(j) If a riverboat:

(1) implements flexible scheduling during any part of a period beginning July 1 of each year and ending June 30 of the following year; and

(2) before the end of that period ceases to operate the riverboat
with flexible scheduling; the riverboat shall continue to pay a wagering tax at the tax rates imposed under subsection (b) until the end of that period as if the riverboat had not ceased to conduct flexible scheduling.

SECTION 37. IC 4-33-13-5, AS AMENDED BY P.L.204-2016, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2017]: Sec. 5. (a) This subsection does not apply to tax revenue remitted by an operating agent operating a riverboat in a historic hotel district. After funds are appropriated under section 4 of this chapter, each month the treasurer of state shall distribute the tax revenue deposited in the state gaming fund under this chapter to the following:

(1) An amount equal to the following shall be set aside for revenue sharing under subsection (e):

(A) Before July 1, 2021, the first thirty-three million dollars ($33,000,000) of tax revenues collected under this chapter shall be set aside for revenue sharing under subsection (e).

(B) After June 30, 2021, if the total adjusted gross receipts (as defined in IC 4-33-2-2) received by licensees and operating agents from all gambling games authorized in Indiana during the preceding state fiscal year is equal to or greater than the total adjusted gross receipts (as defined in IC 4-33-2-2) received by licensees and operating agents from all gambling games authorized in Indiana during the state fiscal year ending June 30, 2020, the first thirty-three million dollars ($33,000,000) of tax revenues collected under this chapter shall be set aside for revenue sharing under subsection (e).

(C) After June 30, 2021, if the total adjusted gross receipts (as defined in IC 4-33-2-2) received by licensees and operating agents from all gambling games authorized in Indiana during the preceding state fiscal year is less than the total adjusted gross receipts (as defined in IC 4-33-2-2) received by licensees and operating agents from all gambling games authorized in Indiana during the state fiscal year ending June 30, 2020, an amount equal to the first thirty-three million dollars ($33,000,000) of tax revenues collected under this chapter multiplied by the result of:

(i) the total adjusted gross receipts (as defined in IC 4-33-2-2) received by licensees and operating agents from all gambling games authorized in Indiana during
the preceding state fiscal year; divided by
(ii) the total adjusted gross receipts (as defined in
IC 4-33-2-2) received by licensees and operating agents
from gambling games authorized in Indiana during the
state fiscal year ending June 30, 2020;
shall be set aside for revenue sharing under subsection (e).
For purposes of this subdivision, the term "gambling games"
includes gambling games allowed under IC 4-33 (riverboat
gambling) and IC 4-35 (gambling games at racetracks),

of a riverboat whose home dock is not in a city described in
clause (A).
(3) Subject to subsection (d), the remainder of the tax revenue
remitted by each licensed owner shall be paid to the state general
fund. In each state fiscal year, the treasurer of state shall make the
transfer required by this subdivision not later than the last
business day of the month in which the tax revenue is remitted to
the state for deposit in the state gaming fund. However, if tax
revenue is received by the state on the last business day in a
month, the treasurer of state may transfer the tax revenue to the
state general fund in the immediately following month.
(b) This subsection applies only to tax revenue remitted by an
operating agent operating a riverboat in a historic hotel district after
June 30, 2015. After funds are appropriated under section 4 of this
chapter, each month the treasurer of state shall distribute the tax
revenue remitted by the operating agent under this chapter as follows:

state general fund.
(2) Forty-three and five-tenths percent (43.5%) shall be paid as
follows:

(ii) Fifty percent (50%) to the fiscal officer of the town of West Baden Springs.

(B) Fourteen and eight-tenths percent (14.8%) shall be paid to the county treasurer of Orange County for distribution among the school corporations in the county. The governing bodies for the school corporations in the county shall provide a formula for the distribution of the money received under this clause among the school corporations by joint resolution adopted by the governing body of each of the school corporations in the county. Money received by a school corporation under this clause must be used to improve the educational attainment of students enrolled in the school corporation receiving the money. Not later than the first regular meeting in the school year of a governing body of a school corporation receiving a distribution under this clause, the superintendent of the school corporation shall submit to the governing body a report describing the purposes for which the receipts under this clause were used and the improvements in educational attainment realized through the use of the money. The report is a public record.

(C) Thirteen and one-tenth percent (13.1%) shall be paid to the county treasurer of Orange County.

(D) Five and three-tenths percent (5.3%) shall be distributed quarterly to the county treasurer of Dubois County for appropriation by the county fiscal body after receiving a recommendation from the county executive. The county fiscal body for the receiving county shall provide for the distribution of the money received under this clause to one (1) or more taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the county fiscal body after receiving a recommendation from the county executive.

