(5) Nine percent (9%) shall be paid to the county treasurer of the county in which the riverboat is located. The county treasurer shall distribute the money received under this subdivision as follows:

(A) Twenty-two and twenty-five hundredths percent (22.25%) shall be quarterly distributed to the county treasurer of a

(c) For each city and county receiving money under subsection (a)(2), the treasurer of state shall determine the total amount of money paid by the treasurer of state to the city or county during the state fiscal year 2002. The amount determined is the base year revenue for the city or county. The treasurer of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year, the treasurer of state shall pay that part of the riverboat wagering taxes that:

(1) exceeds a particular city's or county's base year revenue; and
(2) would otherwise be due to the city or county under this section;
to the state general fund instead of to the city or county.
(d) Each state fiscal year the treasurer of state shall transfer from the tax revenue remitted to the state general fund under subsection (a)(3) to the build Indiana fund an amount that when added to the following may not exceed two hundred fifty million dollars ($250,000,000):

(3) Tax revenue from pari-mutuel wagering under IC 4-31-9-3.
The treasurer of state shall make transfers on a monthly basis as needed to meet the obligations of the build Indiana fund. If in any state fiscal year insufficient money is transferred to the build Indiana fund to comply with this subsection, the treasurer of state shall reduce the amount transferred to the build Indiana fund to the amount available in the state general fund from the transfers under subsection (a)(3) for the state fiscal year.
(e) Before August 15 of each year, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Except as provided in subsection (h), the county auditor shall distribute the money received by the county under this subsection as follows:

(1) To each city located in the county according to the ratio the city's population bears to the total population of the county.
(2) To each town located in the county according to the ratio the town's population bears to the total population of the county.
(3) After the distributions required in subdivisions (1) and (2) are
made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

(1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5).

(2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for debt repayment.

(3) To fund sewer and water projects, including storm water management projects.

(4) For police and fire pensions.

(5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(g) This subsection does not apply to an entity receiving money under IC 4-33-12-6(c): Before September 15 of each year, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-6), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the state general fund. Except as provided in subsection (i), the amount of an entity's supplemental distribution is equal to:

(1) the entity's base year revenue (as determined under IC 4-33-12-6); minus

(2) the sum of:

(A) the total amount of money distributed to the entity during the preceding state fiscal year under IC 4-33-12-6; plus

(B) any amounts deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

(1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.
(2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

(i) This subsection applies to a supplemental distribution made after June 30, 2013. The maximum amount of money that may be distributed under subsection (g) in a state fiscal year is forty-eight million dollars ($48,000,000). If the total amount determined under subsection (g) exceeds forty-eight million dollars ($48,000,000), the amount distributed to an entity under subsection (g) must be reduced according to the ratio that the amount distributed to the entity under IC 4-33-12-6 bears to the total amount distributed under IC 4-33-12-6 to all entities receiving a supplemental distribution.

After funds are appropriated under section 4 of this chapter, each month the treasurer auditor of state shall distribute the tax revenue deposited in the state gaming fund under this chapter to the following, as follows:

(1) The first two million dollars ($2,000,000) of tax revenues collected under this chapter in a calendar year beginning after December 31, 2016, must be distributed to the division of mental health and addiction for the division's use under section 8 of this chapter.

However, at any time the balance in that fund exceeds twenty million dollars ($20,000,000), the amount described in this subdivision shall be paid to the state general fund.
3. Eight percent (8%) shall be paid to the Orange County development commission established under IC 36-7-11.5.
4. Sixteen percent (16%) shall be paid in equal amounts to each town that is located in the county in which the riverboat is located and contains a historic hotel. The following apply to taxes received by a town under this subdivision:

   A. Twenty-two and twenty-five hundredths percent (22.25%) shall be quarterly distributed to the county treasurer of a county having a population of more than forty thousand (40,000) but less than forty-two thousand (42,000) for appropriation by the county fiscal body after receiving a recommendation from the county executive. The county fiscal body for the receiving county shall provide for the distribution of the money received under this clause to one (1) or more taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the county fiscal body after receiving a recommendation from the county executive.
   B. Twenty-two and twenty-five hundredths percent (22.25%) shall be quarterly distributed to the county treasurer of a county having a population of more than ten thousand seven
hundred (10,700) but less than twelve thousand (12,000) for appropriation by the county fiscal body after receiving a recommendation from the county executive. The county fiscal body for the receiving county shall provide for the distribution of the money received under this clause to one (1) or more taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the county fiscal body after receiving a recommendation from the county executive.

