(c) If the purchaser or the purchaser's assignee ~~fails to include~~ **includes** the documents described in subsection (b), the issuance of a tax deed ~~does not constitute~~ **constitutes** prima facie evidence of the sale referenced in subsection (k).

(d) If a verified petition is brought by the county auditor under an agreement provided for under section 4.7 of this chapter, a tax deed constitutes prima facie evidence of the validity of the sale referenced in subsection (k) upon timely production by the county of all documents described in subsection (b) in response to a challenge to a tax deed.

(e) If the issuance of a tax deed does not constitute prima facie evidence of the validity of the sale due to the failure to comply with this section, the purchaser or the purchaser's successor has the burden of proving the validity of the sale by a preponderance of the evidence in any subsequent challenge to the sale.

(f) Not later than sixty-one (61) days after the petition is filed under subsection (a), the court shall enter an order directing the county auditor (on the production of the certificate of sale and a copy of the order) to issue to the petitioner a tax deed if the court finds that the

following conditions exist:

- (1) The time of redemption has expired.
- (2) The tract or item of real property has not been redeemed from the sale before the expiration of the period of redemption specified in section 4 of this chapter.
- (3) Except with respect to a petition for the issuance of a tax deed under a sale of the certificate of sale on the property under IC 6-1.1-24-6.1 or IC 6-1.1-24-6.8, or with respect to penalties described in section 4(j) of this chapter, all taxes and special assessments, penalties, and costs have been paid.
- (4) The notices required by this section and section 4.5 of this chapter have been given.
- (5) The petitioner has complied with all the provisions of law entitling the petitioner to a deed.

The county auditor shall execute deeds issued under this subsection in the name of the state under the county auditor's name. If a certificate of sale is lost before the execution of a deed, the county auditor shall issue a replacement certificate if the county auditor is satisfied that the original certificate existed.

(g) Upon application by the grantee of a valid tax deed in the same court and under the same cause number in which the judgment of sale was entered, the court shall enter an order to place the grantee of a valid tax deed in possession of the real estate. The court may enter any orders and grant any relief that is necessary or desirable to place or maintain the grantee of a valid tax deed in possession of the real estate.

(h) Except as provided in subsections (i) and (j), if:

- (1) the verified petition referred to in subsection (a) is timely filed; and
- (2) the court refuses to enter an order directing the county auditor to execute and deliver the tax deed because of the failure of the petitioner under subsection (a) to fulfill the notice requirement of subsection (a);

the court shall order the return of the amount, if any, by which the purchase price exceeds the minimum bid on the property under IC 6-1.1-24-5 minus a penalty of twenty-five percent (25%) of that excess. The petitioner is prohibited from participating in any manner in the next succeeding tax sale in the county under IC 6-1.1-24. The county auditor shall deposit penalties paid under this subsection in the

county general fund.

(i) Notwithstanding subsection (h), in all cases in which:

the county auditor shall not execute the deed but shall refund the purchase money minus a penalty of twenty-five percent (25%) of the purchase money from the county treasury to the purchaser, the purchaser's successors or assignees, or the purchaser of the certificate of sale under IC 6-1.1-24. The county auditor shall deposit penalties paid under this subsection in the county general fund. All the delinquent taxes and special assessments shall then be reinstated and recharged to the tax duplicate and collected in the same manner as if the property had not been offered for sale. The tract or item of real property, if it is then eligible for sale under IC 6-1.1-24, shall be placed on the delinquent list as an initial offering under IC 6-1.1-24.

(j) Notwithstanding subsections (h) and (i), the court shall not order the return of the purchase price or any part of the purchase price if:

- (1) the purchaser or the purchaser of the certificate of sale under IC 6-1.1-24 has failed to provide notice or has provided insufficient notice as required by section 4.5 of this chapter; and
- (2) the sale is otherwise valid.

(k) A tax deed executed under this section vests in the grantee an estate in fee simple absolute, free and clear of all liens and encumbrances created or suffered before or after the tax sale except those liens granted priority under federal law, and the lien of the state or a political subdivision for taxes and special assessments that accrue

subsequent to the sale. However, the estate is subject to all easements, covenants, declarations, and other deed restrictions and laws governing land use, including all zoning restrictions and liens and encumbrances created or suffered by the purchaser at the tax sale. Except as provided in subsections (b), (c), (d), and (e), the deed is prima facie evidence of:

- (1) the regularity of the sale of the real property described in the deed;
- (2) the regularity of all proper proceedings; and
- (3) valid title in fee simple in the grantee of the deed.

(1) A tax deed issued under this section is incontestable except by appeal from the order of the court directing the county auditor to issue the tax deed filed not later than sixty (60) days after the date of the court's order.

If the unit no longer exists, the territory reverts

to the jurisdiction of the unit that would currently have jurisdiction over the territory if the annexation had not occurred. The clerk of the municipality shall notify the offices required to receive notice of a disannexation under section 19 of this chapter when the territory reverts to the jurisdiction of the unit having jurisdiction before the annexation. Territory that is annexed under subdivision (2) (including territory that is enlarged under subdivision (2)(B) for the use of the wastewater treatment facility or water treatment facility) or subdivision (3) may not be considered a part of the municipality for purposes of annexing additional territory.

The clerk of the municipality shall notify the offices entitled to receive notice of a disannexation under section 19 of this chapter when the territory reverts to the jurisdiction of the unit having jurisdiction before the annexation.

SECTION 9. IC 6-1.1-17-3.7 IS REPEALED [EFFECTIVE JULY 1, 2016]. Sec. 3-7: (a) This section authorizes a three (3) year pilot program to allow county fiscal bodies of designated counties to carry out a more thorough nonbinding review of the proposed budgets, property tax rates, and property tax levies of all taxing units in those counties. The general assembly finds that, because of the enactment of property tax credits under IC 6-1.1-20.6, there is an even greater need for taxing units to cooperate in the adoption of their budgets, property tax rates, and property tax levies:

(b) The department of local government finance may establish a pilot program concerning nonbinding review of budgets, property tax rates, and property tax levies as provided in this section. The role of the department of local government finance in the pilot program is to develop the framework for the continuation of a more thorough nonbinding review in all counties without the direct involvement of the department of local government finance:

(c) For a county to be eligible for designation as a pilot county

participating in the pilot program:

(1) the county fiscal body must adopt a resolution approving the submission of an application to be designated as a pilot county; and

(2) the county fiscal body must submit to the department of local government finance before the date specified by the department:

(A) an application in the form and containing the information prescribed by the department; and

(B) a copy of the resolution adopted under subdivision (1).

(d) After reviewing applications submitted under subsection (c), the department of local government finance may designate not more than three (3) counties that submit an application under subsection (c) as pilot counties under this section. In determining which counties are designated as pilot counties, the department of local government finance shall attempt to achieve diversity among designated counties based on:

(1) the geographical location of the counties;

(2) the population of the counties; and

(3) whether the counties are primarily rural or urban.

(e) The department of local government finance shall notify each taxing unit in a pilot county of:

(1) the designation of the county as a pilot county; and

(2) the duties of the taxing unit under this section.

(f) The following apply in 2014 and thereafter:

(1) Each taxing unit in a pilot county shall, before September 2 of each year, file with the department of local government finance and with the county fiscal body:

(A) the taxing unit's proposed budgets, property tax rates, and property tax levies for the following calendar year;

(B) a statement of whether:

(i) a petition and remonstrance process has been initiated under IC 6-1.1-20 concerning a controlled project of the taxing unit;

(ii) a public question under IC 6-1.1-20 concerning a controlled project of the taxing unit has been certified and will be on the election ballot;

(iii) a referendum tax levy question under IC 20-46-1 has been certified and will be on the election ballot; or

(iv) the taxing unit anticipates that it will during the following eighteen (18) months either adopt a resolution or ordinance under IC 6-1.1-20 making a preliminary determination to issue bonds or enter into a lease concerning a controlled project of the taxing unit; or adopt a resolution under IC 20-46-1 to place a referendum tax levy question on the election ballot; and

(C) any additional information required by the department to prepare the analysis required under subdivision (4).

A school corporation providing information to the department of local government finance shall provide the information through the department's interactive and searchable Internet web site containing local government information (the Indiana gateway for governmental units). When formulating the taxing unit's estimated budget, property tax rate, and property tax levy under section 3 of this chapter, the proper officers of the taxing unit shall consider the estimated consequences of the property tax credits under IC 6-1.1-20.6 on the property taxes that will be collected by the taxing unit and the calculation of fund balances:

(2) A taxing unit in a pilot county that would otherwise be required to submit its proposed budgets, property tax rates, and property tax levies for nonbinding review under section 3.5 of this chapter is not required to do so; but the taxing unit must instead submit the information required by subdivision (1) to the department of local government finance:

(3) A taxing unit that is located in a pilot county and that is subject to binding review and approval of the taxing unit's budgets, property tax rates, and property tax levies under section 20 of this chapter or IC 36-3-6-9:

(A) remains subject to binding review and approval under those statutes and must submit the information required under those statutes to the appropriate fiscal body; and

(B) must also submit the information required by subdivision (1) to the department of local government finance:

(4) The department shall prepare an analysis of the proposed budgets, property tax rates, and property tax levies submitted by taxing units in each pilot county. The department of local government finance may establish appropriate procedures and

conduct the appropriate analysis that meets the department's requirements for the review of a unit's budget under this chapter. The analysis prepared by the department must include at least the following:

- (A) The estimated total property tax rate for each taxing district in the pilot county;
 - (B) The estimated total amount of property taxes to be levied in the pilot county;
 - (C) The estimated consequences of the property tax credits under IC 6-1.1-20.6 on:
 - (i) the property tax rates of each taxing unit and taxing district in the pilot county;
 - (ii) the expected total tax rate of each taxing district in the county; and
 - (iii) the property taxes that will be collected by each taxing unit in the pilot county.
- (5) The department of local government finance shall, before October 2 of each year, provide the analysis prepared under subdivision (4) for a pilot county to the county fiscal body of the pilot county and to the fiscal body of each taxing unit in the pilot county. Upon request by the county fiscal body, representatives of the department of local government finance shall appear before the county fiscal body to review the analysis.
- (6) The county fiscal body of a pilot county shall, on or before October 15 of each year:
- (A) review the proposed budgets, property tax rates, and property tax levies of each taxing unit in the pilot county;
 - (B) review the expected total tax rate of each taxing district in the county; and
 - (C) issue a nonbinding recommendation to each taxing unit in the pilot county regarding the taxing unit's proposed budgets, property tax rates, and property tax levies.

The review and recommendation required to be carried out under this subdivision may be carried out by the full county fiscal body or by a committee appointed by the county fiscal body for that purpose.

- (7) A recommendation by a county fiscal body must include a comparison of any increase in a taxing unit's budgets, property tax

rates, and property tax levies to:

(A) the average increase in Indiana nonfarm personal income for the preceding six (6) calendar years and the average increase in nonfarm personal income for the county for the preceding six (6) calendar years; and

(B) increases in the budgets, property tax rates, and property tax levies of other taxing units in the county.

(8) After review under this section, a taxing unit must adopt its budget, property tax rates, and property tax levies by the date required under section 5 of this chapter.

(g) The county fiscal body of a pilot county may, before July 1 of a year, adopt a resolution discontinuing the county's participation in the pilot program. If a county fiscal body adopts such a resolution:

(1) the county fiscal body shall certify a copy of the resolution to the department of local government finance;

(2) the county's participation in the pilot program is terminated; and

(3) the department of local government finance shall attempt to replace the pilot county with another county that has applied to be designated as a pilot county.

(h) The department of local government finance shall, before November 1, 2014, and each year thereafter, report to the interim study committee on fiscal policy established by IC 2-5-1.3-4 in an electronic format under IC 5-14-6 concerning the pilot program and whether the nonbinding review under the pilot program is fostering cooperation among taxing units in the adoption of their budgets, property tax rates, and property tax levies.

(i) This section expires January 1, 2017.

SECTION 10. IC 6-1.1-17-5.6, AS AMENDED BY P.L.233-2015, SECTION 16, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 5.6. In the initial budget adopted by a school corporation under this section, the first six (6) months of that initial budget must be consistent with the last six (6) months of the budget adopted by the school corporation for the calendar year in which the school corporation elects by resolution to begin adopting budgets that correspond to the state fiscal year. A corporation shall

submit a copy of the resolution to the department of local government finance and the department of education not more than thirty (30) days after the date the governing body adopts the resolution.

(b) Before April 1 of each year, the officers of the school corporation shall meet to fix the budget for the school corporation for the ensuing budget year, with notice given by the same officers. However, if a resolution adopted under subsection (d) is in effect, the officers shall meet to fix the budget for the ensuing budget year before November 1.

(c) Each year, at least two (2) days before the first meeting of the county board of tax adjustment held under IC 6-1.1-29-4, the school corporation shall file with the county auditor:

- (1) a statement of the tax rate and tax levy fixed by the school corporation for the ensuing budget year;
- (2) two (2) copies of the budget adopted by the school corporation for the ensuing budget year; and
- (3) any written notification from the department of local government finance under section ~~16(i)~~ **16(l)** of this chapter that specifies a proposed revision, reduction, or increase in the budget adopted by the school corporation for the ensuing budget year.

Each year the county auditor shall present these items to the county board of tax adjustment at the board's first meeting under IC 6-1.1-29-4.

(d) The governing body of the school corporation may adopt a resolution to cease using a school year budget year and return to using a calendar year budget year. A resolution adopted under this subsection must be adopted after January 1 and before July 1. The school corporation's initial calendar year budget year following the adoption of a resolution under this subsection begins on January 1 of the year following the year the resolution is adopted. The first six (6) months of the initial calendar year budget for the school corporation must be consistent with the last six (6) months of the final school year budget fixed by the department of local government finance before the adoption of a resolution under this subsection.

(e) A resolution adopted under subsection (d) may be rescinded by a subsequent resolution adopted by the governing body. If the governing body of the school corporation rescinds a resolution adopted under subsection (d) and returns to a school year budget year, the

school corporation's initial school year budget year begins on July 1 following the adoption of the rescinding resolution and ends on June 30 of the following year. The first six (6) months of the initial school year budget for the school corporation must be consistent with the last six (6) months of the last calendar year budget fixed by the department of local government finance before the adoption of a rescinding resolution under this subsection.

(a) ~~Subject to the limitations and requirements prescribed in this section, the department of local government finance may revise, reduce, or increase a political subdivision's budget by fund, tax rate, or tax levy which the department reviews under section 8 or 10 of this chapter. The department of local government finance shall certify the tax rates and tax levies for all funds of political subdivisions subject to the department of local government finance's review.~~

(b) ~~Subject to the limitations and requirements prescribed in this section, the department of local government finance may review, revise, reduce, or increase the budget by fund, tax rate, or tax levy of any of the political subdivisions whose tax rates compose the aggregate tax rate within a political subdivision whose budget, tax rate, or tax levy is the subject of an appeal initiated under this chapter.~~

(b) **For a fund of a political subdivision subject to levy limits under IC 6-1.1-18.5-3, the department of local government finance shall calculate and certify the allowable budget of the fund if the political subdivision adopts a tax levy that exceeds the estimated maximum levy limits as provided by the department of local government finance under IC 6-1.1-18.5-24.**

(c) **For a fund of a political subdivision subject to levy limits under IC 6-1.1-18.5-3 and for which the political subdivision adopts a tax levy that is not more than the levy limits under IC 6-1.1-18.5-3, the department of local government finance shall review the fund to ensure the adopted budget is fundable based on the unit's adopted tax levy and estimates of available revenues. If the adopted budget is fundable, the department of local government finance shall use the adopted budget as the approved**

appropriation for the fund for the budget year. As needed, the political subdivision may complete the additional appropriation process through IC 6-1.1-18-5 for these funds during the budget year.

(d) For a fund of the political subdivision subject to levy limits under IC 6-1.1-18.5-3 and for which the political subdivision adopts a tax levy that is not more than the levy limits under IC 6-1.1-18.5-3, if the department of local government finance has determined the adopted budget is not fundable based on the unit's adopted tax levy and estimates of available revenues, the department of local government finance shall calculate and certify the allowable budget that is fundable based on the adopted tax levy and the department's estimates of available revenues.

The department of local government finance shall give the political subdivision notification electronically in the manner prescribed by the department of local government finance specifying any revision, reduction, or increase the department proposes in a political subdivision's tax levy or tax rate. The political subdivision has ten (10) calendar days from the date the political subdivision receives the notice to provide a

(b) If a proposal described in subsection (a) is not submitted to the department of local government finance before August 2 of a year, **for years before 2018, and before May 1 of a year, for years after 2017**, the political subdivision may not levy a tax for the cumulative fund or sinking fund in the ensuing year.

SECTION 13. IC 6-1.1-18-5, AS AMENDED BY P.L.184-2015, SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 5. (a) If the proper officers of a political subdivision desire to appropriate more money for a particular year than the amount prescribed in the budget for that year as finally determined under this article, they shall give notice of their proposed additional appropriation. The notice shall state the time and place at which a public hearing will be held on the proposal. The notice shall be given once in accordance with IC 5-3-1-2(b).

(b) If the additional appropriation by the political subdivision is made from a fund that receives:

- (1) distributions from the motor vehicle highway account established under IC 8-14-1-1 or the local road and street account established under IC 8-14-2-4; or
- (2) revenue from property taxes levied under IC 6-1.1;

the political subdivision must report the additional appropriation to the department of local government finance. If the additional appropriation is made from a fund described under this subsection, subsections (f), (g), (h), and (i) apply to the political subdivision.

(c) However, if the additional appropriation is not made from a fund described under subsection (b), subsections (f), (g), (h), and (i) do not apply to the political subdivision. Subsections (f), (g), (h), and (i) do not apply to an additional appropriation made from the cumulative bridge fund if the appropriation meets the requirements under IC 8-16-3-3(c).

(d) A political subdivision may make an additional appropriation without approval of the department of local government finance if the additional appropriation is made from a fund that is not described under subsection (b). However, the fiscal officer of the political

subdivision shall report the additional appropriation to the department of local government finance.

(e) After the public hearing, the proper officers of the political subdivision shall file a certified copy of their final proposal and any other relevant information to the department of local government finance.

(f) When the department of local government finance receives a certified copy of a proposal for an additional appropriation under subsection (e), the department shall determine whether sufficient funds are available or will be available for the proposal. The determination shall be made in writing and sent to the political subdivision not more than fifteen (15) days after the department of local government finance receives the proposal.

(g) In making the determination under subsection (f), the department of local government finance shall limit the amount of the additional appropriation to revenues available, or to be made available, which have not been previously appropriated.

(h) If the department of local government finance disapproves an additional appropriation under subsection (f), the department shall specify the reason for its disapproval on the determination sent to the political subdivision.

(i) A political subdivision may request a reconsideration of a determination of the department of local government finance under this section by filing a written request for reconsideration. A request for reconsideration must:

- (1) be filed with the department of local government finance within fifteen (15) days of the receipt of the determination by the political subdivision; and
- (2) state with reasonable specificity the reason for the request.

The department of local government finance must act on a request for reconsideration within fifteen (15) days of receiving the request.

(j) This subsection applies to an additional appropriation by a political subdivision that must have the political subdivision's annual appropriations and annual tax levy adopted by a city, town, or county fiscal body under IC 6-1.1-17-20 or IC 36-1-23 or by a legislative or fiscal body under IC 36-3-6-9. The fiscal or legislative body of the city, town, or county that adopted the political subdivision's annual appropriation and annual tax levy must adopt the additional

appropriation by ordinance before the department of local government finance may approve the additional appropriation.

(k) This subsection applies to a public library that

- (1) is required to submit the public library's budgets, tax rates, and tax levies for nonbinding review under IC 6-1.1-17-3.5; and
- (2) is not required to submit the public library's budgets, tax rates, and tax levies for binding review and approval under IC 6-1.1-17-20.

If a public library subject to this subsection proposes to make an additional appropriation for a year, and the additional appropriation would result in the budget for the library for that year increasing (as compared to the previous year) by a percentage that is greater than the result of the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the calendar year minus one (1), the additional appropriation must first be approved by the city, town, or county fiscal body described in IC 6-1.1-17-20.3(c) or IC 6-1.1-17-20(d), as appropriate.

SECTION 14. IC 6-1.1-18.5-2, AS AMENDED BY P.L.230-2013, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 2. (a) As used in this section, "Indiana nonfarm personal income" means the estimate of total nonfarm personal income for Indiana in a calendar year as computed by the federal Bureau of Economic Analysis using any actual data for the calendar year and any estimated data determined appropriate by the federal Bureau of Economic Analysis.

(b) For purposes of determining a civil taxing unit's maximum permissible ad valorem property tax levy for an ensuing calendar year, the civil taxing unit shall use the assessed value growth quotient determined in the last STEP of the following STEPS:

STEP ONE: For each of the six (6) calendar years immediately preceding the year in which a budget is adopted under IC 6-1.1-17-5 for the ensuing calendar year, divide the Indiana nonfarm personal income for the calendar year by the Indiana nonfarm personal income for the calendar year immediately preceding that calendar year, rounding to the nearest one-thousandth (0.001).

STEP TWO: Determine the sum of the STEP ONE results.

STEP THREE: Divide the STEP TWO result by six (6), rounding

to the nearest one-thousandth (0.001).

STEP FOUR: Determine the lesser of the following:

(A) The STEP THREE quotient.

(B) One and six-hundredths (1.06).

(c) The budget agency shall provide the assessed value growth quotient for the ensuing year to civil taxing units, school corporations, and the department of local government finance before July 1 of each year.

SECTION 15. IC 6-1.1-18.5-9.8, AS AMENDED BY P.L.13-2013, SECTION 15, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 9.8. (a) For purposes of determining the property tax levy limit imposed on a city, town, or county under section 3 of this chapter, the city, town, or county's ad valorem property tax levy for a particular calendar year does not include an amount equal to the lesser of:

(1) the amount of ad valorem property taxes that would be first due and payable to the city, town, or county during the ensuing calendar year if the taxing unit imposed the maximum permissible property tax rate per one hundred dollars (\$100) of assessed valuation that the civil taxing unit may impose for the particular calendar year under the authority of IC 36-9-14.5 (in the case of a county) or IC 36-9-15.5 (in the case of a city or town). or

that are first due and payable during the ensuing calendar year;
over

(B) the property taxes imposed by the city, town, or county under the authority of the citations listed in clause (A) that were first due and payable during calendar year 1984.

(b) Before July 15 of each year, the department of local government finance shall provide to each county, city, and town an estimate of the maximum permissible property tax rate per one hundred dollars (\$100) of assessed valuation that the county, city, or town may impose for the ensuing year under IC 36-9-14.5 (in the case of a county) or IC 36-9-15.5 (in the case of a city or town).

SECTION 16. IC 6-1.1-18.5-10, AS AMENDED BY P.L.117-2015, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 10. (a) The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit to be used to fund:

- (1) community mental health centers under:
 - (A) IC 12-29-2-1.2, for only those civil taxing units that authorized financial assistance under IC 12-29-1 before 2002 for a community mental health center as long as the tax levy under this section does not exceed the levy authorized in 2002;
 - (B) IC 12-29-2-2 through IC 12-29-2-5; and
 - (C) IC 12-29-2-13; or
- (2) community intellectual disability and other developmental disabilities centers under IC 12-29-1-1.

to the extent that those property taxes are attributable to any increase in the assessed value of the civil taxing unit's taxable property caused by a general reassessment of real property under IC 6-1.1-4-4 or a reassessment of real property under a reassessment plan prepared under

~~IC 6-1-1-4-4.2 that took effect after February 28, 1979.~~

(b) For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular calendar year does not include that part of the levy described in subsection (a).

(c) This subsection applies to property taxes first due and payable after December 31, 2008. Notwithstanding subsections (a) and (b) or any other law, any property taxes imposed by a civil taxing unit that are exempted by this section from the ad valorem property tax levy limits imposed by section 3 of this chapter may not increase annually by a percentage greater than the result of:

- (1) the assessed value growth quotient determined under section 2 of this chapter; minus
- (2) one (1).

(d) For a county that:

- (1) did not impose an ad valorem property tax levy in 2008 for the county general fund to provide financial assistance under IC 12-29-1 (community intellectual disability and other developmental disabilities center) or IC 12-29-2 (community mental health center); and
- (2) determines for 2009 or a later calendar year to impose a levy as described in subdivision (1);

the ad valorem property tax levy limits imposed under section 3 of this chapter do not apply to the part of the county's general fund levy that is used in the first calendar year for which a determination is made under subdivision (2) to provide financial assistance under IC 12-29-1 or IC 12-29-2. The department of local government finance shall review a county's proposed budget that is submitted under IC 12-29-1-1 or IC 12-29-2-1.2 and make a final determination of the amount to which the levy limits do not apply under this subsection for the first calendar year for which a determination is made under subdivision (2).

(e) The ad valorem property tax levy limits imposed under section 3 of this chapter do not apply to the county's general fund levy in the amount determined by the department of local government finance under subsection (d) in each calendar year following the calendar year for which the determination under subsection (b) is made.

(d) Before July 15 of each year, the department of local government finance shall provide to each county an estimate of the

maximum amount of property taxes imposed for community mental health centers or community intellectual disability and other developmental disabilities centers that are exempt from the levy limits for the ensuing year.

SECTION 17. IC 6-1.1-18.5-10.1 IS REPEALED [EFFECTIVE JULY 1, 2016]. ~~Sec. 10.1.~~ (a) The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a county, city, or town to supplemental juror fees adopted under IC 33-37-10-1, to the extent provided in subsections (b) and (c):

(b) Subject to subsection (c), for purposes of determining the property tax levy limit imposed on a county, city, or town under section 3 of this chapter, the county, city, or town's ad valorem property tax levy for a calendar year does not include an amount equal to:

- (1) the average annual expenditures for nonsupplemental juror fees under IC 33-37-10-1, using the five (5) most recent years for which expenditure amounts are available; multiplied by
- (2) the percentage increase in juror fees that is attributable to supplemental juror fees under the most recent ordinance adopted under IC 33-37-10-1.

(c) For property taxes first due and payable after December 31, 2008, property taxes may be excluded under subsection (b) from the ad valorem property tax levy limits imposed by section 3 of this chapter only to the extent that:

- (1) the county fiscal body adopts a resolution approving some or all of the property taxes that may be excluded by a city or town under subsection (b); in the case of property taxes imposed by a city or town; or
- (2) the county fiscal body adopts a resolution:
 - (A) that approves some or all of the property taxes that may be excluded by the county under subsection (b); and
 - (B) that explains why the exclusion under subsection (b) is necessary and in the best interest of taxpayers;

in the case of property taxes imposed by the county:

In the case of a city or town located in more than one (1) county, the exclusion under subsection (b) must be approved by the fiscal body of the county in which the greatest part of the city's or town's net assessed valuation is located.

(c) **For budget year 2017, the department of local government finance shall make a one (1) time permanent adjustment to the ad valorem property tax levy limits imposed by section 3 of this chapter in an amount equal to the excluded levy under subsection (b) for budget year 2016.**

(c) The department of local government finance may also require taxing units to provide information on proposed debt issuance, excess levy appeals, and fund establishments occurring in the current year that may affect the tax levies and tax rates for the ensuing year. This information shall be collected in a manner prescribed by the department of local government finance. Taxing units shall provide the requested information to the department of local government finance by the deadline established by the department of local government finance, which may not be later than June 30 of each year.

SECTION 27. IC 12-29-2-2, AS AMENDED BY P.L.153-2014, SECTION 18, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 2. (a) A county shall fund the operation of community mental health centers in the amount determined under subsection (b), unless a lower tax levy amount will be adequate to fulfill the county's financial obligations under this chapter in any of the following situations:

- (1) If the total population of the county is served by one (1) center.
- (2) If the total population of the county is served by more than one (1) center.
- (3) If the partial population of the county is served by one (1) center.
- (4) If the partial population of the county is served by more than one (1) center.

(b) The amount of funding under subsection (a) for taxes first due and payable in a calendar year is ~~the following:~~

~~(1) For 2004, the amount is the amount determined under STEP THREE of the following formula:~~

~~STEP ONE: Determine the amount that was levied within the county to comply with this section from property taxes first due and payable in 2002.~~

~~STEP TWO: Multiply the STEP ONE result by the county's assessed value growth quotient for the ensuing year 2003, as determined under IC 6-1.1-18.5-2.~~

~~STEP THREE: Multiply the STEP TWO result by the county's assessed value growth quotient for the ensuing year 2004, as determined under IC 6-1.1-18.5-2.~~

~~(2) Except as provided in subsection (c), for 2005 and each year thereafter, the result equal to:~~

~~(A) (1) the **maximum** amount that was **could have been** levied in the county to comply with this section from property taxes first due and payable in the calendar year immediately preceding the ensuing calendar year, **as previously determined under this section by using the amount calculated under this section in 2004 as the base amount;** multiplied by~~

- (2) a county option income tax rate is first imposed or is increased in a particular year under IC 6-3.5-6-30;

to provide property tax relief in the county. Notwithstanding any provision in this section or any other section of this chapter, for a county subject to this subsection, the county's maximum property tax levy under this section to fund the operation of community mental health centers for the ensuing calendar year is equal to the county's maximum property tax levy to fund the operation of community mental health centers for the current calendar year.

(d) Except as provided in subsection (h), the county shall pay to the division of mental health and addiction the part of the funding determined under subsection (b) that is appropriated solely for funding the operations of a community health center. The funding required under this section for operations of a community health center shall be paid by the county to the division of mental health and addiction. These funds shall be used solely for satisfying the non-federal share of medical assistance payments to community mental health centers serving the county for:

- (1) allowable administrative services; and
- (2) community mental health rehabilitation services.

All other funding appropriated for the purposes allowed under section 1.2(b)(1) of this chapter shall be paid by the county directly to the community mental health center semiannually at the times that the payments are made under subsection (e).

(e) The county shall appropriate and disburse the funds for operations semiannually not later than December 1 and June 1 in an amount equal to the amount determined under subsection (b) and requested in writing by the division of mental health and addiction. The total funding amount paid to the division of mental health and addiction for a county for each calendar year may not exceed the amount that is calculated in subsection (b) and set forth in writing by

the division of mental health and addiction for the county. Funds paid to the division of mental health and addiction by the county shall be submitted by the county in a timely manner after receiving the written request from the division of mental health and addiction, to ensure current year compliance with the community mental health rehabilitation program and any administrative requirements of the program.

(f) The division of mental health and addiction shall ensure that the non-federal share of funding received from a county under this program is applied only for matching federal funds for the designated community mental health centers to the extent a center is eligible to receive county funding under IC 12-21-2-3(5)(D).

(g) The division of mental health and addiction:

- (1) shall first apply state funding to a community mental health center's non-federal share of funding under this program; and
- (2) may next apply county funding received under this section to any remaining non-federal share of funding for the community mental health center.

The division shall distribute any excess state funds that exceed the community mental health rehabilitation services non-federal share applied to a community mental health center that is entitled to the excess state funds.

(h) The health and hospital corporation of Marion County created by IC 16-22-8-6 may make payments to the division for the operation of a community mental health center as described in this chapter.

SECTION 28. IC 36-1.5-4-7, AS AMENDED BY P.L.26-2012, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 7. (a) In the year before the year in which the participating political subdivisions are reorganized under this chapter:

- (1) subject to subsection (b), the fiscal bodies of the reorganizing political subdivisions shall, in the manner provided by IC 6-1.1-17, adopt tax levies, tax rates, and a budget for the reorganized political subdivision either through the adoption of substantially identical resolutions adopted by each of the fiscal bodies or, if authorized in the plan of reorganization, through a joint board established under an agreement of the fiscal bodies on which the members of each of the fiscal bodies are represented; and

(2) if the reorganized political subdivision will have elected offices and different election districts than any of the reorganizing political subdivisions, the legislative bodies of the reorganizing political subdivisions shall establish the election districts either through the adoption of substantially identical resolutions adopted by each of the legislative bodies or, if authorized in the plan of reorganization, through a joint board established under an agreement of the legislative bodies on which the members of each of the legislative bodies are represented.

(b) This subsection applies to two (2) or more school corporations that participate in a reorganization in which the voters approve a plan of reorganization in a general election and the plan of reorganization provides for the reorganization to become effective for property taxes first due and payable in the immediately following calendar year. The participating school corporations may publish notices, hold public hearings, and take final action for the adoption of property tax levies, property tax rates, and a budget for the reorganized school corporation after the voters approve the plan of reorganization. The alternative schedule must comply with the following:

(1) Each participating school corporation shall give notice by publication to taxpayers of:

- (A) the estimated budget;
- (B) the estimated maximum permissible levy;
- (C) the current and proposed tax levies of each fund; and
- (D) the amounts of excessive levy appeals to be requested;

for the ensuing year. The notice must be published twice in accordance with IC 5-3-1 with the first publication at least ten (10) days before the date fixed for the public hearing and with the last publication not later than November 24 of the year the public question is approved by the voters.

(2) Each participating school corporation must conduct a public hearing on the proposed tax levies, tax rates, and budget at least ten (10) days before the date the participating school corporation adopts the proposed tax levies, tax rates, and budget.

(3) The governing body of each participating school corporation must meet to fix the tax levies, tax rates, and budget for the ensuing year before December 6 of the year the public question is approved by the voters.

(4) The county auditor shall certify the adopted property tax levies, property tax rates, and budget for the reorganized school corporation to the department of local government finance before December 8 in the year in which the public question is approved by the voters.

Subject to subsection (c), the department of local government finance may adjust any other applicable time limit specified in IC 6-1.1-17 to be consistent with this section. ~~However,~~

(c) The department of local government finance is expressly directed to complete the duties assigned to it under IC 6-1.1-17-16 with respect to the submitted property tax levies, property tax rates, and budget **as follows:**

(1) For each budget year before 2019, not later than February 15 in the ensuing of that budget year.

(2) For each budget year after 2018, not later than December 31 of the year preceding that budget year, unless a taxing unit in a county is issuing debt after December 1 in the year preceding the budget year or intends to file a shortfall appeal under IC 6-1.1-18.5-16.

(3) For each budget year after 2018, not later than January 15 of the budget year if a taxing unit in a county is issuing debt after December 1 in the year preceding the budget year or intends to file a shortfall appeal under IC 6-1.1-18.5-16.

~~(e)~~ **(d)** If a school is converted into a charter school under IC 20-24-11, the charter school must, before December 1 of each year, publish its estimated annual budget for the ensuing year in accordance with IC 5-3-1.

SECTION 29. IC 36-7-14-39, AS AMENDED BY P.L.87-2015, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 39. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a declaratory resolution adopted under section 15 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

- (A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
 - (B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.
- (2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:
- (A) the net assessed value of all the property as finally determined for the assessment date immediately provision of the declaratory resolution, as adjusted under subsection (h); plus
 - (B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.
- (3) If:
- (A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and
 - (B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;
- the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).
- (4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).
- (5) If an allocation area established in an economic development

area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 39.3 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes, taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A declaratory resolution adopted under section 15 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or amendment that establishes an allocation provision must include a specific finding of fact, supported by evidence, that the adoption of the allocation provision will result in new property taxes in the area that would not have been generated but for the adoption of the allocation provision. For an allocation area established before July 1, 1995, the expiration date of any allocation provisions for the allocation area is June 30, 2025, or the last date of any obligations that are outstanding on July 1, 2015, whichever is later. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the

allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into an allocation fund for that allocation area that

may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by it for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) For property taxes first due and payable before January 1, 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts

under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

- (i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by
- (ii) the STEP ONE sum.

STEP THREE: Multiply:

- (i) the STEP TWO quotient; times
- (ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter (before its repeal) in the same year.

(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The

reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(L) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (i) Make, when due, any payments required under clauses (A) through (K), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.
- (ii) Make any reimbursements required under this subdivision.
- (iii) Pay any expenses required under this subdivision.
- (iv) Establish, augment, or restore any debt service reserve under this subdivision.

(M) Expend money and provide financial assistance as authorized in section 12.2(a)(27) of this chapter.

The allocation fund may not be used for operating expenses of the commission.

(4) Except as provided in subsection (g), before ~~July~~ **June 15** of each year, the commission shall do the following:

- (A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3), plus the amount necessary for other purposes described in subdivision (3).
- (B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the

department of redevelopment, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation of assessed value to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3) or lessors under section 25.3 of this chapter.

