in any of the immediately succeeding three (3) years equals or exceeds five percent (5%) of the insurer's surplus as regards policyholders, as of December 31 next preceding, including those agreements that may require as consideration the transfer of assets from an insurer to a nonaffiliate, if an agreement or understanding exists between the insurer and nonaffiliate that any portion of the assets will be transferred to one (1) or more affiliates of the insurer.

(4) Management agreements, service contracts, cost-sharing arrangements, lease agreements, guarantees, and tax allocation agreements.

(5) Guarantees made by the insurer, only as follows:

(A) A guarantee, the amount of which is not quantifiable.

(B) A guarantee, the amount of which is quantifiable, if the amount of the guarantee exceeds the lesser of:

the case of an insurer not a member of the same insurance holding
comp any system, would be otherwise contrary to law. Notice
concerning amendments or modifications of a transaction must include
the reasons for the change and the financial impact on the domestic
insurer. Not more than thirty (30) days after an agreement that was
previously filed under this section is terminated, the domestic insurer
shall send written notice of the termination to the commissioner. The
commissioner shall determine whether a filing concerning the
termination is required and shall notify the domestic insurer of the
commissioner's determination.

(c) A domestic insurer may not enter into transactions that are part
of a plan or series of like transactions with persons within the insurance
holding company system if the purpose of those separate transactions
is to avoid the statutory threshold amount and thus avoid the review
that would occur otherwise.

(d) The commissioner, in reviewing transactions pursuant to
subsection (b), shall consider whether the transactions comply with the
standards set forth in subsection (a) and whether the transactions may
adversely affect the interests of policyholders.

(e) The commissioner shall be notified within thirty (30) days of any
investment of the domestic insurer in any one (1) corporation if the
total investment in that corporation by the insurance holding company

surplus, reserves, premium writings, insurance in force and other

(3) The number and size of risks insured in each line of business.
(4) The extent of the geographical dispersion of the insurer's insured risks.
(5) The nature and extent of the insurer's reinsurance program.
(6) The quality, diversification, and liquidity of the insurer's investment portfolio.
(7) The recent past and projected future trend in the size of the insurer's surplus as regards policyholders.
(8) The surplus as regards policyholders maintained by other comparable insurers in respect of the factors described in subdivisions (1) through (7).
(9) The adequacy of the insurer's reserves.
(10) The quality and liquidity of investments in subsidiaries, except that the commissioner may discount or treat any such investment in subsidiaries as a disallowed asset for purposes of determining the adequacy of surplus whenever in the commissioner's judgment such investment so warrants.
(11) The quality of the earnings of the insurer and the extent to which the reported earnings of the insurer include extraordinary items.

(g) No domestic insurer subject to registration under section 3 of this chapter shall pay an extraordinary dividend or make any other extraordinary distribution to its security holders until:
(1) thirty (30) days after the commissioner has received notice of the declaration thereof and has not within such period disapproved such payment; or
(2) the commissioner shall have approved such payment within such thirty (30) day period.

(h) For purposes of subsection (g), the following apply with respect to an extraordinary dividend or distribution:

(1) An extraordinary dividend or distribution is any dividend or distribution of cash or other property whose fair market value, together with that of other dividends or distributions made within the twelve (12) consecutive months ending on the date on which the proposed dividend or distribution is scheduled to be made, exceeds the lesser of:
   (+) (A) ten percent (10%) of such insurer's surplus as regards policyholders as of the most recently preceding December 31; or
the:

(i) net gain from operations of such insurer, if such insurer
is a life insurer; or

(ii) net income, if such insurer is not a life insurer;

not including realized capital gains, for the twelve (12)
month period ending on the most recently preceding December
31.

(2) An extraordinary dividend or distribution does not include
pro rata distribution of any class of an insurer's own
securities.

(3) For purposes of determining whether a dividend or
distribution is extraordinary, an insurer that is not a life
insurer may carry forward net income that:

(A) was received during the two (2) immediately preceding
calendar years; and

(B) has not been paid out as dividends;

computed by subtracting the amount of dividends paid in the
first and second immediately preceding calendar years from
the amount of net income, not including realized capital gains,
received in the second and third immediately preceding
calendar years.

(i) Notwithstanding any other provision of law, a domestic insurer
may declare an extraordinary dividend or distribution which is
conditional upon the commissioner's approval thereof, but such a
declaration shall confer no rights upon shareholders until:

(1) the commissioner has approved the payment of such dividend
or distribution; or

(2) the commissioner has not disapproved the payment within the
thirty (30) day period referred to in subsection (g).

(j) The commissioner may impose a civil penalty of five thousand
dollars ($5,000) on a person who fails to file a transaction as required

SECTION 19. IC 27-9-3-3 IS AMENDED TO READ AS

HB 1136—LS 6895/DI 97
The commissioner, as rehabilitator, may appoint one (1) or more special deputies, who shall have all the powers and responsibilities of the rehabilitator granted under this section. Also, the commissioner may employ such counsel, clerks, and assistants as he considers necessary.

