SENATE BILL No. 33

A BILL FOR AN ACT to amend the Indiana Code concerning labor and safety.

Be it enacted by the General Assembly of the State of Indiana:

    SECTION 1. IC 22-3-3-5.2, AS AMENDED BY P.L.99-2014, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 5.2. (a) A billing review service shall adhere to the following requirements to determine the pecuniary liability of an employer or an employer's insurance carrier for a specific service or product covered under worker's compensation provided before July 1, 2014, by all medical service providers, and after June 30, 2014, by a medical service provider that is not a medical service facility:

(1) The formation of a billing review standard, and any subsequent analysis or revision of the standard, must use data that is based on the medical service provider billing charges as submitted to the employer and the employer's insurance carrier from the same community. This subdivision does not apply when a unique or specialized service or product does not have sufficient comparative data to allow for a reasonable comparison.

(2) Data used to determine pecuniary liability must be compiled
on or before June 30 and December 31 of each year.

(3) Billing review standards must be revised for prospective future payments of medical service provider bills to provide for payment of the charges at a rate not more than the charges made by eighty percent (80%) of the medical service providers during the prior six (6) months within the same community. The data used to perform the analysis and revision of the billing review standards may not be more than two (2) years old and must be periodically updated by a representative inflationary or deflationary factor. Reimbursement for these charges may not exceed the actual charge invoiced by the medical service provider.

(b) This subsection applies after June 30, 2014, to a medical service facility. The pecuniary liability of an employer or an employer's insurance carrier for a specific service or product covered under worker's compensation and provided by a medical service facility is equal to a reasonable amount, which is established by payment of one (1) of the following:

(1) The amount negotiated at any time between the medical service facility and any of the following:
   (A) The employer.
   (B) The employer's insurance carrier.
   (C) A billing review service on behalf of a person described in clause (A) or (B).
   (D) A direct provider network that has contracted with a person described in clause (A) or (B).

(2) Two hundred percent (200%) of the amount that would be paid to the medical service facility on the same date for the same service or product under the medical service facility's Medicare reimbursement rate, if an amount has not been negotiated as described in subdivision (1).

(c) This subsection applies to a medical service facility that is:
   (1) an ambulatory outpatient surgical center (as defined in IC 16-18-2-14); and
   (2) not reimbursed for an implant under subsection (b).

Payment for an implant furnished to an employee under IC 22-3-2 through IC 22-3-6 is equal to one hundred twenty-five percent (125%) of the implant's cost as evidenced by the invoice amount.

(d) A medical service provider may request an explanation from a billing review service if the medical service provider's bill has been reduced as a result of application of the eightieth percentile or of a Current Procedural Terminology (CPT) or Medicare coding change.
The request must be made not later than sixty (60) days after receipt of the notice of the reduction. If a request is made, the billing review service must provide:

1. the name of the billing review service used to make the reduction;
2. the dollar amount of the reduction;
3. the dollar amount of the service or product at the eightieth percentile; and
4. in the case of a CPT or Medicare coding change, the basis upon which the change was made;

not later than thirty (30) days after the date of the request.

(e) If, after a hearing, the worker's compensation board finds that a billing review service used a billing review standard that did not comply with subsection (a)(1) through (a)(3), as applicable, in determining the pecuniary liability of an employer or an employer's insurance carrier for a medical service provider's charge for services or products covered under worker's compensation, the worker's compensation board may assess a civil penalty against the billing review service in an amount not less than one hundred dollars ($100) and not more than one thousand dollars ($1,000).

SECTION 2. IC 22-3-6-1, AS AMENDED BY P.L.99-2014, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 1. In IC 22-3-2 through IC 22-3-6, unless the context otherwise requires:

(a) "Employer" includes the state and any political subdivision, any municipal corporation within the state, any individual or the legal representative of a deceased individual, firm, association, limited liability company, or corporation or the receiver or trustee of the same, using the services of another for pay. A parent corporation and its subsidiaries shall each be considered joint employers of the corporation's, the parent's, or the subsidiaries' employees for purposes of IC 22-3-2-6 and IC 22-3-3-31. Both a lessor and a lessee of employees shall each be considered joint employers of the employees provided by the lessor to the lessee for purposes of IC 22-3-2-6 and IC 22-3-3-31. If the employer is insured, the term includes the employer's insurer so far as applicable. However, the inclusion of an employer's insurer within this definition does not allow an employer's insurer to avoid payment for services rendered to an employee with the approval of the employer. The term also includes an employer that provides on-the-job training under the federal School to Work Opportunities Act (20 U.S.C. 6101 et seq.) to the extent set forth in IC 22-3-2-2.5. The term does not include a nonprofit corporation that
is recognized as tax exempt under Section 501(c)(3) of the Internal Revenue Code (as defined in IC 6-3-1-11(a)) to the extent the corporation enters into an independent contractor agreement with a person for the performance of youth coaching services on a part-time basis.