(C) If:

- (i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus
- (ii) the amount necessary for other purposes described in subdivision (3);

the commission shall submit to the legislative body of the unit its determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective

date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes specified in subsection (b)(3) for the year shall be determined based on the pro rata portion of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that has no obligations, bonds, or leases payable from allocated tax

proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(3), except that where reference is made in subsection (b)(3) to allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment of real property in an area under IC 6-1.1-4-4 and after each reassessment in an area under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection:

- (1) may not include the effect of phasing in assessed value due to property tax abatements under IC 6-1.1-12.1;
- (2) may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the general reassessment, the reassessment under the reassessment plan, or the annual adjustment had not occurred; and
- (3) may decrease base assessed value only to the extent that

assessed values in the allocation area have been decreased due to annual adjustments or the reassessment under the reassessment plan.

Assessed value increases attributable to the application of an abatement schedule under IC 6-1.1-12.1 may not be included in the base assessed value of an allocation area. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final allocation deadline.

SECTION 30. IC 36-7-14-48, AS AMENDED BY P.L.87-2015, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 48. (a) Notwithstanding section 39(a) of this chapter, with respect to the allocation and distribution of property taxes for the accomplishment of a program adopted under section 45 of this chapter, "base assessed value" means the net assessed value of all of the property, other than personal property, as finally determined for the assessment date immediately preceding the effective date of the allocation provision, as adjusted under section 39(h) of this chapter.

(b) The allocation fund established under section 39(b) of this chapter for the allocation area for a program adopted under section 45 of this chapter may be used only for purposes related to the accomplishment of the program, including the following:

(1) The construction, rehabilitation, or repair of residential units within the allocation area.

(2) The construction, reconstruction, or repair of any infrastructure (including streets, sidewalks, and sewers) within or serving the allocation area.

(3) The acquisition of real property and interests in real property within the allocation area.

(4) The demolition of real property within the allocation area.

(5) The provision of financial assistance to enable individuals and families to purchase or lease residential units within the allocation area. However, financial assistance may be provided only to those individuals and families whose income is at or below the county's median income for individuals and families, respectively.

(6) The provision of financial assistance to neighborhood development corporations to permit them to provide financial assistance for the purposes described in subdivision (5).

(7) For property taxes first due and payable before January 1, 2009, providing each taxpayer in the allocation area a credit for property tax replacement as determined under subsections (c) and (d). However, the commission may provide this credit only if the municipal legislative body (in the case of a redevelopment commission established by a municipality) or the county executive (in the case of a redevelopment commission established by a county) establishes the credit by ordinance adopted in the year before the year in which the credit is provided.

(c) The maximum credit that may be provided under subsection (b)(7) to a taxpayer in a taxing district that contains all or part of an allocation area established for a program adopted under section 45 of this chapter shall be determined as follows:

STEP ONE: Determine that part of the sum of the amounts described in IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) (before its repeal) for that year as determined under IC 6-1.1-21-4(a)(1) (before its repeal) that is attributable to the taxing district; by

(B) the amount determined under STEP ONE.

STEP THREE: Multiply:

- (A) the STEP TWO quotient; by
- (B) the taxpayer's taxes (as defined in IC 6-1.1-21-2) (before its repeal) levied in the taxing district allocated to the allocation fund, including the amount that would have been allocated but for the credit.

(d) The commission may determine to grant to taxpayers in an allocation area from its allocation fund a credit under this section, as calculated under subsection (c). Except as provided in subsection (g), one-half (1/2) of the credit shall be applied to each installment of taxes (as defined in IC 6-1.1-21-2) (before its repeal) that under IC 6-1.1-22-9 are due and payable in a year. The commission must provide for the credit annually by a resolution and must find in the resolution the following:

- (1) That the money to be collected and deposited in the allocation fund, based upon historical collection rates, after granting the credit will equal the amounts payable for contractual obligations from the fund, plus ten percent (10%) of those amounts.
- (2) If bonds payable from the fund are outstanding, that there is a debt service reserve for the bonds that at least equals the amount of the credit to be granted.
- (3) If bonds of a lessor under section 25.2 of this chapter or under IC 36-1-10 are outstanding and if lease rentals are payable from the fund, that there is a debt service reserve for those bonds that at least equals the amount of the credit to be granted.

If the tax increment is insufficient to grant the credit in full, the commission may grant the credit in part, prorated among all taxpayers.

(e) Notwithstanding section 39(b) of this chapter, the allocation fund established under section 39(b) of this chapter for the allocation area for a program adopted under section 45 of this chapter may only be used to do one (1) or more of the following:

- (1) Accomplish one (1) or more of the actions set forth in section 39(b)(3)(A) through 39(b)(3)(H) and 39(b)(3)(J) of this chapter for property that is residential in nature.
- (2) Reimburse the county or municipality for expenditures made by the county or municipality in order to accomplish the housing program in that allocation area.

The allocation fund may not be used for operating expenses of the commission.

(f) Notwithstanding section 39(b) of this chapter, the commission shall, relative to the allocation fund established under section 39(b) of this chapter for an allocation area for a program adopted under section 45 of this chapter, do the following before ~~July 1~~ **June 15** of each year:

(1) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to:

(A) make the distribution required under section 39(b)(2) of this chapter;

(B) make, when due, principal and interest payments on bonds described in section 39(b)(3) of this chapter;

(C) pay the amount necessary for other purposes described in section 39(b)(3) of this chapter; and

(D) reimburse the county or municipality for anticipated expenditures described in subsection (e)(2).

(2) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

(A) state the amount, if any, of excess property taxes that the commission has determined may be paid to the respective taxing units in the manner prescribed in section 39(b)(1) of this chapter; or

(B) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission.

(3) If:

(A) the amount of excess assessed value determined by the commission is expected to generate more than two hundred

percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (1); plus

(B) the amount necessary for other purposes described in subdivision (1);

the commission shall submit to the legislative body of the unit its determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (2). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (2).

(g) This subsection applies to an allocation area only to the extent that the net assessed value of property that is assessed as residential property under the rules of the department of local government finance is not included in the base assessed value. If property tax installments with respect to a homestead (as defined in IC 6-1.1-12-37) are due in installments established by the department of local government finance under IC 6-1.1-22-9.5, each taxpayer subject to those installments in an allocation area is entitled to an additional credit under subsection (d) for the taxes (as defined in IC 6-1.1-21-2) (before its repeal) due in installments. The credit shall be applied in the same proportion to each installment of taxes (as defined in IC 6-1.1-21-2) (before its repeal).

SECTION 31. IC 36-7-14-52, AS AMENDED BY P.L.87-2015, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 52. (a) Notwithstanding section 39(a) of this chapter, with respect to the allocation and distribution of property taxes for the accomplishment of the purposes of an age-restricted housing program adopted under section 49 of this chapter, "base assessed value" means the net assessed value of all of the property, other than personal property, as finally determined for the assessment date immediately preceding the effective date of the allocation provision, as adjusted under section 39(h) of this chapter.

(b) The allocation fund established under section 39(b) of this chapter for the allocation area for an age-restricted housing program adopted under section 49 of this chapter may be used only for purposes related to the accomplishment of the purposes of the program, including, but not limited to, the following:

- (1) The construction of any infrastructure (including streets, sidewalks, and sewers) or local public improvements in, serving, or benefiting the allocation area.
 - (2) The acquisition of real property and interests in real property within the allocation area.
 - (3) The preparation of real property in anticipation of development of the real property within the allocation area.
 - (4) To do any of the following:
 - (A) Pay the principal of and interest on bonds or any other obligations payable from allocated tax proceeds in the allocation area that are incurred by the redevelopment district for the purpose of financing or refinancing the age-restricted housing program established under section 49 of this chapter for the allocation area.
 - (B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in the allocation area.
 - (C) Pay the principal of and interest on bonds payable from allocated tax proceeds in the allocation area and from the special tax levied under section 27 of this chapter.
 - (D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements that are physically located in or physically connected to the allocation area.
 - (E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in the allocation area.
 - (F) Make payments on leases payable from allocated tax proceeds in the allocation area under section 25.2 of this chapter.
 - (G) Reimburse the unit for expenditures made by the unit for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) that are physically located in or physically connected to the allocation area.
- (c) Notwithstanding section 39(b) of this chapter, the commission shall, relative to the allocation fund established under section 39(b) of this chapter for an allocation area for an age-restricted housing program adopted under section 49 of this chapter, do the following before ~~July~~

† **June 15** of each year:

(1) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to:

(A) make the distribution required under section 39(b)(2) of this chapter;

(B) make, when due, principal and interest payments on bonds described in section 39(b)(3) of this chapter;

(C) pay the amount necessary for other purposes described in section 39(b)(3) of this chapter; and

(D) reimburse the county or municipality for anticipated expenditures described in subsection (b)(2).

(2) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

(A) state the amount, if any, of excess property taxes that the commission has determined may be paid to the respective taxing units in the manner prescribed in section 39(b)(1) of this chapter; or

(B) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission.

SECTION 32. IC 36-7-15.1-26, AS AMENDED BY P.L.87-2015, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 26. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 8 of this chapter refers for purposes of distribution and allocation of

property taxes.

"Base assessed value" means the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation

areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 26.2 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes, taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A resolution adopted under section 8 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or amendment that establishes an allocation provision must include a specific finding of fact, supported by evidence, that the adoption of the allocation provision will result in new property taxes in the area that would not have been generated but for the adoption of the allocation provision. For an allocation area established before July 1, 1995, the

expiration date of any allocation provisions for the allocation area is June 30, 2025, or the last date of any obligations that are outstanding on July 1, 2015, whichever is later. However, an expiration date imposed by this subsection does not apply to an allocation area identified as the Consolidated Allocation Area in the report submitted in 2013 to the fiscal body under section 36.3 of this chapter. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public

question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 19 of this chapter.

(D) Pay the principal of and interest on bonds issued by the consolidated city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this chapter.

(G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into

under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (i) Make, when due, any payments required under clauses (A) through (I), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.
- (ii) Make any reimbursements required under this subdivision.
- (iii) Pay any expenses required under this subdivision.
- (iv) Establish, augment, or restore any debt service reserve under this subdivision.

(K) Expend money and provide financial assistance as authorized in section 7(a)(21) of this chapter.

The special fund may not be used for operating expenses of the commission.

(4) Before ~~July~~ **June 15** of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance.

The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3).

(C) If:

(i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus

(ii) the amount necessary for other purposes described in subdivision (3) and subsection (g);

the commission shall submit to the legislative body of the unit

the commission's determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived

from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

(1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.

(2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in the enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(3). However, where reference is made in subsection (b)(3) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment of real property in an area under IC 6-1.1-4-4 and after each reassessment under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this

section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the general reassessment, reassessment under the reassessment plan, or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final allocation deadline.

SECTION 33. IC 36-7-15.1-35, AS AMENDED BY P.L.87-2015, SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 35. (a) Notwithstanding section 26(a) of this chapter, with respect to the allocation and distribution of property taxes for the accomplishment of a program adopted under section 32 of this chapter, "base assessed value" means the net assessed value of all of the land as finally determined for the assessment date immediately preceding the effective date of the allocation provision, as adjusted under section 26(h) of this chapter. However, "base assessed value" does not include the value of real property improvements to the land.

(b) The special fund established under section 26(b) of this chapter for the allocation area for a program adopted under section 32 of this chapter may be used only for purposes related to the accomplishment of the program, including the following:

(1) The construction, rehabilitation, or repair of residential units within the allocation area.

(2) The construction, reconstruction, or repair of infrastructure (such as streets, sidewalks, and sewers) within or serving the allocation area.

(3) The acquisition of real property and interests in real property within the allocation area.

(4) The demolition of real property within the allocation area.

(5) To provide financial assistance to enable individuals and families to purchase or lease residential units within the allocation area. However, financial assistance may be provided only to those individuals and families whose income is at or below the county's median income for individuals and families, respectively.

(6) To provide financial assistance to neighborhood development corporations to permit them to provide financial assistance for the purposes described in subdivision (5).

(7) For property taxes first due and payable before 2009, to provide each taxpayer in the allocation area a credit for property tax replacement as determined under subsections (c) and (d). However, this credit may be provided by the commission only if the city-county legislative body establishes the credit by ordinance adopted in the year before the year in which the credit is provided.

(c) The maximum credit that may be provided under subsection (b)(7) to a taxpayer in a taxing district that contains all or part of an allocation area established for a program adopted under section 32 of this chapter shall be determined as follows:

STEP ONE: Determine that part of the sum of the amounts described in IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for

that year as determined under IC 6-1.1-21-4(a)(1) (before its repeal) that is attributable to the taxing district; by

(B) the amount determined under STEP ONE.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district allocated to the allocation fund, including the amount that would have been allocated but for the credit.

(d) Except as provided in subsection (g), the commission may determine to grant to taxpayers in an allocation area from its allocation fund a credit under this section, as calculated under subsection (c), by applying one-half (1/2) of the credit to each installment of taxes (as defined in IC 6-1.1-21-2 (before its repeal)) that under IC 6-1.1-22-9 are due and payable in a year. Except as provided in subsection (g), one-half (1/2) of the credit shall be applied to each installment of taxes (as defined in IC 6-1.1-21-2 (before its repeal)). The commission must provide for the credit annually by a resolution and must find in the resolution the following:

(1) That the money to be collected and deposited in the allocation fund, based upon historical collection rates, after granting the credit will equal the amounts payable for contractual obligations from the fund, plus ten percent (10%) of those amounts.

(2) If bonds payable from the fund are outstanding, that there is a debt service reserve for the bonds that at least equals the amount of the credit to be granted.

(3) If bonds of a lessor under section 17.1 of this chapter or under IC 36-1-10 are outstanding and if lease rentals are payable from the fund, that there is a debt service reserve for those bonds that at least equals the amount of the credit to be granted.

If the tax increment is insufficient to grant the credit in full, the commission may grant the credit in part, prorated among all taxpayers.

(e) Notwithstanding section 26(b) of this chapter, the special fund established under section 26(b) of this chapter for the allocation area for a program adopted under section 32 of this chapter may only be used to do one (1) or more of the following:

(1) Accomplish one (1) or more of the actions set forth in section 26(b)(3)(A) through 26(b)(3)(H) of this chapter.

- (2) Reimburse the consolidated city for expenditures made by the city in order to accomplish the housing program in that allocation area.

The special fund may not be used for operating expenses of the commission.

(f) Notwithstanding section 26(b) of this chapter, the commission shall, relative to the special fund established under section 26(b) of this chapter for an allocation area for a program adopted under section 32 of this chapter, do the following before ~~July 1~~ **June 15** of each year:

- (1) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to:

- (A) make the distribution required under section 26(b)(2) of this chapter;

- (B) make, when due, principal and interest payments on bonds described in section 26(b)(3) of this chapter;

- (C) pay the amount necessary for other purposes described in section 26(b)(3) of this chapter; and

- (D) reimburse the consolidated city for anticipated expenditures described in subsection (e)(2).

- (2) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

- (A) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in section 26(b)(1) of this chapter; or

- (B) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in section 26(b)(1) of this chapter.

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the

commission.

(g) This subsection applies to an allocation area only to the extent that the net assessed value of property that is assessed as residential property under the rules of the department of local government finance is not included in the base assessed value. If property tax installments with respect to a homestead (as defined in IC 6-1.1-20.9-1 (before its repeal)) are due in installments established by the department of local government finance under IC 6-1.1-22-9.5, each taxpayer subject to those installments in an allocation area is entitled to an additional credit under subsection (d) for the taxes (as defined in IC 6-1.1-21-2 (before its repeal)) due in installments. The credit shall be applied in the same proportion to each installment of taxes (as defined in IC 6-1.1-21-2 (before its repeal)).

SECTION 34. IC 36-7-15.1-53, AS AMENDED BY P.L.87-2015, SECTION 11, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 53. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 40 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means:

- (1) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
- (2) to the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

Except as provided in section 55 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A resolution adopted under section 40 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the

allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision must be approved by resolution of the legislative body of the excluded city and must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local

public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 50 of this chapter.

(D) Pay the principal of and interest on bonds issued by the excluded city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 46 of this chapter.

(G) Reimburse the excluded city for expenditures for local public improvements (which include buildings, park facilities, and other items set forth in section 45 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The special fund may not be used for operating expenses of the commission.

(4) Before ~~July 1~~ **June 15** of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located, is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection

(b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

(1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.

(2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in an enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(3). However, where reference is made in subsection (b)(3) to the allocation area, the reference refers, for purposes of payments from the special zone fund, only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment of real property in an area under IC 6-1.1-4-4 or reassessment under a county's reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the

department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the general reassessment, reassessment under the county's reassessment plan, or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final allocation deadline.

(1) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to:

(A) make the distribution required under section 26(b)(2) of this chapter;

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 6-1.1-24-1.5, AS AMENDED BY P.L.247-2015, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1.5. (a) As used in this chapter and IC 6-1.1-25, "county executive" means the following:

(2) an order from a court or a determination of a hearing authority has been obtained under IC 36-7-37 that the real property is vacant or abandoned;

the executive of the county, city, or town may, after providing either the notice required by IC 36-7-37 or section 2.3 of this chapter, certify a list of vacant or abandoned property to the county auditor. (c) Upon receiving lists described in subsection (b), the county auditor shall do all the following:

(1) Prepare a combined list of the properties certified by the executive of the county, city, or town.

(2) Delete any property described in that list from the delinquent tax list prepared under section 1 of this chapter.

Any amount collected from the sale of all properties under this section above the total minimum bids shall first be used to pay the costs of the county, city, or town that certified the property vacant or abandoned for title search and court proceedings. Any amount remaining from the sale shall be certified by the county treasurer to the county auditor for distribution to other taxing units during settlement.

(d) Notice of the sale under this section must contain the following:

(b) The department of local government finance may cancel any property taxes, **delinquencies, fees, special assessments, and penalties** assessed against real property owned by this state, **regardless of whether the state owned the property on the assessment date for which the property taxes, delinquencies, fees, special assessments, or penalties are imposed and regardless of when the state acquired the property**, if a petition requesting that the department cancel the taxes is submitted by:

~~(d)~~ (e) After making a compromise under subsection ~~(c)~~ (d) and after receiving payment of the compromised amount, the department of local government finance shall distribute to each county treasurer an amount equal to the product of:

- (1) the compromised amount; multiplied by
- (2) a fraction, the numerator of which is the total of the particular county's property tax levies against the railroad for the compromised years, and the denominator of which is the total of all property tax levies against the railroad for the compromised years.

~~(g)~~ (h) The money allocated to each taxing district shall be apportioned and distributed among the taxing units of that taxing district in the same manner and at the same time that property taxes are apportioned and distributed.

~~(h)~~ (i) The department of local government finance may, with the approval of the attorney general, compromise the amount of property taxes, together with any interest or penalties on those taxes, assessed against property owned by a person that has a case pending under state or federal bankruptcy law. Property taxes that are compromised under this section shall be distributed and allocated at the same time and in the same manner as regularly collected property taxes. The department of local government finance may compromise property taxes under this

- (2) the compromise significantly advances the time of payment of the taxes; and
- (3) the compromise is in the best interest of the state and the taxing units that are entitled to receive any part of the compromised taxes.

†(j) A taxing unit that receives funds under this section is not required to include the funds in its budget estimate for any budget year which begins after the budget year in which it receives the funds.

†(k) A county treasurer, with the consent of the county auditor and the county assessor, may compromise the amount of property taxes, interest, or penalties owed in a county by an entity that has a case pending under Title 11 of the United States Code (Bankruptcy Code) by accepting a single payment that must be at least seventy-five percent (75%) of the total amount owed in the county.

SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 1. (a) Whenever an examination is made under this article, a report of the examination shall be made. The report must include a list of findings and shall be signed and verified by the examiner making the examination. A finding that is critical of an examined entity must be based upon one (1) of the following:

- (1) Failure of the entity to observe a uniform compliance guideline established under IC 5-11-1-24(a).
- (2) Failure of the entity to comply with a specific law.

A report that includes a finding that is critical of an examined entity must designate the uniform compliance guideline or the specific law upon which the finding is based. The reports shall immediately be filed with the state examiner, and, after inspection of the report, the state examiner shall immediately file one (1) copy with the officer or person examined, one (1) copy with the auditing department of the municipality examined and reported upon (if the subject of the report is a municipality), and one (1) copy in an electronic format under IC 5-14-6 with the legislative services agency, as staff to the audit committee and the general assembly. Upon filing, the report becomes a part of the public records of the office of the state examiner, of the office or the person examined, of the auditing department of the municipality examined and reported upon, and of the legislative services agency, as staff to the audit committee and the general assembly. A report is open to public inspection at all reasonable times after it is filed. If an examination discloses malfeasance, misfeasance, or nonfeasance in office or of any officer or employee, a copy of the report, signed and verified, shall be placed by the state examiner with the attorney general and the inspector general. The attorney general shall diligently institute and prosecute civil proceedings against the delinquent officer, or upon the officer's official bond, or both, and against any other proper person that will secure to the state or to the proper municipality the recovery of any funds misappropriated, diverted, or unaccounted for.

(b) Before an examination report is signed, verified, and filed as required by subsection (a), the officer or the chief executive officer of the state office, municipality, or entity examined must have an opportunity to review the report and to file with the state examiner a written response to that report. If a written response is filed, it becomes

a part of the examination report that is signed, verified, and filed as required by subsection (a). As part of the review of the examination report, the state examiner shall hold a gathering of the officer or chief executive officer of the state office, municipality, or entity examined, any employees or agents of the state office, municipality, or entity examined who are requested to attend by the officer or chief executive officer of the state office, municipality, or entity examined, and the members of the legislative and fiscal bodies of the municipality or entity examined. However, the information discussed and materials presented or delivered during an exit conference may be shared with an officer, employee, consultant, adviser, or attorney of the officer or chief executive officer of the state office, municipality, or entity examined who was not present at the exit conference. An individual with whom information and materials are shared must maintain the confidentiality of the information and materials as provided in this subdivision until the earliest of the occurrences set forth in subsection (g).
- (2) An individual attending an exit conference may not electronically record the exit conference.
- (3) If a majority of a governing body (as defined in IC 5-14-1.5-2(b)) is present during an exit conference, the governing body shall be considered in an executive session under IC 5-14-1.5. However, the governing body has no obligation to give notice as prescribed by IC 5-14-1.5-5 when it participates in the exit conference.
- (4) If the state examiner determines after the exit conference that additional actions must be undertaken by a deputy examiner, field examiner, or private examiner with respect to information discussed or materials presented at the exit conference, the state examiner may call for an additional exit conference to be held.
- (5) Not more than thirty (30) days after the initial exit conference is held under this subsection, the legislative body of the

municipality or entity examined and reported upon may adopt a resolution, approved by at least a two-thirds (2/3) vote of the legislative body, requesting that an additional exit conference be held. The legislative body shall notify the state board of accounts if the legislative body adopts a resolution under this subdivision. If a legislative body adopts a resolution under this subdivision, the state board of accounts shall conduct an additional exit conference not more than sixty (60) days after the state board of accounts receives notice of the adoption of the resolution. The municipality or entity examined must pay the travel and staff costs incurred by the state board of accounts in conducting an additional exit conference under this subdivision.

(6) Except as provided in subdivision (7), a final report under subsection (a) may not be issued earlier than forty-five (45) days after the initial exit conference is held under this subsection.

(7) If:

(A) the state examiner does not call for an additional exit conference to be held as described in subdivision (4); and

(B) the:

(i) legislative body of the municipality or entity examined and reported upon provides written notice to the state examiner that the legislative body waives an additional exit conference described in subdivision (5); or

(ii) state examiner determines that a final report under subsection (a) must be issued as soon as possible;

the final report may be issued earlier than forty-five (45) days after the initial exit conference is held under this subsection.

(c) Except as provided by subsections (b), (d), and (e), it is unlawful for any person, before an examination report is made public as provided by this section, to make any disclosure of the result of any examination of any public account, except:

(1) to the state examiner;

(2) if directed to give publicity to the examination report by the state examiner or by any court;

(3) to another deputy examiner, field examiner, or private examiner engaged in conducting the examination; or

(4) if directed by the state examiner, to the chair of the audit committee or the members of the audit committee acting in

executive session, or both.

If an examination report shows or discloses the commission of a crime by any person, it is the duty of the state examiner to transmit and present the examination report to the prosecuting attorney of the county in which the crime was committed. The state examiner shall furnish to the prosecuting attorney all evidence at the state examiner's command necessary in the investigation and prosecution of the crime.

(d) If, during an examination under this article, a deputy examiner, field examiner, or private examiner acting as an agent of the state examiner determines that the following conditions are satisfied, the examiner shall report the determination to the state examiner:

(1) A substantial amount of public funds has been misappropriated or diverted.

(2) The deputy examiner, field examiner, or private examiner acting as an agent of the state examiner has a reasonable belief that the malfeasance or misfeasance that resulted in the misappropriation or diversion of the public funds was committed by the officer or an employee of the office.

(e) After receiving a preliminary report under subsection (d), the state examiner may provide a copy of the report to the attorney general. The attorney general may institute and prosecute civil proceedings against the delinquent officer or employee, or upon the officer's or employee's official bond, or both, and against any other proper person that will secure to the state or to the proper municipality the recovery of any funds misappropriated, diverted, or unaccounted for.

(f) In an action under subsection (e), the attorney general may attach the defendant's property under IC 34-25-2.

(g) Except as permitted in this section, the information and materials that are part of an exit conference under subsection (b) and the results of an examination, including a preliminary report under subsection (d), are confidential until the occurrence of the earliest of the following:

(1) The final report is made public under subsection (a).

(2) The results of the examination are publicized under subsection (c)(2).

(3) The attorney general institutes an action under subsection (e) on the basis of the preliminary report.

(2) If the disclosure is by a person who is not described in subdivision (1), the person commits a Class A infraction.

(i) Unless in accordance with a judicial order or as otherwise provided in this section, the state board of accounts or its employees, former employees, counsel, or agents, or any other person may not divulge the examination workpapers and investigation records of a deputy examiner, a field examiner, or a private examiner acting as an agent of the state examiner, except to:

(b) To qualify for an investment under this section, the capital improvement board must apply to the treasurer of state in the form and manner required by the treasurer. As part of the application, the capital improvement board shall submit a plan for its use of the investment proceeds and for the repayment of the capital improvement board's

obligation to the treasurer. Within sixty (60) days after receipt of each application, the treasurer shall consider the application and review its accuracy and completeness.

(c) If the capital improvement board makes an application under subsection (b) and the treasurer approves the accuracy and completeness of the application and determines that there is an adequate method of payment for the capital improvement board's obligations, the treasurer of state shall invest or reinvest funds that are held by the treasurer and that are available for investment in obligations issued by the capital improvement board for the purposes of the capital improvement board in calendar years 2009, 2010, and 2011. The investment may not exceed nine million dollars (\$9,000,000) per calendar year for 2009, 2010, and 2011.

(d) The treasurer of state shall determine the terms of each investment and the capital improvement board's obligation, which must include the following:

- (1) Subject to subsections (f) and (g), the duration of the capital improvement board's obligation, which must be for a term of ten (10) years with an option for the capital improvement board to pay its obligation to the treasurer early without penalty.
- (2) Subject to subsections (f) and (g), the repayment schedule of the capital improvement board's obligation, which must provide that no payments are due before January 1, 2013.
- (3) A rate of interest to be determined by the treasurer.
- (4) The amount of each investment, which may not exceed the maximum amounts established for the capital improvement board by this section.
- (5) Any other conditions specified by the treasurer.

(e) The capital improvement board may issue obligations under this section by adoption of a resolution and, as set forth in IC 5-1-14, may use any source of revenue to satisfy the obligation to the treasurer of state under this section. This section constitutes complete authority for the capital improvement board to issue obligations to the treasurer. If the capital improvement board fails to make any payments on the capital improvement board's obligation to the treasurer, the amount payable shall be withheld by the auditor of state from any other money payable to the capital improvement board. The amount withheld shall be transferred to the treasurer to the credit of the capital improvement

board.

(f) Subject to subsection (g), if all principal and interest on the obligations issued by the capital improvement board under this section in calendar year 2009, are paid before July 1, 2015, the term of the obligations issued by the capital improvement board to the treasurer of state in calendar year 2010 is extended until 2025.

(g) This subsection applies if the capital improvement board before July 1, 2015, adopts a resolution:

(1) to establish a bid fund to be used to assist the capital improvement board, the Indianapolis Convention and Visitors Association (VisitIndy), or the Indiana Sports Corporation in securing conventions, sporting events, and other special events; and

(2) to designate that principal and interest payments that would otherwise be made on the obligation issued by the capital improvement board under this section in calendar year 2010 shall instead be deposited in the bid fund.

If the requirements of subdivisions (1) and (2) are satisfied and the capital improvement board deposits in the bid fund amounts equal to the principal and interests payments that would otherwise be made under the repayment schedule on the obligations issued by the capital improvement board under this section in calendar year 2010, the capital improvement board is not required to make those principal and interests payments to the treasurer of state at the time required under the repayment schedule. The amounts must be deposited in the bid fund not later than the time the principal and interest payments would otherwise be due to the treasurer of state under the repayment schedule. The state board of accounts shall ~~annually~~ examine the bid fund **under IC 5-11-1** to determine the amount of deposits made to the bid fund under this subsection and to ensure that the money deposited in the bid fund is used only for purposes authorized by this subsection. To the extent that the capital improvement board does not deposit in the bid fund an amount equal to a payment of principal and interest that would otherwise be due under the repayment schedule on the obligations issued by the capital improvement board under this section in calendar year 2010, the capital improvement board must make that payment of principal and interest to the treasurer of state as provided in this section. If the capital improvement board deposits in the bid fund

amounts equal to the payments of principal and interest that would otherwise be due under the repayment schedule on the obligations issued by the capital improvement board under this section in calendar year 2010, the capital improvement board is only required to repay to the treasurer of state the principal amount of the obligation.

- (6) The legislative body must consider the proposal under section 606 of this chapter, and section 606 **of this chapter** governs whether the proposal is adopted or defeated.
- (7) If the proposal is adopted under section 606 of this chapter, the plan commission must print (and publish, if required) the ordinance under section 610 of this chapter.
- (8) The ordinance takes effect as described in section 610 of this chapter.

(b) After the zoning ordinance for a jurisdiction has been adopted as described in subsection (a), the following procedure applies to a proposal to amend or partially repeal the text (not zone maps) of the ordinance:

- (1) The plan commission may initiate the proposal. (Under the advisory planning law or the area planning law, any participating legislative body also may initiate the proposal and require the plan commission to prepare it.)
- (2) The plan commission must prepare the proposal so that it is consistent with section 601 of this chapter.
- (3) The plan commission and the legislative body both must comply with section 603 of this chapter.
- (4) The plan commission must give notice and hold a public hearing under section 604 of this chapter.
- (5) The plan commission must certify the proposal to the legislative body under section 605 of this chapter.
- (6) The legislative body must consider the proposal under section 607 of this chapter, and section 607 **of this chapter** governs whether the proposal is adopted or defeated.
- (7) If the proposal is adopted under section 607 of this chapter, the plan commission must print the amendments to the zoning ordinance under section 610 of this chapter.
- (8) The amendments take effect as described in section 610 of this chapter.

(c) After the zoning ordinance for a jurisdiction has been adopted as described in subsection (a), the following procedure applies to a proposal to change the zone maps (whether by incorporating an additional map or by amending or deleting a map) incorporated by reference into the ordinance:

- (1) The proposal may be initiated either:
 - (A) by the plan commission; or
 - (B) by a petition signed by property owners who own at least fifty percent (50%) of the land involved.

(Under the advisory planning law or the area planning law, any participating legislative body also may initiate the proposal and require the plan commission to prepare it.)

- (2) The plan commission or petitioners must prepare the proposal so that it is consistent with section 601 of this chapter.
- (3) The plan commission and the legislative body both must comply with section 603 of this chapter.
- (4) The plan commission must give notice and hold a public hearing under section 604 of this chapter.

(5) The plan commission must certify the proposal to the legislative body under section 605 of this chapter.

(6) **Except as provided in subdivision (7)**, the legislative body must consider the proposal under section 608 of this chapter, and section 608 **of this chapter** governs whether the proposal is adopted or defeated.

(7) If the alternate procedure in section 608.7 of this chapter is adopted, that section governs whether the proposal is adopted or defeated after consideration by:

(A) the plan commission under section 608.7 of this chapter; or

~~(7)~~ **(8)** If the proposal is adopted under section 608 **or 608.7** of this chapter, the plan commission must update the zone maps that it keeps available under section 610 of this chapter.

~~(8)~~ **(9)** The zone map changes take effect as described in section 610 of this chapter.

SECTION 2. IC 36-7-4-604 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 604. (a) Before the plan commission certifies a proposal to the legislative body under section 605 of this chapter, the plan commission must hold a public hearing under this section.

(b) The plan commission shall give notice of the hearing by publication under IC 5-3-1. The notice must state:

(1) the time and place of the hearing;

(2) either:

(A) in the case of a proposal under section 606 or 607 of this chapter, the geographic areas (or zoning districts in a specified geographic area) to which the proposal applies; or

(B) in the case of a proposal under section 608 of this chapter, the geographic area that is the subject of the zone map change;

(This subdivision ~~(2)~~ does not require the identification of any real property by metes and bounds.)

(3) either:

(A) in the case of a proposal under section 606 of this chapter, a summary (which the plan commission shall have prepared) of the subject matter contained in the proposal (not the entire text of the ordinance);

- (B) in the case of a proposal under section 607 of this chapter, a summary (which the plan commission shall have prepared) of the subject matter contained in the proposal (not the entire text) that describes any new or changed provisions; or
- (C) in the case of a proposal under section 608 of this chapter, a description of the proposed change in the zone maps;
- (4) if the proposal contains or would add or amend any penalty or forfeiture provisions, the entire text of those penalty or forfeiture provisions;
- (5) the place where a copy of the proposal is on file for examination before the hearing;
- (6) that written objections to the proposal that are filed with the secretary of the commission before the hearing will be considered;
- (7) that oral comments concerning the proposal will be heard; and
- (8) that the hearing may be continued from time to time as may be found necessary.

(c) The plan commission shall also provide for due notice to interested parties at least ten (10) days before the date set for the hearing. The commission shall by rule determine who are interested parties, how notice is to be given to interested parties, and who is required to give that notice. However, if the subject matter of the proposal abuts or includes a county line (or a county line street or road or county line body of water), then all owners of real property to a depth of two (2) ownerships or one-eighth (1/8) of a mile into the adjacent county, whichever is less, are interested parties who must receive notice under this subsection.

(d) The hearing must be held by the plan commission at the place stated in the notice. The commission may also give notice and hold hearings at other places within the county where the distribution of population or diversity of interests of the people indicate that the hearings would be desirable. The commission shall adopt rules governing the conduct of hearings under this section.

(e) A zoning ordinance may not be held invalid on the ground that the plan commission failed to comply with the requirements of this section, if the notice and hearing substantially complied with this section.

(f) The files of the plan commission concerning proposals are public

records and shall be kept available at the commission's office for inspection by any interested person.

(g) METRO. In the case of a proposal to amend a zoning map under section 608 of this chapter or in the case of a proposed approval of a development plan required by a zoning ordinance as a condition of development, a person may not communicate before the hearing with any hearing officer, member of the historic preservation commission, or member of the plan commission with intent to influence the officer's or member's action on the proposal. Before the hearing, the staff may submit a statement of fact concerning the physical characteristics of the area involved in the proposal, along with a recital of surrounding land use and public facilities available to serve the area. The staff may include with the statement an opinion of the proposal. The statement must be made a part of the file concerning the proposal not less than six (6) days before the proposal is scheduled to be heard. The staff shall furnish copies of the statement to persons in accordance with rules adopted by the commission.

(h) METRO. In the case of a proposal to amend a zoning map under section 608 ~~or 608.7~~ of this chapter, this subsection applies if the proposal affects only real property within the corporate boundaries of an excluded city. Notwithstanding the other provisions of this section, the legislative body of the excluded city may decide that the legislative body rather than the plan commission should hold the public hearing prescribed by this section. Whenever the plan commission receives a proposal subject to this section, the plan commission shall refer the proposal to the legislative body of the excluded city. At the legislative body's first regular meeting after receiving a referred proposal, the legislative body shall decide whether the legislative body will hold the public hearing. Within thirty (30) days after making the decision to hold the hearing, the legislative body shall hold the hearing, acting for purposes of this section as if the legislative body is the plan commission. The legislative body shall then make a recommendation on the proposal to the plan commission. After receiving the excluded city legislative body's recommendation (or at the end of the thirty (30) day period for the public hearing if the proposal receives no recommendation), the plan commission shall meet and decide whether to make a favorable recommendation on the proposal. ~~If the proposal receives a~~ **The** favorable recommendation, ~~from the unfavorable~~

recommendation, or no recommendation of the plan commission on the proposal shall be certified to the county legislative body as provided in section 605 of this chapter.