(E) Five and three-tenths percent (5.3%) shall be distributed quarterly to the county treasurer of Crawford County for appropriation by the county fiscal body after receiving a recommendation from the county executive. The county fiscal body for the receiving county shall provide for the distribution of the money received under this clause to one (1) or more taxing units (as defined in IC 6-1.1-1-21) in the county under
a formula established by the county fiscal body after receiving a recommendation from the county executive.

(F) Six and thirty-five hundredths percent (6.35%) shall be paid to the fiscal officer of the town of Paoli.

(G) Six and thirty-five hundredths percent (6.35%) shall be paid to the fiscal officer of the town of Orleans.

(H) Twenty-six and four-tenths percent (26.4%) shall be paid to the Indiana economic development corporation established by IC 5-28-3-1 for transfer as follows:

(i) Beginning after December 31, 2017, twenty-two and six-tenths percent (22.6%) of the amount transferred under this clause in each calendar year shall be transferred to the South Central Indiana Regional Economic Development Corporation or a successor entity or partnership for economic development for the purpose of recruiting new business to Orange County as well as promoting the retention and expansion of existing businesses in Orange County.

(ii) The remainder of the amount transferred under this clause in each calendar year shall be transferred to Radius Indiana or a successor regional entity or partnership for the development and implementation of a regional economic development strategy to assist the residents of Orange County and the counties contiguous to Orange County in improving their quality of life and to help promote successful and sustainable communities.

To the extent possible, the Indiana economic development corporation shall provide for the transfer under item (i) to be made in four (4) equal installments. However, an amount sufficient to meet current obligations to retire or refinance indebtedness or leases for which tax revenues under this section were pledged before January 1, 2015, by the Orange County development commission shall be paid to the Orange County development commission before making a distribution to the South Central Indiana Regional Economic Development Corporation and Radius Indiana or a successor regional entity or partnership. The amount paid to the Orange County development commission shall proportionally reduce the amount payable to the South Central Indiana Regional Economic Development Corporation and Radius Indiana or its successor regional entity or partnership.
partnerships.

(c) For each city and county receiving money under subsection (a)(2), the treasurer of state shall determine the total amount of money paid by the treasurer of state to the city or county during the state fiscal year 2002. The amount determined is the base year revenue for the city or county. The treasurer of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year, the treasurer of state shall pay that part of the riverboat wagering taxes that:

(1) exceeds a particular city's or county's base year revenue; and
(2) would otherwise be due to the city or county under this section;

to the state general fund instead of to the city or county.

(d) Each state fiscal year the treasurer of state shall transfer from the tax revenue remitted to the state general fund under subsection (a)(3) to the build Indiana fund an amount that when added to the following may not exceed two hundred fifty million dollars ($250,000,000):

(1) Surplus lottery revenues under IC 4-30-17-3.
(2) Surplus revenue from the charity gaming enforcement fund under IC 4-32.2-7-7.
(3) Tax revenue from pari-mutuel wagering under IC 4-31-9-3.

The treasurer of state shall make transfers on a monthly basis as needed to meet the obligations of the build Indiana fund. If in any state fiscal year insufficient money is transferred to the state general fund under subsection (a)(3) to comply with this subsection, the treasurer of state shall reduce the amount transferred to the build Indiana fund to the amount available in the state general fund from the transfers under subsection (a)(3) for the state fiscal year.

(e) Except as provided in subsection (l), before August 15 of each year, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Except as provided in subsection (h), the county auditor shall distribute the money received by the county under this subsection as follows:

(1) To each city located in the county according to the ratio the city's population bears to the total population of the county.
(2) To each town located in the county according to the ratio the town's population bears to the total population of the county.
(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

(1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5).

(2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for debt repayment.

(3) To fund sewer and water projects, including storm water management projects.

(4) For police and fire pensions.

(5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(g) Before July 15 of each year, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-9), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the state general fund. Except as provided in subsection (i), the amount of an entity's supplemental distribution is equal to:

(1) the entity's base year revenue (as determined under IC 4-33-12-9); minus

(2) the sum of:

   (A) the total amount of money distributed to the entity and constructively received by the entity during the preceding state fiscal year under IC 4-33-12-6 or IC 4-33-12-8; plus
   (B) the amount of any admissions taxes deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