(7) Five percent (5%) shall be paid to a town having a population of more than three thousand five hundred (3,500) located in a county having a population of more than nineteen thousand five hundred (19,500) but less than twenty thousand (20,000). At least forty percent (40%) of the taxes received by a town under this subdivision must be transferred to the school corporation in which the town is located.

(8) Five-tenths percent (0.5%) of the taxes imposed on adjusted gross receipts received after June 30, 2010, shall be paid to the Indiana economic development corporation established by IC 5-28-3-1.

(c) For each city and county receiving money under subsection (a)(2); (a)(4), the treasurer auditor of state shall determine the total amount of money paid by the treasurer auditor of state to the city or county during the state fiscal year 2002. The amount determined is the base year revenue for the city or county. The treasurer auditor of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year, the treasurer auditor of state shall pay that part of the riverboat wagering taxes that:

(1) exceeds a particular city's or county's base year revenue; and

(2) would otherwise be due to the city or county under this
section;

to the state general fund instead of to the city or county.

(d) Each state fiscal year the treasurer auditor of state shall transfer from the tax revenue remitted to the state general fund under subsection (a)(3) (a)(5) to the build Indiana fund an amount that when added to the following may not exceed two hundred fifty million dollars ($250,000,000):

(1) Surplus lottery revenues under IC 4-30-17-3.
(2) Surplus revenue from the charity gaming enforcement fund under IC 4-32.2-7-7.
(3) Tax revenue from pari-mutuel wagering under IC 4-31-9-3.

The treasurer auditor of state shall make transfers on a monthly basis as needed to meet the obligations of the build Indiana fund. If in any state fiscal year insufficient money is transferred to the state general fund under subsection (a)(3) (a)(5) to comply with this subsection, the treasurer auditor of state shall reduce the amount transferred to the build Indiana fund to the amount available in the state general fund from the transfers under subsection (a)(3) (a)(5) for the state fiscal year.

(e) Before August 15 of each year, a calendar year ending before January 1, 2017, the treasurer auditor of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(3) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Before August 15 of a calendar year beginning after December 31, 2016, the auditor of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(3) to the county treasurer of each county according to the ratio that the county's population bears to the total population of Indiana. Except as provided in subsection (h), (g), the county auditor shall distribute the money received by the county under this subsection as follows:

(1) To each city located in the county according to the ratio the city's population bears to the total population of the county.
(2) To each town located in the county according to the ratio the town's population bears to the total population of the county.
(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) or (h) (g) may be used for any of the following purposes:

(1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision

EH 1540—LS 7218/DI 92
does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5).
(2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for debt repayment.
(3) To fund sewer and water projects, including storm water management projects.
(4) For police and fire pensions.
(5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(g) This subsection does not apply to an entity receiving money under IC 4-33-12-6(e): Before September 15 of each year, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-6), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the state general fund. Except as provided in subsection (i), the amount of an entity's supplemental distribution is equal to:

(1) the entity's base year revenue (as determined under IC 4-33-12-6); minus
(2) the sum of:
(A) the total amount of money distributed to the entity during the preceding state fiscal year under IC 4-33-12-6; plus
(B) any amounts deducted under IC 6-3.1-20-7.

