Augmentation allowed.

Any unencumbered amount remaining from this appropriation at the end of a state fiscal year remains available in subsequent state fiscal years for the purposes for which it is appropriated.

The appropriations are to be used solely for the promotion and development of public transportation. The department of transportation shall allocate funds based on a formula approved by the commissioner of the department of transportation.

The department of transportation may distribute public mass transportation funds
to an eligible grantee that provides public transportation in Indiana.

The state funds can be used to match federal funds available under the Federal Transit Act (49 U.S.C. 1601, et seq.) or local funds from a requesting grantee.

Before funds may be disbursed to a grantee, the grantee must submit its request for financial assistance to the department of transportation for approval. Allocations must be approved by the governor and the budget agency after review by the budget committee and shall be made on a reimbursement basis. Only applications for capital and operating assistance may be approved. Only those grantees that have met the reporting requirements under IC 8-23-3 are eligible for assistance under this appropriation.

As soon as practical after passage of this act, the department with the approval of the governor shall prepare a plan for the allocation and expenditure of the appropriations listed above. The plan shall list the projects to be funded. The department shall present the plan to the state budget committee for review under IC 4-12-1-11.5.

In preparing that portion of the plan for expenditure for Highway Capital Improvements and Transportation Enhancements, the department shall adhere to the following goals to the extent practical:

1. The plan shall comply with all applicable federal statutes, rules, and policies as necessary to ensure eligibility for the maximum level of federal funding.
2. The plan shall be designed to obligate the federal funds and begin construction as soon as practical.
3. The plan shall be designed to minimize the likelihood that any funding apportioned to Indiana will have to be returned to the federal government.
4. The plan shall strive to make Indiana eligible for any increased funding that
may become available as a result of reallocation from other states.

(5) The plan shall reasonably allocate funding to projects located across all areas of the state, with an emphasis on areas determined by the department to be economically distressed.

(6) The department may hold special lettings for contracts using the above appropriations. The department shall strive to limit each contract to a maximum of $10,000,000.

(7) The department shall strive to diversify the type of work using the above appropriations.

In preparing that portion of the plan for expenditure for Highway Capital Improvements - Local Government and Highway Capital Improvements - Metro Planning Organizations, Cities, Towns, and Counties, the department shall adhere to the following guidelines to the extent practical:

(1) The plan shall comply with all applicable federal statutes, rules, and policies as necessary to ensure eligibility for the maximum level of federal funding.

(2) The plan shall be designed to obligate the federal funds and begin construction as soon as practical.
(3) The plan shall be designed to minimize the likelihood that any funding apportioned to Indiana will have to be returned to the federal government.

(4) The plan shall strive to make Indiana eligible for any increased funding that may become available as a result of reallocation from other states.

(5) The plan shall reasonably allocate funds to projects located across all areas of the state. However, if the department cannot identify local government projects that can be obligated within the established time frames the department may allocate funds as necessary to fully obligate all federal funding.

(6) For Highway Capital Improvements for Metro Planning Organizations the plan shall include projects selected by the respective metropolitan planning organizations. However, if the metropolitan planning organizations cannot identify projects that can be obligated within the established time frames, the department may select alternate projects as necessary to fully obligate all federal funding.

(7) The department may hold special lettings for contracts using the above appropriations. The department shall strive to limit each contract for Highway Capital Improvements for Cities, Towns, and Counties to a maximum of $7,000,000.
The department shall establish reasonable policies and guidelines for cities, towns, and counties and metropolitan planning organizations to follow to help ensure reasonable access and timely obligation of funds. The department shall provide reasonable assistance to cities, towns, and counties and metropolitan planning organizations in meeting deadlines established to ensure timely obligation of funding.

If the governor finds that any of the above goals conflict with another goal, the governor shall determine the appropriate weight to give to each goal. Actions taken by the governor or the department with respect to allocation, obligation, or expenditure of the above appropriations before passage of this act is deemed to have satisfied the requirement for budget committee review providing such actions were taken to conform to the plan or to comply with laws, policies, or direction issued by the United States Department of Transportation or any other federal agency as a condition to qualifying for the federal funds.

The department with the approval of the governor may adjust the above appropriations for Highway Capital Improvements, Transportation Enhancements, Highway Capital Improvements
- Metropolitan Planning Organizations, Cities, Towns, and Counties as necessary to comply with federal law, policies, or direction established to ensure continuing eligibility for federal funding.

The department shall submit reports to the budget committee and legislative council by December 31 of 2009, 2010, and 2011 detailing the status of the appropriations and projects funded under the plan. The department may submit copies of reports required to be submitted to the federal government to fulfill this requirement.

The above appropriations do not revert but remain in effect until obligated.

The above appropriations for client services include the intragovernmental transfers necessary to provide the nonfederal share of reimbursement under the Medicaid program for day services provided to residents of group homes and nursing facilities.

In the development of new community residential settings for persons with developmental disabilities, the division of disability and rehabilitative services must give priority to the appropriate placement of such persons who are eligible for Medicaid and currently residing in intermediate care or skilled nursing facilities and, to the extent permitted by law, such persons who reside with aged parents or guardians or families in crisis.

The above appropriations do not include funds for the course development grant program.

The sums herein appropriated to Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, Ivy Tech Community College, and the Indiana Higher Education Telecommunications System (IHETS) are in addition to all income of said institutions and IHETS, respectively, from all permanent fees and endowments and from all land grants, fees, earnings, and receipts, including gifts, grants, bequests, and devises, and receipts from any
miscellaneous sales from whatever source derived.

All such income and all such fees, earnings, and receipts on hand June 30, 2009, and all such income and fees, earnings, and receipts accruing thereafter are hereby appropriated to the boards of trustees or directors of the aforementioned institutions and IHETS and may be expended for any necessary expenses of the respective institutions and IHETS, including university hospitals, schools of medicine, nurses' training schools, schools of dentistry, and agricultural extension and experimental stations. However, such income, fees, earnings, and receipts may be used for land and structures only if approved by the governor and the budget agency.

The foregoing appropriations to Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, Ivy Tech Community College, and IHETS include the employers' share of Social Security payments for university and IHETS employees under the public employees' retirement fund, or institutions covered by the Indiana state teachers' retirement fund. The funds appropriated also include funding for the employers' share of payments to the
public employees' retirement fund and to the Indiana state teachers' retirement fund
at a rate to be established by the retirement funds for both fiscal years for each
institution and for IHETS employees covered by these retirement plans.

The treasurers of Indiana University, Purdue University, Indiana State University,
University of Southern Indiana, Ball State University, Vincennes University, and
Ivy Tech Community College shall, at the end of each three (3) month period, prepare
and file with the auditor of state a financial statement that shall show in total
all revenues received from any source, together with a consolidated statement of
disbursements for the same period. The budget director shall establish the requirements
for the form and substance of the reports.

The reports of the treasurer also shall contain in such form and in such detail as
the governor and the budget agency may specify, complete information concerning receipts
from all sources, together with any contracts, agreements, or arrangements with any
federal agency, private foundation, corporation, or other entity from which such
receipts accrue.
All such treasurers' reports are matters of public record and shall include without limitation a record of the purposes of any and all gifts and trusts with the sole exception of the names of those donors who request to remain anonymous.

Notwithstanding IC 4-10-11, the auditor of state shall draw warrants to the treasurers of Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, and Ivy Tech Community College on the basis of vouchers stating the total amount claimed against each fund or account, or both, but not to exceed the legally made appropriations.

Notwithstanding IC 4-12-1-14, for universities and colleges supported in whole or in part by state funds, grant applications and lists of applications need only be submitted upon request to the budget agency for review and approval or disapproval and, unless disapproved by the budget agency, federal grant funds may be requested and spent without approval by the budget agency. Each institution shall retain the applications for a reasonable period of time and submit a list of all grant applications,
at least monthly, to the commission for higher education for informational purposes.

For all university special appropriations, an itemized list of intended expenditures, in such form as the governor and the budget agency may specify, shall be submitted to support the allotment request. All budget requests for university special appropriations shall be furnished in a like manner and as a part of the operating budgets of the state universities.

The trustees of Indiana University, the trustees of Purdue University, the trustees of Indiana State University, the trustees of University of Southern Indiana, the trustees of Ball State University, the trustees of Vincennes University, the trustees of Ivy Tech Community College and the directors of IHETS are hereby authorized to accept federal grants, subject to IC 4-12-1.

For the higher education awards and freedom of choice grants made for the 2009-2011 biennium, the following guidelines shall be used, notwithstanding current administrative rule or practice:
(1) Financial Need: For purposes of these awards, financial need shall be limited to actual undergraduate tuition and fees for the prior academic year as established by the commission.

(2) Maximum Base Award: The maximum award shall not exceed the lesser of:
(A) eighty percent (80%) of actual prior academic year undergraduate tuition and fees; or
(B) eighty percent (80%) of the sum of the highest prior academic year undergraduate tuition and fees at any public institution of higher education and the lowest appropriation per full-time equivalent (FTE) undergraduate student at any public institution of higher education.

(3) Minimum Award: No actual award shall be less than $400.

(4) Award Size: A student's maximum award shall be reduced one (1) time:
(A) for dependent students, by the expected contribution from parents based upon information submitted on the financial aid application form; and
(B) for independent students, by the expected contribution derived from information submitted on the financial aid application form.

(5) Award Adjustment: The maximum base award may be adjusted by the commission, for
any eligible recipient who fulfills college preparation requirements defined by the commission.

(6) Adjustment:
(A) If the dollar amounts of eligible awards exceed appropriations and program reserves, all awards may be adjusted by the commission by reducing the maximum award under subdivision (2)(A) or (2)(B).
(B) If appropriations and program reserves are sufficient and the maximum awards are not at the levels described in subdivision (2)(A) and (2)(B), all awards may be adjusted by the commission by proportionally increasing the awards to the maximum award under that subdivision so that parity between those maxima is maintained but not exceeded.

For the Hoosier scholar program for the 2009-2011 biennium, each award shall not exceed five hundred dollars ($500) and shall be made available for one (1) year only. Receipt of this award shall not reduce any other award received under any state funded student assistance program.

The above appropriations for full day kindergarten are available to school corporations and charter schools that apply to the department of education for funding of full day kindergarten. The amount available to a school corporation or charter school equals the amount appropriated divided by the total full day kindergarten enrollment of all participating school corporations and charter schools (as defined in IC 20-43-1-11) for the current year, and then multiplied by the school corporation's or charter school's full day kindergarten enrollment (as defined in IC 20-43-1-11) for the current year. However, a school corporation or charter school may not receive more than $2,500 dollars per student for full day kindergarten. A school corporation or charter school that is awarded a grant must provide to the department of education a financial report stating how the funds were spent. Any unspent funds at the end
of the biennium must be returned to the state by the school corporation or charter school.

To provide full day kindergarten programs, a school corporation or charter school that determines there is inadequate space to offer a program in the school corporation's or charter school's existing facilities may offer the program in any suitable space located within the geographic boundaries of the school corporation or, in the case of a charter school, a location that is in the general vicinity of the charter school's existing facilities. A full day kindergarten program offered by a school corporation or charter school must meet the academic standards and other requirements of IC 20.

A school corporation or charter school that receives a grant must meet the academic standards and other requirements of IC 20.

In awarding grants from the above appropriations, the department of education may not refuse to make a grant to a school corporation or reduce the award that would otherwise be made to the school corporation because the school corporation used federal
grants or loans, including Title I grants, to fund part or all of the school corporation's full day kindergarten program in a school year before the school year in which the grant will be given or because the school corporation intends to use federal grants or loans, including Title I grants, to fund part of the school corporation's full day kindergarten program in a school year in which the grant will be given.

The state board and department shall provide support to school corporations and charter schools in the development and implementation of child centered and learning focused programs using the following methods:

1. Targeting professional development funds to provide teachers in kindergarten through grade 3 education in:
   (A) scientifically proven methods of teaching reading;
   (B) the use of data to guide instruction; and
   (C) the use of age appropriate literacy and mathematics assessments.

2. Making uniform, predictively valid, observational assessments that:
   (A) provide frequent information concerning the student's progress to the student's teacher; and
(B) measure the student's progress in literacy; available to teachers in kindergarten through grade 3. Teachers shall monitor students participating in a program, and the school corporation or charter school shall report the results of the assessments to the parents of a child completing an assessment and to the department.

(3) Undertaking a longitudinal study of students in programs in Indiana to determine the achievement levels of the students in kindergarten and later grades.

The school corporation or charter school may use any funds otherwise allowable under state and federal law, including the school corporation's general fund, any funds available to the charter school, or voluntary parent fees, to provide full day kindergarten programs.

SECTION 12. [EFFECTIVE JULY 1, 2009]

In accordance with IC 22-4.1-13, the budget agency, with the advice of the commission on vocational and technical education and the budget committee, may augment or reduce an allocation of federal funds made under SECTION 11 of this act.

SECTION 13. [EFFECTIVE JULY 1, 2009]

Utility bills for the month of June, travel claims covering the period June 16 to June 30, payroll for the period of the last half of June, any interdepartmental bills for supplies or services for the month of June, and any other miscellaneous expenses incurred during the period June 16 to June 30 shall be charged to the appropriation for the succeeding year. No interdepartmental bill shall be recorded as a refund.
of expenditure to any current year allotment account for supplies or services rendered or delivered at any time during the preceding June period.

SECTION 14. [EFFECTIVE JULY 1, 2009]

The budget agency, under IC 4-10-11, IC 4-12-1-13, and IC 4-13-1, in cooperation with the Indiana department of administration, may fix the amount of reimbursement for traveling expenses (other than transportation) for travel within the limits of Indiana. This amount may not exceed actual lodging and miscellaneous expenses incurred. A person in travel status, as defined by the state travel policies and procedures established by the Indiana department of administration and the budget agency, is entitled to a meal allowance not to exceed during any twenty-four (24) hour period the standard meal allowances established by the federal Internal Revenue Service.

All appropriations provided by this act or any other statute, for traveling and hotel expenses for any department, officer, agent, employee, person, trustee, or commissioner, are to be used only for travel within the state of Indiana, unless those expenses
are incurred in traveling outside the state of Indiana on trips that previously have
received approval as required by the state travel policies and procedures established
by the Indiana department of administration and the budget agency. With the required
approval, a reimbursement for out-of-state travel expenses may be granted in an amount
not to exceed actual lodging and miscellaneous expenses incurred. A person in travel
status is entitled to a meal allowance not to exceed during any twenty-four (24)
hour period the standard meal allowances established by the federal Internal Revenue
Service for properly approved travel within the continental United States and a minimum
of $50 during any twenty-four (24) hour period for properly approved travel outside
the continental United States. However, while traveling in Japan, the minimum meal
allowance shall not be less than $90 for any twenty-four (24) hour period. While
traveling in Korea and Taiwan, the minimum meal allowance shall not be less than
$85 for any twenty-four (24) hour period. While traveling in Singapore, China, Great
Britain, Germany, the Netherlands, and France, the minimum meal allowance shall not
be less than $65 for any twenty-four (24) hour period.

In the case of the state supported institutions of postsecondary education, approval
for out-of-state travel may be given by the chief executive officer of the institution, or the chief executive officer's authorized designee, for the chief executive officer's respective personnel.

Before reimbursing overnight travel expenses, the auditor of state shall require documentation as prescribed in the state travel policies and procedures established by the Indiana department of administration and the budget agency. No appropriation from any fund may be construed as authorizing the payment of any sum in excess of the standard mileage rates for personally owned transportation equipment established by the federal Internal Revenue Service when used in the discharge of state business. The Indiana department of administration and the budget agency may adopt policies and procedures relative to the reimbursement of travel and moving expenses of new state employees and the reimbursement of travel expenses of prospective employees who are invited to interview with the state.

SECTION 15. [EFFECTIVE JULY 1, 2009]
Notwithstanding IC 4-10-11-2.1, the salary per diem of members of boards, commissions, and councils who are entitled to a salary per diem is $50 per day. However, members of boards, commissions, or councils who receive an annual or a monthly salary paid by the state are not entitled to the salary per diem provided in IC 4-10-11-2.1.

SECTION 16. [EFFECTIVE JULY 1, 2009]

No payment for personal services shall be made by the auditor of state unless the payment has been approved by the budget agency or the designee of the budget agency.

SECTION 17. [EFFECTIVE JULY 1, 2009]

No warrant for operating expenses, capital outlay, or fixed charges shall be issued to any department or an institution unless the receipts of the department or institution have been deposited into the state treasury for the month. However, if a department or an institution has more than $10,000 in daily receipts, the receipts shall be deposited into the state treasury daily.
SECTION 18. [EFFECTIVE JULY 1, 2009]

In case of loss by fire or any other cause involving any state institution or department, the proceeds derived from the settlement of any claim for the loss shall be deposited in the state treasury, and the amount deposited is hereby reappropriated to the institution or department for the purpose of replacing the loss. If it is determined that the loss shall not be replaced, any funds received from the settlement of a claim shall be deposited into the state general fund.

SECTION 19. [EFFECTIVE JULY 1, 2009]

If an agency has computer equipment in excess of the needs of that agency, then the excess computer equipment may be sold under the provisions of surplus property sales, and the proceeds of the sale or sales shall be deposited in the state treasury. The amount so deposited is hereby reappropriated to that agency for other operating expenses of the then current year, if approved by the director of the budget agency.
SECTION 20. [EFFECTIVE JULY 1, 2009]

If any state penal or benevolent institution other than the Indiana state prison, Pendleton correctional facility, or Putnamville correctional facility shall, in the operation of its farms, produce products or commodities in excess of the needs of the institution, the surplus may be sold through the division of industries and farms, the director of the supply division of the Indiana department of administration, or both. The proceeds of any such sale or sales shall be deposited in the state treasury. The amount deposited is hereby reappropriated to the institution for expenses of the then current year if approved by the director of the budget agency. The exchange between state penal and benevolent institutions of livestock for breeding purposes only is hereby authorized at valuations agreed upon between the superintendents or wardens of the institutions. Capital outlay expenditures may be made from the institutional industries and farms revolving fund if approved by the budget agency and the governor.

SECTION 21. [EFFECTIVE JULY 1, 2009]
This act does not authorize any rehabilitation and repairs to any state buildings, nor does it allow that any obligations be incurred for lands and structures, without the prior approval of the budget director or the director's designee. This SECTION does not apply to contracts for the state universities supported in whole or in part by state funds.

SECTION 22. [EFFECTIVE JULY 1, 2009]

If an agency has an annual appropriation fixed by law, and if the agency also receives an appropriation in this act for the same function or program, the appropriation in this act supersedes any other appropriations and is the total appropriation for the agency for that program or function.

SECTION 23. [EFFECTIVE JULY 1, 2009]

The balance of any appropriation or funds heretofore placed or remaining to the credit
of any division of the state of Indiana, and any appropriation or funds provided in this act placed to the credit of any division of the state of Indiana, the powers, duties, and functions whereof are assigned and transferred to any department for salaries, maintenance, operation, construction, or other expenses in the exercise of such powers, duties, and functions, shall be transferred to the credit of the department to which such assignment and transfer is made, and the same shall be available for the objects and purposes for which appropriated originally.

SECTION 24. [EFFECTIVE JULY 1, 2009]

The director of the division of procurement of the Indiana department of administration, or any other person or agency authorized to make purchases of equipment, shall not honor any requisition for the purchase of an automobile that is to be paid for from any appropriation made by this act or any other act, unless the following facts are shown to the satisfaction of the commissioner of the Indiana department of administration or the commissioner's designee:

(1) In the case of an elected state officer, it shall be shown that the duties of
the office require driving about the state of Indiana in the performance of official duty.

(2) In the case of department or commission heads, it shall be shown that the statutory duties imposed in the discharge of the office require traveling a greater distance than one thousand (1,000) miles each month or that they are subject to official duty call at all times.

(3) In the case of employees, it shall be shown that the major portion of the duties assigned to the employee require travel on state business in excess of one thousand (1,000) miles each month, or that the vehicle is identified by the agency as an integral part of the job assignment.

In computing the number of miles required to be driven by a department head or an employee, the distance between the individual's home and office or designated official station is not to be considered as a part of the total. Department heads shall annually submit justification for the continued assignment of each vehicle in their department, which shall be reviewed by the commissioner of the Indiana department of administration, or the commissioner's designee. There shall be an insignia permanently affixed on
each side of all state owned cars, designating the cars as being state owned. However, this requirement does not apply to state owned cars driven by elected state officials or to cases where the commissioner of the Indiana department of administration or the commissioner’s designee determines that affixing insignia on state owned cars would hinder or handicap the persons driving the cars in the performance of their official duties.

SECTION 25. [EFFECTIVE JULY 1, 2009]

When budget agency approval or review is required under this act, the budget agency may refer to the budget committee any budgetary or fiscal matter for an advisory recommendation. The budget committee may hold hearings and take any actions authorized by IC 4-12-1-11, and may make an advisory recommendation to the budget agency.

SECTION 26. [EFFECTIVE JULY 1, 2009]

The governor of the state of Indiana is solely authorized to accept on behalf of
the state any and all federal funds available to the state of Indiana. Federal funds received under this SECTION are appropriated for purposes specified by the federal government, subject to allotment by the budget agency. The provisions of this SECTION and all other SECTIONS concerning the acceptance, disbursement, review, and approval of any grant, loan, or gift made by the federal government or any other source to the state or its agencies and political subdivisions shall apply, notwithstanding any other law.

SECTION 27. [EFFECTIVE JULY 1, 2009]

Federal funds received as revenue by a state agency or department are not available to the agency or department for expenditure until allotment has been made by the budget agency under IC 4-12-1-12(d).

SECTION 28. [EFFECTIVE JULY 1, 2009]

A contract or an agreement for personal services or other services may not be entered
into by any agency or department of state government without the approval of the
budget agency or the designee of the budget director.

SECTION 29. [EFFECTIVE JULY 1, 2009]

Except in those cases where a specific appropriation has been made to cover the payments
for any of the following, the auditor of state shall transfer, from the personal
services appropriations for each of the various agencies and departments, necessary
payments for Social Security, public employees' retirement, health insurance, life
insurance, and any other similar payments directed by the budget agency.

SECTION 30. [EFFECTIVE JULY 1, 2009]

Subject to SECTION 25 of this act as it relates to the budget committee, the budget
agency with the approval of the governor may withhold allotments of any or all appropriations
contained in this act for the 2009-2011 biennium, if it is considered necessary to
do so in order to prevent a deficit financial situation.
SECTION 31. [EFFECTIVE JULY 1, 2009]

## SECTION 33. [EFFECTIVE UPON PASSAGE]

If any part of a construction or rehabilitation and repair appropriation made by this act or any previous acts has not been allotted or encumbered before the expiration of...

   (c) A public employer may pay a part of the cost of group insurance, but shall pay a part of the cost of group life insurance for local employees. A public employer may pay, as supplemental wages, an amount equal to the deductible portion of group health insurance as long as payment of the supplemental wages will not result in the payment of the total cost of the insurance by the public employer.

   (d) An insurance contract for local employees under this section may not be canceled by the public employer during the policy term of the contract.

   (e) After June 30, 1986, a public employer shall provide a group health insurance program under subsection (g) to each retired employee:

A retired employee who is eligible for insurance coverage under subsection (e) may elect to have the employee's spouse covered under the health insurance program at the time the employee retires. If a retired employee's spouse pays the amount the retired employee would have been required to pay for coverage selected by the spouse, the spouse's subsequent eligibility to continue insurance under this section is not affected by the death of the retired employee. The surviving spouse's eligibility ends on the earliest of the following:

(1) When the spouse becomes eligible for Medicare coverage as prescribed by 42 U.S.C. 1395 et seq.

A public employer may provide group health insurance to an employee who is on leave without pay for a longer period than required by subsection (h), and may continue to pay all or a part of the employer's premium for the insurance while the employee is on leave without pay.

to provide group health coverage for state employees.

(b) The state personnel department shall allow a school corporation to elect to provide coverage of health care services for active and retired employees of the school corporation under any state employee health plan. If a school corporation elects to provide coverage of health care services for active and retired employees of the school corporation under a state employee health plan, it must provide coverage for all active and retired employees of the school corporation under the state employee health plan (other than any employees covered by an Indiana comprehensive health insurance association policy) if coverage was provided for these employees under the prior policies.

(c) The following apply if a school corporation elects to provide coverage for active and retired employees of the school corporation under subsection (b):

(1) The state shall not pay any part of the cost of the coverage.

(2) The coverage provided to an active or retired school corporation employee under this section must be the same as the coverage provided to an active or retired state employee under the state employee health plan.

(3) Notwithstanding sections 2.2 and 2.6 of this chapter:

(A) the school corporation shall pay for the coverage provided to an active or retired school corporation employee under this section an amount not more than the amount paid by the state for coverage provided to an

(5) The school corporation shall provide the coverage elected under subsection (b) for a period of at least three (3) years beginning on the date the coverage of the school corporation employees under the state employee health plan begins.

(d) The state personnel department shall provide an enrollment period at least every thirty (30) days for a school corporation that elects to provide coverage under subsection (b).

(e) The state personnel department may adopt rules under IC 4-22-2 to implement this section.

(f) Neither this section nor a school corporation's election to participate in a state employee health plan as provided in this section impairs the rights of an exclusive representative of the certificated or noncertificated employees of the school corporation to collectively bargain all matters related to school employee health insurance programs and benefits.

(g) This subsection applies to school corporations that do not elect to provide coverage of health care services for active and retired employees of the school corporation under a state employee health plan as provided in this section. The department of education, with the assistance of the state personnel department, shall for each year after 2010 calculate the difference between:

(1) the total cost to be paid by a school corporation for the year to provide coverage of health care services; minus
(2) the total cost the school corporation would have paid for the year to provide coverage of health care services if the school corporation had elected to provide coverage under a state employee health plan in the preceding year as provided in this section.

(h) If the result of the calculation for a school corporation under
subsection (g) is positive, for contracts entered into or renewed after 2010 to provide coverage for health care services:

(1) the school corporation's employees shall pay the pro rata difference; and

(2) the school corporation may not pay the difference on behalf of the school corporation's employees from any funds of the school corporation.

An appeal under this section shall be conducted in the same manner as an appeal under IC 6-1.1-15-4 through IC 6-1.1-15-8. An assessment made under this chapter that is not appealed under this section is a final unappealable order of the department:

(b) The Indiana board shall hold a hearing on the appeal and issue an order within one (1) year of the date the appeal is filed: The county assessor of a qualifying county may not expend public money appealing an assessment under this section unless the following requirements are met before a petition for review is submitted to
the Indiana board:

(1) The county assessor submits to the county fiscal body a written estimate of the cost of the appeal.

(2) The county fiscal body adopts a resolution approving the county assessor's proposed expenditure to carry out the appeal.

(3) The total amount of the proposed expenditure is in accordance with an appropriation made by the county fiscal body in the manner provided by law.

(c) Except as otherwise provided in subsections (d) and (e), an appeal under this section shall be conducted in the same manner as an appeal under IC 6-1.1-15-4 through IC 6-1.1-15-8. (1) In the petition for review to the Indiana board, the county assessor shall state what the county assessor contends the assessed value of the industrial facility should be and provide substantial evidence in support of that contention. Failure to comply with this requirement results in dismissal of the county assessor's petition for review, and no further appeal of the assessment by the county assessor may be taken.

(2) Not later than thirty (30) days after the county assessor files a petition for review in compliance with subdivision (1), the Indiana board shall hold a hearing at which the county assessor must establish a reasonable likelihood of success on any contentions made in the petition for review including, without limitation, the contention required under subdivision (1) regarding the assessed value of the real estate. If the Indiana board determines that the county assessor has not established a reasonable likelihood of success
on the contentions in the petition for review, the county
assessor's petition for review shall be dismissed, and no
further appeal of the assessment by the county assessor may
be taken. If the Indiana board determines that the county
assessor has established a reasonable likelihood of success on
the contentions in the petition for review, the Indiana board's
determination does not create the presumption that the
county assessor's contentions are valid. A determination by
the Indiana board that the county assessor has established a
reasonable likelihood of success on the contentions in the
petition for review may be appealed to the Indiana tax court
as an interlocutory appeal. A party may petition for review
by the Indiana supreme court of the Indiana tax court's ruling
regarding an interlocutory appeal brought under this
subdivision.

(4) The Indiana board shall not hold a hearing on the appeal
under IC 6-1.1-15-4 and the county assessor shall not be
permitted to conduct discovery under the Indiana board's
administrative rules until a determination has been issued
under subdivision (3) and:

been ruled on by the Indiana tax court; or
(B) the Indiana supreme court has either rejected a
petition for review concerning the Indiana tax court's
ruling on the interlocutory appeal or issued a decision
regarding the Indiana tax court's ruling on the
interlocutory appeal.

(e) On any appeal that has not been dismissed, the Indiana
board shall issue an order within one (1) year after:

(1) the taxpayer filed its petition for review;
(2) the issuance of the Indiana board's determination under
subsection (d)(3) in the case of an appeal by the county
assessor; or
(3) the Indiana tax court or the Indiana supreme court rules
on a taxpayer's interlocutory appeal under subsection (d)(3)
in the case of an appeal by the county assessor;

whichever is latest.

3. the property continues to meet the requirements for an exemption under IC 6-1.1-10-16 or IC 6-1.1-10-21.

However, if title to any of the real property subject to the exemption changes or any of the tangible property subject to the exemption is used for a nonexempt purpose after the date of the last properly filed exemption application, this subsection does not apply: the person that obtained the exemption or the current owner of the property shall notify the county assessor for the county where the tangible property is located of the change in the year that the change occurs. The notice must be in the form prescribed by the department of local

Before the county auditor terminates a deduction because the individual residing on the property did not comply with the requirement in IC 6-1.1-22-8.1(b)(9) before January 1, 2013, the county auditor shall mail notice of the proposed termination of the deduction to:

(1) the last known address of each person liable for any property taxes or special assessment, as shown on the tax duplicate or special assessment records; or

   (B) the individual maintains the individual's principal place of residence with another individual who receives a deduction under this section;

the individual must file a certified statement with the auditor of the county, notifying the auditor of the change of use, not more than sixty (60) days after the date of that change. An individual who fails to file the statement required by this subsection is liable for any additional taxes that would have been due on the property if the individual had filed the statement as required by this subsection plus a civil penalty equal to ten percent (10%) of the additional taxes due. The civil penalty imposed under this subsection is in addition to any interest and penalties for a delinquent payment that might otherwise be due. One percent (1%) of the total civil penalty collected under this subsection shall be transferred by the county to the department of local government finance for use by the department in establishing and maintaining the homestead property database under subsection (i) and, to the extent there is money remaining, for any other purposes of the department. This amount becomes part of the property tax liability for purposes of this article.

(g) The department of local government finance shall adopt rules or guidelines concerning the application for a deduction under this section.

