--------------------------------	------------------	------------------

The sums herein appropriated to Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, Ivy Tech State College, and the Indiana Higher Education Telecommunications System (IHETS) are in addition to all income of said institutions and IHETS, respectively, from all permanent fees and endowments and from all land grants, fees, earnings, and receipts, including gifts, grants, bequests, and devises, and receipts from any miscellaneous sales from whatever source derived.

All such income and all such fees, earnings, and receipts on hand June 30, 2003, and all such income and fees, earnings, and receipts accruing thereafter are hereby appropriated to the boards of trustees or directors of the aforementioned institutions and IHETS and may be expended for any necessary expenses of the respective institutions and IHETS, including university hospitals, schools of medicine, nurses' training schools, schools of dentistry, and agricultural extension and experimental stations. However, such income, fees, earnings, and receipts may be used for land and structures only if approved by the governor and the budget agency.

The foregoing appropriations and allocations for fee replacement are for replacement of student fees deducted during the 2003-2005 biennium to cover bond or lease-purchase principal, interest, and other obligations of debt costs of facility construction and acquisition for those projects authorized by the general assembly. These fee replacement appropriations and allocations shall be allotted by the budget agency after receipt of verification of payment of such debt cost expense.

The foregoing appropriations to Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, Ivy Tech State College, and IHETS include the employers' share of Social Security payments for university and IHETS employees under the public employees' retirement fund, or institutions covered by the Indiana state teachers' retirement fund. The funds appropriated also include funding for the employers' share of payments to the public employees' retirement fund and to the Indiana state teachers' retirement fund at a rate to be established by the retirement funds for both fiscal years for each institution and for IHETS employees covered by these retirement plans.

The treasurers of Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, and Ivy Tech State College shall, at the end of each three (3) month period, prepare and file with the auditor of state a financial statement that shall show in total all revenues received from any source, together with a consolidated statement of disbursements for the same period. The budget director shall establish the requirements for the form and substance of the reports.

The reports of the treasurer also shall contain in such form and in such detail as the governor and the budget agency may specify, complete information concerning receipts from all sources, together with any contracts, agreements, or arrangements with any federal agency, private foundation, corporation, or other

entity from which such receipts accrue.

All such treasurers' reports are matters of public record and shall include without limitation a record of the purposes of any and all gifts and trusts with the sole exception of the names of those donors who request to remain anonymous.

Notwithstanding IC 4-10-11, the auditor of state shall draw warrants to the treasurers of Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, and Ivy Tech State College on the basis of vouchers stating the total amount claimed against each fund and/or account, but not to exceed the legally made appropriations.

Notwithstanding IC 4-12-1-14, for universities and colleges supported in whole or in part by state funds, grant applications and lists of applications need only be submitted upon request to the budget agency for review and approval or disapproval and, unless disapproved by the budget agency, federal grant funds may be requested and spent without approval by the budget agency. Each institution shall retain the applications for a reasonable period of time and submit a list of all grant applications, at least monthly, to the commission for higher education for informational purposes.

For all university special appropriations, an itemized list of intended expenditures, in such form as the governor and the budget agency may specify, shall be submitted to support the allotment request. All budget requests for university special appropriations shall be furnished in a like manner and as a part of the operating budgets of the state universities.

SECTION 13. [EFFECTIVE JULY 1, 2003]

Utility bills for the month of June, travel claims covering the period June 16 to June 30, payroll for the period of the last half of June, any interdepartmental bills for supplies or services for the month of June, and any other miscellaneous expenses incurred during the period June 16 to June 30 shall be charged to the appropriation for the succeeding year. No interdepartmental bill shall be recorded as a refund of expenditure to any current year allotment account for supplies or services rendered or delivered at any time during the preceding June period.

SECTION 14. [EFFECTIVE JULY 1, 2003]

The budget agency, under IC 4-10-11, IC 4-12-1-13, and IC 4-13-1, in cooperation with the Indiana department of administration, may fix the amount of reimbursement for traveling expenses (other than transportation) for travel within the limits of Indiana. This amount may not exceed actual lodging and miscellaneous expenses incurred. A person in travel status, as defined by the state travel policies and procedures established by the Indiana department of administration and the budget agency, is entitled to a meal allowance not to exceed during any twenty-four (24) hour period the standard meal allowances

established by the federal Internal Revenue Service.

All appropriations provided by this act or any other statute, for traveling and hotel expenses for any department, officer, agent, employee, person, trustee, or commissioner, are to be used only for travel within the state of Indiana, unless those expenses are incurred in traveling outside the state of Indiana on trips that previously have received approval as required by the state travel policies and procedures established by the Indiana department of administration and the budget agency. With the required approval, a reimbursement for out-of-state travel expenses may be granted in an amount not to exceed actual lodging and miscellaneous expenses incurred. A person in travel status is entitled to a meal allowance not to exceed during any twenty-four (24) hour period the standard meal allowances established by the federal Internal Revenue Service for properly approved travel within the continental United States and a minimum of \$50 during any twenty-four (24) hour period for properly approved travel outside the continental United States. However, while traveling in Japan, the minimum meal allowance shall not be less than \$90 for any twenty-four (24) hour period. While traveling in Korea and Taiwan, the minimum meal allowance shall not be less than \$85 for any twenty-four (24) hour period; while traveling in Singapore, China, Great Britain, Germany, the Netherlands, and France, the minimum meal allowance shall not be less than \$65 for any twenty-four (24) hour period.

In the case of the state supported institutions of postsecondary education, approval for out-of-state travel may be given by the chief executive officer of the institution, or the chief executive officer's authorized designee, for the chief executive officer's respective personnel.

Before reimbursing overnight travel expenses, the auditor of state shall require documentation as prescribed in the state travel policies and procedures established by the Indiana department of administration and the budget agency. No appropriation from any

fund may be construed as authorizing the payment of any sum in excess of the standard mileage rates for personally owned transportation equipment established by the federal Internal Revenue Service when used in the discharge of state business. The Indiana department of administration and the budget agency may adopt policies and procedures relative to the reimbursement of travel and moving expenses of new state employees and the reimbursement of travel expenses of prospective employees who are invited to interview with the state.

SECTION 15. [EFFECTIVE JULY 1, 2003]

Notwithstanding IC 4-10-11-2.1, the salary per diem of members of boards, commissions, and councils who are entitled to a salary per diem is \$50 per day. However, if a department or an institution has more than \$10,000 in daily receipts, the receipts shall be deposited into the state treasury daily.

SECTION 18. [EFFECTIVE JULY 1, 2003]

In case of loss by fire or any other cause involving any state

institution or department, the proceeds derived from the settlement of any claim for the loss shall be deposited in the state treasury, and the amount deposited is hereby reappropriated to the institution or department for the purpose of replacing the loss. If it is determined that the loss shall not be replaced, any funds received from the settlement of a claim shall be deposited into the state general fund.

SECTION 19. [EFFECTIVE JULY 1, 2003]

If an agency has computer equipment in excess of the needs of that agency, then the excess computer equipment may be sold under the provisions of surplus property sales, and the proceeds of the sale or sales shall be deposited in the state treasury. The amount so deposited is hereby reappropriated to that agency for other operating expenses of the then current year, if approved by the director of the budget agency.

SECTION 20. [EFFECTIVE JULY 1, 2003]

If any state penal or benevolent institution other than the Indiana state prison, Pendleton correctional facility, or Putnamville correctional facility shall, in the operation of its farms, produce products, or commodities in excess of the needs of the institution, the surplus may be sold through the division of industries and farms, the director of the supply division of the Indiana department of administration, or both. The proceeds of any such sale or sales shall be deposited in the state treasury. The amount deposited is hereby reappropriated to the institution for expenses of the then current year if approved by the director of the budget agency. SECTION 21. [EFFECTIVE JULY 1, 2003]

This act does not authorize any rehabilitation and repairs to any state buildings, nor does it allow that any obligations be incurred for lands and structures, without the prior approval of the budget director or the director's designee. This SECTION does not apply to contracts for the construction or maintenance of roads and bridges, to the acquisition of rights-of-way for roads or bridges, or to the state universities supported in whole or in part by state funds.

SECTION 22. [EFFECTIVE JULY 1, 2003]

If an agency has an annual appropriation fixed by law, and if the agency also receives an appropriation in this act for the same function or program, the appropriation in this act supersedes any other appropriations and is the total appropriation for the agency for that program or function.

SECTION 23. [EFFECTIVE JULY 1, 2003]

The balance of any appropriation or funds heretofore placed or remaining to the credit of any division of the state of Indiana, and any appropriation or funds provided in this act placed to the credit of any division of the state of Indiana, the powers, duties, and functions whereof are assigned and transferred to any department for salaries, maintenance, operation, construction, or other expenses in the exercise of such powers, duties, and functions, shall be transferred to the credit of the department to which such assignment and transfer is made, and the same shall be available for the objects and purposes for which appropriated originally.

SECTION 24. [EFFECTIVE JULY 1, 2003]

The director of the division of procurement of the Indiana department of administration, or any other person or agency

authorized to make purchases of equipment, shall not honor any requisition for the purchase of an automobile that is to be paid for from any appropriation made by this act or any other act, unless the following facts are shown to the satisfaction of the commissioner of the department of administration or the commissioner's designee.

(1) In the case of an elected state officer, it shall be shown that the duties of the office require driving about the state of Indiana in the performance of official duty.

(2) In the case of department or commission heads, it shall be shown that the statutory duties imposed in the discharge of the office require traveling a greater distance than one thousand (1,000) miles each month or that they are subject to official duty call at all times.

(3) In the case of employees, it shall be shown that the major portion of the duties assigned to the employee require travel on state business in excess of one thousand (1,000) miles each month, or that the vehicle is identified by the agency as an integral part of the job assignment. In computing the number of miles required to be driven by a department head or an employee, the distance between the individual's home and office or designated official station is not to be considered as a part of the total.

Department heads shall annually submit justification for the continued assignment of each vehicle in their department, which shall be reviewed by the commissioner of the Indiana department of administration, or the commissioner's designee. There shall be an insignia permanently affixed on each side of all state owned cars, designating the cars as being state owned. However, this requirement does not apply to state owned cars driven by elected state officials or to cases where the commissioner of the Indiana department of administration or the commissioner's designee determines that affixing insignia on state owned cars would hinder or handicap the persons driving the cars in the performance of their official duties.

SECTION 25. [EFFECTIVE JULY 1, 2003]

When budget agency approval or review is required under this act, the budget agency may refer to the budget committee any budgetary or fiscal matter for an advisory recommendation. The budget committee may hold hearings and take any actions authorized by IC 4-12-1-11, and may make an advisory recommendation to the budget agency.

SECTION 26. [EFFECTIVE JULY 1, 2003]

The governor of the state of Indiana is solely authorized to accept on behalf of the state any and all federal funds available to the state of Indiana. Federal funds received under this SECTION are appropriated for purposes specified by the federal government, subject to allotment by the budget agency. The provisions of this SECTION and all other SECTIONS concerning the acceptance, disbursement, review, and approval of any grant, loan, or gift made by the federal government or any other source to the state or its agencies and political subdivisions shall apply, notwithstanding any other law.

SECTION 27. [EFFECTIVE JULY 1, 2003]

Each demand for payment submitted by the agency or department to the auditor of state by claim voucher under such contracts or agreements shall be

accompanied by a copy of the budget agency approval, or approval of any agency to whom the budget agency delegated signature authority, and no payment shall be made by the auditor of state without such approval. This SECTION does not apply to any contract entered into by an agency or department of state government that is the result of a public works project contract under IC 4-13.6.

SECTION 29. [EFFECTIVE JULY 1, 2003]

Except in those cases where a specific appropriation has been made to cover the payments for any of the following, the auditor of state shall transfer, from the personal services appropriations for each of the various agencies and departments, necessary payments for Social Security, public employees' retirement, health insurance, life insurance, and any other similar payments directed by the budget agency.

SECTION 30. [EFFECTIVE JULY 1, 2003]

SECTION 33. [EFFECTIVE JULY 1, 2003]

(a) There is appropriated to the budget agency the following sums from the state general fund for the purpose of improving high speed data access and communications capability statewide by linking fiber optic infrastructure to eleven (11) areas around the state (I-Light Fiber Optic System) in the following periods:

- (1) For FY 2003-2004, five million dollars (\$5,000,000).
- (2) For FY 2004-2005, five million dollars (\$5,000,000).

(b) In selecting contractors to implement and operate the I-Light Fiber Optic System, the budget agency shall use a competitive procedure that ensures that the appropriated funds are used in the most efficient and effective manner.

(c) This SECTION expires July 1, 2006.

SECTION 34. [EFFECTIVE UPON PASSAGE]

Notwithstanding the provisions of P.L. 291-2001, any part of the appropriations for the 2001-2003 biennium for the personal services/fringe benefits contingency fund or the employee recruitment and retention fund in excess of \$30,000,000 that remains on June 30, 2003 does not revert to the state general fund,

but remains available for expenditure.

SECTION 35. [EFFECTIVE JULY 1, 2003]

The budget agency may employ one (1) or more architects or engineers to inspect construction, rehabilitation, and repair projects covered by the appropriations in this act or previous acts designated in this act.

SECTION 36. [EFFECTIVE JULY 1, 2003]

If any part of a construction or rehabilitation and repair appropriation made by this act or any previous acts has not been allotted or encumbered before the expiration of two (2) biennia, the budget agency may determine that the balance of the appropriation is not available for allotment. The appropriation may be terminated and the balance may revert to the fund from which the original appropriation was made.

SECTION 37. [EFFECTIVE UPON PASSAGE]

The budget agency may retain balances in the mental health fund at the end of any fiscal year to ensure there are sufficient funds to meet appropriations for state developmental centers in any subsequent year.

SECTION 38. [EFFECTIVE JULY 1, 2003]

If the budget director makes a determination at any time during either fiscal year of the biennium that the executive branch of state government cannot meet its statutory obligations due to insufficient funds in the state general fund, then notwithstanding IC 4-10-18, the budget agency, with the approval of the governor and after review by the budget committee, may transfer from the counter-cyclical revenue and economic stabilization fund to the state general fund an amount necessary to maintain a positive balance in the state general fund.

SECTION 39. IC 4-15-1.8-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. (a) The department shall do the following:

- (18) Administer the state personnel law, IC 4-15-2.
- (19) Institute an employee awards system designed to encourage all state employees to submit suggestions that will reduce the costs or improve the quality of state agencies.

(20) Survey the administrative organization and procedures, including personnel procedures, of all state agencies, and submit to the governor measures to secure greater efficiency and economy, to minimize the duplication of activities, and to effect better organization and procedures among state agencies.

(b) Salary and wage schedules established by the department under subsection (a) must provide for the establishment of overtime policies, which must include the following:

- (1) Definition of overtime.
- (2) Determination of employees or classes eligible for overtime pay.
- (3) Procedures for authorization.
- (4) Methods of computation.
- (5) Procedures for payment.
- (6) A provision that there shall be no mandatory adjustments to an employee's established work schedule in order to avoid the payment of overtime.

(c) The state personnel advisory board shall advise the director and cooperate in the improvement of all the personnel policies of the state.

(d) By January 1, 1984, the department shall establish programs of temporary appointment for employees of state agencies. A program established under this subsection must contain at least the following provisions:

- (1) A temporary appointment may not exceed one hundred eighty (180) working days in any twelve (12) month period.
- (2) The department may allow exceptions to the prohibition in subdivision (1) with the approval of the state budget agency.
- (3) A temporary appointment in an agency covered by IC 4-15-2 is governed by the procedures of that chapter.
- (4) A temporary appointment does not constitute creditable service for purposes of the public employees' retirement program under IC 5-10.2 and IC 5-10.3. However, an employee who served in an intermittent form of temporary employment after June 30, 1986, and before July 1, 2003, shall receive creditable service for the period of temporary employment.**

SECTION 40. IC 4-15-2-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. **Except as**

provided in IC 4-15-1.8-7(d), all persons covered on January 1, 1966, by this chapter or coming under the provisions of this chapter after January 1, 1966, shall be eligible for, shall participate in, and shall receive the benefits of the public employees retirement program as provided by IC 5-10.2 and IC 5-10.3.

SECTION 41. IC 4-30-16-3, AS AMENDED BY P.L.273-1999, SECTION 49, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 3. (a) The commission shall transfer the surplus revenue in the administrative trust fund as follows:

(1) Before the last business day of January, April, July, and October, the commission shall transfer to the treasurer of state, for deposit in the Indiana state teachers' retirement fund (IC 21-6.1-2), **before July 1, 2005, seven million five hundred thousand dollars (\$7,500,000) and after June 30, 2005**, an amount equal to the lesser of:

(A) seven million five hundred thousand dollars (\$7,500,000);

or

(B) the additional quarterly contribution needed so that the ratio of the unfunded liability of the Indiana state teachers' retirement fund compared to total active teacher payroll is as close as possible to but not greater than the ratio that existed on the preceding July 1.

After June 30, 2003, and before July 1, 2005, the amount deposited in a state fiscal year under this subdivision in the Indiana state teachers' retirement fund (IC 21-6.1-2) shall only be used by the board to reduce the employer contribution rate that school corporations would otherwise pay after June 30, 2003, and before July 1, 2005, to the Indiana state teachers' retirement fund (IC 21-6.1-2), as computed under IC 5-10.2-2 and certified under IC 21-6.1-7-12, for teachers covered by the 1996 account, including a proportionate share of administration expenses for the 1996 account. On or before June 15, 2005, and June 15 of each year thereafter, the board of trustees of the Indiana state teachers' retirement fund shall submit to the treasurer of state, each member of the pension management oversight commission, and the auditor of state its estimate of the quarterly amount needed to freeze the unfunded accrued liability of the pre-1996 account (as defined in IC 21-6.1-1-6.9) as a

percent of payroll. The estimate shall be based on the most recent actuarial valuation of the fund. Notwithstanding any other law, including any appropriations law resulting from a budget bill (as defined in IC 4-12-1-2), **after June 30, 2005**, the money transferred under this subdivision shall be set aside in a special account to be used as a credit against the unfunded accrued liability of the pre-1996 account (as defined in IC 21-6.1-1-6.9) of the Indiana state teachers' retirement fund. The money transferred is in addition to the appropriation needed to pay benefits for the state fiscal year.

(2) Before the last business day of January, April, July, and October, the commission shall transfer:

(A) two million five hundred thousand dollars (\$2,500,000) of the surplus revenue to the treasurer of state for deposit in the "k" portion of the pension relief fund (IC 5-10.3-11); and

(B) five million dollars (\$5,000,000) of the surplus revenue to the treasurer of state for deposit in the "m" portion of the pension relief fund (IC 5-10.3-11).

(3) The surplus revenue remaining in the fund on the last day of January, April, July, and October after the transfers under subdivisions (1) and (2) shall be transferred by the commission to the treasurer of state for deposit on that day in the build Indiana fund.

(b) The commission may make transfers to the treasurer of state more frequently than required by subsection (a). However, the number of transfers does not affect the amount that is required to be transferred for the purposes listed in subsection (a)(1) and (a)(2). Any amount transferred during the month in excess of the amount required to be transferred for the purposes listed in subsection (a)(1) and (a)(2) shall be transferred to the build Indiana fund.

SECTION 42. IC 4-33-4-21 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 21. (a) A licensed owner or any other person must apply for and receive the commission's approval before:

(A) transferred;

(B) sold; or

(C) purchased; or

(2) a voting trust agreement or other similar agreement is established with respect to the owner's license.

(b) The commission shall adopt rules governing the procedure a licensed owner or other person must follow to take an action under subsection (a). The rules must specify that a person who obtains an ownership interest in a license must meet the criteria of this article and any rules adopted by the commission. A licensed owner may transfer an owner's license only in accordance with this article and rules adopted by the commission.

(c) A licensed owner or any other person may not:

- (1) lease;
- (2) hypothecate; or
- (3) borrow or loan money against;

an owner's license.

(d) A transfer fee is imposed on a licensed owner who purchases or otherwise acquires a controlling interest, as determined under the rules of the commission, in a second owner's license. The fee is equal to two million dollars (\$2,000,000). The commission shall collect and deposit a fee imposed under this subsection in the state general fund.

SECTION 43. IC 4-33-4-22 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: **Sec. 22. (a) The commission may not adopt a rule or resolution limiting the ordinary business hours in which a licensed owner that has implemented flexible scheduling under IC 4-33-6-21 may conduct gambling operations.**

(b) This section may not be construed to limit the commission's power to enforce this article:

- (1) under IC 4-33-4-1(a)(6), IC 4-33-4-1(a)(7), or IC 4-33-4-8;**
or
- (2) respond to an emergency, as determined by the commission.**

SECTION 44. IC 4-33-6-21, AS ADDED BY P.L.192-2002(ss), SECTION 15, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: **Sec. 21. (a) A licensed owner may submit a plan for flexible scheduling to the commission by a date designated by the commission. Upon receipt of an appropriate plan, the commission shall authorize flexible scheduling and the licensed owner shall implement**

the flexible scheduling plan by the date designated by the commission.

(b) A licensed owner that:

(1) submits a plan for flexible scheduling to the commission may include provisions; or

(2) has implemented a flexible scheduling plan may amend the plan to include provisions;

to conduct gambling operations for up to twenty-four (24) hours a day. Upon receipt of a plan or an amendment to a plan concerning operating hours, the commission shall authorize the licensed owner to implement the plan or amendment for the days and hours specified in the plan or amendment. The licensed owner shall implement the provisions related to operating days and hours by the date designated by the commission. If the licensed owner fails or ceases to operate in accordance with the authorized provisions concerning operating days and hours, the commission may rescind the authorization.

SECTION 45. IC 4-33-13-1, AS AMENDED BY P.L.192-2002(ss), SECTION 24, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002 (RETROACTIVE)]: Sec. 1. (a) This section does not apply to a riverboat that has implemented flexible scheduling under IC 4-33-6-21.

(b) **Subject to section 1.5(h) of this chapter**, a tax is imposed on the adjusted gross receipts received from gambling games authorized under this article at the rate of twenty-two and five-tenths percent (22.5%) of the amount of the adjusted gross receipts.

(c) The licensed owner shall remit the tax imposed by this chapter to the department before the close of the business day following the day the wagers are made.

(d) The department may require payment under this section to be made by electronic funds transfer (as defined in IC 4-8.1-2-7(e)).

(e) If the department requires taxes to be remitted under this chapter through electronic funds transfer, the department may allow the licensed owner to file a monthly report to reconcile the amounts remitted to the department.

(b) A graduated tax is imposed on the adjusted gross receipts received from gambling games authorized under this article as follows:

(2) Twenty percent (20%) of the adjusted gross receipts in excess of twenty-five million dollars (\$25,000,000) but not exceeding fifty million dollars (\$50,000,000) received during the period beginning July 1 of each year and ending June 30 of the following year.

(3) Twenty-five percent (25%) of the adjusted gross receipts in excess of fifty million dollars (\$50,000,000) but not exceeding seventy-five million dollars (\$75,000,000) received during the period beginning July 1 of each year and ending June 30 of the following year.

SECTION 47. IC 4-33-13-5, AS AMENDED BY HEA 1902-2003, SECTION 55 AND AS AMENDED BY HEA 1519-2003, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 5. (a) This subsection does not apply to tax revenue remitted by an operating agent operating a riverboat in a historic hotel district. After funds are appropriated under section 4 of this chapter, each month the treasurer of state shall distribute the tax revenue deposited in the state gaming fund under this chapter to the following:

(1) The first thirty-three million dollars (\$33,000,000) of tax revenues collected under this chapter shall be set aside for revenue sharing under subsection (e).

(2) Subject to subsection (c), twenty-five percent (25%) of the remaining tax revenue remitted by each licensed owner shall be paid:

(A) to the city that is designated as the home dock of the riverboat from which the tax revenue was collected, in the case of:

(i) a city described in IC 4-33-12-6(b)(1)(A); or

(ii) a city located in a county having a population of more than four hundred thousand (400,000) but less than seven

hundred thousand (700,000); or

(B) to the county that is designated as the home dock of the riverboat from which the tax revenue was collected, in the case of a riverboat whose home dock is not in a city described in clause (A).

(3) Subject to subsection (d), the remainder of the tax revenue remitted by each licensed owner shall be paid to the property tax replacement fund. **In each state fiscal year beginning after June 30, 2003, the treasurer of state shall make the transfer required by this subdivision not later than the last business day of the month in which the tax revenue is remitted to the state for deposit in the state gaming fund. However, if tax revenue is received by the state on the last business day in a month, the treasurer of state may transfer the tax revenue to the property tax replacement fund in the immediately following month.**

(b) This subsection applies only to tax revenue remitted by an operating agent operating a riverboat in a historic hotel district. After funds are appropriated under section 4 of this chapter, each month the treasurer of state shall distribute the tax revenue deposited in the state gaming fund under this chapter as follows:

(1) Thirty-seven and one half percent (37.5%) shall be paid to the property tax replacement fund established under IC 6-1.1-21.

(2) Thirty-seven and one-half percent (37.5%) shall be paid to the West Baden Springs historic hotel preservation and maintenance fund established by IC 36-7-11.5-11(b). However, at any time the balance in that fund exceeds twenty million dollars (\$20,000,000), the amount described in this subdivision shall be paid to the property tax replacement fund established under IC 6-1.1-21.

(3) Five percent (5%) shall be paid to the historic hotel preservation commission established under IC 36-7-11.5.

(4) Ten percent (10%) shall be paid in equal amounts to each town that:

(A) is located in the county in which the riverboat docks; and

(B) contains a historic hotel.

The town council shall appropriate a part of the money received by the town under this subdivision to the budget of the town's

tourism commission.

(5) Ten percent (10%) shall be paid to the county treasurer of the county in which the riverboat is docked. The county treasurer shall distribute the money received under this subdivision as follows:

(A) Twenty percent (20%) shall be quarterly distributed to the county treasurer of a county having a population of more than thirty-nine thousand six hundred (39,600) but less than forty thousand (40,000) for appropriation by the county fiscal body after receiving a recommendation from the county executive. The county fiscal body for the receiving county shall provide for the distribution of the money received under this clause to one (1) or more taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the county fiscal body after receiving a recommendation from the county executive.

(B) Twenty percent (20%) shall be quarterly distributed to the county treasurer of a county having a population of more than ten thousand seven hundred (10,700) but less than twelve thousand (12,000) for appropriation by the county fiscal body after receiving a recommendation from the county executive. The county fiscal body for the receiving county shall provide for the distribution of the money received under this clause to one (1) or more taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the county fiscal body after receiving a recommendation from the county executive.

(C) Sixty percent (60%) shall be retained by the county where the riverboat is docked for appropriation by the county fiscal body after receiving a recommendation from the county executive. The county fiscal body shall provide for the distribution of part or all of the money received under this clause to the following under a formula established by the county fiscal body:

(i) A town having a population of more than two thousand two hundred (2,200) but less than three thousand five hundred (3,500) located in a county having a population of more than nineteen thousand three hundred (19,300) but less

than twenty thousand (20,000).

(ii) A town having a population of more than three thousand five hundred (3,500) located in a county having a population of more than nineteen thousand three hundred (19,300) but less than twenty thousand (20,000).

(c) For each city and county receiving money under subsection (a)(2)(A) or (a)(2)(C), the treasurer of state shall determine the total amount of money paid by the treasurer of state to the city or county during the state fiscal year 2002. The amount determined is the base year revenue for the city or county. The treasurer of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year beginning after June 30, 2002, the treasurer of state shall pay that part of the riverboat wagering taxes that:

- (1) exceeds a particular city or county's base year revenue; and
- (2) would otherwise be due to the city or county under this section;

to the property tax replacement fund instead of to the city or county.

(d) Each state fiscal year the treasurer of state shall transfer from the tax revenue remitted to the property tax replacement fund under subsection (a)(3) to the build Indiana fund an amount that when added to the following may not exceed two hundred fifty million dollars (\$250,000,000):

- (1) Surplus lottery revenues under IC 4-30-17-3.
- (2) Surplus revenue from the charity gaming enforcement fund under IC 4-32-10-6.
- (3) Tax revenue from pari-mutuel wagering under IC 4-31-9-3.

The treasurer of state shall make transfers on a monthly basis as needed to meet the obligations of the build Indiana fund. If in any state fiscal year insufficient money is transferred to the property tax replacement fund under subsection (a)(3) to comply with this subsection, the treasurer of state shall reduce the amount transferred to the build Indiana fund to the amount available in the property tax replacement fund from the transfers under subsection (a)(3) for the state fiscal year.

(e) Before August 15 of 2003 and each year thereafter, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing

under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Except as provided in subsection (h), the county auditor shall distribute the money received by the county under this subsection as follows:

(1) To each city located in the county according to the ratio the city's population bears to the total population of the county.

(2) To each town located in the county according to the ratio the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

(1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5);

(2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for additional credits for property tax replacement in property tax increment allocation areas or debt repayment.

(3) To fund sewer and water projects, including storm water management projects.

(4) For police and fire pensions.

(5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(g) This subsection does not apply to an entity receiving money under IC 4-33-12-6(c). Before September 15 of 2003 and each year thereafter, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 during the

preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-6), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the property tax replacement fund. The amount of the supplemental distribution is equal to the difference between the entity's base year revenue (as determined under IC 4-33-12-6) and the total amount of money distributed to the entity during the preceding state fiscal year under IC 4-33-12-6.

(h) This section applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (d) as follows:

(1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.

(2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

SECTION 48. [EFFECTIVE JULY 1, 2002 (RETROACTIVE)] (a) This SECTION applies to the calculation and collection of wagering taxes on the adjusted gross receipts of a riverboat received:

(1) on or after the date that the riverboat implemented flexible scheduling under IC 4-33-6-21; and

(2) before July 1, 2003.

(b) The definitions in IC 4-33-2 apply throughout this SECTION.

(c) The general assembly does not acquiesce in any interpretation of IC 4-33-13-1.5 and P.L.292-2002(ss), SECTION 205 that excludes adjusted gross receipts of a riverboat received after June 30, 2002, and before the date that the riverboat implemented flexible scheduling under IC 4-33-6-21 from the determination of which wagering tax rate to apply to adjusted gross receipts of the riverboat received on or after the riverboat implemented flexible scheduling under IC 4-33-6-21.

(d) Wagering taxes imposed under IC 4-33-13-1.5 on adjusted gross receipts received on or after the date that the riverboat

implemented flexible scheduling under IC 4-33-6-21 must be calculated and deposited using a graduated wagering tax rate selected (as stated in IC 4-33-13-1.5) through a calculation that includes "adjusted gross receipts received during the period beginning July 1 of each year and ending June 30 of the following year".

(e) All penalties and interest otherwise due from a riverboat that underpaid the amount of wagering tax due after June 30, 2002, and before May 1, 2003, as a result of a failure to include adjusted gross receipts received by the riverboat after June 30, 2002, and before the date that the riverboat implemented flexible scheduling under IC 4-33-6-21 in the determination of which wagering tax rate to apply to adjusted gross receipts received after the riverboat implemented flexible scheduling under IC 4-33-6-21 are waived if the riverboat pays the unpaid balance due in two (2) equal installments on the following dates:

(1) July 1, 2003.

(2) July 1, 2004.

Notwithstanding IC 6-1.1-17, IC 6-1.1-18, IC 6-1.1-19, IC 12-19-7, **IC 12-19-7.5**, IC 21-2-14, IC 36-8-6, IC 36-8-7, IC 36-8-7.5, IC 36-8-11, IC 36-9-3, IC 36-9-4, and IC 36-9-13, if such an ordinance is adopted, this section governs the treatment of tax rates, tax levies, and budgets that would otherwise be reviewed by a county board of tax adjustment under IC 6-1.1-17.

(b) The time requirements set forth in IC 6-1.1-17 govern all filings and notices.

(c) A tax rate, tax levy, or budget that otherwise would be reviewed by the county board of tax adjustment is considered and must be treated for all purposes as if the county board of tax adjustment approved the tax rate, tax levy, or budget. This includes the notice of tax rates that is required under IC 6-1.1-17-12.

(a) In addition to the other method of welfare financing provided by this article, the county director may appeal for the right to borrow money on a short term basis to fund:

(1) child services under IC 12-19-7-1; or

(2) children's psychiatric residential treatment services under IC 12-19-7.5; or

(b) In an appeal under this section, the county director must show the following:

(1) That the amount of money in the family and children's fund **or the children's psychiatric residential treatment services fund** will be insufficient to fund the appropriate services within the county under this article.

(c) The county director shall immediately transmit an appeal under this section to the director.

SECTION 91. IC 12-19-5-9, AS AMENDED BY P.L.273-1999, SECTION 65, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 9. The division or a county fiscal body may not do the following:

(1) Recommend or approve a request to borrow money made under this chapter unless the body determines that the family and children's fund **or the children's psychiatric residential treatment services fund** will be exhausted before the particular fund can fund all county obligations incurred under this article.

(2) Recommend or approve a loan that will exceed the amount of the estimated deficit.

SECTION 92. IC 12-19-7.5 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]:

Chapter 7.5. County Financing of Children's Psychiatric Residential Treatment Services for Medicaid Eligible Children

Sec. 1. As used in this chapter, "children's psychiatric residential treatment services" means services that are:

(1) eligible for federal financial participation under the state Medicaid plan; and

(2) provided to individuals less than twenty-one (21) years of age who are:

(A) eligible for services under the state Medicaid plan;

(B) approved by the office for admission to and treatment in a private psychiatric residential treatment facility; and

(C) residing in a private psychiatric residential facility for the purposes of treatment for a mental health condition, based on an approved treatment plan that complies with applicable federal and state Medicaid rules and regulations.

Sec. 2. As used in this chapter, "fund" means the children's psychiatric residential treatment services fund established by section 5 of this chapter.

Sec. 3. As used in this chapter, "private psychiatric residential treatment facility" means a privately owned and operated facility that:

- (1) provides inpatient treatment to individuals less than twenty-one (21) years of age for mental health conditions;
- (2) is licensed or certified by:
 - (A) the division of family and children; or
 - (B) the division of mental health and addiction;to provide children's psychiatric residential treatment services; and
- (3) is enrolled in the state Medicaid program as a provider eligible to provide children's psychiatric residential treatment services.

Sec. 4. As used in this chapter, "state Medicaid plan" means the state plan approved by the United States Department of Health and Human Services for purposes of federal financial participation, under Title XIX of the Social Security Act (42 U.S.C. 1396 et seq.).

Sec. 5. (a) A children's psychiatric residential treatment services fund is established in each county. The fund shall be raised by a separate tax levy (the county children's psychiatric residential treatment services property tax levy) that:

- (1) is in addition to all other tax levies authorized; and
- (2) shall be levied annually by the county fiscal body on all taxable property in the county in the amount necessary to raise the part of the fund that the county must raise to pay the items, awards, claims, allowances, assistance, and other expenses set forth in the annual budget under section 8 of this chapter.

(b) The tax imposed under this section shall be collected as other state and county ad valorem taxes are collected.

(c) The following shall be paid into the county treasury and constitute the children's psychiatric residential treatment services fund:

- (1) All receipts from the tax imposed under this section.
- (2) All grants-in-aid, whether received from the federal government or state government.

(3) Any other money required by law to be placed in the fund.

(d) The fund is available for the purpose of paying expenses and obligations set forth in the annual budget that is submitted and approved.

Sec. 6. (a) For taxes first due and payable in 2004, each county must impose a county children's psychiatric residential services property tax levy equal to the amount determined using the following formula:

STEP ONE: Determine the sum of the amounts that were paid by the county minus the amounts reimbursed by the state (including reimbursements made with federal money), as determined by the state board of accounts in 2000, 2001, and 2002 for payments to facilities licensed under 470 IAC 3-13 for services that were made on behalf of the children and for which payment was made from the county family and children fund, or five percent (5%) of the average family and children budget, as determined by the department of local government finance in 2000, 2001, and 2002, whichever is greater.

STEP TWO: Subtract from the amount determined in STEP ONE the sum of the miscellaneous taxes that were allocated to the county family and children fund and used to pay the costs for providing services in facilities licensed under 470 IAC 3-13 in 2000, 2001, and 2002.

STEP THREE: Divide the amount determined in STEP TWO by three (3).

STEP FOUR: Calculate the STEP ONE amount and the STEP TWO amount for 2002 expenses only.

STEP FIVE: Adjust the amounts determined in STEP THREE and STEP FOUR by the amount determined by the department of local government finance under subsection (c).

STEP SIX: Determine whether the amount calculated in STEP THREE, as adjusted in STEP FIVE, or the amount calculated in STEP FOUR, as adjusted in STEP FIVE, is greater. Multiply the greater amount by the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the county for property taxes first due and payable in 2003.

STEP SEVEN: Multiply the amount determined in STEP SIX by the county's assessed value growth quotient for property

taxes first due and payable in 2004, as determined under IC 6-1.1-18.5-2.

(b) For taxes first due and payable in each year after 2004, each county shall impose a county children's psychiatric residential treatment services property tax levy equal to the product of:

(1) the county children's psychiatric residential treatment services property tax levy imposed for taxes first due and payable in the preceding year; multiplied by

(2) the greater of:

(A) the county's assessed value growth quotient for the ensuing calendar year, as determined under IC 6-1.1-18.5-2; or

(B) one (1).

When a year in which a statewide general reassessment of real property first becomes effective is the year preceding the year that the property tax levy under this subsection will be first due and payable, the amount to be used in subdivision (2) equals the average of the amounts used in determining the two (2) most recent adjustments in the county's levy under this section.

(c) For taxes first due and payable in 2004, the department of local government finance shall adjust the levy for each county to reflect the county's actual expenses incurred in providing services to children in facilities licensed under 470 IAC 3-13 in 2000, 2001, and 2002. In making this adjustment, the department of local government finance may consider all relevant information, including the county's use of bond and loan proceeds to pay these expenses.

(d) The department of local government finance shall review each county's property tax levy under this section and shall enforce the requirements of this section with respect to that levy.

Sec. 7. For taxes first due and payable in 2004, the department of local government finance shall reduce the maximum levy for the county family and children fund or the county general fund (in whatever amounts are appropriate) by an amount equal to the result in section 6(a) of this chapter.

Sec. 8. (a) For purposes of this section, "expenses and obligations incurred by the county office" include all anticipated costs of children's residential psychiatric services that are equal to the state share of the cost of those services that are reimbursable

under the state Medicaid plan.

(b) The county director, upon the advice of the judges of the courts with juvenile jurisdiction in the county, shall annually compile and adopt a children's psychiatric residential treatment services budget, which must be in a form prescribed by the state board of accounts. The budget may not exceed the levy limitation set forth in IC 6-1.1-18.6.

(c) The budget must contain an estimate of the amount of money that will be needed by the county office during the fiscal year to defray the expenses and obligations incurred by the county office in the payment of children's psychiatric residential treatment services for children who are residents of the county.

Sec. 9. (a) The county director shall, with the assistance of the judges of courts with juvenile jurisdiction in the county and at the same time the budget is compiled and adopted, recommend to the division the tax levy that the director and judges determine will be required to raise the amount of revenue necessary to pay the expenses and obligations of the county office set forth in the budget under section 8 of this chapter. However, the tax levy may not exceed the maximum permissible levy set forth in IC 6-1.1-18.6, and the budget may not exceed the levy limitation set forth in IC 6-1.1-18.

(b) After the county budget has been compiled, the county director shall submit a copy of the budget and the tax levy recommended by the county director and the judges of courts with juvenile jurisdiction in the county to the division. The division shall examine the budget and the tax levy for the purpose of determining whether, in the judgment of the division:

- (1) the appropriations requested in the budget will be adequate to defray the expenses and obligations incurred by the county office in the payment of children's psychiatric residential treatment services for the next fiscal year; and
- (2) the tax levy recommended will yield the amount of the appropriation set forth in the budget.

Sec. 10. The division may do the following after examining a budget submitted by the county office:

- (1) Increase or decrease the amount of the budget or an item of the budget, subject to the maximum levy set forth in IC 6-1.1-18.6.

(2) Approve the budget as compiled by the county director and judges of courts with juvenile jurisdiction in the county.

(3) Recommend the increase or decrease of the tax levy, subject to the maximum levy set forth in IC 6-1.1-18.6.

(4) Approve the tax levy as recommended by the county director and judges of courts with juvenile jurisdiction in the county.