(h) (g) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

(1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.
(2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.
(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

EH 1540—LS 7218/DI 92
This subsection applies to a supplemental distribution made after June 30, 2013. The maximum amount of money that may be distributed under subsection (g) in a state fiscal year is forty-eight million dollars ($48,000,000). If the total amount determined under subsection (g) exceeds forty-eight million dollars ($48,000,000), the amount distributed to an entity under subsection (g) must be reduced according to the ratio that the amount distributed to the entity under IC 4-33-12-6 bears to the total amount distributed under IC 4-33-12-6 to all entities receiving a supplemental distribution."

"SECTION 66. IC 6-1.1-4-31.5, AS AMENDED BY P.L.112-2012, SECTION 22, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 31.5. (a) As used in this section, "department"
refers to the department of local government finance.

(b) If the department makes a determination and informs local officials under section 31(c) of this chapter, the department may order a state conducted assessment or reassessment in the county subject to the time limitation in that subsection.

(c) If the department orders a state conducted assessment or reassessment in a county, the department shall assume the duties of the county assessor. Notwithstanding sections 15 and 17 of this chapter, a county assessor subject to an order issued under this section may not assess property or have property assessed for the assessment or general reassessment under section 4 of this chapter or under a county's reassessment plan prepared under section 4.2 of this chapter. Until the state conducted assessment or reassessment is completed under this section, the assessment or reassessment duties of the county assessor are limited to providing the department or a contractor of the department the support and information requested by the department or the contractor.

(d) Before assuming the duties of a county assessor, the department shall transmit a copy of the department's order requiring a state conducted assessment or reassessment to the county assessor, the county fiscal body, the county auditor, and the county treasurer. Notice of the department's actions must be published one (1) time in a newspaper of general circulation published in the county. The department is not required to conduct a public hearing before taking action under this section.

(e) A county assessor subject to an order issued under this section shall, at the request of the department or the department's contractor, make available and provide access to all:

1. data;
2. records;
3. maps;
4. parcel record cards;
5. forms;
6. computer software systems;
7. computer hardware systems; and
8. other information;
related to the assessment or reassessment of real property in the county. The information described in this subsection must be provided at no cost to the department or the contractor of the department. A failure to provide information requested under this subsection constitutes a failure to perform a duty related to an assessment or a general reassessment under section 4 of this chapter or under a county's
reassessment plan prepared under section 4.2 of this chapter and is subject to IC 6-1.1-37-2.

(f) The department may enter into a contract with a professional appraising firm to conduct an assessment or reassessment under this section. If a county entered into a contract with a professional appraising firm to conduct the county's assessment or reassessment before the department orders a state conducted assessment or reassessment in the county under this section, the contract:

(1) is as valid as if it had been entered into by the department; and
(2) shall be treated as the contract of the department.

(g) After receiving the report of assessed values from the appraisal firm acting under a contract described in subsection (f), the department shall give notice to the taxpayer and the county assessor, by mail, of the amount of the assessment or reassessment. The notice of assessment or reassessment:

(1) is subject to appeal by the taxpayer under section 31.7 of this chapter; and
(2) must include a statement of the taxpayer's rights under section 31.7 of this chapter.

(h) The department shall forward a bill for services provided under a contract described in subsection (f) to the auditor of the county in which the state conducted reassessment occurs. The county shall pay the bill under the procedures prescribed by subsection (i).

(i) A county subject to an order issued under this section shall pay the cost of a contract described in subsection (f), without appropriation, from the county property reassessment fund. A contractor may periodically submit bills for partial payment of work performed under the contract. Notwithstanding any other law, a contractor is entitled to payment under this subsection for work performed under a contract if the contractor:

(1) submits to the department a fully itemized, certified bill in the form required by IC 5-11-10-1 for the costs of the work performed under the contract;
(2) obtains from the department:
   (A) approval of the form and amount of the bill; and
   (B) a certification that the billed goods and services have been received and comply with the contract; and
(3) files with the county auditor:
   (A) a duplicate copy of the bill submitted to the department;
   (B) proof of the department's approval of the form and amount of the bill; and
   (C) the department's certification that the billed goods and
services have been received and comply with the contract. The department's approval and certification of a bill under subdivision (2) shall be treated as conclusively resolving the merits of a contractor's claim. Upon receipt of the documentation described in subdivision (3), the county auditor shall immediately certify that the bill is true and correct without further audit and submit the claim to the county executive. The county executive shall allow the claim, in full, as approved by the department, without further examination of the merits of the claim in a regular or special session that is held not less than three (3) days and not more than seven (7) days after the date the claim is certified by the county fiscal officer if the procedures in IC 5-11-10-2 are used to approve the claim or the date the claim is placed on the claim docket under IC 36-2-6-4 if the procedures in IC 36-2-6-4 are used to approve the claim. Upon allowance of the claim by the county executive, the county auditor shall immediately issue a warrant or check for the full amount of the claim approved by the department. Compliance with this subsection constitutes compliance with IC 5-11-6-1, IC 5-11-10, and IC 36-2-6. The determination and payment of a claim in compliance with this subsection is not subject to remonstrance and appeal. IC 36-2-6-4(f) and IC 36-2-6-9 do not apply to a claim submitted under this subsection. IC 5-11-10-1.6(d) applies to a fiscal officer who pays a claim in compliance with this subsection.

(j) Notwithstanding IC 4-13-2, a period of seven (7) days is permitted for each of the following to review and act under IC 4-13-2 on a contract of the department entered into under this section:

(1) The commissioner of the Indiana department of administration.
(2) The director of the budget agency.
(3) The attorney general.

(k) If money in the county's property reassessment fund is insufficient to pay for an assessment or reassessment conducted under this section, the department may increase the tax rate and tax levy of the county's property reassessment fund to pay the cost and expenses related to the assessment or reassessment.

(l) The department or the contractor of the department shall use the land values determined under section 13.6 of this chapter for a county subject to an order issued under this section to the extent that the department or the contractor finds that the land values reflect the true tax value of land, as determined under this article and the rules of the department. If the department or the contractor finds that the land values determined for the county under section 13.6 of this chapter do not reflect the true tax value of land, the department or the contractor
shall determine land values for the county that reflect the true tax value of land, as determined under this article and the rules of the department. Land values determined under this subsection shall be used to the same extent as if the land values had been determined under section 13.6 of this chapter. The department or the contractor of the department shall notify the county's assessing officials of the land values determined under this subsection.

(m) A contractor of the department may notify the department if:
(1) a county auditor fails to:
   (A) certify the contractor's bill;
   (B) publish the contractor's claim;
   (C) submit the contractor's claim to the county executive; or
   (D) issue a warrant or check for payment of the contractor's bill;
   as required by subsection (i) at the county auditor's first legal opportunity to do so;
(2) a county executive fails to allow the contractor's claim as legally required by subsection (i) at the county executive's first legal opportunity to do so; or
(3) a person or an entity authorized to act on behalf of the county takes or fails to take an action, including failure to request an appropriation, and that action or failure to act delays or halts progress under this section for payment of the contractor's bill.

(n) The department, upon receiving notice under subsection (m) from a contractor of the department, shall:
(1) verify the accuracy of the contractor's assertion in the notice that:
   (A) a failure occurred as described in subsection (m)(1) or (m)(2); or
   (B) a person or an entity acted or failed to act as described in subsection (m)(3); and
(2) provide to the treasurer of state the department's approval under subsection (i)(2)(A) of the contractor's bill with respect to which the contractor gave notice under subsection (m).

(o) Upon receipt of the department's approval of a contractor's bill under subsection (n), the treasurer of state shall pay the contractor the amount of the bill approved by the department from money in the possession of the state that would otherwise be available for distribution to the county, including distributions of admissions taxes or wagering taxes.

(p) The treasurer of state shall withhold from the money that would be distributed under IC 4-33-12-6 (before its repeal on January 1,
2017), IC 4-33-13-5, or any other law to a county described in a notice provided under subsection (m) the amount of a payment made by the treasurer of state to the contractor of the department under subsection (o). Money shall be withheld from any source payable to the county.