(h) This subsection does not apply to property in the first year for which a deduction is claimed under this section if the sole reason that a deduction is claimed on other property is that the individual or married couple maintained a principal residence at the other property on March 1 in the same year in which an application for a deduction is filed under this section or, if the application is for a homestead that is assessed as personal property, on March 1 in the immediately preceding year and the individual or married couple is moving the individual's or married couple's principal residence to the property that is the subject of the application. The county auditor may not grant an individual or a married couple a deduction under this section if:
   (1) the individual or married couple, for the same year, claims the deduction on two (2) or more different applications for the
deduction; and
(2) the applications claim the deduction for different property.

(i) The department of local government finance shall provide secure access to county auditors to a homestead property data base that includes access to the homestead owner's name and the numbers required from the homestead owner under subsection (e)(4) for the sole purpose of verifying whether an owner is wrongly claiming a deduction under this chapter or a credit under IC 6-1.1-20.4, IC 6-1.1-20.6, or IC 6-3.5.

(j) The department of local government finance shall work with county auditors to develop procedures to determine whether a property owner that is claiming a standard deduction or homestead credit is not eligible for the standard deduction or homestead credit because the property owner's principal place of residence is outside Indiana.

(k) As used in this section, "homestead" includes property that satisfies each of the following requirements:

(1) The property is located in Indiana and consists of a dwelling and the real estate, not exceeding one (1) acre, that immediately surrounds that dwelling.

(2) The property is the principal place of residence of an individual.

(3) The property is owned by an entity that is not described in subsection (a)(2)(B).

(l) If a county auditor terminates a deduction for property described in subsection (k) with respect to property taxes that are:

(1) imposed for an assessment date in 2009; and

(2) first due and payable in 2010;
on the grounds that the property is not owned by an entity described in subsection (a)(2)(B), the county auditor shall reinstate the deduction if the taxpayer provides proof that the property is eligible for the deduction in accordance with subsection (k) and that the individual residing on the property is not claiming the deduction for any other property.

SECTION 111. IC 6-1.1-15-1, AS AMENDED BY P.L.136-2009, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 1. (a) A taxpayer may obtain a review by the county board of a county or township official's action with respect to
either or both of the following:

The notice to obtain a review must be filed not later than the later of:

(1) May 10 of the year; or
(2) forty-five (45) days after the date of the tax statement mailed by the county treasurer, regardless of whether the assessing official changes the taxpayer's assessment.

(e) A change in an assessment made as a result of a notice for
review filed by a taxpayer under subsection (d) after the time prescribed in subsection (d) becomes effective for the next assessment date. A change in an assessment made as a result of a notice for review filed by a taxpayer under subsection (c) or (d) remains in effect from the assessment date for which the change is made until the next assessment date for which the assessment is changed under this article.

(f) The written notice filed by a taxpayer under subsection (c) or (d) must include the following information:

(1) The name of the taxpayer.
(2) The address and parcel or key number of the property.

(2) constitutes a request by the taxpayer for a preliminary informal meeting with the official referred to in subsection (a).

(h) A county or township official who receives a notice for review filed by a taxpayer under subsection (c) or (d) shall:

(1) immediately forward the notice to the county board; and

   (G) otherwise educating the taxpayer about:
      (i) the taxpayer's assessment or deduction;
      (ii) the assessment or deduction process; and
      (iii) the assessment or deduction appeal process.

(i) Not later than ten (10) days after the informal preliminary meeting, the official referred to in subsection (a) shall forward to the county auditor and the county board the results of the conference on a form prescribed by the department of local government finance that must be completed and signed by the taxpayer and the official. The form must indicate the following:
If the taxpayer and the official agree on the resolution of all assessment or deduction issues in the review, a statement of:

(A) those issues; and
(B) the assessed value of the tangible property or the amount of the deduction that results from the resolution of those issues in the manner agreed to by the taxpayer and the official.

If the taxpayer and the official do not agree on the resolution of all assessment or deduction issues in the review:

(A) a statement of those issues; and
(B) the identification of:
   (i) the issues on which the taxpayer and the official agree; and
   (ii) the issues on which the taxpayer and the official disagree.

If the county board receives a form referred to in subsection (i)(1) before the hearing scheduled under subsection (k):

(1) the county board shall cancel the hearing;
(2) the county official referred to in subsection (a) shall give notice to the taxpayer, the county board, the county assessor, and the county auditor of the assessment or deduction in the amount referred to in subsection (i)(1)(B); and
(3) if the matter in issue is the assessment of tangible property, the county board may reserve the right to change the assessment under IC 6-1.1-13.

If:

(1) subsection (i)(2) applies; or
(2) the county board does not receive a form referred to in subsection (i) not later than one hundred twenty (120) days after the date of the notice for review filed by the taxpayer under subsection (c) or (d);

the county board shall hold a hearing on a review under this subsection not later than one hundred eighty (180) days after the date of that notice. The county board shall, by mail, give notice of the date, time, and place fixed for the hearing to the taxpayer and the county or township official with whom the taxpayer filed the notice for review. The taxpayer and the county or township official with whom the taxpayer filed the notice for review are parties to the proceeding before the county board. The county assessor is excused from any action the county board takes with respect to an assessment determination by the county assessor.
(l) At the hearing required under subsection (k):

       disagreement with the assessment or deduction; and
   (2) the county or township official with whom the taxpayer filed
       the notice for review must present:
       (A) the basis for the assessment or deduction decision; and
       (B) the reasons the taxpayer's contentions should be denied.

(m) The official referred to in subsection (a) may not require the
    taxpayer to provide documentary evidence at the preliminary informal
    meeting under subsection (h). The county board may not require a
    taxpayer to file documentary evidence or summaries of statements of
    testimonial evidence before the hearing required under subsection (k).
    If the action for which a taxpayer seeks review under this section is the
    assessment of tangible property, the taxpayer is not required to have an
    appraisal of the property in order to do the following:
       (1) Initiate the review.
       (2) Prosecute the review.

(n) The county board shall prepare a written decision resolving all
    of the issues under review. The county board shall, by mail, give notice
    of its determination not later than one hundred twenty (120) days after
    the hearing under subsection (k) to the taxpayer, the official referred to
    in subsection (a), the county assessor, and the county auditor.
    (o) If the maximum time elapses:
       (1) under subsection (k) for the county board to hold a hearing; or
       (2) under subsection (n) for the county board to give notice of its
determination;
the taxpayer may initiate a proceeding for review before the Indiana
board by taking the action required by section 3 of this chapter at any
time after the maximum time elapses.

(p) This subsection applies if the assessment for which a notice

SECTION 112. IC 6-1.1-15-12, AS AMENDED BY P.L.146-2008,
SECTION 140, IS AMENDED TO READ AS FOLLOWS
[EFFECTIVE MARCH 1, 2009 (RETOACTIVE)]: Sec. 12. (a)
Subject to the limitations contained in subsections (c) and (d), a county
auditor shall correct errors which are discovered in the tax duplicate for
any one (1) or more of the following reasons:
   (1) The description of the real property was in error.
   (2) The assessment was against the wrong person.
   (3) Taxes on the same property were charged more than one (1) time in the same year.
   (4) There was a mathematical error in computing the taxes or penalties on the taxes.
   (5) There was an error in carrying delinquent taxes forward from one (1) tax duplicate to another.
   (6) The taxes, as a matter of law, were illegal.
   (7) There was a mathematical error in computing an assessment.
   (8) Through an error of omission by any state or county officer, the taxpayer was not given credit for an exemption or deduction permitted by law.

(b) The county auditor shall correct an error described under subsection (a)(1), (a)(2), (a)(3), (a)(4), or (a)(5) when the county auditor finds that the error exists.

(c) If the tax is based on an assessment made or determined by the department of local government finance, the county auditor shall not correct an error described under subsection (a)(6), (a)(7), or (a)(8) until after the correction is either approved by the department of local government finance or ordered by the tax court.

(d) If the tax is not based on an assessment made or determined by the department of local government finance, the county auditor shall correct an error described under subsection (a)(6), (a)(7), or (a)(8) only if the correction is first approved by at least two (2) of the following officials:
   (1) The township assessor (if any).
   (2) The county auditor.

If two (2) of these officials do not approve such a correction, the county auditor shall refer the matter to the county board for determination. The county board shall provide a copy of the determination to the taxpayer and to the county auditor.

(e) A taxpayer may appeal a determination of the county board to the Indiana board for a final administrative determination. An appeal under this section shall be conducted in the same manner as appeals under sections 4 through 8 of this chapter. The Indiana board shall send the final administrative determination to the taxpayer, the county auditor, the county assessor, and the township assessor (if any).

(g) A taxpayer that files a personal property tax return under IC 6-1.1-3 may not petition under this section for the correction of an error made by the taxpayer on the taxpayer's personal property tax return. If the taxpayer wishes to correct an error made by the taxpayer on the taxpayer's personal property tax return, the taxpayer must instead file an amended personal property tax return under IC 6-1.1-3-7.5.

(i) A taxpayer that files a statement under IC 6-1.1-8-23 may not petition under this section for the correction of an error made by the taxpayer on the taxpayer's statement: If the taxpayer wishes to correct an error made by the taxpayer on the taxpayer's statement, the taxpayer must instead file an amended statement not more than six (6) months after the due date of the statement.

SECTION 113. IC 6-1.1-17-0.5, AS AMENDED BY P.L.90-2009, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]:

Sec. 0.5. (a) For purposes of this section, "assessed value" has the meaning set forth in IC 6-1.1-3(a).

(b) The county auditor may exclude and keep separate on the tax duplicate for taxes payable in a calendar year the assessed value of tangible property that meets the following conditions:

1. The assessed value of the property is at least nine percent (9%) of the assessed value of all tangible property subject to taxation by a taxing unit.
2. The property is or has been part of a bankruptcy estate that is subject to protection under the federal bankruptcy code.
3. The owner of the property has discontinued all business operations on the property.
4. There is a high probability that the taxpayer will not pay
property taxes due on the property in the following year.

(c) This section does not limit, restrict, or reduce in any way the property tax liability on the property.

(d) For each taxing unit located in the county, the county auditor may reduce for a calendar year the taxing unit's assessed value that is certified to the department of local government finance under section 1 of this chapter and used to set tax rates for the taxing unit for taxes first due and payable in the immediately succeeding calendar year. The county auditor may reduce a taxing unit's assessed value under this subsection only to enable the taxing unit to absorb the effects of reduced property tax collections in the immediately succeeding calendar year that are expected to result from any or a combination of the following:

1. Successful appeals of the assessed value of property located in the taxing unit.
2. Deductions under IC 6-1.1-12-37 and IC 6-1.1-12-37.5 that are granted result from the granting of applications for the standard deduction for the calendar year under IC 6-1.1-12-37 or IC 6-1.1-12-44 after the county auditor certifies assessed value as described in this section.
3. Deductions that result from the granting of applications for deductions for the calendar year under IC 6-1.1-12-44 after the county auditor certifies assessed value as described in this section.
4. Reassessments of real property under IC 6-1.1-4-11.5.

Not later than December 31 of each year, the county auditor shall send a certified statement, under the seal of the board of county commissioners, to the fiscal officer of each political subdivision of the county and to the department of local government finance. The certified statement must list any adjustments to the amount of the reduction under this subsection and the information submitted under section 1 of this chapter that are necessary. The county auditor shall keep separately on the tax duplicate the amount of any reductions made under this subsection. The maximum amount of the reduction authorized under this subsection is determined under subsection (e).

(e) The amount of the reduction in a taxing unit's assessed value for a calendar year under subsection (d) may not exceed two percent (2%) of the assessed value of tangible property subject to assessment in the taxing unit in that calendar year.

(f) The amount of a reduction under subsection (d) may not be
offered in a proceeding before the:
(1) county property tax assessment board of appeals;
(2) Indiana board; or
(3) Indiana tax court;
as evidence that a particular parcel has been improperly assessed.

SECTION 114. IC 6-1.1-17-3, AS AMENDED BY P.L.87-2009, SECTION 6, AND AS AMENDED BY P.L.136-2009, SECTION 6, IS CORRECTED AND AMENDED TO READ AS follows [EFFECTIVE JULY 1, 2009]: Sec. 3. (3) the current and proposed tax levies of each fund; and
(4) the amounts of excessive levy appeals to be requested.
In the notice, the political subdivision shall also state the time and place at which a public hearing will be held on these items. The notice shall be published twice in accordance with IC 5-3-1 with the first publication at least ten (10) days before the date fixed for the public hearing. Beginning in 2009, the duties required by this subsection must be completed before **August September 10** of the calendar year. A political subdivision shall provide the estimated budget and levy information required for the notice under subsection (b) to the county auditor on the schedule determined by the department of local government finance.

(b) Beginning in 2010, except as provided in IC 6-1.1-22-8.1(h), before October 1 of a calendar year, the county auditor shall mail to the last known address of each person liable for any property taxes, as shown on the tax duplicate, or to the last known address of the most recent owner shown in the transfer book, a statement that includes:
(1) the assessed valuation of the assessment date in the current calendar year of tangible property on which the person will be liable for property taxes first due and payable in the immediately succeeding calendar year and notice to the person of the opportunity to appeal the assessed valuation under IC 6-1.1-15-1(c) (before July 1, 2008) or IC 6-1.1-15-1 (after June 30, 2008).
(2) the amount of property taxes for which the person will be liable to each political subdivision on the tangible property for taxes first due and payable in the immediately succeeding calendar year; taking into account all factors that affect that liability; including:

(A) the estimated budget and proposed tax rate and tax levy formulated by the political subdivision under subsection (a);
(B) any deductions or exemptions that apply to the assessed valuation of the tangible property;
(C) any credits that apply in the determination of the tax liability; and
(D) the county auditor’s best estimate of the effects on the tax liability that might result from actions of:
   (i) the county board of tax adjustment; or
   (ii) the department of local government finance;

(3) a prominently displayed notation that:
   (A) the estimate under subdivision (2) is based on the best information available at the time the statement is mailed; and
   (B) based on various factors, including potential actions by:
      (i) the county board of tax adjustment; or
      (ii) the department of local government finance;
   it is possible that the tax liability as finally determined will differ substantially from the estimate;

(4) comparative information showing the amount of property taxes for which the person is liable to each political subdivision on the tangible property for taxes first due and payable in the current year; and

(5) the date, time, and place at which the political subdivision will hold a public hearing on the political subdivision’s estimated budget and proposed tax rate and tax levy as required under subsection (a);

(c) The department of local government finance shall:

(1) prescribe a form for; and
(2) provide assistance to county auditors in preparing;

statements under subsection (b): Mailing the statement described in subsection (b) to a mortgagee maintaining an escrow account for a person who is liable for any property taxes shall not be construed as compliance with subsection (b):

(d) (b) The board of directors of a solid waste management district established under IC 13-21 or IC 13-9.5-2 (before its repeal) may
conduct the public hearing required under subsection (a):

(1) in any county of the solid waste management district; and
(2) in accordance with the annual notice of meetings published under IC 13-21-5-2.

(c) The trustee of each township in the county shall estimate the amount necessary to meet the cost of township assistance in the township for the ensuing calendar year. The township board shall adopt with the township budget a tax rate sufficient to meet the estimated cost of township assistance. The taxes collected as a result of the tax rate adopted under this subsection are credited to the township assistance fund.

(d) This subsection expires January 1, 2009. A county shall adopt with the county budget and the department of local government finance shall certify under section 16 of this chapter a tax rate sufficient to raise the levy necessary to pay the following:

(2) The cost of children's psychiatric residential treatment services (as defined in IC 12-19-7.5-1) of the county payable from the children's psychiatric residential treatment services fund.

A budget, tax rate, or tax levy adopted by a county fiscal body or approved or modified by a county board of tax adjustment that is less than the levy necessary to pay the costs described in subdivision (1) or (2) shall not be treated as a final budget, tax rate, or tax levy under section 11 of this chapter.

(i) If a county fiscal body fails to complete the requirements of subsection (e) before the deadline in subsection (e) for any civil taxing unit subject to this section, the most recent annual appropriations and annual tax levy of the county are continued for the ensuing budget year.

The department of local government finance shall publish the notice in two (2) newspapers of general circulation published in the county. However, if only one (1) newspaper of general circulation is published in the county, the department of local government finance shall publish the notice in that newspaper.

(d) Except as provided in subsection (i), IC 20-46, or IC 6-1.1-18.5, the department of local government finance may not increase a political subdivision's budget by fund, tax rate, or tax levy to an amount which exceeds the amount originally fixed by the political subdivision. However, if the department of local government finance determines that IC 5-3-1-2.3(b) applies to the tax rate, tax levy, or budget of the political subdivision, the maximum amount by which the department may increase the tax rate, tax levy, or budget is the amount originally fixed by the political subdivision, and not the amount that was incorrectly published or omitted in the notice described in IC 5-3-1-2.3(b). The department of local government finance shall give the political subdivision written notification specifying any revision, reduction, or increase the department proposes in a political subdivision's tax levy or tax rate. The political subdivision has two (2) weeks ten (10) calendar days from the date the political subdivision
receives the notice to provide a written response to the department of local government finance's Indianapolis office. The response may include budget reductions, reallocation of levies, a revision in the amount of miscellaneous revenues, and further review of any other item about which, in the view of the political subdivision, the department is in error. The department of local government finance shall consider the adjustments as specified in the political subdivision's response if the response is provided as required by this subsection and shall deliver a final decision to the political subdivision.

(e) The department of local government finance may not approve a levy for lease payments by a city, town, county, library, or school corporation if the lease payments are payable to a building corporation for use by the building corporation for debt service on bonds and if:
   (1) no bonds of the building corporation are outstanding; or
   (2) the building corporation has enough legally available funds on hand to redeem all outstanding bonds payable from the particular lease rental levy requested.

(f) The department of local government finance shall certify its action to:
   (1) the county auditor;
   (2) the political subdivision if the department acts pursuant to an appeal initiated by the political subdivision;
   (3) the taxpayer that initiated an appeal under section 13 of this chapter, or, if the appeal was initiated by multiple taxpayers, the first ten (10) taxpayers whose names appear on the statement filed to initiate the appeal; and
   (4) a taxpayer that owns property that represents at least ten percent (10%) of the taxable assessed valuation in the political subdivision.

(g) The following may petition for judicial review of the final determination of the department of local government finance under subsection (f):
   (1) If the department acts under an appeal initiated by a political subdivision, the political subdivision.
   (2) If the department:
      (A) acts under an appeal initiated by one (1) or more taxpayers under section 13 of this chapter; or
      (B) fails to act on the appeal before the department certifies its action under subsection (f);
      a taxpayer who signed the statement filed to initiate the appeal.
(3) If the department acts under an appeal initiated by the county auditor under section 14 of this chapter, the county auditor.

(4) A taxpayer that owns property that represents at least ten percent (10%) of the taxable assessed valuation in the political subdivision.

The petition must be filed in the tax court not more than forty-five (45) days after the department certifies its action under subsection (f).

(h) The department of local government finance is expressly directed to complete the duties assigned to it under this section not later than February 15th of each year for taxes to be collected during that year.

(i) Subject to the provisions of all applicable statutes, the department of local government finance may increase a political subdivision's tax levy to an amount that exceeds the amount originally fixed by the political subdivision if the increase is:

   (1) requested in writing by the officers of the political subdivision;

   (2) either:

       (A) based on information first obtained by the political subdivision after the public hearing under section 3 of this chapter; or

       (B) results from an inadvertent mathematical error made in determining the levy; and

   (3) published by the political subdivision according to a notice provided by the department.

(j) The department of local government finance shall annually review the budget by fund of each school corporation not later than April 1. The department of local government finance shall give the school corporation written notification specifying any revision, reduction, or increase the department proposes in the school corporation's budget by fund. A public hearing is not required in connection with this review of the budget.

(k) The department of local government finance may hold a hearing under subsection (c) only if the notice required in section 12 of this chapter is published at least ten (10) days before the date of the hearing.

SECTION 124. IC 6-1.1-17-20, AS AMENDED BY P.L.146-2008, SECTION 163, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETOACTIVE)]: Sec. 20. (a) This section applies
(1) to each governing body of a taxing unit that:

(1) is not comprised of a majority of officials who are elected to serve on the governing body; and

(2) if the either:

(A) is:

(i) a conservancy district subject to IC 14-33-9;

(ii) a solid waste management district subject to IC 13-21; or

(iii) a fire protection district subject to IC 36-8-11-18; or

(B) has a percentage increase in the proposed budget for the taxing unit for the ensuing calendar year that is more than the result of:

(A) (i) the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the ensuing calendar year; minus

(B) (ii) one (1).

For purposes of this section, an individual who qualifies to be appointed to a governing body or serves on a governing body because of the individual's status as an elected official of another taxing unit shall be treated as an official who was not elected to serve on the governing body.

(b) As used in this section, "taxing unit" has the meaning set forth in IC 6-1.1-1-21, except that the term does not include:

(1) a school corporation; or

(2) an entity whose tax levies are subject to review and modification by a city-county legislative body under IC 36-3-6-9.

(c) This subsection does not apply to a public library. If:

(1) the assessed valuation of a taxing unit is entirely contained within a city or town; or

(2) the assessed valuation of a taxing unit is not entirely contained within a city or town but the taxing unit was originally established by the city or town;

the governing body shall submit its proposed budget and property tax levy to the city or town fiscal body. The proposed budget and levy shall be submitted at least fourteen (14) thirty (30) days before the city or town fiscal body is required to hold budget approval hearings under this chapter.

(d) If subsection (c) does not apply, the governing body of the taxing unit shall submit its proposed budget and property tax levy to the county fiscal body in the county where the taxing unit has the most assessed valuation. The proposed budget and levy shall be submitted
at least **fourteen (14) thirty (30)** days before the county fiscal body is required to hold budget approval hearings under this chapter.

(e) The fiscal body of the city, town, or county (whichever applies) shall review each budget and proposed tax levy and adopt a final budget and tax levy for the taxing unit. The fiscal body may reduce or modify but not increase the proposed budget or tax levy.

(f) If a taxing unit fails to file the information required in subsection (c) or (d), whichever applies, with the appropriate fiscal body by the time prescribed by this section, the most recent annual appropriations and annual tax levy of that taxing unit are continued for the ensuing budget year.

(g) If the appropriate fiscal body fails to complete the requirements of subsection (e) before the adoption deadline in section 5 of this chapter for any taxing unit subject to this section, the most recent annual appropriations and annual tax levy of the city, town, or county, whichever applies, are continued for the ensuing budget year.

SECTION 125. IC 6-1.1-17-20.5, AS ADDED BY P.L.146-2008, SECTION 164, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 20.5. (a) This section applies to the governing body of a taxing unit unless a majority of the governing body is comprised of officials who are elected to serve on the governing body. For purposes of this section, an individual who qualifies to be appointed to a governing body or serves on a governing body because of the individual's status as an elected official of another taxing unit shall be treated as an official who was not elected to serve on the governing body.

(b) As used in this section, "taxing unit" has the meaning set forth in IC 6-1.1-1-21, except that the term does not include:

1. a school corporation; or
2. an entity whose tax levies are subject to review and modification by a city-county legislative body under IC 36-3-6-9.

(c) If:

1. the assessed valuation of a taxing unit is entirely contained within a city or town; or
2. the assessed valuation of a taxing unit is not entirely contained within a city or town but the taxing unit was originally established by the city or town;

the governing body of the taxing unit may not issue bonds or enter into a lease payable in whole or in part from property taxes unless it obtains the approval of the city or town fiscal body.
(d) This subsection applies to a taxing unit not described in subsection (c). The governing body of the taxing unit may not issue bonds or enter into a lease payable in whole or in part from property taxes unless it obtains the approval of the county fiscal body in the county where the taxing unit has the most net assessed valuation.

SECTION 126. IC 6-1.1-18.5-7, AS AMENDED BY P.L.146-2008, SECTION 170, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 7. (a) A civil taxing unit is not subject to the levy limits imposed by section 3 of this chapter for an ensuing calendar year if the civil taxing unit did not adopt an ad valorem property tax levy for the immediately preceding calendar year.

(b) If under subsection (a) a civil taxing unit is not subject to the levy limits imposed under section 3 of this chapter for a calendar year, the civil taxing unit shall refer its proposed budget, ad valorem property tax levy, and property tax rate for that calendar year to the local government tax control board established by section 11 of this chapter before the tax levy is advertised. The local government tax control board shall then review and make a recommendation to the department of local government finance. The department of local government finance shall make a final determination of the civil taxing unit's budget, ad valorem property tax levy, and property tax rate for that calendar year. However, a civil taxing unit may not impose a property tax levy for a year if the unit did not exist as of March 1 of the preceding year.

SECTION 127. IC 6-1.1-18.5-8, AS AMENDED BY P.L.146-2008, SECTION 171, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 8. (a) The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit if the civil taxing unit is committed to levy the taxes to pay or fund either:

1. bonded indebtedness; or
2. lease rentals under a lease with an original term of at least five (5) years.

(b) Except as provided by subsections (g) and (h), a civil taxing unit must file a petition requesting approval from the department of local government finance to incur bonded indebtedness or execute a lease with an original term of at least five (5) years not later than twenty-four (24) months after the first date of publication of notice of a preliminary determination under IC 6-1.1-20-3.1(2) (as in effect before July 1,
2008), unless the civil taxing unit demonstrates that a longer period is reasonable in light of the civil taxing unit's facts and circumstances. A civil taxing unit must obtain approval from the department of local government finance before the civil taxing unit may:

(1) incur the bonded indebtedness; or
(2) enter into the lease.

The department of local government finance may seek recommendations from the local government tax control board established by section 11 of this chapter when determining whether to authorize incurring the bonded indebtedness or the execution of the lease:

(c) The department of local government finance shall render a decision within three (3) months after the date it receives a request for approval under subsection (b). However, the department of local government finance may extend this three (3) month period by an additional three (3) months if, at least ten (10) days before the end of the original three (3) month period, the department sends notice of the extension to the executive officer of the civil taxing unit. A civil taxing unit may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than forty-five (45) days after the department enters its order under this section.

(d) A civil taxing unit does not need approval under subsection (b) to obtain temporary loans made in anticipation of and to be paid from current revenues of the civil taxing unit actually levied and in the course of collection for the fiscal year in which the loans are made.

(e) For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a calendar year does not include that part of its levy that is committed to fund or pay bond indebtedness or lease rentals with an original term of five (5) years in subsection (a).

(f) A taxpayer may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than thirty (30) days after the department enters its order under this section.

(g) This subsection applies only to bonds, leases, and other obligations for which a civil taxing unit:

(1) after June 30, 2008, makes a preliminary determination as described in IC 6-1.1-20-3.1 or IC 6-1.1-20-3.5 or a decision as
described in IC 6-1.1-20-5; or

(2) in the case of bonds, leases, or other obligations payable from ad valorem property taxes but not described in subdivision (1), adopts a resolution or ordinance authorizing the bonds, lease rental agreement, or other obligations after June 30, 2008.

Notwithstanding any other provision, review by the department of local government finance and approval by the department of local government finance is not required before a civil taxing unit may issue or enter into bonds, a lease, or any other obligation.

(h) This subsection applies after June 30, 2008. Notwithstanding any other provision, review by the department of local government finance and approval by the department of local government finance is not required before a civil taxing unit may construct, alter, or repair a capital project.

SECTION 128. IC 6-1.1-18.5-10, AS AMENDED BY P.L.146-2008, SECTION 174, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]:

Sec. 10. (a) Subject to subsection (d), The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit to be used to fund:

(1) community mental health centers under:
   (A) IC 12-29-2-1.2, for only those civil taxing units that authorized financial assistance under IC 12-29-1 before 2002 for a community mental health center as long as the tax levy under this section does not exceed the levy authorized in 2002;
   (B) IC 12-29-2-2 through IC 12-29-2-5; and
   (C) IC 12-29-2-13; or

(2) community mental retardation and other developmental disabilities centers under IC 12-29-1-1;

subject to subsection (d), for the extent that those property taxes are attributable to any increase in the assessed value of the civil taxing unit's taxable property caused by a general reassessment of real property that took effect after February 28, 1979.

(b) Subject to subsection (d). For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular calendar year does not include that part of the levy described in subsection (a).

(c) This subsection applies to property taxes first due and payable after December 31, 2008. Notwithstanding subsections (a) and (b) or
any other law, any property taxes imposed by a civil taxing unit that are exempted by this section from the ad valorem property tax levy limits imposed by section 3 of this chapter may not increase annually by a percentage greater than the result of:

(1) the assessed value growth quotient determined under section 2 of this chapter; minus
(2) one (1).

(d) The exemptions under subsections (a) and (b) from the ad valorem property tax levy limits do not apply to a civil taxing unit that did not fund a community mental health center or community mental retardation and other developmental disabilities center in 2008:

(d) For a county that:

(1) did not impose an ad valorem property tax levy in 2008 for the county general fund to provide financial assistance under IC 12-29-1 (community mental retardation and other developmental disabilities center) or IC 12-29-2 (community mental health center); and

(2) determines for 2009 or a later calendar year to impose a levy as described in subdivision (1);

the ad valorem property tax levy limits imposed under section 3 of this chapter do not apply to the part of the county's general fund levy that is used in the first calendar year for which a determination is made under subdivision (2) to provide financial assistance under IC 12-29-1 or IC 12-29-2. The department of local government finance shall review a county's proposed budget that is submitted under IC 12-29-1-1 or IC 12-29-2-1.2 and make a final determination of the amount to which the levy limits do not apply under this subsection for the first calendar year for which a determination is made under subdivision (2).

(e) The ad valorem property tax levy limits imposed under section 3 of this chapter do not apply to the county's general fund levy in the amount determined by the department of local government finance under subsection (d) in each calendar year following the calendar year for which the determination under subsection (b) is made.

SECTION 129. IC 6-1.1-18.5-10.5, AS AMENDED BY P.L.146-2008, SECTION 177, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 10.5. (a) The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit for fire protection services within a fire protection territory under
IC 36-8-19, if the civil taxing unit is a participating unit in a fire protection territory established before August 1, 2001. For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter on a civil taxing unit that is a participating unit in a fire protection territory established before August 1, 2001, the civil taxing unit's ad valorem property tax levy for a particular calendar year does not include that part of the levy imposed under IC 36-8-19.

(b) This subsection applies to a participating unit in a fire protection territory established under IC 36-8-19 after July 31, 2001. The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit for fire protection services within a fire protection territory under IC 36-8-19 for the three (3) calendar years in which the participating unit levies a tax to support the territory. For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter for the three (3) calendar years for which the participating unit levies a tax to support the territory, the civil taxing unit's ad valorem property tax levy for a particular calendar year does not include that part of the levy imposed under IC 36-8-19.