(1) To each city, other than a consolidated city, located in the
county according to the ratio that the city's population bears to the
total population of the county.
(2) To each town located in the county according to the ratio that
the town's population bears to the total population of the county.
(3) After the distributions required in subdivisions (1) and (2) are
made, the remainder shall be paid in equal amounts to the
consolidated city and the county.
(i) This subsection applies to a supplemental distribution made after
June 30, 2013. The maximum amount of money that may be
distributed under subsection (g) in a state fiscal year is equal to the
following:
(1) Before July 1, 2021, forty-eight million dollars
($48,000,000).
(2) After June 30, 2021, if the total adjusted gross receipts (as
defined in IC 4-33-2-2) received by licensees and operating
agents from all gambling games authorized in Indiana during
the preceding state fiscal year is equal to or greater than the
total adjusted gross receipts (as defined in IC 4-33-2-2)
received by licensees and operating agents from all gambling
games authorized in Indiana during the state fiscal year
ending June 30, 2020, the maximum amount is forty-eight
million dollars ($48,000,000).
(3) After June 30, 2021, if the total adjusted gross receipts (as
defined in IC 4-33-2-2) received by licensees and operating
agents from all gambling games authorized in Indiana during
the preceding state fiscal year is less than the total adjusted
gross receipts (as defined in IC 4-33-2-2) received by licensees
and operating agents from all gambling games authorized in
Indiana during the state fiscal year ending June 30, 2020, the
maximum amount is equal to the result of:
(A) forty-eight million dollars ($48,000,000); multiplied by
(B) the result of:
(i) the total adjusted gross receipts (as defined in
IC 4-33-2-2) received by licensees and operating agents
from all gambling games authorized in Indiana during
the preceding state fiscal year; divided by
(ii) the total adjusted gross receipts (as defined in
IC 4-33-2-2) received by licensees and operating agents
from all gambling games authorized in Indiana during
the state fiscal year ending June 30, 2020.
If the total amount determined under subsection (g) exceeds forty-eight
million dollars ($48,000,000), the maximum amount determined
under this subsection, the amount distributed to an entity under subsection (g) must be reduced according to the ratio that the amount distributed to the entity under IC 4-33-12-6 or IC 4-33-12-8 bears to the total amount distributed under IC 4-33-12-6 and IC 4-33-12-8 to all entities receiving a supplemental distribution. For purposes of this subsection, the term "gambling games" includes gambling games allowed under IC 4-33 (riverboat gambling) and IC 4-35 (gambling games at racetracks), including at inland casinos.

(j) This subsection applies to a supplemental distribution, if any, payable to Lake County, Hammond, Gary, or East Chicago under subsections (g) and (i). Beginning in July 2016, the treasurer of state shall, after making any deductions from the supplemental distribution required by IC 6-3.1-20-7, deduct from the remainder of the supplemental distribution otherwise payable to the unit under this section the lesser of:

1. the remaining amount of the supplemental distribution; or
2. the difference, if any, between:
   A. three million five hundred thousand dollars ($3,500,000); and
   B. the amount of admissions taxes constructively received by the unit in the previous state fiscal year.

The treasurer of state shall distribute the amounts deducted under this subsection to the northwest Indiana redevelopment authority established under IC 36-7.5-2-1 for deposit in the development authority fund established under IC 36-7.5-4-1.

(k) Money distributed to a political subdivision under subsection (b):

1. must be paid to the fiscal officer of the political subdivision and may be deposited in the political subdivision's general fund or riverboat fund established under IC 36-1-8-9, or both;
2. may not be used to reduce the maximum levy under IC 6-1.1-18.5 of a county, city, or town or the maximum tax rate of a school corporation, but, except as provided in subsection (b)(2)(B), may be used at the discretion of the political subdivision to reduce the property tax levy of the county, city, or town for a particular year;
3. except as provided in subsection (b)(2)(B), may be used for any legal or corporate purpose of the political subdivision, including the pledge of money to bonds, leases, or other obligations under IC 5-1-14-4; and
4. is considered miscellaneous revenue.

Money distributed under subsection (b)(2)(B) must be used for the
purposes specified in subsection (b)(2)(B).

(1) After June 30, 2019, the amount of wagering taxes that would otherwise be distributed to South Bend under subsection (e) shall be withheld and deposited in the state general fund.

The governing bodies for the school corporations in the county shall provide a formula for the distribution of the money received under this subdivision among the school corporations by joint resolution adopted by the governing body of each of the school corporations in the county. Money received by a school corporation under this subdivision must be used to improve the educational attainment of students enrolled in the school corporation receiving the money. Not later than the first regular meeting in the school year of a governing body of a school corporation receiving a distribution under this subdivision, the superintendent of the school corporation shall submit to the governing body a report describing the purposes for which the receipts under this subdivision were used and the improvements in educational attainment realized through the use of the money. The report is a public record.

(B) The remainder of the amount transferred under this subdivision in each calendar year shall be transferred to Radius Indiana or a successor regional entity or partnership for the development and implementation of a regional economic development strategy to assist the residents of Orange County and the counties contiguous to Orange County in improving their quality of life and to help promote successful and sustainable communities.

However if the amount distributed under IC 4-33-13-5(b)(2)(H) to the Orange County development commission is insufficient to meet the obligations described in IC 4-33-13-5(b)(2)(H), an amount sufficient to meet current obligations to retire or refinance indebtedness or leases for which tax revenues under IC 4-33-13-5 were pledged before January 1, 2015, by the Orange County development commission shall be paid to the Orange County development commission before making distribution to the South Central Indiana Regional Economic Development Corporation and Radius Indiana or their successor regional entity entities or partnership partnerships.