(b) With the approval of the court, the compensation of the special deputy, counsel, clerks, and assistants and all expenses of taking possession of the insurer and of conducting the proceedings shall be:

(1) fixed by the commissioner; and

(2) paid out of the funds or assets of the insurer.

(c) The persons appointed under this section shall serve at the pleasure of the commissioner.

(d) In the event that the property of the insurer does not contain sufficient cash or liquid assets to defray the costs incurred, the commissioner may advance the costs so incurred out of any appropriation for the maintenance of the insurance department. Any amounts so advanced for expenses of administration shall be repaid to the commissioner for the use of the insurance department out of the first available money of the insurer.

(e) The rehabilitator may take such action as he considers necessary or appropriate to reform and revitalize the insurer. The commissioner:

(1) has all the powers of the directors, officers, and managers, whose authority shall be suspended, except as they are redelegated by the rehabilitator;

(2) may direct, manage, hire, and discharge employees subject to any contract rights they may have; and

(3) may deal with the property and business of the insurer.

(f) The rehabilitator may prosecute any action that exists in behalf of the creditors, members, policyholders, or shareholders of the insurer against any director or officer of the insurer or any other person or entity.

(g) The rehabilitator may pursue insurance proceeds for the negligent, reckless, or fraudulent actions or omissions of the officers and directors of the insurer. An act or omission of an officer or director of the insurer during the eighteen (18) months immediately preceding the date on which an order of rehabilitation is entered may not be used to avoid coverage or other duties under a policy of insurance covering directors' and officers' liability.

(g) If the rehabilitator determines that reorganization, consolidation, conversion, reinsurance, merger, or other transformation of the insurer is appropriate, he shall prepare a plan to effect those changes.
Upon application of the rehabilitator for approval of the plan, and after such notice and hearings as the Marion County circuit court may prescribe, the court may either approve or disapprove the plan proposed, or may modify it and approve it as modified. Any plan approved under this section must be, in the judgment of the court, fair and equitable to all parties concerned. If the plan is approved, the rehabilitator shall carry out the plan.

In the case of the life insurer, the plan proposed may include the imposition of liens upon the policies of company, if all rights of shareholders are first relinquished. A plan for a life insurer may also propose imposition of a moratorium upon loan and cash surrender rights under policies, for such period and to such an extent as may be necessary.

SECTION 20. IC 27-9-3-9 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 9. (a) The commissioner may petition for an order dissolving the corporate existence of a domestic insurer, or the United States branch of an alien insurer domiciled in Indiana, at the time the commissioner applies for a liquidation order. The Marion County circuit court shall order dissolution of the corporation upon petition by the commissioner upon or after the granting of a liquidation order. If the dissolution has not previously been ordered, the dissolution shall be effected by operation of law upon the discharge of the liquidator if the insurer is insolvent but may be ordered by the court upon the discharge of the liquidator if the insurer is under a liquidation order for some other reason.

(b) The liquidator may do all acts necessary or appropriate for the accomplishment of the liquidation, including the following:

(1) Appoint a special deputy to act for the liquidator under this article, and determine a reasonable compensation for that special deputy.

(2) Employ employees and insurance producers, legal counsel, actuaries, accountants, appraisers, consultants, and other personnel as the liquidator considers necessary to assist in the liquidation.

(3) Fix the reasonable compensation of employees and insurance producers, legal counsel, actuaries, accountants, appraisers, and consultants with the approval of the court.

(4) Pay reasonable compensation to persons appointed and defray from the funds or assets of the insurer all expenses of taking possession of, conserving, conducting, liquidating, disposing of, or otherwise dealing with the business and property of the insurer.

(5) Hold hearings, subpoena witnesses to compel their attendance,
administer oaths, examine any person under oath, and compel any
person to subscribe to the person's testimony after it has been
correctly reduced to writing, and in connection with hearings and
the examination of witnesses require the production of any books,
papers, records, or other documents which the liquidator deems
relevant to the inquiry.

(6) Collect all debts and moneys due and claims belonging to the
insurer, wherever located, and for this purpose:

(A) institute timely action in other jurisdictions, in order to
forestall garnishment and attachment proceedings against
those debts;

(B) do other acts necessary or expedient to collect, conserve,
or protect its assets or property, including the power to sell,
compound, compromise, or assign debts for purposes of
collection upon terms and conditions as the liquidator
considers best; and

(C) pursue any creditor's remedies available to enforce the
liquidator's claims.

(7) Conduct public and private sales of the property of the insurer.