(c) This subsection applies to property taxes first due and payable after December 31, 2008. Except as provided in subsection (d), notwithstanding subsections (a) and (b) or any other law, any property taxes imposed by a civil taxing unit that are exempted by this section from the ad valorem property tax levy limits imposed by section 3 of this chapter may not increase annually by a percentage greater than the result of:

(1) the assessed value growth quotient determined under section 2 of this chapter; minus
(2) one (1).

(d) The limits specified in subsection (c) do not apply to a civil taxing unit in the first year in which the civil taxing unit becomes a participating unit in a fire protection territory established under IC 36-8-19. In the first year in which a civil taxing unit becomes a participating unit in a fire protection territory, the civil taxing unit shall submit its proposed budget, proposed ad valorem property tax levy, and proposed property tax rate for the fire protection territory to the department of local government finance. The department of local government finance shall make a final determination of the civil taxing unit's budget, ad valorem property tax levy, and property tax rate for the fire protection territory.
territory for that calendar year. In making its determination under this subsection, the department of local government finance shall consider the amount that the civil taxing unit is obligated to provide to meet the expenses of operation and maintenance of the fire protection services within the territory, plus a reasonable operating balance, not to exceed twenty percent (20%) of the budgeted expenses. However, the department of local government finance may not approve under this subsection a property tax levy greater than zero (0) if the civil taxing unit did not exist as of the March 1 assessment date for which the tax levy will be imposed. For purposes of applying subsection (c) to the civil taxing unit’s property tax levy for the fire protection territory in subsequent calendar years, the department of local government finance may determine not to consider part or all of the part of the first year property tax levy imposed to establish an operating balance.

SECTION 130. IC 6-1.1-18.5-12, AS AMENDED BY P.L.146-2008, SECTION 179, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 12. (a) Any civil taxing unit that determines that it cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 of this chapter may:

(1) before September October 20 of the calendar year immediately preceding the ensuing calendar year; or
(2) in the case of a request described in section 16 of this chapter, before December 31 of the calendar year immediately preceding the ensuing calendar year;

appeal to the department of local government finance for relief from those levy limitations. In the appeal the civil taxing unit must state that it will be unable to carry out the governmental functions committed to it by law unless it is given the authority that it is petitioning for. The civil taxing unit must support these allegations by reasonably detailed statements of fact.

(b) The department of local government finance shall promptly deliver to the local government tax control board every appeal petition it receives under subsection (a) and any materials it receives relevant to those appeals. Upon receipt of an appeal petition, the local government tax control board shall immediately proceed to the examination and consideration of the merits of the civil taxing unit's appeal.

(c) In considering an appeal, the local government tax control board department of local government finance has the power to conduct
hearings, require any officer or member of the appealing civil taxing unit to appear before it, or require any officer or member of the appealing civil taxing unit to provide the board department with any relevant records or books.

(d) If an officer or member:

1. fails to appear at a hearing of the local government tax control board after having been given written notice from the local government tax control board requiring that person's attendance; or

2. fails to produce for the local government tax control board's use the books and records that the local government tax control board department by written notice required the officer or member to produce;

then the local government tax control board department may file an affidavit in the circuit court in the jurisdiction in which the officer or member may be found setting forth the facts of the failure.

(e) Upon the filing of an affidavit under subsection (d), the circuit court shall promptly issue a summons, and the sheriff of the county within which the circuit court is sitting shall serve the summons. The summons must command the officer or member to appear before the local government tax control board department to provide information to the local government tax control board department or to produce books and records for the local government tax control board department's use, as the case may be. Disobedience of the summons constitutes, and is punishable as, a contempt of the circuit court that issued the summons.

(f) All expenses incident to the filing of an affidavit under subsection (d) and the issuance and service of a summons shall be charged to the officer or member against whom the summons is issued, unless the circuit court finds that the officer or member was acting in good faith and with reasonable cause. If the circuit court finds that the officer or member was acting in good faith and with reasonable cause or if an affidavit is filed and no summons is issued, the expenses shall be charged against the county in which the affidavit was filed and shall be allowed by the proper fiscal officers of that county.

(g) The fiscal officer of a civil taxing unit that appeals under section 16 of this chapter for relief from levy limitations shall immediately file a copy of the appeal petition with the county auditor and the county treasurer of the county in which the unit is located.

SECTION 131. IC 6-1.1-18.5-13, AS AMENDED BY
With respect to an appeal filed under section 12 of this chapter, the local government tax control board may recommend that a civil taxing unit should receive any one (1) or more of the following types of relief:

(1) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if in the judgment of the local government tax control board the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas or persons. With respect to annexation, consolidation, or other extensions of governmental services in a calendar year, if those increased costs are incurred by the civil taxing unit in that calendar year and more than one (1) immediately succeeding calendar year, the unit may appeal under section 12 of this chapter for permission to increase its levy under this subdivision based on those increased costs in any of the following:

(A) The first calendar year in which those costs are incurred.
(B) One (1) or more of the immediately succeeding four (4) calendar years.

(2) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December 31, 1973. Before recommending such an increase, the local government tax control board shall consider all other revenues available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's estimate of the unit's share of the costs of operating a court for the first full calendar year in which it is in existence. For purposes of this subdivision, costs of operating a court include:

(A) the cost of personal services (including fringe benefits);
(B) the cost of supplies; and
(C) any other cost directly related to the operation of the court.

(3) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board department finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and two-hundredths (1.02):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property or the initial annual adjustment of the assessed value of real property under IC 6-1.1-4-4.5 does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the civil taxing unit's total assessed value of all taxable property and:

(i) for a particular calendar year before 2007, the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar year; or

(ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-42 in 2006 plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008; divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the total assessed value of all taxable property in all counties and:

(i) for a particular calendar year before 2007, the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar year; or

(ii) for a particular calendar year after 2006, the total
assessed value of property tax deductions that applied in all counties under IC 6-1.1-12-42 in 2006 plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008; divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 of this chapter based on the assessed value growth quotient determined under section 2 of this chapter.

(4) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to pay the costs of furnishing fire protection for the civil taxing unit through a volunteer fire department. For purposes of determining a township's need for an increased levy, the local government tax control board shall not consider the amount of money borrowed under IC 36-6-6-14 during the immediately preceding calendar year. However, any increase in the amount of the civil taxing unit's levy recommended by the local government tax control board under this subdivision for the ensuing calendar year may not exceed the lesser of:

(A) ten thousand dollars ($10,000); or
(B) twenty percent (20%) of:

(i) the amount authorized for operating expenses of a volunteer fire department in the budget of the civil taxing unit for the immediately preceding calendar year; plus
(ii) the amount of any additional appropriations authorized during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department
under this chapter; minus
(iii) the amount of money borrowed under IC 36-6-6-14
during that calendar year for the civil taxing unit's use in
paying operating expenses of a volunteer fire department.
(5) A levy increase may not be granted under this subdivision for
property taxes first due and payable after December 31, 2008.
Permission to a civil taxing unit to increase its levy in excess of
the limitations established under section 3 of this chapter in order
to raise revenues for pension payments and contributions the civil
taxing unit is required to make under IC 36-8. The maximum
increase in a civil taxing unit's levy that may be recommended
under this subdivision for an ensuing calendar year equals the
amount, if any, by which the pension payments and contributions
the civil taxing unit is required to make under IC 36-8 during the
ensuing calendar year exceeds the product of one and one-tenth
(1.1) multiplied by the pension payments and contributions made
by the civil taxing unit under IC 36-8 during the calendar year that
immediately precedes the ensuing calendar year. For purposes of
this subdivision, "pension payments and contributions made by a
civil taxing unit" does not include that part of the payments or
contributions that are funded by distributions made to a civil
taxing unit by the state.
(6) A levy increase may not be granted under this subdivision for
property taxes first due and payable after December 31, 2008.
Permission to increase its levy in excess of the limitations
established under section 3 of this chapter if the local government
tax control board finds that:
(A) the township's township assistance ad valorem property
tax rate is less than one and sixty-seven hundredths cents
($0.0167) per one hundred dollars ($100) of assessed
valuation; and
(B) the township needs the increase to meet the costs of
providing township assistance under IC 12-20 and IC 12-30-4.
The maximum increase that the board may recommend for a
township is the levy that would result from an increase in the
township's township assistance ad valorem property tax rate of
one and sixty-seven hundredths cents ($0.0167) per one hundred
dollars ($100) of assessed valuation minus the township's ad
valorem property tax rate per one hundred dollars ($100) of
assessed valuation before the increase.
(7) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and

(B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services.

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population, and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that would be raised by the civil taxing unit based on a property tax rate of one cent ($0.01) per one hundred dollars ($100) of assessed valuation.

(8) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase the unit's levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the civil taxing unit is:

(i) a county having a population of more than one hundred forty-eight thousand (148,000) but less than one hundred seventy thousand (170,000);

(ii) a city having a population of more than fifty-five thousand (55,000) but less than fifty-nine thousand (59,000);

(iii) a city having a population of more than twenty-eight thousand seven hundred (28,700) but less than twenty-nine thousand (29,000);

(iv) a city having a population of more than fifteen thousand four hundred (15,400) but less than sixteen thousand six hundred (16,600); or

(v) a city having a population of more than seven thousand (7,000) but less than seven thousand three hundred (7,300); and

(B) the increase is necessary to provide funding to undertake
removal (as defined in IC 13-11-2-187) and remedial action
(as defined in IC 13-11-2-185) relating to hazardous
substances (as defined in IC 13-11-2-98) in solid waste
disposal facilities or industrial sites in the civil taxing unit that
have become a menace to the public health and welfare.
The maximum increase that the local government tax control
board may recommend for such a civil taxing unit is the levy that
would result from a property tax rate of six and sixty-seven
hundredths cents ($0.0667) for each one hundred dollars ($100)
of assessed valuation. For purposes of computing the ad valorem
property tax levy limit imposed on a civil taxing unit under
section 3 of this chapter, the civil taxing unit's ad valorem
property tax levy for a particular year does not include that part of
the levy imposed under this subdivision. In addition, a property
tax increase permitted under this subdivision may be imposed for
only two (2) calendar years.
(9) A levy increase may not be granted under this subdivision for
property taxes first due and payable after December 31, 2008.
Permission for a county:
(A) having a population of more than eighty thousand (80,000)
but less than ninety thousand (90,000) to increase the county's
levy in excess of the limitations established under section 3 of
this chapter, if the local government tax control board finds
that the county needs the increase to meet the county's share of
the costs of operating a jail or juvenile detention center,
including expansion of the facility, if the jail or juvenile
detention center is opened after December 31, 1991;
(B) that operates a county jail or juvenile detention center that
is subject to an order that:
(i) was issued by a federal district court; and
(ii) has not been terminated;
(C) that operates a county jail that fails to meet:
(i) American Correctional Association Jail Construction
Standards; and
(ii) Indiana jail operation standards adopted by the
department of correction; or
(D) that operates a juvenile detention center that fails to meet
standards equivalent to the standards described in clause (C)
for the operation of juvenile detention centers.
Before recommending an increase, the local government tax
control board shall consider all other revenues available to the county that could be applied for that purpose. An appeal for operating funds for a jail or a juvenile detention center shall be considered individually, if a jail and juvenile detention center are both opened in one (1) county. The maximum aggregate levy increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or a juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

(10) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

(11) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township has been required, for the three (3) consecutive years preceding the year for which the appeal under this subdivision is to become effective, to borrow funds under IC 36-6-6-14 to furnish fire protection for the township or a part of the township. However, the maximum increase in a township's levy that may be allowed under this subdivision is the least of the amounts borrowed under
IC 36-6-6-14 during the preceding three (3) calendar years. A township may elect to phase in an approved increase in its levy under this subdivision over a period not to exceed three (3) years. A particular township may appeal to increase its levy under this section not more frequently than every fourth calendar year.

(12) Permission to a city having a population of more than twenty-nine thousand (29,000) but less than thirty-one thousand (31,000) to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) an appeal was granted to the city under this section to reallocate property tax replacement credits under IC 6-3.5-1.1 in 1998, 1999, and 2000; and

(B) the increase has been approved by the legislative body of the city, and the legislative body of the city has by resolution determined that the increase is necessary to pay normal operating expenses.

The maximum amount of the increase is equal to the amount of property tax replacement credits under IC 6-3.5-1.1 that the city petitioned under this section to have reallocated in 2001 for a purpose other than property tax relief.

(13) A levy increase may be granted under this subdivision only for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if the civil taxing unit cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 of this chapter due to a natural disaster, an accident, or another unanticipated emergency.

SECTION 132. IC 6-1.1-18.5-13.5, AS AMENDED BY P.L.224-2007, SECTION 26, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 13.5. A levy increase may not be granted under this section for property taxes first due and payable after December 31, 2009. With respect to an appeal filed under section 12 of this chapter, the local government tax control board may recommend that the department of local government finance may give permission to a town having a population of more than three hundred seventy-five (375) but less than five hundred (500) located in a county having a population of more than seventy-one thousand (71,000) but less than seventy-one thousand four hundred (71,400) to increase its levy in excess of the limitations established under section 3 of this...
chapter, if the \textit{local government tax control board department} finds that the town needs the increase to pay the costs of furnishing fire protection for the town. However, any increase in the amount of the town's levy \textit{recommended by the local government tax control board} under this section for the ensuing calendar year may not exceed the greater of:

1. twenty-five thousand dollars ($25,000); or
2. twenty percent (20%) of the sum of:
   
   A. the amount authorized for the cost of furnishing fire protection in the town's budget for the immediately preceding calendar year; plus
   
   B. the amount of any additional appropriations authorized under IC 6-1.1-18-5 during that calendar year for the town's use in paying the costs of furnishing fire protection.

\textbf{SECTION 133.} IC 6-1.1-18.5-13.6, AS AMENDED BY P.L.146-2008, SECTION 181, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 13.6. A levy increase may not be granted under this section for property taxes first due and payable after December 31, 2008. For an appeal filed under section 12 of this chapter, the local government tax control board may recommend that the department of local government finance \textit{may} give permission to a county to increase its levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that the county needs the increase to pay for:

1. a new voting system; or
2. the expansion or upgrade of an existing voting system; under IC 3-11-6.

\textbf{SECTION 134.} IC 6-1.1-18.5-14, AS AMENDED BY P.L.146-2008, SECTION 182, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 14. (a) The \textit{local government tax control board may recommend} to The department of local government finance \textit{may order} a correction of any advertising error, mathematical error, or error in data made at the local level for any calendar year \textit{if the department finds} that the error affects the determination of the limitations established by section 3 of this chapter or the tax rate or levy of a civil taxing unit. The department of local government finance may on its own initiative correct such an advertising error, mathematical error, or error in data for any civil taxing unit.

(b) A correction made under subsection (a) for a prior calendar year
shall be applied to the civil taxing unit's levy limitations, rate, and levy for the ensuing calendar year to offset any cumulative effect that the error caused in the determination of the civil taxing unit's levy limitations, rate, or levy for the ensuing calendar year.

SECTION 135. IC 6-1.1-18.5-15, AS AMENDED BY P.L.146-2008, SECTION 183, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 15. (a) The department of local government finance, upon receiving a recommendation made under section 13 or 14 of this chapter, shall enter an order adopting, rejecting, or adopting in part and rejecting in part the recommendation of the local government tax control board: setting forth its final determination.

(b) A civil taxing unit may petition for judicial review of the final determination made by the department of local government finance under subsection (a). The action must be taken to the tax court under IC 6-1.1-15 in the same manner that an action is taken to appeal a final determination of the Indiana board. The petition must be filed in the tax court not more than forty-five (45) days after the department enters its order under subsection (a).

SECTION 136. IC 6-1.1-18.5-16, AS AMENDED BY P.L.146-2008, SECTION 184, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 16. (a) A civil taxing unit may request permission from the local government tax control board department to impose an ad valorem property tax levy that exceeds the limits imposed by section 3 of this chapter if:

1. the civil taxing unit experienced a property tax revenue shortfall that resulted from erroneous assessed valuation figures being provided to the civil taxing unit;
2. the erroneous assessed valuation figures were used by the civil taxing unit in determining its total property tax rate; and
3. the error in the assessed valuation figures was found after the civil taxing unit's property tax levy resulting from that total rate was finally approved by the department of local government finance.

(b) A civil taxing unit may request permission from the local government tax control board department to impose an ad valorem property tax levy that exceeds the limits imposed by section 3 of this chapter if the civil taxing unit experienced a property tax revenue shortfall because of the payment of refunds that resulted from appeals under this article and IC 6-1.5.
(c) If the local government tax control board department determines that a shortfall described in subsection (a) or (b) has occurred, it shall recommend to the department of local government finance may find that the civil taxing unit should be allowed to impose a property tax levy exceeding the limit imposed by section 3 of this chapter. and the department may adopt such recommendation. However, the maximum amount by which the civil taxing unit's levy may be increased over the limits imposed by section 3 of this chapter equals the remainder of the civil taxing unit's property tax levy for the particular calendar year as finally approved by the department of local government finance minus the actual property tax levy collected by the civil taxing unit for that particular calendar year.

(d) Any property taxes collected by a civil taxing unit over the limits imposed by section 3 of this chapter under the authority of this section may not be treated as a part of the civil taxing unit's maximum permissible ad valorem property tax levy for purposes of determining its maximum permissible ad valorem property tax levy for future years.

(e) If the department of local government finance authorizes an excess tax levy under this section, it shall take appropriate steps to insure that the proceeds are first used to repay any loan made to the civil taxing unit for the purpose of meeting its current expenses.

SECTION 137. IC 6-1.1-18.5-17, AS AMENDED BY P.L.219-2007, SECTION 57, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 17. (a) As used in this section, "levy excess" means the part of the ad valorem property tax levy actually collected by a civil taxing unit, for taxes first due and payable during a particular calendar year, that exceeds the civil taxing unit's ad valorem property tax levy, as approved by the department of local government finance under IC 6-1.1-17. The term does not include delinquent ad valorem property taxes collected during a particular year that were assessed for an assessment date that precedes the assessment date for the current year in which the ad valorem property taxes are collected.

(b) A civil taxing unit's levy excess is valid and may not be contested on the grounds that it exceeds the civil taxing unit's levy limit for the applicable calendar year. However, the civil taxing unit shall deposit, except as provided in subsections (h) and (i), its levy excess in a special fund to be known as the civil taxing unit's levy excess fund.

(c) The chief fiscal officer of a civil taxing unit may invest money in the civil taxing unit's levy excess fund in the same manner in which
money in the civil taxing unit's general fund may be invested. However, any income derived from investment of the money shall be deposited in and becomes a part of the levy excess fund.

(d) The department of local government finance shall require a civil taxing unit to include the amount in its levy excess fund in the civil taxing unit's budget fixed under IC 6-1.1-17.

(e) Except as provided by subsection (f), a civil taxing unit may not spend any money in its levy excess fund until the expenditure of the money has been included in a budget that has been approved by the department of local government finance under IC 6-1.1-17. For purposes of fixing its budget and for purposes of the ad valorem property tax levy limits imposed under this chapter, a civil taxing unit shall treat the money in its levy excess fund that the department of local government finance permits it to spend during a particular calendar year as part of its ad valorem property tax levy for that same calendar year.

(f) A civil taxing unit may transfer money from its levy excess fund to its other funds to reimburse those funds for amounts withheld from the civil taxing unit as a result of refunds paid under IC 6-1.1-26.

(g) Subject to the limitations imposed by this section, a civil taxing unit may use money in its levy excess fund for any lawful purpose for which money in any of its other funds may be used.

(h) If the amount that would, notwithstanding this subsection, be deposited in the levy excess fund of a civil taxing unit for a particular calendar year is less than one hundred dollars ($100), no money shall be deposited in the levy excess fund of the unit for that year.

(i) This subsection applies only to a civil taxing unit that:

1. has a levy excess for a particular calendar year;
2. in the preceding calendar year experienced a shortfall in property tax collections below the civil taxing unit's property tax levy approved by the department of local government finance under IC 6-1.1-17; and
3. did not receive permission from the local government tax control board department to impose, because of the shortfall in property tax collections in the preceding calendar year, a property tax levy that exceeds the limits imposed by section 3 of this chapter.

The amount that a civil taxing unit subject to this subsection must transfer to the civil taxing unit's levy excess fund in the calendar year in which the excess is collected shall be reduced by the amount of the
civil taxing unit's shortfall in property tax collections in the preceding calendar year (but the reduction may not exceed the amount of the civil taxing unit's levy excess).

office not more than thirty (30) days after publication under
subdivision (2) of the notice of the preliminary determination.

(8) The county voter registration office shall determine whether
each person who signed the petition is a registered voter. The
county voter registration office shall not more than fifteen (15)
business days after receiving a petition forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of real property in the political subdivision; and

(B) whether a person who signed the petition as an owner of real property within the political subdivision does in fact own real property within the political subdivision.

(9) The county voter registration office shall not more than ten (10) business days after receiving the statement from the county auditor under subdivision (8) make the final determination of the number of petitioners that are registered voters in the political subdivision and, based on the statement provided by the county auditor, the number of petitioners that own real property within the political subdivision. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular petition and remonstrance process under this chapter, regardless of whether the person owns more than one (1) parcel of real property within the subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of real property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within thirty-five (35) forty-five (45) days before an
election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

   (A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or
   (B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting a petition and remonstrance process. The certificate must state the number of petitioners that are owners of real property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

If a sufficient petition requesting a petition and remonstrance process is not filed by owners of real property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

SECTION 144. IC 6-1.1-20-3.2, AS AMENDED BY P.L.146-2008, SECTION 192, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETOACTIVE)]: Sec. 3.2. (a) This section applies only to controlled projects described in section 3.1(a) of this chapter.

   (b) If a sufficient petition requesting the application of a petition and remonstrance process has been filed as set forth in section 3.1 of this chapter, a political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:

   (1) The proper officers of the political subdivision shall give notice of the applicability of the petition and remonstrance process by:

       (A) publication in accordance with IC 5-3-1; and
       (B) first class mail to the organizations described in section 3.1(b)(1)(B) of this chapter.

A notice under this subdivision must include a statement that any
owners of real property within the political subdivision or registered voters residing within the political subdivision who want to petition in favor of or remonstrate against the proposed debt service or lease payments must file petitions and remonstrances in compliance with subdivisions (2) through (4) not earlier than thirty (30) days or later than sixty (60) days after publication in accordance with IC 5-3-1.

(2) Not earlier than thirty (30) days or later than sixty (60) days after the notice under subdivision (1) is given:

(A) petitions (described in subdivision (3)) in favor of the bonds or lease; and
(B) remonstrances (described in subdivision (3)) against the bonds or lease;

may be filed by an owner or owners of real property within the political subdivision or a registered voter residing within the political subdivision. Each signature on a petition must be dated, and the date of signature may not be before the date on which the petition and remonstrance forms may be issued under subdivision (3). A petition described in clause (A) or a remonstrance described in clause (B) must be verified in compliance with subdivision (4) before the petition or remonstrance is filed with the county voter registration office under subdivision (4).

(3) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition and remonstrance forms to be used solely in the petition and remonstrance process described in this section. The county voter registration office shall issue to an owner or owners of real property within the political subdivision or a registered voter residing within the political subdivision the number of petition or remonstrance forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of real property or registered voters;
(B) the carrier must be a signatory on at least one (1) petition;
(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature;
(D) govern the closing date for the petition and remonstrance
persons requesting forms may be required to identify themselves as owners of real property or registered voters and may be allowed to pick up additional copies to distribute to other property owners or registered voters. Each person signing a petition or remonstrance must indicate whether the person is signing the petition or remonstrance as a registered voter within the political subdivision or is signing the petition or remonstrance as the owner of real property within the political subdivision. A person who signs a petition or remonstrance as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition or remonstrance as a real property owner must indicate the address of the real property owned by the person in the political subdivision. The county voter registration office may not issue a petition or remonstrance form earlier than twenty-nine (29) days after the notice is given under subdivision (1). The county voter registration office shall certify the date of issuance on each petition or remonstrance form that is distributed under this subdivision.  

(4) The petitions and remonstrances must be verified in the manner prescribed by the state board of accounts and filed with the county voter registration office within the sixty (60) day period described in subdivision (2) in the manner set forth in section 3.1 of this chapter relating to requests for a petition and remonstrance process.

(5) The county voter registration office shall determine whether each person who signed the petition or remonstrance is a registered voter. The county voter registration office shall not more than fifteen (15) business days after receiving a petition or remonstrance forward a copy of the petition or remonstrance to the county auditor. Not more than ten (10) business days after receiving the copy of the petition or remonstrance, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition or remonstrance as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of real property in the political subdivision; and

(B) whether a person who signed the petition or remonstrance
as an owner of real property within the political subdivision
does in fact own real property within the political subdivision.
(6) The county voter registration office shall not more than ten
(10) business days after receiving the statement from the county
auditor under subdivision (5) make the final determination of:
(A) the number of registered voters in the political subdivision
that signed a petition and, based on the statement provided by
the county auditor, the number of owners of real property
within the political subdivision that signed a petition; and
(B) the number of registered voters in the political subdivision
that signed a remonstrance and, based on the statement
provided by the county auditor, the number of owners of real
property within the political subdivision that signed a
remonstrance.
Whenever the name of an individual who signs a petition or
remonstrance as a registered voter contains a minor variation from
the name of the registered voter as set forth in the records of the
county voter registration office, the signature is presumed to be
valid, and there is a presumption that the individual is entitled to
sign the petition or remonstrance under this section. Except as
otherwise provided in this chapter, in determining whether an
individual is a registered voter, the county voter registration office
shall apply the requirements and procedures used under IC 3 to
determine whether a person is a registered voter for purposes of
voting in an election governed by IC 3. However, an individual is
not required to comply with the provisions concerning providing
proof of identification to be considered a registered voter for
purposes of this chapter. A person is entitled to sign a petition or
remonstrance only one (1) time in a particular petition and
remonstrance process under this chapter, regardless of whether
the person owns more than one (1) parcel of real property within
the subdivision and regardless of whether the person is both a
registered voter in the political subdivision and the owner of real
property within the political subdivision. Notwithstanding any
other provision of this section, if a petition or remonstrance is
presented to the county voter registration office within thirty-five
(35) forty-five (45) days before an election, the county voter
registration office may defer acting on the petition or
remonstrance, and the time requirements under this section for
action by the county voter registration office do not begin to run
until five (5) days after the date of the election.

(7) The county voter registration office must file a certificate and the petition or remonstrance with the body of the political subdivision charged with issuing bonds or entering into leases within thirty-five (35) business days of the filing of a petition or remonstrance under subdivision (4), whichever applies, containing ten thousand (10,000) signatures or less. The county voter registration office may take an additional five (5) days to review and certify the petition or remonstrance for each additional five thousand (5,000) signatures up to a maximum of sixty (60) days. The certificate must state the number of petitioners and remonstrators that are owners of real property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

(8) If a greater number of persons who are either owners of real property within the political subdivision or registered voters residing within the political subdivision sign a remonstrance than the number that signed a petition, the bonds petitioned for may not be issued or the lease petitioned for may not be entered into. The proper officers of the political subdivision may not make a preliminary determination to issue bonds or enter into a lease for the controlled project defeated by the petition and remonstrance process under this section or any other controlled project that is not substantially different within one (1) year after the date of the county voter registration office's certificate under subdivision (7). Withdrawal of a petition carries the same consequences as a defeat of the petition.

(9) After a political subdivision has gone through the petition and remonstrance process set forth in this section, the political subdivision is not required to follow any other remonstrance or objection procedures under any other law (including section 5 of this chapter) relating to bonds or leases designed to protect owners of real property within the political subdivision from the imposition of property taxes to pay debt service or lease rentals. However, the political subdivision must still receive the approval of the department of local government finance if required by:

(A) IC 6-1.1-18.5-8; or

(B) IC 20-46-7-8, IC 20-46-7-9, and IC 20-46-7-10.

SECTION 145. IC 6-1.1-20-3.5, AS ADDED BY P.L.146-2008, SECTION 193, IS AMENDED TO READ AS FOLLOWS
Sec. 3.5. (a) This section applies only to a controlled project that meets the following conditions:
   (1) The controlled project is described in one (1) of the following categories:
       (A) An elementary school building, middle school building, or other school building for academic instruction that:
           (i) will be used for any combination of kindergarten through grade 8;
           (ii) will not be used for any combination of grade 9 through grade 12; and
           (iii) will cost more than ten million dollars ($10,000,000).
       (B) A high school building or other school building for academic instruction that:
           (i) will be used for any combination of grade 9 through grade 12;

           (iii) will cost more than twenty million dollars ($20,000,000).
       (C) Any other controlled project that:
           (i) is not a controlled project described in clause (A) or (B); and
           (ii) will cost the political subdivision more than the lesser of twelve million dollars ($12,000,000) or an amount equal to one percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date (if that amount is at least one million dollars ($1,000,000)).
   (2) The proper officers of the political subdivision make a preliminary determination after June 30, 2008, in the manner described in subsection (b) to issue bonds or enter into a lease for the controlled project.

(b) A political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:
   (1) The proper officers of a political subdivision shall publish notice in accordance with IC 5-3-1 and send notice by first class mail to any organization that delivers to the officers, before January 1 of that year, an annual written request for notices of any meeting to consider the adoption of an ordinance or a resolution.

The political subdivision must make the following information available to the public at the public hearing on the preliminary determination, in addition to any other information required by law:

(B) The result of:
   (i) the sum of the political subdivision's outstanding long term debt plus the outstanding long term debt of other taxing units that include any of the territory of the political subdivision; divided by
   (ii) the net assessed value of taxable property within the political subdivision.

(C) The information specified in subdivision (3)(A) through (3)(G).

(2) If the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the officers shall give notice of the preliminary determination by:
   (A) publication in accordance with IC 5-3-1; and
   (B) first class mail to the organizations described in subdivision (1).

(3) A notice under subdivision (2) of the preliminary determination of the political subdivision to issue bonds or enter into a lease must include the following information:
   (A) The maximum term of the bonds or lease.
   (B) The maximum principal amount of the bonds or the maximum lease rental for the lease.
   (C) The estimated interest rates that will be paid and the total interest costs associated with the bonds or lease.
   (D) The purpose of the bonds or lease.
   (E) A statement that the proposed debt service or lease payments must be approved in an election on a local public question held under section 3.6 of this chapter.
   (F) With respect to bonds issued or a lease entered into to open:
(i) a new school facility; or
(ii) an existing facility that has not been used for at least three (3) years and that is being reopened to provide additional classroom space;
the estimated costs the school corporation expects to annually incur to operate the facility.

(G) The political subdivision's current debt service levy and rate and the estimated increase to the political subdivision's debt service levy and rate that will result if the political subdivision issues the bonds or enters into the lease.

(H) The information specified in subdivision (1)(A) through (1)(B).

(4) After notice is given, a petition requesting the application of the local public question process under section 3.6 of this chapter may be filed by the lesser of:
   (A) one hundred (100) persons who are either owners of real property within the political subdivision or registered voters residing within the political subdivision; or
   (B) five percent (5%) of the registered voters residing within the political subdivision.

