(a) Tangible property owned, occupied, or used by a for-profit provider of early childhood education services to children who are at least four (4) but less than six (6) years of age is exempt from property taxation under section 16 of this chapter only if all the following requirements are satisfied:

If the property owner provides early childhood education services to children who are at least four (4) but less than six (6) years of age and to children younger than four (4) years of age, the amount of the exemption must be on that part of the assessment of the property that bears the same proportion to the total assessment of the property as the percentage of the property owner's enrollment count of children who are at least four (4) but less than six (6) years of age compared to the property owner's total enrollment count of children of all ages.

(b) For purposes of this section, the annual assessment date or, if the annual assessment date is not a business day for the property owner, the business day closest to the annual assessment date, must be used for the
enrollment count under this section. The appeal must be filed on or before the deadline for filing an exemption under section 16 of this chapter. If the county assessor finds that the property owner's appeal substantiates that the property owner's normal enrollment count is not accurately represented by using the required date, the assessor shall establish an alternate date to be used for that year that represents the property owner's normal enrollment count for that year.