(q) Compliance with subsections (m) through (p) constitutes compliance with IC 5-11-10.

(r) IC 5-11-10-1.6(d) applies to the treasurer of state with respect to the payment made in compliance with subsections (m) through (p). This subsection and subsections (m) through (p) must be interpreted liberally so that the state shall, to the extent legally valid, ensure that the contractual obligations of a county subject to this section are paid. Nothing in this section shall be construed to create a debt of the state.

(s) The provisions of this section are severable as provided in IC 1-1-1-8(b).

(a) This subsection does not apply to tax revenue remitted by an operating agent operating a riverboat in a historic hotel district. After funds are appropriated under section 4 of this chapter, each month the treasurer of state shall distribute the tax revenue deposited in the state gaming fund under this chapter to the following:

(1) The first thirty-three million dollars ($33,000,000) of tax revenues collected under this chapter shall be set aside for revenue sharing under subsection (e).

(2) Subject to subsection (c), twenty-five percent (25%) of the remaining tax revenue remitted by each licensed owner shall be paid:

(ii) a city located in a county having a population of more than four hundred thousand (400,000) but less than seven hundred thousand (700,000); or

(B) to the county that is designated as the home dock of the riverboat from which the tax revenue was collected, in the case of a riverboat whose home dock is not in a city described in clause (A)."
(3) Subject to subsection (d), the remainder of the tax revenue remitted by each licensed owner shall be paid to the state general fund. In each state fiscal year, the treasurer of state shall make the transfer required by this subdivision not later than the last business day of the month in which the tax revenue is remitted to the state for deposit in the state gaming fund. However, if tax revenue is received by the state on the last business day in a month, the treasurer of state may transfer the tax revenue to the state general fund in the immediately following month.

(b) This subsection applies only to tax revenue remitted by an operating agent operating a riverboat in a historic hotel district. After funds are appropriated under section 4 of this chapter, each month the treasurer of state shall distribute the tax revenue remitted by the operating agent under this chapter as follows:

1. Thirty-seven and one-half percent (37.5%) shall be paid to the state general fund.
2. Nineteen percent (19%) shall be paid to the West Baden Springs historic hotel preservation and maintenance fund established by IC 36-7-11.5-11(b). However, at any time the balance in that fund exceeds twenty fifteen million dollars ($20,000,000); (15,000,000), the amount described in this subdivision shall be paid to the state general fund.
3. Eight percent (8%) shall be paid to the Orange County development commission established under IC 36-7-11.5.
4. Sixteen percent (16%) shall be paid in equal amounts to each town that is located in the county in which the riverboat is located and contains a historic hotel. The following apply to taxes received by a town under this subdivision:
   A. At least twenty-five percent (25%) of the taxes must be transferred to the school corporation in which the town is located.
   B. At least twelve and five-tenths percent (12.5%) of the taxes imposed on adjusted gross receipts received after June 30, 2010, must be transferred to the Orange County development commission established by IC 36-7-11.5-3.5.
5. Nine percent (9%) shall be paid to the county treasurer of the county in which the riverboat is located. The county treasurer shall distribute the money received under this subdivision as follows:
   A. Twenty-two and twenty-five hundredths percent (22.25%) shall be quarterly distributed to the county treasurer of a county having a population of more than forty thousand
(40,000) but less than forty-two thousand (42,000) for appropriation by the county fiscal body after receiving a recommendation from the county executive. The county fiscal body for the receiving county shall provide for the distribution of the money received under this clause to one (1) or more taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the county fiscal body after receiving a recommendation from the county executive.

(B) Twenty-two and twenty-five hundredths percent (22.25%) shall be quarterly distributed to the county treasurer of a county having a population of more than ten thousand seven hundred (10,700) but less than twelve thousand (12,000) for appropriation by the county fiscal body after receiving a recommendation from the county executive. The county fiscal body for the receiving county shall provide for the distribution of the money received under this clause to one (1) or more taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the county fiscal body after receiving a recommendation from the county executive.