Sec. 11. The budget finally approved and the tax levy recommended by the division shall be:

(1) certified to the county office; and

(2) filed for consideration by the county fiscal body.

Sec. 12. Except as otherwise provided, a budget submitted under section 11 of this chapter must be prepared and filed in the same form and manner and at the same time as the budgets and estimates of other county officers are prepared and filed.

Sec. 13. In September of each year, at the time provided by law, the county fiscal body shall do the following:

(1) Make the appropriations out of the children's psychiatric residential treatment services fund that are:

(A) based on the budget as submitted; and

(B) necessary to maintain the children's psychiatric residential treatment services of the county for the next fiscal year, subject to the maximum levy set forth in IC 6-1.1-18.6.

(2) Levy a tax in an amount necessary to produce the appropriated money.

Sec. 14. (a) If at any time the county director determines that the children's psychiatric residential treatment services fund is exhausted or will be exhausted before the close of a fiscal year, the county director shall prepare an estimate and statement showing the amount of money, in addition to the money already made available, that will be necessary to defray the expenses of the county office and pay the obligations of the county office, excluding administrative expenses and facilities, supplies, and equipment expenses for the county office, in the administration of the county office's activities for the unexpired part of the fiscal year.

(b) The county director shall do the following:

(1) Certify the estimate and statement to the county executive.

(2) File the estimate and statement with the county auditor.

Sec. 15. (a) The county executive shall consider and act upon an estimate and statement under section 14 of this chapter at:

- (1) the county executive's regular session immediately following the filing of the estimate and statement; or**
- (2) a special session that is:**
 - (A) called for the purpose of considering and acting upon the estimate and statement; and**
 - (B) called before the executive's regular session described in subdivision (1).**

(b) The county executive shall, for and on behalf of the county, borrow sufficient money to carry out the purposes described in section 14 of this chapter if after consideration of the estimate and statement the county executive finds the following:

- (1) That the county director has not appealed to borrow money under IC 12-19-5 or that the appeal has been denied.**
- (2) That the amount of money required, in addition to any money already available, to defray the expenses and pay the obligations of the county office in the administration of the county's children's psychiatric residential treatment services for the unexpired part of the fiscal year is greater than the amount of money that may be advanced from the general fund of the county.**

Sec. 16. (a) Before making a loan under section 15 of this chapter, the county executive shall record a finding that the amount of money that will be required is greater than the amount of money that may be advanced from the general fund of the county. The finding must:

- (1) set forth the estimated requirements of the county office; and**
- (2) direct the county auditor to call the county fiscal body into special session for the purpose of considering the making of the loan.**

(b) In the notice of the special session of the county fiscal body, the auditor shall include a statement of the estimated amount of the proposed loan.

Sec. 17. (a) In authorizing a loan under section 15 of this chapter, the county fiscal body:

- (1) shall act by ordinance; and**
- (2) may adopt the ordinance under this section at a regular**

meeting without giving special notice if requested by the county executive.

(b) The county fiscal body may:

- (1) finally adopt the ordinance at the meeting at which the ordinance is first presented; or**
- (2) adjourn from day to day for further consideration of the ordinance.**

(c) The county fiscal body is not required to make an itemized appropriation of the proceeds of the bonds at the time the bonds are issued. Except as provided in section 26 of this chapter, the entire proceeds of the bonds:

- (1) shall be placed in the children's psychiatric residential treatment services fund; and**
- (2) are periodically subject to appropriation as required by this article.**

Sec. 18. An ordinance adopted by the county fiscal body authorizing a loan under this chapter must do the following:

- (1) Authorize the issuance of the bonds of the county to evidence the loan.**
- (2) Fix the following:**
 - (A) The loan's maximum amount, which may be less than the amount shown by the estimate of the county director.**
 - (B) The number of semiannual series in which the bonds are payable, which may not exceed twenty (20).**

Sec. 19. The following apply to bonds issued under this chapter:

- (1) The bonds shall be issued so that one (1) series will be payable June 30 and one (1) series December 31 of each year in which bonds are payable.**
- (2) The series must be as nearly equal as possible, considering the following:**
 - (A) The amount of the issue.**
 - (B) The number of serial maturities.**
 - (C) The denominations to be used.**
- (3) The first series of bonds and the first interest payments must be payable June 30 of the year following the establishing of the annual tax levies immediately following the date of the issue.**
- (4) The county fiscal body may provide that the first two (2) series of bonds mature in the year following the year in which**

the bonds were issued if:

(A) issuance of the bonds is authorized by the county fiscal body at the fiscal body's regular meeting held for the purpose of establishing tax levies for the following year; and

(B) provision is made for the payment of the bonds and interest that are payable in the following year.

Sec. 20. If the proceeds of the bonds authorized under this chapter are insufficient to enable the county to administer the child services of the county for the unexpired part of the fiscal year, additional loans may be made for that time.

Sec. 21. (a) After the adoption of the bond ordinance by the county fiscal body, the county executive shall enter an order that does the following:

(1) Fixes the exact amount of the proposed loan. The amount of the proposed loan must be the maximum amount provided in the bond ordinance less any amount to be advanced from the general fund of the county.

(2) Fixes the exact rate of interest on the bonds or provides that the interest rate must be the lowest interest rate bid on the bonds. The interest rate may not exceed the maximum interest rate provided in the bond ordinance.

(b) The county executive may:

(1) fix the denominations of the bonds; or

(2) provide that the bonds shall be issued in denominations requested by the successful bidder.

(c) The denominations selected under subsection (b) may not change the amount of the serial maturities of the bonds.

(d) The county executive shall adopt the form of bond to be used in the issuance of the bonds. The form shall be substantially followed in the issuance of the bonds.

Sec. 22. Upon the adoption of the order of the county executive under section 21 of this chapter, the county auditor shall give notice of the determination to make the loan and to issue the bonds.

Sec. 23. The provisions of laws concerning the right of a taxpayer to file a remonstrance and to appeal to the department of local government finance apply to this chapter. However, the notice of the determination shall be given in one (1) publication. A taxpayer has ten (10) days after the date of publication to file a

remonstrance.

Sec. 24. Except as otherwise provided, the provisions of the general laws relating to the preparation and sale of bonds by counties apply to the preparation and sale of bonds issued under this chapter.

Sec. 25. (a) Before the sale of bonds under this chapter, the auditor shall publish notice of the sale one (1) time each week for two (2) consecutive weeks. All publications must be made at least seven (7) days before the date fixed for the sale of the bonds. The notice must be published:

- (1) in two (2) newspapers published in the county; and
- (2) one (1) time in a newspaper published in the city of Indianapolis.

(b) If the order of the county executive provides for a bid rate on the bonds, the notice of sale must state the following:

- (1) That the order provides for a bid rate.
- (2) That the highest bidder for the bonds will be the person that offers the lowest net interest cost to the county. The net interest cost shall be determined by:
 - (A) computing the total interest on all of the bonds to maturity; and
 - (B) deducting any premium bid from the total interest determined under clause (A).

Sec. 26. The auditor shall sell bonds issued under this chapter to the highest bidder. If a satisfactory bid is not received for all of the bonds at the time fixed in the notice of sale, the auditor may do the following:

- (1) Continue the sale from day to day.
- (2) Sell bonds in parcels until otherwise directed by an order of the county executive.

Sec. 27. (a) All bonds issued under this chapter:

- (1) are direct general obligations of the county issuing the bonds; and
- (2) are payable out of unlimited ad valorem taxes that shall be levied and collected on all the taxable property within the county.

(b) Each official and body responsible for the levying of taxes for the county must ensure that sufficient levies are made to meet the principal and interest on the bonds at the time fixed for the

payment of the principal and interest, without regard to any other statute. If an official or a body fails or refuses to make or allow a sufficient levy required by this section, the bonds and the interest on the bonds shall be payable out of the general fund of the county without appropriation.

Sec. 28. (a) Upon approval of the county executive, the auditor may pay out of the proceeds of the bonds without further appropriation the cost of the following:

- (1) Publishing the notice of determination and the bond sale notice.
- (2) The printing of the bonds.
- (3) The expense for legal services incurred in the sale of the bonds.
- (4) Reimbursing the general fund for advancements made to the children's psychiatric residential treatment services fund.

(b) The proceeds of the bonds remaining after the payment of the costs of the issuance of the bonds shall be paid into and are a part of the children's psychiatric residential treatment services fund.

Sec. 29. The county fiscal body may authorize and make temporary loans for the use and benefit of the children's psychiatric residential treatment services fund in anticipation of current revenues of the county that are actually levied and being collected for the fiscal year in which the loans are authorized and made. Each temporary loan authorized and made under this section must be authorized and made in conformity with IC 36-2-6.

Sec. 30. Upon the affirmative vote of two-thirds (2/3) of the members of the county fiscal body, a county may issue the county's serial bonds for an amount not exceeding in aggregate the amount for which the county is indebted for the use of the children's psychiatric residential treatment services fund if the following conditions exist:

- (1) The indebtedness for the use of the children's psychiatric residential treatment services fund is evidenced by bonds, notes, judgments, or obligations that are:
 - (A) issued or negotiated by the county; or
 - (B) rendered against the county.

- (2) The serial bonds are issued for any of the following purposes:

- (A) Funding or refunding the indebtedness or any part of the indebtedness.
- (B) Reducing the rate of interest on the indebtedness.
- (C) Extending the time of payment of the indebtedness.
- (D) Canceling the amount of the indebtedness that becomes due.

Sec. 31. The serial bonds issued under section 30 of this chapter:

- (1) may be of any denomination that is:
 - (A) not less than fifty dollars (\$50); and
 - (B) not more than one thousand dollars (\$1,000);
- (2) shall be payable:
 - (A) at any place named on the serial bonds; and
 - (B) at any time not later than fifteen (15) years after the date of the serial bonds;
- (3) may bear any rate of interest, payable annually or semiannually;
- (4) shall be sold at not less than the par value of the bonds; and
- (5) shall be sold in the manner provided for the sale of bonds issued under IC 12-20-23.

Sec. 32. (a) The county fiscal body shall add to the tax duplicate of the county:

- (1) an annual levy sufficient to pay the yearly interest on the bonds issued under section 30 of this chapter; and
- (2) an annual levy sufficient to provide a sinking fund for the liquidation of the principal as the principal becomes due. The sinking fund shall be applied solely to the payment of the bonds.

(b) If the county fiscal body fails to levy a tax sufficient to pay the interest on the bonds or to liquidate the principal of the bonds as the principal becomes due, the county auditor shall levy the tax or increase the tax levy made by the county fiscal body in the amount necessary to pay the interest and to retire the bonds as the bonds become due.

(c) Notwithstanding any other law, the tax levy may not be reduced below the amount required under this section.

Sec. 33. (a) A county auditor shall annually, not before January 1 and not later than March 31, determine the amount of any excess funds available in the county children's psychiatric treatment

services fund based on the following formula:

STEP ONE: Determine the ending cash balance in the fund in the preceding fiscal year.

STEP TWO: Calculate one-half of the actual cost of providing children's psychiatric treatment services.

STEP THREE: Subtract the amount determined in STEP TWO from the amount determined in STEP ONE.

(b) The county auditor shall transfer the amount determined in subsection (a) STEP THREE, if any, from the county children's psychiatric treatment services fund to the county general fund to be used to pay for the part of the care and maintenance of the inmates of the Plainfield juvenile correctional facility and the Indianapolis juvenile correctional facility that is charged back to the counties.

SECTION 93. [EFFECTIVE JULY 1, 2003] (a) The budget agency shall develop a plan and seek federal approval to qualify services that are provided to assist exceptional learners in accessing or coordinating services, or both, under the state Medicaid plan.

(b) The budget agency and the office of the secretary of family and social services shall establish a method to collect the state share of the costs of services that are:

(1) reimbursable under the Medicaid program; and

(2) provided to Medicaid eligible children receiving services in private psychiatric residential treatment facilities;

from the county of residence of the child receiving services.

SECTION 94. [EFFECTIVE JULY 1, 2003] (a) IC 6-1.1-18.6-2.2 and IC 6-1.1-18.6-4, both as added by this act, apply only to property taxes first due and payable after December 31, 2004.

A plan developed under this section must be structured to maximize federal Medicaid reimbursement for the Veterans' Home. Subject to approval of the budget agency, any revenue accruing to the Indiana Veterans' Home from the receipt of Medicaid reimbursement may be used to augment appropriations made to the office of Medicaid policy and planning

established by IC 12-8-6-1 for use in funding long term care.

After June 30, 2004, and before July 1, 2005, the board of trustees of TRF shall use an amount not to exceed one hundred ninety million dollars (\$190,000,000) from the pension stabilization fund to pay the pre-1996 Indiana state teachers' retirement fund's pension liabilities for the state's fiscal year 2005.** After state fiscal year ~~2006~~; **2005**, payments from the fund will equal the pre-1996 Indiana state teachers' retirement fund pension liabilities for the current fiscal year minus the prior year's state general fund payments for the pre-1996 Indiana state teachers' retirement fund times the pension stabilization percentage. **(In state fiscal year 2006, the prior year's state general fund payments for the pre-1996 Indiana state teachers' retirement fund shall be treated as including the amount used under this section in the prior state fiscal year to pay pre-1996 Indiana state teachers' retirement fund's pension liabilities.)** The pension stabilization percentage shall be set at one hundred six percent (106%). The budget agency, after review by the state budget committee and with the approval of the governor, may change the pension stabilization percentage such that the present value of future payments from the fund equal the fund's balance plus the present value of future receipts to the fund, but the payments may not allow the fund balance to be negative.

~~(h)~~ (d) The state general fund is not liable for payment of a shortfall in expenditures, transfers, or distributions from the Indiana tobacco master settlement agreement fund or any other fund due to a delay, reduction, or cancellation of payments scheduled to be received by the state under the master settlement agreement. If such a shortfall occurs in any state fiscal year, the budget agency shall make the full transfer to the regional health facilities construction account and then reduce all remaining expenditures, transfers, and distributions affected by the shortfall.

(b) Except as otherwise provided in this chapter, a school corporation may not, for ~~an ensuing~~ a calendar year **beginning after December 31, 2004**, impose a general fund ad valorem property tax levy which exceeds the following:

STEP ONE: Determine the result of:

- (A) the school corporation's adjusted target property tax rate; minus
- (B) the school corporation's previous year property tax rate.

STEP TWO: Determine the result of:

- (A) the school corporation's target general fund property tax rate determined under IC 21-3-1.7-6.8; multiplied by
- (B) the quotient resulting from:
 - (i) the absolute value of the result of the school corporation's adjustment factor minus one (1); divided by
 - (ii) two (2).

~~STEP THREE:~~ **STEP TWO:** If the school corporation's adjusted target property tax rate:

- (A) exceeds the school corporation's previous year property tax rate, perform the calculation under ~~STEP FOUR~~ **THREE** and not under ~~STEP FIVE;~~ **FOUR;**
- (B) is less than the school corporation's previous year property tax rate, perform the calculation under ~~STEP FIVE~~ **FOUR** and not under ~~STEP FOUR;~~ **THREE;** or
- (C) equals the school corporation's previous year property tax rate, determine the levy resulting from using the school corporation's adjusted target property tax rate and do not

perform the calculation under ~~STEP FOUR~~ **THREE** or ~~STEP FIVE~~ **FOUR**.

The school corporation's 2002 assessed valuation shall be used for purposes of determining the levy under clause (C) in 2002 and in 2003.

~~STEP FOUR~~ **THREE**: Determine the levy resulting from using the school corporation's previous year property tax rate after increasing the rate by the lesser of:

- (A) the ~~STEP ONE~~ result; or

(c) For purposes of this section, "total assessed value", as adjusted under subsection (d), with respect to a school corporation means the

total assessed value of all taxable property for ad valorem property taxes first due and payable during that year.

(d) The department of local government finance may adjust the total assessed value of a school corporation to eliminate the effects of appeals and settlements arising from a statewide general reassessment of real property.

(e) The department of local government finance shall annually establish an assessment ratio and adjustment factor for each school corporation to be used upon the review and recommendation of the budget committee. The information compiled, including background documentation, may not be used in a:

STEP SEVEN: Determine the result of:

- (A) the STEP SIX amount; plus
- (B) an amount equal to the annual decrease in federal aid to impacted areas from the year preceding the ensuing calendar year by three (3) years to the year preceding the ensuing calendar year by two (2) years.

If the school corporation's assessment ratio for a year is more than ninety-nine percent (99%) but less than one hundred one percent (101%) of the state average assessment ratio for that year, the school corporation's adjustment factor is the number one (1). In all other cases, the school corporation's adjustment factor equals (1) the state average assessment ratio for a year, divided by (2) the school corporation's assessment ratio for that year. The department of local government finance shall notify the school corporation of its new adjustment factor before March 2 of the year in which the department calculates the new adjustment factor.

(b) This subsection applies in a calendar year in which a general reassessment takes effect. If the department of local government finance has not computed:

(1) a new assessment ratio for a school corporation; or

(2) a new state average assessment ratio;

the school corporation's adjustment factor is the number one (1) until the department of local government finance notifies the school corporation of the school corporation's new adjustment factor.

(6) The following apply to determine whether amounts received under this chapter have been devoted to reducing class size in kindergarten through grade 3 as required by section 3(b) of this chapter:

(A) Except as permitted under section 5.5 of this chapter, only a licensed teacher who is an actual classroom teacher in a regular instructional program is counted as a teacher.

(ii) Determine the item (i) result divided by one-tenth (0.1).

(iii) Determine the item (ii) result multiplied by three (3).

(C) If the school corporation's at-risk index is at least twenty-seven hundredths (0.27), the school corporation's target pupil teacher ratio is fifteen to one (15:1).

STEP TWO: For a calendar year beginning after December 31, 2003, determine the applicable target pupil teacher ratio for the school corporation as follows:

(A) If the school corporation's complexity index is less than one-tenth (0.1), the school corporation's target pupil teacher ratio is eighteen to one (18:1).

(B) If the school corporation's complexity index is at least one-tenth (0.1) but less than two-tenths (0.2), the school corporation's target pupil teacher ratio is fifteen (15) plus the result determined in item (iii):

(B) the school corporation's total ADM.

~~STEP FOUR:~~ **FIVE:** Determine the result of:

(A) the ~~STEP THREE~~ **FOUR** result; multiplied by

(B) the ADM of the school corporation, as determined under section 2(2) of this chapter in kindergarten through grade 3 for

the current school year.

~~STEP FIVE:~~ **SIX:** Determine the result of:

- (A) the ~~STEP FOUR FIVE~~ result; divided by
- (B) the staff cost amount.

~~STEP SIX:~~ **SEVEN:** Determine the greater of zero (0) or the result of:

- (A) the ~~STEP TWO THREE~~ amount; minus
- (B) the ~~STEP FIVE SIX~~ amount.

~~STEP SEVEN:~~ **EIGHT:** Determine the result of:

- (A) the ~~STEP SIX SEVEN~~ amount; multiplied by
- (B) the staff cost amount.

~~STEP EIGHT:~~ **NINE:** Determine the greater of the ~~STEP SEVEN~~ **EIGHT** amount or the school corporation's guaranteed amount.

- (A) the ~~STEP EIGHT NINE~~ amount; or
- (B) the amount the school corporation received under this chapter for the previous calendar year multiplied by one hundred seven and one-half percent (107.5%).

~~For 2000 calculations, the amount the school corporation received under this chapter for the previous calendar year is the 1999 calendar year allocation, before any penalty was assessed under this chapter.~~

(b) The amount received under this chapter shall be devoted to reducing class size in kindergarten through grade 3. A school corporation shall compile class size data for kindergarten through grade 3 and report the data to the department of education for purposes of maintaining compliance with this chapter.

SECTION 149. IC 21-2-15-5, AS AMENDED BY P.L.177-2002, SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 5. (a) This subsection does not apply to a school corporation that is located in a city having a population of more than one hundred five thousand (105,000) but less than one hundred twenty thousand (120,000), unless a resolution adopted under IC 6-1.1-17-5.6(d) by the governing body of the school corporation is in effect. Before a governing body may collect property taxes for a capital projects fund in a particular year, the governing body must, after January 1 and not later than September 20 of the immediately preceding year, hold a public hearing on a proposed **or amended** plan and then pass a resolution to adopt **a the proposed or amended** plan.

(b) This subsection applies only to a school corporation that is located in a city having a population of more than one hundred five thousand (105,000) but less than one hundred twenty thousand (120,000). This subsection does not apply to the school corporation if a resolution adopted under IC 6-1.1-17-5.6(d) by the governing body of the school corporation is in effect. Before the governing body of the school corporation may collect property taxes for a capital projects fund in a particular year, the governing body must, after January 1 and on or before February 1 of the immediately preceding year, hold a public hearing on a proposed **or amended** plan and then pass a resolution to adopt **a the proposed or amended** plan.

(c) The department of local government finance shall prescribe the format of the plan. A plan must apply to at least the three (3) years immediately following the year the plan is adopted. A plan must estimate for each year to which it applies the nature and amount of proposed expenditures from the capital projects fund. A plan must estimate:

- (1) the source of all revenue to be dedicated to the proposed expenditures in the upcoming calendar year; and
- (2) the amount of property taxes to be collected in that year and retained in the fund for expenditures proposed for a later year.

(d) If a hearing is scheduled under subsection (a) or (b), the governing body shall publish the proposed plan and a notice of the

hearing in accordance with IC 5-3-1-2(b).

(e) Subject to any notice and hearing requirements, a school corporation may amend a plan adopted under this chapter to include expenditures under section 4(l), 4(m), or 4(n) of this chapter.

SECTION 150. IC 21-2-15-6, AS AMENDED BY P.L.90-2002, SECTION 443, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 6. (a) The governing body shall publish a notice of the adoption **or amendment** of ~~the a~~ plan in accordance with IC 5-3-1-2(b). This publication must be made no later than twenty (20) days after the county auditor posts and publishes the notice of the school corporation's tax rate for the ensuing calendar year.

(b) In the first year that a plan is proposed, ten (10) or more taxpayers who will be affected by the adopted plan may file a petition with the county auditor of a county in which the school corporation is located not later than ten (10) days after the publication, setting forth their objections to the proposed plan. After the first year a plan is proposed, ten (10) or more taxpayers who will be affected by the adopted plan may file a petition with the county auditor of a county in which the school corporation is located not later than ten (10) days after the publication, setting forth their objections to any item in the proposed plan **or amendment to the plan** that does not concern a construction project that had previously been included in an adopted capital project fund plan. The county auditor shall immediately certify the petition to the department of local government finance.

SECTION 151. IC 21-2-15-11, AS AMENDED BY P.L.178-2002, SECTION 92, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 11. (a) **Except as provided in subsection (e)**, to provide for the capital projects fund, the governing body may, for each year in which a plan adopted under section 5 of this chapter is in effect, impose a property tax rate that does not exceed forty-one and sixty-seven hundredths cents (\$0.4167) on each one hundred dollars (\$100) of assessed valuation of the school corporation. This actual rate must be advertised in the same manner as other property tax rates.

(b) The maximum property tax rate levied by each school corporation must be adjusted each time a general reassessment of property takes effect. The adjusted property tax rate becomes the new maximum property tax rate for the levy for property taxes first due and

payable in each year:

- (1) after the general reassessment for which the adjustment was made takes effect; and
- (2) before the next general reassessment takes effect.

(c) The new maximum rate under this section is the tax rate determined under STEP SEVEN of the following formula:

STEP ONE: Determine the maximum rate for the school corporation for the year preceding the year in which the general reassessment takes effect.

STEP TWO: Determine the actual percentage increase (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value of the taxable property from the year preceding the year the general reassessment takes effect to the year that the general reassessment is effective.

STEP THREE: Determine the three (3) calendar years that immediately precede the ensuing calendar year and in which a statewide general reassessment of real property does not first become effective.

STEP FOUR: Compute separately, for each of the calendar years determined in STEP THREE, the actual percentage increase (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value of the taxable property from the preceding year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Determine the greater of the following:

- (A) Zero (0).
- (B) The result of the STEP TWO percentage minus the STEP FIVE percentage.

STEP SEVEN: Determine the quotient of the STEP ONE tax rate divided by the sum of one (1) plus the STEP SIX percentage increase.

(d) The department of local government finance shall compute the maximum rate allowed under subsection (c) and provide the rate to each school corporation.

(e) For a year in which a school corporation uses money from the school corporation's capital projects fund to pay for costs described in section 4(l) of this chapter, the school corporation may impose a property tax rate that exceeds the rate described in

subsection (a). The amount by which the property tax rate may exceed the rate described in subsection (a) equals the amount determined under **STEP THREE** of the following formula:

STEP ONE: Determine the sum of:

(A) the school corporation's expenditures under section 4(l) of this chapter for the calendar year; plus

(B) either:

(i) the school corporation's expenditures under section 4(m) of this chapter for the 2004 calendar year; or

(ii) the school corporation's expenditures under section 4(n) of this chapter for the 2005 calendar year.

STEP TWO: Determine the quotient of:

(A) the STEP ONE amount; divided by

(B) the school corporation's assessed valuation for the year.

STEP THREE: Determine the product of:

(A) the STEP TWO amount; multiplied by

(B) one hundred (100).

SECTION 152. IC 21-2-15-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 12. **(a)** Interest on the capital projects fund, including the fund's pro rata share of interest earned on the investment of total money on deposit, shall be deposited in the fund. (b) A school corporation may transfer money to or from the capital projects fund under IC 21-2-11-4(c).

SECTION 153. IC 21-2-15-13.1, AS ADDED BY P.L.178-2002, SECTION 93, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 13.1. (a) The governing body of a school corporation may adopt a resolution to transfer after June 30, 2002, and before January 1, 2003, money that is:

(1) not greater than the remainder of the amount described in ~~IC 21-3-1-7-8~~ **IC 21-3-1.7-8.2(b)** STEP TWO (C) minus the amount transferred under IC 21-2-4-7(a) and IC 21-2-11.5-5(a); and

(2) on deposit in the school corporation's capital projects fund; to the school corporation's general fund for use for any general fund

purpose.

(b) The governing body of a school corporation may adopt a resolution to transfer after December 31, 2002, and before July 1, 2003, money that is:

(1) not greater than the remainder of the amount described in ~~IC 21-3-1.7-8~~ **IC 21-3-1.7-8.2(b)** STEP TWO (D) minus the amount transferred under IC 21-2-4-7(b) and IC 21-2-11.5-5(b); and

(a) Except as provided in subsection (b), the fund may be used for one (1) or more of the purposes described in IC 20-5-62-6(4)(B), IC 20-10.1-25, IC 20-10.1-25.3, or ~~IC 21-2-15-4(d)~~ **IC 21-2-15-4(e)**.

(b) Money in the fund may not be used to purchase software programs to be used exclusively for administrative purposes, such as payroll and attendance records, personnel records, administration of insurance or pension programs, or any other similar purpose. However, if a particular software program is to be used for administrative purposes and for other purposes described in subsection (a), a portion of the cost of the software program may be paid from the fund. The portion of the cost that may be paid from the fund is the total cost of the software program multiplied by the estimated percentage of use of the software program for nonadministrative purposes.

Before April 1 of 2001 and each year thereafter, the special assistant for technology shall compile the information contained in the reports required by this section and present that compilation to the educational technology council.

SECTION 156. IC 21-3-1.6-1.1, AS AMENDED BY P.L.111-2002, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 1.1. As used in this chapter:

The initial day of the count** shall fall within the first thirty (30) days of the school term. If, however, extreme patterns of student in-migration, illness, natural disaster, or other unusual conditions in a particular school corporation's enrollment on **either the particular day thus fixed by the Indiana state board of education or on the subsequent adjustment date**, cause the enrollment to be unrepresentative of the school corporation's enrollment throughout a school year, the Indiana state board of education may designate another day for determining the school corporation's enrollment. The Indiana state board of education shall monitor changes that occur after the fall count, in the number of students enrolled in programs for children with disabilities and shall, before December 2 of that same year **and, beginning in the 2004 calendar year, before April 2 of the following**

calendar year, make an adjusted count of students enrolled in programs for children with disabilities. The superintendent of public instruction shall certify the **December** adjusted count to the budget committee before February 5 of the following year **and the April adjusted count not later than May 31 immediately after the date of the April adjusted count**. In determining the ADM, each kindergarten pupil shall be counted as one-half (1/2) pupil. Where a school corporation commences kindergarten in a school year, the ADM of the current and prior calendar years shall be adjusted to reflect the enrollment of the kindergarten pupils. In determining the ADM, each pupil enrolled in a public school and a nonpublic school is to be counted on a full-time equivalency basis as provided in section 1.2 of this chapter. ~~"Current ADM" of a school corporation, used in computing its state distribution in a calendar year means the ADM of the school year ending in the calendar year. "Prior year additional count" of a school corporation used in computing its state distribution in a calendar year means the **initial computed** additional count of the school corporation for the school year ending in the preceding calendar year.

(f) "Adjusted assessed valuation" of any school corporation used in computing state distribution for a calendar year means the assessed valuation in the school corporation, adjusted as provided in IC 6-1.1-34. The amount of the valuation shall also be adjusted downward by the department of local government finance to the extent it consists of real or personal property owned by a railroad or other corporation under the jurisdiction of a federal court under the federal bankruptcy laws (11 U.S.C. 101 et seq.) if as a result of the corporation being involved in a bankruptcy proceeding the corporation is

delinquent in payment of its Indiana real and personal property taxes for the year to which the valuation applies. If the railroad or other corporation in some subsequent calendar year makes payment of the delinquent taxes, then the state superintendent of public instruction shall prescribe adjustments in the distributions of state funds pursuant to this chapter as are thereafter to become due to a school corporation affected by the delinquency as will ensure that the school corporation will not have been unjustly enriched under the provisions of P.L.382-1987(ss). - (B) For a school corporation that has target revenue per adjusted ADM for a calendar year that is equal to the amount under STEP ONE (A) of section 6.7(d) of this chapter, determine the sum of:
 - (i) the school corporation's result under STEP ONE of section 6.7(f) of this chapter for the calendar year; plus
 - (ii) the amount of the annual decrease in federal aid to impacted areas from the year preceding the ensuing

calendar year by three (3) years to the year preceding the ensuing calendar year by two (2) years; plus (iii) the part of the maximum general fund levy for the year that equals the original amount of the levy imposed by the school corporation to cover the costs of opening a new school facility during the preceding year.

STEP TWO: Determine the sum of:

- (A) the school corporation's tuition support levy; plus
- (B) the school corporation's excise tax revenue for the year that precedes the current year by one (1) year.

STEP THREE: Determine the difference between:

- (A) the STEP ONE amount; minus
- (B) the STEP TWO amount.

(d) If the state tuition support determined for a school corporation under this section is negative, the school corporation is not entitled to any state tuition support. In addition, the school corporation's maximum general fund levy under IC 6-1.1-19-1.5 shall be reduced by the amount of the negative result.

the amount to be distributed for tuition support under this chapter to each school corporation during each of the last six (6) months of the year shall be reduced by the same dollar amount per ADM (as adjusted by IC 21-3-1.6-1.1) so that the total reductions equal the amount of the excess.

(1) Permission to the civil taxing unit to reallocate the amount set aside as a property tax replacement credit as required by IC 6-3.5-1.1 for a purpose other than property tax relief. However, whenever this occurs, the local government tax control board shall also state the amount to be reallocated.

(2) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if in the judgment of the local government tax control board the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas or persons.

(3) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December 31, 1973. Before recommending such an increase, the local government tax control board shall consider all other revenues

available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's share of the costs of operating a court for the first full calendar year in which it is in existence. (4) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and three-hundredths (1.03):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the civil taxing unit's total assessed value of all taxable property in the particular calendar year, divided by the civil taxing unit's total assessed value of all taxable property in the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the total assessed value of all taxable property of all civil taxing units in the particular calendar year, divided by the total assessed value of all taxable property of all civil taxing units in the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

In addition, before the local government tax control board may recommend the relief allowed under this subdivision, the civil taxing unit must show a need for the increased levy because of special circumstances, and the local government tax control board

must consider other sources of revenue and other means of relief.

(5) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to pay the costs of furnishing fire protection for the civil taxing unit through a volunteer fire department. For purposes of determining a township's need for an increased levy, the local government tax control board shall not consider the amount of money borrowed under IC 36-6-6-14 during the immediately preceding calendar year. However, any increase in the amount of the civil taxing unit's levy recommended by the local government tax control board under this subdivision for the ensuing calendar year may not exceed the lesser of:

(A) ten thousand dollars (\$10,000); or

(B) twenty percent (20%) of:

(i) the amount authorized for operating expenses of a volunteer fire department in the budget of the civil taxing unit for the immediately preceding calendar year; plus

(ii) the amount of any additional appropriations authorized during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department under this chapter; minus

(iii) the amount of money borrowed under IC 36-6-6-14 during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department.

(6) Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter in order to raise revenues for pension payments and contributions the civil taxing unit is required to make under IC 36-8. The maximum increase in a civil taxing unit's levy that may be recommended under this subdivision for an ensuing calendar year equals the amount, if any, by which the pension payments and contributions the civil taxing unit is required to make under IC 36-8 during the ensuing calendar year exceeds the product of one and one-tenth (1.1) multiplied by the pension payments and contributions made by the civil taxing unit under IC 36-8 during the calendar year that immediately precedes the ensuing calendar year. For purposes of this subdivision, "pension payments and

contributions made by a civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state.

(7) Permission to increase its levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the township's poor relief ad valorem property tax rate is less than one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation; and

(B) the township needs the increase to meet the costs of providing poor relief under IC 12-20 and IC 12-30-4.

The maximum increase that the board may recommend for a township is the levy that would result from an increase in the township's poor relief ad valorem property tax rate of one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation minus the township's ad valorem property tax rate per one hundred dollars (\$100) of assessed valuation before the increase.

(8) Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and

(B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services.

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population, and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that would be raised by the civil taxing unit based on a property tax rate of one cent (\$0.01) per one hundred dollars (\$100) of assessed valuation.

(9) Permission to a civil taxing unit to increase the unit's levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the civil taxing unit is:

(i) a county having a population of more than one hundred forty-eight thousand (148,000) but less than one hundred seventy thousand (170,000);

(ii) a city having a population of more than fifty-five thousand (55,000) but less than fifty-nine thousand (59,000);

(iii) a city having a population of more than twenty-eight thousand seven hundred (28,700) but less than twenty-nine thousand (29,000);

(iv) a city having a population of more than fifteen thousand four hundred (15,400) but less than sixteen thousand six hundred (16,600); or

(v) a city having a population of more than seven thousand (7,000) but less than seven thousand three hundred (7,300); and

(B) the increase is necessary to provide funding to undertake removal (as defined in IC 13-11-2-187) and remedial action (as defined in IC 13-11-2-185) relating to hazardous substances (as defined in IC 13-11-2-98) in solid waste disposal facilities or industrial sites in the civil taxing unit that have become a menace to the public health and welfare.

The maximum increase that the local government tax control board may recommend for such a civil taxing unit is the levy that would result from a property tax rate of six and sixty-seven hundredths cents (\$0.0667) for each one hundred dollars (\$100) of assessed valuation. For purposes of computing the ad valorem property tax levy limit imposed on a civil taxing unit under section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular year does not include that part of the levy imposed under this subdivision. In addition, a property tax increase permitted under this subdivision may be imposed for only two (2) calendar years.

(10) Permission for a county:

(A) having a population of more than eighty thousand (80,000) but less than ninety thousand (90,000) to increase the county's levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the county needs the increase to meet the county's share of

the costs of operating a jail or juvenile detention center, including expansion of the facility, if the jail or juvenile detention center is opened after December 31, 1991;

(B) that operates a county jail or juvenile detention center that is subject to an order that:

(i) was issued by a federal district court; and

(ii) has not been terminated;

(C) that operates a county jail that fails to meet:

(i) American Correctional Association Jail Construction Standards; and

(ii) Indiana jail operation standards adopted by the department of correction; or

(D) that operates a juvenile detention center that fails to meet standards equivalent to the standards described in clause (C) for the operation of juvenile detention centers.

Before recommending an increase, the local government tax control board shall consider all other revenues available to the county that could be applied for that purpose. An appeal for operating funds for a jail or a juvenile detention center shall be considered individually, if a jail and juvenile detention center are both opened in one (1) county. The maximum aggregate levy increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or a juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

(11) Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second

time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

(12) Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township has been required, for the three (3) consecutive years preceding the year for which the appeal under this subdivision is to become effective, to borrow funds under IC 36-6-6-14 to furnish fire protection for the township or a part of the township. However, the maximum increase in a township's levy that may be allowed under this subdivision is the least of the amounts borrowed under IC 36-6-6-14 during the preceding three (3) calendar years. A township may elect to phase in an approved increase in its levy under this subdivision over a period not to exceed three (3) years. A particular township may appeal to increase its levy under this section not more frequently than every fourth calendar year.

(13) Permission to a city having a population of more than twenty-nine thousand (29,000) but less than thirty-one thousand (31,000) to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) an appeal was granted to the city under subdivision (1) in 1998, 1999, and 2000; and

(B) the increase has been approved by the legislative body of the city, and the legislative body of the city has by resolution determined that the increase is necessary to pay normal operating expenses.

The maximum amount of the increase is equal to the amount of property tax replacement credits under IC 6-3.5-1.1 that the city petitioned to have reallocated in 2001 under subdivision (1) for a purpose other than property tax relief.

SECTION 247. IC 6-3.5-6-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 13. (a) A county income tax council of a county in which the county option income tax is in effect may adopt an ordinance to increase the percentage credit allowed for homesteads in its county under IC 6-1.1-20.9-2.

(b) A county income tax council may not increase the percentage credit allowed for homesteads by an amount that exceeds ~~eight percent (8%)~~: **the amount determined in the last STEP of the following formula:**

STEP ONE: Determine the amount of the sum of all property tax levies for all taxing units in a county which are to be paid in the county in 2003 as reflected by the auditor's abstract for the 2002 assessment year, adjusted, however, for any postabstract adjustments which change the amount of the levies.

STEP TWO: Determine the amount of the county's estimated property tax replacement under IC 6-1.1-21-3(a) for property taxes first due and payable in 2003.

STEP THREE: Subtract the STEP TWO amount from the STEP ONE amount.

STEP FOUR: Determine the amount of the county's total county levy (as defined in IC 6-1.1-21-2(g)) for property taxes first due and payable in 2003.

STEP FIVE: Subtract the STEP FOUR amount from the STEP ONE amount.

STEP SIX: Subtract the STEP FIVE result from the STEP THREE result.

STEP SEVEN: Divide the STEP THREE result by the STEP SIX result.

STEP EIGHT: Multiply the STEP SEVEN result by eight-hundredths (0.08).

STEP NINE: Round the STEP EIGHT product to the nearest one thousandth and express the result as a percentage.

(c) The increase of the homestead credit percentage must be uniform for all homesteads in a county.

(d) In the ordinance that increases the homestead credit percentage, a county income tax council may provide for a series of increases or decreases to take place for each of a group of succeeding calendar years.

(e) An ordinance may be adopted under this section after January 1 but before June 1 of a calendar year.

(f) An ordinance adopted under this section takes effect on January 1 of the next succeeding calendar year.

(g) Any ordinance adopted under this section for a county is repealed for a year if on January 1 of that year the county option income tax is not in effect.

SECTION 248. [EFFECTIVE UPON PASSAGE] (a) Notwithstanding IC 6-3.5-6-13, as amended by this act, or any other law, a county income tax council of a county in which the county option income tax is in effect may adopt an ordinance to increase the percentage credit allowed for homesteads in its county under IC 6-1.1-20.9-2 for property taxes first due and payable in 2003 and each year thereafter.

(b) An ordinance may be adopted under this SECTION before July 1, 2003.

(c) Property tax statements mailed under IC 6-1.1-22 before July 1, 2003, in a county adopting an ordinance under this SECTION are superseded by property tax statements recalculated to implement this SECTION.

(d) The department of local government finance shall assist a county adopting an ordinance under this SECTION in implementing this SECTION.

(e) This SECTION expires January 1, 2004.

SECTION 249. IC 6-9-10-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. (a) For purposes of this section, "person" includes a sole proprietorship, a partnership, an association, a corporation, a limited liability company, a fiduciary, or an individual.

