   (i) Beginning after December 31, 2017, ten percent (10%) of the amount transferred under this clause in each calendar year shall be transferred to the South Central Indiana Regional Economic Development Corporation or a successor entity or partnership for economic development for the purpose of recruiting new business to Orange County as well as promoting the retention and expansion of existing businesses in Orange County.

   (ii) The remainder of the amount transferred under this clause in each calendar year shall be transferred to Radius Indiana or a successor regional entity or partnership for the development and implementation of a regional economic development strategy to assist the residents of Orange County and the counties contiguous to Orange County in improving their quality of life and to help promote successful and sustainable communities.
To the extent possible, the Indiana economic development corporation shall provide for the transfer under item (i) to be made in four (4) equal installments. However, an amount sufficient to meet current obligations to retire or refinance indebtedness or leases for which tax revenues under this section were pledged before January 1, 2015, by the Orange County development commission shall be paid to the Orange County development commission before making distributions to the South Central Indiana Regional Economic Development Corporation and Radius Indiana or their successor entities or partnerships. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year, the treasurer of state shall pay that part of the riverboat wagering taxes that:

1. exceeds a particular city's or county's base year revenue; and
2. would otherwise be due to the city or county under this section;

to the state general fund instead of to the city or county.

deposited into the state general fund. Except as provided in subsection (i), the amount of an entity's supplemental distribution is equal to:

   (B) the amount of any admissions taxes deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

(1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.
(2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.
(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

(1) Before July 1, 2021, forty-eight million dollars ($48,000,000).

(3) After June 30, 2021, if the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is less than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020, the maximum amount is equal to the result of:

The petition must be submitted before October 1, 2018.

(c) If a petition is submitted with the department, the department shall determine the school corporation's 2019 maximum permissible ad valorem property tax levy for its operations fund for 2019 by using a replacement amount for the capital projects fund component for purposes of IC 20-46-8-1(b), STEP ONE (C), instead of the amount specified in IC 20-46-8-1(b), STEP ONE (C). The department shall determine the replacement amount as follows:

(1) Determine the school corporation's maximum capital projects fund rate that the school corporation was authorized to use for 2017 (including any part of the rate imposed for qualified utility and insurance costs in 2017), regardless of
whether the maximum rate was actually used.

(2) Determine the school corporation's net assessed value for
the January 1, 2018, assessment date.

(3) Multiply the subdivision (1) amount by the subdivision (2)
amount.

The department shall use the amount determined in subdivision (3)
instead of the amount specified in IC 20-46-8-1(b), STEP ONE (C).

(a) (b) Subject to subsection (d), (e), an owner of new

period of ten (10) years. Except as provided in subsections (b) and (c)
and (d), and subject to subsection (d) (e) and section 14 of this chapter,

manufacturing equipment that an owner is entitled to for a particular
year equals the assessed value of the new manufacturing equipment.
Subject to subsection (d) (e) and section 14 of this chapter, for the sixth
through the tenth year, the amount of the deduction equals the product
of:
(1) the assessed value of the new manufacturing equipment;
multiplied by

(c) If a deduction is not fully allowed under subsection (b) (c) in the first year the deduction is claimed, then the percentages specified in subsection (c) (b) apply in the subsequent years to the amount of deduction that was allowed in the first year.

SECTION 23. IC 6-1.1-40-15 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2018]: Sec. 15. This chapter expires January 1, 2032.

SECTION 24. IC 6-2.5-5-52 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2018]: Sec. 52. Transactions involving the following tangible personal property that is purchased and used by a person that operates a hot mix asphalt plant are exempt from the state gross retail tax:

1. Trucks that are used to transport hot mix asphalt from that person's asphalt plant to a job site.
2. Pavers that are used to spread that person's hot mix
asphalt.

(3) Plant equipment directly used to directly produce that person's hot mix asphalt.

(4) Fuel used to operate trucks, pavers, or equipment described in subdivisions (1) through (3).

(5) Repair parts installed on trucks, pavers, or equipment described in subdivisions (1) through (3).

SECTION 25. IC 6-2.5-8-1, AS AMENDED BY P.L.245-2015, SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2019]: Sec. 1. (a) A retail merchant may not make a retail transaction in Indiana, unless the retail merchant has applied for a registered retail merchant's certificate.

(b) A retail merchant may obtain a registered retail merchant's certificate by filing an application with the department and paying a registration fee of twenty-five dollars ($25) for each place of business listed on the application. The retail merchant shall also provide such security for payment of the tax as the department may require under IC 6-2.5-6-12.

(c) The retail merchant shall list on the application the location (including the township) of each place of business where the retail merchant makes retail transactions. However, if the retail merchant does not have a fixed place of business, the retail merchant shall list the retail merchant's residence as the retail merchant's place of business. In addition, a public utility may list only its principal Indiana office as its place of business for sales of public utility commodities or service, but the utility must also list on the application the places of business where it makes retail transactions other than sales of public utility commodities or service.

(d) Upon receiving a proper application, the correct fee, and the security for payment, if required, the department shall issue to the retail merchant a separate registered retail merchant's certificate for each place of business listed on the application. Each certificate shall bear a serial number and the location of the place of business for which it is issued.

(e) If a retail merchant intends to make retail transactions during a calendar year at a new Indiana place of business, the retail merchant must file a supplemental application and pay the fee for that place of business.

(f) Except as provided in subsection (h), a registered retail merchant's certificate is valid for two (2) years after the date the registered retail merchant's certificate is originally issued or renewed. If the retail merchant has filed all returns and remitted all taxes the
retail merchant is currently obligated to file or remit, the department shall renew the registered retail merchant's certificate within thirty (30) days after the expiration date, at no cost to the retail merchant. Before issuing or renewing the registered retail merchant certification, the department may require the following to be provided:

1. The names and addresses of the retail merchant's principal employees, agents, or representatives who engage in Indiana in the solicitation or negotiation of the retail transaction.
2. The location of all of the retail merchant's places of business in Indiana, including offices and distribution houses.
3. Any other information that the department requests.

(g) The department may not renew a registered retail merchant certificate of a retail merchant who is delinquent in remitting withholding taxes required to be remitted under IC 6-3-4 or sales or use tax. The department, at least sixty (60) days before the date on which a retail merchant's registered retail merchant's certificate expires, shall notify a retail merchant who is delinquent in remitting withholding taxes required to be remitted under IC 6-3-4 or sales or use tax that the department will not renew the retail merchant's registered retail merchant's certificate.

(h)(1) If:
(2) the retail merchant pays the outstanding liability before the expiration of the retail merchant's registered retail merchant's certificate;
the department shall renew the retail merchant's registered retail merchant's certificate for one (1) year.

(i) A retail merchant engaged in business in Indiana as defined in IC 6-2.5-3-1(c) who makes retail transactions that are only subject to the use tax must obtain a registered retail merchant's certificate before making those transactions. The retail merchant may obtain the certificate by following the same procedure as a retail merchant under subsections (b) and (c), except that the retail merchant must also include on the application:

(1) the names and addresses of the retail merchant's principal employees, agents, or representatives who engage in Indiana in the solicitation or negotiation of the retail transactions;
(2) the location of all of the retail merchant's places of business in Indiana, including offices and distribution houses; and
(3) any other information that the department requests.

The department may also require that this information be updated before renewal of a registered retail merchant's certificate.

(j) The department may permit an out-of-state retail merchant to collect the use tax. However, before the out-of-state retail merchant may collect the tax, the out-of-state retail merchant must obtain a registered retail merchant's certificate in the manner provided by this section. Upon receiving the certificate, the out-of-state retail merchant becomes subject to the same conditions and duties as an Indiana retail merchant and must then collect the use tax due on all sales of tangible personal property that the out-of-state retail merchant knows is intended for use in Indiana.

(k) Except as provided in subsection (l), the department shall submit to the township assessor, or the county assessor if there is no township assessor for the township, before March 15 of each year:

(1) the name of each retail merchant that has newly obtained a registered retail merchant's certificate during the preceding year for a place of business located in the township or county; and

(2) the address of each place of business of the taxpayer in the township or county.

(l) If the duties of the township assessor have been transferred to the county assessor as described in IC 6-1.1-1-24, the department shall submit the information listed in subsection (k) to the county assessor.

Security and Railroad Retirement benefits included in a taxpayer's
federal gross income by Section 86 of the Internal Revenue Code.

(9) In the case of a nonresident taxpayer or a resident taxpayer
residing in Indiana for a period of less than the taxpayer's entire
taxable year, the total amount of the deductions allowed pursuant
to subdivisions (3), (4), and (5) shall be reduced to an amount
which bears the same ratio to the total as the taxpayer's income
taxable in Indiana bears to the taxpayer's total income.

subtract an amount equal to that portion of the individual's
adjusted gross income with respect to which the individual is not
allowed under federal law to retain an amount to pay state and
local income taxes.

(11) In the case of an eligible individual, subtract the amount of
a Holocaust victim's settlement payment included in the
individual's federal adjusted gross income.

paid during the taxable year by the taxpayer for a qualified long
term care policy (as defined in IC 12-15-39.6-5) for the taxpayer

(A) two thousand five hundred dollars ($2,500); or

(B) the amount of property taxes that are paid during the
taxable year in Indiana by the individual on the individual's
principal place of residence.

(14) Subtract an amount equal to the amount of a September 11
terrorist attack settlement payment included in the individual's
federal adjusted gross income.

(15) Add or subtract the amount necessary to make the adjusted
gross income of any taxpayer that owns property for which bonus
depreciation was allowed in the current taxable year or in an
earlier taxable year equal to the amount of adjusted gross income
that would have been computed had an election not been made
under Section 168(k) of the Internal Revenue Code to apply bonus
depreciation to the property in the year that it was placed in
service.

(16) Add an amount equal to any deduction allowed under
Section 172 of the Internal Revenue Code (concerning net
operating losses).

(17) Add or subtract the amount necessary to make the adjusted
gross income of any taxpayer that placed Section 179 property (as
defined in Section 179 of the Internal Revenue Code) in service
in the current taxable year or in an earlier taxable year equal to
the amount of adjusted gross income that would have been
computed had an election for federal income tax purposes not
been made for the year in which the property was placed in
service to take deductions under Section 179 of the Internal
Revenue Code in a total amount exceeding twenty-five thousand
dollars ($25,000).