(i) Before a proposal involving a structure regulated under IC 8-21-10 may become effective, the plan commission must have received:

(1) a copy of:

(A) the permit for the structure issued by the Indiana department of transportation; or

(B) the Determination of No Hazard to Air Navigation issued by the Federal Aviation Administration; and

(2) evidence that notice was delivered to a public use airport as required in IC 8-21-10-3 not less than sixty (60) days before the proposal is considered.

SECTION 3. IC 36-7-4-608, AS AMENDED BY P.L.88-2014, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 608. (a) This section applies to a proposal, as described in section 602(c) of this chapter, to change the zone maps incorporated by reference into the zoning ordinance.

(b) If the proposal is not initiated by the plan commission, it must be referred to the commission for consideration and recommendation before any final action is taken by the legislative body. On receiving or initiating the proposal, the commission shall, within sixty (60) days, hold a public hearing in accordance with section 604 of this chapter. Within ten (10) business days after the commission determines its recommendation (if any), the commission shall certify the proposal under section 605 of this chapter.

(c) METRO. This subsection applies if the proposal receives a favorable recommendation, an unfavorable recommendation, or no recommendation from the plan commission:

(1) At the first regular meeting of the legislative body:

(A) after the proposal is certified under section 605 of this chapter; or

(B) after the date of the notice under section 608.7(b)(1) or 608.7(b)(2) of this chapter, if:

(i) the alternate procedure in section 608.7 of this chapter is adopted; and

(ii) the legislative body makes the final determination on

the proposal upon the request of an aggrieved person or the legislative body's own initiative under section 608.7(c) of this chapter;

the legislative body may, by a majority of those voting, schedule the proposal for a hearing on a date not later than its next regular meeting. The legislative body member in whose district the parcel of real property under consideration is located may submit a request to the president of the legislative body that the proposal be considered under this subsection.

(2) If the legislative body fails to schedule the proposal for a hearing under subdivision (1), the ordinance takes effect as if it had been adopted at the first regular meeting of the legislative body:

(A) after the proposal is certified under section 605 of this chapter; or

(B) after the date of the notice under section 608.7(b)(1) or 608.7(b)(2) of this chapter, if:

(i) the alternate procedure in section 608.7 of this chapter is adopted; and

(ii) the legislative body makes the final determination on the proposal upon the request of an aggrieved person or the legislative body's own initiative under section 608.7(c) of this chapter.

(3) For purposes of this subdivision, the final action date for a proposal is the date thirty (30) days after the date that the proposal is certified under section 605 of this chapter, or the date of the second regular meeting after the proposal is certified under section 605 of this chapter, whichever is later. **However if:**

(A) the alternate procedure in section 608.7 of this chapter is adopted; and

(B) the legislative body makes the final determination on the proposal upon:

(i) the request of an aggrieved person; or

(ii) the legislative body's own initiative;

under section 608.7(c) of this chapter;

the final action date for a proposal is the date of the second regular meeting after the date of the notice under section 608.7(b)(1) or 608.7(b)(2) of this chapter. If the legislative body

schedules the proposal for a hearing under subdivision (1) but fails to act on it by the final action date, the ordinance takes effect as if it had been adopted (as certified) on the final action date. However, the period of time ~~from~~ **after** certification under section 605 of this chapter, **or after the notice under section 608.7(b)(1) or 608.7(b)(2) of this chapter**, to the final action date may be extended by the legislative body, with the consent of the initiating plan commission or the petitioning property owners. If the legislative body fails to act on the proposal by the final action date (as extended), the ordinance takes effect as if it had been adopted (as certified) on that extended final action date.

(4) If the legislative body schedules the proposal for a hearing under subdivision (1), it shall announce the hearing during a meeting and enter the announcement in its memoranda and minutes. The announcement must state:

- (A) the date, time, and place of the hearing;
- (B) a description of the proposed changes in the zone maps;
- (C) that written objections to the proposal filed with the clerk of the legislative body or with the county auditor will be heard; and
- (D) that the hearing may be continued from time to time as may be found necessary.

(5) If the legislative body rejects the proposal at a hearing scheduled under subdivision (1), it is defeated.

(d) METRO. The plan commission may adopt a rule to limit further consideration, for up to one (1) year after its defeat, of a proposal that is defeated under subsection (c)(5).

(e) ADVISORY—AREA. The legislative body shall vote on the proposal within ninety (90) days after:

- (1) the plan commission certifies the proposal under section 605 of this chapter; **or**
- (2) **the date of the notice under section 608.7(b)(1) or 608.7(b)(2) of this chapter, if:**
 - (A) **the alternate procedure in section 608.7 of this chapter is adopted; and**
 - (B) **the legislative body makes the final determination on the proposal upon:**
 - (i) **the request of an aggrieved person; or**

**(ii) the legislative body's own initiative;
under section 608.7(c) of this chapter.**

(f) **ADVISORY—AREA.** This subsection applies if the proposal receives a favorable recommendation from the plan commission:

(1) At the first regular meeting of the legislative body after:

**(A) the proposal is certified under section 605 of this chapter;
or**

**(B) the date of the notice under section 608.7(b)(1) or
608.7(b)(2) of this chapter, if:**

**(i) the alternate procedure in section 608.7 of this
chapter is adopted; and**

**(ii) the legislative body makes the final determination on
the proposal upon the request of an aggrieved person or
the legislative body's own initiative under section
608.7(c) of this chapter;**

(or at any subsequent meeting within the ninety (90) day period), the legislative body may adopt or reject the proposal. The legislative body shall give notice under IC 5-14-1.5-5 of its intention to consider the proposal at that meeting.

(2) If the legislative body adopts (as certified) the proposal, it takes effect as other ordinances of the legislative body.

(3) If the legislative body rejects the proposal, it is defeated.

(4) **Except as provided in subdivision (5),** if the legislative body fails to act on the proposal within ninety (90) days after certification, the ordinance takes effect as if it had been adopted (as certified) ninety (90) days after certification.

(5) This subdivision applies if:

**(A) the alternate procedure in section 608.7 of this chapter
is adopted; and**

**(B) the legislative body makes the final determination on
the proposal upon:**

(i) the request of an aggrieved person; or

(ii) the legislative body's own initiative;

under section 608.7(c) of this chapter.

If the legislative body fails to act on the proposal within ninety (90) days after the date of the notice under section 608.7(b)(1) or 608.7(b)(2) of this chapter, the ordinance takes effect as if it had been adopted (as certified) ninety (90) days after the

date of the notice.

(g) **ADVISORY—AREA.** This subsection applies if the proposal receives either an unfavorable recommendation or no recommendation from the plan commission:

- (1) At the first regular meeting of the legislative body after the proposal is certified under section 605 of this chapter (or at any subsequent meeting within the ninety (90) day period), the legislative body may adopt or reject the proposal. The legislative body shall give notice under IC 5-14-1.5-5 of its intention to consider the proposal at that meeting.
- (2) If the legislative body adopts (as certified) the proposal, it takes effect as other ordinances of the legislative body.
- (3) If the legislative body rejects the proposal, it is defeated.
- (4) If the legislative body fails to act on the proposal within ninety (90) days after certification, it is defeated.

(h) **ADVISORY—AREA.** The plan commission may adopt a rule to limit further consideration, for up to one (1) year after its defeat, of a proposal that is defeated under subsection (f)(3), (g)(3), or (g)(4).

(a) A unit may adopt the alternate procedure set forth in this section to apply to a proposal, as described in section 602(c) of this chapter, to change the zone maps incorporated by reference into the zoning ordinance.

(b) The plan commission shall comply with section 608(b) of this chapter and certify a favorable recommendation, unfavorable recommendation, or no recommendation to the legislative body under section 605 of this chapter. Except as provided in subsection (c), if the plan commission makes:

SECTION 11. IC 6-1.1-10.3-7, AS ADDED BY P.L.80-2014, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 7. A **county local** income tax council may repeal or amend an exemption ordinance. However, if a **county local** income tax council repeals or amends an exemption ordinance, any new personal property that was exempt under the exemption ordinance on the date the new personal property was placed into service by a taxpayer remains exempt from property taxation, regardless of whether or not the ownership of the new personal property changes after the date the exemption ordinance is amended or repealed.

SECTION 12. IC 6-1.1-12-37, AS AMENDED BY P.L.148-2015, SECTION 7, AS AMENDED BY P.L.207-2015, SECTION 1, AND AS AMENDED BY P.L.245-2015, SECTION 6, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 37. (a) The following definitions apply throughout this section:

- (1) "Dwelling" means any of the following:
 - (A) Residential real property improvements that an individual uses as the individual's residence, including a house or garage.
 - (B) A mobile home that is not assessed as real property that an individual uses as the individual's residence.
 - (C) A manufactured home that is not assessed as real property that an individual uses as the individual's residence.
- (2) "Homestead" means an individual's principal place of residence:
 - (A) that is located in Indiana;
 - (B) that:
 - (i) the individual owns;
 - (ii) the individual is buying under a contract; recorded in the county recorder's office, that provides that the individual is

to pay the property taxes on the residence, *and that obligates the owner to convey title to the individual upon completion of all of the individual's contract obligations;*

(iii) the individual is entitled to occupy as a tenant-stockholder (as defined in 26 U.S.C. 216) of a cooperative housing corporation (as defined in 26 U.S.C. 216); or

(iv) is a residence described in section 17.9 of this chapter that is owned by a trust if the individual is an individual described in section 17.9 of this chapter; and

(C) that consists of a dwelling and the real estate, not exceeding one (1) acre, that immediately surrounds that dwelling.

Except as provided in subsection (k), the term does not include property owned by a corporation, partnership, limited liability company, or other entity not described in this subdivision.

(b) Each year a homestead is eligible for a standard deduction from the assessed value of the homestead for an assessment date. Except as provided in subsection (p), the deduction provided by this section applies to property taxes first due and payable for an assessment date only if an individual has an interest in the homestead described in subsection (a)(2)(B) on:

(1) the assessment date; or

(2) any date in the same year after an assessment date that a statement is filed under subsection (e) or section 44 of this chapter, if the property consists of real property.

If more than one (1) individual or entity qualifies property as a homestead under subsection (a)(2)(B) for an assessment date, only one (1) standard deduction from the assessed value of the homestead may be applied for the assessment date. Subject to subsection (c), the auditor of the county shall record and make the deduction for the individual or entity qualifying for the deduction.

(c) Except as provided in section 40.5 of this chapter, the total amount of the deduction that a person may receive under this section for a particular year is the lesser of:

(1) sixty percent (60%) of the assessed value of the real property, mobile home not assessed as real property, or manufactured home not assessed as real property; or

(2) forty-five thousand dollars (\$45,000).

(d) A person who has sold real property, a mobile home not assessed as real property, or a manufactured home not assessed as real property to another person under a contract that provides that the contract buyer is to pay the property taxes on the real property, mobile home, or manufactured home may not claim the deduction provided under this section with respect to that real property, mobile home, or manufactured home.

(e) Except as provided in sections 17.8 and 44 of this chapter and subject to section 45 of this chapter, an individual who desires to claim the deduction provided by this section must file a certified statement in duplicate, on forms prescribed by the department of local government finance, with the auditor of the county in which the homestead is located. The statement must include:

(1) the parcel number or key number of the property and the name of the city, town, or township in which the property is located;

(2) the name of any other location in which the applicant or the applicant's spouse owns, is buying, or has a beneficial interest in residential real property;

(3) the names of:

(A) the applicant and the applicant's spouse (if any):

(i) as the names appear in the records of the United States Social Security Administration for the purposes of the issuance of a Social Security card and Social Security number; or

(ii) that they use as their legal names when they sign their names on legal documents;

if the applicant is an individual; or

(B) each individual who qualifies property as a homestead under subsection (a)(2)(B) and the individual's spouse (if any):

(i) as the names appear in the records of the United States Social Security Administration for the purposes of the issuance of a Social Security card and Social Security number; or

(ii) that they use as their legal names when they sign their names on legal documents;

if the applicant is not an individual; and

(4) either:

(A) the last five (5) digits of the applicant's Social Security number and the last five (5) digits of the Social Security number of the applicant's spouse (if any); or

(B) if the applicant or the applicant's spouse (if any) does not have a Social Security number, any of the following for that individual:

(i) The last five (5) digits of the individual's driver's license number.

(ii) The last five (5) digits of the individual's state identification card number.

(iii) If the individual does not have a driver's license or a state identification card, the last five (5) digits of a control number that is on a document issued to the individual by the *federal United States government and determined by the department of local government finance to be acceptable.*

If a form or statement provided to the county auditor under this section, IC 6-1.1-22-8.1, or IC 6-1.1-22.5-12 includes the telephone number or part or all of the Social Security number of a party or other number described in subdivision (4)(B) of a party, the telephone number and the Social Security number or other number described in subdivision (4)(B) included are confidential. The statement may be filed in person or by mail. If the statement is mailed, the mailing must be postmarked on or before the last day for filing. The statement applies for that first year and any succeeding year for which the deduction is allowed. With respect to real property, the statement must be completed and dated in the calendar year for which the person desires to obtain the deduction and filed with the county auditor on or before January 5 of the immediately succeeding calendar year. With respect to a mobile home that is not assessed as real property, the person must file the statement during the twelve (12) months before March 31 of the year for which the person desires to obtain the deduction.

(f) If an individual who is receiving the deduction provided by this section or who otherwise qualifies property for a deduction under this section:

(1) changes the use of the individual's property so that part or all of the property no longer qualifies for the deduction under this section; or

(2) is no longer eligible for a deduction under this section on

another parcel of property because:

- (A) the individual would otherwise receive the benefit of more than one (1) deduction under this chapter; or
- (B) the individual maintains the individual's principal place of residence with another individual who receives a deduction under this section;

the individual must file a certified statement with the auditor of the county, notifying the auditor of the change of use, not more than sixty (60) days after the date of that change. An individual who fails to file the statement required by this subsection is liable for any additional taxes that would have been due on the property if the individual had filed the statement as required by this subsection plus a civil penalty equal to ten percent (10%) of the additional taxes due. The civil penalty imposed under this subsection is in addition to any interest and penalties for a delinquent payment that might otherwise be due. One percent (1%) of the total civil penalty collected under this subsection shall be transferred by the county to the department of local government finance for use by the department in establishing and maintaining the homestead property data base under subsection (i) and, to the extent there is money remaining, for any other purposes of the department. This amount becomes part of the property tax liability for purposes of this article.

(g) The department of local government finance *shall may* adopt rules or guidelines concerning the application for a deduction under this section.

(h) This subsection does not apply to property in the first year for which a deduction is claimed under this section if the sole reason that a deduction is claimed on other property is that the individual or married couple maintained a principal residence at the other property on ~~March~~ *the assessment date* in the same year in which an application for a deduction is filed under this section or, if the application is for a homestead that is assessed as personal property, on ~~March~~ *the assessment date* in the immediately preceding year and the individual or married couple is moving the individual's or married couple's principal residence to the property that is the subject of the application. Except as provided in subsection (n), the county auditor may not grant an individual or a married couple a deduction under this section if:

(1) the individual or married couple, for the same year, claims the deduction on two (2) or more different applications for the deduction; and

(2) the applications claim the deduction for different property.

(i) The department of local government finance shall provide secure access to county auditors to a homestead property data base that includes access to the homestead owner's name and the numbers required from the homestead owner under subsection (e)(4) for the sole purpose of verifying whether an owner is wrongly claiming a deduction under this chapter or a credit under IC 6-1.1-20.4, IC 6-1.1-20.6, ~~or IC 6-3.5~~ **or IC 6-3.6-5 (after December 31, 2016).**

(j) A county auditor may require an individual to provide evidence proving that the individual's residence is the individual's principal place of residence as claimed in the certified statement filed under subsection (e). The county auditor may limit the evidence that an individual is required to submit to a state income tax return, a valid driver's license, or a valid voter registration card showing that the residence for which the deduction is claimed is the individual's principal place of residence. The department of local government finance shall work with county auditors to develop procedures to determine whether a property owner that is claiming a standard deduction or homestead credit is not eligible for the standard deduction or homestead credit because the property owner's principal place of residence is outside Indiana.

(k) As used in this section, "homestead" includes property that satisfies each of the following requirements:

(1) The property is located in Indiana and consists of a dwelling and the real estate, not exceeding one (1) acre, that immediately surrounds that dwelling.

(2) The property is the principal place of residence of an individual.

(3) The property is owned by an entity that is not described in subsection (a)(2)(B).

(4) The individual residing on the property is a shareholder, partner, or member of the entity that owns the property.

(5) The property was eligible for the standard deduction under this section on March 1, 2009.

(l) If a county auditor terminates a deduction for property described in subsection (k) with respect to property taxes that are:

- (1) imposed for an assessment date in 2009; and
- (2) first due and payable in 2010;

on the grounds that the property is not owned by an entity described in subsection (a)(2)(B), the county auditor shall reinstate the deduction if the taxpayer provides proof that the property is eligible for the deduction in accordance with subsection (k) and that the individual residing on the property is not claiming the deduction for any other property.

(m) For assessment dates after 2009, the term "homestead" includes:

- (1) a deck or patio;
- (2) a gazebo; or
- (3) another residential yard structure, as defined in rules *that may be* adopted by the department of local government finance (other than a swimming pool);

that is assessed as real property and attached to the dwelling.

(n) A county auditor shall grant an individual a deduction under this section regardless of whether the individual and the individual's spouse claim a deduction on two (2) different applications and each application claims a deduction for different property if the property owned by the individual's spouse is located outside Indiana and the individual files an affidavit with the county auditor containing the following information:

- (1) The names of the county and state in which the individual's spouse claims a deduction substantially similar to the deduction allowed by this section.
- (2) A statement made under penalty of perjury that the following are true:
 - (A) That the individual and the individual's spouse maintain separate principal places of residence.
 - (B) That neither the individual nor the individual's spouse has an ownership interest in the other's principal place of residence.
 - (C) That neither the individual nor the individual's spouse has, for that same year, claimed a standard or substantially similar deduction for any property other than the property maintained as a principal place of residence by the respective individuals.

A county auditor may require an individual or an individual's spouse to provide evidence of the accuracy of the information contained in an

affidavit submitted under this subsection. The evidence required of the individual or the individual's spouse may include state income tax returns, excise tax payment information, property tax payment information, driver license information, and voter registration information.

(o) If:

(1) a property owner files a statement under subsection (e) to claim the deduction provided by this section for a particular property; and

(2) the county auditor receiving the filed statement determines that the property owner's property is not eligible for the deduction; the county auditor shall inform the property owner of the county auditor's determination in writing. If a property owner's property is not eligible for the deduction because the county auditor has determined that the property is not the property owner's principal place of residence, the property owner may appeal the county auditor's determination to the county property tax assessment board of appeals as provided in IC 6-1.1-15. The county auditor shall inform the property owner of the owner's right to appeal to the county property tax assessment board of appeals when the county auditor informs the property owner of the county auditor's determination under this subsection.

(p) An individual is entitled to the deduction under this section for a homestead for a particular assessment date if:

(1) either:

(A) the individual's interest in the homestead as described in subsection (a)(2)(B) is conveyed to the individual after the assessment date, but within the calendar year in which the assessment date occurs; or

(B) the individual contracts to purchase the homestead after the assessment date, but within the calendar year in which the assessment date occurs;

(2) on the assessment date:

(A) the property on which the homestead is currently located was vacant land; or

(B) the construction of the dwelling that constitutes the homestead was not completed;

(3) either:

- (A) the individual files the certified statement required by subsection (e) on or before December 31 of the calendar year in which the assessment date occurs to claim the deduction under this section; or
 - (B) a sales disclosure form that meets the requirements of section 44 of this chapter is submitted to the county assessor on or before December 31 of the calendar year for the individual's purchase of the homestead; and
- (4) the individual files with the county auditor on or before December 31 of the calendar year in which the assessment date occurs a statement that:
- (A) lists any other property for which the individual would otherwise receive a deduction under this section for the assessment date; and
 - (B) *cancels the deduction described in clause (A) for that property.*

An individual who satisfies the requirements of subdivisions (1) through (4) is entitled to the deduction under this section for the homestead for the assessment date, even if on the assessment date the property on which the homestead is currently located was vacant land or the construction of the dwelling that constitutes the homestead was not completed. The county auditor shall apply the deduction for the assessment date and for the assessment date in any later year in which the homestead remains eligible for the deduction. A homestead that qualifies for the deduction under this section as provided in this subsection is considered a homestead for purposes of section 37.5 of this chapter and IC 6-1.1-20.6. *The county auditor shall cancel the deduction under this section for any property that is located in the county and is listed on the statement filed by the individual under subdivision (4). If the property listed on the statement filed under subdivision (4) is located in another county, the county auditor who receives the statement shall forward the statement to the county auditor of that other county, and the county auditor of that other county shall cancel the deduction under this section for that property.*

(q) This subsection applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013. Notwithstanding any other provision of this section, an individual buying a mobile home that is not assessed as real

property or a manufactured home that is not assessed as real property under a contract providing that the individual is to pay the property taxes on the mobile home or manufactured home is not entitled to the deduction provided by this section unless the parties to the contract comply with IC 9-17-6-17.

(r) This subsection:

(1) applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013; and

(2) does not apply to an individual described in subsection (q).

The owner of a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property must attach a copy of the owner's title to the mobile home or manufactured home to the application for the deduction provided by this section.

(s) For assessment dates after 2013, the term "homestead" includes property that is owned by an individual who:

(1) is serving on active duty in any branch of the armed forces of the United States;

(2) was ordered to transfer to a location outside Indiana; and

(3) was otherwise eligible, without regard to this subsection, for the deduction under this section for the property for the assessment date immediately preceding the transfer date specified in the order described in subdivision (2).

For property to qualify under this subsection for the deduction provided by this section, the individual described in subdivisions (1) through (3) must submit to the county auditor a copy of the individual's transfer orders or other information sufficient to show that the individual was ordered to transfer to a location outside Indiana. The property continues to qualify for the deduction provided by this section until the individual ceases to be on active duty, the property is sold, or the individual's ownership interest is otherwise terminated, whichever occurs first. Notwithstanding subsection (a)(2), the property remains a homestead regardless of whether the property continues to be the individual's principal place of residence after the individual transfers to a location outside Indiana. However, the property ceases to qualify as a homestead under this subsection if the property is leased while the individual is away from Indiana. Property that qualifies as a homestead under this subsection shall also be construed as a homestead for

purposes of section 37.5 of this chapter.

SECTION 13. IC 6-1.1-18.5-1, AS AMENDED BY P.L.124-2011, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 1. As used in this chapter:

"Ad valorem property tax levy for an ensuing calendar year" means the total property taxes imposed by a civil taxing unit for current property taxes collectible in that ensuing calendar year.

"Adopting county" means any county in which the county adjusted gross income tax is in effect.

"Civil taxing unit" means any taxing unit except a school corporation.

"Maximum permissible ad valorem property tax levy for the preceding calendar year" means, for purposes of determining a maximum permissible ad valorem property tax levy under section 3 of this chapter for property taxes imposed for the March 1, 2010, and January 15, 2011, assessment dates, the maximum permissible ad valorem property tax levy for the preceding calendar year as determined under this section as effective on January 1, 2011. For purposes of determining a maximum permissible ad valorem property tax levy under section 3 of this chapter for property taxes imposed for an assessment date after January 15, 2011, the term means the civil taxing unit's maximum permissible ad valorem property tax levy for the calendar year immediately preceding the ensuing calendar year, as that levy was determined under section 3 of this chapter (regardless of whether the taxing unit imposed the entire amount of the maximum permissible ad valorem property tax levy in the immediately preceding year).

"Taxable property" means all tangible property that is subject to the tax imposed by this article and is not exempt from the tax under IC 6-1.1-10 or any other law. For purposes of sections 2 and 3 of this chapter, the term "taxable property" is further defined in section 6 of this chapter.

SECTION 14. IC 6-1.1-18.5-3, AS AMENDED BY P.L.153-2014, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 3. (a) A civil taxing unit may not impose an ad valorem property tax levy for an ensuing calendar year that exceeds the amount determined in the last STEP of the following STEPS:

STEP ONE: Determine the civil taxing unit's maximum

permissible ad valorem property tax levy for the preceding calendar year.

STEP TWO: Multiply the amount determined in STEP ONE by the amount determined in the last STEP of section 2(b) of this chapter.

STEP THREE: Determine the lesser of one and fifteen hundredths (1.15) or the quotient (rounded to the nearest ten-thousandth (0.0001)), of the assessed value of all taxable property subject to the civil taxing unit's ad valorem property tax levy for the ensuing calendar year, divided by the assessed value of all taxable property that is subject to the civil taxing unit's ad valorem property tax levy for the ensuing calendar year and that is contained within the geographic area that was subject to the civil taxing unit's ad valorem property tax levy in the preceding calendar year.

STEP FOUR: Determine the greater of the amount determined in STEP THREE or one (1).

STEP FIVE: Multiply the amount determined in STEP TWO by the amount determined in STEP FOUR.

STEP SIX: Add the amount determined under STEP TWO to the amount of an excessive levy appeal granted under section 13 of this chapter for the ensuing calendar year.

STEP SEVEN: Determine the greater of STEP FIVE or STEP SIX.

~~(b) This subsection applies only to property taxes first due and payable after December 31, 2007. This subsection applies only to a civil taxing unit that is located in a county for which:~~

~~(1) a county adjusted gross income tax rate is first imposed or is increased in a particular year under IC 6-3.5-1.1-24; or~~

~~(2) a county option income tax rate is first imposed or is increased in a particular year under IC 6-3.5-6-30;~~

~~to provide property tax relief in the county: that is covered by IC 6-3.6-11-1.~~ Notwithstanding any provision in this section, any other section of this chapter, or IC 12-20-21-3.2, and except as provided in subsection (c), the maximum permissible ad valorem property tax levy calculated under this section for the ensuing calendar year for a civil taxing unit subject to this section is equal to the civil taxing unit's maximum permissible ad valorem property tax levy for the current

calendar year.

(c) ~~This subsection applies only to property taxes first due and payable after December 31, 2007.~~ In the case of a civil taxing unit that:

(1) is partially located in a county ~~for which a county adjusted gross income tax rate is first imposed or is increased in a particular year under IC 6-3.5-1.1-24 or a county option income tax rate is first imposed or is increased in a particular year under IC 6-3.5-6-30 to provide property tax relief in the county; that is covered by IC 6-3.6-11-1;~~ and

(2) is partially located in a county that is not described in subdivision (1);

the department of local government finance shall, notwithstanding subsection (b), adjust the portion of the civil taxing unit's maximum permissible ad valorem property tax levy that is attributable (as determined by the department of local government finance) to the county or counties described in subdivision (2). The department of local government finance shall adjust this portion of the civil taxing unit's maximum permissible ad valorem property tax levy so that, notwithstanding subsection (b), this portion is allowed to increase as otherwise provided in this section. If the department of local government finance increases the civil taxing unit's maximum permissible ad valorem property tax levy under this subsection, any additional property taxes imposed by the civil taxing unit under the adjustment shall be paid only by the taxpayers in the county or counties described in subdivision (2).

SECTION 15. IC 6-1.1-18.5-13, AS AMENDED BY P.L.245-2015, SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 13. (a) With respect to an appeal filed under section 12 of this chapter, the department may find that a civil taxing unit should receive any one (1) or more of the following types of relief:

(1) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if in the judgment of the department the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas or persons. With respect to annexation, consolidation, or other extensions of governmental services in a

calendar year, if those increased costs are incurred by the civil taxing unit in that calendar year and more than one (1) immediately succeeding calendar year, the unit may appeal under section 12 of this chapter for permission to increase its levy under this subdivision based on those increased costs in any of the following:

- (A) The first calendar year in which those costs are incurred.
- (B) One (1) or more of the immediately succeeding four (4) calendar years.

(2) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December 31, 1973. Before recommending such an increase, the local government tax control board shall consider all other revenues available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's estimate of the unit's share of the costs of operating a court for the first full calendar year in which it is in existence. For purposes of this subdivision, costs of operating a court include:

- (A) the cost of personal services (including fringe benefits);
- (B) the cost of supplies; and
- (C) any other cost directly related to the operation of the court.

(3) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the department finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and two-hundredths (1.02):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property under IC 6-1.1-4-4 does not first become effective.

STEP TWO: Compute separately, for each of the calendar

years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the civil taxing unit's total assessed value of all taxable property and:

(i) for a particular calendar year before 2007, the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 (repealed) or IC 6-1.1-12-42 in the particular calendar year; or

(ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-42 in 2006 plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008;

divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the total assessed value of all taxable property in all counties and:

(i) for a particular calendar year before 2007, the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 (repealed) or IC 6-1.1-12-42 in the particular calendar year; or

(ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in all counties under IC 6-1.1-12-42 in 2006 plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008;

divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP

FIVE amount.

The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 of this chapter based on the assessed value growth quotient determined under section 2 of this chapter.

(4) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to pay the costs of furnishing fire protection for the civil taxing unit through a volunteer fire department. For purposes of determining a township's need for an increased levy, the local government tax control board shall not consider the amount of money borrowed under IC 36-6-6-14 during the immediately preceding calendar year. However, any increase in the amount of the civil taxing unit's levy recommended by the local government tax control board under this subdivision for the ensuing calendar year may not exceed the lesser of:

(A) ten thousand dollars (\$10,000); or

(B) twenty percent (20%) of:

(i) the amount authorized for operating expenses of a volunteer fire department in the budget of the civil taxing unit for the immediately preceding calendar year; plus

(ii) the amount of any additional appropriations authorized during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department under this chapter; minus

(iii) the amount of money borrowed under IC 36-6-6-14 during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department.

(5) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter in order to raise revenues for pension payments and contributions the civil

taxing unit is required to make under IC 36-8. The maximum increase in a civil taxing unit's levy that may be recommended under this subdivision for an ensuing calendar year equals the amount, if any, by which the pension payments and contributions the civil taxing unit is required to make under IC 36-8 during the ensuing calendar year exceeds the product of one and one-tenth (1.1) multiplied by the pension payments and contributions made by the civil taxing unit under IC 36-8 during the calendar year that immediately precedes the ensuing calendar year. For purposes of this subdivision, "pension payments and contributions made by a civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state.

(6) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to increase its levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the township's township assistance ad valorem property tax rate is less than one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation; and

(B) the township needs the increase to meet the costs of providing township assistance under IC 12-20 and IC 12-30-4.

The maximum increase that the board may recommend for a township is the levy that would result from an increase in the township's township assistance ad valorem property tax rate of one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation minus the township's ad valorem property tax rate per one hundred dollars (\$100) of assessed valuation before the increase.

(7) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and

(B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services.

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population, and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that would be raised by the civil taxing unit based on a property tax rate of one cent (\$0.01) per one hundred dollars (\$100) of assessed valuation.

(8) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase the unit's levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the civil taxing unit is:

(i) a county having a population of more than one hundred seventy thousand (170,000) but less than one hundred seventy-five thousand (175,000);

(ii) a city having a population of more than sixty-five thousand (65,000) but less than seventy thousand (70,000);

(iii) a city having a population of more than twenty-nine thousand five hundred (29,500) but less than twenty-nine thousand six hundred (29,600);

(iv) a city having a population of more than thirteen thousand four hundred fifty (13,450) but less than thirteen thousand five hundred (13,500); or

(v) a city having a population of more than eight thousand seven hundred (8,700) but less than nine thousand (9,000);

and

(B) the increase is necessary to provide funding to undertake removal (as defined in IC 13-11-2-187) and remedial action (as defined in IC 13-11-2-185) relating to hazardous substances (as defined in IC 13-11-2-98) in solid waste disposal facilities or industrial sites in the civil taxing unit that have become a menace to the public health and welfare.

The maximum increase that the local government tax control board may recommend for such a civil taxing unit is the levy that would result from a property tax rate of six and sixty-seven hundredths cents (\$0.0667) for each one hundred dollars (\$100) of assessed valuation. For purposes of computing the ad valorem property tax levy limit imposed on a civil taxing unit under section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular year does not include that part of the levy imposed under this subdivision. In addition, a property tax increase permitted under this subdivision may be imposed for only two (2) calendar years.

(9) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a county:

(A) having a population of more than eighty thousand (80,000) but less than ninety thousand (90,000) to increase the county's levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the county needs the increase to meet the county's share of the costs of operating a jail or juvenile detention center, including expansion of the facility, if the jail or juvenile detention center is opened after December 31, 1991;

(B) that operates a county jail or juvenile detention center that is subject to an order that:

- (i) was issued by a federal district court; and
- (ii) has not been terminated;

(C) that operates a county jail that fails to meet:

- (i) American Correctional Association Jail Construction Standards; and
- (ii) Indiana jail operation standards adopted by the department of correction; or

(D) that operates a juvenile detention center that fails to meet standards equivalent to the standards described in clause (C) for the operation of juvenile detention centers.

Before recommending an increase, the local government tax control board shall consider all other revenues available to the county that could be applied for that purpose. An appeal for operating funds for a jail or a juvenile detention center shall be

considered individually, if a jail and juvenile detention center are both opened in one (1) county. The maximum aggregate levy increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or a juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

(10) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

(11) Permission to a city having a population of more than thirty-one thousand five hundred (31,500) but less than thirty-one thousand seven hundred twenty-five (31,725) to increase its levy in excess of the limitations established under section 3 of this chapter if:

- (A) an appeal was granted to the city under this section to reallocate property tax replacement credits under IC 6-3.5-1.1 (**repealed**) in 1998, 1999, and 2000; and
- (B) the increase has been approved by the legislative body of the city, and the legislative body of the city has by resolution determined that the increase is necessary to pay normal operating expenses.

The maximum amount of the increase is equal to the amount of property tax replacement credits under IC 6-3.5-1.1 (**repealed**) that the city petitioned under this section to have reallocated in 2001 for a purpose other than property tax relief.

(12) A levy increase may be granted under this subdivision only for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if the civil taxing unit cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 of this chapter due to a natural disaster, an accident, or another unanticipated emergency.

(13) Permission to Jefferson County to increase its levy in excess of the limitations established under section 3 of this chapter if the department finds that the county experienced a property tax revenue shortfall that resulted from an erroneous estimate of the effect of the supplemental deduction under IC 6-1.1-12-37.5 on the county's assessed valuation. An appeal for a levy increase under this subdivision may not be denied because of the amount of cash balances in county funds. The maximum increase in the county's levy that may be approved under this subdivision is three hundred thousand dollars (\$300,000).

(b) The department of local government finance shall increase the maximum permissible ad valorem property tax levy under section 3 of this chapter for the city of Goshen for 2012 and thereafter by an amount equal to the greater of zero (0) or the result of:

(1) the city's total pension costs in 2009 for the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7); minus

(2) the sum of:

(A) the total amount of state funds received in 2009 by the city and used to pay benefits to members of the 1925 police pension fund (IC 36-8-6) or the 1937 firefighters' pension fund (IC 36-8-7); plus

(B) any previous permanent increases to the city's levy that were authorized to account for the transfer to the state of the responsibility to pay benefits to members of the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension

fund (IC 36-8-7).

(c) In calendar year 2013, the department of local government finance shall allow a township to increase its maximum permissible ad valorem property tax levy in excess of the limitations established under section 3 of this chapter, if the township:

- (1) petitions the department for the levy increase on a form prescribed by the department; and
- (2) submits proof of the amount borrowed in 2012 or 2013, but not both, under IC 36-6-6-14 to furnish fire protection for the township or a part of the township.

The maximum increase in a township's levy that may be allowed under this subsection is the amount borrowed by the township under IC 36-6-6-14 in the year for which proof was submitted under subdivision (2). An increase allowed under this subsection applies to property taxes first due and payable after December 31, 2013.

SECTION 16. IC 6-1.1-18.5-18 IS REPEALED [EFFECTIVE JANUARY 1, 2017]. ~~Sec. 18. (a) If a provision of the prior property tax control law for civil taxing units (IC 6-3.5-1) has been replaced in the same form or in a restated form by a provision of this chapter, then a citation to the provision of the prior law shall be construed as a citation to the corresponding provision of this chapter.~~

~~(b) Any rule adopted under, and applicable to, the prior property tax control law for civil taxing units (IC 6-3.5-1) continues in effect under this article if the provisions under which it was adopted and to which it was applicable were replaced, in the same or restated form, by corresponding provisions of this chapter.~~

SECTION 17. IC 6-1.1-20.6-3, AS AMENDED BY P.L.146-2008, SECTION 219, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 3. As used in this chapter, "property tax liability" means, for purposes of:

- (1) this chapter, other than section 8.5 of this chapter, liability for the tax imposed on property under this article determined after application of all credits and deductions under this article or ~~IC 6-3.5~~; **IC 6-3.6**, except the credit under this chapter, but does not include any interest or penalty imposed under this article; and
- (2) section 8.5 of this chapter, liability for the tax imposed on property under this article determined after application of all credits and deductions under this article or ~~IC 6-3.5~~; **IC 6-3.6**,

including the credit granted by section 7 or 7.5 of this chapter, but not including the credit granted under section 8.5 of this chapter or any interest or penalty imposed under this article.