(b) The board may:

- (1) accept and use gifts, grants, and contributions from any public or private source, under terms and conditions which the board deems necessary and desirable;
- (2) sue and be sued;
- (3) enter into contracts and agreements;
- (4) make rules and regulations necessary for the conduct of its business and the accomplishment of its purposes; ~~and~~
- (5) receive and approve, alter, or reject requests and proposals for funding by organizations; **and**

(6) either:

(A) finance facilities; or

(B) enter into contracts with a person to assist in the

financing of facilities;

to be used by the board or a person to promote the development and growth of the convention and tourism industry in the county.

(c) By resolution of the board and by ordinance of the county fiscal body, the board and the county may jointly:

(1) pledge tax revenues received under this chapter to pay:

(A) the principal of or interest on bonds;

(B) the lease rental payments on leases; or

(C) other obligations of the county;

to finance facilities described in subsection (b)(6); or

(2) require financial or other reports from:

(A) any organization that receives funds under this chapter; or

(B) any person who receives assistance to finance facilities under this chapter.

(d) The board may pledge tax revenues received under this chapter to pay the interest on obligations entered into by a person with whom the board has entered into a contract to assist in financing facilities under subsection (b)(6).

(e) A pledge of revenues under this section is enforceable under IC 5-1-14-4.

SECTION 250. IC 6-9-10-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6. (a) There is imposed a tax on every person engaged in the business of renting or furnishing, for periods of less than thirty (30) days, any room or rooms, lodging, or accommodations in any hotel, motel, inn, university residence hall, tourist camp, or tourist cabin located in the county. However, the tax is not imposed on the renting or furnishing of rooms, lodgings, or accommodations to a person for a period of thirty (30) days or more, or on the renting or furnishing of any room, lodging, or accommodations in a university or college residence hall to a student participating in a course of study for which the student receives college credit from a college or university located in the county.

(b) The tax shall be imposed at the rate of three percent (3%) on the gross income derived from lodging income only. **Except as provided in subsection (g)**, the fiscal body of the county may increase the tax rate up to a maximum rate of five percent (5%). The tax is in addition

to the state gross retail tax imposed on such persons by IC 6-2.5.

(c) The county fiscal body may adopt an ordinance to require that the tax be reported on forms approved by the county treasurer and that the tax shall be paid monthly to the county treasurer. If such an ordinance is adopted, the tax shall be paid to the county treasurer not more than twenty (20) days after the end of the month the tax is collected. If such an ordinance is not adopted, the tax shall be imposed, paid, and collected in exactly the same manner as the state gross retail tax is imposed, paid, and collected pursuant to IC 6-2.5.

(d) All of the provisions of IC 6-2.5 relating to rights, duties, liabilities, procedures, penalties, definitions, exemptions, and administration shall be applicable to the imposition and administration of the tax imposed by this section except to the extent such provisions are in conflict or inconsistent with the specific provisions of this chapter or the requirements of the county treasurer. Specifically, and not in limitation of the foregoing sentence, the terms "person" and "gross income" have the same meaning in this section as they have in IC 6-2.5, except that "person" does not include state supported educational institutions.

(e) If the tax is paid to the department of state revenue, the returns to be filed for the payment of the tax under this section may be either a separate return or may be combined with the return filed for the payment of the state gross retail tax, as the department of state revenue may by rule determine.

(f) If the tax is paid to the department of state revenue, the amounts received from such tax shall be paid quarterly by the treasurer of state to the county treasurer upon warrants issued by the auditor of state.

(g) In addition to the rates authorized in subsection (b), the county fiscal body may adopt an ordinance to increase the tax by an additional rate of one percent (1%) on the gross income derived from lodging income, up to a maximum rate of six percent (6%), only to provide funds for the purposes described in section 5(b)(6) of this chapter.

(h) A tax rate imposed under subsection (g) may not be imposed for a time greater than is necessary to:

- (1) pay the costs of financing facilities; or**
- (2) assist a person with whom the board has contracted to finance facilities;**

described in section 5(b)(6) of this chapter.

(i) The county fiscal body may not take action to rescind the additional tax imposed under subsection (g) if:

- (1) the principal of or interest on any bonds;**
- (2) the lease rentals due under any leases; or**
- (3) any other obligation;**

remains unpaid.

SECTION 251. IC 6-9-10-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. **(a) The county treasurer shall establish a convention and tourism fund and shall deposit in the fund all money he the county treasurer receives under section 6 of this chapter.**

(b) The county treasurer shall establish an account of the fund into which the treasurer shall deposit all tax revenues received from the imposition of the additional tax rate under section 6(g) of this chapter. Money in the account shall be expended to pay:

- (1) debt service on bonds issued by the county to finance facilities described in section 5(b)(6) of this chapter; or**
- (2) interest on obligations entered into by a person with whom the board has entered into a contract to assist in financing facilities described in section 5(b)(6) of this chapter.**

(c) Money in the fund shall be expended by the board to develop and promote the convention and tourism industry.

SECTION 252. IC 6-9-10-9 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 9. **(a) A county described in section 1 of this chapter has been presented a unique opportunity to enter into a public-private partnership to develop conference facilities that will serve to develop and promote the convention and tourism industry in the county.**

(b) A county described in section 1 of this chapter is uniquely positioned to develop and promote its convention and tourism industry due to its geographic location as a gateway to the state and the presence of at least two (2) national highways traversing its boundaries.

SECTION 253. IC 6-9-10-10 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. **With respect to:**

- (1) bonds, leases, or other obligations for which the county has pledged tax revenues under section 5 of this chapter; or**
- (2) bonds issued by a lessor that are payable from lease rentals;**

the general assembly covenants with the county, the purchasers or owners of the bonds or other obligations described in subdivision (1), and the owners of bonds described in subdivision (2) that this chapter will not be repealed or amended in any manner that will adversely affect the imposition or collection of the tax imposed under this chapter if the principal of any bonds, the interest on any bonds, or the lease rentals due under any lease remain unpaid.

SECTION 254. IC 6-3.5-7-5, AS AMENDED BY P.L.192-2002(ss), SECTION 121, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 5. (a) Except as provided in subsection (c), the county economic development income tax may be imposed on the adjusted gross income of county taxpayers. The entity that may impose the tax is:

- (1) the county income tax council (as defined in IC 6-3.5-6-1) if the county option income tax is in effect on January 1 of the year the county economic development income tax is imposed;
- (2) the county council if the county adjusted gross income tax is in effect on January 1 of the year the county economic development tax is imposed; or
- (3) the county income tax council or the county council, whichever acts first, for a county not covered by subdivision (1) or (2).

To impose the county economic development income tax, a county income tax council shall use the procedures set forth in IC 6-3.5-6 concerning the imposition of the county option income tax.

(b) Except as provided in subsections (c), (g), (k), ~~and~~ (p), **and (r)** the county economic development income tax may be imposed at a rate of:

- (1) one-tenth percent (0.1%);
- (2) two-tenths percent (0.2%);
- (3) twenty-five hundredths percent (0.25%);
- (4) three-tenths percent (0.3%);
- (5) thirty-five hundredths percent (0.35%);
- (6) four-tenths percent (0.4%);

(7) forty-five hundredths percent (0.45%); or

(8) five-tenths percent (0.5%);

on the adjusted gross income of county taxpayers.

(c) Except as provided in subsection (h), (i), (j), (k), (l), (m), (n), (o), or (p), the county economic development income tax rate plus the county adjusted gross income tax rate, if any, that are in effect on January 1 of a year may not exceed one and twenty-five hundredths percent (1.25%). Except as provided in subsection (g) or (p), the county economic development tax rate plus the county option income tax rate, if any, that are in effect on January 1 of a year may not exceed one percent (1%).

(d) To impose, increase, decrease, or rescind the county economic development income tax, the appropriate body must, after January 1 but before April 1 of a year, adopt an ordinance. The ordinance to impose the tax must substantially state the following:

"The _____ County _____ imposes the county economic development income tax on the county taxpayers of _____ County. The county economic development income tax is imposed at a rate of _____ percent (____%) on the county taxpayers of the county. This tax takes effect July 1 of this year."

(e) Any ordinance adopted under this chapter takes effect July 1 of the year the ordinance is adopted.

(f) The auditor of a county shall record all votes taken on ordinances presented for a vote under the authority of this chapter and shall, not more than ten (10) days after the vote, send a certified copy of the results to the commissioner of the department by certified mail.

(g) This subsection applies to a county having a population of more than one hundred forty-eight thousand (148,000) but less than one hundred seventy thousand (170,000). Except as provided in subsection (p), in addition to the rates permitted by subsection (b), the:

(1) county economic development income tax may be imposed at a rate of:

(A) fifteen-hundredths percent (0.15%);

(B) two-tenths percent (0.2%); or

(C) twenty-five hundredths percent (0.25%); and

(2) county economic development income tax rate plus the county option income tax rate that are in effect on January 1 of a year may equal up to one and twenty-five hundredths percent (1.25%);

if the county income tax council makes a determination to impose rates under this subsection and section 22 of this chapter.

(h) For a county having a population of more than forty-one thousand (41,000) but less than forty-three thousand (43,000), except as provided in subsection (p), the county economic development income tax rate plus the county adjusted gross income tax rate that are in effect on January 1 of a year may not exceed one and thirty-five hundredths percent (1.35%) if the county has imposed the county adjusted gross income tax at a rate of one and one-tenth percent (1.1%) under IC 6-3.5-1.1-2.5.

(i) For a county having a population of more than thirteen thousand five hundred (13,500) but less than fourteen thousand (14,000), except as provided in subsection (p), the county economic development income tax rate plus the county adjusted gross income tax rate that are in effect on January 1 of a year may not exceed one and fifty-five hundredths percent (1.55%).

(j) For a county having a population of more than seventy-one thousand (71,000) but less than seventy-one thousand four hundred (71,400), except as provided in subsection (p), the county economic development income tax rate plus the county adjusted gross income tax rate that are in effect on January 1 of a year may not exceed one and five-tenths percent (1.5%).

(k) This subsection applies to a county having a population of more than twenty-seven thousand four hundred (27,400) but less than twenty-seven thousand five hundred (27,500). Except as provided in subsection (p), in addition to the rates permitted under subsection (b):

- (1) the county economic development income tax may be imposed at a rate of twenty-five hundredths percent (0.25%); and
- (2) the sum of the county economic development income tax rate and the county adjusted gross income tax rate that are in effect on January 1 of a year may not exceed one and five-tenths percent (1.5%);

if the county council makes a determination to impose rates under this subsection and section 22.5 of this chapter.

(l) For a county having a population of more than twenty-nine thousand (29,000) but less than thirty thousand (30,000), except as provided in subsection (p), the county economic development income tax rate plus the county adjusted gross income tax rate that are in effect

on January 1 of a year may not exceed one and five-tenths percent (1.5%).

(m) For:

(1) a county having a population of more than one hundred eighty-two thousand seven hundred ninety (182,790) but less than two hundred thousand (200,000); or

(2) a county having a population of more than forty-five thousand (45,000) but less than forty-five thousand nine hundred (45,900); except as provided in subsection (p), the county economic development income tax rate plus the county adjusted gross income tax rate that are in effect on January 1 of a year may not exceed one and five-tenths percent (1.5%).

(n) For a county having a population of more than six thousand (6,000) but less than eight thousand (8,000), except as provided in subsection (p), the county economic development income tax rate plus the county adjusted gross income tax rate that are in effect on January 1 of a year may not exceed one and five-tenths percent (1.5%).

(o) This subsection applies to a county having a population of more than thirty-nine thousand (39,000) but less than thirty-nine thousand six hundred (39,600). Except as provided in subsection (p), in addition to the rates permitted under subsection (b):

(1) the county economic development income tax may be imposed at a rate of twenty-five hundredths percent (0.25%); and

(2) the sum of the county economic development income tax rate and:

(A) the county adjusted gross income tax rate that are in effect on January 1 of a year may not exceed one and five-tenths percent (1.5%); or

(B) the county option income tax rate that are in effect on January 1 of a year may not exceed one and twenty-five hundredths percent (1.25%);

if the county council makes a determination to impose rates under this subsection and section 24 of this chapter.

(p) In addition:

(1) the county economic development income tax may be imposed at a rate that exceeds by not more than twenty-five hundredths percent (0.25%) the maximum rate that would otherwise apply under this section; and

(2) the:

(A) county economic development income tax; and

(B) county option income tax or county adjusted gross income tax;

may be imposed at combined rates that exceed by not more than twenty-five hundredths percent (0.25%) the maximum combined rates that would otherwise apply under this section.

However, the additional rate imposed under this subsection may not exceed the amount necessary to mitigate the increased ad valorem property taxes on homesteads (as defined in IC 6-1.1-20.9-1) resulting from the deduction of the assessed value of inventory in the county under IC 6-1.1-12-41 or IC 6-1.1-12-42.

(q) If the county economic development income tax is imposed as authorized under subsection (p) at a rate that exceeds the maximum rate that would otherwise apply under this section, the certified distribution must be used for the purpose provided in section 25(e) or 26 of this chapter to the extent that the certified distribution results from the difference between:

(1) the actual county economic development tax rate; and

(2) the maximum rate that would otherwise apply under this section.

(r) This subsection applies only to a county described in section 27 of this chapter. Except as provided in subsection (p), in addition to the rates permitted by subsection (b), the:

(1) county economic development income tax may be imposed at a rate of twenty-five hundredths percent (0.25%); and

(2) county economic development income tax rate plus the county option income tax rate that are in effect on January 1 of a year may equal up to one and twenty-five hundredths percent (1.25%);

if the county council makes a determination to impose rates under this subsection and section 27 of this chapter.

SECTION 255. IC 6-3.5-7-12, AS AMENDED BY P.L.192-2002(ss), SECTION 122, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 12. (a) Except as provided in sections 23, 25, ~~and 26, and 27~~ of this chapter, the county auditor shall distribute in the manner specified in this section the certified distribution to the county.

(b) Except as provided in subsections (c) and (h) and sections 15 and 25 of this chapter, the amount of the certified distribution that the county and each city or town in a county is entitled to receive during May and November of each year equals the product of the following:

(1) The amount of the certified distribution for that month; multiplied by

(2) A fraction. The numerator of the fraction equals the sum of the following:

(A) Total property taxes that are first due and payable to the county, city, or town during the calendar year in which the month falls; plus

(B) For a county, an amount equal to:

(i) the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; plus

(ii) after December 31, 2004, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2004, adjusted each year after 2004 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county.

The denominator of the fraction equals the sum of the total property taxes that are first due and payable to the county and all cities and towns of the county during the calendar year in which the month falls, plus an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund, and after December 31, 2004, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2004, adjusted each year after 2004 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county.

(c) This subsection applies to a county council or county income tax council that imposes a tax under this chapter after June 1, 1992.  - (3) The ordinance may be made irrevocable for the duration of specified lease rental or debt service payments.

- (1) The county.
 - (2) A city or town in the county.
 - (3) A commission, a board, a department, or an authority that is authorized by statute to pledge the county economic development income tax.

SECTION 257. IC 6-3.5-7-27 IS ADDED TO THE INDIANA

CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 27. (a) This section applies to a county that:**

- (1) operates a courthouse that is subject to an order that:**
 - (A) is issued by a federal district court;**
 - (B) applies to an action commenced before January 1, 2003; and**
 - (C) requires the county to comply with the American with Disabilities Act; and**
- (2) has insufficient revenues to finance the construction, acquisition, improvement, renovation, equipping, and operation of the courthouse facilities and related facilities.**

(b) A county described in this section possesses unique fiscal challenges in financing, renovating, equipping, and operating the county courthouse facilities and related facilities because the county consistently has one of the highest unemployment rates in Indiana. Maintaining low property tax rates is essential to economic development in the county. The use of economic development income tax revenues under this section for the purposes described in subsection (c) promotes that purpose.

(c) In addition to actions authorized by section 5 of this chapter, a county council may, using the procedures set forth in this chapter, adopt an ordinance to impose an additional county economic development income tax on the adjusted gross income of county taxpayers. The ordinance imposing the additional tax must include a finding that revenues from additional tax are needed to pay the costs of:

- (1) constructing, acquiring, improving, renovating, equipping, or operating the county courthouse or related facilities;**
- (2) repaying any bonds issued, or leases entered into, for constructing, acquiring, improving, renovating, equipping, or operating the county courthouse or related facilities; and**
- (3) economic development projects described in the county's capital improvement plan.**

(d) The tax rate imposed under this section may not exceed twenty-five hundredths percent (0.25%).

(e) If the county council adopts an ordinance to impose an additional tax under this section, the county auditor shall immediately send a certified copy of the ordinance to the

department by certified mail. The county treasurer shall establish a county facilities revenue fund to be used only for the purposes described in subsection (c)(1) and (c)(2). The amount of county economic development income tax revenues derived from the tax rate imposed under this section that are necessary to pay the costs described in subsection (c)(1) and (c)(2) shall be deposited into the county facilities revenue fund before a certified distribution is made under section 12 of this chapter. The remainder shall be deposited into the economic development income tax funds of the county's units.

(f) County economic development income tax revenues derived from the tax rate imposed under this section may not be used for purposes other than those described in this section.

(g) County economic development income tax revenues derived from the tax rate imposed under this section that are deposited into the county facilities revenue fund may not be considered by the department of local government finance in determining the county's ad valorem property tax levy for an ensuing calendar year under IC 6-1.1-18.5.

(h) Notwithstanding section 5 of this chapter, and ordinance may be adopted under this section at any time. If the ordinance is adopted before June 1 of a year, a tax rate imposed under this section takes effect July 1 of that year. If the ordinance is adopted after May 31 of a year, a tax rate imposed under this section takes effect on the January 1 immediately following adoption of the ordinance.

(i) For a county adopting an ordinance before June 1 in a year, in determining the certified distribution under section 11 of this chapter for the calendar year beginning with the immediately following January 1 and each calendar year thereafter, the department shall take into account the certified ordinance mailed to the department under subsection (e). For a county adopting an ordinance after May 31, the department shall issue an initial or revised certified distribution for the calendar year beginning with the immediately following January 1. Except for a county adopting an ordinance after May 31, a county's certified distribution shall be distributed on the dates specified under section 16 of this chapter. In the case of a county adopting an ordinance after May 31, the county, beginning with the calendar year beginning on the

immediately following January 1, shall receive the entire certified distribution for the calendar year on November 1 of the year.

(j) Notwithstanding any other law, funds accumulated from the county economic development income tax imposed under this section and deposited into the the county facilities revenue fund or any other revenues of the county may be deposited into a nonreverting fund of the county to be used for operating costs of the courthouse facilities, juvenile detention facilities, or related facilities. Amounts in the county nonreverting fund may not be used by the department of local government finance to reduce the county's ad valorem property tax levy for an ensuing calendar year under IC 6-1.1-18.5.

SECTION 258. IC 6-3.5-7-22.5, AS AMENDED BY P.L.90-2002, SECTION 299, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 22.5. (a) This section applies to a county having a population of more than twenty-seven thousand four hundred (27,400) but less than twenty-seven thousand five hundred (27,500).

(b) In addition to the rates permitted by section 5 of this chapter, the county council may impose the county economic development income tax at a rate of twenty-five hundredths percent (0.25%) on the adjusted gross income of county taxpayers if the county council makes the finding and determination set forth in subsection (c).

(c) In order to impose the county economic development income tax as provided in this section, the county council must adopt an ordinance finding and determining that revenues from the county economic development income tax are needed to pay the costs of:

(1) financing ~~constructing, acquiring, renovating, and equipping the county courthouse~~ and renovating the former county hospital for additional office space, educational facilities, nonsecure juvenile facilities, and other county functions, including the repayment of bonds issued, or leases entered into for ~~constructing, acquiring, renovating, and equipping the county courthouse~~ and renovating the former county hospital for additional office space, educational facilities, nonsecure juvenile facilities, and other county functions;

(3) financing constructing, acquiring, and renovating firefighting apparatus or other related equipment for a volunteer fire department (as defined in IC 36-8-12-2) that provides services in any part of the county.

The revenues from the county economic development income tax imposed under this section may not be used to pay the costs of financing constructing, acquiring, renovating, and equipping the county courthouse.

(d) If the county council makes a determination under subsection (c), the county council may adopt a tax rate under subsection (b). The tax rate may not be imposed at a rate or for a time greater than is necessary to pay ~~the costs of financing, constructing, acquiring, renovating, and equipping the county courthouse and renovating the former county hospital for additional office space; educational facilities; nonsecure juvenile facilities; and other county functions.~~ **for the purposes described in this section.**

(e) The county treasurer shall establish a county ~~courthouse~~ **option tax** revenue fund to be used only for the purposes described in this section. County economic development income tax revenues derived from the tax rate imposed under this section shall be deposited in the county ~~courthouse~~ **option tax** revenue fund before making a certified distribution under section 11 of this chapter.

(f) County economic development income tax revenues derived from the tax rate imposed under this section:

- (1) may only be used for the purposes described in this section;
- (2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5; and
- (3) may be pledged to the repayment of bonds issued, or leases entered into, for the purposes described in subsection (c).

(g) A county described in subsection (a) possesses:

- (1) unique fiscal challenges to finance the operations of county government due to the county's ongoing obligation to repay amounts received by the county due to an overpayment of the county's certified distribution under IC 6-3.5-1.1-9 for a prior year; and

(2) unique capital financing needs due to the imminent transfer from the governing board of the county hospital of facilities no longer needed for hospital purposes and the need to undertake immediate improvements in order to make those facilities suitable for use by the county for additional office space, educational facilities, nonsecure juvenile facilities, and other county functions: **related to the purposes described in subsection (c).**

(3) the employment of personnel or the ownership or rental of property at or in conjunction with the qualified airport development project; or

SECTION 269. IC 36-7-14-25.1, AS AMENDED BY P.L.90-2002, SECTION 473, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 25.1. (a) In addition to other methods of raising money for property acquisition or redevelopment in a blighted area, and in anticipation of the special tax to be levied under section 27 of this chapter, the taxes allocated under section 39 of this chapter, or other revenues of the district, or any combination of these sources, the redevelopment commission may, by resolution **and subject to subsection (p)**, issue the bonds of the special taxing district in the name of the unit. The amount of the bonds may not exceed the total, as estimated by the commission, of all expenses reasonably incurred in connection with the acquisition and redevelopment of the property, including:

(1) the total cost of all land, rights-of-way, and other property to be acquired and redeveloped;

(2) all reasonable and necessary architectural, engineering, legal,

financing, accounting, advertising, bond discount, and supervisory expenses related to the acquisition and redevelopment of the property or the issuance of bonds;

(3) capitalized interest permitted by this chapter and a debt service reserve for the bonds to the extent the redevelopment commission determines that a reserve is reasonably required; and

(4) expenses that the redevelopment commission is required or permitted to pay under IC 8-23-17.

(b) If the redevelopment commission plans to acquire different parcels of land or let different contracts for redevelopment work at approximately the same time, whether under one (1) or more resolutions, the commission may provide for the total cost in one (1) issue of bonds.

(c) The bonds must be dated as set forth in the bond resolution and negotiable, subject to the requirements of the bond resolution for registering the bonds. The resolution authorizing the bonds must state:

(1) the denominations of the bonds;

(2) the place or places at which the bonds are payable; and

(3) the term of the bonds, which may not exceed fifty (50) years.

The resolution may also state that the bonds are redeemable before maturity with or without a premium, as determined by the redevelopment commission.

(d) The redevelopment commission shall certify a copy of the resolution authorizing the bonds to the municipal or county fiscal officer, who shall then prepare the bonds, **subject to subsection (p)**. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(e) The bonds must be executed by the appropriate officer of the unit, and attested by the municipal or county fiscal officer.

(f) The bonds are exempt from taxation for all purposes.

(g) The municipal or county fiscal officer shall give notice of the sale of the bonds by publication in accordance with IC 5-3-1. The municipal fiscal officer, or county fiscal officer or executive, shall sell the bonds to the highest bidder, but may not sell them for less than ninety-seven percent (97%) of their par value. However, bonds payable solely or in part from tax proceeds allocated under section 39(b)(2) of this chapter, or other revenues of the district may be sold at a private negotiated sale.

(h) Except as provided in subsection (i), a redevelopment commission may not issue the bonds when the total issue, including bonds already issued and to be issued, exceeds two percent (2%) of the adjusted value of the taxable property in the special taxing district, as determined under IC 36-1-15.

(i) The bonds are not a corporate obligation of the unit but are an indebtedness of the taxing district. The bonds and interest are payable, as set forth in the bond resolution of the redevelopment commission:

- (1) from a special tax levied upon all of the property in the taxing district, as provided by section 27 of this chapter;
- (2) from the tax proceeds allocated under section 39(b)(2) of this chapter;
- (3) from other revenues available to the redevelopment commission; or
- (4) from a combination of the methods stated in subdivisions (1) through (3).

If the bonds are payable solely from the tax proceeds allocated under section 39(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources, they may be issued in any amount without limitation.

(j) Proceeds from the sale of bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issuance.

(k) All laws relating to the giving of notice of the issuance of bonds, the giving of notice of a hearing on the appropriation of the proceeds of the bonds, the right of taxpayers to appear and be heard on the proposed appropriation, and the approval of the appropriation by the department of local government finance apply to all bonds issued under this chapter that are payable from the special benefits tax levied pursuant to section 27 of this chapter or from taxes allocated under section 39 of this chapter.

(l) All laws relating to the filing of petitions requesting the issuance of bonds and the right of taxpayers to remonstrate against the issuance of bonds apply to bonds issued under this chapter, except for bonds payable solely from tax proceeds allocated under section 39(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources.

(m) If a debt service reserve is created from the proceeds of bonds,

the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(n) Any amount remaining in the debt service reserve after all of the bonds of the issue for which the debt service reserve was established have matured shall be deposited in the allocation fund established under section 39(b)(2) of this chapter.

(o) If bonds are issued under this chapter that are payable solely or in part from revenues to the redevelopment commission from a project or projects, the redevelopment commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects, but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the redevelopment commission. The redevelopment commission may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the redevelopment commission that are payable solely from revenues of the commission shall contain a statement to that effect in the form of bond.

(p) If the total principal amount of bonds authorized by a resolution of the redevelopment commission is equal to or greater than three million dollars (\$3,000,000), the bonds may not be issued without the approval, by resolution, of the legislative body of the unit.

A copy of the list also shall be distributed to the department of commerce for use under IC 4-4-20.

Sec. 2. (a) The authority may adopt a resolution designating an industrial development project as a tax allocation project if the industrial development project is located in an area that is designated in the latest report issued under section 1 of this chapter as a distressed area. The authority shall designate in the resolution the boundaries of the tax allocation project area. The resolution designating a tax allocation project must provide for:

(1) allocation of covered taxes attributable to a taxable event or covered taxes earned in the tax allocation project area to an industrial development project area fund established for the industrial development project;

(2) use of money in the industrial development project area

fund solely for payments related to bonds, loans, or leases issued under this article to pay for the costs of the project; and

Sec. 3. Subject to the approval of the budget agency under section 4 of this chapter, a resolution adopted under section 2 of this chapter authorizes the allocation of the following covered taxes (in excess of the base allocation amount and not exceeding an amount that will result in an allocation in the county from all industrial development projects in the county of not more than five hundred thousand dollars (\$500,000)) to the industrial development project area fund for an industrial development project:

(f) With respect to new manufacturing equipment and new research and development equipment installed before March 2, 2001, the deduction under this section is the amount that causes the net assessed value of the property after the application of the deduction under this section to equal the net assessed value after the application of the

deduction under this section that results from computing:

- (1) the deduction under this section as in effect on March 1, 2001; and
- (2) the assessed value of the property under 50 IAC 4.2, as in effect on March 1, 2001, or, in the case of property subject to IC 6-1.1-8, 50 IAC 5.1, as in effect on March 1, 2001.

(g) For an economic revitalization area designated before July 1, 2000, the designating body shall determine whether a property owner whose statement of benefits is approved after April 30, 1991, is entitled to a deduction for five (5) or ten (10) years. For an economic revitalization area designated after June 30, 2000, the designating body shall determine the number of years the deduction is allowed. However, the deduction may not be allowed for more than ten (10) years. This determination shall be made:

- (1) as part of the resolution adopted under section 2.5 of this chapter; or
- (2) by resolution adopted within sixty (60) days after receiving a copy of a property owner's certified deduction application from the ~~department of local government finance~~ **county auditor**. A certified copy of the resolution shall be sent to the county auditor.

A determination about the number of years the deduction is allowed that is made under subdivision (1) is final and may not be changed by following the procedure under subdivision (2).

(h) The owner of new manufacturing equipment that is directly used to dispose of hazardous waste is not entitled to the deduction provided by this section for a particular assessment year if during that assessment year the owner:

- (1) is convicted of a violation under IC 13-7-13-3 (repealed), IC 13-7-13-4 (repealed), or IC 13-30-6; or
- (2) is subject to an order or a consent decree with respect to property located in Indiana based on a violation of a federal or state rule, regulation, or statute governing the treatment, storage, or disposal of hazardous wastes that had a major or moderate potential for harm.

SECTION 9. IC 6-1.1-12.1-5, AS AMENDED BY P.L.90-2002, SECTION 122, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 5. (a) A property owner who desires to obtain the deduction provided by section 3 of this chapter must file

a certified deduction application, on forms prescribed by the department of local government finance, with the auditor of the county in which the property is located. Except as otherwise provided in subsection (b) or (e), the deduction application must be filed before May 10 of the year in which the addition to assessed valuation is made.

(b) If notice of the addition to assessed valuation or new assessment for any year is not given to the property owner before April 10 of that year, the deduction application required by this section may be filed not later than thirty (30) days after the date such a notice is mailed to the property owner at the address shown on the records of the township assessor.

(c) The deduction application required by this section must contain the following information:

- (1) The name of the property owner.
- (2) A description of the property for which a deduction is claimed in sufficient detail to afford identification.
- (3) The assessed value of the improvements before rehabilitation.
- (4) The increase in the assessed value of improvements resulting from the rehabilitation.
- (5) The assessed value of the new structure in the case of redevelopment.
- (6) The amount of the deduction claimed for the first year of the deduction.
- (7) If the deduction application is for a deduction in a residentially distressed area, the assessed value of the improvement or new structure for which the deduction is claimed.

(d) A deduction application filed under subsection (a) or (b) is applicable for the year in which the addition to assessed value or assessment of a new structure is made and in the following years the deduction is allowed without any additional deduction application being filed. However, property owners who had an area designated an urban development area pursuant to a deduction application filed prior to January 1, 1979, are only entitled to a deduction for a five (5) year period. In addition, property owners who are entitled to a deduction under this chapter pursuant to a deduction application filed after December 31, 1978, and before January 1, 1986, are entitled to a deduction for a ten (10) year period.

(e) A property owner who desires to obtain the deduction provided

by section 3 of this chapter but who has failed to file a deduction application within the dates prescribed in subsection (a) or (b) may file a deduction application between March 1 and May 10 of a subsequent year which shall be applicable for the year filed and the subsequent years without any additional deduction application being filed for the amounts of the deduction which would be applicable to such years pursuant to section 4 of this chapter if such a deduction application had been filed in accordance with subsection (a) or (b).

(f) ~~On verification of the correctness of a deduction application by the assessor of the township in which the property is located, Subject to subsection (i),~~ the county auditor shall act as follows:

- (1) If a determination about the number of years the deduction is allowed has been made in the resolution adopted under section 2.5 of this chapter, the county auditor shall make the appropriate deduction.
- (2) If a determination about the number of years the deduction is allowed has not been made in the resolution adopted under section 2.5 of this chapter, the county auditor shall send a copy of the deduction application to the designating body. Upon receipt of the resolution stating the number of years the deduction will be allowed, the county auditor shall make the appropriate deduction.
- (3) If the deduction application is for rehabilitation or redevelopment in a residentially distressed area, the county auditor shall make the appropriate deduction.

(g) The amount and period of the deduction provided for property by section 3 of this chapter are not affected by a change in the ownership of the property if the new owner of the property:

- (1) continues to use the property in compliance with any standards established under section 2(g) of this chapter; and
- (2) files an application in the manner provided by subsection (e).

(h) The township assessor shall include a notice of the deadlines for filing a deduction application under subsections (a) and (b) with each notice to a property owner of an addition to assessed value or of a new assessment.

(i) Before the county auditor acts under subsection (f), the county auditor may request that the township assessor of the township in which the property is located review the deduction application.

(j) A property owner may appeal the determination of the county

auditor under subsection (f) by filing a complaint in the office of the clerk of the circuit or superior court not more than forty-five (45) days after the county auditor gives the person notice of the determination.

A person that timely files a personal property return under IC 6-1.1-3-7(a) for the year in which the new manufacturing equipment or new research and development equipment, or both, is installed must file the application between March 1 and May 15 of that year. A person that obtains a filing extension under IC 6-1.1-3-7(b) for the year in which the new manufacturing equipment or new research and development equipment, or both, is installed must file the application between March 1 and the extended due date for that year.

(b) The deduction application required by this section must contain the following information:

- (1) The name of the owner of the new manufacturing equipment or new research and development equipment, or both.

(c) This subsection applies to a deduction application with respect to new manufacturing equipment or new research and development equipment, or both, for which a statement of benefits was initially approved after April 30, 1991. If a determination about the number of years the deduction is allowed has not been made in the resolution adopted under section 2.5 of this chapter, the county auditor shall send a copy of the deduction application to the designating body, and the designating body shall adopt a resolution under section 4.5(g)(2) of this

chapter.

(d) A deduction application must be filed under this section in the year in which the new manufacturing equipment or new research and development equipment, or both, is installed and in each of the immediately succeeding years the deduction is allowed.

(f) If the ownership of new manufacturing equipment or new research and development equipment, or both, changes, the deduction provided under section 4.5 of this chapter continues to apply to that equipment if the new owner:

- (1) continues to use the equipment in compliance with any standards established under section 2(g) of this chapter; and
- (2) files the deduction applications required by this section.

(g) The amount of the deduction is the percentage under section 4.5 of this chapter that would have applied if the ownership of the property had not changed multiplied by the assessed value of the equipment for the year the deduction is claimed by the new owner.

(h) A person may appeal the determination of the county auditor under subsection (e) by filing a complaint in the office of the clerk of the circuit or superior court not more than forty-five (45) days after the county auditor gives the person notice of the determination.

(i) Before the county auditor acts under subsection (e), the county auditor may request that the township assessor in which the property is located review the deduction application.

(c) A designating body may by resolution waive noncompliance described under subsection (a) under the terms and conditions specified in the resolution. Before adopting a waiver under this subsection, the designating body shall conduct a public hearing on the waiver.

SECTION 12. IC 6-1.1-12.1-13 IS ADDED TO THE INDIANA CODE AS A **NEW SECTION** TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: **Sec. 13. The department of local government finance shall adopt rules under IC 4-22-2 to implement this chapter.**

SECTION 13. IC 6-1.1-15-4, AS AMENDED BY P.L.198-2001, SECTION 44, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE

JULY 1, 2003]: Sec. 4. (a) After receiving a petition for review which is filed under section 3 of this chapter, the Indiana board shall conduct a hearing at its earliest opportunity. ~~In addition,~~ The Indiana board may:

The Indiana board is not required to assess the property in question. The Indiana board shall give notice of the date fixed for the hearing, by mail, to the taxpayer and to the appropriate township assessor, county assessor, and county auditor. The Indiana board shall give these notices at least thirty (30) days before the day fixed for the hearing. The property tax assessment board of appeals that made the determination under appeal under this section may, with the approval of the county executive, file an amicus curiae brief in the review proceeding under this section. The expenses incurred by the property tax assessment board of appeals in filing the amicus curiae brief shall be paid from the **property** reassessment fund under ~~IC 6-1.1-4-27.~~ ~~In addition,~~ **IC 6-1.1-4-27.5.** The executive of a taxing unit may file an amicus curiae brief in the review proceeding under this section if the property whose assessment is under appeal is subject to assessment by that taxing unit.

(b) If a petition for review does not comply with the Indiana board's instructions for completing the form prescribed under section 3 of this chapter, the Indiana board shall return the petition to the petitioner and include a notice describing the defect in the petition. The petitioner then has thirty (30) days from the date on the notice to cure the defect and file a corrected petition. The Indiana board shall deny a corrected petition for review if it does not substantially comply with the Indiana board's instructions for completing the form prescribed under section

3 of this chapter.

(c) The Indiana board shall prescribe a form for use in processing petitions for review of actions by the county property tax assessment board of appeals. The Indiana board shall issue instructions for completion of the form. The form must require the Indiana board to indicate agreement or disagreement with each item that is:

- (1) indicated on the petition submitted under section 1(e) of this chapter;
- (2) included in the township assessor's response under section 1(g) of this chapter; and
- (3) included in the county property tax assessment board of appeals' findings, record, and determination under section 2.1(d) of this chapter.

The form must also require the Indiana board to indicate the issues in dispute and its reasons in support of its resolution of those issues.

(d) After the hearing the Indiana board shall give the petitioner, the township assessor, the county assessor, and the county auditor:

- (1) notice, by mail, of its final determination;
- (2) a copy of the form completed under subsection (c); and
- (3) notice of the procedures they must follow in order to obtain court review under section 5 of this chapter.

(e) Except as provided in subsection (f), the Indiana board shall conduct a hearing **within not later than** nine (9) months after a petition in proper form is filed with the Indiana board, excluding any time due to a delay reasonably caused by the petitioner.

(f) With respect to an appeal of a real property assessment that takes effect on the assessment date on which a general reassessment of real property takes effect under IC 6-1.1-4-4, the Indiana board shall conduct a hearing **within not later than** one (1) year after a petition in proper form is filed with the Indiana board, excluding any time due to a delay reasonably caused by the petitioner.

(h) With respect to an appeal of a real property assessment that takes effect on the assessment date on which a general reassessment of real property takes effect under IC 6-1.1-4-4, the Indiana board shall make

a determination ~~within~~ **not later than** the later of one hundred eighty (180) days after the hearing or the date set in an extension order issued by the Indiana board.

(i) **Except as provided in subsection (n)**, the Indiana board may not extend the final determination date under subsection (g) or (h) by more than one hundred eighty (180) days. ~~The failure of~~ **If** the Indiana board **fails** to make a final determination within the time allowed by this subsection, ~~shall be treated as a final determination of the Indiana board to deny~~ **entity that initiated** the petition **may**:

(1) take no action and wait for the Indiana board to make a final determination; or

(2) petition for judicial review under section 5(g) of this chapter.

(j) A final determination must include separately stated findings of fact for all aspects of the determination. Findings of ultimate fact must be accompanied by a concise statement of the underlying basic facts of record to support the findings. Findings must be based exclusively upon the evidence on the record in the proceeding and on matters officially noticed in the proceeding. Findings must be based upon a preponderance of the evidence.

(k) The Indiana board may limit the scope of the appeal to the issues raised in the petition and the evaluation of the evidence presented to the county property tax assessment board of appeals in support of those issues only if all persons participating in the hearing required under subsection (a) agree to the limitation. A person participating in the hearing required under subsection (a) is entitled to introduce evidence that is otherwise proper and admissible without regard to whether that evidence has previously been introduced at a hearing before the county property tax assessment board of appeals.

(l) The Indiana board:

(1) may require the parties to the appeal to file not more than five (5) business days before the date of the hearing required under subsection (a) documentary evidence or summaries of statements of testimonial evidence; and

(2) may require the parties to the appeal to file not more than fifteen (15) business days before the date of the hearing required under subsection (a) lists of witnesses and exhibits to be introduced at the hearing.

(m) A party to a proceeding before the Indiana board shall provide to another party to the proceeding the information described in subsection (l) if the other party requests the information in writing at least ten (10) days before the deadline for filing of the information under subsection (l).

(o) The Indiana board may base its final determination on a stipulation between the respondent and the petitioner. If the final determination is based on a stipulated assessed valuation of tangible property, the Indiana board may order the placement of a notation on the permanent assessment record of the tangible property that the assessed valuation was determined by stipulation.

The Indiana board may:

(1) order that a final determination under this subsection has no precedential value; or

(2) specify a limited precedential value of a final determination under this subsection.

