Upon receiving a paper document that creates, amends, or cancels the voter registration record of an individual in the computerized list maintained under IC 3-7-26.3, the county voter registration office shall scan the paper document and attach the scanned image to the voter's file in the computerized list. (d) The NVRA official shall execute a memorandum of understanding with the Kansas Secretary of State. Notwithstanding any limitation under IC 3-7-26.4 regarding the availability of certain information from the computerized list, on January 15 of each year, the NVRA official shall provide data from the statewide voter registration list without cost to the Kansas Secretary of State to permit the comparison of voter registration data in the statewide voter registration list with registration data from all other states participating in this memorandum of understanding and to identify any cases in which a voter cast a ballot in more than one (1) state during the same election. Not later than thirty (30) days following the receipt of information under this subsection indicating that a voter of Indiana may also be registered to vote in another state, the NVRA official shall provide the appropriate county voter registration office with the name of and any other information obtained under this subsection concerning that voter, if both of the following apply:

SECTION 4. IC 3-10-1-31.1, AS AMENDED BY P.L.74-2017, SECTION 33, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2018]: Sec. 31.1. (a) This section applies only to election materials for elections held after December 31, 2003.

(c) Except for unused ballots disposed of under IC 3-11-3-31 or affidavits received by the county election board under IC 3-14-5-2 for delivery to the foreman of a grand jury, the circuit court clerk shall seal the ballots (including provisional ballots) and other material (including election material related to provisional ballots) during the time allowed to file a verified petition or cross-petition for a recount of votes or to contest the election. Except as provided in subsection (d) and notwithstanding any other provision of state law, after the recount or contest filing period, the election material, including election material related to provisional ballots (except for ballots and provisional ballots,
which remain confidential) shall be made available for copying and inspection under IC 5-14-3. The circuit court clerk shall carefully preserve the sealed ballots and other material for twenty-two (22) months, as required by 52 U.S.C. 20701, after which the sealed ballots and other material are subject to IC 5-15-6 unless an order issued under:

(d) If a petition for a recount or contest is filed, the material for that election remains confidential until completion of the recount or contest.

(e) Upon delivery of the poll lists, the county voter registration office shall unseal the envelopes containing the poll lists, inspect the poll lists, and update the registration records of the county. The county voter registration office shall use the poll lists and information on affidavits executed under IC 3-10-10, IC 3-10-11, or IC 3-10-12 to update the registration record to include the voter's voter identification number if the voter's voter identification number is not already included in the registration record. Upon completion of the inspection, the poll list and affidavits shall be preserved with the ballots and other materials in the manner prescribed by subsection (c) for the period prescribed by subsections (c) and (d).

(f) In addition to the poll lists described in subsection (e), the county voter registration office shall use the affidavits described by IC 3-10-10-7, IC 3-10-11-4, and IC 3-10-12-3.4 to update the registration records of the county as soon as the affidavits are delivered to the county voter registration office.

(3) Twenty-four (24) months have elapsed following the general election described in subdivision (2).

(h) This subsection does not apply to ballots, including provisional ballots. Notwithstanding subsection (c), if a county voter registration office determines that the inspection and copying of precinct election material would reveal the political parties, candidates, and public questions for which an individual cast an absentee ballot,
the county voter registration office shall keep confidential only that part of the election material necessary to protect the secrecy of the voter's ballot. In addition, the county voter registration office shall keep confidential information contained in material related to provisional ballots that identifies an individual, except for the individual's name, address, and birth date.

(h) (i) After the expiration of the period described in subsection (c) or (d), the ballots may be destroyed in the manner provided by IC 3-11-3-31 or transferred to a state educational institution as provided by IC 3-12-2-12.

(i) (j) This subsection applies to a detachable recording unit or compartment used to record a ballot cast on a direct record electronic voting system. After the time allowed to file a verified petition or cross-petition for a recount of votes or to contest the election, the circuit court clerk shall transfer the data contained in the unit or compartment to a disc or other recording medium. After transferring the data, the clerk may clear or erase the unit or compartment. The circuit court clerk shall carefully preserve the disc or medium used to record the data for twenty-two (22) months, as required by 52 U.S.C. 20701, after which time the disc or medium may be erased or destroyed, subject to IC 5-15-6, unless an order requiring the continued preservation of the disc or medium is issued under the following:

(2) IC 3-12-11-16.
(3) 52 U.S.C. 10301.
