## COMMITTEE REPORT

Madam President: The Senate Committee on Pensions & Labor, to which was referred Senate Bill 33, has had the same under consideration and begs leave to report the same back to the Senate with the recommendation that said bill be amended as follows:

Page 1, between the enacting clause and line 1, begin a new paragraph and insert:

"SECTION 1. IC 22-3-3-5.2, AS AMENDED BY P.L.99-2014, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 5.2. (a) A billing review service shall adhere to the following requirements to determine the pecuniary liability of an employer or an employer's insurance carrier for a specific service or product covered under worker's compensation provided before July 1, 2014, by all medical service providers, and after June 30, 2014, by a medical service provider that is not a medical service facility:

(1) The formation of a billing review standard, and any subsequent analysis or revision of the standard, must use data that is based on the medical service provider billing charges as submitted to the employer and the employer's insurance carrier from the same community. This subdivision does not apply when a unique or specialized service or product does not have sufficient comparative data to allow for a reasonable comparison.

(2) Data used to determine pecuniary liability must be compiled on or before June 30 and December 31 of each year.

(3) Billing review standards must be revised for prospective future payments of medical service provider bills to provide for payment of the charges at a rate not more than the charges made by eighty percent (80%) of the medical service providers during the prior six (6) months within the same community. The data used to perform the analysis and revision of the billing review standards may not be more than two (2) years old and must be periodically updated by a representative inflationary or deflationary factor. Reimbursement for these charges may not exceed the actual charge invoiced by the medical service provider.

(b) This subsection applies after June 30, 2014, to a medical service facility. The pecuniary liability of an employer or an employer's insurance carrier for a specific service or product covered under worker's compensation and provided by a medical service facility is equal to a reasonable amount, which is established by payment of one (1) of the following:

(1) The amount negotiated at any time between the medical service facility and any of the following:

- (A) The employer.
- (B) The employer's insurance carrier.
- (C) A billing review service on behalf of a person described in clause (A) or (B).
- (D) A direct provider network that has contracted with a person described in clause (A) or (B).

(2) Two hundred percent (200%) of the amount that would be paid to the medical service facility on the same date for the same service or product under the medical service facility's Medicare reimbursement rate, if an amount has not been negotiated as described in subdivision (1).

**(c) This subsection applies to a medical service facility that is:**

**(1) an ambulatory outpatient surgical center (as defined in IC 16-18-2-14); and**

**(2) not reimbursed for an implant under subsection (b).**

**Payment for an implant furnished to an employee under IC 22-3-2 through IC 22-3-6 is equal to one hundred twenty-five percent (125%) of the implant's cost as evidenced by the invoice amount.**

**(d)** A medical service provider may request an explanation from a billing review service if the medical service provider's bill has been reduced as a result of application of the eightieth percentile or of a Current Procedural Terminology (CPT) or Medicare coding change. The request must be made not later than sixty (60) days after receipt of the notice of the reduction. If a request is made, the billing review service must provide:

- (1) the name of the billing review service used to make the reduction;
- (2) the dollar amount of the reduction;
- (3) the dollar amount of the service or product at the eightieth percentile; and
- (4) in the case of a CPT or Medicare coding change, the basis upon which the change was made;

not later than thirty (30) days after the date of the request.

**(e)** If, after a hearing, the worker's compensation board finds that a billing review service used a billing review standard that did not comply with subsection (a)(1) through (a)(3), as applicable, in determining the pecuniary liability of an employer or an employer's insurance carrier for a medical service provider's charge for services or products covered under worker's compensation, the worker's compensation board may assess a civil penalty against the billing review service in an amount not less than one hundred dollars (\$100) and not more than one thousand dollars (\$1,000)."

"SECTION 4. IC 22-3-7-17.2, AS AMENDED BY P.L.99-2014, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 17.2. (a) A billing review service shall adhere to the following requirements to determine the pecuniary liability of an employer or an employer's insurance carrier for a specific service or product covered under this chapter provided before July 1, 2014, by all medical service providers, and after June 30, 2014, by a medical

service provider that is not a medical service facility:

(1) The formation of a billing review standard, and any subsequent analysis or revision of the standard, must use data that is based on the medical service provider billing charges as submitted to the employer and the employer's insurance carrier from the same community. This subdivision does not apply when a unique or specialized service or product does not have sufficient comparative data to allow for a reasonable comparison.

- (B) The employer's insurance carrier.
- (C) A billing review service on behalf of a person described in clause (A) or (B).
- (D) A direct provider network that has contracted with a person described in clause (A) or (B).