"SECTION 20. IC 36-7.5-4-2, AS AMENDED BY P.L.197-2016, SECTION 143, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2017]: Sec. 2. (a) Except as provided in subsections (b) and (d), the fiscal officer of each city and county described in IC 36-7.5-2-3(b) shall each transfer three million five hundred thousand dollars ($3,500,000) each year to the development authority for deposit in the development authority fund established under section 1 of this chapter. However, if a county having a population of more than one hundred fifty thousand (150,000) but less than one hundred seventy thousand (170,000) ceases to be a member of the development authority and two (2) or more municipalities in the county have become members of the development authority as authorized by IC 36-7.5-2-3(i), the transfer of the local income tax revenue that is dedicated to economic development purposes that is
required to be transferred under IC 6-3.6-11-6 is the contribution of the municipalities in the county that have become members of the development authority.

(b) This subsection applies only if:

(1) the fiscal body of the county described in IC 36-7.5-2-3(e) has adopted an ordinance under IC 36-7.5-2-3(e) providing that the county is joining the development authority;

(2) the fiscal body of the city described in IC 36-7.5-2-3(e) has adopted an ordinance under IC 36-7.5-2-3(e) providing that the city is joining the development authority; and

(3) the county described in IC 36-7.5-2-3(e) is an eligible county participating in the development authority.

The fiscal officer of the county described in IC 36-7.5-2-3(e) shall transfer two million six hundred twenty-five thousand dollars ($2,625,000) each year to the development authority for deposit in the development authority fund established under section 1 of this chapter.

The fiscal officer of the city described in IC 36-7.5-2-3(e) shall transfer eight hundred seventy-five thousand dollars ($875,000) each year to the development authority for deposit in the development authority fund established under section 1 of this chapter.

(c) This subsection does not apply to Lake County, Hammond, Gary, or East Chicago. The following apply to the remaining transfers required by subsections (a) and (b):

(1) Except for transfers of money described in subdivision (4)(D), the transfers shall be made without appropriation by the city or county fiscal body or approval by any other entity.

(2) Except as provided in subdivision (3), each fiscal officer shall transfer eight hundred seventy-five thousand dollars ($875,000) to the development authority fund before the last business day of January, April, July, and October of each year. Food and beverage tax revenue deposited in the fund under IC 6-9-36-8 is in addition to the transfers required by this section.

(3) The fiscal officer of the county described in IC 36-7.5-2-3(e) shall transfer six hundred fifty-six thousand two hundred fifty dollars ($656,250) to the development authority fund before the last business day of January, April, July, and October of each year. The county is not required to make any payments or transfers to the development authority covering any time before January 1, 2007. The fiscal officer of a city described in IC 36-7.5-2-3(e) shall transfer two hundred eighteen thousand seven hundred fifty dollars ($218,750) to the development authority fund before the last business day of January, April, July,

(A) Riverboat admissions tax revenue received by the city or county, riverboat wagering tax revenue received by the city or county, or riverboat incentive payments received from a riverboat licensee by the city or county.

(B) Any local income tax revenue that is dedicated to economic development purposes under IC 6-3.6-6 and received under IC 6-3.6-9 by the city or county.

(C) Any other local revenue other than property tax revenue received by the city or county.

(D) In the case of a county described in IC 36-7.5-2-3(e) or a city described in IC 36-7.5-2-3(e), any money from the major moves construction fund that is distributed to the county or city under IC 8-14-16.

(d) This subsection applies only to Lake County, Hammond, Gary, and East Chicago. The obligations of each city and the county under subsection (a) are satisfied by the distributions made by the auditor of state on behalf of each unit under IC 4-33-12-6(d) and IC 4-33-13-5(j).

However, if the total amount distributed under IC 4-33 on behalf of a unit with respect to a particular state fiscal year is less than the amount required by subsection (a), the fiscal officer of the unit shall transfer the amount of the shortfall to the authority from any source of revenue available to the unit other than property taxes. (a) This subsection does not apply to tax revenue remitted by an operating agent operating a riverboat in a historic hotel district. After funds are appropriated under section 4 of this chapter, each month the treasurer of state shall distribute the tax revenue deposited in the state gaming fund under this chapter to the following:

(1) An amount equal to the following shall be set aside for revenue sharing under subsection (e):

(A) If the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is equal to or greater than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2016, the first thirty-three million dollars ($33,000,000) of tax revenues collected under this chapter shall be set aside for revenue sharing under subsection (e).

(B) If the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is less than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2016, an amount equal to the first thirty-three million dollars ($33,000,000) of tax revenues collected under this chapter multiplied by the result of:

(i) the total adjusted gross receipts received by licensees from gambling games authorized under this article
during the preceding state fiscal year; divided by  
(ii) the total adjusted gross receipts received by licensees  
from gambling games authorized under this article  
during the state fiscal year ending June 30, 2016;  
shall be set aside for revenue sharing under subsection (e).  

