part of the purchase price of the property.

(c) This subsection applies if a municipal legislative body adopts an ordinance for the sale or disposition of municipally owned utility real property by acceptance of bids. A bid submitted by a trust (as defined in IC 30-4-1-1(a)) must identify each:

(1) beneficiary of the trust; and

(2) settlor empowered to revoke or modify the trust.

(d) The proceeds of any sale under this chapter shall be paid into the treasury of the municipality making the sale and become part of the general fund, **unless the municipal legislative body adopts an ordinance to provide that the proceeds of the sale shall be paid into a restricted fund to be used only in the manner set forth in the ordinance.**

(e) **The municipally owned utility property that is the subject of an ordinance adopted under section 5(d) of this chapter may be sold for less than its full appraised value, as set forth in the appraisal, if the municipal legislative body determines that it would be in the municipality's best interests to sell the property for less than its full appraised value so as to result in lower utility rates to be charged by the prospective purchaser to customers of the municipality's municipally owned utility.**

SECTION 10. IC 8-1.5-2-6.1 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS

[EFFECTIVE UPON PASSAGE]: **Sec. 6.1. (a) This section applies to a municipality that adopts an ordinance under section 5(d) of this chapter after March 28, 2016.**

(b) Before a municipality may proceed to sell or otherwise dispose of all or part of its nonsurplus utility property under an ordinance adopted under section 5(d) of this chapter, the municipality and the prospective purchaser must obtain the approval of the commission under this section.

(c) As part of the sale or disposition of the property, the municipality and the prospective purchaser may include terms and conditions that the municipality and the prospective purchaser consider to be equitable to the existing utility customers of:

- (1) the municipality's municipally owned utility; and**
- (2) the prospective purchaser;**

as applicable.

(d) The commission shall approve the sale or disposition of the property according to the terms and conditions proposed by the municipality and the prospective purchaser if the commission finds that the sale or disposition according to the terms and conditions proposed is in the public interest. For purposes of this section, the purchase price of the municipality's nonsurplus utility property shall be considered reasonable if it does not exceed the appraised value set forth in the appraisal required under section 5 of this chapter.

(e) The following apply to the commission's determination under subsection (d) as to whether the proposed sale or disposition according to the proposed terms and conditions is in the public interest:

(1) If:

(A) the municipality's municipally owned utility petitions the commission under IC 8-1-30.3-5(d); and

(B) the commission approves the municipality's municipally owned utility's petition under IC 8-1-30.3-5(c); the proposed sale or disposition is considered to be in the public interest.

(2) If subdivision (1) does not apply and subject to subsection (h), the commission shall consider the extent to which the proposed terms and conditions of the proposed sale or disposition would require the existing utility customers of

either the prospective purchaser or the municipality's municipally owned utility, as applicable, to pay rates that would subsidize utility service to the other party's existing customers. If the commission determines that:

(A) the proposed terms and conditions would result in a subsidy described in this subdivision; and

(B) the subsidy would cause the proposed terms and conditions of the proposed sale or disposition not to be in the public interest;

the commission shall calculate the amount of the subsidy that would result and shall set forth in an order under this section such changes to the proposed terms and conditions as the commission considers appropriate to address the subsidy. The prospective purchaser and the municipality shall each have thirty (30) days from the date of the commission's order setting forth the commission's changes to either accept or reject the changes. If either party rejects the commission's changes, the proposed sale or disposition is considered not to be in the public interest.

(3) In reviewing the proposed terms and conditions of the proposed sale or disposition under either subdivision (1) or (2), the commission shall consider the financial, managerial, and technical ability of the prospective purchaser to provide the utility service required after the proposed sale or disposition.

(f) As part of an order approving a sale or disposition of property under this section, the commission shall, without regard to amounts that may be recorded on the books and records of the municipality and without regard to any grants or contributions previously received by the municipality, provide that for ratemaking purposes, the prospective purchaser shall record as the net original cost rate base an amount equal to:

- (1) the full purchase price;
- (2) incidental expenses; and
- (3) other costs of acquisition;

allocated in a reasonable manner among appropriate utility plant in service accounts.

(g) The commission shall issue a final order under this section not later than two hundred ten (210) days after the filing of the

parties' case in chief.

(h) In reviewing a proposed sale or disposition under subsection (e), the commission shall determine whether the factors set forth in IC 8-1-30.3-5(c) are satisfied as applied to the proposed sale or disposition of the municipality's nonsurplus municipally owned utility property for purposes of section 5(m) of this chapter. If the commission determines that the factors set forth in IC 8-1-30.3-5(c):

(1) are satisfied as applied to the proposed sale or disposition, section 5(g) through 5(k) of this chapter does not apply to the municipality's ordinance adopted under section 5(d) of this chapter; or

(2) are not satisfied as applied to the proposed sale or disposition:

(A) section 5(g) through 5(k) of this chapter applies to the municipality's ordinance adopted under section 5(d) of this chapter; and

(B) the question as to whether the sale or disposition should be made must be submitted to the voters of the municipality at a special or general election if at least the number of the registered voters of the municipality set forth in section 5(h) of this chapter sign and present a petition to the legislative body opposing the sale or disposition, in accordance with section 5(g) through 5(k) of this chapter.