SECTION 14. IC 6-1.1-15-5, AS AMENDED BY HEA 1814-2003, SECTION 12, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 5. (a) ~~Within~~ **Not later than** fifteen (15) days after the Indiana board gives notice of its final determination under section 4 of this chapter to the party or the maximum allowable time for the issuance of a final determination by the Indiana board under section 4 of this chapter expires, a party to the proceeding may request a rehearing before the Indiana board. The Indiana board may conduct a rehearing and affirm or modify its final determination, giving the same notices after the rehearing as are required by section 4 of this chapter. The Indiana board has fifteen (15) days after receiving a petition for a rehearing to determine whether to grant a rehearing. Failure to grant a rehearing ~~within~~ **not later than** fifteen (15) days after receiving the petition shall be treated as a final determination to deny the petition. A petition for a rehearing does not toll the time in which to file a petition for judicial review unless the petition for rehearing is granted. If the

Indiana board determines to rehear a final determination, the Indiana board:

- (1) may conduct the additional hearings that the Indiana board determines necessary or review the written record without additional hearings; and
- (2) shall issue a final determination ~~within~~ **not later than** ninety (90) days after notifying the parties that the Indiana board will rehear the final determination.

~~Failure~~ **If** of the Indiana board ~~fails~~ **fails** to make a final determination within the time allowed under subdivision (2), ~~shall be treated as a final determination affirming the original decision of the Indiana board.~~ **entity that initiated the petition for rehearing may take no action and wait for the Indiana board to make a final determination or petition for judicial review under subsection (g).**

(b) A person may petition for judicial review of the final determination of the Indiana board regarding the assessment of that person's tangible property. The action shall be taken to the tax court under IC 4-21.5-5. Petitions for judicial review may be consolidated at the request of the appellants if it can be done in the interest of justice. The property tax assessment board of appeals that made the determination under appeal under this section may, with the approval of the county executive, file an amicus curiae brief in the review proceeding under this section. The expenses incurred by the property tax assessment board of appeals in filing the amicus curiae brief shall be paid from the **property** reassessment fund under IC 6-1.1-4-27.5. In addition, the executive of a taxing unit may file an amicus curiae brief in the review proceeding under this section if the property whose assessment is under appeal is subject to assessment by that taxing unit. The department of local government finance may intervene in an action taken under this subsection if the interpretation of a rule of the department is at issue in the action. A township assessor, county assessor, member of a county property tax assessment board of appeals, or county property tax assessment board of appeals that made the original assessment determination under appeal under this section is a party to the review under this section to defend the determination.

(c) **Except as provided in subsection (g),** to initiate a proceeding for judicial review under this section, a person must take the action required by subsection (b) ~~within:~~ **not later than:**

(1) forty-five (45) days after the Indiana board gives the person notice of its final determination, unless a rehearing is conducted under subsection (a); or

(2) thirty (30) days after the Indiana board gives the person notice under subsection (a) of its final determination, if a rehearing is conducted under subsection (a) or the maximum time elapses for the Indiana board to make a determination under this section.

(d) The failure of the Indiana board to conduct a hearing within the period prescribed in section 4(f) or 4(g) of this chapter does not constitute notice to the person of an Indiana board final determination.

(e) The county executive may petition for judicial review to the tax court in the manner prescribed in this section upon request by the county assessor or elected township assessor.

(f) If the county executive determines upon a request under this subsection to not appeal to the tax court:

(1) the entity described in subsection (b) that made the original determination under appeal under this section may take an appeal to the tax court in the manner prescribed in this section using funds from that entity's budget; and

(2) the petitioner may not be represented by the attorney general in an action described in subdivision (1).

(g) If the maximum time elapses for the Indiana board to give notice of its final determination under subsection (a) or section 4 of this chapter, a person may initiate a proceeding for judicial review by taking the action required by subsection (b) at any time after the maximum time elapses. If:

(1) a judicial proceeding is initiated under this subsection; and

(2) the Indiana board has not issued a determination;

the tax court shall determine the matter de novo.

SECTION 15. IC 6-1.1-15-6, AS AMENDED BY P.L.198-2001, SECTION 46, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 6. (a) **Except with respect to a petition filed under section 5(g) of this chapter**, if a petition for judicial review is initiated by a person under section 5 of this chapter, the Indiana board shall prepare a certified record of the proceedings related to the petition.

(b) The record for judicial review **required under subsection (a)** must include the following documents and items:

- (1) Copies of all papers submitted to the Indiana board during the course of the action and copies of all papers provided to the parties by the Indiana board. For purposes of this subdivision, the term "papers" includes, without limitation, all notices, petitions, motions, pleadings, orders, orders on rehearing, briefs, requests, intermediate rulings, photographs, and other written documents.
- (2) Evidence received or considered by the Indiana board.
- (3) A statement of whether a site inspection was conducted, and, if a site inspection was conducted, either:
 - (A) a summary report of the site inspection; or
 - (B) a videotape transcript of the site inspection.
- (4) A statement of matters officially noticed.
- (5) Proffers of proof and objections and rulings on them.
- (6) Copies of proposed findings, requested orders, and exceptions.
- (7) Either:
 - (A) a transcription of the audio tape of the hearing; or
 - (B) a transcript of the hearing prepared by a court reporter.

Copies of exhibits that, because of their nature, cannot be incorporated into the certified record must be kept by the Indiana board until the appeal is finally terminated. However, this evidence must be briefly named and identified in the transcript of the evidence and proceedings.

(c) Except with respect to a petition filed under section 5(g) of this chapter, if the tax court judge finds that:

- (1) a report of all or a part of the evidence or proceedings at a hearing conducted by the Indiana board was not made; or
- (2) a transcript is unavailable;

a party to the appeal initiated under section 5 of this chapter may, at the discretion of the tax court judge, prepare a statement of the evidence or proceedings. The statement must be submitted to the tax court and also must be served on all other parties. A party to the proceeding may serve objections or prepare amendments to the statement not later than ten (10) days after service.

SECTION 16. IC 6-1.1-18.5-13, AS AMENDED BY HEA 1814-2003, SECTION 18, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 13. With respect to an appeal filed under section 12 of this chapter, the local government tax control board may recommend that a civil taxing unit receive any one (1) or more of the following types of relief:

(1) Permission to the civil taxing unit to reallocate the amount set aside as a property tax replacement credit as required by IC 6-3.5-1.1 for a purpose other than property tax relief. However, whenever this occurs, the local government tax control board shall also state the amount to be reallocated.

(2) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if in the judgment of the local government tax control board the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas or persons.

(3) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December 31, 1973. Before recommending such an increase, the local government tax control board shall consider all other revenues available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's share of the costs of operating a court for the first full calendar year in which it is in existence.

(4) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and three-hundredths (1.03):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the **sum of the** civil taxing unit's total assessed value of all taxable property **and the total assessed value of property tax deductions in the unit under**

IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar year, divided by the **sum of the** civil taxing unit's total assessed value of all taxable property **and the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 or IC 6-1.1-12-42** in the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the **sum of the** total assessed value of all taxable property in ~~the state~~ **all counties and the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 or IC 6-1.1-12-42** in the particular calendar year, divided by the **sum of the** total assessed value of all taxable property in ~~the state~~ **all counties and the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 or IC 6-1.1-12-42** in the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

In addition, before the local government tax control board may recommend the relief allowed under this subdivision, the civil taxing unit must show a need for the increased levy because of special circumstances, and the local government tax control board must consider other sources of revenue and other means of relief: **The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 of this chapter based on the assessed value growth quotient determined under section 2 of this chapter.**

(5) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to pay the costs of furnishing fire protection for

the civil taxing unit through a volunteer fire department. For purposes of determining a township's need for an increased levy, the local government tax control board shall not consider the amount of money borrowed under IC 36-6-6-14 during the immediately preceding calendar year. However, any increase in the amount of the civil taxing unit's levy recommended by the local government tax control board under this subdivision for the ensuing calendar year may not exceed the lesser of:

(A) ten thousand dollars (\$10,000); or

(B) twenty percent (20%) of:

(i) the amount authorized for operating expenses of a volunteer fire department in the budget of the civil taxing unit for the immediately preceding calendar year; plus

(ii) the amount of any additional appropriations authorized during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department under this chapter; minus

(iii) the amount of money borrowed under IC 36-6-6-14 during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department.

(6) Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter in order to raise revenues for pension payments and contributions the civil taxing unit is required to make under IC 36-8. The maximum increase in a civil taxing unit's levy that may be recommended under this subdivision for an ensuing calendar year equals the amount, if any, by which the pension payments and contributions the civil taxing unit is required to make under IC 36-8 during the ensuing calendar year exceeds the product of one and one-tenth (1.1) multiplied by the pension payments and contributions made by the civil taxing unit under IC 36-8 during the calendar year that immediately precedes the ensuing calendar year. For purposes of this subdivision, "pension payments and contributions made by a civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state.

(7) Permission to increase its levy in excess of the limitations established under section 3 of this chapter if the local government

tax control board finds that:

(A) the township's poor relief ad valorem property tax rate is less than one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation; and

(B) the township needs the increase to meet the costs of providing poor relief under IC 12-20 and IC 12-30-4.

The maximum increase that the board may recommend for a township is the levy that would result from an increase in the township's poor relief ad valorem property tax rate of one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation minus the township's ad valorem property tax rate per one hundred dollars (\$100) of assessed valuation before the increase.

(8) Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and

(B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services.

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population, and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that would be raised by the civil taxing unit based on a property tax rate of one cent (\$0.01) per one hundred dollars (\$100) of assessed valuation.

(9) Permission to a civil taxing unit to increase the unit's levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the civil taxing unit is:

(i) a county having a population of more than one hundred forty-eight thousand (148,000) but less than one hundred seventy thousand (170,000);

(ii) a city having a population of more than fifty-five thousand

- (55,000) but less than fifty-nine thousand (59,000);
 - (iii) a city having a population of more than twenty-eight thousand seven hundred (28,700) but less than twenty-nine thousand (29,000);
 - (iv) a city having a population of more than fifteen thousand four hundred (15,400) but less than sixteen thousand six hundred (16,600); or
 - (v) a city having a population of more than seven thousand (7,000) but less than seven thousand three hundred (7,300);
- and

(B) the increase is necessary to provide funding to undertake removal (as defined in IC 13-11-2-187) and remedial action (as defined in IC 13-11-2-185) relating to hazardous substances (as defined in IC 13-11-2-98) in solid waste disposal facilities or industrial sites in the civil taxing unit that have become a menace to the public health and welfare.

The maximum increase that the local government tax control board may recommend for such a civil taxing unit is the levy that would result from a property tax rate of six and sixty-seven hundredths cents (\$.0667) for each one hundred dollars (\$100) of assessed valuation. For purposes of computing the ad valorem property tax levy limit imposed on a civil taxing unit under section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular year does not include that part of the levy imposed under this subdivision. In addition, a property tax increase permitted under this subdivision may be imposed for only two (2) calendar years.

(10) Permission for a county having a population of more than eighty thousand (80,000) but less than ninety thousand (90,000) to increase the county's levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the county needs the increase to meet the county's share of the costs of operating a jail or juvenile detention center, including expansion of the facility, if the jail or juvenile detention center is opened after December 31, 1991. Before recommending an increase, the local government tax control board shall consider all other revenues available to the county that could be applied for that purpose. An appeal for operating funds for a jail or juvenile

detention center shall be considered individually, if a jail and juvenile detention center are both opened in one (1) county. The maximum aggregate levy increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

(11) Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

(12) Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township has been required, for the three (3) consecutive years preceding the year for which the appeal under this subdivision is to become effective, to borrow funds under IC 36-6-6-14 to furnish fire protection for the township or a part of the township. However, the maximum increase in a township's levy that may be allowed under this subdivision is the least of the amounts borrowed under IC 36-6-6-14 during the preceding three (3) calendar years. A township may elect to phase in an approved increase in its levy under this subdivision over a period not to exceed three (3) years. A particular township may appeal to increase its levy under this section not more frequently than every fourth calendar year.

(13) Permission to a city having a population of more than twenty-nine thousand (29,000) but less than thirty-one thousand (31,000) to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) an appeal was granted to the city under subdivision (1) in 1998, 1999, and 2000; and

(B) the increase has been approved by the legislative body of the city, and the legislative body of the city has by resolution determined that the increase is necessary to pay normal operating expenses.

The maximum amount of the increase is equal to the amount of property tax replacement credits under IC 6-3.5-1.1 that the city petitioned to have reallocated in 2001 under subdivision (1) for a purpose other than property tax relief.

SECTION 17. IC 6-1.1-20.8-3, AS AMENDED BY HEA 1814-2003, SECTION 24, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 3. **(a)** The county auditor shall determine the eligibility of each applicant under this chapter and shall notify the applicant of the determination before August 15 of the year in which the application is made.

(b) A person may appeal the determination of the county auditor under subsection (a) by filing a complaint in the office of the clerk of the circuit or superior court not more than forty-five (45) days after the county auditor gives the person notice of the determination.

SECTION 18. IC 6-1.1-20.8-4 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: **Sec. 4. An urban enterprise association created under IC 4-4-6.1-4 may by resolution waive failure to file a:**

(1) timely; or

(2) complete;

credit application under section 2.5 of this chapter. Before adopting a waiver under this subsection, the urban enterprise association shall conduct a public hearing on the waiver.

SECTION 19. IC 6-1.1-21-4, AS AMENDED BY P.L.192-2002(ss), SECTION 41, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 4. (a) Each year the department shall allocate from

the property tax replacement fund an amount equal to the sum of:

- (1) each county's total eligible property tax replacement amount for that year; plus
- (2) the total amount of homestead tax credits that are provided under IC 6-1.1-20.9 and allowed by each county for that year; plus
- (3) an amount for each county that has one (1) or more taxing districts that contain all or part of an economic development district that meets the requirements of section 5.5 of this chapter. This amount is the sum of the amounts determined under the following STEPS for all taxing districts in the county that contain all or part of an economic development district:

STEP ONE: Determine that part of the sum of the amounts under section 2(g)(1)(A) and 2(g)(2) of this chapter that is attributable to the taxing district.

STEP TWO: Divide:

- (A) that part of the subdivision (1) amount that is attributable to the taxing district; by
- (B) the STEP ONE sum.

STEP THREE: Multiply:

- (A) the STEP TWO quotient; times
- (B) the taxes levied in the taxing district that are allocated to a special fund under IC 6-1.1-39-5.

(b) Except as provided in subsection (e), between March 1 and August 31 of each year, the department shall distribute to each county treasurer from the property tax replacement fund one-half (1/2) of the estimated distribution for that year for the county. Between September 1 and December 15 of that year, the department shall distribute to each county treasurer from the property tax replacement fund the remaining one-half (1/2) of each estimated distribution for that year. The amount of the distribution for each of these periods shall be according to a schedule determined by the property tax replacement fund board under section 10 of this chapter. The estimated distribution for each county may be adjusted from time to time by the department to reflect any changes in the total county tax levy upon which the estimated distribution is based.

(c) On or before December 31 of each year or as soon thereafter as possible, the department shall make a final determination of the amount which should be distributed from the property tax replacement fund to

each county for that calendar year. This determination shall be known as the final determination of distribution. The department shall distribute to the county treasurer or receive back from the county treasurer any deficit or excess, as the case may be, between the sum of the distributions made for that calendar year based on the estimated distribution and the final determination of distribution. The final determination of distribution shall be based on the auditor's abstract filed with the auditor of state, adjusted for postabstract adjustments included in the December settlement sheet for the year, and such additional information as the department may require.

(d) All distributions provided for in this section shall be made on warrants issued by the auditor of state drawn on the treasurer of state. If the amounts allocated by the department from the property tax replacement fund exceed in the aggregate the balance of money in the fund, then the amount of the deficiency shall be transferred from the state general fund to the property tax replacement fund, and the auditor of state shall issue a warrant to the treasurer of state ordering the payment of that amount. However, any amount transferred under this section from the general fund to the property tax replacement fund shall, as soon as funds are available in the property tax replacement fund, be retransferred from the property tax replacement fund to the state general fund, and the auditor of state shall issue a warrant to the treasurer of state ordering the replacement of that amount.

(e) Except as provided in subsection (i), the department shall not distribute under subsection (b) and section 10 of this chapter the money attributable to the county's property reassessment fund if:

(1) by the date the distribution is scheduled to be made, the county auditor has not sent a certified statement required to be sent by that date under IC 6-1.1-17-1 to the department of local government finance; **or**

(2) by the deadline under IC 36-2-9-20, the county auditor has not transmitted data as required under that section.

(f) Except as provided in subsection (i), if the elected township assessors in the county, the elected township assessors and the county assessor, or the county assessor has not transmitted to the department of local government finance by October 1 of the year in which the distribution is scheduled to be made the data for all townships in the county required to be transmitted under IC 6-1.1-4-25(b), the state

board or the department shall not distribute under subsection (b) and section 10 of this chapter a part of the money attributable to the county's property reassessment fund. The portion not distributed is the amount that bears the same proportion to the total potential distribution as the number of townships in the county for which data was not transmitted by ~~August~~ **October 1** as described in this section bears to the total number of townships in the county.

(g) Money not distributed under subsection (e) shall be distributed to the county when the county auditor sends to the department of local government finance the certified statement required to be sent under IC 6-1.1-17-1 with respect to which the failure to send resulted in the withholding of the distribution under subsection (e).

(h) Money not distributed under subsection (f) shall be distributed to the county when the elected township assessors in the county, the elected township assessors and the county assessor, or the county assessor transmits to the department of local government finance the data required to be transmitted under IC 6-1.1-4-25(b) with respect to which the failure to transmit resulted in the withholding of the distribution under subsection (f).

(i) The restrictions on distributions under subsections (e) and (f) do not apply if the department of local government finance determines that:

- (1) the failure of a county auditor to send a certified statement as described in subsection (e); or
- (2) the failure of an official to transmit data as described in subsection (f);

is justified by unusual circumstances.

SECTION 20. IC 6-1.1-28-6, AS AMENDED BY P.L.1-2001, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 6. The county ~~auditor assessor~~ shall give notice of the time, place, and purpose of each annual session of the county property tax assessment board. The county ~~auditor assessor~~ shall give the notice two (2) weeks before the first meeting of the board by:

- (1) publication in two (2) newspapers of general circulation which are published in the county and which represent different political parties; or
- (2) publication in one (1) newspaper of general circulation published in the county if the requirements of clause (1) of this

section cannot be satisfied; or

(3) posting in three (3) public places in each township of the county if a newspaper of general circulation is not published in the county.

SECTION 21. IC 6-1.5-1-4 IS ADDED TO THE INDIANA CODE AS A **NEW SECTION TO READ AS FOLLOWS** [EFFECTIVE JULY 1, 2003]: **Sec. 4. "Small claim" means an appeal:**

(2) IC 6-1.1-14-11.

(3) IC 6-1.1-16.

(4) IC 6-1.1-26-2.

(b) Each notice of final determination issued by the department of local government finance under a statute listed in subsection (a) must give the taxpayer notice of:

(1) the opportunity for review under this section; and

(2) the procedures the taxpayer must follow in order to obtain review under this section.

(c) Except as provided in subsection (e), in order to obtain a review by the Indiana board under this section, the taxpayer must file a petition for review with the appropriate county assessor **within not later than forty-five (45) days after the notice of the department of local government finance's action is given to the taxpayer.**

(d) The county assessor shall transmit a petition for review under subsection (c) to the Indiana board ~~within not later than~~ ten (10) days after ~~it~~ **the petition** is filed.

(1) conduct a hearing; or

(2) cause a hearing to be conducted by an administrative law judge. The Indiana board may determine to conduct the hearing under subdivision (1) on its own motion or on request of a party to the appeal.

(b) In its resolution of a petition, the Indiana board may:

(1) assign:

(A) full;

(B) limited; or

(C) no;

(B) county assessor; and

(C) county auditor.

(d) The Indiana board shall give the notices required under subsection (c) at least thirty (30) days before the day fixed for the hearing.

SECTION 24. IC 6-1.5-5-4, AS ADDED BY P.L.198-2001, SECTION 95, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 4. (a) An administrative law judge who conducts a hearing shall submit a written report of findings of fact and conclusions of law to the Indiana board.

(b) After reviewing the report of the administrative law judge, the Indiana board may take additional evidence or hold additional hearings.

(c) The Indiana board may base its final determination on a stipulation between the respondent and the petitioner. The Indiana board may:

(1) order that a final determination under this subsection has no precedential value; or

(2) specify a limited precedential value of a final determination under this subsection.

(d) If the Indiana board does not issue its final determination under subsection (c), the Indiana board shall base its final determination on:

(1) the:

(A) report of the administrative law judge; or

(B) evidence received at a hearing conducted by the Indiana board;

(2) any additional evidence taken by the Indiana board; and

(3) any records that the Indiana board considers relevant.

SECTION 25. IC 6-1.5-6-2 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 2. **(a) The Indiana board may adopt rules under IC 4-22-2, including emergency rules under IC 4-22-2-37.1, to establish procedures for the conduct of proceedings before the Indiana board under this article, including procedures for:**

 - (4) voluntary arbitration;
 - (5) voluntary mediation;
 - (6) submission of an agreed record;
 - (7) upon agreement of all parties to the proceedings, joinder of petitions concerning the same or similar issues; and

 - (B) permit an agreement among all parties to a proceeding not subject to the Indiana board's procedures for small claims that those procedures apply to the proceeding.

SECTION 26. IC 6-3.1-23-1.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: **Sec. 1.5. As used in this chapter, "legislative body" refers to:**

- (1) the legislative body of a municipality (as defined in IC 36-1-2-11) in which is located property on which remediation referred to in section 3(1) of this chapter occurs; or
- (2) if the property referred to in subdivision (1) is not located in a municipality, the legislative body of the county in which the property is located.

SECTION 27. IC 6-3.1-23-3, AS ADDED BY P.L.109-2001, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: **Sec. 3. As used in this chapter, "qualified investment" means costs that:**

- (1) are incurred result from work performed in Indiana to

conduct a voluntary remediation, **whether or not** under IC 13-25-5, that involves the remediation of a brownfield;

(2) ~~may are not be~~ recovered by a taxpayer from another person after the taxpayer has made a good faith effort to recover the costs; ~~and~~

(3) **are not paid from state financial assistance;**

(4) **result in taxable income to any other Indiana taxpayer; and**

(5) are approved by the department of environmental management and the Indiana development finance authority under section 12 of this chapter.

SECTION 28. IC 6-3.1-23-3.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: **Sec. 3.5. As used in this chapter, "state financial assistance" means money received by a taxpayer:**

(1) **as a direct loan:**

(A) **under a state program; or**

SECTION 29. IC 6-3.1-23-5, AS ADDED BY P.L.109-2001, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: **Sec. 5. (a) A taxpayer is entitled to a credit equal to the amount determined under section 6 of this chapter against the taxpayer's state tax liability for a taxable year if the following requirements are satisfied:**

(1) **The taxpayer does the following:**

(A) **Makes a qualified investment in that taxable year.**

(B) **Makes a good faith attempt to recover the costs of the environmental damages from the liable parties.**

(C) **Submits a plan to the legislative body of the political subdivision in which the property is located to redevelop that:**

(i) describes the taxpayer's proposed redevelopment of the property; in a manner in which the legislative body determines to be in the best interest of the community;

(ii) indicates the sources and amounts of money to be used for the remediation and proposed redevelopment of the property; and

(iii) estimates the value of the remediation and proposed redevelopment.

(D) Certifies to the legislative body that the taxpayer:

(1) a description of the proposed redevelopment;

(2) An estimate of the number of individuals who will be employed or housed in the new development and an estimate of the annual salaries of the employees;

(c) **(b)** In determining whether the redevelopment is in the best interest of the community, the legislative body must consider, among other things, whether the proposed development promotes:

(1) the development of low to moderate income housing;

(2) the development of green space;

(3) the development of high technology businesses; or

(4) the creation or retention of high paying jobs.

SECTION 30. IC 6-3.1-23-11, AS ADDED BY P.L.109-2001, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 11. (a) If the amount determined under section 6 of this chapter in a taxable year exceeds the taxpayer's state tax liability for that taxable year, the taxpayer may carry the excess:

(1) over for not more than the immediately following five (5) taxable years; ~~The amount of the credit carryover from a taxable year shall be reduced to the extent that the carryover is used by the taxpayer to obtain a credit under this chapter for any subsequent taxable year.~~

(b) A taxpayer is not entitled to a carryback or a refund of any unused credit. ~~or~~

(2) back to the immediately preceding taxable year.

(b) The amount of excess available to be used for carryover under subsection (a)(1) is reduced to the extent it is used for:

(b) The following do not apply to rules described in subsection (a):

(1) Sections 24 through 36 of this chapter.

(2) IC 13-14-9.

(c) After a rule described in subsection (a) has been adopted by the agency, the agency shall submit the rule to the publisher for the assignment of a document control number. The agency shall submit the rule in the form required by section 20 of this chapter and with the documents required by section 21 of this chapter. The publisher shall determine the number of copies of the rule and other documents to be submitted under this subsection.

(d) After the document control number has been assigned, the agency shall submit the rule to the secretary of state for filing. The agency shall submit the rule in the form required by section 20 of this chapter and with the documents required by section 21 of this chapter. The secretary of state shall determine the number of copies of the rule and other documents to be submitted under this subsection.

(e) Subject to section 39 of this chapter, the secretary of state shall:

(1) accept the rule for filing; and

(2) file stamp and indicate the date and time that the rule is accepted on every duplicate original copy submitted.

(f) A rule described in subsection (a) takes effect on the latest of the following dates:

(1) The effective date of the statute delegating authority to the agency to adopt the rule.

(2) The date and time that the rule is accepted for filing under subsection (e).

(3) The effective date stated by the adopting agency in the rule.

(4) The date of compliance with every requirement established by law as a prerequisite to the adoption or effectiveness of the rule.

(g) Subject to subsection (h), IC 14-10-2-5, IC 14-22-2-6, and IC 22-8-1.1-16.1, a rule adopted under this section expires not later than ninety (90) days after the rule is accepted for filing under subsection (e). Except for a rule adopted under subsection (a)(14), the rule may be extended by adopting another rule under this section, but only for one (1) extension period. A rule adopted under subsection (a)(14) may be extended for two (2) extension periods. Except for a rule adopted under subsection (a)(14), for a rule adopted under this section to be effective after one (1) extension period, the rule must be adopted under:

(1) sections 24 through 36 of this chapter; or

(2) IC 13-14-9;

as applicable.

(h) A rule described in subsection (a)(6), (a)(9), or (a)(13) expires on the earlier of the following dates:

(1) The expiration date stated by the adopting agency in the rule.

(i) This section may not be used to readopt a rule under IC 4-22-2.5.

SECTION 2. IC 6-3.5-1.1-15, AS AMENDED BY P.L.120-2002, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 15. (a) As used in this section, "attributed levy" of a civil taxing unit means the sum of:

(1) the ad valorem property tax levy of the civil taxing unit that is currently being collected at the time the allocation is made; plus

(2) the current ad valorem property tax levy of any special taxing district, authority, board, or other entity formed to discharge governmental services or functions on behalf of or ordinarily attributable to the civil taxing unit; plus

(3) the amount of federal revenue sharing funds and certified

shares that were used by the civil taxing unit (or any special taxing district, authority, board, or other entity formed to discharge governmental services or functions on behalf of or ordinarily attributable to the civil taxing unit) to reduce its ad valorem property tax levies below the limits imposed by IC 6-1.1-18.5; plus

(4) in the case of a county, an amount equal to

~~(A) the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund. plus~~

~~(B) after December 31, 2004, the greater of zero (0) or the difference between:~~

~~(i) the county hospital care for the indigent property tax levy imposed by the county in 2004, adjusted each year after 2004 by the statewide average assessed value growth quotient described in IC 12-16-14-3; minus~~

~~(ii) the current uninsured parents program property tax levy imposed by the county.~~

(b) The part of a county's certified distribution that is to be used as certified shares shall be allocated only among the county's civil taxing units. Each civil taxing unit of a county is entitled to receive a percentage of the certified shares to be distributed in the county equal to the ratio of its attributed levy to the total attributed levies of all civil taxing units of the county.

(c) The local government tax control board established by IC 6-1.1-18.5-11 shall determine the attributed levies of civil taxing units that are entitled to receive certified shares during a calendar year. If the ad valorem property tax levy of any special taxing district, authority, board, or other entity is attributed to another civil taxing unit under subsection (b)(2), then the special taxing district, authority, board, or other entity shall not be treated as having an attributed levy of its own. The local government tax control board shall certify the attributed levy amounts to the appropriate county auditor. The county auditor shall then allocate the certified shares among the civil taxing units of the auditor's county.

(d) Certified shares received by a civil taxing unit shall be treated as additional revenue for the purpose of fixing its budget for the calendar year during which the certified shares will be received. The certified shares may be allocated to or appropriated for any purpose,

including property tax relief or a transfer of funds to another civil taxing unit whose levy was attributed to the civil taxing unit in the determination of its attributed levy.

SECTION 3. IC 6-3.5-6-17.6, AS AMENDED BY P.L.1-2003, SECTION 43, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 17.6. (a) This section applies to a county containing a consolidated city.

(b) On or before July 2 of each year, the budget agency shall make the following calculation:

STEP ONE: Determine the cumulative balance in a county's account established under section 16 of this chapter as of the end of the current calendar year.

STEP TWO: Divide the amount estimated under section 17(b) of this chapter before any adjustments are made under section 17(c) or 17(d) of this chapter by twelve (12).

STEP THREE: Multiply the STEP TWO amount by three (3).

STEP FOUR: Subtract the amount determined in STEP THREE from the amount determined in STEP ONE.

(c) For 1995, the budget agency shall certify the STEP FOUR amount to the county auditor on or before July 15, 1994. Not later than January 31, 1995, the auditor of state shall distribute the STEP FOUR amount to the county auditor to be used to retire outstanding obligations for a qualified economic development tax project (as defined in IC 36-7-27-9).

(d) After 1995, the STEP FOUR amount shall be distributed to the county auditor in January of the ensuing calendar year. The STEP FOUR amount shall be distributed by the county auditor to the civil taxing units within thirty (30) days after the county auditor receives the distribution. Each civil taxing unit's share equals the STEP FOUR amount multiplied by the quotient of:

(1) the maximum permissible property tax levy under IC 6-1.1-18.5 for the civil taxing unit, plus, for a county, an amount equal to

(A) the property taxes imposed by the county in 1999 for the county's welfare administration fund; ~~plus~~

(B) ~~after December 31, 2004, the greater of zero (0) or the difference between:~~

(i) the county hospital care for the indigent property tax levy

imposed by the county in 2004 adjusted each year after 2004 by the statewide average assessed value growth quotient described in IC 12-16-14-3; minus

(ii) the current uninsured parents program property tax levy imposed by the county; divided by

(2) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5 for all civil taxing units of the county, plus an amount equal to

(A) the property taxes imposed by the county in 1999 for the county's welfare administration fund. plus

(B) after December 31, 2004, the greater of zero (0) or the difference between:

(i) the county hospital care for the indigent property tax levy imposed by the county in 2004 adjusted each year after 2004 by the statewide average assessed value growth quotient described in IC 12-16-14-3; minus

(ii) the current uninsured parents program property tax levy imposed by the county.

SECTION 4. IC 6-3.5-6-18, AS AMENDED BY P.L.1-2003, SECTION 44, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 18. (a) The revenue a county auditor receives under this chapter shall be used to:

(1) replace the amount, if any, of property tax revenue lost due to the allowance of an increased homestead credit within the county;

(2) fund the operation of a public communications system and computer facilities district as provided in an election, if any, made by the county fiscal body under IC 36-8-15-19(b);

(3) fund the operation of a public transportation corporation as provided in an election, if any, made by the county fiscal body under IC 36-9-4-42;

(4) make payments permitted under IC 36-7-15.1-17.5;

(5) make payments permitted under subsection (i); and

(6) make distributions of distributive shares to the civil taxing units of a county.

(b) The county auditor shall retain from the payments of the county's certified distribution, an amount equal to the revenue lost, if any, due to the increase of the homestead credit within the county. This money shall be distributed to the civil taxing units and school corporations of

the county as though they were property tax collections and in such a manner that no civil taxing unit or school corporation shall suffer a net revenue loss due to the allowance of an increased homestead credit.

(c) The county auditor shall retain the amount, if any, specified by the county fiscal body for a particular calendar year under subsection (i), IC 36-7-15.1-17.5, IC 36-8-15-19(b), and IC 36-9-4-42 from the county's certified distribution for that same calendar year. The county auditor shall distribute amounts retained under this subsection to the county.

(d) All certified distribution revenues that are not retained and distributed under subsections (b) and (c) shall be distributed to the civil taxing units of the county as distributive shares.

(e) The amount of distributive shares that each civil taxing unit in a county is entitled to receive during a month equals the product of the following:

(1) The amount of revenue that is to be distributed as distributive shares during that month; multiplied by

(2) A fraction. The numerator of the fraction equals the total property taxes that are first due and payable to the civil taxing unit during the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund. ~~and after December 31, 2004, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2004, adjusted each year after 2004 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county.~~ The denominator of the fraction equals the sum of the total property taxes that are first due and payable to all civil taxing units of the county during the calendar year in which the month falls, plus an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund. ~~and after December 31, 2004, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2004, adjusted each year after 2004 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the~~

~~current uninsured parents program property tax levy imposed by the county:~~

(f) The department of local government finance shall provide each county auditor with the fractional amount of distributive shares that each civil taxing unit in the auditor's county is entitled to receive monthly under this section.

(g) Notwithstanding subsection (e), if a civil taxing unit of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which distributive shares are being distributed under this section, that civil taxing unit is entitled to receive a part of the revenue to be distributed as distributive shares under this section within the county. The fractional amount such a civil taxing unit is entitled to receive each month during that calendar year equals the product of the following:

(1) The amount to be distributed as distributive shares during that month; multiplied by

(2) A fraction. The numerator of the fraction equals the budget of that civil taxing unit for that calendar year. The denominator of the fraction equals the aggregate budgets of all civil taxing units of that county for that calendar year.

(h) If for a calendar year a civil taxing unit is allocated a part of a county's distributive shares by subsection (g), then the formula used in subsection (e) to determine all other civil taxing units' distributive shares shall be changed each month for that same year by reducing the amount to be distributed as distributive shares under subsection (e) by the amount of distributive shares allocated under subsection (g) for that same month. The department of local government finance shall make any adjustments required by this subsection and provide them to the appropriate county auditors.

(i) Notwithstanding any other law, a county fiscal body may pledge revenues received under this chapter to the payment of bonds or lease rentals to finance a qualified economic development tax project under IC 36-7-27 in that county or in any other county if the county fiscal body determines that the project will promote significant opportunities for the gainful employment or retention of employment of the county's residents.

SECTION 5. IC 6-3.5-6-18.5, AS AMENDED BY P.L.120-2002, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE

JULY 1, 2003]: Sec. 18.5. (a) This section applies to a county containing a consolidated city.

(b) Notwithstanding section 18(e) of this chapter, the distributive shares that each civil taxing unit in a county containing a consolidated city is entitled to receive during a month equals the following:

(1) For the calendar year beginning January 1, 1995, calculate the total amount of revenues that are to be distributed as distributive shares during that month multiplied by the following factor:

Center Township	.0251
Decatur Township	.00217
Franklin Township	.0023
Lawrence Township	.01177
Perry Township	.01130
Pike Township	.01865
Warren Township	.01359
Washington Township	.01346
Wayne Township	.01307
Lawrence-City	.00858
Beech Grove	.00845
Southport	.00025
Speedway	.00722
Indianapolis/Marion County	.86409

(2) Notwithstanding subdivision (1), for the calendar year beginning January 1, 1995, the distributive shares for each civil taxing unit in a county containing a consolidated city shall be not less than the following:

Center Township	\$1,898,145
Decatur Township	\$164,103
Franklin Township	\$173,934
Lawrence Township	\$890,086
Perry Township	\$854,544
Pike Township	\$1,410,375
Warren Township	\$1,027,721
Washington Township	\$1,017,890
Wayne Township	\$988,397
Lawrence-City	\$648,848
Beech Grove	\$639,017
Southport	\$18,906

Speedway \$546,000

(3) For each year after 1995, calculate the total amount of revenues that are to be distributed as distributive shares during that month as follows:

STEP ONE: Determine the total amount of revenues that were distributed as distributive shares during that month in calendar year 1995.

STEP TWO: Determine the total amount of revenue that the department has certified as distributive shares for that month under section 17 of this chapter for the calendar year.

STEP THREE: Subtract the STEP ONE result from the STEP TWO result.

STEP FOUR: If the STEP THREE result is less than or equal to zero (0), multiply the STEP TWO result by the ratio established under subdivision (1).

STEP FIVE: Determine the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5 and IC 6-1.1-18.6 for each civil taxing unit for the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; ~~and after December 31, 2004, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2004, adjusted each year after 2004 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county;~~ divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5 and IC 6-1.1-18.6 for all civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund. ~~and after December 31, 2004, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2004, adjusted each year after~~

~~2004 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county.~~

STEP SIX: If the STEP THREE result is greater than zero (0), the STEP ONE amount shall be distributed by multiplying the STEP ONE amount by the ratio established under subdivision (1).

STEP SEVEN: For each taxing unit determine the STEP FIVE ratio multiplied by the STEP TWO amount.

STEP EIGHT: For each civil taxing unit determine the difference between the STEP SEVEN amount minus the product of the STEP ONE amount multiplied by the ratio established under subdivision (1). The STEP THREE excess shall be distributed as provided in STEP NINE only to the civil taxing units that have a STEP EIGHT difference greater than or equal to zero (0).

STEP NINE: For the civil taxing units qualifying for a distribution under STEP EIGHT, each civil taxing unit's share equals the STEP THREE excess multiplied by the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5 and IC 6-1.1-18.6 for the qualifying civil taxing unit during the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; ~~and after December 31, 2004, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2004, adjusted each year after 2004 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county; divided by~~

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5 and IC 6-1.1-18.6 for all qualifying civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund

and welfare administration fund. ~~and after December 31, 2004, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2004, adjusted each year after 2004 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county.~~

SECTION 6. IC 6-3.5-7-12, AS AMENDED BY P.L.192-2002(ss), SECTION 122, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 12. (a) Except as provided in sections 23, 25, and 26 of this chapter, the county auditor shall distribute in the manner specified in this section the certified distribution to the county.

(b) Except as provided in subsections (c) and (h) and sections 15 and 25 of this chapter, the amount of the certified distribution that the county and each city or town in a county is entitled to receive during May and November of each year equals the product of the following:

- (1) The amount of the certified distribution for that month; multiplied by
- (2) A fraction. The numerator of the fraction equals the sum of the following:

(A) Total property taxes that are first due and payable to the county, city, or town during the calendar year in which the month falls; plus

(B) For a county, an amount equal to

- (i) the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund. ~~plus~~
- (ii) ~~after December 31, 2004, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2004, adjusted each year after 2004 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county.~~

The denominator of the fraction equals the sum of the total property taxes that are first due and payable to the county and all cities and towns of the county during the calendar year in which the month falls,

plus an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund. ~~and after December 31, 2004, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2004; adjusted each year after 2004 by the statewide average assessed value growth quotient described in IC 12-16-14-3; minus the current uninsured parents program property tax levy imposed by the county:~~

(c) This subsection applies to a county council or county income tax council that imposes a tax under this chapter after June 1, 1992. The body imposing the tax may adopt an ordinance before July 1 of a year to provide for the distribution of certified distributions under this subsection instead of a distribution under subsection (b). The following apply if an ordinance is adopted under this subsection:

- (1) The ordinance is effective January 1 of the following year.
- (2) Except as provided in sections 25 and 26 of this chapter, the amount of the certified distribution that the county and each city and town in the county is entitled to receive during May and November of each year equals the product of:

- (A) the amount of the certified distribution for the month; multiplied by
- (B) a fraction. For a city or town, the numerator of the fraction equals the population of the city or the town. For a county, the numerator of the fraction equals the population of the part of the county that is not located in a city or town. The denominator of the fraction equals the sum of the population of all cities and towns located in the county and the population of the part of the county that is not located in a city or town.

- (3) The ordinance may be made irrevocable for the duration of specified lease rental or debt service payments.

(d) The body imposing the tax may not adopt an ordinance under subsection (c) if, before the adoption of the proposed ordinance, any of the following have pledged the county economic development income tax for any purpose permitted by IC 5-1-14 or any other statute:

- (1) The county.
- (2) A city or town in the county.
- (3) A commission, a board, a department, or an authority that is authorized by statute to pledge the county economic development

income tax.