(b) "Employee" means every person, including a minor, in the service of another, under any contract of hire or apprenticeship, written or implied, except one whose employment is both casual and not in the usual course of the trade, business, occupation, or profession of the employer.

(1) An executive officer elected or appointed and empowered in accordance with the charter and bylaws of a corporation, other than a municipal corporation or governmental subdivision or a charitable, religious, educational, or other nonprofit corporation, is an employee of the corporation under IC 22-3-2 through IC 22-3-6. An officer of a corporation who is an employee of the corporation under IC 22-3-2 through IC 22-3-6 may elect not to be an employee of the corporation under IC 22-3-2 through IC 22-3-6. If an officer makes this election, the officer must serve written notice of the election on the corporation's insurance carrier and the board. An officer of a corporation may not be considered to be excluded as an employee under IC 22-3-2 through IC 22-3-6 until the notice is received by the insurance carrier and the board.

(2) An executive officer of a municipal corporation or other governmental subdivision or of a charitable, religious, educational, or other nonprofit corporation may, notwithstanding any other provision of IC 22-3-2 through IC 22-3-6, be brought within the coverage of its insurance contract by the corporation by specifically including the executive officer in the contract of insurance. The election to bring the executive officer within the coverage shall continue for the period the contract of insurance is in effect, and during this period, the executive officers thus brought within the coverage of the insurance contract are employees of the corporation under IC 22-3-2 through IC 22-3-6.

(3) Any reference to an employee who has been injured, when the employee is dead, also includes the employee's legal representatives, dependents, and other persons to whom compensation may be payable.

(4) An owner of a sole proprietorship may elect to include the owner as an employee under IC 22-3-2 through IC 22-3-6 if the owner is actually engaged in the proprietorship business. If the
owner makes this election, the owner must serve upon the owner's insurance carrier and upon the board written notice of the election. No owner of a sole proprietorship may be considered an employee under IC 22-3-2 through IC 22-3-6 until the notice has been received. If the owner of a sole proprietorship:

(A) is an independent contractor in the construction trades and does not make the election provided under this subdivision, the owner must obtain a certificate of exemption under IC 22-3-2-14.5; or

(B) is an independent contractor and does not make the election provided under this subdivision, the owner may obtain a certificate of exemption under IC 22-3-2-14.5.

(5) A partner in a partnership may elect to include the partner as an employee under IC 22-3-2 through IC 22-3-6 if the partner is actually engaged in the partnership business. If a partner makes this election, the partner must serve upon the partner's insurance carrier and upon the board written notice of the election. No partner may be considered an employee under IC 22-3-2 through IC 22-3-6 until the notice has been received. If a partner in a partnership:

(A) is an independent contractor in the construction trades and does not make the election provided under this subdivision, the partner must obtain a certificate of exemption under IC 22-3-2-14.5; or

(B) is an independent contractor and does not make the election provided under this subdivision, the partner may obtain a certificate of exemption under IC 22-3-2-14.5.

(6) Real estate professionals are not employees under IC 22-3-2 through IC 22-3-6 if:

(A) they are licensed real estate agents;

(B) substantially all their remuneration is directly related to sales volume and not the number of hours worked; and

(C) they have written agreements with real estate brokers stating that they are not to be treated as employees for tax purposes.

(7) A person is an independent contractor and not an employee under IC 22-3-2 through IC 22-3-6 if the person is an independent contractor under the guidelines of the United States Internal Revenue Service.

(8) An owner-operator that provides a motor vehicle and the services of a driver under a written contract that is subject to IC 8-2.1-24-23, 45 IAC 16-1-13, or 49 CFR 376 to a motor carrier
is not an employee of the motor carrier for purposes of IC 22-3-2 through IC 22-3-6. The owner-operator may elect to be covered and have the owner-operator's drivers covered under a worker's compensation insurance policy or authorized self-insurance that insures the motor carrier if the owner-operator pays the premiums as requested by the motor carrier. An election by an owner-operator under this subdivision does not terminate the independent contractor status of the owner-operator for any purpose other than the purpose of this subdivision.