(18) Add an amount equal to the amount that a taxpayer claimed

2011, of an applicable debt instrument, as provided in Section
108(i) of the Internal Revenue Code. Subtract the amount
necessary from the adjusted gross income of any taxpayer that

foreign income that was claimed by the taxpayer for the
taxable year under Section 965 of the Internal Revenue Code. Notwithstanding the general application of this section to taxable years beginning after December 31, 2017, the addition under this subdivision is to be made in the same taxable year that the taxpayer takes into account the increase in Subpart F income under Section 965(a) of the Internal Revenue Code and uses the reduction for deferred foreign income under Section 965 of the Internal Revenue Code, including a taxable year that begins before January 1, 2018. 39
gross income of any taxpayer that placed Section 179 property (as defined in Section 179 of the Internal Revenue Code) in service in the current taxable year or in an earlier taxable year equal to the amount of adjusted gross income that would have been computed had an election for federal income tax purposes not been made for the year in which the property was placed in service to take deductions under Section 179 of the Internal Revenue Code in a total amount exceeding twenty-five thousand dollars ($25,000).

(8) Add an amount equal to the amount that a taxpayer claimed as a deduction for domestic production activities for the taxable year under Section 199 of the Internal Revenue Code for federal income tax purposes:

SECTION 30. IC 6-3-2-2, AS AMENDED BY P.L.73-2017,
SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JANUARY 1, 2018 (RETROACTIVE)]: Sec. 2. (a) With regard to
corporations and nonresident persons, "adjusted gross income derived
from sources within Indiana", for the purposes of this article, shall
mean and include:
(1) income from real or tangible personal property located in this
state;
(2) income from doing business in this state;
(3) income from a trade or profession conducted in this state;
(4) compensation for labor or services rendered within this state;
and
(5) income from stocks, bonds, notes, bank deposits, patents,
copyrights, secret processes and formulas, goodwill, trademarks,
trade brands, franchises, and other intangible personal property to
the extent that the income is apportioned to Indiana under this
section or if the income is allocated to Indiana or considered to be
derived from sources within Indiana under this section.

Income from a pass through entity shall be characterized in a manner
consistent with the income's characterization for federal income tax
purposes and shall be considered Indiana source income as if the
person, corporation, or pass through entity that received the income had
directly engaged in the income producing activity. Income that is
derived from one (1) pass through entity and is considered to pass
through to another pass through entity does not change these
characteristics or attribution provisions. In the case of nonbusiness
income described in subsection (g), only so much of such income as is
allocated to this state under the provisions of subsections (h) through
(k) shall be deemed to be derived from sources within Indiana. In the
case of business income, only so much of such income as is
apportioned to this state under the provision of subsection (b) shall be
deemed to be derived from sources within the state of Indiana. In the case of compensation of a team member (as defined in section 2.7 of this chapter), only the portion of income determined to be Indiana income under section 2.7 of this chapter is considered derived from sources within Indiana. In the case of a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code, only so much of the income as is apportioned to Indiana under subsection (r) is considered derived from sources within Indiana.

(b) Except as provided in subsection (l), if business income of a corporation or a nonresident person is derived from sources within the state of Indiana and from sources without the state of Indiana, the business income derived from sources within this state shall be determined by multiplying the business income derived from sources both within and without the state of Indiana by the following:

(1) For all taxable years that begin after December 31, 2006, and before January 1, 2008, a fraction. The:
   (A) numerator of the fraction is the sum of the property factor plus the payroll factor plus the product of the sales factor multiplied by three (3); and
   (B) denominator of the fraction is five (5).

(2) For all taxable years that begin after December 31, 2007, and before January 1, 2009, a fraction. The:
   (A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by four and sixty-seven hundredths (4.67); and
   (B) denominator of the fraction is six and sixty-seven hundredths (6.67).

(3) For all taxable years beginning after December 31, 2008, and before January 1, 2010, a fraction. The:
   (A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by eight (8); and
   (B) denominator of the fraction is ten (10).

(4) For all taxable years beginning after December 31, 2009, and before January 1, 2011, a fraction. The:
   (A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by eighteen (18); and
   (B) denominator of the fraction is twenty (20).

(5) For all taxable years beginning after December 31, 2010, the
sales factor.

(c) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the taxable year and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the taxable year. However, with respect to a foreign corporation, the denominator does not include the average value of real or tangible personal property owned or rented and used in a place that is outside the United States. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals. The average of property shall be determined by averaging the values at the beginning and ending of the taxable year, but the department may require the averaging of monthly values during the taxable year if reasonably required to reflect properly the average value of the taxpayer's property.

(d) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the taxable year by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the taxable year. However, with respect to a foreign corporation, the denominator does not include compensation paid in a place that is outside the United States. Compensation is paid in this state if:

1. the individual's service is performed entirely within the state;
2. the individual's service is performed both within and without this state, but the service performed without this state is incidental to the individual's service within this state; or
3. some of the service is performed in this state and:
   A. the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in this state; or
   B. the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual is a resident of this state.

(e) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the taxable year, and the denominator of which is the total sales of the taxpayer everywhere during the taxable year. Sales include receipts from intangible property and receipts from the sale or exchange of intangible property. However,
with respect to a foreign corporation, the denominator does not include sales made in a place that is outside the United States. Receipts from intangible personal property are derived from sources within Indiana if the receipts from the intangible personal property are attributable to Indiana under section 2.2 of this chapter. Regardless of the f.o.b. point or other conditions of the sale, sales of tangible personal property are in this state if:

   (1) the property is delivered or shipped to a purchaser that is within Indiana, other than the United States government; or
   (2) the property is shipped from an office, a store, a warehouse, a factory, or other place of storage in this state and the purchaser is the United States government.

Gross receipts derived from commercial printing as described in IC 6-2.5-1-10 and from the sale of computer software shall be treated as sales of tangible personal property for purposes of this chapter. For a taxable year in which a taxpayer is required to include income as a result of Section 965 of the Internal Revenue Code, receipts from income that is included in federal adjusted gross income or federal taxable income as a result of Sections 951A and 965 of the Internal Revenue Code shall be included in the taxable year in which the income is included in the taxpayer's federal adjusted gross income or federal taxable income, regardless of the taxable year in which the money or property was actually received. Receipts under this section and section 2.2 of this chapter do not include receipts derived from sources outside the United States to the extent the taxpayer is allowed a deduction or exclusion in determining both the taxpayer's federal taxable income as a result of the federal Tax Cuts and Jobs Act of 2017 and the taxpayer's adjusted gross income under this chapter.

(f) Sales, other than receipts from intangible property covered by subsection (e) and sales of tangible personal property, are in this state if:

   (1) the income-producing activity is performed in this state; or
   (2) the income-producing activity is performed both within and without this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(g) Rents and royalties from real or tangible personal property, capital gains, interest, dividends, or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in subsections (h) through (k).

   (h)(1) Net rents and royalties from real property located in this state
are allocable to this state.

(2) Net rents and royalties from tangible personal property are allocated to this state:

(i) if and to the extent that the property is utilized in this state; or
(ii) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year, and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(i)(1) Capital gains and losses from sales of real property located in this state are allocable to this state.

(2) Capital gains and losses from sales of tangible personal property are allocable to this state if:

(i) the property had a situs in this state at the time of the sale; or
(ii) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(3) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(j) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

(k)(1) Patent and copyright royalties are allocable to this state:

(i) if and to the extent that the patent or copyright is utilized by the taxpayer in this state; or
(ii) if and to the extent that the patent or copyright is utilized by the taxpayer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the
taxpayer's commercial domicile is located.

(3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(l) If the allocation and apportionment provisions of this article do not fairly represent the taxpayer's income derived from sources within the state of Indiana, the taxpayer may petition for or the department may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

(1) separate accounting;
(2) for a taxable year beginning before January 1, 2011, the exclusion of any one (1) or more of the factors, except the sales factor;
(3) the inclusion of one (1) or more additional factors which will fairly represent the taxpayer's income derived from sources within the state of Indiana; or
(4) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

Notwithstanding IC 6-8.1-5-1(c), a taxpayer petitioning for, or the department requiring, the use of an alternative method to effectuate an equitable allocation and apportionment of the taxpayer's income under this subsection bears the burden of proof that the allocation and apportionment provisions of this article do not fairly represent the taxpayer's income derived from sources within this state and that the alternative method to the allocation and apportionment provisions of this article is reasonable.

(m) In the case of two (2) or more organizations, trades, or businesses owned or controlled directly or indirectly by the same interests, the department shall distribute, apportion, or allocate the income derived from sources within the state of Indiana between and among those organizations, trades, or businesses in order to fairly reflect and report the income derived from sources within the state of Indiana by various taxpayers.

(n) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if:

(1) in that state the taxpayer is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or
(2) that state has jurisdiction to subject the taxpayer to a net
income tax regardless of whether, in fact, the state does or does not.

(o) Notwithstanding subsections (l) and (m), the department may not, under any circumstances, require that income, deductions, and credits attributable to a taxpayer and another entity be reported in a combined income tax return for any taxable year, if the other entity is:

(1) a foreign corporation; or
(2) a corporation that is classified as a foreign operating corporation for the taxable year by section 2.4 of this chapter.

(p) Notwithstanding subsections (l) and (m), the department may not require that income, deductions, and credits attributable to a taxpayer and another entity not described in subsection (o)(1) or (o)(2) be reported in a combined income tax return for any taxable year, unless the department is unable to fairly reflect the taxpayer's adjusted gross income for the taxable year through use of other powers granted to the department by subsections (l) and (m).

(q) Notwithstanding subsections (o) and (p), one (1) or more taxpayers may petition the department under subsection (l) for permission to file a combined income tax return for a taxable year. The petition to file a combined income tax return must be completed and filed with the department not more than thirty (30) days after the end of the taxpayer's taxable year. A taxpayer filing a combined income tax return must petition the department within thirty (30) days after the end of the taxpayer's taxable year to discontinue filing a combined income tax return.

(r) This subsection applies to a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code. The corporation's adjusted gross income that is derived from sources within Indiana is determined by multiplying the corporation's adjusted gross income by a fraction:

(1) the numerator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks in the state; and
(2) the denominator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks everywhere.

The term "direct premiums and annuity considerations" means the gross premiums received from direct business as reported in the corporation's annual statement filed with the department of insurance.

(s) This subsection applies to receipts derived from motorsports racing.
(1) Any purse, prize money, or other amounts earned for placement or participation in a race or portion thereof, including qualification, shall be attributed to Indiana if the race is conducted in Indiana.

(2) Any amounts received from an individual or entity as a result of sponsorship or similar promotional consideration for one (1) or more races shall be in this state in the amount received, multiplied by the following fraction:

(A) The numerator of the fraction is the number of racing events for which sponsorship or similar promotional consideration has been paid in a taxable year and that occur in Indiana.

(B) The denominator of the fraction is the total number of racing events for which sponsorship or similar promotional consideration has been paid in a taxable year.

(3) Any amounts earned as an incentive for placement or participation in one (1) or more races and that are not covered under subdivision (1) or (2) or under IC 6-3-2-3.2 shall be attributed to Indiana in the proportion of the races that occurred in Indiana.

This subsection, as enacted in 2013, is intended to be a clarification of the law and not a substantive change in the law.

