SECTION 3. IC 8-1-31.5 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]:

Chapter 31.5. System Integrity Adjustments

Sec. 1. The definitions in IC 8-1-2-1 apply throughout this chapter.

Sec. 2. As used in this chapter, "actual revenues" means the annual operating revenues that an eligible utility receives or accrues for a twelve (12) month period authorized for recovery through basic rates and charges approved by the commission in the eligible utility's most recent general rate case. However, the term does not include the following:

(1) Revenues received through an infrastructure improvement charge approved by the commission under IC 8-1-31.

(2) Revenues from the operation of a utility that an eligible utility acquires after the commission's most recent order establishing the eligible utility's level of annual operating revenues authorized for recovery by the eligible utility through existing rates and charges.

Sec. 3. As used in this chapter, "adjustment amount" means the dollar amount:

(1) by which an eligible utility's actual revenues for a twelve

- (12) month period differ from the eligible utility's authorized revenues for the same twelve (12) month period; and
- (2) that the eligible utility seeks to recover from or credit to customers through a system integrity adjustment requested in a petition filed under section 12 or 13 of this chapter.

Sec. 4. As used in this chapter, "adjustment revenues" means revenues produced through application of a system integrity adjustment. The term does not include revenue from other rates and charges.

Sec. 5. As used in this chapter, "authorized revenues" means the annual operating revenues of an eligible utility approved by the commission for a twelve (12) month period in the eligible utility's most recent general rate case.

Sec. 6. As used in this chapter, "cumulative excess or deficit" means the amount by which an eligible utility's actual revenues are:

- (1) in the case of an excess, greater than; or
- (2) in the case of a deficit, less than;

the eligible utility's authorized revenues measured on a cumulative annual basis from the effective date of the commission's order in the eligible utility's most recent general rate case proceeding.

Sec. 7. As used in this chapter, "eligible utility" means a:

- (1) public utility;
- (2) municipally owned utility; or
- (3) not-for-profit utility;

that provides water or wastewater service and is under the jurisdiction of the commission for the approval of rates and charges.

Sec. 8. As used in this chapter, "not-for-profit utility" has the meaning set forth in IC 8-1-2-125(a). The term includes a utility company that is owned, operated, or held in trust by a consolidated city.

Sec. 9. As used in this chapter, "system integrity adjustment" means an amount charged by an eligible utility to allow the automatic adjustment of the eligible utility's basic rates and charges to recover from or credit to customers an adjustment amount.

Sec. 10. As used in this chapter, "system integrity collar" means a dollar amount that is equal to the product of:

- (1) an eligible utility's authorized revenues; multiplied by
- (2) two hundredths (0.02).

An eligible utility's system integrity collar is satisfied when the eligible utility's cumulative excess or deficit equals or exceeds the eligible utility's system integrity collar.

Sec. 11. (a) A system integrity adjustment may not exceed the product of an eligible utility's adjustment amount multiplied by ninety-four hundredths (0.94).

(b) For purposes of the credit or recovery of an adjustment amount, a system integrity adjustment must be allocated only to an eligible utility's non-industrial rate classes.

Sec. 12. (a) An eligible utility that is not collecting a system integrity adjustment may file with the commission a petition setting forth rate schedules that establish a system integrity adjustment to recover from or credit to customers the eligible utility's adjustment amount. The petition must establish that the eligible utility's system integrity collar has been satisfied on a cumulative basis following the effective date of the commission's order in the eligible utility's most recent general rate case. The eligible utility's system integrity collar may not be included in the calculation of its adjustment amount. The eligible utility shall certify in the petition that the eligible utility will use any adjustment revenues for eligible infrastructure improvements (as defined in IC 8-1-31-5).

(b) An eligible utility shall serve the office of the utility consumer counselor a copy of the petition at the same time the petition is filed with the commission. The office of the utility consumer counselor may do the following:

- (1) Examine information of the eligible utility to confirm proper calculation of the proposed system integrity adjustment.

- (2) Submit a report of the examination to the commission not later than thirty (30) days after the petition is filed.

(c) The commission shall hold a hearing on the petition and issue its order not later than ninety (90) days after the petition is filed.

(d) If the commission determines that the system integrity adjustment is properly calculated, the commission shall enter an order approving the petition. The system integrity adjustment may be collected until the earlier of the following:

(1) Forty-eight (48) months after the date set forth in the order entered under this subsection on which the eligible utility may begin collecting the system integrity adjustment.

(2) The date on which the commission issues an order in the eligible utility's next general rate case proceeding.

Sec. 13. (a) This section applies to an eligible utility for which the commission has issued an order approving a petition under section 12(d) of this chapter.

(b) An eligible utility shall file a petition for a change in its adjustment amount:

(1) not more than thirty (30) days after the end of each twelve

(12) month period following the date on which the eligible utility files a petition under section 12 of this chapter; and

(2) until the commission issues an order in the eligible utility's next general rate case proceeding after the commission approves a system integrity adjustment.

(c) An eligible utility shall serve the office of the utility consumer counselor a copy of the petition at the same time the petition is filed with the commission.

(d) The commission shall hold a hearing on the petition and issue its order not later than ninety (90) days after the petition is filed.

Sec. 14. For purposes of satisfying a system integrity collar, an eligible utility's cumulative excess or deficit shall be reset to zero (0) upon the effective date of the commission's order in the eligible utility's next general rate case proceeding after the commission approves a system integrity adjustment.

Sec. 15. At the same time an eligible utility files a petition under section 13 of this chapter, the eligible utility shall reconcile the difference between:

(1) the adjustment amount approved by the commission for a previous twelve (12) month period; and

(2) the adjustment revenues received by the eligible utility during the same twelve (12) month period.

The eligible utility may recover from or credit to customers the reconciliation amount through a system integrity adjustment by filing a petition under section 12 of this chapter.

Sec. 16. For purposes of IC 8-1-2-42(a), the approval of a petition filed under section 12 or 13 of this chapter is not a general

increase in basic rates and charges.

Sec. 17. An eligible utility that:

(1) is subject to the jurisdiction of the commission; and

(2) serves five thousand (5,000) or more customers;

shall include in its annual report to the commission on a form prescribed by the commission under IC 8-1-2-12 a comparison of actual revenues and authorized revenues for the period covered by the report.

Sec. 18. The commission shall adopt by rule under IC 4-22-2 or by order other procedures not inconsistent with this chapter that the commission finds reasonable or necessary to administer this chapter.

- (2) any other terms and conditions established by the commission.**

Sec. 8. (a) Subject to subsections (b) and (c), if an applicant

(c) If the commission grants a waiver under subsection (b), the commission may:

- (1) place the student on probationary status; and
- (2) establish additional requirements for the student.

Sec. 10. (a) The commission may not award a scholarship under this chapter to an applicant unless the applicant has applied to and been accepted for enrollment in an accredited postsecondary educational institution approved by the commission under this section.

(b) The commission may extend the length of time in which an individual must complete the requirements of an agreement

described in section 5(a)(5) of this chapter if the individual submits a petition to the commission in a manner prescribed by the commission and the commission makes a determination that extenuating circumstances, as determined by the commission, prevented the individual from timely meeting the requirements described in section 5(a)(5) of this chapter.

SECTION 1. IC 20-20-42.2 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]:

Chapter 42.2. Career Pathways and Mentorship Program

Sec. 1. As used in this chapter, "career pathway teacher" means a qualified teacher participating in a school corporation's program.

Sec. 3. As used in this chapter, "qualified teacher" refers to a teacher who:

(2) works in the classroom providing instruction and who is not instructional support personnel.

Sec. 4. (a) The career pathways and mentorship program is established. The program is established to provide for, in addition to base salary and other applicable supplements, differentiated pay for qualified teachers based on a qualified teacher's demonstrated effectiveness and additional responsibilities in advanced roles. Differentiated pay made in accordance with a program approved by the state board under this chapter may not be collectively bargained. However, a discussion of the plan used as a basis for the program must be held under IC 20-29-6-7.

(b) The state board, in consultation with, and with assistance as

necessary from, the department, shall administer the program.

Sec. 5. (a) A governing body may apply to the state board to participate in the program by submitting to the state board in a manner prescribed by the state board a proposed plan approved by the governing body that is developed by two (2) or more teachers and:

- (1) a principal;

- (3) any combination of individuals described in either subdivision (1) or (2);

who are currently employed by the school corporation.

If a structured induction and mentorship program is established under this chapter, a mentored teacher may not be paid less than a teacher with the same years of experience in accordance with the school corporation's salary schedule. Except as otherwise provided in this chapter, a mentored teacher has the same rights under IC 20-28 and IC 20-29 as a teacher who does not participate in a program established under this chapter.

Sec. 6. If a school corporation establishes a structured induction and mentorship program under this chapter, the school corporation may enter into an agreement with a postsecondary educational institution to authorize the postsecondary educational institution to collaborate in the consideration and approval of a mentor to a newer teacher who attended the postsecondary educational institution.

Compensation attributable to additional degrees for which a teacher has started course work before July 1, 2011, and completed course work before September 2, 2014, shall also continue for school years beginning after June 30, 2015. For school**

years beginning after June 30, 2015, a school corporation may provide a supplemental payment to a teacher in excess of the salary specified in the school corporation's compensation plan if the teacher **teaches an advanced placement course or** has earned a master's degree from an accredited postsecondary educational institution in a content area directly related to the subject matter of:

- (1) a dual credit course; or
- (2) another course;

taught by the teacher. In addition, a supplemental payment may be made to an elementary school teacher who earns a master's degree in math or reading and literacy. A supplement provided under this subsection is not subject to collective bargaining, but a discussion of the supplement must be held. Such a supplement is in addition to any increase permitted under subsection (b).

(b) Increases or increments in a local salary range must be based upon a combination of the following factors:

(d) Subsection (c) does not apply to a teacher in the first two (2) full school years that the teacher provides instruction to students in elementary school or high school. If a teacher provides instruction to students in elementary school or high school in another state, any full school year, or its equivalent in the other state, that the teacher provides instruction counts toward the two (2) full school years under this subsection.

~~(j)~~ **(k)** After June 30, 2011, all rights, duties, or obligations established under IC 20-28-9-1 before its repeal are considered rights, duties, or obligations under this section.

(f) The board may designate a water body as an outstanding state resource water by rule if the board determines that the water body has a unique or special ecological, recreational, or aesthetic significance.

(g) Before the board may adopt a rule designating a water body as an outstanding state resource water, the board must consider the following:

- (1) Economic impact analyses, presented by any interested party, taking into account future population and economic development growth.

- (5) Whether the designation of the water body as an outstanding state resource water is necessary to protect the unique or special ecological, recreational, or aesthetic significance of the water body.

(h) Before the board may adopt a rule designating a water body as

an outstanding state resource water, the board must make available to the public a written summary of the information considered by the board under subsections (f) and (g), including the board's conclusions concerning that information.

(k) For a water body designated as an outstanding state resource water, the board shall provide by rule procedures that will:

- (1) prevent degradation; and
- (2) allow for increases and additions in pollutant loadings from an existing or new discharge if:
 - (A) there will be an overall improvement in water quality for the outstanding state resource water as described in this section; and
 - (B) the applicable requirements of ~~327 IAC 2-1-2(1) and 327 IAC 2-1-2(2) and 327 IAC 2-1.5-4(a) and 327 IAC 2-1.5-4(b)~~ **rules adopted by the board under this section** are met.

 - (A) Implementation of a water quality project in the watershed of the outstanding state resource water that will result in an

overall improvement of the water quality of the outstanding state resource water.

(B) Payment of a fee, not to exceed five hundred thousand dollars (\$500,000), based on the type and quantity of increased pollutant loadings, to the department for deposit in the outstanding state resource water improvement fund established under section 14 of this chapter for use as permitted under that section.

(m) For a water body designated as an outstanding state resource water after June 30, 2000, the board shall provide by rule antidegradation implementation procedures before the water body is designated in accordance with this section.

(n) A water body may be designated as an outstanding national resource water only by the general assembly after recommendations for designation are made by the board and the interim study committee on environmental affairs established by IC 2-5-1.3-4.

(o) Before recommending the designation of an outstanding national resource water, the department shall provide for an adequate public notice and comment period regarding the designation. The commissioner shall present a summary of the comments and information received during the comment period and the department's recommendation concerning designation to the interim study committee on environmental affairs established by IC 2-5-1.3-4 in an electronic format under IC 5-14-6 not later than ninety (90) days after the end of the comment period. general permits. The department may modify the general permits for purposes of antidegradation compliance. After an antidegradation review of a permit is conducted under this subsection, activities covered by an NPDES general permit are not required to undergo an additional antidegradation review. An NPDES general permit may not be used to authorize a discharge into an outstanding national resource water or an outstanding state resource water, except that a short term, temporary storm water discharge to an outstanding national resource water or to an outstanding state resource water may be permitted under an NPDES general permit if the commissioner determines that the discharge will not significantly lower the water quality downstream of the discharge.

(q) Subsection (r) applies to: ~~an application for:~~

(1) **an application for** an NPDES permit subject to IC 13-15-4-1(a)(2)(B), IC 13-15-4-1(a)(3)(B), or IC 13-15-4-1(a)(4); or

(2) **an application for** a modification or renewal of ~~a~~ **an NPDES permit; referred to in one (1) of the sections referred to in subdivision (1)**

that proposes new or increased discharge that would result in a significant lowering of water quality as defined in subsection (l)(1).

(r) For purposes of an antidegradation review with respect to an application referred to in subsection (q), the applicant shall demonstrate at the time the application is submitted to the department, and the commissioner shall review:

- (1) an analysis of alternatives to the proposed discharge; and
- (2) subject to subsection (s), social or economic factors indicating the importance of the proposed discharge if alternatives to the proposed discharge are not practicable.

(s) Subject to subsection (t), the commissioner shall consider the following factors in determining whether a proposed discharge is necessary to accommodate important economic or social development in the area in which the waters are located under antidegradation standards and implementation procedures:

- (1) Creation, expansion, or maintenance of employment.
- (2) The unemployment rate.
- (3) The median household income.
- (4) The number of households below the poverty level.

- (12) The impact on the fishing, recreation, and tourism industries.
- (13) The impact on threatened and endangered species.
- (14) The impact on economic competitiveness.
- (15) Demonstration by the permit applicant that the factors identified and reviewed under subdivisions (1) through (14) are necessary to accommodate important social or economic development despite the proposed significant lowering of water quality.
- (16) Inclusion by the applicant of additional factors that may enhance the social or economic importance associated with the proposed discharge, such as an approval that:
 - (A) recognizes social or economic importance; and
 - (B) is given to the applicant by:

 - (A) finds relevant; or

(B) is required to consider under the Clean Water Act.

(t) In determining whether a proposed discharge is necessary to accommodate important economic or social development in the area in which the waters are located under antidegradation standards and implementation procedures, the commissioner:

- (1) must give substantial weight to any applicable determinations by governmental entities; and
- (2) may rely on consideration of any one (1) or a combination of the factors listed in subsection (s).

(u) Each exceptional use water (as defined in IC 13-11-2-72.5, before its repeal) designated by the board before June 1, 2009, becomes an outstanding state resource water on June 1, 2009, by operation of law.

The governing body shall differentiate between the amount of the stipend awarded to a teacher rated as a highly effective teacher and a teacher rated as an effective teacher and may differentiate between school buildings. A stipend to an individual teacher in a particular year is not subject to collective bargaining and is in addition to the minimum

salary or increases in salary set under IC 20-28-9-1.5. In addition, an amount determined under the policies adopted by the governing body but not exceeding fifty percent (50%) of the amount of a stipend to an individual teacher in a particular state fiscal year beginning after June 30, 2015, becomes a permanent part of and increases the base salary of the teacher receiving the stipend for school years beginning after the state fiscal year in which the stipend is received. The school corporation shall complete the appropriation process for all stipends from a performance grant to individual teachers before December 31 of the state fiscal year in which the performance grant is distributed to the school corporation and distribute all stipends from a performance grant to individual teachers before the immediately following January 31. year than the nearest noncharter public school that is configured to teach the same grades of students as the charter school teaches. Except as provided in subsection (c), if the charter school has been placed in the same or a better category or designation of performance, the state board shall make the advance to the charter school.

(c) If a charter school:

- (1) does not qualify for an advance under subsection (a); and

Subtract from the adjusted gross income of any taxpayer that added an amount to adjusted gross income in a previous year the amount necessary to offset the amount included in federal gross income as a result of the deferral of income arising from business indebtedness discharged in connection with the reacquisition after December 31, 2008, and before January 1, 2011, of an applicable debt instrument, as provided in Section 108(i) of the Internal Revenue Code.

SECTION 5. IC 6-3-2-2, AS AMENDED BY P.L.250-2015, SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) With regard to corporations and nonresident persons, "adjusted gross income derived from sources within Indiana", for the purposes of this article, shall mean and include:

- (1) income from real or tangible personal property located in this state;
- (2) income from doing business in this state;
- (3) income from a trade or profession conducted in this state;
- (4) compensation for labor or services rendered within this state; and
- (5) income from stocks, bonds, notes, bank deposits, patents, copyrights, secret processes and formulas, good will, trademarks, trade brands, franchises, and other intangible personal property to the extent that the income is apportioned to Indiana under this section or if the income is allocated to Indiana or considered to be derived from sources within Indiana under this section.

Income from a pass through entity shall be characterized in a manner consistent with the income's characterization for federal income tax purposes and shall be considered Indiana source income as if the person, corporation, or pass through entity that received the income had directly engaged in the income producing activity. Income that is derived from one (1) pass through entity and is considered to pass through to another pass through entity does not change these characteristics or attribution provisions. In the case of nonbusiness income described in subsection (g), only so much of such income as is allocated to this state under the provisions of subsections (h) through (k) shall be deemed to be derived from sources within Indiana. In the case of business income, only so much of such income as is apportioned to this state under the provision of subsection (b) shall be deemed to be derived from sources within the state of Indiana. In the case of compensation of a team member (as defined in section 2.7 of

this chapter), only the portion of income determined to be Indiana income under section 2.7 of this chapter is considered derived from sources within Indiana. In the case of a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code, only so much of the income as is apportioned to Indiana under subsection (r) is considered derived from sources within Indiana.

(b) Except as provided in subsection (l), if business income of a corporation or a nonresident person is derived from sources within the state of Indiana and from sources without the state of Indiana, the business income derived from sources within this state shall be determined by multiplying the business income derived from sources both within and without the state of Indiana by the following:

(1) For all taxable years that begin after December 31, 2006, and before January 1, 2008, a fraction. The:

(A) numerator of the fraction is the sum of the property factor plus the payroll factor plus the product of the sales factor multiplied by three (3); and

(B) denominator of the fraction is five (5).

(2) For all taxable years that begin after December 31, 2007, and before January 1, 2009, a fraction. The:

(A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by four and sixty-seven hundredths (4.67); and

(B) denominator of the fraction is six and sixty-seven hundredths (6.67).

(3) For all taxable years beginning after December 31, 2008, and before January 1, 2010, a fraction. The:

(A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by eight (8); and

(B) denominator of the fraction is ten (10).

(4) For all taxable years beginning after December 31, 2009, and before January 1, 2011, a fraction. The:

(A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by eighteen (18); and

(B) denominator of the fraction is twenty (20).

(5) For all taxable years beginning after December 31, 2010, the sales factor.

(c) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the taxable year and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the taxable year. However, with respect to a foreign corporation, the denominator does not include the average value of real or tangible personal property owned or rented and used in a place that is outside the United States. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals. The average of property shall be determined by averaging the values at the beginning and ending of the taxable year, but the department may require the averaging of monthly values during the taxable year if reasonably required to reflect properly the average value of the taxpayer's property.

(d) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the taxable year by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the taxable year. However, with respect to a foreign corporation, the denominator does not include compensation paid in a place that is outside the United States. Compensation is paid in this state if:

- (1) the individual's service is performed entirely within the state;
- (2) the individual's service is performed both within and without this state, but the service performed without this state is incidental to the individual's service within this state; or
- (3) some of the service is performed in this state and:
 - (A) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in this state; or
 - (B) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual is a resident of

this state.

(e) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the taxable year, and the denominator of which is the total sales of the taxpayer everywhere during the taxable year. Sales include receipts from intangible property and receipts from the sale or exchange of intangible property. However, with respect to a foreign corporation, the denominator does not include sales made in a place that is outside the United States. Receipts from intangible personal property are derived from sources within Indiana if the receipts from the intangible personal property are attributable to Indiana under section 2.2 of this chapter. Regardless of the f.o.b. point or other conditions of the sale, sales of tangible personal property are in this state if:

- (1) the property is delivered or shipped to a purchaser that is within Indiana, other than the United States government; or
- (2) the property is shipped from an office, a store, a warehouse, a factory, or other place of storage in this state and the purchaser is the United States government.

Gross receipts derived from commercial printing as described in IC 6-2.5-1-10 and from the sale of computer software shall be treated as sales of tangible personal property for purposes of this chapter.

(f) Sales, other than receipts from intangible property covered by subsection (e) and sales of tangible personal property, are in this state if:

- (1) the income-producing activity is performed in this state; or
- (2) the income-producing activity is performed both within and without this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(g) Rents and royalties from real or tangible personal property, capital gains, interest, dividends, or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in subsections (h) through (k).

(h)(1) Net rents and royalties from real property located in this state are allocable to this state.

(2) Net rents and royalties from tangible personal property are allocated to this state:

- (i) if and to the extent that the property is utilized in this state; or

(ii) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year, and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(i)(1) Capital gains and losses from sales of real property located in this state are allocable to this state.

(2) Capital gains and losses from sales of tangible personal property are allocable to this state if:

- (i) the property had a situs in this state at the time of the sale; or
- (ii) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(3) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(j) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

(k)(1) Patent and copyright royalties are allocable to this state:

- (i) if and to the extent that the patent or copyright is utilized by the taxpayer in this state; or
- (ii) if and to the extent that the patent or copyright is utilized by the taxpayer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the

taxpayer's commercial domicile is located.

(3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(l) If the allocation and apportionment provisions of this article do not fairly represent the taxpayer's income derived from sources within the state of Indiana, the taxpayer may petition for or the department may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

(1) separate accounting;

(2) for a taxable year beginning before January 1, 2011, the exclusion of any one (1) or more of the factors, except the sales factor;

(3) the inclusion of one (1) or more additional factors which will fairly represent the taxpayer's income derived from sources within the state of Indiana; or

(4) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(m) In the case of two (2) or more organizations, trades, or businesses owned or controlled directly or indirectly by the same interests, the department shall distribute, apportion, or allocate the income derived from sources within the state of Indiana between and among those organizations, trades, or businesses in order to fairly reflect and report the income derived from sources within the state of Indiana by various taxpayers.

(n) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if:

(1) in that state the taxpayer is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or

(2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

(o) Notwithstanding subsections (l) and (m), the department may not, under any circumstances, require that income, deductions, and

credits attributable to a taxpayer and another entity be reported in a combined income tax return for any taxable year, if the other entity is:

- (1) a foreign corporation; or
- (2) a corporation that is classified as a foreign operating corporation for the taxable year by section 2.4 of this chapter.

(p) Notwithstanding subsections (l) and (m), the department may not require that income, deductions, and credits attributable to a taxpayer and another entity not described in subsection (o)(1) or (o)(2) be reported in a combined income tax return for any taxable year, unless the department is unable to fairly reflect the taxpayer's adjusted gross income for the taxable year through use of other powers granted to the department by subsections (l) and (m).

(q) Notwithstanding subsections (o) and (p), one (1) or more taxpayers may petition the department under subsection (l) for permission to file a combined income tax return for a taxable year. The petition to file a combined income tax return must be completed and filed with the department not more than thirty (30) days after the end of the taxpayer's taxable year. A taxpayer filing a combined income tax return must petition the department within thirty (30) days after the end of the taxpayer's taxable year to discontinue filing a combined income tax return.

(r) This subsection applies to a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code. The corporation's adjusted gross income that is derived from sources within Indiana is determined by multiplying the corporation's adjusted gross income by a fraction:

- (1) the numerator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks in the state; and
- (2) the denominator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks everywhere.

The term "direct premiums and annuity considerations" means the gross premiums received from direct business as reported in the corporation's annual statement filed with the department of insurance.

(s) This subsection applies to receipts derived from motorsports racing.

- (1) Any purse, prize money, or other amounts earned for placement or participation in a race or portion thereof, including qualification, shall be attributed to Indiana if the race is conducted in Indiana.
- (2) Any amounts received from an individual or entity as a result of sponsorship or similar promotional consideration for one (1) or more races shall be in this state in the amount received, multiplied by the following fraction:
 - (A) The numerator of the fraction is the number of racing events for which sponsorship or similar promotional consideration has been paid in a taxable year and that occur in Indiana.
 - (B) The denominator of the fraction is the total number of racing events for which sponsorship or similar promotional consideration has been paid in a taxable year.
- (3) Any amounts earned as an incentive for placement or participation in one (1) or more races and that are not covered under ~~subdivisions~~ **subdivision** (1) or (2) or under IC 6-3-2-3.2 shall be attributed to Indiana in the proportion of the races that occurred in Indiana.

This subsection, as enacted in 2013, is intended to be a clarification of the law and not a substantive change in the law

- (C) require the appointed trustee to furnish security; and
- (D) remove the appointed trustee.

(26) With regard to a beneficiary who is under a legal disability or whom the trustee reasonably believes is incapacitated, the power to pay an amount distributable to the beneficiary by:

- (A) paying the amount directly to the beneficiary;
- (B) applying the amount for the beneficiary's benefit;
- (C) paying the amount to the beneficiary's guardian;
- (D) paying the amount to the beneficiary's custodian under IC 30-2-8.5 to create a custodianship or custodial trust;
- (E) paying the amount to an adult relative or another person having legal or physical care or custody of the beneficiary to be expended on the beneficiary's behalf, if the trustee does not know of a guardian, custodian, or custodial trustee; or
- (F) managing the amount as a separate fund on the beneficiary's behalf, subject to the beneficiary's continuing right to withdraw the distribution.

(27) The power to:

- (A) combine at least two (2) trusts into one (1) trust; or
- (B) divide one (1) trust into at least two (2) trusts;

after notice to the qualified beneficiaries, if the result does not impair the rights of any beneficiary or adversely affect achievement of the purposes of the trust.

(b) Any act under subsection (a)(4), an option under subsection (a)(5), a lease under subsection (a)(6), an arrangement under subsection (a)(7), and an encumbrance, mortgage, pledge, or security interest under subsection (a)(9) may be for a term either within or extending beyond the term of the trust.

(c) In acquiring, investing, reinvesting, exchanging, retaining, selling, and managing property for any trust, the trustee thereof shall exercise the judgment and care required by IC 30-4-3.5. Within the limitations of the foregoing standard, the trustee is authorized to acquire and retain every kind of property, real, personal, or mixed, and

every kind of investment, including specifically, but without in any way limiting the generality of the foregoing, bonds, debentures, and other corporate obligations, stocks, preferred or common, and real estate mortgages, which persons of prudence, discretion, and intelligence acquire or retain for their own account, and within the limitations of the foregoing standard, the trustee is authorized to retain property properly acquired, without limitation as to time and without regard to its suitability for original purchase. Within the limitations of the foregoing standard, the trustee is authorized to sell covered security options and to purchase back previously sold covered security options.

(d) If a distribution of particular trust assets is to be made to two (2) or more beneficiaries entitled to receive fractional shares in those assets, the trustee may distribute the particular assets without distributing to each beneficiary a pro rata share of each asset. However, the trustee shall:

(1) distribute to each beneficiary a pro rata share of the total fair market value of all of the particular assets as of the date of distribution; and

(2) cause the distribution to result in a fair and equitable division among the beneficiaries of capital gain or loss on the assets.

(e) If the trust is terminated or partially terminated, the trustee may send to the beneficiaries a proposal for distribution. If the proposal for distribution informs the beneficiary that the beneficiary:

(1) has a right to object to the proposed distribution; and

(2) must object not later than thirty (30) days after the proposal for distribution was sent;

the right of the beneficiary to object to the proposed distribution terminates if the beneficiary fails to notify the trustee of an objection within the time limit set forth in subdivision (2).

(f) When any real or personal property subject to a lien (as defined by IC 29-1-17-9(a)) is specifically distributable, the distributee shall take the property subject to the lien unless the terms of the trust provide expressly or by necessary implication that the lien be otherwise paid. If:

(1) an event occurs that makes the property distributable; and

(2) the holder of a lien on the property receives payment on a claim based upon the obligation secured by the lien;

the property subject to the lien shall be charged with the reimbursement to the trust of the amount of the payment for the benefit of the beneficiaries entitled to the distribution, unless the terms of the trust provide expressly or by necessary implication that the payment be charged against the residue of the trust estate.

(g) For purposes of subsection (f), a general directive or authority in the trust for payment of debts does not imply an intent that the distribution of property subject to a lien be made free from the lien.

(h) IC 32-39-2-8, IC 32-39-2-9, and IC 32-39-2-10 apply to the right of a trustee acting under a trust to access:

Sec. 1. (a) A user may use an online tool to direct the custodian that carries, maintains, processes, receives, or stores the user's digital assets:

- (1) to disclose; or
- (2) not to disclose;

some or all of the user's digital assets, including the content of electronic communications to a designated recipient. If the online tool allows the user to modify or delete a direction at all times, a direction by a user to the custodian regarding disclosure through use of an online tool overrides a contrary direction by the user in a will, trust, power of attorney, or other record.

(b) If a user has not used an online tool to give a direction under subsection (a) or if the custodian has not provided an online tool, the user, in a will, trust, power of attorney, or other record, may:

- (1) allow; or
- (2) prohibit;

disclosure to a fiduciary of some or all of the user's digital assets, including the content of electronic communications sent or received by the user.

(c) A user's:

- (1) direction through the use of an online tool under subsection (a); or
- (2) provision in a will, trust, power of attorney, or other record under subsection (b);

overrides a contrary provision in a terms-of-service agreement that does not require the user to act affirmatively and distinctly from the user's assent to the terms of service.

Sec. 2. (a) This article does not change or impair a right of:

- (1) a custodian; or
- (2) a user;

under a terms-of-service agreement to access and use digital assets of the user.