However, notwithstanding this subsection, in reviewing a proposed sale or disposition under subsection (e)(2), the commission may not condition its approval of the proposed sale or disposition on whether the factors set forth in IC 8-1-30.3-5(c) are satisfied or on any other factors except those provided for in subsection (e)(2) and (e)(3).

SECTION 11. An emergency is declared for this act.

(j) A county auditor may require an individual to provide evidence proving that the individual's residence is the individual's principal place of residence as claimed in the certified statement filed under subsection (e). The county auditor may limit the evidence that an individual is required to submit to a state income tax return, a valid driver's license, or a valid voter registration card showing that the residence for which the deduction is claimed is the individual's principal place of residence. The department of local government finance shall work with county auditors to develop procedures to determine whether a property owner that is claiming a standard deduction or homestead credit is not eligible for the standard deduction or homestead credit because the property owner's principal place of residence is outside Indiana.

(k) As used in this section, "homestead" includes property that satisfies each of the following requirements:

- (1) The property is located in Indiana and consists of a dwelling and the real estate, not exceeding one (1) acre, that immediately surrounds that dwelling.
- (2) The property is the principal place of residence of an individual.
- (3) The property is owned by an entity that is not described in subsection (a)(2)(B).
- (4) The individual residing on the property is a shareholder, partner, or member of the entity that owns the property.
- (5) The property was eligible for the standard deduction under this section on March 1, 2009.

(l) If a county auditor terminates a deduction for property described

in subsection (k) with respect to property taxes that are:

- (1) imposed for an assessment date in 2009; and
- (2) first due and payable in 2010;

on the grounds that the property is not owned by an entity described in subsection (a)(2)(B), the county auditor shall reinstate the deduction if the taxpayer provides proof that the property is eligible for the deduction in accordance with subsection (k) and that the individual residing on the property is not claiming the deduction for any other property.

(m) For assessment dates after 2009, the term "homestead" includes:

- (1) a deck or patio;
- (2) a gazebo; or
- (3) another residential yard structure, as defined in rules *that may be* adopted by the department of local government finance (other than a swimming pool);

that is assessed as real property and attached to the dwelling.

(n) A county auditor shall grant an individual a deduction under this section regardless of whether the individual and the individual's spouse claim a deduction on two (2) different applications and each application claims a deduction for different property if the property owned by the individual's spouse is located outside Indiana and the individual files an affidavit with the county auditor containing the following information:

- (1) The names of the county and state in which the individual's spouse claims a deduction substantially similar to the deduction allowed by this section.
- (2) A statement made under penalty of perjury that the following are true:
 - (A) That the individual and the individual's spouse maintain separate principal places of residence.
 - (B) That neither the individual nor the individual's spouse has an ownership interest in the other's principal place of residence.
 - (C) That neither the individual nor the individual's spouse has, for that same year, claimed a standard or substantially similar deduction for any property other than the property maintained as a principal place of residence by the respective individuals.

A county auditor may require an individual or an individual's spouse to

provide evidence of the accuracy of the information contained in an affidavit submitted under this subsection. The evidence required of the individual or the individual's spouse may include state income tax returns, excise tax payment information, property tax payment information, driver license information, and voter registration information.

(o) If:

(1) a property owner files a statement under subsection (e) to claim the deduction provided by this section for a particular property; and

(2) the county auditor receiving the filed statement determines that the property owner's property is not eligible for the deduction; the county auditor shall inform the property owner of the county auditor's determination in writing. If a property owner's property is not eligible for the deduction because the county auditor has determined that the property is not the property owner's principal place of residence, the property owner may appeal the county auditor's determination to the county property tax assessment board of appeals as provided in IC 6-1.1-15. The county auditor shall inform the property owner of the owner's right to appeal to the county property tax assessment board of appeals when the county auditor informs the property owner of the county auditor's determination under this subsection.