(2) Subject to subsection (c), twenty-five percent (25%) of the  
remaining tax revenue remitted by each licensed owner shall be  
paid:  

(A) to the city that is designated as the home dock of the  
riverboat from which the tax revenue was collected, in the case  
of:  
(i) a city described in IC 4-33-12-6(b)(1)(A); or  
(ii) a city located in a county having a population of more  
than four hundred thousand (400,000) but less than seven  
hundred thousand (700,000); or  
(B) to the county that is designated as the home dock of the  
riverboat from which the tax revenue was collected, in the case  
of a riverboat whose home dock is not in a city described in  
clause (A).  

(3) Subject to subsection (d), the remainder of the tax revenue  
remitted by each licensed owner shall be paid to the state general  
fund. In each state fiscal year, the treasurer of state shall make the  
transfer required by this subdivision not later than the last  
business day of the month in which the tax revenue is remitted to  
the state for deposit in the state gaming fund. However, if tax  
revenue is received by the state on the last business day in a  
month, the treasurer of state may transfer the tax revenue to the  
state general fund in the immediately following month.  

(b) This subsection applies only to tax revenue remitted by an  
operating agent operating a riverboat in a historic hotel district after  
June 30, 2015. After funds are appropriated under section 4 of this  
chapter, each month the treasurer of state shall distribute the tax  
revenue remitted by the operating agent under this chapter as follows:  

(1) Fifty-six and five-tenths percent (56.5%) shall be paid to the  
state general fund.  

(2) Forty-three and five-tenths percent (43.5%) shall be paid as  
follows:  

(A) Twenty-two and four-tenths percent (22.4%) shall be paid  
as follows:

French Lick.  
(ii) Fifty percent (50%) to the fiscal officer of the town of
West Baden Springs.

(B) Fourteen and eight-tenths percent (14.8%) shall be paid to the county treasurer of Orange County for distribution among the school corporations in the county. The governing bodies for the school corporations in the county shall provide a formula for the distribution of the money received under this clause among the school corporations by joint resolution adopted by the governing body of each of the school corporations in the county. Money received by a school corporation under this clause must be used to improve the educational attainment of students enrolled in the school corporation receiving the money. Not later than the first regular meeting in the school year of a governing body of a school corporation receiving a distribution under this clause, the superintendent of the school corporation shall submit to the governing body a report describing the purposes for which the receipts under this clause were used and the improvements in educational attainment realized through the use of the money. The report is a public record.

(C) Thirteen and one-tenth percent (13.1%) shall be paid to the county treasurer of Orange County.

(D) Five and three-tenths percent (5.3%) shall be distributed quarterly to the county treasurer of Dubois County for appropriation by the county fiscal body after receiving a recommendation from the county executive. The county fiscal body for the receiving county shall provide for the distribution of the money received under this clause to one (1) or more taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the county fiscal body after receiving a recommendation from the county executive.

(E) Five and three-tenths percent (5.3%) shall be distributed quarterly to the county treasurer of Crawford County for appropriation by the county fiscal body after receiving a recommendation from the county executive. The county fiscal body for the receiving county shall provide for the distribution of the money received under this clause to one (1) or more taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the county fiscal body after receiving a recommendation from the county executive.

(F) Six and thirty-five hundredths percent (6.35%) shall be paid to the fiscal officer of the town of Paoli.

(G) Six and thirty-five hundredths percent (6.35%) shall be
paid to the fiscal officer of the town of Orleans.

(H) Twenty-six and four-tenths percent (26.4%) shall be paid to the Indiana economic development corporation established by IC 5-28-3-1 for transfer as follows:

(i) Beginning after December 31, 2017, twenty-two and six-tenths percent (22.6%) of the amount transferred under this clause in each calendar year shall be transferred to the South Central Indiana Regional Economic Development Corporation or a successor entity or partnership for economic development for the purpose of recruiting new business to Orange County as well as promoting the retention and expansion of existing businesses in Orange County.

(ii) The remainder of the amount transferred under this clause in each calendar year shall be transferred to Radius Indiana or a successor regional entity or partnership for the development and implementation of a regional economic development strategy to assist the residents of Orange County and the counties contiguous to Orange County in improving their quality of life and to help promote successful and sustainable communities.

To the extent possible, the Indiana economic development corporation shall provide for the transfer under item (i) to be made in four (4) equal installments. However, an amount sufficient to meet current obligations to retire or refinance indebtedness or leases for which tax revenues under this section were pledged before January 1, 2015, by the Orange County development commission shall be paid to the Orange County development commission before making a distribution to the South Central Indiana Regional Economic Development Corporation and Radius Indiana or their successor regional entity entities or partnership partnerships. The amount paid to the Orange County development commission shall proportionally reduce the amount payable to the South Central Indiana Regional Economic Development Corporation and Radius Indiana or its their successor entity entities or partnership partnerships.