(b) This article does not give a fiduciary or designated recipient any new or expanded rights other than the rights held by the user:

- (1) for whom the fiduciary or designated recipient acts;**
- (2) who is represented by the fiduciary or designated recipient; or**
- (3) whose estate the fiduciary represents or acts for.**

(c) A fiduciary's access to a user's digital assets may be modified or eliminated:

- (1) by the user;**
- (2) by federal law; or**
- (3) by a terms-of-service agreement;**

if the user has not given a direction under section 1(a) of this chapter or allowed or prohibited disclosure through a will, trust, power of attorney, or other record under section 1(b) of this chapter.

Sec. 3. (a) When disclosing digital assets of a user under this chapter, the custodian, at the custodian's sole discretion, may:

- (1) grant a fiduciary or designated recipient full access to the user's account;**
- (2) grant a fiduciary or designated recipient partial access to the user's account sufficient to perform the tasks with which the fiduciary or designated recipient is charged; or**
- (3) provide a fiduciary or designated recipient a copy of a record of any digital asset that, on the date on which the custodian received the request for disclosure, the user could have accessed if the user:**
 - (A) were alive;**
 - (B) had full capacity; and**
 - (C) had access to the account.**

(b) A custodian may assess a reasonable administrative charge for the cost of disclosing digital assets under this chapter.

(c) A custodian need not disclose under this chapter a digital asset that has been deleted by a user.

(d) Subject to subsection (e), if:

- (1) a user directs a custodian to disclose to a fiduciary or designated recipient; or**
- (2) a fiduciary or designated recipient requests disclosure by a custodian of;**

some, but not all, of the user's digital assets under this chapter, the custodian need not disclose the digital assets if segregation of the digital assets would impose an undue burden on the custodian.

(e) If a custodian believes that a direction or request for the disclosure of some but not all of a user's digital assets as described in subsection (d) would impose an undue burden on the custodian, the custodian or fiduciary may seek an order from a court for the custodian:

(1) to disclose:

(A) a subset of the user's digital assets limited by date of the user's digital assets;

(B) all of the user's digital assets; or

(C) none of the user's digital assets;

to the fiduciary or designated recipient; or

(2) to disclose all of the user's digital assets to the court for review in camera.

Sec. 4. If a deceased user consented to, or a court directs, disclosure of the contents of electronic communications of the user, the custodian shall disclose to the personal representative of the estate of the user the content of an electronic communication sent or received by the user if the personal representative gives the custodian the following:

(1) A written request for disclosure in physical or electronic form.

(2) A certified or authenticated copy of the death certificate of the user.

(3) A copy of the letters (as defined in IC 29-1-1-3(a)(17)) of the personal representative or of the order of no supervision or order of unsupervised administration issued to the personal representative under IC 29-1-7.5.

(5) If requested by the custodian:

(A) a number, username, address, or other unique subscriber identifier or account identifier assigned by the custodian to identify the user's account;

(C) a finding by the court that:

- (i) the user had a specific account with the custodian, identifiable by the information specified in clause (A);**
- (ii) disclosure of the content of electronic communications of the user would not violate 18 U.S.C. 2701 et seq., 47 U.S.C. 222, or other applicable law;**
- (iii) unless the user provided direction using an online tool, the user consented to disclosure of the content of electronic communications; or**
- (iv) disclosure of the content of electronic communications of the user is reasonably necessary for administration of the user's estate.**

Sec. 5. Unless the user prohibited disclosure of the user's digital assets or a court directs otherwise, a custodian shall disclose to the personal representative of the estate of a deceased user a catalogue of electronic communications sent or received by the user and digital assets, other than the content of electronic communications, of the user, if the personal representative gives the custodian:

- (1) a written request for disclosure in physical or electronic form;**
- (2) a certified or authenticated copy of the death certificate of the user;**
- (3) a copy of the letters (as defined in IC 29-1-1-3(a)(17)) of the personal representative or of the order of no supervision or order of unsupervised administration issued to the personal representative under IC 29-1-7.5; or**
- (4) if requested by the custodian:**
 - (A) a number, username, address, or other unique subscriber identifier or account identifier assigned by the custodian to identify the user's account;**
 - (B) evidence linking the account to the user;**
 - (C) an affidavit stating that disclosure of the user's digital assets is reasonably necessary for administration of the user's estate; or**
 - (D) a finding by the court that:**
 - (i) the user had a specific account with the custodian, identifiable by the information specified in clause (A); or**
 - (ii) disclosure of the user's digital assets is reasonably necessary for administration of the user's estate.**

Sec. 6. To the extent that a power of attorney expressly grants an attorney in fact authority over the content of electronic communications sent or received by the principal, and unless directed otherwise by the principal or a court, a custodian shall disclose to the principal's attorney in fact the content of the electronic communications of the principal if the attorney in fact gives the custodian:

- (1) a written request for disclosure of the electronic communications in physical or electronic form;**
- (2) an original or copy of the power of attorney expressly granting the attorney in fact authority over the content of electronic communications of the principal;**
- (3) a certification by the attorney in fact, under penalty of perjury, that the power of attorney is in effect; and**

 - (B) evidence linking the account to the principal.**

- (1) a written request for disclosure of the catalogue of electronic communications and the digital assets in physical or electronic form;**
- (2) an original or a copy of the power of attorney giving the attorney in fact specific authority over the principal's digital assets or general authority to act on behalf of the principal;**

- (4) if requested by the custodian:**
 - (A) a number, username, address, or other unique subscriber identifier or account identifier assigned by the custodian to identify the trust's account; or**
 - (B) evidence linking the account to the trust.**

Sec. 11. (a) After an opportunity for a hearing under IC 29-3, a court may grant a guardian access to the digital assets of the protected person.

(b) Unless otherwise ordered by a court or directed by the user, a custodian shall disclose to a guardian the catalogue of electronic communications sent or received by the protected person and any digital assets, other than the content of electronic communications, in which the protected person has a right or interest if the guardian gives the custodian:

 - or**
 - (B) evidence linking the account to the protected person.**

(c) A guardian with general authority to manage the assets of a protected person may, for good cause, request that the custodian of the digital assets of the protected person suspend or terminate an account of the protected person. A request made under this subsection must be accompanied by a certified copy of the court

order giving the guardian authority over the protected person's property.

Sec. 12. (a) The legal duties imposed on a fiduciary charged with managing tangible property, including:

SECTION 1. IC 6-1.1-20-3.1, AS AMENDED BY P.L.203-2015, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 3.1. (a) This section applies only to the following:

(1) A controlled project (as defined in section 1.1 of this chapter as in effect June 30, 2008) for which the proper officers of a political subdivision make a preliminary determination in the manner described in subsection (b) before July 1, 2008.

(2) An elementary school building, middle school building, high school building, or other school building for academic instruction that:

(ii) An amount equal to one percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date, if that amount is at least one million dollars (\$1,000,000).

(b) A political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:

- (1) The proper officers of a political subdivision shall:
 - (A) publish notice in accordance with IC 5-3-1; and
 - (B) send notice by first class mail to the circuit court clerk and to any organization that delivers to the officers, before January 1 of that year, an annual written request for such notices; of any meeting to consider adoption of a resolution or an ordinance making a preliminary determination to issue bonds or enter into a lease and shall conduct a public hearing on a preliminary determination before adoption of the resolution or ordinance.
- (2) When the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease for a controlled project, the officers shall give notice of the preliminary determination by:
 - (A) publication in accordance with IC 5-3-1; and
 - (B) first class mail to the circuit court clerk and to the organizations described in subdivision (1)(B).

 - (D) The purpose of the bonds or lease.
 - (E) A statement that any owners of property within the political subdivision or registered voters residing within the political subdivision who want to initiate a petition and remonstrance process against the proposed debt service or lease payments must file a petition that complies with subdivisions (4) and (5) not later than thirty (30) days after publication in accordance with IC 5-3-1.
 - (F) With respect to bonds issued or a lease entered into to open:

(G) A statement of whether the school corporation expects to appeal for a new facility adjustment (as defined in IC 20-45-1-16 (repealed) before January 1, 2009) for an increased maximum permissible tuition support levy to pay the estimated costs described in clause (F).

(H) The political subdivision's current debt service levy and rate and the estimated increase to the political subdivision's debt service levy and rate that will result if the political subdivision issues the bonds or enters into the lease.

(4) After notice is given, a petition requesting the application of a petition and remonstrance process may be filed by the lesser of:

(A) ~~one~~ **five** hundred ~~(100)~~ **(500)** persons who are either owners of property within the political subdivision or registered voters residing within the political subdivision; or

(B) five percent (5%) of the registered voters residing within the political subdivision.

(5) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition forms to be used solely in the petition process described in this section. The county voter registration office shall issue to an owner or owners of property within the political subdivision or a registered voter residing within the political subdivision the number of petition forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of property or registered voters;

(B) the carrier must be a signatory on at least one (1) petition;

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature; and

(D) govern the closing date for the petition period.

Persons requesting forms may be required to identify themselves as owners of property or registered voters and may be allowed to pick up additional copies to distribute to other owners of property or registered voters. Each person signing a petition must indicate whether the person is signing the petition as a registered voter within the political subdivision or is signing the petition as the owner of property within the political subdivision. A person who signs a petition as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition as an owner of property must indicate the address of the property owned by the person in the political subdivision.

(6) Each petition must be verified under oath by at least one (1) qualified petitioner in a manner prescribed by the state board of accounts before the petition is filed with the county voter registration office under subdivision (7).

(7) Each petition must be filed with the county voter registration office not more than thirty (30) days after publication under subdivision (2) of the notice of the preliminary determination.

(8) The county voter registration office shall determine whether each person who signed the petition is a registered voter. The county voter registration office shall, not more than fifteen (15) business days after receiving a petition, forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of property in the political subdivision; and

(B) whether a person who signed the petition as an owner of property within the political subdivision does in fact own property within the political subdivision.

(9) The county voter registration office shall, not more than ten (10) business days after receiving the statement from the county auditor under subdivision (8), make the final determination of the number of petitioners that are registered voters in the political

subdivision and, based on the statement provided by the county auditor, the number of petitioners that own property within the political subdivision. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular petition and remonstrance process under this chapter, regardless of whether the person owns more than one (1) parcel of real property, mobile home assessed as personal property, or manufactured home assessed as personal property, or a combination of those types of property within the subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within forty-five (45) days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

- (A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or
- (B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting a petition and remonstrance process. The certificate must state the number of petitioners that are owners of property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

If a sufficient petition requesting a petition and remonstrance process is not filed by owners of property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

(c) This subsection applies only to a political subdivision that, after April 30, 2011, adopts an ordinance or a resolution making a preliminary determination to issue bonds or enter into a lease subject to this section and section 3.2 of this chapter. A political subdivision may not artificially divide a capital project into multiple capital projects in order to avoid the requirements of this section and section 3.2 of this chapter. A person that owns property within a political subdivision or a person that is a registered voter residing within a political subdivision may file a petition with the department of local government finance objecting that the political subdivision has artificially divided a capital project into multiple capital projects in order to avoid the requirements of this section and section 3.2 of this chapter. The petition must be filed not more than ten (10) days after the political subdivision makes the preliminary determination to issue the bonds or enter into the lease for the project. If the department of local government finance receives a petition under this subsection, the department shall not later than thirty (30) days after receiving the petition make a final determination on the issue of whether the capital projects were artificially divided.

SECTION 2. IC 6-1.1-20-3.5, AS AMENDED BY P.L.218-2013, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 3.5. (a) This section applies only to a controlled project that meets the following conditions:

(1) The controlled project is described in one (1) of the following categories:

(A) An elementary school building, middle school building, high school building, or other school building for academic instruction that:

(i) will be used for any combination of kindergarten through grade 12; and

(ii) will cost more than ten million dollars (\$10,000,000).

(B) Any other controlled project that:

(i) is not a controlled project described in clause (A); and

(ii) will cost the political subdivision more than the lesser of twelve million dollars (\$12,000,000) or an amount equal to one percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date (if that amount is at least one million dollars (\$1,000,000)).

(2) The proper officers of the political subdivision make a preliminary determination after June 30, 2008, in the manner described in subsection (b) to issue bonds or enter into a lease for the controlled project.

(b) A political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:

(1) The proper officers of a political subdivision shall publish notice in accordance with IC 5-3-1 and send notice by first class mail to the circuit court clerk and to any organization that delivers to the officers, before January 1 of that year, an annual written request for notices of any meeting to consider the adoption of an ordinance or a resolution making a preliminary determination to issue bonds or enter into a lease and shall conduct a public hearing on the preliminary determination before adoption of the ordinance or resolution. The political subdivision must make the following information available to the public at the public hearing on the preliminary determination, in addition to any other information required by law:

(A) The result of the political subdivision's current and projected annual debt service payments divided by the net assessed value of taxable property within the political subdivision.

(B) The result of:

(i) the sum of the political subdivision's outstanding long term debt plus the outstanding long term debt of other taxing

units that include any of the territory of the political subdivision; divided by

(ii) the net assessed value of taxable property within the political subdivision.

(C) The information specified in subdivision (3)(A) through (3)(G).

(2) If the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the officers shall give notice of the preliminary determination by:

(A) publication in accordance with IC 5-3-1; and

(B) first class mail to the circuit court clerk and to the organizations described in subdivision (1).

(3) A notice under subdivision (2) of the preliminary determination of the political subdivision to issue bonds or enter into a lease must include the following information:

(A) The maximum term of the bonds or lease.

(B) The maximum principal amount of the bonds or the maximum lease rental for the lease.

(C) The estimated interest rates that will be paid and the total interest costs associated with the bonds or lease.

(D) The purpose of the bonds or lease.

(E) A statement that the proposed debt service or lease payments must be approved in an election on a local public question held under section 3.6 of this chapter.

(F) With respect to bonds issued or a lease entered into to open:

(i) a new school facility; or

(ii) an existing facility that has not been used for at least three (3) years and that is being reopened to provide additional classroom space;

the estimated costs the school corporation expects to annually incur to operate the facility.

(G) The political subdivision's current debt service levy and rate and the estimated increase to the political subdivision's debt service levy and rate that will result if the political subdivision issues the bonds or enters into the lease.

(H) The information specified in subdivision (1)(A) through (1)(B).

(4) After notice is given, a petition requesting the application of the local public question process under section 3.6 of this chapter may be filed by the lesser of:

- (A) ~~one~~ **five** hundred ~~(100)~~ **(500)** persons who are either owners of property within the political subdivision or registered voters residing within the political subdivision; or
- (B) five percent (5%) of the registered voters residing within the political subdivision.

(5) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition forms to be used solely in the petition process described in this section. The county voter registration office shall issue to an owner or owners of property within the political subdivision or a registered voter residing within the political subdivision the number of petition forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:

- (A) the carrier and signers must be owners of property or registered voters;
- (B) the carrier must be a signatory on at least one (1) petition;
- (C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature; and
- (D) govern the closing date for the petition period.

Persons requesting forms may be required to identify themselves as owners of property or registered voters and may be allowed to pick up additional copies to distribute to other owners of property or registered voters. Each person signing a petition must indicate whether the person is signing the petition as a registered voter within the political subdivision or is signing the petition as the owner of property within the political subdivision. A person who signs a petition as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition as an owner of property must indicate the address of the property owned by the person in the political subdivision.

(6) Each petition must be verified under oath by at least one (1) qualified petitioner in a manner prescribed by the state board of accounts before the petition is filed with the county voter registration office under subdivision (7).

(7) Each petition must be filed with the county voter registration office not more than thirty (30) days after publication under subdivision (2) of the notice of the preliminary determination.

(8) The county voter registration office shall determine whether each person who signed the petition is a registered voter. However, after the county voter registration office has determined that at least ~~one hundred twenty-five (125)~~ **five hundred twenty-five (525)** persons who signed the petition are registered voters within the political subdivision, the county voter registration office is not required to verify whether the remaining persons who signed the petition are registered voters. If the county voter registration office does not determine that at least ~~one hundred twenty-five (125)~~ **five hundred twenty-five (525)** persons who signed the petition are registered voters, the county voter registration office, not more than fifteen (15) business days after receiving a petition, shall forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of property in the political subdivision; and

(B) whether a person who signed the petition as an owner of property within the political subdivision does in fact own property within the political subdivision.

(9) The county voter registration office, not more than ten (10) business days after determining that at least ~~one hundred twenty-five (125)~~ **five hundred twenty-five (525)** persons who signed the petition are registered voters or after receiving the statement from the county auditor under subdivision (8) (as applicable), shall make the final determination of whether a sufficient number of persons have signed the petition. Whenever the name of an individual who signs a petition form as a

registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular referendum process under this chapter, regardless of whether the person owns more than one (1) parcel of real property, mobile home assessed as personal property, or manufactured home assessed as personal property or a combination of those types of property within the political subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within forty-five (45) days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting the referendum process. The certificate must state the number of petitioners who are owners of property within the

political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

(11) If a sufficient petition requesting the local public question process is not filed by owners of property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

(c) If the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the officers shall provide to the county auditor:

- (1) a copy of the notice required by subsection (b)(2); and
- (2) any other information the county auditor requires to fulfill the county auditor's duties under section 3.6 of this chapter.

established under this chapter, the commission, or the authority for and on behalf of the commission, shall establish a motorsports investment district fund for the motorsports investment district. The fund shall be administered by the commission. Except as provided in subsection ~~(f)~~; **(g)**, money in the fund does not revert to the state general fund at the end of a state fiscal year.

(b) The commission shall deposit amounts appropriated to the commission in the motorsports investment district fund as provided in this chapter.

(c) The commission shall request that the general assembly make an appropriation not to exceed five million dollars (\$5,000,000) to the commission for deposit in the motorsports investment district fund in each state fiscal year following the creation of the motor sports investment district fund, until the earlier of:

- (1) the date that is twenty-two (22) years after the date on which appropriations are first deposited in the motorsports investment district fund; or
- (2) the date on which all bonds issued by the authority under section 37 of this chapter are no longer deemed outstanding.

The commission may use money in the motorsports investment district fund for the purposes of this chapter.

(d) Amounts held in the motorsports investment district fund may be distributed to a trustee of any bonds that are issued or to be issued by the authority under section 37 of this chapter and that are secured by rent to be paid by the commission under a lease entered into with the authority under section 32 of this chapter.

(e) In addition, to the extent the rent due in a state fiscal year under leases of structures or other capital improvements that are within a motorsports investment district is anticipated to be insufficient to pay debt service on bonds issued under section 37 of this chapter, when due in that state fiscal year, the authority shall make the request under subsection (c) upon reaching the determination.

(f) Money in the motorsports investment district fund may be used by the commission, the authority, or a trustee for the following:

- (1) Payment of the rent due under leases of structures or other capital improvements that are located within a motorsports investment district.

(2) Payment of all expenses incurred by the commission or the authority in connection with the exercise of its duties and obligations set forth in this chapter, including those incurred in connection with the establishment of the motorsports investment district.

(3) Payment of debt service on bonds issued under section 37 of this chapter, but only to the extent of any deposit made to the motorsports investment district fund from appropriations requested under subsection (e) or section 30.5(d) of this chapter.

(g) On the date that all bonds issued by the authority under section 37 of this chapter are no longer deemed outstanding and all expenses incurred by the commission or the authority in connection with the exercise of its duties and obligations set forth in this chapter have been paid, all money then remaining on deposit in the motorsports investment district fund reverts to the state general fund.

(1) a reasonable person would not be misled by the error or omission; and

(2) the notice is in substantial compliance with the time and publication requirements applicable under this chapter or any other Indiana statute under which the notice is published.

(b) This subsection applies if:

(3) the county auditor is responsible for the error or omission described in subdivision (2).

Notwithstanding any other law, the department of local government finance may correct an error or omission described in subdivision (2) at any time. If an error or omission described in subdivision (2) occurs, the county auditor must publish, at the county's expense, a notice

~~containing the correct tax rate, tax levy, or budget as proposed or fixed by the political subdivision. This subsection expires January 1, 2015.~~

SECTION 19. IC 5-11-1-7, AS AMENDED BY P.L.181-2015, SECTION 11, AND AS AMENDED BY P.L.213-2015, SECTION 61, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. (a) The state examiner shall appoint assistants not exceeding the number required to administer this article. The assistants are to be known as "field examiners" and are at all times subject to the order and direction of the state examiner. Field examiners shall inspect and examine accounts of all state agencies, municipalities, and other governmental units, entities, or instrumentalities.

(b) The state examiner may engage or, *in accordance with section 24 of this chapter*, allow the engagement of private examiners to the extent the state examiner determines necessary to satisfy the requirements of this article. These examiners are subject to the

direction of the state examiner while performing examinations under this article. *The state examiner shall allow the engagement of private examiners for any state college or university subject to examination under this article if the state examiner finds that the private examiner is an independent certified public accountant firm with specific expertise in the financial affairs of educational organizations. SECTION 20. IC 6-1.1-4-43, AS ADDED BY P.L.249-2015, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 43. (a) This section applies to a real property assessment for:

- (1) the 2014 assessment date and assessment dates thereafter; and

For purposes of this subsection, the land value shall be assessed separately. The assessed value of the land underlying the improvements assessed under this section may be assessed or challenged based on the market value of comparable land.

(d) This subsection applies to a taxpayer that files a notice under IC 6-1.1-15 after April 30, 2015, requesting a review of the assessment of the taxpayer's real property that is subject to this section. If the effective age of the improvements is ten (10) years or less under the rules of the department, a taxpayer must provide to the appropriate

county or township assessing official information concerning the actual construction costs for the real property. Notwithstanding IC 6-1.1-15, if a taxpayer does not provide all relevant and reasonably available information concerning the actual construction costs for the real property before the hearing scheduled by the county property tax assessment board of appeals regarding the assessment of the real property, the appeal may not be reviewed until all the information is provided. If a taxpayer does provide the information concerning the actual construction costs for the real property and the construction costs for the real property are greater than the cost values determined by using the cost tables under the rules and guidelines of the department of local government finance, then ~~the~~ for purposes of applying the cost approach under subsection ~~(b)~~ or (c) the depreciation and obsolescence shall be deducted from the construction costs rather than the ~~than the~~ cost values determined by using the cost tables under the rules and guidelines of the department of local government finance.

SECTION 21. IC 6-1.1-15-1, AS AMENDED BY P.L.148-2015, SECTION 15, AS AMENDED BY P.L.248-2015, SECTION 1, AND AS AMENDED BY P.L.249-2015, SECTION 12, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. (a) *Except as provided in section 1.5 of this chapter*, a taxpayer may obtain a review by the county board of a county or township official's action with respect to *either or both any of the following, or any combination of the following*:

- (1) The assessment of the taxpayer's tangible property.
- (2) A deduction for which a review under this section is authorized by any of the following:
 - (A) IC 6-1.1-12-25.5.
 - (B) IC 6-1.1-12-28.5.
 - (C) IC 6-1.1-12-35.5.
 - (D) IC 6-1.1-12.1-5.
 - (E) IC 6-1.1-12.1-5.3.

(d) A taxpayer may obtain a review by the county board of the assessment of the taxpayer's tangible property effective for an assessment date for which a notice of assessment is not given as described in subsection (b). To obtain the review, the taxpayer must file a notice in writing with the township assessor, or the county assessor if the township is not served by a township assessor. The right of a taxpayer to obtain a review under this subsection for an assessment date for which a notice of assessment is not given does not relieve an assessing official of the duty to provide the taxpayer with the notice of assessment as otherwise required by this article. The notice to obtain a review must be filed not later than the later of:

- (1) The name of the taxpayer.
- (2) The address and parcel or key number of the property.
- (3) The address and telephone number of the taxpayer.

- (g) The filing of a notice under subsection (c) or (d):
 - (1) initiates a review under this section; and
 - (2) constitutes a request by the taxpayer for a preliminary informal meeting with the official referred to in subsection (a).
- (h) A county or township official who receives a notice for review filed by a taxpayer under subsection (c) or (d) shall:
 - (1) immediately forward the notice to the county board; and
 - (2) attempt to hold a preliminary informal meeting with the taxpayer to resolve as many issues as possible by:
 - (A) discussing the specifics of the taxpayer's assessment or deduction;
 - (B) reviewing the taxpayer's property record card;
 - (C) explaining to the taxpayer how the assessment or deduction was determined;
 - (D) providing to the taxpayer information about the statutes, rules, and guidelines that govern the determination of the assessment or deduction;
 - (E) noting and considering objections of the taxpayer;
 - (F) considering all errors alleged by the taxpayer; and
 - (G) otherwise educating the taxpayer about:
 - (i) the taxpayer's assessment or deduction;
 - (ii) the assessment or deduction process; and
 - (iii) the assessment or deduction appeal process.
 - (i) Not later than ten (10) days after the informal preliminary meeting, the official referred to in subsection (a) shall forward to the county auditor and the county board the results of the conference on a form prescribed by the department of local government finance that must be completed and signed by the taxpayer and the official. *The official referred to in subsection (a) must attest on the form that the official described to the taxpayer the taxpayer's right to a review of the issues by the county board under this chapter and the taxpayer's right to appeal to the Indiana board of tax review and to the Indiana tax court.* The form must indicate the following:
 - (1) *Notwithstanding section 2.5 of this chapter*, if the taxpayer and the official agree on the resolution of all assessment or deduction issues in the review, a statement of:
 - (A) those issues; and

- (B) the assessed value of the tangible property or the amount of the deduction that results from the resolution of those issues in the manner agreed to by the taxpayer and the official.
- (2) If the taxpayer and the official do not agree on the resolution of all assessment or deduction issues in the review:
 - (A) a statement of those issues; and
 - (B) the identification of:
 - (i) the issues on which the taxpayer and the official agree; and
 - (ii) the issues on which the taxpayer and the official disagree.
- (1) If the taxpayer and the official agree on the resolution of all assessment or deduction issues in the review, a statement of:*
 - (A) those issues; and*
 - (B) the assessed value of the tangible property or the amount of the deduction that results from the resolution of those issues in the manner agreed to by the taxpayer and the official.*
- (2) If the taxpayer and the official do not agree on the resolution of all assessment or deduction issues in the review:*
 - (A) a statement of those issues; and*
 - (B) the identification of:*
 - (i) the issues on which the taxpayer and the official agree; and*
 - (ii) the issues on which the taxpayer and the official disagree.*
- (j) If the county board receives a form referred to in subsection (i)(1) before the hearing scheduled under subsection (k):
 - (1) the county board shall cancel the hearing;
 - (2) the county official referred to in subsection (a) shall give notice to the taxpayer, the county board, the county assessor, and the county auditor of the assessment or deduction in the amount referred to in subsection (i)(1)(B); and
 - (3) if the matter in issue is the assessment of tangible property, the county board may reserve the right to change the assessment under IC 6-1.1-13.
- (k) If:
 - (1) subsection (i)(2) applies; or

- (2) the county board does not receive a form referred to in subsection (i) not later than one hundred twenty (120) days after the date of the notice for review filed by the taxpayer under subsection (c) or (d);

the county board shall hold a hearing on a review under this subsection not later than one hundred eighty (180) days after the date of that notice. The county board shall, by mail, give at least thirty (30) days notice of the date, time, and place fixed for the hearing to the taxpayer, *the taxpayer's representative (if any)*, and the county or township official with whom the taxpayer filed the notice for review. The taxpayer and the county or township official with whom the taxpayer filed the notice for review are parties to the proceeding before the county board. A taxpayer may request a continuance of the hearing by filing, at least twenty (20) days before the hearing date, a request for continuance with the board and the county or township official with evidence supporting a just cause for the continuance. The board shall, not later than ten (10) days after the date the request for a continuance is filed, either find that the taxpayer has demonstrated a just cause for a continuance and grant the taxpayer the continuance, or deny the continuance. A taxpayer may request that the board take action without the taxpayer being present and that the board make a decision based on the evidence already submitted to the board by filing, at least eight (8) days before the hearing date, a request with the board and the county or township official. A taxpayer may withdraw a petition by filing, at least eight (8) days before the hearing date, a notice of withdrawal with the board and the county or township official.

- (l) At the hearing required under subsection (k):

- (1) the taxpayer may present the taxpayer's reasons for disagreement with the assessment or deduction; and
- (2) the county or township official with whom the taxpayer filed the notice for review must present:

- (A) the basis for the assessment or deduction decision; and
- (B) the reasons the taxpayer's contentions should be denied.

A penalty of fifty dollars (\$50) shall be assessed against the taxpayer if the taxpayer or representative fails to appear at the hearing and, under subsection (k), the taxpayer's request for continuance is denied, or the taxpayer's request for continuance, request for the board to take action without the taxpayer being present, or withdrawal is not timely

filed. A taxpayer may appeal the assessment of the penalty to the Indiana board or directly to the tax court. The penalty may not be added as an amount owed on the property tax statement under IC 6-1.1-22 or IC 6-1.1-22.5.

(m) The official referred to in subsection (a) may not require the taxpayer to provide documentary evidence at the preliminary informal meeting under subsection (h). The county board may not require a taxpayer to file documentary evidence or summaries of statements of testimonial evidence before the hearing required under subsection (k). If the action for which a taxpayer seeks review under this section is the assessment of tangible property, the taxpayer is not required to have an appraisal of the property in order to do the following:

- (1) Initiate the review.
- (2) Prosecute the review.

(n) The county board shall prepare a written decision resolving all of the issues under review. *The written decision may be in the form of a stipulated determination under section 2.5 of this chapter.* The county board shall, by mail, give notice of its determination not later than:

- (1) one hundred twenty (120) days after the hearing under subsection (k); *or*
- (2) *thirty (30) days after an entry of a stipulated determination under section 2.5 of this chapter;*

to the taxpayer, the official referred to in subsection (a), the county assessor, and the county auditor.

(o) If the maximum time elapses:

- (1) under subsection (k) for the county board to hold a hearing; or
- (2) under subsection (n) for the county board to give notice of its determination;

the taxpayer may initiate a proceeding for review before the Indiana board by taking the action required by section 3 of this chapter at any time after the maximum time elapses.

SECTION 22. IC 6-1.1-15-2.5, AS ADDED BY P.L.248-2015, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2.5. (a) This section applies to a notice of review filed by a taxpayer under section 1 of this chapter with respect to the assessment of the taxpayer's tangible property.

(b) Instead of a hearing before the county board, a taxpayer and a township or county official may enter into an agreement in which both parties:

- (1) agree to waive a determination by the county board and submit the dispute directly to the Indiana board; or
- (2) stipulate to the assessed value of the tangible property in dispute as determined by an independent appraisal under terms and conditions in subsection (e).