(e) The department of local government finance shall provide each county auditor with the fractional amount of the certified distribution that the county and each city or town in the county is entitled to receive under this section.

(f) Money received by a county, city, or town under this section shall be deposited in the unit's economic development income tax fund.

(g) Except as provided in subsection (b)(2)(B), in determining the fractional amount of the certified distribution the county and its cities and towns are entitled to receive under subsection (b) during a calendar year, the department of local government finance shall consider only property taxes imposed on tangible property subject to assessment in that county.

(h) In a county having a consolidated city, only the consolidated city is entitled to the certified distribution, subject to the requirements of sections 15, 25, and 26 of this chapter.

SECTION 7. IC 6-6-5-10, AS AMENDED BY P.L.120-2002, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 10. (a) The bureau shall establish procedures necessary for the collection of the tax imposed by this chapter and for the proper accounting for the same. The necessary forms and records shall be subject to approval by the state board of accounts.

(b) The county treasurer, upon receiving the excise tax collections, shall receipt such collections into a separate account for settlement thereof at the same time as property taxes are accounted for and settled in June and December of each year, with the right and duty of the treasurer and auditor to make advances prior to the time of final settlement of such property taxes in the same manner as provided in IC 5-13-6-3.

(c) The county auditor shall determine the total amount of excise taxes collected for each taxing unit in the county and the amount so collected (and the distributions received under section 9.5 of this chapter) shall be apportioned and distributed among the respective funds of each taxing unit in the same manner and at the same time as property taxes are apportioned and distributed. ~~However, after December 31, 2004, an amount equal to the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2004, adjusted each year after 2004~~

by the statewide average assessed value growth quotient described in IC 12-16-14-3; minus the current uninsured parents program property tax levy imposed by the county; shall be treated as property taxes apportioned to the county unit. However, for purposes of determining distributions under this section for 2000 and each year thereafter, the state welfare allocation for each county equals the greater of zero (0) or the amount determined under STEP FIVE of the following STEPS:

STEP ONE: For 1997, 1998, and 1999, determine the result of:

- (i) the amounts appropriated by the county in the year from the county's county welfare fund and county welfare administration fund; divided by
- (ii) the total amounts appropriated by all the taxing units in the county in the year.

STEP TWO: Determine the sum of the results determined in STEP ONE.

STEP THREE: Divide the STEP TWO result by three (3).

STEP FOUR: Determine the amount that would otherwise be distributed to all the taxing units in the county under this subsection without regard to this subdivision.

STEP FIVE: Determine the result of:

- (i) the STEP FOUR amount; multiplied by
- (ii) the STEP THREE result.

The state welfare allocation shall be deducted from the total amount available for apportionment and distribution to taxing units under this section before any apportionment and distribution is made. The county auditor shall remit the state welfare allocation to the treasurer of state for deposit in a special account within the state general fund.

(d) Such determination shall be made from copies of vehicle registration forms furnished by the bureau of motor vehicles. Prior to such determination, the county assessor of each county shall, from copies of registration forms, cause information pertaining to legal residence of persons owning taxable vehicles to be verified from the assessor's records, to the extent such verification can be so made. The assessor shall further identify and verify from the assessor's records the several taxing units within which such persons reside.

(e) Such verifications shall be done by not later than thirty (30) days after receipt of vehicle registration forms by the county assessor, and the assessor shall certify such information to the county auditor for the

auditor's use as soon as it is checked and completed.

The office shall apply in this STEP the maximum percentage permitted for the state under federal Medicaid law.~~

STEP FOUR: Subtract the amount calculated under STEP TWO from the amount calculated under STEP THREE.

STEP FIVE: Subject to subsection (g), from the amount calculated under STEP FOUR, allocate to a hospital established and operated under IC 16-22-8 an amount equal to one hundred percent (100%) of the difference between:

(A) the total cost for the hospital's provision of inpatient services covered under this article for the hospital's fiscal year ending during the state fiscal year; and

(c) Subject to subsection (e), reimbursement for a state fiscal year under this section consists of ~~a single payment~~ **payments** made after the close of each state fiscal year. Payment for a state fiscal year ending after June 30, ~~2001,~~ **2003**, shall be made before December 31 following the state fiscal year's end. In determining the percentage, the office shall apply the same percentage of not more than eighty-five percent (85%) to all hospitals eligible for reimbursement under STEP FIVE SEVEN of subsection (b). The office shall use the intergovernmental transfer to fund payments made under this section and as otherwise provided under ~~IC 12-15-20-2(5)~~. **IC 12-15-20-2(8)**.

(e) A hospital making an intergovernmental transfer under subsection (d) may appeal under IC 4-21.5 the amount determined by the office to be paid the hospital under STEP FIVE SEVEN of subsection (b). The distribution to other hospitals under STEP FIVE SEVEN of subsection (b) may not be delayed due to an administrative appeal or judicial review instituted by a hospital under this subsection. If necessary, the office may make a partial distribution to the other eligible hospitals under STEP FIVE SEVEN of subsection (b) pending the completion of a hospital's administrative appeal or judicial review, at which time the remaining portion of the payments due to the eligible hospitals shall be made. A partial distribution may be based upon estimates and trends calculated by the office.

- (2) a hospital's Medicaid shortfall is equal to the amount by which the amount calculated in STEP THREE of subdivision (1) is greater than the amount calculated in STEP TWO of subdivision (1).

(g) The actual distribution of the amount calculated under STEP FIVE of subsection (b) to a hospital established and operated under IC 16-22-8 shall be made under the terms and conditions provided for the hospital in the state plan for medical assistance. The periods described in subsections (c) and (d) for the hospital to make an intergovernmental transfer are tolled pending the administrative appeal and any judicial review initiated by the hospital under IC 4-21.5. The distribution to other hospitals under STEP FIVE SEVEN of subsection (b) may not be delayed due to an administrative appeal or judicial review instituted by a hospital under this subsection. If necessary, the office may make a partial distribution to the other eligible hospitals under STEP FIVE SEVEN of subsection (b) pending the completion of a hospital's administrative appeal or judicial review, at which time the remaining portion of the payments due to the eligible hospitals must be made. A partial distribution may be calculated by the office based upon estimates and trends.

(f) For purposes of this section:

(1) ~~a hospital's~~ **the Medicaid shortfall of a hospital established and operated under IC 16-22-2 or IC 16-23** is calculated as follows:

STEP ONE: The office shall identify the outpatient hospital services, reimbursable under this article and under the state Medicaid plan, that were provided during the state fiscal year by the hospital.

(b) For each state fiscal year ending ~~June 30, 1998, June 30, 1999,~~

June 30, 2000; June 30, 2001; June 30, 2002, **after** June 30, 2003, and June 30, 2004; a hospital licensed under IC 16-21-2 that submits to the division during the state fiscal year a payable claim under IC 12-16-7.5 is entitled to a payment under this section.

(b) Subject to subsections (c), (f), (g), and (h), total payments to hospitals under this section for a state fiscal year shall be equal to all amounts transferred from the state hospital care for the indigent fund established under IC 12-16 or IC 12-16.1 for Medicaid current obligations during the state fiscal year, including amounts of the fund appropriated for Medicaid current obligations:

(c) The payment due to a hospital under this section must be based on a policy developed by the office. The policy:

- (1) is not required to provide for equal payments to all hospitals;
- (2) must attempt, to the extent practicable as determined by the office, to establish a payment rate that minimizes the difference between the aggregate amount paid under this section to all hospitals in a county for a state fiscal year and the amount of the county's hospital care for the indigent property tax levy for that state fiscal year; and
- (3) must provide that no hospital will receive a payment under this section less than the amount the hospital received under section 8 of this chapter for the state fiscal year ending June 30, 1997.

(d) Following the transfer of funds under subsection (b), an amount equal to the amount determined in the following STEPS shall be deposited in the Medicaid indigent care trust fund under IC 12-15-20-2(2) and used to fund a portion of the state's share of the disproportionate share payments to providers for the state fiscal year:

- (B) thirty-five million dollars (\$35,000,000).

STEP TWO: Multiply the amount determined under STEP ONE by the federal medical assistance percentage for the state fiscal year:

(e) If funds are transferred under IC 12-16-14.1-2(e), those funds must be used for the state's share of funding for payments to hospitals under this subsection. A payment under this subsection shall be made

to all hospitals that received a payment under this section for the state fiscal year beginning July 1, 2003, and ending June 30, 2004. Payments under this subsection shall be in proportion to each hospital's payment under this section for the state fiscal year beginning July 1, 2003, and ending June 30, 2004.

(f) If the office does not implement an uninsured parents program as provided for in IC 12-17-7 before July 1, 2005, and funds are transferred under IC 12-16-14.1-3, a hospital is entitled to a payment under this section for the state fiscal year beginning on July 1, 2004. Payments under this subsection shall be made after July 1, 2005, but before December 31, 2005.

(g) If the office does not implement an uninsured parents program as provided for in IC 12-17-7 before July 1, 2005, a hospital is entitled to a payment under this section for state fiscal years ending after June 30, 2005.

(h) If funds are transferred under IC 12-17-7-9-2, those funds shall be used for the state's share of payments to hospitals under this subsection. A payment under this subsection shall be made to all hospitals that received a payment under this section for the state fiscal year beginning July 1, 2003, and ending June 30, 2004. Payments under this subsection shall be in proportion to each hospital's payment under this section for the state fiscal year beginning July 1, 2003, and ending June 30, 2004.

(c) For a state fiscal year, subject to section 9.6 of this chapter, the office shall pay to a hospital referred to in subsection (b) an amount equal to the amount, based on information obtained from the division and the calculations and allocations made under IC 12-16-7.5-4.5, that the office determines for the hospital under STEP SIX of the following STEPS:

STEP ONE: Identify:

(A) each hospital that submitted to the division one (1) or more payable claims under IC 12-16-7.5 during the state fiscal year; and

(B) the county to which each payable claim is attributed.

STEP TWO: For each county identified in STEP ONE, identify:

(A) each hospital that submitted to the division one (1) or more payable claims under IC 12-16-7.5 attributed to the

county during the state fiscal year; and

(B) the total amount of all hospital payable claims submitted to the division under IC 12-16-7.5 attributed to the county during the state fiscal year.

STEP THREE: For each county identified in STEP ONE, identify the amount of county funds transferred to the Medicaid indigent care trust fund under STEP FOUR of IC 12-16-7.5-4.5(b).

STEP FOUR: For each hospital identified in STEP ONE, with respect to each county identified in STEP ONE, calculate the hospital's percentage share of the county's funds transferred to the Medicaid indigent care trust fund under STEP FOUR of IC 12-16-7.5-4.5(b). Each hospital's percentage share is based on the total amount of the hospital's payable claims submitted to the division under IC 12-16-7.5 attributed to the county during the state fiscal year, calculated as a percentage of the total amount of all hospital payable claims submitted to the division under IC 12-16-7.5 attributed to the county during the state fiscal year.

STEP FIVE: Subject to subsection (j), for each hospital identified in STEP ONE, with respect to each county identified in STEP ONE, multiply the hospital's percentage share calculated under STEP FOUR by the amount of the county's funds transferred to the Medicaid indigent care trust fund under STEP FOUR of IC 12-16-7.5-4.5(b).

STEP SIX: Determine the sum of all amounts calculated under STEP FIVE for each hospital identified in STEP ONE with respect to each county identified in STEP ONE.

(d) A hospital's payment under subsection (c) is in the form of a Medicaid add-on payment. The amount of a hospital's add-on payment is subject to the availability of funding for the non-federal share of the payment under subsection (e). The office shall make the payments under subsection (c) before December 15 that next succeeds the end of the state fiscal year.

(e) The non-federal share of a payment to a hospital under subsection (c) is funded from the funds transferred to the Medicaid indigent care trust fund under STEP FOUR of IC 12-16-7.5-4.5(b) of each county to which a payable claim under IC 12-16-7.5 submitted to the division during the state fiscal year by the hospital

is attributed.

(f) The amount of a county's transferred funds available to be used to fund the non-federal share of a payment to a hospital under subsection (c) is an amount that bears the same proportion to the total amount of funds of the county transferred to the Medicaid indigent care trust fund under STEP FOUR of IC 12-16-7.5-4.5(b) that the total amount of the hospital's payable claims under IC 12-16-7.5 attributed to the county submitted to the division during the state fiscal year bears to the total amount of all hospital payable claims under IC 12-16-7.5 attributed to the county submitted to the division during the state fiscal year.

(g) Any county's funds identified in subsection (f) that remain after the non-federal share of a hospital's payment has been funded are available to serve as the non-federal share of a payment to a hospital under section 9.5 of this chapter.

(h) For purposes of this section, "payable claim" has the meaning set forth in IC 12-16-7.5-2.5(b)(1).

(i) For purposes of this section:

(1) the amount of a payable claim is an amount equal to the amount the hospital would have received under the state's fee-for-service Medicaid reimbursement principles for the hospital care for which the payable claim is submitted under IC 12-16-7.5 if the individual receiving the hospital care had been a Medicaid enrollee; and

(2) a payable hospital claim under IC 12-16-7.5 includes a payable claim under IC 12-16-7.5 for the hospital's care submitted by an individual or entity other than the hospital, to the extent permitted under the hospital care for the indigent program.

(j) The amount calculated under STEP FIVE of subsection (c) for a hospital with respect to a county may not exceed the total amount of the hospital's payable claims attributed to the county during the state fiscal year.

SECTION 20. IC 12-15-15-9.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 9.5. (a) For purposes of this section and IC 12-16-7.5-4.5, a payable claim is attributed to a county if the payable claim is submitted to the division by a hospital licensed under IC 16-21-2 for payment under IC 12-16-7.5

for care provided by the hospital to an individual who qualifies for the hospital care for the indigent program under IC 12-16-3.5-1 or IC 12-16-3.5-2 and;

- (1) who is a resident of the county;
- (2) who is not a resident of the county and for whom the onset of the medical condition that necessitated the care occurred in the county; or
- (3) whose residence cannot be determined by the division and for whom the onset of the medical condition that necessitated the care occurred in the county.

(b) For each state fiscal year ending after June 30, 2003, a hospital licensed under IC 16-21-2:

- (1) that submits to the division during the state fiscal year a payable claim under IC 12-16-7.5; and
- (2) whose payment under section 9(c) of this chapter was less than the total amount of the hospital's payable claims under IC 12-16-7.5 submitted by the hospital to the division during the state fiscal year;

is entitled to a payment under this section.

(c) For a state fiscal year, subject to section 9.6 of this chapter, the office shall pay to a hospital referred to in subsection (b) an amount equal to the amount, based on information obtained from the division and the calculations and allocations made under IC 12-16-7.5-4.5, that the office determines for the hospital under STEP EIGHT of the following STEPS:

STEP ONE: Identify each county whose transfer of funds to the Medicaid indigent care trust fund under STEP FOUR of IC 12-16-7.5-4.5(b) for the state fiscal year was less than the total amount of all hospital payable claims attributed to the county and submitted to the division during the state fiscal year.

STEP TWO: For each county identified in STEP ONE, calculate the difference between the amount of funds of the county transferred to the Medicaid indigent care trust fund under STEP FOUR of IC 12-16-7.5-4.5(b) and the total amount of all hospital payable claims attributed to the county and submitted to the division during the state fiscal year.

STEP THREE: Calculate the sum of the amounts calculated for the counties under STEP TWO.

STEP FOUR: Identify each hospital whose payment under section 9(c) of this chapter was less than the total amount of the hospital's payable claims under IC 12-16-7.5 submitted by the hospital to the division during the state fiscal year.

STEP FIVE: Calculate for each hospital identified in STEP FOUR the difference between the hospital's payment under section 9(c) of this chapter and the total amount of the hospital's payable claims under IC 12-16-7.5 submitted by the hospital to the division during the state fiscal year.

STEP SIX: Calculate the sum of the amounts calculated for each of the hospitals under STEP FIVE.

STEP SEVEN: For each hospital identified in STEP FOUR, calculate the hospital's percentage share of the amount calculated under STEP SIX. Each hospital's percentage share is based on the amount calculated for the hospital under STEP FIVE calculated as a percentage of the sum calculated under STEP SIX.

STEP EIGHT: For each hospital identified in STEP FOUR, multiply the hospital's percentage share calculated under STEP SEVEN by the sum calculated under STEP THREE. The amount calculated under this STEP for a hospital may not exceed the amount by which the hospital's total payable claims under IC 12-16-7.5 submitted during the state fiscal year exceeded the amount of the hospital's payment under section 9(c) of this chapter.

(d) A hospital's payment under subsection (c) is in the form of a Medicaid add-on payment. The amount of the hospital's add-on payment is subject to the availability of funding for the non-federal share of the payment under subsection (e). The office shall make the payments under subsection (c) before December 15 that next succeeds the end of the state fiscal year.

(e) The non-federal share of a payment to a hospital under subsection (c) is derived from funds transferred to the Medicaid indigent care trust fund under STEP FOUR of IC 12-16-7.5-4.5(b) and not expended under section 9 of this chapter. To the extent possible, the funds shall be derived on a proportional basis from the funds transferred by each county identified in subsection (c),

STEP ONE:

(1) to which at least one (1) payable claim submitted by the

hospital to the division during the state fiscal year is attributed; and

(2) whose funds transferred to the Medicaid indigent care trust fund under STEP FOUR of IC 12-16-7.5-4.5(b) were not completely expended under section 9 of this chapter.

The amount available to be derived from the remaining funds transferred to the Medicaid indigent care trust fund under STEP FOUR of IC 12-16-7.5-4.5(b) to serve as the non-federal share of the payment to a hospital under subsection (c) is an amount that bears the same proportion to the total amount of funds transferred by all the counties identified in subsection (c), STEP ONE, that the amount calculated for the hospital under subsection (c), STEP FIVE, bears to the amount calculated under subsection (c), STEP SIX.

(f) Except as provided in subsection (g), the office may not make a payment under this section until the payments due under section 9 of this chapter for the state fiscal year have been made.

(g) If a hospital appeals a decision by the office regarding the hospital's payment under section 9 of this chapter, the office may make payments under this section before all payments due under section 9 of this chapter are made if:

(1) a delay in one (1) or more payments under section 9 of this chapter resulted from the appeal; and

(2) the office determines that making payments under this section while the appeal is pending will not unreasonably affect the interests of hospitals eligible for a payment under this section.

(h) Any funds transferred to the Medicaid indigent care trust fund under STEP FOUR of IC 12-16-7.5-4.5(b) remaining after payments are made under this section shall be used as provided in IC 12-15-20-2(8)(D).

(i) For purposes of this section:

(1) "payable claim" has the meaning set forth in IC 12-16-7.5-2.5(b);

(2) the amount of a payable claim is an amount equal to the amount the hospital would have received under the state's fee-for-service Medicaid reimbursement principles for the hospital care for which the payable claim is submitted under IC 12-16-7.5 if the individual receiving the hospital care had

been a Medicaid enrollee; and

(3) a payable hospital claim under IC 12-16-7.5 includes a payable claim under IC 12-16-7.5 for the hospital's care submitted by an individual or entity other than the hospital, to the extent permitted under the hospital care for the indigent program.

(e) A property owner whose deduction is terminated by the designating body under this section may appeal the designating body's decision by filing a complaint in the office of the clerk of the circuit or superior court together with a bond conditioned to pay the costs of the appeal if the appeal is determined against the property owner. After the hearing, the department of local government finance shall assess the property in question and mail a certified notice of its final determination to the appropriate county auditor. In addition, the department of local government finance shall notify the taxpayer by mail of its final determination. An assessment or reassessment may not be made under this section unless notice of the final determination of the department of local government finance is given to the taxpayer within the same time period prescribed, in IC 6-1.1-9-3 or IC 6-1.1-9-4, for giving an assessment adjustment notice. **A taxpayer may initiate an appeal of the department's final determination by filing a petition with the Indiana board not more than forty-five (45) days after the department gives the taxpayer notice of the final determination.**

SECTION 11. IC 6-1.1-15-3, AS AMENDED BY P.L.90-2002, SECTION 138, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 3. (a) A taxpayer may obtain a review by the Indiana board of a county property tax assessment board of appeals action with respect to the assessment of that taxpayer's tangible property if the county property tax assessment board of appeals' action requires the giving of notice to the taxpayer. A township assessor, county assessor, member of a county property tax assessment board of appeals, or county property tax assessment board of appeals that made the original determination under appeal under this section ~~or a county auditor who made the original enterprise zone inventory credit determination under appeal under IC 6-1.1-20-8~~, is a party to the review under this section to defend the determination. At the time that notice is given to the taxpayer, the taxpayer shall also be informed in writing of:

- (1) the taxpayer's opportunity for review under this section; and
- (2) the procedures the taxpayer must follow in order to obtain review under this section.

(b) A township assessor or county assessor may obtain a review by the Indiana board of any assessment which the township assessor or the county assessor has made, upon which the township assessor or the county assessor has passed, or which has been made over the township

assessor's or the county assessor's protest.

(c) In order to obtain a review by the Indiana board under this section, the party must file a petition for review with the appropriate county assessor within thirty (30) days after the notice of the county property tax assessment board of appeals action is given to the taxpayer.

(d) The Indiana board shall prescribe the form of the petition for review of an assessment determination by the county property tax assessment board of appeals. The Indiana board shall issue instructions for completion of the form. The form and the instructions must be clear, simple, and understandable to the average individual. An appeal of such a determination must be made on the form prescribed by the Indiana board. The form must require the petitioner to specify the following:

- (1) The items listed in section 1(e)(1) and 1(e)(2) of this chapter.

SECTION 12. IC 6-1.1-15-5, AS AMENDED BY P.L.178-2002, SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 5. (a) Within fifteen (15) days after the Indiana board gives notice of its final determination under section 4 of this chapter to the party or the maximum allowable time for the issuance of a final determination by the Indiana board under section 4 of this chapter expires, a party to the proceeding may request a rehearing before the Indiana board. The Indiana board may conduct a rehearing and affirm or modify its final determination, giving the same notices after the rehearing as are required by section 4 of this chapter. The Indiana board has fifteen (15) days after receiving a petition for a rehearing to determine whether to grant a rehearing. Failure to grant a rehearing within fifteen (15) days after receiving the petition shall be treated as a final determination to deny the petition. A petition for a

rehearing does not toll the time in which to file a petition for judicial review unless the petition for rehearing is granted. If the Indiana board determines to rehear a final determination, the Indiana board:

- (1) may conduct the additional hearings that the Indiana board determines necessary or review the written record without additional hearings; and
- (2) shall issue a final determination within ninety (90) days after notifying the parties that the Indiana board will rehear the final determination.

Failure of the Indiana board to make a final determination within the time allowed under subdivision (2) shall be treated as a final determination affirming the original decision of the Indiana board.

(b) A person may petition for judicial review of the final determination of the Indiana board regarding the assessment of that person's tangible property. The action shall be taken to the tax court under IC 4-21.5-5. Petitions for judicial review may be consolidated at the request of the appellants if it can be done in the interest of justice. The property tax assessment board of appeals that made the determination under appeal under this section may, with the approval of the county executive, file an amicus curiae brief in the review proceeding under this section. The expenses incurred by the property tax assessment board of appeals in filing the amicus curiae brief shall be paid from the reassessment fund under ~~IC 6-1.1-4-27~~. **IC 6-1.1-4-27.5**. In addition, the executive of a taxing unit may file an amicus curiae brief in the review proceeding under this section if the property whose assessment is under appeal is subject to assessment by that taxing unit. The department of local government finance may intervene in an action taken under this subsection if the interpretation of a rule of the department is at issue in the action. A

~~(1) township assessor, county assessor, member of a county property tax assessment board of appeals, or county property tax assessment board of appeals that made the original assessment determination under appeal under this section or~~

~~(2) county auditor who made the original enterprise zone inventory credit determination under appeal under IC 6-1.1-20.8;~~ is a party to the review under this section to defend the determination.

(c) To initiate a proceeding for judicial review under this section, a person must take the action required by subsection (b) within:

(1) forty-five (45) days after the Indiana board gives the person notice of its final determination, unless a rehearing is conducted under subsection (a); or

(2) thirty (30) days after the Indiana board gives the person notice under subsection (a) of its final determination, if a rehearing is conducted under subsection (a) or the maximum time elapses for the Indiana board to make a determination under this section.

(d) The failure of the Indiana board to conduct a hearing within the period prescribed in section 4(f) or 4(g) of this chapter does not constitute notice to the person of an Indiana board final determination.

(e) The county executive may petition for judicial review to the tax court in the manner prescribed in this section upon request by the county assessor or elected township assessor.

(f) If the county executive determines upon a request under this subsection to not appeal to the tax court:

(1) the entity described in subsection (b) that made the original determination under appeal under this section may take an appeal to the tax court in the manner prescribed in this section using funds from that entity's budget; and

(2) the petitioner may not be represented by the attorney general in an action described in subdivision (1).

(d) If the tax is not based on an assessment made or determined by the state board of tax commissioners (before the board was abolished) or the department of local government finance, the county auditor shall correct an error described under subsection (a)(6), (a)(7), or (a)(8) only if the correction is first approved by at least two (2) of the following officials:

- (1) The township assessor.
- (2) The county auditor.
- (3) The county assessor.

If two (2) of these officials do not approve such a correction, the county auditor shall refer the matter to the county property tax assessment board of appeals for determination. The county property tax assessment board of appeals shall provide a copy of the determination to the taxpayer and to the county auditor.

(e) A taxpayer may appeal a determination of the county property tax assessment board of appeals to the Indiana board for a final administrative determination. An appeal under this section shall be conducted in the same manner as appeals under sections 4 through 8 of this chapter. The Indiana board shall send the final administrative determination to the taxpayer, the county auditor, the county assessor, and the township assessor.

political subdivision may transfer money from one major budget classification to another within a department or office if:

- (1) they determine that the transfer is necessary;
- (2) the transfer does not require the expenditure of more money than the total amount set out in the budget as finally determined under this article; **and**
- (3) the transfer is made at a regular public meeting and by proper ordinance or resolution. **and**
- ~~(4) the transfer is certified to the county auditor:~~

(b) A transfer may be made under this section without notice and without the approval of the department of local government finance.

SECTION 17. IC 6-1.1-18.5-8, AS AMENDED BY P.L.90-2002, SECTION 164, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 8. (a) The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit if the civil taxing unit is committed to levy the taxes to pay or fund either:

- (1) bonded indebtedness; or
- (2) lease rentals under a lease with an original term of at least five (5) years.

(b) ~~Before a civil taxing unit may incur bonded indebtedness or enter into a lease with an original term of at least five (5) years, the A~~ **civil taxing unit must request and obtain file a petition requesting approval from the department of local government finance to incur the bonded indebtedness or execute the a lease with an original term of at least five (5) years not later than twenty-four (24) months after the first date of publication of notice of a preliminary determination under IC 6-1.1-20-3.1(2), unless the civil taxing unit demonstrates that a longer period is reasonable in light of the civil taxing unit's facts and circumstances. A civil taxing unit must obtain approval from the department of local government finance before the civil taxing unit may:**

- (1) incur the bonded indebtedness; or**
- (2) enter into the lease.**

The department of local government finance may seek recommendations from the local government tax control board established by section 11 of this chapter when determining whether to authorize incurring the bonded indebtedness or the execution of the

lease.

(c) The department of local government finance shall render a decision within three (3) months after the date it receives a request for approval under subsection (b). However, the department of local government finance may extend this three (3) month period by an additional three (3) months if, at least ten (10) days before the end of the original three (3) month period, the department sends notice of the extension to the executive officer of the civil taxing unit. **A civil taxing unit may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than forty-five (45) days after the department enters its order under this section.**

(d) A civil taxing unit does not need approval under subsection (b) to obtain temporary loans made in anticipation of and to be paid from current revenues of the civil taxing unit actually levied and in the course of collection for the fiscal year in which the loans are made.

(e) For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a calendar year does not include that part of its levy that is committed to fund or pay bond indebtedness or lease rentals with an original term of five (5) years in subsection (a).

(f) A taxpayer may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than thirty (30) days after the department enters its order under this section.

SECTION 18. IC 6-1.1-18.5-13, AS AMENDED BY P.L.192-2002(ss), SECTION 37, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 13. With respect to an appeal filed under section 12 of this chapter, the local government tax control board may recommend that a civil taxing unit receive any one (1) or more of the following types of relief:

(1) Permission to the civil taxing unit to reallocate the amount set aside as a property tax replacement credit as required by IC 6-3.5-1.1 for a purpose other than property tax relief. However, whenever this occurs, the local government tax control board shall also state the amount to be reallocated.

(2) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if in the judgment of the local government tax control board the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas or persons.

(3) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December 31, 1973. Before recommending such an increase, the local government tax control board shall consider all other revenues available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's share of the costs of operating a court for the first full calendar year in which it is in existence.

(4) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and three-hundredths (1.03):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the civil taxing unit's total assessed value of all taxable property in the particular calendar year, divided by the civil taxing unit's total assessed value of all taxable property in the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar

years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the total assessed value of all taxable property of all civil taxing units in the state in the particular calendar year, divided by the total assessed value of all taxable property of all civil taxing units in the state in the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

In addition, before the local government tax control board may recommend the relief allowed under this subdivision, the civil taxing unit must show a need for the increased levy because of special circumstances, and the local government tax control board must consider other sources of revenue and other means of relief. (5) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to pay the costs of furnishing fire protection for the civil taxing unit through a volunteer fire department. For purposes of determining a township's need for an increased levy, the local government tax control board shall not consider the amount of money borrowed under IC 36-6-6-14 during the immediately preceding calendar year. However, any increase in the amount of the civil taxing unit's levy recommended by the local government tax control board under this subdivision for the ensuing calendar year may not exceed the lesser of:

(A) ten thousand dollars (\$10,000); or

(B) twenty percent (20%) of:

(i) the amount authorized for operating expenses of a volunteer fire department in the budget of the civil taxing unit for the immediately preceding calendar year; plus

(ii) the amount of any additional appropriations authorized during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department under this chapter; minus

(iii) the amount of money borrowed under IC 36-6-6-14

during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department.

(6) Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter in order to raise revenues for pension payments and contributions the civil taxing unit is required to make under IC 36-8. The maximum increase in a civil taxing unit's levy that may be recommended under this subdivision for an ensuing calendar year equals the amount, if any, by which the pension payments and contributions the civil taxing unit is required to make under IC 36-8 during the ensuing calendar year exceeds the product of one and one-tenth (1.1) multiplied by the pension payments and contributions made by the civil taxing unit under IC 36-8 during the calendar year that immediately precedes the ensuing calendar year. For purposes of this subdivision, "pension payments and contributions made by a civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state.

(7) Permission to increase its levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the township's poor relief ad valorem property tax rate is less than one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation; and

(B) the township needs the increase to meet the costs of providing poor relief under IC 12-20 and IC 12-30-4.

The maximum increase that the board may recommend for a township is the levy that would result from an increase in the township's poor relief ad valorem property tax rate of one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation minus the township's ad valorem property tax rate per one hundred dollars (\$100) of assessed valuation before the increase.

(8) Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and

(B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services.

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population, and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that would be raised by the civil taxing unit based on a property tax rate of one cent (\$0.01) per one hundred dollars (\$100) of assessed valuation.

(9) Permission to a civil taxing unit to increase the unit's levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the civil taxing unit is:

(i) a county having a population of more than one hundred forty-eight thousand (148,000) but less than one hundred seventy thousand (170,000);

(ii) a city having a population of more than fifty-five thousand (55,000) but less than fifty-nine thousand (59,000);

(iii) a city having a population of more than twenty-eight thousand seven hundred (28,700) but less than twenty-nine thousand (29,000);

(iv) a city having a population of more than fifteen thousand four hundred (15,400) but less than sixteen thousand six hundred (16,600); or

(v) a city having a population of more than seven thousand (7,000) but less than seven thousand three hundred (7,300); and

(B) the increase is necessary to provide funding to undertake removal (as defined in IC 13-11-2-187) and remedial action (as defined in IC 13-11-2-185) relating to hazardous substances (as defined in IC 13-11-2-98) in solid waste disposal facilities or industrial sites in the civil taxing unit that have become a menace to the public health and welfare.

The maximum increase that the local government tax control board may recommend for such a civil taxing unit is the levy that

would result from a property tax rate of six and sixty-seven hundredths cents (\$.0667) for each one hundred dollars (\$100) of assessed valuation. For purposes of computing the ad valorem property tax levy limit imposed on a civil taxing unit under section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular year does not include that part of the levy imposed under this subdivision. In addition, a property tax increase permitted under this subdivision may be imposed for only two (2) calendar years.

(10) Permission for a county having a population of more than eighty thousand (80,000) but less than ninety thousand (90,000) to increase the county's levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the county needs the increase to meet the county's share of the costs of operating a jail or juvenile detention center, including expansion of the facility, if the jail or juvenile detention center is opened after December 31, 1991. Before recommending an increase, the local government tax control board shall consider all other revenues available to the county that could be applied for that purpose. An appeal for operating funds for a jail or juvenile detention center shall be considered individually, if a jail and juvenile detention center are both opened in one (1) county. The maximum aggregate levy increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

(11) Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the

municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

(12) Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township has been required, for the three (3) consecutive years preceding the year for which the appeal under this subdivision is to become effective, to borrow funds under IC 36-6-6-14 to furnish fire protection for the township or a part of the township. However, the maximum increase in a township's levy that may be allowed under this subdivision is the least of the amounts borrowed under IC 36-6-6-14 during the preceding three (3) calendar years. A township may elect to phase in an approved increase in its levy under this subdivision over a period not to exceed three (3) years. A particular township may appeal to increase its levy under this section not more frequently than every fourth calendar year.

(13) Permission to a city having a population of more than twenty-nine thousand (29,000) but less than thirty-one thousand (31,000) to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) an appeal was granted to the city under subdivision (1) in 1998, 1999, and 2000; and

(B) the increase has been approved by the legislative body of the city, and the legislative body of the city has by resolution determined that the increase is necessary to pay normal operating expenses.

The maximum amount of the increase is equal to the amount of property tax replacement credits under IC 6-3.5-1.1 that the city petitioned to have reallocated in 2001 under subdivision (1) for a purpose other than property tax relief.

SECTION 19. IC 6-1.1-18.5-15, AS AMENDED BY P.L.90-2002, SECTION 170, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 15. **(a)** The department of local

government finance, upon receiving a recommendation made under section 13 or 14 of this chapter, shall enter an order adopting, rejecting, or adopting in part and rejecting in part the recommendation of the local government tax control board. ~~The decision of the department of local government finance is final.~~

(b) A civil taxing unit may petition for judicial review of the final determination of the department of local government finance under subsection (a). The action must be taken to the tax court under IC 6-1.1-15 in the same manner that an action is taken to appeal a final determination of the Indiana board. The petition must be filed in the tax court not more than forty-five (45) days after the department enters its order under subsection (a).

SECTION 20. IC 6-1.1-19-7, AS AMENDED BY P.L.90-2002, SECTION 188, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 7. **(a)** Any recommendation that is to be made by the tax control board to the department of local government finance pursuant to any provision of this chapter shall be made at such a time as is prescribed in this chapter and, if no time for the making of such a recommendation is prescribed in this chapter, then the recommendation shall be made at such a time as will permit the department to complete those duties of the department that are defined in IC 6-1.1-17 within the time allowed by law for the completion of those duties, or such additional time as is reasonably necessary for the department and the tax control board to complete the duties provided by this chapter. No tax levy shall be invalid because of the failure of either the tax control board or the department of local government finance to complete its duties within the time or time limits provided by this chapter or any other law. Subject to the provisions of this chapter, the department of local government finance may accept, reject, or accept in part and reject in part any recommendation of the tax control board that is made to it under this chapter and may make any order that is consistent with the provisions of IC 6-1.1-17. The department of local government finance may not approve or authorize an excessive tax levy except in accordance with the provisions of this chapter.

(b) A school corporation may petition for judicial review of the final determination of the department of local government finance under subsection (a). The petition must be filed in the tax court not

more than forty-five (45) days after the department enters its order under subsection (a).

SECTION 21. IC 6-1.1-19-8, AS AMENDED BY P.L.90-2002, SECTION 189, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 8. (a) A school corporation ~~may not~~ **must file a petition requesting approval from the department of local government finance to** incur bond indebtedness, enter into a lease rental agreement, or repay from the debt service fund loans made for the purchase of school buses under IC 20-9.1-6-5 ~~unless the school corporation has first obtained the department of local government finance's approval of the lease rental agreement; bond issue or not later than twenty-four (24) months after the first date of publication of notice of a preliminary determination under IC 6-1.1-20-3.1(2), unless the school corporation demonstrates that a longer period is reasonable in light of the school corporation's facts and circumstances. A school corporation must obtain approval from the department of local government finance before the school corporation may:~~

- (1) incur the indebtedness;**
- (2) enter into the lease agreement; or**
- (3) repay the school bus purchase loan.**

This restriction does not apply to ad valorem property taxes which a school corporation levies to pay or fund bond or lease rental indebtedness created or incurred before July 1, 1974.

(b) The department of local government finance may either approve, disapprove, or modify then approve a school corporation's proposed lease rental agreement, bond issue or school bus purchase loan. Before it approves or disapproves a proposed lease rental agreement, bond issue or school bus purchase loan, the department of local government finance may seek the recommendation of the tax control board.

(c) The department of local government finance shall render a decision not more than three (3) months after the date it receives a request for approval under subsection (a). However, the department of local government finance may extend this three (3) month period by an additional three (3) months if, at least ten (10) days before the end of the original three (3) month period, the department sends notice of the extension to the executive officer of the school corporation. **A school corporation may petition for judicial review of the final**

determination of the department of local government finance under this section. The petition must be filed in the tax court not more than forty-five (45) days after the department enters its order under this section.

(d) After December 31, 1995, the department of local government finance may not approve a school corporation's proposed lease rental agreement or bond issue to finance the construction of additional classrooms unless the school corporation first:

- (1) establishes that additional classroom space is necessary; and
- (2) conducts a feasibility study, holds public hearings, and hears public testimony on using a twelve (12) month school term (instead of the nine (9) month school term (as defined in IC 20-10.1-2-2)) rather than expanding classroom space.

(e) This section does not apply to school bus purchase loans made by a school corporation which will be repaid solely from the general fund of the school corporation.

(f) A taxpayer may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than thirty (30) days after the department enters its order under this section.

SECTION 22. IC 6-1.1-20-6, AS AMENDED BY P.L.90-2002, SECTION 194, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 6. (a) Upon receipt of a certified petition filed in the manner prescribed in section 5(b) of this chapter, the department of local government finance shall fix a time and place for a hearing on the matter. The department of local government finance shall hold the hearing not less than five (5) or more than thirty (30) days after the department receives the petition, and the department shall hold the hearing in the political subdivision or in the county where the political subdivision is located. At least five (5) days before the date fixed for the hearing, the department of local government finance shall give notice of the hearing, by mail, to the executive officer of the political subdivision and to the first ten (10) taxpayers who signed the petition. The mailings shall be addressed to the officer and the taxpayers at their usual place of residence.

(b) After the hearing required by this section, the department of local government finance may approve, disapprove, or reduce the

amount of the proposed issue. The department of local government finance must render a decision not later than three (3) months after the hearing, and if no decision is rendered within that time, the issue is considered approved unless the department takes the extension provided for in this section. A three (3) month extension of the time period during which the decision must be rendered may be taken by the department of local government finance if the department by mail gives notice of the extension to the executive officer of the political subdivision and to the first ten (10) taxpayers who signed the petition, at least ten (10) days before the end of the original three (3) month period. If no decision is rendered within the extension period, the issue is considered approved. ~~The action taken by the department of local government finance on the proposed issue is final.~~

(c) A:

(1) taxpayer who signed a petition referred to in subsection (a); or

(2) political subdivision against which a petition referred to in subsection (a) is filed;

may petition for judicial review of the final determination of the department of local government finance under subsection (b). The petition must be filed in the tax court not more than forty-five (45) days after the department renders its decision under subsection (b).

