## RESOLUTIONS ON FIRST READING

### Senate Concurrent Resolution 39

Senate Concurrent Resolution 39, introduced by Senator Spartz:

A CONCURRENT RESOLUTION urging Senator Todd Young and Senator Joe Donnelly to deliver results on border security and immigration reform.

*Whereas, The federal government and Congress in particular have nearly plenary authority over issues of border security and immigration;*

*Whereas, Despite this broad authority, the pressing need for enhanced border security and the nagging question of immigration reform have gone unanswered by Congress for years;*

*Whereas, The States have very little direct control over these pressing matters yet bear a significant share of the cost of federal inaction;*

*Whereas, Prior to the ratification of the Seventeenth Amendment, the General Assembly had more input in federal issues of consequence to the states because it could specifically choose the delegation that would represent Indiana's interests in Congress; and*

*Whereas, This Resolution embodies the original intent of the U.S. Constitution and expresses the will of the Indiana General Assembly and the people of Indiana, that border security and immigration reform be finally and fairly dealt with: Therefore,*

*Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:*

SECTION 1. That the Indiana General Assembly urges Senator Todd Young and Senator Joe Donnelly to deliver results on border security and immigration reform that reflect the will and best interests of the citizens of the state of Indiana.

SECTION 2. The Secretary of the Senate is hereby directed to transmit copies of this Resolution to the offices of Senator Todd Young and Senator Joe Donnelly.

The resolution was read in full and referred to the Committee on Homeland Security and Transportation.

### Senate Resolution 24

Senate Resolution 24, introduced by Senator Melton:

A SENATE RESOLUTION urging the legislative council to assign to the appropriate study committee the issue of maximizing the underutilized economic resources of Gary, Indiana.

*Whereas, Since 2005, the city of Gary's financial status has been declining. Factors contributing to the decline include a constitutional amendment to establish property tax caps, a shift*

*from industrial to residential taxpayers, a decline in casino revenues, and an increase in circuit breaker credits;*

*Whereas, A recent state board of accounts audit found that the property tax caps had resulted in a 51% reduction in the city's property tax levy, the largest such reduction in the state;*

*Whereas, In response to the declining financial status, Gary has adopted an aggressive strategy to increase revenues and decrease expenses; and*

*Whereas, The city of Gary is evaluating its finances and working toward an economic development strategy to increase revenues, reverse the increasing deficit, and stabilize the general fund with an ultimate goal of a positive financial position: Therefore,*

*Be it resolved by the Senate of the  
General Assembly of the State of Indiana:*

SECTION 1. That the Indiana Senate urges the legislative council to assign to the appropriate study committee the issue of maximizing the underutilized economic resources of Gary, Indiana, including the real estate contiguous to Buffington Harbor that contains a deep water port, three class 1 railroad lines, and proximity within one-half mile of Gary/Chicago International Airport.

The resolution was read in full and referred to the Committee on Appropriations.

### **Senate Resolution 25**

Senate Resolution 25, introduced by Senator Tallian:

A SENATE RESOLUTION urging the legislative council to assign the topic of establishing a voluntary paid family and medical leave program to the appropriate study committee.

*Whereas, The Federal Family and Medical Leave Act (FMLA) has had a 25-year long impact on the workforce;*

*Whereas, Thanks to FMLA, many working individuals now receive protected unpaid time off work to welcome new babies, care for sick family members, or take care of their own health without worrying about losing their job;*

*Whereas, This law entitles covered employees to twelve weeks of job-protected leave;*

*Whereas, While it is important to offer unpaid leave protection, providing paid leave would do wonders for the average family and employer alike;*

*Whereas, Current research shows that paid family leave offers*

*benefits to employers by boosting retention and reducing turnover costs, attracting talented employees, reinforcing a company's values, providing increased employee morale, and better productivity;*

*Whereas, Companies report the payoff from offering paid family leave exceeds the cost and that cost management is done through thoughtful design, such as managing labor costs by using existing employees rather than temporary workers;*

*Whereas, In Indiana, only 38 percent of the workforce is both covered by FMLA and able to afford unpaid leave;*

*Whereas, Though FMLA is a step in the right direction, the lack of pay during leave places a significant financial burden on individuals and their families;*

*Whereas, FMLA is important to Governor Holcomb as well, considering he signed an executive order providing four weeks of paid leave for state employees to spend time with their newborn or newly adopted child;*

*Whereas, Now is the ideal time for Indiana to craft its own paid FMLA policies without overburdening employers; and*

*Whereas, A bill to complete this study was passed in 2017 and signed by the governor, but not assigned to a study committee by the legislative council: Therefore,*

*Be it resolved by the Senate of the  
General Assembly of the State of Indiana:*

SECTION 1. That the Indiana Senate urges the legislative council to assign to the appropriate study committee the issue of a voluntary paid family and medical leave program in Indiana.