(9) A member or manager in a limited liability company may elect to include the member or manager as an employee under IC 22-3-2 through IC 22-3-6 if the member or manager is actually engaged in the limited liability company business. If a member or manager makes this election, the member or manager must serve upon the member's or manager's insurance carrier and upon the board written notice of the election. A member or manager may not be considered an employee under IC 22-3-2 through IC 22-3-6 until the notice has been received.

(10) An unpaid participant under the federal School to Work Opportunities Act (20 U.S.C. 6101 et seq.) is an employee to the extent set forth in IC 22-3-2-2.5.

(11) A person who enters into an independent contractor agreement with a nonprofit corporation that is recognized as tax exempt under Section 501(c)(3) of the Internal Revenue Code (as defined in IC 6-3-1-11(a)) to perform youth coaching services on a part-time basis is not an employee for purposes of IC 22-3-2 through IC 22-3-6.

(12) An individual who is not an employee of the state or a political subdivision is considered to be a temporary employee of the state for purposes of IC 22-3-2 through IC 22-3-6 while serving as a member of a mobile support unit on duty for training, an exercise, or a response, as set forth in IC 10-14-3-19(c)(2)(B).

(c) "Minor" means an individual who has not reached seventeen (17) years of age.

(1) Unless otherwise provided in this subsection, a minor employee shall be considered as being of full age for all purposes of IC 22-3-2 through IC 22-3-6.

(2) If the employee is a minor who, at the time of the accident, is employed, required, suffered, or permitted to work in violation of IC 20-33-3-35, the amount of compensation and death benefits, as provided in IC 22-3-2 through IC 22-3-6, shall be double the amount which would otherwise be recoverable. The insurance
carrier shall be liable on its policy for one-half (1/2) of the compensation or benefits that may be payable on account of the injury or death of the minor, and the employer shall be liable for the other one-half (1/2) of the compensation or benefits. If the employee is a minor who is not less than sixteen (16) years of age and who has not reached seventeen (17) years of age and who at the time of the accident is employed, suffered, or permitted to work at any occupation which is not prohibited by law, this subdivision does not apply.

(3) A minor employee who, at the time of the accident, is a student performing services for an employer as part of an approved program under IC 20-37-2-7 shall be considered a full-time employee for the purpose of computing compensation for permanent impairment under IC 22-3-3-10. The average weekly wages for such a student shall be calculated as provided in subsection (d)(4).

(4) The rights and remedies granted in this subsection to a minor under IC 22-3-2 through IC 22-3-6 on account of personal injury or death by accident shall exclude all rights and remedies of the minor, the minor's parents, or the minor's personal representatives, dependents, or next of kin at common law, statutory or otherwise, on account of the injury or death. This subsection does not apply to minors who have reached seventeen (17) years of age.

(d) "Average weekly wages" means the earnings of the injured employee in the employment in which the employee was working at the time of the injury during the period of fifty-two (52) weeks immediately preceding the date of injury, divided by fifty-two (52), except as follows:

(1) If the injured employee lost seven (7) or more calendar days during this period, although not in the same week, then the earnings for the remainder of the fifty-two (52) weeks shall be divided by the number of weeks and parts thereof remaining after the time lost has been deducted.

(2) Where the employment prior to the injury extended over a period of less than fifty-two (52) weeks, the method of dividing the earnings during that period by the number of weeks and parts thereof during which the employee earned wages shall be followed, if results just and fair to both parties will be obtained. Where by reason of the shortness of the time during which the employee has been in the employment of the employee's employer or of the casual nature or terms of the employment it is
impracticable to compute the average weekly wages, as defined
in this subsection, regard shall be had to the average weekly
amount which during the fifty-two (52) weeks previous to the
injury was being earned by a person in the same grade employed
at the same work by the same employer or, if there is no person so
employed, by a person in the same grade employed in the same
class of employment in the same district.
(3) Wherever allowances of any character made to an employee
in lieu of wages are a specified part of the wage contract, they
shall be deemed a part of the employee's earnings.
(4) In computing the average weekly wages to be used in
calculating an award for permanent impairment under
IC 22-3-3-10 for a student employee in an approved training
program under IC 20-37-2-7, the following formula shall be used.
Calculate the product of:
    (A) the student employee's hourly wage rate; multiplied by
    (B) forty (40) hours.
The result obtained is the amount of the average weekly wages for
the student employee.
(e) "Injury" and "personal injury" mean only injury by accident
arising out of and in the course of the employment and do not include
a disease in any form except as it results from the injury.
(f) "Billing review service" refers to a person or an entity that
reviews a medical service provider's bills or statements for the purpose
of determining pecuniary liability. The term includes an employer's
worker's compensation insurance carrier if the insurance carrier
performs such a review.