SECTION 31. IC 6-3-2-2.2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2018 (RETROACTIVE)]:

Sec. 2.2. (a) Interest income and other receipts from assets in the nature of loans or installment sales contracts that are primarily secured by or deal with real or tangible personal property are attributable to this state if the security or sale property is located in Indiana.

(b) Interest income and other receipts from consumer loans not secured by real or tangible personal property are attributable to this state if the loan is made to a resident of Indiana, whether at a place of business, by a traveling loan officer, by mail, by telephone, or by other electronic means.

(c) Interest income and other receipts from commercial loans and installment obligations not secured by real or tangible personal property are attributable to this state if the proceeds of the loan are to be applied in Indiana. If it cannot be determined where the funds are to be applied, the income and receipts are attributable to the state in which the business applied for the loan. As used in this section, "applied for" means initial inquiry (including customer assistance in preparing the loan application) or submission of a completed loan application, whichever occurs first.
(d) Interest income, merchant discount, and other receipts including service charges from financial institution credit card and travel and entertainment credit card receivables and credit card holders' fees are attributable to the state to which the card charges and fees are regularly billed.

(e) Receipts from the performance of fiduciary and other services are attributable to the state in which the benefits of the services are consumed. If the benefits are consumed in more than one (1) state, the receipts from those benefits are attributable to this state on a pro rata basis according to the portion of the benefits consumed in Indiana.

(f) Receipts from the issuance of traveler's checks, money orders, or United States savings bonds are attributable to the state in which the traveler's checks, money orders, or bonds are purchased.

(g) Receipts in the form of dividends from investments are attributable to this state if the taxpayer's commercial domicile is in Indiana. For a taxable year in which a taxpayer is required to include income as a result of Section 965 of the Internal Revenue Code, receipts from income that is included in federal adjusted gross income or federal taxable income as a result of Sections 951A and 965 of the Internal Revenue Code shall be considered dividends from investments and shall be included in the taxable year in which the income is included in the taxpayer's federal adjusted gross income or federal taxable income, regardless of the taxable year in which the money or property was actually received.

SECTION 32. IC 6-3-2-2.5, AS AMENDED BY THE TECHNICAL CORRECTIONS BILL OF THE 2018 GENERAL ASSEMBLY, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2018 (RETROACTIVE)]: Sec. 2.5. (a) This section applies to a resident person.

(b) Resident persons are entitled to a net operating loss deduction. The amount of the deduction taken in a taxable year may not exceed the taxpayer's unused Indiana net operating losses carried over to that year. A taxpayer is not entitled to carryback any net operating losses after December 31, 2011.

(c) An Indiana net operating loss equals the taxpayer's federal net operating loss for a taxable year as calculated under Section 172 of the Internal Revenue Code, adjusted for certain modifications required by IC 6-3-1-3.5 as set forth in subsection (d)(1).

(d) The following provisions apply for purposes of subsection (c):

(1) The modifications that are to be applied are those modifications required under IC 6-3-1-3.5 for the same taxable year in which each net operating loss was incurred, except that the
modifications do not include the modifications required under:

(A) IC 6-3-1-3.5(a)(3);
(B) IC 6-3-1-3.5(a)(4);
(C) IC 6-3-1-3.5(a)(5);

(c) Subject to the limitations contained in subsection (g), an Indiana net operating loss carryover shall be available as a deduction from the taxpayer's adjusted gross income (as defined in IC 6-3-1-3.5) in the carryover year provided in subsection (f).

(f) Carryovers shall be determined under this subsection as follows:

(1) An Indiana net operating loss shall be an Indiana net operating loss carryover to each of the carryover years following the taxable year of the loss.

An Indiana net operating loss may not be carried over for more than twenty (20) taxable years after the taxable year of the loss.

(g) The entire amount of the Indiana net operating loss for any taxable year shall be carried to the earliest of the taxable years to which (as determined under subsection (f)) the loss may be carried. The amount of the Indiana net operating loss remaining after the deduction is taken under this section in a taxable year may be carried over as provided in subsection (f). The amount of the Indiana net operating loss carried over from year to year shall be reduced to the extent that the Indiana net operating loss carryover is used by the taxpayer to obtain a deduction in a taxable year until the occurrence of the earlier of the following:

(1) The entire amount of the Indiana net operating loss has been used as a deduction.
(2) The Indiana net operating loss has been carried over to each of the carryover years provided by subsection (f).

(d) The following provisions apply for purposes of subsection (c):

(L) IC 6-3-1-3.5(f)(11).

(2) The amount of the taxpayer's net operating loss that is derived from sources within Indiana shall be determined in the same manner that the amount of the taxpayer's adjusted gross income derived from sources within Indiana is determined under section 2 of this chapter for the same taxable year during which each loss was incurred.

(3) An Indiana net operating loss includes a net operating loss that arises when the applicable modifications required by IC 6-3-1-3.5 as set forth in subdivision (1) exceed the taxpayer's federal taxable income (as defined in Section 63 of the Internal Revenue Code), if the taxpayer is a corporation, or when the applicable

(2) an insurance company subject to tax under Section 831 of the Internal Revenue Code.

multiplied by

(2) the percentage prescribed in subsection (c), (d), or (e), as the
case may be.

(c) The percentage referred to in subsection (b)(2) is one hundred

(d) The percentage referred to in subsection (b)(2) is eighty-five

of:
(1) the taxpayer's export income; divided by
(2) the taxpayer's gross receipts from the sale, transfer, or
exchange of tangible personal property, regardless of its
destination.

(c) As used in this section, "taxpayer" means a person or corporation
that has export income.

(d) The ports of Indiana established by IC 8-10-1-3 shall notify the
department when a maritime opportunity district is established under
IC 6-1.1-40 (before its expiration). The notice must include:
(1) the resolution passed by the commission to establish the
district; and
(2) a list of all taxpayers located in the district.

(e) The ports of Indiana shall also notify the department of any
subsequent changes in the list of taxpayers located in the district.

(f) A taxpayer is entitled to a deduction from the taxpayer's adjusted
gross income in an amount equal to the lesser of:
(1) the taxpayer's adjusted gross income; or
(2) the product of the export sales ratio multiplied by the
percentage set forth in subsection (g).

(g) The percentage to be used in determining the amount a taxpayer
is entitled to deduct under this section depends upon the number of
years that the taxpayer could have taken a deduction under this section.
The percentage to be used in subsection (f) is as follows:

<table>

(h) The department shall determine, for each taxpayer claiming a
deduction under this section, the taxpayer's export sales ratio for
purposes of IC 6-1.1-40. The department shall certify the amount of the
ratio to the department of local government finance.

(2) For a corporation whose federal tax return is due on or after the date set forth in subdivision (1), as determined without regard to any extensions, weekends, or holidays, the 15th day of the month following the due date of the federal tax return.

However, if the due date for a federal income tax return is extended by the Internal Revenue Service to a date that is later than the date specified in subdivision (1) or (2) (as applicable), the department may extend the due date of a return required to be made under section 1 of this chapter to the due date permitted for the federal income tax return.

SECTION 38. IC 6-3-4-8.2, AS AMENDED BY P.L.182-2009(ss), SECTION 200, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2018]: Sec. 8.2. (a) Each person in Indiana who is required under the Internal Revenue Code to withhold federal tax from winnings shall deduct and retain adjusted gross income tax at the time and in the amount described in withholding instructions issued by the department.

(b) In addition to amounts withheld under subsection (a), every person engaged in a gambling operation (as defined in IC 4-33-2-10) or a gambling game (as defined in IC 4-35-2-5) and making a payment in the course of the gambling operation (as defined in IC 4-33-2-10) or a gambling game (as defined in IC 4-35-2-5) of:

(2) winnings (reduced by the wager) valued at one thousand five hundred dollars ($1,500) or more from a keno game;

shall deduct and retain adjusted gross income tax at the time and in the amount described in withholding instructions issued by the department. The department's instructions must provide that amounts withheld shall be paid to the department before the close of the business day following the day the winnings are paid, actually or constructively, on the twenty-fourth calendar day of each month. Any taxes collected during the month after the day on which the taxes are required to be paid shall be paid to the department at the same time the following month's taxes are due. Slot machine and keno winnings
from a gambling operation (as defined in IC 4-33-2-10) or a gambling
game (as defined in IC 4-35-2-5) that are reportable for federal income
tax purposes shall be treated as subject to withholding under this
section, even if federal tax withholding is not required.

(c) The adjusted gross income tax due on prize money or prizes:
(1) received from a winning lottery ticket purchased under
IC 4-30; and
(2) exceeding one thousand two hundred dollars ($1,200) in
value;
shall be deducted and retained at the time and in the amount described
in withholding instructions issued by the department, even if federal
withholding is not required.

(d) In addition to the amounts withheld under subsection (a), a
qualified organization (as defined in IC 4-32.2-2-24(a)) that awards a
prize under IC 4-32.2 exceeding one thousand two hundred dollars ($1,

the business day following the day the winnings are paid, actually or

SECTION 39. IC 6-3.1-21-6, AS AMENDED BY P.L.242-2015,
SECTION 23, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JANUARY 1, 2018 (RETROACTIVE)]: Sec. 6. (a) Except as provided
by subsections (b), (d), and (e), an individual who is
eligible for an earned income tax credit under Section 32 of the Internal
Revenue Code as it existed before being amended by the Tax Relief,
Unemployment Insurance Reauthorization, and Job Creation Act of
2010 (P.L. 111-312), is eligible for a credit under this chapter equal to
nine percent (9%) of the amount of the federal earned income tax credit
that the individual:
(1) is eligible to receive in the taxable year; and
(2) claimed for the taxable year;
under Section 32 of the Internal Revenue Code as it existed before
being amended by the Tax Relief, Unemployment Insurance
Reauthorization, and Job Creation Act of 2010 (P.L. 111-312).

(b) In the case of a nonresident taxpayer or a resident taxpayer
residing in Indiana for a period of less than the taxpayer’s entire taxable
year, the amount of the credit is equal to the product of:
(1) the amount determined under subsection (a); multiplied by
(2) the quotient of the taxpayer’s income taxable in Indiana
divided by the taxpayer’s total income.
(c) If the credit amount exceeds the taxpayer's adjusted gross income tax liability for the taxable year, the excess shall be refunded to the taxpayer.

(d) If a taxpayer properly elects to determine the taxpayer's earned income in accordance with the federal Bipartisan Budget Act of 2018 for purposes of the credit under Section 32 of the Internal Revenue Code for a taxable year beginning after December 31, 2016, the election shall be treated as being made for purposes of the credit under this chapter.

(e) The minimum earned income amounts and phaseout threshold amounts for the credit under this section are subject to the same cost of living adjustments provided in the Internal Revenue Code.