(c) For each city and county receiving money under subsection (a)(2), the treasurer of state shall determine the total amount of money paid by the treasurer of state to the city or county during the state fiscal year 2002. The amount determined is the base year revenue for the city
or county. The treasurer of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year, the treasurer of state shall pay that part of the riverboat wagering taxes that:

1. exceeds a particular city's or county's base year revenue; and
2. would otherwise be due to the city or county under this section;

to the state general fund instead of to the city or county.

(d) Each state fiscal year the treasurer of state shall transfer from the tax revenue remitted to the state general fund under subsection (a)(3) to the build Indiana fund an amount that when added to the following may not exceed two hundred fifty million dollars ($250,000,000):

1. Surplus lottery revenues under IC 4-30-17-3.
2. Surplus revenue from the charity gaming enforcement fund under IC 4-32.2-7-7.
3. Tax revenue from pari-mutuel wagering under IC 4-31-9-3.

The treasurer of state shall make transfers on a monthly basis as needed to meet the obligations of the build Indiana fund. If in any state fiscal year insufficient money is transferred to the state general fund under subsection (a)(3) to comply with this subsection, the treasurer of state shall reduce the amount transferred to the build Indiana fund to the amount available in the state general fund from the transfers under subsection (a)(3) for the state fiscal year.

(e) Except as provided in subsections (l) and (m), before August 15 of each year, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Except as provided in subsection (h), the county auditor shall distribute the money received by the county under this subsection as follows:

1. To each city located in the county according to the ratio the city's population bears to the total population of the county.
2. To each town located in the county according to the ratio the town's population bears to the total population of the county.
3. After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

1. To reduce the property tax levy of the city, town, or county for
a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5).

(2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for debt repayment.

(3) To fund sewer and water projects, including storm water management projects.

(4) For police and fire pensions.

(5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(g) Before July 15 of each year, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-9), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the state general fund. Except as provided in subsection (i), the amount of an entity's supplemental distribution is equal to:

1. the entity's base year revenue (as determined under IC 4-33-12-9); minus
2. the sum of:
   A. the total amount of money distributed to the entity and constructively received by the entity during the preceding state fiscal year under IC 4-33-12-6 or IC 4-33-12-8; plus
   B. the amount of any admissions taxes deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

1. To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.
2. To each town located in the county according to the ratio that the town's population bears to the total population of the county.
3. After the distributions required in subdivisions (1) and (2) are
made, the remainder shall be paid in equal amounts to the consolidated city and the county.

(i) This subsection applies to a supplemental distribution made after June 30, 2013. The maximum amount of money that may be distributed under subsection (g) in a state fiscal year is equal to the following:

(1) If the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is equal to or greater than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2016, the maximum amount is forty-eight million dollars ($48,000,000).

(2) If the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is less than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2016, the maximum amount is equal to the result of:

(A) forty-eight million dollars ($48,000,000); multiplied by
(B) the result of:
   (i) the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year; divided by
   (ii) the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2016.

If the total amount determined under subsection (g) exceeds forty-eight million dollars ($48,000,000), the maximum amount determined under this subsection, the amount distributed to an entity under subsection (g) must be reduced according to the ratio that the amount distributed to the entity under IC 4-33-12-6 or IC 4-33-12-8 bears to the total amount distributed under IC 4-33-12-6 and IC 4-33-12-8 to all entities receiving a supplemental distribution.

(j) This subsection applies to a supplemental distribution, if any, payable to Lake County, Hammond, Gary, or East Chicago under subsections (g) and (i). Beginning in July 2016, the treasurer of state shall, after making any deductions from the supplemental distribution required by IC 6-3.1-20-7, deduct from the remainder of the supplemental distribution otherwise payable to the unit under this section the lesser of:
(1) the remaining amount of the supplemental distribution; or
(2) the difference, if any, between:
   (A) three million five hundred thousand dollars ($3,500,000); minus
   (B) the amount of admissions taxes constructively received by
       the unit in the previous state fiscal year.

The treasurer of state shall distribute the amounts deducted under this
subsection to the northwest Indiana redevelopment authority
established under IC 36-7.5-2-1 for deposit in the development
authority fund established under IC 36-7.5-4-1.

(k) Money distributed to a political subdivision under subsection (b):
   (1) must be paid to the fiscal officer of the political subdivision
       and may be deposited in the political subdivision's general fund
       or riverboat fund established under IC 36-1-8-9, or both;
   (2) may not be used to reduce the maximum levy under
       IC 6-1.1-18.5 of a county, city, or town or the maximum tax rate
       of a school corporation, but, except as provided in subsection
       (b)(2)(B), may be used at the discretion of the political
       subdivision to reduce the property tax levy of the county, city, or
       town for a particular year;
   (3) except as provided in subsection (b)(2)(B), may be used for
       any legal or corporate purpose of the political subdivision,
       including the pledge of money to bonds, leases, or other
       obligations under IC 5-1-14-4; and
   (4) is considered miscellaneous revenue.