SECTION 23. IC 6-1.1-20.8-2.5, AS ADDED BY P.L.198-2001, SECTION 57, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 2.5. (a) A person that desires to claim the credit provided by section 1 of this chapter shall file a certified application, on forms prescribed by the department of local government finance, with

~~(1) the auditor of the county where the property for which the credit is claimed was located on the assessment date. and~~

~~(2) the department of local government finance.~~

A person that timely files a personal property return under IC 6-1.1-3-7(a) for an assessment year must file the application between March 1 and May 15 of that year in order to obtain the credit in the following year. A person that obtains a filing extension under IC 6-1.1-3-7(b) for an assessment year must file the application between March 1 and the extended due date for that year in order to obtain the credit in the following year.

(b) A taxpayer shall include on an application filed under this section all information that the department of local government finance requires to determine eligibility for the credit provided under this chapter.

(c) Compliance with this chapter does not exempt a person from compliance with IC 4-4-6.1-2.5.

SECTION 24. IC 6-1.1-20.8-3, AS AMENDED BY P.L.198-2001, SECTION 58, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 3. (a) The county auditor shall determine the eligibility of each applicant under this chapter and shall notify the applicant the department of local government finance, and the Indiana board of the determination before August 15 of the year in which the application is made. This notice must contain a statement that:

- (1) the applicant is entitled to appeal a denial of eligibility; and
- (2) the department of local government finance may, upon its own initiative, review the application and deny the credit.

(b) If the county auditor determines that an applicant is not eligible, the applicant may appeal for a review of the application by the Indiana board. An appeal is perfected by the filing of a written request for review with the Indiana board not later than thirty (30) days after the date on the county auditor's notice. The request must:

- (1) state the name of the applicant;
- (2) identify the application; and
- (3) state the reasons the applicant believes that the county auditor's decision is incorrect.

(c) The Indiana board shall review the application of any applicant who files an appeal under subsection (b). The Indiana board shall notify the applicant and the county auditor of the Indiana board's decision to allow or disallow the credit.

(d) The department of local government finance may review any application and if it finds that the applicant has been denied but is eligible or that the applicant is not eligible, the department shall notify the applicant and the county auditor of the department's decision to allow or disallow the credit.

(e) If a person desires to initiate a proceeding for judicial review of the Indiana board's final determination under subsection (c), the person must petition for judicial review under IC 4-21.5-5 not more than forty-five (45) days after the Indiana board gives the person notice of

the final determination.

(f) If a person desires to initiate an appeal of the decision of the department of local government finance to disallow the credit under subsection (d), the person shall file a petition for review with the Indiana board not more than forty-five (45) days after the department gives the person notice of the decision.

(g) If a person desires to initiate a proceeding for judicial review of the Indiana board's final determination under subsection (f), the person must petition for judicial review under IC 4-21-5-5 not more than forty-five (45) days after the Indiana board gives the person notice of the final determination.

SECTION 25. IC 6-1.1-21.2-11, AS ADDED BY P.L.192-2002(ss), SECTION 44, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 11. (a) **By July 15 Not later than September 1** of a year **in which a general reassessment does not become effective**, the governing body shall estimate the tax increment replacement amount for each allocation area under the jurisdiction of the governing body for the next calendar year. **In a year in which a general reassessment becomes effective, the department of local government finance may extend the deadline under this subsection by giving written notice to the governing body before the deadline.**

(b) The tax increment replacement amount is the amount determined in STEP THREE of the following formula:

STEP ONE: The governing body shall estimate the amount of tax increment revenues it would receive in the next calendar year if the property tax replacement credits payable with respect to the general fund levies imposed by all school corporations with jurisdiction in the allocation area were determined under IC 6-1.1-21 as in effect on January 1, 2001.

STEP TWO: The governing body shall estimate the amount of tax increment revenues it will receive in the next calendar year after implementation of the increase in the property tax credits payable under IC 6-1.1-21, as amended by the general assembly in 2002, with respect to general fund levies imposed by all school corporations with jurisdiction in the allocation area.

STEP THREE: Subtract the STEP TWO amount from the STEP ONE amount.

SECTION 26. IC 6-1.1-21.2-14, AS ADDED BY P.L.192-2002(ss),

SECTION 44, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 14. (a) The department of local government finance shall approve an appeal filed under section 13 of this chapter if the department determines that:

(1) the governing body's estimate of the tax replacement amount under section 11 of this chapter is reasonable;

(2) a tax levy in excess of the amount determined under section 12(d) of this chapter would:

(A) create a significant financial hardship on taxpayers residing in the district in which the governing body exercises jurisdiction;

(B) significantly reduce the benefits from the increase in the property tax credits payable under IC 6-1.1-21, as amended by the general assembly in 2002, with respect to general fund levies imposed by all school corporations with jurisdiction in the district; or

(C) have a disproportionate impact on small businesses or low income families or individuals; and

(3) the governing body has made reasonable efforts to limit its use of the special fund for the allocation area to appropriations for payments of:

(A) the principal and interest on loans or bonds;

(B) lease rentals on leases;

(C) amounts due on other contractual obligations; and

(D) additional credits described in IC 8-22-3.5-10(a), IC 36-7-14-39.5(c), IC 36-7-14.5-12.5(d)(5), IC 36-7-15.1-26.5(e), IC 36-7-15.1-35(d), or IC 36-7-30-25(b)(2)(E).

(b) In a year in which a general reassessment does not become effective, the department of local government finance shall make a final determination on an appeal filed under this section by November 1 of a the year. In a year in which a general reassessment becomes effective, the department may extend the deadline under this subsection by giving written notice to the appellant before the deadline.

(c) If the department approves an appeal filed under this section, it shall order a distribution from the property tax replacement fund in the amount determined under section 13(b) of this chapter in the same

manner as distributions are made under IC 6-1.1-21-4.

(d) If the department denies an appeal filed under section 13 of this chapter, or does not grant the maximum permissible distribution under section 13(b) of this chapter, the legislative body of the unit that established the district may increase the levy imposed under this chapter to an amount that, when combined with any distribution received under this chapter, does not exceed the tax increment replacement amount.

SECTION 27. IC 6-1.1-26-2, AS AMENDED BY P.L.178-2002, SECTION 33, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 2. (a) The county auditor shall forward a claim for refund filed under section 1 of this chapter to the department of local government finance for review by the department if:

(1) the claim is for the refund of taxes paid on an assessment made or determined by the state board of tax commissioners (before the board was abolished) or the department of local government finance; and

(2) the claim is based upon the grounds specified in ~~section 1(4)(ii)~~ **section 1(4)(B)** or ~~1(4)(iii)~~ **1(4)(C)** of this chapter.

In the case of mobile telecommunications services, "place of primary use" must be within the licensed service area of the home service provider.

Sec. 10. As used in this chapter, "post paid calling service" means the telecommunications service obtained by making a payment on a call by call basis either through the use of a credit card or payment mechanism such as a bank card, travel card, credit card, or debit card, or by charge made to a telephone number that is not associated with the origination or termination of the telecommunications service. A post paid calling service includes a telecommunications service that would be a prepaid calling service except it is not exclusively a telecommunications service.

Sec. 11. As used in this chapter, "prepaid calling service" means the right to access exclusively telecommunications services, which

must be paid for in advance and which enables the origination of calls using an access number or authorization code, whether manually or electronically dialed, and that is sold in predetermined units or dollars of which the number declines with use in a known amount.

Sec. 12. As used in this chapter, "private communication service" means a telecommunications service that entitles the customer to exclusive or priority use of a communications channel or group of channels between or among termination points, regardless of the manner in which such channel or channels are connected, and includes switching capacity, extension lines, stations, and any other associated services that are provided in connection with the use of such channel or channels.

Sec. 13. As used in this chapter, "service address" means the following:

- (1) The location of the telecommunications equipment to which a customer's call is charged and from which the call originates or terminates, regardless of where the call is billed or paid.
- (2) If the location described in subdivision (1) is not known, the origination point of the signal of the telecommunications services first identified by either the seller's telecommunications system or in information received by the seller from its service provider, where the system used to transport such signals is not that of the seller.
- (3) If neither of the locations described in subdivision (1) or (2) is known, the location of the customer's place of primary use.

Sec. 14. Except for the telecommunications services listed in section 16 of this chapter, the sale of telecommunications service sold on a call by call basis shall be sourced to:

- (1) each level of taxing jurisdiction where the call originates and terminates in that jurisdiction; or
- (2) each level of taxing jurisdiction where the call either originates or terminates and in which the service address is also located.

Sec. 15. Except for the telecommunications services listed in section 16 of this chapter, a sale of telecommunications services sold on a basis other than a call by call basis is sourced to the

customer's place of primary use.

Sec. 16. The sale of the following telecommunications services shall be sourced to each level of taxing jurisdiction as follows:

(1) A sale of mobile telecommunications services, other than air to ground radiotelephone service and prepaid calling service, is sourced to the customer's place of primary use as required by the Mobile Telecommunications Sourcing Act and IC 6-8.1-15.

(2) A sale of post paid calling service is sourced to the origination point of the telecommunications signal as first identified by either:

(A) the seller's telecommunications system; or

(B) information received by the seller from its service provider, where the system used to transport such signals is not that of the seller.

(3) A sale of prepaid calling service is sourced in the following manner:

(A) When the service is received by the purchaser at a business location of the seller, the sale is sourced to that business location.

(B) When the service is not received by the purchaser at a business location of the seller, the sale is sourced to the location where receipt by the purchaser (or the purchaser's donee, designated as such by the purchaser) occurs, including the location indicated by instructions for delivery to the purchaser (or donee), known to the seller.

(C) When clauses (A) and (B) do not apply, the sale is sourced to the location indicated by an address for the purchaser that is available from the business records of the seller that are maintained in the ordinary course of the seller's business when use of this address does not constitute bad faith.

(D) When clauses (A) through (C) do not apply, the sale is sourced to the location indicated by an address for the purchaser obtained during the consummation of the sale, including the address of a purchaser's payment instrument, if no other address is available, when use of this address does not constitute bad faith.

(E) When clauses (A) through (D) do not apply, including

the circumstance in which the seller is without sufficient information to apply the previous clauses, the location will be determined by either:

- (i) the address from which tangible personal property was shipped, from which any digital good or computer software delivered electronically was first available for transmission by the seller, or from which the service was provided (disregarding for these purposes any location that merely provided the digital transfer of the product sold); or**
- (ii) in the case of a sale of mobile telecommunications service that is a prepaid telecommunications service, the location associated with the mobile telephone number.**

(4) A sale of a private communications service is sourced as follows:

(A) Service for a separate charge related to a customer channel termination point is sourced to each level of jurisdiction in which such customer channel termination point is located.

(B) Service where all customer termination points are located entirely within one (1) jurisdiction or level of jurisdiction is sourced in such jurisdiction in which the customer channel termination points are located.

(C) Service for segments of a channel between two (2) customer channel termination points located in different jurisdictions and which segments of channel are separately charged is sourced fifty percent (50%) in each level of jurisdiction in which the customer channel termination points are located.

(D) Service for segments of a channel located in more than one (1) jurisdiction or level of jurisdiction and which segments are not separately billed is sourced in each jurisdiction based on the percentage determined by dividing the number of customer channel termination points in such jurisdiction by the total number of customer channel termination points.

SECTION 32. IC 6-2.5-13 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]:

Chapter 13. General Sourcing Rules

Sec. 1. (a) As used in this section, the terms "receive" and "receipt" mean:

- (1)** taking possession of tangible personal property;
- (2)** making first use of services; or
- (3)** taking possession or making first use of digital goods;

whichever comes first. The terms "receive" and "receipt" do not include possession by a shipping company on behalf of the purchaser.

(b) This section:

- (1)** applies regardless of the characterization of a product as tangible personal property, a digital good, or a service;
- (2)** applies only to the determination of a seller's obligation to pay or collect and remit a sales or use tax with respect to the seller's retail sale of a product; and
- (3)** does not affect the obligation of a purchaser or lessee to remit tax on the use of the product to the taxing jurisdictions of that use.

(c) This section does not apply to sales or use taxes levied on the following:

- (1)** The retail sale or transfer of watercraft, modular homes, manufactured homes, or mobile homes. These items must be sourced according to the requirements of this article.
- (2)** The retail sale, excluding lease or rental, of motor vehicles, trailers, semitrailers, or aircraft that do not qualify as transportation equipment, as defined in subsection (g). The retail sale of these items shall be sourced according to the requirements of this article, and the lease or rental of these items must be sourced according to subsection (f).
- (3)** Telecommunications services, as set forth in IC 6-2.5-12, shall be sourced in accordance with IC 6-2.5-12.

(d) The retail sale, excluding lease or rental, of a product shall be sourced as follows:

- (1)** When the product is received by the purchaser at a business location of the seller, the sale is sourced to that business location.
- (2)** When the product is not received by the purchaser at a business location of the seller, the sale is sourced to the location where receipt by the purchaser (or the purchaser's

donee, designated as such by the purchaser) occurs, including the location indicated by instructions for delivery to the purchaser (or donee), known to the seller.

(3) When subdivisions (1) and (2) do not apply, the sale is sourced to the location indicated by an address for the purchaser that is available from the business records of the seller that are maintained in the ordinary course of the seller's business when use of this address does not constitute bad faith.

(4) When subdivisions (1), (2), and (3) do not apply, the sale is sourced to the location indicated by an address for the purchaser obtained during the consummation of the sale, including the address of a purchaser's payment instrument, if no other address is available, when use of this address does not constitute bad faith.

(5) When none of the previous rules of subdivision (1), (2), (3), or (4) apply, including the circumstance in which the seller is without sufficient information to apply the previous rules, then the location will be determined by the address from which tangible personal property was shipped, from which the digital good or the computer software delivered electronically was first available for transmission by the seller, or from which the service was provided (disregarding for these purposes any location that merely provided the digital transfer of the product sold).

(e) The lease or rental of tangible personal property, other than property identified in subsection (f) or (g), shall be sourced as follows:

(1) For a lease or rental that requires recurring periodic payments, the first periodic payment is sourced the same as a retail sale in accordance with the provisions of subsection (d). Periodic payments made subsequent to the first payment are sourced to the primary property location for each period covered by the payment. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. The property location shall not be altered by intermittent use at different

locations, such as use of business property that accompanies employees on business trips and service calls.

(2) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection (d).

This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or an accelerated basis, or on the acquisition of property for lease.

(f) The lease or rental of motor vehicles, trailers, semitrailers, or aircraft that do not qualify as transportation equipment, as defined in subsection (g), shall be sourced as follows:

(1) For a lease or rental that requires recurring periodic payments, each periodic payment is sourced to the primary property location. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. This location shall not be altered by intermittent use at different locations.

(2) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection (d).

This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.

(g) The retail sale, including lease or rental, of transportation equipment shall be sourced the same as a retail sale in accordance with the provisions of subsection (d), notwithstanding the exclusion of lease or rental in subsection (d). As used in this subsection, "transportation equipment" means any of the following:

(1) Locomotives and railcars that are used for the carriage of persons or property in interstate commerce.

(2) Trucks and truck-tractors with a gross vehicle weight rating (GVWR) of ten thousand one (10,001) pounds or greater, trailers, semitrailers, or passenger buses that are:

(A) registered through the International Registration Plan;
and

(B) operated under authority of a carrier authorized and certificated by the U.S. Department of Transportation or

another federal authority to engage in the carriage of persons or property in interstate commerce.

(3) Aircraft that are operated by air carriers authorized and certificated by the U.S. Department of Transportation or another federal or a foreign authority to engage in the carriage of persons or property in interstate or foreign commerce.

(4) Containers designed for use on and component parts attached or secured on the items set forth in subdivisions (1) through (3).

Sec. 2. (a) Notwithstanding section 1 of this chapter, a business purchaser that:

(1) is not a holder of a direct pay permit; and

(2) knows at the time of its purchase of a digital good, computer software delivered electronically, or a service that the digital good, computer software delivered electronically, or service will be concurrently available for use in more than one (1) jurisdiction;

shall deliver to the seller in conjunction with its purchase a form disclosing this fact ("multiple points of use" or "MPU" exemption form).

(b) Upon receipt of the MPU exemption form, the seller is relieved of all obligation to collect, pay, or remit the applicable tax and the purchaser shall be obligated to collect, pay, or remit the applicable tax on a direct pay basis.

(c) A purchaser delivering the MPU exemption form may use any reasonable, but consistent and uniform, method of apportionment that is supported by the purchaser's business records as they exist at the time of the consummation of the sale.

(d) The MPU exemption form remains in effect for all future sales by the seller to the purchaser (except as to the subsequent sale's specific apportionment that is governed by the principle of subsection (c) and the facts existing at the time of the sale) until it is revoked in writing.

(e) A holder of a direct pay permit shall not be required to deliver a MPU exemption form to the seller. A direct pay permit holder shall follow the provisions of subsection (c) in apportioning the tax due on a digital good or a service that will be concurrently available for use in more than one (1) jurisdiction.

Sec. 3. (a) Notwithstanding section 1 of this chapter, a purchaser of direct mail that is not a holder of a direct pay permit shall provide to the seller in conjunction with the purchase either a direct mail form or information to show the jurisdictions to which the direct mail is delivered to recipients.

(b) Upon receipt of the direct mail form, the seller is relieved of all obligations to collect, pay, or remit the applicable tax and the purchaser is obligated to pay or remit the applicable tax on a direct pay basis. A direct mail form remains in effect for all future sales of direct mail by the seller to the purchaser until it is revoked in writing.

(c) Upon receipt of information from the purchaser showing the jurisdictions to which the direct mail is delivered to recipients, the seller shall collect the tax according to the delivery information provided by the purchaser. In the absence of bad faith, the seller is relieved of any further obligation to collect tax on any transaction where the seller has collected tax under the delivery information provided by the purchaser.

(d) If the purchaser of direct mail does not have a direct pay permit and does not provide the seller with either a direct mail form or delivery information, as required by subsection (a), the seller shall collect the tax according to section 1(d)(5) of this chapter. Nothing in this subsection limits a purchaser's obligation for sales or use tax to any state to which the direct mail is delivered.

(e) If a purchaser of direct mail provides the seller with documentation of direct pay authority, the purchaser shall not be required to provide a direct mail form or delivery information to the seller.

(a) A denial of disclosure by a public agency occurs when the person making the request is physically present in the office of the agency, makes the request by telephone, or requests enhanced access to a document and:

- (1) the person designated by the public agency as being responsible for public records release decisions refuses to permit inspection and copying of a public record when a request has been made; or
- (2) twenty-four (24) hours elapse after any employee of the public agency refuses to permit inspection and copying of a public record when a request has been made;

whichever occurs first.

(b) If a person requests by mail or by facsimile a copy or copies of a public record, a denial of disclosure does not occur until seven (7) days have elapsed from the date the public agency receives the request.

(c) If a request is made orally, either in person or by telephone, a public agency may deny the request orally. However, if a request initially is made in writing, by facsimile, or through enhanced access, or if an oral request that has been denied is renewed in writing or by

facsimile, a public agency may deny the request if:

- (1) the denial is in writing or by facsimile; and
- (2) the denial includes:
 - (A) a statement of the specific exemption or exemptions authorizing the withholding of all or part of the public record; and
 - (B) the name and the title or position of the person responsible for the denial.

(d) This subsection applies to a board, a commission, a department, a division, a bureau, a committee, an agency, an office, an instrumentality, or an authority, by whatever name designated, exercising any part of the executive, administrative, judicial, or legislative power of the state. If an agency receives a request to inspect or copy a record that the agency considers to be excepted from disclosure under section 4(b)(19) of this chapter, the agency may consult with the counterterrorism and security council established under IC 4-3-20. If an agency denies the disclosure of a record or a part of a record under section 4(b)(19) of this chapter, the agency or the counterterrorism and security council shall provide a general description of the record being withheld and of how disclosure of the record would have a reasonable likelihood of threatening the public safety.

(e) A person who has been denied the right to inspect or copy a public record by a public agency may file an action in the circuit or superior court of the county in which the denial occurred to compel the public agency to permit the person to inspect and copy the public record. Whenever an action is filed under this subsection, the public agency must notify each person who supplied any part of the public record at issue:

- (1) that a request for release of the public record has been denied; and
- (2) whether the denial was in compliance with an informal inquiry response or advisory opinion of the public access counselor.

Such persons are entitled to intervene in any litigation that results from the denial. The person who has been denied the right to inspect or copy need not allege or prove any special damage different from that suffered by the public at large.

~~(e)~~ **(f)** The court shall determine the matter de novo, with the burden

of proof on the public agency to sustain its denial. If the issue in de novo review under this section is whether a public agency properly denied access to a public record because the record is exempted under section 4(a) of this chapter, the public agency meets its burden of proof under this subsection by establishing the content of the record with adequate specificity and not by relying on a conclusory statement or affidavit.

(†) (g) If the issue in a de novo review under this section is whether a public agency properly denied access to a public record because the record is exempted under section 4(b) of this chapter:

(1) the public agency meets its burden of proof under this subsection by:

(A) proving that the record falls within any one (1) of the categories of exempted records under section 4(b) of this chapter; and

(B) establishing the content of the record with adequate specificity and not by relying on a conclusory statement or affidavit; and

(2) a person requesting access to a public record meets the person's burden of proof under this subsection by proving that the denial of access is arbitrary or capricious.

(‡) (h) The court may review the public record in camera to determine whether any part of it may be withheld under this chapter.

P.L.263-2003

[H.1980. Approved May 8, 2003.]

AN ACT to amend the Indiana Code concerning elections.

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 3-5-4-9 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: **Sec. 9. (a) This section applies after December 31, 2003, whenever the individual who holds the office of circuit court clerk is a candidate on the ballot for any office.**

(b) As used in this section, "ballot" refers to an absentee ballot, a ballot card, or any other form of ballot.

(c) Notwithstanding any law requiring the name or signature of the circuit court clerk to appear on a ballot for authentication or any other purpose, the name or signature of the individual who is circuit court clerk may not appear on the ballot except to indicate that the individual is a candidate for an office.

(d) The circuit court clerk shall substitute a uniform device or symbol prescribed by the commission for the circuit court clerk's printed name or signature to authenticate a ballot.

SECTION 2. IC 3-11-4-19 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: **Sec. 19. (a) Subject to IC 3-5-4-9**, a ballot that is mailed must bear the circuit court clerk's official seal and signature or facsimile signature on the back of the ballot. Before the ballot is mailed:

(1) the two (2) members of the absentee voter board in the office of the circuit court clerk; or

(2) the two (2) appointed members of the county election board or their designated representatives;

shall place their initials in ink on the back of the ballot. The initials must be in the persons' ordinary handwriting or printing and without a distinguishing mark of any kind. No other initialing of the absentee ballot is necessary.

(b) An absentee ballot that is voted before an absentee voter board

under IC 3-11-10-25 or IC 3-11-10-26 must bear the seal, signature, and initials prescribed by IC 3-11-10-27.

SECTION 3. IC 3-11-10-27, AS AMENDED BY P.L.126-2002, SECTION 73, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 27. (a) This section does not apply to a ballot mailed to a voter under this chapter.

(b) **Subject to IC 3-5-4-9**, before a ballot is voted under section 25 or 26 of this chapter before an absentee voter board, it must bear the circuit court clerk's official seal and signature or facsimile signature and be initialed by:

- (1) the absentee voter board visiting the voter under section 25(b) of this chapter (except in a county subject to subsection (c)); or
- (2) the county election board or the board's designated representatives under IC 3-11-4-19 if the ballot is cast at the office of the circuit court clerk under section 26 of this chapter.

(c) A county election board may adopt a resolution providing that the absentee ballots to be voted before an absentee voter board visiting the voter under section 25(b) of this chapter must be initialed by the county election board or the board's representatives under IC 3-11-4-19 and not by the absentee voter board visiting the voter. A resolution adopted under this subsection remains in effect until rescinded by the county election board. The election board may not rescind the resolution during the final sixty (60) days before an election.

(d) The initials must be in ink on the back of the ballot, in the person's ordinary handwriting or printing, and without a distinguishing mark of any kind. No other initialing of the absentee ballot is necessary.

SECTION 4. IC 3-12-3-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. (a) If a ballot card is damaged or defective so that it cannot properly be counted by the automatic tabulating machines, then a remake team composed of one (1) person from each of the major political parties of the county shall have the card prepared for processing so as to record accurately the intention of the voter insofar as it can be ascertained.

(b) If the ballot card voting system is designed to allow the counting and tabulation of votes by the precinct election board, the members of the remake team must be members of the precinct election board in which the ballot was cast.

(c) If necessary, a true, duplicate copy shall be made of the damaged ballot card in the presence of witnesses and substituted for the damaged card. Similarly, a duplicate ballot card shall be made of a defective card, not including the uncounted votes.

(d) This subsection applies to an absent uniformed services voter permitted to transmit an absentee ballot by fax under IC 3-11-4-6. To facilitate the transmittal and return of the voter's absentee ballot by fax, the county election board may provide the voter with a paper ballot rather than a ballot card. The paper ballot must conform with the requirements for paper ballots set forth in IC 3-10 and IC 3-11. After the voter returns the ballot by fax, a remake team appointed under this section shall prepare a ballot card for processing that accurately records the intention of the voter as indicated on the paper ballot. The ballot card created under this subsection must be marked and counted as a duplicate ballot under sections 6 through 7 of this chapter.

(e) If an automatic tabulating machine fails during the counting and tabulation of votes following the close of the polls, the county election board shall immediately arrange for the repair and proper functioning of the system. The county election board may, by unanimous vote of its entire membership, authorize the counting and tabulation of votes for this election on an automatic tabulating machine approved for use in Indiana by the commission:

- (1) until the repair and retesting of the malfunctioning machine; and
- (2) whether or not the machine was tested under IC 3-11-13-26.

SECTION 5. An emergency is declared for this act.

(f) A hospital's property ~~which~~ **that** is exempt from property taxation under subsection (a), (b), or (e) shall remain exempt from property taxation even if the property is used in part to furnish goods or services to another hospital whose property qualifies for exemption

under this section.

(g) Property owned by a shared hospital services organization ~~which~~ **that** is exempt from federal income taxation under Section 501(c)(3) or 501(e) of the Internal Revenue Code is exempt from property taxation if it is owned, occupied, and used exclusively to furnish goods or services to a hospital whose property is exempt from property taxation under subsection (a), (b), or (e).

(h) This section does not exempt from property tax an office or a practice of a physician or group of physicians that is owned by a hospital licensed under IC 16-21-1 or other property that is not substantially related to or supportive of the inpatient facility of the hospital unless the office, practice, or other property:

- (1) provides or supports the provision of charity care (as defined in IC 16-18-2-52.5), including providing funds or other financial support for health care services for individuals who are indigent (as defined in IC 16-18-2-52.5(b) and IC 16-18-2-52.5(c)); or

- (3) the tract of land or the tract of land plus all or part of a structure on the land is not used for profit while exempt under this section; and
- (4) not more than three (3) years after the property is acquired for

the purpose described in subdivision (1), and for each year after the three (3) year period, the owner demonstrates substantial progress **and active pursuit** towards the erection, renovation, or improvement of the intended structure. To establish ~~that~~ substantial progress ~~is being made~~, **and active pursuit under this subdivision**, the owner must prove the existence of factors such as the following:

(A) Organization of and activity by a building committee or other oversight group.

(D) The breaking of ground and the beginning of actual construction.

(E) Any other factor that would lead a reasonable individual to believe that construction of the structure is an active plan and that the structure is capable of being:

(i) completed; and

(ii) transferred to a low income individual who does not receive an exemption under this section;

within six (6) years considering the circumstances of the owner.

(j) An exemption under subsection (i) terminates when the property is conveyed by the nonprofit organization to another owner. When the property is conveyed to another owner, the nonprofit organization receiving the exemption must file a certified statement with the auditor of the county, notifying the auditor of the change not later than sixty (60) days after the date of the conveyance. The county auditor shall immediately forward a copy of the certified statement to the county assessor. A nonprofit organization that fails to file the statement required by this subsection is liable for the amount of property taxes due on the property conveyed if it were not for the exemption allowed under this chapter.

(k) If property is granted an exemption in any year under subsection (i) and the owner:

- (1) ceases to be eligible for the exemption under subsection (i)(4);
- (2) fails to transfer the tangible property within six (6) years after the assessment date for which the exemption is initially granted;

the person receiving the exemption shall notify the county recorder and the county auditor of the county in which the property is located not later than sixty (60) days after the event described in subdivision (1), (2), or (3) occurs. The county auditor shall immediately inform the county assessor of a notification received under this subsection.

- (1) The total property taxes that, if it were not for the exemption under subsection (i), would have been levied on the property in each year in which an exemption was allowed.
- (2) Interest on the property taxes at the rate of ten percent (10%) per year.

(m) The liability imposed by subsection (l) is a lien upon the property receiving the exemption under subsection (i). An amount collected under subsection (l) shall be collected as an excess levy. If the amount is not paid, it shall be collected in the same manner that delinquent taxes on real property are collected.

(n) Property referred to in this section shall be assessed to the extent required under IC 6-1.1-11-9.

SECTION 2. IC 6-1.1-10-21, AS AMENDED BY P.L.198-2001, SECTION 30, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 21. (a) The following tangible property is exempt from property taxation if it is owned by, or held in trust for the use of, a church or religious society:

(2) The tract of land, not exceeding fifteen (15) acres, upon which a building that is used as a parsonage is situated.

(1) all parsonages are being used to house one (1) of the church's or religious society's rabbis, priests, preachers, ministers, or pastors; and

(2) none of the parsonages are being used to make a profit.

The affidavit shall be signed under oath by the church's or religious society's head rabbi, priest, preacher, minister, or pastor. ~~The county auditor shall immediately forward a copy of the affidavit to the county assessor.~~

(1) the use or occupation of the property; and

(2) the application of an exemption;

applies separately to each part of the property identified under IC 6-1.1-11-3(c)(5).

more of the stated purposes is totally exempt under that section.

(2) Property that is predominantly used or occupied for one (1) or more of the stated purposes by a church, religious society, or not-for-profit school is totally exempt under that section.

(3) Property that is predominantly used or occupied for one (1) or more of the stated purposes by a person other than a church, religious society, or not-for-profit school is exempt under that section from property tax on the part of the assessment of the property that bears the same proportion to the total assessment of the property as the amount of time that the property was used or occupied for one (1) or more of the stated purposes during the year that ends on the assessment date of the property bears to the amount of time that the property was used or occupied for any purpose during that year.

(4) Property that is predominantly used or occupied for a purpose other than one (1) of the stated purposes is not exempt from any part of the property tax.

~~(e)~~ (d) Property is not used or occupied for one (1) or more of the stated purposes during the time that a predominant part of the property is used or occupied in connection with a trade or business that is not substantially related to the exercise or performance of one (1) or more of the stated purposes.

The application must be filed annually on or before May 15 on forms prescribed by the department of local government finance. Except as provided in sections 1, 3.5, and 4 of this chapter, the application applies only for the taxes imposed for the year for which the application is filed.

(b) The authority for signing an exemption application may not be delegated by the owner of the property to any other person except by an executed power of attorney.

(c) An exemption application which is required under this chapter shall contain the following information:

- (1) A description of the property claimed to be exempt in sufficient detail to afford identification.
- (2) A statement showing the ownership, possession, and use of the property.
- (3) The grounds for claiming the exemption.
- (4) The full name and address of the applicant.
- (5) **For the year that ends on the assessment date of the property, identification of:**

(A) each part of the property used or occupied; and

(B) each part of the property not used or occupied;

for one (1) or more exempt purposes under IC 6-1.1-10 during the time the property is used or occupied.

- (6) Any additional information which the department of local government finance may require.

(d) A person who signs an exemption application shall attest in writing and under penalties of perjury that, to the best of the person's knowledge and belief, a predominant part of the property claimed to be exempt is not being used or occupied in connection with a trade or business that is not substantially related to the exercise or performance of the organization's exempt purpose.

(e) An owner must file with an application for exemption of real property under subsection (a) or section 5 of this chapter a copy of the township assessor's record kept under IC 6-1.1-4-25(a) that shows the calculation of the assessed value of the real property for the assessment date for which the exemption is claimed. Upon receipt of the exemption application, the county assessor shall examine that record and determine if the real property for which the exemption is claimed is properly assessed. If the county assessor determines that the real property is not properly assessed, the county assessor shall direct the township assessor of the township in which the real property is located to:

(1) properly assess the real property; and

(2) notify the county assessor and county auditor of the proper assessment.

(f) If the county assessor determines that the applicant has not filed with an application for exemption a copy of the record referred to in subsection (e), the county assessor shall notify the applicant in writing of that requirement. The applicant then has

thirty (30) days after the date of the notice to comply with that requirement. The county property tax assessment board of appeals shall deny an application described in this subsection if the applicant does not comply with that requirement within the time permitted under this subsection.

SECTION 5. IC 6-1.1-11-3.5, AS AMENDED BY P.L.198-2001, SECTION 33, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3.5. (a) A not-for-profit corporation that seeks an exemption provided by IC 6-1.1-10 for 2000 or for a year that follows 2000 by a multiple of two (2) years must file an application for the exemption in that year. However, if a not-for-profit corporation seeks an exemption provided by IC 6-1.1-10 for a year not specified in this subsection and the corporation did not receive the exemption for the preceding year, the corporation must file an application for the exemption in the year for which the exemption is sought. The not-for-profit corporation must file each exemption application in the manner (other than the requirement for filing annually) prescribed in section 3 of this chapter.

(b) A not-for-profit corporation that receives an exemption provided under IC 6-1.1-10 for a particular year that remains eligible for the exemption for the following year is only required to file a statement to apply for the exemption in the years specified in subsection (a), if the use of the not-for-profit corporation's property remains unchanged.

(c) A not-for-profit corporation that receives an exemption provided under IC 6-1.1-10 for a particular year which becomes ineligible for the exemption for the following year shall notify the **auditor assessor** of the county in which the tangible property for which it claims the exemption is located of its ineligibility on or before May 15 of the year for which it becomes ineligible. If a not-for-profit corporation that is receiving an exemption provided under IC 6-1.1-10 changes the use of its tangible property so that part or all of that property no longer qualifies for the exemption, the not-for-profit corporation shall notify the **auditor assessor** of the county in which the tangible property for which it claims the exemption is located of its ineligibility on or before May 15 of the year for which it first becomes ineligible. The county **auditor assessor** shall immediately notify the county **assessor auditor** of the not-for-profit corporation's ineligibility or disqualification for the exemption. A not-for-profit corporation that fails to provide the

notification required by this subsection is subject to the penalties set forth in IC 6-1.1-37-9.

(d) For each year that is not a year specified in subsection (a), the auditor of each county shall apply an exemption provided under IC 6-1.1-10 to the tangible property owned by a not-for-profit corporation that received the exemption in the preceding year unless the county property tax assessment board of appeals determines that the not-for-profit corporation is no longer eligible for the exemption.

(e) The department of local government finance may at any time review an exemption provided under this section and determine whether or not the not-for-profit corporation is eligible for the exemption.

(b) If the county property tax assessment board of appeals approves the exemption, in whole or part:

(1) the county assessor shall notify the county auditor of the approval; and

(2) the county auditor shall note the board's action on the tax duplicate.

The county auditor's notation is notice to the county treasurer that the exempt property shall not be taxed for the current year unless otherwise ordered by the department of local government finance.

(c) If the exemption application is disapproved by the county property tax assessment board of appeals, the county **auditor assessor** shall notify the applicant by mail. Within thirty (30) days after the notice is mailed, the owner may, in the manner prescribed in IC 6-1.1-15-3, petition the Indiana board to review the county property tax assessment board of appeals' determination.

SECTION 10. IC 6-1.1-11-8, AS AMENDED BY P.L.90-2002, SECTION 105, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 8. **(a)** On or before August 1 of each year, the county auditor of each county shall forward to the department of local government finance the duplicate copies of all approved exemption applications.

(b) The department of local government finance shall review the approved applications **forwarded under subsection (a)**. The department of local government finance may deny an exemption if the department determines that the property is not tax exempt under the laws of this state. However, before denying an exemption, the department of local government finance must give notice to the

applicant, and the department must hold a hearing on the exemption application.

(c) With respect to the approved applications forwarded under subsection (a), the department shall annually report to the executive director of the legislative services agency:

- (1) the number forwarded;**
- (2) the number subjected to field investigation by the department; and**
- (3) the number denied by the department;**

during the year ending on July 1 of the year. The department must submit the report under this subsection not later than August 1 of the year.

(d) The department shall adopt rules under IC 4-22-2 with respect to exempt real property to:

- (1) provide just valuations; and**
- (2) ensure that assessments are:**
 - (A) made; and**
 - (B) recorded;**

in accordance with law.

SECTION 11. IC 6-1.1-11-10, AS AMENDED BY P.L.178-2002, SECTION 16, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. No fee may be charged by a county auditor **or county assessor**, or the county auditor's **or county assessor's** employees, for filing or preparing an exemption application.

SECTION 12. IC 6-1.1-21-4, AS AMENDED BY P.L.192-2002(ss), SECTION 41, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 4. (a) Each year the department shall allocate from the property tax replacement fund an amount equal to the sum of:

- (1) each county's total eligible property tax replacement amount for that year; plus
- (2) the total amount of homestead tax credits that are provided under IC 6-1.1-20.9 and allowed by each county for that year; plus
- (3) an amount for each county that has one (1) or more taxing districts that contain all or part of an economic development district that meets the requirements of section 5.5 of this chapter. This amount is the sum of the amounts determined under the following STEPS for all taxing districts in the county that contain

all or part of an economic development district:

STEP ONE: Determine that part of the sum of the amounts under section 2(g)(1)(A) and 2(g)(2) of this chapter that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of the subdivision (1) amount that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the taxes levied in the taxing district that are allocated to a special fund under IC 6-1.1-39-5.

(b) Except as provided in subsection (e), between March 1 and August 31 of each year, the department shall distribute to each county treasurer from the property tax replacement fund one-half (1/2) of the estimated distribution for that year for the county. Between September 1 and December 15 of that year, the department shall distribute to each county treasurer from the property tax replacement fund the remaining one-half (1/2) of each estimated distribution for that year. The amount of the distribution for each of these periods shall be according to a schedule determined by the property tax replacement fund board under section 10 of this chapter. The estimated distribution for each county may be adjusted from time to time by the department to reflect any changes in the total county tax levy upon which the estimated distribution is based.

(c) On or before December 31 of each year or as soon thereafter as possible, the department shall make a final determination of the amount which should be distributed from the property tax replacement fund to each county for that calendar year. This determination shall be known as the final determination of distribution. The department shall distribute to the county treasurer or receive back from the county treasurer any deficit or excess, as the case may be, between the sum of the distributions made for that calendar year based on the estimated distribution and the final determination of distribution. The final determination of distribution shall be based on the auditor's abstract filed with the auditor of state, adjusted for postabstract adjustments included in the December settlement sheet for the year, and such additional information as the department may require.

(d) All distributions provided for in this section shall be made on warrants issued by the auditor of state drawn on the treasurer of state. If the amounts allocated by the department from the property tax replacement fund exceed in the aggregate the balance of money in the fund, then the amount of the deficiency shall be transferred from the state general fund to the property tax replacement fund, and the auditor of state shall issue a warrant to the treasurer of state ordering the payment of that amount. However, any amount transferred under this section from the general fund to the property tax replacement fund shall, as soon as funds are available in the property tax replacement fund, be retransferred from the property tax replacement fund to the state general fund, and the auditor of state shall issue a warrant to the treasurer of state ordering the replacement of that amount.

(e) Except as provided in subsection (i), the department shall not distribute under subsection (b) and section 10 of this chapter the money attributable to the county's property reassessment fund if, by the date the distribution is scheduled to be made:

(1) the county auditor has not sent a certified statement required to be sent by that date under IC 6-1.1-17-1; or

(2) the county assessor has not forwarded the duplicate copies of all approved exemption applications required to be forwarded by that date under IC 6-1.1-11-8(a);

to the department of local government finance.

(f) Except as provided in subsection (i), if the elected township assessors in the county, the elected township assessors and the county assessor, or the county assessor has not transmitted to the department of local government finance by October 1 of the year in which the distribution is scheduled to be made the data for all townships in the county required to be transmitted under IC 6-1.1-4-25(b), the state board or the department shall not distribute under subsection (b) and section 10 of this chapter a part of the money attributable to the county's property reassessment fund. The portion not distributed is the amount that bears the same proportion to the total potential distribution as the number of townships in the county for which data was not transmitted by August 1 as described in this section bears to the total number of townships in the county.