(7) The geographic service area served by ZIP codes with the first
three (3) digits 470, 471, 472, 474, and 478.

(8) The geographic service area served by ZIP codes with the first
three (3) digits 475, 476, and 477.

(i) "Medical service provider" refers to a person or an entity that
provides services or products to an employee under IC 22-3-2 through
IC 22-3-6. Except as otherwise provided in IC 22-3-2 through
IC 22-3-6, the term includes a medical service facility.

(j) "Medical service facility" means any of the following that
provides a service or product under IC 22-3-2 through IC 22-3-6 and

(k) "Pecuniary liability" means the responsibility of an employer or
the employer's insurance carrier for the payment of the charges for each
specific service or product for human medical treatment provided
under IC 22-3-2 through IC 22-3-6, as follows:

(1) This subdivision applies before July 1, 2014, to all medical
service providers, and after June 30, 2014, to a medical service
provider that is not a medical service facility. Payment of the
charges in a defined community, equal to or less than the charges
made by medical service providers at the eightieth percentile in
the same community for like services or products.

(2) This subdivision applies after June 30, 2014, to a medical
service facility. Payment of the charges in a reasonable amount,
which is established by payment of one (1) of the following:

(A) The amount negotiated at any time between the medical
service facility and any of the following, if an amount has been negotiated:

(i) The employer.
(ii) The employer's insurance carrier.
(iii) A billing review service on behalf of a person described in item (i) or (ii).
(iv) A direct provider network that has contracted with a person described in item (i) or (ii).

(a) As used in this chapter, "employer" includes the state and any political subdivision, any municipal corporation within the state, any individual or the legal representative of a deceased individual, firm, association, limited liability company, or corporation or the receiver or trustee of the same, using the services of another for pay. A parent corporation and its subsidiaries shall each be considered joint employers of the corporation's, the parent's, or the subsidiaries' employees for purposes of sections 6 and 33 of this chapter. Both a lessor and a lessee of employees shall each be considered joint employers of the employees provided by the lessor to the lessee for purposes of sections 6 and 33 of this chapter. The term also includes an employer that provides on-the-job training under the federal School to Work Opportunities Act (20 U.S.C. 6101 et seq.) to the extent set forth under section 2.5 of this chapter. If the employer is insured, the term includes the employer's insurer so far as applicable. However, the inclusion of an employer's insurer within this definition does not allow an employer's insurer to avoid payment for services rendered to an employee with the approval of the employer. The term does not include a nonprofit corporation that is recognized as tax exempt under Section 501(c)(3) of the Internal Revenue Code (as defined in IC 6-3-1-11(a)) to the extent the corporation enters into an independent contractor agreement with a person for the performance of youth coaching services on a part-time basis.

(b) As used in this chapter, "employee" means every person,
including a minor, in the service of another, under any contract of hire
or apprenticeship written or implied, except one whose employment is
both casual and not in the usual course of the trade, business,
occupation, or profession of the employer. For purposes of this chapter
the following apply:

(1) Any reference to an employee who has suffered disablement,
when the employee is dead, also includes the employee's legal
representative, dependents, and other persons to whom
compensation may be payable.

(2) An owner of a sole proprietorship may elect to include the
owner as an employee under this chapter if the owner is actually
engaged in the proprietorship business. If the owner makes this
election, the owner must serve upon the owner's insurance carrier
and upon the board written notice of the election. No owner of a
sole proprietorship may be considered an employee under this
chapter unless the notice has been received. If the owner of a sole
proprietorship:

(A) is an independent contractor in the construction trades and
does not make the election provided under this subdivision,
the owner must obtain a certificate of exemption under section
34.5 of this chapter; or

(B) is an independent contractor and does not make the
election provided under this subdivision, the owner may obtain
a certificate of exemption under section 34.5 of this chapter.

(3) A partner in a partnership may elect to include the partner as
an employee under this chapter if the partner is actually engaged
in the partnership business. If a partner makes this election, the
partner must serve upon the partner's insurance carrier and upon
the board written notice of the election. No partner may be
considered an employee under this chapter until the notice has
been received. If a partner in a partnership:

(A) is an independent contractor in the construction trades and
does not make the election provided under this subdivision,
the partner must obtain a certificate of exemption under
section 34.5 of this chapter; or

(B) is an independent contractor and does not make the
election provided under this subdivision, the partner may
obtain a certificate of exemption under section 34.5 of this
chapter.