SECTION 40. IC 6-3.6-3-1, AS AMENDED BY P.L.180-2016, SECTION 15, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. (a) The following is the adopting body for a county:

1. The local income tax council in a county in which the county income tax council adopted either:
   (A) a county option income tax under IC 6-3.5-6 (repealed) that was in effect on January 1, 2015; or
   (B) a county economic development income tax for the county under IC 6-3.5-7 (repealed) that was in effect on January 1, 2015.

2. The county fiscal body in any other county.

3. The county fiscal body for purposes of adopting a rate dedicated to paying for a PSAP in the county as permitted by IC 6-3.6-6-2.5.

4. The county fiscal body for purposes of adopting a rate dedicated to paying for correctional facilities and rehabilitation facilities in the county as permitted by IC 6-3.6-6-2.7.

(b) A local income tax council is established for each county. The membership of each county's local income tax council consists of the fiscal body of the county and the fiscal body of each city or town that lies either partially or entirely within that county.

SECTION 41. IC 6-3.6-5-6, AS AMENDED BY THE TECHNICAL CORRECTIONS BILL OF THE 2018 GENERAL ASSEMBLY, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2018 (RETROACTIVE)]: Sec. 6. (a) This section applies to all counties.

(b) The adopting body may impose a tax rate under this chapter that
does not exceed one and twenty-five hundredths percent (1.25%) on the
adjusted gross income of local taxpayers in the county served by the
adopting body.
(c) Revenues from a tax under this section may be used only for the
purpose of funding a property tax credit applied on a percentage basis
to reduce the property tax liability of taxpayers with tangible property
located in the county as authorized under this section. Property taxes
imposed due to a referendum in which a majority of the voters in the
taxing unit imposing the property taxes approved the property taxes are
not eligible for a credit under this section. However, IC 6-3.6-11-2
applies in Jasper County.
(d) The adopting body shall specify by ordinance how the revenue
from the tax shall be applied under subdivisions (1) through (4) to
provide property tax credits in subsequent years. The allocation must
be specified as a percentage of property tax relief revenue for
taxpayers within each property category. The ordinance must be
adopted before July 1 and first applies in the following year and then
as provided in IC 6-3.6-3 and takes effect and applies to property taxes
as specified in IC 6-3.6-3. The ordinance continues to apply
thereafter until it is rescinded or modified. The property tax credits may
be allocated to all property categories or among any combination of
the following categories:
   (1) For homesteads eligible for a credit under IC 6-1.1-20.6-7.5
       that limits the taxpayer's property tax liability for the property to
       one percent (1%).
   (2) For residential property, long term care property, agricultural
       land, and other tangible property (if any) eligible for a credit
       under IC 6-1.1-20.6-7.5 that limits the taxpayer's property tax
       liability for the property to two percent (2%).
   (3) For the following types of property as a single category:
      (A) residential property, as defined in IC 6-1.1-20.6-4.
      (B) Real property; a mobile home; and industrialized housing
          that would qualify as a homestead if the taxpayer had filed for
          a homestead credit under IC 6-1.1-20.9 (repealed) or the
          standard deduction under IC 6-1.1-12-37.
      (C) Real property consisting of units that are regularly used to
          rent or otherwise furnish residential accommodations for
          periods of at least thirty (30) days; regardless of whether the
          tangible property is subject to assessment under rules of the
          department of local government finance that apply to:
              (i) residential property; or
              (ii) commercial property.
(4) For nonresidential real property, personal property, and other tangible property (if any) eligible for a credit under IC 6-1.1-20.6-7.5 that limits the taxpayer’s property tax liability for the property to three percent (3%). However, IC 6-3.6-11-2 applies in Jasper County.

(c) Within a category described in subsection (d) for which an ordinance grants property tax credits, the property tax credit rate must be a uniform percentage for all qualifying taxpayers with property in that category in the county. The credit percentage may be, but does not have to be, uniform for all categories of property listed in subsection (d). The total of all tax credits granted under this section for a year may not exceed the amount of revenue raised by the tax imposed under this section. If the amount available in a year for property tax credits under this section is less than the amount necessary to provide all the property tax credits authorized by the adopting body, the county auditor shall reduce the property tax credits granted to eliminate the excess. The county auditor shall reduce credits within the categories described in subsection (d)(1) through (d)(4) as follows:

1. First, against property taxes imposed on property described in subsection (d)(4);
2. Second, if an excess remains after applying the reduction as described in subdivision (1), against property taxes imposed on property described in subsection (d)(3);
3. Third, if an excess remains after applying the reduction as described in subdivisions (1) and (2), against property taxes imposed on property described in subsection (d)(2);
4. Fourth, if an excess remains after applying the reduction as described in subdivisions (1) through (3), against property taxes imposed on property described in subsection (d)(1);

(f) The total of all tax credits granted under this section for a year may not exceed the amount authorized by the adopting body. If the amount available in a year for property tax credits under this section is greater than the amount necessary to provide all the property tax credits authorized by the adopting body, the county auditor shall retain and apply the excess as necessary to provide the property tax credits authorized by the adopting body for the following year. The adopting body may adopt an ordinance that directs to which categories described in subsection (d) the excess is to be uniformly applied.

(g) The county auditor shall allocate the amount of revenue applied as tax credits under this section to the taxing units that imposed the eligible property taxes against which the credits are applied.

(h) If the adopting body adopts an ordinance to reduce or
eliminate the property tax relief credits that are in effect in the county under this chapter, the county auditor shall give notice of the adoption of the ordinance in accordance with IC 5-3-1 not later than thirty (30) days after the date on which the ordinance is adopted.

SECTION 42. IC 6-3.6-6-2.7 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2.7. (a) A county fiscal body may adopt an ordinance to impose a tax rate for correctional facilities and rehabilitation facilities in the county. The tax rate must be in increments of one-hundredth of one percent (0.01%) and may not exceed two-tenths of one percent (0.2%). The tax rate may not be in effect for more than twenty (20) years.

(b) The revenue generated by a tax rate imposed under this section must be distributed directly to the county before the remainder of the expenditure rate revenue is distributed. The revenue shall be maintained in a separate dedicated county fund and used by the county only for paying for correctional facilities and rehabilitation facilities in the county.

SECTION 43. IC 6-3.6-6-3, AS AMENDED BY P.L.247-2017, SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3. (a) Revenue raised from a tax imposed under this chapter shall be treated as follows:

(1) To make the following distributions:

(A) If an ordinance described in section 2.5 of this chapter is in effect in a county, to make a distribution to the county equal to the amount of revenue generated by the rate imposed under section 2.5 of this chapter.

(B) If an ordinance described in section 2.7 of this chapter is in effect in a county, to make a distribution to the county equal to the amount of revenue generated by the rate imposed under section 2.7 of this chapter.

(2) After making the distribution described in subdivision (1), if any, to make distributions to school corporations and civil taxing units in counties that formerly imposed a tax under IC 6-3.5-1.1 (repealed). The revenue categorized from the next twenty-five hundredths percent (0.25%) of the rate for a former tax adopted under IC 6-3.5-1.1 (repealed) shall be allocated to school corporations and civil taxing units. The amount of the allocation to a school corporation or civil taxing unit shall be determined using the allocation amounts for civil taxing units and school corporations in the county.

(3) After making the distributions described in subdivisions (1)
and (2), the remaining revenue shall be treated as additional
revenue (referred to as "additional revenue" in this chapter).

Additional revenue may not be considered by the department of
local government finance in determining:

(A) any taxing unit's maximum permissible property tax levy
limit under IC 6-1.1-18.5; or

(B) the approved property tax rate for any fund.

(b) In the case of a civil taxing unit that has pledged the tax from
additional revenue for the payment of bonds, leases, or other
obligations as reported by the civil taxing unit under IC 5-1-18, the
adopter body may not, under section 4 of this chapter, reduce the
proportional allocation of the additional revenue that was allocated in
the preceding year if the reduction for that year would result in an
amount less than the amount necessary for the payment of bonds,
leases, or other obligations payable or required to be deposited in a
sinking fund or other reserve in that year for the bonds, leases, or other
obligations for which the tax from additional revenue has been pledged.

To inform an adopting body with regard to allocations that affect the
payment of bonds, leases, or other obligations, a taxing unit may
provide the adopting body with information regarding any outstanding
bonds, leases, or other obligations that are secured by additional
revenue. The information must be provided before the date of the
public hearing at which the adopting body may change the allocation
of additional revenue under section 4 of this chapter.

SECTION 44. IC 6-3.6-9-10, AS AMENDED BY P.L.239-2017,
SECTION 16, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
UPON PASSAGE]: Sec. 10. The budget agency shall also certify
information concerning the part of the certified distribution that is
attributable to each of the following:

(1) The tax rate imposed under IC 6-3.6-5.

(2) The tax rate imposed under IC 6-3.6-6, separately stating:

(A) the part of the distribution attributable to a tax rate imposed
under IC 6-3.6-6-2.5; and

(B) the part of the distribution attributable to a tax rate
imposed under IC 6-3.6-6-2.7.

(3) Each tax rate imposed under IC 6-3.6-7.

(4) In the case of Marion County, the local income taxes paid by
local taxpayers described in IC 6-3.6-2-13(3).

The amount certified shall be adjusted to reflect any adjustment in the
certified distribution under this chapter.

SECTION 45. IC 6-3.6-11-2, AS ADDED BY P.L.243-2015,
SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JANUARY 1, 2018 (RETROACTIVE): Sec. 2. (a) This section applies to Jasper County's allocation of property tax credits provided by a tax rate under IC 6-3.6-5.

(b) A taxpayer that owns an industrial plant located in Jasper County is ineligible for a credit under IC 6-3.6-5 against the property taxes due on the industrial plant if the assessed value of the industrial plant as of March 1, 2006, exceeded twenty percent (20%) of the total assessed value of all taxable property in the county on that date. The general assembly finds that the provisions of this subsection are necessary because the industrial plant represents such a large percentage of Jasper County's assessed valuation.

c) The adopting body may adopt an ordinance to provide that property taxes are eligible for a credit under IC 6-3.6-5-6 if the property taxes are imposed due to a referendum in which a majority of the voters in the taxing unit imposing the property taxes approved, before July 1, 2015, the property taxes and a credit had been applied to these property taxes before January 1, 2017. Notwithstanding IC 6-3.6-3-3, the ordinance may take effect and the credit may be applied beginning in 2018 if the ordinance is adopted and delivered to the auditor of state and the department of local government finance on or before March 26, 2018. In addition, if the ordinance is adopted to provide a credit beginning in 2018, the county auditor does not have to comply with the deadline of March 15, 2018, for the tax duplicate under IC 6-1.1-22-3 or the abstract of property under IC 6-1.1-22-5 but shall:

(1) prepare the tax duplicate required by IC 6-1.1-22-3; and
(2) deliver to the auditor of state and the county treasurer the certified copy of the abstract of property required by IC 6-1.1-22-5;
as soon as practicable.