(g) Money not distributed ~~under subsection (e)~~ **for the reasons stated in subsection (e)(1) and (e)(2)** shall be distributed to the county

when:

(1) the county auditor sends to the department of local government finance the certified statement required to be sent under IC 6-1.1-17-1; **and**

(2) the county assessor forwards to the department of local government finance the approved exemption applications required to be forwarded under IC 6-1.1-11-8(a);

with respect to which the failure to send **or forward** resulted in the withholding of the distribution under subsection (e).

(h) Money not distributed under subsection (f) shall be distributed to the county when the elected township assessors in the county, the elected township assessors and the county assessor, or the county assessor transmits to the department of local government finance the data required to be transmitted under IC 6-1.1-4-25(b) with respect to which the failure to transmit resulted in the withholding of the distribution under subsection (f).

(i) The restrictions on distributions under subsections (e) and (f) do not apply if the department of local government finance determines that:

(1) the failure of:

(A) a county auditor to send a certified statement; **or**

(B) a county assessor to forward copies of all approved exemption applications;

as described in subsection (e); or

(2) the failure of an official to transmit data as described in subsection (f);

is justified by unusual circumstances.

SECTION 13. IC 14-33-7-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 4. (a) This section applies to the following tangible property owned by or held in trust for the use of a church or religious society:

(1) A building that is used for religious worship.

(2) A building that is used as a parsonage.

(3) The pews and furniture contained within a building that is used for religious worship.

(4) The land upon which a building that is used for religious worship is situated.

(5) The land, not exceeding fifteen (15) acres, upon which a

building ~~described in this section~~ **that is used as a parsonage** is situated.

(b) Property is exempt from the special benefits tax that may be imposed under:

- (1) IC 14-33-6-13 and section 1 of this chapter; or
- (2) IC 14-33-21-5;

to the extent that the special benefits tax revenue will be used for the construction or improvement of a water impoundment project, including a lake, pond, or dam.

(c) To obtain an exemption for a parsonage, a church or religious society must provide the county auditor with an affidavit at the time the church or religious society applies for the exemption. The affidavit must:

- (1) state:
 - (A) that all parsonages are being used to house one (1) of the church's or religious society's rabbis, priests, preachers, ministers, or pastors; and
 - (B) that none of the parsonages are being used to make a profit; and
- (2) be signed under oath or affirmation by the church's or religious society's head rabbi, priest, preacher, minister, pastor, or designee of the official church body.

SECTION 14. [EFFECTIVE UPON PASSAGE] (a) A church or religious institution may file a claim with the county auditor for a refund for the payment of property taxes first due and payable in 2001 if:

- (1) the church or religious institution challenged in an administrative action before the state board of tax commissioners (before it was abolished) the denial of exemption of land for that year by the county property tax assessment board of appeals; and**
- (2) the church or religious institution paid property taxes for that year on land not exceeding forty-five (45) acres for which exemption was denied as described in subdivision (1).**

The claim must be filed as set forth in IC 6-1.1-26-1, except that the claim must be based upon a determination of the exemption of the property of the church or religious institution as if IC 6-1.1-10-16, as amended by this act, had been in effect for property taxes first

due and payable in 2001.

(b) Upon receiving a claim filed under this SECTION, the county auditor shall determine whether the claim is correct. If the county auditor determines that the claim is correct, the auditor shall, without an appropriation being required, issue a warrant to the claimant payable from the county general fund for the amount due the claimant under this SECTION.

(c) The amount of the refund shall equal the amount of the claim so allowed. No interest is payable on the refund.

(d) This SECTION expires January 1, 2004.

SECTION 15. [EFFECTIVE UPON PASSAGE] (a) IC 6-1.1-10-16 (subject to SECTION 13 of this act), IC 6-1.1-10-21, and IC 14-33-7-4, all as amended by this act, apply only to property taxes first due and payable after December 31, 2002.

(b) This SECTION expires January 1, 2004.

P.L.267-2003

[S.166. Approved May 8, 2003.]

AN ACT to amend the Indiana Code concerning taxation.

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 6-1.1-18.5-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JUNE 1, 2003]: Sec. 5. (a) As used in this section, "base year" for a civil taxing unit means the most recent calendar year:

- (1) in which the civil taxing unit is located in an adopting county, as determined under section 4 of this chapter; and
- (2) that is immediately preceded by a calendar year in which the civil taxing unit either:
 - (A) was not located in an adopting county, as determined under section 4 of this chapter; or
 - (B) did not impose an ad valorem property tax levy.

If the civil taxing unit was located in an adopting county in calendar year 1979, as determined under section 4 of this chapter, the civil taxing unit's base year is calendar year 1979 or the year determined above, whichever is later.

(b) As used in this section, "initial certified distribution" means the amount of certified shares received by a civil taxing unit in the year determined under subsection (e).

(c) If the county adjusted gross income tax was not in effect on January 1 of the calendar year immediately preceding the ensuing calendar year in the county in which a particular civil taxing unit is located, then the civil taxing unit's base year certified share is the amount of certified shares to be received by the civil taxing unit during its base year.

~~(c)~~ **(d)** If the county adjusted gross income tax was in effect on January 1 of the calendar year immediately preceding the ensuing calendar year in the county in which a particular civil taxing unit is located, then the civil taxing unit's base year certified share is the amount of certified shares received by the civil taxing unit in its base

year unit's initial certified distribution multiplied by a fraction:

- (1) The numerator of the fraction equals the remainder of the county adjusted gross income tax rate of the county in which the civil taxing unit is located and that is imposed on January 1 of the ensuing calendar year minus one quarter of one percent (1/4%).
- (2) The denominator of the fraction equals the remainder of the county adjusted gross income tax rate of the county in which the civil taxing unit is located and that is imposed on January 1 of the civil taxing unit's base year minus one quarter of one percent (1/4%).

(e) This subsection applies to a civil taxing unit that is located in a county that:

- (1) adopts the county adjusted gross income tax after December 31, 2002; and**
- (2) had a county adjusted gross income tax in effect on January 1 of the calendar year immediately preceding the ensuing calendar year.**

Until the department of state revenue, after reviewing the recommendation of the budget agency, notifies the department of local government finance that a full transition to certification of distributions as provided in IC 6-3.5-1.1-9(a)(1) through IC 6-3.5-1.1-9(a)(2) has occurred for the calendar year, the initial certified distribution to be used under subsection (e) for the civil taxing unit shall be the amount of the certified shares certified for the civil taxing unit in the most current calendar year preceding the ensuing calendar year. For the calendar year for which a full transition to certification of distributions as provided in IC 6-3.5-1.1-9(a)(1) through IC 6-3.5-1.1-9(a)(2) has occurred and each subsequent calendar year, the initial certified distribution to be used under subsection (e) for the civil taxing unit is the amount of certified shares certified for the civil taxing unit in the calendar year in which a full transition to certification of distributions as provided in IC 6-3.5-1.1-9(a)(1) through IC 6-3.5-1.1-9(a)(2) initially occurred for the civil taxing unit. The department of state revenue, after reviewing the recommendation of the budget agency, shall provide the notice to the department of local government finance as required under this subsection.

SECTION 2. IC 6-1.1-21.8-4, AS ADDED BY P.L.157-2002,

SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4. (a) The board shall determine the terms of a loan made under this chapter. However, the interest charged on the loan may not exceed the percent of increase in the United States Department of Labor Consumer Price Index for Urban Wage Earners and Clerical Workers during the most recent twelve (12) month period for which data is available as of the date that the unit applies for a loan under this chapter. **In the case of a qualified taxing unit that is not a school corporation or a public library (as defined in IC 20-14-1-2), a loan must be repaid not later than ten (10) years after the date on which the loan was made. In the case of a qualified taxing unit that is a school corporation or a public library (as defined in IC 20-14-1-2), a loan must be repaid not later than eleven (11) years after the date on which the loan was made. A school corporation or a public library (as defined in IC 20-14-1-2) is not required to begin making payments to repay a loan until after June 30, 2004.** The total amount of all the loans made under this chapter may not exceed twenty-eight million dollars (\$28,000,000). The board may disburse the proceeds of a loan in installments. However, not more than one-third (1/3) of the total amount to be loaned under this chapter may be disbursed at any particular time without the review of the budget committee and the approval of the budget agency.

(b) A loan made under this chapter shall be repaid only from:

- (1) property tax revenues of the qualified taxing unit that are subject to the levy limitations imposed by IC 6-1.1-18.5 or IC 6-1.1-19; or
- (2) any other source of revenues (other than property taxes) that is legally available to the qualified taxing unit.

The payment of any installment of principal constitutes a first charge against the property tax revenues described in subdivision (1) that are collected by the qualified taxing unit during the calendar year the installment is due and payable.

(c) The obligation to repay a loan made under this chapter is not a basis for the qualified taxing unit to obtain an excessive tax levy under IC 6-1.1-18.5 or IC 6-1.1-19.

(d) Whenever the board receives a payment on a loan made under this chapter, the board shall deposit the amount paid in the counter-cyclical revenue and economic stabilization fund.

(e) This section does not prohibit a qualified taxing unit from repaying a loan made under this chapter before the date specified in subsection (a) if a taxpayer described in section 3 of this chapter resumes paying property taxes to the qualified taxing unit.

(f) Interest accrues on a loan made under this chapter until the date the board receives notice from the county auditor that the county has adopted at least one (1) of the following:

- (1) The county adjusted gross income tax under IC 6-3.5-1.1.
- (2) The county option income tax under IC 6-3.5-6.
- (3) The county economic development income tax under IC 6-3.5-7.

Notwithstanding subsection (a), interest may not be charged on a loan made under this chapter if a tax described in this subsection is adopted before a qualified taxing unit applies for the loan.

SECTION 3. IC 6-3.5-1.1-9 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JUNE 1, 2003]: Sec. 9. (a) Revenue derived from the imposition of the county adjusted gross income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it. The amount to be distributed to a county during an ensuing calendar year equals the amount of county adjusted gross income tax revenue that the department, after reviewing the recommendation of the state budget agency, ~~estimates will be received from that county during the twelve (12) month period beginning July 1 of the immediately preceding calendar year and ending June 30 of the ensuing calendar year.~~ **determines has been:**

- (1) received from that county for a taxable year ending before the calendar year in which the determination is made; and**
- (2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made;**

as adjusted (as determined after review of the recommendation of the budget agency) for refunds of county adjusted gross income tax made in the state fiscal year.

(b) Before ~~July~~ **August 2** of each calendar year, the department, after reviewing the recommendation of the ~~state~~ budget agency, shall ~~estimate and~~ certify to the county auditor of each adopting county the amount of ~~county adjusted gross income tax revenue that will be~~

collected from that county during the twelve (12) month period beginning July 1 of that calendar year and ending June 30 of the immediately succeeding calendar year: **determined under subsection (a) plus the amount of interest in the county's account that has accrued and has not been included in a certification made in a preceding year.** The amount certified is the county's "certified distribution" for the immediately succeeding calendar year. The amount certified ~~may~~ **shall** be adjusted under ~~subsection~~ **subsections (c), or (d), (e), (f), and (g).** **The department shall provide with the certification an informative summary of the calculations used to determine the certified distribution.**

~~(c)~~ **(c)** the department may certify to an adopting county an amount that is greater than the estimated twelve (12) month revenue collection if the department, after reviewing the recommendation of the state budget agency, determines that there will be a greater amount of revenue available for distribution from the county's account established under section 8 of this chapter:

~~(d)~~ **(c)** The department ~~may~~ **shall** certify an amount less than the estimated twelve (12) month revenue collection **amount determined under subsection (b)** if the department, after reviewing the recommendation of the state budget agency, determines that ~~a part of those collections need to be distributed during the current calendar year so that the county will receive its full certified distribution for the current calendar year:~~ **the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The department, after reviewing the recommendation of the budget agency, may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.**

~~IC 6-3-7 may elect to claim the credit allowed by this section against the income tax imposed by IC 6-2.1 (repealed); but in no event shall a credit be claimed against both such taxes.~~

SECTION 7. IC 6-3-3-5.1, AS AMENDED BY P.L.1-2003, SECTION 34, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE APRIL 2, 2003]: Sec. 5.1. (a) At the election of the taxpayer, a credit against the adjusted gross income tax imposed by IC 6-3-1 through IC 6-3-7 for the taxable year, is permitted in an amount (subject to the applicable limitations provided by this section) equal to fifty percent (50%) of the aggregate amount of contributions made by the taxpayer during the taxable year to the twenty-first century scholars program support fund established under IC 20-12-70.1-5.

(b) In the case of a taxpayer other than a corporation, the amount allowable as a credit under this section for any taxable year may not exceed:

- (1) one hundred dollars (\$100) in the case of a single return; or
- (2) two hundred dollars (\$200) in the case of a joint return.

(c) In the case of a taxpayer that is a corporation, the amount allowable as a credit under this section for any taxable year may not exceed the lesser of the following amounts:

- (1) Ten percent (10%) of the corporation's total adjusted gross income tax under IC 6-3-1 through IC 6-3-7 for the taxable year (as determined without regard to any credits against that tax).
- (2) One thousand dollars (\$1,000).

(d) The credit permitted under this section may not exceed the amount of the adjusted gross income tax imposed by IC 6-3-1 through IC 6-3-7 for the taxable year, reduced by the sum of all credits (as determined without regard to this section) allowed by IC 6-3-1 through IC 6-3-7.

~~(e) Any taxpayer subject to an income tax under IC 6-2.1 (repealed) as well as under IC 6-3-1 through IC 6-3-7 may elect to claim the credit allowed by this section against the income tax imposed by IC 6-2.1, but may not claim a credit against both of these taxes.~~

SECTION 8. IC 6-3-3-10, AS AMENDED BY P.L.1-2003, SECTION 35, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE APRIL 2, 2003]: Sec. 10. (a) As used in this section:

"Base period wages" means the following:

- (1) In the case of a taxpayer other than a pass through entity,

wages paid or payable by a taxpayer to its employees during the year that ends on the last day of the month that immediately precedes the month in which an enterprise zone is established, to the extent that the wages would have been qualified wages if the enterprise zone had been in effect for that year. If the taxpayer did not engage in an active trade or business during that year in the area that is later designated as an enterprise zone, then the base period wages equal zero (0). If the taxpayer engaged in an active trade or business during only part of that year in an area that is later designated as an enterprise zone, then the department shall determine the amount of base period wages.

(2) In the case of a taxpayer that is a pass through entity, base period wages equal zero (0).

"Enterprise zone" means an enterprise zone created under IC 4-4-6.1.

"Enterprise zone adjusted gross income" means adjusted gross income of a taxpayer that is derived from sources within an enterprise zone. Sources of adjusted gross income shall be determined with respect to an enterprise zone, to the extent possible, in the same manner that sources of adjusted gross income are determined with respect to the state of Indiana under IC 6-3-2-2.

"Enterprise zone gross income" means gross income of a taxpayer that is derived from sources within an enterprise zone.

"Enterprise zone insurance premiums" means insurance premiums derived from sources within an enterprise zone.

"Monthly base period wages" means base period wages divided by twelve (12).

"Pass through entity" means a:

- (1) corporation that is exempt from the adjusted gross income tax under IC 6-3-2-2.8(2);
- (2) partnership;
- (3) trust;
- (4) limited liability company; or
- (5) limited liability partnership.

"Qualified employee" means an individual who is employed by a taxpayer and who:

- (1) has his principal place of residence in the enterprise zone in which he is employed;

- (2) performs services for the taxpayer, ninety percent (90%) of which are directly related to the conduct of the taxpayer's trade or business that is located in an enterprise zone;
- (3) performs at least fifty percent (50%) of his services for the taxpayer during the taxable year in the enterprise zone; and
- (4) in the case of an individual who is employed by a taxpayer that is a pass through entity, was first employed by the taxpayer after December 31, 1998.

"Qualified increased employment expenditures" means the following:

- (1) For a taxpayer's taxable year other than his taxable year in which the enterprise zone is established, the amount by which qualified wages paid or payable by the taxpayer during the taxable year to qualified employees exceeds the taxpayer's base period wages.
- (2) For the taxpayer's taxable year in which the enterprise zone is established, the amount by which qualified wages paid or payable by the taxpayer during all of the full calendar months in the taxpayer's taxable year that succeed the date on which the enterprise zone was established exceed the taxpayer's monthly base period wages multiplied by that same number of full calendar months.

"Qualified state tax liability" means a taxpayer's total income tax liability incurred under:

- ~~(1) IC 6-2-1 (gross income tax) (repealed) with respect to enterprise zone gross income;~~
- ~~(2) (1) IC 6-3-1 through IC 6-3-7 (adjusted gross income tax) with respect to enterprise zone adjusted gross income;~~
- ~~(3) (2) IC 27-1-18-2 (insurance premiums tax) with respect to enterprise zone insurance premiums; and~~
- ~~(4) (3) IC 6-5.5 (the financial institutions tax);~~

as computed after the application of the credits that, under IC 6-3.1-1-2, are to be applied before the credit provided by this section.

"Qualified wages" means the wages paid or payable to qualified employees during a taxable year.

"Taxpayer" includes a pass through entity.

- (b) A taxpayer is entitled to a credit against the taxpayer's qualified

state tax liability for a taxable year in the amount of the lesser of:

- (1) the product of ten percent (10%) multiplied by the qualified increased employment expenditures of the taxpayer for the taxable year; or
- (2) one thousand five hundred dollars (\$1,500) multiplied by the number of qualified employees employed by the taxpayer during the taxable year.

(c) The amount of the credit provided by this section that a taxpayer uses during a particular taxable year may not exceed the taxpayer's qualified state tax liability for the taxable year. If the credit provided by this section exceeds the amount of that tax liability for the taxable year it is first claimed, then the excess may be carried back to preceding taxable years or carried over to succeeding taxable years and used as a credit against the taxpayer's qualified state tax liability for those taxable years. Each time that the credit is carried back to a preceding taxable year or carried over to a succeeding taxable year, the amount of the carryover is reduced by the amount used as a credit for that taxable year. Except as provided in subsection (e), the credit provided by this section may be carried forward and applied in the ten (10) taxable years that succeed the taxable year in which the credit accrues. The credit provided by this section may be carried back and applied in the three (3) taxable years that precede the taxable year in which the credit accrues.

(d) A credit earned by a taxpayer in a particular taxable year shall be applied against the taxpayer's qualified state tax liability for that taxable year before any credit carryover or carryback is applied against that liability under subsection (c).

(e) Notwithstanding subsection (c), if a credit under this section results from wages paid in a particular enterprise zone, and if that enterprise zone terminates in a taxable year that succeeds the last taxable year in which a taxpayer is entitled to use the credit carryover that results from those wages under subsection (c), then the taxpayer may use the credit carryover for any taxable year up to and including the taxable year in which the enterprise zone terminates.

(f) A taxpayer is not entitled to a refund of any unused credit.

(g) A taxpayer that:

- (1) does not own, rent, or lease real property outside of an enterprise zone that is an integral part of its trade or business; and

(2) is not owned or controlled directly or indirectly by a taxpayer that owns, rents, or leases real property outside of an enterprise zone;

is exempt from the allocation and apportionment provisions of this section.

(h) If a pass through entity is entitled to a credit under subsection (b) but does not have state tax liability against which the tax credit may be applied, an individual who is a shareholder, partner, beneficiary, or member of the pass through entity is entitled to a tax credit equal to:

(1) the tax credit determined for the pass through entity for the taxable year; multiplied by

(2) the percentage of the pass through entity's distributive income to which the shareholder, partner, beneficiary, or member is entitled.

The credit provided under this subsection is in addition to a tax credit to which a shareholder, partner, beneficiary, or member of a pass through entity is entitled. However, a pass through entity and an individual who is a shareholder, partner, beneficiary, or member of a pass through entity may not claim more than one (1) credit for the qualified expenditure.

SECTION 9. IC 6-3-4-4.1, AS AMENDED BY P.L.1-2003, SECTION 36, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE APRIL 2, 2003]: Sec. 4.1.(a) This section applies to taxable years beginning after December 31, 1993.

(b) Any individual required by the Internal Revenue Code to file estimated tax returns and to make payments on account of such estimated tax shall file estimated tax returns and make payments of the tax imposed by this article to the department at the time or times and in the installments as provided by Section 6654 of the Internal Revenue Code. However, in applying Section 6654 of the Internal Revenue Code for the purposes of this article, "estimated tax" means the amount which the individual estimates as the amount of the adjusted gross income tax imposed by this article for the taxable year, minus the amount which the individual estimates as the sum of any credits against the tax provided by IC 6-3-3.

(c) Every individual who has adjusted gross income subject to the tax imposed by this article and from which tax is not withheld under the requirements of section 8 of this chapter shall make a declaration

of estimated tax for the taxable year. However, no such declaration shall be required if the estimated tax can reasonably be expected to be less than four hundred dollars (\$400). In the case of an underpayment of the estimated tax as provided in Section 6654 of the Internal Revenue Code, there shall be added to the tax a penalty in an amount prescribed by IC 6-8.1-10-2.1(b).

(d) Every corporation subject to the adjusted gross income tax liability imposed by this article shall be required to report and pay an estimated tax equal to twenty-five percent (25%) of such corporation's estimated adjusted gross income tax liability for the taxable year. A taxpayer who uses a taxable year that ends on December 31 shall file the taxpayer's estimated adjusted gross income tax returns and pay the tax to the department on or before April 20, June 20, September 20, and December 20 of the taxable year. If a taxpayer uses a taxable year that does not end on December 31, the due dates for filing estimated adjusted gross income tax returns and paying the tax are on or before the twentieth day of the fourth, sixth, ninth, and twelfth months of the taxpayer's taxable year. The department shall prescribe the manner and forms for such reporting and payment.

(e) The penalty prescribed by IC 6-8.1-10-2.1(b) shall be assessed by the department on corporations failing to make payments as required in subsection (d) or (g). However, no penalty shall be assessed as to any estimated payments of adjusted gross income tax ~~plus utility receipts tax~~ which equal or exceed:

- (1) twenty percent (20%) of the final tax liability for such taxable year; or
- (2) twenty-five percent (25%) of the final tax liability for the taxpayer's previous taxable year.

In addition, the penalty as to any underpayment of tax on an estimated return shall only be assessed on the difference between the actual amount paid by the corporation on such estimated return and twenty-five percent (25%) of the corporation's final adjusted gross income tax liability for such taxable year.

(f) The provisions of subsection (d) requiring the reporting and estimated payment of adjusted gross income tax shall be applicable only to corporations having an adjusted gross income tax liability which, after application of the credit allowed by IC 6-3-3-2 (repealed), shall exceed one thousand dollars (\$1,000) for its taxable year.

(g) If the department determines that a corporation's:

- (1) estimated quarterly adjusted gross income tax liability for the current year; or
- (2) average estimated quarterly adjusted gross income tax liability for the preceding year;

exceeds, before January 1, 1998, twenty thousand dollars (\$20,000), and, after December 31, 1997, ten thousand dollars (\$10,000), after the credit allowed by IC 6-3-3-2 (repealed), the corporation shall pay the estimated adjusted gross income taxes due by electronic funds transfer (as defined in IC 4-8.1-2-7) or by delivering in person or overnight by courier a payment by cashier's check, certified check, or money order to the department. The transfer or payment shall be made on or before the date the tax is due.

(h) If a corporation's adjusted gross income tax payment is made by electronic funds transfer, the corporation is not required to file an estimated adjusted gross income tax return.

SECTION 10. IC 6-3.1-18-8, AS AMENDED BY P.L.1-2003, SECTION 38, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE APRIL 2, 2003]: Sec. 8. The credit provided under section 7 of this chapter is in addition to a tax credit to which a shareholder, partner, or member of a pass through entity is otherwise entitled under ~~IC 6-2.1 (repealed)~~, IC 6-3, this article, or IC 6-5.5. However, a pass through entity and a shareholder, partner, or member of the pass through entity may not claim more than one (1) credit for the same qualified expenditure.

SECTION 11. IC 6-5.5-2-7, AS AMENDED BY P.L.1-2003, SECTION 47, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE APRIL 2, 2003]: Sec. 7. Notwithstanding any other provision of this article, there is no tax imposed on the adjusted gross income or apportioned income of the following:

- (1) Insurance companies subject to the tax under IC 27-1-18-2 or ~~IC 6-2.1 (repealed)~~: **IC 6-3.**
- (2) International banking facilities (as defined in Regulation D of the Board of Governors of the Federal Reserve System).
- (3) Any corporation that is exempt from income tax under Section 1363 of the Internal Revenue Code.
- (4) Any corporation exempt from federal income taxation under the Internal Revenue Code, except for the corporation's unrelated

business income. However, this exemption does not apply to a corporation exempt from federal income taxation under Section 501(c)(14) of the Internal Revenue Code.

SECTION 12. P.L.192-2002(ss), SECTION 196, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003 (RETROACTIVE)]: SECTION 196. (a) The definitions in IC 6-2.3-1, as added by this act, apply throughout this SECTION.

(b) The department of state revenue shall adopt the initial rules and prescribe the initial forms to implement IC 6-2.3 (utility receipts tax), as added by this act, before December 1, 2002. The department of state revenue may adopt the initial rules required under this SECTION in the same manner that emergency rules are adopted under IC 4-22-2-37.1. A rule adopted under this SECTION expires on the earlier of the following:

(1) The date that the rule is superseded, amended, or repealed by a permanent rule adopted under IC 4-22-2 or another rule adopted under this SECTION.

(2) July 1, 2004.

(c) IC 6-2.3, as added by this act, applies to taxable years beginning after December 31, 2002, and to short taxable years described in subsection (d).

(d) This subsection applies to a taxpayer that was doing business in Indiana during a taxable year determined under the Internal Revenue Code for federal income tax purposes that:

(1) begins before January 1, 2003; and

(2) ends after December 31, 2002.

The initial taxable year for a taxpayer under IC 6-2.3, as added by this act, is a short taxable year. Notwithstanding IC 6-2.3-1-11, as added by this act, the initial taxable year of a taxpayer under IC 6-2.3, as added by this act, begins January 1, 2003. The initial taxable year of the taxpayer ends on the day immediately preceding the day that the taxpayer's next taxable year under the Internal Revenue Code begins.

(e) **The one thousand dollar (\$1,000) basic deduction (IC 6-2.3-5-1) and the resource recovery system depreciation deduction (IC 6-2.3-5-3) for the tax imposed under IC 6-2.3, as added by this act, for the initial taxable year of the taxpayer is equal to the tax deduction computed under ~~IC 6-2.3-2, as added by this act, IC 6-2.3~~ for the taxpayer's full taxable year under the Internal Revenue Code**

multiplied by a fraction. The numerator of the fraction is the number of days remaining in the taxpayer's taxable year after December 31, 2002, and the denominator is the total number of days in the taxable year under the Internal Revenue Code for the purposes of federal income taxation.

SECTION 13. P.L.192-2002(ss), SECTION 197, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003 (RETROACTIVE)]: SECTION 197. (a) This SECTION applies to a taxpayer that:

- (1) was subject to the supplemental net income tax under IC 6-3-8 before January 1, 2003; and
- (2) has a taxable year that begins before January 1, 2003, and ends after December 31, 2002.

(b) ~~A taxpayer shall file~~ **Notwithstanding the repeal of IC 6-3-8-5 by P.L.192-2002(ss), the provisions of IC 6-3-8-5 (repealed) apply to the imposition, collection, payment, and administration of the supplemental net income tax imposed under this SECTION, including the requirement related to filing the taxpayer's estimated supplemental net income tax return and pay paying the taxpayer's estimated supplemental net income tax liability to the department of state revenue. as provided by law for due dates that occur before January 1, 2003. The taxpayer shall file a final supplemental net income tax return, in the manner prescribed by the department of state revenue, before the fifteenth day of the fourth month following the close of the taxpayer's regular taxable year, determined as if IC 6-3-8 had not been repealed by P.L.192-2002(ss).**

(c) ~~Not later than April 15, 2003, a taxpayer shall file a final supplemental net income tax return with the department of state revenue on a form and in the manner prescribed by the department of state revenue. At the time of filing the final supplemental net income tax return, a taxpayer shall pay to the department of state revenue an amount equal to the remainder of: (1) the total supplemental net income tax liability incurred by the taxpayer for the part of the taxpayer's taxable year that occurred in calendar year 2002; minus (2) the sum of: (A) the total amount of supplemental net income taxes that was previously paid by the taxpayer to the department of state revenue for any quarter of that same part of the taxpayer's taxable year; plus (B)~~

any supplemental net income taxes that were withheld from the taxpayer for that same part of the taxpayer's taxable year.

(c) The supplemental net income tax imposed under IC 6-3-8 (repealed) for that taxable year is equal to the result determined under STEP TWO of the following formula:

STEP ONE: Determine the product of the taxpayer's net income for the taxpayer's regular taxable year multiplied by a tax rate equal to four and five-tenths percent (4.5%).

STEP TWO: Multiply the STEP ONE result by a fraction, the numerator of which is the number of days in the taxpayer's taxable year that occurred before January 1, 2003, and the denominator of which is the total number of days in the taxable year.

(d) The department of state revenue may prescribe forms and procedures for reconciling the returns and tax due under P.L.192-2002(ss), SECTION 197 before the enactment of this amendment and the returns and tax due under P.L.192-2002(ss), SECTION 197, as amended by this SECTION. The procedures may include procedures for granting an automatic extension for the filing of some or all returns due before April 16, 2003, under P.L.192-2002(ss), SECTION 197 before the enactment of this amendment.

SECTION 14. P.L.192-2002(ss), SECTION 199, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003 (RETROACTIVE)]: SECTION 199. (a) This SECTION applies to a taxpayer that:

- (1) was subject to the gross income tax under IC 6-2.1 before January 1, 2003; and
- (2) has a taxable year that begins before January 1, 2003, and ends after December 31, 2002.

(b) A taxpayer shall file the taxpayer's estimated gross income tax return and pay the taxpayer's estimated gross income tax liability to the department of state revenue as provided in IC 6-2.1-5-1.1 ~~for due dates that occur before January 1, 2003.~~ **(before its repeal).**

(c) Not later than ~~April 15, 2003,~~ a taxpayer shall file a **Except as otherwise provided in 45 IAC 1.1-5-3, the final gross income tax return with the department of state revenue of a taxpayer is due on the fifteenth day of the fourth month following the end of the**

taxpayer's regular taxable year determined as if IC 6-2.1 had not been repealed by P.L.192-2002(ss). The taxpayer shall file the final gross income tax return on a form and in the manner prescribed by the department of state revenue. At the time of filing the final gross income tax return, a taxpayer shall pay to the department of state revenue an amount equal to the remainder of:

- (1) the total gross income tax liability incurred by the taxpayer for the part of the taxpayer's taxable year that occurred in calendar year 2002; minus
- (2) the sum of:
 - (A) the total amount of gross income taxes that was previously paid by the taxpayer to the department of state revenue for any quarter of that same part of the taxpayer's taxable year; plus
 - (B) any gross income taxes that were withheld from the taxpayer for that same part of the taxpayer's taxable year under IC 6-2.1-6.

(d) The department of state revenue may prescribe forms and procedures for reconciling the returns and tax due under P.L.192-2002(ss), SECTION 199 before the enactment of this amendment and the returns and tax due under P.L.192-2002(ss), SECTION 199, as amended by this SECTION. The procedures may include procedures for granting an automatic extension for the filing of some or all returns due before April 16, 2003, under P.L.192-2002(ss), SECTION 199 before the enactment of this amendment.

SECTION 15. P.L.192-2002(ss), SECTION 199, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002 (RETROACTIVE)]: SECTION 199. (a) This SECTION applies to a taxpayer that:

- (1) was subject to the gross income tax under IC 6-2.1 before January 1, 2003; ~~and~~
- (2) has a taxable year that begins before January 1, 2003, and ends after December 31, 2002; ~~and~~
- (3) is not subject to the adjusted gross income tax under IC 6-3 in the taxpayer's taxable year.**

(b) A taxpayer shall file the taxpayer's estimated gross income tax return and pay the taxpayer's estimated gross income tax liability to the department of state revenue as provided in IC 6-2.1-5-1.1 for due dates

that occur before January 1, 2003.

(c) Not later than April 15, 2003, a taxpayer shall file a final gross income tax return with the department of state revenue on a form and in the manner prescribed by the department of state revenue. At the time of filing the final gross income tax return, a taxpayer shall pay to the department of state revenue an amount equal to the remainder of:

- (1) the total gross income tax liability incurred by the taxpayer for the part of the taxpayer's taxable year that occurred in calendar year 2002; minus
- (2) the sum of:
 - (A) the total amount of gross income taxes that was previously paid by the taxpayer to the department of state revenue for any quarter of that same part of the taxpayer's taxable year; plus
 - (B) any gross income taxes that were withheld from the taxpayer for that same part of the taxpayer's taxable year under IC 6-2.1-6.

SECTION 16. P.L.192-2002(ss), SECTION 200, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002 (RETROACTIVE)]: SECTION 200. (a) This SECTION applies to a corporate taxpayer that:

- (1) pays adjusted gross income tax under IC 6-3-1 through IC 6-3-7; and
- (2) has a taxable year that begins before January 1, 2003, and ends after December 31, 2002.

(b) This subsection applies to a corporate taxpayer that was not subject to the gross income tax under IC 6-2.1 (repealed) before January 1, 2003. The rate of the adjusted gross income tax imposed under IC 6-3-2-1 for that taxable year is a rate equal to the sum of:

- (1) three and four-tenths percent (3.4%) multiplied by a fraction, the numerator of which is the number of days in the taxpayer's taxable year that occurred before January 1, 2003, and the denominator of which is the total number of days in the taxable year; and
- (2) eight and five-tenths percent (8.5%) multiplied by a fraction, the numerator of which is the number of days in the taxpayer's taxable year that occurred after December 31, 2002, and the denominator of which is the total number of days in the taxable year.

(c) However, the rate determined under this SECTION shall be rounded to the nearest one-hundredth of one percent (0.01%).

(d) This subsection applies to a taxpayer that was also subject to the gross income tax under IC 6-2.1 (repealed) before January 1, 2003. The total tax liability of the taxpayer under IC 6-2.1 (repealed) and IC 6-3-1 through IC 6-3-7 for the taxable year is the amount determined in STEP SEVEN of the following formula:

STEP ONE: Determine, under IC 6-3, an amount equal to the product of the adjusted gross income derived from sources within Indiana of the corporation multiplied by an adjusted gross income tax rate of three and four-tenths percent (3.4%).

STEP TWO: Multiply the STEP ONE amount by a fraction, the numerator of which is the number of days in the taxpayer's taxable year that occurred before January 1, 2003, and the denominator of which is the total number of days in the taxable year.

STEP THREE: Determine the amount of gross income tax that would be payable under IC 6-2.1-2-2 in the taxable year if 6-2.1-2-2 had not been repealed by P.L.192-2002(ss) for gross receipts received before January 1, 2003.

STEP FOUR: Determine the greater of the STEP TWO amount or the STEP THREE amount.

STEP FIVE: Determine, under IC 6-3, an amount equal to the product of the adjusted gross income derived from sources within Indiana of the corporation multiplied by an adjusted gross income tax rate of eight and five-tenths percent (8.5%).

STEP SIX: Multiply the STEP FIVE amount by a fraction, the numerator of which is the number of days in the taxpayer's taxable year that occurred after December 31, 2002, and the denominator of which is the total number of days in the taxable year.

STEP SEVEN: Determine the sum of the STEP FOUR amount and the STEP SIX amount.

(e) The one thousand dollar (\$1,000) basic deduction (IC 6-2.1-4-1 (repealed)) and the resource recovery system depreciation deduction (IC 6-2.1-4-3 (repealed)) for the tax imposed under IC 6-2.1 (before its repeal) for the final taxable year of the taxpayer is equal to the deduction computed under IC 6-2.1 (repealed) for the taxpayer's full taxable year under the Internal

Revenue Code multiplied by a fraction. The numerator of the fraction is the number of days in the taxpayer's taxable year that the taxpayer was subject to gross income tax before January 1, 2003, and the denominator is the total number of days in the taxable year under the Internal Revenue Code for purposes of federal income taxation.

(f) The department of state revenue may prescribe forms and procedures for reconciling the returns and tax due under P.L.192-2002(ss), SECTION 200 before the enactment of this amendment and the returns and tax due under P.L.192-2002(ss), SECTION 200, as amended by this SECTION. The procedures may include procedures for granting an automatic extension for filing some or all returns due before April 16, 2003, under P.L.192-2002(ss), SECTION 200 before the enactment of this amendment.

SECTION 17. [EFFECTIVE JANUARY 1, 2003 (RETROACTIVE)] (a) Notwithstanding IC 6-3-3-5, this SECTION applies instead of IC 6-3-3-5.

(b) At the election of the taxpayer, there shall be allowed, as a credit against the adjusted gross income tax imposed by IC 6-3-1 through IC 6-3-7 for the taxable year, an amount (subject to the applicable limitations provided by this SECTION) equal to fifty percent (50%) of the aggregate amount of charitable contributions made by such taxpayer during such year to institutions of higher education located within Indiana, to any corporation or foundation organized and operated solely for the benefit of any such institution of higher education, or to the associated colleges of Indiana.

(c) In the case of a taxpayer other than a corporation, the amount allowable as a credit under this SECTION for any taxable year shall not exceed one hundred dollars (\$100) in the case of a single return or two hundred dollars (\$200) in the case of a joint return.

(d) In the case of a corporation, the amount allowable as a credit under this SECTION for any taxable year shall not exceed:

(1) ten percent (10%) of such corporation's total adjusted gross income tax under IC 6-3-1 through IC 6-3-7 for such year (as determined without regard to any credits against that tax); or

(2) one thousand dollars (\$1,000);
whichever is less.

(e) For purposes of this SECTION, the term "institution of higher education" means any educational institution located within Indiana:

(1) which normally maintains a regular faculty and curriculum and normally has a regularly organized body of students in attendance at the place where its educational activities are carried on;

(2) which regularly offers education at a level above the twelfth grade;

(3) which regularly awards either associate, bachelors, masters, or doctoral degrees, or any combination thereof; and

(4) which is duly accredited by the North Central Association of Colleges and Schools, the Indiana state board of education, or the American Association of Theological Schools.

SECTION 18. [EFFECTIVE JANUARY 1, 2003 (RETROACTIVE)] (a) Notwithstanding IC 6-3-3-5.1, this SECTION applies instead of IC 6-3-3-5.1.

(b) At the election of the taxpayer, a credit against the adjusted gross income tax imposed by IC 6-3-1 through IC 6-3-7 for the taxable year is permitted in an amount (subject to the applicable limitations provided by this SECTION) equal to fifty percent (50%) of the aggregate amount of contributions made by the taxpayer during the taxable year to the twenty-first century scholars program support fund established under IC 20-12-70.1-5.

(c) In the case of a taxpayer other than a corporation, the amount allowable as a credit under this SECTION for any taxable year may not exceed:

(1) one hundred dollars (\$100) in the case of a single return;
or

(2) two hundred dollars (\$200) in the case of a joint return.

(d) In the case of a taxpayer that is a corporation, the amount

allowable as a credit under this SECTION for any taxable year may not exceed the lesser of the following amounts:

If the taxpayer did not engage in an active trade or business during that year in the area that is later designated as an enterprise zone, then the base period wages equal zero (0). If the taxpayer engaged in an active trade or business during only part of that year in an area that is later designated as an enterprise zone, then the department shall determine the amount of base period wages.

(B) In the case of a taxpayer that is a pass through entity, base period wages equal zero (0).

(2) "Enterprise zone" means an enterprise zone created under IC 4-4-6.1.

(3) "Enterprise zone adjusted gross income" means adjusted gross income of a taxpayer that is derived from sources within an enterprise zone. Sources of adjusted gross income shall be

determined with respect to an enterprise zone, to the extent possible, in the same manner that sources of adjusted gross income are determined with respect to the state of Indiana under IC 6-3-2-2.

(4) "Enterprise zone gross income" means gross income of a taxpayer that is derived from sources within an enterprise zone.

(5) "Enterprise zone insurance premiums" means insurance premiums derived from sources within an enterprise zone.

(6) "Monthly base period wages" means base period wages divided by twelve (12).

(7) "Pass through entity" means a:

(A) corporation that is exempt from the adjusted gross income tax under IC 6-3-2-2.8(2);

(B) partnership;

(C) trust;

(D) limited liability company; or

(E) limited liability partnership.