SECTION 18. IC 6-1.1-20.6-10, AS AMENDED BY P.L.137-2012, SECTION 36, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 10. (a) As used in this section, "debt service obligations of a political subdivision" refers to:

- (1) the principal and interest payable during a calendar year on bonds; and
- (2) lease rental payments payable during a calendar year on leases;

of a political subdivision payable from ad valorem property taxes.

(b) Political subdivisions are required by law to fully fund the payment of their debt obligations in an amount sufficient to pay any debt service or lease rentals on outstanding obligations, regardless of any reduction in property tax collections due to the application of tax credits granted under this chapter.

(c) Upon the failure of a political subdivision to pay any of the political subdivision's debt service obligations during a calendar year when due, the treasurer of state, upon being notified of the failure by a claimant, shall pay the unpaid debt service obligations that are due from money in the possession of the state that would otherwise be available for distribution to the political subdivision under any other law, deducting the payment from the amount distributed. A deduction under this subsection must be made:

- (1) first from **local income tax** distributions of ~~county adjusted gross income tax distributions under IC 6-3.5-1.1; county option income tax distributions under IC 6-3.5-6; or county economic development income tax distributions under IC 6-3.5-7 that would otherwise be distributed to the county under the schedule in IC 6-3.5-1.1-10; IC 6-3.5-1.1-21.1; IC 6-3.5-6-16; IC 6-3.5-6-17.3; IC 6-3.5-7-17; and IC 6-3.5-7-17.3;~~ **under IC 6-3.6-9**; and
- (2) second from any other undistributed funds of the political subdivision in the possession of the state.

(d) This section shall be interpreted liberally so that the state shall to the extent legally valid ensure that the debt service obligations of each political subdivision are paid when due. However, this section does not create a debt of the state.

SECTION 19. IC 6-1.1-21.8-4, AS AMENDED BY P.L.146-2008, SECTION 244, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 4. (a) The board shall determine the terms of a loan made under this chapter. However, the interest charged on the loan may not exceed the percent of increase in the United States Department of Labor Consumer Price Index for Urban Wage Earners and Clerical Workers during the most recent twelve (12) month period for which data is available as of the date that the unit applies for a loan under this chapter. In the case of a qualified taxing unit that is not a school corporation or a public library (as defined in IC 36-12-1-5), a loan must be repaid not later than ten (10) years after the date on which the loan was made. In the case of a qualified taxing unit that is a school corporation or a public library (as defined in IC 36-12-1-5), a loan must be repaid not later than eleven (11) years after the date on which the loan was made. A school corporation or a public library (as defined in IC 36-12-1-5) is not required to begin making payments to repay a loan until after June 30, 2004. The total amount of all the loans made under this chapter may not exceed twenty-eight million dollars (\$28,000,000). The board may disburse the proceeds of a loan in installments. However, not more than one-third (1/3) of the total amount to be loaned under this chapter may be disbursed at any particular time without the review of the budget committee and the approval of the budget agency.

(b) A loan made under this chapter shall be repaid only from:

- (1) property tax revenues of the qualified taxing unit that are subject to the levy limitations imposed by IC 6-1.1-18.5;
- (2) in the case of a school corporation, the school corporation's debt service fund; or
- (3) any other source of revenues (other than property taxes) that is legally available to the qualified taxing unit.

The payment of any installment of principal constitutes a first charge against the property tax revenues described in subdivision (1) that are collected by the qualified taxing unit during the calendar year the installment is due and payable.

(c) The obligation to repay a loan made under this chapter is not a basis for the qualified taxing unit to obtain an excessive tax levy under IC 6-1.1-18.5.

(d) Whenever the board receives a payment on a loan made under

this chapter, the board shall deposit the amount paid in the counter-cyclical revenue and economic stabilization fund.

(e) This section does not prohibit a qualified taxing unit from repaying a loan made under this chapter before the date specified in subsection (a) if a taxpayer described in section 3 of this chapter resumes paying property taxes to the qualified taxing unit.

(f) Interest accrues on a loan made under this chapter until the date the board receives notice from the county auditor that the county has adopted ~~at least one (1) of the following:~~

~~(1) The county adjusted gross income tax under IC 6-3.5-1.1.~~

~~(2) The county option income tax under IC 6-3.5-6.~~

~~(3) The county economic development income tax under IC 6-3.5-7.~~

a local income tax under IC 6-3.6. Notwithstanding subsection (a), interest may not be charged on a loan made under this chapter if a tax described in this subsection is adopted before a qualified taxing unit applies for the loan.

SECTION 20. IC 6-1.1-22-8.1, AS AMENDED BY P.L.5-2015, SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 8.1. (a) The county treasurer shall:

(1) except as provided in subsection (h), mail to the last known address of each person liable for any property taxes or special assessment, as shown on the tax duplicate or special assessment records, or to the last known address of the most recent owner shown in the transfer book; and

(2) transmit by written, electronic, or other means to a mortgagee maintaining an escrow account for a person who is liable for any property taxes or special assessments, as shown on the tax duplicate or special assessment records;

a statement in the form required under subsection (b). ~~However, for property taxes first due and payable in 2008, the county treasurer may choose to use a tax statement that is different from the tax statement prescribed by the department under subsection (b). If a county chooses to use a different tax statement, the county must still transmit (with the tax bill) the statement in either color type or black and white type.~~

(b) The department of local government finance shall prescribe a form, subject to the approval of the state board of accounts, for the statement under subsection (a) that includes at least the following:

- (1) A statement of the taxpayer's current and delinquent taxes and special assessments.
- (2) A breakdown showing the total property tax and special assessment liability and the amount of the taxpayer's liability that will be distributed to each taxing unit in the county.
- (3) An itemized listing for each property tax levy, including:
 - (A) the amount of the tax rate;
 - (B) the entity levying the tax owed; and
 - (C) the dollar amount of the tax owed.
- (4) Information designed to show the manner in which the taxes and special assessments billed in the tax statement are to be used.
- (5) A comparison showing any change in the assessed valuation for the property as compared to the previous year.
- (6) A comparison showing any change in the property tax and special assessment liability for the property as compared to the previous year. The information required under this subdivision must identify:
 - (A) the amount of the taxpayer's liability distributable to each taxing unit in which the property is located in the current year and in the previous year; and
 - (B) the percentage change, if any, in the amount of the taxpayer's liability distributable to each taxing unit in which the property is located from the previous year to the current year.
- (7) An explanation of the following:
 - (A) Homestead credits under IC 6-1.1-20.4, ~~IC 6-3.5-6-13~~, **IC 6-3.6-5**, or another law that are available in the taxing district where the property is located.
 - (B) All property tax deductions that are available in the taxing district where the property is located.
 - (C) The procedure and deadline for filing for any available homestead credits under IC 6-1.1-20.4, ~~IC 6-3.5-6-13~~, **IC 6-3.6-5**, or another law and each deduction.
 - (D) The procedure that a taxpayer must follow to:
 - (i) appeal a current assessment; or
 - (ii) petition for the correction of an error related to the taxpayer's property tax and special assessment liability.
 - (E) The forms that must be filed for an appeal or a petition

described in clause (D).

(F) The procedure and deadline that a taxpayer must follow and the forms that must be used if a credit or deduction has been granted for the property and the taxpayer is no longer eligible for the credit or deduction.

(G) Notice that an appeal described in clause (D) requires evidence relevant to the true tax value of the taxpayer's property as of the assessment date that is the basis for the taxes payable on that property.

The department of local government finance shall provide the explanation required by this subdivision to each county treasurer.

(8) A checklist that shows:

- (A) homestead credits under IC 6-1.1-20.4, ~~IC 6-3.5-6-13~~, **IC 6-3.6-5**, or another law and all property tax deductions; and
- (B) whether each homestead credit and property tax deduction applies in the current statement for the property transmitted under subsection (a).

(c) The county treasurer may mail or transmit the statement one (1) time each year at least fifteen (15) business days before the date on which the first or only installment is due. Whenever a person's tax liability for a year is due in one (1) installment under IC 6-1.1-7-7 or section 9 of this chapter, a statement that is mailed must include the date on which the installment is due and denote the amount of money to be paid for the installment. Whenever a person's tax liability is due in two (2) installments, a statement that is mailed must contain the dates on which the first and second installments are due and denote the amount of money to be paid for each installment. If a statement is returned to the county treasurer as undeliverable and the forwarding order is expired, the county treasurer shall notify the county auditor of this fact. Upon receipt of the county treasurer's notice, the county auditor may, at the county auditor's discretion, treat the property as not being eligible for any deductions under IC 6-1.1-12 or any homestead credits under IC 6-1.1-20.4 and ~~IC 6-3.5-6-13~~. **IC 6-3.6-5.**

(d) All payments of property taxes and special assessments shall be made to the county treasurer. The county treasurer, when authorized by the board of county commissioners, may open temporary offices for the collection of taxes in cities and towns in the county other than the county seat.

(e) The county treasurer, county auditor, and county assessor shall cooperate to generate the information to be included in the statement under subsection (b).

(f) The information to be included in the statement under subsection (b) must be simply and clearly presented and understandable to the average individual.

(g) After December 31, 2007, a reference in a law or rule to IC 6-1.1-22-8 (expired January 1, 2008, and repealed) shall be treated as a reference to this section.

(h) Transmission of statements and other information under this subsection applies in a county only if the county legislative body adopts an authorizing ordinance. Subject to subsection (i), in a county in which an ordinance is adopted under this subsection for property taxes and special assessments first due and payable after 2009, a person may, in any manner permitted by subsection (n), direct the county treasurer and county auditor to transmit the following to the person by electronic mail:

(1) A statement that would otherwise be sent by the county treasurer to the person by regular mail under subsection (a)(1), including a statement that reflects installment payment due dates under section 9.5 or 9.7 of this chapter.

(2) A provisional tax statement that would otherwise be sent by the county treasurer to the person by regular mail under IC 6-1.1-22.5-6.

(3) A reconciling tax statement that would otherwise be sent by the county treasurer to the person by regular mail under any of the following:

(A) Section 9 of this chapter.

(B) Section 9.7 of this chapter.

(C) IC 6-1.1-22.5-12, including a statement that reflects installment payment due dates under IC 6-1.1-22.5-18.5.

(4) Any other information that:

(A) concerns the property taxes or special assessments; and

(B) would otherwise be sent:

(i) by the county treasurer or the county auditor to the person by regular mail; and

(ii) before the last date the property taxes or special assessments may be paid without becoming delinquent.

The information listed in this subsection may be transmitted to a person by using electronic mail that provides a secure Internet link to the information.

(i) For property with respect to which more than one (1) person is liable for property taxes and special assessments, subsection (h) applies only if all the persons liable for property taxes and special assessments designate the electronic mail address for only one (1) individual authorized to receive the statements and other information referred to in subsection (h).

(j) Before 2010, the department of local government finance shall create a form to be used to implement subsection (h). The county treasurer and county auditor shall:

(1) make the form created under this subsection available to the public;

(2) transmit a statement or other information by electronic mail under subsection (h) to a person who, at least thirty (30) days before the anticipated general mailing date of the statement or other information, files the form created under this subsection:

(A) with the county treasurer; or

(B) with the county auditor; and

(3) publicize the availability of the electronic mail option under this subsection through appropriate media in a manner reasonably designed to reach members of the public.

(k) The form referred to in subsection (j) must:

(1) explain that a form filed as described in subsection (j)(2) remains in effect until the person files a replacement form to:

(A) change the person's electronic mail address; or

(B) terminate the electronic mail option under subsection (h); and

(2) allow a person to do at least the following with respect to the electronic mail option under subsection (h):

(A) Exercise the option.

(B) Change the person's electronic mail address.

(C) Terminate the option.

(D) For a person other than an individual, designate the electronic mail address for only one (1) individual authorized to receive the statements and other information referred to in subsection (h).

(E) For property with respect to which more than one (1) person is liable for property taxes and special assessments, designate the electronic mail address for only one (1) individual authorized to receive the statements and other information referred to in subsection (h).

(l) The form created under subsection (j) is considered filed with the county treasurer or the county auditor on the postmark date or on the date it is electronically submitted. If the postmark is missing or illegible, the postmark is considered to be one (1) day before the date of receipt of the form by the county treasurer or the county auditor.

(m) The county treasurer shall maintain a record that shows at least the following:

- (1) Each person to whom a statement or other information is transmitted by electronic mail under this section.
- (2) The information included in the statement.
- (3) Whether the county treasurer received a notice that the person's electronic mail was undeliverable.

(n) A person may direct the county treasurer and county auditor to transmit information by electronic mail under subsection (h) on a form prescribed by the department submitted:

- (1) in person;
- (2) by mail; or
- (3) in an online format developed by the county and approved by the department.

SECTION 21. IC 6-1.1-22.5-8, AS AMENDED BY P.L.172-2011, SECTION 44, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 8. (a) Subject to subsection (c), a provisional statement must:

- (1) be on a form prescribed by the department of local government finance;
- (2) except as provided in emergency rules adopted under section 20 of this chapter and subsection (b):
 - (A) for property taxes first due and payable after 2010 and billed using a provisional statement under section 6 of this chapter, indicate:
 - (i) that the first installment of the taxpayer's tax liability is an amount equal to fifty percent (50%) of the tax liability that was payable in the same year as the assessment date for

- the property for which the provisional statement is issued, subject to any adjustments to the tax liability authorized by the department of local government finance under subsection (e) and approved by the county treasurer; and
- (ii) that the second installment is either the amount specified in a reconciling statement or, if a reconciling statement is not sent until after the second installment is due, an amount equal to fifty percent (50%) of the tax liability that was payable in the same year as the assessment date for the property for which the provisional statement is issued, subject to any adjustments to the tax liability authorized by the department of local government finance under subsection (e) and approved by the county treasurer; and
- (B) for property taxes billed using a provisional statement under section 6.5 of this chapter, except as provided in subsection (d), indicate tax liability in an amount determined by the department of local government finance based on:
- (i) subject to subsection (c), for the cross-county entity, the property tax rate of the cross-county entity for taxes first due and payable in the immediately preceding calendar year; and
- (ii) for all other taxing units that make up the taxing district or taxing districts that comprise the cross-county area, the property tax rates of the taxing units for taxes first due and payable in the current calendar year;
- (3) indicate:
- (A) that the tax liability under the provisional statement is determined as described in subdivision (2); and
- (B) that property taxes billed on the provisional statement:
- (i) are due and payable in the same manner as property taxes billed on a tax statement under IC 6-1.1-22-8.1; and
- (ii) will be credited against a reconciling statement;
- (4) for property taxes billed using a provisional statement under section 6 of this chapter, include a statement in the following or a substantially similar form, as determined by the department of local government finance:
- "Under Indiana law, _____ County (insert county) has sent provisional statements. The statement is due to be paid in installments on _____ (insert date) and _____ (insert

date). The first installment is equal to fifty percent (50%) of your tax liability for taxes payable in _____ (insert year), subject to adjustment to the tax liability authorized by the department of local government finance and approved by the county treasurer. The second installment is either the amount specified in a reconciling statement that will be sent to you, or (if a reconciling statement is not sent until after the second installment is due) an amount equal to fifty percent (50%) of your tax liability for taxes payable in _____ (insert year), subject to adjustment to the tax liability authorized by the department of local government finance and approved by the county treasurer. After the abstract of property is complete, you will receive a reconciling statement in the amount of your actual tax liability for taxes payable in _____ (insert year) minus the amount you pay under this provisional statement.";

(5) for property taxes billed using a provisional statement under section 6.5 of this chapter, include a statement in the following or a substantially similar form, as determined by the department of local government finance:

"Under Indiana law, _____ County (insert county) has elected to send provisional statements for the territory of _____ (insert cross-county entity) located in _____ County (insert county) because the property tax rate for _____ (insert cross-county entity) was not available in time to prepare final tax statements. The statement is due to be paid in installments on _____ (insert date) and _____ (insert date). The statement is based on the property tax rate of _____ (insert cross-county entity) for taxes first due and payable in _____ (insert immediately preceding calendar year). After the property tax rate of _____ (insert cross-county entity) is determined, you will receive a reconciling statement in the amount of your actual tax liability for taxes payable in _____ (insert year) minus the amount you pay under this provisional statement.";

(6) indicate any adjustment to tax liability under subdivision (2) authorized by the department of local government finance under subsection (e) and approved by the county treasurer for:

(A) delinquent:

- (i) taxes; and
 - (ii) special assessments;
 - (B) penalties; and
 - (C) interest;
- (7) in the case of a reconciling statement only, include:
- (A) a checklist that shows:
 - (i) homestead credits under IC 6-1.1-20.4, ~~IC 6-3.5-6-13~~, **IC 6-3.6-5**, or another law and all property tax deductions; and
 - (ii) whether each homestead credit and property tax deduction were applied in the current provisional statement;

 - (C) an explanation of the tax consequences and applicable penalties if a taxpayer unlawfully claims a standard deduction under IC 6-1.1-12-37 on:
 - (i) more than one (1) parcel of property; or
 - (ii) property that is not the taxpayer's principal place of residence or is otherwise not eligible for a standard deduction; and
- (8) include any other information the county treasurer requires.
- (b) The county may apply a standard deduction, supplemental standard deduction, or homestead credit calculated by the county's property system on a provisional bill for a qualified property. If a provisional bill has been used for property tax billings for two (2) consecutive years and a property qualifies for a standard deduction, supplemental standard deduction, or homestead credit for the second year a provisional bill is used, the county shall apply the standard deduction, supplemental standard deduction, or homestead credit calculated by the county's property system on the provisional bill.
- (c) For purposes of this section, property taxes that are:
- (1) first due and payable in the current calendar year on a provisional statement under section 6 or 6.5 of this chapter; and
 - (2) based on property taxes first due and payable in the immediately preceding calendar year or on a percentage of those property taxes;

are determined after excluding from the property taxes first due and payable in the immediately preceding calendar year property taxes imposed by one (1) or more taxing units in which the tangible property is located that are attributable to a levy that no longer applies for property taxes first due and payable in the current calendar year.

(d) If there was no property tax rate of the cross-county entity for taxes first due and payable in the immediately preceding calendar year for use under subsection (a)(2)(B), the department of local government finance shall provide an estimated tax rate calculated to approximate the actual tax rate that will apply when the tax rate is finally determined.

(F) adjustments to include interest that is due and owing; and

(2) notify county treasurers in writing of the types of adjustments authorized under subdivision (1).

SECTION 22. IC 6-1.1-30-17, AS AMENDED BY P.L.137-2012, SECTION 39, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 17. (a) Except as provided in subsection (c) and subject to subsection (d), the department of state revenue and the auditor of state shall, when requested by the department of local government finance, withhold a percentage of the distributions of ~~county adjusted gross income tax distributions under IC 6-3.5-1.1; county option income tax distributions under IC 6-3.5-6; or county economic development income tax distributions under IC 6-3.5-7~~ that

would otherwise be distributed to the county under the schedules in IC 6-3.5-1.1-10; IC 6-3.5-1.1-21.1; IC 6-3.5-6-17; IC 6-3.5-6-17.3; IC 6-3.5-7-16; and IC 6-3.5-7-17.3; **local income tax revenue under IC 6-3.6-9**, if:

- (1) the county assessor has not transmitted to the department of local government finance by October 1 of the year in which the distribution is scheduled to be made the data for all townships in the county required to be transmitted under IC 6-1.1-4-25;
- (2) the county auditor has not paid a bill for services under IC 6-1.1-4-31.5 to the department of local government finance in a timely manner;
- (3) the county assessor has not forwarded to the department of local government finance in a timely manner sales disclosure form data under IC 6-1.1-5.5-3;
- (4) the county auditor has not forwarded to the department of local government finance the duplicate copies of all approved exemption applications required to be forwarded by that date under IC 6-1.1-11-8(a);
- (5) by the date the distribution is scheduled to be made, the county auditor has not sent a certified statement required to be sent by that date under IC 6-1.1-17-1 to the department of local government finance;
- (6) the county does not maintain a certified computer system that meets the requirements of IC 6-1.1-31.5-3.5;
- (7) the county auditor has not transmitted the data described in IC 36-2-9-20 to the department of local government finance in the form and on the schedule specified by IC 36-2-9-20;
- (8) the county has not established a parcel index numbering system under 50 IAC 23-8-1 in a timely manner;
- (9) a county official has not provided other information to the department of local government finance in a timely manner as required by the department of local government finance; or
- (10) the department of local government finance incurs additional costs to assist a covered county (as defined in IC 6-1.1-22.6-1) to issue tax statements within the time frame specified in IC 6-1.1-22.6-18(b) for each year that the county experienced delayed property taxes (as defined in IC 6-1.1-22.6-2) before the year in which the county qualifies as a covered county.

The percentage to be withheld is the percentage determined by the department of local government finance. However, the percentage withheld for a reason stated in subdivision (10) may not exceed the percentage needed to reimburse the department of local government finance for the costs incurred by the department of local government finance to take the actions necessary to permit a covered county (as defined in IC 6-1.1-22.6-1) to issue reconciling tax statements for prior year delayed property taxes (as defined in IC 6-1.1-22.6-2) within the time frame specified in IC 6-1.1-22.6-18(b). The county governmental taxing unit of a covered county (as defined in IC 6-1.1-22.6-1) shall reimburse the department of local government finance for these expenses. The amount withheld under subdivision (10) reduces only the amount that would otherwise be distributed to the county governmental taxing unit of a covered county (as defined in IC 6-1.1-22.6-1) and not money distributable to any other political subdivision. The withholding of an amount under subdivision (10) does not relieve the county government of a covered county (as defined in IC 6-1.1-22.6-1) from making bond or lease payments that would otherwise be paid from withheld amounts or providing property tax credits that would otherwise be provided under ~~IC 6-3.5~~ **IC 6-3.6** from withheld amounts. Subdivision (10) does not apply to any county other than a covered county (as defined in IC 6-1.1-22.6-1).

(b) Except as provided in subsection (e), money not distributed for the reasons stated in subsection (a) shall be distributed to the county when the department of local government finance determines that the failure to:

- (1) provide information; or
- (2) pay a bill for services;

has been corrected.

(c) The restrictions on distributions under subsection (a) do not apply if the department of local government finance determines that the failure to:

- (1) provide information; or
- (2) pay a bill for services;

in a timely manner is justified by unusual circumstances.

(d) The department of local government finance shall give the county auditor at least thirty (30) days notice in writing before the department of state revenue or the auditor of state withholds a

distribution under subsection (a).

(e) Money not distributed for the reason stated in subsection (a)(2) may be deposited in the fund established by IC 6-1.1-5.5-4.7(a). Money deposited under this subsection is not subject to distribution under subsection (b).

(f) This subsection applies to a county that will not receive a distribution of local income tax revenue under ~~IC 6-3.5-1.1~~, ~~IC 6-3.5-6~~, or ~~IC 6-3.5-7~~. **IC 6-3.6-9**. At the request of the department of local government finance, an amount permitted to be withheld under subsection (a) may be withheld from any state revenues that would otherwise be distributed to the county or one (1) or more taxing units in the county.

SECTION 23. IC 6-1.1-36-17, AS AMENDED BY P.L.5-2015, SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 17. (a) As used in this section, "nonreverting fund" refers to a nonreverting fund established under subsection (c).

(b) Each county auditor that makes a determination that property was not eligible for a standard deduction under IC 6-1.1-12-37 in a particular year shall:

- (1) notify the county treasurer of the determination; and
- (2) do one (1) or more of the following:
 - (A) Make a notation on the tax duplicate that the property is ineligible for the standard deduction and indicate the date the notation is made.
 - (B) Record a notice of an ineligible homestead lien under subsection (d)(2).

The county auditor shall issue a notice of taxes, interest, and penalties due to the owner that improperly received the standard deduction and include a statement that the payment is to be made payable to the county auditor. The notice must require full payment of the amount owed within thirty (30) days. The additional taxes and civil penalties that result from the removal of the deduction, if any, are imposed for property taxes first due and payable for an assessment date occurring before the earlier of the date of the notation made under subdivision (2)(A) or the date a notice of an ineligible homestead lien is recorded under subsection (d)(2) in the office of the county recorder. With respect to property subject to a determination made under this subsection that is owned by a bona fide purchaser without knowledge

of the determination, no lien attaches for any additional taxes and civil penalties that result from the removal of the deduction.

(c) Each county auditor shall establish a nonreverting fund. Upon collection of the adjustment in tax due (and any interest and penalties on that amount) after the termination of a deduction or credit as specified in subsection (b), the county treasurer shall deposit that amount:

(1) in the nonreverting fund, if the county contains a consolidated city; or

(2) if the county does not contain a consolidated city:

(A) in the nonreverting fund, to the extent that the amount collected, after deducting the direct cost of any contract, including contract related expenses, under which the contractor is required to identify homestead deduction eligibility, does not cause the total amount deposited in the nonreverting fund under this subsection for the year during which the amount is collected to exceed one hundred thousand dollars (\$100,000); or

(B) in the county general fund, to the extent that the amount collected exceeds the amount that may be deposited in the nonreverting fund under clause (A).

(d) Any part of the amount due under subsection (b) that is not collected by the due date is subject to collection under one (1) or more of the following:

(1) After being placed on the tax duplicate for the affected property and collected in the same manner as other property taxes.

(2) Through a notice of an ineligible homestead lien recorded in the county recorder's office without charge.

The adjustment in tax due (and any interest and penalties on that amount) after the termination of a deduction or credit as specified in subsection (b) shall be deposited as specified in subsection (c) only in the first year in which that amount is collected. Upon the collection of the amount due under subsection (b) or the release of a lien recorded under subdivision (2), the county auditor shall submit the appropriate documentation to the county recorder, who shall amend the information recorded under subdivision (2) without charge to indicate that the lien has been released or the amount has been paid in full.

(e) The amount to be deposited in the nonreverting fund or the

county general fund under subsection (c) includes adjustments in the tax due as a result of the termination of deductions or credits available only for property that satisfies the eligibility for a standard deduction under IC 6-1.1-12-37, including the following:

- (1) Supplemental deductions under IC 6-1.1-12-37.5.
- (2) Homestead credits under IC 6-1.1-20.4, ~~IC 6-3.5-1.1-26~~, ~~IC 6-3.5-6-13~~, ~~IC 6-3.5-6-32~~, ~~IC 6-3.5-7-13.1~~, or ~~IC 6-3.5-7-26~~, **IC 6-3.6-5**, **IC 6-3.6-11-3**, or any other law.
- (3) Credit for excessive property taxes under IC 6-1.1-20.6-7.5 or IC 6-1.1-20.6-8.5.

Any amount paid that exceeds the amount required to be deposited under subsection (c)(1) or (c)(2) shall be distributed as property taxes.

(f) Money deposited under subsection (c)(1) or (c)(2) shall be treated as miscellaneous revenue. Distributions shall be made from the nonreverting fund established under this section upon appropriation by the county fiscal body and shall be made only for the following purposes:

- (1) Fees and other costs incurred by the county auditor to discover property that is eligible for a standard deduction under IC 6-1.1-12-37.
- (2) Other expenses of the office of the county auditor.

The amount of deposits in a reverting fund, the balance of a nonreverting fund, and expenditures from a reverting fund may not be considered in establishing the budget of the office of the county auditor or in setting property tax levies that will be used in any part to fund the office of the county auditor.

SECTION 24. IC 6-3-4-4.1, AS AMENDED BY P.L.1-2009, SECTION 50, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 4.1. (a) Any individual required by the Internal Revenue Code to file estimated tax returns and to make payments on account of such estimated tax shall file estimated tax returns and make payments of the tax imposed by this article to the department at the time or times and in the installments as provided by Section 6654 of the Internal Revenue Code. However, the following apply to estimated tax returns filed and payments made under this subsection:

- (1) In applying Section 6654 of the Internal Revenue Code for the purposes of this article, "estimated tax" means the amount which

the individual estimates as the amount of the adjusted gross income tax imposed by this article for the taxable year, minus the amount which the individual estimates as the sum of any credits against the tax provided by IC 6-3-3.

(2) Estimated tax for a nonresident alien (as defined in Section 7701 of the Internal Revenue Code) must be computed by applying not more than one (1) exclusion under IC 6-3-1-3.5(a)(3) and IC 6-3-1-3.5(a)(4), regardless of the total number of exclusions that IC 6-3-1-3.5(a)(3) and IC 6-3-1-3.5(a)(4) permit the taxpayer to apply on the taxpayer's final return for the taxable year.

(b) Every individual who has adjusted gross income subject to the tax imposed by this article and from which tax is not withheld under the requirements of section 8 of this chapter shall make a declaration of estimated tax for the taxable year. However, no such declaration shall be required if the estimated tax can reasonably be expected to be less than one thousand dollars (\$1,000). In the case of an underpayment of the estimated tax as provided in Section 6654 of the Internal Revenue Code, there shall be added to the tax a penalty in an amount prescribed by IC 6-8.1-10-2.1(b).

(c) Every corporation subject to the adjusted gross income tax liability imposed by this article shall be required to report and pay an estimated tax equal to the lesser of:

(1) twenty-five percent (25%) of such corporation's estimated adjusted gross income tax liability for the taxable year; or

(2) the annualized income installment calculated in the manner provided by Section 6655(e) of the Internal Revenue Code as applied to the corporation's liability for adjusted gross income tax.

A taxpayer who uses a taxable year that ends on December 31 shall file the taxpayer's estimated adjusted gross income tax returns and pay the tax to the department on or before April 20, June 20, September 20, and December 20 of the taxable year. If a taxpayer uses a taxable year that does not end on December 31, the due dates for filing estimated adjusted gross income tax returns and paying the tax are on or before the twentieth day of the fourth, sixth, ninth, and twelfth months of the taxpayer's taxable year. The department shall prescribe the manner and forms for such reporting and payment.

(d) The penalty prescribed by IC 6-8.1-10-2.1(b) shall be assessed

by the department on corporations failing to make payments as required in subsection (c) or (f). However, no penalty shall be assessed as to any estimated payments of adjusted gross income tax which equal or exceed:

- (1) the annualized income installment calculated under subsection (c); or
- (2) twenty-five percent (25%) of the final tax liability for the taxpayer's previous taxable year.

In addition, the penalty as to any underpayment of tax on an estimated return shall only be assessed on the difference between the actual amount paid by the corporation on such estimated return and twenty-five percent (25%) of the corporation's final adjusted gross income tax liability for such taxable year.

(e) The provisions of subsection (c) requiring the reporting and estimated payment of adjusted gross income tax shall be applicable only to corporations having an adjusted gross income tax liability which, after application of the credit allowed by IC 6-3-3-2 (repealed), shall exceed two thousand five hundred dollars (\$2,500) for its taxable year.

(f) If the department determines that a corporation's:

- (1) estimated quarterly adjusted gross income tax liability for the current year; or
- (2) average estimated quarterly adjusted gross income tax liability for the preceding year;

exceeds five thousand dollars (\$5,000), after the credit allowed by IC 6-3-3-2 (repealed), the corporation shall pay the estimated adjusted gross income taxes due by electronic funds transfer (as defined in IC 4-8.1-2-7) or by delivering in person or overnight by courier a payment by cashier's check, certified check, or money order to the department. The transfer or payment shall be made on or before the date the tax is due.

(g) If a corporation's adjusted gross income tax payment is made by electronic funds transfer, the corporation is not required to file an estimated adjusted gross income tax return.

(h) An individual filing an estimated tax return and making an estimated tax payment under this section must designate:

- (1) the portion of the estimated tax payment that represents estimated state adjusted gross income tax liability; and

(2) the portion of the estimated tax payment that represents estimated local income tax liability under ~~IC 6-3-5~~; **IC 6-3.6**.

The department shall adopt guidelines and issue instructions as necessary to assist individuals in making the designations required by this subsection.

SECTION 25. IC 6-3-4-8, AS AMENDED BY P.L.242-2015, SECTION 17, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 8. (a) Except as provided in subsection (d), every employer making payments of wages subject to tax under this article, regardless of the place where such payment is made, who is required under the provisions of the Internal Revenue Code to withhold, collect, and pay over income tax on wages paid by such employer to such employee, shall, at the time of payment of such wages, deduct and retain therefrom the amount prescribed in withholding instructions issued by the department. The department shall base its withholding instructions on the adjusted gross income tax rate for persons, on the total ~~rates of any income taxes~~ **local income tax rate** that the taxpayer is subject to under ~~IC 6-3-5~~; **IC 6-3.6**, and on the total amount of exclusions the taxpayer is entitled to under IC 6-3-1-3.5(a)(3) and IC 6-3-1-3.5(a)(4). However, the withholding instructions on the adjusted gross income of a nonresident alien (as defined in Section 7701 of the Internal Revenue Code) are to be based on applying not more than one (1) withholding exclusion, regardless of the total number of exclusions that IC 6-3-1-3.5(a)(3) and IC 6-3-1-3.5(a)(4) permit the taxpayer to apply on the taxpayer's final return for the taxable year. Such employer making payments of any wages:

(1) shall be liable to the state of Indiana for the payment of the tax required to be deducted and withheld under this section and shall not be liable to any individual for the amount deducted from the individual's wages and paid over in compliance or intended compliance with this section; and

(2) shall make return of and payment to the department monthly of the amount of tax which under this article and ~~IC 6-3-5~~ **IC 6-3.6** the employer is required to withhold.

(b) An employer shall pay taxes withheld under subsection (a) during a particular month to the department no later than thirty (30) days after the end of that month. However, in place of monthly

reporting periods, the department may permit an employer to report and pay the tax for a calendar year reporting period, if the average monthly amount of all tax required to be withheld by the employer in the previous calendar year does not exceed one thousand dollars (\$1,000). An employer using a reporting period (other than a monthly reporting period) must file the employer's return and pay the tax for a reporting period no later than the last day of the month immediately following the close of the reporting period.

(c) For purposes of determining whether an employee is subject to taxation under ~~IC 6-3-5~~, **IC 6-3.6**, an employer is entitled to rely on the statement of an employee as to the employee's county of residence as represented by the statement of address in forms claiming exemptions for purposes of withholding, regardless of when the employee supplied the forms. Every employee shall notify the employee's employer within five (5) days after any change in the employee's county of residence.

(d) A county that makes payments of wages subject to tax under this article:

- (1) to a precinct election officer (as defined in IC 3-5-2-40.1); and
- (2) for the performance of the duties of the precinct election officer imposed by IC 3 that are performed on election day;

is not required, at the time of payment of the wages, to deduct and retain from the wages the amount prescribed in withholding instructions issued by the department.

(e) Every employer shall, at the time of each payment made by the employer to the department, deliver to the department a return upon the form prescribed by the department showing:

- (1) the total amount of wages paid to the employer's employees;
- (2) the amount deducted therefrom in accordance with the provisions of the Internal Revenue Code;
- (3) the amount of adjusted gross income tax deducted therefrom in accordance with the provisions of this section;
- (4) the amount of income tax, if any, imposed under ~~IC 6-3-5~~ **IC 6-3.6** and deducted therefrom in accordance with this section; and
- (5) any other information the department may require.

Every employer making a declaration of withholding as provided in this section shall furnish the employer's employees annually, but not later than thirty (30) days after the end of the calendar year, a record of the

total amount of adjusted gross income tax and the amount of each income tax, if any, imposed under ~~IC 6-3.5~~; **IC 6-3.6**, withheld from the employees, on the forms prescribed by the department. In addition, the employer shall file Form WH-3 annual withholding tax reports with the department not later than thirty-one (31) days after the end of the calendar year.

(f) All money deducted and withheld by an employer shall immediately upon such deduction be the money of the state, and every employer who deducts and retains any amount of money under the provisions of this article shall hold the same in trust for the state of Indiana and for payment thereof to the department in the manner and at the times provided in this article. Any employer may be required to post a surety bond in the sum the department determines to be appropriate to protect the state with respect to money withheld pursuant to this section.

(g) The provisions of IC 6-8.1 relating to additions to tax in case of delinquency and penalties shall apply to employers subject to the provisions of this section, and for these purposes any amount deducted or required to be deducted and remitted to the department under this section shall be considered to be the tax of the employer, and with respect to such amount the employer shall be considered the taxpayer. In the case of a corporate or partnership employer, every officer, employee, or member of such employer, who, as such officer, employee, or member is under a duty to deduct and remit such taxes, shall be personally liable for such taxes, penalties, and interest.