(5) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition forms to be used solely in the petition process described in this section. The county voter registration office shall issue to an owner or owners of real property within the political subdivision or a registered voter residing within the political subdivision the number of petition forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:
   (A) the carrier and signers must be owners of real property or registered voters;
   (B) the carrier must be a signatory on at least one (1) petition;
   (C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature; and
   (D) govern the closing date for the petition period.
Persons requesting forms may be required to identify themselves as owners of real property or registered voters and may be
allowed to pick up additional copies to distribute to other property owners or registered voters. Each person signing a petition must indicate whether the person is signing the petition as a registered voter within the political subdivision or is signing the petition as the owner of real property within the political subdivision. A person who signs a petition as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition as a real property owner must indicate the address of the real property owned by the person in the political subdivision.

(6) Each petition must be verified under oath by at least one (1) qualified petitioner in a manner prescribed by the state board of accounts before the petition is filed with the county voter registration office under subdivision (7).

(7) Each petition must be filed with the county voter registration office not more than thirty (30) days after publication under subdivision (2) of the notice of the preliminary determination.

(8) The county voter registration office shall determine whether each person who signed the petition is a registered voter. However, after the county voter registration office has determined that at least one hundred twenty-five (125) persons who signed the petition are registered voters within the political subdivision, the county voter registration office is not required to verify whether the remaining persons who signed the petition are registered voters. If the county voter registration office does not determine that at least one hundred twenty-five (125) persons who signed the petition are registered voters, the county voter registration office, not more than fifteen (15) business days after receiving a petition, shall forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of real property in the political subdivision; and

(B) whether a person who signed the petition as an owner of real property within the political subdivision does in fact own real property within the political subdivision.

(9) The county voter registration office, not more than ten (10)
business days after determining that at least one hundred twenty-five (125) persons who signed the petition are registered voters or after receiving the statement from the county auditor under subdivision (8) (as applicable), shall make the final determination of whether a sufficient number of persons have signed the petition. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular referendum process under this chapter, regardless of whether the person owns more than one (1) parcel of real property within the political subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of real property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within thirty-five (35) forty-five (45) days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition
requesting the referendum process. The certificate must state the number of petitioners who are owners of real property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

(11) If a sufficient petition requesting the local public question process is not filed by owners of real property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

(c) If the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the officers shall provide to the county auditor:

(1) a copy of the notice required by subsection (b)(2); and
(2) any other information the county auditor requires to fulfill the county auditor's duties under section 3.6 of this chapter.

SECTION 146. IC 6-1.1-20-3.6, AS ADDED BY P.L.146-2008, SECTION 194, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 3.6. (a) Except as provided in section 3.7 of this chapter, this section applies only to a controlled project described in section 3.5(a) of this chapter.

(b) If a sufficient petition requesting the application of the local public question process has been filed as set forth in section 3.5 of this chapter, a political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project unless the political subdivision's proposed debt service or lease rental is approved in an election on a local public question held under this section.

(c) Except as provided in subsection (j), the following question shall be submitted to the eligible voters at the election conducted under this section:

"Shall ________ (insert the name of the political subdivision) issue bonds or enter into a lease to finance __________ (insert the a brief description of the controlled project), which is estimated to cost not more than _______ (insert the total cost of the project) and is estimated to increase the property tax rate for debt service by __________ (insert increase in tax rate as determined by the department of local government finance)?".

The public question must appear on the ballot in the form approved by the county election board. If the political subdivision
proposing to issue bonds or enter into a lease is located in more than one (1) county, the county election board of each county shall jointly approve the form of the public question that will appear on the ballot in each county. The form approved by the county election board may differ from the language certified to the county election board by the county auditor.

(d) The county auditor shall certify the public question described in subsection (c) under IC 3-10-9-3 to the county election board of each county in which the political subdivision is located. After the public question is certified; The certification must occur not later than noon:

(1) sixty (60) days before a primary election if the public question is to be placed on the primary or municipal primary election ballot; or

(2) August 1 if the public question is to be placed on the general or municipal election ballot.

Subject to the certification requirements and deadlines under this subsection and except as provided in subsection (j), the public question shall be placed on the ballot at the next primary election, general election, or municipal election in which all voters of the political subdivision are entitled to vote. However, if a primary election, general election, or municipal election will not be held in the six (6) month period after the county auditor certifies during the first year in which the public question is eligible to be placed on the ballot under this section and if the political subdivision requests the public question to be placed on the ballot at a special election, the public question shall be placed on the ballot at a special election to be held

(1) not earlier than ninety (90) days; and

(2) not later than one hundred twenty (120) days;

after the public question is certified if the fiscal body of the political subdivision that wishes to issue the bonds or enter into the lease requests the public question to be voted on in a special election. However, in a year in which a general election or municipal election is held; the public question may be placed on the ballot at a special election only if the fiscal body of the political subdivision that requests the special election agrees to on the first Tuesday after the first Monday in May or November of the year. The certification must occur not later than noon sixty (60) days before a special election to be held in May (if the special election is to be held in May) or noon on August 1 (if the special election is to be held in November).
However, in 2009, a political subdivision may hold a special election under this section on any date scheduled for the special election if notice of the special election was given before July 1, 2009, to the election division of the secretary of state's office as provided in IC 3-10-8-4. The fiscal body of the political subdivision that requests the special election shall pay the costs of holding the special election. The county election board shall give notice under IC 5-3-1 of a special election conducted under this subsection. A special election conducted under this subsection is under the direction of the county election board. The county election board shall take all steps necessary to carry out the special election.

(e) The circuit court clerk shall certify the results of the public question to the following:

(1) The county auditor of each county in which the political subdivision is located.
(2) The department of local government finance.

(f) Subject to the requirements of IC 6-1.1-18.5-8, the political subdivision may issue the proposed bonds or enter into the proposed lease rental if a majority of the eligible voters voting on the public question vote in favor of the public question.

(g) If a majority of the eligible voters voting on the public question vote in opposition to the public question, both of the following apply:

(1) The political subdivision may not issue the proposed bonds or enter into the proposed lease rental.
(2) Another public question under this section on the same or a substantially similar project may not be submitted to the voters earlier than one (1) year after the date of the election.

(h) IC 3, to the extent not inconsistent with this section, applies to an election held under this section.

(i) A political subdivision may not artificially divide a capital project into multiple capital projects in order to avoid the requirements of this section and section 3.5 of this chapter.

(j) This subsection applies to a political subdivision for which a petition requesting a public question has been submitted under section 3.5 of this chapter. The legislative body (as defined in IC 36-1-2-9) of the political subdivision may adopt a resolution to withdraw a controlled project from consideration in a public election.
question. If the legislative body provides a certified copy of the resolution to the county auditor and the county election board not later than forty-nine (49) days before the election at which the public question would be on the ballot, the public question on the controlled project shall not be placed on the ballot and the public question on the controlled project shall not be held, regardless of whether the county auditor has certified the public question to the county election board. If the withdrawal of a public question under this subsection requires the county election board to reprint ballots, the political subdivision withdrawing the public question shall pay the costs of reprinting the ballots. If a political subdivision withdraws a public question under this subsection that would have been held at a special election and the county election board has printed the ballots before the legislative body of the political subdivision provides a certified copy of the withdrawal resolution to the county auditor and the county election board, the political subdivision withdrawing the public question shall pay the costs incurred by the county in printing the ballots. If a public question on a controlled project is withdrawn under this subsection, a public question under this section on the same controlled project or a substantially similar controlled project may not be submitted to the voters earlier than one (1) year after the date the resolution withdrawing the public question is adopted.

(k) If a public question regarding a controlled project is placed on the ballot to be voted on at a public question under this section, the political subdivision shall submit to the department of local government finance, at least thirty (30) days before the election, the following information regarding the proposed controlled project for posting on the department's Internet web site:

(1) The cost per square foot of any buildings being constructed as part of the controlled project.
(2) The effect that approval of the controlled project would have on the political subdivision's property tax rate.
(3) The maximum term of the bonds or lease.
(4) The maximum principal amount of the bonds or the maximum lease rental for the lease.
(5) The estimated interest rates that will be paid and the total interest costs associated with the bonds or lease.
(6) The purpose of the bonds or lease.
(7) In the case of a controlled project proposed by a school corporation:
(A) the current and proposed square footage of school building space per student;
(B) enrollment patterns within the school corporation; and
(C) the age and condition of the current school facilities.

SECTION 147. IC 6-1.1-20-3.7 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3.7. (a) This section applies to the following:

(1) The issuance of bonds or the entering into a lease for a controlled project:
   (A) to which section 3.5 of this chapter applies; and
   (B) for which a sufficient petition requesting the application of the local public question process under section 3.6 of this chapter has not been filed as set forth in section 3.5 of this chapter within the time required under section 3.5(b)(7) of this chapter.

(2) The issuance of bonds or the entering into a lease for a capital project:
   (A) that is not a controlled project to which section 3.5 of this chapter applies; and
   (B) that would, but for the application of section 1.1(6) of this chapter to the project, be a controlled project to which section 3.5 of this chapter applies.

(b) If the proper officers of a political subdivision make a preliminary determination to issue bonds described in subsection (a) or enter into a lease described in subsection (a), the fiscal body of the political subdivision may adopt a resolution specifying that the local public question process specified in section 3.6 of this chapter applies to the issuance of the bonds or the entering into the lease, notwithstanding that:

(1) a sufficient petition requesting the application of the local public question process under section 3.6 of this chapter has not been filed as set forth in section 3.5 of this chapter (in the case of bonds or a lease described in subsection (a)(1)); or
(2) because of the application of section 1.1(6) of this chapter, the bonds or lease is not considered to be issued or entered into for a controlled project (in the case of bonds or a lease described in subsection (a)(2)).

(c) The following apply to the adoption of a resolution by the fiscal body of a political subdivision under subsection (b):

An appeal under this subsection shall be promptly heard by the court without a jury. All remonstrances or objections upon which an appeal has been taken must be consolidated, heard, and determined within thirty (30) days after the time of the filing of the appeal. The court shall hear evidence on the remonstrances or objections and may confirm the final action of the governing body or sustain the remonstrances or objections. SECTION 174. IC 6-2.5-1-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. (a) Except as provided in subsection (b), "gross retail income" means the total gross
receipts of any kind or character, received in a retail transaction; amount of consideration, including cash, credit, property, and services, for which tangible personal property is sold, leased, or rented, valued in money, whether received in money or otherwise, without any deduction for:

1. the seller's cost of the property sold;
2. the cost of materials used, labor or service cost, interest, losses, all costs of transportation to the seller, all taxes imposed on the seller, and any other expense of the seller;
3. charges by the seller for any services necessary to complete the sale, other than delivery and installation charges;
4. delivery charges; or
5. the value of exempt personal property given to the purchaser where taxable and exempt personal property have been bundled together and sold by the seller as a single product or piece of merchandise.

(b) "Gross retail income" does not include that part of the gross receipts attributable to:

1. the value of any tangible personal property received in a like kind exchange in the retail transaction, if the value of the property given in exchange is separately stated on the invoice, bill of sale, or similar document given to the purchaser; and
2. the receipts received in a retail transaction which constitute interest, finance charges, or insurance premiums on either a

SECTION 175. IC 6-2.5-3-6 IS AMENDED TO READ AS
FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 6. (a) For purposes of
this section, "person" includes an individual who is personally liable
for use tax under IC 6-2.5-9-3.

(b) The person who uses, stores, or consumes the tangible personal
property acquired in a retail transaction is personally liable for the use
tax.

(c) The person liable for the use tax shall pay the tax to the retail
merchant from whom the person acquired the property, and the retail
merchant shall collect the tax as an agent for the state, if the retail
merchant is engaged in business in Indiana or if the retail merchant has
departmental permission to collect the tax. In all other cases, the person
shall pay the use tax to the department.

(d) Notwithstanding subsection (c), a person liable for the use tax
imposed in respect to a vehicle, watercraft, or aircraft under section
2(b) of this chapter shall pay the tax:
(1) to the titling agency when the person applies for a title for the
vehicle or the watercraft; or
(2) to the registering agency when the person registers the
aircraft; or
(3) to the registering agency when the person registers the
watercraft because it is a United States Coast Guard
documented vessel;
unless the person presents proof to the agency that the use tax or state gross retail tax has already been paid with respect to the purchase of the vehicle, watercraft, or aircraft or proof that the taxes are inapplicable because of an exemption under this article.

(e) At the time a person pays the use tax for the purchase of a vehicle to a titling agency pursuant to subsection (d), the titling agency shall compute the tax due based on the presumption that the sale price was the average selling price for that vehicle, as determined under a used vehicle buying guide to be chosen by the titling agency. However, the titling agency shall compute the tax due based on the actual sale price of the vehicle if the buyer, at the time the buyer pays the tax to the titling agency, presents documentation to the titling agency sufficient to rebut the presumption set forth in this subsection and to establish the actual selling price of the vehicle.

SECTION 176. IC 6-2.5-5-8, AS AMENDED BY P.L.224-2007, SECTION 53, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2008 (RETROACTIVE)]: Sec. 8. (a) As used in this section, "new motor vehicle" has the meaning set forth in IC 9-13-2-111.

(b) Transactions involving tangible personal property other than a new motor vehicle are exempt from the state gross retail tax if the person acquiring the property acquires it for resale, rental, or leasing in the ordinary course of the person's business without changing the form of the property.

(c) The following transactions involving a new motor vehicle are exempt from the state gross retail tax:

(1) A transaction in which a person that has a franchise in effect at the time of the transaction for the vehicle trade name, trade or service mark, or related characteristics acquires a new motor vehicle for resale, rental, or leasing in the ordinary course of the person's business.

(2) A transaction in which a person that is a franchisee appointed by a manufacturer or converter manufacturer licensed under IC 9-23 acquires a new motor vehicle that has at least one (1) trade name, service mark, or related characteristic as a result of modification or further manufacture by the manufacturer or converter manufacturer for resale, rental, or leasing in the ordinary course of the person's business.

(3) A transaction in which a person acquires a new motor vehicle for rental or leasing in the ordinary course of the person's
(d) The rental or leasing of accommodations to a promoter by a political subdivision (including a capital improvement board) or the state fair commission is not exempt from the state gross retail tax, if the rental or leasing of the property by the promoter is exempt under IC 6-2.5-4-4.

(e) This subsection applies only to aircraft acquired after June 30, 2008. Except as provided in subsection (h), a transaction in which a person acquires an aircraft for rental or leasing in the ordinary course of the person's business is not exempt from the state gross retail tax unless the person establishes, under guidelines adopted by the department in the manner provided in IC 4-22-2-37.1 for the adoption of emergency rules, that the annual amount of the gross lease revenue derived from leasing or rental of the aircraft, which may include revenue from related party transactions, is equal to or greater than:

1. ten percent (10%) of the greater of the original cost or the book value of the aircraft, if the original cost of the aircraft was less than one million dollars ($1,000,000); or
2. seven and five-tenths percent (7.5%) of the greater of the original cost or the book value of the aircraft, if the original cost of the aircraft was at least one million dollars ($1,000,000); as published in the Vref Aircraft Value Reference guide for the aircraft; or
3. net acquisition price for the aircraft.

If a person acquires an aircraft below the Vref Aircraft Value Reference guide book value, the person may appeal to the department for a lower lease or rental threshold equal to the actual acquisition price paid if the person demonstrates that the transaction was completed in a commercially reasonable manner based on the aircraft's age, condition, and equipment. The department may request the person to submit to the department supporting documents showing the aircraft is available for general public lease or rental, copies of business and aircraft insurance policies, and other documents that assist the department in determining if an aircraft is exempt from the state gross retail tax.

(f) A person is required to meet the requirements of subsection (e) until the earlier of the date the aircraft has generated sales tax on leases or rental income that is equal to the amount of the original sales tax exemption or the elapse of thirteen (13) years. If the aircraft is sold by the person before meeting the requirements of this section and before the sale the aircraft was exempt from
gross retail tax under subsection (e), the sale of the aircraft shall not result in the assessment or collection of gross retail tax for the period from the date of acquisition to the date of sale by the person.

(g) The person is required to remit the gross retail tax on taxable lease and rental transactions no matter how long the aircraft is used for lease and rental.

(h) This subsection applies only to aircraft acquired after December 31, 2007. A transaction in which a person acquires an aircraft to rent or lease the aircraft to another person for predominant use in public transportation by the other person or by an affiliate of the other person is exempt from the state gross retail tax. The department may not require a person to meet the revenue threshold in subsection (e) with respect to the person's leasing or rental of the aircraft to receive or maintain the exemption. To maintain the exemption provided under this subsection, the department may require the person to submit only annual reports showing that the aircraft is predominantly used to provide public transportation.

(i) The exemptions allowed under subsections (e) and (h) apply regardless of the relationship, if any, between the person or lessor and the lessee or renter of the aircraft.

SECTION 177. IC 6-2.5-5-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 13. Transactions involving tangible personal property are exempt from the state gross retail tax, if:

(1) the property is:
   (A) classified as central office equipment, station equipment or apparatus, station connection, wiring, or large private branch exchanges according to the uniform system of accounts which was adopted and prescribed for the utility by the Indiana utility regulatory commission; or
   (B) mobile telecommunications switching office equipment, radio or microwave transmitting or receiving equipment, including, without limitation, towers, antennae, and property that perform a function similar to the function performed by any of the property described in clause (A); or

      (ii) VOIP services.

   (b) Rentals of durable medical equipment and other medical supplies and devices are exempt from the state gross retail tax, if the rentals are prescribed by a person licensed to issue the prescription.
   (c) Sales of hearing aids are exempt from the state gross retail tax if the hearing aids are fitted or dispensed by a person licensed or registered for that purpose. In addition, sales of hearing aid parts, attachments, or accessories are exempt from the state gross retail tax. For purposes of this subsection, a hearing aid is a device which is worn on the body and which is designed to aid, improve, or correct defective human hearing.
   (d) Sales of colostomy bags, ileostomy bags, and the medical equipment, supplies, and devices used in conjunction with those bags are exempt from the state gross retail tax.
   (e) Sales of equipment and devices used to administer insulin are exempt from the state gross retail tax.
   (f) Sales of equipment and devices used to monitor blood glucose level, including blood glucose meters and measuring strips, lancets, and other similar diabetic supplies, are exempt from the state gross retail tax, regardless of whether the equipment and devices are prescribed.

SECTION 179. IC 6-2.5-5-19.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 19.5. (a) For purposes of this section, "drug sample" means a legend drug (as defined by IC 16-18-2-199) or a drug composed wholly or partly of insulin or an insulin analog that is furnished without charge. For purposes of this section, "blood glucose monitoring device" means blood glucose meters and measuring strips, lancets, and other similar diabetic supplies furnished without charge.
Transactions involving the following are exempt from the state gross retail tax:

1. A drug sample, and the packaging and literature for a drug sample, a *blood glucose monitoring device*, and the packaging and literature for a *blood glucose monitoring device*.

2. Tangible personal property that will be used as a drug sample or a *blood glucose monitoring device* or that will be processed, manufactured, or incorporated into:
   - A drug sample or a *blood glucose monitoring device*;
   - The packaging or literature for a drug sample or a *blood glucose monitoring device*.

SECTION 180. IC 6-2.5-6-1, AS AMENDED BY P.L.131-2008, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 1. (a) Except as otherwise provided in this section, each person liable for collecting the state gross retail or use tax shall file a return for each calendar month and pay the state gross retail and use taxes that the person collects during that month. A person shall file the person's return for a particular month with the department and make the person's tax payment for that month to the department not more than thirty (30) days after the end of that month, if that person's average monthly liability for collections of state gross retail and use taxes under this section as determined by the department for the preceding calendar year did not exceed one thousand dollars ($1,000). If a person's average monthly liability for collections of state gross retail and use taxes under this section as determined by the department for the preceding calendar year exceeded one thousand dollars ($1,000), that person shall file the person's return for a particular month and make the person's tax payment for that month to the department not more than twenty (20) days after the end of that month.

(b) If a person files a combined sales and withholding tax report and either this section or IC 6-3-4-8.1 requires sales or withholding tax reports to be filed and remittances to be made within twenty (20) days after the end of each month, then the person shall file the combined report and remit the sales and withholding taxes due within twenty (20) days after the end of each month.

(c) Instead of the twelve (12) monthly reporting periods required by subsection (a), the department may permit a person to divide a year into a different number of reporting periods. The return and payment for each reporting period is due not more than twenty (20) days after the end of the period.
(d) Instead of the reporting periods required under subsection (a), the department may permit a retail merchant to report and pay the merchant's state gross retail and use taxes for a period covering a calendar year, if the retail merchant's state gross retail and use tax liability in the previous calendar year does not exceed one thousand dollars ($1,000). A retail merchant using a reporting period allowed under this subsection must file the merchant's return and pay the merchant's tax for a reporting period not later than the last day of the month immediately following the close of that reporting period.

(e) If a retail merchant reports the merchant's adjusted gross income tax, or the tax the merchant pays in place of the adjusted gross income tax, over a fiscal year not corresponding to the calendar year, the merchant may, without prior departmental approval, report and pay the merchant's state gross retail and use taxes over the merchant's fiscal year that corresponds to the calendar year the merchant is permitted to use under subsection (d). However, the department may, at any time, require the retail merchant to stop using the fiscal reporting period.

(f) If a retail merchant files a combined sales and withholding tax report, the reporting period for the combined report is the shortest period required under:

(1) this section;
(2) IC 6-3-4-8; or
(3) IC 6-3-4-8.1.

(g) If the department determines that a person's:

(1) estimated monthly gross retail and use tax liability for the current year; or
(2) average monthly gross retail and use tax liability for the preceding year;

exceeds five thousand dollars ($5,000), the person shall pay the monthly gross retail and use taxes due by electronic funds transfer (as defined in IC 4-8.1-2-7) or by delivering in person or by overnight courier a payment by cashier's check, certified check, or money order to the department. The transfer or payment shall be made on or before the date the tax is due.

(h) A person that registers as a retail merchant after December 31, 2009, shall report and remit state gross retail and use taxes through the department's online tax filing program. This subsection does not apply to a retail merchant that was a registered retail merchant before January 1, 2010, but adds an additional place of business in accordance with IC 6-2.5-8-1(e) after
December 31, 2009.

(i) A person:

1. who has voluntarily registered as a seller under the Streamlined Sales and Use Tax Agreement;
2. who is not a Model 1, Model 2, or Model 3 seller (as defined in the Streamlined Sales and Use Tax Agreement); and
3. whose liability for collections of state gross retail and use taxes under this section for the preceding calendar year as determined by the department does not exceed one thousand dollars ($1,000);

is not required to file a monthly gross retail and use tax return.

SECTION 181. IC 6-2.5-7-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 10. (a) Each refiner or terminal operator and each qualified distributor that has received a prepayment of the state gross retail tax under this chapter shall remit the tax received to the department semimonthly, through the department's online tax filing system, according to the following schedule:

1. On or before the tenth day of each month for prepayments received after the fifteenth day and before the end of the preceding month.
2. On or before the twenty-fifth day of each month for prepayments received after the end of the preceding month and before the sixteenth day of the month in which the prepayments are made.

(b) Before the end of each month, each refiner or terminal operator and each qualified distributor shall file a report covering the prepaid taxes received and the gallons of gasoline sold or shipped during the preceding month. The report must include the following:

1. The number of gallons of gasoline sold or shipped during the preceding month, identifying each purchaser or receiver as required by the department.
2. The amount of tax prepaid by each purchaser or receiver.
3. Any other information reasonably required by the department.

SECTION 182. IC 6-2.5-7-14, AS AMENDED BY P.L.176-2006, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 14. (a) Before June 10 and December 10 of each year, the department shall determine and provide to:

1. each refiner and terminal operator and each qualified distributor known to the department to be required to collect
prepayments of the state gross retail tax under this chapter; and
(2) any other person that makes a request;
a notice of the prepayment rate to be used during the following six (6) month period. The department shall also have the prepayment rate published in the June and December issues of the Indiana Register. The department, after approval by the office of management and budget, may determine a new prepayment rate if the department finds that the statewide average retail price per gallon of gasoline, excluding the Indiana and federal gasoline taxes and the Indiana gross retail tax, has changed by at least twenty-five percent (25%) since the most recent determination.

(b) In determining the prepayment rate under this section, the department shall use the most recent retail price of gasoline available to the department.

c) The prepayment rate per gallon of gasoline determined by the department under this section is the amount per gallon of gasoline determined under STEP FOUR of the following formula:

   STEP ONE: Determine the statewide average retail price per gallon of gasoline, excluding the Indiana and federal gasoline taxes and the Indiana gross retail tax.

   STEP TWO: Determine the product of the following:
   (A) The STEP ONE amount.
   (B) The Indiana gross retail tax rate.
   (C) Ninety Eighty percent (90%): (80%).

   STEP THREE: Determine the lesser of:
   (A) the STEP TWO result; or
   (B) the product of:

      (i) the prepayment rate in effect on the day immediately preceding the day on which the prepayment rate is redetermined under this section; multiplied by
      (ii) one hundred twenty-five percent (125%).

   STEP FOUR: Round the STEP THREE result to the nearest one-tenth of one cent ($0.001).

SECTION 183. IC 6-2.5-11-10, AS AMENDED BY P.L.145-2007, SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2010]: Sec. 10. (a) A certified service provider is the agent of a seller, with whom the certified service provider has contracted, for the collection and remittance of sales and use taxes. As the seller’s agent, the certified service provider is liable for sales and use tax due each member state on all sales transactions it processes for the seller.
except as set out in this section. A seller that contracts with a certified service provider is not liable to the state for sales or use tax due on transactions processed by the certified service provider unless the seller misrepresented the type of items it sells or committed fraud. In the absence of probable cause to believe that the seller has committed fraud or made a material misrepresentation, the seller is not subject to audit on the transactions processed by the certified service provider. A seller is subject to audit for transactions not processed by the certified service provider. The member states acting jointly may perform a system check of the seller and review the seller's procedures to determine if the certified service provider's system is functioning properly and the extent to which the seller's transactions are being processed by the certified service provider.

(b) A person that provides a certified automated system is responsible for the proper functioning of that system and is liable to the state for underpayments of tax attributable to errors in the functioning of the certified automated system. A seller that uses a certified automated system remains responsible and is liable to the state for reporting and remitting tax.

(c) A seller that has a proprietary system for determining the amount of tax due on transactions and has signed an agreement establishing a performance standard for that system is liable for the failure of the system to meet the performance standard.

(d) A certified service provider or a seller using a certified automated system that obtains a certification from the department is not liable for sales or use tax collection errors that result from reliance on the department's certification. If the department determines that an item or transaction is incorrectly classified as to the taxability of the item or transaction, the department shall notify the certified service provider or the seller using a certified automated system of the incorrect classification. The certified service provider or the seller using a certified automated system must revise the incorrect classification within ten (10) days after receiving notice of the determination from the department. If the classification error is not corrected within ten (10) days after receiving the department's notice, the certified service provider or the seller using a certified automated system is liable for failure to collect the correct amount of sales or use tax due and owing.

(e) If at least thirty (30) days are not provided between the enactment of a statute changing the rate set forth in IC 6-2.5-2-2 and the effective date of the rate change, the department shall
relieve the seller of liability for failing to collect tax at the new rate if:

(1) the seller collected the tax at the immediately preceding effective rate; and
(2) the seller's failure to collect at the current rate does not extend beyond thirty (30) days after the effective date of the rate change.

A seller is not eligible for the relief provided for in this subsection if the seller fraudulently fails to collect at the current rate or solicits purchases based on the immediately preceding effective rate.

(f) The department shall allow any monetary allowances that are provided by the member states to sellers or certified service providers in exchange for collecting the sales and use taxes as provided in article VI of the agreement.

SECTION 184. IC 6-2.5-12-15 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 15. Except for the telecommunications services listed in section 16 of this chapter, a sale of:

(1) telecommunications services sold on a basis other than a call by call basis;
(2) Internet access service; or
(3) an ancillary service;

is sourced to the customer's place of primary use.

SECTION 185. IC 6-2.5-13-1, AS AMENDED BY P.L.19-2008, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 1. (a) As used in this section, the terms "receive" and "receipt" mean:

(1) taking possession of tangible personal property;
(2) making first use of services; or
(3) taking possession or making first use of digital goods; whichever comes first. The terms "receive" and "receipt" do not include possession by a shipping company on behalf of the purchaser.

(b) This section:

(1) applies regardless of the characterization of a product as tangible personal property, a digital good, or a service;
(2) applies only to the determination of a seller's obligation to pay or collect and remit a sales or use tax with respect to the seller's retail sale of a product; and
(3) does not affect the obligation of a purchaser or lessee to remit tax on the use of the product to the taxing jurisdictions of that use.
(c) This section does not apply to sales or use taxes levied on the following:

1. The retail sale or transfer of watercraft, modular homes, manufactured homes, or mobile homes. These items must be sourced according to the requirements of this article.
2. The retail sale, excluding lease or rental, of motor vehicles, trailers, semitrailers, or aircraft that do not qualify as transportation equipment, as defined in subsection (g). The retail sale of these items shall be sourced according to the requirements of this article, and the lease or rental of these items must be sourced according to subsection (f).
3. Telecommunications services, ancillary services, and Internet access service shall be sourced in accordance with IC 6-2.5-12.

(d) The retail sale, excluding lease or rental, of a product shall be sourced as follows:

1. When the product is received by the purchaser at a business location of the seller, the sale is sourced to that business location.
2. When the product is not received by the purchaser at a business location of the seller, the sale is sourced to the location where receipt by the purchaser (or the purchaser's donee, designated as such by the purchaser) occurs, including the location indicated by instructions for delivery to the purchaser (or donee), known to the seller.
3. When subdivisions (1) and (2) do not apply, the sale is sourced to the location indicated by an address for the purchaser that is available from the business records of the seller that are maintained in the ordinary course of the seller's business when use of this address does not constitute bad faith.
4. When subdivisions (1), (2), and (3) do not apply, the sale is sourced to the location indicated by an address for the purchaser obtained during the consummation of the sale, including the address of a purchaser's payment instrument, if no other address is available, when use of this address does not constitute bad faith.
5. When none of the previous rules of subdivision (1), (2), (3), or (4) apply, including the circumstance in which the seller is without sufficient information to apply the previous rules, then the location will be determined by the address from which tangible personal property was shipped, from which the digital good or the computer software delivered electronically was first available for
transmission by the seller, or from which the service was provided (disregarding for these purposes any location that merely provided the digital transfer of the product sold).