A taxpayer and a township or county official may still enter into an agreement under section 1(i) of this chapter and not be subject to the requirements of this section.

(c) An agreement under this section may not be entered into more than one hundred twenty (120) days after the date of the notice under subsection (a).

(d) The township or county official shall immediately forward an agreement entered into under this section to the county board.

(e) An agreement entered into by a taxpayer and a township or county official under subsection ~~(b)~~ **(b)(2)** must include the following provisions:

(1) The county board shall select three (3) Indiana registered appraisers as potential appraisers to conduct an independent appraisal under the agreement.

(2) Not later than fifteen (15) days after the county board's selection of potential appraisers, the:

(A) taxpayer; and

(B) township or county official;

may each strike one (1) appraiser from the list of potential appraisers by providing written notice to the county board of the name of the appraiser to strike from the list.

(3) Not later than sixty (60) days after the date of the agreement, an appraisal shall be conducted by the Indiana registered appraiser who is:

(A) not struck from the list of potential appraisers, if two (2) potential appraisers are struck from the list under subdivision (2); or

(B) selected by the county board from the list of potential appraisers, if fewer than two (2) potential appraisers are struck from the list under subdivision (2).

- (4) The appraisal conducted under subdivision (3) shall be:
- (A) prepared in accordance with usual and customary professional standards for an Indiana registered appraiser;
 - (B) notarized; and
 - (C) filed with the county board not later than three (3) days after its completion.
- (5) The taxpayer and the township or county official stipulate for purposes of review by the county board that the correct assessed value of the tangible property in dispute is the appraised value of the tangible property as determined by the appraisal conducted under subdivision (3).
- (6) The taxpayer and the township or county official retain the right to initiate a proceeding for review of a stipulated determination entered by the county board under subsection (g) before the Indiana board under section 3 of this chapter.
- (7) Any other provision the department of local government finance considers appropriate.
- (f) The department of local government finance shall prescribe a standard form agreement that must be used for purposes of this section. The department shall require the form agreement to be notarized.
- (g) Upon receipt of an independent appraisal conducted under this section, the county board shall enter a stipulated determination of assessed value:
- (1) based on the agreement of the parties under ~~this section;~~ **subsection (b)(2)**; and
 - (2) equal to the appraised value of the property as determined by the independent appraisal.
- (h) A taxpayer or a township or county official may initiate a proceeding for review of a stipulated determination entered by a county board under this section before the Indiana board as required by section 3 of this chapter.

SECTION 23. IC 6-1.1-17-16, AS AMENDED BY P.L.183-2014, SECTION 21, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 16. (a) Subject to the limitations and requirements prescribed in this section, the department of local government finance may revise, reduce, or increase a political subdivision's budget by fund, tax rate, or tax levy which the department reviews under section 8 or 10 of this chapter.

(b) Subject to the limitations and requirements prescribed in this section, the department of local government finance may review, revise, reduce, or increase the budget by fund, tax rate, or tax levy of any of the political subdivisions whose tax rates compose the aggregate tax rate within a political subdivision whose budget, tax rate, or tax levy is the subject of an appeal initiated under this chapter.

(c) Except as provided in section 16.1 of this chapter, the department of local government finance is not required to hold a public hearing before the department of local government finance reviews, revises, reduces, or increases a political subdivision's budget by fund, tax rate, or tax levy under this section.

(d) Except as provided in subsection (i), IC 20-46, or IC 6-1.1-18.5, the department of local government finance may not increase a political subdivision's budget by fund, tax rate, or tax levy to an amount which exceeds the amount originally fixed by the political subdivision. However, if the department of local government finance determines that IC 5-3-1-2.3(b) (before its expiration) applies to the tax rate, tax levy, or budget of the political subdivision, the maximum amount by which the department may increase the tax rate, tax levy, or budget is the amount originally fixed by the political subdivision, and not the amount that was incorrectly published or omitted in the notice described in IC 5-3-1-2.3(b) (before its expiration). The department of local government finance shall give the political subdivision notification electronically in the manner prescribed by the department of local government finance specifying any revision, reduction, or increase the department proposes in a political subdivision's tax levy or tax rate. The political subdivision has ten (10) calendar days from the date the political subdivision receives the notice to provide a response electronically in the manner prescribed by the department of local government finance. The response may include budget reductions, reallocation of levies, a revision in the amount of miscellaneous revenues, and further review of any other item about which, in the view of the political subdivision, the department is in error. The department of local government finance shall consider the adjustments as specified in the political subdivision's response if the response is provided as required by this subsection and shall deliver a final decision to the political subdivision.

(e) The department of local government finance may not approve a levy for lease payments by a city, town, county, library, or school corporation if the lease payments are payable to a building corporation for use by the building corporation for debt service on bonds and if:

- (1) no bonds of the building corporation are outstanding; or
- (2) the building corporation has enough legally available funds on hand to redeem all outstanding bonds payable from the particular lease rental levy requested.

(f) The department of local government finance shall certify its action to:

- (1) the county auditor;
- (2) the political subdivision if the department acts pursuant to an appeal initiated by the political subdivision;
- (3) the taxpayer that initiated an appeal under section 13 of this chapter, or, if the appeal was initiated by multiple taxpayers, the first ten (10) taxpayers whose names appear on the statement filed to initiate the appeal; and
- (4) a taxpayer that owns property that represents at least ten percent (10%) of the taxable assessed valuation in the political subdivision.

(g) The following may petition for judicial review of the final determination of the department of local government finance under subsection (f):

- (1) If the department acts under an appeal initiated by a political subdivision, the political subdivision.
- (2) If the department:
 - (A) acts under an appeal initiated by one (1) or more taxpayers under section 13 of this chapter; or
 - (B) fails to act on the appeal before the department certifies its action under subsection (f);

a taxpayer who signed the statement filed to initiate the appeal.

- (3) If the department acts under an appeal initiated by the county auditor under section 14 of this chapter, the county auditor.
- (4) A taxpayer that owns property that represents at least ten percent (10%) of the taxable assessed valuation in the political subdivision.

The petition must be filed in the tax court not more than forty-five (45) days after the department certifies its action under subsection (f).

(h) The department of local government finance is expressly directed to complete the duties assigned to it under this section not later than February 15 of each year for taxes to be collected during that year.

(i) Subject to the provisions of all applicable statutes, **and notwithstanding IC 6-1.1-18-1**, the department of local government finance shall, unless the department finds extenuating circumstances, increase a political subdivision's tax levy to an amount that exceeds the amount originally advertised or adopted by the political subdivision if:

- (1) the increase is requested in writing by the officers of the political subdivision;
- (2) the requested increase is published on the department's advertising Internet web site and (before January 1, 2015) is published by the political subdivision according to a notice provided by the department; and
- (3) notice is given to the county fiscal body of the error and the department's correction.

If the department increases a levy beyond what was advertised or adopted under this subsection, it shall, unless the department finds extenuating circumstances, reduce the certified levy affected below the maximum allowable levy by the lesser of five percent (5%) of the difference between the advertised or adopted levy and the increased levy, or one hundred thousand dollars (\$100,000).

(j) The department of local government finance shall annually review the budget by fund of each school corporation not later than April 1. The department of local government finance shall give the school corporation written notification specifying any revision, reduction, or increase the department proposes in the school corporation's budget by fund. A public hearing is not required in connection with this review of the budget.

SECTION 24. IC 6-1.1-18-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. **Except as provided in IC 6-1.1-17-16(i)**, when fixing a budget, tax rate, and tax levy under IC 6-1.1-17-5, the officers of a political subdivision may not fix a budget or tax levy which exceeds the amount published by the political subdivision. The portion of a budget or tax levy which exceeds the published amount is void.

SECTION 25. IC 6-1.1-20-3.6, AS AMENDED BY P.L.203-2015, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE

UPON PASSAGE]: Sec. 3.6. (a) Except as provided in sections 3.7 and 3.8 of this chapter, this section applies only to a controlled project described in section 3.5(a) of this chapter.

(b) If a sufficient petition requesting the application of the local public question process has been filed as set forth in section 3.5 of this chapter, a political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project unless the political subdivision's proposed debt service or lease rental is approved in an election on a local public question held under this section.

(c) Except as provided in subsection (k), the following question shall be submitted to the eligible voters at the election conducted under this section:

"Shall _____ (insert the name of the political subdivision) issue bonds or enter into a lease to finance _____ (insert a brief description of the controlled project), which is estimated to cost not more than _____ (insert the total cost of the project) and is estimated to increase the property tax rate for debt service by _____ (insert increase in tax rate as determined by the department of local government finance)?"

The public question must appear on the ballot in the form approved by the county election board. If the political subdivision proposing to issue bonds or enter into a lease is located in more than one (1) county, the county election board of each county shall jointly approve the form of the public question that will appear on the ballot in each county. The form approved by the county election board may differ from the language certified to the county election board by the county auditor. If the county election board approves the language of a public question under this subsection, the county election board shall submit the language to the department of local government finance for review.

(d) The department of local government finance shall review the language of the public question to evaluate whether the description of the controlled project is accurate and is not biased against either a vote in favor of the controlled project or a vote against the controlled project. The department of local government finance may either approve the ballot language as submitted or recommend that the ballot language be modified as necessary to ensure that the description of the controlled project is accurate and is not biased. The department of local

government finance shall certify its approval or recommendations to the county auditor and the county election board not more than ten (10) days after the language of the public question is submitted to the department for review. If the department of local government finance recommends a modification to the ballot language, the county election board shall, after reviewing the recommendations of the department of local government finance, submit modified ballot language to the department for the department's approval or recommendation of any additional modifications. The public question may not be certified by the county auditor under subsection (e) unless the department of local government finance has first certified the department's final approval of the ballot language for the public question.

(e) The county auditor shall certify the finally approved public question under IC 3-10-9-3 to the county election board of each county in which the political subdivision is located. The certification must occur not later than noon:

- (1) seventy-four (74) days before a primary election if the public question is to be placed on the primary or municipal primary election ballot; or
- (2) August 1 if the public question is to be placed on the general or municipal election ballot.

Subject to the certification requirements and deadlines under this subsection and except as provided in subsection (k), the public question shall be placed on the ballot at the next primary election, general election, or municipal election in which all voters of the political subdivision are entitled to vote. However, if a primary election, general election, or municipal election will not be held during the first year in which the public question is eligible to be placed on the ballot under this section and if the political subdivision requests the public question to be placed on the ballot at a special election, the public question shall be placed on the ballot at a special election to be held on the first Tuesday after the first Monday in May or November of the year. The certification must occur not later than noon seventy-four (74) days before a special election to be held in May (if the special election is to be held in May) or noon on August 1 (if the special election is to be held in November). The fiscal body of the political subdivision that requests the special election shall pay the costs of holding the special election. The county election board shall

give notice under IC 5-3-1 of a special election conducted under this subsection. A special election conducted under this subsection is under the direction of the county election board. The county election board shall take all steps necessary to carry out the special election.

(f) The circuit court clerk shall certify the results of the public question to the following:

(1) The county auditor of each county in which the political subdivision is located.

(2) The department of local government finance.

(g) Subject to the requirements of IC 6-1.1-18.5-8, the political subdivision may issue the proposed bonds or enter into the proposed lease rental if a majority of the eligible voters voting on the public question vote in favor of the public question.

(h) If a majority of the eligible voters voting on the public question vote in opposition to the public question, both of the following apply:

(1) The political subdivision may not issue the proposed bonds or enter into the proposed lease rental.

(2) Another public question under this section on the same or a substantially similar project may not be submitted to the voters earlier than three hundred fifty (350) days after the date of the election.

(i) IC 3, to the extent not inconsistent with this section, applies to an election held under this section.

(j) A political subdivision may not artificially divide a capital project into multiple capital projects in order to avoid the requirements of this section and section 3.5 of this chapter. A person that owns property within a political subdivision or a person that is a registered voter residing within a political subdivision may file a petition with the department of local government finance objecting that the political subdivision has artificially divided a capital project into multiple capital projects in order to avoid the requirements of this section and section 3.5 of this chapter. The petition must be filed not more than ten (10) days after the political subdivision makes the preliminary determination to issue the bonds or enter into the lease for the project. If the department of local government finance receives a petition under this subsection, the department shall not later than thirty (30) days after receiving the petition make a final determination on the issue of whether the capital projects were artificially divided.

(k) This subsection applies to a political subdivision for which a petition requesting a public question has been submitted under section 3.5 of this chapter. The legislative body (as defined in IC 36-1-2-9) of the political subdivision may adopt a resolution to withdraw a controlled project from consideration in a public question. If the legislative body provides a certified copy of the resolution to the county auditor and the county election board not later than sixty-three (63) days before the election at which the public question would be on the ballot, the public question on the controlled project shall not be placed on the ballot and the public question on the controlled project shall not be held, regardless of whether the county auditor has certified the public question to the county election board. If the withdrawal of a public question under this subsection requires the county election board to reprint ballots, the political subdivision withdrawing the public question shall pay the costs of reprinting the ballots. If a political subdivision withdraws a public question under this subsection that would have been held at a special election and the county election board has printed the ballots before the legislative body of the political subdivision provides a certified copy of the withdrawal resolution to the county auditor and the county election board, the political subdivision withdrawing the public question shall pay the costs incurred by the county in printing the ballots. If a public question on a controlled project is withdrawn under this subsection, a public question under this section on the same controlled project or a substantially similar controlled project may not be submitted to the voters earlier than three hundred fifty (350) days after the date the resolution withdrawing the public question is adopted.

(l) If a public question regarding a controlled project is placed on the ballot to be voted on at a ~~public question~~ **an election** under this section, the political subdivision shall submit to the department of local government finance, at least thirty (30) days before the election, the following information regarding the proposed controlled project for posting on the department's Internet web site:

- (1) The cost per square foot of any buildings being constructed as part of the controlled project.
- (2) The effect that approval of the controlled project would have on the political subdivision's property tax rate.
- (3) The maximum term of the bonds or lease.

- (4) The maximum principal amount of the bonds or the maximum lease rental for the lease.
- (5) The estimated interest rates that will be paid and the total interest costs associated with the bonds or lease.
- (6) The purpose of the bonds or lease.
- (7) In the case of a controlled project proposed by a school corporation:
 - (A) the current and proposed square footage of school building space per student;
 - (B) enrollment patterns within the school corporation; and
 - (C) the age and condition of the current school facilities.

(7) A person who is an agent of the person described in this subsection.

(b) A person subject to this section may not purchase a tract offered for sale under section 5 or 6.1 of this chapter. However, this section does not prohibit a person from bidding on a tract that is owned by the person and offered for sale under section 5 of this chapter.

(c) The county treasurer shall require each person who will be bidding at the tax sale to sign a statement in a form substantially similar to the following:

"Indiana law prohibits a person who owes delinquent taxes, special assessments, penalties, interest, or costs directly attributable to a prior tax sale of a tract or item of real property listed under ~~section 1 of this chapter~~ **IC 6-1.1-24-1** from purchasing tracts or items of real property at a tax sale. (d) If a person purchases a tract that the person was not eligible to purchase under this section, the sale of the property is subject to forfeiture. If the county treasurer determines or is notified not more than six (6) months after the date of the sale that the sale of the property should be forfeited, the county treasurer shall:

- (1) notify the person in writing that the sale is subject to forfeiture if the person does not pay the amounts that the person owes within thirty (30) days of the notice;

- (4) notify the county auditor that the sale has been forfeited.

Upon being notified that a sale has been forfeited, the county auditor shall issue a certificate to the county executive under section 6 of this chapter.

(e) A county treasurer may decline to forfeit a sale under this section because of inadvertence or mistake, lack of actual knowledge by the bidder, substantial harm to other parties with interests in the tract or item of real property, or other substantial reasons. If the treasurer declines to forfeit a sale, the treasurer shall:

SECTION 28. IC 6-1.1-37-10, AS AMENDED BY P.L.56-2012, SECTION 17, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. (a) Except as provided in ~~sections 10.1 and section 10.7~~ **section 10.7** of this chapter, if an installment of property taxes is not completely paid on or before the due date, a penalty shall be added to the unpaid portion in the year of the initial delinquency. The penalty is equal to an amount determined as follows:

(1) If:

- (A) an installment of real property taxes is completely paid on or before the date thirty (30) days after the due date; and
 - (B) the taxpayer is not liable for delinquent property taxes first due and payable in a previous installment for the same parcel;
- the amount of the penalty is equal to five percent (5%) of the amount of delinquent taxes.

(2) If:

- (A) an installment of personal property taxes is completely paid on or before the date thirty (30) days after the due date; and

With respect to property

taxes due in installments under IC 6-1.1-22-9.5, an additional penalty equal to ten percent (10%) of any taxes remaining unpaid shall be added on the day immediately following each date that succeeds the last installment due date by:

- (1) six (6) months; or
- (2) a multiple of six (6) months.

(c) The penalties under subsection (b) are imposed only on the principal amount of the delinquent taxes.

(d) If the department of local government finance determines that an emergency has occurred which precludes the mailing of the tax statement in any county at the time set forth in IC 6-1.1-22-8.1, the department shall establish by order a new date on which the installment of taxes in that county is due and no installment is delinquent if paid by the date so established.

(e) If any due date falls on a Saturday, a Sunday, a national legal holiday recognized by the federal government, or a statewide holiday, the act that must be performed by that date is timely if performed by the next succeeding day that is not a Saturday, a Sunday, or one (1) of those holidays.

(f) Subject to subsections (g) and (h), a payment to the county treasurer is considered to have been paid by the due date if the payment is:

- (1) received on or before the due date by the county treasurer or a collecting agent appointed by the county treasurer;

SECTION 29. IC 6-3.6-6-9, AS ADDED BY P.L.243-2015, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 9. (a) This section applies to the allocation of additional revenue from a tax under this chapter for economic development purposes.

(b) Money designated for economic development purposes shall be allocated to the county, cities, and towns for use by the taxing unit's fiscal body for any of the purposes described in IC 6-3.6-10. Except as provided in subsections (c) and (d), and subject to adjustment as

provided in IC 36-8-19-7.5, the amount of the certified distribution allocated to economic development purposes that the county and each city or town in a county is entitled to receive each month of each year equals the amount determined using the following formula:

STEP ONE: Determine the sum of:

- (A) the total property taxes being imposed by the county, city, or town during the calendar year of the distribution; plus
- (B) for a county, the welfare allocation amount.

STEP TWO: Determine the quotient of:

- (A) The STEP ONE amount; divided by
- (B) the sum of the total property taxes that are first due and payable to the county and all cities and towns of the county during the calendar year in which the month falls, plus the welfare allocation amount.

STEP THREE: Determine the product of:

- (A) the amount of the certified distribution allocated to economic development purposes for that month; multiplied by
- (B) the STEP TWO amount.

(c) The body imposing the tax may adopt an ordinance before August 2 of a year to provide for a distribution of the amount allocated to economic development purposes based on population instead of a distribution under subsection (b). The following apply if an ordinance is adopted under this subsection:

- (1) The ordinance is effective January 1 of the following year.
- (2) The amount of the certified distribution allocated to economic development purposes that the county and each city and town in the county are entitled to receive during each month of each year equals the product of:
 - (A) the amount of the certified distribution that is allocated to economic development purposes for the month; multiplied by
 - (B) the quotient of:
 - ~~(A)~~ (i) for a city or town, the population of the city or the town that is located in the county and for a county, the population of the part of the county that is not located in a city or town; divided by
 - ~~(B)~~ (ii) the population of the entire county.
- (3) The ordinance may be made irrevocable for the duration of specified lease rental or debt service payments.

(d) In a county having a consolidated city, only the consolidated city is entitled to the amount of the certified distribution that is allocated to economic development purposes.

(e) This subsection applies to Porter County. Three million five hundred thousand dollars (\$3,500,000) of the additional revenue that is allocated each year for economic development purposes shall be used by the county or by eligible municipalities (as defined in IC 36-7.5-1-11.3) in the county to make transfers as provided in and required under IC 36-7.5-4-2 (before its repeal).

SECTION 30. IC 6-6-5-9, AS AMENDED BY P.L.149-2015, SECTION 17, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 9. (a) The bureau, in the administration and collection of the annual license excise tax imposed by this chapter, may utilize the services and facilities of license branches operated under IC 9-16 in its administration of the motor vehicle registration laws of the state of Indiana. The license branches may be so utilized in accordance with such procedures, in such manner, and to such extent as the bureau shall deem necessary and proper to implement and effectuate the administration and collection of the excise tax imposed by this chapter. However, in the event the bureau shall utilize such license branches in the collection of excise tax, the following apply:

(1) The bureau of motor vehicles shall report the excise taxes collected on at least a weekly basis to the county auditor of the county to which the collections are due.

(2) If the services of a license branch are used by the bureau in the collection of the excise tax imposed by this chapter, the license branch shall collect the service charge prescribed under IC 9-29-1-10 for each vehicle registered upon which an excise tax is collected by that branch.

(3) If the excise tax imposed by this chapter is collected by the department of state revenue, the money collected shall be deposited in the state general fund to the credit of the appropriate county and reported to the bureau of motor vehicles on the first working day following the week of collection. Except as provided in subdivision (4), any amount collected by the department which represents interest or a penalty shall be retained by the department and used to pay its costs of enforcing this chapter.

(4) This subdivision applies only to interest or a penalty collected by the department of state revenue from a person who:

(A) fails to properly register a vehicle as required by IC 9-18 and pay the tax due under this chapter; and

(B) during any time after the date by which the vehicle was required to be registered under IC 9-18 displays on the vehicle a license plate issued by another state.

The total amount collected by the department that represents interest or a penalty, minus a reasonable amount determined by the department to represent its administrative expenses, shall be deposited in the state general fund for the credit of the county in which the person resides. The amount shall be reported to the bureau of motor vehicles on the first working day following the week of collection.

The bureau may contract with a bank card or credit card vendor for acceptance of bank or credit cards.

(b) On or before April 1 of each year the bureau shall provide to the auditor of state the amount of motor vehicle excise taxes collected for each county for the preceding year.

(c) On or before May 10 and November 10 of each year the auditor of state shall distribute to each county one-half (1/2) of:

(1) the amount of delinquent taxes; and

(2) any penalty or interest described in subsection ~~(a)(3)~~; **(a)(4)**; that have been credited to the county under subsection (a). There is appropriated from the state general fund the amount necessary to make the distributions required by this subsection. The county auditor shall apportion and distribute the delinquent tax distributions to the taxing units in the county at the same time and in the same manner as excise taxes are apportioned and distributed under section 10 of this chapter.

(d) The commissioner of insurance shall prescribe the form of the bonds or crime policies required by this section.

SECTION 31. IC 6-8.1-5-2, AS AMENDED BY P.L.242-2015, SECTION 36, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) Except as otherwise provided in this section, the department may not issue a proposed assessment under section 1 of this chapter more than three (3) years after the latest of the date the return is filed, or either of the following:

(1) The due date of the return.

(2) In the case of a return filed for the state gross retail or use tax, the gasoline tax, the special fuel tax, the motor carrier fuel tax, the oil inspection fee, or the petroleum severance tax, the end of the calendar year which contains the taxable period for which the return is filed.

(b) If a person files a utility receipts tax return (IC 6-2.3), an adjusted gross income tax (IC 6-3), supplemental net income tax (IC 6-3-8) (repealed), county adjusted gross income tax (IC 6-3.5-1.1), county option income tax (IC 6-3.5-6), or financial institutions tax (IC 6-5.5) return that understates the person's income, as that term is defined in the particular income tax law, by at least twenty-five percent (25%), the proposed assessment limitation is six (6) years instead of the three (3) years provided in subsection (a).

(c) In the case of the motor vehicle excise tax (IC 6-6-5), the tax shall be assessed as provided in IC 6-6-5-5 and IC 6-6-5-6 and shall include the penalties and interest due on all listed taxes not paid by the due date. A person that fails to properly register a vehicle as required by IC 9-18 and pay the tax due under IC 6-6-5 is considered to have failed to file a return for purposes of this article.

(d) In the case of the commercial vehicle excise tax imposed under IC 6-6-5.5, the tax shall be assessed as provided in IC 6-6-5.5 and shall include the penalties and interest due on all listed taxes not paid by the due date. A person that fails to properly register a commercial vehicle as required by IC 9-18 and pay the tax due under IC 6-6-5.5 is considered to have failed to file a return for purposes of this article.

(e) In the case of the excise tax imposed on recreational vehicles and truck campers under IC 6-6-5.1, the tax shall be assessed as provided in IC 6-6-5.1 and must include the penalties and interest due on all listed taxes not paid by the due date. A person who fails to properly register a recreational vehicle as required by IC 9-18 and pay the tax due under IC 6-6-5.1 is considered to have failed to file a return for purposes of this article. A person who fails to pay the tax due under IC 6-6-5.1 on a truck camper is considered to have failed to file a return for purposes of this article.

(f) If a person files a fraudulent, unsigned, or substantially blank return, or if a person does not file a return, there is no time limit within which the department must issue its proposed assessment.

(g) If any part of a listed tax has been erroneously refunded by the department, the erroneous refund may be recovered through the assessment procedures established in this chapter. An assessment issued for an erroneous refund must be issued:

- (1) within two (2) years after making the refund; or
- (2) within five (5) years after making the refund if the refund was induced by fraud or misrepresentation.

(h) If, before the end of the time within which the department may make an assessment, the department and the person agree to extend that assessment time period, the period may be extended according to the terms of a written agreement signed by both the department and the person. The agreement must contain:

- (1) the date to which the extension is made; and
- (2) a statement that the person agrees to preserve the person's records until the extension terminates.

The department and a person may agree to more than one (1) extension under this subsection.

(i) If a taxpayer's federal taxable income, federal adjusted gross income, or federal income tax liability for a taxable year is modified due to a modification as provided under IC 6-3-4-6(c) and IC 6-3-4-6(d) (for the adjusted gross income tax), or a modification or alteration as provided under IC 6-5.5-6-6(c) and ~~IC 6-5.5-6-6(d)~~ **IC 6-5.5-6-6(e)** (for the financial institutions tax), then the date by which the department must issue a proposed assessment under section 1 of this chapter for tax imposed under IC 6-3 is extended to six (6) months after the date on which the notice of modification is filed with the department by the taxpayer.

(b) The term also includes the following:

Except as provided in subsection (g), an electricity supplier may not charge an industrial customer that opts out rates that include energy efficiency program costs that accrue or are incurred after the date on which the industrial customer opts out. However, an industrial customer remains liable for rates that include energy efficiency program costs that accrued or were incurred, or related to investments made, before the date on which the industrial customer opts out, regardless of the date on which the rates are actually assessed against the industrial customer.

(g) An industrial customer that opts out of participating in an energy efficiency program may subsequently opt to participate in the same or a different energy efficiency program. The industrial customer must participate in the subsequent energy efficiency program for at least three (3) years after the date on which the industrial customer opts in.

- ~~(3) Program costs to date.~~
- ~~(4) Program costs projected to be incurred in complying with all DSM orders.~~

An electricity supplier may not renew or extend an existing contract or enter into a new contract with a statewide third party administrator for an energy efficiency program established or approved by the DSM order issued by the commission on December 9, 2009.

~~(l)~~ **(k)** After December 31, 2014, an electricity supplier may continue to timely recover energy efficiency program costs that:

(1) accrued or were incurred under or relate to an energy efficiency program implemented under the DSM order issued by the commission on December 9, 2009; and

(2) are approved by the commission for recovery.

~~(m)~~ **(l)** After December 31, 2014, an electricity supplier may offer a cost effective portfolio of energy efficiency programs to customers. An electricity supplier may submit a proposed energy efficiency program to the commission for review. If an electricity supplier submits a proposed energy efficiency program for review and the commission determines that the portfolio included in the proposed energy efficiency program is reasonable and cost effective, the electricity supplier may recover energy efficiency program costs in the same manner as energy efficiency program costs were recoverable under the DSM order issued by the commission on December 9, 2009. The commission may not:

(1) require an energy efficiency program to be implemented by a third party administrator; or

(2) in making its determination, consider whether a third party administrator implements the energy efficiency program.

~~(n)~~ **(m)** This section does not affect:

SECTION 36. IC 8-1-34-23, AS AMENDED BY P.L.7-2015, SECTION 16, AND AS AMENDED BY P.L.228-2015, SECTION 1, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 23. (a) Except as provided in subsection (b), the holder of a certificate under this chapter shall, at the end of each calendar quarter, determine under subsections (c) and (d) the gross revenue received during that quarter from the holder's provision of video service in each unit included in the holder's service area under the certificate.

(b) This subsection applies to a holder or other provider providing video service in a unit in which a provider of video service is required on June 30, 2006, to pay a franchise fee based on a percentage of gross revenues. The holder's or provider's gross revenue shall be determined as follows:

(1) If only one (1) local franchise is in effect on June 30, 2006, the holder or provider shall determine gross revenue as the term is defined in the local franchise in effect on June 30, 2006.

(2) If:

(A) more than one (1) local franchise is in effect on June 30, 2006; and

(B) the holder or provider is subject to a local franchise in the unit on June 30, 2006;

the holder or provider shall determine gross revenue as the term is defined in the local franchise to which the holder or provider is subject on June 30, 2006.

(3) If:

(A) more than one (1) local franchise is in effect on June 30, 2006; and

(B) the holder is not subject to a local franchise in the unit on June 30, 2006;

the holder shall determine gross revenue as the term is defined in the local franchise in effect on June 30, 2006, that is most favorable to the unit.

(c) This subsection does not apply to a holder that is required to determine gross revenue under subsection (b). The holder shall include the following in determining the gross revenue received during the quarter with respect to a particular unit:

(1) Fees and charges charged to subscribers for video service provided by the holder. Fees and charges under this subdivision include the following:

(E) Administrative charges related to the provision of video service, including service order and service termination charges.

(2) Revenue received by an affiliate of the holder from the affiliate's provision of video service, to the extent that treating the revenue as revenue of the affiliate, instead of revenue of the holder, would have the effect of evading the payment of fees that would otherwise be paid to the unit. However, revenue of an affiliate may not be considered revenue of the holder if the revenue is otherwise subject to fees to be paid to the unit.

(d) This subsection does not apply to a holder that is required to determine gross revenue under subsection (b). The holder shall not include the following in determining the gross revenue received during the quarter with respect to a particular unit:

(1) Revenue not actually received, regardless of whether it is billed. Revenue described in this subdivision includes bad debt.