Money distributed under subsection (b)(2)(B) must be used for the
purposes specified in subsection (b)(2)(B).

(l) After June 30, 2019, the amount of wagering taxes that would
    otherwise be distributed to South Bend under subsection (e) shall
    be deposited as being received from all riverboats whose
    supplemental wagering tax, as calculated under IC 4-33-12-1(e), is
    over three and five-tenths percent (3.5%). The amount deposited
    under this subsection, in each riverboat’s account, is proportionate
    to the supplemental wagering tax received from that riverboat
    under IC 4-33-12-1(e) in the month of July. The amount deposited
    under this subsection must be distributed in the same manner as
    the supplemental wagering tax collected under IC 4-33-12-1(e).
    This subsection expires June 30, 2020.

(m) After June 30, 2020, the amount of wagering taxes that would
    otherwise be distributed to South Bend under subsection (e)
    shall be withheld and deposited in the state general fund.

   (B) Fifty percent (50%) to the fiscal officer of the town of West Baden Springs.

(2) Fourteen and eight-tenths percent (14.8%) to the county treasurer of Orange County for distribution among the school corporations in the county. The governing bodies for the school corporations in the county shall provide a formula for the distribution of the money received under this subdivision among the school corporations by joint resolution adopted by the governing body of each of the school corporations in the county. Money received by a school corporation under this subdivision must be used to improve the educational attainment of students enrolled in the school corporation receiving the money. Not later than the first regular meeting in the school year of a governing body of a school corporation receiving a distribution under this subdivision, the superintendent of the school corporation shall submit to the governing body a report describing the purposes for which the receipts under this subdivision were used and the improvements in educational attainment realized through the use of the money. The report is a public record.

(3) Thirteen and one-tenth percent (13.1%) to the county treasurer of Orange County.

(4) Five and three-tenths percent (5.3%) to the county treasurer of Dubois County for appropriation by the county fiscal body after receiving a recommendation from the county executive. The county fiscal body shall provide for the distribution of the money received under this subdivision to one (1) or more taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the county fiscal body after receiving a recommendation from the county executive.

(5) Five and three-tenths percent (5.3%) to the county treasurer of Crawford County for appropriation by the county fiscal body. The

However if the amount distributed under IC 4-33-13-5(b)(2)(H) to the Orange County development commission is insufficient to meet the obligations described in IC 4-33-13-5(b)(2)(H), an amount sufficient to meet current obligations to retire or refinance indebtedness or leases for which tax revenues under IC 4-33-13-5 were pledged before January 1, 2015, by the Orange County development commission shall be paid to the Orange County development commission before making a distribution to the South Central Indiana Regional Economic Development Corporation and Radius Indiana or a successor regional entity or partnership. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year, the treasurer of state shall pay that part of the riverboat wagering taxes that:

(1) exceeds a particular city's or county's base year revenue; and
(2) would otherwise be due to the city or county under this section;

to the state general fund instead of to the city or county.

The treasurer of state shall make transfers on a monthly basis as needed to meet the obligations of the build Indiana fund. If in any state fiscal year insufficient money is transferred to the state general fund under subsection (a)(3) to comply with this subsection, the treasurer of state
shall reduce the amount transferred to the build Indiana fund to the 
amount available in the state general fund from the transfers under 
subsection (a)(3) for the state fiscal year.

(e) Except as provided in subsection (l), before August 15 of each 
year, the treasurer of state shall distribute the wagering taxes set 
aside for revenue sharing under subsection (a)(1) to the county treasurer of 
each county that does not have a riverboat according to the ratio that 
the county's population bears to the total population of the counties that 
do not have a riverboat. Except as provided in subsection (h), the 
county auditor shall distribute the money received by the county under 
this subsection as follows:

(1) To each city located in the county according to the ratio the 
city's population bears to the total population of the county.

(2) To each town located in the county according to the ratio the 
town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are 
made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) 
or (h) may be used for any of the following purposes:

(1) To reduce the property tax levy of the city, town, or county for 
a particular year (a property tax reduction under this subdivision 
does not reduce the maximum levy of the city, town, or county 
under IC 6-1.1-18.5).

(2) For deposit in a special fund or allocation fund created under 
IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and

management projects.

(4) For police and fire pensions.

(5) To carry out any governmental purpose for which the money

Money used under this subdivision does not reduce the property 
tax levy of the city, town, or county for a particular year or reduce 
the maximum levy of the city, town, or county under 
IC 6-1.1-18.5.