(e) The lease or rental of tangible personal property, other than property identified in subsection (f) or (g), shall be sourced as follows:

(1) For a lease or rental that requires recurring periodic payments, the first periodic payment is sourced the same as a retail sale in accordance with the provisions of subsection (d). Periodic payments made subsequent to the first payment are sourced to the primary property location for each period covered by the payment. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. The property location shall not be altered by intermittent use at different locations, such as use of business property that accompanies employees on business trips and service calls.

(2) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection (d).

This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or an accelerated basis, or on the acquisition of property for lease.

(f) The lease or rental of motor vehicles, trailers, semitrailers, or aircraft that do not qualify as transportation equipment, as defined in subsection (g), shall be sourced as follows:

(1) For a lease or rental that requires recurring periodic payments, each periodic payment is sourced to the primary property location. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. This location shall not be altered by intermittent use at different locations.

(2) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection (d).

This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.
(g) The retail sale, including lease or rental, of transportation equipment shall be sourced the same as a retail sale in accordance with the provisions of subsection (d), notwithstanding the exclusion of lease or rental in subsection (d). As used in this subsection, "transportation equipment" means any of the following:

1. Locomotives and railcars that are used for the carriage of persons or property in interstate commerce.
2. Trucks and truck-tractors with a gross vehicle weight rating (GVWR) of ten thousand one (10,001) pounds or greater, trailers, semitrailers, or passenger buses that are:
   a. registered through the International Registration Plan; and
   b. operated under authority of a carrier authorized and certificated by the U.S. Department of Transportation or another federal authority to engage in the carriage of persons or property in interstate commerce.
3. Aircraft that are operated by air carriers authorized and certificated by the U.S. Department of Transportation or another federal or a foreign authority to engage in the carriage of persons or property in interstate or foreign commerce.

(13) Add or subtract the amount necessary to make the adjusted gross income of any taxpayer that made an election under Section 181 of the Internal Revenue Code to expense costs for a qualified film or television production equal to the amount of adjusted gross income that would have been computed had an election for federal income tax purposes not been made for the year.

(14) Add or subtract the amount necessary to make the adjusted gross income of any taxpayer that treated a loss from the sale or exchange of preferred stock in:
   (A) the Federal National Mortgage Association, established under the Federal National Mortgage Association Charter Act (12 U.S.C. 1716 et seq.); or
   (B) the Federal Home Loan Mortgage Corporation, established under the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1451 et seq.);
   as an ordinary loss under Section 301 of the Emergency Economic Stabilization Act of 2008 in the current taxable year or in an earlier taxable year equal to the amount of adjusted gross income that would have been computed had the loss not been treated as an ordinary loss.

(15) Add the amount excluded from gross income under Section 108(a)(1)(e) of the Internal Revenue Code for the discharge of debt on a qualified principal residence.

(f) This subsection applies only to the extent that an individual paid property taxes in 2004 that were imposed for the March 1, 2002, assessment date or the January 15, 2003, assessment date. The maximum amount of the deduction under subsection (a)(17) is equal
to the amount determined under STEP FIVE of the following formula:

STEP ONE: Determine the amount of property taxes that the taxpayer paid after December 31, 2003, in the taxable year for property taxes imposed for the March 1, 2002, assessment date and the January 15, 2003, assessment date.

STEP TWO: Determine the amount of property taxes that the taxpayer paid in the taxable year for the March 1, 2003, assessment date and the January 15, 2004, assessment date.

STEP THREE: Determine the result of the STEP ONE amount divided by the STEP TWO amount.

STEP FOUR: Multiply the STEP THREE amount by two thousand five hundred dollars ($2,500).

STEP FIVE: Determine the sum of the STEP FOUR amount and two thousand five hundred dollars ($2,500).

SECTION 187. IC 6-3-1-3.7 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETOACTIVE)]: Sec. 3.7. (a) This section applies only to an individual who in 2009 paid property taxes that:

(1) were imposed on the individual's principal place of residence for the March 1, 2007, assessment date or the January 15, 2008, assessment date;

(2) are due after December 31, 2008; and

(3) are paid on or before the due date for the property taxes.

(b) An individual described in subsection (a) is entitled to a deduction from adjusted gross income for a taxable year beginning after December 31, 2008, and before January 1, 2010, in an amount equal to the amount determined in the following STEPS:

STEP ONE: Determine the lesser of:

(A) two thousand five hundred dollars ($2,500); or

(B) the total amount of property taxes imposed on the individual's principal place of residence for the March 1, 2007, assessment date or the January 15, 2008, assessment date and paid in 2008 or 2009.

STEP TWO: Determine the greater of zero (0) or the result of:

(A) the STEP ONE result; minus

(B) the total amount of property taxes that:

(i) were imposed on the individual's principal place of residence for the March 1, 2007, assessment date or the January 15, 2008, assessment date;

(ii) were paid in 2008; and
(iii) were deducted from adjusted gross income under section 3.5(a)(17) of this chapter by the individual on the individual's state income tax return for a taxable year beginning before January 1, 2009.

(c) The deduction under this section is in addition to any deduction that an individual is otherwise entitled to claim under section 3.5(a)(17) of this chapter. However, an individual may not deduct under section 3.5(a)(17) of this chapter any property taxes deducted under this section.

(d) This section expires January 1, 2014.

SECTION 188. IC 6-3-1-11, AS AMENDED BY P.L.131-2008, SECTION 12, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 11. (a) The term “Internal Revenue Code” means the Internal Revenue Code of 1986 of the United States as amended and in effect on January 1, 2008; February 17, 2009.

(b) Whenever the Internal Revenue Code is mentioned in this article, the particular provisions that are referred to, together with all the other provisions of the Internal Revenue Code in effect on January 1, 2008; February 17, 2009, that pertain to the provisions specifically mentioned, shall be regarded as incorporated in this article by reference and have the same force and effect as though fully set forth in this article. To the extent the provisions apply to this article, regulations adopted under Section 7805(a) of the Internal Revenue Code and in effect on January 1, 2008; February 17, 2009, shall be regarded as rules adopted by the department under this article, unless the department adopts specific rules that supersede the regulation.

(c) An amendment to the Internal Revenue Code made by an act passed by Congress before January 1, 2008; February 17, 2009, that is effective for any taxable year that began before January 1, 2008; February 17, 2009, and that affects:

(1) individual adjusted gross income (as defined in Section 62 of the Internal Revenue Code);
(2) corporate taxable income (as defined in Section 63 of the Internal Revenue Code);
(3) trust and estate taxable income (as defined in Section 641(b) of the Internal Revenue Code);
(4) life insurance company taxable income (as defined in Section 801(b) of the Internal Revenue Code);
(5) mutual insurance company taxable income (as defined in
Section 821(b) of the Internal Revenue Code; or

is also effective for that same taxable year for purposes of determining adjusted gross income under section 3.5 of this chapter.

SECTION 189. IC 6-3-1-34.5, AS ADDED BY P.L.211-2007, SECTION 20, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2008 (RETROACTIVE)]: Sec. 34.5. (a) Except as provided in subsection (b), "captive real estate investment trust" means a corporation, a trust, or an association:

(1) that is considered a real estate investment trust for the taxable year under Section 856 of the Internal Revenue Code;
(2) that is not regularly traded on an established securities market; and
(3) in which more than fifty percent (50%) of the:
   (A) voting power;
   (B) beneficial interests; or
   (C) shares;
are owned or controlled, directly or constructively, by a single entity that is subject to Subchapter C of Chapter 1 of the Internal Revenue Code.

(b) The term does not include a corporation, a trust, or an association in which more than fifty percent (50%) of the entity's voting power, beneficial interests, or shares are owned by a single entity described in subsection (a)(3) that is owned or controlled, directly or constructively, by:

(1) a corporation, a trust, or an association that is considered a real estate investment trust under Section 856 of the Internal Revenue Code;
(2) a person exempt from taxation under Section 501 of the Internal Revenue Code;
(3) a listed property trust or other foreign real estate investment trust that is organized in a country that has a tax treaty with the United States Treasury Department governing the tax treatment of these trusts; or

   (B) satisfies the requirements of Section 856(a)(5) and Section 856(a)(6) of the Internal Revenue Code under Section 856(h)
of the Internal Revenue Code.

(c) For purposes of this section, the constructive ownership rules of Section 318 of the Internal Revenue Code, as modified by Section 856(d)(5) of the Internal Revenue Code, apply to the determination of the ownership of stock, assets, or net profits of any person.

SECTION 190. IC 6-3-1-35 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETOACTIVE)]: Sec. 35. As used in this article, "pass through entity" means:

(1) a corporation that is exempt from the adjusted gross income tax under IC 6-3-2-2.8(2);  
(2) a partnership;  
(3) a trust;  
(4) a limited liability company; or  
(5) a limited liability partnership.

SECTION 191. IC 6-3-2-2, AS AMENDED BY P.L.162-2006, SECTION 25, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETOACTIVE)]: Sec. 2. (a) With regard to corporations and nonresident persons, "adjusted gross income derived from sources within Indiana", for the purposes of this article, shall mean and include:

(1) income from real or tangible personal property located in this state;  
(2) income from doing business in this state;  
(3) income from a trade or profession conducted in this state;  
(4) compensation for labor or services rendered within this state; and  
(5) income from stocks, bonds, notes, bank deposits, patents, copyrights, secret processes and formulas, good will, trademarks, trade brands, franchises, and other intangible personal property if the receipt from the intangible is attributable to Indiana under section 2.2 of this chapter.

Income from a pass through entity shall be characterized in a manner consistent with the income's characterization for federal income tax purposes and shall be considered Indiana source income as if the person, corporation, or pass through entity that received the income had directly engaged in the income producing activity. Income that is derived from one (1) pass through entity and is considered to pass through to another pass through entity does not change these characteristics or attribution provisions. In the case of nonbusiness income described in subsection (g), only so
much of such income as is allocated to this state under the provisions of subsections (h) through (k) shall be deemed to be derived from sources within Indiana. In the case of business income, only so much of such income as is apportioned to this state under the provision of subsection (b) shall be deemed to be derived from sources within the state of Indiana. In the case of compensation of a team member (as defined in section 2.7 of this chapter), only the portion of income determined to be Indiana income under section 2.7 of this chapter is considered derived from sources within Indiana. In the case of a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code, only so much of the income as is apportioned to Indiana under subsection (r) is considered derived from sources within Indiana.

(b) Except as provided in subsection (l), if business income of a corporation or a nonresident person is derived from sources within the state of Indiana and from sources without the state of Indiana, the business income derived from sources within this state shall be determined by multiplying the business income derived from sources both within and without the state of Indiana by the following:

(1) For all taxable years that begin after December 31, 2006, and before January 1, 2008, a fraction. The:
   (A) numerator of the fraction is the sum of the property factor plus the payroll factor plus the product of the sales factor multiplied by three (3); and
   (B) denominator of the fraction is five (5).
(2) For all taxable years that begin after December 31, 2007, and before January 1, 2009, a fraction. The:
   (A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by four and sixty-seven hundredths (4.67); and
   (B) denominator of the fraction is six and sixty-seven hundredths (6.67).
(3) For all taxable years beginning after December 31, 2008, and before January 1, 2010, a fraction. The:
   (A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by eight (8); and
   (B) denominator of the fraction is ten (10).
(4) For all taxable years beginning after December 31, 2009, and
before January 1, 2011, a fraction. The:
   (A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by eighteen (18); and
   (B) denominator of the fraction is twenty (20).

(5) For all taxable years beginning after December 31, 2010, the sales factor.

(c) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the taxable year and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the taxable year. However, with respect to a foreign corporation, the denominator does not include the average value of real or tangible personal property owned or rented and used in a place that is outside the United States. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals. The average of property shall be determined by averaging the values at the beginning and ending of the taxable year, but the department may require the averaging of monthly values during the taxable year if reasonably required to reflect properly the average value of the taxpayer's property.

(d) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the taxable year by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the taxable year. However, with respect to a foreign corporation, the denominator does not include compensation paid in a place that is outside the United States. Compensation is paid in this state if:

   (1) the individual's service is performed entirely within the state;
   (2) the individual's service is performed both within and without this state, but the service performed without this state is incidental to the individual's service within this state; or
   (3) some of the service is performed in this state and:
      (A) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in this state; or
      (B) the base of operations or the place from which the service
is directed or controlled is not in any state in which some part
of the service is performed, but the individual is a resident of
this state.

(e) The sales factor is a fraction, the numerator of which is the total
sales of the taxpayer in this state during the taxable year, and the
denominator of which is the total sales of the taxpayer everywhere
during the taxable year. Sales include receipts from intangible property
and receipts from the sale or exchange of intangible property. However,
with respect to a foreign corporation, the denominator does not include
sales made in a place that is outside the United States. Receipts from
intangible personal property are derived from sources within Indiana
if the receipts from the intangible personal property are attributable to
Indiana under section 2.2 of this chapter. Regardless of the f.o.b. point
or other conditions of the sale, sales of tangible personal property are
in this state if:

1) the property is delivered or shipped to a purchaser that is
within Indiana, other than the United States government; or
2) the property is shipped from an office, a store, a warehouse, a
factory, or other place of storage in this state and:
(A) the purchaser is the United States government; or
(B) the taxpayer is not taxable in the state of the purchaser.

Gross receipts derived from commercial printing as described in
IC 6-2.5-1-10 shall be treated as sales of tangible personal property for
purposes of this chapter.

(f) Sales, other than receipts from intangible property covered by
subsection (e) and sales of tangible personal property, are in this state
if:

1) the income-producing activity is performed in this state; or
2) the income-producing activity is performed both within and
without this state and a greater proportion of the
income-producing activity is performed in this state than in any
other state, based on costs of performance.

(g) Rents and royalties from real or tangible personal property,
capital gains, interest, dividends, or patent or copyright royalties, to the
extent that they constitute nonbusiness income, shall be allocated as
provided in subsections (h) through (k).

(h)(1) Net rents and royalties from real property located in this state
are allocable to this state.

2) Net rents and royalties from tangible personal property are
allocated to this state:
(i) if and to the extent that the property is utilized in this state; or
(ii) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year, and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(i)(1) Capital gains and losses from sales of real property located in this state are allocable to this state.

(2) Capital gains and losses from sales of tangible personal property are allocable to this state if:
   (i) the property had a situs in this state at the time of the sale; or
   (ii) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(3) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(j) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

(k)(1) Patent and copyright royalties are allocable to this state:
   (i) if and to the extent that the patent or copyright is utilized by the taxpayer in this state; or
   (ii) if and to the extent that the patent or copyright is utilized by the taxpayer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.
(3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(l) If the allocation and apportionment provisions of this article do not fairly represent the taxpayer's income derived from sources within the state of Indiana, the taxpayer may petition for or the department may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

(1) separate accounting;
(2) for a taxable year beginning before January 1, 2011, the exclusion of any one (1) or more of the factors, except the sales factor;
(3) the inclusion of one (1) or more additional factors which will fairly represent the taxpayer's income derived from sources within the state of Indiana; or
(4) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(m) In the case of two (2) or more organizations, trades, or businesses owned or controlled directly or indirectly by the same interests, the department shall distribute, apportion, or allocate the income derived from sources within the state of Indiana between and among those organizations, trades, or businesses in order to fairly reflect and report the income derived from sources within the state of Indiana by various taxpayers.

(n) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if:

(1) in that state the taxpayer is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or
(2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

(o) Notwithstanding subsections (l) and (m), the department may not, under any circumstances, require that income, deductions, and credits attributable to a taxpayer and another entity be reported in a combined income tax return for any taxable year, if the other entity is:

(1) a foreign corporation; or
(2) a corporation that is classified as a foreign operating corporation for the taxable year by section 2.4 of this chapter.

(p) Notwithstanding subsections (l) and (m), the department may not require that income, deductions, and credits attributable to a taxpayer and another entity not described in subsection (o)(1) or (o)(2) be reported in a combined income tax return for any taxable year, unless the department is unable to fairly reflect the taxpayer's adjusted gross income for the taxable year through use of other powers granted to the department by subsections (l) and (m).

(q) Notwithstanding subsections (o) and (p), one (1) or more taxpayers may petition the department under subsection (l) for permission to file a combined income tax return for a taxable year. The petition to file a combined income tax return must be completed and filed with the department not more than thirty (30) days after the end of the taxpayer's taxable year. A taxpayer filing a combined income tax return must petition the department within thirty (30) days after the end of the taxpayer's taxable year to discontinue filing a combined income tax return.

(r) This subsection applies to a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code. The corporation's adjusted gross income that is derived from sources within Indiana is determined by multiplying the corporation's adjusted gross income by a fraction:

1. the numerator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks in the state; and
2. the denominator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks everywhere.

The term "direct premiums and annuity considerations" means the gross premiums received from direct business as reported in the corporation's annual statement filed with the department of insurance.

SECTION 192. IC 6-3-2-2.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]:

Sec. 2.5. (a) This section applies to a resident person.

(b) Resident persons are entitled to a net operating loss deduction. The amount of the deduction taken in a taxable year may not exceed the taxpayer's unused Indiana net operating losses carried back or carried over to that year.
(c) An Indiana net operating loss equals the taxpayer's federal net operating loss for a taxable year as calculated under Section 172 of the Internal Revenue Code, adjusted for the modifications required by IC 6-3-1-3.5.

(d) The following provisions apply for purposes of subsection (c):

(1) The modifications that are to be applied are those modifications required under IC 6-3-1-3.5 for the same taxable year in which each net operating loss was incurred.

(2) An Indiana net operating loss includes a net operating loss that arises when the modifications required by IC 6-3-1-3.5 exceed the taxpayer's federal adjusted gross income (as defined in Section 62 of the Internal Revenue Code) for the taxable year in which the Indiana net operating loss is determined.

(e) Subject to the limitations contained in subsection (g), an Indiana net operating loss carryback or carryover shall be available as a deduction from the taxpayer's adjusted gross income (as defined in IC 6-3-1-3.5) in the carryback or carryover year provided in subsection (f).

(f) Carrybacks and carryovers shall be determined under this subsection as follows:

(1) An Indiana net operating loss shall be an Indiana net operating loss carryback to each of the carryback years preceding the taxable year of the loss.

(2) An Indiana net operating loss shall be an Indiana net operating loss carryover to each of the carryover years following the taxable year of the loss.

(3) Carryback years shall be determined by reference to the number of years allowed for carrying back a net operating loss under Section 172(b) of the Internal Revenue Code. However, with respect to the carryback period for a net operating loss:

(A) for which an eligible small business, as defined in Section 172(b)(1)(H)(iv) of the Internal Revenue Code, made an election to use five (5) years instead of two (2) years under Section 172(b)(1)(H) of the Internal Revenue Code, two (2) years shall be used instead of five (5) years; or

(B) that is a qualified disaster loss for which the taxpayer elected to have the net operating loss carryback period with respect to the loss year determined without regard to Section 172(b)(1)(J) of the Internal Revenue Code, five (5) years shall be used.
(4) Carryover years shall be determined by reference to the number of years allowed for carrying over net operating losses under Section 172(b) of the Internal Revenue Code.

(5) A taxpayer who makes an election under Section 172(b)(3) of the Internal Revenue Code to relinquish the carryback period with respect to a net operating loss for any taxable year shall be considered to have also relinquished the carryback of the Indiana net operating loss for purposes of this section.

(g) The entire amount of the Indiana net operating loss for any taxable year shall be carried to the earliest of the taxable years to which (as determined under subsection (f)) the loss may be carried. The amount of the Indiana net operating loss remaining after the deduction is taken under this section in a taxable year may be carried back or carried over as provided in subsection (f). The amount of the Indiana net operating loss carried back or carried over from year to year shall be reduced to the extent that the Indiana net operating loss carryback or carryover is used by the taxpayer to obtain a deduction in a taxable year until the occurrence of the earlier of the following:

(1) The entire amount of the Indiana net operating loss has been used as a deduction.

(2) The Indiana net operating loss has been carried over to each of the carryover years provided by subsection (f).

SECTION 193. IC 6-3-2-2.6, AS AMENDED BY P.L.2-2005, SECTION 21, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RE TROACTIVE)]: Sec. 2.6. (a) This section applies to a corporation or a nonresident person.

(b) Corporations and nonresident persons are entitled to a net operating loss deduction. The amount of the deduction taken in a taxable year may not exceed the taxpayer's unused Indiana net operating losses carried back or carried over to that year.

(c) An Indiana net operating loss equals the taxpayer's federal net operating loss for a taxable year as calculated under Section 172 of the Internal Revenue Code, derived from sources within Indiana and adjusted for the modifications required by IC 6-3-1-3.5.

(d) The following provisions apply for purposes of subsection (c):

(1) The modifications that are to be applied are those modifications required under IC 6-3-1-3.5 for the same taxable year in which each net operating loss was incurred.

(2) The amount of the taxpayer's net operating loss that is derived from sources within Indiana shall be determined in the same
manner that the amount of the taxpayer's adjusted income derived from sources within Indiana is determined under section 2 of this chapter for the same taxable year during which each loss was incurred.

(3) An Indiana net operating loss includes a net operating loss that arises when the modifications required by IC 6-3-1-3.5 exceed the taxpayer's federal taxable income (as defined in Section 63 of the Internal Revenue Code), if the taxpayer is a corporation, or when the modifications required by IC 6-3-1-3.5 exceed the taxpayer's federal adjusted gross income (as defined by Section 62 of the Internal Revenue Code), if the taxpayer is a nonresident person, for the taxable year in which the Indiana net operating loss is determined.

(e) Subject to the limitations contained in subsection (g), an Indiana net operating loss carryback or carryover shall be available as a deduction from the taxpayer's adjusted gross income derived from sources within Indiana (as defined in section 2 of this chapter) in the carryback or carryover year provided in subsection (f).

(f) Carrybacks and carryovers shall be determined under this subsection as follows:

(1) An Indiana net operating loss shall be an Indiana net operating loss carryback to each of the carryback years preceding the taxable year of the loss.

(2) An Indiana net operating loss shall be an Indiana net operating loss carryover to each of the carryover years following the taxable year of the loss.

(3) Carryback years shall be determined by reference to the number of years allowed for carrying back a net operating loss under Section 172(b) of the Internal Revenue Code. However, with respect to the carryback period for a net operating loss:

(A) for which an eligible small business, as defined in Section 172(b)(1)(H)(iv) of the Internal Revenue Code, made an election to use five (5) years instead of two (2) years under Section 172(b)(1)(H) of the Internal Revenue Code, two (2) years shall be used instead of five (5) years; or

(B) that is a qualified disaster loss for which the taxpayer elected to have the net operating loss carryback period with respect to the loss year determined without regard to Section 172(b)(1)(J) of the Internal Revenue Code, five (5) years shall be used.
(4) Carryover years shall be determined by reference to the number of years allowed for carrying over net operating losses under Section 172(b) of the Internal Revenue Code.

(5) A taxpayer who makes an election under Section 172(b)(3) of the Internal Revenue Code to relinquish the carryback period with respect to a net operating loss for any taxable year shall be considered to have also relinquished the carryback of the Indiana net operating loss for purposes of this section.

(g) The entire amount of the Indiana net operating loss for any taxable year shall be carried to the earliest of the taxable years to which (as determined under subsection (f)) the loss may be carried. The amount of the Indiana net operating loss remaining after the deduction is taken under this section in a taxable year may be carried back or carried over as provided in subsection (f). The amount of the Indiana net operating loss carried back or carried over from year to year shall be reduced to the extent that the Indiana net operating loss carryback or carryover is used by the taxpayer to obtain a deduction in a taxable year until the occurrence of the earlier of the following:

1. The entire amount of the Indiana net operating loss has been used as a deduction.
2. The Indiana net operating loss has been carried over to each of the carryover years provided by subsection (f).

(h) An Indiana net operating loss deduction determined under this section shall be allowed notwithstanding the fact that in the year the taxpayer incurred the net operating loss the taxpayer was not subject to the tax imposed under section 1 of this chapter because the taxpayer was:

1. A life insurance company (as defined in Section 816(a) of the Internal Revenue Code); or
2. An insurance company subject to tax under Section 831 of the Internal Revenue Code.

(i) In the case of a life insurance company that claims an operations loss deduction under Section 810 of the Internal Revenue Code, this section shall be applied by:

1. Substituting the corresponding provisions of Section 810 of the Internal Revenue Code in place of references to Section 172 of the Internal Revenue Code; and
2. Substituting life insurance company taxable income (as defined in Section 801 of the Internal Revenue Code) in place of references to taxable income (as defined in Section 63 of the
(j) For purposes of an amended return filed to carry back an Indiana net operating loss:

SECTION 201. IC 6-3.1-4-2, AS AMENDED BY P.L.193-2005, SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 2. (a) A taxpayer who incurs Indiana qualified research expense in a particular taxable year is entitled to a research expense tax credit for the taxable year.

(b) For Indiana qualified research expense incurred before January
1, 2008, the amount of the research expense tax credit is equal to the product of ten percent (10%) multiplied by the remainder of:

(2) the taxpayer's base amount.

(c) Except as provided in subsection (d), for Indiana qualified research expense incurred after December 31, 2007, the amount of the research expense tax credit is determined under STEP FOUR of the following formula:

STEP ONE: Subtract the taxpayer's base amount from the taxpayer's Indiana qualified research expense for the taxable year.

STEP TWO: Multiply the lesser of:

(A) one million dollars ($1,000,000); or
(B) the STEP ONE remainder;

by fifteen percent (15%).

STEP THREE: If the STEP ONE remainder exceeds one million dollars ($1,000,000), multiply the amount of that excess by ten percent (10%).

STEP FOUR: Add the STEP TWO and STEP THREE products.

(d) For Indiana qualified research expense incurred after December 31, 2009, a taxpayer may choose to have the amount of the research expense tax credit determined under this subsection rather than under subsection (c). At the election of the taxpayer, the amount of the taxpayer's research expense tax credit is equal to ten percent (10%) of the part of the taxpayer's Indiana qualified research expense for the taxable year that exceeds fifty percent (50%) of the taxpayer's average Indiana qualified research expense for the three (3) taxable years preceding the taxable year for which the credit is being determined. However, if the taxpayer did not have Indiana qualified research expense in any one (1) of the three (3) taxable years preceding the taxable year for which the credit is being determined, the amount of the research expense tax credit is equal to five percent (5%) of the taxpayer's Indiana qualified research expense for the taxable year.

SECTION 203. IC 6-3.1-29-19, AS AMENDED BY P.L.52-2008, SECTION 1, IS AMENDED TO READ AS FollowS [EFFECTIVE UPON PASSAGE]: Sec. 19. (a) The corporation shall enter into an agreement with an applicant that is awarded a credit under this chapter. The agreement must include all the following:

4. A requirement that the taxpayer shall maintain operations at the project location for at least ten (10) years during the term that the tax credit is available.
5. If the facility is an integrated coal gasification powerplant, a requirement that the taxpayer shall pay an average wage to its employees at the integrated coal gasification powerplant, other than highly compensated employees, in each taxable year that a tax credit is available, that equals at least one hundred twenty-five percent (125%) of the average county wage in the county in which the integrated coal gasification powerplant is located.
6. For a project involving a qualified investment in an integrated coal gasification powerplant, a requirement that the taxpayer will maintain at the location where the qualified investment is made, during the term of the tax credit, a total payroll that is at least equal to the payroll that existed on the date that the taxpayer placed the integrated coal gasification powerplant into service.
7. A requirement that:
   (A) one hundred percent (100%) of the coal used:
   (i) at the integrated coal gasification powerplant, for a project involving a qualified investment in an integrated coal gasification powerplant; or
   (ii) as fuel in a fluidized bed combustion unit, in a project involving a qualified investment in a fluidized bed combustion technology, if the unit is dedicated primarily to serving Indiana retail electric utility consumers; must be Indiana coal, unless the applicant wishes to assign the
tax credit as allowed under section 20.5(c) of this chapter or elects to receive a refundable tax credit under section 20.7 of this chapter and the applicant certifies to the corporation that partial use of other coal is necessary to result in lower rates for Indiana retail utility customers; or
(B) seventy-five percent (75%) of the coal used as fuel in a fluidized bed combustion unit must be Indiana coal, in a project involving a qualified investment in a fluidized bed combustion technology, if the unit is not dedicated primarily to serving Indiana retail electric utility consumers.

(8) A requirement that the taxpayer obtain from the commission a determination under IC 8-1-8.5-2 that public convenience and necessity require, or will require:
(A) the construction of the taxpayer's integrated coal gasification powerplant, in the case of a project involving a qualified investment in an integrated coal gasification powerplant; or
(B) the installation of the taxpayer's fluidized bed combustion unit, in the case of a project involving a qualified investment in a fluidized bed combustion technology.

(b) A taxpayer must comply with the terms of the agreement described in subsection (a) to receive an annual installment of the tax credit awarded under this chapter. The corporation shall annually determine whether the taxpayer is in compliance with the agreement. (b) This section applies to a taxpayer that:
(1) makes a qualified investment in an integrated coal gasification powerplant; and
(2) enters into a contract to sell substitute natural gas (as defined in IC 4-4-11.6-11) to the Indiana finance authority under IC 4-4-11.6.

If, in a taxable year, a taxpayer that makes an election under this subsection has no state tax liability, the department shall pay to the taxpayer the full amount of the refundable credit for that taxable year.

(d) The amount of a credit to which a taxpayer that makes an election under subsection (c) is entitled for a particular taxable year equals the result determined under STEP FOUR:

STEP ONE: Determine the total credit amount to which the taxpayer is entitled under section 15 of this chapter (without regard to section 16 of this chapter).

STEP TWO: Divide the STEP ONE amount by twenty (20).

STEP THREE: Determine the ratio of Indiana coal to total coal used in the taxpayer's integrated coal gasification powerplant in the taxable year.

STEP FOUR: Multiply the STEP TWO and STEP THREE amounts.

(e) A taxpayer shall claim a refund under this section in the manner provided by the department. The department shall pay the refunded amount to the taxpayer not more than ninety (90) days after the date on which the refund is claimed.

(f) The shareholders, members, or partners of a pass through entity that makes an election under subsection (c) are not entitled to a credit allowed under section 20(b) of this chapter.

(g) A credit allowed under this section is not assignable under section 20.5 of this chapter.

(b) The maximum amount of tax credits that may be allowed under this chapter during a state fiscal year for all taxpayers is five two million five hundred dollars ($5,000,000) ($2,500,000).

SECTION 209. IC 6-3.5-1.1-1.1, AS ADDED BY P.L.207-2005, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 1.1. (a) For purposes of allocating the certified distribution made to a county under this chapter among the civil taxing units and school corporations in the county, the allocation amount for a civil taxing unit or school corporation is the amount determined using the following formula:

STEP ONE: Determine the sum of the total property taxes being collected by the civil taxing unit or school corporation during the calendar year of the distribution.

STEP TWO: Determine the sum of the following:

(A) Amounts appropriated from property taxes to pay the principal of or interest on any debenture or other debt obligation issued after June 30, 2005, other than an obligation described in subsection (b).
(B) Amounts appropriated from property taxes to make payments on any lease entered into after June 30, 2005, other than a lease described in subsection (c).