(2) Revenue received by an affiliate or any other person in exchange for supplying goods and services used by the holder to provide video service under the holder's certificate.

- (3) Refunds, rebates, or discounts made to subscribers, advertisers, the unit, or other providers leasing access to the holder's facilities.
- (4) Revenue from providing service other than video service, including revenue from providing:

 - (C) any other service not classified as cable service or video programming by the Federal Communications Commission.
- (5) Any fee imposed on the holder under this chapter that is passed through to and paid by subscribers, including the franchise fee:
- (A) imposed under section 24 of this chapter for the quarter immediately preceding the quarter for which gross revenue is being computed; and
 - (B) passed through to and paid by subscribers during the quarter for which gross revenue is being computed.
- (6) Revenue from the sale of video service for resale in which the purchaser collects a franchise fee under:
- (A) this chapter; or
 - (B) a local franchise agreement in effect on July 1, 2006; from the purchaser's customers. This subdivision does not limit the authority of a unit, or the commission on behalf of a unit, to impose a tax, fee, or other assessment upon the purchaser under 47 U.S.C. 542(h).
- (7) Any tax of general applicability:
- (A) imposed on the holder or on subscribers by a federal, state, or local governmental entity; and
 - (B) required to be collected by the holder and remitted to the taxing entity;
- including the state gross retail and use taxes (IC 6-2.5) and the utility receipts tax (IC 6-2.3).
- (8) Any forgone revenue from providing free or reduced cost cable video service to any person, including:
- (A) employees of the holder;
 - (B) the unit; or

(C) public institutions, public schools, or other governmental entities, as required or permitted by this chapter or by federal law.

However, any revenue that the holder chooses to forgo in exchange for goods or services through a trade or barter arrangement shall be included in gross revenue.

(9) Revenue from the sale of:

(A) capital assets; or

(B) surplus equipment that is not used by the purchaser to receive video service from the holder.

(10) Reimbursements that:

(11) Late payment fees collected from customers.

(12) Charges, other than those described in subsection (c)(1), that are aggregated or bundled with charges described in subsection (c)(1) on a customer's bill, if the holder can reasonably identify the charges on the books and records by the holder in the regular course of business.

(e) If, under the terms of the holder's certificate, the holder provides video service to any unincorporated area in Indiana, the holder shall calculate the holder's gross income received from each unincorporated area served in accordance with:

(1) subsection (b); or

(2) subsections (c) and (d);

whichever is applicable.

(f) If a unit served by the holder under a certificate annexes any territory after the certificate is issued or renewed under this chapter, the holder shall:

(1) include in the calculation of gross revenue for the annexing unit any revenue generated by the holder from providing video service to the annexed territory; and

(2) subtract from the calculation of gross revenue for any unit or unincorporated area:

(A) of which the annexed territory was formerly a part; and

(B) served by the holder before the effective date of the annexation;

the amount of gross revenue determined under subdivision (1); beginning with the calculation of gross revenue for the calendar quarter in which the annexation becomes effective. The holder shall notify the commission of the new boundaries of the affected service areas as required under section 20(a)(7) of this chapter.

(g) This subsection applies to a unit that:

(1) annexes territory after December 31, 2015; and

(2) is served on the date of the annexation by the holder of a certificate that is issued or renewed under this chapter before the date of the annexation.

The unit shall provide the holder a list of all addresses located within the annexed territory not more than thirty (30) days after the date of the annexation. If the holder is required to pay the franchise fee imposed and calculated under this section, the holder is not required to pay the franchise fee with respect to addresses provided under this subsection until ninety (90) days after the unit provides the holder with the addresses under this subsection.

(j) If a majority of the voters voting on the question vote against the sale or disposition, the ordinance adopted under subsection (d) does not take effect and the sale or disposition may not be made.

(k) If:

- (1) the legislative body adopts an ordinance under subsection (d);
and

(2) after the expiration of the thirty (30) day period described in subsection (g), a petition is not filed; the municipal legislative body may proceed to sell the property as provided in the ordinance.

(2) in a county other than the county in which the municipal hall is located, but not inside the corporate boundaries of another municipality, only if both the municipality and the other county, by ordinance, enter into an agreement under IC 36-1-7.

(d) If the two (2) units involved under subsection (c) cannot reach an agreement, either unit may petition the circuit or superior court of the county to hear and determine the matters at issue. The clerk of the court shall issue notice to the other unit as in other civil actions, and the court shall hold the hearing without a jury. (d) In a proceeding to enforce an ordinance brought before an

administrative body designated under subsection (b):

- (1) a violation of the ordinance must be proven by a preponderance of the evidence; and

SECTION 94. IC 36-2-5-3.5, AS ADDED BY P.L.167-2015, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2016 (RETROACTIVE)]; Sec. 3.5. (a) The county fiscal body shall establish a salary schedule in which the salary of a county assessor who has attained a level three certification under IC 6-1.1-35.5 is at least one thousand five hundred dollars (\$1,500) more than the salary of a county assessor who has a level two certification. A salary schedule established under this subsection may take into account salary adjustments retained under subsection (c). If a county assessor who takes office with a level two certification attains a level three certification not later than January 1 of the third year of the county assessor's term of office, the county assessor is entitled to be paid the salary of a county assessor who has attained a level three certification, beginning on the date the county assessor attains the level three certification.

(b) The county fiscal body shall establish a salary schedule in which the salary of an elected township assessor of the county who has attained a level three certification under IC 6-1.1-35.5 is at least one thousand five hundred dollars (\$1,500) more than the salary of an elected township assessor who has a level two certification. A salary schedule established under this subsection may take into account salary adjustments retained under subsection (c). If a township assessor who takes office with a level two certification attains a level three

certification not later than January 1 of the third year of the township assessor's term of office, the township assessor is entitled to be paid the salary of a township assessor who has attained a level three certification, beginning on the date the township assessor attains the level three certification.

(c) Beginning January 1, 2016, the following apply:

(1) The one thousand dollar (\$1,000) additional annual compensation paid under section 3(b) of this chapter (~~before its repeal on January 1, 2016~~) **(as it read on December 31, 2015)** to a county assessor or an elected township assessor who has attained a level two or level three certification under IC 6-1.1-35.5 shall be paid as part of the annual compensation of the assessor.

(2) The five hundred dollar (\$500) additional annual compensation paid under section 3(b) of this chapter (~~before its repeal on January 1, 2016~~) **(as it read on December 31, 2015)** to a county or township deputy assessor who has attained a level two or level three certification under IC 6-1.1-35.5 shall be paid as part of the annual compensation of the **deputy** assessor.

It is the intent of this subsection that after December 31, 2015, there not be a reduction in the annual compensation paid to an individual under section 3(b) of this chapter because of its **repeal removal from the Indiana Code** on January 1, 2016.

(d) The county fiscal body shall establish a salary schedule in which the salary of county or township deputy assessor who has attained a level two or level three certification under IC 6-1.1-35.5 is at least five hundred dollars (\$500) more than the salary of a deputy assessor who has not attained a level two or a level three certification, beginning on the date the township assessor attains the level two or level three certification. A salary schedule established under this subsection may take into account salary adjustments retained under subsection (c).

SECTION 95. IC 36-3-2-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 8. Whenever the consolidated city, or any of its special service districts or special taxing districts, provides services outside its boundaries, it may impose a service charge for installation and operating expenses, subject to ~~IC 36-1-3-8(6)~~. **IC 36-1-3-8(a)(6)**.

SECTION 96. IC 36-4-3-5, AS AMENDED BY P.L.228-2015,

SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015 (RETROACTIVE)]: Sec. 5. (a) This subsection applies only to a petition requesting annexation that is filed before July 1, 2015. If the owners of land located outside of but contiguous to a municipality want to have territory containing that land annexed to the municipality, they may file with the legislative body of the municipality a petition:

- (1) signed by at least:
 - (A) fifty-one percent (51%) of the owners of land in the territory sought to be annexed; or
 - (B) the owners of seventy-five percent (75%) of the total assessed value of the land for property tax purposes; and
- (2) requesting an ordinance annexing the area described in the petition.

(b) This subsection applies only to a petition requesting annexation that is filed after June 30, 2015. If the owners of land located outside of but contiguous to a municipality want to have territory containing that land annexed to the municipality, they may file with the legislative body of the municipality a petition that meets the following requirements:

- (1) The petition is signed by at least one (1) of the following:
 - (A) Fifty-one percent (51%) of the owners of land in the territory sought to be annexed. An owner of land may not:
 - (i) be counted in calculating the total number of owners of land in the annexation territory; or
 - (ii) have the owner's signature counted;

with regard to any single property that the owner has an interest in that was exempt from property taxes under IC 6-1.1-10 or any other state law for the immediately preceding year.

- (B) The owners of seventy-five percent (75%) of the total assessed value of the land for property tax purposes. Land that was exempt from property taxes under IC 6-1.1-10 or any other state law for the immediately preceding year may not be included in calculating the total assessed valuation of the land in the annexation territory. The court may not count an owner's signature on a petition with regard to any single property that the owner has an interest in that was exempt from property

taxes under IC 6-1.1-10 or any other state law for the immediately preceding year.

(2) The petition requests an ordinance annexing the area described in the petition.

(c) The petition circulated by the landowners must include on each page where signatures are affixed a heading that is substantially similar to the following:

"PETITION FOR ANNEXATION INTO THE (insert whether city or town) OF (insert name of city or town)."

(d) If the legislative body fails to pass the ordinance within one hundred fifty (150) days after the date of filing of a petition under subsection (a) **or** (b), the petitioners may file a duplicate copy of the petition in the circuit or superior court of a county in which the territory is located, and shall include a written statement of why the annexation should take place. Notice of the proceedings, in the form of a summons, shall be served on the municipality named in the petition. The municipality is the defendant in the cause and shall appear and answer.

(e) The court shall hear and determine the petition without a jury, and shall order the proposed annexation to take place only if the evidence introduced by the parties establishes that:

- (1) essential municipal services and facilities are not available to the residents of the territory sought to be annexed;
- (2) the municipality is physically and financially able to provide municipal services to the territory sought to be annexed;
- (3) the population density of the territory sought to be annexed is at least three (3) persons per acre; and
- (4) the territory sought to be annexed is contiguous to the municipality.

If the evidence does not establish all four (4) of the preceding factors, the court shall deny the petition and dismiss the proceeding.

(f) This subsection does not apply to a town that has abolished town legislative body districts under IC 36-5-2-4.1. An ordinance adopted under this section must assign the territory annexed by the ordinance to at least one (1) municipal legislative body district.

SECTION 97. IC 36-7-4-1311 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1311. (a) The legislative body of a unit may adopt an ordinance imposing an impact

fee on new development in the geographic area over which the unit exercises planning and zoning jurisdiction. The ordinance must aggregate the portions of the impact fee attributable to the infrastructure types covered by the ordinance so that a single and unified impact fee is imposed on each new development.

(b) If the legislative body of a unit has planning and zoning jurisdiction over the entire geographic area covered by the impact fee ordinance, an ordinance adopted under this section shall be adopted in the same manner that zoning ordinances are adopted under the 600 SERIES of this chapter.

(c) If the legislative body of a unit does not have planning and zoning jurisdiction over the entire geographic area covered by the impact fee ordinance but does have jurisdiction over one (1) or more infrastructure types in the area, the legislative body shall establish the portion of the impact fee schedule or formula for the infrastructure types over which the legislative body has jurisdiction. The legislative body of the unit having planning and zoning jurisdiction shall adopt an impact fee ordinance containing that portion of the impact fee schedule or formula if:

- (1) a public hearing has been held before the legislative body having planning and zoning jurisdiction; and
- (2) each plan commission that has planning jurisdiction over any part of the geographic area in which the impact fee is to be imposed has approved the proposed impact fee ordinance by resolution.

(d) An ordinance adopted under this section is the exclusive means for a unit to impose an impact fee. An impact fee imposed on new development to pay for infrastructure may not be collected after January 1, 1992, unless the impact fee is imposed under an impact fee ordinance adopted under this chapter.

(e) Notwithstanding any other provision of this chapter, the following charges are not impact fees and may continue to be imposed by units:

- (1) Fees, charges, or assessments imposed for infrastructure services under statutes in existence on January 1, 1991, if:
 - (A) the fee, charge, or assessment is imposed upon all users whether they are new users or users requiring additional capacity or services;

(B) the fee, charge, or assessment is not used to fund construction of new infrastructure unless the new infrastructure is of the same type for which the fee, charge, or assessment is imposed and will serve the payer; and

(C) the fee, charge, or assessment constitutes a reasonable charge for the services provided in accordance with ~~IC 36-1-3-8(6)~~ **IC 36-1-3-8(a)(6)** or other governing statutes requiring that any fees, charges, or assessments bear a reasonable relationship to the infrastructure provided.

(2) Fees, charges, and assessments agreed upon under a contractual agreement entered into before April 1, 1991, or fees, charges, and assessments agreed upon under a contractual agreement, if the fees, charges, and assessments are treated as impact deductions under section 1321(d) of this chapter if an impact fee ordinance is in effect.

SECTION 98. IC 36-7-17.1-7, AS AMENDED BY P.L.251-2015, SECTION 34, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. (a) The conveyance of a dwelling to an applicant under this chapter shall be made in return for a fee of:

(1) one dollar (\$1); plus

(2) the amounts described in ~~IC 6-1.1-24-5(e)~~ **IC 6-1.1-24-5(e)(4)** through IC 6-1.1-24-5(e)(6);

if the applicant executes an agreement that meets the minimum conditions specified in subsection (b).

(b) The agreement described in subsection (a) must include the following minimum conditions:

(1) The applicant must apply for and receive a rehabilitation loan with respect to the dwelling and the real property on which it is located not later than the period prescribed by the director of the agency in the rules and regulations described in section 11 of this chapter.

(2) Upon receiving the rehabilitation loan described in subdivision (1), the applicant must comply with the program regulations set forth in 24 CFR 203.50 and 24 CFR 203.440 et seq., with respect to the rehabilitation loan described in subdivision (1).

(3) The applicant must comply with any additional terms, conditions, and requirements that the agency may impose to

ensure that the purposes of this chapter are carried out. This may include the requirement that the dwelling be rehabilitated to minimum building code standards before possession.

SECTION 99. IC 36-7.5-4-16.5, AS ADDED BY P.L.192-2015, SECTION 16, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 16.5. (a) This section applies if the development board does the following:

- (1) Finds that a city or county described in IC 36-7.5-2-3 has, at any time before July 1, 2015, failed to make a transfer or a part of a transfer required by section 2 of this chapter.
- (2) Finds that the obligation of the city or county to pay the unpaid amount of the transfer or transfers has not been satisfied under section 16 of this chapter or by any other means.
- (3) Certifies to the treasurer of state the total amount of the arrearage attributable to the failure of the city or county to make a transfer or a part of a transfer required by section 2 of this chapter.

(b) The treasurer of state shall do the following:

- (1) Deduct from amounts otherwise payable to the city under IC 4-33-13-5(a) or to the county under IC 4-33-12-6 an amount equal to:
 - (A) the total amount certified under subsection ~~(a)(1)~~; **(a)(3)**;
 - plus
 - (B) interest calculated in the same manner that interest on delinquent taxes is calculated under IC 6-8.1-10-1.
- (2) Pay the amount deducted under subdivision (1) to the development authority.

SECTION 100. [EFFECTIVE UPON PASSAGE] **(a) This act may be referred to as the "technical corrections bill of the 2016 general assembly".**

(b) The phrase "technical corrections bill of the 2016 general assembly" may be used in the lead-in line of an act other than this act to identify provisions added, amended, or repealed by this act that are also amended or repealed in the other act.

(c) This SECTION expires December 31, 2016.

SECTION 101. [EFFECTIVE UPON PASSAGE] **(a) This SECTION applies if a provision of the Indiana Code is:**

- (1) added or amended by this act; and**

(2) repealed by another act without recognizing the existence of the amendment made by this act by an appropriate reference in the lead-in line of the SECTION of the other act repealing the same provision of the Indiana Code.

(b) As used in this SECTION, "other act" refers to an act enacted in the 2016 session of the general assembly other than this act. "Another act" has a corresponding meaning.

(c) Except as provided in subsections (d) and (e), a provision repealed by another act shall be considered repealed, regardless of whether there is a difference in the effective date of the provision added or amended by this act and the provision repealed by the other act. Except as provided in subsection (d), the lawful compilers of the Indiana Code, in publishing the affected Indiana Code provision, shall publish only the version of the Indiana Code provision that is repealed by the other act. The history line for an Indiana Code provision that is repealed by the other act must reference that act.

(d) This subsection applies if a provision described in subsection (a) that is added or amended by this act takes effect before the corresponding provision repeal in the other act. The lawful compilers of the Indiana Code, in publishing the provision added or amended in this act, shall publish that version of the provision and note that the provision is effective until the effective date of the corresponding provision repeal in the other act. On and after the effective date of the corresponding provision repeal in the other act, the provision repealed by the other act shall be considered repealed, regardless of whether there is a difference in the effective date of the provision added or amended by this act and the provision repealed by the other act. The lawful compilers of the Indiana Code, in publishing the affected Indiana Code provision, shall publish the version of the Indiana Code provision that is repealed by the other act, and shall note that this version of the provision is effective on the effective date of the repealed provision of the other act.

(e) If, during the same year, two (2) or more other acts repeal the same Indiana Code provision as the Indiana Code provision added or amended by this act, the lawful compilers of the Indiana Code, in publishing the Indiana Code provision, shall follow the

principles set forth in this SECTION.

(f) This SECTION expires December 31, 2016.

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 6-1.1-20.6-9.9, AS ADDED BY P.L.120-2014, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 9.9. **(a) If:**

(1) a school corporation in 2017 or 2018 issues new bonds or enters into a new lease rental agreement for which the school corporation is imposing or will impose a debt service levy other than:

(A) to refinance or renew prior bond or lease rental obligations existing before January 1, 2017; or

(B) indebtedness that is approved in a local public question or referendum under IC 6-1.1-20 or any other law; and

(2) the school corporation's total debt service levy in 2017 or 2018 is greater than the school corporation's debt service levy in 2016;

the school corporation is not eligible to allocate credits proportionately under this section.

(~~a~~) (b) Subject to subsection (a), a school corporation is eligible to allocate credits proportionately under this section for ~~2014, 2015, or~~

2016, **2017, or 2018** if the school corporation's percentage computed under this subsection is at least ten percent (10%) for its transportation fund levy for that year, as certified by the department of local government finance. A school corporation shall compute its percentage under this subsection as follows:

- (2) Compute the school corporation's levy for the school corporation's transportation fund.

~~(b)~~ **(c)** A school corporation that desires to be an eligible school corporation under this section must, before May 1 of the year for which it wants a determination, submit a written request for a certification by the department of local government finance that the computation of the school corporation's percentage under subsection ~~(a)~~ **(b)** is correct. The department of local government finance shall, not later than June 1 of that year, determine whether the percentage computed by the school corporation is accurate and certify whether the school corporation is eligible under this section.

~~(c)~~ **(d)** For a school corporation that is certified as eligible under this section, the school corporation may allocate the effect of the credits granted under this chapter proportionately among all the school corporation's property tax funds that are not exempt under section 7.5(b) or 7.5(c) of this chapter, based on the levy for each fund and without taking into account the requirements of section 9.8 of this chapter regarding protected taxes.

SECTION 2. IC 20-40-8-19, AS AMENDED BY P.L.213-2015, SECTION 202, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 19. The state board may adjust the school's count of eligible pupils if the state board determines that the count is unrepresentative of the school corporation's enrollment. In addition, a school corporation may petition the state board to make an adjusted count of students enrolled in the school ~~corporation~~ **corporation** if the corporation has reason to believe that the count is unrepresentative of the school corporation's enrollment.

(b) Each school corporation shall, ~~in June of 2013 and in May of each year thereafter~~ **before April 1 of each year**, provide to the department an estimate of the school corporation's ADM that will result from the count of eligible pupils in the following September. tuition support distributions made in the first six (6) months of the current state fiscal year, and the spring count of ADM, as adjusted by the state board under section 2 of this chapter, shall be used to compute state tuition support distributions made in the second six (6) months of the state fiscal year.

(b) This subsection applies to a school corporation that does not provide the estimates required by section 2(b)(2) of this chapter before the deadline. For monthly state tuition support distributions made before the fall count of ADM is finalized, the department shall determine the distribution amount for such a school corporation for a state fiscal year of the biennium, using data that were used by the general assembly in determining the state tuition support appropriation for the budget act for that state fiscal year. The department may adjust the data used under this subsection for errors.

~~(b)~~ (c) If the state board adjusts a count of ADM after a distribution is made under this article, the adjusted count retroactively applies to the amount of state tuition support distributed to a school corporation affected by the adjusted count. The department shall settle any overpayment or underpayment of state tuition support resulting from an adjusted count of ADM on the schedule determined by the department and approved by the budget agency.

SECTION 5. IC 20-43-10-3, AS AMENDED BY SEA 3-2016, SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 3. (a) As used in this section, "achievement test" means a:

that resulted in the awarding of a high school diploma or an academic honors diploma to the pupil for the school year ending in the immediately preceding state fiscal year.

(e) Determinations for a school for a state fiscal year must be made using:

- (1) One (1) grant under subsection (h), (i), or (j).
- (2) One (1) grant under subsection (k), (l), or (m).

(g) The sum of the two (2) grant amounts described in subsection (f), as determined for a school corporation under this section, constitutes an annual performance grant that is in addition to state tuition support. **After review by the budget committee**, the annual performance grant for a state fiscal year shall be distributed to the school corporation before December 5 of that state fiscal year, **unless an extension of the December 5 deadline is approved for that state fiscal year under subsection (o)**. If the:

- (1) total amount to be distributed as performance grants for a particular state fiscal year exceeds the amount appropriated by the general assembly for performance grants for that state fiscal year, the total amount to be distributed as performance grants to school corporations shall be proportionately reduced so that the total reduction equals the amount of the excess. The amount of the reduction for a particular school corporation is equal to the total amount of the excess multiplied by a fraction. The numerator of the fraction is the amount of the performance grant that the school corporation would have received if a reduction were not made under this section. The denominator of the fraction is the total

amount that would be distributed as performance grants to all school corporations if a reduction were not made under this section; and

(2) total amount to be distributed as performance grants for a particular state fiscal year is less than the amount appropriated by the general assembly for performance grants for that state fiscal year, the total amount to be distributed as performance grants to school corporations for that particular state fiscal year shall be proportionately increased so that the total amount to be distributed equals the amount of the appropriation for that particular state fiscal year.

The performance grant received by a school corporation shall be allocated among and used only to pay cash stipends to all teachers who are rated as effective or as highly effective and employed by the school corporation as of December 1. The lead school corporation or interlocal cooperative administering a cooperative or other special education program or administering a career and technical education program, including programs managed under IC 20-26-10, IC 20-35-5, IC 20-37, or IC 36-1-7, shall award performance stipends to and carry out the other responsibilities of an employing school corporation under this section for the teachers in the special education program or career and technical education program. The amount of the distribution from an annual performance grant to an individual teacher is determined at the discretion of the governing body of the school corporation. The governing body shall differentiate between the amount of the stipend awarded to a teacher rated as a highly effective teacher and a teacher rated as an effective teacher and may differentiate between school buildings. A stipend to an individual teacher in a particular year is not subject to collective bargaining and is in addition to the minimum salary or increases in salary set under IC 20-28-9-1.5. In addition, an amount determined under the policies adopted by the governing body but not exceeding fifty percent (50%) of the amount of a stipend to an individual teacher in a particular state fiscal year beginning after June 30, 2015, becomes a permanent part of and increases the base salary of the teacher receiving the stipend for school years beginning after the state fiscal year in which the stipend is received. The addition to base salary under this section is not subject to collective bargaining, is payable from funds other than the performance grant, and is in addition

to the minimum salary and increases in salary set under IC 20-28-9-1.5. The school corporation shall complete the appropriation process for all stipends from a performance grant to individual teachers before December 31 of the state fiscal year in which the performance grant is distributed to the school corporation and distribute all stipends from a performance grant to individual teachers before the immediately following January 31. **The school corporation shall distribute all stipends from a performance grant to individual teachers within twenty (20) business days of the date the department distributes the performance grant to the school corporation.** Any part of the performance grant not distributed as stipends to teachers before February must be returned to the department on the earlier of the date set by the department or June 30 of that state fiscal year.

The grant amount for the state fiscal year is:

- (1) the count of the school's passing scores on tests in the school year ending in the immediately preceding state fiscal year; multiplied by
- (2) twenty-three dollars and fifty cents (\$23.50).

(i) Except as provided in subsection (n), a school qualifies for a grant under this subsection if the school has at least ninety percent (90%) of the tests taken in the school year ending in the immediately preceding state fiscal year that receive passing scores. - (2) the percentage of passing scores on ISTEP program tests for the school for the 2014-2015 school year.

If a grant amount for a school is calculated using the percentage described in subdivision (1), the ISTEP data from the 2013-2014 school year shall be used in the calculation of the grant amount, and the grant amount may not exceed the grant amount that the school received for the state fiscal year beginning July 1, 2014, and ending June 30, 2015, or in the case of a currently eligible school that was ineligible for a grant in the state fiscal year beginning July 1, 2014, and ending June 30, 2015, because the school had not completed the required teacher evaluations, the grant amount that the school would have been entitled to receive for the state fiscal year beginning July 1, 2014, and ending June 30, 2015, if the school had been eligible. ~~Notwithstanding subsection (g),~~ The school corporation shall distribute all stipends from a performance grant to individual teachers within twenty (20) business days of the date the department distributes the performance grant to the school corporation.

SECTION 7. IC 24-12 IS ADDED TO THE INDIANA CODE AS A NEW ARTICLE TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]:

ARTICLE 12. CIVIL PROCEEDING ADVANCE PAYMENTS

Chapter 1. Definitions

Sec. 1. The following definitions apply throughout this article:

- (1) "Advertise" means publishing or disseminating any written, electronic, or printed communication, or any communication by means of recorded telephone messages or transmitted on radio, television, the Internet, or similar

The term includes all administrative, origination, underwriting, and other fees no matter how denominated.

(3) "Civil proceeding", with respect to a CPAP transaction, has the meaning set forth in IC 24-4.5-3-110.5.

(4) "Civil proceeding advance payment provider", or "CPAP provider", has the meaning set forth in IC 24-4.5-3-110.5.

(5) "Civil proceeding advance payment transaction", or "CPAP transaction", has the meaning set forth in IC 24-4.5-3-110.

(6) "Consumer claimant", with respect to a CPAP transaction, has the meaning set forth in IC 24-4.5-3-110.5.

(7) "Funded amount", with respect to a CPAP transaction, has the meaning set forth in IC 24-4.5-3-110.5.

(8) "Funding date" means the date on which the funded amount is transferred to the consumer claimant by the CPAP provider, by:

(9) "Resolution date" means the date the amount funded to the consumer claimant, plus the agreed upon charges, are delivered to the CPAP provider.

Chapter 2. CPAP Contract Requirements

Sec. 1. Every CPAP transaction must meet the following requirements:

(1) The CPAP contract must be completely filled in when presented to the consumer claimant for signature.

(2) The CPAP contract must contain, in bold and boxed type, a right of rescission, allowing the consumer claimant to cancel the contract without penalty or further obligation if, not later than five (5) business days after the funding date, the

consumer claimant either:

- (A) returns to the CPAP provider the full amount of the disbursed funds by delivering the provider's uncashed check to the provider's office in person; or**
 - (B) mails, by insured, certified, or registered United States mail, to the address specified in the contract, a notice of cancellation and includes in the mailing a return of the full amount of disbursed funds in the form of the provider's uncashed check or a registered or certified check or money order.**

 - (E) That the attorney has not received a referral fee or other consideration from the CPAP provider, and agrees not to receive a referral fee or other consideration from the CPAP provider at any time, in connection with the CPAP transaction.**

If the attorney retained by the consumer claimant in the consumer claimant's civil proceeding does not complete the acknowledgment required by this subdivision, the CPAP contract, and the CPAP transaction to which it pertains, are void. However, the CPAP contract, and the CPAP transaction

to which it pertains, remain valid and enforceable if the consumer claimant or the attorney terminates the representation.

Chapter 3. CPAP Provider Prohibitions

Sec. 1. A CPAP provider may not do any of the following:

- (1) Pay or offer to pay a commission, referral fee, or other form of consideration to any attorney, law firm, medical provider, chiropractor, or physical therapist, or any of their employees for referring a consumer claimant to the provider.**

- (5) Knowingly provide funding to a consumer claimant who has previously assigned or sold a part of the consumer claimant's right to proceeds from the consumer claimant's civil proceeding without first making payment to or purchasing a prior unsatisfied CPAP provider's entire funded amount and contracted charges, unless a lesser amount is otherwise agreed to in writing by the prior CPAP provider. However, multiple CPAP providers may agree to provide a CPAP transaction to a consumer claimant simultaneously if the consumer claimant and the consumer claimant's attorney consent to the arrangement in writing.**
- (6) Receive any right to make any decision with respect to the conduct of the underlying civil proceeding or any settlement or resolution of the civil proceeding, or make any decision with respect to the conduct of the underlying civil proceeding or any settlement or resolution of the civil proceeding. The right to make these decisions remains solely with the**

consumer claimant and the attorney in the civil proceeding.

(7) Knowingly pay or offer to pay for court costs, filing fees, or attorney's fees either during or after the resolution of the civil proceeding, using funds from the CPAP transaction.

Sec. 1. Each CPAP contract must contain the disclosures specified in this section, which are material terms of the contract. Unless otherwise specified, the disclosures must be in at least a 12 point bold font and be placed clearly and conspicuously within the contract. The following disclosures are required:

(1) On the front page, under appropriate headings, language specifying:

(3) A notice informing the consumer claimant that the CPAP

provider has no role in deciding whether, when, and how much the civil proceeding is settled for. However, the consumer claimant and consumer claimant's attorney must notify the CPAP provider of the outcome of the civil proceeding by settlement or adjudication before the resolution date. The CPAP provider may seek updated information about the status of the civil proceeding but in no event may the provider interfere with the independent professional judgment of the attorney in the handling of the civil proceeding or any settlement.