SECTION 46. IC 6-5.5-1-2, AS AMENDED BY P.L.250-2015, SECTION 42, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2018 (RETROACTIVE)]: Sec. 2. losses or net capital losses.

Code.
(G) Add the amount necessary to make the adjusted gross
income of any taxpayer that owns property for which bonus
depreciation was allowed in the current taxable year or in an
earlier taxable year equal to the amount of adjusted gross
income that would have been computed had an election not
been made under Section 168(k) of the Internal Revenue Code
to apply bonus depreciation to the property in the year that it
was placed in service.
(H) Add the amount necessary to make the adjusted gross
income of any taxpayer that placed Section 179 property (as
defined in Section 179 of the Internal Revenue Code) in service

computed had an election for federal income tax purposes not
been made for the year in which the property was placed in
service to take deductions under Section 179 of the Internal
Revenue Code in a total amount exceeding twenty-five

(2) Subtract the following amounts:

(A) Income that the United States Constitution or any statute of the United States prohibits from being used to measure the tax imposed by this chapter.

(B) Income that is derived from sources outside the United States, as defined by the Internal Revenue Code.

(C) An amount equal to a debt or part of a debt that becomes worthless, as permitted under Section 166(a) of the Internal Revenue Code.

(D) An amount equal to any bad debt reserves that are included in federal income because of accounting method changes required by Section 585(c)(3)(A) or Section 593 of the Internal Revenue Code.

(E) The amount necessary to make the adjusted gross income of any taxpayer that owns property for which bonus depreciation was allowed in the current taxable year or in an earlier taxable year equal to the amount of adjusted gross income that would have been computed had an election not been made under Section 168(k) of the Internal Revenue Code to apply bonus depreciation.

(F) The amount necessary to make the adjusted gross income of any taxpayer that placed Section 179 property (as defined in Section 179 of the Internal Revenue Code) in service in the current taxable year or in an earlier taxable year equal to the

Revenue Code in a total amount exceeding twenty-five
thousand dollars ($25,000).

(G) Income that is:

investment contracts issued by the company and held by residents
of Indiana; divided by

(b) The county executive may adopt an ordinance providing that the medical care trust board is subject to this section.

(c) After the effective date of an ordinance adopted under subsection (b), the medical care trust board may do the following:

(1) Approve and the treasurer may disburse payment of a claim against the trust for payment of hospital and medical services provided to an indigent person and reasonable administrative expenses, without the necessity of filing a claim with the county auditor for approval by the county executive.

(2) Except as provided in section 19.5 of this chapter, invest the funds of the trust:

(A) in accordance with IC 5-13-9 and guidelines adopted by the board under IC 5-13-9-1; and

(B) without being subject to guidelines adopted by the county executive under IC 5-13-9-1.

SECTION 52. IC 16-22-3-19.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2018]: Sec. 19.5. limitations in the investment policy statement.

(e) The total amount of the funds invested by the corporation in
equity securities under this section may not exceed fifty-five
percent (55%) of the total value of the portfolio of funds invested
by the corporation under this section. However:
(1) an investment that complies with this subsection when the
investment is made remains legal even if a subsequent change
in the value of the investment or a change in the value of the
total portfolio of funds invested by the corporation causes the
percentage of investments in equity securities to exceed the
fifty-five percent (55%) limit on equity securities; and
(2) if the total amount of the funds invested by a corporation
in equity securities exceeds the fifty-five percent (55%) limit
on equity securities because of a change described in
subdivision (1), the investments by the corporation must be

The board of directors of the corporation shall by majority vote select the three (3) depositories from which the three (3) nonvoting advisors will be chosen. Each of the three (3) depositories selected under this subdivision shall select an officer of the depository to serve as one (1) of the three (3) nonvoting advisors. Each nonvoting advisor shall serve a term of three (3) years, and the nonvoting advisor shall continue to serve until a successor is selected. However, to provide for staggered terms, the board of directors of the corporation shall provide that the initial term of one (1) nonvoting advisor is one (1) year, the initial term of one (1) nonvoting advisor is two (2) years, and the initial term of one (1) nonvoting advisor is three (3) years.

For purposes of avoiding a conflict of interest, a financial institution for which a nonvoting advisor is an officer (and any affiliate of such a financial institution) may not receive a commission or other compensation for investments made by the corporation under this section.

The investment policy statement must include the limitation on the investment in equities specified in subsection (e).
(d) Money held by the trust:

(1) may be invested in any legal, marketable securities; and

(2) is not subject to any other investment limitations in the law; other than the limitations under this section and the limitations in
the investment policy statement:

(c) The total amount of the funds invested by a trust in equity
securities under this section may not exceed fifty-five percent (55%) of
the total value of the portfolio of funds invested by the trust under this
section. However:

(1) an investment that complies with this subsection when the
investment is made remains legal even if a subsequent change in
the value of the investment or a change in the value of the total
portfolio of funds invested by the trust causes the percentage of
investments in equity securities to exceed the fifty-five percent

calendar year, that excess investment income shall, for purposes
of this section, be added to and be considered a part of the
principal amount of the trust:

(2) An expenditure or transfer of any money that is part of the
principal amount of the trust may be made only upon unanimous
approval of the trustees:

(3) The trust must be audited annually by an independent third
party auditor:

(4) The trustees must meet at least quarterly to receive a quarterly
compliance and performance update from the investment advisor:

(5) Three (3) nonvoting advisors who are officers of different
county designated depositories shall attend the quarterly meetings
in an advisory capacity to assist the trustees:

(A) in reviewing the compliance and performance report from
the investment advisor; and

(B) in reviewing the annual audit required by subdivision (3):
The three (3) nonvoting advisors may not vote on any action of
the board of trustees. The trustees shall by majority vote select the
three (3) depositories from which the three (3) nonvoting advisors
will be chosen. Each of the three (3) depositories selected under
this subdivision shall select an officer of the depository to serve
as one (1) of the three (3) nonvoting advisors. Each nonvoting
advisor shall serve a term of three (3) years; and the nonvoting
advisor shall continue to serve until a successor is selected:
However, to provide for staggered terms; the trustees shall
provide that the initial term of one (1) nonvoting advisor is one
(1) year; the initial term of one (1) nonvoting advisor is two (2)
years; and the initial term of one (1) nonvoting advisor is three (3)
years. For purposes of avoiding a conflict of interest; a financial
institution for which a nonvoting advisor is an officer (and any

       (5) To carry out any governmental purpose for which the money
           is appropriated by the fiscal body of the city, town, or county.
           Money used under this subdivision does not reduce the property
           tax levy of the city, town, or county for a particular year or reduce
the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(g) Before July 15 of each year, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year. (3) After June 30, 2021, if the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is less than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020, the maximum amount is equal to the result of:

If the total amount determined under subsection (g) exceeds the maximum amount determined under this subsection, the amount distributed to an entity under subsection (g) must be reduced according to the ratio that the amount distributed to the entity under IC 4-33-12-6 or IC 4-33-12-8 bears to the total amount distributed under IC 4-33-12-6 and IC 4-33-12-8 to all entities receiving a supplemental distribution.

(j) This subsection applies to a supplemental distribution, if any, payable to Lake County, Hammond, Gary, or East Chicago under subsections (g) and (i). subsection expires June 30, 2021.

Subtract from the adjusted gross income of any taxpayer that added an amount to adjusted gross income in a previous year the amount necessary to offset the amount included in federal gross income as a result of the deferral of income arising from business indebtedness discharged in connection with the reacquisition after December 31, 2008, and before January 1, 2011, of an applicable debt instrument, as provided in Section 108(i) of the Internal Revenue Code.

(a) The term "Internal Revenue Code" means the Internal Revenue Code of 1986 of the United States as amended and in effect on January 1, 2016, February 11, 2018.

(b) Whenever the Internal Revenue Code is mentioned in this article, the particular provisions that are referred to, together with all the other provisions of the Internal Revenue Code in effect on January 1, 2016, February 11, 2018, that pertain to the provisions specifically mentioned, shall be regarded as incorporated in this article by reference and have the same force and effect as though fully set forth in this article. "SECTION 29. IC 6-3-2-2, AS AMENDED BY P.L.73-2017,
SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2018 (RETOACTIVE)]: Sec. 2. (a) With regard to corporations and nonresident persons, "adjusted gross income derived from sources within Indiana", for the purposes of this article, shall mean and include:

(1) income from real or tangible personal property located in this state;
(2) income from doing business in this state;
(3) income from a trade or profession conducted in this state;
(4) compensation for labor or services rendered within this state; and
(5) income from stocks, bonds, notes, bank deposits, patents, copyrights, secret processes and formulas, good will, trademarks, trade brands, franchises, and other intangible personal property to the extent that the income is apportioned to Indiana under this section or if the income is allocated to Indiana or considered to be derived from sources within Indiana under this section.

Income from a pass through entity shall be characterized in a manner consistent with the income's characterization for federal income tax purposes and shall be considered Indiana source income as if the person, corporation, or pass through entity that received the income had directly engaged in the income producing activity. Income that is derived from one (1) pass through entity and is considered to pass through to another pass through entity does not change these characteristics or attribution provisions. In the case of nonbusiness income described in subsection (g), only so much of such income as is allocated to this state under the provisions of subsections (h) through (k) shall be deemed to be derived from sources within Indiana. In the case of business income, only so much of such income as is apportioned to this state under the provision of subsection (b) shall be deemed to be derived from sources within the state of Indiana. In the case of compensation of a team member (as defined in section 2.7 of this chapter), only the portion of income determined to be Indiana income under section 2.7 of this chapter is considered derived from sources within Indiana. In the case of a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code, only so much of the income as is apportioned to Indiana under subsection (r) is considered derived from sources within Indiana.

(b) Except as provided in subsection (l), if business income of a corporation or a nonresident person is derived from sources within the
state of Indiana and from sources without the state of Indiana, the business income derived from sources within this state shall be determined by multiplying the business income derived from sources both within and without the state of Indiana by the following:

1) For all taxable years that begin after December 31, 2006, and before January 1, 2008, a fraction. The:
   (A) numerator of the fraction is the sum of the property factor plus the payroll factor plus the product of the sales factor multiplied by three (3); and
   (B) denominator of the fraction is five (5).
2) For all taxable years that begin after December 31, 2007, and before January 1, 2009, a fraction. The:
   (A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by four and sixty-seven hundredths (4.67); and
   (B) denominator of the fraction is six and sixty-seven hundredths (6.67).
3) For all taxable years beginning after December 31, 2008, and before January 1, 2010, a fraction. The:
   (A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by eight (8); and
   (B) denominator of the fraction is ten (10).
4) For all taxable years beginning after December 31, 2009, and before January 1, 2011, a fraction. The:
   (A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by eighteen (18); and
   (B) denominator of the fraction is twenty (20).
5) For all taxable years beginning after December 31, 2010, the sales factor.

c) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the taxable year and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the taxable year. However, with respect to a foreign corporation, the denominator does not include the average value of real or tangible personal property owned or rented and used in a place that is outside the United States. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer.
less any annual rental rate received by the taxpayer from subrentals.
The average of property shall be determined by averaging the values at
the beginning and ending of the taxable year, but the department may
require the averaging of monthly values during the taxable year if
reasonably required to reflect properly the average value of the
taxpayer's property.