(h) Amounts deducted from wages of an employee during any calendar year in accordance with the provisions of this section shall be considered to be in part payment of the tax imposed on such employee for the employee's taxable year which begins in such calendar year, and a return made by the employer under subsection (b) shall be accepted by the department as evidence in favor of the employee of the amount so deducted from the employee's wages. Where the total amount so deducted exceeds the amount of tax on the employee as computed under this article and ~~IC 6-3.5~~; **IC 6-3.6**, the department shall, after examining the return or returns filed by the employee in accordance with this article and ~~IC 6-3.5~~; **IC 6-3.6**, refund the amount of the excess deduction. However, under rules promulgated by the department, the excess or any part thereof may be applied to any taxes or other claim

due from the taxpayer to the state of Indiana or any subdivision thereof. In the event that the excess tax deducted is less than one dollar (\$1), no refund shall be made.

(i) This section shall in no way relieve any taxpayer from the taxpayer's obligation of filing a return or returns at the time required under this article and ~~IC 6-3.5~~, **IC 6-3.6**, and, should the amount withheld under the provisions of this section be insufficient to pay the total tax of such taxpayer, such unpaid tax shall be paid at the time prescribed by section 5 of this chapter.

(j) Notwithstanding subsection (b), an employer of a domestic service employee that enters into an agreement with the domestic service employee to withhold federal income tax under Section 3402 of the Internal Revenue Code may withhold Indiana income tax on the domestic service employee's wages on the employer's Indiana individual income tax return in the same manner as allowed by Section 3510 of the Internal Revenue Code.

(k) To the extent allowed by Section 1137 of the Social Security Act, an employer of a domestic service employee may report and remit state unemployment insurance contributions on the employee's wages on the employer's Indiana individual income tax return in the same manner as allowed by Section 3510 of the Internal Revenue Code.

(l) A person who knowingly fails to remit trust fund money as set forth in this section commits a Level 6 felony.

SECTION 26. IC 6-3-4-12, AS AMENDED BY P.L.242-2015, SECTION 18, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 12. (a) Every partnership shall, at the time that the partnership pays or credits amounts to any of its nonresident partners on account of their distributive shares of partnership income, for a taxable year of the partnership, deduct and retain therefrom the amount prescribed in the withholding instructions referred to in section 8 of this chapter. Such partnership so paying or crediting any nonresident partner:

- (1) shall be liable to the state of Indiana for the payment of the tax required to be deducted and retained under this section and shall not be liable to such partner for the amount deducted from such payment or credit and paid over in compliance or intended compliance with this section; and
- (2) shall make return of and payment to the department monthly

whenever the amount of tax due under IC 6-3 and ~~IC 6-3.5~~ **IC 6-3.6** exceeds an aggregate amount of fifty dollars (\$50) per month with such payment due on the thirtieth day of the following month, unless an earlier date is specified by section 8.1 of this chapter.

Where the aggregate amount due under IC 6-3 and ~~IC 6-3.5~~ **IC 6-3.6** does not exceed fifty dollars (\$50) per month, then such partnership shall make return and payment to the department quarterly, on such dates and in such manner as the department shall prescribe, of the amount of tax which, under IC 6-3 and ~~IC 6-3.5~~, **IC 6-3.6**, it is required to withhold.

(b) Every partnership shall, at the time of each payment made by it to the department pursuant to this section, deliver to the department a return upon such form as shall be prescribed by the department showing the total amounts paid or credited to its nonresident partners, the amount deducted therefrom in accordance with the provisions of this section, and such other information as the department may require. Every partnership making the deduction and retention provided in this section shall furnish to its nonresident partners annually, but not later than the fifteenth day of the third month after the end of its taxable year, a record of the amount of tax deducted and retained from such partners on forms to be prescribed by the department.

(c) All money deducted and retained by the partnership, as provided in this section, shall immediately upon such deduction be the money of the state of Indiana and every partnership which deducts and retains any amount of money under the provisions of IC 6-3 shall hold the same in trust for the state of Indiana and for payment thereof to the department in the manner and at the times provided in IC 6-3. Any partnership may be required to post a surety bond in such sum as the department shall determine to be appropriate to protect the state of Indiana with respect to money deducted and retained pursuant to this section.

(d) The provisions of IC 6-8.1 relating to additions to tax in case of delinquency and penalties shall apply to partnerships subject to the provisions of this section, and for these purposes any amount deducted, or required to be deducted and remitted to the department under this section, shall be considered to be the tax of the partnership, and with respect to such amount it shall be considered the taxpayer.

(e) Amounts deducted from payments or credits to a nonresident partner during any taxable year of the partnership in accordance with the provisions of this section shall be considered to be in part payment of the tax imposed on such nonresident partner for the nonresident partner's taxable year within or with which the partnership's taxable year ends. A return made by the partnership under subsection (b) shall be accepted by the department as evidence in favor of the nonresident partner of the amount so deducted for the nonresident partner's distributive share.

(f) This section shall in no way relieve any nonresident partner from the nonresident partner's obligations of filing a return or returns at the time required under IC 6-3 or ~~IC 6-3.5~~, **IC 6-3.6**, and any unpaid tax shall be paid at the time prescribed by section 5 of this chapter.

(g) Instead of the reporting periods required under subsection (a), the department may permit a partnership to file one (1) return and payment each year if the partnership pays or credits amounts to its nonresident partners only one (1) time each year. The return and payment are due on or before the fifteenth day of the fourth month after the end of the year. However, if a partnership is permitted an extension to file its income tax return under IC 6-8.1-6-1, the return and payment due under this subsection shall be allowed the same treatment as an extended income tax return with respect to due dates, interest, and penalties under IC 6-8.1-6-1.

(h) A partnership shall file a composite adjusted gross income tax return on behalf of all nonresident partners. The composite return must include each nonresident partner regardless of whether or not the nonresident partner has other Indiana source income.

(i) If a partnership does not include all nonresident partners in the composite return, the partnership is subject to the penalty imposed under IC 6-8.1-10-2.1(j).

(j) For taxable years beginning after December 31, 2013, the department may not impose a late payment penalty on a partnership for the failure to file a return, pay the full amount of the tax shown on the partnership's return, or pay the deficiency of the withholding taxes due under this section if the partnership pays the department before the fifteenth day of the fourth month after the end of the partnership's taxable year at least:

(1) eighty percent (80%) of the withholding tax due for the

current year; or

(2) one hundred percent (100%) of the withholding tax due for the preceding year.

(k) Notwithstanding subsection (a) or (h), a pass through entity is not required to withhold tax or file a composite adjusted gross income tax return for a nonresident member if the entity:

(1) is a publicly traded partnership as defined by Section 7704(b) of the Internal Revenue Code;

(2) meets the exception for partnerships under Section 7704(c) of the Internal Revenue Code; and

(3) has agreed to file an annual information return reporting the name, address, taxpayer identification number, and other information requested by the department of each unit holder.

The department may issue written guidance explaining circumstances under which limited partnerships or limited liability companies owned by a publicly traded partnership may be excluded from the withholding requirements of this section.

(l) Notwithstanding subsection (j), a partnership is subject to a late payment penalty for the failure to file a return, pay the full amount of the tax shown on the partnership's return, or pay the deficiency of the withholding taxes due under this section for any amounts of withholding tax, including any interest under IC 6-8.1-10-1, reported or paid after the due date of the return, as adjusted by any extension under IC 6-8.1-6-1.

(m) For purposes of this section, a "nonresident partner" is:

SECTION 27. IC 6-3-4-13, AS AMENDED BY P.L.242-2015, SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 13. (a) Every corporation which is exempt from tax under IC 6-3 pursuant to IC 6-3-2-2.8(2) shall, at the time that it pays or credits amounts to any of its nonresident shareholders as dividends or as their share of the corporation's undistributed taxable income, withhold the amount prescribed by the department. Such

corporation so paying or crediting any nonresident shareholder:

(1) shall be liable to the state of Indiana for the payment of the tax required to be withheld under this section and shall not be liable to such shareholder for the amount withheld and paid over in compliance or intended compliance with this section; and

(2) when the aggregate amount due under IC 6-3 and ~~IC 6-3.5~~ **IC 6-3.6** exceeds one hundred fifty dollars (\$150) per quarter, then such corporation shall make return and payment to the department quarterly, on such dates and in such manner as the department shall prescribe, of the amount of tax which, under IC 6-3 and ~~IC 6-3.5~~, **IC 6-3.6**, it is required to withhold.

(b) Every corporation shall, at the time of each payment made by it to the department pursuant to this section, deliver to the department a return upon such form as shall be prescribed by the department showing the total amounts paid or credited to its nonresident shareholders, the amount withheld in accordance with the provisions of this section, and such other information as the department may require. Every corporation withholding as provided in this section shall furnish to its nonresident shareholders annually, but not later than the fifteenth day of the third month after the end of its taxable year, a record of the amount of tax withheld on behalf of such shareholders on forms to be prescribed by the department.

(c) All money withheld by a corporation, pursuant to this section, shall immediately upon being withheld be the money of the state of Indiana and every corporation which withholds any amount of money under the provisions of this section shall hold the same in trust for the state of Indiana and for payment thereof to the department in the manner and at the times provided in IC 6-3. Any corporation may be required to post a surety bond in such sum as the department shall determine to be appropriate to protect the state of Indiana with respect to money withheld pursuant to this section.

(d) The provisions of IC 6-8.1 relating to additions to tax in case of delinquency and penalties shall apply to corporations subject to the provisions of this section, and for these purposes any amount withheld, or required to be withheld and remitted to the department under this section, shall be considered to be the tax of the corporation, and with respect to such amount it shall be considered the taxpayer.

(e) Amounts withheld from payments or credits to a nonresident

shareholder during any taxable year of the corporation in accordance with the provisions of this section shall be considered to be a part payment of the tax imposed on such nonresident shareholder for the shareholder's taxable year within or with which the corporation's taxable year ends. A return made by the corporation under subsection (b) shall be accepted by the department as evidence in favor of the nonresident shareholder of the amount so withheld from the shareholder's distributive share.

(f) This section shall in no way relieve any nonresident shareholder from the shareholder's obligation of filing a return or returns at the time required under IC 6-3 or ~~IC 6-3.5~~, **IC 6-3.6**, and any unpaid tax shall be paid at the time prescribed by section 5 of this chapter.

(g) Instead of the reporting periods required under subsection (a), the department may permit a corporation to file one (1) return and payment each year if the corporation pays or credits amounts to its nonresident shareholders only one (1) time each year. The withholding return and payment are due on or before the fifteenth day of the fourth month after the end of the taxable year of the corporation. However, if a corporation is permitted an extension to file its income tax return under IC 6-8.1-6-1, the return and payment due under this subsection shall be allowed the same treatment as the extended income tax return with respect to the due dates, interest, and penalties under IC 6-8.1-6-1.

(h) If a distribution will be made with property other than money or a gain is realized without the payment of money, the corporation shall not release the property or credit the gain until it has funds sufficient to enable it to pay the tax required to be withheld under this section. If necessary, the corporation shall obtain such funds from the shareholders.

(i) If a corporation fails to withhold and pay any amount of tax required to be withheld under this section and thereafter the tax is paid by the shareholders, such amount of tax as paid by the shareholders shall not be collected from the corporation but it shall not be relieved from liability for interest or penalty otherwise due in respect to such failure to withhold under IC 6-8.1-10.

(j) A corporation described in subsection (a) shall file a composite adjusted gross income tax return on behalf of all nonresident shareholders. The composite return must include each nonresident shareholder regardless of whether or not the nonresident shareholder

has other Indiana source income.

(k) If a corporation described in subsection (a) does not include all nonresident shareholders in the composite return, the corporation is subject to the penalty imposed under IC 6-8.1-10-2.1(j).

(l) For taxable years beginning after December 31, 2013, the department may not impose a late payment penalty on a corporation for the failure to file a return, pay the full amount of the tax shown on the corporation's return, or pay the deficiency of the withholding taxes due under this section if the corporation pays the department before the fifteenth day of the fourth month after the end of the partnership's taxable year at least:

- (1) eighty percent (80%) of the withholding tax due for the current year; or
- (2) one hundred percent (100%) of the withholding tax due for the preceding year.

(m) Notwithstanding subsection (l), a corporation is subject to a late payment penalty for the failure to file a return, pay the full amount of the tax shown on the corporation's return, or pay the deficiency of the withholding taxes due under this section for any amounts of withholding tax, including any interest under IC 6-8.1-10-1, reported or paid after the due date of the return, as adjusted by any extension under IC 6-8.1-6-1.

The adopting body may not ~~allocate~~ **reduce the proportional allocation among the uses described in section 4 of this chapter** in a year **if the reduction would allocate** less to the payment of bonds or leases for which the tax under this chapter has been pledged in accordance with law than the amount pledged and payable in that year or required under the agreements for the bonds or leases to be deposited in a sinking fund or other reserve in that year.

SECTION 50. IC 6-3.6-6-6 IS REPEALED [EFFECTIVE JULY 1, 2016]. Sec. 6: (a) The total amount allocated in a year to the uses described in section 4 of this chapter may not, in the aggregate, exceed the amount of additional revenue raised by the tax imposed under this chapter for that year. If the amount available in a year is less than the amount necessary to fund all the purposes authorized by the adopting body, the county auditor shall reduce the amount distributed to these purposes to eliminate the deficit.

(b) The county auditor may not in a year reduce an allocation of money pledged to make bond payments or lease payments less than the amount pledged to make payments in that year.

(c) Subject to subsection (b), the county auditor shall reduce allocations under this section in accordance with the instructions in an ordinance adopted by the adopting body. To the extent that the adopting body has not adopted an ordinance to specify how a deficiency is to be eliminated, or the ordinance does not eliminate the deficiency, the county auditor shall, subject to subsection (b), uniformly reduce allocations in each category.

SECTION 51. IC 6-3.6-6-7 IS REPEALED [EFFECTIVE JULY 1, 2016]. Sec. 7: The county auditor may not allocate more than the amount authorized by the adopting body. SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 8. (a) This section applies to the allocation of additional revenue from a tax under this chapter to public safety purposes.

~~(b) This subsection applies to Marion County. The adopting body may allocate part or all of the certified distribution that is allocated to public safety purposes to fund the operation of a public communications system and computer facilities district as provided in an election, if any, made by the county fiscal body under IC 36-8-15-19(b).~~

~~(c)~~ **(b)** Except as provided in subsection ~~(d)~~; **(c)**, the amount of the certified distribution that is allocated to public safety purposes, and ~~for Marion County~~ after making allocations under IC 6-3.6-11, shall be allocated to the county and to each municipality in the county that is carrying out or providing at least one (1) public safety purpose. For purposes of this subsection, in the case of a consolidated city, the total property taxes imposed by the consolidated city include the property taxes imposed by the consolidated city and all special taxing districts (except for a public library district, a public transportation corporation, and a health and hospital corporation), and all special service districts. The amount allocated under this subsection to a county or municipality is equal to the result of:

(1) the amount of the **remaining** certified distribution that is allocated to public safety purposes; multiplied by

(2) a fraction equal to:

(A) in the case of a county that initially imposed a rate for public safety under IC 6-3.5-6 **(repealed)**, the result of the total property taxes imposed in the county by the county or municipality for the calendar year, divided by the sum of the total property taxes imposed in the county by the county and each municipality in the county that is entitled to a distribution under this section for the calendar year; or

(B) in the case of a county that initially imposed a rate for public safety under IC 6-3.5-1.1 **(repealed)** or a county that did not impose a rate for public safety under either IC 6-3.5-1.1 **(repealed)** or IC 6-3.5-6 **(repealed)**, the result of the attributed allocation amount of the county or municipality for the calendar year, divided by the sum of the attributed

allocation amounts of the county and each municipality in the county that is entitled to a distribution under this section for the calendar year.

~~(d)~~ (c) A fire department, volunteer fire department, or emergency medical services provider that:

- (1) provides fire protection or emergency medical services within the county; and
- (2) is operated by or serves a political subdivision that is not otherwise entitled to receive a distribution of tax revenue under this section;

may, before July 1 of a year, apply to the adopting body for a distribution of tax revenue under this section during the following calendar year. The adopting body shall review an application submitted under this subsection and may, before September 1 of a year, adopt a resolution requiring that one (1) or more of the applicants shall receive a specified amount of the tax revenue to be distributed under this section during the following calendar year. A resolution approved under this subsection providing for a distribution to one (1) or more fire departments, volunteer fire departments, or emergency medical services providers applies only to distributions in the following calendar year. Any amount of tax revenue distributed under this subsection to a fire department, volunteer fire department, or emergency medical services provider shall be distributed before the remainder of the tax revenue is allocated under subsection ~~(e)~~ (b).

SECTION 53. IC 6-3.6-6-9, AS AMENDED BY THE TECHNICAL CORRECTIONS BILL OF THE 2016 GENERAL ASSEMBLY, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 9. (a) This section applies to the allocation of additional revenue from a tax under this chapter for economic development purposes.

(b) Money designated for economic development purposes shall be allocated to the county, cities, and towns for use by the taxing unit's fiscal body for any of the purposes described in IC 6-3.6-10. Except as provided in subsections (c) and (d) **and IC 6-3.6-11**, and subject to adjustment as provided in IC 36-8-19-7.5, the amount of the certified distribution allocated to economic development purposes that the county and each city or town in a county is entitled to receive each month of each year equals the amount determined using the following

formula:

STEP ONE: Determine the sum of:

- (A) the total property taxes being imposed by the county, city, or town during the calendar year of the distribution; plus
- (B) for a county, the welfare allocation amount.

STEP TWO: Determine the quotient of:

- (A) The STEP ONE amount; divided by
- (B) the sum of the total property taxes that are first due and payable to the county and all cities and towns of the county during the calendar year in which the month falls, plus the welfare allocation amount.

STEP THREE: Determine the product of:

- (A) the amount of the certified distribution allocated to economic development purposes for that month; multiplied by
- (B) the STEP TWO amount.

(c) The body imposing the tax may adopt an ordinance before August 2 of a year to provide for a distribution of the amount allocated to economic development purposes based on population instead of a distribution under subsection (b). The following apply if an ordinance is adopted under this subsection:

- (1) The ordinance is effective January 1 of the following year.
- (2) The amount of the certified distribution allocated to economic development purposes that the county and each city and town in the county are entitled to receive during each month of each year equals the product of:

- (A) the amount of the certified distribution that is allocated to economic development purposes for the month; multiplied by
- (B) the quotient of:

~~(A)~~ (i) for a city or town, the population of the city or the town that is located in the county and for a county, the population of the part of the county that is not located in a city or town; divided by

~~(B)~~ (ii) the population of the entire county.

- (3) The ordinance may be made irrevocable for the duration of specified lease rental or debt service payments.

(d) In a county having a consolidated city, only the consolidated city is entitled to the amount of the certified distribution that is allocated to economic development purposes.

(c) ~~This subsection applies to Porter County. Three million five hundred thousand dollars (\$3,500,000) of the additional revenue that is allocated each year for economic development purposes shall be used by the county or by eligible municipalities (as defined in IC 36-7.5-1-11.3) in the county to make transfers as provided in and required under IC 36-7.5-4-2 (before its repeal).~~

SECTION 54. IC 6-3.6-6-11, AS ADDED BY P.L.243-2015, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 11. (a) Except as provided in this chapter and IC 6-3.6-11, this section applies to an allocation of certified shares in all counties.

(b) Subject to this chapter, any civil taxing unit that imposes an ad valorem property tax in the county that has a tax rate in effect under this chapter is eligible for an allocation under this chapter.

(c) A school corporation is not a civil taxing unit for the purpose of receiving an allocation of certified shares under this chapter. The distributions to school corporations and civil taxing units in counties that formerly imposed a tax under IC 6-3.5-1.1 (**repealed**) as provided in section 3(1) of this chapter is not considered an allocation of certified shares. A school corporation's allocation amount for purposes of section 3(1) of this chapter shall be determined under section 12 of this chapter.

(d) A county solid waste management district (as defined in IC 13-11-2-47) or a joint solid waste management district (as defined in IC 13-11-2-113) is not a civil taxing unit for the purpose of receiving an allocation of certified shares under this chapter unless a majority of the members of each of the county fiscal bodies of the counties within the district passes a resolution approving the distribution.

(e) A resolution passed by a county fiscal body under subsection (d) may:

- (1) expire on a date specified in the resolution; or
- (2) remain in effect until the county fiscal body revokes or rescinds the resolution.

(a) (b) This section applies only to the following:

(1) Any allocation or distribution of revenue under section 3(1) of this chapter that is made on the basis of property tax levies in counties that formerly imposed a tax under IC 6-3.5-1.1 (before its repeal January 1, 2017).

(2) Any allocation or distribution of revenue under section ~~3(1)~~ or 3(2) of this chapter that is made on the basis of property tax levies in counties that formerly imposed a tax under IC 6-3.5-6 (before its repeal January 1, 2017).

(c) Subject to subsection (b), if a school corporation or civil taxing unit of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which revenue under section ~~3(1)~~ or ~~3(2)~~ **3** of this chapter is being allocated or distributed, that school corporation or civil taxing unit is entitled to receive a part of the revenue under section 3(1) or 3(2) of this chapter (as appropriate) to be distributed within the county. The fractional amount that such a school corporation or civil taxing unit is entitled to receive each month during that calendar year equals the product of the following:

(1) The amount of revenue under section ~~3(1)~~ or ~~3(2)~~ **3** of this chapter to be distributed on the basis of property tax levies during that month; multiplied by

(2) A fraction. The numerator of the fraction equals the budget of that school corporation or civil taxing unit for that calendar year. The denominator of the fraction equals the aggregate budgets of all school corporations or civil taxing units of that county for that calendar year.

~~(b)~~ **(d) Subject to subsection (b)**, if for a calendar year a school corporation or civil taxing unit is allocated a part of a county's revenue under section ~~3(1)~~ or ~~3(2)~~ **3** of this chapter by subsection ~~(a)~~; **(c)**, the calculations used to determine the shares of revenue of all other school corporations and civil taxing units under section ~~3(1)~~ or ~~3(2)~~ **3** of this chapter (as appropriate) shall be changed each month for that same year by reducing the amount of revenue to be distributed by the amount of revenue under section ~~3(1)~~ or ~~3(2)~~ **3** of this chapter allocated under subsection ~~(a)~~ **(c)** for that same month. The department of local government finance shall make any adjustments required by this subsection and provide them to the appropriate county auditors.

(C) is necessary for the education of each child with disabilities that uses the equipment, as determined under the individualized education program for the child; and

(D) is not used for or by any child who is not a child with disabilities.

(3) "Student enrollment" means the following:

(A) The total number of students in kindergarten through grade 12 who are enrolled in a transferee school corporation on a date determined by the state board.

(B) The total number of students enrolled in a class of school in a transferee school corporation on a date determined by the state board.

However, a kindergarten student shall be counted under clauses (A) and (B) as one-half (1/2) student. The state board may select a different date for counts under this subdivision. However, the same date shall be used for all school corporations making a count for the same class of school.

(b) Each transferee corporation is entitled to receive for each school year on account of each transferred student, except a student transferred under section 6 of this chapter, transfer tuition from the transferor corporation or the state as provided in this chapter. Transfer tuition equals the amount determined under STEP THREE of the following formula:

STEP ONE: Allocate to each transfer student the capital expenditures for any special equipment used by the transfer student and a proportionate share of the operating costs incurred by the transferee school for the class of school where the transfer student is enrolled.

STEP TWO: If the transferee school included the transfer student in the transferee school's current ADM, allocate to the transfer student a proportionate share of the following general fund revenues of the transferee school:

- (A) State tuition support distributions received during the calendar year in which the school year ends.
- (B) Property tax levies under IC 20-45-7 and IC 20-45-8 for the calendar year in which the school year ends.
- (C) The sum of the following excise tax revenue received for deposit in the calendar year in which the school year begins:
 - (i) Financial institution excise tax revenue (IC 6-5.5).
 - (ii) Motor vehicle excise taxes (IC 6-6-5).
 - (iii) Commercial vehicle excise taxes (IC 6-6-5.5).
 - (iv) Boat excise tax (IC 6-6-11).
 - (v) Aircraft license excise tax (IC 6-6-6.5).
- (D) Allocations to the transferee school under ~~IC 6-3.5~~.

IC 6-3.6.

STEP THREE: Determine the greater of:

- (A) zero (0); or

(B) the result of subtracting the STEP TWO amount from the STEP ONE amount.

If a child is placed in an institution or facility in Indiana by or with the approval of the department of child services, the institution or facility shall charge the department of child services for the use of the space within the institution or facility (commonly called capital costs) that is used to provide educational services to the child based upon a prorated per student cost.

(c) Operating costs shall be determined for each class of school where a transfer student is enrolled. The operating cost for each class of school is based on the total expenditures of the transferee corporation for the class of school from its general fund expenditures as specified in the classified budget forms prescribed by the state board of accounts. This calculation excludes:

- (1) capital outlay;
- (2) debt service;
- (3) costs of transportation;
- (4) salaries of board members;
- (5) contracted service for legal expenses; and
- (6) any expenditure that is made from extracurricular account receipts;

for the school year.

(d) The capital cost of special equipment for a school year is equal to:

- (1) the cost of the special equipment; divided by
- (2) the product of:
 - (A) the useful life of the special equipment, as determined under the rules adopted by the state board; multiplied by
 - (B) the number of students using the special equipment during at least part of the school year.

(e) When an item of expense or cost described in subsection (c) cannot be allocated to a class of school, it shall be prorated to all classes of schools on the basis of the student enrollment of each class in the transferee corporation compared with the total student enrollment in the school corporation.

(f) Operating costs shall be allocated to a transfer student for each school year by dividing:

- (1) the transferee school corporation's operating costs for the class

of school in which the transfer student is enrolled; by

- (2) the student enrollment of the class of school in which the transfer student is enrolled.

When a transferred student is enrolled in a transferee corporation for less than the full school year of student attendance, the transfer tuition shall be calculated by the part of the school year for which the transferred student is enrolled. A school year of student attendance consists of the number of days school is in session for student attendance. A student, regardless of the student's attendance, is enrolled in a transferee school unless the student is no longer entitled to be transferred because of a change of residence, the student has been excluded or expelled from school for the balance of the school year or for an indefinite period, or the student has been confirmed to have withdrawn from school. The transferor and the transferee corporation may enter into written agreements concerning the amount of transfer tuition due in any school year. If an agreement cannot be reached, the amount shall be determined by the state board, and costs may be established, when in dispute, by the state board of accounts.

(g) A transferee school shall allocate revenues described in subsection (b) STEP TWO to a transfer student by dividing:

- (1) the total amount of revenues received during a period; by
- (2) the current ADM of the transferee school for the period in which the revenues are received.

However, for state tuition support distributions or any other state distribution computed using less than the total current ADM of the transferee school, the transferee school shall allocate the revenues to the transfer student by dividing the revenues that the transferee school is eligible to receive during the period by the student count used to compute the state distribution.

(h) Instead of the payments provided in subsection (b), the transferor corporation or state owing transfer tuition may enter into a long term contract with the transferee corporation governing the transfer of students. The contract may:

- (1) be entered into for a period of not more than five (5) years with an option to renew;
- (2) specify a maximum number of students to be transferred; and
- (3) fix a method for determining the amount of transfer tuition and the time of payment, which may be different from that

provided in section 14 of this chapter.

(i) A school corporation may negotiate transfer tuition agreements with a neighboring school corporation that can accommodate additional students. Agreements under this section may:

- (1) be for one (1) year or longer; and
- (2) fix a method for determining the amount of transfer tuition or time of payment that is different from the method, amount, or time of payment that is provided in this section or section 14 of this chapter.

A school corporation may not transfer a student under this section without the prior approval of the child's parent.

SECTION 121. IC 36-3-7-6, AS ADDED BY P.L.135-2011, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 6. The governing body of a public library located in the county may recommend and the county fiscal body may elect to provide revenue to the public library from part of the certified distribution, if any, that the county is to receive during that same year under ~~IC 6-3-5-6-17~~. **IC 6-3.6-9**. To make the election, the county fiscal body must adopt an ordinance before November 1 of the preceding year. The county fiscal body must specify in the ordinance the amount of the certified distribution that is to be used to provide revenue to the public library. If such an ordinance is adopted, the county fiscal body shall immediately send a copy of the ordinance to the county auditor.

SECTION 122. IC 36-4-3-4.2, AS ADDED BY P.L.228-2015, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 4.2. (a) As used in this section, "infrastructure" means the capital improvements that comprise:

- (1) a sanitary sewer system or wastewater treatment facility;
- (2) a building and appurtenances;
- (3) a park or recreational facility;
- (4) a road, street, highway, or bridge; or
- (5) a water treatment, water storage, or water distribution facility.

(b) This section applies:

- (1) only to an annexation for which an annexation ordinance is adopted after June 30, 2015; and
- (2) if there is debt, evidenced by bonds, leases, or other obligations, that is outstanding on infrastructure on the date that the annexation becomes effective.

(c) This subsection applies if:

- (1) the municipality takes ownership of infrastructure located within the annexation territory, or part of an item of infrastructure, owned by the county; and
- (2) the outstanding debt is payable from property taxes or from

revenue bonds or obligations.

The annexing municipality is liable to the county for reimbursements only if the municipality assumes ownership or partial ownership of the infrastructure. If the municipality assumes ownership or partial ownership of the infrastructure, the municipality shall reimburse the county for the appropriate share of the remaining debt that is payable by the county from property taxes or revenues. The county and the annexing municipality shall enter into an interlocal agreement under IC 36-1-7 regarding the allocation of the debt and reimbursement terms.

(d) This subsection applies if ~~a~~ **the** local income tax under ~~IC 6-3.5~~ **IC 6-3.6** has been pledged by the county to pay outstanding debt on infrastructure located within the county. To offset the change in local income tax distributions that will occur after the annexation, the annexing municipality is liable to the county for reimbursements in the amount that represents part of the outstanding debt on the infrastructure until the debt is fully paid. The amount that the municipality is required to reimburse the county is the percent of the total county income tax distribution that is indebted, multiplied by the amount of local income tax revenue for the distribution year that is shifted from the county to the municipality as a result of the annexation.

(e) Reimbursements received by a county under this section shall be deposited in the appropriate debt service fund.

SECTION 123. IC 36-7-4-1318 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 1318. (a) A unit may not adopt an impact fee ordinance under section 1311 of this chapter unless the unit has prepared or substantially updated a zone improvement plan for each impact zone during the immediately preceding one (1) year period. A single zone improvement plan may be used for two (2) or more infrastructure types if the impact zones for the infrastructure types are congruent.

(b) Each zone improvement plan must contain the following information:

- (1) A description of the nature and location of existing infrastructure in the impact zone.
- (2) A determination of the current level of service.
- (3) Establishment of a community level of service. A unit may provide that the unit's current level of service is the unit's

community level of service in the zone improvement plan.

(4) An estimate of the nature and location of development that is expected to occur in the impact zone during the following ten (10) year period.

(5) An estimate of the nature, location, and cost of infrastructure that is necessary to provide the community level of service for the development described in subdivision (4). The plan must indicate the proposed timing and sequencing of infrastructure installation.

(6) A general description of the sources and amounts of money used to pay for infrastructure during the previous five (5) years.

(c) If a zone improvement plan provides for raising the current level of service to a higher community level of service, the plan must:

(1) provide for completion of the infrastructure that is necessary to raise the current level of service to the community level of service within the following ten (10) year period;

(2) indicate the nature, location, and cost of infrastructure that is necessary to raise the current level of service to the community level of service; and

(3) identify the revenue sources and estimate the amount of the revenue sources that the unit intends to use to raise the current level of service to the community level of service for existing development. Revenue sources include, without limitation, any increase in revenues available from one (1) or more of the following:

(C) Transferring and reserving for infrastructure purposes other general revenues that are currently not being used to pay for capital costs of infrastructure.

(D) Dedicating and reserving for infrastructure purposes any newly available revenues, whether from federal or state revenue sharing programs or from the adoption of newly authorized taxes.

(d) A unit must consult with a qualified engineer licensed to perform engineering services in Indiana when the unit is preparing the portions of the zone improvement plan described in subsections (b)(1), (b)(2), (b)(5), and (c)(2).

(e) A zone improvement plan and amendments and modifications to the zone improvement plan become effective after adoption as part of the comprehensive plan under the 500 SERIES of this chapter or adoption as part of the capital improvements program under section 503(5) of this chapter. If the unit establishing the impact fee schedule or formula and establishing the zone improvement plan is different from the unit having planning and zoning jurisdiction, the unit having planning and zoning jurisdiction shall incorporate the zone improvement plan as part of the unit's comprehensive plan and capital improvement plan.

(f) If a unit's zone improvement plan identifies revenue sources for raising the current level of service to the community level of service, impact fees may not be assessed or collected by the unit unless:

(1) before the effective date of the impact fee ordinance the unit has available or has adopted the revenue sources that the zone improvement plan specifies will be in effect before the impact fee ordinance becomes effective; and

(2) after the effective date of the impact fee ordinance the unit continues to provide adequate funds to defray the cost of raising the current level of service to the community level of service, using revenue sources specified in the zone improvement plan or revenue sources other than impact fees.

(c) The county auditor shall:

- (2) establish the rate necessary to collect that property tax revenue;

in the same manner as for other county budgets.

(d) The tax levied under this section and certified shall be estimated and entered upon the tax duplicates by the county auditor and shall be collected and enforced by the county treasurer in the same manner as other county taxes are estimated, entered, collected, and enforced. The tax collected by the county treasurer shall be transferred to the commission.

(e) In fixing and determining the amount of the necessary levy for the purpose provided in this section, the commission shall take into consideration the amount of revenue, if any, to be derived from federal grants, contractual services, and miscellaneous revenues above the amount of those revenues considered necessary to be applied upon or reserved upon the operation, maintenance, and administrative expenses for working capital throughout the year.

(f) After the budget is approved, amounts may not be expended except as budgeted unless the commission authorizes their expenditure. The commission is responsible for the safekeeping and deposit of the amounts in the nonreverting cumulative fund, and the state board of accounts shall prescribe the methods and forms for keeping the accounts, records, and books to be used by the commission. The books, records, and accounts of the commission shall be audited periodically by the state board of accounts, and those audits shall be paid for as provided by statute.

The IFTA annual repair and maintenance permit and fee applies to all of the motor vehicles operated by a carrier. The IFTA annual repair and maintenance permit is not transferable to another carrier. A carrier may not carry cargo or passengers under the IFTA annual repair and maintenance permit. All fees collected under this subsection shall be deposited in the motor carrier regulation fund (IC 8-2.1-23). The report otherwise required under section 10 of this chapter is not required with respect to a motor vehicle that is operated under an IFTA annual repair and maintenance permit.

(1) move a yard tractor from a terminal or loading or spotting facility to:

(A) a maintenance or repair facility; or

A carrier may not carry cargo or transport or draw a semitrailer or other vehicle under the permit. A carrier may operate a yard tractor under the permit instead of paying the tax imposed under this chapter. As used in this ~~section;~~ **subsection**, "yard tractor" ~~has the meaning set forth under IC 9-13-2-201;~~ **refers to a tractor that is used to move semitrailers around a terminal or a loading or spotting facility. SECTION 33. IC 6-6-5-7.2, AS AMENDED BY P.L.149-2015, SECTION 16, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 7.2. (a) ~~This section applies after December 31, 2007.~~

~~(b) In respect (a) This section applies~~ to a vehicle that has been acquired, or brought into the state, or for any other reason becomes subject to registration after the regular annual registration date in the year on or before which the owner of the vehicle is required, under the motor vehicle registration laws of Indiana, to register vehicles. The tax imposed by this chapter shall become due and payable at the time the vehicle is acquired, brought into the state, or otherwise becomes subject to registration. ~~and~~

(b) For taxes due and payable before January 1, 2017, the amount of tax to be paid by the owner for the remainder of the year shall be reduced by eight and thirty-three hundredths percent (8.33%) for each full calendar month that has elapsed since the regular annual registration date in the year fixed by the motor vehicle registration laws for annual registration by the owner. The tax shall be paid **by the owner** at the time of the registration of the vehicle.

(c) For taxes due and payable after December 31, 2016, the tax shall be paid by the owner at the time of the registration of the vehicle and is determined as follows:

(1) For a vehicle with an initial registration period under IC 9-18.1-11-3, the amount determined under STEP THREE of the following formula:

STEP ONE: Determine the number of months remaining until the vehicle's next registration date under IC 9-18.1-11-3. A partial month shall be rounded up to one (1) month.