(8) Use assets of the estate of an insurer under a liquidation order
to transfer policy obligations to a solvent assuming insurer, if the
transfer can be arranged without prejudice to applicable priorities
under section 40 of this chapter.

(9) Acquire, hypothecate, encumber, lease, improve, sell, transfer,
abandon, or otherwise dispose of or deal with, any property of the
insurer at its market value or upon such terms and conditions as
are fair and reasonable.

(10) Borrow money on the security of the insurer's assets or
without security and execute and deliver all documents necessary
to that transaction for the purpose of facilitating the liquidation.

(11) Enter into contracts that are necessary to carry out the order
to liquidate, and affirm or disavow any contracts to which the
insurer is a party.

(12) Continue to prosecute and to institute in the name of the
insurer, or in the liquidator's own name, all suits and other legal
proceedings, in Indiana or elsewhere, and abandon the
prosecution of claims the liquidator considers unprofitable to
pursue further.

(13) Prosecute any action that may exist in behalf of the creditors,
members, policyholders, or shareholders of the insurer against any
director or officer of the insurer, or any other person.

(14) Pursue insurance proceeds for the negligent, reckless, or
fraudulent actions or omissions of the officers and directors of the insurer. An act or omission of an officer or director of
the insurer during the eighteen (18) months immediately preceding the date on which petition for liquidation is filed
may not be used to avoid coverage or other duties under a policy of insurance covering directors' and officers' liability.
(14)(15) Remove all records and property of the insurer to the offices of the commissioner or to some other place as may be
convenient for the purposes of efficient and orderly execution of the liquidation.
(15)(16) Deposit in one (1) or more banks in Indiana sums required for meeting current administration expenses and
dividend distributions.
(16)(17) Invest all sums not currently needed, unless the court orders otherwise.
(17)(18) File any necessary documents for record in the office of any recorder of deeds or record office in Indiana or elsewhere
where property of the insurer is located.
(18)(19) Assert all defenses available to the insurer as against third persons, including statutes of limitation, statutes of frauds,
and the defense of usury.
(19)(20) Exercise and enforce all the rights, remedies, and powers of any creditor, shareholder, policyholder, or member,
including any power to avoid any transfer or lien that may be given by the general law and that is not included in sections 14
through 16 of this chapter.
(20)(21) Intervene in any proceeding wherever instituted that might lead to the appointment of a receiver or trustee, and act as
the receiver or trustee whenever the appointment is offered.
(21)(22) Enter into agreements with any receiver or commissioner of any other state relating to the rehabilitation,
liquidation, conservation, or dissolution of an insurer doing business in both states.
(22)(23) Exercise all powers conferred upon receivers by the laws of Indiana not inconsistent with this article.

SECTION 21. IC 27-9-3-34.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS
[EFFECTIVE JULY 1, 2016]: Sec. 34.5. (a) This section:
(1) applies to a worker's compensation large deductible policy issued by an insurer that is subject to this chapter; and
(2) does not apply to first party claims or claims funded by the guaranty association net of the deductible.

HB 1136—LS 6895/DI 97
(b) To the extent that the terms of a large deductible policy conflict with this section, the policy must be administered in accordance with this section.

(c) Unless otherwise agreed by the guaranty association, all deductible claims that are covered claims (as defined in IC 27-6-8-4), including claims funded by an insured before liquidation, must be referred to the guaranty association for processing. To the extent an insured funds or pays a deductible claim under an agreement with the guaranty association or otherwise, the insured's funding or payment of the deductible claim extinguishes any obligation of the receiver or the guaranty association to pay the claim. A charge may not be made against the receiver or the guaranty association on the basis of an insured's funding or payment of a deductible claim.

(d) The following apply when the guaranty association pays a deductible claim:

(1) If the guaranty association pays a deductible claim for which the insurer would have been entitled to reimbursement from the insured, the guaranty association is entitled to the full amount of the reimbursement and available collateral to the extent necessary to reimburse the guaranty association. Reimbursements paid to the guaranty association under this subsection are not early access payments under section 32 of this chapter or distributions under section 40 of this chapter.

(2) If the guaranty association pays:

(A) a deductible claim that is not reimbursed:

(i) from collateral; or

(ii) by payment by the insured; or

(B) an incurred expense in connection with a large deductible policy that is not reimbursed;

the guaranty association is entitled to assert a claim for the payments in the delinquency proceeding.

(e) Subsection (d) does not limit the receiver's or guaranty association's rights under other applicable law to obtain reimbursement from an insured for claim payments made by the guaranty association:

(1) under the policies of the insurer; or

(2) for the guaranty association's related expenses;

including payments described in IC 27-6-8-11.5 or under another state's similar law.