(4) Within the body of the contract, in all capital letters in at least a 12 point bold font contained within a box the following: "THE FUNDED AMOUNT AND AGREED UPON CHARGES SHALL BE PAID ONLY FROM THE PROCEEDS OF YOUR CIVIL PROCEEDING, AND SHALL BE PAID ONLY TO THE EXTENT THAT THERE ARE AVAILABLE PROCEEDS FROM YOUR CIVIL PROCEEDING. YOU WILL NOT OWE (INSERT NAME OF THE CIVIL PROCEEDING ADVANCE PAYMENT PROVIDER) ANYTHING IF THERE ARE NO PROCEEDS FROM YOUR CIVIL PROCEEDING, UNLESS YOU HAVE VIOLATED ANY MATERIAL TERM OF THIS CONTRACT OR YOU HAVE COMMITTED FRAUD AGAINST THE CIVIL PROCEEDING ADVANCE PAYMENT PROVIDER."

(5) Located immediately above the place on the contract where the consumer claimant's signature is required, in at least a 12 point bold font the following: "Do not sign this contract before you read it completely or if the contract contains any blank spaces. You are entitled to a completely filled in copy of the contract. Before you sign this contract, you should obtain the advice of an attorney. Depending on the circumstances, you may want to consult a tax, public or private benefits planning, or financial professional. You acknowledge that your attorney in the civil proceeding has provided no tax, public or private benefit planning, or financial advice regarding this transaction."

Chapter 5. Violations

Sec. 1. (a) The department of financial institutions may enforce

this article.

(b) This article does not restrict the exercise of powers or the performance of the duties of the department of financial institutions.

Sec. 2. If a court with jurisdiction determines that a CPAP provider has intentionally violated the provisions of this article with regard to a specific CPAP transaction, the CPAP provider is entitled to recover only the funded amount provided to the consumer claimant in that CPAP transaction and is not entitled to any additional charges.

Chapter 6. Assignability

Sec. 1. A consumer claimant may assign the contingent right to receive an amount of the potential proceeds of a civil proceeding.

Sec. 2. This article may not be construed to cause any CPAP transaction that complies with this article to be considered a loan or to be otherwise subject to any other provisions of Indiana law governing loans.

Chapter 7. Attorney Prohibitions

Sec. 1. An attorney or law firm retained by the consumer claimant in the civil proceeding may not have a financial interest in the CPAP provider offering a CPAP transaction to that consumer claimant. Additionally, any attorney who has referred the consumer claimant to the consumer claimant's retained attorney may not have a financial interest in the CPAP provider offering a CPAP transaction to that consumer claimant.

Chapter 8. Privileged Communication

Sec. 1. No communication between the consumer claimant's attorney in the civil proceeding and the CPAP provider with respect to the CPAP transaction limits, waives, or abrogates the scope or nature of any statutory or common law privilege, including the work product doctrine and the attorney client privilege.

Chapter 9. Licensure

Sec. 1. After December 31, 2016, a person may not regularly engage (as determined in accordance with the number of transactions set forth in IC 24-4.5-1-301.5(39)) in the business of making CPAP transactions in Indiana unless the person obtains, and maintains on an annual basis, a CPAP license issued by the

department under IC 24-4.5-3.

Sec. 2. Every person shall, at the time of filing for licensure, file with the department of financial institutions, if required by the department, a bond satisfactory to the department in an amount not to exceed fifty thousand dollars (\$50,000). Instead of the bond, at the option of the person, the person may post an irrevocable letter of credit. The terms of the bond must run concurrently with the period during which the license will be in effect. The bond must provide that the person will faithfully follow the law.

Sec. 3. A CPAP transaction entered into before July 1, 2016, is not subject to this article or to IC 24-4.5.

Chapter 10. Rules

Sec. 1. The department of financial institutions may adopt rules under IC 4-22-2 or policies to implement this article. The department of financial institutions has all authority and powers necessary to regulate CPAP transactions, including the right to require the department's prior approval of:

- (1) CPAP contracts;
- (2) disclosures; and
- (3) other documents;

to be used by CPAP providers in entering into CPAP transactions, in order to ensure that consumer complainants are provided with a detailed explanation of the costs and obligations involved in a CPAP transaction before entering into a CPAP contract.

 - (C) a child caring institution; or

The commission shall consider an individual to whom this subsection applies as a full-need student under the commission's rules when determining the eligibility of the individual to receive financial aid administered by the commission under this chapter.

SECTION 6. IC 21-12-3-4, AS AMENDED BY P.L.107-2012, SECTION 17, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 4. A student who:

A higher education award for a student in a program leading to a technical certificate or an undergraduate associate degree may be renewed for the number of academic years normally required to obtain a certificate or degree in the student's program. The commission may grant a renewal only upon application and only upon its finding that:

- (1) the applicant has successfully completed the work of a preceding year;
- (2) the applicant remains domiciled in Indiana;
- (3) the recipient's financial situation continues to warrant an award, based on the financial requirements set forth in section (1)(a)(3) of this chapter;
- (4) the applicant is eligible under section 2 of this chapter;
- (5) ~~if the student initially enrolls in an eligible institution for a semester (or its equivalent) beginning after June 30, 2012; the student maintains at least a cumulative grade point average that the eligible institution determines is satisfactory academic progress, and as determined by the eligible institution;~~

A recipient who fails to meet the credit hour requirement for a particular academic year becomes ineligible for an award during the next academic year. The recipient may regain eligibility for an award in subsequent academic years if the recipient meets the aggregate credit hour requirements commensurate with the recipient's academic standing. In addition, the commission may allow a student who is otherwise ineligible under this subdivision for an award during the next academic year to maintain eligibility for an award if the student submits a petition to the commission and the commission makes a determination that extenuating circumstances (as determined by the commission) prevented the student from meeting the requirements of this subdivision. **This subdivision expires June 30, 2017.**

[EFFECTIVE JULY 1, 2016] (a) **The general assembly urges the legislative council to assign to an appropriate interim study committee for study during the 2016 legislative interim the topic of new motor vehicle dealer and manufacturer licenses, including additional licensing requirements for a manufacturer that engages in the direct sale to consumers of new motor vehicles of the manufacturer.**

(b) This SECTION expires November 1, 2016.

P.L.167-2016

[H.1259. Approved March 23, 2016.]

AN ACT to amend the Indiana Code concerning motor vehicles.

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 9-32-13-15, AS ADDED BY P.L.92-2013, SECTION 78, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 15. (a) It is an unfair practice for a manufacturer or distributor to fail to compensate a dealer ~~at the posted labor~~ **dealer's retail** rate for the work and services the dealer is required to perform

in connection with the dealer's delivery and preparation obligations under any franchise, or fail to compensate a dealer **anything less than the posted hourly labor dealer's retail** rate for labor and **other expenses incurred by the dealer parts** under the manufacturer's warranty agreements as long as the **posted dealer's retail** rate is reasonable. Judgment of the reasonableness includes consideration of charges for similar repairs by ~~comparable~~ **similarly situated** repair facilities in ~~the local area as well as mechanic's wages and fringe benefits.~~ **Indiana.**

(b) This section does not authorize a manufacturer or distributor and its franchisees in Indiana to establish a uniform hourly labor reimbursement rate effective for the entire state.

(c) This section does not apply to manufacturers or distributors of manufactured housing, heavy duty vocational vehicles (as defined in 49 CFR 523.8), or recreational vehicles.

SECTION 2. IC 9-32-13-15.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: **Sec. 15.5. (a) This section does not apply to manufacturers or distributors of manufactured housing, heavy duty vocational vehicles (as defined in 49 CFR 523.8), or recreational vehicles.**

(b) Unless otherwise agreed, it is an unfair practice for a manufacturer or distributor to fail to compensate a dealer anything less than the dealer's retail rates for parts and labor the dealer uses in performing the warranty services of the manufacturer or distributor, or for a manufacturer or distributor of a separate vehicle component or major vehicle assembly that is warranted independently of the motor vehicle to fail to compensate a dealer anything less than the dealer's retail rate for the parts and labor the dealer uses in performing the warranty services of the manufacturer or distributor. The dealer's retail rate for parts must be a percentage determined by dividing the total charges for parts used in warranty like repairs by the dealer's total cost for those parts minus one (1) in the lesser of one hundred (100) customer paid sequential repair orders or ninety (90) consecutive days of customer paid repair orders. The dealer's retail rate for labor shall be determined by dividing the total labor sales for warranty like repairs by the number of hours that generated those sales in one hundred (100) customer paid sequential repair orders or ninety

(90) consecutive days of customer paid repair orders. A retail rate may be calculated only based upon customer paid repair orders charged within one hundred eighty (180) days before the date the dealer submits the declaration.

(c) The dealer's submission for retail rates must include a declaration of the dealer's retail rates for parts and labor along with the supporting service repair orders paid by customers. A manufacturer or distributor may challenge the dealer's declaration by submitting a rebuttal not later than sixty (60) days after the date the declaration was received. If the manufacturer or distributor does not send a timely rebuttal to the dealer, the retail rate is established as reasonable and goes into effect automatically.

(d) If a rebuttal in subsection (c) is timely sent, the rebuttal must substantiate how the dealer's declaration is unreasonable or materially inaccurate. The rebuttal must propose an adjusted retail rate and provide written support for the proposed adjustments. If the dealer does not agree with the adjusted retail rate, the dealer may file a complaint with the dealer services division within the office of the secretary of state.

(e) A complaint filed under subsection (d) must be filed not later than thirty (30) days after the dealer receives the manufacturer's or distributor's rebuttal. On or before filing a complaint, a dealer must serve a demand for mediation upon the manufacturer or distributor.

(f) When calculating the retail rate customarily charged by the dealer for parts and labor under this section, the following work may not be included:

- (1) Repairs for manufacturer or distributor special events, specials, or promotional discounts for retail customer repairs.**
- (2) Parts sold at wholesale.**
- (3) Routine maintenance not covered under a retail customer warranty, such as fluids, filters, and belts not provided in the course of repairs.**
- (4) Nuts, bolts, fasteners, and similar items that do not have an individual part number.**
- (5) Vehicle reconditioning.**

(g) If a manufacturer or distributor furnishes a part or component to a dealer at no cost to use in performing repairs under a recall, campaign service, or warranty repair, the

manufacturer or distributor shall compensate the dealer for the part or component in the same manner as warranty parts compensation under this section by compensating the dealer the average markup on the cost for the part or component as listed in the manufacturer's or distributor's initial or original price schedule minus the cost for the part or component.

(h) A manufacturer or distributor may not require a dealer to establish the retail rate customarily charged by the dealer for parts and labor by an unduly burdensome or time consuming method or by requiring information that is unduly burdensome or time consuming to provide, including part by part or transaction by transaction calculations. A dealer may not declare an average percentage parts markup or average labor rate more than once in a twelve (12) month period. A manufacturer or distributor may perform annual audits to verify that a dealer's effective rates have not decreased. If a dealer's effective rates have decreased, a manufacturer or distributor may reduce the warranty reimbursement rate prospectively. A dealer may elect to revert to the nonretail rate reimbursement for parts and labor not more than once in a twelve (12) month period.

(i) A manufacturer or distributor is permitted to recover its costs, as defined under this section, only from a dealer that receives retail reimbursement for parts or labor, or both parts and labor. This subsection does not prohibit a manufacturer or distributor from increasing the wholesale price of a vehicle or part in the ordinary course of business.

(j) If a dealer files a complaint with the dealer services division within the office of the secretary of state, the warranty reimbursement rate in effect before any mediation or complaint remains in effect until thirty (30) days after:

- (1) a final decision has been issued by a court with jurisdiction; and
- (2) all appeals have been exhausted.

SECTION 3. IC 9-32-13-17, AS ADDED BY P.L.92-2013, SECTION 78, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 17. (a) It is an unfair practice for a manufacturer or distributor to:

- (1) fail to pay a claim made by a dealer for compensation for:
 - (A) delivery and preparation work;

- (B) warranty work; and
 - (C) incentive payments;
- not later than thirty (30) days after the claim is approved;
- (2) fail to approve or disapprove a claim not later than thirty (30) days after receipt of the claim; or
 - (3) disapprove a claim without notice to the dealer in writing of the grounds for disapproval.
- (b) A manufacturer or distributor may:
- (1) audit a claim made by a dealer; or
 - (2) charge back to a dealer any amounts paid on a false or unsubstantiated claim;

for up to one (1) year after the date on which the claim is paid. However, the limitations of this subsection do not apply if the manufacturer or distributor can prove fraud on a claim. A manufacturer or distributor shall not discriminate among dealers with regard to auditing or charging back claims.

(c) If the motor vehicle dealer has properly submitted the claim in accordance with the manufacturer's or distributor's warranty or incentive program guidelines, a manufacturer or distributor may not deny a claim based solely on a motor vehicle dealer's incidental failure to comply with a specific claim processing requirement, including a clerical error or other administrative technicality that does not call into question the legitimacy of a claim. A motor vehicle dealer may submit an amended or supplemental claim within the time and manner required by the manufacturer for:

- (1) sales incentives;**
- (2) service incentives;**
- (3) rebates; or**
- (4) other forms of incentive compensation;**

for up to sixty (60) days from the date on which such a claim was submitted, could have been submitted, or was charged back. For purposes of this section, a failure to obtain a required signature may not be considered to be a clerical error or administrative technicality.

SECTION 4. IC 9-32-13-23, AS AMENDED BY P.L.2-2014, SECTION 48, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 23. (a) It is an unfair practice for a manufacturer,

distributor, officer, or agent to do any of the following:

(1) Require, coerce, or attempt to coerce a new motor vehicle dealer in Indiana to:

(A) change the location of the dealership;

(B) make any substantial alterations to the use of franchises;
or

(C) make any substantial alterations to the dealership premises
or facilities;

if to do so would be unreasonable or would not be justified by current economic conditions or reasonable business considerations. This subdivision does not prevent a manufacturer or distributor from establishing and enforcing reasonable facility requirements. However, a motor vehicle dealer may elect to use for the facility alteration locally sourced materials or supplies that are substantially similar to those required by the manufacturer or distributor, subject to the approval of the manufacturer or distributor, **which may not be unreasonably withheld.**

(2) Require, coerce, or attempt to coerce a new motor vehicle dealer in Indiana to divest ownership of or management in another line or make of motor vehicles that the dealer has established in its dealership facilities with the prior written approval of the manufacturer or distributor.

(3) Establish or acquire wholly or partially a franchisor owned outlet engaged wholly or partially in a substantially identical business to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement or, if no exclusive territory is designated, competing unfairly with the franchisee within a reasonable market area. A franchisor is not considered to be competing unfairly if operating:

(A) a business for less than two (2) years;

(B) in a bona fide retail operation that is for sale to any qualified independent person at a fair and reasonable price; or

(C) in a bona fide relationship in which an independent person has made a significant investment subject to loss in the business operation and can reasonably expect to acquire majority ownership or managerial control of the business on reasonable terms and conditions.

(4) Require a dealer, as a condition of granting or continuing a

franchise, approving the transfer of ownership or assets of a new motor vehicle dealer, or approving a successor to a new motor vehicle dealer to:

- (A) construct a new dealership facility;
 - (B) modify or change the location of an existing dealership; or
 - (C) grant the manufacturer or distributor control rights over any real property owned, leased, controlled, or occupied by the dealer.
- (5) Prohibit a dealer from representing more than one (1) line make of motor vehicles from the same or a modified facility if:
- (A) reasonable facilities exist for the combined operations;
 - (B) the dealer meets reasonable capitalization requirements for the original line make and complies with the reasonable facilities requirements of the manufacturer or distributor; and
 - (C) the prohibition is not justified by the reasonable business considerations of the manufacturer or distributor.

Subdivisions (3) through (5) do not apply to recreational vehicle manufacturer franchisors.

(b) This section does not prohibit the enforcement of a voluntary agreement between the manufacturer or distributor and the franchisee where separate and valuable consideration has been offered and accepted.

SECTION 20. An emergency is declared for this act.

P.L.171-2016

[H.1344. Approved March 23, 2016.]

AN ACT to amend the Indiana Code concerning labor and safety.

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 22-4-2-3 IS REPEALED [EFFECTIVE UPON PASSAGE]. ~~Sec. 3. "Board" means the unemployment insurance board established by this article.~~

SECTION 2. IC 22-4-2-34, AS AMENDED BY P.L.12-2011, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 34. (a) With respect to benefits for weeks of unemployment beginning after August 13, 1981, "extended benefit period" means a period which begins with the third week after a week for which there is a state "on" indicator and ends with the later of the following:

(1) The third week after the first week for which there is a state

"off" indicator.

(2) The thirteenth consecutive week of such period.

(b) However, no extended benefit period may begin by reason of a state "on" indicator before the fourteenth week following the end of a prior extended benefit period which was in effect with respect to this state.

(c) There is a state "on" indicator for this state for a week if the commissioner determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediately preceding twelve (12) weeks, the rate of insured unemployment (not seasonally adjusted) under this article:

(1) equaled or exceeded one hundred twenty percent (120%) of the average of such rates for the corresponding 13-week period ending in each of the preceding two (2) calendar years; and

(2) equaled or exceeded five percent (5%).

However, the determination of whether there has been a state "on" or "off" indicator beginning or ending any extended benefit period shall be made under this subsection as if it did not contain subdivision (1) if the insured unemployment rate is at least six percent (6%). Any week for which there would otherwise be a state "on" indicator shall continue to be such a week and may not be determined to be a week for which there is a state "off" indicator.

(d) In addition to the test for a state "on" indicator under subsection (c), there is a state "on" indicator for this state for a week if:

(1) the average rate of total unemployment in Indiana, seasonally adjusted, as determined by the United States Secretary of Labor, for the period consisting of the most recent three (3) months for which data for all states are published before the close of the week, equals or exceeds six and five-tenths percent (6.5%); and

(2) the average rate of total unemployment in Indiana, seasonally adjusted, as determined by the United States Secretary of Labor, for the three (3) month period referred to in subdivision (1) equals or exceeds one hundred ten percent (110%) of the average for either or both of the corresponding three (3) month periods ending in the two (2) preceding calendar years.

There is a state "off" indicator for a week if either of the requirements in subdivisions (1) and (2) are not satisfied. However, any week for which there would otherwise be a state "on" indicator under this section

continues to be subject to the "on" indicator and shall not be considered a week for which there is a state "off" indicator. This subsection expires on the later of December 5, 2009, or the week ending four (4) weeks before the last week for which federal sharing is authorized by Section 2005(a) of Division B, Title II (the federal Assistance to Unemployed Workers and Struggling Families Act) of the federal American Recovery and Reinvestment Act of 2009 (P.L. 111-5).

(e) There is a state "off" indicator for this state for a week if the commissioner determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediately preceding twelve (12) weeks, the requirements of subsection (c) have not been met.

(f) With respect to benefits for weeks of unemployment beginning after August 13, 1981, "rate of insured unemployment," for purposes of subsection (c), means the percentage derived by dividing:

(1) the average weekly number of individuals filing claims for regular compensation in this state for weeks of unemployment with respect to the most recent 13 consecutive week period (as determined by the **board department** on the basis of this state's reports to the United States Secretary of Labor); by

(2) the average monthly employment covered under this article for the first four (4) of the most recent six (6) completed calendar quarters ending before the end of such 13-week period.

(g) "Regular benefits" means benefits payable to an individual under this article or under the law of any other state (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. 8501 through 8525) other than extended benefits. "Additional benefits" means benefits other than extended benefits and which are totally financed by a state payable to exhaustees by reason of conditions of high unemployment or by reason of other special factors under the provisions of any state law. If extended compensation is payable to an individual by this state and additional compensation is payable to the individual for the same week by any state, the individual may elect which of the two (2) types of compensation to claim.

(h) "Extended benefits" means benefits (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. 8501 through 8525) payable to an individual under the provisions of this article for weeks of unemployment in the individual's

"eligibility period". Pursuant to Section 3304 of the Internal Revenue Code extended benefits are not payable to interstate claimants filing claims in an agent state which is not in an extended benefit period, against the liable state of Indiana when the state of Indiana is in an extended benefit period. This prohibition does not apply to the first two (2) weeks claimed that would, but for this prohibition, otherwise be payable. However, only one (1) such two (2) week period will be granted on an extended claim. Notwithstanding any other provisions of this chapter, with respect to benefits for weeks of unemployment beginning after October 31, 1981, if the benefit year of any individual ends within an extended benefit period, the remaining balance of extended benefits that the individual would, but for this clause, be entitled to receive in that extended benefit period, with respect to weeks of unemployment beginning after the end of the benefit year, shall be reduced (but not below zero (0)) by the product of the number of weeks for which the individual received any amounts as trade readjustment allowances within that benefit year, multiplied by the individual's weekly benefit amount for extended benefits.

(i) "Eligibility period" of an individual means the period consisting of the weeks in the individual's benefit period which begin in an extended benefit period and, if the individual's benefit period ends within such extended benefit period, any weeks thereafter which begin in such extended benefit period. For any weeks of unemployment beginning after February 17, 2009, and before January 1, 2012, an individual's eligibility period (as described in Section 203(c) of the Federal-State Unemployment Compensation Act of 1970) is, for purposes of any determination of eligibility for extended compensation under state law, considered to include any week that begins:

- (1) after the date as of which the individual exhausts all rights to emergency unemployment compensation; and
- (2) during an extended benefit period that began on or before the date described in subdivision (1).

(j) "Exhaustee" means an individual who, with respect to any week of unemployment in the individual's eligibility period:

- (1) has received, prior to such week, all of the regular benefits including dependent's allowances that were available to the individual under this article or under the law of any other state (including benefits payable to federal civilian employees and

ex-servicemen under 5 U.S.C. 8501 through 8525) in the individual's current benefit period that includes such week. However, for the purposes of this subsection, an individual shall be deemed to have received all of the regular benefits that were available to the individual although as a result of a pending appeal with respect to wages that were not considered in the original monetary determination in the individual's benefit period or although a nonmonetary decision denying benefits is pending, the individual may subsequently be determined to be entitled to added regular benefits;

(2) may be entitled to regular benefits with respect to future weeks of unemployment but such benefits are not payable with respect to such week of unemployment by reason of seasonal limitations in any state unemployment insurance law; or

(3) having had the individual's benefit period expire prior to such week, has no, or insufficient, wages on the basis of which the individual could establish a new benefit period that would include such week;

and has no right to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act, the Trade Act of 1974, the Automotive Products Trade Act of 1965 and such other federal laws as are specified in regulations issued by the United States Secretary of Labor, and has not received and is not seeking unemployment benefits under the unemployment compensation law of Canada; but if the individual is seeking such benefits and the appropriate agency finally determines that the individual is not entitled to benefits under such law, the individual is considered an exhaustee.

(k) "State law" means the unemployment insurance law of any state, approved by the United States Secretary of Labor under Section 3304 of the Internal Revenue Code.

(l) With respect to compensation for weeks of unemployment beginning after March 1, 2011, and ending on the later of December 10, 2011, or the week ending four (4) weeks before the last week for which federal sharing is authorized by Section 2005(a) of Division B, Title II (the federal Assistance to Unemployed and Struggling Families Act) of the federal American Recovery and Reinvestment Act of 2009 (P.L. 111-5), in addition to the tests for a state "on" indicator under subsections (c) and (d), there is a state "on" indicator for a week if:

- (1) the average rate of insured unemployment for the period consisting of the week and the immediately preceding twelve (12) weeks equals or exceeds five percent (5%); and
- (2) the average rate of insured unemployment for the period consisting of the week and the immediately preceding twelve (12) weeks equals or exceeds one hundred twenty percent (120%) of the average rates of insured unemployment for the corresponding thirteen (13) week period ending in each of the preceding three (3) calendar years.

(m) There is a state "off" indicator for a week based on the rate of insured unemployment only if the rate of insured unemployment for the period consisting of the week and the immediately preceding twelve (12) weeks does not result in an "on" indicator under subsection (c)(1).

(n) With respect to compensation for weeks of unemployment beginning after March 1, 2011, and ending on the later of December 10, 2011, or the week ending four (4) weeks before the last week for which federal sharing is authorized by Section 2005(a) of Division B, Title II (the federal Assistance to Unemployed and Struggling Families Act) of the federal American Recovery and Reinvestment Act of 2009 (P.L. 111-5), in addition to the tests for a state "on" indicator under subsections (c), (d), and (l) there is a state "on" indicator for a week if:

- (1) the average rate of total unemployment (seasonally adjusted), as determined by the United States Secretary of Labor, for the period consisting of the most recent three (3) months for which data for all states are published before the close of the week equals or exceeds six and one-half percent (6.5%); and
- (2) the average rate of total unemployment in Indiana (seasonally adjusted), as determined by the United States Secretary of Labor, for the three (3) month period referred to in subdivision (1) equals or exceeds one hundred ten percent (110%) of the average for any or all of the corresponding three (3) month periods ending in the three (3) preceding calendar years.

(o) There is a state "off" indicator for a week based on the rate of total unemployment only if the rate of total unemployment for the period consisting of the most recent three (3) months for which data for all states are published before the close of the week does not result in an "on" indicator under subsection (d)(1).

SECTION 3. IC 22-4-4-1 IS AMENDED TO READ AS FOLLOWS

[EFFECTIVE UPON PASSAGE]: Sec. 1. "Remuneration" whenever used in this article, unless the context clearly denotes otherwise, means all compensation for personal services, including but not limited to commissions, bonuses, dismissal pay, vacation pay, sick pay (subject to the provisions of section 2(b)(2) of this chapter) payments in lieu of compensation for services, and cash value of all compensation paid in any medium other than cash. The reasonable cash value of compensation paid in any medium other than cash may be estimated and determined in accordance with rules prescribed by the ~~board~~ **department**. Such term shall not, however, include the value of meals, lodging, books, tuition, or educational facilities furnished to a student while such student is attending an established school, college, university, hospital, or training course for services performed within the regular school term or school year, including the customary vacation days or periods falling within such school term or school year.

or

(2) any employing unit which in any calendar quarter in either the current or preceding calendar year paid for service in employment wages of one thousand five hundred dollars (\$1,500) or more, except as provided in section 2(e), 2(h), and 2(i) of this chapter.

However, if this state shall not be certified for any year by the Secretary of Labor under Section 3304 of the Internal Revenue Code the payments required of such instrumentalities with respect to such year shall be refunded by the commissioner from the fund in the same manner and within the same period as is provided in IC 22-4-32-19 with respect to contribution erroneously paid or wrongfully assessed.

SECTION 7. IC 22-4-11-2, AS AMENDED BY P.L.183-2015, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) Except as provided in IC 22-4-10-6 and IC 22-4-11.5, the department shall for each year determine the contribution rate applicable to each employer.

(1) for each calendar year, an employer's rate shall be determined in accordance with the rate schedules in section 3.3 or 3.5 of this chapter; and

(2) for each calendar year, an employer's rate shall be two and five-tenths percent (2.5%), except as otherwise provided in subsection (g) or IC 22-4-37-3, unless:

The **board department** or the **board's department's** designee may waive the imposition of rates under this subsection if the **board department** finds the employer's failure to meet the deadlines was for excusable cause. The department shall give written notice to the employer before this additional condition or requirement shall apply. An employer's rate under this subsection may not exceed twelve percent (12%).

(d) However, if the employer is the state or a political subdivision of the state or any instrumentality of a state or a political subdivision, or any instrumentality which is wholly owned by the state and one (1) or more other states or political subdivisions, the employer may contribute at a rate of one and six-tenths percent (1.6%) until it has been subject to this article throughout the thirty-six (36) consecutive calendar months immediately preceding the computation date.

(e) On the computation date every employer who had taxable wages in the previous calendar year shall have the employer's experience account charged with the amount determined under the following formula:

STEP ONE: Divide:

- (A) the employer's taxable wages for the preceding calendar year; by
- (B) the total taxable wages for the preceding calendar year.

STEP TWO: Subtract:

- (A) the amount described in IC 22-4-10-4.5(e)(2), if any; from
- (B) the total amount of benefits charged to the fund under section 1 of this chapter.

STEP THREE: Multiply the quotient determined under STEP ONE by the difference determined under STEP TWO.

(f) One (1) percentage point of the rate imposed under subsection (c), or the amount of the employer's payment that is attributable to the increase in the contribution rate, whichever is less, shall be imposed as a penalty that is due and shall be deposited upon collection into the special employment and training services fund established under IC 22-4-25-1. The remainder of the contributions paid by an employer pursuant to the maximum rate shall be:

- (1) considered a contribution for the purposes of this article; and
- (2) deposited in the unemployment insurance benefit fund established under IC 22-4-26.

(g) Except as otherwise provided in IC 22-4-37-3, this subsection, instead of subsection (b)(2), applies to an employer in the construction industry. As used in the subsection, "construction industry" means business establishments whose proper primary classification in the current edition of the North American Industry Classification System Manual - United States, published by the National Technical Information Service of the United States Department of Commerce is 23 (construction). For each calendar year beginning after December 31, 2013, an employer's rate shall be equal to the lesser of four percent (4%) or the average of the contribution rates paid by all employers in the construction industry subject to this article during the twelve (12) months preceding the computation date, unless:

- (1) the employer has been subject to this article throughout the thirty-six (36) consecutive calendar months immediately preceding the computation date;
- (2) there has been some annual payroll in each of the three (3) twelve (12) month periods immediately preceding the computation date; and
- (3) the employer has properly filed all required contribution and wage reports, and all contributions, penalties, and interest due and owing by the employer or the employer's predecessors have been paid.

SECTION 8. IC 22-4-12-4, AS AMENDED BY P.L.12-2011, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4. (a) Benefits shall be computed upon the basis of wage credits of an individual in the individual's base period.

Wage credits shall be reported by the employer and credited to the individual in the manner prescribed by the ~~board~~ **department**. With respect to initial claims filed for any week beginning on and after July 7, 1991, the maximum total amount of benefits payable to any eligible individual during any benefit period shall not exceed twenty-six (26) times the individual's weekly benefit, or twenty-eight percent (28%) of the individual's wage credits with respect to the individual's base period, whichever is less. If such maximum total amount of benefits is not a multiple of one dollar (\$1), it shall be computed to the next lower multiple of one dollar (\$1).

(b) Except as provided in subsection (d), the total extended benefit amount payable to any eligible individual with respect to the individual's applicable benefit period shall be fifty percent (50%) of the total amount of regular benefits (including dependents' allowances) which were payable to the individual under this article in the applicable benefit year, or thirteen (13) times the weekly benefit amount (including dependents' allowances) which was payable to the individual under this article for a week of total unemployment in the applicable benefit year, whichever is the lesser amount.