(8) "Qualified employee" means an individual who is employed by a taxpayer and who:

(A) has his principal place of residence in the enterprise zone in which he is employed;

(B) performs services for the taxpayer, ninety percent (90%) of which are directly related to the conduct of the taxpayer's trade or business that is located in an enterprise zone;

(9) "Qualified increased employment expenditures" means the following:

(B) For the taxpayer's taxable year in which the enterprise zone is established, the amount by which qualified wages paid or payable by the taxpayer during all of the full calendar months in the taxpayer's taxable year that succeed the date on which the enterprise zone was established exceed the taxpayer's monthly base period wages multiplied by that same number of full calendar months.

(10) "Qualified state tax liability" means a taxpayer's total income tax liability incurred under:

(12) "Taxpayer" includes a pass through entity.

(c) A taxpayer is entitled to a credit against the taxpayer's qualified state tax liability for a taxable year in the amount of the lesser of:

(1) the product of ten percent (10%) multiplied by the qualified increased employment expenditures of the taxpayer for the taxable year; or

(2) one thousand five hundred dollars (\$1,500) multiplied by the number of qualified employees employed by the taxpayer during the taxable year.

(d) The amount of the credit provided by this SECTION that a taxpayer uses during a particular taxable year may not exceed the taxpayer's qualified state tax liability for the taxable year. If the credit provided by this SECTION exceeds the amount of that tax liability for the taxable year it is first claimed, then the excess may be carried back to preceding taxable years or carried over to succeeding taxable years and used as a credit against the taxpayer's qualified state tax liability for those taxable years. Each time that the credit is carried back to a preceding taxable year or

carried over to a succeeding taxable year, the amount of the carryover is reduced by the amount used as a credit for that taxable year. Except as provided in subsection (e), the credit provided by this SECTION may be carried forward and applied in the ten (10) taxable years that succeed the taxable year in which the credit accrues. The credit provided by this SECTION may be carried back and applied in the three (3) taxable years that precede the taxable year in which the credit accrues.

(f) Notwithstanding subsection (d), if a credit under this SECTION results from wages paid in a particular enterprise zone, and if that enterprise zone terminates in a taxable year that succeeds the last taxable year in which a taxpayer is entitled to use the credit carryover that results from those wages under subsection (d), then the taxpayer may use the credit carryover for any taxable year up to and including the taxable year in which the enterprise zone terminates.

(g) A taxpayer is not entitled to a refund of any unused credit.

(h) A taxpayer that:

(1) does not own, rent, or lease real property outside of an enterprise zone that is an integral part of its trade or business; and

is exempt from the allocation and apportionment provisions of this SECTION.

(i) If a pass through entity is entitled to a credit under subsection (c) but does not have state tax liability against which the tax credit may be applied, an individual who is a shareholder, partner, beneficiary, or member of the pass through entity is entitled to a tax credit equal to:

(1) the tax credit determined for the pass through entity for the taxable year; multiplied by

(2) the percentage of the pass through entity's distributive income to which the shareholder, partner, beneficiary, or

member is entitled.

The credit provided under this subsection is in addition to a tax credit to which a shareholder, partner, beneficiary, or member of a pass through entity is entitled. However, a pass through entity and an individual who is a shareholder, partner, beneficiary, or member of a pass through entity may not claim more than one (1) credit for the qualified expenditure.

(j) This SECTION expires April 2, 2003.

SECTION 20. [EFFECTIVE JANUARY 1, 2003 (RETROACTIVE)] (a) Notwithstanding IC6-3-4-4.1, this SECTION applies instead of IC 6-3-4-4.1.

(c) Any individual required by the Internal Revenue Code to file estimated tax returns and to make payments on account of such estimated tax shall file estimated tax returns and make payments of the tax imposed by this article to the department at the time or times and in the installments as provided by Section 6654 of the Internal Revenue Code. However, in applying Section 6654 of the Internal Revenue Code for the purposes of this article, "estimated tax" means the amount which the individual estimates as the amount of the adjusted gross income tax imposed by this article for the taxable year, minus the amount which the individual estimates as the sum of any credits against the tax provided by IC 6-3-3.

(d) Every individual who has adjusted gross income subject to the tax imposed by this article and from which tax is not withheld under the requirements of IC 6-3-4-8 of this chapter shall make a declaration of estimated tax for the taxable year. However, no such declaration shall be required if the estimated tax can reasonably be expected to be less than four hundred dollars (\$400). In the case of an underpayment of the estimated tax as provided in Section 6654 of the Internal Revenue Code, there shall be added to the tax a penalty in an amount prescribed by IC 6-8.1-10-2.1(b).

(e) Every corporation subject to the adjusted gross income tax liability imposed by IC 6-3 shall be required to report and pay an estimated tax equal to twenty-five percent (25%) of such corporation's estimated adjusted gross income tax liability for the taxable year. A taxpayer who uses a taxable year that ends on December 31 shall file the taxpayer's estimated adjusted gross

income tax returns and pay the tax to the department on or before April 20, June 20, September 20, and December 20 of the taxable year. If a taxpayer uses a taxable year that does not end on December 31, the due dates for filing estimated adjusted gross income tax returns and paying the tax are on or before the twentieth day of the fourth, sixth, ninth, and twelfth months of the taxpayer's taxable year. The department shall prescribe the manner and forms for such reporting and payment.

(f) The penalty prescribed by IC 6-8.1-10-2.1(b) shall be assessed by the department on corporations failing to make payments as required in subsection (d) or (g). However, no penalty shall be assessed as to any estimated payments of adjusted gross income tax ~~plus utility receipts tax~~ which equal or exceed:

- (1) twenty percent (20%) of the final tax liability for such taxable year; or
- (2) twenty-five percent (25%) of the final tax liability for the taxpayer's previous taxable year.

In addition, the penalty as to any underpayment of tax on an estimated return shall only be assessed on the difference between the actual amount paid by the corporation on such estimated return and twenty-five percent (25%) of the corporation's final adjusted gross income tax liability for such taxable year.

(g) The provisions of subsection (d) requiring the reporting and estimated payment of adjusted gross income tax shall be applicable only to corporations having an adjusted gross income tax liability which, after application of the credit allowed by IC 6-3-3-2, shall exceed one thousand dollars (\$1,000) for its taxable year.

(h) If the department determines that a corporation's:

- (1) estimated quarterly adjusted gross income tax liability for the current year; or
- (2) average estimated quarterly adjusted gross income tax liability for the preceding year;

exceeds, before January 1, 1998, twenty thousand dollars (\$20,000), and, after December 31, 1997, ten thousand dollars (\$10,000), after the credit allowed by IC 6-3-3-2, the corporation shall pay the estimated adjusted gross income taxes due by electronic funds transfer (as defined in IC 4-8.1-2-7) or by delivering in person or overnight by courier a payment by cashier's check, certified check, or money order to the department. The transfer or payment shall

be made on or before the date the tax is due.

(i) If a corporation's adjusted gross income tax payment is made by electronic funds transfer, the corporation is not required to file an estimated adjusted gross income tax return.

(j) This SECTION expires April 2, 2003.

SECTION 21. [EFFECTIVE JANUARY 1, 2003 (RETROACTIVE)] **(a) Notwithstanding IC 6-3.1-18-8, this SECTION applies instead of IC 6-3.1-18-8.**

(b) The credit provided under IC 6-3.1-18-7 is in addition to a tax credit to which a shareholder, partner, or member of a pass through entity is otherwise entitled under IC 6-3, this article, or IC 6-5.5. However, a pass through entity and a shareholder, partner, or member of the pass through entity may not claim more than one (1) credit for the same qualified expenditure.

(c) This SECTION expires April 2, 2003.

SECTION 22. [EFFECTIVE JANUARY 1, 2003 (RETROACTIVE)] **(a) Notwithstanding IC 6-5.5-2-7, this SECTION applies instead of IC 6-5.5-2-7.**

(b) Notwithstanding any other provision of IC 6-5.5, there is no tax imposed on the adjusted gross income or apportioned income of the following:

(1) Insurance companies subject to the tax under IC 27-1-18-2 or IC 6-3.

(2) International banking facilities (as defined in Regulation D of the Board of Governors of the Federal Reserve System).

(3) Any corporation that is exempt from income tax under Section 1363 of the Internal Revenue Code.

(4) Any corporation exempt from federal income taxation under the Internal Revenue Code, except for the corporation's unrelated business income. However, this exemption does not apply to a corporation exempt from federal income taxation under Section 501(c)(14) of the Internal Revenue Code.

(c) This SECTION expires April 2, 2003.

SECTION 23. taxpayer during the taxable year.

SECTION 24. [EFFECTIVE JANUARY 1, 2004] IC 6-3-2-8, as amended by this act, applies to taxable years beginning after December 31, 2003.

dismissal, the chief deputy, other deputies, the senior investigator, and the senior accountant may appeal to the state personnel board. The state personnel board shall hold a hearing, and if it finds that the appealing party was dismissed for a political, social, religious, or racial reason, the appealing party shall be reinstated to the appealing party's position without loss of pay. In all other cases, if the decision is favorable to the appealing party, the secretary of state shall follow the findings and recommendations of the board, which may include reinstatement and payment of salary or wages lost. The hearing and any subsequent proceedings or appeals shall be governed by the provisions of IC 4-15-2 and IC 4-21.5.

(c) Fees and funds of whatever character accruing from the administration of this chapter shall be accounted for by the secretary of state and shall be deposited with the treasurer of state to be deposited by the treasurer of state in the general fund of the state. Expenses incurred in the administration of this chapter shall be paid from the general fund upon appropriation being made for the expenses in the manner provided by law for the making of those appropriations. However, costs of investigations recovered under sections 16(d) and 17.1(c) of this chapter shall be deposited with the treasurer of state to be deposited by the treasurer of state in a separate account to be known as the securities division enforcement account. Expenses incurred by the attorney general for the purposes stated in this subsection shall be chargeable against and paid out of funds appropriated to the attorney general for the administration of the attorney general's office.

(e) Neither the secretary of state, the securities commissioner, nor

an employee of the securities division shall be liable in their individual capacity, except to the state, for an act done or omitted in connection with the performance of their respective duties under this chapter.

(f) The commissioner, subject to the approval of the secretary of state, may adopt rules, orders, and forms necessary to carry out this chapter, including rules and forms concerning registration statements, applications, reports, and the definitions of any terms if the definitions are consistent with this chapter. The commissioner may by rule or order allow for exemptions from registration requirements under sections 3 and 8 of this chapter if the exemptions are consistent with the public interest and this chapter.

(g) The provisions of this chapter delegating and granting power to the secretary of state, the securities division, and the securities commissioner shall be liberally construed to the end that:

- (2) disclosure of sufficient and reliable information in order to afford reasonable opportunity for the exercise of independent judgment of the persons involved may be assured; and
- (3) the qualifications may be prescribed to assure availability of reliable broker-dealers, investment advisers, and agents engaged in and in connection with the issuance, barter, sale, purchase, transfer, or disposition of securities in this state.

It is the intent and purpose of this chapter to delegate and grant to and vest in the secretary of state, the securities division, and the securities commissioner full and complete power to carry into effect and accomplish the purpose of this chapter and to charge them with full and complete responsibility for its effective administration.

(h) It is the duty of a prosecuting attorney, as well as of the attorney general, to assist the securities commissioner upon the commissioner's request in the prosecution to final judgment of a violation of the penal provisions of this chapter and in a civil proceeding or action arising under this chapter. ~~If evidence concerning violations of this chapter or a rule or order under this chapter is referred to a prosecuting attorney; the prosecuting attorney shall within ninety (90) days file with the securities commissioner a written statement concerning an action taken or; if no action has been taken, the reasons no action has been taken. If the commissioner determines that an action based on the securities~~

division's investigations is meritorious:

(2) the commissioner and the securities division shall assist the prosecuting attorney in prosecuting an action under this section;

No provision of this chapter either creates or derogates from a privilege that exists at common law or otherwise when documentary or other evidence is sought under a subpoena directed to the secretary of state, the securities commissioner, or the securities division or its employees.

(l) The commissioner may honor requests from interested persons for interpretative opinions and from interested persons for determinations that the commissioner will not institute enforcement proceedings against specified persons for specified activities. A determination not to institute enforcement proceedings must be consistent with this chapter. The commissioner shall charge a fee of one hundred dollars (\$100) for an interpretative opinion or determination.

SECTION 2. IC 23-2-1-16 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 16. (a) With the filing of any application for registration pursuant to this chapter, there shall be filed the irrevocable written consent of the applicant that suits and actions growing out of the violation of any provision or provisions of this chapter may be commenced against the applicant in the proper courts of any county in this state in which a cause of action may arise, or in which the plaintiff may reside, by the service of any process or pleading authorized by the laws of this state upon the secretary of state. The consent must stipulate and agree that service of process or pleadings on the secretary of state shall be taken and held in all courts to be as valid and binding as if due service has been made upon the applicant. The written consent shall be authenticated by:

- (1) the seal of the applicant if the applicant has a seal; and
- (2) the acknowledged signature of:
 - (A) the members of the partnership, or the depositors, managers, or committee;
 - (B) any officers of the corporation, or of the incorporated or unincorporated association if the applicant be an incorporated or unincorporated association, duly authorized by resolution of the board of directors, trustees, or managers of the corporation or association, and accompanied by a duly certified copy of the resolution of the board of directors, trustees, or managers of the corporation or association authorizing the officers to

execute the same; or

(C) any members or managers of the limited liability company, duly authorized by the members and managers of the limited liability company and accompanied by a duly certified copy of the resolution of the members or managers of the limited liability company which authorizes the members or managers to execute the same.

The engaging in any such transaction, or the doing of any such business in this state, shall be signification of the agreement of such nonresident broker-dealer, investment advisor, agent, issuer, offeror, or seller, that any process, writ, notice, or order against him which is so served shall be of the same legal force and effect as if served upon such nonresident broker-dealer, investment advisor, agent, issuer, offeror, or seller personally. Any action or proceeding against a nonresident broker-dealer, agent, issuer, offeror, or seller, may be instituted or commenced in the proper court of any county in this state in which the nonresident broker-dealer, investment advisor, agent, issuer, offeror, or seller, shall have engaged in any transaction or shall have done any business in this state involving a sale of securities, or an offer to sell securities, or in the county in which the person bringing the action may reside.

(c) The service of any process, writ, notice, or order against an applicant not domiciled in this state, or against a nonresident broker-dealer, investment advisor, agent, issuer, offeror, or seller, shall be made by leaving duplicate copies thereof with a fee of two dollars (\$2) with the secretary of state, or in his office, and the service shall be deemed sufficient service, if the notice of service and a copy of the

process, writ, notice, or order are forthwith sent by registered mail with return receipt requested, addressed to the person so served at the address disclosed upon any such written consent that may have been filed in the office of the secretary of state, or as disclosed upon any written notification of address filed by the person to be served, or if no address is filed in the office of the secretary of state then at any other address, if any, known or disclosed to the secretary of state. Upon return of the return receipt showing delivery and the acceptance of the registered mail, or upon the return of the registered mail showing a refusal of the acceptance, the secretary of state shall attach either the return receipt or the refused mail to the copy of the process, writ, notice, or order retained by him, and mail the same to the clerk of the court in which the action or proceeding is pending in respect to which the process, writ, notice, or order was issued, or the secretary of state shall return the copy of the process, writ, notice, or order to the clerk with the advice, if such be the case, that no address to which the process, writ, notice, or order may be mailed is known to the secretary of state. The clerk of the court shall thereupon file the same, and the same shall be deemed a part of the record in the action or proceeding without a special bill of exceptions therefor. Refusal of any person to accept delivery of the registered mail provided in this section, or the refusal to sign the return receipt, or the ignorance of the secretary of state of any address to which process, writ, notice, or order may have been mailed, shall not in any manner affect the legality or effect of service, and the person shall be presumed to have had knowledge of the contents of any process, writ, notice, or order contained therein, or issued in connection with any proceeding resulting from the transaction in which the person may have participated in this state. No process, writ, notice, or order served in this section provided shall be returnable in less than twenty (20) days from the date the same shall have been issued.

(d) The securities division is authorized to make investigations and examinations:

- (1) in connection with any application for registration of any security, broker-dealer, investment advisor, or agent, or any registration thereof already granted; or
- (2) whenever it appears to the commissioner upon the basis of a complaint or information that reasonable grounds exist for the

belief that an investigation or examination is necessary or advisable for the more complete protection of the interests of the public.

On investigations and examinations made by the commissioner or an employee of the securities division, all reasonable expenses, including, but not limited to, a per diem prorated upon the salary of such commissioner or employee together with the actual traveling and hotel expenses, may be charged as costs of the investigation or examination to be paid by the party or parties under investigation or examination. Before a hearing on the matter under investigation, the commissioner may require the posting of a bond in the penal sum of five hundred dollars (\$500), or in such other additional amount as may be required to guarantee the payment of the costs of the investigation and hearing, to the state of Indiana with sufficient surety to be approved by the commissioner.

(e) The secretary of state or the commissioner shall have the power to sign all orders, official certifications, documents, or papers, under any of the provisions of this chapter. The commissioner shall have the power to:

in this chapter; or

(2) the refusal of any witness to appear when subpoenaed, or to testify to any matter regarding which he may be lawfully interrogated, or to take or subscribe to any oath required by this chapter;

(c) The imposing entity may adopt an ordinance to provide for the use of the certified distribution described in section 16(c) of this chapter for the purpose provided in subsection (e). The

ordinance may provide for an additional rate under section 5(p) of this chapter. An ordinance adopted under this subsection:

- (1) first applies to the certified distribution described in section 16(c) of this chapter made in the calendar year that immediately succeeds the calendar year in which the ordinance is adopted;
- (2) must specify the calendar years to which the ordinance applies; and
- (3) must specify that the certified distribution must be used ~~for the purpose to provide for:~~

(B) allocated increased homestead credits as provided in subsection (h).

An ordinance adopted under this subsection may be combined with an ordinance adopted under section 26 of this chapter.

(d) If an ordinance is adopted under subsection (c), the percentage of the certified distribution specified in the ordinance for use for the purpose provided in subsection (e) shall be:

- (1) retained by the county auditor under subsection (g); and
- (2) used for the purpose provided in subsection (e) instead of the purposes specified in the capital improvement plans adopted under section 15 of this chapter.

(e) If an ordinance is adopted under subsection (c), the imposing entity shall use the certified distribution described in section 16(c) of this chapter to increase the ~~percentage of the~~ homestead credit allowed in the county under IC 6-1.1-20.9 for a year to offset the effect on homesteads in the county resulting from a county deduction for inventory under IC 6-1.1-12-41.

(f) If the imposing entity specifies the application of uniform increased homestead credits under subsection (c)(3)(A), the county auditor shall, for each calendar year in which an increased homestead credit percentage is authorized under this section, determine:

- (2) the amount of uniformly applied homestead credits for the year in the county that equals the amount determined under subdivision (1); and
- (3) the increased percentage of homestead credit that equates to

the amount of homestead credits determined under subdivision (2).

~~(f)~~ **(g)** The increased percentage of homestead credit determined by the county auditor under subsection ~~(e)~~ **(f)** applies uniformly in the county in the calendar year for which the increased percentage is determined.

~~(g)~~ **(i)** The county auditor shall retain from the payments of the county's certified distribution an amount equal to the revenue lost, if any, due to the increase of the homestead credit within the county. The money shall be distributed to the civil taxing units and school corporations of the county:

- (1) as if the money were from property tax collections; and
- (2) in such a manner that no civil taxing unit or school corporation will suffer a net revenue loss because of the allowance of an increased homestead credit.

(j) An entity authorized to adopt:

- (1) an ordinance under subsection (c); and**
- (2) an ordinance under IC 6-1.1-12-41(f);**

may consolidate the two (2) ordinances. The limitation under subsection (c) that an ordinance must be adopted after January 1 of a calendar year does not apply if a consolidated ordinance is adopted under this subsection.

- (2) must specify that the certified distribution must be used **for the purpose to provide for:**

- (A) uniformly applied increased homestead credits as provided in subsection ~~(e)~~: (f); or**
- (B) allocated increased homestead credits as provided in subsection (h).**

An ordinance adopted under this subsection may be combined with an ordinance adopted under section 25 of this chapter.

(d) If an ordinance is adopted under subsection (c), the percentage of the certified distribution specified in the ordinance for use for the purpose provided in subsection (e) shall be:

- (1) retained by the county auditor under subsection (g); and
- (2) used for the purpose provided in subsection (e) instead of the purposes specified in the capital improvement plans adopted under section 15 of this chapter.

(e) If an ordinance is adopted under subsection (c), the adopting

entity shall use the certified distribution described in section 16(c) of this chapter to increase the ~~percentage of the~~ homestead credit allowed in the county under IC 6-1.1-20.9 for a year to offset the effect on homesteads in the county resulting from the statewide deduction for inventory under IC 6-1.1-12-42.

(f) If the imposing entity specifies the application of uniform increased homestead credits under subsection (c)(2)(A), the county auditor shall, for each calendar year in which an increased homestead credit percentage is authorized under this section, determine:

- (1) the amount of the certified distribution that is available to provide an increased homestead credit percentage for the year;
- (2) the amount of uniformly applied homestead credits for the year in the county that equals the amount determined under subdivision (1); and
- (3) the increased percentage of homestead credit that equates to the amount of homestead credits determined under subdivision (2).

~~(f)~~ **(g)** The increased percentage of homestead credit determined by the county auditor under subsection ~~(f)~~ **(g)** applies uniformly in the county in the calendar year for which the increased percentage is determined.

(h) If the imposing entity specifies the application of allocated increased homestead credits under subsection (c)(2)(B), the county auditor shall, for each calendar year in which an increased homestead credit is authorized under this section, determine:

- (1) the amount of the certified distribution that is available to provide an increased homestead credit for the year; and**
- (2) an increased percentage of homestead credit for each taxing district in the county that allocates to the taxing district an amount of increased homestead credits that bears the same proportion to the amount determined under subdivision (1) that the amount of inventory assessed value deducted under IC 6-1.1-12-42 in the taxing district for the immediately preceding year's assessment date bears to the total inventory assessed value deducted under IC 6-1.1-12-42 in the county for the immediately preceding year's assessment date.**

~~(g)~~ **(i)** The county auditor shall retain from the payments of the county's certified distribution an amount equal to the revenue lost, if

(a) When an individual files an initial claim, the department shall promptly make a determination of ~~his~~ **the individual's** status as an insured worker in a form prescribed by the board. A written notice of the determination of insured status shall be furnished ~~him~~ **to the individual** promptly. Each such determination shall be based on and include a written statement showing the amount of wages paid to the individual for insured work by each employer during the individual's base period and shall include a finding as to whether such wages meet the requirements for the individual to be an insured worker, and, if so, the week ending date of the first week of the individual's benefit period, the individual's weekly benefit amount, and the maximum amount of benefits that may be paid to the individual for weeks of unemployment in the individual's benefit period. For the individual who is not insured, the notice shall include the reason for the determination. Unless the individual, within ~~twenty (20)~~ **ten (10)** days after such determination was mailed to the individual's last known address, or otherwise delivered to the individual, asks a hearing thereon before an administrative law judge, such determination shall be final and benefits shall be paid or denied in accordance therewith.

(b) The department shall promptly furnish each employer in the base period whose experience or reimbursable account is potentially chargeable with benefits to be paid to such individual with a notice in writing of the employer's benefit liability. Such notice shall contain the date, the name and social security account number of the individual, the ending date of the individual's base period, and the week ending date of the first week of the individual's benefit period. Such notice shall further contain information as to the proportion of benefits chargeable to the employer's experience or reimbursable account in ratio to the earnings of such individual from such employer. Unless the employer, within ~~twenty (20)~~ **ten (10)** days after such notice of benefit liability was mailed to the employer's last known address, or otherwise delivered to the employer, asks a hearing thereon before an administrative law judge, such determination shall be final and benefits

paid shall be charged in accordance therewith.

(c) An employing unit, including an employer, having knowledge of any facts which may affect an individual's eligibility or right to waiting period credits or benefits, shall notify the department of such facts within ~~twenty (20)~~ **ten (10)** days after the mailing of notice that a former employee has filed an initial or additional claim for benefits on a form prescribed by the board.

(d) In addition to the foregoing determination of insured status by the department, the deputy shall, throughout the benefit period, determine the claimant's eligibility with respect to each week for which the claimant claims waiting period credit or benefit rights, the validity of the claimant's claim therefor, and the cause for which the claimant left the claimant's work, or may refer such claim to an administrative law judge who shall make the initial determination with respect thereto in accordance with the procedure in IC 22-4-17-3.

(e) In cases where the claimant's benefit eligibility or disqualification is disputed, the department shall promptly notify the claimant and the employer or employers directly involved or connected with the issue raised as to the validity of such claim, the eligibility of the claimant for waiting period credit or benefits, or the imposition of a disqualification period or penalty, or the denial thereof, and of the cause for which the claimant left the claimant's work, of such determination and the reasons thereof. Except as otherwise hereinafter provided in this subsection regarding parties located in Alaska, Hawaii, and Puerto Rico, unless the claimant or such employer, within ~~twenty (20)~~ **ten (10)** days after such notification was mailed to the claimant's or the employer's last known address, or otherwise delivered to the claimant or the employer, asks a hearing before an administrative law judge thereon, such decision shall be final and benefits shall be paid or denied in accordance therewith. With respect to notice of disputed administrative determination or decision mailed or otherwise delivered to the claimant or employer either of whom is located in Alaska, Hawaii, or Puerto Rico, unless such claimant or employer, within ~~twenty-five (25)~~ **fifteen (15)** days after such notification was mailed to the claimant's or employer's last known address or otherwise delivered to the claimant or employer, asks a hearing before an administrative law judge thereon, such decision shall be final and benefits shall be paid or denied in accordance therewith. If such hearing is desired, the

request therefor shall be filed with the commissioner in writing within the prescribed periods as above set forth in this subsection and shall be in such form as the board may prescribe. In the event a hearing is requested by an employer or the department after it has been administratively determined that benefits should be allowed to a claimant, entitled benefits shall continue to be paid to said claimant unless said administrative determination has been reversed by a due process hearing. Benefits with respect to any week not in dispute shall be paid promptly regardless of any appeal.

(f) ~~No~~ A person may **not** participate on behalf of the department in any case in which the person is an interested party.

(g) Solely on the ground of obvious administrative error appearing on the face of an original determination, and within the benefit year of the affected claims, the commissioner, or a representative authorized by the commissioner to act in the commissioner's behalf, may reconsider and direct the deputy to revise the original determination so as to correct the obvious error appearing therein. Time for filing an appeal and requesting a hearing before an administrative law judge regarding the determinations handed down pursuant to this subsection shall begin on the date following the date of revision of the original determination and shall be filed with the commissioner in writing within the prescribed periods as above set forth in subsection (c).

(h) Notice to the employer and the claimant that the determination of the department is final if a hearing is not requested shall be prominently displayed on the notice of the determination which is sent to the employer and the claimant.

~~Training or counseling provided under IC 22-4-14-2 does not excuse the claimant from complying with the requirements of~~

~~(3)~~ **(1)** An amount to be determined annually shall be set aside for the payment of refunds from the fund.

~~(k)~~ **(k)** Any balance in the fund does not lapse but is available continuously to the department for expenditures consistent with this chapter.

(j) If the fund ratio (as described in IC 22-4-11-3) is less than or equal to 1.5 or if the board determines that the solvency of the unemployment insurance benefit fund established by IC 22-4-26-1 is threatened, the funds assessed for or deposited in the skills 2016 training fund shall be directed or transferred to the unemployment insurance benefit fund.

SECTION 7. IC 22-4-25-1, AS AMENDED BY P.L.290-2001, SECTION 20, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 1. (a) There is created in the state treasury a special fund to be known as the special employment and training services fund. All interest on delinquent contributions and penalties collected under this article, together with any voluntary contributions tendered as a contribution to this fund **and amounts deposited as required by IC 22-4-10.5-7(b)**, shall be paid into this fund. The money shall not be expended or available for expenditure in any manner which would permit their substitution for (or a corresponding reduction in) federal funds which would in the absence of said money be available to finance expenditures for the administration of this article, but nothing in this section shall prevent said money from being used as a revolving fund to cover expenditures necessary and proper under the law for which federal funds have been duly requested but not yet received, subject to the charging of such expenditures against such funds when received. The money in this fund shall be used by the board for the payment of refunds of interest on delinquent contributions and penalties so collected, for the payment of costs of administration which are found not to have been properly and validly chargeable against federal grants or other funds received for or in the employment and training services administration fund, on and after July 1, 1945. Such money shall be available either to satisfy the obligations incurred by the board directly, or by transfer by the board of the required amount from the special employment and training services fund to the employment and training services administration fund. No expenditure of this fund shall be made unless and until the board finds that no other funds are available or can properly be used to finance such expenditures, except that expenditures from said fund may be made for the purpose of acquiring lands and buildings or for the erection of buildings on lands so acquired which are deemed necessary by the board for the proper administration of this article. The board shall order

the transfer of such funds or the payment of any such obligation or expenditure and such funds shall be paid by the treasurer of state on requisition drawn by the board directing the auditor of state to issue the auditor's warrant therefor. Any such warrant shall be drawn by the state auditor based upon vouchers certified by the board or the commissioner. The money in this fund is hereby specifically made available to replace within a reasonable time any money received by this state pursuant to 42 U.S.C. 502, as amended, which, because of any action or contingency, has been lost or has been expended for purposes other than or in amounts in excess of those approved by the bureau of employment security. The money in this fund shall be continuously available to the board for expenditures in accordance with the provisions of this section and shall not lapse at any time or be transferred to any other fund, except as provided in this article. Nothing in this section shall be construed to limit, alter, or amend the liability of the state assumed and created by IC 22-4-28, or to change the procedure prescribed in IC 22-4-28 for the satisfaction of such liability, except to the extent that such liability may be satisfied by and out of the funds of such special employment and training services fund created by this section.

(b) The board, subject to the approval of the budget agency and governor, is authorized and empowered to use all or any part of the funds in the special employment and training services fund for the purpose of acquiring suitable office space for the department by way of purchase, lease, contract, or in any part thereof to purchase land and erect thereon such buildings as the board determines necessary or to assist in financing the construction of any building erected by the state or any of its agencies wherein available space will be provided for the department under lease or contract between the department and the state or such other agency. The commissioner may transfer from the employment and training services administration fund to the special employment and training services fund amounts not exceeding funds specifically available to the commissioner for that purpose equivalent to the fair, reasonable rental value of any land and buildings acquired for its use until such time as the full amount of the purchase price of such land and buildings and such cost of repair and maintenance thereof as was expended from the special employment and training services fund has been returned to such fund.

(c) The board may also transfer from the employment and training services administration fund to the special employment and training services fund amounts not exceeding funds specifically available to the commissioner for that purpose equivalent to the fair, reasonable rental value of space used by the department in any building erected by the state or any of its agencies until such time as the department's proportionate amount of the purchase price of such building and the department's proportionate amount of such cost of repair and maintenance thereof as was expended from the special employment and training services fund has been returned to such fund.

(d) Whenever the balance in the special employment and training services fund is deemed excessive by the board, the board shall order payment into the unemployment insurance benefit fund of the amount of the special employment and training services fund deemed to be excessive.

(e) Subject to the approval of the board, the commissioner may use not more than five million dollars (\$5,000,000) during a program year for training provided by the state educational institution established under IC 20-12-61 to participants in joint labor and management apprenticeship programs approved by the United States Department of Labor's Bureau of Apprenticeship Training. Of the money allocated for training programs under this subsection, fifty percent (50%) is designated for industrial programs, and the remaining fifty (50%) percent is designated for building trade programs.

(f) The commissioner shall allocate an amount not to exceed four hundred fifty thousand dollars (\$450,000) annually for training and counseling assistance under IC 22-4-14-2 provided by state educational institutions (as defined in IC 20-12-0.5-1) or counseling provided by the department of workforce development for individuals who:

- (1) have been unemployed for at least four (4) weeks;**
- (2) are not otherwise eligible for training and counseling assistance under any other program; and**
- (3) are not participating in programs that duplicate those programs described in subsection (e).**

Training or counseling provided under IC 22-4-14-2 does not excuse the claimant from complying with the requirements of IC 22-4-14-3. Eligibility for training and counseling assistance

under this subsection shall not be determined until after the fourth week of eligibility for unemployment training compensation benefits. The training and counseling assistance programs funded by this subsection must be approved by the United States Department of Labor's Bureau of Apprenticeship Training.

The department shall make a distribution under this subsection at the same time and in the same manner as the department makes a distribution to the governing body of the school corporation in which the conversion charter school is located. A distribution to the governing body of the school corporation in which the conversion charter school is located is reduced by the amount distributed to the conversion charter school. This subsection does not apply to a conversion charter school after December 31 of the calendar year in which the conversion charter school is established.

(d) This subsection applies beginning with the first property tax distribution described in IC 6-1.1-27-1 to the governing body of the school corporation in which a conversion charter school is located after the governing body receives the information reported under subsection (b). Not more than ten (10) days after the governing body receives a property tax distribution described in IC 6-1.1-27-1, the governing body shall distribute to the conversion charter school the amount determined under STEP THREE of the following formula:

STEP ONE: Determine the quotient of:

- (A) the number of students who:**
 - (i) are enrolled in the conversion charter school; and**
 - (ii) were counted in the ADM of the previous year for the school corporation in which the conversion charter school is located; divided by**

(B) the current ADM of the school corporation in which the conversion charter school is located.

In determining the number of students enrolled under clause (A)(i), each kindergarten pupil shall be counted as one-half (1/2) pupil.

STEP TWO: Determine the total amount of the following revenues to which the school corporation in which the conversion charter school is located is entitled for the second six (6) months of the calendar year in which the conversion charter school is established:

(A) Revenues obtained by the school corporation's:

(i) general fund property tax levy; and

(ii) excise tax revenue (as defined in IC 21-3-1.7-2).

(B) The school corporation's certified distribution of county adjusted gross income tax revenue under IC 6-3.5-1.1 that is to be used as property tax replacement credits.

STEP THREE: Determine the product of:

(A) the STEP ONE amount; multiplied by

(B) the STEP TWO amount.

(e) Subsection (d) does not apply to a conversion charter school after the later of the following dates:

(1) December 31 of the calendar year in which the conversion charter school is established.

(2) Ten (10) days after the date on which the governing body of the school corporation in which the conversion charter school is located receives the final distribution described in IC 6-1.1-27-1 of revenues to which the school corporation in which the conversion charter school is located is entitled for the second six (6) months of the calendar year in which the conversion charter school is established.

(f) This subsection applies during the second six (6) months of the calendar year in which a conversion charter school is established. A conversion charter school may apply for an advance from the charter school advancement account under IC 20-5.5-7.5 in the amount determined under STEP FOUR of the following formula:

STEP ONE: Determine the result under subsection (d) STEP ONE (A).

STEP TWO: Determine the difference between:

- (A) the conversion charter school's current ADM; minus
- (B) the STEP ONE amount.

STEP THREE: Determine the quotient of:

- (A) the STEP TWO amount; divided by
- (B) the conversion charter school's current ADM.

STEP FOUR: Determine the product of:

- (A) the STEP THREE amount; multiplied by
- (B) the quotient of:
 - (i) the subsection (d) STEP TWO amount; divided by
 - (ii) two (2).

Chapter 7.5. Charter School Advancement Account

Sec. 1. The charter school advancement account is established within the common school fund.

Sec. 2. As used in this chapter, "operational costs" means costs other than construction costs incurred by:

(1) a charter school other than a conversion charter school during the second six (6) months of the calendar year in which the charter school begins its initial operation; or

(2) a charter school, including a conversion charter school, during the second six (6) months of a calendar year in which the charter school's most recent enrollment reported under IC 20-5.5-7-3(a) divided by the charter school's previous year's ADM is at least one and fifteen-hundredths (1.15).

Sec. 3. The board shall advance money to charter schools from the charter school advancement account to be used for operational

costs.

Sec. 4. (a) The amount of an advance under section 3 of this chapter for operational costs described in section 2(1) of this chapter may not exceed the amount determined under STEP THREE of the following formula:

STEP ONE: Determine the product of:

- (A) the charter school's enrollment reported under IC 20-5.5-7-3(a); multiplied by
- (B) the target revenue per ADM determined under IC 21-3-1.7-6.7(d) or IC 21-3-1.7-6.7(e) for the charter school.

STEP TWO: Determine the quotient of:

- (A) the STEP ONE amount; divided by
- (B) two (2).

STEP THREE: Determine the product of:

- (A) the STEP TWO amount; multiplied by
- (B) one and fifteen-hundredths (1.15).

(b) The amount of an advance under section 3 of this chapter for operational costs described in section 2(2) of this chapter may not exceed the amount determined under STEP FOUR of the following formula:

STEP ONE: Determine the quotient of:

- (A) the target revenue per ADM determined under IC 21-3-1.7-6.7(d) or IC 21-3-1.7-6.7(e) for the charter school; divided by
- (B) two (2).

STEP TWO: Determine the difference between:

- (A) the charter school's current ADM; minus

STEP THREE: Determine the product of:

- (A) the STEP ONE amount; multiplied by
- (B) the STEP TWO amount.

STEP FOUR: Determine the product of:

- (A) the STEP THREE amount; multiplied by
- (B) one and fifteen-hundredths (1.15).

Sec. 5. (a) Money advanced to a charter school under this chapter may be advanced for a period not to exceed twenty (20) years. A charter school to which money is advanced under this chapter must pay interest on the advance at the rate determined

under section 6 of this chapter. The board shall provide that the advances are prepayable by the charter school or by the general assembly at any time.

(b) This subsection applies if the general assembly prepays an advance of money under this chapter. Any prepayment under this subsection must be deducted from the amount appropriated for distributions under IC 21-3-1.7.

(c) The board, after consulting with the department and upon approval of the budget agency, shall establish the terms of an advance before the date on which the advance is made. The terms must include a provision allowing the state to withhold funds due to a charter school to which an advance is made until the advance, including interest accrued on the advance, is paid.

Sec. 6. The state board of finance shall establish periodically the rate of interest payable on advances of money under this chapter. An interest rate established under this section may not:

- (1) be less than one percent (1%); and
- (2) exceed four percent (4%).

Sec. 7. (a) To ensure timely payment of an advance under this chapter according to the terms of the advance, the state may withhold from funds due to the charter school to which the advance is made an amount necessary to pay the advance and the interest on the advance.

(b) If the state withholds funds under subsection (a), the state first shall withhold funds from the distribution of state tuition support to the charter school to which the advance is made. If the tuition support distribution is unavailable or inadequate, the state may withhold funds from any other distribution of state funds to the charter school.

Sec. 8. A charter school that desires to obtain an advance under this chapter must submit an application to the board on a form prescribed by the board after consulting with the department and the budget agency for the board to determine the amount of the advance.

Sec. 9. (a) An advance under this chapter to a charter school is not an obligation of the charter school within the meaning of any constitutional limitation on or prohibition against indebtedness. This chapter does not relieve the organizer of the charter school to qualify the charter school for state tuition support.

(b) An agreement with the board to collect and pay over amounts deducted from state tuition support for the benefit of another party is not a debt of the state within the meaning of any constitutional limitation on or prohibition against state indebtedness.

Sec. 10. Priority of advances for operational costs must be on a basis determined by the board after consulting with the department and the budget agency.

If, however, extreme patterns of student in-migration, illness, natural disaster, or other unusual conditions in a particular school corporation's enrollment on either the day fixed by the Indiana state board of education or on the subsequent adjustment date, cause the enrollment to be unrepresentative of the school corporation's enrollment throughout a school year, the Indiana state board of education may designate another day for determining the school corporation's enrollment. The Indiana state board of education shall monitor changes that occur after the fall count, in the number of students enrolled in programs for children with disabilities and shall, before December 2 of that same year and, beginning in the 2004 calendar year, before April 2 of the following calendar year, make an adjusted count of students enrolled in programs for children with disabilities. If the railroad or other corporation in some subsequent calendar year makes payment of the delinquent taxes, then the state superintendent of public instruction shall prescribe adjustments in the distributions of state funds pursuant to this chapter as are thereafter to become due to a school corporation affected by the delinquency as will ensure that the school corporation will not have been unjustly enriched under the provisions of P.L.382-1987(ss).
