ENGROSSED HOUSE BILL No. 1215

DIGEST OF HB 1215 (Updated February 22, 2016 3:06 pm - DI 120)

Citations Affected: IC 4-4; IC 5-28; noncode.

Synopsis: Various tax matters. Requires a grant contract between the office of community and rural affairs and the person receiving a grant under the historic preservation and rehabilitation grant program. Replaces a certification that the work substantially complies with the proposed plan with a finding that the plan complies with the program guidelines. Eliminates the deadlines for completing the work. Provides that if the grant applicant is a nonprofit organization facilitating a qualified affordable housing project, the organization does not have to be the owner of the historic property to receive a grant. Urges the legislative council to assign the study of the personal property audit process to the interim study committee on fiscal policy during the 2016 interim. Provides that an enterprise zone expires 11 years (rather than 10 years, under current law) after the day on which it is designated by the board of the Indiana economic development corporation.

Effective: Upon passage; July 1, 2016.