(c) This subsection applies to individuals who file a disaster unemployment claim or a state unemployment insurance claim after June 1, 1990, and before June 2, 1991, or during another time specified in another state statute. An individual is entitled to thirteen (13) weeks of additional benefits, as originally determined, if:

- (1) the individual has established:
 - (A) a disaster unemployment claim under the Stafford Disaster Relief and Emergency Assistance Act; or
 - (B) a state unemployment insurance claim as a direct result of a major disaster;
- (2) all regular benefits and all disaster unemployment assistance benefits:
 - (A) have been exhausted by the individual; or
 - (B) are no longer payable to the individual due to the expiration of the disaster assistance period; and
- (3) the individual remains unemployed as a direct result of the disaster.

(d) For purposes of this subsection, "high unemployment period" means a period during which an extended benefit period would be in

effect if IC 22-4-2-34(d)(1) were applied by substituting "eight percent (8%)" for "six and five-tenths percent (6.5%)". Effective with respect to weeks beginning in a high unemployment period, the total extended benefit amount payable to an eligible individual with respect to the applicable benefit year is equal to the least of the following amounts:

- (1) Eighty percent (80%) of the total amount of regular benefits that were payable to the eligible individual under this article in the applicable benefit year.
- (2) Twenty (20) times the weekly benefit amount that was payable to the eligible individual under this article for a week of total unemployment in the applicable benefit year.
- (3) Forty-six (46) times the weekly benefit amount that was payable to the eligible individual under this article for a week of total unemployment in the applicable benefit year, reduced by the regular unemployment compensation benefits paid (or deemed paid) during the benefit year.

This subsection expires on the later of December 5, 2009, or the week ending four (4) weeks before the last week for which federal sharing is authorized by Section 2005(a) of Division B, Title II (the federal Assistance to Unemployed Workers and Struggling Families Act) of the federal American Recovery and Reinvestment Act of 2009 (P.L. 111-5).

(e) For purposes of this subsection, "high unemployment period" means a period during which an extended benefit period would be in effect if IC 22-4-2-34(n)(1) were applied by substituting "eight percent (8%)" for "six and one-half percent (6.5%)". Effective with respect to weeks of unemployment beginning after March 1, 2011, and ending on the later of December 10, 2011, or the week ending four (4) weeks before the last week for which federal sharing is authorized by Section 2005(a) of Division B, Title II (the federal Assistance to Unemployed and Struggling Families Act) of the federal American Recovery and Reinvestment Act of 2009 (P.L. 111-5), in a high unemployment period, the total extended benefit amount payable to an eligible individual with respect to the applicable benefit year is equal to the lesser of the following amounts:

- (1) Eighty percent (80%) of the total amount of regular benefits that were payable to the eligible individual under this article in the applicable benefit year.

(2) Twenty (20) times the weekly benefit amount that was payable to the eligible individual under this article for a week of total unemployment in the applicable benefit year.

SECTION 9. IC 22-4-12-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. (a) As used in this section, the term "part-time worker" means an individual whose normal work is in an occupation in which ~~his~~ **the individual's** services are not required for the customary scheduled full-time hours prevailing in the establishment in which ~~he~~ **the individual** is employed, or who, owing to personal circumstances, does not customarily work the customary scheduled full-time hours prevailing in the establishment in which ~~he~~ **the individual** is employed.

(b) The ~~board~~ **department** may prescribe rules applicable to part-time workers for determining their weekly benefit amount and the wage credits required to qualify such individuals for benefits. Such rules shall, with respect to such individuals, supersede any inconsistent provisions of this article, but, so far as practicable, shall secure results reasonably equivalent to those provided in the analogous provisions of this article.

SECTION 10. IC 22-4-14-2, AS AMENDED BY P.L.175-2009, SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 2. (a) An unemployed individual is eligible to receive benefits with respect to any week only if the individual has:

- (1) registered for work at an employment office or branch thereof or other agency designated by the commissioner within the time limits that the department by rule adopts; and
- (2) subsequently reported with the frequency and in the manner, either in person or in writing, that the department by rule adopts.

(b) Failure to comply with subsection (a) shall be excused by the commissioner or the commissioner's authorized representative upon a showing of good cause therefor. The department shall waive or alter the requirements of this section as to such types of cases or situations that compliance with such requirements would be oppressive. ~~or would be inconsistent with the purposes of this article.~~

(c) The department shall provide job counseling or training to an individual who remains unemployed for at least four (4) weeks. The manner and duration of the counseling shall be determined by the department.

(d) An individual who is receiving benefits as determined under IC 22-4-15-1(c)(8) is entitled to complete the reporting, counseling, or training that must be conducted in person at a one stop center selected by the individual. The department shall advise an eligible individual that this option is available.

(e) The department may waive the requirements of subsection (a) for a week only when one (1) of the following applies to an individual for that week:

- (1) The individual is attending training or retraining approved by the department.
- (2) The individual is a job-attached worker with a specific recall date that is not more than sixty (60) days after the individual's separation date.
- (3) The individual is using:
 - (A) a hiring service;
 - (B) a referral service; or
 - (C) another job placement service as determined by the department.
- ~~(4) Any other situation exists for which the department considers requiring compliance by the individual with this section to be inconsistent with the purposes of this article.~~

SECTION 11. IC 22-4-14-3, AS AMENDED BY P.L.195-2015, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 3. (a) An individual who is receiving benefits as determined under IC 22-4-15-1(c)(8) may restrict the individual's availability because of the individual's need to address the physical, psychological, or legal effects of being a victim of domestic or family violence (as defined in IC 31-9-2-42).

(b) An unemployed individual shall be eligible to receive benefits with respect to any week only if the individual:

- (1) is physically and mentally able to work;
- (2) is available for work;
- (3) is found by the department to be making an effort to secure full-time work; and
- (4) participates in reemployment services and reemployment and eligibility assessment activities **as required by section 3.2 of this chapter or** when directed by the department as provided under section 3.5 of this chapter, unless the department determines that:

- (A) the individual has completed the reemployment services;
- or
- (B) failure by the individual to participate in or complete the reemployment services is excused by the director under IC 22-4-14-2(b).

The term "effort to secure full-time work" shall be defined by the department through rule which shall take into consideration whether such individual has a reasonable assurance of reemployment and, if so, the length of the prospective period of unemployment. However, if an otherwise eligible individual is unable to work or unavailable for work on any normal work day of the week the individual shall be eligible to receive benefits with respect to such week reduced by one-third (1/3) of the individual's weekly benefit amount for each day of such inability to work or unavailability for work.

(c) For the purpose of this article, unavailability for work of an individual exists in, but is not limited to, any case in which, with respect to any week, it is found:

- (1) that such individual is engaged by any unit, agency, or instrumentality of the United States, in charge of public works or assistance through public employment, or any unit, agency, or instrumentality of this state, or any political subdivision thereof, in charge of any public works or assistance through public employment;
- (2) that such individual is in full-time active military service of the United States, or is enrolled in civilian service as a conscientious objector to military service;
- (3) that such individual is suspended for misconduct in connection with the individual's work; or
- (4) that such individual is in attendance at a regularly established public or private school during the customary hours of the individual's occupation or is in any vacation period intervening between regular school terms during which the individual is a student. However, this subdivision does not apply to any individual who is attending a regularly established school, has been regularly employed and upon becoming unemployed makes an effort to secure full-time work and is available for suitable full-time work with the individual's last employer, or is available for any other full-time employment deemed suitable.

(d) Notwithstanding any other provisions in this section or IC 22-4-15-2, no otherwise eligible individual shall be denied benefits for any week because the individual is in training with the approval of the department, nor shall such individual be denied benefits with respect to any week in which the individual is in training with the approval of the department by reason of the application of the provisions of this section with respect to the availability for work or active search for work or by reason of the application of the provisions of IC 22-4-15-2 relating to failure to apply for, or the refusal to accept, suitable work. The department shall by rule prescribe the conditions under which approval of such training will be granted.

(e) Notwithstanding subsection (b), (c), or (d), or IC 22-4-15-2, an otherwise eligible individual shall not be denied benefits for any week or determined not able, available, and actively seeking work, because the individual is responding to a summons for jury service. The individual shall:

- (1) obtain from the court proof of the individual's jury service; and
- (2) provide to the department, in the manner the department prescribes by rule, proof of the individual's jury service.

The individual must appear when scheduled, but in any event, the individual's orientation must be completed not later than the sixth week after the week the individual begins receiving benefits.**

(b) The department may waive the requirements of subsection (a) only when one (1) of the following applies to an individual:

- (1) The individual is attending training or retraining approved by the department.**
- (2) The individual is a job-attached worker with a specific recall date that is not more than sixty (60) days after the individual's separation date.**
- (3) The individual is using:**

If the claim is filed outside the operating period of the seasonal employment, benefits may be paid on the basis of nonseasonal wages only.

(b) An employer shall file an application for a seasonal determination (as defined by IC 22-4-7-3) with the department of workforce development. A seasonal determination shall be made by the department within ninety (90) days after the filing of such an application. Until a seasonal determination by the department has been made in accordance with this section, no employer or worker may be considered seasonal.

(c) Any interested party may file an appeal regarding a seasonal determination within fifteen (15) calendar days after the determination by the department and obtain review of the determination in accordance with IC 22-4-32.

(d) Whenever an employer is determined to be a seasonal employer, the following provisions apply:

- (1) The seasonal determination becomes effective the first day of the calendar quarter commencing after the date of the seasonal determination.
- (2) The seasonal determination does not affect any benefit rights of seasonal workers with respect to employment before the effective date of the seasonal determination.

(e) If a seasonal employer, after the date of its seasonal determination, operates its business or its seasonal operation during a period or periods of twenty-six (26) weeks or more in a calendar year, the employer shall be determined by the department to have lost its seasonal status with respect to that business or operation effective at

the end of the then current calendar quarter. The redetermination shall be reported in writing to the employer. Any interested party may file an appeal within fifteen (15) calendar days after the redetermination by the department and obtain review of the redetermination in accordance with IC 22-4-32.

(f) Seasonal employers shall keep account of wages paid to seasonal workers within the seasonal period as determined by the department and shall report these wages on a special seasonal quarterly report form provided by the department.

(g) The ~~board~~ **department** shall adopt rules applicable to seasonal employers for determining their normal seasonal period or periods.

An employer that is a party to a claim transferred to the review board ~~or the board~~ under this subsection is entitled to receive notice in accordance with section 6 of this chapter of the transfer or any other action to be taken under this section before a determination is made or other action concerning the claim is taken.

SECTION 34. IC 22-4-22-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) There is created in the state treasury a special fund to be known as the special employment and training services fund. All interest on delinquent contributions and penalties collected under this article, together with any voluntary contributions tendered as a contribution to this fund, shall be paid into this fund. The money shall not be expended or available for expenditure in any manner which would permit their substitution for (or a corresponding reduction in) federal funds which would in the absence of said money be available to finance expenditures for the administration of this article, but nothing in this section shall prevent said money from being used as a revolving fund to cover expenditures necessary and proper under the law for which federal funds have been duly requested but not yet received, subject to the charging of such expenditures against such funds when received. Any such warrant shall be drawn by the state auditor based upon vouchers certified by ~~the board~~ **or** the commissioner. The money in this fund is hereby specifically made available to replace within a reasonable time any money received by this state pursuant to 42 U.S.C. 502, as amended, which, because of any action or contingency, has been lost or has been expended for purposes other than or in amounts in excess of those approved by the bureau of employment security. (b) Whenever the balance in the special employment and training services fund exceeds eight million five hundred thousand dollars (\$8,500,000), the ~~board~~ **department** shall order payment of the amount that exceeds eight million five hundred thousand dollars (\$8,500,000) into the unemployment insurance benefit fund.

(c) Subject to ~~the approval of the board;~~ and the availability of

to individuals who have been unemployed for at least four (4) weeks or whose annual income is less than twenty thousand dollars (\$20,000); and

(5) three hundred thousand dollars (\$300,000) annually for training and counseling assistance provided by the state institution established under IC 21-25-2-1 to individuals who have been unemployed for at least four (4) weeks or whose annual income is less than twenty thousand dollars (\$20,000) for the purpose of enabling those individuals to apply for admission to apprenticeship programs offered by providers approved by the United States Department of Labor, Bureau of Apprenticeship and Training.

(d) Each state educational institution described in subsection (c) is entitled to keep ten percent (10%) of the funds released under subsection (c) for the payment of costs of administering the funds. On each June 30 following the release of the funds, any funds released under subsection (c) not used by the state educational institutions under subsection (c) shall be returned to the special employment and training services fund.

SECTION 38. IC 22-4-26-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. There is established a special fund to be known as the unemployment insurance benefit fund which shall be administered separate and apart from all public money or funds of the state. This fund shall consist of:

- (1) all contributions, all payments in lieu of contributions, all money received from the federal government as reimbursements pursuant to section 204 of the Federal-State Extended Compensation Act of 1970, and all money paid into and received by it as provided in this article;

The treasurer of state shall be ex officio treasurer and custodian of the fund and shall administer the fund in accordance with the provisions of this article and the directions of the commissioner and shall pay all warrants drawn upon it in accordance with such rules as the **board department** may prescribe. All money belonging to the unemployment insurance benefit fund and not otherwise deposited, invested, or paid over pursuant to the provisions of this article may be deposited by the treasurer of state under the direction of the commissioner in any banks or public depositories in which general funds of the state may be deposited, but no public deposit insurance charge or premium shall be paid out of money in the unemployment insurance benefit fund, any other provisions of law to the contrary notwithstanding. The treasurer of state shall, if required by the Social Security Administration, give a separate bond conditioned upon the faithful performance of the treasurer's duties as custodian of the fund in an amount and with such sureties as shall be fixed and approved by the governor. Premiums for the said bond shall be paid as provided in IC 22-4-24.

SECTION 40. IC 22-4-28-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. This section shall not be construed to relieve this state of its obligation with respect to funds received prior to July 1, 1941, under 49 U.S.C. 501 through 504.

SECTION 41. IC 22-4-29-1 IS AMENDED TO READ AS

FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. (a) Contributions unpaid on the date on which they are due and payable, as prescribed by the commissioner, shall bear interest at the rate of one percent (1%) per month or fraction thereof from and after such date until payment, plus accrued interest, is received by the department. The ~~board~~ **department** may prescribe fair and reasonable regulations pursuant to which such interest shall not accrue.

(b) If the failure to pay any part or all of the delinquent contributions is due to negligence or intentional disregard of authorized rules, regulations, or notices, but without intent to defraud, there shall be added, as a penalty, ten percent (10%) of the total amount of contributions unpaid, which penalty shall become due and payable upon notice and demand by the commissioner.

(c) If the commissioner finds that the failure to pay any part or all of delinquent contributions is due to fraud with intent to evade the payment of contributions, there shall be added, as a penalty, fifty percent (50%) of the total amount of delinquent contributions, which penalty shall become due and payable upon notice and demand by the commissioner.

(d) Interest and penalties collected pursuant to this section shall be paid into the special employment and training services fund.

SECTION 42. IC 22-4-29-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6. (a) Unless an assessment is paid in full within seven (7) days after it becomes final, the commissioner or the commissioner's representative may file with the clerk of the circuit court of any county in the state a warrant in duplicate, directed to the sheriff of such county, commanding the sheriff to levy upon and sell the property, real and personal, tangible and intangible, of the employing unit against whom the assessment has been made, in sufficient quantity to satisfy the amount thereof, plus damages to the amount of ten percent (10%) of such assessment, which shall be in addition to the penalties prescribed in this article for delinquent payment, and in addition to the interest at the rate of one percent (1%) per month upon the unpaid contribution from the date it was due, to the date of payment of the warrant, and in addition to all costs incident to the recording and execution thereof. The remedies by garnishment and proceedings supplementary to execution as provided by law shall be available to the ~~board~~ **department** to effectuate the

purposes of this chapter. Within five (5) days after receipt of a warrant under this section, the clerk shall:

- (1) retain the duplicate copy of the warrant;
- (2) enter in the judgment record in the column for judgment debtors the name of the employing unit stated in the warrant, or if the employing unit is a partnership, the names of the partners;
- (3) enter the amount sought by the warrant;
- (4) enter the date the warrant was received; and
- (5) certify the original warrant and return it to the department.

(b) Five (5) days after the clerk receives a warrant under subsection (a), the amount sought in the warrant, the damages to an amount of ten percent (10%) of the assessment as provided in subsection (a), penalties, and interest described in subsection (a) become a lien upon the title to and interest in the real and personal property of the employing unit.

SECTION 43. IC 22-4-31-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. The collection of the whole or any part of the amount of such assessment may be stayed for not exceeding sixty (60) days, by filing with the ~~board~~ **department** a bond in such amount, not exceeding double the amount as to which the stay is desired, and with such sureties as the ~~board~~ **department** considers necessary, conditioned upon payment of the amount which may finally be found to be due after notice and opportunity to be heard as herein provided.

SECTION 44. IC 22-4-32-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. Upon receipt of such protest in writing, the commissioner promptly shall refer the written protest to the liability administrative law judge who shall set a date for a hearing before the liability administrative law judge and notify the interested parties thereof by registered mail. Unless such written protest is withdrawn, the liability administrative law judge, after affording the parties a reasonable opportunity for a fair hearing, shall make findings and conclusions, and, on the basis thereof, affirm, modify, or reverse the initial determination of the ~~board~~ **department**.

SECTION 45. IC 22-4-32-23, AS AMENDED BY P.L.42-2011, SECTION 46, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 23. (a) As used in this section:

- (1) "Dissolution" refers to dissolution of a corporation under

IC 23-1-45 through IC 23-1-48 or dissolution under Indiana law of an association, a joint venture, an estate, a partnership, a limited liability partnership, a limited liability company, a joint stock company, or an insurance company (referred to as a "noncorporate entity" in this section).

(2) "Liquidation" means the operation or act of winding up a corporation's or entity's affairs, when normal business activities have ceased, by settling its debts and realizing upon and distributing its assets.

(3) "Withdrawal" refers to the withdrawal of a foreign corporation from Indiana under IC 23-1-50.

(b) The officers and directors of a corporation effecting dissolution, liquidation, or withdrawal or the appropriate individuals of a noncorporate entity shall do the following:

(1) File all necessary documents with the department in a timely manner as required by this article.

(2) Make all payments of contributions to the department in a timely manner as required by this article.

(3) File with the department a form of notification within thirty (30) days of the adoption of a resolution or plan. The form of notification shall be prescribed by the department and may require information concerning:

(A) the corporation's or noncorporate entity's assets;

(B) the corporation's or noncorporate entity's liabilities;

(C) details of the plan or resolution;

(D) the names and addresses of corporate officers, directors, and shareholders or the noncorporate entity's owners, members, or trustees;

(E) a copy of the minutes of the shareholders' meeting or the noncorporate entity's meeting at which the plan or resolution was formally adopted; and

(F) such other information as the ~~board~~ **department** may require.

The commissioner may accept, in lieu of the department's form of notification, a copy of Form 966 that the corporation filed with the Internal Revenue Service.

(c) Unless a clearance is issued under subsection (g), for a period of one (1) year following the filing of the form of notification with the

department, the corporate officers and directors of a corporation and the chief executive of a noncorporate entity remain personally liable, subject to IC 23-1-35-1(e), for any acts or omissions that result in the distribution of corporate or noncorporate entity assets in violation of the interests of the state. An officer or director of a corporation or a chief executive of a noncorporate entity held liable for an unlawful distribution under this subsection is entitled to contribution:

- (1) from every other director who voted for or assented to the distribution, subject to IC 23-1-35-1(e); and
- (2) from each shareholder, owner, member, or trustee for the amount the shareholder, owner, member, or trustee accepted.

(d) The corporation's officers' and directors' and the noncorporate entity's chief executive's personal liability includes all contributions, penalties, interest, and fees associated with the collection of the liability due the department. In addition to the penalties provided elsewhere in this article, a penalty of up to thirty percent (30%) of the unpaid contributions may be imposed on the corporate officers and directors and the noncorporate entity's chief executive for failure to take reasonable steps to set aside corporate assets to meet the liability due the department.

(e) If the department fails to begin a collection action against a corporate officer or director or a noncorporate entity's chief executive within one (1) year after the filing of a completed form of notification with the department, the personal liability of the corporate officer or director or noncorporate entity's chief executive expires. The filing of a substantially blank form of notification or a form containing misrepresentation of material facts does not constitute filing a form of notification for the purpose of determining the period of personal liability of the officers and directors of the corporation or the chief executive of the noncorporate entity.

(f) In addition to the remedies contained in this section, the department is entitled to pursue corporate assets that have been distributed to shareholders or noncorporate entity assets that have been distributed to owners, members, or beneficiaries, in violation of the interests of the state. The election to pursue one (1) remedy does not foreclose the state's option to pursue other legal remedies.

(g) The department may issue a clearance to a corporation or noncorporate entity effecting dissolution, liquidation, or withdrawal if:

(1) the:

(A) officers and directors of the corporation have; or

(B) chief executive of the noncorporate entity has;
met the requirements of subsection (b); and

(2) request for the clearance is made in writing by the officers and directors of the corporation or chief executive of the noncorporate entity within thirty (30) days after the filing of the form of notification with the department.

(h) The issuance of a clearance by the department under subsection (g) releases the officers and directors of a corporation and the chief executive of a noncorporate entity from personal liability under this section.

SECTION 46. IC 22-4-33-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) Except for fees charged under IC 22-4-17-12, no individual claiming benefits may be charged fees of any kind in a proceeding by ~~the board~~; the review board, an administrative law judge, or the representative of **any either** of them or by any court or any officer thereof.

- (5) Allow any party to the uniform warranty reimbursement policy to terminate the policy with thirty (30) days prior written notice to all parties upon the annual anniversary of the policy, if the policy is for at least one (1) year.

(6) Remain in effect for the entire original period if the manufacturer and at least one (1) franchisee remain parties to the policy.

(c) A manufacturer or distributor that enters into a contract with its franchisees under subsection (a) may seek to recover only its costs from a franchisee that receives a higher reimbursement rate, if authorized by law, subject to the following:

(1) Costs may be recovered only by increasing invoice prices on new **motor** vehicles received by the franchisee.

(2) A manufacturer or distributor may make an exception for **motor** vehicles that are titled in the name of a purchaser in another state. However, price increases imposed for the purpose of recovering costs imposed by this section may vary from time to time and from model to model and must apply uniformly to all franchisees of the same line make that have requested reimbursement for warranty repairs at a level higher than provided for in the contract.

(d) A manufacturer or distributor that enters into a contract with its franchisees under subsection (a) shall do the following:

SECTION 102. IC 9-32-13-22, AS ADDED BY P.L.92-2013, SECTION 78, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 22. (a) It is an unfair practice for a manufacturer to terminate a franchise in violation of IC 23-2-2.7-3. A dealer may not transfer, assign, or sell the business and assets of a dealership or an interest in the dealership to another person under an agreement that contemplates or is conditioned on a continuation of the franchise relationship with the manufacturer or distributor unless the dealer first:

(1) notifies the manufacturer or distributor of the dealer's decision to make the transfer, assignment, or sale by written notice; and

(2) obtains the approval of the manufacturer or distributor.

The dealer must provide the manufacturer or distributor with completed application forms and related information generally used by the manufacturer or distributor to conduct a review of such a proposal and a copy of all agreements regarding the proposed transfer, assignment, or sale.

(b) The manufacturer or distributor shall send a letter by certified mail to the dealer not later than sixty (60) days after the manufacturer or distributor receives the information specified in subsection (a). The letter must indicate any disapproval of the transfer, assignment, or sale and must set forth the material reasons for the disapproval. If the manufacturer or distributor does not respond by letter within sixty (60) days after the manufacturer or distributor receives the information under subsection (a), the manufacturer's or distributor's consent to the proposed transfer, assignment, or sale is considered to have been granted. A manufacturer or distributor may not unreasonably withhold approval of a transfer, assignment, or sale under this section.

(c) A manufacturer or distributor has a right of first refusal as specified in the franchise agreement to acquire the new **motor** vehicle dealer's assets or ownership if there is a proposed change of more than fifty percent (50%) of the dealer's ownership or proposed transfer of more than fifty percent (50%) of the new **motor** vehicle dealer's assets, and all the following are met:

(1) The manufacturer or distributor notifies the dealer in writing of the intent of the manufacturer or distributor to exercise the right of first refusal within the sixty (60) day notice period under subsection (b).

(2) The exercise of the right of first refusal will result in the dealer and the dealer's owners receiving consideration, terms, and conditions that are either the same as or better than those they have contracted to receive under the proposed change of more than fifty percent (50%) of the dealer's ownership or transfer of more than fifty percent (50%) of the new **motor** vehicle dealer's assets.

(3) The proposed change of the dealership's ownership or transfer of the new **motor** vehicle dealer's assets does not involve the transfer of assets or the transfer or issuance of stock by the dealer or one (1) or more of the dealer's owners to any of the following:

- (A) A designated family member or members, including any of the following members of one (1) or more dealer owners:
 - (i) The spouse.
 - (ii) A child.
 - (iii) A grandchild.
 - (iv) The spouse of a child or a grandchild.
 - (v) A sibling.
 - (vi) A parent.
 - (B) A manager:
 - (i) employed by the dealer in the dealership during the previous four (4) years; and
 - (ii) who is otherwise qualified as a dealer operator.
 - (C) A partnership or corporation controlled by any of the family members described in clause (A).
 - (D) A trust arrangement established or to be established:
 - (i) for the purpose of allowing the new **motor** vehicle dealer to continue to qualify as such under the manufacturer's or distributor's standards; or
 - (ii) to provide for the succession of the franchise agreement to designated family members or qualified management in the event of the death or incapacity of the dealer or the principal owner or owners.
- (4) Except as otherwise provided in this subsection, the manufacturer or distributor agrees to pay the reasonable expenses, including reasonable attorney's fees, that do not exceed the usual, customary, and reasonable fees charged for similar work done for other clients, and that are incurred by the proposed owner or transferee before the manufacturer's or distributor's exercise of the right of first refusal in negotiating and implementing the contract for the proposed change of the dealer ownership or the transfer of the new **motor** vehicle dealer's assets. Payment of expenses and attorney's fees is not required if the dealer has failed to submit an accounting of those expenses not later than twenty (20) days after the dealer receives the manufacturer's or distributor's written request for such an accounting. An expense accounting may be requested by a manufacturer or distributor before exercising the right of first refusal.
- (d) Violation of this section by a manufacturer or distributor is an

unfair practice by the manufacturer or distributor.

SECTION 103. IC 9-32-13-23, AS AMENDED BY HEA 1259-2016, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 23. (a) It is an unfair practice for a manufacturer, distributor, officer, or agent to do any of the following:

(1) Require, coerce, or attempt to coerce a new motor vehicle dealer in Indiana to:

(A) change the location of the dealership;

(B) make any substantial alterations to the use of franchises;
or

(C) make any substantial alterations to the dealership premises or facilities;

if to do so would be unreasonable or would not be justified by current economic conditions or reasonable business considerations. This subdivision does not prevent a manufacturer or distributor from establishing and enforcing reasonable facility requirements. However, a **new** motor vehicle dealer may elect to use for the facility alteration locally sourced materials or supplies that are substantially similar to those required by the manufacturer or distributor, subject to the approval of the manufacturer or distributor, which may not be unreasonably withheld.

(2) Require, coerce, or attempt to coerce a new motor vehicle dealer in Indiana to divest ownership of or management in another line or make of motor vehicles that the dealer has established in its dealership facilities with the prior written approval of the manufacturer or distributor.

(3) Establish or acquire wholly or partially a franchisor owned outlet engaged wholly or partially in a substantially identical business to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement or, if no exclusive territory is designated, competing unfairly with the franchisee within a reasonable market area. A franchisor is not considered to be competing unfairly if operating:

(A) a business for less than two (2) years;

(B) in a bona fide retail operation that is for sale to any qualified independent person at a fair and reasonable price; or

(C) in a bona fide relationship in which an independent person

has made a significant investment subject to loss in the business operation and can reasonably expect to acquire majority ownership or managerial control of the business on reasonable terms and conditions.

(4) Require a dealer, as a condition of granting or continuing a franchise, approving the transfer of ownership or assets of a new motor vehicle dealer, or approving a successor to a new motor vehicle dealer to:

- (A) construct a new dealership facility;
- (B) modify or change the location of an existing dealership; or
- (C) grant the manufacturer or distributor control rights over any real property owned, leased, controlled, or occupied by the dealer.

(5) Prohibit a dealer from representing more than one (1) line make of motor vehicles from the same or a modified facility if:

- (A) reasonable facilities exist for the combined operations;
- (B) the dealer meets reasonable capitalization requirements for the original line make and complies with the reasonable facilities requirements of the manufacturer or distributor; and
- (C) the prohibition is not justified by the reasonable business considerations of the manufacturer or distributor.

Subdivisions (3) through (5) do not apply to recreational vehicle manufacturer franchisors.

(b) This section does not prohibit the enforcement of a voluntary agreement between the manufacturer or distributor and the franchisee where separate and valuable consideration has been offered and accepted.

businesses into a restricted business list.

(e) The board shall update the restricted business list at least on an annual basis based on evolving information from sources described in subsections (b) and (c).

Sec. 13. After the board creates or updates the restricted business list under section 12 of this chapter, the board shall immediately identify the businesses on the restricted business list in which a fund has direct or indirect holdings.

Sec. 14. (a) The board shall send to each restricted business that is identified under section 13 of this chapter as a business in which a fund has direct or indirect holdings a written notice concerning the contents of this chapter and a statement indicating that the fund's holdings in the business may become subject to divestment by the system.

(b) A notice sent under this section must:

- (1)** offer the business the opportunity to clarify the business's boycott, divest from, or sanction Israel activity; and
- (2)** encourage the business, within ninety (90) days after the date of the written notice, to cease its boycott, divest from, or sanction Israel activity to avoid divestment by the system of the fund's holdings in the business.

Sec. 15. If, within ninety (90) days after the system's first engagement with a business under section 14 of this chapter, the business ceases boycott, divest from, or sanction Israel activity, the business shall be removed from the restricted business list and sections 16, 17, 18, and 19 of this chapter cease to apply to the business unless the business resumes boycott, divest from, or sanction Israel activity.