(d) The payroll factor is a fraction, the numerator of which is the
total amount paid in this state during the taxable year by the taxpayer
for compensation, and the denominator of which is the total
compensation paid everywhere during the taxable year. However, with
respect to a foreign corporation, the denominator does not include
compensation paid in a place that is outside the United States.
Compensation is paid in this state if:

(1) the individual's service is performed entirely within the state;
(2) the individual's service is performed both within and without
this state, but the service performed without this state is incidental
to the individual's service within this state; or
(3) some of the service is performed in this state and:
   (A) the base of operations or, if there is no base of operations,
   the place from which the service is directed or controlled is in
   this state; or
   (B) the base of operations or the place from which the service
   is directed or controlled is not in any state in which some part
   of the service is performed, but the individual is a resident of
   this state.

(e) The sales factor is a fraction, the numerator of which is the total
sales of the taxpayer in this state during the taxable year, and the
denominator of which is the total sales of the taxpayer everywhere
during the taxable year. Sales include receipts from intangible property
and receipts from the sale or exchange of intangible property. However,
with respect to a foreign corporation, the denominator does not include
sales made in a place that is outside the United States. Receipts from
intangible personal property are derived from sources within Indiana
if the receipts from the intangible personal property are attributable to
Indiana under section 2.2 of this chapter. Regardless of the f.o.b. point
or other conditions of the sale, sales of tangible personal property are
in this state if:

(1) the property is delivered or shipped to a purchaser that is
within Indiana, other than the United States government; or
(2) the property is shipped from an office, a store, a warehouse, a
factory, or other place of storage in this state and the purchaser is
the United States government.
Gross receipts derived from commercial printing as described in IC 6-2.5-1-10 and from the sale of computer software shall be treated as sales of tangible personal property for purposes of this chapter. For a taxable year in which a taxpayer is required to include income as a result of Section 965 of the Internal Revenue Code, receipts from income that is included in federal adjusted gross income or federal taxable income as a result of Sections 951A and 965 of the Internal Revenue Code shall be included in the taxable year in which the income is included in the taxpayer's federal adjusted gross income or federal taxable income, regardless of the taxable year in which the money or property was actually received. Receipts under this section and section 2.2 of this chapter do not include receipts derived from sources outside the United States to the extent the taxpayer is allowed a deduction or exclusion in determining both the taxpayer's federal taxable income as a result of the federal Tax Cuts and Jobs Act of 2017 and the taxpayer's adjusted gross income under this chapter.

(f) Sales, other than receipts from intangible property covered by subsection (e) and sales of tangible personal property, are in this state if:

(1) the income-producing activity is performed in this state; or
(2) the income-producing activity is performed both within and without this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(g) Rents and royalties from real or tangible personal property, capital gains, interest, dividends, or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in subsections (h) through (k).

(h)(1) Net rents and royalties from real property located in this state are allocable to this state.

(2) Net rents and royalties from tangible personal property are allocated to this state:

(i) if and to the extent that the property is utilized in this state; or
(ii) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year, and the denominator of which is the number of days of physical location in all states.
location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(i)(1) Capital gains and losses from sales of real property located in this state are allocable to this state.

(2) Capital gains and losses from sales of tangible personal property are allocable to this state if:

(i) the property had a situs in this state at the time of the sale; or
(ii) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(3) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(j) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

(k)(1) Patent and copyright royalties are allocable to this state:

(i) if and to the extent that the patent or copyright is utilized by the taxpayer in this state; or
(ii) if and to the extent that the patent or copyright is utilized by the taxpayer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(l) If the allocation and apportionment provisions of this article do not fairly represent the taxpayer's income derived from sources within the state of Indiana, the taxpayer may petition for or the department may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

ES 242—LS 6683/DI 73
(1) separate accounting;
(2) for a taxable year beginning before January 1, 2011, the exclusion of any one (1) or more of the factors, except the sales factor;
(3) the inclusion of one (1) or more additional factors which will fairly represent the taxpayer's income derived from sources within the state of Indiana; or
(4) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

Notwithstanding IC 6-8.1-5-1(c), a taxpayer petitioning for, or the department requiring, the use of an alternative method to effectuate an equitable allocation and apportionment of the taxpayer's income under this subsection bears the burden of proof that the allocation and apportionment provisions of this article do not fairly represent the taxpayer's income derived from sources within this state and that the alternative method to the allocation and apportionment provisions of this article is reasonable.

(m) In the case of two (2) or more organizations, trades, or businesses owned or controlled directly or indirectly by the same interests, the department shall distribute, apportion, or allocate the income derived from sources within the state of Indiana between and among those organizations, trades, or businesses in order to fairly reflect and report the income derived from sources within the state of Indiana by various taxpayers.

(n) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if:
(1) in that state the taxpayer is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or
(2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

(o) Notwithstanding subsections (l) and (m), the department may not, under any circumstances, require that income, deductions, and credits attributable to a taxpayer and another entity be reported in a combined income tax return for any taxable year, if the other entity is:
(1) a foreign corporation; or
(2) a corporation that is classified as a foreign operating corporation for the taxable year by section 2.4 of this chapter.

(p) Notwithstanding subsections (l) and (m), the department may not require that income, deductions, and credits attributable to a taxpayer and another entity not described in subsection (o)(1) or (o)(2) be
reported in a combined income tax return for any taxable year, unless the department is unable to fairly reflect the taxpayer's adjusted gross income for the taxable year through use of other powers granted to the department by subsections (l) and (m).

(q) Notwithstanding subsections (o) and (p), one (1) or more taxpayers may petition the department under subsection (l) for permission to file a combined income tax return for a taxable year. The petition to file a combined income tax return must be completed and filed with the department not more than thirty (30) days after the end of the taxpayer's taxable year. (r) This subsection applies to a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code. The corporation's adjusted gross income that is derived from sources within Indiana is determined by multiplying the corporation's adjusted gross income by a fraction:

1. the numerator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks in the state; and
2. the denominator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks everywhere.

The term "direct premiums and annuity considerations" means the gross premiums received from direct business as reported in the corporation's annual statement filed with the department of insurance.

(s) This subsection applies to receipts derived from motorsports racing.

1. Any purse, prize money, or other amounts earned for placement or participation in a race or portion thereof, including qualification, shall be attributed to Indiana if the race is conducted in Indiana.
2. Any amounts received from an individual or entity as a result of sponsorship or similar promotional consideration for one (1) or more races shall be in this state in the amount received, multiplied by the following fraction:

(A) The numerator of the fraction is the number of racing events for which sponsorship or similar promotional consideration has been paid in a taxable year and that occur in Indiana.
(B) The denominator of the fraction is the total number of racing events for which sponsorship or similar promotional consideration has been paid in a taxable year.

(3) Any amounts earned as an incentive for placement or participation in one (1) or more races and that are not covered under subdivision (1) or (2) or under IC 6-3-2-3.2 shall be attributed to Indiana in the proportion of the races that occurred in Indiana.

SECTION 30. IC 6-3-2-2.2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2018 (RETROACTIVE)]:

Sec. 2.2. (a) Interest income and other receipts from assets in the nature of loans or installment sales contracts that are primarily secured by or deal with real or tangible personal property are attributable to this state if the security or sale property is located in Indiana.

(b) Interest income and other receipts from consumer loans not secured by real or tangible personal property are attributable to this state if the loan is made to a resident of Indiana, whether at a place of business, by a traveling loan officer, by mail, by telephone, or by other electronic means.

(c) Interest income and other receipts from commercial loans and installment obligations not secured by real or tangible personal property are attributable to this state if the proceeds of the loan are to be applied in Indiana. If it cannot be determined where the funds are to be applied, the income and receipts are attributable to the state in which the business applied for the loan. As used in this section, "applied for" means initial inquiry (including customer assistance in preparing the loan application) or submission of a completed loan application, whichever occurs first.

(d) Interest income, merchant discount, and other receipts including service charges from financial institution credit card and travel and entertainment credit card receivables and credit card holders' fees are attributable to the state to which the card charges and fees are regularly billed.

(e) Receipts from the performance of fiduciary and other services are attributable to the state in which the benefits of the services are consumed. If the benefits are consumed in more than one (1) state, the receipts from those benefits are attributable to this state on a pro rata basis according to the portion of the benefits consumed in Indiana.

(f) Receipts from the issuance of traveler's checks, money orders, or United States savings bonds are attributable to the state in which the
traveler's checks, money orders, or bonds are purchased.

(g) Receipts in the form of dividends from investments are attributable to this state if the taxpayer's commercial domicile is in Indiana. For a taxable year in which a taxpayer is required to include income as a result of Section 965 of the Internal Revenue Code, receipts from income that is included in federal adjusted gross income or federal taxable income as a result of Sections 951A and 965 of the Internal Revenue Code shall be considered dividends from investments and shall be included in the taxable year in which the income is included in the taxpayer's federal adjusted gross income or federal taxable income, regardless of the taxable year in which the money or property was actually received.

SECTION 31. IC 6-3-2-2.5, AS AMENDED BY THE TECHNICAL CORRECTIONS BILL OF THE 2018 GENERAL ASSEMBLY, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2018 (RETROACTIVE)]: Sec. 2.5. (a) This section applies to a resident person.

(b) Resident persons are entitled to a net operating loss deduction. The amount of the deduction taken in a taxable year may not exceed the taxpayer's unused Indiana net operating losses carried over to that year. A taxpayer is not entitled to carryback any net operating losses after December 31, 2011.

(c) An Indiana net operating loss equals the taxpayer's federal net operating loss for a taxable year as calculated under Section 172 of the Internal Revenue Code, adjusted for certain modifications required by IC 6-3-1-3.5 as set forth in subsection (d)(1).

(d) The following provisions apply for purposes of subsection (c):

(1) The modifications that are to be applied are those modifications required under IC 6-3-1-3.5 for the same taxable year in which each net operating loss was incurred, except that the modifications do not include the modifications required under:

(A) IC 6-3-1-3.5(a)(3);
(B) IC 6-3-1-3.5(a)(4);
(C) IC 6-3-1-3.5(a)(5);
(D) IC 6-3-1-3.5(a)(24); and
(E) IC 6-3-1-3.5(e)(10); IC 6-3-1-3.5(f)(10); and
(F) IC 6-3-1-3.5(f)(11).

