*Whereas, Naturopathic physicians can perform minor surgeries;*

*Whereas, Naturopathic physicians are trained to utilize prescription drugs, although the emphasis of naturopathic medicine is the use of natural healing agents; and*

(b) An application for an absentee ballot received by the election division by the time and date specified by subsection (a)(2)(B), (a)(3), or (a)(4) is considered to have been timely received for purposes of processing by the county. The election division shall immediately transmit the application to the circuit court clerk, or the director of the board of elections and registration, of the county where the applicant resides. The election division is not required to complete or file the affidavit required under section 2(h) of this chapter whenever the election division transmits an application under this subsection.

(c) This subsection applies ~~whenever a special election is~~

~~conducted during a year in which a general or municipal election is not scheduled.~~ **to the primary election held before the general election conducted in 2018 and every four (4) years thereafter.** An application for an absentee ballot for ~~a the primary being conducted in the following year election~~ may not be received by the circuit court clerk (or, in a county subject to IC 3-6-5.2, the director of the board of elections and registration) earlier than ~~the date the registration period resumes under IC 3-7-13-10.~~ **December 1 of the year before the primary election.**

SECTION 28. IC 3-11-4-6, AS AMENDED BY P.L.128-2015, SECTION 158, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2017]: Sec. 6. (a) This section applies, notwithstanding any other provision of this title, to absentee ballot applications for the following:

- (2) An address confidentiality program participant (as defined in IC 5-26.5-1-6).
- (3) An overseas voter.

(b) A county election board shall make blank absentee ballot applications available for persons covered by this section. **Except as provided in section 3(c) of this chapter,** a person may apply for an absentee ballot at any time after the registration period resumes under IC 3-7-13-10.

(c) A person covered by this section may apply for an absentee ballot for the next scheduled primary, general, or special election ~~at any time~~ by filing either of the following:

- (1) A combined absentee registration form and absentee ballot request approved under 52 U.S.C. 20301(b)(2).
- (2) A form prescribed under IC 3-5-4-8 that identifies the applicant as an absent uniformed services voter or an overseas voter. A form prescribed under this subdivision must permit the applicant to designate whether the applicant wishes to receive the absentee ballot by electronic mail, fax, or United States mail.

(d) If the county election board receives an absentee ballot application from a person described by subsection (c), the circuit court clerk shall mail to the person, free of postage as provided by 39 U.S.C. 3406, all ballots for the election immediately upon receipt of the ballots under section 15 of this chapter, unless the person has indicated under subsection (c) that the person wishes to receive the absentee ballot by electronic mail or fax.

The circuit court clerk and county election board shall process this application and send general election absentee ballots to the voter in the same manner as other general election and special election absentee ballot applications and ballots are processed and sent under this chapter. If a voter entitled to receive an absentee ballot under this subsection subsequently files a voter registration application for an address that is not located in the same county, the voter must file a new absentee ballot application under this section with the appropriate county election board.

(f) Whenever a voter described in subsection (a)(2) files an application for a primary election absentee ballot and indicates on the application that the voter is an address confidentiality program participant, the application is an adequate application for a general election absentee ballot under this chapter and an absentee ballot for a special election conducted during the period that ends on December 31 following the date the application is filed. The circuit court clerk and county election board shall process this application and send general election and special election absentee ballots to the voter in the same manner as other general election and special election absentee ballot applications and ballots are processed and sent under this chapter.

(g) The name, address, telephone number, and any other identifying information relating to a program participant (as defined in IC 5-26.5-1-6) in the address confidentiality program, as contained in a voting registration record, is declared confidential for purposes of IC 5-14-3-4(a)(1). If the voter wants to submit absentee ballots by fax or electronic mail, the voter must separately sign and date a statement submitted with the electronic mail or the fax transmission that states substantively the following: "I understand that by faxing or e-mailing my voted ballot I am voluntarily waiving my right to a secret ballot."

(i) The county election board shall send confirmation to a voter described in subsection (h) that the voter's absentee ballot has been received as follows:

- (1) If the voter provides a fax number to which a confirmation may be sent, the county election board shall send the confirmation to the voter at the fax number provided by the voter.
- (2) If the voter provides an electronic mail address to which a confirmation may be sent, the county election board shall send the confirmation to the voter at the electronic mail address provided by the voter.

(3) If:

- (A) the voter does not provide a fax number or an electronic mail address; or

A voter described by this section may transmit the voted absentee ballot to a county election board by electronic mail. If a voter described in this section transmits the voted absentee ballot through the United States Department of Defense program, the ballot must be transmitted in accordance with the procedures established under that program.