STEP TWO: Multiply the STEP ONE result by one-twelfth (1/12).

STEP THREE: Multiply the annual excise tax for the vehicle by the STEP TWO product.

(2) For a vehicle with a renewal registration period described in IC 9-18.1-11-3(b), the annual excise tax for the current registration period.

(c) In the case of a vehicle that is acquired, or brought into the state, or for any other reason becomes subject to registration after January 1 of any year, then the owner may pay the applicable registration fee on the vehicle as provided in the motor vehicle registration laws and any excise tax due on the vehicle for the remainder of the annual registration year and simultaneously register the vehicle and, if the next succeeding annual registration year does not extend beyond the end of the next calendar year, pay the excise tax due for the next succeeding annual registration year.

(d) Except as provided in subsection (g), no reduction in the applicable annual excise tax will be allowed to an Indiana resident applicant upon registration of any vehicle that was owned by the applicant on or prior to the registrant's annual registration period. A vehicle owned by an Indiana resident applicant that was located in and registered for use in another state during the same calendar year shall be entitled to the same reduction when registered in Indiana.

(e) The owner of a vehicle who sells the vehicle in a year in which the owner has paid the tax imposed by this chapter shall receive a credit equal to the remainder of:

(1) the tax paid for the vehicle; reduced by

(2) eight and thirty-three hundredths percent (8.33%) for each full or partial calendar month that has elapsed in the registrant's annual registration year before the date of the sale.

The credit shall be applied to the tax due on any other vehicle

purchased or subsequently registered by the owner in the same registrant's annual registration year. If the credit is not fully used and the amount of the credit remaining is at least four dollars (\$4), the owner is entitled to a refund in the amount of the unused credit. The owner must pay a fee of three dollars (\$3) to the bureau to cover costs of providing the refund, which may be deducted from the refund. The bureau shall issue the refund. The bureau shall transfer to the bureau of motor vehicles commission three dollars (\$3) of the fee to cover the commission's costs in processing the refund. To claim the credit and refund provided by this subsection, the owner of the vehicle must present to the bureau proof of sale of the vehicle.

(f) Subject to the requirements of subsection (h), the owner of a vehicle that is destroyed in a year in which the owner has paid the tax imposed by this chapter, which vehicle is not replaced by a replacement vehicle for which a credit is issued under this section, shall receive a refund in an amount equal to eight and thirty-three hundredths percent (8.33%) of the tax paid for each full calendar month remaining in the registrant's annual registration year after the date of destruction, but only upon presentation or return to the bureau of the following:

- (1) A request for refund on a form furnished by the bureau.
- (2) A statement of proof of destruction on an affidavit furnished by the bureau.
- (3) The license plate from the vehicle.
- (4) The registration from the vehicle.

However, the refund may not exceed ninety percent (90%) of the tax paid on the destroyed vehicle. The amount shall be refunded by a warrant issued by the auditor of the county that received the excise tax revenue and shall be paid out of the special account created for settlement of the excise tax collections under IC 6-6-5-10. For purposes of this subsection, a vehicle is considered destroyed if the cost of repair of damages suffered by the vehicle exceeds the vehicle's fair market value.

(g) If the name of the owner of a vehicle is legally changed and the change has caused a change in the owner's annual registration date, the excise tax liability of the owner shall be adjusted as follows:

- (1) If the name change requires the owner to register sooner than the owner would have been required to register if there had been

no name change, the owner shall, at the time the name change is reported, be authorized a refund from the county treasurer in the amount of the product of:

- (A) eight and thirty-three hundredths percent (8.33%) of the owner's last preceding annual excise tax liability; and
- (B) the number of full calendar months between the owner's new regular annual registration month and the next succeeding regular annual registration month that is based on the owner's former name.

(2) If the name change required the owner to register later than the owner would have been required to register if there had been no name change, the vehicle shall be subject to excise tax for the period between the month in which the owner would have been required to register if there had been no name change and the new regular annual registration month in the amount of the product of: **determined under STEP FOUR of the following formula:**

- (A) ~~eight and thirty-three hundredths percent (8.33%) of the owner's excise tax liability computed as of the time the owner would have been required to register if there had been no name change; and~~
- (B) ~~the number of full calendar months between the month in which the owner would have been required to register if there had been no name change and the owner's new regular annual registration month.~~

STEP ONE: Determine the number of full calendar months between the month in which the owner would have been required to register if there had been no name change and the owner's new regular annual registration month.

STEP TWO: Multiply the STEP ONE amount by one-twelfth (1/12).

STEP THREE: Determine the owner's tax liability computed as of the time the owner would have been required to register if there had been no name change.

STEP FOUR: Multiply the STEP TWO product by the STEP THREE amount.

(h) In order to claim a credit under subsection (f) for a vehicle that is destroyed, the owner of the vehicle must present to the bureau of motor vehicles a valid registration for the vehicle within ninety (90)

days of the date that it was destroyed. The bureau shall then fix the amount of the credit that the owner is entitled to receive.

SECTION 40. IC 6-6-5.1-15, AS AMENDED BY P.L.149-2015, SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 15. (a) This section applies only to recreational vehicles.

(b) With respect to a recreational vehicle that has been acquired, has been brought into Indiana, or for any other reason becomes subject to registration after the regular annual registration date in the year on or before which the owner of the recreational vehicle is required under the state motor vehicle registration laws to register vehicles, the tax imposed by this chapter is due and payable at the time the recreational vehicle is acquired, is brought into Indiana, or otherwise becomes subject to registration.

(c) For taxes due and payable before January 1, 2017, the amount of tax to be paid by the owner for the remainder of the year shall be reduced by eight and thirty-three hundredths percent (8.33%) for each full calendar month that has elapsed since the regular annual registration date in the year fixed by the state motor vehicle registration laws for annual registration by the owner. The tax shall be paid at the time of the registration of the recreational vehicle.

(d) For taxes due and payable after December 31, 2016, the tax shall be paid at the time of the registration of the recreational vehicle and is determined as follows:

(1) For a recreational vehicle with an initial registration period under IC 9-18.1-11-3, the amount determined under STEP THREE of the following formula:

STEP ONE: Determine the number of months remaining until the recreational vehicle's next registration date under IC 9-18.1-11-3. A partial month shall be rounded up to one (1) month.

STEP TWO: Multiply the STEP ONE result by one-twelfth (1/12).

STEP THREE: Multiply the annual excise tax for the recreational vehicle by the STEP TWO product.

(2) For a recreational vehicle with a renewal registration period described in IC 9-18.1-11-3(b), the annual excise tax for the current registration.

(e) If a recreational vehicle is acquired, is brought into Indiana, or for any other reason becomes subject to registration after January 1 of

any year, the owner may pay the applicable registration fee on the recreational vehicle as provided in the state motor vehicle registration laws and may pay any excise tax due on the recreational vehicle for the remainder of the annual registration year and simultaneously register the recreational vehicle and, if the succeeding annual registration year does not extend beyond the end of the next calendar year, pay the excise tax due for the next succeeding annual registration year.

~~(d)~~ (e) Except as provided in subsection ~~(h)~~; (i), a reduction in the applicable annual excise tax may not be allowed to an Indiana resident applicant upon registration of a recreational vehicle that was owned by the applicant on or before the first day of the applicant's annual registration period. A recreational vehicle that is owned by an Indiana resident applicant and that was located in and registered for use in another state during the same calendar year is entitled to the same reduction when registered in Indiana.

~~(e)~~ (f) The owner of a recreational vehicle who sells the recreational vehicle in a year in which the owner has paid the tax imposed by this chapter shall receive a credit equal to the remainder of:

- (1) the tax paid for the recreational vehicle; minus
- (2) eight and thirty-three hundredths percent (8.33%) for each full or partial calendar month that has elapsed in the owner's annual registration year before the date of the sale.

The credit shall be applied to the tax due on any other recreational vehicle purchased or subsequently registered by the owner in the owner's annual registration year. If the credit is not fully used and the amount of the credit remaining is at least four dollars (\$4), the owner is entitled to a refund in the amount of the unused credit. The owner must pay a fee of three dollars (\$3) to the bureau to cover costs of providing the refund, which may be deducted from the refund. The bureau shall issue the refund. The bureau shall transfer three dollars (\$3) of the fee to the bureau of motor vehicles commission to cover the commission's costs in processing the refund. To claim the credit and refund provided by this subsection, the owner of the recreational vehicle must present to the bureau proof of sale of the recreational vehicle.

~~(f)~~ (g) Subject to the requirements of subsection ~~(g)~~; (h), if a recreational vehicle is destroyed in a year in which the owner has paid the tax imposed by this chapter and the recreational vehicle is not

replaced by a replacement vehicle for which a credit is issued under this section, the owner is entitled to a refund in an amount equal to eight and thirty-three hundredths percent (8.33%) of the tax paid for each full calendar month remaining in the owner's annual registration year after the date of destruction, but only upon presentation to the bureau of the following:

- (1) A request for refund on a form furnished by the bureau.
- (2) A statement of proof of destruction on an affidavit furnished by the bureau.
- (3) The license plate from the recreational vehicle.
- (4) The registration from the recreational vehicle.

However, the refund may not exceed ninety percent (90%) of the tax paid on the destroyed recreational vehicle. The amount shall be refunded by a warrant issued by the auditor of the county that received the excise tax revenue and shall be paid out of the special account created under section 21 of this chapter for settlement of the excise tax collections. For purposes of this subsection, a recreational vehicle is considered destroyed if the cost of repair of damages suffered by the recreational vehicle exceeds the recreational vehicle's fair market value.

~~(g)~~ **(h)** To claim a refund under subsection ~~(f)~~ **(g)** for a recreational vehicle that is destroyed, the owner of the recreational vehicle must present to the bureau a valid registration for the recreational vehicle within ninety (90) days after the date that the recreational vehicle is destroyed. The bureau shall then fix the amount of the refund that the owner is entitled to receive.

~~(h)~~ **(i)** If the name of the owner of a recreational vehicle is legally changed and the change has caused a change in the owner's annual registration date, the excise tax liability of the owner for the recreational vehicle shall be adjusted as follows:

- (1) If the name change requires the owner to register sooner than the owner would have been required to register if there had been no name change, the owner is, at the time the name change is reported, entitled to a refund from the county treasurer in the amount of the product of:
 - (A) eight and thirty-three hundredths percent (8.33%) of the owner's last preceding annual excise tax liability; multiplied by
 - (B) the number of full calendar months beginning after the

owner's new regular annual registration month and ending before the next succeeding regular annual registration month that is based on the owner's former name.

(2) If the name change requires the owner to register later than the owner would have been required to register if there had been no name change, the recreational vehicle is subject to excise tax for the period beginning after the month in which the owner would have been required to register if there had been no name change and ending before the owner's new regular annual registration month **in equal to the amount of the product of: determined under STEP FOUR of the following formula:**

(A) eight and thirty-three hundredths percent (8.33%) of the owner's excise tax liability computed as of the time the owner would have been required to register if there had been no name change; multiplied by

(B) the number of full calendar months beginning after the month in which the owner would have been required to register if there had been no name change and ending before the owner's new regular annual registration month.

STEP ONE: Determine the number of full calendar months between the month in which the owner would have been required to register if there had been no name change and the owner's new regular annual registration month.

STEP TWO: Multiply the STEP ONE amount by one-twelfth (1/12).

STEP THREE: Determine the owner's tax liability computed as of the time the owner would have been required to register if there had been no name change.

STEP FOUR: Multiply the STEP TWO product by the STEP THREE amount.

both, were properly allowed against the excise tax imposed on a recreational vehicle or truck camper owned by the person.

(c) If the bureau determines that a credit or refund, or both, were improperly allowed for a recreational vehicle or truck camper, the person ~~who~~ **that** claimed the credit or refund, or both, shall pay the bureau an amount equal to the credit or refund, or both, improperly allowed to the person plus a penalty of ten percent (10%) of the credit or refund, or both, improperly allowed. The tax collected under this subsection shall be paid to the county treasurer of the county in which the person resides. However, a penalty collected under this subsection shall be retained by the bureau.

in the bureau's administration of the state motor vehicle registration laws ~~The license branches may be used~~ in the manner and to the extent the bureau considers necessary and proper to implement and effectuate the administration and collection of the excise tax imposed by this chapter. ~~However, if the bureau uses the license branches in the collection of excise taxes, the following apply:~~

~~branch shall collect the service charge prescribed under IC 9-29 for each vehicle registered on which an excise tax is collected by that branch.~~

~~(4)~~ **(d)** If the excise tax imposed by this chapter is collected by the department of state revenue, the money collected shall be deposited in the state general fund to the credit of the appropriate county and reported to the bureau on the first working day following the week of collection. (f) The bureau may contract with a bank card or credit card vendor for acceptance of bank cards or credit cards. However, if a bank card or credit card vendor charges a vendor transaction charge or discount fee, whether billed to the bureau or charged directly to the bureau's account, the bureau shall collect from a person using the card an official fee that may not exceed the highest transaction charge or discount fee charged to the bureau by bank card or credit card vendors during the most recent collection period. The fee may be collected regardless of retail merchant agreements between the bank card and credit card vendors that may prohibit such a fee. The fee is a permitted additional charge under IC 24-4.5-3-202.

~~(b)~~ **(g)** On or before April 1 of each year, the bureau shall provide to the auditor of state the amount of taxes collected under this chapter for each county for the preceding year.

- (2) The shipment of goods is limited to intrastate commerce.
- (3) The vehicle is used only for the purpose of transporting fuel oil, kerosene, diesel fuel, gasoline, gasohol, or any combination of these substances.

Maintenance, inspection, and marking requirements of 49 CFR 173.8 and Part 180 are applicable. In accordance with federal hazardous materials regulations, new or additional nonspecification cargo tank motor vehicles may not be placed in service under this subsection.

(d) For the purpose of enforcing this section, only:

(f) Notwithstanding any provision of 49 CFR 391 to the contrary, a person at least eighteen (18) years of age and less than twenty-one (21) years of age may be employed as a driver to operate a commercial motor vehicle intrastate. However, a person employed under this subsection is not exempt from any other provision of 49 CFR 391.

(g) Notwithstanding subsection (a) or (b), the following provisions of 49 CFR do not apply to private carriers of property operated only in intrastate commerce or any carriers of property operated only in intrastate commerce while employed in construction or construction related service:

(1) Subpart 391.41(b)(3) as it applies to physical qualifications of a driver who has been diagnosed as an insulin dependent diabetic, if the driver has applied for and been granted an intrastate medical waiver by the bureau of motor vehicles pursuant to this subsection. The same standards and the following procedures shall apply for this waiver whether or not the driver is required to hold a commercial driver's license. An application for the waiver shall be submitted by the driver and completed and signed by a certified endocrinologist or the driver's treating physician attesting that the driver:

(E) has submitted the blood glucose logs from the monitoring device to the endocrinologist or treating physician at the time of the annual medical examination.

A copy of the blood glucose logs shall be filed along with the annual statement from the endocrinologist or treating physician with the bureau of motor vehicles for review by the driver licensing medical advisory board established under ~~IC 9-14-4~~. **IC 9-14-11.** A copy of the annual statement shall also be provided to the driver's employer for retention in the driver's qualification file, and a copy shall be retained and held by the driver while driving for presentation to an authorized federal, state, or local law enforcement official. Notwithstanding the requirements of this subdivision, the endocrinologist, the treating physician, the advisory board of the bureau of motor vehicles, or the bureau of motor vehicles may, where medical indications warrant, establish a short period for the medical examinations required under this subdivision.

(2) Subpart 396.9 as it applies to inspection of vehicles carrying or loaded with a perishable product. However, this exemption does not prohibit a law enforcement officer from stopping these vehicles for an obvious violation that poses an imminent threat of an accident or incident. The exemption is not intended to include refrigerated vehicles loaded with perishables when the refrigeration unit is working.

(3) Subpart 396.11 as it applies to driver vehicle inspection reports.

(4) Subpart 396.13 as it applies to driver inspection.

(a) Except as provided in subsection (b) or in a rule adopted by the Indiana department of transportation, each railroad in the State of Indiana shall maintain each public crossing under its control in such a manner that the operator of any licensed motor vehicle has an unobstructed view for fifteen hundred (1,500) feet in both directions along the railroad right-of-way subject only to terrain

elevations or depressions; track curvature; or permanent improvements. However, the Indiana department of transportation may adopt rules under IC 4-22-2 to adjust the distance of the unobstructed view requirement under this subsection based on variances in train speeds; number of tracks; angles of highway and rail crossing intersections; elevations; and other factors consistent with accepted engineering practices.

(b) A public crossing equipped with a train activated crossing gate is exempt from the requirements of subsection (a), if the railroad maintains an unobstructed view for at least two hundred fifty (250) feet in both directions along the railroad right-of-way.

(c) This section expires on the date on which rules described in section 1.1 of this chapter are finally adopted.

In establishing distances under this subdivision, the Indiana department of transportation shall take into account safety measures in place at a public crossing, including train activated warning devices and federal railroad track classifications.

(2) Provide exceptions to distances required under subdivision (1) based on variances in terrain, elevations, track curvature, and permanent improvements at or near a public crossing.

(3) Develop a method to determine and verify distances required under subdivision (1). The method must:

- (A) be consistent with accepted engineering practices; and
- (B) produce results capable of replication.

(b) A rule adopted under subsection (a) replaces any common law duties imposed on a railroad with respect to distances established or methods of verification developed under the rule.

However, the prosecuting attorney must establish that the document identifies the defendant by the defendant's driver's license number or by any other identification method utilized by the bureau.

SECTION 596. IC 9-30-4-1 IS REPEALED [EFFECTIVE JULY 1, 2016]. ~~Sec. 1:~~ (a) Upon any reasonable ground appearing on the records of the bureau and specified in rules adopted under subsection (b); the bureau may do the following:

- (1) Suspend or revoke the current driving privileges or driver's license of any person:
- (2) Suspend or revoke the certificate of registration and license plate for any motor vehicle:

(b) The bureau shall adopt rules under ~~IC 4-22-2~~ to specify reasonable grounds for suspension or revocation permitted under subsection (a):

SECTION 597. IC 9-30-4-6, AS AMENDED BY P.L.149-2015, SECTION 98, IS REPEALED [EFFECTIVE JULY 1, 2016]. ~~Sec. 6:~~ (a) The bureau shall suspend or revoke the current driver's license or driving privileges and all certificates of registration and license plates issued or registered in the name of a person who is convicted of any of the following:

- (1) Manslaughter or reckless homicide resulting from the operation of a motor vehicle:
- (2) Perjury or knowingly making a false affidavit to the department under this chapter or any other law requiring the registration of motor vehicles or regulating motor vehicle operation upon the highways:
- (3) ~~Three~~ (3) charges of criminal recklessness involving the use of a motor vehicle within the preceding twelve (12) months:
- (4) Failure to stop and give information or assistance or failure to stop and disclose the person's identity at the scene of an accident

that has resulted in death, personal injury, or property damage in excess of two hundred dollars (\$200):

However, and unless otherwise required by law, the bureau may not suspend a certificate of registration or license plate if the person gives and maintains, during the three (3) years following the date of suspension or revocation, proof of financial responsibility in the future in the manner specified in this section:

(b) The bureau shall suspend a driver's license or driving privileges of a person upon conviction in another jurisdiction for the following:

(1) Manslaughter or reckless homicide resulting from the operation of a motor vehicle:

(2) Perjury or knowingly making a false affidavit to the department under this chapter or any other law requiring the registration of motor vehicles or regulating motor vehicle operation upon the highways:

(3) Three (3) charges of criminal recklessness involving the use of a motor vehicle within the preceding twelve (12) months:

(4) Failure to stop and give information or assistance or failure to stop and disclose the person's identity at the scene of an accident that has resulted in death, personal injury, or property damage in excess of two hundred dollars (\$200):

However, if property damage is less than two hundred dollars (\$200), the bureau may determine whether the driver's license or driving privileges and certificates of registration and license plates shall be suspended or revoked:

(c) A person whose driving privileges are suspended under this chapter is eligible for specialized driving privileges under IC 9-30-16.

(d) A suspension or revocation remains in effect and a new or renewal license may not be issued to the person and a motor vehicle may not be registered in the name of the person as follows:

(1) Except as provided in subdivision (2), for six (6) months from the date of conviction or on the date on which the person is otherwise eligible for a license, whichever is later.

(2) Upon conviction of an offense described in subsection (a)(1) or (b)(1), or (a)(4) or (b)(4) when the accident has resulted in death, for a fixed period of not less than two (2) years and not more than five (5) years, to be fixed by the bureau based upon recommendation of the court entering a conviction. A new or

reinstated driver's license or driving privileges may not be issued to the person unless that person, within the three (3) years following the expiration of the suspension or revocation, gives and maintains in force at all times during the effective period of a new or reinstated license proof of financial responsibility in the future in the manner specified in this chapter. However, the liability of the insurance carrier under a motor vehicle liability policy that is furnished for proof of financial responsibility in the future as set out in this chapter becomes absolute whenever loss or damage covered by the policy occurs, and the satisfaction by the insured of a final judgment for loss or damage is not a condition precedent to the right or obligation of the carrier to make payment on account of loss or damage, but the insurance carrier has the right to settle a claim covered by the policy. If the settlement is made in good faith, the amount shall be deductive from the limits of liability specified in the policy. A policy may not be canceled or annulled with respect to a loss or damage by an agreement between the carrier and the insured after the insured has become responsible for the loss or damage, and a cancellation or annulment is void. The policy may provide that the insured or any other person covered by the policy shall reimburse the insurance carrier for payment made on account of any loss or damage claim or suit involving a breach of the terms, provisions, or conditions of the policy. If the policy provides for limits in excess of the limits specified in this chapter, the insurance carrier may plead against any plaintiff, with respect to the amount of the excess limits of liability, any defenses that the carrier may be entitled to plead against the insured. The policy may further provide for prorating of the insurance with other applicable valid and collectible insurance. An action does not lie against the insurance carrier by or on behalf of any claimant under the policy until a final judgment has been obtained after actual trial by or on behalf of any claimant under the policy.

(e) The bureau may take action as required in this section upon receiving satisfactory evidence of a conviction of a person in another state.

(f) For the purpose of this chapter, "conviction" includes any of the following:

- (1) A conviction upon a plea of guilty.
 - (2) A determination of guilt by a jury or court, even if:
 - (A) no sentence is imposed; or
 - (B) a sentence is suspended.
 - (3) A forfeiture of bail, bond, or collateral deposited to secure the defendant's appearance for trial, unless the forfeiture is vacated.
 - (4) A payment of money as a penalty or as costs in accordance with an agreement between a moving traffic violator and a traffic violations bureau.
- (g) A suspension or revocation under this section or under IC 9-30-13-0.5 stands pending appeal of the conviction to a higher court and may be set aside or modified only upon the receipt by the bureau of the certificate of the court reversing or modifying the judgment that the cause has been reversed or modified. However, if the suspension or revocation follows a conviction in a court of no record in Indiana, the suspension or revocation is stayed pending appeal of the conviction to a court of record.
- (h) A person aggrieved by an order or act of the bureau under this section or IC 9-30-13-0.5 may file a petition for a court review.

SECTION 598. IC 9-30-4-6.1 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: **Sec. 6.1. (a) The bureau shall suspend or revoke the current driver's license or driving privileges and all certificates of registration and proof of registration issued to or registered in the name of an individual who is convicted of any of the following:**

- (1) Manslaughter or reckless homicide resulting from the operation of a motor vehicle.**
- (2) Knowingly making a false application, or committing perjury with respect to an application made, under:**
 - (A) this chapter; or**
 - (B) any other law requiring the registration of motor vehicles or regulating motor vehicle operation on highways.**
- (3) Three (3) charges of criminal recklessness involving the use of a motor vehicle within the preceding twelve (12) months.**
- (4) Failure to stop and give information or assistance or**

failure to stop and disclose the individual's identity at the scene of an accident that has resulted in death, personal injury, or property damage in excess of two hundred dollars (\$200).

However, and unless otherwise required by law, the bureau may not suspend a certificate of registration or proof of registration if the individual gives and maintains, during the three (3) years following the date of suspension or revocation, proof of financial responsibility in the future in the manner specified in this section.

(b) The bureau shall suspend a driver's license or driving privileges of an individual upon conviction in another jurisdiction for the following:

(1) Manslaughter or reckless homicide resulting from the operation of a motor vehicle.

(2) Knowingly making a false application, or committing perjury with respect to an application made, under:

(A) this chapter; or

(B) any other law requiring the registration of motor vehicles or regulating motor vehicle operation on highways.

(3) Three (3) charges of criminal recklessness involving the use of a motor vehicle within the preceding twelve (12) months.

(4) Failure to stop and give information or assistance or failure to stop and disclose the individual's identity at the scene of an accident that has resulted in death, personal injury, or property damage in excess of two hundred dollars (\$200).

However, if property damage under subdivision (4) is equal to or less than two hundred dollars (\$200), the bureau may determine whether the driver's license or driving privileges and certificates of registration and proof of registration shall be suspended or revoked.

(c) An individual whose driving privileges are suspended under this chapter is eligible for specialized driving privileges under IC 9-30-16.

(d) A suspension or revocation remains in effect and a new or renewal license may not be issued to the individual and a motor vehicle may not be registered in the name of the individual as

follows:

(1) Except as provided in subdivision (2), for six (6) months after the date of conviction or on the date on which the individual is otherwise eligible for a license, whichever is later.

(2) Upon conviction of an offense described in subsection (a)(1), (a)(4), (b)(1), or (b)(4), when the accident has resulted in death, for a fixed period of at least two (2) years and not more than five (5) years, to be fixed by the bureau based upon recommendation of the court entering a conviction. A new or reinstated driver's license or driving privileges may not be issued to the individual unless that individual, within the three (3) years following the expiration of the suspension or revocation, gives and maintains in force at all times during the effective period of a new or reinstated license proof of financial responsibility in the future in the manner specified in this chapter. However, the liability of the insurance carrier under a motor vehicle liability policy that is furnished for proof of financial responsibility in the future as set out in this chapter becomes absolute whenever loss or damage covered by the policy occurs, and the satisfaction by the insured of a final judgment for loss or damage is not a condition precedent to the right or obligation of the carrier to make payment on account of loss or damage, but the insurance carrier has the right to settle a claim covered by the policy. If the settlement is made in good faith, the amount must be deducted from the limits of liability specified in the policy. A policy may not be canceled or annulled with respect to a loss or damage by an agreement between the carrier and the insured after the insured has become responsible for the loss or damage, and a cancellation or annulment is void. The policy may provide that the insured or any other person covered by the policy shall reimburse the insurance carrier for payment made on account of any loss or damage claim or suit involving a breach of the terms, provisions, or conditions of the policy. If the policy provides for limits that exceed the limits specified in this chapter, the insurance carrier may plead against any plaintiff, with respect to the amount of the excess limits of liability, any defenses that the carrier may be entitled to plead

against the insured. The policy may further provide for prorating of the insurance with other applicable valid and collectible insurance. An action does not lie against the insurance carrier by or on behalf of any claimant under the policy until a final judgment has been obtained after actual trial by or on behalf of any claimant under the policy.

(e) The bureau may take action as required in this section upon receiving satisfactory evidence of a conviction of an individual in another state.

(f) A suspension or revocation under this section or IC 9-30-13-0.5 stands pending appeal of the conviction to a higher court and may be set aside or modified only upon the receipt by the bureau of the certificate of the court reversing or modifying the judgment that the cause has been reversed or modified. However, if the suspension or revocation follows a conviction in a court of no record in Indiana, the suspension or revocation is stayed pending appeal of the conviction to a court of record.

(g) A person aggrieved by an order or act of the bureau under this section or IC 9-30-13-0.5 may file a petition for a court review.

(h) An entry in the driving record of a defendant stating that notice of suspension or revocation was mailed by the bureau to the defendant constitutes prima facie evidence that the notice was mailed to the defendant's address as shown in the records of the bureau.

SECTION 599. IC 9-30-4-9, AS AMENDED BY P.L.188-2015, SECTION 105, IS REPEALED [EFFECTIVE JULY 1, 2016]. Sec. 9-

(a) Upon the filing of a complaint in writing with the bureau against a person holding a current driver's license or permit or applying for a driver's license, permit, or renewal, the bureau may cite the person for a hearing to consider the suspension or revocation of the person's license, permit, or driving privileges upon any of the following charges or allegations:

(3) That the person is incompetent to drive a motor vehicle or is

afflicted with mental or physical infirmities or disabilities rendering it unsafe for the person to drive a motor vehicle:

(4) That the person is a reckless or negligent driver of a motor vehicle or has committed a violation of a motor vehicle law:

(b) Whenever the bureau determines a hearing is necessary upon a complaint in writing for any of the reasons set out in this section, the bureau shall immediately notify the licensee or permit holder of the hearing. The notice must state the time, date, and place where the hearing will be held and that the licensee or permit holder has the right to appear and to be heard. (d) The bureau or the deputy or agent may subpoena witnesses, administer oaths, and take testimony. The failure of the defendant to appear at the time and place of the hearing after notice as provided in this section does not prevent the hearing, the taking of testimony, and the determination of the matter.

(e) Testimony or a record of suspension or revocation of a driver's license, a permit, or driving privileges in the custody of the bureau following a hearing is not admissible as evidence:

(1) in any court in any action at law for negligence; or

(2) in any civil action brought against a person so cited by the bureau under this chapter.

(f) Except as provided in subsections (h), (i), and (j), the bureau may suspend or revoke the driver's license, permit, or driving privileges of an Indiana resident for a period of not more than one (1) year upon receiving notice of the conviction of the person in another state of an offense that, if committed in Indiana, would be grounds for the suspension or revocation of the license, permit, or driving privileges. A person whose driver's license, permit, or driving privileges are suspended under this subsection is eligible for specialized driving privileges under IC 9-30-16-4.

(g) The bureau may, upon receiving a record of the conviction in Indiana of a nonresident driver of a motor vehicle of an offense under Indiana motor vehicle laws, forward a certified copy of the record to the motor vehicle administrator in the state where the person convicted is a resident.

(h) The bureau shall suspend the driver's license, permit, or driving privileges of an Indiana resident for a period of one (1) year upon receiving notice of the conviction of the person in another state of an offense that:

(1) involves the use of a motor vehicle; and

(2) caused or resulted in serious bodily injury to another person.

A person whose driver's license, permit, or driving privileges are suspended under this subsection is eligible for specialized driving privileges under IC 9-30-16-4.

(i) The bureau shall suspend the driver's license, permit, or driving privileges of an Indiana resident for a period of one (1) year upon receiving notice of the conviction of the person in another state of an offense that involves the operation of a motor vehicle while the person is intoxicated and the person has a prior conviction:

(1) in another state of an offense that involves the operation of a motor vehicle while the person is intoxicated; or

(2) under IC 9-30-5.

A person whose driver's license, permit, or driving privileges are suspended under this subsection is eligible for specialized driving privileges under IC 9-30-16-4.

(j) The bureau shall suspend the driver's license, permit, or driving privileges of an Indiana resident for a period of two (2) years upon receiving notice of the conviction of the person in another state of an offense that:

(1) involves the operation of a motor vehicle; and

A person whose driver's license, permit, or driving privileges are suspended under this subsection is not eligible for specialized driving privileges under IC 9-30-16-4 during the period for which the person's driver's license, permit, or driving privileges are suspended under this subsection.

(k) A suspension or revocation under this section stands pending any proceeding for review of an action of the bureau taken under this

section.

(f) In addition to any other power, the bureau may modify, amend, or cancel any order or determination during the time within which a judicial review could be had. A person aggrieved by the order or act may have a judicial review under sections 10 and 11 of this chapter.

(C) That indicates it is in the best interests of society for the petitioner's driving privileges to be reinstated.

(5) Aver that the requisite amount of time has elapsed since the date on which the order for the lifetime suspension of the person's driving privileges was issued as required under subsections (b) and (f).

(6) Aver that the petitioner has never been convicted of a violation described in section 4(a) of this chapter.

SECTION 603. IC 9-30-10-14.2 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: **Sec. 14.2. (a) Upon receiving a petition filed after June 30, 2016, under section 14.1 of this chapter, a court shall set a date for hearing the matter and direct the clerk of the court to provide notice of the hearing date to the following parties:**

- (2) allow the prosecuting attorney who submitted the written application to have access to the records.

If a court orders records to be unsealed under this subsection, the court shall order the records to be permanently resealed at the earliest possible time after the reasons for unsealing the records cease to exist. However, if the records are admitted as evidence against the person in a new prosecution that results in the person's conviction, or are used to enhance a sentence imposed on the person in a new prosecution, the court is not required to reseat the records.

(e) If a person whose conviction records are expunged under sections 2 through 5 of this chapter is required to register as a sex offender based on the commission of a felony which has been expunged:

- (1) the expungement does not affect the operation of the sex offender registry web site, any person's ability to access the person's records, records required to be maintained concerning sex or violent offenders, or any registration requirement imposed on the person; and
- (2) the expunged conviction must be clearly marked as expunged on the sex offender registry web site.

(f) Expungement of a crime of domestic violence under section 2 of this chapter does not restore a person's right to possess a firearm. The right of a person convicted of a crime of domestic violence to possess a firearm may be restored only in accordance with IC 35-47-4-7.

(g) If the court issues an order granting a petition for expungement

under sections 2 through 3 of this chapter, the court shall include in its order the information described in section 8(b) of this chapter.

However, the court shall order that the records be clearly and visibly marked or identified as being expunged. (c) The state police department, the bureau of motor vehicles, and any other law enforcement agency in possession of records that relate to the conviction ordered to be marked as expunged shall add an entry to the person's record of arrest, conviction, or sentence in the criminal history data base stating that the record is marked as expunged. Nothing in this chapter prevents the bureau of motor vehicles from reporting information about a conviction for a violation of a traffic control law to the Commercial Drivers License Information System (CDLIS), in accordance with ~~IC 9-24-6-2(d)~~, **federal law**, even if the conviction has been expunged under section 4 or 5 of this chapter.

P.L.199-2016

[H.1169. Approved March 24, 2016.]

AN ACT to amend the Indiana Code concerning taxation.

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 6-1.1-3-7.2, AS AMENDED BY P.L.249-2015, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7.2. (a) This section applies to assessment dates occurring after December 31, 2015.

(b) As used in this section, "affiliate" means an entity that effectively controls or is controlled by a taxpayer or is associated with a taxpayer under common ownership or control, whether by shareholdings or other means.

(c) As used in this section, "business personal property" means personal property that:

(1) is otherwise subject to assessment and taxation under this article;

(2) is used in a trade or business or otherwise held, used, or consumed in connection with the production of income; and

(3) was:

(A) acquired by the taxpayer in an arms length transaction from an entity that is not an affiliate of the taxpayer, if the personal property has been previously used in Indiana before being placed in service in the county; or

(B) acquired in any manner, if the personal property has never

been previously used in Indiana before being placed in service in the county.

The term does not include mobile homes assessed under IC 6-1.1-7, personal property held as an investment, or personal property that is assessed under IC 6-1.1-8 and is owned by a public utility subject to regulation by the Indiana utility regulatory commission. However, the term does include the personal property of a telephone company or a communications service provider if that personal property meets the requirements of subdivisions (1) through (3), regardless of whether that personal property is assessed under IC 6-1.1-8 and regardless of whether the telephone company or communications service provider is subject to regulation by the Indiana utility regulatory commission.

(d) Notwithstanding section 7 of this chapter, if the acquisition cost of a taxpayer's total business personal property in a county is less than twenty thousand dollars (\$20,000) for that assessment date, the taxpayer's business personal property in the county for that assessment date is exempt from taxation.

(e) ~~A taxpayer that is eligible for the exemption under this section is not required to file a personal property return for the taxpayer's business personal property in the county for that assessment date. However, the taxpayer must, before May 15 of the calendar year in which the assessment date occurs, file with the county assessor an annual notarized certification signed under penalties for perjury stating that the taxpayer's business personal property in the county is exempt from taxation under this section for that assessment date. Except as provided in subsection (f), a taxpayer that is eligible for the exemption under this section for an assessment date shall indicate on the taxpayer's personal property tax return that the taxpayer's business personal property in the county is exempt from property taxation for the assessment date.~~

(f) For purposes of the January 1, 2016, assessment date, a taxpayer that is eligible for the exemption under this section may file with the county assessor before May 17, 2016, a certification of the taxpayer's eligibility for the exemption under this section instead of indicating the taxpayer's eligibility for the exemption on the taxpayer's personal property tax return.