(f) A receiver shall do the following:

(1) Upon receipt by the receiver of notice from the guaranty
association of reimbursable payments for which the guaranty association has not been reimbursed, bill an insured for reimbursement of deductible claims:

(A) paid by the insurer before the commencement of delinquency proceedings;  
(B) paid by the guaranty association; or  
(C) paid or allowed by the receiver.

(2) If an insured that is billed under subdivision (1) does not make payment within:

(A) the time specified in the large deductible policy; or  
(B) if no time is specified in the large deductible policy, sixty (60) days after the date of billing;

the receiver shall pursue all commercially reasonable actions to collect the payment.

(g) The following do not relieve an insured from the insured's reimbursement obligation under a large deductible policy and this chapter:

(1) An insurer's insolvency.  
(2) An insurer's inability to perform the insurer's obligations.  
(3) An allegation of improper processing or payment of a deductible claim, except for gross negligence, by the:

(A) insurer;  
(B) receiver; or  
(C) guaranty association.

(h) With respect to collateral, the following apply:

(1) A receiver shall use available collateral to secure:

(A) an insured's obligation to fund or reimburse deductible claims; and  
(B) other secured obligations or payment obligations.

The guaranty association is entitled to collateral to the extent needed to reimburse the guaranty association for the guaranty association's payment of a deductible claim. A distribution to the guaranty association under this subdivision is not an early access payment under section 32 of this chapter or a distribution under section 40 of this chapter.

(2) A receiver shall pay all claims against collateral in the order received, and a claim of the receiver, including claims described in this subsection, does not supersede any other claim against the collateral as described in subdivision (4).

(3) A receiver shall draw down collateral to the extent necessary if the insured fails to do any of the following:

(A) Perform the insured's funding or payment obligations
under the large deductible policy.
(B) Pay a deductible claim reimbursement within the time
specified in subsection (f)(2).
(C) Pay amounts due to the insurer estate for
pre-liquidation obligations.
(D) Fund any other secured obligation within:
   (i) the time specified in the large deductible policy; or
   (ii) another reasonable period.
(E) Pay expenses within the time specified in subsection
   (f)(2).
(4) A receiver shall pay all claims that are validly asserted
against the collateral in the order in which the claims are
received by the receiver.
(5) A receiver shall return to an insured any excess collateral,
as determined by the receiver after a periodic review of
claims paid, outstanding case reserves, and a factor for
incurred but not reported claims.

SECTION 22. IC 27-13-10.1-4 IS AMENDED TO READ AS
FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 4. (a) An independent
review organization shall:

       chapter, within seventy-two (72) hours after the appeal is filed; or
   (2) for a standard appeal filed under section 2(a)(2)(B) of this
       chapter, within fifteen (15) business days after the appeal is filed;
       make a determination to uphold or reverse the health maintenance
       organization's grievance resolution under IC 27-13-10-8 based on
       information gathered from the enrollee or the enrollee's designee, the
       health maintenance organization, and the treating physician, and any
       additional information that the independent review organization
       considers necessary and appropriate.
   (b) When making the determination under this section, the
       independent review organization shall apply:
       (1) standards of decision making that are based on objective
           clinical evidence; and
       (2) the terms of the enrollee's benefit contract.
   (c) The independent review organization shall notify the health
       maintenance organization and the enrollee of the determination made
       under this section:
       (1) for an expedited appeal filed under section 2(a)(2)(A) of this
           chapter, within twenty-four (24) seventy-two (72) hours after
           making the determination; appeal is filed; or
       (2) for a standard appeal filed under section 2(a)(2)(B) of this
chapter, within seventy-two (72) hours after making the
determination.

SECTION 23. IC 27-15-14-1 IS AMENDED TO READ AS
FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 1. (a) If a domestic
mutual insurance company:

(1) is insolvent, as defined in IC 27-9-1-2(l); IC 27-9-1-2(o);
(2) does not meet the minimum surplus requirements of
IC 27-1-6-15; or
(3) in the judgment of the commissioner, is in a hazardous
financial condition;

its board of directors may adopt, and the commissioner may approve,
any plan of conversion and amendment to the articles of incorporation
that, on the effective date of the conversion, would provide for the
former mutual to have paid-in capital stock and surplus in an amount
not less than the minimum requirements of IC 27-1-6-14(c) and
IC 27-1-6-14(e) and an RBC level greater than its company action RBC
level.

(b) The commissioner may allow waivers or material modifications
of the requirement to give any notices to members and policyholders,
to obtain member approval of the proposed plan of conversion or
amendment to the articles of incorporation of the converting mutual, or
to distribute consideration to members if the value of a converting
mutual described in subsection (a) does not in the judgment of the
commissioner warrant any such notices, approvals, or distribution
under the circumstances, including the expenses involved in a
distribution of consideration.

SECTION 24. IC 35-52-27-9.3 IS ADDED TO THE INDIANA
CODE AS A NEW SECTION TO READ AS FOLLOWS