Sec. 16. (a) Except as provided in sections 18 and 19 of this chapter, if, after ninety (90) days after the system's first engagement with a business under section 14 of this chapter, the business continues to engage in boycott, divest from, or sanction Israel activity, the system shall sell, redeem, divest, or withdraw all publicly traded securities of the business that are held by a fund, as follows:

- (1)** At least fifty percent (50%) of such assets shall be removed from a fund's assets under management within nine (9) months after the business's appearance on the restricted business list.

(2) One hundred percent (100%) of such assets shall be removed from a fund's assets under management within fifteen (15) months after the business's appearance on the restricted business list.

(b) If a business that ceased boycott, divest from, or sanction Israel activity following engagement under section 14 of this chapter resumes boycott, divest from, or sanction Israel activity, the business shall be placed immediately back on the restricted business list. If a fund has holdings in the business, the system shall sell, redeem, divest, or withdraw all publicly traded securities of the business as provided in subsection (a) based on the date the business is placed back on the restricted business list. The system shall send a written notice to the business indicating that the business was placed back on the restricted business list and is subject to divestment.

(c) The board is not required to divest a fund's holdings in a passively managed commingled fund that includes a restricted business engaging in boycott, divest from, or sanction Israel activity if the estimated cost of divestment of the commingled fund is greater than ten percent (10%) of the total value of the restricted businesses held in the commingled fund. The board shall include any commingled fund that includes a restricted business that is exempted from divestment under this subsection in the board's report submitted to the legislative council under section 21 of this chapter.

Sec. 17. Except as provided in sections 18 and 19 of this chapter, the system shall not acquire for a fund securities of businesses on the restricted business list.

Sec. 18. If the United States government affirmatively declares any business on the restricted business list to be excluded from any federal sanctions related to boycott, divest from, or sanction Israel activity, the business is not subject to divestment or investment prohibition under this chapter.

Sec. 19. Notwithstanding any provision to the contrary, sections 16 and 17 of this chapter do not apply to indirect holdings in actively managed investment funds. However, if a fund has indirect holdings in an actively managed investment fund containing the securities of restricted businesses, the board shall submit letters to the managers of the actively managed investment fund requesting

that the managers remove the restricted businesses from the actively managed investment fund or create a similar actively managed investment fund with indirect holdings without restricted businesses. If the managers create a similar actively managed investment fund, the board shall replace all applicable investments with investments in the similar actively managed investment fund in a period consistent with prudent investing standards.

Sec. 20. This chapter does not apply directly to private equity funds. However, the board shall ensure that reasonable efforts are made during the due diligence process before an investment is made in a private equity partnership to determine whether any investments by the private equity general partner on behalf of the private equity partnership include a restricted business.

Sec. 21. (a) On or before November 1, 2017, and thereafter as directed by the legislative council, the board shall submit a report in an electronic format under IC 5-14-6 to the executive director of the legislative services agency for distribution to the members of the general assembly.

- (2)** The date on which the United States government revokes any sanctions imposed on persons engaged in boycott, divest from, or sanction Israel activity.
- (3)** The date on which Congress or the President of the United States, through legislation or executive order, declares that mandatory divestment of the type provided for in this chapter interferes with the conduct of foreign policy of the United

States.

Sec. 23. With respect to actions taken in compliance with this chapter, including all good faith determinations regarding businesses on the restricted business list, the system shall be exempt from any conflicting statutory or common law obligations, including any obligations with respect to choice of asset managers, investment funds, or investments for fund securities portfolios.

Sec. 24. (a) Notwithstanding any provision to the contrary, the system is permitted to cease divesting and to reinvest in certain restricted businesses on the restricted business list if evidence shows that the value for all assets under management by the system on a fund's behalf becomes equal to or less than ninety-nine and five-tenths percent (99.5%) of the value of all assets under management by the system on a fund's behalf, including the businesses divested under section 16 of this chapter.

(b) As provided by this section, any cessation of divestment or reinvestment shall be strictly limited to the minimum steps necessary to avoid the contingency set forth in subsection (a).

(c) For any cessation of divestment, reinvestment, and subsequent ongoing investment authorized by this section, the board shall submit a report in an electronic format under IC 5-14-6 to the executive director of the legislative services agency for distribution to the members of the general assembly before any initial reinvestment. The report shall be updated annually thereafter as applicable, setting forth the reasons and justifications for the decision to cease divestment, reinvest, or remain invested with businesses engaged in boycott, divest from, or sanction Israel activity. This section does not apply to businesses that have ceased to engage in boycott, divest from, or sanction Israel activity.

Sec. 25. (a) Both:

(1) the state and officers, agents, and employees of the state;
and

P.L.180-2016
[S.308. Approved March 24, 2016.]

AN ACT to amend the Indiana Code concerning taxation.

SECTION 2. IC 6-1.1-4-4.5, AS AMENDED BY P.L.112-2012, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2016 (RETROACTIVE)]: Sec. 4.5. (a) The department of local government finance shall adopt rules establishing a system for annually adjusting the assessed value of real property to account for changes in value in those years since a reassessment under section 4 or 4.2 of this chapter for the property last took effect.

(b) Subject to subsection (e), the system must be applied to adjust assessed values beginning with the 2006 assessment date and each year thereafter that is not a year in which a reassessment under section 4 or 4.2 of this chapter for the property becomes effective.

(c) The rules adopted under subsection (a) must include the following characteristics in the system:

(1) Promote uniform and equal assessment of real property within and across classifications.

(2) Require that assessing officials:

(A) reevaluate the factors that affect value;

(B) express the interactions of those factors mathematically;

(C) use mass appraisal techniques to estimate updated property values within statistical measures of accuracy; and

(D) provide notice to taxpayers of an assessment increase that results from the application of annual adjustments.

(3) Prescribe procedures that permit the application of the adjustment percentages in an efficient manner by assessing officials.

(d) The department of local government finance must review and certify each annual adjustment determined under this section.

(e) In making the annual determination of the base rate to satisfy the requirement for an annual adjustment under subsection (c) for ~~current property taxes first due and payable in 2011~~ **the January 1, 2016, assessment date and each assessment date** thereafter, the department of local government finance shall determine the base rate using the methodology reflected in Table 2-18 of Book 1, Chapter 2 of the department of local government finance's Real Property Assessment Guidelines (as in effect on January 1, 2005), except that the department shall adjust the methodology ~~to~~ **as follows:**

(1) Use a six (6) year rolling average adjusted under subdivision ~~(2)~~ **(3)** instead of a four (4) year rolling average. ~~and~~

(2) Use the data from the six (6) most recent years preceding the year in which the assessment date occurs for which data is available, before one (1) of those six (6) years is eliminated under subdivision (3) when determining the rolling average.

~~(2)~~ **(3) Eliminate in the calculation of the rolling average the year among the six (6) years for which the highest market value in use of agricultural land is determined.**

(4) After determining a preliminary base rate that would apply for the assessment date without applying the adjustment under this subdivision, the department of local government finance shall adjust the preliminary base rate as follows:

(A) If the preliminary base rate for the assessment date

would be at least ten percent (10%) greater than the final base rate determined for the preceding assessment date, a capitalization rate of eight percent (8%) shall be used to determine the final base rate.

(B) If the preliminary base rate for the assessment date would be at least ten percent (10%) less than the final base rate determined for the preceding assessment date, a capitalization rate of six percent (6%) shall be used to determine the final base rate.

(C) If neither clause (A) nor clause (B) applies, a capitalization rate of seven percent (7%) shall be used to determine the final base rate.

(D) In the case of a market value in use for a year that is used in the calculation of the six (6) year rolling average under subdivision (1) for purposes of determining the base rate for the assessment date:

(i) that market value in use shall be recalculated by using the capitalization rate determined under clauses (A) through (C) for the calculation of the base rate for the assessment date; and

(ii) the market value in use recalculated under item (i) shall be used in the calculation of the six (6) year rolling average under subdivision (1).

(f) For assessment dates after December 31, 2009, an adjustment in the assessed value of real property under this section shall be based on the estimated true tax value of the property on the assessment date that is the basis for taxes payable on that real property.

SECTION 3. IC 6-1.1-4-13, AS AMENDED BY P.L.249-2015, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2016 (RETROACTIVE)]: Sec. 13. (a) In assessing or reassessing land, the land shall be assessed as agricultural land only when it is devoted to agricultural use.

(c) The department of local government finance shall give written notice to each county assessor of:

- (1) the availability of the United States Department of Agriculture's soil survey data; and
- (2) the appropriate soil productivity factor for each type or classification of soil shown on the United States Department of Agriculture's soil survey map.

All assessing officials and the property tax assessment board of appeals shall use the data in determining the true tax value of agricultural land. However, notwithstanding the availability of new soil productivity factors and the department of local government finance's notice of the appropriate soil productivity factor for each type or classification of soil shown on the United States Department of Agriculture's soil survey

(b) The ordinance must specify:

- (1) the appeal or appeals and why they are uncommon and infrequent;
- (2) a detailed list of expenses incurred by fund and by parcel number; and

(1) the amount of the increase for each levy that is requested in the petition; or

(2) the amount necessary to increase each of these levies for 2017 to the amount that each of these levies would be for 2017 if the department had used for each of these levies the maximum permissible levy instead of the certified levy when computing the township's maximum levy amount for 2004 for each of these levies.

(d) A township's maximum permissible ad valorem property tax levy under IC 6-1.1-18.5 and IC 36-8-13 for property taxes first due and payable in 2017, as adjusted under this section, shall be used in the determination of the township's maximum permissible ad valorem property tax levy under IC 6-1.1-18.5 and IC 36-8-13 for property taxes first due and payable in 2018 and thereafter.

(e) This section expires June 30, 2019.

(2) The municipality's population increased by at least one hundred fifty percent (150%) between the last two (2) decennial censuses.

(b) A municipality that meets all the requirements under subsection (a) may increase its ad valorem property tax levy in excess of the limits imposed under section 3 of this chapter by a percentage equal to the lesser of:

(1) the percentage growth in the municipality's assessed value for the preceding year compared to the year before the preceding year; or

(2) six percent (6%).

(c) A municipality's assessed value growth that results from either annexation or the pass through of assessed value from a tax increment financing district may not be included for the purposes

of determining a municipality's assessed value growth under this section.

(d) This section applies to property tax levies imposed after December 31, 2016.

(d) The township's 2017 maximum permissible ad valorem property tax levy, after the increase made under this section, is to be used in determining the township's previous year maximum permissible ad valorem property tax levy for the determination under this chapter of the township's maximum permissible ad valorem property tax levy after 2017.

(e) This section expires January 1, 2019.

SECTION 13. IC 6-1.1-36-12, AS AMENDED BY P.L.146-2008, SECTION 289, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: **Sec. 12. (a) A board of county commissioners, a county assessor, or a township assessor (if any) may enter into a contract for the discovery of property that has been undervalued or omitted from assessment. The contract must prohibit**

(b) This subsection applies if funds are not appropriated for payment of services performed under a contract described in subsection (a). The county auditor may create a special nonreverting fund in which the county treasurer shall deposit the amount of taxes, including penalties and interest, that result from additional assessments on undervalued or omitted property collected from all taxing jurisdictions in the county after deducting the amount of any property tax credits that reduce the owner's property tax liability for the undervalued or omitted property. The fund remains in existence during the term of the contract. Distributions shall be made from the fund without appropriation only for the following purposes:

(1) All contract fees and other costs related to the contract.

(2) After the payments required by subdivision (1) have been made and the contract has expired, the county auditor shall distribute all money remaining in the fund to the appropriate taxing units in the county using the property tax rates of each taxing unit in effect at the time of the distribution.

(c) A board of county commissioners, a county assessor, or a township assessor may not contract for services under subsection (a) on a percentage basis.

SECTION 14. IC 6-3.6-2-13.5 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: **Sec. 13.5. "PSAP" means a PSAP (as defined in IC 36-8-16.7-20) that is part of the statewide 911 system**

(B) a county economic development income tax for the county under IC 6-3.5-7 (repealed) that was in effect on January 1, 2015.

(2) The county fiscal body in any other county.

(3) The county fiscal body for purposes of adopting a rate dedicated to paying for a PSAP in the county as permitted by IC 6-3.6-6-2.5.

(b) A local income tax council is established for each county. The membership of each county's local income tax council consists of the fiscal body of the county and the fiscal body of each city or town that lies either partially or entirely within that county.

SECTION 16. IC 6-3.6-6-2.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: **Sec. 2.5. (a) This section applies to a county in which the adopting body:**

(1) is the local income tax council; and

(2) did not allocate the revenue under this chapter from an expenditure rate of at least one-tenth of one percent (0.1%) to pay for a PSAP in the county for a year.

(b) A county fiscal body may adopt an ordinance to impose a tax rate for a PSAP in the county. The tax rate must be in increments of one-hundredth of one percent (0.01%) and may not exceed one-tenth of one percent (0.1%).

(c) The revenue generated by a tax rate imposed under this section must be distributed directly to the county before the remainder of the expenditure rate revenue is distributed. The revenue shall be maintained in a separate dedicated county fund and used only for paying for a PSAP in the county.

SECTION 17. IC 6-3.6-6-3, AS ADDED BY P.L.243-2015,

SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 3. Revenue raised from a tax imposed under this chapter shall be treated as follows:

(1) If an ordinance described in section 2.5 of this chapter is in effect in a county, to make a distribution to the county equal to the amount of revenue generated by the rate imposed under section 2.5 of this chapter.

~~(1)~~ **(2) After making the distribution described in subdivision (1), if any,** to make distributions to school corporations and civil taxing units in counties that formerly imposed a tax under IC 6-3.5-1.1. The revenue categorized from the ~~first~~ **next** twenty-five hundredths percent (0.25%) of the rate for a former tax adopted under IC 6-3.5-1.1 shall be allocated to school corporations and civil taxing units. The amount of the allocation to a school corporation or civil taxing unit shall be determined using the allocation amounts for civil taxing units and school corporations in the determination.

~~(2)~~ **(3) After making the distributions described in subdivisions (1) and (2),** the remaining revenue shall be treated as additional revenue (referred to as "additional revenue" in this chapter). Additional revenue may not be considered by the department of local government finance in determining:

(A) any taxing unit's maximum permissible property tax levy limit under IC 6-1.1-18.5; or

(B) the approved property tax rate for any fund.

SECTION 18. IC 6-3.6-6-11, AS ADDED BY P.L.243-2015, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 11. (a) Except as provided in this chapter and IC 6-3.6-11, this section applies to an allocation of certified shares in all counties.

(b) Subject to this chapter, any civil taxing unit that imposes an ad valorem property tax in the county that has a tax rate in effect under this chapter is eligible for an allocation under this chapter.

(c) A school corporation is not a civil taxing unit for the purpose of receiving an allocation of certified shares under this chapter. The distributions to school corporations and civil taxing units in counties that formerly imposed a tax under IC 6-3.5-1.1 as provided in section ~~3(1)~~ **3(2)** of this chapter is not considered an allocation of certified

shares. A school corporation's allocation amount for purposes of section ~~3(1)~~ **3(2)** of this chapter shall be determined under section 12 of this chapter.

(d) A county solid waste management district (as defined in IC 13-11-2-47) or a joint solid waste management district (as defined in IC 13-11-2-113) is not a civil taxing unit for the purpose of receiving an allocation of certified shares under this chapter unless a majority of the members of each of the county fiscal bodies of the counties within the district passes a resolution approving the distribution.

(e) A resolution passed by a county fiscal body under subsection (d) may:

- (1) expire on a date specified in the resolution; or
- (2) remain in effect until the county fiscal body revokes or rescinds the resolution.

SECTION 19. IC 6-3.6-6-12, AS ADDED BY P.L.243-2015, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 12. (a) Except as provided in this chapter and IC 6-3.6-11, this section applies to an allocation of certified shares in all counties.

(b) The allocation amount of a civil taxing unit during a calendar year is equal to the amount determined using the following formula:

STEP ONE: Determine the sum of the total property taxes being imposed by the civil taxing unit during the calendar year of the distribution.

STEP TWO: Determine the sum of the following:

- (A) Amounts appropriated from property taxes to pay the principal of or interest on any debenture or other debt obligation issued after June 30, 2005, other than an obligation described in subsection (c).
- (B) Amounts appropriated from property taxes to make payments on any lease entered into after June 30, 2005, other than a lease described in subsection (d).

STEP THREE: Subtract the STEP TWO amount from the STEP ONE amount.

STEP FOUR: Determine the sum of:

- (A) the STEP THREE amount; plus
- (B) the civil taxing unit's certified shares plus the amount distributed under section ~~3(1)~~ **3(2)** of this chapter for the

previous calendar year.

The allocation amount is subject to adjustment as provided in IC 36-8-19-7.5.

(c) Except as provided in this subsection, an appropriation from property taxes to repay interest and principal of a debt obligation is not deducted from the allocation amount for a civil taxing unit if:

(1) the debt obligation was issued; and

(2) the proceeds were appropriated from property taxes;

to refund or otherwise refinance a debt obligation or a lease issued before July 1, 2005. However, an appropriation from property taxes related to a debt obligation issued after June 30, 2005, is deducted if the debt extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if the debt or lease had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid.

(d) Except as provided in this subsection, an appropriation from property taxes to make payments on a lease is not deducted from the allocation amount for a civil taxing unit if:

(1) the lease was issued; and

(2) the proceeds were appropriated from property taxes;

to refinance a debt obligation or lease issued before July 1, 2005. However, an appropriation from property taxes related to a lease entered into after June 30, 2005, is deducted if the lease extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if the debt or lease had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid.

SECTION 20. IC 6-3.6-6-20, AS ADDED BY P.L.243-2015, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 20. (a) This section applies to any allocation or distribution of revenue under section ~~3(1)~~ or 3(2) or **3(3)** of this chapter that is made on the basis of property tax levies. If a school

corporation or civil taxing unit of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which revenue under section ~~3(1)~~ or 3(2) or **3(3)** of this chapter is being allocated or distributed, that school corporation or civil taxing unit is entitled to receive a part of the revenue under section ~~3(1)~~ or 3(2) or **3(3)** of this chapter (as appropriate) to be distributed within the county. The fractional amount that such a school corporation or civil taxing unit is entitled to receive each month during that calendar year equals the product of the following:

- (1) The amount of revenue under section ~~3(1)~~ or 3(2) or **3(3)** of this chapter to be distributed on the basis of property tax levies during that month; multiplied by
- (2) A fraction. The numerator of the fraction equals the budget of that school corporation or civil taxing unit for that calendar year. The denominator of the fraction equals the aggregate budgets of all school corporations or civil taxing units of that county for that calendar year.

(b) If for a calendar year a school corporation or civil taxing unit is allocated a part of a county's revenue under section ~~3(1)~~ or 3(2) or **3(3)** of this chapter by subsection (a), the calculations used to determine the shares of revenue of all other school corporations and civil taxing units under section ~~3(1)~~ or 3(2) or **3(3)** of this chapter (as appropriate) shall be changed each month for that same year by reducing the amount of revenue to be distributed by the amount of revenue under section ~~3(1)~~ or 3(2) or **3(3)** of this chapter allocated under subsection (a) for that same month. The department of local government finance shall make any adjustments required by this subsection and provide them to the appropriate county auditors.

SECTION 21. IC 6-3.6-9-10, AS ADDED BY P.L.243-2015, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 10. The budget agency shall also certify information concerning the part of the certified distribution that is attributable to each of the following:

- (1) The tax rate imposed under IC 6-3.6-5.
- (2) The tax rate imposed under IC 6-3.6-6, **separately stating the part of the distribution attributable to a tax rate imposed under IC 6-3.6-6-2.5.**
- (3) Each tax rate imposed under IC 6-3.6-7.

The amount certified shall be adjusted to reflect any adjustment in the certified distribution under this chapter.

SECTION 22. IC 36-2-13-16 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 16. (a) If the county legislative body adopts an ordinance electing to implement section 15 of this chapter, the county legislative body shall establish a nonreverting county prisoner reimbursement fund.

(b) All amounts collected under section 15 of this chapter must be deposited in the county prisoner reimbursement fund.

(c) Any amount earned from the investment of amounts in the fund becomes part of the fund.

(d) Notwithstanding any other law, upon appropriation by the county fiscal body, amounts in the fund may be used by the county only for the operation, construction, repair, remodeling, enlarging, and equipment of:

(1) a county jail; or

(2) a juvenile detention center to be operated under IC 31-31-8 or IC 31-31-9.

(e) For a county that has a balance in the fund that exceeds the amount needed for the purposes set forth in subsection (d), the fund may be used by the county for the costs of care, maintenance, and housing of prisoners, including the cost of housing prisoners in the facilities of another county.

SECTION 23. IC 36-7-15.1-26, AS AMENDED BY SEA 321-2016, SECTION 32, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 26. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 8 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

- (4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).
- (5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.
- (6) If an allocation area established in a redevelopment project

area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 26.2 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes, taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A resolution adopted under section 8 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or amendment that establishes an allocation provision must include a specific finding of fact, supported by evidence, that the adoption of the allocation provision will result in new property taxes in the area that would not have been generated but for the adoption of the allocation provision. For an allocation area established before July 1, 1995, the expiration date of any allocation provisions for the allocation area is June 30, 2025, or the last date of any obligations that are outstanding on July 1, 2015, whichever is later. However, ~~an expiration date imposed by this subsection does not apply to~~ **for** an allocation area identified as the Consolidated Allocation Area in the report submitted in 2013 to the fiscal body under section 36.3 of this chapter, **the expiration date of any allocation provisions for the allocation area is January 1, 2051.** A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an

expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;
or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when

collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

- (A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.
- (B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.
- (C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 19 of this chapter.
- (D) Pay the principal of and interest on bonds issued by the consolidated city to pay for local public improvements that are physically located in or physically connected to that allocation area.
- (E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.
- (F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this chapter.
- (G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) that are physically located in or physically connected to that allocation area.
- (H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.
- (I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:
 - (i) in the allocation area; and
 - (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (i) Make, when due, any payments required under clauses (A) through (I), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.
- (ii) Make any reimbursements required under this subdivision.
- (iii) Pay any expenses required under this subdivision.
- (iv) Establish, augment, or restore any debt service reserve under this subdivision.

(K) Expend money and provide financial assistance as authorized in section 7(a)(21) of this chapter.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus

the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3).

(C) If:

(i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus

(ii) the amount necessary for other purposes described in subdivision (3) and subsection (g);

the commission shall submit to the legislative body of the unit the commission's determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund

derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

(1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.

(2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in the enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(3). However, where reference is made in subsection (b)(3) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment of real property in an area under IC 6-1.1-4-4 and after each reassessment under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to

the redevelopment district under subsection (b)(3) than would otherwise have been received if the general reassessment, reassessment under the reassessment plan, or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final allocation deadline.

SECTION 24. [EFFECTIVE UPON PASSAGE] (a) The general assembly urges the legislative council to assign to the interim study committee on fiscal policy during the 2016 legislative interim the study of the fiscal needs of municipalities that have percentage growth in assessed value in a year that was at least two (2) times the percentage growth allowed in property tax levies under IC 6-1.1-18.5.

(b) This SECTION expires January 1, 2017.

SECTION 25. An emergency is declared for this act.

P.L.181-2016
[S.309. Approved March 24, 2016.]

AN ACT to amend the Indiana Code concerning taxation.

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 5-20-5-15.5, AS AMENDED BY P.L.211-2007, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 15.5. (a) The governing body of an eligible entity that receives a grant under this chapter shall, by resolution, establish an affordable housing fund to be administered, subject to the terms of the resolution, by a department, a division, or an agency designated by the governing body.

(b) The affordable housing fund consists of:

- (1) payments in lieu of taxes deposited in the fund under IC 36-1-8-14.2 (**before its expiration**);
- (2) gifts and grants to the fund;
- (3) investment income earned on the fund's assets;
- (4) money deposited in the fund under IC 36-2-7-10; and
- (5) other funds from sources approved by the commission.

(c) The governing body shall, by resolution, establish uses for the affordable housing fund. However, the uses must be limited to:

- (1) providing financial assistance to those individuals and families whose income is at or below eighty percent (80%) of the county's median income for individuals and families, respectively, to enable those individuals and families to purchase or lease residential units within the county;
- (2) paying expenses of administering the fund;
- (3) making grants, loans, and loan guarantees for the development, rehabilitation, or financing of affordable housing for individuals and families whose income is at or below eighty percent (80%) of the county's median income for individuals and families, respectively, including the elderly, persons with

disabilities, and homeless individuals and families; and

(4) providing technical assistance to nonprofit developers of affordable housing.

(d) The county treasurer shall invest the money in the fund not currently needed to meet the obligations of the fund in the same manner as other public funds may be invested.

SECTION 2. IC 6-1.1-10-16, AS AMENDED BY P.L.151-2014, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 16. (a) All or part of a building is exempt from property taxation if it is owned, occupied, and used by a person for educational, literary, scientific, religious, or charitable purposes.

(b) A building is exempt from property taxation if it is owned, occupied, and used by a town, city, township, or county for educational, literary, scientific, fraternal, or charitable purposes.

(c) A tract of land, including the campus and athletic grounds of an educational institution, is exempt from property taxation if:

(1) a building that is exempt under subsection (a) or (b) is situated on it;

(2) a parking lot or structure that serves a building referred to in subdivision (1) is situated on it; or

(3) the tract:

(A) is owned by a nonprofit entity established for the purpose of retaining and preserving land and water for their natural characteristics;

(B) does not exceed five hundred (500) acres; and

(C) is not used by the nonprofit entity to make a profit.

(d) A tract of land is exempt from property taxation if:

(1) it is purchased for the purpose of erecting a building that is to be owned, occupied, and used in such a manner that the building will be exempt under subsection (a) or (b); and

(2) not more than four (4) years after the property is purchased, and for each year after the four (4) year period, the owner demonstrates substantial progress and active pursuit towards the erection of the intended building and use of the tract for the exempt purpose. To establish substantial progress and active pursuit under this subdivision, the owner must prove the existence of factors such as the following:

(A) Organization of and activity by a building committee or

other oversight group.

(B) Completion and filing of building plans with the appropriate local government authority.

(C) Cash reserves dedicated to the project of a sufficient amount to lead a reasonable individual to believe the actual construction can and will begin within four (4) years.

(D) The breaking of ground and the beginning of actual construction.

(E) Any other factor that would lead a reasonable individual to believe that construction of the building is an active plan and that the building is capable of being completed within eight (8) years considering the circumstances of the owner.

If the owner of the property sells, leases, or otherwise transfers a tract of land that is exempt under this subsection, the owner is liable for the property taxes that were not imposed upon the tract of land during the period beginning January 1 of the fourth year following the purchase of the property and ending on December 31 of the year of the sale, lease, or transfer. The county auditor of the county in which the tract of land is located may establish an installment plan for the repayment of taxes due under this subsection. The plan established by the county auditor may allow the repayment of the taxes over a period of years equal to the number of years for which property taxes must be repaid under this subsection.

(e) Personal property is exempt from property taxation if it is owned and used in such a manner that it would be exempt under subsection (a) or (b) if it were a building.

(f) A hospital's property that is exempt from property taxation under subsection (a), (b), or (e) shall remain exempt from property taxation even if the property is used in part to furnish goods or services to another hospital whose property qualifies for exemption under this section.

(g) Property owned by a shared hospital services organization that is exempt from federal income taxation under Section 501(c)(3) or 501(e) of the Internal Revenue Code is exempt from property taxation if it is owned, occupied, and used exclusively to furnish goods or services to a hospital whose property is exempt from property taxation under subsection (a), (b), or (e).

(h) This section does not exempt from property tax an office or a

practice of a physician or group of physicians that is owned by a hospital licensed under IC 16-21-2 or other property that is not substantially related to or supportive of the inpatient facility of the hospital unless the office, practice, or other property:

- (1) provides or supports the provision of charity care (as defined in IC 16-18-2-52.5), including providing funds or other financial support for health care services for individuals who are indigent (as defined in IC 16-18-2-52.5(b) and IC 16-18-2-52.5(c)); or
- (2) provides or supports the provision of community benefits (as defined in IC 16-21-9-1), including research, education, or government sponsored indigent health care (as defined in IC 16-21-9-2).

However, participation in the Medicaid or Medicare program alone does not entitle an office, practice, or other property described in this subsection to an exemption under this section.

(i) The exemption provided in this subsection applies only for an assessment date occurring before January 2, 2017. A tract of land or a tract of land plus all or part of a structure on the land is exempt from property taxation if:

- (1) the tract is acquired for the purpose of erecting, renovating, or improving a single family residential structure that is to be given away or sold:
 - (A) in a charitable manner;
 - (B) by a nonprofit organization; and
 - (C) to low income individuals who will:
 - (i) use the land as a family residence; and
 - (ii) not have an exemption for the land under this section;
- (2) the tract does not exceed three (3) acres; **and**
- (3) the tract of land or the tract of land plus all or part of a structure on the land is not used for profit while exempt under this section. **and**
- ~~(4) not more than four (4) years after the property is acquired for the purpose described in subdivision (1); and for each year after the four (4) year period the owner demonstrates substantial progress and active pursuit towards the erection, renovation, or improvement of the intended structure. To establish substantial progress and active pursuit under this subdivision, the owner must prove the existence of factors such as the following:~~

- ~~(A)~~ Organization of and activity by a building committee or other oversight group.
- ~~(B)~~ Completion and filing of building plans with the appropriate local government authority.
- ~~(C)~~ Cash reserves dedicated to the project of a sufficient amount to lead a reasonable individual to believe the actual construction can and will begin within five (5) years of the initial exemption received under this subsection.
- ~~(D)~~ The breaking of ground and the beginning of actual construction.
- ~~(E)~~ Any other factor that would lead a reasonable individual to believe that construction of the structure is an active plan and that the structure is capable of being:
 - (i) completed; and
 - (ii) transferred to a low income individual who does not receive an exemption under this section;
 within eight (8) years considering the circumstances of the owner.

This subsection expires January 1, 2028.

- (j) An exemption under subsection (i) terminates:
 - (1) when the property is conveyed by the nonprofit organization to another owner; **or**
 - (2) **January 2, 2017;**

whichever occurs first. This subsection expires January 1, 2028.