(C) The proceeds of any property that are:
   (i) received as the result of the issuance of a debt obligation described in clause (A) or a lease described in clause (B); and
   (ii) appropriated from property taxes for any purpose other than to refund or otherwise refinance a debt obligation or lease described in subsection (b) or (c).

STEP THREE: Subtract the STEP TWO amount from the STEP ONE amount.

STEP FOUR: Determine the sum of:
   (A) the STEP THREE amount; plus
   (B) the civil taxing unit's or school corporation's certified distribution for the previous calendar year.

The allocation amount is subject to adjustment as provided in IC 36-8-19-7.5.

(b) Except as provided in this subsection, an appropriation from property taxes to repay interest and principal of a debt obligation is not deducted from the allocation amount for a civil taxing unit or school corporation if:
   (1) the debt obligation was issued; and
   (2) the proceeds appropriated from property taxes; to refund or otherwise refinance a debt obligation or a lease issued before July 1, 2005. However, an appropriation from property taxes related to a debt obligation issued after June 30, 2005, is deducted if the debt extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if the debt or lease had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid.

(c) Except as provided in this subsection, an appropriation from property taxes to make payments on a lease is not deducted from the allocation amount for a civil taxing unit or school corporation if:
   (1) the lease was issued; and
   (2) the proceeds were appropriated from property taxes; to refinance a debt obligation or lease issued before July 1, 2005.
However, an appropriation from property taxes related to a lease entered into after June 30, 2005, is deducted if the lease extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if the debt or lease had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid.

SECTION 210. IC 6-3.5-1.1-9, AS AMENDED BY P.L.146-2008, SECTION 327, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 9. (a) Revenue derived from the imposition of the county adjusted gross income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it. The amount to be distributed to a county during an ensuing calendar year equals the amount of county adjusted gross income tax revenue that the department, after reviewing the recommendation of the budget agency determines has been:

(1) received from that county for a taxable year ending before the calendar year in which the determination is made; and

(2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made;

as adjusted (as determined after review of the recommendation of the budget agency) for refunds of county adjusted gross income tax made in the state fiscal year.

(b) Before August 2 of each calendar year, the department, after reviewing the recommendation of the budget agency shall certify to the county auditor of each adopting county the amount determined under subsection (a) plus the amount of interest in the county's account that has accrued and has not been included in a certification made in a preceding year. The amount certified is the county's "certified distribution" for the immediately succeeding calendar year. The amount certified shall be adjusted under subsections (c), (d), (e), (f), (g), and (h). The budget agency shall provide the county council with an informative summary of the calculations used to determine the certified distribution. The summary of calculations must include:

(1) the amount reported on individual income tax returns processed by the department during the previous fiscal year;

(2) adjustments for over distributions in prior years;
(3) adjustments for clerical or mathematical errors in prior years;
(4) adjustments for tax rate changes; and
(5) the amount of excess account balances to be distributed under IC 6-3.5-1.1-21.1.

The department budget agency shall also certify information concerning the part of the certified distribution that is attributable to a tax rate under section 24, 25, or 26 of this chapter. This information must be certified to the county auditor, the department, and to the department of local government finance not later than September 1 of each calendar year. The part of the certified distribution that is attributable to a tax rate under section 24, 25, or 26 of this chapter may be used only as specified in those provisions.

(c) The department budget agency shall certify an amount less than the amount determined under subsection (b) if the department, after reviewing the recommendation of the budget agency determines that the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The department after reviewing the recommendation of the budget agency may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.

(d) The department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of a county to correct for any clerical or mathematical errors made in any previous certification under this section. The department, after reviewing the recommendation of the budget agency may reduce the amount of the certified distribution over several calendar years so that any adjustment under this subsection is offset over several years rather than in one (1) lump sum.

(e) The department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of a county to provide for a

(f) This subsection applies to a county that:
(1) initially imposes the county adjusted gross income tax; or
(2) increases the county adjusted income tax rate;
under this chapter in the same calendar year in which the department budget agency makes a certification under this section. The department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of a county to provide for a
distribution in the immediately following calendar year and in each calendar year thereafter. The department budget agency shall provide for a full transition to certification of distributions as provided in subsection (a)(1) through (a)(2) in the manner provided in subsection (c).

(g) The department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of a county to provide the county with the distribution required under section 3.3 of this chapter beginning not later than the tenth month after the month in which additional revenue from the tax authorized under section 3.3 of this chapter is initially collected.

(h) This subsection applies in the year in which a county initially imposes a tax rate under section 24 of this chapter. Notwithstanding any other provision, the department budget agency shall adjust the part of the county's certified distribution that is attributable to the tax rate under section 24 of this chapter to provide for a distribution in the immediately following calendar year equal to the result of:

1. the sum of the amounts determined under STEP ONE through STEP FOUR of IC 6-3.5-1.5-1(a) in the year in which the county initially imposes a tax rate under section 24 of this chapter; multiplied by
2. two (2).

SECTION 211. IC 6-3.5-1.1-14, AS AMENDED BY P.L.146-2008, SECTION 328, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 14. (a) In determining the amount of property tax replacement credits civil taxing units and school corporations of a county are entitled to receive during a calendar year, the department of local government finance shall consider only property taxes imposed on tangible property that was assessed in that county.

(b) If a civil taxing unit or a school corporation is located in more than one (1) county and receives property tax replacement credits from one (1) or more of the counties, then the property tax replacement credits received from each county shall be used only to reduce the property tax rates that are imposed within the county that distributed the property tax replacement credits.

(c) A civil taxing unit shall treat any property tax replacement credits that it receives or is to receive during a particular calendar year as a part of its property tax levy for that same calendar year for purposes of fixing its budget and for purposes of the property tax levy
(d) Subject to subsection (e), if a civil taxing unit or school corporation of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which property tax replacement credits are being distributed, the civil taxing unit or school corporation is entitled to use the property tax replacement credits distributed to the civil taxing unit or school corporation for any purpose for which a property tax levy could be used.

(e) A school corporation shall treat any property tax replacement credits that the school corporation receives or is to receive during a particular calendar year as a part of its property tax levy for its debt service fund, capital projects fund, transportation fund, and school bus replacement fund and special education preschool fund in proportion to the levy for each of these funds for that same calendar year for purposes of fixing its budget. A school corporation shall allocate the property tax replacement credits described in this subsection to all five funds in proportion to the levy for each fund.

SECTION 212. IC 6-3.5-1.1-15, AS AMENDED BY P.L.146-2008, SECTION 329, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 15. (a) As used in this section, "attributed allocation amount" of a civil taxing unit for a calendar year means the sum of:

(1) the allocation amount of the civil taxing unit for that calendar year; plus

(2) the current ad valorem property tax levy of any special taxing district, authority, board, or other entity formed to discharge governmental services or functions on behalf of or ordinarily attributable to the civil taxing unit; plus

(3) in the case of a county, an amount equal to the welfare allocation amount.

The welfare allocation amount is an amount equal to the sum of the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund and, if the county received a certified distribution under this chapter or IC 6-3.5-6 in 2008, the property taxes imposed by the county in 2008 for the county's county medical assistance to wards fund, family and children's fund, children's psychiatric residential treatment services fund, county hospital care for the indigent fund and children with special health care needs county fund.

(b) The part of a county's certified distribution that is to be used as
certified shares shall be allocated only among the county's civil taxing units. Each civil taxing unit of a county is entitled to receive a certified share during a calendar year in an amount determined in STEP TWO of the following formula:

STEP ONE: Divide:
   (A) the attributed allocation amount of the civil taxing unit during that calendar year; by
   (B) the sum of the attributed allocation amounts of all the civil taxing units of the county during that calendar year.

STEP TWO: Multiply the part of the county's certified distribution that is to be used as certified shares by the STEP ONE amount.

(c) The local government tax control board established by IC 6-3.5-1.1-21 department of local government finance shall determine the attributed levies of civil taxing units that are entitled to receive certified shares during a calendar year. If the ad valorem property tax levy of any special taxing district, authority, board, or other entity is attributed to another civil taxing unit under subsection (a)(2), then the special taxing district, authority, board, or other entity shall not be treated as having an attributed allocation amount of its own. The local government tax control board department of local government finance shall certify the attributed allocation amounts to the appropriate county auditor. The county auditor shall then allocate the certified shares among the civil taxing units of the auditor's county.

(d) Certified shares received by a civil taxing unit shall be treated as additional revenue for the purpose of fixing its budget for the calendar year during which the certified shares will be received. The certified shares may be allocated to or appropriated for any purpose, including property tax relief or a transfer of funds to another civil taxing unit whose levy was attributed to the civil taxing unit in the determination of its attributed allocation amount.

SECTION 213. IC 6-3.5-1.1-21 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 21. Before October 2 of each year, the department budget agency shall submit a report to each county auditor indicating the balance in the county's adjusted gross income tax account as of the cutoff date specified by the budget agency.

SECTION 214. IC 6-3.5-1.1-21.1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 21.1. (a) If after receiving a recommendation from the budget agency the department
determines that a sufficient balance exists in a county account in excess of the amount necessary, when added to other money that will be deposited in the account after the date of the recommendation, determination, to make certified distributions to the county in the ensuing year, the department budget agency shall make a supplemental distribution to a county from the county's adjusted gross income tax account.

(b) A supplemental distribution described in subsection (a) must be:

(1) made in January of the ensuing calendar year; and

(2) allocated and, subject to subsection (d), used in the same manner as certified distributions.

(c) A determination under this section must be made before October 2.

(d) This subsection applies to that part of a distribution made under this section that is allocated and available for use in the same manner as certified shares. The civil taxing unit receiving the money shall deposit the money in the civil taxing unit's rainy day fund established under IC 36-1-8-5.1.

SECTION 215. IC 6-3.5-1.5-1, AS AMENDED BY P.L.146-2008, SECTION 334, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 1. (a) The department of local government finance and the department of state revenue (before January 1, 2010) or the budget agency (after December 31, 2009) shall, before July 1 of each year, jointly calculate the county adjusted income tax rate or county option income tax rate (as applicable) that must be imposed in a county to raise income tax revenue in the following year equal to the sum of the following STEPS:

STEP ONE: Determine the greater of zero (0) or the result of:

(1) the department of local government finance's estimate of the sum of the maximum permissible ad valorem property tax levies calculated under IC 6-1.1-18.5 for all civil taxing units in the county for the ensuing calendar year (before any adjustment under IC 6-1.1-18.5-3(g) or IC 6-1.1-18.5-3(h) for the ensuing calendar year); minus

(2) the sum of the maximum permissible ad valorem property tax levies calculated under IC 6-1.1-18.5 for all civil taxing units in the county for the current calendar year.

In the case of a civil taxing unit that is located in more than one county, the department of local government finance shall, for purposes of making the determination under this subdivision,
apportion the civil taxing unit's maximum permissible ad valorem property tax levy among the counties in which the civil taxing unit is located.

STEP TWO: This STEP applies only to property taxes first due and payable before January 1, 2009. Determine the greater of zero (0) or the result of:

1. the department of local government finance's estimate of the family and children property tax levy that will be imposed by the county under IC 12-19-7-4 for the ensuing calendar year (before any adjustment under IC 12-19-7-4(b) for the ensuing calendar year); minus
2. the county's family and children property tax levy imposed by the county under IC 12-19-7-4 for the current calendar year.

STEP THREE: This STEP applies only to property taxes first due and payable before January 1, 2009. Determine the greater of zero (0) or the result of:

1. the department of local government finance's estimate of the children's psychiatric residential treatment services property tax levy that will be imposed by the county under IC 12-19-7.5-6 for the ensuing calendar year (before any adjustment under IC 12-19-7.5-6(b) for the ensuing calendar year); minus
2. the county's children's psychiatric residential treatment services property tax imposed by the county under IC 12-19-7.5-6 for the current calendar year.

STEP FOUR: Determine the greater of zero (0) or the result of:

1. the department of local government finance's estimate of the county's maximum community mental health centers property tax levy under IC 12-29-2-2 for the ensuing calendar year (before any adjustment under IC 12-29-2-2(c) for the ensuing calendar year); minus
2. the county's maximum community mental health centers property tax levy under IC 12-29-2-2 for the current calendar year.

(b) In the case of a county that wishes to impose a tax rate under IC 6-3.5-1.1-24 or IC 6-3.5-6-30 (as applicable) for the first time, the department of local government finance and the department of state revenue (before January 1, 2010) or the budget agency (after December 31, 2009) shall jointly estimate the amount that will be calculated under subsection (a) in the second year after the tax rate is
first imposed. The department of local government finance and the department of state revenue (before January 1, 2010) or the budget agency (after December 31, 2009) shall calculate the tax rate under IC 6-3.5-1.1-24 or IC 6-3.5-6-30 (as applicable) that must be imposed in the county in the second year after the tax rate is first imposed to raise income tax revenue equal to the estimate under this subsection.

(c) The department (before January 1, 2010) or the budget agency (after December 31, 2009) and the department of local government finance shall make the calculations under subsections (a) and (b) based on the best information available at the time the calculation is made.

(d) Notwithstanding IC 6-3.5-1.1-24(h) and IC 6-3.5-6-30(h), if a county has adopted an income tax rate under IC 6-3.5-1.1-24 or IC 6-3.5-6-30 to replace property tax levy growth, the part of the tax rate under IC 6-3.5-1.1-24 or IC 6-3.5-6-30 that was used before January 1, 2009, to reduce levy growth in the county family and children’s fund property tax levy and the children’s psychiatric residential treatment services property tax levy shall instead be used for property tax relief in the same manner that a tax rate under IC 6-3.5-1.1-26 or IC 6-3.5-6-30 is used for property tax relief.

SECTION 216. IC 6-3.5-1.5-3, as added by P.L.224—2007, SECTION 69, is amended to read as follows [effective January 1, 2010]: Sec. 3. The department of local government finance and the department of state revenue budget agency may take any actions necessary to carry out the purposes of this chapter.

SECTION 217. IC 6-3.5-6-1.1, as amended by P.L.146—2008, SECTION 336, is amended to read as follows [effective July 1, 2009]: Sec. 1.1. (a) For purposes of allocating the certified distribution made to a county under this chapter among the civil taxing units in the county, the allocation amount for a civil taxing unit is the amount determined using the following formula:

STEP ONE: Determine the total property taxes that are first due and payable to the civil taxing unit during the calendar year of the distribution plus, for a county, an amount equal to the welfare allocation amount.

STEP TWO: Determine the sum of the following:

(A) Amounts appropriated from property taxes to pay the principal of or interest on any debenture or other debt obligation issued after June 30, 2005, other than an obligation
described in subsection (b).

(B) Amounts appropriated from property taxes to make payments on any lease entered into after June 30, 2005, other than a lease described in subsection (c).

(C) The proceeds of any property that are:

(i) received as the result of the issuance of a debt obligation described in clause (A) or a lease described in clause (B); and

(ii) appropriated from property taxes for any purpose other than to refund or otherwise refinance a debt obligation or lease described in subsection (b) or (c).

STEP THREE: Subtract the STEP TWO amount from the STEP ONE amount.

STEP FOUR: Determine the sum of:

(A) the STEP THREE amount; plus

(B) the civil taxing unit or school corporation's certified distribution for the previous calendar year.

The allocation amount is subject to adjustment as provided in IC 36-8-19-7.5. The welfare allocation amount is an amount equal to the sum of the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund and, if the county received a certified distribution under IC 6-3.5-1.1 or this chapter, the property taxes imposed by the county in 2008 for the county's county medical assistance to wards fund, family and children's fund, children's psychiatric residential treatment services fund, county hospital care for the indigent fund, and children with special health care needs county fund.

(b) Except as provided in this subsection, an appropriation from property taxes to repay interest and principal of a debt obligation is not deducted from the allocation amount for a civil taxing unit if:

(1) the debt obligation was issued; and

(2) the proceeds appropriated from property taxes;

to refund or otherwise refinance a debt obligation or a lease issued before July 1, 2005. However, an appropriation from property taxes related to a debt obligation issued after June 30, 2005, is deducted if the debt extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if the debt or lease had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is
the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid.

(c) Except as provided in this subsection, an appropriation from property taxes to make payments on a lease is not deducted from the allocation amount for a civil taxing unit if:

(1) the lease was issued; and

(2) the proceeds were appropriated from property taxes; to refinance a debt obligation or lease issued before July 1, 2005. However, an appropriation from property taxes related to a lease entered into after June 30, 2005, is deducted if the lease extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if it had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid.

SECTION 218. IC 6-3.5-6-13.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 13.5. A county income tax council must before August 1 of each odd-numbered year hold at least one (1) public meeting at which the county income tax council discusses whether the county option income tax rate under this chapter should be adjusted.

SECTION 219. IC 6-3.5-6-17, AS AMENDED BY P.L.146-2008, SECTION 338, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 17. (a) Revenue derived from the imposition of the county option income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it. The amount that is to be distributed to a county during an ensuing calendar year equals the amount of county option income tax revenue that the department, after reviewing the recommendation of the budget agency determines has been:

(1) received from that county for a taxable year ending in a calendar year preceding the calendar year in which the determination is made; and

(2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made; as adjusted (as determined after review of the recommendation of the
(b) Before August 2 of each calendar year, the department, after reviewing the recommendation of the budget agency shall certify to the county auditor of each adopting county the amount determined under subsection (a) plus the amount of interest in the county's account that has accrued and has not been included in a certification made in a preceding year. The amount certified is the county's "certified distribution" for the immediately succeeding calendar year. The amount certified shall be adjusted, as necessary, under subsections (c), (d), (e), and (f). The budget agency shall provide the county council with an informative summary of the calculations used to determine the certified distribution. The summary of calculations must include:

1. the amount reported on individual income tax returns processed by the department during the previous fiscal year;
2. adjustments for over distributions in prior years;
3. adjustments for clerical or mathematical errors in prior years;
4. adjustments for tax rate changes; and
5. the amount of excess account balances to be distributed under IC 6-3.5-6-17.3.

The department budget agency shall also certify information concerning the part of the certified distribution that is attributable to a tax rate under section 30, 31, or 32 of this chapter. This information must be certified to the county auditor and to the department of local government finance not later than September 1 of each calendar year. The part of the certified distribution that is attributable to a tax rate under section 30, 31, or 32 of this chapter may be used only as specified in those provisions.

(c) The department budget agency shall certify an amount less than the amount determined under subsection (b) if the department, after reviewing the recommendation of the budget agency determines that the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The department, after reviewing the recommendation of the budget agency may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.

(d) The department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of a county to correct for any clerical or mathematical errors made in any previous
certification under this section. The department, after reviewing the recommendation of the budget agency may reduce the amount of the certified distribution over several calendar years so that any adjustment under this subsection is offset over several years rather than in one (1) lump sum.

(e) This subsection applies to a county that:

1. initially imposed the county option income tax; or
2. increases the county option income tax rate;

under this chapter in the same calendar year in which the department budget agency makes a certification under this section. The department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of a county to provide for a distribution in the immediately following calendar year and in each calendar year thereafter. The department budget agency shall provide for a full transition to certification of distributions as provided in subsection (a)(1) through (a)(2) in the manner provided in subsection (c).

(f) This subsection applies in the year a county initially imposes a tax rate under section 30 of this chapter. Notwithstanding any other provision, the department budget agency shall adjust the part of the county's certified distribution that is attributable to the tax rate under section 30 of this chapter to provide for a distribution in the immediately following calendar year equal to the result of:

1. the sum of the amounts determined under STEP ONE through STEP FOUR of IC 6-3.5-1.5-1(a) in the year in which the county initially imposes a tax rate under section 30 of this chapter; multiplied by
2. the following:
   A. In a county containing a consolidated city, one and
      five-tenths (1.5).
   B. In a county other than a county containing a consolidated
      city, two (2).

(g) One-twelfth (1/12) of each adopting county's certified distribution for a calendar year shall be distributed from its account established under section 16 of this chapter to the appropriate county treasurer on the first day of each month of that calendar year.

(h) Upon receipt, each monthly payment of a county's certified distribution shall be allocated among, distributed to, and used by the civil taxing units of the county as provided in sections 18 and 19 of this chapter.
(i) All distributions from an account established under section 16 of this chapter shall be made by warrants issued by the auditor of state to the treasurer of state ordering the appropriate payments.

SECTION 220. IC 6-3.5-6-17.2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 17.2. Before October 2 of each year, the department budget agency shall submit a report to each county auditor indicating the balance in the county's special account as of the cutoff date set by the budget agency.

SECTION 221. IC 6-3.5-6-17.3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 17.3. (a) If after receiving a recommendation from the budget agency the department determines that a sufficient balance exists in a county account in excess of the amount necessary, when added to other money that will be deposited in the account after the date of the recommendation, to make certified distributions to the county in the ensuing year, the department budget agency shall make a supplemental distribution to a county from the county's special account.

(b) A supplemental distribution described in subsection (a) must be:
   (1) made in January of the ensuing calendar year; and
   (2) allocated in the same manner as certified distributions for deposit in a civil unit's rainy day fund established under IC 36-1-8-5.1.

(c) A determination under this section must be made before October 2.

SECTION 222. IC 6-3.5-6-18, AS AMENDED BY P.L.224-2007, SECTION 79, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 18. (a) The revenue a county auditor receives under this chapter shall be used to:

(1) replace the amount, if any, of property tax revenue lost due to the allowance of an increased homestead credit within the county;
(2) fund the operation of a public communications system and computer facilities district as provided in an election, if any, made by the county fiscal body under IC 36-8-15-19(b);
(3) fund the operation of a public transportation corporation as provided in an election, if any, made by the county fiscal body under IC 36-9-4-42;
(4) make payments permitted under IC 36-7-14-25.5 or IC 36-7-15.1-17.5;
(5) make payments permitted under subsection (i);
(6) make distributions of distributive shares to the civil taxing
units of a county; and
(7) make the distributions permitted under sections 27, 28, 29, 30, 31, 32, and 33 of this chapter.

(b) The county auditor shall retain from the payments of the county's certified distribution, an amount equal to the revenue lost, if any, due to the increase of the homestead credit within the county. This money shall be distributed to the civil taxing units and school corporations of the county as though they were property tax collections and in such a manner that no civil taxing unit or school corporation shall suffer a net revenue loss due to the allowance of an increased homestead credit.

(c) The county auditor shall retain:
(1) the amount, if any, specified by the county fiscal body for a particular calendar year under subsection (i), IC 36-7-14-25.5, IC 36-7-15.1-17.5, IC 36-8-15-19(b), and IC 36-9-4-42 from the county's certified distribution for that same calendar year; and
(2) the amount of an additional tax rate imposed under section 27, 28, 29, 30, 31, 32, or 33 of this chapter.

The county auditor shall distribute amounts retained under this subsection to the county.

(d) All certified distribution revenues that are not retained and distributed under subsections (b) and (c) shall be distributed to the civil taxing units of the county as distributive shares.

(e) The amount of distributive shares that each civil taxing unit in a county is entitled to receive during a month equals the product of the following:
(1) The amount of revenue that is to be distributed as distributive shares during that month; multiplied by
(2) A fraction. The numerator of the fraction equals the allocation amount for the civil taxing unit for the calendar year in which the month falls. The denominator of the fraction equals the sum of the allocation amounts of all the civil taxing units of the county for the calendar year in which the month falls.

(f) The department of local government finance shall provide each county auditor with the fractional amount of distributive shares that each civil taxing unit in the auditor's county is entitled to receive monthly under this section.

(g) Notwithstanding subsection (e), if a civil taxing unit of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which distributive shares are being distributed under this section, that civil taxing unit is entitled to receive
a part of the revenue to be distributed as distributive shares under this section within the county. The fractional amount such a civil taxing unit is entitled to receive each month during that calendar year equals the product of the following:

(1) The amount to be distributed as distributive shares during that month; multiplied by

(2) A fraction. The numerator of the fraction equals the budget of that civil taxing unit for that calendar year. The denominator of the fraction equals the aggregate budgets of all civil taxing units of that county for that calendar year.

(h) If for a calendar year a civil taxing unit is allocated a part of a county's distributive shares by subsection (g), then the formula used in subsection (e) to determine all other civil taxing units' distributive shares shall be changed each month for that same year by reducing the amount to be distributed as distributive shares under subsection (e) by the amount of distributive shares allocated under subsection (g) for that same month. The department of local government finance shall make any adjustments required by this subsection and provide them to the appropriate county auditors.

(i) Notwithstanding any other law, a county fiscal body may pledge revenues received under this chapter (other than revenues attributable to a tax rate imposed under section 30, 31, or 32 of this chapter) to the payment of bonds or lease rentals to finance a qualified economic development tax project under IC 36-7-27 in that county or in any other county if the county fiscal body determines that the project will promote significant opportunities for the gainful employment or retention of employment of the county's residents.

SECTION 223. IC 6-3.5-6-27, AS ADDED BY P.L.214-2005, SECTION 18, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 27. (a) This section applies only to Miami County. Miami County possesses unique economic development challenges due to:

(1) underemployment in relation to similarly situated counties; and

(2) the presence of a United States government military base or other military installation that is completely or partially inactive or closed.

Maintaining low property tax rates is essential to economic development, and the use of county option income tax revenues as provided in this chapter to pay any bonds issued or leases entered into
to finance the construction, acquisition, improvement, renovation, and equipping described under subsection (c), rather than use of property taxes, promotes that purpose.

(b) In addition to the rates permitted by sections 8 and 9 of this chapter, the county council may impose the county option income tax at a rate of twenty-five hundredths percent (0.25%) on the adjusted gross income of resident county taxpayers if the county council makes the finding and determination set forth in subsection (c). Section 8(e) of this chapter applies to the application of the additional rate to nonresident taxpayers.

(c) In order to impose the county option income tax as provided in this section, the county council must adopt an ordinance finding and determining that revenues from the county option income tax are needed to pay the costs of financing, constructing, acquiring, renovating, and equipping a county jail, including the repayment of bonds issued, or leases entered into, for financing, constructing, acquiring, renovating, and equipping a county jail.

(d) If the county council makes a determination under subsection (c), the county council may adopt a tax rate under subsection (b). The tax rate may not be imposed at a rate or for a time greater than is necessary to pay the costs of financing, constructing, acquiring, renovating, and equipping a county jail.

(e) The county treasurer shall establish a county jail revenue fund to be used only for the purposes described in this section. County option income tax revenues derived from the tax rate imposed under this section shall be deposited in the county jail revenue fund before making a certified distribution under section 18 of this chapter.

(f) County option income tax revenues derived from the tax rate imposed under this section:

(1) may only be used for the purposes described in this section;
(2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5; and
(3) may be pledged to the repayment of bonds issued, or leases entered into, for the purposes described in subsection (c).

(g) The department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of a county to provide for an increased distribution of taxes in the immediately following calendar year after the county adopts an increased tax rate under this section and in each calendar year thereafter. The department
**budget agency** shall provide for a full transition to certification of distributions as provided in section 17(a)(1) through 17(a)(2) of this chapter in the manner provided in section 17(c) of this chapter.

SECTION 224. IC 6-3.5-6-28, AS AMENDED BY P.L.224-2007, SECTION 80, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 28. (a) This section applies only to Howard County.

(b) Maintaining low property tax rates is essential to economic development, and the use of county option income tax revenues as provided in this section and as needed in the county to fund the operation and maintenance of a jail and juvenile detention center, rather than the use of property taxes, promotes that purpose.

(c) In addition to the rates permitted by sections 8 and 9 of this chapter, the county fiscal body may impose a county option income tax at a rate that does not exceed twenty-five hundredths percent (0.25%) on the adjusted gross income of resident county taxpayers. The tax rate may be adopted in any increment of one hundredth percent (0.01%). Before the county fiscal body may adopt a tax rate under this section, the county fiscal body must make the finding and determination set forth in subsection (d). Section 8(e) of this chapter applies to the application of the additional tax rate to nonresident taxpayers.

(d) In order to impose the county option income tax as provided in this section, the county fiscal body must adopt an ordinance:

1. finding and determining that revenues from the county option income tax are needed in the county to fund the operation and maintenance of a jail, a juvenile detention center, or both; and
2. agreeing to freeze the part of any property tax levy imposed in the county for the operation of the jail or juvenile detention center, or both, covered by the ordinance at the rate imposed in the year preceding the year in which a full year of additional county option income tax is certified for distribution to the county under this section for the term in which an ordinance is in effect under this section.

(e) If the county fiscal body makes a determination under subsection (d), the county fiscal body may adopt a tax rate under subsection (c). Subject to the limitations in subsection (c), the county fiscal body may amend an ordinance adopted under this section to increase, decrease, or rescind the additional tax rate imposed under this section. As soon as practicable after the adoption of an ordinance under this section, the county fiscal body shall send a certified copy of the ordinance to the
county auditor, the department of local government finance, and the
department of state revenue. An ordinance adopted under this section
before April 1 in a year applies to the imposition of county income
taxes after June 30 in that year. An ordinance adopted under this
section after March 31 of a year initially applies to the imposition of
county option income taxes after June 30 of the immediately following
year.

(f) The county treasurer shall establish a county jail revenue fund to
be used only for the purposes described in this section. County option
income tax revenues derived from the tax rate imposed under this
section shall be deposited in the county jail revenue fund before
making a certified distribution under section 18 of this chapter.

(g) County option income tax revenues derived from the tax rate
imposed under this section:

(1) may only be used for the purposes described in this section;
and

(2) may not be considered by the department of local government
finance in determining the county's maximum permissible
property tax levy limit under IC 6-1.1-18.5.

(h) The department of local government finance shall enforce an
agreement under subsection (d)(2).

(i) The department, after reviewing the recommendation of the
budget agency shall adjust the certified distribution of a county to
provide for an increased distribution of taxes in the immediately
following calendar year after the county adopts an increased tax rate
under this section and in each calendar year thereafter. The department
budget agency shall provide for a full transition to certification of
distributions as provided in section 17(a)(1) through 17(a)(2) of this
chapter in the manner provided in section 17(c) of this chapter.

(j) The department shall separately designate a tax rate imposed
under this section in any tax form as the Howard County jail operating
and maintenance income tax.

SECTION 225. IC 6-3.5-6-29, AS AMENDED BY P.L.224-2007,
SECTION 81, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JANUARY 1, 2010]: Sec. 29. (a) This section applies only to Scott
County. Scott County is a county in which:

(1) maintaining low property tax rates is essential to economic
development; and

(2) the use of additional county option income tax revenues as
provided in this section, rather than the use of property taxes, to
fund:
   (A) the financing, construction, acquisition, improvement, renovation, equipping, operation, or maintenance of jail facilities; and
   (B) the repayment of bonds issued or leases entered into for the purposes described in clause (A), except operation or maintenance;

promotes the purpose of maintaining low property tax rates.