SECTION 2. IC 6-1.1-3-7.3, AS ADDED BY P.L.242-2015, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE

UPON PASSAGE]: Sec. 7.3. (a) A county fiscal body may adopt an ordinance to impose a local service fee on each person that ~~files an annual certification with the county assessor under section 7.2 of this chapter stating~~ **indicates on the person's personal property tax return or, for purposes of the January 1, 2016, assessment date, on the person's certification under section 7.2(f) of this chapter** that the person's business personal property in the county is exempt from taxation under section 7.2 of this chapter for an assessment date after December 31, 2015.

(b) The county fiscal body shall specify the amount of the local service fee in the ordinance. A local service fee imposed on a person under this section may not exceed fifty dollars (\$50).

(c) A local service fee imposed for an assessment date is due and payable at the same time that property taxes for that assessment date are due and payable. A county may collect a delinquent local service fee in the same manner as delinquent property taxes are collected.

(d) The revenue from a local service fee:

(1) shall be allocated in the same manner and proportion and at the same time as property taxes are allocated to each taxing unit in the county; and

(2) may be used by a taxing unit for any lawful purpose of the taxing unit.

SECTION 3. IC 6-1.1-37-7, AS AMENDED BY P.L.249-2015, SECTION 18, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. (a) If a person fails to file a required personal property return on or before the due date, the county auditor shall add a penalty of twenty-five dollars (\$25) to the person's next property tax installment. The county auditor shall also add an additional penalty to the taxes payable by the person if the person fails to file the personal property return within thirty (30) days after the due date. The amount of the additional penalty is twenty percent (20%) of the taxes finally determined to be due with respect to the personal property which should have been reported on the return.

(b) For purposes of this section, a personal property return is not due until the expiration of any extension period granted by the township or county assessor under IC 6-1.1-3-7(b).

(c) The penalties prescribed under this section do not apply to an individual or the individual's dependents if the individual:

(1) is in the military or naval forces of the United States on the assessment date; and

(2) is covered by the federal Servicemembers Civil Relief Act (50 U.S.C. App. 501 et seq.) or IC 10-16-20.

(d) If a person subject to IC 6-1.1-3-7(c) fails to include on a personal property return the information, if any, that the department of local government finance requires under IC 6-1.1-3-9 or IC 6-1.1-5-13, the county auditor shall add a penalty to the property tax installment next due for the return. The amount of the penalty is twenty-five dollars (\$25).

(e) If the total assessed value that a person reports on a personal property return is less than the total assessed value that the person is required by law to report and if the amount of the undervaluation exceeds five percent (5%) of the value that should have been reported on the return, then the county auditor shall add a penalty of twenty percent (20%) of the additional taxes finally determined to be due as a result of the undervaluation. The penalty shall be added to the property tax installment next due for the return on which the property was undervalued. If a person has complied with all of the requirements for claiming a deduction, an exemption, or an adjustment for abnormal obsolescence, then the increase in assessed value that results from a denial of the deduction, exemption, or adjustment for abnormal obsolescence is not considered to result from an undervaluation for purposes of this subsection.

(f) If a person required by IC 6-1.1-3-7.2(e) to ~~file an annual certification with the county assessor fails to timely file the annual certification;~~ **indicate on the taxpayer's personal property tax return or, for purposes of the January 1, 2016, assessment date, on the taxpayer's certification under IC 6-1.1-3-7.2(f) that the taxpayer's business personal property is exempt fails to timely file either the taxpayer's personal property tax return with the indication or, for purposes of the January 1, 2016, assessment date, the certification,** the county auditor shall impose a penalty of twenty-five dollars (\$25) that must be paid by the person with the next property tax installment that is collected.

(g) A penalty is due with an installment under subsection (a), (d),

(e), or (f) whether or not an appeal is filed under IC 6-1.1-15-5 with respect to the tax due on that installment.

SECTION 4. An emergency is declared for this act.

(i) The last five (5) digits of the individual's driver's license number.

(ii) The last five (5) digits of the individual's state identification card number.

(iii) If the individual does not have a driver's license or a state identification card, the last five (5) digits of a control number that is on a document issued to the individual by the United States government. ~~and determined by the department of local government finance to be acceptable.~~

If a form or statement provided to the county auditor under this section, IC 6-1.1-22-8.1, or IC 6-1.1-22.5-12 includes the telephone number or part or all of the Social Security number of a party or other number described in subdivision (4)(B) of a party, the telephone number and the Social Security number or other number described in subdivision (4)(B) included are confidential. The statement may be filed in person or by mail. If the statement is mailed, the mailing must be postmarked on or before the last day for filing. The statement applies for that first year and any succeeding year for which the deduction is allowed. With respect to real property, the statement must be completed and dated in the calendar year for which the person desires to obtain the deduction and filed with the county auditor on or before January 5 of the

immediately succeeding calendar year. With respect to a mobile home that is not assessed as real property, the person must file the statement during the twelve (12) months before March 31 of the year for which the person desires to obtain the deduction.

(f) If an individual who is receiving the deduction provided by this section or who otherwise qualifies property for a deduction under this section:

(1) changes the use of the individual's property so that part or all of the property no longer qualifies for the deduction under this section; or

(2) is no longer eligible for a deduction under this section on another parcel of property because:

(A) the individual would otherwise receive the benefit of more than one (1) deduction under this chapter; or

(B) the individual maintains the individual's principal place of residence with another individual who receives a deduction under this section;

the individual must file a certified statement with the auditor of the county, notifying the auditor of the change of use, not more than sixty (60) days after the date of that change. An individual who fails to file the statement required by this subsection is liable for any additional taxes that would have been due on the property if the individual had filed the statement as required by this subsection plus a civil penalty equal to ten percent (10%) of the additional taxes due. The civil penalty imposed under this subsection is in addition to any interest and penalties for a delinquent payment that might otherwise be due. One percent (1%) of the total civil penalty collected under this subsection shall be transferred by the county to the department of local government finance for use by the department in establishing and maintaining the homestead property data base under subsection (i) and, to the extent there is money remaining, for any other purposes of the department. This amount becomes part of the property tax liability for purposes of this article.

(g) The department of local government finance may adopt rules or guidelines concerning the application for a deduction under this section.

(h) This subsection does not apply to property in the first year for which a deduction is claimed under this section if the sole reason that

a deduction is claimed on other property is that the individual or married couple maintained a principal residence at the other property on the assessment date in the same year in which an application for a deduction is filed under this section or, if the application is for a homestead that is assessed as personal property, on the assessment date in the immediately preceding year and the individual or married couple is moving the individual's or married couple's principal residence to the property that is the subject of the application. Except as provided in subsection (n), the county auditor may not grant an individual or a married couple a deduction under this section if:

(1) the individual or married couple, for the same year, claims the deduction on two (2) or more different applications for the deduction; and

(2) the applications claim the deduction for different property.

(i) The department of local government finance shall provide secure access to county auditors to a homestead property data base that includes access to the homestead owner's name and the numbers required from the homestead owner under subsection (e)(4) for the sole purpose of verifying whether an owner is wrongly claiming a deduction under this chapter or a credit under IC 6-1.1-20.4, IC 6-1.1-20.6, or ~~IC 6-3.5~~. **IC 6-3.6-5.**

(j) A county auditor may require an individual to provide evidence proving that the individual's residence is the individual's principal place of residence as claimed in the certified statement filed under subsection (e). The county auditor may limit the evidence that an individual is required to submit to a state income tax return, a valid driver's license, or a valid voter registration card showing that the residence for which the deduction is claimed is the individual's principal place of residence. The department of local government finance shall work with county auditors to develop procedures to determine whether a property owner that is claiming a standard deduction or homestead credit is not eligible for the standard deduction or homestead credit because the property owner's principal place of residence is outside Indiana.

(k) As used in this section, "homestead" includes property that satisfies each of the following requirements:

(1) The property is located in Indiana and consists of a dwelling and the real estate, not exceeding one (1) acre, that immediately surrounds that dwelling.

(2) The property is the principal place of residence of an individual.

(3) The property is owned by an entity that is not described in subsection (a)(2)(B).

(4) The individual residing on the property is a shareholder, partner, or member of the entity that owns the property.

(5) The property was eligible for the standard deduction under this section on March 1, 2009.

(l) If a county auditor terminates a deduction for property described in subsection (k) with respect to property taxes that are:

(1) imposed for an assessment date in 2009; and

(2) first due and payable in 2010;

on the grounds that the property is not owned by an entity described in subsection (a)(2)(B), the county auditor shall reinstate the deduction if the taxpayer provides proof that the property is eligible for the deduction in accordance with subsection (k) and that the individual residing on the property is not claiming the deduction for any other property.

(m) For assessment dates after 2009, the term "homestead" includes:

(1) a deck or patio;

(2) a gazebo; or

(3) another residential yard structure, as defined in rules ~~that may be~~ adopted by the department of local government finance (other than a swimming pool);

that is assessed as real property and attached to the dwelling.

(n) A county auditor shall grant an individual a deduction under this section regardless of whether the individual and the individual's spouse claim a deduction on two (2) different applications and each application claims a deduction for different property if the property owned by the individual's spouse is located outside Indiana and the individual files an affidavit with the county auditor containing the following information:

(1) The names of the county and state in which the individual's spouse claims a deduction substantially similar to the deduction allowed by this section.

(2) A statement made under penalty of perjury that the following are true:

(A) That the individual and the individual's spouse maintain

separate principal places of residence.

(B) That neither the individual nor the individual's spouse has an ownership interest in the other's principal place of residence.

(C) That neither the individual nor the individual's spouse has, for that same year, claimed a standard or substantially similar deduction for any property other than the property maintained as a principal place of residence by the respective individuals.

A county auditor may require an individual or an individual's spouse to provide evidence of the accuracy of the information contained in an affidavit submitted under this subsection. The evidence required of the individual or the individual's spouse may include state income tax returns, excise tax payment information, property tax payment information, driver license information, and voter registration information.

(o) If:

(1) a property owner files a statement under subsection (e) to claim the deduction provided by this section for a particular property; and

(2) the county auditor receiving the filed statement determines that the property owner's property is not eligible for the deduction; the county auditor shall inform the property owner of the county auditor's determination in writing. If a property owner's property is not eligible for the deduction because the county auditor has determined that the property is not the property owner's principal place of residence, the property owner may appeal the county auditor's determination to the county property tax assessment board of appeals as provided in IC 6-1.1-15. The county auditor shall inform the property owner of the owner's right to appeal to the county property tax assessment board of appeals when the county auditor informs the property owner of the county auditor's determination under this subsection.

(p) An individual is entitled to the deduction under this section for a homestead for a particular assessment date if:

(1) either:

(A) the individual's interest in the homestead as described in subsection (a)(2)(B) is conveyed to the individual after the assessment date, but within the calendar year in which the

- assessment date occurs; or
- (B) the individual contracts to purchase the homestead after the assessment date, but within the calendar year in which the assessment date occurs;
- (2) on the assessment date:
- (A) the property on which the homestead is currently located was vacant land; or
- (B) the construction of the dwelling that constitutes the homestead was not completed; **and**
- (3) either:
- (A) the individual files the certified statement required by subsection (e); ~~on or before December 31 of the calendar year in which the assessment date occurs to claim the deduction under this section;~~ or
- (B) a sales disclosure form that meets the requirements of section 44 of this chapter is submitted to the county assessor on or before December 31 of the calendar year for the individual's purchase of the homestead. ~~and~~
- ~~(4) the individual files with the county auditor on or before December 31 of the calendar year in which the assessment date occurs a statement that:~~
- ~~(A) lists any other property for which the individual would otherwise receive a deduction under this section for the assessment date; and~~
- ~~(B) cancels the deduction described in clause (A) for that property.~~

An individual who satisfies the requirements of subdivisions (1) through ~~(4)~~ (3) is entitled to the deduction under this section for the homestead for the assessment date, even if on the assessment date the property on which the homestead is currently located was vacant land or the construction of the dwelling that constitutes the homestead was not completed. The county auditor shall apply the deduction for the assessment date and for the assessment date in any later year in which the homestead remains eligible for the deduction. A homestead that qualifies for the deduction under this section as provided in this subsection is considered a homestead for purposes of section 37.5 of this chapter and IC 6-1.1-20.6. ~~The county auditor shall cancel the deduction under this section for any property that is located in the~~

county and is listed on the statement filed by the individual under subdivision (4). If the property listed on the statement filed under subdivision (4) is located in another county, the county auditor who receives the statement shall forward the statement to the county auditor of that other county, and the county auditor of that other county shall cancel the deduction under this section for that property.

(q) This subsection applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013. Notwithstanding any other provision of this section, an individual buying a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property under a contract providing that the individual is to pay the property taxes on the mobile home or manufactured home is not entitled to the deduction provided by this section unless the parties to the contract comply with IC 9-17-6-17.

(r) This subsection:

(1) applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013; and

(2) does not apply to an individual described in subsection (q).

The owner of a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property must attach a copy of the owner's title to the mobile home or manufactured home to the application for the deduction provided by this section.

(s) For assessment dates after 2013, the term "homestead" includes property that is owned by an individual who:

(1) is serving on active duty in any branch of the armed forces of the United States;

(2) was ordered to transfer to a location outside Indiana; and

(3) was otherwise eligible, without regard to this subsection, for the deduction under this section for the property for the assessment date immediately preceding the transfer date specified in the order described in subdivision (2).

For property to qualify under this subsection for the deduction provided by this section, the individual described in subdivisions (1) through (3) must submit to the county auditor a copy of the individual's transfer orders or other information sufficient to show that the individual was ordered to transfer to a location outside Indiana. The property continues

to qualify for the deduction provided by this section until the individual ceases to be on active duty, the property is sold, or the individual's ownership interest is otherwise terminated, whichever occurs first. Notwithstanding subsection (a)(2), the property remains a homestead regardless of whether the property continues to be the individual's principal place of residence after the individual transfers to a location outside Indiana. The property continues to qualify as a homestead under this subsection if the property is leased while the individual is away from Indiana and is serving on active duty, if the individual has lived at the property at any time during the past ten (10) years. Otherwise, the property ceases to qualify as a homestead under this subsection if the property is leased while the individual is away from Indiana. Property that qualifies as a homestead under this subsection shall also be construed as a homestead for purposes of section 37.5 of this chapter.

the county auditor shall make the appropriate deduction.

(2) If:

(3) If the deduction application is for rehabilitation or redevelopment in a residentially distressed area, the county auditor shall make the appropriate deduction.

(g) The amount and period of the deduction provided for property by section 3 of this chapter are not affected by a change in the ownership of the property if the new owner of the property:

(1) continues to use the property in compliance with any standards established under section 2(g) of this chapter; and

(2) files an application in the manner provided by subsection (e).

(h) The township or county assessor shall include a notice of the deadlines for filing a deduction application under subsections (a) and (b) with each notice to a property owner of an addition to assessed value or of a new assessment.

An appeal initiated under this subsection is processed and determined in the same manner that an appeal is processed and determined under IC 6-1.1-15.

SECTION 6. IC 6-1.1-12.1-5.3, AS AMENDED BY P.L.146-2008, SECTION 125, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2016 (RETROACTIVE)]: Sec. 5.3. (a) The fiscal officer of a taxing unit may establish a separate fund known as the property tax assessment appeals fund to hold property tax receipts that are attributable to an increase in the taxing unit's tax rate caused by a reduction in the taxing unit's net assessed value under IC 6-1.1-17-0.5.

(b) A taxing unit may transfer property tax receipts from a fund that is not a debt service fund to the taxing unit's property tax assessment appeals fund. A taxing unit may not transfer property tax receipts from a debt service fund to the taxing unit's property tax assessment appeals fund.

(f) Property tax receipts that qualify as levy excess under IC 6-1.1-18.5-17 and IC 20-44-3 must be treated as levy excess and are not eligible for transfer to a taxing unit's property tax assessment appeals fund.

SECTION 8. IC 6-1.1-18.5-7, AS AMENDED BY P.L.182-2009(ss), SECTION 126, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 7. (b) If under subsection (a) a civil taxing unit is not subject to the levy limits imposed under section 3 of this chapter for a calendar year, the civil taxing unit shall refer its proposed budget, ad valorem property tax levy, and property tax rate for that calendar year to the department of local government finance. The department of local government finance shall make a final determination of the civil taxing unit's budget, ad valorem property tax levy, and property tax rate for that calendar year. However, a civil taxing unit may not impose a property tax levy for a year if the unit did not exist as of ~~March~~ **January** 1 of the preceding year.

SECTION 9. IC 6-1.1-18.5-8.1 IS REPEALED [EFFECTIVE JULY 1, 2016]. Sec. 8.1. (a) ~~This section applies to a township that is allowed an increase in its maximum permissible ad valorem property tax levy under section 13(e) of this chapter for property taxes first due and payable in 2014.~~

(b) ~~The property tax levy limit imposed under section 3 of this chapter on the township may be exceeded in calendar years 2014, 2015, and 2016 by:~~

township to repay money borrowed under IC 36-6-6-14(b) in 2012 or 2013;

but not both:

(c) For purposes of computing the ad valorem property tax levy limit imposed on a township under section 3 of this chapter, the township's ad valorem property tax levy for a particular calendar year does not include that part of the levy imposed to repay money borrowed under IC 36-6-6-14(f):

SECTION 10. IC 6-1.1-18.5-13, AS AMENDED BY P.L.245-2015, SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 13. (a) With respect to an appeal filed under section 12 of this chapter, the department may find that a civil taxing unit should receive any one (1) or more of the following types of relief:

(1) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if in the judgment of the department the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas. ~~or persons.~~ With respect to annexation, consolidation, or other extensions of governmental services in a calendar year, if those increased costs are incurred by the civil taxing unit in that calendar year and more than one (1) immediately succeeding calendar year, the unit may appeal under section 12 of this chapter for permission to increase its levy under this subdivision based on those increased costs in any of the following:

(A) The first calendar year in which those costs are incurred.

(B) One (1) or more of the immediately succeeding four (4) calendar years.

(2) ~~A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December 31, 1973. Before recommending such an increase, the local~~

government tax control board shall consider all other revenues available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's estimate of the unit's share of the costs of operating a court for the first full calendar year in which it is in existence. For purposes of this subdivision, costs of operating a court include:

- (A) the cost of personal services (including fringe benefits);
 - (B) the cost of supplies; and
 - (C) any other cost directly related to the operation of the court.
- (3) (2) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the department finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and two-hundredths (1.02):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property under IC 6-1.1-4-4 does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the civil taxing unit's total assessed value of all taxable property and:

- (i) for a particular calendar year before 2007, the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 (repealed) or IC 6-1.1-12-42 in the particular calendar year; or
- (ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-42 in 2006 plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008;

divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients

computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the total assessed value of all taxable property in all counties and:

(i) for a particular calendar year before 2007, the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 (repealed) or IC 6-1.1-12-42 in the particular calendar year; or

(ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in all counties under IC 6-1.1-12-42 in 2006 plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008;

divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 of this chapter based on the assessed value growth quotient determined under section 2 of this chapter.

~~(4) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to pay the costs of furnishing fire protection for the civil taxing unit through a volunteer fire department. For purposes of determining a township's need for an increased levy, the local government tax control board shall not consider the amount of money borrowed under IC 36-6-6-14 during the~~

immediately preceding calendar year. However, any increase in the amount of the civil taxing unit's levy recommended by the local government tax control board under this subdivision for the ensuing calendar year may not exceed the lesser of:

(A) ten thousand dollars (\$10,000); or

(B) twenty percent (20%) of:

(i) the amount authorized for operating expenses of a volunteer fire department in the budget of the civil taxing unit for the immediately preceding calendar year; plus

(ii) the amount of any additional appropriations authorized during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department under this chapter; minus

(iii) the amount of money borrowed under IC 36-6-6-14 during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department.

(5) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter in order to raise revenues for pension payments and contributions the civil taxing unit is required to make under IC 36-8. The maximum increase in a civil taxing unit's levy that may be recommended under this subdivision for an ensuing calendar year equals the amount, if any, by which the pension payments and contributions the civil taxing unit is required to make under IC 36-8 during the ensuing calendar year exceeds the product of one and one-tenth (1.1) multiplied by the pension payments and contributions made by the civil taxing unit under IC 36-8 during the calendar year that immediately precedes the ensuing calendar year. For purposes of this subdivision, "pension payments and contributions made by a civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state.

(6) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to increase its levy in excess of the limitations established under section 3 of this chapter if the local government

tax control board finds that:

(A) the township's township assistance ad valorem property tax rate is less than one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation; and

(B) the township needs the increase to meet the costs of providing township assistance under IC 12-20 and IC 12-30-4. The maximum increase that the board may recommend for a township is the levy that would result from an increase in the township's township assistance ad valorem property tax rate of one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation minus the township's ad valorem property tax rate per one hundred dollars (\$100) of assessed valuation before the increase.

(7) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and

(B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services.

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population, and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that would be raised by the civil taxing unit based on a property tax rate of one cent (\$0.01) per one hundred dollars (\$100) of assessed valuation.

(8) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase the unit's levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the civil taxing unit is:

(i) a county having a population of more than one hundred seventy thousand (170,000) but less than one hundred seventy-five thousand (175,000);

(ii) a city having a population of more than sixty-five thousand (65,000) but less than seventy thousand (70,000);

(iii) a city having a population of more than twenty-nine thousand five hundred (29,500) but less than twenty-nine thousand six hundred (29,600);

(iv) a city having a population of more than thirteen thousand four hundred fifty (13,450) but less than thirteen thousand five hundred (13,500); or

(v) a city having a population of more than eight thousand seven hundred (8,700) but less than nine thousand (9,000); and

(B) the increase is necessary to provide funding to undertake removal (as defined in IC 13-11-2-187) and remedial action (as defined in IC 13-11-2-185) relating to hazardous substances (as defined in IC 13-11-2-98) in solid waste disposal facilities or industrial sites in the civil taxing unit that have become a menace to the public health and welfare.

The maximum increase that the local government tax control board may recommend for such a civil taxing unit is the levy that would result from a property tax rate of six and sixty-seven hundredths cents (\$.0667) for each one hundred dollars (\$100) of assessed valuation. For purposes of computing the ad valorem property tax levy limit imposed on a civil taxing unit under section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular year does not include that part of the levy imposed under this subdivision. In addition, a property tax increase permitted under this subdivision may be imposed for only two (2) calendar years.

(9) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a county:

(A) having a population of more than eighty thousand (80,000) but less than ninety thousand (90,000) to increase the county's levy in excess of the limitations established under section 3 of

this chapter, if the local government tax control board finds that the county needs the increase to meet the county's share of the costs of operating a jail or juvenile detention center, including expansion of the facility, if the jail or juvenile detention center is opened after December 31, 1991;

(B) that operates a county jail or juvenile detention center that is subject to an order that:

- (i) was issued by a federal district court; and
- (ii) has not been terminated;

(C) that operates a county jail that fails to meet:

- (i) American Correctional Association Jail Construction Standards; and
- (ii) Indiana jail operation standards adopted by the department of correction; or

(D) that operates a juvenile detention center that fails to meet standards equivalent to the standards described in clause (C) for the operation of juvenile detention centers:

Before recommending an increase, the local government tax control board shall consider all other revenues available to the county that could be applied for that purpose. An appeal for operating funds for a jail or a juvenile detention center shall be considered individually, if a jail and juvenile detention center are both opened in one (1) county. The maximum aggregate levy increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or a juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

(10) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate

increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal:

(11) Permission to a city having a population of more than thirty-one thousand five hundred (31,500) but less than thirty-one thousand seven hundred twenty-five (31,725) to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) an appeal was granted to the city under this section to reallocate property tax replacement credits under IC 6-3.5-1.1 in 1998, 1999, and 2000; and

(B) the increase has been approved by the legislative body of the city, and the legislative body of the city has by resolution determined that the increase is necessary to pay normal operating expenses.

The maximum amount of the increase is equal to the amount of property tax replacement credits under IC 6-3.5-1.1 that the city petitioned under this section to have reallocated in 2001 for a purpose other than property tax relief.

(12) (3) A levy increase may be granted under this subdivision only for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if the civil taxing unit cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 of this chapter due to a natural disaster, an accident, or another unanticipated emergency.

(13) Permission to Jefferson County to increase its levy in excess of the limitations established under section 3 of this chapter if the department finds that the county experienced a property tax revenue shortfall that resulted from an erroneous estimate of the effect of the supplemental deduction under IC 6-1.1-12-37.5 on

the county's assessed valuation. An appeal for a levy increase under this subdivision may not be denied because of the amount of cash balances in county funds. The maximum increase in the county's levy that may be approved under this subdivision is three hundred thousand dollars (\$300,000).

(b) The department of local government finance shall increase the maximum permissible ad valorem property tax levy under section 3 of this chapter for the city of Goshen for 2012 and thereafter by an amount equal to the greater of zero (0) or the result of:

(1) the city's total pension costs in 2009 for the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7); minus

(2) the sum of:

(A) the total amount of state funds received in 2009 by the city and used to pay benefits to members of the 1925 police pension fund (IC 36-8-6) or the 1937 firefighters' pension fund (IC 36-8-7); plus

(B) any previous permanent increases to the city's levy that were authorized to account for the transfer to the state of the responsibility to pay benefits to members of the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7).

(c) In calendar year 2013, the department of local government finance shall allow a township to increase its maximum permissible ad valorem property tax levy in excess of the limitations established under section 3 of this chapter, if the township:

(1) petitions the department for the levy increase on a form prescribed by the department; and

(2) submits proof of the amount borrowed in 2012 or 2013; but not both, under IC 36-6-6-14 to furnish fire protection for the township or a part of the township.

The maximum increase in a township's levy that may be allowed under this subsection is the amount borrowed by the township under IC 36-6-6-14 in the year for which proof was submitted under subdivision (2). An increase allowed under this subsection applies to property taxes first due and payable after December 31, 2013.

SECTION 11. IC 6-1.1-18.5-13.5 IS REPEALED [EFFECTIVE JULY 1, 2016]. Sec. 13.5: A levy increase may not be granted under

this section for property taxes first due and payable after December 31, 2009. With respect to an appeal filed under section 12 of this chapter, the department of local government finance may give permission to a town having a population of more than three hundred (300) but less than four hundred (400) located in a county having a population of more than sixty-eight thousand nine hundred (68,900) but less than seventy thousand (70,000) to increase its levy in excess of the limitations established under section 3 of this chapter, if the department finds that the town needs the increase to pay the costs of furnishing fire protection for the town. However, any increase in the amount of the town's levy under this section for the ensuing calendar year may not exceed the greater of:

- (1) twenty-five thousand dollars (\$25,000); or
- (2) twenty percent (20%) of the sum of:
 - (A) the amount authorized for the cost of furnishing fire protection in the town's budget for the immediately preceding calendar year; plus
 - (B) the amount of any additional appropriations authorized under IC 6-1.1-18-5 during that calendar year for the town's use in paying the costs of furnishing fire protection.

For an appeal filed under section 12 of this chapter, the department of local government finance may give permission to a county to increase its levy in excess of the limitations established under section 3 of this chapter if the department finds that the county needs the increase to pay for:

- (1) a new voting system; or
 - (2) the expansion or upgrade of an existing voting system;

(b) The department of local government finance may, through the Indiana archives and records administration, amend at any time the forms that the department of local government finance prescribes under this section.

(c) The department of local government finance may enforce the use of forms that the department of local government finance prescribes under this section.

(d) Forms that were prescribed by the department of local government finance and approved by the Indiana archives and records administration before July 1, 2016, are legalized and validated.

The additional taxes and civil penalties that result from the removal of the deduction, if any, are imposed for property taxes first due and payable for an assessment date occurring before the earlier of the date of the notation made under subsection (c)(2)(A) or the date a notice of an ineligible homestead lien is recorded under subsection (e)(2) in the office of the county recorder. The notice must require full payment of the amount owed within:****

- (1) one (1) year with no penalties and interest, if:

 - (A) the taxpayer did not comply with the requirement to return the homestead verification form under IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015); and**

SECTION 16. IC 6-1.1-36-18 IS REPEALED [EFFECTIVE JULY 1, 2016]. Sec. 18: (a) As used in this section, "local agency" has the meaning set forth in IC 4-6-3-1.

(b) As used in this section, "tax liability" includes liability for special assessments and refers to liability for property taxes after the application of all allowed deductions and credits. The term does not include any property taxes that a person is not required to pay under IC 6-1.1-15-10 with respect to a pending review of an assessment or an increase in assessment under IC 6-1.1-15.

(c) The fiscal body of a county may adopt an ordinance to allow the county, political subdivisions within the county, and local agencies within the county to use a uniform property tax disclosure form for purposes described in subsection (d):

The form must require the disclosure of the following information from a person applying for a property tax exemption; a property tax deduction; a zoning change or zoning variance; a building permit; or any other locally issued license or permit:

- (1) A description of each parcel of real property located in the county that is owned by the person;
- (2) A verified statement, made under penalties of perjury, listing the following concerning each parcel of real property disclosed under subdivision (1):
 - (A) The parcels for which the person is current on the tax liability; if any.
 - (B) The parcels for which the person has a delinquent tax liability; if any.
- (3) Any other information necessary for the county; a political subdivision within the county; or a local agency within the county to determine whether the person has a delinquent tax liability on real property located in the county.

SECTION 17. IC 6-1.1-40-11, AS AMENDED BY P.L.245-2015, SECTION 16, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 2, 2016 (RETROACTIVE)]: Sec. 11. (d) The department of local government finance shall review and verify the correctness of each application and shall notify the county auditor of the county in which the property is located that the application is approved or denied or that the amount of the deduction is altered. Upon notification of approval of the application or of alteration of the amount of the deduction, the county auditor shall make the deduction.

(e) If the ownership of new manufacturing equipment changes, the deduction provided under section 10 of this chapter continues to apply to that equipment if the new owner:

- (1) continues to use the equipment in compliance with any standards established under section 7(c) of this chapter; and
- (2) files the applications required by this section.

(f) The amount of the deduction is:

- (1) the percentage under section 10 of this chapter that would have applied if the ownership of the property had not changed; multiplied by
- (2) the assessed value of the equipment for the year the deduction is claimed by the new owner.

SECTION 18. IC 6-1.1-41-6, AS AMENDED BY P.L.137-2012, SECTION 43, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 6. Not later than noon thirty (30) days after the publication of the notice of adoption required by section 3 of this chapter:

(b) Subject to section 14.5 of this chapter, if the legislative body finds that a need for fire and emergency services or other emergency exists, it may issue a special order, entered and signed on the record, authorizing the executive to borrow a specified amount of money sufficient to meet the emergency. However, the legislative body may not authorize the executive to borrow money under this subsection in more than three (3) calendar years during any five (5) year period.

(c) Notwithstanding IC 36-8-13-4(a), the legislative body may authorize the executive to borrow a specified sum from a township fund other than the township firefighting fund if the legislative body finds that the emergency requiring the expenditure of money is related to paying the operating expenses of a township fire department or a volunteer fire department. At its next annual session, the legislative body shall cover the debt created by making a levy to the credit of the fund for which the amount was borrowed under this subsection.

(d) In determining whether a fire and emergency services need exists requiring the expenditure of money not included in the township's budget estimates and levy, the legislative body and any reviewing authority considering the approval of the additional borrowing shall consider the following factors:

- (1) The current and projected certified and noncertified public safety payroll needs of the township.

(f) This subsection applies to a township that is allowed an increase in its maximum permissible ad valorem property tax levy under IC 6-1.1-18.5-13(c). The restrictions on borrowing set forth in this subsection are instead of the restrictions set forth in subsection (b). Repayments of the money borrowed in 2012 or 2013, as applicable, may be made over a three (3) year period beginning in 2014, and ending in 2016. SECTION 25. IC 36-8-19-8.5, AS AMENDED BY P.L.255-2013, SECTION 16, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 8.5. (a) Participating units may agree to establish an equipment replacement fund under this section to be used to purchase fire protection equipment, including housing, that will be used to serve the entire territory. To establish the fund, the legislative bodies of each participating unit must adopt an ordinance (if the unit is a county or municipality) or a resolution (if the unit is a township),

and the following requirements must be met:

- (1) The ordinance or resolution is identical to the ordinances and resolutions adopted by the other participating units under this section.
- (2) Before adopting the ordinance or resolution, each participating unit must comply with the notice and hearing requirements of IC 6-1.1-41-3.
- (3) The ordinance or resolution authorizes the provider unit to establish the fund.
- (4) The ordinance or resolution includes at least the following:
 - (A) The name of each participating unit and the provider unit.
 - (B) An agreement to impose a uniform tax rate upon all of the taxable property within the territory for the equipment replacement fund.
 - (C) The contents of the agreement to establish the fund.

An ordinance or a resolution adopted under this section takes effect as provided in IC 6-1.1-41.

(b) If a fund is established, the participating units may agree to:

- (1) impose a property tax to provide for the accumulation of money in the fund to purchase fire protection equipment;
- (2) incur debt to purchase fire protection equipment and impose a property tax to retire the loan; or
- (3) transfer an amount from the fire protection territory fund to the fire equipment replacement fund not to exceed five percent (5%) of the levy for the fire protection territory fund for that year;

or any combination of these options.

(c) The property tax rate for the levy imposed under this section may not exceed three and thirty-three hundredths cents (\$0.0333) per one hundred dollars (\$100) of assessed value. Before debt may be incurred, the fiscal body of a participating unit must adopt an ordinance (if the unit is a county or municipality) or a resolution (if the unit is a township) that specifies the amount and purpose of the debt. The ordinance or resolution must be identical to the other ordinances and resolutions adopted by the participating units. ~~In addition, the department of local government finance must approve the incurrence of the debt using the same standards as applied to the incurrence of debt by civil taxing units. Except as provided in subsection (d), if debt is to be incurred for the purposes of a fund, the provider unit~~

shall negotiate for and hold the debt on behalf of the territory. However, the participating units and the provider unit of the territory are jointly liable for any debt incurred by the provider unit for the purposes of the fund. The most recent adjusted value of taxable property for the entire territory must be used to determine the debt limit under IC 36-1-15-6. A provider unit shall comply with all general statutes and rules relating to the incurrence of debt under this subsection.

(d) A participating unit of a territory may, to the extent allowed by law, incur debt in the participating unit's own name to acquire fire protection equipment or other property that is to be owned by the participating unit. A participating unit that acquires fire protection equipment or other property under this subsection may afterward enter into an interlocal agreement under IC 36-1-7 with the provider unit to furnish the fire protection equipment or other property to the provider unit for the provider unit's use or benefit in accomplishing the purposes of the territory. A participating unit shall comply with all general statutes and rules relating to the incurrence of debt under this subsection.

(e) Money in the fund may be used by the provider unit only for those purposes set forth in the agreement among the participating units that permits the establishment of the fund.

(f) The requirements and procedures specified in IC 6-1.1-41 concerning the establishment or reestablishment of a cumulative fund, the imposing of a property tax for a cumulative fund, and the increasing of a property tax rate for a cumulative fund apply to:

An ordinance or resolution adopted under this section takes effect July 1 of the year that the ordinance or resolution is adopted.

- (b) If an ordinance or a resolution is adopted under subsection (a),
- (1) the unit's maximum permissible ad valorem property tax levy with respect to fire protection services shall be initially increased by the amount of the particular unit's previous year levy under this chapter; and
 - (2) additional increases with respect to fire protection services levy amounts are subject to the tax levy limitations under IC 6-1.1-18.5; except for the part of the unit's levy that is necessary to retire the unit's share of any debt incurred while the unit was a participating unit.

for purposes of determining a unit's maximum permissible ad valorem property tax levy for the year following the year in which the ordinance or resolution is adopted, the unit receives a percentage of the territory's maximum permissible ad valorem property tax levy equal to the percentage of the assessed valuation that the unit contributed to the territory in the year in which the ordinance or resolution is adopted. The department of local government finance shall adjust the territory's maximum permissible ad valorem property tax levy to account for the unit's withdrawal. After the effective date of an ordinance or resolution adopted under subsection (a), the unit may no longer impose a tax rate for an equipment replacement fund under section 8.5 of this chapter. The unit remains liable for the unit's share of any debt incurred under section 8.5 of this chapter.

(c) If a territory is dissolved, subsection (b) applies to the determination of the maximum permissible ad valorem property tax levy of each unit that formerly participated in the territory.

The county fiscal body for the receiving county shall provide for the distribution

of the money received under this clause to one (1) or more taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the county fiscal body after receiving a recommendation from the county executive.

(F) Six and thirty-five hundredths percent (6.35%) shall be paid to the fiscal officer of the town of Paoli.

(G) Six and thirty-five hundredths percent (6.35%) shall be paid to the fiscal officer of the town of Orleans.