(p) An individual is entitled to the deduction under this section for a homestead for a particular assessment date if:

(1) either:

(A) the individual's interest in the homestead as described in subsection (a)(2)(B) is conveyed to the individual after the assessment date, but within the calendar year in which the assessment date occurs; or

(B) the individual contracts to purchase the homestead after the assessment date, but within the calendar year in which the assessment date occurs;

(2) on the assessment date:

(A) the property on which the homestead is currently located was vacant land; or

(B) the construction of the dwelling that constitutes the homestead was not completed;

(3) either:

(A) the individual files the certified statement required by subsection (e) on or before December 31 of the calendar year in which the assessment date occurs to claim the deduction under this section; or

(B) a sales disclosure form that meets the requirements of section 44 of this chapter is submitted to the county assessor on or before December 31 of the calendar year for the individual's purchase of the homestead; and

(4) the individual files with the county auditor on or before December 31 of the calendar year in which the assessment date occurs a statement that:

(A) lists any other property for which the individual would otherwise receive a deduction under this section for the assessment date; and

(B) *cancel the deduction described in clause (A) for that property.*

An individual who satisfies the requirements of subdivisions (1) through (4) is entitled to the deduction under this section for the homestead for the assessment date, even if on the assessment date the property on which the homestead is currently located was vacant land or the construction of the dwelling that constitutes the homestead was not completed. The county auditor shall apply the deduction for the assessment date and for the assessment date in any later year in which the homestead remains eligible for the deduction. A homestead that qualifies for the deduction under this section as provided in this subsection is considered a homestead for purposes of section 37.5 of this chapter and IC 6-1.1-20.6. *The county auditor shall cancel the deduction under this section for any property that is located in the county and is listed on the statement filed by the individual under subdivision (4). If the property listed on the statement filed under subdivision (4) is located in another county, the county auditor who receives the statement shall forward the statement to the county auditor of that other county, and the county auditor of that other county shall cancel the deduction under this section for that property.*

(q) This subsection applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013. Notwithstanding any other provision of this

section, an individual buying a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property under a contract providing that the individual is to pay the property taxes on the mobile home or manufactured home is not entitled to the deduction provided by this section unless the parties to the contract comply with IC 9-17-6-17.

(r) This subsection:

(1) applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013; and

(2) does not apply to an individual described in subsection (q).

The owner of a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property must attach a copy of the owner's title to the mobile home or manufactured home to the application for the deduction provided by this section.

(s) For assessment dates after 2013, the term "homestead" includes property that is owned by an individual who:

(1) is serving on active duty in any branch of the armed forces of the United States;

(2) was ordered to transfer to a location outside Indiana; and

(3) was otherwise eligible, without regard to this subsection, for the deduction under this section for the property for the assessment date immediately preceding the transfer date specified in the order described in subdivision (2).

For property to qualify under this subsection for the deduction provided by this section, the individual described in subdivisions (1) through (3) must submit to the county auditor a copy of the individual's transfer orders or other information sufficient to show that the individual was ordered to transfer to a location outside Indiana. The property continues to qualify for the deduction provided by this section until the individual ceases to be on active duty, the property is sold, or the individual's ownership interest is otherwise terminated, whichever occurs first. Notwithstanding subsection (a)(2), the property remains a homestead regardless of whether the property continues to be the individual's principal place of residence after the individual transfers to a location outside Indiana. ~~However,~~ **The property continues to qualify as a homestead under this subsection if the property is leased while the individual is away from Indiana and is serving on active duty, if the**

individual has lived at the property at any time during the past ten (10) years. Otherwise, the property ceases to qualify as a homestead under this subsection if the property is leased while the individual is away from Indiana. Property that qualifies as a homestead under this subsection shall also be construed as a homestead for purposes of section 37.5 of this chapter.

Sec. 1. The general assembly makes the following findings:

- (2) The cost of providing reliable drinking water is increasing due to factors such as aging infrastructure, increased energy costs, and complex and costly changes in the regulatory requirements for safe drinking water.**
- (3) Water main breaks are visible and disruptive manifestations of the more widespread phenomenon of leakage from water systems.**
- (4) Leakage of drinking water from water distribution systems adds to the cost of service to customers and may lead to increased raw water demands that harm the natural environment.**
- (5) The failure of water utilities to recover revenue from some of the water delivered to users due to:
 - (A) metering and billing inaccuracies; and**
 - (B) theft;**increases the cost per unit of water that is billed to customers.**
- (6) Best management practices suggest that drinking water utilities should conduct an annual water audit in accordance**

with the American Water Works Association (AWWA) Manual of Water Supply Practices M-36: Water Audits and Loss Control Programs.

(7) The AWWA has published software for use in categorizing and reporting water losses and has made the software available without charge.

(8) AWWA M-36 water audit protocol classifies water volumes entering water distribution systems into revenue water and non-revenue water, with:

(A) revenue water representing billed water consumption; and

(B) non-revenue water consisting of the difference between the volume entering the distribution system and revenue water.

(9) Regular auditing of water volumes is a necessary foundation for the adoption of cost effective strategies to reduce the level of non-revenue water to economically reasonable levels.
