Synopsis: Telephone solicitation. Defines "executive officer" for purposes of the telephone solicitation law. Provides that an executive officer of a person that violates the telephone solicitation law commits a separate deceptive act actionable by the consumer protection division. Requires the consumer protection division of the office of the attorney general (division) to amend its rules to allow businesses to be included in the quarterly listing of telephone numbers of persons that request not to be solicited by telephone. Allows the division to use the consumer protection division telephone solicitation fund (fund) to: (1) administer the statutes concerning: (A) the registration of telephone solicitors; and (B) the regulation of automatic dialing machines; and (2) reimburse county prosecutors for expenses incurred in extraditing violators of these and other state and federal statutes concerning telephone solicitations. (Current law provides that the fund may only be used to administer: (1) the state's "do not call" statute; (2) the federal statute concerning restrictions on the use of telephone equipment; and (3) the state statute concerning misleading or inaccurate caller identification.) Increases the penalty for: (1) failure to register with the division by a seller that makes certain solicitations from a Level 6 felony to a Level 5 felony; (2) violating regulations regarding use of automatic dialing machines from a Class C misdemeanor to a Level 6 felony; and (3) violation of regulations regarding use of false or misleading caller identification information from a Class B misdemeanor (or Class A misdemeanor for repeat offenses) to a Level 6 felony. Provides that all sellers that make certain solicitations must register with the division. (Under current law, registration is required only if the solicitation involves consideration of more than $100 and less than $50,000.)