(4) Real estate professionals are not employees under this chapter
if:

(A) they are licensed real estate agents;
(B) substantially all their remuneration is directly related to sales volume and not the number of hours worked; and
(C) they have written agreements with real estate brokers stating that they are not to be treated as employees for tax purposes.

(5) A person is an independent contractor in the construction trades and not an employee under this chapter if the person is an independent contractor under the guidelines of the United States Internal Revenue Service.

(6) An owner-operator that provides a motor vehicle and the services of a driver under a written contract that is subject to IC 8-2.1-24-23, 45 IAC 16-1-13, or 49 CFR 376, to a motor carrier is not an employee of the motor carrier for purposes of this chapter. The owner-operator may elect to be covered and have the owner-operator's drivers covered under a worker's compensation insurance policy or authorized self-insurance that insures the motor carrier if the owner-operator pays the premiums as requested by the motor carrier. An election by an owner-operator under this subdivision does not terminate the independent contractor status of the owner-operator for any purpose other than the purpose of this subdivision.

(7) An unpaid participant under the federal School to Work Opportunities Act (20 U.S.C. 6101 et seq.) is an employee to the extent set forth under section 2.5 of this chapter.

(8) A person who enters into an independent contractor agreement with a nonprofit corporation that is recognized as tax exempt under Section 501(c)(3) of the Internal Revenue Code (as defined in IC 6-3-1-11(a)) to perform youth coaching services on a part-time basis is not an employee for purposes of this chapter.

(9) An officer of a corporation who is an employee of the corporation under this chapter may elect not to be an employee of the corporation under this chapter. If an officer makes this election, the officer must serve written notice of the election on the corporation's insurance carrier and the board. An officer of a corporation may not be considered to be excluded as an employee under this chapter until the notice is received by the insurance carrier and the board.

(10) An individual who is not an employee of the state or a political subdivision is considered to be a temporary employee of the state for purposes of this chapter while serving as a member of a mobile support unit on duty for training, an exercise, or a response, as set forth in IC 10-14-3-19(c)(2)(B).

SB 33—LS 6150/DI 102
(c) As used in this chapter, "minor" means an individual who has not reached seventeen (17) years of age. A minor employee shall be considered as being of full age for all purposes of this chapter. However, if the employee is a minor who, at the time of the last exposure, is employed, required, suffered, or permitted to work in violation of the child labor laws of this state, the amount of compensation and death benefits, as provided in this chapter, shall be double the amount which would otherwise be recoverable. The insurance carrier shall be liable on its policy for one-half (1/2) of the compensation or benefits that may be payable on account of the disability or death of the minor, and the employer shall be wholly liable for the other one-half (1/2) of the compensation or benefits. If the employee is a minor who is not less than sixteen (16) years of age and who has not reached seventeen (17) years of age, and who at the time of the last exposure is employed, suffered, or permitted to work at any occupation which is not prohibited by law, the provisions of this subsection prescribing double the amount otherwise recoverable do not apply. The rights and remedies granted to a minor under this chapter on account of disease shall exclude all rights and remedies of the minor, the minor's parents, the minor's personal representatives, dependents, or next of kin at common law, statutory or otherwise, on account of any disease.

(d) This chapter does not apply to casual laborers as defined in subsection (b), nor to farm or agricultural employees, nor to household employees, nor to railroad employees engaged in train service as engineers, firemen, conductors, brakemen, flagmen, baggagemen, or foremen in charge of yard engines and helpers assigned thereto, nor to their employers with respect to these employees. Also, this chapter does not apply to employees or their employers with respect to employments in which the laws of the United States provide for compensation or liability for injury to the health, disability, or death by reason of diseases suffered by these employees.

(e) As used in this chapter, "disablement" means the event of becoming disabled from earning full wages at the work in which the employee was engaged when last exposed to the hazards of the occupational disease by the employer from whom the employee claims compensation or equal wages in other suitable employment, and "disability" means the state of being so incapacitated.

(f) For the purposes of this chapter, no compensation shall be payable for or on account of any occupational diseases unless disablement, as defined in subsection (e), occurs within two (2) years after the last day of the last exposure to the hazards of the disease.