(C) Fifty-five and five-tenths percent (55.5%) shall be retained by the county in which the riverboat is located for appropriation by the county fiscal body after receiving a recommendation from the county executive.

(6) Five percent (5%) shall be paid to a town having a population of more than two thousand (2,000) but less than three thousand five hundred (3,500) located in a county having a population of more than nineteen thousand five hundred (19,500) but less than twenty thousand (20,000). At least forty percent (40%) of the taxes received by a town under this subdivision must be transferred to the school corporation in which the town is located.

(7) Five percent (5%) shall be paid to a town having a population of more than three thousand five hundred (3,500) located in a county having a population of more than nineteen thousand five hundred (19,500) but less than twenty thousand (20,000). At least forty percent (40%) of the taxes received by a town under this subdivision must be transferred to the school corporation in which the town is located.

(8) Five-tenths percent (0.5%) of the taxes imposed on adjusted gross receipts received after June 30, 2010, shall be paid to the Indiana economic development corporation established by IC 5-28-3-1.

(c) For each city and county receiving money under subsection
(a)(2), the treasurer of state shall determine the total amount of money paid by the treasurer of state to the city or county during the state fiscal year 2002. The amount determined is the base year revenue for the city or county. The treasurer of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year, the treasurer of state shall pay that part of the riverboat wagering taxes that:

(1) exceeds a particular city's or county's base year revenue; and
(2) would otherwise be due to the city or county under this section;

to the state general fund instead of to the city or county.

d) Each state fiscal year the treasurer of state shall transfer from the tax revenue remitted to the state general fund under subsection (a)(3) to the build Indiana fund an amount that when added to the following may not exceed two hundred fifty million dollars ($250,000,000):

(1) Surplus lottery revenues under IC 4-30-17-3.
(2) Surplus revenue from the charity gaming enforcement fund under IC 4-32.2-7-7.
(3) Tax revenue from pari-mutuel wagering under IC 4-31-9-3.

The treasurer of state shall make transfers on a monthly basis as needed to meet the obligations of the build Indiana fund. If in any state fiscal year insufficient money is transferred to the state general fund under subsection (a)(3) to comply with this subsection, the treasurer of state shall reduce the amount transferred to the build Indiana fund to the amount available in the state general fund from the transfers under subsection (a)(3) for the state fiscal year.

e) Before August 15 of each year, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Except as provided in subsection (h), the county auditor shall distribute the money received by the county under this subsection as follows:

(1) To each city located in the county according to the ratio the city's population bears to the total population of the county.
(2) To each town located in the county according to the ratio the town's population bears to the total population of the county.
(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.

EH 1540—LS 7218/DI 92
(f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

(1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5).

(2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for debt repayment.

(3) To fund sewer and water projects, including storm water management projects.

(4) For police and fire pensions.

(5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(g) This subsection does not apply to an entity receiving money under IC 4-33-12-6(c). Before September 15 of each year, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-6), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the state general fund. Except as provided in subsection (i), the amount of an entity's supplemental distribution is equal to:

(1) the entity's base year revenue (as determined under IC 4-33-12-6); minus

(2) the sum of:

(A) the total amount of money distributed to the entity during the preceding state fiscal year under IC 4-33-12-6; plus

(B) any amounts deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

(1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.

(2) To each town located in the county according to the ratio that
the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

(i) This subsection applies to a supplemental distribution made after June 30, 2013. The maximum amount of money that may be distributed under subsection (g) in a state fiscal year is forty-eight million dollars ($48,000,000). If the total amount determined under subsection (g) exceeds forty-eight million dollars ($48,000,000), the amount distributed to an entity under subsection (g) must be reduced according to the ratio that the amount distributed to the entity under IC 4-33-12-6 bears to the total amount distributed under IC 4-33-12-6 to all entities receiving a supplemental distribution.”.