(2) Two hundred percent (200%) of the amount that would be paid to the medical service facility on the same date for the same service or product under the medical service facility's Medicare reimbursement rate, if an amount has not been negotiated as described in subdivision (1).

**(c) This subsection applies to a medical service facility that is:**

**(1) an ambulatory outpatient surgical center (as defined in IC 16-18-2-14); and**

**(2) not reimbursed for an implant under subsection (b).**

**Payment for an implant furnished to an employee under this chapter is equal to one hundred twenty-five percent (125%) of the implant's cost as evidenced by the invoice amount.**

**(d)** A medical service provider may request an explanation from a billing review service if the medical service provider's bill has been reduced as a result of application of the eightieth percentile or of a Current Procedural Terminology (CPT) or Medicare coding change. The request must be made not later than sixty (60) days after receipt of the notice of the reduction. If a request is made, the billing review service must provide:

- (1) the name of the billing review service used to make the reduction;
- (2) the dollar amount of the reduction;
- (3) the dollar amount of the medical service at the eightieth percentile; and
- (4) in the case of a CPT or Medicare coding change, the basis upon which the change was made;

not later than thirty (30) days after the date of the request.

(d) (e) If, after a hearing, the worker's compensation board finds that a billing review service used a billing review standard that did not comply with subsection (a)(1) through (a)(3), as applicable, in determining the pecuniary liability of an employer or an employer's insurance carrier for a medical service provider's charge for services or products covered under occupational disease compensation, the worker's compensation board may assess a civil penalty against the billing review service in an amount not less than one hundred dollars (\$100) and not more than one thousand dollars (\$1,000)."

Delete everything after the enacting clause and insert the following:

SECTION 1. IC 33-28-5-18, AS AMENDED BY P.L.157-2009, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 18. (a) The supervising judge or the jury administrator shall determine whether a prospective juror is qualified to serve or, if disabled but otherwise qualified, whether the prospective juror could serve with reasonable accommodation. A person who is not eligible for jury service may not serve. The facts supporting juror disqualification or exemption must be recorded under oath or affirmation. A disqualification or exemption is not authorized unless supported by the facts. The jury administrator shall make a record of all disqualifications.

(b) A prospective juror is disqualified to serve on a jury if any of the following conditions exist:

- (1) The person is not a citizen of the United States, at least eighteen (18) years of age, and a resident of the county.
- (2) The person is unable to read, speak, and understand the English language with a degree of proficiency sufficient to fill out satisfactorily a juror qualification form.

(3) The person is incapable of rendering satisfactory jury service due to physical or mental disability. However, a person claiming this disqualification may be required to submit a physician's or authorized Christian Science practitioner's certificate confirming the disability, and the certifying physician or practitioner is then subject to inquiry by the court at the court's discretion.

(4) A guardian has been appointed for the person under IC 29-3 because the person has a mental incapacity.

(5) The person has had the right to vote revoked by reason of a felony conviction and the right has not been restored.

(c) A person scheduled to appear for jury service has the right to defer the date of the person's initial appearance for jury service one (1) time upon a showing of hardship, extreme inconvenience, or necessity. The court shall grant a prospective juror's request for deferral if the following conditions are met:

(1) The prospective juror has not previously been granted a deferral.

(2) The prospective juror requests a deferral by contacting the jury administrator:

- (A) by telephone;
- (B) by electronic mail;
- (C) in writing; or
- (D) in person.

(3) The prospective juror selects another date on which the prospective juror will appear for jury service that is:

- (A) not more than one (1) year after the date upon which the prospective juror was originally scheduled to appear; and
- (B) a date when the court will be in session.

(4) The court determines that the prospective juror has demonstrated that a deferral is necessary due to:

- (A) hardship;
- (B) extreme inconvenience; or
- (C) necessity.

(d) A prospective juror who is at least seventy-five (75) years of age may be exempted from jury service if the prospective juror notifies the jury administrator that the prospective juror is at least seventy-five (75) years of age and wishes to be exempted from jury service.

**(e) A prospective juror who is nursing a child may be exempted from jury service if the prospective juror notifies the jury administrator that the prospective juror is nursing a child and wishes to be exempted from jury service.**

~~(f)~~ (f) A person may not serve as a petit juror in any county if the person served as a petit juror in the same county within the previous three hundred sixty-five (365) days in a case that resulted in a verdict. The fact that a person's selection as a juror would violate this subsection is sufficient cause for challenge.

~~(g)~~ (g) A grand jury, a petit jury, or an individual juror drawn for service in one (1) court may serve in another court of the county, in accordance with orders entered on the record in each of the courts.

~~(h)~~ (h) The same petit jurors may be used in civil cases and in criminal cases.