The resolution was read in full and referred to the Committee on Pensions and Labor.

### **Senate Resolution 26**

Senate Resolution 26, introduced by Senator Kruse:

A SENATE RESOLUTION urging support of free and fair elections in the United States.

*Whereas, The framers of the Constitution of the United States of America intended that the Congress of the United States of America should be "dependent on the people alone" (James Madison, Federalist 52);*

*Whereas, That dependency has evolved from a dependency on the people alone to a dependency on powerful special interests, through campaigns or third-party groups, that have created a fundamental imbalance in our representative democracy;*

*Whereas, Americans across the political spectrum agree that elections in the United States of America should be free from the disproportional influence of special interests and fair enough that any citizen can be elected into office; and*

*Whereas, The Constitution of the State of Indiana states that "all power is inherent in the people; and that all free governments are, and of right ought to be, founded on their authority," that "all elections shall be free and equal," and "the people have, at all times, an indefeasible right to alter and reform their government" (Article I, Section 1 and Article II, Section 1): Therefore,*

*Be it resolved by the Senate of the General Assembly of the State of Indiana:*

SECTION 1. That the Indiana Senate urges support of free and fair elections in the United States.

SECTION 2. The Secretary of the Senate is hereby directed to transmit copies of this resolution to the President of the United States, The Vice President of the United States, and to each member of the Indiana congressional delegation.

The resolution was read in full and referred to the Committee on Elections.

Madam President: The Senate Committee on Judiciary, to which was referred Engrossed House Bill 1006, has had the same under consideration and begs leave to report the same back to the Senate with the recommendation that said bill be amended as follows:

Page 3, between lines 1 and 2, begin a new paragraph and insert:

"SECTION 2. IC 11-12-2-1, AS AMENDED BY P.L.69-2016, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. (a) For the purpose of encouraging counties to develop a coordinated local corrections-criminal justice system and providing effective alternatives to imprisonment at the state level, the commissioner shall, out of funds appropriated for such purposes, make grants:

- (1) to counties for the establishment and operation of community corrections programs and court supervised recidivism reduction programs; **and**
- (2) to support a probation department, pretrial diversion program, or jail treatment program.

Appropriations intended for this purpose may not be used by the department for any other purpose. Money appropriated to the department of correction for the purpose of making grants under this chapter and any financial aid payments suspended under section 6 of this chapter do not revert to the state general fund at the close of any fiscal year, but remain available to the department of correction for its use in making grants under this chapter.

(b) Before March 1 of each year, the department shall estimate the amount of any operational cost savings that will be realized in the state fiscal year ending June 30 from a reduction in the number of individuals who are in the custody or made a ward of the department of correction (as described in IC 11-8-1-5) that is attributable to the sentencing changes made in HEA 1006-2014 as enacted in the 2014 session of the general assembly. The department shall make the estimate under this subsection based on the best available information. If the department estimates that operational cost savings described in this subsection will be realized in the state fiscal year, the following apply to the department:

- (1) The department shall certify the estimated amount of operational cost savings that will be realized to the budget agency and to the auditor of state.
- (2) The department may, after review by the budget committee and approval by the budget agency, make additional grants as provided in this chapter to:

- (A) county jails to provide evidence based mental health and addiction forensic treatment services; and
  - (B) counties for the establishment and operation of pretrial release programs, diversion programs, community corrections programs, and court supervised recidivism reduction programs;
- from funds appropriated to the department for the department's operating expenses for the state fiscal year.
- (3) The maximum aggregate amount of additional grants and transfers that may be made by the department under subdivision (2) for the state fiscal year may not exceed the lesser of:
- (A) the amount of operational cost savings certified under subdivision (1); or
  - (B) eleven million dollars (\$11,000,000).

Notwithstanding P.L.205-2013 (HEA 1001-2013), the amount of funds necessary to make any additional grants authorized and approved under this subsection and for any transfers authorized and approved under this subsection, and for providing the additional financial aid to courts from transfers authorized and approved under this subsection, is appropriated for those purposes for the state fiscal year, and the amount of the department's appropriation for operating expenses for the state fiscal year is reduced by a corresponding amount.

(c) The commissioner shall coordinate with the division of mental health and addiction in issuing community corrections and court supervised recidivism reduction program grants to programs that provide alternative sentencing projects for persons with mental illness, addictive disorders, intellectual disabilities, and developmental disabilities. Programs for addictive disorders may include:

- (1) addiction counseling;
- (2) inpatient detoxification; and
- (3) medication assisted treatment, including a federal Food and Drug Administration approved long acting, nonaddictive medication for the treatment of opioid or alcohol dependence.