(b) The county fiscal body may impose the county option income tax on the adjusted gross income of resident county taxpayers at a rate, in addition to the rates permitted by sections 8 and 9 of this chapter, not to exceed twenty-five hundredths percent (0.25%). Section 8(e) of this chapter applies to the application of the additional rate to nonresident taxpayers.

(c) To impose the county option income tax as provided in this section, the county fiscal body must adopt an ordinance finding and determining that additional revenues from the county option income tax are needed in the county to fund:
   (1) the financing, construction, acquisition, improvement, renovation, equipping, operation, or maintenance of jail facilities; and
   (2) the repayment of bonds issued or leases entered into for the purposes described in subdivision (1), except operation or maintenance.

(d) If the county fiscal body makes a determination under subsection (c), the county fiscal body may adopt an additional tax rate under subsection (b). Subject to the limitations in subsection (b), the county fiscal body may amend an ordinance adopted under this section to increase, decrease, or rescind the additional tax rate imposed under this section. As soon as practicable after the adoption of an ordinance under this section, the county fiscal body shall send a certified copy of the ordinance to the county auditor, the department of local government finance, and the department. An ordinance adopted under this section before June 1, 2006, or August 1 in a subsequent year applies to the imposition of county income taxes after June 30 (in the case of an ordinance adopted before June 1, 2006) or September 30 (in the case of an ordinance adopted in 2007 or thereafter) in that year. An ordinance adopted under this section after May 31, 2006, or July 31 of a subsequent year initially applies to the imposition of county option income taxes after June 30 (in the case of an ordinance adopted before
June 1, 2006) or September 30 (in the case of an ordinance adopted in 2007 or thereafter) of the immediately following year.

(e) If the county imposes an additional tax rate under this section, the county treasurer shall establish a county jail revenue fund to be used only for the purposes described in this section. County option income tax revenues derived from the tax rate imposed under this section shall be deposited in the county jail revenue fund before making a certified distribution under section 18 of this chapter.

(f) County option income tax revenues derived from an additional tax rate imposed under this section:
   (1) may be used only for the purposes described in this section;
   (2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5; and
   (3) may be pledged for the repayment of bonds issued or leases entered into to fund the purposes described in subsection (c)(1), except operation or maintenance.

(g) If the county imposes an additional tax rate under this section, the department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of the county to provide for an increased distribution of taxes in the immediately following calendar year after the county adopts the increased tax rate and in each calendar year thereafter. The department shall provide for a full transition to certification of distributions as provided in section 17(a)(1) through 17(a)(2) of this chapter in the manner provided in section 17(c) of this chapter.

SECTION 226. IC 6-3.5-6-33, AS ADDED BY P.L.224-2007, SECTION 86, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 33. (a) This section applies only to Monroe County.

(b) Maintaining low property tax rates is essential to economic development, and the use of county option income tax revenues as provided in this chapter and as needed in the county to fund the operation and maintenance of a juvenile detention center and other facilities to provide juvenile services, rather than the use of property taxes, promotes that purpose.

(c) In addition to the rates permitted by sections 8 and 9 of this chapter, the county fiscal body may impose an additional county option income tax at a rate of not more than twenty-five hundredths percent (0.25%) on the adjusted gross income of resident county taxpayers if
the county fiscal body makes the finding and determination set forth in subsection (d). Section 8(e) of this chapter applies to the application of the additional rate to nonresident taxpayers.

(d) In order to impose the county option income tax as provided in this section, the county fiscal body must adopt an ordinance:

1. finding and determining that revenues from the county option income tax are needed in the county to fund the operation and maintenance of a juvenile detention center and other facilities necessary to provide juvenile services; and
2. agreeing to freeze for the term in which an ordinance is in effect under this section the part of any property tax levy imposed in the county for the operation of the juvenile detention center and other facilities covered by the ordinance at the rate imposed in the year preceding the year in which a full year of additional county option income tax is certified for distribution to the county under this section.

(e) If the county fiscal body makes a determination under subsection (d), the county fiscal body may adopt a tax rate under subsection (c). Subject to the limitations in subsection (c), the county fiscal body may amend an ordinance adopted under this section to increase, decrease, or rescind the additional tax rate imposed under this section. As soon as practicable after the adoption of an ordinance under this section, the county fiscal body shall send a certified copy of the ordinance to the county auditor, the department of local government finance, and the department of state revenue. An ordinance adopted under this section before August 1 in a year applies to the imposition of county income taxes after September 30 in that year. An ordinance adopted under this section after July 31 of a year initially applies to the imposition of county option income taxes after September 30 of the immediately following year.

(f) The county treasurer shall establish a county juvenile detention center revenue fund to be used only for the purposes described in this section. County option income tax revenues derived from the tax rate imposed under this section shall be deposited in the county juvenile detention center revenue fund before a certified distribution is made under section 18 of this chapter.

(g) County option income tax revenues derived from the tax rate imposed under this section:

1. may be used only for the purposes described in this section; and
(2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5.

(h) The department of local government finance shall enforce an agreement made under subsection (d)(2).

(i) The department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of a county to provide for an increased distribution of taxes in the immediately following calendar year after the county adopts an increased tax rate under this section and in each calendar year thereafter. The department budget agency shall provide for a full transition to certification of distributions as provided in section 17(a)(1) through 17(a)(2) of this chapter in the manner provided in section 17(c) of this chapter.

SECTION 227. IC 6-3.5-7-13.1, AS AMENDED BY P.L.146-2008, SECTION 347, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 13.1. (a) The fiscal officer of each county, city, or town for a county in which the county economic development tax is imposed shall establish an economic development income tax fund. Except as provided in sections 23, 25, 26, and 27 of this chapter, the revenue received by a county, city, or town under this chapter shall be deposited in the unit's economic development income tax fund.

(b) As used in this subsection, "homestead" means a homestead that is eligible for a standard deduction under IC 6-1.1-12-37. Except as provided in sections 15, 23, 25, 26, and 27 of this chapter, revenues from the county economic development income tax may be used as follows:

   (1) By a county, city, or town for economic development projects, for paying, notwithstanding any other law, under a written agreement all or a part of the interest owed by a private developer or user on a loan extended by a financial institution or other lender to the developer or user if the proceeds of the loan are or are to be used to finance an economic development project, for the retirement of bonds under section 14 of this chapter for economic development projects, for leases under section 21 of this chapter, or for leases or bonds entered into or issued prior to the date the economic development income tax was imposed if the purpose of the lease or bonds would have qualified as a purpose under this chapter at the time the lease was entered into or the bonds were issued.
(2) By a county, city, or town for:
   (A) the construction or acquisition of, or remedial action with respect to, a capital project for which the unit is empowered to issue general obligation bonds or establish a fund under any statute listed in IC 6-1.1-18.5-9.8;
   (B) the retirement of bonds issued under any provision of Indiana law for a capital project;
   (C) the payment of lease rentals under any statute for a capital project;
   (D) contract payments to a nonprofit corporation whose primary corporate purpose is to assist government in planning and implementing economic development projects;
   (E) operating expenses of a governmental entity that plans or implements economic development projects;
   (F) to the extent not otherwise allowed under this chapter, funding substance removal or remedial action in a designated unit; or
   (G) funding of a revolving fund established under IC 5-1-14-14.
(3) By a county, city, or town for any lawful purpose for which money in any of its other funds may be used.
(4) By a city or county described in IC 36-7.5-2-3(b) for making transfers required by IC 36-7.5-4-2. If the county economic development income tax rate is increased after April 30, 2005, in a county having a population of more than one hundred forty-five thousand (145,000) but less than one hundred forty-eight thousand (148,000), the first three million five hundred thousand dollars ($3,500,000) of the tax revenue that results each year from the tax rate increase shall be used by the county or by eligible municipalities (as defined in IC 36-7.5-1-11.3) in the county only to make the county's transfer required by IC 36-7.5-4-2. The first three million five hundred thousand dollars ($3,500,000) of the tax revenue that results each year from the tax rate increase shall be paid by the county treasurer to the treasurer of the northwest Indiana regional development authority under IC 36-7.5-4-2 before certified distributions are made to the county or any cities or towns in the county under this chapter from the tax revenue that results each year from the tax rate increase. If a county having a population of more than one hundred forty-five thousand (145,000) but less than one hundred
forty-eight thousand (148,000) ceases to be a member of the northwest Indiana regional development authority under IC 36-7.5 but two (2) or more municipalities in the county have become members of the northwest Indiana regional development authority as authorized by IC 36-7.5-2-3(i), the county treasurer shall continue to transfer the three million five hundred thousand dollars ($3,500,000) to the treasurer of the northwest Indiana regional development authority under IC 36-7.5-4-2 before certified distributions are made to the county or any cities or towns in the county. In a county having a population of more than one hundred forty-five thousand (145,000) but less than one hundred forty-eight thousand (148,000), all of the tax revenue that results each year from the tax rate increase that is in excess of the first three million five hundred thousand dollars ($3,500,000) that results each year from the tax rate increase must be used by the county and cities and towns in the county for homestead credits under subdivision (5). (5) This subdivision applies only in a county having a population of more than one hundred forty-five thousand (145,000) but less than one hundred forty-eight thousand (148,000). All of the tax revenue that results each year from a tax rate increase described in subdivision (4) that is in excess of the first three million five hundred thousand dollars ($3,500,000) that results each year from the tax rate increase must be used by the county and cities and towns in the county for homestead credits under this subdivision. The following apply to homestead credits provided under this subdivision:

(A) The homestead credits must be applied uniformly to provide a homestead credit for homesteads in the county, city, or town.

(B) The homestead credits shall be treated for all purposes as property tax levies.

(C) The homestead credits shall be applied to the net property taxes due on the homestead after the application of all other assessed value deductions or property tax deductions and credits that apply to the amount owed under IC 6-1.1.

(D) The department of local government finance shall determine the homestead credit percentage for a particular year based on the amount of county economic development income tax revenue that will be used under this subdivision to
provide homestead credits in that year.

(6) This subdivision applies only in a county having a population of more than four hundred thousand (400,000) but less than seven hundred thousand (700,000). A county or a city or town in the county may use county economic development income tax revenue to provide homestead credits in the county, city, or town. The following apply to homestead credits provided under this subdivision:

(A) The county, city, or town fiscal body must adopt an ordinance authorizing the homestead credits. The ordinance must:

(i) be adopted before September 1 of a year to apply to property taxes first due and payable in the following year; and

(ii) specify the amount of county economic development income tax revenue that will be used to provide homestead credits in the following year.

(B) A county, city, or town fiscal body that adopts an ordinance under this subdivision must forward a copy of the ordinance to the county auditor and the department of local government finance not more than thirty (30) days after the ordinance is adopted.

(C) The homestead credits must be applied uniformly to increase the homestead credit under IC 6-1.1-20.9 for homesteads in the county, city, or town (for property taxes first due and payable before January 1, 2009) or to provide a homestead credit for homesteads in the county, city, or town (for property taxes first due and payable after December 31, 2008).

(D) The homestead credits shall be treated for all purposes as property tax levies.

(E) The homestead credits shall be applied to the net property taxes due on the homestead after the application of all other assessed value deductions or property tax deductions and credits that apply to the amount owed under IC 6-1.1.

(F) The department of local government finance shall determine the homestead credit percentage for a particular year based on the amount of county economic development income tax revenue that will be used under this subdivision to provide homestead credits in that year.
(7) For a regional venture capital fund established under section 13.5 of this chapter or a local venture capital fund established under section 13.6 of this chapter.

(8) This subdivision applies only to a county:
   (A) that has a population of more than one hundred ten thousand (110,000) but less than one hundred fifteen thousand (115,000); and
   (B) in which:
      (i) the county fiscal body has adopted an ordinance under IC 36-7.5-2-3(e) providing that the county is joining the northwest Indiana regional development authority; and
      (ii) the fiscal body of the city described in IC 36-7.5-2-3(e) has adopted an ordinance under IC 36-7.5-2-3(e) providing that the city is joining the development authority.

Revenue from the county economic development income tax may be used by a county or a city described in this subdivision for making transfers required by IC 36-7.5-4-2. In addition, if the county economic development income tax rate is increased after June 30, 2006, in the county, the first three million five hundred thousand dollars ($3,500,000) of the tax revenue that results each year from the tax rate increase shall be used by the county only to make the county's transfer required by IC 36-7.5-4-2. The first three million five hundred thousand dollars ($3,500,000) of the tax revenue that results each year from the tax rate increase shall be paid by the county treasurer to the treasurer of the northwest Indiana regional development authority under IC 36-7.5-4-2 before certified distributions are made to the county or any cities or towns in the county under this chapter from the tax revenue that results each year from the tax rate increase. All of the tax revenue that results each year from the tax rate increase that is in excess of the first three million five hundred thousand dollars ($3,500,000) that results each year from the tax rate increase must be used by the county and cities and towns in the county for homestead credits under subdivision (9).

(9) This subdivision applies only to a county described in subdivision (8). All of the tax revenue that results each year from a tax rate increase described in subdivision (8) that is in excess of the first three million five hundred thousand dollars ($3,500,000) that results each year from the tax rate increase must be used by the county and cities and towns in the county for homestead
credits under this subdivision. The following apply to homestead credits provided under this subdivision:

(A) The homestead credits must be applied uniformly to provide a homestead credit for homesteads in the county, city, or town.

(B) The homestead credits shall be treated for all purposes as property tax levies.

(C) The homestead credits shall be applied to the net property taxes due on the homestead after the application of all other assessed value deductions or property tax deductions and credits that apply to the amount owed under IC 6-1.1.

(D) The department of local government finance shall determine the homestead credit percentage for a particular year based on the amount of county economic development income tax revenue that will be used under this subdivision to provide homestead credits in that year.

(c) As used in this section, an economic development project is any project that:

(1) the county, city, or town determines will:
   (A) promote significant opportunities for the gainful employment of its citizens;
   (B) attract a major new business enterprise to the unit; or
   (C) retain or expand a significant business enterprise within the unit; and

(2) involves an expenditure for:
   (A) the acquisition of land;
   (B) interests in land;
   (C) site improvements;
   (D) infrastructure improvements;
   (E) buildings;

(d) If there are bonds outstanding that have been issued under section 14 of this chapter or leases in effect under section 21 of this chapter, a county, city, or town may not expend money from its economic development income tax fund for a purpose authorized under subsection (b)(3) in a manner that would adversely affect owners of the outstanding bonds or payment of any lease rentals due.

SECTION 228. IC 6-3.5-7-11, AS AMENDED BY P.L.1-2009, SECTION 54, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 11. (a) Revenue derived from the imposition of the county economic development income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it.

(b) Before August 2 of each calendar year, the department, after reviewing the recommendation of the budget agency, shall certify to the county auditor of each adopting county the sum of the amount of county economic development income tax revenue that the department budget agency determines has been:

(1) received from that county for a taxable year ending before the calendar year in which the determination is made; and
(2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made; as adjusted (as determined after review of the recommendation of the budget agency) for refunds of county economic development income tax made in the state fiscal year plus the amount of interest in the county's account that has been accrued and has not been included in a certification made in a preceding year. The amount certified is the county's certified distribution, which shall be distributed on the dates specified in section 16 of this chapter for the following calendar year.

(c) The amount certified under subsection (b) shall be adjusted under subsections (d), (e), (f), (g), and (h). The budget agency shall provide the county council with an informative summary of the calculations used to determine the certified distribution. The summary of calculations must include:

(1) the amount reported on individual income tax returns processed by the department during the previous fiscal year;
(2) adjustments for over distributions in prior years;
(3) adjustments for clerical or mathematical errors in prior years;
(4) adjustments for tax rate changes; and
(5) the amount of excess account balances to be distributed under IC 6-3.5-7-17.3.

(d) The department budget agency shall certify an amount less than the amount determined under subsection (b) if the department, after reviewing the recommendation of the budget agency determines that the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The department, after reviewing the recommendation of the budget agency may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.

(e) After reviewing the recommendation of The budget agency the department shall adjust the certified distribution of a county to correct for any clerical or mathematical errors made in any previous certification under this section. The department, after reviewing the recommendation of the budget agency may reduce the amount of the certified distribution over several calendar years so that any adjustment under this subsection is offset over several years rather than in one (1) lump sum.

(f) The department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of a county to provide the county with the distribution required under section 16(b) of this chapter.

(g) The department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of a county to provide the county with the amount of any tax increase imposed under section 25 or 26 of this chapter to provide additional homestead credits as provided in those provisions.

(h) This subsection applies to a county that:
(1) initially imposed the county economic development income tax; or
(2) increases the county economic development income rate; under this chapter in the same calendar year in which the department budget agency makes a certification under this section. The department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of a county to provide for a distribution in the immediately following calendar year and in each
calendar year thereafter. The department budget agency shall provide for a full transition to certification of distributions as provided in subsection (b)(1) through (b)(2) in the manner provided in subsection (d).

SECTION 229. IC 6-3.5-7-12, AS AMENDED BY P.L.146-2008, SECTION 346, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 12. (a) Except as provided in sections 23, 25, 26, 27, and 28 of this chapter, the county auditor shall distribute in the manner specified in this section the certified distribution to the county.

(b) Except as provided in subsections (c) and (h) and sections 15 and 25 of this chapter, and subject to adjustment as provided in IC 36-8-19-7.5, the amount of the certified distribution that the county and each city or town in a county is entitled to receive during May and November of each year equals the product of the following:

1. The amount of the certified distribution for that month;
2. A fraction. The numerator of the fraction equals the sum of:
   A. total property taxes that are first due and payable to the county, city, or town during the calendar year in which the month falls; plus
   B. for a county, the welfare allocation amount.

The denominator of the fraction equals the sum of the total property taxes that are first due and payable to the county and all cities and towns of the county during the calendar year in which the month falls, plus the welfare allocation amount. The welfare allocation amount is an amount equal to the sum of the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund and, if the county received a certified distribution under this chapter in 2008, the property taxes imposed by the county in 2008 for the county's county medical assistance to wards fund, family and children's fund, children's psychiatric residential treatment services fund, county hospital care for the indigent fund, and children with special health care needs county fund.

(c) This subsection applies to a county council or county income tax council that imposes a tax under this chapter after June 1, 1992. The body imposing the tax may adopt an ordinance before July 1 of a year to provide for the distribution of certified distributions under this subsection instead of a distribution under subsection (b). The following
apply if an ordinance is adopted under this subsection:

(1) The ordinance is effective January 1 of the following year.

(2) Except as provided in sections 25 and 26 of this chapter, the amount of the certified distribution that the county and each city and town in the county is entitled to receive during May and November of each year equals the product of:

(A) the amount of the certified distribution for the month; multiplied by

(B) a fraction. For a city or town, the numerator of the fraction equals the population of the city or the town. For a county, the numerator of the fraction equals the population of the part of the county that is not located in a city or town. The denominator of the fraction equals the sum of the population of all cities and towns located in the county and the population of the part of the county that is not located in a city or town.

(3) The ordinance may be made irrevocable for the duration of specified lease rental or debt service payments.

(d) The body imposing the tax may not adopt an ordinance under subsection (c) if, before the adoption of the proposed ordinance, any of the following have pledged the county economic development income tax for any purpose permitted by IC 5-1-14 or any other statute:

(f) Money received by a county, city, or town under this section shall be deposited in the unit's economic development income tax fund.

(g) Except as provided in subsection (b)(2)(B), in determining the fractional amount of the certified distribution the county and its cities and towns are entitled to receive under subsection (b) during a calendar year, the department of local government finance shall consider only property taxes imposed on tangible property subject to assessment in that county.

(h) In a county having a consolidated city, only the consolidated city is entitled to the certified distribution, subject to the requirements of
sections 15, 25, and 26 of this chapter.

SECTION 230. IC 6-3.5-7-17.3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 17.3. (b) A supplemental distribution described in subsection (a) must be:
   (1) made in January of the ensuing calendar year; and

(b) The amount of the refund that a person is entitled to receive under this chapter equals the amount of the erroneously or illegally collected tax, plus interest calculated as specified in subsection (c).
(c) If a tax payment that has been erroneously or illegally collected is not refunded within ninety (90) days after the later of the date on which:

(1) the refund claim is filed with the department of state revenue; or

(2) under the circumstances described in section 205 of this chapter.

(c) Every person included within the terms of section 606(c) of this chapter who transports gasoline in a vehicle upon the highways of Indiana for purposes other than use and consumption by that person may not, on the journey carrying that gasoline to points outside Indiana, make delivery of that fuel to any person in Indiana.

(d) Every transporter of gasoline included within the terms of section 606(a) and section 606(c) of this chapter who transports gasoline upon the highways of Indiana for purposes other than use and consumption by that person shall at the time of registration and on an annual basis list with the administrator a description of all vehicles, including the vehicles' license numbers, to be used on the highways of Indiana in transporting gasoline from:

(1) points outside Indiana to points inside Indiana; and
(2) points inside Indiana to points outside Indiana.

(e) The description that subsection (d) requires shall contain the information that is reasonably required by the administrator including the carrying capacity of the vehicle. When the vehicle is a tractor-trailer type, the trailer is the vehicle to be described. When additional vehicles are placed in service or when a vehicle previously listed is retired from service during the year, the administrator shall be

(f) A distributor's or an Indiana transportation license is required for a person or the person's agent acting in the person's behalf to operate a vehicle for the purpose of delivering gasoline within the boundaries of Indiana when the vehicle has a total tank capacity of at least eight hundred fifty (850) gallons.

SECTION 235. IC 6-6-4.1-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 12. (a) Except as authorized under section 13 of this chapter, a carrier may operate a commercial motor vehicle upon the highways in Indiana only if the carrier has been issued an annual permit, cab card, and emblem under this section.

(b) The department shall issue:

(2) a cab card and an emblem for each commercial motor vehicle that will be operated by the carrier upon the highways in Indiana; to a carrier who applies for an annual permit and pays to the department an annual permit fee of twenty-five dollars ($25) not later than September 1 of the year before the annual permit is effective under subsection (c).

(c) The annual permit, cab card, and emblem are effective from January 1 of each year through December 31 of the same year. The department may extend the expiration date of the annual permit, cab card, and emblem for no more than sixty (60) days. The annual permit,
each cab card, and each emblem issued to a carrier remain the property of this state and may be suspended or revoked by the department for any violation of this chapter or of the rules concerning this chapter adopted by the department under IC 4-22-2.

(d) As evidence of compliance with this section, and for the purpose of enforcement, a carrier shall display on each commercial motor vehicle an emblem when the vehicle is being operated by the carrier in Indiana. The carrier shall affix the emblem to the vehicle in the location designated by the department. The carrier shall display in each vehicle the cab card issued by the department. The carrier shall retain the original annual permit at the address shown on the annual permit. During the month of December, the carrier shall display the cab card and emblem that are valid through December 31 or a full year cab card and emblem issued to the carrier for the ensuing twelve (12) months. If the department grants an extension of the expiration date, the carrier shall continue to display the cab card and emblem upon which the extension was granted.

(e) If a commercial motor vehicle is operated by more than one (1) carrier, as evidence of compliance with this section and for purposes of enforcement each carrier shall display in the commercial motor vehicle a reproduced copy of the carrier's annual permit when the vehicle is being operated by the carrier in Indiana.

(f) A person who fails to display an emblem required by this section on a commercial motor vehicle, does not have proof in the vehicle that the annual permit has been obtained, and operates that vehicle on an Indiana highway commits a Class C infraction. Each day of operation without an emblem constitutes a separate infraction. Notwithstanding IC 34-28-5-4, a judgment of not less than one hundred dollars ($100) shall be entered for each Class C infraction under this subsection.

(g) A person who displays an altered, false, or fictitious cab card required by this section in a commercial motor vehicle, does not have proof in the vehicle that the annual permit has been obtained, and operates that vehicle on an Indiana highway commits a Class C infraction. Each day of operation with an altered, false, or fictitious cab card constitutes a separate infraction.

SECTION 236. IC 6-6-4.1-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 13. (a) A carrier may, in lieu of paying the tax imposed under this chapter that would otherwise result from the operation of a particular commercial motor vehicle, obtain from the department a trip permit authorizing the carrier
to operate the commercial motor vehicle for a period of five (5) consecutive days. The department shall specify the beginning and ending days on the face of the permit. The fee for a trip permit for each commercial motor vehicle is fifty dollars ($50). The report otherwise required under section 10 of this chapter is not required with respect to a vehicle for which a trip permit has been issued under this subsection.

(b) The department may issue a temporary written authorization if unforeseen or uncertain circumstances require operations by a carrier of a commercial motor vehicle for which neither a trip permit described in subsection (a) nor an annual permit described in section 12 of this chapter has been obtained. A temporary authorization may be issued only if the department finds that undue hardship would result if operation under a temporary authorization were prohibited. A carrier who receives a temporary authorization shall:

1. pay the trip permit fee at the time the temporary authorization is issued; or
2. subsequently apply for and obtain an annual permit.

(c) A carrier may obtain an International Fuel Tax Agreement (IFTA) repair and maintenance permit to:

1. travel from another state into Indiana to repair or maintain any of the carrier's motor vehicles, semitrailers (as defined in IC 9-13-2-164), or trailers (as defined in IC 9-13-2-184); and
2. return to the same state after the repair or maintenance is completed.

The permit allows the travel described in this section. In addition to any other fee established in this chapter, and instead of paying the quarterly motor fuel tax imposed under this chapter, a carrier may pay an annual IFTA repair and maintenance fee of forty dollars ($40) and receive an IFTA annual repair and maintenance permit. The IFTA annual repair and maintenance permit and fee applies to all of the motor vehicles operated by a carrier. The IFTA annual repair and maintenance permit is not transferable to another carrier. A carrier may not carry cargo or passengers under the IFTA annual repair and maintenance permit. All fees collected under this subsection shall be deposited in the motor carrier regulation fund (IC 8-2.1-23). The report otherwise required under section 10 of this chapter is not required with respect to a motor vehicle that is operated under an IFTA annual repair and maintenance permit.

(d) A carrier may obtain an International Registration Plan (IRP) repair and maintenance permit to:
(1) travel from another state into Indiana to repair or maintain any of the carrier's motor vehicles, semitrailers (as defined in IC 9-13-2-164), or trailers (as defined in IC 9-13-2-184); and
(2) return to the same state after the repair or maintenance is completed.

The permit allows the travel described in this section. In addition to any other fee established in this chapter, and instead of paying apportioned or temporary IRP fees under IC 9-18-2 or IC 9-18-7, a carrier may pay an annual IRP repair and maintenance fee of forty dollars ($40) and receive an IRP annual repair and maintenance permit. The IRP annual repair and maintenance permit and fee applies to all of the motor vehicles operated by a carrier. The IRP annual repair and maintenance permit is not transferable to another carrier. A carrier may not carry cargo or passengers under the IRP annual repair and maintenance permit. All fees collected under this subsection shall be deposited in the motor carrier regulation fund (IC 8-2.1-23).

(e) A person may obtain a repair and maintenance permit to:
   (1) move an unregistered off-road vehicle from a quarry or mine to a maintenance or repair facility; and
   (2) return the unregistered off-road vehicle to its place of origin.

The fee for the permit is forty dollars ($40). The permit is an annual permit and applies to all unregistered off-road vehicles from the same quarry or mine.

(f) A carrier may obtain a repair, maintenance, and relocation permit to:
   (1) move a yard tractor from a terminal or loading or spotting facility to:
       (A) a maintenance or repair facility; or
       (B) another terminal or loading or spotting facility; and
   (2) return the yard tractor to its place of origin.

The fee for the permit is forty dollars ($40). The permit is an annual permit and applies to all yard tractors operated by the carrier. The permit is not transferable to another carrier. A carrier may not carry cargo or transport or draw a semitrailer or other vehicle under the permit. A carrier may operate a yard tractor under the permit instead of paying the tax imposed under this chapter. A yard tractor that is being operated on a public highway under this subsection must display a license plate issued under IC 9-18-32. As used in this section, "yard tractor" has the meaning set forth under IC 9-13-2-201.
The department shall establish procedures, by rules adopted under IC 4-22-2, for:

1. the issuance and use of trip permits, temporary authorizations, and repair and maintenance permits; and
2. the display in commercial motor vehicles of evidence of compliance with this chapter.

SECTION 237. IC 6-6-5-10, AS AMENDED BY P.L.146-2008, SECTION 353, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 10. (a) The bureau shall establish procedures necessary for the collection of the tax imposed by this chapter and for the proper accounting for the same. The necessary forms and records shall be subject to approval by the state board of accounts.

(b) The county treasurer, upon receiving the excise tax collections, shall receipt such collections into a separate account for settlement thereof at the same time as property taxes are accounted for and settled in June and December of each year, with the right and duty of the treasurer and auditor to make advances prior to the time of final settlement of such property taxes in the same manner as provided in IC 5-13-6-3.

(c) As used in this subsection, "taxing district" has the meaning set forth in IC 6-1.1-1-20, "taxing unit" has the meaning set forth in IC 6-1.1-1-21, and "tuition support levy" refers to a school corporation's tuition support property tax levy under IC 20-45-3-11 (repealed) for the school corporation's general fund. The county auditor shall determine the total amount of excise taxes collected for each taxing district in the county and the amount so collected (and the distributions received under section 9.5 of this chapter) shall be apportioned and distributed among the respective funds of the taxing units in the same manner and at the same time as property taxes are apportioned and distributed (subject to adjustment as provided in IC 36-8-19-7.5). However, for purposes of determining distributions under this section for 2009 and each year thereafter, a state welfare and tuition support allocation shall be deducted from the total amount available for apportionment and distribution to taxing units under this section before any apportionment and distribution is made. The county auditor shall remit the state welfare and tuition support allocation to the treasurer of state for deposit, as directed by the budget agency. The amount of the state welfare and tuition support allocation for a county for a particular year is equal to the result determined under STEP
FOUR of the following formula:

STEP ONE: Determine the result of the following:
(A) Separately for 1997, 1998, and 1999 for each taxing district in the county, determine the result of:
   (i) the amount appropriated in the year by the county from the county's county welfare fund and county welfare administration fund; divided by
   (ii) the total amounts appropriated by all taxing units in the county for the same year.
(B) Determine the sum of the clause (A) amounts.
(C) Divide the clause (B) amount by three (3).
(D) Determine the result of:
   (i) the amount of excise taxes allocated to the taxing district that would otherwise be available for distribution to taxing units in the taxing district; multiplied by
   (ii) the clause (C) amount.