(H) Twenty-six and four-tenths percent (26.4%) shall be paid to the Indiana economic development corporation established by IC 5-28-3-1 for transfer to Radius Indiana or a successor regional entity or partnership for the development and implementation of a regional economic development strategy to assist the residents of Orange County and the counties contiguous to Orange County in improving their quality of life and to help promote successful and sustainable communities. However, an amount sufficient to meet current obligations to retire or refinance indebtedness or leases for which tax revenues under this section were pledged before January 1, 2015, by the Orange County development commission shall be paid to the Orange County development commission before making a distribution to Radius Indiana or a successor regional entity or partnership. The amount paid to the Orange County development commission reduces the amount payable to Radius Indiana or its successor entity or partnership.

(c) For each city and county receiving money under subsection (a)(2), the treasurer of state shall determine the total amount of money paid by the treasurer of state to the city or county during the state fiscal year 2002. The amount determined is the base year revenue for the city or county. The treasurer of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year, the treasurer of state shall pay that part of the riverboat wagering taxes that:

- (1) exceeds a particular city's or county's base year revenue; and
- (2) would otherwise be due to the city or county under this section;

to the state general fund instead of to the city or county.

(d) Each state fiscal year the treasurer of state shall transfer from the tax revenue remitted to the state general fund under subsection (a)(3) to the build Indiana fund an amount that when added to the following may not exceed two hundred fifty million dollars (\$250,000,000):

- (1) Surplus lottery revenues under IC 4-30-17-3.
- (2) Surplus revenue from the charity gaming enforcement fund under IC 4-32.2-7-7.
- (3) Tax revenue from pari-mutuel wagering under IC 4-31-9-3.

The treasurer of state shall make transfers on a monthly basis as needed to meet the obligations of the build Indiana fund. If in any state fiscal year insufficient money is transferred to the state general fund under subsection (a)(3) to comply with this subsection, the treasurer of state shall reduce the amount transferred to the build Indiana fund to the amount available in the state general fund from the transfers under subsection (a)(3) for the state fiscal year.

(e) Before August 15 of each year, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Except as provided in subsection (h), the county auditor shall distribute the money received by the county under this subsection as follows:

- (1) To each city located in the county according to the ratio the city's population bears to the total population of the county.
- (2) To each town located in the county according to the ratio the town's population bears to the total population of the county.
- (3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

- (1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5).
- (2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and

IC 36-7-30 to provide funding for debt repayment.

(3) To fund sewer and water projects, including storm water management projects.

(4) For police and fire pensions.

(5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(g) Before ~~September~~ **July** 15 of each year, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 **or IC 4-33-12-8** during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 **or IC 4-33-12-8** during the preceding state fiscal year was less than the entity's base year revenue (as determined under ~~IC 4-33-12-6~~; **IC 4-33-12-9**), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the state general fund. Except as provided in subsection (i), the amount of an entity's supplemental distribution is equal to:

(1) the entity's base year revenue (as determined under ~~IC 4-33-12-6~~; **IC 4-33-12-9**); minus

(2) the sum of:

(A) the total amount of money distributed to the entity and constructively received by the entity during the preceding state fiscal year under IC 4-33-12-6 **or IC 4-33-12-8**; plus

(B) the amount of any admissions taxes deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

(1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.

(2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are

made, the remainder shall be paid in equal amounts to the consolidated city and the county.

(i) This subsection applies to a supplemental distribution made after June 30, 2013. The maximum amount of money that may be distributed under subsection (g) in a state fiscal year is forty-eight million dollars (\$48,000,000). If the total amount determined under subsection (g) exceeds forty-eight million dollars (\$48,000,000), the amount distributed to an entity under subsection (g) must be reduced according to the ratio that the amount distributed to the entity under IC 4-33-12-6 or IC 4-33-12-8 bears to the total amount distributed under IC 4-33-12-6 and IC 4-33-12-8 to all entities receiving a supplemental distribution.

(j) This subsection applies to a supplemental distribution, if any, payable to Lake County, Hammond, Gary, or East Chicago under subsections (g) and (i). Beginning in ~~September~~ **July** 2016, the treasurer of state shall, after making any deductions from the supplemental distribution required by IC 6-3.1-20-7, deduct from the remainder of the supplemental distribution otherwise payable to the unit under this section the lesser of:

- (1) the remaining amount of the supplemental distribution; or
- (2) the difference, if any, between:
 - (A) three million five hundred thousand dollars (\$3,500,000); minus
 - (B) the amount of admissions taxes constructively received by the unit in the previous state fiscal year.

The treasurer of state shall distribute the amounts deducted under this subsection to the northwest Indiana redevelopment authority established under IC 36-7.5-2-1 for deposit in the development authority fund established under IC 36-7.5-4-1.

(k) Money distributed to a political subdivision under subsection (b):

- (1) must be paid to the fiscal officer of the political subdivision and may be deposited in the political subdivision's general fund or riverboat fund established under IC 36-1-8-9, or both;
- (2) may not be used to reduce the maximum levy under IC 6-1.1-18.5 of a county, city, or town or the maximum tax rate of a school corporation, but, except as provided in subsection (b)(2)(B), may be used at the discretion of the political

subdivision to reduce the property tax levy of the county, city, or town for a particular year;

(3) except as provided in subsection (b)(2)(B), may be used for any legal or corporate purpose of the political subdivision, including the pledge of money to bonds, leases, or other obligations under IC 5-1-14-4; and

(4) is considered miscellaneous revenue.

Money distributed under subsection (b)(2)(B) must be used for the purposes specified in subsection (b)(2)(B).

SECTION 8. IC 5-13-10.5-18, AS AMENDED BY P.L.213-2015, SECTION 64, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 18. (a) As used in this section, "capital improvement board" refers to a capital improvement board established under IC 36-10-9.

(b) To qualify for an investment under this section, the capital improvement board must apply to the treasurer of state in the form and manner required by the treasurer. As part of the application, the capital improvement board shall submit a plan for its use of the investment proceeds and for the repayment of the capital improvement board's obligation to the treasurer. Within sixty (60) days after receipt of each application, the treasurer shall consider the application and review its accuracy and completeness.

(c) If the capital improvement board makes an application under subsection (b) and the treasurer approves the accuracy and completeness of the application and determines that there is an adequate method of payment for the capital improvement board's obligations, the treasurer of state shall invest or reinvest funds that are

held by the treasurer and that are available for investment in obligations issued by the capital improvement board for the purposes of the capital improvement board in calendar years 2009, 2010, and 2011. The investment may not exceed nine million dollars (\$9,000,000) per calendar year for 2009, 2010, and 2011.

(d) The treasurer of state shall determine the terms of each investment and the capital improvement board's obligation, which must include the following:

- (1) Subject to subsections (f) and (g), the duration of the capital improvement board's obligation, which must be for a term of ten (10) years with an option for the capital improvement board to pay its obligation to the treasurer early without penalty.
- (2) Subject to subsections (f) and (g), the repayment schedule of the capital improvement board's obligation, which must provide that no payments are due before January 1, 2013.
- (3) A rate of interest to be determined by the treasurer.
- (4) The amount of each investment, which may not exceed the maximum amounts established for the capital improvement board by this section.
- (5) Any other conditions specified by the treasurer.

(e) The capital improvement board may issue obligations under this section by adoption of a resolution and, as set forth in IC 5-1-14, may use any source of revenue to satisfy the obligation to the treasurer of state under this section. This section constitutes complete authority for the capital improvement board to issue obligations to the treasurer. If the capital improvement board fails to make any payments on the capital improvement board's obligation to the treasurer, the amount payable shall be withheld by the auditor of state from any other money payable to the capital improvement board. The amount withheld shall be transferred to the treasurer to the credit of the capital improvement board.

(f) Subject to subsection (g), if all principal and interest on the obligations issued by the capital improvement board under this section in calendar year 2009, are paid before July 1, 2015, the term of the obligations issued by the capital improvement board to the treasurer of state in calendar year 2010 is extended until 2025. **The treasurer of state shall discharge any remaining unpaid interest on the obligation issued by the capital improvement board to the**

treasurer of state in 2009, if the capital improvement board submits payment of the principal amount to the treasurer of state before the stated final maturity of that obligation.

(g) This subsection applies if the capital improvement board before July 1, 2015, adopts a resolution:

- (1) to establish a bid fund to be used to assist the capital improvement board, the Indianapolis Convention and Visitors Association (VisitIndy), or the Indiana Sports Corporation in securing conventions, sporting events, and other special events; and
- (2) to designate that principal and interest payments that would otherwise be made on the obligation issued by the capital improvement board under this section in calendar year 2010 shall instead be deposited in the bid fund.

If the requirements of subdivisions (1) and (2) are satisfied and the capital improvement board deposits in the bid fund amounts equal to the principal and interests payments that would otherwise be made under the repayment schedule on the obligations issued by the capital improvement board under this section in calendar year 2010, the capital improvement board is not required to make those principal and interests payments to the treasurer of state at the time required under the repayment schedule. The amounts must be deposited in the bid fund not later than the time the principal and interest payments would otherwise be due to the treasurer of state under the repayment schedule. The state board of accounts shall annually examine the bid fund to determine the amount of deposits made to the bid fund under this subsection and to ensure that the money deposited in the bid fund is used only for purposes authorized by this subsection. To the extent that the capital improvement board does not deposit in the bid fund an amount equal to a payment of principal and interest that would otherwise be due under the repayment schedule on the obligations issued by the capital improvement board under this section in calendar year 2010, the capital improvement board must make that payment of principal and interest to the treasurer of state as provided in this section. If the capital improvement board deposits in the bid fund amounts equal to the payments of principal and interest that would otherwise be due under the repayment schedule on the obligations issued by the capital improvement board under this section in calendar

year 2010, the capital improvement board is only required to repay to the treasurer of state the principal amount of the obligation.

 - (B) A wastewater treatment facility or water treatment facility. After a municipality annexes territory under this clause, the municipality may annex additional territory to enlarge the territory for the use of the wastewater treatment facility or water treatment facility only if the county legislative body approves that use of the additional territory by ordinance.
- (3) Territory that is not contiguous to the municipality but is found by the legislative body to be occupied by:
 - (A) a municipally owned or regulated sanitary landfill, golf course, or hospital; or
 - (B) a police station of the municipality.

However, if territory annexed under subdivision (2) or (3) ceases to be used for the purpose for which the territory was annexed for at least one (1) year, the territory reverts to the jurisdiction of the unit having jurisdiction before the annexation if the unit that had jurisdiction over the territory still exists. If the unit no longer exists, the territory reverts to the jurisdiction of the unit that would currently have jurisdiction over the territory if the annexation had not occurred. The clerk of the municipality shall notify the offices required to receive notice of a disannexation under section 19 of this chapter when the territory reverts to the jurisdiction of the unit having jurisdiction before the annexation. Territory that is annexed under subdivision (2) (including territory that is enlarged under subdivision (2)(B) for the use of the wastewater treatment facility or water treatment facility) or subdivision (3) may not be considered a part of the municipality for purposes of

annexing additional territory.

(b) This subsection applies to municipalities in a county having a ~~population~~ **any of the following populations:**

(1) More than seventy thousand fifty (70,050) but less than seventy-one thousand (71,000).

(2) More than seventy-five thousand (75,000) but less than seventy-seven thousand (77,000).

(3) More than seventy-one thousand (71,000) but less than seventy-five thousand (75,000).

(4) More than forty-seven thousand (47,000) but less than forty-seven thousand five hundred (47,500).

(5) More than thirty-eight thousand five hundred (38,500) but less than thirty-nine thousand (39,000).

(6) More than thirty-seven thousand (37,000) but less than thirty-seven thousand one hundred twenty-five (37,125).

(7) More than thirty-three thousand three hundred (33,300) but less than thirty-three thousand five hundred (33,500).

(8) More than twenty-three thousand three hundred (23,300) but less than twenty-four thousand (24,000).

(9) More than one hundred eighty-five thousand (185,000) but less than two hundred fifty thousand (250,000).

(11) More than thirty-two thousand five hundred (32,500) but less than thirty-three thousand (33,000).

(12) More than seventy-seven thousand (77,000) but less than eighty thousand (80,000).

Except as provided in subsection (c), the legislative body of a municipality to which this subsection applies may, by ordinance, annex territory that is not contiguous to the municipality, has its entire area not more than two (2) miles from the municipality's boundary, is to be used for an industrial park containing one (1) or more businesses, and is either owned by the municipality or by a property owner who consents to the annexation. However, if territory annexed under this subsection is not used as an industrial park within five (5) years after the date of passage of the annexation ordinance, or if the territory ceases to be used as an industrial park for at least one (1) year, the territory reverts to the jurisdiction of the unit having jurisdiction before

the annexation if the unit that had jurisdiction over the territory still exists. If the unit no longer exists, the territory reverts to the jurisdiction of the unit that would currently have jurisdiction over the territory if the annexation had not occurred. The clerk of the municipality shall notify the offices entitled to receive notice of a disannexation under section 19 of this chapter when the territory reverts to the jurisdiction of the unit having jurisdiction before the annexation.

(c) A city in a county with a population of more than two hundred fifty thousand (250,000) but less than two hundred seventy thousand (270,000) may not annex territory as prescribed in subsection (b) until the territory is zoned by the county for industrial purposes.

(d) Notwithstanding any other law, territory that is annexed under subsection (b) or (h) is not considered a part of the municipality for the purposes of:

(1) annexing additional territory:

(A) in a county that is not described by clause (B); or

(B) in a county having a population of more than two hundred fifty thousand (250,000) but less than two hundred seventy thousand (270,000), unless the boundaries of the noncontiguous territory become contiguous to the city, as allowed by Indiana law;

(2) expanding the municipality's extraterritorial jurisdictional area; or

(3) changing an assigned service area under IC 8-1-2.3-6(1).

(e) As used in this section, "airport" and "landing field" have the meanings prescribed by IC 8-22-1.

(h) This subsection applies to a city having a population of more than twenty-nine thousand nine hundred (29,900) but less than thirty-one thousand (31,000). The city legislative body may, by ordinance, annex territory that:

(1) is not contiguous to the city;

(2) has its entire area not more than eight (8) miles from the city's

boundary;

(3) does not extend more than:

- (A) one and one-half (1 1/2) miles to the west;
- (B) three-fourths (3/4) mile to the east;
- (C) one-half (1/2) mile to the north; or
- (D) one-half (1/2) mile to the south;

of an interchange of an interstate highway (as designated by the federal highway authorities) and a state highway (as designated by the state highway authorities); and

(4) is owned by the city or by a property owner that consents to the annexation.

SECTION 4. IC 36-4-3-11, AS AMENDED BY P.L.228-2015, SECTION 12, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 11. (a) This subsection applies only to an annexation for which an annexation ordinance was adopted before July 1, 2015. Except as provided in section 5.1(i) of this chapter and subsections (e) and (f), whenever territory is annexed by a municipality under this chapter, the annexation may be appealed by filing with the circuit or superior court of a county in which the annexed territory is located a written remonstrance signed by:

- (1) at least sixty-five percent (65%) of the owners of land in the annexed territory; or
- (2) the owners of more than seventy-five percent (75%) in assessed valuation of the land in the annexed territory.

The remonstrance must be filed within ninety (90) days after the publication of the annexation ordinance under section 7 of this chapter, must be accompanied by a copy of that ordinance, and must state the reason why the annexation should not take place.

(b) This subsection applies only to an annexation for which an annexation ordinance was adopted before July 1, 2015. On receipt of the remonstrance, the court shall determine whether the remonstrance has the necessary signatures. In determining the total number of landowners of the annexed territory and whether signers of the remonstrance are landowners, the names appearing on the tax duplicate for that territory constitute prima facie evidence of ownership. Only one (1) person having an interest in each single property, as evidenced by the tax duplicate, is considered a landowner for purposes of this section.

(c) This subsection applies only to an annexation for which an annexation ordinance was adopted before July 1, 2015. If the court determines that the remonstrance is sufficient, the court shall fix a time, within sixty (60) days after the court's determination, for a hearing on the remonstrance. Notice of the proceedings, in the form of a summons, shall be served on the annexing municipality. The municipality is the defendant in the cause and shall appear and answer.

(d) This subsection applies only to an annexation for which an annexation ordinance was adopted after June 30, 2015. If the requirements of section 11.3(c) or (after December 31, 2016) section 11.4 of this chapter are met, the annexation may be appealed by filing with the circuit or superior court of a county in which the annexed territory is located:

- (1) the signed remonstrances filed with the county auditor;
- (2) the county auditor's certification under section ~~11.2(g)~~ **11.2(i)** of this chapter;
- (3) the annexation ordinance; and
- (4) a statement of the reason why the annexation should not take place.

The remonstrance must be filed with the court not later than fifteen (15) business days after the date the county auditor files the certificate with the legislative body under section ~~11.2(g)~~ **11.2(i)** of this chapter. After a remonstrance petition is filed with the court, any person who signed a remonstrance may file with the court a verified, written revocation of the person's opposition to the annexation.

(e) If an annexation is initiated by property owners under section 5.1 of this chapter and all property owners within the area to be annexed petition the municipality to be annexed, a remonstrance to the annexation may not be filed under this section.

(f) This subsection applies only to an annexation for which an annexation ordinance is adopted before July 1, 2015. This subsection applies if:

- (1) the territory to be annexed consists of not more than one hundred (100) parcels; and
- (2) eighty percent (80%) of the boundary of the territory proposed to be annexed is contiguous to the municipality.

An annexation may be appealed by filing with the circuit or superior court of a county in which the annexed territory is located a written

remonstrance signed by at least seventy-five percent (75%) of the owners of land in the annexed territory as determined under subsection (b).

SECTION 5. IC 36-4-3-11.2, AS ADDED BY P.L.228-2015, SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 11.2. (a) This section applies only to an annexation ordinance adopted after June 30, 2015.

(b) A remonstrance petition may be filed by an owner of real property that:

- (2) was not exempt from property taxes under IC 6-1.1-10 or any other state law for the immediately preceding year; ~~and~~
- (3) is not subject to a valid waiver of remonstrance.**

(c) A remonstrance petition must comply with the following in order to be effective:

- (1) Each signature on a remonstrance petition must be dated, and the date of the signature may not be earlier than the date on which the remonstrance forms may be issued by the county auditor under subsection (e)(7).
- (2) Each person who signs a remonstrance petition must indicate the address of the real property owned by the person in the area to be annexed.
- (3) A remonstrance petition must be verified in compliance with subsection (e).

(d) The state board of accounts shall design the remonstrance forms to be used solely in the remonstrance process described in this section. The state board of accounts shall provide the forms to the county auditor in an electronic format that permits the county auditor to copy or reproduce the forms using:

- (1) the county auditor's own equipment; or
- (2) a commercial copying service.

The annexing municipality shall reimburse the county auditor for the cost of reproducing the remonstrance forms.

(e) The county auditor's office shall issue remonstrance forms accompanied by instructions detailing all of the following requirements:

(A) compensated for; or

(B) reimbursed for expenses incurred in;

circulating a remonstrance petition and obtaining signatures.

(4) The remonstrance petition may be executed in several counterparts, the total of which constitutes the remonstrance petition. An affidavit of the person circulating a counterpart must be attached to the counterpart. The affidavit must state that each signature appearing on the counterpart was affixed in the person's presence and is the true and lawful signature of the signer. The affidavit must be notarized.

(5) A remonstrance petition that is not executed in counterparts must be verified by the person signing the petition in the manner prescribed by the state board of accounts and notarized.

(6) A remonstrance petition may be delivered to the county auditor's office in person or by:

(A) certified mail, return receipt requested; or

(B) any other means of delivery that includes a return receipt.

The remonstrance petition must be postmarked not later than the closing date for the remonstrance period.

(7) The county auditor's office may not issue a remonstrance petition earlier than the day that notice is published under section 11.1 of this chapter. The county auditor's office shall certify the date of issuance on each remonstrance petition. Any person may pick up additional copies of the remonstrance petition to distribute to other persons.

(8) A person who signs a remonstrance petition may withdraw the person's signature from a remonstrance petition before a remonstrance petition is filed with the county auditor by filing a verified request to remove the person's name from the remonstrance petition. Names may not be added to a remonstrance petition after the remonstrance petition is filed with the county auditor.

(f) The county auditor shall prepare and update weekly a list of the persons who have signed a remonstrance petition. The list must include a statement that the list includes all persons who have signed a remonstrance petition as of a particular date, and does not represent a list of persons certified by the county auditor as actual landowners in the annexation territory using the auditor's current tax records under subsection ~~(g)~~: (i). The county auditor shall post the list in the office of the county auditor. The list is a public record under IC 5-14-3.

(g) Not later than five (5) business days after receiving the remonstrance petition, the county auditor shall submit a copy of the remonstrance petition to the legislative body of the annexing municipality.

(h) Not later than fifteen (15) business days after the legislative body of the annexing municipality receives a copy of the remonstrance petition from the county auditor, the annexing municipality shall provide documentation to the county auditor regarding any valid waiver of the right of remonstrance that exists on the property within the annexation territory.

~~(g)~~ **(i) Not later than fifteen (15) business days after receiving a remonstrance petition, the documentation regarding any valid waiver of the right of remonstrance from the annexing municipality under subsection (h), if any, the county auditor's office shall make a final determination of the number of owners of real property within the territory to be annexed:**

(1) who signed the remonstrance; and

(2) whose property is not subject to a valid waiver of the right of remonstrance;

using the auditor's current tax records as provided in section 2.2 of this chapter. The county auditor shall file a certificate with the legislative body of the annexing municipality certifying the number of property owners not later than five (5) business days after making the determination.

SECTION 6. IC 36-4-3-13, AS AMENDED BY P.L.228-2015, SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 13.  - (A) contiguous to the municipality as required by section 1.5 of this chapter, except that at least one-fourth (1/4), instead of one-eighth (1/8), of the aggregate external boundaries of the territory sought to be annexed must coincide with the boundaries of the municipality; and
 - (B) needed and can be used by the municipality for its development in the reasonably near future.
 - (2) This subdivision applies only to an annexation for which an annexation ordinance is adopted after December 31, 2016. That the territory sought to be annexed involves an economic development project and the requirements of section 11.4 of this chapter are met.
- (d) The requirements of this subsection are met if the evidence establishes that the municipality has developed and adopted a written fiscal plan and has established a definite policy, by resolution of the legislative body as set forth in section 3.1 of this chapter. The fiscal plan must show the following:
- (1) The cost estimates of planned services to be furnished to the territory to be annexed. The plan must present itemized estimated costs for each municipal department or agency.
 - (2) The method or methods of financing the planned services. The plan must explain how specific and detailed expenses will be

funded and must indicate the taxes, grants, and other funding to be used.

(4) That planned services of a noncapital nature, including police protection, fire protection, street and road maintenance, and other noncapital services normally provided within the corporate boundaries, will be provided to the annexed territory within one (1) year after the effective date of annexation and that they will be provided in a manner equivalent in standard and scope to those noncapital services provided to areas within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

(5) That services of a capital improvement nature, including street construction, street lighting, sewer facilities, water facilities, and stormwater drainage facilities, will be provided to the annexed territory within three (3) years after the effective date of the annexation in the same manner as those services are provided to areas within the corporate boundaries, regardless of similar topography, patterns of land use, and population density, and in a manner consistent with federal, state, and local laws, procedures, and planning criteria.

(6) This subdivision applies to a fiscal plan prepared after June 30, 2015. The estimated effect of the proposed annexation on taxpayers in each of the political subdivisions to which the proposed annexation applies, including the expected tax rates, tax levies, expenditure levels, service levels, and annual debt service payments in those political subdivisions for four (4) years after the effective date of the annexation.

(7) This subdivision applies to a fiscal plan prepared after June 30, 2015. The estimated effect the proposed annexation will have on municipal finances, specifically how municipal tax revenues will be affected by the annexation for four (4) years after the effective date of the annexation.

(8) This subdivision applies to a fiscal plan prepared after June 30, 2015. Any estimated effects on political subdivisions in the county that are not part of the annexation and on taxpayers

(e) At the hearing under section 12 of this chapter, the court shall do the following:

(1) Consider evidence on the conditions listed in subdivision (2).

(2) Order a proposed annexation not to take place if the court finds that all of the following conditions that are applicable to the annexation exist in the territory proposed to be annexed:

(A) This clause applies only to an annexation for which an annexation ordinance was adopted before July 1, 2015. The following services are adequately furnished by a provider other than the municipality seeking the annexation:

(i) Police and fire protection.

(ii) Street and road maintenance.

(B) The annexation will have a significant financial impact on the residents or owners of land. The court may not consider:

(i) the personal finances; or

(ii) the business finances;

of a resident or owner of land. The personal and business financial records of the residents or owners of land, including state, federal, and local income tax returns, may not be subject to a subpoena or discovery proceedings.

(C) The annexation is not in the best interests of the owners of land in the territory proposed to be annexed as set forth in subsection (f).

(D) This clause applies only to an annexation for which an annexation ordinance is adopted before July 1, 2015. One (1) of the following opposes the annexation:

(i) At least sixty-five percent (65%) of the owners of land in

the territory proposed to be annexed.

(F) This clause applies only to an annexation for which an annexation ordinance is adopted before July 1, 2015. This clause applies only to an annexation in which eighty percent (80%) of the boundary of the territory proposed to be annexed is contiguous to the municipality and the territory consists of not more than one hundred (100) parcels. At least seventy-five percent (75%) of the owners of land in the territory proposed to be annexed oppose the annexation as determined under section 11(b) of this chapter.

(f) The municipality under subsection (e)(2)(C) bears the burden of proving that the annexation is in the best interests of the owners of land in the territory proposed to be annexed. In determining this issue, the court may consider whether the municipality has extended sewer or water services to the entire territory to be annexed:

(1) within the three (3) years preceding the date of the introduction of the annexation ordinance; or

(2) under a contract in lieu of annexation entered into under IC 36-4-3-21.

- (1) federal decennial census;
 - (2) federal special census;
 - (3) special tabulation; or

(h) A municipality that prepares a fiscal plan after June 30, 2015, must comply with this subsection. A municipality may not amend the fiscal plan after the date that a remonstrance is filed with the court under section 11 of this chapter, unless amendment of the fiscal plan is consented to by at least sixty-five percent (65%) of the persons who signed the remonstrance petition.

(i) The municipality must submit proof that the municipality has complied with:

- (A) the outreach program requirements and notice requirements of section 1.7 of this chapter; and
- (B) the requirements of section 11.1 of this chapter.

SECTION 7. An emergency is declared for this act.

AN ACT to amend the Indiana Code concerning taxation.

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 6-1.1-1-4.5 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: **Sec. 4.5. "County property tax assessment board of appeals" means:**

(2) a county property tax assessment board of appeals established under IC 6-1.1-28-1;

except as otherwise provided.

SECTION 2. IC 6-1.1-6.7-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 5. (a) A person who wishes to have a parcel of land classified as a filter strip must have the land assessed by the county assessor of the county in which the land is located.

(b) If the assessment made by the county assessor is not satisfactory to the owner, the owner may appeal the assessment to the county property tax assessment board of appeals ~~of~~ **with jurisdiction in** the county in which the land proposed for classification is located. The decision of the board is final.

SECTION 3. IC 6-1.1-15-4, AS AMENDED BY P.L.33-2015, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2017]: Sec. 4. (a) After receiving a petition for review which is filed under section 3 of this chapter, the Indiana board shall conduct a hearing at its earliest opportunity. The Indiana board may correct any errors that may have been made and adjust the assessment or exemption in accordance with the correction.

(b) If the Indiana board conducts a site inspection of the property as part of its review of the petition, the Indiana board shall give notice to all parties of the date and time of the site inspection. The Indiana board is not required to assess the property in question. The Indiana board shall give notice of the date fixed for the hearing, by mail, to the taxpayer and to the county assessor. The Indiana board shall give these notices at least thirty (30) days before the day fixed for the hearing unless the parties agree to a shorter period. With respect to a petition for review filed by a county assessor, the county board that made the determination under review under this section may file an amicus curiae brief in the review proceeding under this section. The expenses incurred by the county board in filing the amicus curiae brief shall be paid from the property reassessment fund under IC 6-1.1-4-27.5 **of the county in which the property is located.** The executive of a taxing unit may file an amicus curiae brief in the review proceeding under this section if the property whose assessment or exemption is under appeal

is subject to assessment by that taxing unit.

(c) If a petition for review does not comply with the Indiana board's instructions for completing the form prescribed under section 3 of this chapter, the Indiana board shall return the petition to the petitioner and include a notice describing the defect in the petition. The petitioner then has thirty (30) days from the date on the notice to cure the defect and file a corrected petition. The Indiana board shall deny a corrected petition for review if it does not substantially comply with the Indiana board's instructions for completing the form prescribed under section 3 of this chapter.

(d) After the hearing, the Indiana board shall give the taxpayer, the county assessor, and any entity that filed an amicus curiae brief:

- (1) notice, by mail, of its final determination; and
- (2) for parties entitled to appeal the final determination, notice of the procedures they must follow in order to obtain court review under section 5 of this chapter.

(e) Except as provided in subsection (f), the Indiana board shall conduct a hearing not later than nine (9) months after a petition in proper form is filed with the Indiana board, excluding any time due to a delay reasonably caused by the petitioner.

(f) With respect to an appeal of a real property assessment that takes effect on the assessment date on which a reassessment of real property takes effect under IC 6-1.1-4-4 or IC 6-1.1-4-4.2, the Indiana board shall conduct a hearing not later than one (1) year after a petition in proper form is filed with the Indiana board, excluding any time due to a delay reasonably caused by the petitioner.

(g) Except as provided in subsection (h), the Indiana board shall make a determination not later than the later of:

- (1) ninety (90) days after the hearing; or
- (2) the date set in an extension order issued by the Indiana board.

(h) With respect to an appeal of a real property assessment that takes effect on the assessment date on which a reassessment of real property takes effect under IC 6-1.1-4-4 or IC 6-1.1-4-4.2, the Indiana board shall make a determination not later than the later of:

- (1) one hundred eighty (180) days after the hearing; or
- (2) the date set in an extension order issued by the Indiana board.

(i) The Indiana board may not extend the final determination date under subsection (g) or (h) by more than one hundred eighty (180)

days. If the Indiana board fails to make a final determination within the time allowed by this section, the entity that initiated the petition may:

- (1) take no action and wait for the Indiana board to make a final determination; or
- (2) petition for judicial review under section 5 of this chapter.

(j) A final determination must include separately stated findings of fact for all aspects of the determination. Findings of ultimate fact must be accompanied by a concise statement of the underlying basic facts of record to support the findings. Findings must be based exclusively upon the evidence on the record in the proceeding and on matters officially noticed in the proceeding. Findings must be based upon a preponderance of the evidence.

(k) The Indiana board may limit the scope of the appeal to the issues raised in the petition and the evaluation of the evidence presented to the county board in support of those issues only if all parties participating in the hearing required under subsection (a) agree to the limitation. A party participating in the hearing required under subsection (a) is entitled to introduce evidence that is otherwise proper and admissible without regard to whether that evidence has previously been introduced at a hearing before the county board.

(l) The Indiana board may require the parties to the appeal:

- (1) to file not more than five (5) business days before the date of the hearing required under subsection (a) documentary evidence or summaries of statements of testimonial evidence; and
- (2) to file not more than fifteen (15) business days before the date of the hearing required under subsection (a) lists of witnesses and exhibits to be introduced at the hearing.

(m) A party to a proceeding before the Indiana board shall provide to all other parties to the proceeding the information described in subsection (l) if the other party requests the information in writing at least ten (10) days before the deadline for filing of the information under subsection (l).

(n) The Indiana board may base its final determination on a stipulation between the respondent and the petitioner. If the final determination is based on a stipulated assessed valuation of tangible property, the Indiana board may order the placement of a notation on the permanent assessment record of the tangible property that the assessed valuation was determined by stipulation. The Indiana board

may:

- (1) order that a final determination under this subsection has no precedential value; or
- (2) specify a limited precedential value of a final determination under this subsection.

(o) If a party to a proceeding, or a party's authorized representative, elects to receive any notice under this section by electronic mail, the notice is considered effective in the same manner as if the notice had been sent by United States mail, with postage prepaid, to the party's or representative's mailing address of record.

P.L.210-2016

[S.173. Approved March 24, 2016.]

AN ACT to amend the Indiana Code concerning taxation.

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 6-3-2-3.2, AS ADDED BY P.L.233-2013, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2014 (RETROACTIVE)]: Sec. 3.2. (a) The following definitions apply to this section:

(1) "Bonus for services rendered as a race team member" includes:

(A) a bonus earned as a result of participation in a racing event, such as a performance bonus or any other bonus; and

(B) a bonus paid for signing a contract, unless all of the following conditions are met:

(i) The payment of the signing bonus is not conditional upon the signee participating in a racing event for the team or performing any subsequent services for the team.

(ii) The signing bonus is payable separately from the salary and any other compensation.

(iii) The signing bonus is nonrefundable.

(2) "Indiana duty days" means the number of total duty days spent by a race team member within Indiana rendering a service for the race team in any manner during the taxable year, except travel days spent in Indiana that do not involve either a race, practice, qualification, training, testing, team meeting, promotional caravan, or other similar race team event.

(3) "Race team" includes a professional motorsports racing team that has services rendered by a race team member in Indiana or participated in a racing event at a qualified motorsports facility (as defined in IC 5-1-17.5-14).

(4) "Race team member" includes employees or independent

contractors who render services on behalf of the race team. The term includes but is not limited to drivers, pit crew members, mechanics, technicians, spotters, and crew chiefs.

(5) "Total duty days" means all days during the taxable year that a race team member renders a service for the race team. The term includes:

(A) race days, practice days, qualification days, training days, testing days, days spent at team meetings, days spent with a promotional caravan, and days served with the team in which the team competes or is scheduled to compete;

(B) days spent conducting training and rehabilitation activities, but only if the service is conducted at the facilities of the race team; and

(C) travel days that do not involve either a race, practice, qualification, training, testing, team meeting, promotional caravan, or other similar team event.

Total duty days for an individual who joins a race team during the season begin on the day the individual joins the team, and, for an individual who leaves a team, end on the day the individual leaves the team. When an individual changes teams during a taxable year, a separate duty day calculation must be made for the period the individual was with each team. Total duty days do not include those days for which a team member is not compensated and is not rendering a service for the team in any manner, including days when the team member has been suspended without pay and prohibited from performing any services for the team.

(6) "Total income" means the total compensation received during the taxable year for services rendered. The term includes salaries, wages, bonuses, and any other type of compensation paid during the taxable year to a race team member for services rendered in that year. The term does not include strike benefits, severance pay, termination pay, contract or option year buy-out payments, expansion or relocation payments, or any other payments not related to services rendered to the race team.

(b) For purposes of IC 6-3, Indiana income is the individual's total income during the taxable year multiplied by the following fraction:

(1) The numerator of the fraction is the individual's Indiana duty days for the taxable year.

(2) The denominator of the fraction is the individual's total duty days for the taxable year.

(c) It is presumed that this section results in a fair and equitable apportionment of the race team member's compensation. However, if the department demonstrates that the method provided under this section does not fairly and equitably apportion a team member's compensation, the department may require the team member to apportion the team member's compensation under another method that the department prescribes. The prescribed method must result in a fair and equitable apportionment. A team member may submit a proposal for an alternative method to apportion the team member's compensation if the team member demonstrates that the method provided under this section does not fairly and equitably apportion the team member's compensation. If approved by the department, the proposed method must be fully explained in the team member's nonresident personal income tax return.

(d) The department ~~may~~ **shall** adopt rules, guidelines, or other instructions **applicable for taxable years beginning after December 31, 2013**, to establish alternative methods:

(1) of simplifying return filing for **race** team members, if the team is not based in Indiana; **and**

(2) for a race team not based in Indiana to file a composite return on behalf of and covering more than one (1) race team member if the same amount of tax is remitted as if individual filings had occurred. Filing a composite return under this subdivision exempts:

(A) a race team member covered by the return from having an individual income tax return filing requirement with respect to the income reported on the composite return; and

(B) a race team that is not based in Indiana from a filing requirement only with respect to team members included on the composite return.

(e) Notwithstanding any other provision under IC 6-3-4, the department may adopt rules, guidelines, or other instructions related to withholding requirements under this chapter.

(f) This section, as enacted in 2013, is intended to be a clarification of the law and not a substantive change in the law.

SECTION 2. [EFFECTIVE JANUARY 1, 2014 (RETROACTIVE)]
(a) Rules, guidelines, or other instructions adopted by the department of state revenue under IC 6-3-2-3.2(d), as amended by this act, apply to taxable years beginning after December 31, 2013.
(b) This SECTION expires July 1, 2019.
SECTION 3. **An emergency is declared for this act.**