(d) Grants awarded under this chapter:

- (1) must focus on funding evidence based programs, including programs that address cognitive behavior, that have as a primary goal the purpose of reforming offenders; and
- (2) may be used for technology based programs, including an electronic monitoring program.

(e) Before the tenth day of each month, the department shall compile the following information with respect to the previous month:

- (1) The number of persons committed to the department.
- (2) The number of persons:
  - (A) confined in a department facility;
  - (B) participating in a community corrections program; and
  - (C) confined in a local jail under contract with or on behalf of the department.

- (3) For each facility operated by the department:
- (A) the number of beds in each facility;
  - (B) the number of inmates housed in the facility;
  - (C) the highest felony classification of each inmate housed in the facility; and
  - (D) a list of all felonies for which persons housed in the facility have been sentenced.

(f) The department shall:

- (1) quarterly submit a report to the budget committee; and
- (2) monthly submit a report to the justice reinvestment advisory council (as established in IC 33-38-9.5-2);

of the information compiled by the department under subsection (e). The report to the budget committee must be submitted in a form approved by the budget committee, and the report to the advisory council must be in a form approved by the advisory council."

Madam President: The Senate Committee on Pensions and Labor, to which was referred Engrossed House Bill 1109, has had the same under consideration and begs leave to report the same back to the Senate with the recommendation that said bill be amended as follows:

Page 8, between lines 20 and 21, begin a new paragraph and insert:

"SECTION 9. IC 5-10.3-6-1, AS AMENDED BY P.L.241-2015, SECTION 12, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2018]: Sec. 1. (a) The governing body of a political subdivision may adopt an ordinance or resolution specifying a departmental, occupational, or other definable classification of employees:

- (1) who are required to become members of the fund;
- (2) who are required to become members of the plan; or
- (3) who may each elect whether to become members of the fund or members of the plan.

An ordinance or resolution adopted by the governing body of a political subdivision under this subsection that specifies the departmental, occupational, or other definable classification of employees who are required under subdivision (2) to become members of the plan or who may under subdivision (3) elect whether to become members of the fund or plan may not take effect before January 2, 2016. A political subdivision may become a participant in the fund or the plan, or both, as applicable, if the ordinance or resolution is filed with and approved by the board.

(b) An ordinance or resolution adopted under subsection (a) that includes a provision described under subsection (a)(3) may also include one (1) of the following provisions:

- (1) If an employee who may elect whether to become a member of the fund or a member of the plan does not make an election under IC 5-10.3-7-1.1, the employee becomes a member of the plan.
- (2) If an employee who may elect whether to become a member of the fund or a member of the plan does not make an election under IC 5-10.3-12-20.5, the employee becomes a member of the fund.

If an ordinance or resolution adopted under subsection (a) that includes a provision described under subsection (a)(3) does not include either of the provisions described in subdivision (1) or (2), subdivision (2) applies to the departmental, occupational, or other definable classification of employees that may elect to become members of the fund or members of the plan.

(c) If an ordinance or resolution adopted under subsection (a) includes a provision described under subsection (a)(2) or (a)(3), or both, the ordinance or resolution must include a specification of the political subdivision's contribution rate to the plan as a percentage of each member's compensation. Each year, the political subdivision's contribution rate specified under this subsection must be greater than or equal to zero percent (0%) and may not exceed the percentage that would produce the normal cost for participation in the fund under IC 5-10.2-2-11,

if the political subdivision were a participant in the fund. If a provision specifying the political subdivision's contribution rate is not included in the ordinance or resolution, the political subdivision's contribution rate to the plan is zero percent (0%).

(d) If an ordinance or resolution adopted under subsection (a) includes a provision described under subsection (a)(2) or (a)(3), or both, the ordinance or resolution must include a specification of the political subdivision's matching rate that is the percentage of each member's additional contributions to the plan that the political subdivision will match. A political subdivision may specify only:

- (1) zero percent (0%); or
- (2) fifty percent (50%).

If a provision specifying the political subdivision's matching rate is not included in the ordinance or resolution, the political subdivision's matching rate for the plan is zero percent (0%).

(e) A governing body may include in its ordinance or resolution adopted under subsection (a) a determination of the date from which prior service for its employees will be computed. Creditable service for these employees is determined under IC 5-10.3-7-7.5.

(f) The effective date of participation is ~~the earlier of January 1 or July 1~~ **a date approved by the board, either a date suggested by the political subdivision or a date selected by the board, but the date may not be later than sixty (60) days** after the date of approval. (b) For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a

particular calendar year does not include that part of the levy described in subsection (a).