(2) An Indiana net operating loss includes a net operating loss that arises when the applicable modifications required by IC 6-3-1-3.5 as set forth in subdivision (1) exceed the taxpayer's federal adjusted gross income (as defined in Section 62 of the Internal Revenue Code) for the taxable year in which the Indiana net
operating loss is determined.

e) Subject to the limitations contained in subsection (g), an Indiana
net operating loss carryover shall be available as a deduction from the
taxpayer's adjusted gross income (as defined in IC 6-3-1-3.5) in the
carryover year provided in subsection (f).

(f) Carryovers shall be determined under this subsection as follows:

(1) An Indiana net operating loss shall be an Indiana net operating
loss carryover to each of the carryover years following the taxable
year of the loss.

(2) Carryover years shall be determined by reference to the
number of years allowed for carrying over net operating losses
under Section 172(b) of the Internal Revenue Code. An Indiana
net operating loss may not be carried over for more than
twenty (20) taxable years after the taxable year of the loss.

(g) The entire amount of the Indiana net operating loss for any
taxable year shall be carried to the earliest of the taxable years to which
(as determined under subsection (f)) the loss may be carried. The
amount of the Indiana net operating loss remaining after the deduction
is taken under this section in a taxable year may be carried over as
provided in subsection (f). The amount of the Indiana net operating loss
carried over from year to year shall be reduced to the extent that the
Indiana net operating loss carryover is used by the taxpayer to obtain
a deduction in a taxable year until the occurrence of the earlier of the following:

(1) The entire amount of the Indiana net operating loss has been
used as a deduction.

(2) The Indiana net operating loss has been carried over to each
of the carryover years provided by subsection (f).

SECTION 32. IC 6-3-2-2.6, AS AMENDED BY THE TECHNICAL

corporation or a nonresident person.

(b) Corporations and nonresident persons are entitled to a net

taxable year may not exceed the taxpayer's unused Indiana net
operating losses carried over to that year. A taxpayer is not entitled to
carryback any net operating losses after December 31, 2011.

(c) An Indiana net operating loss equals the taxpayer's federal net
operating loss for a taxable year as calculated under Section 172 of the
Internal Revenue Code, derived from sources within Indiana and
adjusted for certain modifications required by IC 6-3-1-3.5 as set forth
in subsection (d)(1).

(d) The following provisions apply for purposes of subsection (c):
(1) The modifications that are to be applied are those modifications required under IC 6-3-1-3.5 for the same taxable year in which each net operating loss was incurred, except that the modifications do not include the modifications required under:
   (A) IC 6-3-1-3.5(a)(3);
   (B) IC 6-3-1-3.5(a)(4);
   (C) IC 6-3-1-3.5(a)(5);

   (L) IC 6-3-1-3.5(f)(11).
(2) The amount of the taxpayer's net operating loss that is derived from sources within Indiana shall be determined in the same manner that the amount of the taxpayer's adjusted gross income derived from sources within Indiana is determined under section 2 of this chapter for the same taxable year during which each loss was incurred.
(3) An Indiana net operating loss includes a net operating loss that arises when the applicable modifications required by IC 6-3-1-3.5 as set forth in subdivision (1) exceed the taxpayer's federal taxable income (as defined in Section 63 of the Internal Revenue Code), if the taxpayer is a corporation, or when the applicable modifications required by IC 6-3-1-3.5 as set forth in subdivision (1) exceed the taxpayer's federal adjusted gross income (as defined by Section 62 of the Internal Revenue Code), if the taxpayer is a nonresident person, for the taxable year in which the Indiana net operating loss is determined.

e) Subject to the limitations contained in subsection (g), an Indiana net operating loss carryover shall be available as a deduction from the taxpayer's adjusted gross income derived from sources within Indiana (as defined in section 2 of this chapter) in the carryover year provided in subsection (f).
(f) Carryovers shall be determined under this subsection as follows:

(g) The entire amount of the Indiana net operating loss for any taxable year shall be carried to the earliest of the taxable years to which (as determined under subsection (f)) the loss may be carried. The amount of the Indiana net operating loss remaining after the deduction is taken under this section in a taxable year may be carried over as provided in subsection (f). The amount of the Indiana net operating loss carried over from year to year shall be reduced to the extent that the Indiana net operating loss carryover is used by the taxpayer to obtain a deduction in a taxable year until the occurrence of the earlier of the following:

(1) The entire amount of the Indiana net operating loss has been used as a deduction.

(2) The Indiana net operating loss has been carried over to each of the carryover years provided by subsection (f).

(h) An Indiana net operating loss deduction determined under this section shall be allowed notwithstanding the fact that in the year the taxpayer incurred the net operating loss the taxpayer was not subject to the tax imposed under section 1 of this chapter because the taxpayer was:

(1) a life insurance company (as defined in Section 816(a) of the Internal Revenue Code); or

(2) an insurance company subject to tax under Section 831 of the Internal Revenue Code.

(i) In the case of a life insurance company, that claims an operations loss deduction under Section 810 of the Internal Revenue Code, this section shall be applied by

(1) substituting the corresponding provisions of Section 810 of the Internal Revenue Code in place of references to Section 172 of the Internal Revenue Code; and

SECTION 39. IC 6-3.6-5-6, AS AMENDED BY THE TECHNICAL CORRECTIONS BILL OF THE 2018 GENERAL ASSEMBLY, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2018]:

Sec. 6. (a) This section applies to all counties.

(b) The adopting body may impose a tax rate under this chapter that does not exceed one and twenty-five hundredths percent (1.25%) on the adjusted gross income of local taxpayers in the county served by the adopting body.

(c) Revenues from a tax under this section may be used only for the purpose of funding a property tax credit applied on a percentage basis to reduce the property tax liability of taxpayers with tangible property located in the county as authorized under this section. Property taxes imposed due to a referendum in which a majority of the voters in the taxing unit imposing the property taxes approved the property taxes are not eligible for a credit under this section. However, IC 6-3.6-11-2 applies in Jasper County.

(d) The adopting body shall specify by ordinance how the revenue from the tax shall be applied under subdivisions (1) through (4) to provide property tax credits in subsequent years. The allocation must be specified as a percentage of property tax relief revenue for taxpayers within each property category. The ordinance must be adopted before July 1 and first applies in the following year and then as provided in IC 6-3.6-3 and takes effect and applies to property taxes as specified in IC 6-3.6-3-3. The ordinance continues to apply thereafter until it is rescinded or modified. The property tax credits may be allocated to all property categories or among any combination of the following categories:

(1) For homesteads eligible for a credit under IC 6-1.1-20.6-7.5 that limits the taxpayer's property tax liability for the property to one percent (1%).

(2) For residential property, long term care property, agricultural land, and other tangible property (if any) eligible for a credit under IC 6-1.1-20.6-7.5 that limits the taxpayer's property tax liability for the property to two percent (2%).

(3) For the following types of property as a single category:
   (A) residential property, as defined in IC 6-1.1-20.6-4.
   (B) Real property; a mobile home; and industrialized housing that would qualify as a homestead if the taxpayer had filed for a homestead credit under IC 6-1.1-20.9 (repealed) or the standard deduction under IC 6-1.1-12-37.
(C) Real property consisting of units that are regularly used to rent or otherwise furnish residential accommodations for periods of at least thirty (30) days; regardless of whether the tangible property is subject to assessment under rules of the department of local government finance that apply to:

(i) residential property; or

(ii) commercial property.

(4) For nonresidential real property, personal property, and other tangible property (if any) eligible for a credit under IC 6-1.1-20.6-7.5 that limits the taxpayer's property tax liability for the property to three percent (3%). However, IC 6-3.6-11-2 applies in Jasper County.

(c) Within a category described in subsection (d) for which an ordinance grants property tax credits, the property tax credit rate must be a uniform percentage for all qualifying taxpayers with property in that category in the county. The credit percentage may be, but does not have to be, uniform for all categories of property listed in subsection (d). The total of all tax credits granted under this section for a year may not exceed the amount of revenue raised by the tax imposed under this section. If the amount available in a year for property tax credits under this section is less than the amount necessary to provide all the property tax credits authorized by the adopting body, the county auditor shall reduce the property tax credits granted to eliminate the excess. The county auditor shall reduce credits within the categories described in subsection (d)(1) through (d)(4) as follows:

(1) First, against property taxes imposed on property described in subsection (d)(4).

(2) Second, if an excess remains after applying the reduction as described in subdivision (1), against property taxes imposed on property described in subsection (d)(3).

(3) Third, if an excess remains after applying the reduction as described in subdivisions (1) and (2), against property taxes imposed on property described in subsection (d)(2).

(4) Fourth, if an excess remains after applying the reduction as described in subdivisions (1) through (3), against property taxes imposed on property described in subsection (d)(1).

(f) The total of all tax credits granted under this section for a year may not exceed the amount authorized by the adopting body. If the amount available in a year for property tax credits under this section is greater than the amount necessary to provide all the property tax credits authorized by the adopting body, the county auditor shall retain and apply the excess as necessary to provide the property tax credits
authorized by the adopting body for the following year. The adopting body may adopt an ordinance that directs to which categories described in subsection (d) the excess is to be uniformly applied.

(g) (f) The county auditor shall allocate the amount of revenue applied as tax credits under this section to the taxing units that imposed the eligible property taxes against which the credits are applied.

(h) (g) If the adopting body adopts an ordinance to reduce or eliminate the property tax relief credits that are in effect in the county under this chapter, the county auditor shall give notice of the adoption of the ordinance in accordance with IC 5-3-1 not later than thirty (30) days after the date on which the ordinance is adopted.

SECTION 40. IC 6-3.6-11-2, AS ADDED BY P.L.243-2015, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2018 (RETROACTIVE)]: Sec. 2. (a) This section applies to Jasper County's allocation of property tax credits provided by a tax rate under IC 6-3.6-5.

(b) A taxpayer that owns an industrial plant located in Jasper County is ineligible for a credit under IC 6-3.6-5 against the property taxes due on the industrial plant if the assessed value of the industrial plant as of March 1, 2006, exceeded twenty percent (20%) of the total assessed value of all taxable property in the county on that date. The general assembly finds that the provisions of this subsection are necessary because the industrial plant represents such a large percentage of Jasper County's assessed valuation.

(c) The adopting body may adopt an ordinance to provide that property taxes are eligible for a credit under IC 6-3.6-5-6 if the property taxes are imposed due to a referendum in which a majority of the voters in the taxing unit imposing the property taxes approved, before July 1, 2015, the property taxes.

SECTION 41. IC 6-3-4-8.2, AS AMENDED BY P.L.182-2009(ss), SECTION 200, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2018]: Sec. 8.2. (a) Each person in Indiana who is required under the Internal Revenue Code to withhold federal tax from winnings shall deduct and retain adjusted gross income tax at the time and in the amount described in withholding instructions issued by the department.