SB 33—LS 6150/DI 102
except for the following:

(1) In all cases of occupational diseases caused by the inhalation of silica dust or coal dust, no compensation shall be payable unless disablement, as defined in subsection (e), occurs within three (3) years after the last day of the last exposure to the hazards of the disease.

(2) In all cases of occupational disease caused by the exposure to radiation, no compensation shall be payable unless disablement, as defined in subsection (e), occurs within two (2) years from the date on which the employee had knowledge of the nature of the employee's occupational disease or, by exercise of reasonable diligence, should have known of the existence of such disease and its causal relationship to the employee's employment.

(3) In all cases of occupational diseases caused by the inhalation of asbestos dust, no compensation shall be payable unless disablement, as defined in subsection (e), occurs within three (3) years after the last day of the last exposure to the hazards of the disease if the last day of the last exposure was before July 1, 1985.

(4) In all cases of occupational disease caused by the inhalation of asbestos dust in which the last date of the last exposure occurs on or after July 1, 1985, and before July 1, 1988, no compensation shall be payable unless disablement, as defined in subsection (e), occurs within twenty (20) years after the last day of the last exposure.

SECTION 4. IC 22-3-7-17.2, AS AMENDED BY P.L.99-2014,
SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JULY 1, 2015]: Sec. 17.2. (a) A billing review service shall adhere to
the following requirements to determine the pecuniary liability of an
employer or an employer's insurance carrier for a specific service or
product covered under this chapter provided before July 1, 2014, by all
medical service providers, and after June 30, 2014, by a medical
service provider that is not a medical service facility:

(1) The formation of a billing review standard, and any
subsequent analysis or revision of the standard, must use data that
is based on the medical service provider billing charges as
submitted to the employer and the employer's insurance carrier
from the same community. This subdivision does not apply when
a unique or specialized service or product does not have sufficient
comparative data to allow for a reasonable comparison.

(2) Data used to determine pecuniary liability must be compiled
on or before June 30 and December 31 of each year.

(3) Billing review standards must be revised for prospective
future payments of medical service provider bills to provide for
payment of the charges at a rate not more than the charges made
by eighty percent (80%) of the medical service providers during
the prior six (6) months within the same community. The data
used to perform the analysis and revision of the billing review
standards may not be more than two (2) years old and must be
periodically updated by a representative inflationary or
deflationary factor. Reimbursement for these charges may not
exceed the actual charge invoiced by the medical service
provider.

(b) This subsection applies after June 30, 2014, to a medical service
facility. The pecuniary liability of an employer or an employer's
insurance carrier for a specific service or product covered under this
chapter and provided by a medical service facility is equal to a
reasonable amount, which is established by payment of one (1) of the
following:

service facility and any of the following:

(B) The employer's insurance carrier.
(C) A billing review service on behalf of a person described in
clause (A) or (B).
(D) A direct provider network that has contracted with a
person described in clause (A) or (B).

(2) Two hundred percent (200%) of the amount that would be
paid to the medical service facility on the same date for the same
service or product under the medical service facility’s Medicare
reimbursement rate, if an amount has not been negotiated as
described in subdivision (1).
(c) This subsection applies to a medical service facility that is:
   (1) an ambulatory outpatient surgical center (as defined in IC 16-18-2-14); and
   (2) not reimbursed for an implant under subsection (b).
Payment for an implant furnished to an employee under this chapter is equal to one hundred twenty-five percent (125%) of the implant's cost as evidenced by the invoice amount.
   (d) A medical service provider may request an explanation from a billing review service if the medical service provider's bill has been reduced as a result of application of the eightieth percentile or of a Current Procedural Terminology (CPT) or Medicare coding change. The request must be made not later than sixty (60) days after receipt of the notice of the reduction. If a request is made, the billing review service must provide:
      (1) the name of the billing review service used to make the reduction;
      (2) the dollar amount of the reduction;
      (3) the dollar amount of the medical service at the eightieth percentile; and
      (4) in the case of a CPT or Medicare coding change, the basis upon which the change was made;
not later than thirty (30) days after the date of the request.
   (e) If, after a hearing, the worker's compensation board finds that a billing review service used a billing review standard that did not comply with subsection (a)(1) through (a)(3), as applicable, in determining the pecuniary liability of an employer or an employer's insurance carrier for a medical service provider's charge for services or products covered under occupational disease compensation, the worker's compensation board may assess a civil penalty against the billing review service in an amount not less than one hundred dollars ($100) and not more than one thousand dollars ($1,000).