(c) This subsection applies to property taxes first due and payable after December 31, 2008. Notwithstanding subsections (a) and (b) or any other law, any property taxes imposed by a civil taxing unit that are exempted by this section from the ad valorem property tax levy limits imposed by section 3 of this chapter may not increase annually by a percentage greater than the result of:

(1) the assessed value growth quotient determined under section 2 of this chapter; minus

(2) one (1).

(d) Before July 15 of each year, the department of local government finance shall provide to each county an estimate of the maximum amount of property taxes imposed for community mental health centers or community intellectual disability and other developmental disabilities centers that are exempt from the levy limits for the ensuing year.

SECTION 2. IC 12-15-16-1, AS AMENDED BY P.L.123-2008, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2019]: Sec. 1. (a) A provider that is an acute care hospital licensed under IC 16-21, a state mental health institution under IC 12-24-1-3, or a private psychiatric institution licensed under IC 12-25 is a disproportionate share provider if the provider meets either of the following conditions:

(1) The provider's Medicaid inpatient utilization rate is at least one (1) standard deviation above the mean Medicaid inpatient utilization rate for providers receiving Medicaid payments in Indiana. However, the Medicaid inpatient utilization rate of providers whose low income utilization rate exceeds twenty-five percent (25%) must be excluded in calculating the statewide mean Medicaid inpatient utilization rate.

(2) The provider's low income utilization rate exceeds twenty-five percent (25%).

(b) An acute care hospital licensed under IC 16-21 is a municipal disproportionate share provider if the hospital:

(1) has a Medicaid utilization rate greater than one percent (1%); and

However, this obstetric service requirement does not apply to a provider whose inpatients are predominantly individuals less than eighteen (18) years of age or that did not offer nonemergency obstetric services as of December 21, 1987.

(e) The determination of a provider's status as a disproportionate share provider under this section shall be based on utilization and revenue data from the most recent year for which an audited cost report from the provider is on file with the office.

(c) The office shall coordinate the transfers from the trustees and each municipal health and hospital corporation established under IC 16-22-8-6 so that the aggregate intergovernmental transfers, when combined with federal matching funds:

- (2) both individually and in the aggregate do not exceed limits prescribed by the federal Centers for Medicare and Medicaid Services.

The trustees and a municipal health and hospital corporation are not required to make intergovernmental transfers under this section. The office shall assist a county in making this certification.

(a) A county shall ~~fund~~ **provide funding for** the operation of community mental health centers in the amount determined under subsection (b) ~~unless a lower tax levy amount will be adequate to fulfill the county's financial obligations under this chapter in any of the following situations: or, in the case of Marion County for calendar year 2019, calendar year 2020, calendar year 2021, and calendar year 2022, the amount determined under subsection (c).~~

(2) the county's assessed value growth quotient for the ensuing calendar year, as determined under IC 6-1.1-18.5-2, greater of:

The department of local government finance shall verify the maximum appropriation calculation under this subsection as part of the certification of the county's budget under IC 6-1.1-17.

(c) This subsection applies only in calendar year 2019, calendar year 2020, calendar year 2021, and calendar year 2022. In the case of Marion County, the amount of funding under subsection (a) for a calendar year is determined under this subsection and is equal to the following:

(1) For calendar year 2019, the sum of:

(ii) the actual amount of the appropriations by the county for community mental health centers under this chapter in 2019.

(3) For calendar year 2021, the sum of:

(e) The county shall appropriate and disburse the funds for operations semiannually not later than December 1 and June 1 in an amount equal to the amount determined under subsection (b) and requested in writing by the division of mental health and addiction. Funds paid to the division of mental health and addiction by the county shall be submitted by the county in a timely manner after receiving the written request from the division of mental health and addiction; to ensure current year compliance with the community mental health rehabilitation program and any administrative requirements of the program:

(f) The division of mental health and addiction shall ensure that the nonfederal share of funding received from a county under this program is applied only for matching federal funds for the designated community mental health centers to the extent a center is eligible to receive county funding under IC 12-21-2-3(5)(D):

(g) The division of mental health and addiction:

(1) shall first apply state funding to a community mental health center's nonfederal share of funding under this program; and

"SECTION 1. IC 5-13-9-4, AS AMENDED BY P.L.115-2010, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2018]: Sec. 4. (a) Each officer designated in section 1 of this chapter may, **subject to the**

**restrictions provided in IC 5-13-8-9(a) through IC 5-13-8-9(e)**, deposit, invest, or reinvest any funds that are held by the officer and available for investment in transaction accounts issued or offered by a designated depository of a political subdivision for the rates and terms agreed upon periodically by the officer making the investment and the designated depository.

(b) The investing officer making a deposit in a certificate of deposit shall obtain quotes of the specific rates of interest for the term of that certificate of deposit that each designated depository will pay on the certificate of deposit. Quotes may be solicited and taken by telephone.