(b) In addition to amounts withheld under subsection (a), every person engaged in a gambling operation (as defined in IC 4-33-2-10) or a gambling game (as defined in IC 4-35-2-5) and making a payment in the course of the gambling operation (as defined in IC 4-33-2-10) or a gambling game (as defined in IC 4-35-2-5) of:

(1) winnings (not reduced by the wager) valued at one thousand
two hundred dollars ($1,200) or more from slot machine play; or
(2) winnings (reduced by the wager) valued at one thousand five

the day the winnings are paid, actually or constructively on the
twenty-fourth calendar day of each month. Any taxes collected
during the month after the day on which the taxes are required to
be paid shall be paid to the department at the same time the
following month's taxes are due. Slot machine and keno winnings
from a gambling operation (as defined in IC 4-33-2-10) or a gambling
game (as defined in IC 4-35-2-5) that are reportable for federal income
tax purposes shall be treated as subject to withholding under this
section, even if federal tax withholding is not required.
(c) The adjusted gross income tax due on prize money or prizes:
(1) received from a winning lottery ticket purchased under
IC 4-30; and
(2) exceeding one thousand two hundred dollars ($1,200) in
value;
shall be deducted and retained at the time and in the amount described
in withholding instructions issued by the department, even if federal
withholding is not required.
(d) In addition to the amounts withheld under subsection (a), a
qualified organization (as defined in IC 4-32.2-2-24(a)) that awards a
prize under IC 4-32.2 exceeding one thousand two hundred dollars ($1,
200) in value shall deduct and retain adjusted gross income tax at the
time and in the amount described in withholding instructions issued by
the department. The department's instructions must provide that
amounts withheld shall be paid to the department before the close of
the business day following the day the winnings are paid, actually or
constructively.

(b) The county executive may adopt an ordinance providing that the medical care trust board is subject to this section.

(c) After the effective date of an ordinance adopted under subsection (b), the medical care trust board may do the following:

(1) in accordance with IC 5-13-9 and guidelines adopted by the board under IC 5-13-9-1; and

(c) The corporation shall contract with investment managers, investment advisors, investment counsel, trust companies, banks, or other finance professionals to assist the corporation in an investment program. The investment policy statement must include the limitation on the investment in equities specified in subsection (e).

(d) Money held by the corporation:

(1) may be invested in any legal, marketable securities; and
(2) is not subject to any other investment limitations in the law, other than the limitations under this section and the limitations in the investment policy statement.

(e) The total amount of the funds invested by the corporation in equity securities under this section may not exceed fifty-five percent (55%) of the total value of the portfolio of funds invested by the corporation under this section. However:

(1) an investment that complies with this subsection when the investment is made remains legal even if a subsequent change in the value of the investment or a change in the value of the total portfolio of funds invested by the corporation causes the percentage of investments in equity securities to exceed the fifty-five percent (55%) limit on equity securities; and
(2) if the total amount of the funds invested by a corporation in equity securities exceeds the fifty-five percent (55%) limit on equity securities because of a change described in subdivision (1), the investments by the corporation must be rebalanced to comply with the fifty-five percent (55%) limit on equity investments not later than one hundred twenty (120) days after the equity investments first exceed that limit.

Each of the three (3) depositories selected under this subdivision shall select an officer of the depository to serve as one (1) of the three (3) nonvoting advisors. Each nonvoting advisor shall serve a term of three (3) years, and the nonvoting advisor shall continue to serve until a successor is selected. For purposes of avoiding a conflict of interest, a financial institution for which a nonvoting advisor is an officer (and any affiliate of such a financial institution) may not receive a commission or other compensation for investments made by the corporation under this section.

The investment policy statement must include the limitation on the investment in equities specified in subsection (c):

(d) Money held by the trust:

(1) may be invested in any legal, marketable securities; and
(2) is not subject to any other investment limitations in the law; other than the limitations under this section and the limitations in the investment policy statement.

(c) The total amount of the funds invested by a trust in equity securities under this section may not exceed fifty-five percent (55%) of the total value of the portfolio of funds invested by the trust under this section. However:

(1) an investment that complies with this subsection when the investment is made remains legal even if a subsequent change in the value of the investment or a change in the value of the total portfolio of funds invested by the trust causes the percentage of investments in equity securities to exceed the fifty-five percent (55%) limit on equity securities; and
(2) if the total amount of the funds invested by a trust in equity securities exceeds the fifty-five percent (55%) limit on equity securities because of a change described in subdivision (1), the investments by the trust must be rebalanced to comply with the fifty-five percent (55%) limit on equity investments not later than one hundred twenty (120) days after the equity investments first exceed that limit.

The trustees must meet at least quarterly to receive a quarterly compliance and performance update from the investment advisor.

Three (3) nonvoting advisors who are officers of different county designated depositories shall attend the quarterly meetings in an advisory capacity to assist the trustees:

(A) in reviewing the compliance and performance report from the investment advisor; and

(B) in reviewing the annual audit required by subdivision (3). The three (3) nonvoting advisors may not vote on any action of the board of trustees. The trustees shall by majority vote select the three (3) depositories from which the three (3) nonvoting advisors will be chosen. Each of the three (3) depositories selected under this subdivision shall select an officer of the depository to serve as one (1) of the three (3) nonvoting advisors. Each nonvoting advisor shall serve a term of three (3) years; and the nonvoting advisor shall continue to serve until a successor is selected. However, to provide for staggered terms; the trustees shall provide that the initial term of one (1) nonvoting advisor is one (1) year; the initial term of one (1) nonvoting advisor is two (2) years; and the initial term of one (1) nonvoting advisor is three (3) years. For purposes of avoiding a conflict of interest; a financial institution for which a nonvoting advisor is an officer (and any affiliate of such a financial institution) may not receive a commission or other compensation for investments made by the trust under this section.

"(h) For purposes of determining adjusted gross income under this section, the following apply:

(1) Any interest paid by the taxpayer to an entity, other than directly related interest expenses (as defined by IC 6-3-2-20):
   (A) shall be allowed as a deduction to the same extent the interest was deducted in a taxable year by the taxpayer under the Internal Revenue Code;
   (B) shall be disallowed as a deduction to the same extent that the interest is disallowed as a deduction for the taxable year under the Internal Revenue Code; and
   (C) to the extent disallowed for a taxable year under Section 163(j) of the Internal Revenue Code, the interest expense shall be carried forward in the same manner as provided in Section 163(j) of the Internal Revenue Code.

For purposes of this subdivision, if the computation of the limitation under Section 163(j) of the Internal Revenue Code is determined for a federal affiliated group as opposed to being determined on an entity by entity basis, any interest allowed or disallowed as a deduction for a taxpayer is the amount actually deducted by or disallowed for that taxpayer, even if the taxpayer may have otherwise been permitted an interest deduction or been disallowed an interest deduction without regard to the affiliated group.

(2) To the extent that an interest expense is a directly related interest expense under IC 6-3-2-20, any interest expense that is determined to be directly related interest expense:
   (A) shall be added back unless it satisfies an exception under IC 6-3-2-20(c);
   (A) shall be determined in the taxable year in which the interest expense is incurred; and
   (B) shall be carried forward to future taxable years if any interest expense that is disallowed by Section 163(j) of the Internal Revenue Code may be carried forward.

(3) The department may adopt rules or issue guidelines with regard to the allowance, disallowance, and carry forward of:
   (A) directly related interest expenses that also constitute business interest otherwise subject to the limitations of
Section 163(j)(1) of the Internal Revenue Code; (B) interest attributable to individuals or entities from partnerships or S corporations; and (C) any other circumstances in which the application of Section 163(j) of the Internal Revenue Code may lead to ambiguous, indeterminate, or inconsistent results.

(b) In addition to amounts withheld under subsection (a), every person engaged in a gambling operation (as defined in IC 4-33-2-10) or a gambling game (as defined in IC 4-35-2-5) and making a payment in the course of the gambling operation (as defined in IC 4-33-2-10) or a gambling game (as defined in IC 4-35-2-5) of:

ES 242—LS 6683/DI 73
"SECTION 42. IC 6-3.6-6-2.7 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2.7. (a) A county fiscal body may adopt an ordinance to impose a tax rate for correctional facilities and rehabilitation facilities in the county. The tax rate must be in increments of one-hundredth of one percent (0.01%) and may not exceed two-tenths of one percent (0.2%). The tax rate may not be in effect for more than twenty (20) years.

(b) The revenue generated by a tax rate imposed under this section must be distributed directly to the county before the remainder of the expenditure rate revenue is distributed. The REVENUE shall be maintained in a separate dedicated county fund and used by the county only for paying for correctional facilities and rehabilitation facilities in the county.

SECTION 43. IC 6-3.6-6-3, AS AMENDED BY P.L.247-2017, SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3. (a) Revenue raised from a tax imposed under this chapter shall be treated as follows:

(1) To make the following distributions:
   (A) If an ordinance described in section 2.5 of this chapter is in effect in a county, to make a distribution to the county equal to the amount of revenue generated by the rate imposed under section 2.5 of this chapter.
   (B) If an ordinance described in section 2.7 of this chapter is in effect in a county, to make a distribution to the county equal to the amount of revenue generated by the rate imposed under section 2.7 of this chapter.

(2) After making the distributions described in subdivision (1), if any, to make distributions to school corporations and civil taxing units in counties that formerly imposed a tax under IC 6-3.5-1.1 (repealed). The revenue categorized from the next twenty-five hundredths percent (0.25%) of the rate for a former tax adopted under IC 6-3.5-1.1 (repealed) shall be allocated to school corporations and civil taxing units. The amount of the allocation to a school corporation or civil taxing unit shall be determined using the allocation amounts for civil taxing units and school corporations in the county.

(3) After making the distributions described in subdivisions (1) and (2), the remaining revenue shall be treated as additional revenue (referred to as "additional revenue" in this chapter). Additional revenue may not be considered by the department of local government finance in determining:

ES 242—LS 6683/DI 73
(A) any taxing unit’s maximum permissible property tax levy limit under IC 6-1.1-18.5; or

(B) the approved property tax rate for any fund.

(b) In the case of a civil taxing unit that has pledged the tax from additional revenue for the payment of bonds, leases, or other obligations as reported by the civil taxing unit under IC 5-1-18, the adopting body may not, under section 4 of this chapter, reduce the proportional allocation of the additional revenue that was allocated in the preceding year if the reduction for that year would result in an amount less than the amount necessary for the payment of bonds, leases, or other obligations payable or required to be deposited in a sinking fund or other reserve in that year for the bonds, leases, or other obligations for which the tax from additional revenue has been pledged. To inform an adopting body with regard to allocations that affect the payment of bonds, leases, or other obligations, a taxing unit may provide the adopting body with information regarding any outstanding bonds, leases, or other obligations that are secured by additional revenue. The information must be provided before the date of the public hearing at which the adopting body may change the allocation of additional revenue under section 4 of this chapter.