~~(i)~~ (i) A person may not be excluded from jury service on account of race, color, religion, sex, national origin, or economic

SENATE MOTION

Madam President: I move that Senate Bill 216 be amended to read as follows:

Page 1, between the enacting clause and line 1, begin a new paragraph and insert:

"SECTION 1. IC 5-14-1.5-3.6, AS AMENDED BY P.L.280-2013, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 3.6. (a) This section applies only to a governing body of a charter school (as defined in IC 20-24-1-4) and a public agency of the state, including a body corporate and politic established as an instrumentality of the state.

(b) A member of the governing body of a charter school or public agency who is not physically present at a meeting of the governing body may participate in a meeting of the governing body by electronic communication only if the member uses a means of communication that permits:

- (1) the member;
- (2) all other members participating in the meeting;
- (3) all members of the public physically present at the place where the meeting is conducted; and
- (4) if the meeting is conducted under a policy adopted under subsection (g)(7), all members of the public physically present at a public location at which a member participates by means of electronic communication;

to simultaneously communicate with each other during the meeting.

(c) The governing body must fulfill both of the following requirements for a member of the governing body to participate in a meeting by electronic communication:

- (1) This subdivision does not apply to committees appointed by a board of trustees of a state educational institution, by the commission for higher education, or by the board of directors of the Indiana secondary market for education loans, as established, incorporated, and designated under IC 21-16-5-1. The minimum number of members who must be physically present at the place where the meeting is conducted must be the greater of:

- (A) two (2) of the members; or
- (B) one-third (1/3) of the members.

- (2) All votes of the governing body during the electronic meeting must be taken by roll call vote.

Nothing in this section affects the public's right under this chapter to attend a meeting of the governing body at the place where the meeting is conducted and the minimum number of members is physically present as provided for in subdivision (1).

(d) Each member of the governing body is required to physically attend at least one (1) meeting of the governing body annually.

(e) Unless a policy adopted by a governing body under subsection (g) provides otherwise, a member who participates in a meeting by electronic communication:

- (1) is considered to be present at the meeting;
- (2) shall be counted for purposes of establishing a quorum; and
- (3) may vote at the meeting.

(f) A governing body may not conduct meetings using a means of electronic communication until the governing body:

- (1) meets all requirements of this chapter; and
- (2) by a favorable vote of a majority of the members of the governing body, adopts a policy under subsection (g) governing participation in meetings of the governing body by electronic communication.

(g) A policy adopted by a governing body to govern participation in the governing body's meetings by electronic communication may do any of the following:

- (1) Require a member to request authorization to participate in a meeting of the governing body by electronic communication within a certain number of days before the meeting to allow for arrangements to be made for the member's participation by electronic communication.
- (2) Subject to subsection (e), limit the number of members who may participate in any one (1) meeting by electronic communication.
- (3) Limit the total number of meetings that the governing body may conduct in a calendar year by electronic communication.
- (4) Limit the number of meetings in a calendar year in which any one (1) member of the governing body may participate by electronic communication.
- (5) Provide that a member who participates in a meeting by electronic communication may not cast the deciding vote on any official action. **For purposes of this subdivision, a member casts the deciding vote on an official action if, regardless of the order in which the votes are cast:**
  - (A) the member votes with the majority; and
  - (B) the official action is adopted or defeated by one (1) vote.
- (6) Require a member participating in a meeting by electronic communication to confirm in writing the votes cast by the member during the meeting within a certain number of days after the date of the meeting.
- (7) Provide that in addition to the location where a meeting is conducted, the public may also attend some or all meetings of the governing body, excluding executive sessions, at a public place or public places at which a member is physically present and participates by electronic communication. If the governing body's policy includes this provision, a meeting notice must provide the following information:

- (A) The identity of each member who will be physically present at a public place and participate in the meeting by electronic communication.
- (B) The address and telephone number of each public place where a member will be physically present and participate by electronic communication.
- (C) Unless the meeting is an executive session, a statement that a location described in clause (B) will be open and accessible to the public.

- (8) Require at least a quorum of members to be physically present at the location where the meeting is conducted.
- (9) Provide that a member participating by electronic communication may vote on official action only if, subject to subsection (e), a specified number of members:

(A) are physically present at the location where the meeting is conducted; and

(B) concur in the official action.

(10) Establish any other procedures, limitations, or conditions that govern participation in meetings of the governing body by electronic communication and are not in conflict with this chapter.

(h) The policy adopted by the governing body must be posted on the Internet web site of the governing body, the charter school, or the public agency.

(i) Nothing in this section affects a public agency's or charter school's right to exclude the public from an executive session in which a member participates by electronic communication."