(g) Before July 15 of each year, the treasurer of state shall determine 
the total amount of money distributed to an entity under IC 4-33-12-6 
or IC 4-33-12-8 during the preceding state fiscal year. If the treasurer 
of state determines that the total amount of money distributed to an 
entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state 
fiscal year was less than the entity's base year revenue (as determined 
der IC 4-33-12-9), the treasurer of state shall make a supplemental
distribution to the entity from taxes collected under this chapter and deposited into the state general fund. Except as provided in subsection (i), the amount of an entity's supplemental distribution is equal to:

(1) the entity's base year revenue (as determined under IC 4-33-12-9); minus
(2) the sum of:
   (A) the total amount of money distributed to the entity and constructively received by the entity during the preceding state fiscal year under IC 4-33-12-6 or IC 4-33-12-8; plus
   (B) the amount of any admissions taxes deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

(1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.
(2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.
(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

(i) This subsection applies to a supplemental distribution made after June 30, 2013. The maximum amount of money that may be distributed under subsection (g) in a state fiscal year is equal to the following:

(1) Before July 1, 2021, forty-eight million dollars ($48,000,000).
(2) After June 30, 2021, if the total adjusted gross receipts (as defined in IC 4-33-2-2) received by licensees and operating agents from all gambling games authorized in Indiana during the preceding state fiscal year is equal to or greater than the total adjusted gross receipts (as defined in IC 4-33-2-2) received by licensees and operating agents from all gambling games authorized in Indiana during the state fiscal year ending June 30, 2020, the maximum amount is forty-eight million dollars ($48,000,000).
(3) After June 30, 2021, if the total adjusted gross receipts (as defined in IC 4-33-2-2) received by licensees and operating agents from all gambling games authorized in Indiana during the preceding state fiscal year is less than the total adjusted gross receipts (as defined in IC 4-33-2-2) received by licensees
and operating agents from all gambling games authorized in Indiana during the state fiscal year ending June 30, 2020, the maximum amount is equal to the result of:

(A) forty-eight million dollars ($48,000,000); multiplied by
(B) the result of:
   (i) the total adjusted gross receipts (as defined in IC 4-33-2-2) received by licensees and operating agents from all gambling games authorized in Indiana during the preceding state fiscal year; divided by
   (ii) the total adjusted gross receipts (as defined in IC 4-33-2-2) received by licensees and operating agents from all gambling games authorized in Indiana during the state fiscal year ending June 30, 2020.

If the total amount determined under subsection (g) exceeds forty-eight million dollars ($48,000,000), the maximum amount determined under this subsection, the amount distributed to an entity under subsection (g) must be reduced according to the ratio that the amount distributed to the entity under IC 4-33-12-6 or IC 4-33-12-8 bears to the total amount distributed under IC 4-33-12-6 and IC 4-33-12-8 to all entities receiving a supplemental distribution. For purposes of this subsection, the term "gambling games" includes gambling games allowed under IC 4-33 (riverboat gambling) and IC 4-35 (gambling games at racetracks), including at inland casinos.

(j) This subsection applies to a supplemental distribution, if any, payable to Lake County, Hammond, Gary, or East Chicago under subsections (g) and (i). Beginning in July 2016, the treasurer of state shall, after making any deductions from the supplemental distribution required by IC 6-3.1-20-7, deduct from the remainder of the supplemental distribution otherwise payable to the unit under this section the lesser of:

1. the remaining amount of the supplemental distribution; or
2. the difference, if any, between:
   (A) three million five hundred thousand dollars ($3,500,000); minus
   (B) the amount of admissions taxes constructively received by the unit in the previous state fiscal year.

The treasurer of state shall distribute the amounts deducted under this subsection to the northwest Indiana redevelopment authority established under IC 36-7.5-2-1 for deposit in the development authority fund established under IC 36-7.5-4-1.

(k) Money distributed to a political subdivision under subsection (b):

EH 1350—LS 6808/DI 107
(1) must be paid to the fiscal officer of the political subdivision and may be deposited in the political subdivision's general fund or riverboat fund established under IC 36-1-8-9, or both;
(2) may not be used to reduce the maximum levy under IC 6-1.1-18.5 of a county, city, or town or the maximum tax rate of a school corporation, but, except as provided in subsection (b)(2)(B), may be used at the discretion of the political subdivision to reduce the property tax levy of the county, city, or town for a particular year;
(3) except as provided in subsection (b)(2)(B), may be used for any legal or corporate purpose of the political subdivision, including the pledge of money to bonds, leases, or other obligations under IC 5-1-14-4; and
(4) is considered miscellaneous revenue.
Money distributed under subsection (b)(2)(B) must be used for the purposes specified in subsection (b)(2)(B).

(l) After June 30, 2019, the amount of wagering taxes that would otherwise be distributed to South Bend under subsection (e) shall be withheld and deposited in the state general fund."