(k) When the property that is exempt in any year under subsection (i) is conveyed to another owner, the nonprofit organization receiving the exemption must file a certified statement with the auditor of the county, notifying the auditor of the change not later than sixty (60) days after the date of the conveyance. The county auditor shall immediately forward a copy of the certified statement to the county assessor. A nonprofit organization that fails to file the statement required by this subsection is liable for the amount of property taxes due on the property conveyed if it were not for the exemption allowed under this chapter.

- ~~(k)~~ (l) If property is granted an exemption in any year under subsection (i) and the owner:
 - (1) ceases to be eligible for the exemption under subsection (i)(4);
 - (2) (1) fails to transfer the tangible property within eight (8) years

after the assessment date for which the exemption is initially granted; or

~~(3)~~ **(2)** transfers the tangible property to a person who:

(A) is not a low income individual; or

(B) does not use the transferred property as a residence for at least one (1) year after the property is transferred;

the person receiving the exemption shall notify the county recorder and the county auditor of the county in which the property is located not later than sixty (60) days after the event described in subdivision (1) **or** (2) ~~or (3)~~ occurs. The county auditor shall immediately inform the county assessor of a notification received under this subsection. **This subsection expires January 1, 2028.**

~~(k)~~ **(m)** If subsection ~~(k)(1)~~, ~~(k)(2)~~, ~~or (k)(3)~~ **(l)(1) or (l)(2)** applies, the owner shall pay, not later than the date that the next installment of property taxes is due, an amount equal to the sum of the following:

(1) The total property taxes that, if it were not for the exemption under subsection (i), would have been levied on the property in each year in which an exemption was allowed.

(2) Interest on the property taxes at the rate of ten percent (10%) per year.

This subsection expires January 1, 2028.

~~(m)~~ **(n)** The liability imposed by subsection ~~(m)~~ **(m)** is a lien upon the property receiving the exemption under subsection (i). An amount collected under subsection ~~(m)~~ **(m)** shall be collected as an excess levy. If the amount is not paid, it shall be collected in the same manner that delinquent taxes on real property are collected. **This subsection expires January 1, 2028.**

~~(n)~~ **(o)** Property referred to in this section shall be assessed to the extent required under IC 6-1.1-11-9.

~~(o)~~ **(p)** A for-profit provider of early childhood education services to children who are at least four (4) but less than six (6) years of age on the annual assessment date may receive the exemption provided by this section for property used for educational purposes only if all the requirements of section 46 of this chapter are satisfied. A for-profit provider of early childhood education services that provides the services only to children younger than four (4) years of age may not receive the exemption provided by this section for property used for educational purposes.

SECTION 3. IC 6-1.1-10-16.7, AS AMENDED BY P.L.181-2006, SECTION 42, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 16.7. **(a) Except as otherwise provided in this section**, all or part of real property is exempt from property taxation if:

- (1) the improvements on the real property were constructed, rehabilitated, or acquired for the purpose of providing housing to income eligible persons under the federal low income housing tax credit program under 26 U.S.C. 42;
- (2) the real property is subject to an extended use agreement under 26 U.S.C. 42 as administered by the Indiana housing and community development authority; and
- (3) the owner of the property has entered into an agreement to make payments in lieu of taxes under IC 36-1-8-14.2 **(before its expiration)**, IC 36-2-6-22 **(before its expiration)**, or IC 36-3-2-11 **(before its expiration)**.

(b) For assessment dates after December 31, 2017, all or part of real property is exempt from property taxation if:

(1) the conditions specified in subsection (a)(1) through (a)(3) are met; and

(2) before January 1, 2018:

- (A) the real property was exempt from property taxation under this section for one (1) or more assessment dates;**
- (B) a person filed an application seeking bond financing with a political subdivision with respect to the real property;**
- (C) a person filed an application with the Indiana housing and community development authority seeking tax credits under 26 U.S.C. 42 with respect to the real property; or**
- (D) the real property was the subject of a resolution for affordable housing adopted by a political subdivision.**

(c) This section may not be construed in such a way as to:

- (1) alter the terms of an agreement with the holders of any outstanding notes, bonds, or other obligations of an issuing body;**
- (2) authorize the issuing body to alter the terms of an agreement described in subdivision (1); or**
- (3) impair, or authorize the issuing body to impair, the rights and remedies of any creditor of the issuing body.**

SECTION 4. IC 6-1.1-12-18, AS AMENDED BY P.L.247-2015, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 18. **(a) This section applies only to rehabilitation of residential real property that occurs before January 2, 2017.**

~~(a)~~ **(b)** If the assessed value of residential real property described in subsection ~~(d)~~ **(e)** is increased because it has been rehabilitated, the owner may have deducted from the assessed value of the property an amount not to exceed the lesser of:

- (1) the total increase in assessed value resulting from the rehabilitation **(excluding an increase in assessed value that occurs after January 1, 2017)**; or
- (2) eighteen thousand seven hundred twenty dollars (\$18,720) per rehabilitated dwelling unit.

The owner is entitled to this deduction annually for a five (5) year period, or if subsection ~~(e)~~ **(f)** applies, the period established under subsection ~~(e)~~: **(f)**.

~~(b)~~ **(c)** For purposes of this section, the term "rehabilitation" means significant repairs, replacements, or improvements to an existing structure which are intended to increase the livability, utility, safety, or value of the property under rules adopted by the department of local government finance.

~~(e)~~ **(d)** For the purposes of this section, the term "owner" or "property owner" includes any person who has the legal obligation, or has otherwise assumed the obligation, to pay the real property taxes on the rehabilitated property.

~~(d)~~ **(e)** The deduction provided by this section applies only:

- (1) for the rehabilitation of residential real property which is located within this state and which is described in one (1) of the following classifications:
 - (A) A single family dwelling if before rehabilitation the assessed value (excluding any exemptions or deductions) of the improvements does not exceed thirty-seven thousand four hundred forty dollars (\$37,440).
 - (B) A two (2) family dwelling if before rehabilitation the assessed value (excluding exemptions or deductions) of the improvements does not exceed forty-nine thousand nine hundred twenty dollars (\$49,920).

(C) A dwelling with more than two (2) family units if before rehabilitation the assessed value (excluding any exemptions or deductions) of the improvements does not exceed eighteen thousand seven hundred twenty dollars (\$18,720) per dwelling unit; and

(2) if the property owner:

(A) owns the residential real property; or

(B) is buying the residential real property under contract;

on the assessment date of the year in which an application must be filed under section 20 of this chapter.

~~(e)~~ (f) A county, city, or town fiscal body may adopt an ordinance to establish a deduction period that is longer than five (5) years but not to exceed fifteen (15) years for any rehabilitated property covered by this section that has also been determined to be abandoned or vacant for purposes of IC 6-1.1-24.

(g) This section expires January 1, 2033.

SECTION 5. IC 6-1.1-12-19, AS AMENDED BY P.L.112-2012, SECTION 25, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 19. (a) The deduction from assessed value provided by section 18 of this chapter (**before its expiration**) is first available in the year in which the increase in assessed value resulting from the rehabilitation occurs and shall continue for the following four (4) years. (b) A trust or estate shall, at the time that it makes a payment to the department under this section, deliver to the department a return which shows the total amounts distributed to the trust's or estate's nonresident beneficiaries, the amount deducted from the distributions under this section, and any other information required by the department. The trust or estate shall file the return on the form prescribed by the department. A trust or estate which makes the deduction and retention required by this section shall furnish to its nonresident beneficiaries annually, but not later than thirty (30) days after the end of the trust's or estate's taxable year, a record of the amount of tax deducted and retained from the beneficiaries. The trust or estate shall furnish the information on the form prescribed by the department.

(c) The money deducted and retained by a trust or estate under this section is money of this state. Every trust or estate which deducts and retains any money under this section shall hold the money in trust for

this state until it pays the money to the department in the manner and at the time provided in this section. The department may require a trust or estate to post a surety bond to protect this state with respect to money deducted and retained by the trust or estate under this section. The department shall determine the amount of the surety bond.

(d) The provisions of IC 6-8.1 relating to penalties or to additions to tax in case of a delinquency apply to trusts and estates which are subject to this section. For purposes of this subsection, any amount deducted, or required to be deducted and remitted to the department, under this section is considered the tax of the trust or estate, and with respect to that amount, it is considered the taxpayer.

(e) Amounts deducted from distributions to nonresident beneficiaries under this section during a taxable year of the trust or estate are considered a partial payment of the tax imposed on the nonresident beneficiary for his taxable year within or with which the trust's or estate's taxable year ends. The department shall accept a return made by the trust or estate under subsection (b) as evidence of the amount of tax deducted from the income distributed to a nonresident beneficiary.

(f) This section does not relieve a nonresident beneficiary of his duty to file a return at the time required under IC 6-3. The nonresident beneficiary shall pay any unpaid tax at the time prescribed by section 5 of this chapter.

(g) If a trust or estate fails to withhold and pay any amount of tax required to be withheld under this section and thereafter the tax is paid by the beneficiaries, the amount of tax paid by the beneficiaries may not be collected from the trust or estate but it may not be relieved from liability for interest or penalty otherwise due in respect to the failure to withhold under IC 6-8.1-10.

~~(g)~~ **(h)** A trust or estate shall file a composite adjusted gross income tax return on behalf of all nonresident beneficiaries. The composite return must include each nonresident beneficiary regardless of whether the nonresident beneficiary has other Indiana source income.

~~(h)~~ **(i)** For purposes of this section, a "nonresident beneficiary" is:

- (1) an individual who does not reside in Indiana;
- (2) a trust that does not reside in Indiana;
- (3) an estate that does not reside in Indiana;
- (4) a partnership that is not domiciled in Indiana;

(5) a C corporation that is not domiciled in Indiana; or

(6) an S corporation that is not domiciled in Indiana.

(j) If a trust or estate is permitted an extension to file its income tax return under IC 6-8.1-6-1, then the return and payment due under this subsection shall be allowed the same treatment as the extended income tax return with respect to due dates, interest, and penalties under IC 6-8.1-6-1.

SECTION 29. IC 6-8.1-8-2, AS AMENDED BY P.L.242-2015, SECTION 38, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 2. (a) Except as provided in IC 6-8.1-5-3 and sections 16 and 17 of this chapter, the department must issue a demand notice for the payment of a tax and any interest or penalties accrued on the tax, if a person files a tax return without including full payment of the tax or if the department, after ruling on a protest, finds that a person owes the tax before the department issues a tax warrant. The demand notice must state the following:

(1) That the person has ~~ten (10)~~ **twenty (20)** days from the date the department mails the notice to either pay the amount demanded or show reasonable cause for not paying the amount demanded.

(2) The statutory authority of the department for the issuance of a tax warrant.

(3) The earliest date on which a tax warrant may be filed and recorded.

(4) The statutory authority for the department to levy against a person's property that is held by a financial institution.

(5) The remedies available to the taxpayer to prevent the filing and recording of the judgment.

If the department files a tax warrant in more than one (1) county, the department is not required to issue more than one (1) demand notice.

(b) If the person does not pay the amount demanded or show reasonable cause for not paying the amount demanded within the ~~ten (10)~~ **twenty (20)** day period, the department may issue a tax warrant for the amount of the tax, interest, penalties, collection fee, sheriff's costs, clerk's costs, and fees established under section 4(b) of this chapter when applicable. When the department issues a tax warrant, a collection fee of ten percent (10%) of the unpaid tax is added to the total amount due.

(c) When the department issues a tax warrant, it may not file the warrant with the circuit court clerk of any county in which the person owns property until at least twenty (20) days after the date the demand notice was mailed to the taxpayer. The department may also send the warrant to the sheriff of any county in which the person owns property and direct the sheriff to file the warrant with the circuit court clerk:

- (1) at least twenty (20) days after the date the demand notice was mailed to the taxpayer; and
- (2) no later than five (5) days after the date the department issues the warrant.

(d) When the circuit court clerk receives a tax warrant from the department or the sheriff, the clerk shall record the warrant by making an entry in the judgment debtor's column of the judgment record, listing the following:

- (1) The name of the person owing the tax.
- (2) The amount of the tax, interest, penalties, collection fee, sheriff's costs, clerk's costs, and fees established under section 4(b) of this chapter when applicable.
- (3) The date the warrant was filed with the clerk.

(e) When the entry is made, the total amount of the tax warrant becomes a judgment against the person owing the tax. The judgment creates a lien in favor of the state that attaches to all the person's interest in any:

- (1) chose in action in the county; and
- (2) real or personal property in the county;

excepting only negotiable instruments not yet due.

(f) A judgment obtained under this section is valid for ten (10) years from the date the judgment is filed. The department may renew the judgment for additional ten (10) year periods by filing an alias tax warrant with the circuit court clerk of the county in which the judgment previously existed.

(g) A judgment arising from a tax warrant in a county shall be released by the department:

- (1) after the judgment, including all accrued interest to the date of payment, has been fully satisfied; or
- (2) if the department determines that the tax assessment or the issuance of the tax warrant was in error.

(h) Subject to subsections (p) and (q), if the department determines

that the filing of a tax warrant was in error or if the commissioner determines that the release of the judgment and expungement of the tax warrant are in the best interest of the state, the department shall mail a release of the judgment to the taxpayer and the circuit court clerk of each county where the warrant was filed. The circuit court clerk of each county where the warrant was filed shall expunge the warrant from the judgment debtor's column of the judgment record. The department shall mail the release and the order for the warrant to be expunged as soon as possible but no later than seven (7) days after:

(1) the determination by the department that the filing of the warrant was in error; and

(2) the receipt of information by the department that the judgment has been recorded under subsection (d).

(i) If the department determines that a judgment described in subsection (h) is obstructing a lawful transaction, the department shall immediately upon making the determination mail:

(1) a release of the judgment to the taxpayer; and

(2) an order requiring the circuit court clerk of each county where the judgment was filed to expunge the warrant.

(j) A release issued under subsection (h) or (i) must state that the filing of the tax warrant was in error. Upon the request of the taxpayer, the department shall mail a copy of a release and the order for the warrant to be expunged issued under subsection (h) or (i) to each major credit reporting company located in each county where the judgment was filed.

(k) The commissioner shall notify each state agency or officer supplied with a tax warrant list of the issuance of a release under subsection (h) or (i).

(l) If the sheriff collects the full amount of a tax warrant, the sheriff shall disburse the money collected in the manner provided in section 3(c) of this chapter. If a judgment has been partially or fully satisfied by a person's surety, the surety becomes subrogated to the department's rights under the judgment. If a sheriff releases a judgment:

(1) before the judgment is fully satisfied;

(2) before the sheriff has properly disbursed the amount collected;

or

(3) after the sheriff has returned the tax warrant to the department; the sheriff commits a Class B misdemeanor and is personally liable for

the part of the judgment not remitted to the department.

(m) A lien on real property described in subsection (e)(2) is void if both of the following occur:

- (1) The person owing the tax provides written notice to the department to file an action to foreclose the lien.
- (2) The department fails to file an action to foreclose the lien not later than one hundred eighty (180) days after receiving the notice.

(n) A person who gives notice under subsection (m) by registered or certified mail to the department may file an affidavit of service of the notice to file an action to foreclose the lien with the circuit court clerk in the county in which the property is located. The affidavit must state the following:

- (1) The facts of the notice.
- (2) That more than one hundred eighty (180) days have passed since the notice was received by the department.
- (3) That no action for foreclosure of the lien is pending.
- (4) That no unsatisfied judgment has been rendered on the lien.

(o) Upon receipt of the affidavit described in subsection (n), the circuit court clerk shall make an entry showing the release of the judgment lien in the judgment records for tax warrants.

(p) The department shall adopt rules to define the circumstances under which a release and expungement may be granted based on a finding that the release and expungement would be in the best interest of the state. The rules may allow the commissioner to expunge a tax warrant in other circumstances not inconsistent with subsection (q) that the commissioner determines are appropriate. Any releases or expungements granted by the commissioner must be consistent with these rules.

(q) The commissioner may expunge a tax warrant in the following circumstances:

- (1) If the taxpayer has timely and fully filed and paid all of the taxpayer's state taxes, or has otherwise resolved any outstanding state tax issues, for the preceding five (5) years.
- (2) If the warrant was issued more than ten (10) years prior to the expungement.
- (3) If the warrant is not subject to pending litigation.
- (4) Other circumstances not inconsistent with subdivisions (1)

through (3) that are specified in the rules adopted under subsection (p).

(r) Notwithstanding any other provision in this section, the commissioner may decline to release a judgment or expunge a warrant upon a finding that the warrant was issued based on the taxpayer's fraudulent, intentional, or reckless conduct.

(s) The rules required under subsection (p) shall specify the process for requesting that the commissioner release and expunge a tax warrant.

SECTION 30. IC 6-8.1-10-2.1, AS AMENDED BY P.L.293-2013(ts), SECTION 34, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 2.1. (a) Except as provided in ~~IC 6-3-4-12(j)~~ **IC 6-3-4-12(k)** and IC 6-3-4-13(l), a person that:

- (1) fails to file a return for any of the listed taxes;
- (2) fails to pay the full amount of tax shown on the person's return on or before the due date for the return or payment;
- (3) incurs, upon examination by the department, a deficiency that is due to negligence;
- (4) fails to timely remit any tax held in trust for the state; or
- (5) is required to make a payment by electronic funds transfer (as defined in IC 4-8.1-2-7), overnight courier, or personal delivery and the payment is not received by the department by the due date in funds acceptable to the department;

is subject to a penalty.

(b) Except as provided in subsection (g), the penalty described in subsection (a) is ten percent (10%) of:

- (1) the full amount of the tax due if the person failed to file the return;
- (2) the amount of the tax not paid, if the person filed the return but failed to pay the full amount of the tax shown on the return;
- (3) the amount of the tax held in trust that is not timely remitted;
- (4) the amount of deficiency as finally determined by the department; or
- (5) the amount of tax due if a person failed to make payment by electronic funds transfer, overnight courier, or personal delivery by the due date.

(c) For purposes of this section, the filing of a substantially blank or

unsigned return does not constitute a return.

(d) If a person subject to the penalty imposed under this section can show that the failure to file a return, pay the full amount of tax shown on the person's return, timely remit tax held in trust, or pay the deficiency determined by the department was due to reasonable cause and not due to willful neglect, the department shall waive the penalty.

(e) A person who wishes to avoid the penalty imposed under this section must make an affirmative showing of all facts alleged as a reasonable cause for the person's failure to file the return, pay the amount of tax shown on the person's return, pay the deficiency, or timely remit tax held in trust, in a written statement containing a declaration that the statement is made under penalty of perjury. The statement must be filed with the return or payment within the time prescribed for protesting departmental assessments. A taxpayer may also avoid the penalty imposed under this section by obtaining a ruling from the department before the end of a particular tax period on the amount of tax due for that tax period.

(f) The department shall adopt rules under IC 4-22-2 to prescribe the circumstances that constitute reasonable cause and negligence for purposes of this section.

(g) A person who fails to file a return for a listed tax that shows no tax liability for a taxable year, other than an information return (as defined in section 6 of this chapter), on or before the due date of the return shall pay a penalty of ten dollars (\$10) for each day that the return is past due, up to a maximum of two hundred fifty dollars (\$250).

(h) A:

- (1) corporation which otherwise qualifies under IC 6-3-2-2.8(2);
- (2) partnership; or
- (3) trust;

that fails to withhold and pay any amount of tax required to be withheld under IC 6-3-4-12, IC 6-3-4-13, or IC 6-3-4-15 shall pay a penalty equal to twenty percent (20%) of the amount of tax required to be withheld under IC 6-3-4-12, IC 6-3-4-13, or IC 6-3-4-15. This penalty shall be in addition to any penalty imposed by section 6 of this chapter.

(i) Subsections (a) through (c) do not apply to a motor carrier fuel tax return.

(j) If a partnership or an S corporation fails to include all

nonresidential individual partners or nonresidential individual shareholders in a composite return as required by ~~IC 6-3-4-12(h)~~ **IC 6-3-4-12(i)** or IC 6-3-4-13(j), a penalty of five hundred dollars (\$500) per partnership or S corporation is imposed on the partnership or S corporation.

SECTION 31. IC 6-9-29-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 3. If an ordinance has been adopted requiring the payment of the innkeeper's tax to the county treasurer instead of the department of state revenue, the county treasurer has the same rights and powers with respect to collecting **and refunding** the county innkeeper's tax as the department of state revenue.

SECTION 32. IC 8-15-3-23, AS AMENDED BY P.L.47-2006, SECTION 31, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010 (RETROACTIVE)]: Sec. 23. (a) The exercise of the powers granted by this chapter to the department or the authority must be in all respects for:

- (1) the benefit of the people of Indiana;
- (2) the increase of the commerce and prosperity of Indiana; and
- (3) the improvement of the health and living conditions of the people of Indiana.

(b) Since the operation and maintenance of a tollway by the department or the authority constitutes the performance of essential governmental functions, neither the department nor the authority is required to pay any taxes or assessments upon a tollway or any property acquired or used by the department under this chapter or IC 8-15.7 or upon the income from a tollway.

(c) The operator under a public-private agreement is not required to pay taxes or assessments upon a tollway, any property or property interest acquired by the operator under a public-private agreement, or any possessory interest in the tollway or in property granted or created by the public-private agreement under this chapter or IC 8-15.7.

(d) An operator or any other person purchasing tangible personal property for incorporation into or improvement of a structure or facility constituting or becoming part of the land included in:

- (1) a tollway; or
 - (2) property granted or created by the public-private agreement;
- is entitled to the exemption from gross retail tax and use tax provided

under ~~IC 6-2.5-4-9(b)~~ **IC 6-2.5-4-9(c)** and IC 6-2.5-3-2(c), respectively, with respect to that tangible personal property.

SECTION 33. IC 8-15.5-1-2, AS AMENDED BY THE TECHNICAL CORRECTIONS BILL OF THE 2016 GENERAL ASSEMBLY, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) This article contains full and complete authority for public-private agreements between the authority, a private entity, and, where applicable, a governmental entity. Except as provided in this article, no law, procedure, proceeding, publication, notice, consent, approval, order, or act by the authority or any other officer, department, agency, or instrumentality of the state or any political subdivision is required for the authority to enter into a public-private agreement with a private entity under this article, or for a project that is the subject of a public-private agreement to be constructed, acquired, maintained, repaired, operated, financed, transferred, or conveyed.

(b) Before the authority or the department may issue a request for proposals for or enter into a public-private agreement under this article that would authorize an operator to impose tolls for the operation of motor vehicles on all or part of a toll road project, the general assembly must adopt a statute authorizing the imposition of tolls. However, during the period beginning July 1, 2011, and ending June 30, 2021, and notwithstanding subsection (c), the general assembly is not required to enact a statute authorizing the authority or the department to issue a request for proposals or enter into a public-private agreement to authorize an operator to impose tolls for the operation of motor vehicles on all or part of the following projects:

- (1) A project on which construction begins after June 30, 2011, not including any part of Interstate Highway 69 other than a part described in subdivision (4).
- (2) The addition of toll lanes, including high occupancy toll lanes, to a highway, roadway, or other facility in existence on July 1, 2011, if the number of nontolled lanes on the highway, roadway, or facility as of July 1, 2011, does not decrease due to the addition of the toll lanes.
- (3) The Illiana Expressway, a limited access facility connecting Interstate Highway 65 in northwestern Indiana with an interstate highway in Illinois.

(4) A project that is located within a metropolitan planning area (as defined by 23 U.S.C. 134) and that connects the state of Indiana with the commonwealth of Kentucky.

(c) Before the authority or an operator may carry out any of the following activities under this article, the general assembly must enact a statute authorizing that activity:

(1) Imposing tolls on motor vehicles for use of Interstate Highway 69.

(2) Imposing tolls on motor vehicles for use of a nontolled highway, roadway, or other facility in existence or under construction on July 1, 2011, including nontolled interstate highways, U.S. routes, and state routes.

(d) ~~Except as provided in subsection (c)(1),~~ The general assembly is not required to enact a statute authorizing the authority or the department to issue a request for proposals or enter into a public-private agreement for a freeway project.

(e) The authority may enter into a public-private agreement for a facility project if the general assembly, by statute, authorizes the authority to enter into a public-private agreement for the facility project.

(f) As permitted by subsection (e), the general assembly authorizes the authority to enter into public-private agreements for the following facility projects:

(1) A state park inn and related improvements in an existing state park located in a county with a population of more than two hundred thousand (200,000) and less than three hundred thousand (300,000).

(2) Communications systems infrastructure, including:

(A) towers and associated land, improvements, foundations, access roads and rights-of-way, structures, fencing, and equipment necessary, proper, or convenient to enable the towers to function as part of the communications system;

(B) any equipment necessary, proper, or convenient to transmit and receive voice and data communications; and

(C) any other necessary, proper, or convenient elements of the communications system.

(3) Larue D. Carter Memorial Hospital in Indianapolis.

(g) The following apply to a public-private agreement for

communications systems infrastructure under subsection (f)(2):

(1) The authority may:

(A) use the procedures set forth in IC 8-15.5-4; or

(B) at the authority's option and in its sole discretion, negotiate an agreement with a single offeror.

The authority must issue a request for information before entering into negotiations with a single offeror. If an agreement is negotiated with a single offeror, IC 8-15.5-4-11 and IC 8-15.5-4-12 are the only sections in IC 8-15.5-4 that apply.

(2) This article, and any other applicable laws with respect to establishing, charging, and collecting user fees, including IC 8-15.5-7, do not apply, and the operator may establish, charge, and collect user fees as set forth in the public-private agreement.

(3) Notwithstanding IC 8-15.5-5-2(2) providing that all improvements and real property must be owned by the authority in the name of the state or by a governmental entity, or both, the public-private agreement may provide that any improvements on any real property interests may be owned by the authority, a governmental entity, an operator, or a private entity.

(4) The authority shall transfer money received from an operator under a ~~lease~~ **public-private agreement for ~~communications systems infrastructure under subdivision (f)(2)~~ to the state bicentennial capital account established under IC 4-12-1-14.9.**

SECTION 34. IC 8-15.5-4-0.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 0.5. If a **public-private agreement for communications systems infrastructure is negotiated with a single offeror under IC 8-15.5-1-2(g)(1)(B), the requirements of this chapter, except sections 11 and 12 of this chapter, do not apply.**

SECTION 35. IC 8-15.5-4-11, AS AMENDED BY P.L.205-2013, SECTION 148, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 11. (a) After the **applicable procedures required in this chapter have been completed, the authority shall make a determination as to whether the offeror that submitted the**

selected offer should be designated as the operator for the project and shall submit the authority's determination to the governor and the budget committee.

(b) After review of the authority's determination by the budget committee, the governor may accept or reject the determination of the authority. If the governor accepts the determination of the authority, the governor shall designate the offeror who submitted the selected offer as the operator for the project. The authority shall publish notice of the designation of the operator for the project one (1) time, in accordance with IC 5-3-1.

(c) After the designation of the operator for the project, the authority may execute the public-private agreement with that operator.

(d) The budget committee shall hold a meeting and conduct a review of the determination not later than ninety (90) days after the date the authority's determination is submitted for review.

SECTION 36. IC 8-15.7-7-2, AS ADDED BY P.L.47-2006, SECTION 40, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010 (RETROACTIVE)]: Sec. 2. - (1) Federal law permits the sale of a multiple family housing project that is or has been covered, in whole or in part, by a contract for project based assistance from the United States Department of Housing and Urban Development without requiring the continuation of that project based assistance.
- (2) Such a sale displaces the former residents of a multiple family housing project described in subdivision (1) and increases the shortage of safe and affordable housing for persons of low and moderate income within the county.
- (3) The displacement of families and individuals from affordable housing requires increased expenditures of public funds for crime prevention, public health and safety, fire and accident prevention, and other public services and facilities.
- (4) The establishment of a supplemental housing program under this section will do the following:
 - (A) Benefit the health, safety, morals, and welfare of the county and the state.
 - (B) Serve to protect and increase property values in the county and the state.

(C) Benefit persons of low and moderate income by making affordable housing available to them.

(5) The establishment of a supplemental housing program under this section and sections 32 through 35 of this chapter is:

(A) necessary in the public interest; and

(B) a public use and purpose for which public money may be spent and private property may be acquired.

(b) In addition to its other powers with respect to a housing program under sections 32 through 35 of this chapter, the commission may establish a supplemental housing program. Except as provided by this section, the commission has the same powers and duties with respect to the supplemental housing program that the commission has under sections 32 through 35 of this chapter with respect to the housing program.

(c) One (1) allocation area may be established for the supplemental housing program. The commission is not required to make the findings required under section 34(5) through 34(8) of this chapter with respect to the allocation area. However, the commission must find that the property contained within the boundaries of the allocation area consists solely of one (1) or more multiple family housing projects that are or have been covered, in whole or in part, by a contract for project based assistance from the United States Department of Housing and Urban Development or have been owned at one time by a public housing agency. The allocation area need not be contiguous. The definition of "base assessed value" set forth in section 35(a) of this chapter applies to the special fund established under section 26(b) of this chapter for the allocation area.

(d) The special fund established under section 26(b) of this chapter for the allocation area established under this section may be used only for the following purposes:

(1) Subject to subdivision (2), on January 1 and July 1 of each year the balance of the special fund shall be transferred to the housing trust fund established under subsection (e).

(2) The commission may provide each taxpayer in the allocation area a credit for property tax replacement in the manner provided by section 35(b)(7) of this chapter. Transfers made under subdivision (1) shall be reduced by the amount necessary to provide the credit.

- (e) The commission shall, by resolution, establish a housing trust fund to be administered, subject to the terms of the resolution, by:
- (1) the housing division of the consolidated city; or
 - (2) the department, division, or agency that has been designated to perform the public housing function by an ordinance adopted under IC 36-7-18-1.

 - (4) investment income earned on the fund's assets;
 - (5) money deposited in the fund under IC 36-2-7-10(j); and
 - (6) other funds from sources approved by the commission.
- (g) The commission shall, by resolution, establish uses for the housing trust fund. However, the uses must be limited to:
- (1) providing financial assistance to those individuals and families whose income is at or below eighty percent (80%) of the county's median income for individuals and families, respectively, to enable those individuals and families to purchase or lease residential units within the county;
 - (2) paying expenses of administering the fund;
 - (3) making grants, loans, and loan guarantees for the development, rehabilitation, or financing of affordable housing for individuals and families whose income is at or below eighty percent (80%) of the county's median income for individuals and families, respectively, including the elderly, persons with disabilities, and homeless individuals and families;
 - (4) providing technical assistance to nonprofit developers of affordable housing; and