STEP TWO: Determine the result of the following:
(A) Separately for 2006, 2007, and 2008 for each taxing district in the county, determine the result of:
   (i) the tax rate imposed in the taxing district for the county's county medical assistance to wards fund, family and children's fund, children's psychiatric residential treatment services fund, county hospital care for the indigent fund, children with special health care needs county fund, plus, in the case of Marion County, the tax rate imposed by the health and hospital corporation that was necessary to raise thirty-five million dollars ($35,000,000) from all taxing districts in the county; divided by
   (ii) the aggregate tax rate imposed in the taxing district for the same year.
(B) Determine the sum of the clause (A) amounts.
(C) Divide the clause (B) amount by three (3).
(D) Determine the result of:
   (i) the amount of excise taxes allocated to the taxing district that would otherwise be available for distribution to taxing units in the taxing district after subtracting the STEP ONE (D) amount for the same taxing district; multiplied by
   (ii) the clause (C) amount.
(E) Determine the sum of the clause (D) amounts for all taxing districts in the county.
STEP THREE: Determine the result of the following:

(A) Separately for 2006, 2007, and 2008 for each taxing district in the county, determine the result of:

(i) the tuition support levy tax rate imposed in the taxing district plus the tax rate imposed by the school corporation for the school corporation's special education preschool fund in the district; divided by

(ii) the aggregate tax rate imposed in the taxing district for the same year.

(B) Determine the sum of the clause (A) amounts.

(C) Divide the clause (B) amount by three (3).

(D) Determine the result of:

(i) the amount of excise taxes allocated to the taxing district that would otherwise be available for distribution to taxing units in the taxing district after subtracting the STEP ONE (D) amount for the same taxing district; multiplied by

(ii) the clause (C) amount.

(E) Determine the sum of the clause (D) amounts for all taxing districts in the county.

STEP FOUR: Determine the sum of the STEP ONE, STEP TWO, and STEP THREE amounts for the county.

If the boundaries of a taxing district change after the years for which a ratio is calculated under STEP ONE, STEP TWO, or STEP THREE, the budget agency shall establish a ratio for the new taxing district that reflects the tax rates imposed in the predecessor taxing districts.

(d) Such determination shall be made from copies of vehicle registration forms furnished by the bureau of motor vehicles. Prior to such determination, the county assessor of each county shall, from copies of registration forms, cause information pertaining to legal residence of persons owning taxable vehicles to be verified from the assessor's records, to the extent such verification can be so made. The assessor shall further identify and verify from the assessor's records the several taxing units within which such persons reside.

(e) Such verifications shall be done by not later than thirty (30) days after receipt of vehicle registration forms by the county assessor, and the assessor shall certify such information to the county auditor for the auditor's use as soon as it is checked and completed.

SECTION 239. IC 6-6-5.5-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]:

Sec. 7. (a) For calendar years that begin after December 31, 2000, the annual excise tax for a commercial vehicle will be determined by the motor carrier services division on or before October 1 of each year in accordance with the following formula:

STEP ONE: Determine the total amount of base revenue to be distributed from the commercial vehicle excise tax fund to all taxing units in Indiana during the calendar year for which the tax is first due and payable. For calendar year 2001, the total amount of base revenue for all taxing units shall be determined as provided in section 19 of this chapter. For calendar years that begin after December 31, 2001, and before January 1, 2009, the total amount of base revenue for all taxing units shall be determined by multiplying the previous year's base revenue for all taxing units by one hundred five percent (105%). For calendar years that begin after December 31, 2008, the total amount of base revenue for all taxing units shall be determined as provided in section 19 of this chapter.
STEP TWO: Determine the sum of fees paid to register the following commercial vehicles in Indiana under the following statutes during the fiscal year that ends June 30 immediately preceding the calendar year for which the tax is first due and payable:

(A) Total registration fees collected under IC 9-29-5-3 for commercial vehicles with a declared gross weight in excess of eleven thousand (11,000) pounds, including trucks, tractors not used with semitrailers, traction engines, and other similar vehicles used for hauling purposes;
(B) Total registration fees collected under IC 9-29-5-5 for tractors used with semitrailers;
(C) Total registration fees collected under IC 9-29-5-6 for semitrailers used with tractors;
(D) Total registration fees collected under IC 9-29-5-4 for trailers having a declared gross weight in excess of three thousand (3,000) pounds; and
(E) Total registration fees collected under IC 9-29-5-13 for trucks, tractors and semitrailers used in connection with agricultural pursuits usual and normal to the user's farming operation, multiplied by two hundred percent (200%);

STEP THREE: Determine the tax factor by dividing the STEP ONE result by the STEP TWO result.

(b) Except as otherwise provided in this chapter, the annual excise tax for commercial vehicles with a declared gross weight in excess of eleven thousand (11,000) pounds, including trucks, tractors not used with semitrailers, traction engines, and other similar vehicles used for hauling purposes, shall be determined by multiplying the registration fee under IC 9-29-5-3 by the tax factor determined in subsection (a).

(c) Except as otherwise provided in this chapter, the annual excise tax for tractors used with semitrailers shall be determined by multiplying the registration fee under IC 9-29-5-5 by the tax factor determined in subsection (a).

(d) Except as otherwise provided in this chapter, the annual excise tax for trailers having a declared gross weight in excess of three thousand (3,000) pounds shall be determined by multiplying the registration fee under IC 9-29-5-4 by the tax factor determined in subsection (a).

(e) The annual excise tax for a semitrailer shall be determined by multiplying the average annual registration fee under IC 9-29-5-6 by
the tax factor determined in subsection (a). The average annual registration fee for a semitrailer under IC 9-29-5-6 is sixteen dollars and seventy-five cents ($16.75).

(f) The annual excise tax determined under this section shall be rounded upward to the next full dollar amount.

SECTION 240. IC 6-6-5-19 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 19. (a) As used in this section, "assessed value" means an amount equal to the true tax value of commercial vehicles that:

(1) are subject to the commercial vehicle excise tax under this chapter; and

(2) would have been subject to assessment as personal property on March 1, 2000, under the law in effect before January 1, 2000.

(b) For calendar year 2001, a taxing unit's base revenue shall be determined as provided in subsection (f). For calendar years that begin after December 31, 2001, and before January 1, 2009, a taxing unit's base revenue shall be determined by multiplying the previous year's base revenue by one hundred five percent (105%). For calendar years that begin after December 31, 2008, a taxing unit's base revenue is equal to:

(1) the amount of commercial vehicle excise tax collected during the previous state fiscal year; multiplied by

(2) the taxing unit's percentage as determined in subsection (f) for calendar year 2001.

(c) The amount of commercial vehicle excise tax distributed to the taxing units of Indiana from the commercial vehicle excise tax fund shall be determined in the manner provided in this section. On or before June 1, 2000; each township assessor of a county shall deliver to the county assessor a list that states by taxing district the total assessed value as shown on the information returns filed with the assessor on or before May 15, 2000.

(d) On or before July 1, 2000, each county assessor shall certify to the county auditor the assessed value of commercial vehicles in every taxing district.

(e) On or before August 1, 2000, the county auditor shall certify the following to the department of local government finance:

(1) The total assessed value of commercial vehicles in the county.

(2) The total assessed value of commercial vehicles in each taxing district of the county.

(f) The department of local government finance shall determine
each taxing unit's base revenue by applying the current tax rate for each taxing district to the certified assessed value from each taxing district. The department of local government finance shall also determine the following:

1. The total amount of base revenue to be distributed from the commercial vehicle excise tax fund in 2001 to all taxing units in Indiana.
2. The total amount of base revenue to be distributed from the commercial vehicle excise tax fund in 2001 to all taxing units in each county.
3. Each county's total distribution percentage. A county's total distribution percentage shall be determined by dividing the total amount of base revenue to be distributed in 2001 to all taxing units in the county by the total base revenue to be distributed statewide.
4. Each taxing unit's distribution percentage. A taxing unit's distribution percentage shall be determined by dividing each taxing unit's base revenue by the total amount of base revenue to be distributed in 2001 to all taxing units in the county.

(g) The department of local government finance shall certify each taxing unit's base revenue and distribution percentage for calendar year 2001 to the auditor of state on or before September 1, 2000.

(h) The auditor of state shall keep permanent records of each taxing unit's base revenue and distribution percentage for calendar year 2001 for purposes of determining the amount of money each taxing unit in Indiana is entitled to receive in calendar years that begin after December 31, 2001.

SECTION 241. IC 6-6-5.5-20, AS AMENDED BY P.L.146-2008, SECTION 354, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 20. (a) On or before May 1, subject to subsections (c) and (d), the auditor of state shall distribute to each county auditor an amount equal to fifty percent (50%) of the total base revenue to be distributed to all taxing units in the county for that year, product of:

1. the county's distribution percentage; multiplied by
2. the total commercial vehicle excise tax deposited in the commercial vehicle excise tax fund in the preceding calendar year.

(b) On or before December 1, subject to subsections (c) and (d), the auditor of state shall distribute to each county auditor an amount equal
to the greater of the following:

(1) Fifty percent (50%) of the total base revenue to be distributed to all taxing units in the county for that year.

(2) The product of the county's distribution percentage multiplied by the total commercial vehicle excise tax revenue deposited in the commercial vehicle excise tax fund: fifty percent (50%) of the product of:

(1) the county's distribution percentage; multiplied by

(2) the total commercial vehicle excise tax deposited in the commercial vehicle excise tax fund in the preceding calendar year.

(c) Before distributing the amounts under subsections (a) and (b), the auditor of state shall deduct for a county unit an amount for deposit in a state fund, as directed by the budget agency, equal to the result determined under STEP FIVE of the following formula:

STEP ONE: Separately for 2006, 2007, and 2008, determine the result of:

(A) the tax rate imposed by the county in the year for the county's county medical assistance wards fund, family and children's fund, children's psychiatric residential treatment services fund, county hospital care for the indigent fund, children with special health care needs county fund, plus, in the case of Marion County, the tax rate imposed by the health and hospital corporation that was necessary to raise thirty-five million dollars ($35,000,000) from all taxing districts in the county; divided by

(B) the aggregate tax rate imposed by the county unit and, in the case of Marion County, the health and hospital corporation in the year.

STEP TWO: Determine the sum of the STEP ONE amounts.

STEP THREE: Divide the STEP TWO result by three (3).

STEP FOUR: Determine the amount that would otherwise be distributed to the county under subsection (a) or (b), as appropriate, without regard to this subsection.

STEP FIVE: Determine the result of:

(A) the STEP THREE amount; multiplied by

(B) the STEP FOUR result.

(d) Before distributing the amounts under subsections (a) and (b), the auditor of state shall deduct for a school corporation an amount for deposit in a state fund, as directed by the budget agency, equal to the
result determined under STEP FIVE of the following formula:

**STEP ONE:** Separately for 2006, 2007, and 2008, determine the result of:

(A) the tax rate imposed by the school corporation in the year for the tuition support levy under IC 6-1.1-19-1.5 (repealed) or IC 20-45-3-11 (repealed) for the school corporation’s general fund plus the tax rate imposed by the school corporation for the school corporation’s special education preschool fund; divided by

(B) the aggregate tax rate imposed by the school corporation in the year.

**STEP TWO:** Determine the sum of the results determined under **STEP ONE**.

**STEP THREE:** Divide the **STEP TWO** result by three (3).

**STEP FOUR:** Determine the amount of commercial vehicle excise tax that would otherwise be distributed to the school corporation under subsection (a) or (b), as appropriate, without regard to this subsection.

**STEP FIVE:** Determine the result of:

(A) the **STEP FOUR** amount; multiplied by

(B) the **STEP THREE** result.

(e) Upon receipt, the county auditor shall distribute to the taxing units an amount equal to the product of the taxing unit’s distribution percentage multiplied by the total distributed to the county under this section. The amount determined shall be apportioned and distributed among the respective funds of each taxing unit in the same manner and at the same time as property taxes are apportioned and distributed (subject to adjustment as provided in IC 36-8-19-7.5 after December 31, 2009).

(f) In the event that sufficient funds are not available in the commercial vehicle excise tax fund for the distributions required by subsection (a) and subsection (b)(1), the auditor of state shall transfer funds from the commercial vehicle excise tax reserve fund.

(g) The auditor of state shall, not later than July 1 of each year, furnish to each county auditor an estimate of the amounts to be distributed to the counties under this section during the next calendar year. Before August 1, each county auditor shall furnish to the proper officer of each taxing unit of the county an estimate of the amounts to be distributed to the taxing units under this section during the next calendar year and the budget of each taxing unit shall show the
estimated amounts to be received for each fund for which a property tax is proposed to be levied.

SECTION 242. IC 6-6-6.5-21, AS AMENDED BY P.L.146-2008, SECTION 355, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 21. (a) The department shall allocate each aircraft excise tax payment collected by it to the county in which the aircraft is usually located when not in operation or to the aircraft owner's county of residence if based out of state. The department shall distribute to each county treasurer on a quarterly basis the aircraft excise taxes which were collected by the department during the preceding three (3) months and which the department has allocated to that county. The distribution shall be made on or before the fifteenth of the month following each quarter and the first distribution each year shall be made in April.

(b) Concurrently with making a distribution of aircraft excise taxes, the department shall send an aircraft excise tax report to the county treasurer and the county auditor. The department shall prepare the report on the form prescribed by the state board of accounts. The aircraft excise tax report must include aircraft identification, owner information, and excise tax payment, and must indicate the county where the aircraft is normally kept when not in operation. The department shall, in the manner prescribed by the state board of accounts, maintain records concerning the aircraft excise taxes received and distributed by it.

(c) Except as provided in section 21.5 of this chapter, each county treasurer shall deposit money received by him under this chapter in a separate fund to be known as the "aircraft excise tax fund". The money in the aircraft excise tax fund shall be distributed to the taxing units of the county in the manner prescribed in subsection (d).

(d) As used in this subsection, "taxing district" has the meaning set forth in IC 6-1.1-1-20, "taxing unit" has the meaning set forth in IC 6-1.1-1-21, and "tuition support levy" refers to a school corporation's tuition support property tax levy under IC 20-45-3-11 (repealed) for the school corporation's general fund. In order to distribute the money in the county aircraft excise tax fund to the taxing units of the county, the county auditor shall first allocate the money in the fund among the taxing districts of the county. In making these allocations, the county auditor shall allocate to a taxing district the excise taxes collected with respect to aircraft usually located in the taxing district when not in operation. Subject to this subsection, the
money allocated to a taxing district shall be apportioned and distributed among the taxing units of that taxing district in the same manner and at the same time that the property taxes are apportioned and distributed (subject to adjustment as provided in IC 36-8-19-7.5). For purposes of determining the distribution for a year under this section for a taxing unit, a state welfare and tuition support allocation shall be deducted from the total amount available for apportionment and distribution to taxing units under this section before any apportionment and distribution is made. The county auditor shall remit the state welfare and tuition support allocation to the treasurer of state for deposit as directed by the budget agency. The amount of the state welfare and tuition support allocation for a county for a particular year is equal to the result determined under STEP THREE of the following formula:

STEP ONE: Determine the result of the following:

(A) Separately for 2006, 2007, and 2008 for each taxing district in the county, determine the result of:

(i) the tax rate imposed in the taxing district for the county's county medical assistance to wards fund, family and children's fund, children's psychiatric residential treatment services fund, county hospital care for the indigent fund, children with special health care needs county fund, plus, in the case of Marion County, the tax rate imposed by the health and hospital corporation that was necessary to raise thirty-five million dollars ($35,000,000) from all taxing districts in the county; divided by

(ii) the aggregate tax rate imposed in the taxing district for the same year.

(B) Determine the sum of the clause (A) amounts.

(C) Divide the clause (B) amount by three (3).

(D) Determine the result of:

(i) the amount of excise taxes allocated to the taxing district that would otherwise be available for distribution to taxing units in the taxing district; multiplied by

(ii) the clause (C) amount.

(E) Determine the sum of the clause (D) amounts for all taxing districts in the county.

STEP TWO: Determine the result of the following:

(A) Separately for 2006, 2007, and 2008 for each taxing district in the county, determine the result of:

(i) the tuition support levy tax rate imposed in the taxing
district plus the tax rate imposed by the school corporation for the school corporation's special education preschool fund in the district; divided by
(ii) the aggregate tax rate imposed in the taxing district for the same year.

(B) Determine the sum of the clause (A) amounts.
(C) Divide the clause (B) amount by three (3).
(D) Determine the result of:
(i) the amount of excise taxes allocated to the taxing district that would otherwise be available for distribution to taxing units in the taxing district; multiplied by
(ii) the clause (C) amount.
(E) Determine the sum of the clause (D) amounts for all taxing districts in the county.

STEP THREE: Determine the sum of the STEP ONE and STEP TWO amounts for the county.

If the boundaries of a taxing district change after the years for which a ratio is calculated under STEP ONE or STEP TWO, the budget agency shall establish a ratio for the new taxing district that reflects the tax rates imposed in the predecessor taxing districts.

(e) Within thirty (30) days following the receipt of excise taxes from the department, the county treasurer shall file a report with the county auditor concerning the aircraft excise taxes collected by the county treasurer. The county treasurer shall file the report on the form prescribed by the state board of accounts. The county treasurer shall, in the manner and at the times prescribed in IC 6-1.1-27, make a settlement with the county auditor for the aircraft excise taxes collected by the county treasurer. The county treasurer shall, in the manner prescribed by the state board of accounts, maintain records concerning the aircraft excise taxes received and distributed by him, the treasurer.

SECTION 243. IC 6-6-6.5-23 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 23. (a) The department may require the owner of an airport or any person or persons leasing or subleasing space from an airport owner for the purpose of storing, renting, or selling aircraft to submit reports to the department listing the aircraft based at that airport. The reports shall identify the aircraft by Federal Aviation Administration number.

(b) An airport owner or any other person required to submit a report under subsection (a) is subject to a civil penalty of one hundred dollars ($100) for each aircraft that should have been and
was not properly included on the report.

SECTION 244. IC 6-6-9.7-7, AS AMENDED BY P.L.214-2005, SECTION 23, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 7. (a) The city-county council of a county that contains a consolidated city may adopt an ordinance to impose an excise tax, known as the county supplemental auto rental excise tax, upon the rental of passenger motor vehicles and trucks in the county for periods of less than thirty (30) days. The ordinance must specify that the tax expires December 31, 2027.

(b) Except as provided in subsection (c), the county supplemental auto rental excise tax that may be imposed upon the rental of a passenger motor vehicle or truck equals two percent (2%) of the gross retail income received by the retail merchant for the rental.

(c) On or before June 30, 2005, the city-county council may, by ordinance adopted by a majority of the members elected to the city-county council, increase the tax imposed under subsection (a) from two percent (2%) to four percent (4%). The ordinance must specify that:

SECTION 245. IC 6-6-11-31, AS AMENDED BY P.L.146-2008, SECTION 357, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 31. (a) A boat excise tax fund is established in each county. Each county treasurer shall deposit in the fund the taxes received under this chapter.

(b) As used in this subsection, "taxing district" has the meaning set forth in IC 6-1.1-1-20, "taxing unit" has the meaning set forth in
IC 6-1.1-1-21, and "tuition support levy" refers to a school corporation's tuition support property tax levy under IC 20-45-3-11 (repealed) for the school corporation's general fund. The excise tax money in the county boat excise tax fund shall be distributed to the taxing units of the county. The county auditor shall allocate the money in the fund among the taxing districts of the county based on the tax situs of each boat. Subject to this subsection, the money allocated to the taxing units shall be apportioned and distributed among the funds of the taxing units in the same manner and at the same time that property taxes are apportioned and distributed (subject to adjustment as provided in IC 36-8-19-7.5). For purposes of determining the distribution for a year under this section for a taxing unit, a state welfare and tuition support allocation shall be deducted from the total amount available for apportionment and distribution to taxing units under this section before any apportionment and distribution is made. The county auditor shall remit the state welfare and tuition support allocation to the treasurer of state for deposit as directed by the budget agency. The amount of the state welfare and tuition support allocation for a county for a particular year is equal to the result determined under STEP THREE of the following formula:

STEP ONE: Determine the result of the following:
(A) Separately for 2006, 2007, and 2008 for each taxing district in the county, determine the result of:
   (i) the tax rate imposed in the taxing district for the county's county medical assistance to wards fund, family and children's fund, children's psychiatric residential treatment services fund, county hospital care for the indigent fund, children with special health care needs county fund, plus, in the case of Marion County, the tax rate imposed by the health and hospital corporation that was necessary to raise thirty-five million dollars ($35,000,000) from all taxing districts in the county; divided by
   (ii) the aggregate tax rate imposed in the taxing district for the same year.
(B) Determine the sum of the clause (A) amounts.
(C) Divide the clause (B) amount by three (3).
(D) Determine the result of:
   (i) the amount of excise taxes allocated to the taxing district that would otherwise be available for distribution to taxing units in the taxing district; multiplied by
(ii) the clause (C) amount.

(E) Determine the sum of the clause (D) amounts for all taxing districts in the county.

STEP TWO: Determine the result of the following:

(A) Separately for 2006, 2007, and 2008 for each taxing district in the county, determine the result of:
   (i) the tuition support levy tax rate imposed in the taxing district plus the tax rate imposed by the school corporation for the school corporation's special education preschool fund in the district; divided by
   (ii) the aggregate tax rate imposed in the taxing district for the same year.

(B) Determine the sum of the clause (A) amounts.

(C) Divide the clause (B) amount by three (3).

(D) Determine the result of:
   (i) the amount of excise taxes allocated to the taxing district that would otherwise be available for distribution to taxing units in the taxing district; multiplied by
   (ii) the clause (C) amount.

(E) Determine the sum of the clause (D) amounts for all taxing districts in the county.

STEP THREE: Determine the sum of the STEP ONE and STEP TWO amounts for the county.

If the boundaries of a taxing district change after the years for which a ratio is calculated under STEP ONE or STEP TWO, the budget agency shall establish a ratio for the new taxing district that reflects the tax rates imposed in the predecessor taxing districts.

SECTION 246. IC 6-7-1-28.1, AS AMENDED BY P.L.3-2008, SECTION 66, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 28.1. The taxes, registration fees, fines, or penalties collected under this chapter shall be deposited in the following manner:

(2) Six-tenths percent (0.6%) of the money shall be deposited in a fund to be known as the mental health centers fund.

(3) Fifty-three and sixty-eight hundredths percent (53.68%) Five-four and five-tenths percent (54.5%) of the money shall be deposited in the state general fund.
(4) Five and forty-three hundredths percent (5.43%) of the money shall be deposited into the pension relief fund established in IC 5-10.3-11.

(5) Twenty-seven and five hundredths percent (27.05%) of the money shall be deposited in the Indiana check-up plan trust fund established by IC 12-15-44.2-17.

(6) Two and forty-six hundredths percent (2.46%) of the money shall be deposited in the state general fund for the purpose of paying appropriations for Medicaid—Current Obligations, for provider reimbursements.

(7) Four and one-tenth Five and seventy-four hundredths percent (4.1% (5.74%)) of the money shall be deposited in the state general fund for the purpose of paying any appropriation for a health initiative: state retiree health benefit trust fund established by IC 5-10-8-8.5.

(8) Two and forty-six hundredths percent (2.46%) of the money shall be deposited in the state general fund for the purpose of reimbursing the state general fund for a tax credit provided under IC 6-3-1-34.

The money in the cigarette tax fund, the mental health centers fund, the Indiana check-up plan trust fund, or the pension relief fund at the end of a fiscal year does not revert to the state general fund. However, if in any fiscal year, the amount allocated to a fund under subdivision (1) or (2) is less than the amount received in fiscal year 1977, then that fund shall be credited with the difference between the amount allocated and the amount received in fiscal year 1977, and the allocation for the fiscal year to the fund under subdivision (3) shall be reduced by the amount of that difference. Money deposited under subdivisions (6) through (8) may not be used for any purpose other than the purpose stated in the subdivision.

SECTION 255. IC 6-8.1-8-1.7 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]; Sec. 1.7. The department may require a person who is paying the person's outstanding gross retail tax or withholding tax liability using periodic payments to make the periodic payment by electronic funds transfer through an automatic withdrawal from the person's account at a financial institution.

SECTION 256. IC 6-8.1-9-1, AS AMENDED BY P.L.131-2008, SECTION 30, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 1. (a) If a person has paid more tax than the person determines is legally due for a particular taxable period, the person may file a claim for a refund with the department. Except as provided in subsections (f) and (g), in order to obtain the refund, the person must file the claim with the department within three (3) years after the latter of the following:

(1) The due date of the return.
(2) The date of payment.

For purposes of this section, the due date for a return filed for the state gross retail or use tax, the gasoline tax, the special fuel tax, the motor carrier fuel tax, the oil inspection fee, or the petroleum severance tax is the end of the calendar year which contains the taxable period for which the return is filed. The claim must set forth the amount of the refund to which the person is entitled and the reasons that the person is entitled to the refund.

(b) When the department receives a claim for refund, the department shall consider the claim for refund and shall, if the taxpayer requests, hold a hearing on the claim for refund to obtain and consider additional evidence. After considering the claim and all evidence relevant to the claim, the department shall issue a decision on the claim, stating the part, if any, of the refund allowed and containing a statement of the reasons for any part of the refund that is denied. The department shall mail a copy of the decision to the person who filed the claim. If the department allows the full amount of the refund claim, a warrant for the payment of the claim is sufficient notice of the decision.

(c) If the person disagrees with any part of the department's decision, the person may appeal the decision, regardless of whether or not the person protested the tax payment or whether or not the person has accepted a refund. The person must file the appeal with the tax court. The tax court does not have jurisdiction to hear a refund appeal
suit, if:

(1) the appeal is filed more than three (3) years after the date the claim for refund was filed with the department;
(2) the appeal is filed more than ninety (90) days after the date the department mails the decision of denial to the person; or
(3) the appeal is filed both before the decision is issued and before the one hundred eighty-first day after the date the person files the claim for refund with the department.

(d) The tax court shall hear the appeal de novo and without a jury, and after the hearing may order or deny any part of the appealed refund. The court may assess the court costs in any manner that it feels is equitable. The court may enjoin the collection of any of the listed taxes under IC 33-26-6-2. The court may also allow a refund of taxes, interest, and penalties that have been paid to and collected by the department.

(e) With respect to the motor vehicle excise tax, this section applies only to penalties and interest paid on assessments of the motor vehicle excise tax. Any other overpayment of the motor vehicle excise tax is subject to IC 6-6-5.

(f) If a taxpayer's federal income tax liability for a taxable year is modified by the Internal Revenue Service, and the modification would result in a reduction of the tax legally due, the due date by which the taxpayer must file a claim for refund with the department is the later of:

(1) the date determined under subsection (a); or
(2) the date that is six (6) months after the date on which the taxpayer is notified of the modification by the Internal Revenue Service.

(g) If an agreement to extend the assessment time period is entered into under IC 6-8.1-5-2, IC 6-8.1-5-2(h), the period during which a person may file a claim for a refund under subsection (a) is extended to the same date to which the assessment time period is extended.

SECTION 257. IC 6-8.1-9-2, AS AMENDED BY P.L.111-2006, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 2. (a) If the department finds that a person has paid more tax for a taxable year than is legally due, the department shall apply the amount of the excess against any amount of that same tax that is assessed and is currently due. The department may then apply any remaining excess against any of the listed taxes that have been assessed against the person and that are currently due. Subject to subsection (c), if any excess remains after the department has applied
the overpayment against the person's tax liabilities, the department
shall either refund the amount to the person or, at the person's request,
credit the amount to the person's future tax liabilities.

(b) **Subject to subsection (c)**, if a court determines that a person has
paid more tax for a taxable year than is legally due, the department
shall refund the excess amount to the person.

(c) As used in this subsection, "pass through entity" means a
corporation that is exempt from the adjusted gross income tax
under IC 6-3-2-2.8(2), a partnership, a limited liability company,
or a limited liability partnership and "pass through income"
means a person's distributive share of adjusted gross income for a
taxable year attributable to the person's interest in a pass through
entity. This subsection applies to a person's overpayment of
adjusted gross income tax for a taxable year if:

1) the person has filed a timely claim for refund with respect
to the overpayment under IC 6-8.1-9-1;
2) the overpayment:
   (A) is with respect to a taxable year beginning before
       January 1, 2009;
   (B) is attributable to amounts paid to the department by:
       i) a nonresident shareholder, partner, or member of a
          pass through entity;
       ii) a pass through entity under IC 6-3-4-12 or
           IC 6-3-4-13 on behalf of a nonresident shareholder,
           partner, or member of the pass through entity; or
       iii) a pass through entity under IC 6-3-4-12 or
           IC 6-3-4-13 on behalf of a nonresident shareholder,
           partner, or member of another pass through entity; and

3) the overpayment arises from a determination by the
department or a court that the person's pass through income
is not includible in the person's adjusted gross income derived
from sources within Indiana as a result of the application of
IC 6-3-2-2(a)(5) and IC 6-3-2-2.2(g).

The department shall apply the overpayment to the person's
liability for taxes that have been assessed and are currently due as
provided in subsection (a) and apply any remaining overpayment
as a credit or credits in satisfaction of the person's liability for
listed taxes in taxable years beginning after December 31, 2008. If
the person, including any successor to the person's interest in the
overpayment, does not have sufficient liability for listed taxes
against which to credit all the remaining overpayment in a taxable
year beginning after December 31, 2008, and ending before January 1, 2019, the taxpayer is not entitled for any taxable year ending after December 31, 2018, to have any part of the remaining overpayment applied, refunded, or credited to the person's liability for listed taxes. If an overpayment or part of an overpayment is required to be applied as a credit under this subsection to the person's liability for listed taxes for a taxable year beginning after December 31, 2008, and has not been determined by the department or a court to meet the conditions of subdivision (3) by the due date of the person's return for a listed tax for a taxable year beginning after December 31, 2008, the department shall refund to the person that part of the overpayment that should have been applied as a credit for such taxable year within ninety (90) days of the date that the department or a court makes the determination that the overpayment meets the conditions of subdivision (3). However, the department may establish a program to refund small overpayment amounts that do not exceed the threshold dollar value established by the department rather than crediting the amounts against tax liability accruing for a taxable year after December 31, 2008. A person that receives a refund or credit under this subsection shall file a report with the department in the form and in the schedule specified by the department that identifies under penalties of perjury the home state or other jurisdiction where the income subject to the refund or credit was reported as income attributable to that state or jurisdiction.

(c) (d) An excess tax payment that is not refunded or credited against a current or future tax liability within ninety (90) days after the date the refund claim is filed, the date the tax payment was due, or the date the tax was paid, whichever is latest, accrues interest from the date the refund claim is filed at the rate established under IC 6-8.1-10-1 until a date, determined by the department, that does not precede by more than thirty (30) days, the date on which the refund or credit is made.

(d) As used in this subsection, (c); "refund claim" includes an amended return that indicates an overpayment of tax.

SECTION 258. IC 6-8.1-10-2.1, AS AMENDED BY P.L.211-2007, SECTION 44, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 2.1. (a) If a person:

(1) fails to file a return for any of the listed taxes;
(2) fails to pay the full amount of tax shown on the person's return on or before the due date for the return or payment;
(3) incurs, upon examination by the department, a deficiency that is due to negligence;
(4) fails to timely remit any tax held in trust for the state; or
(5) is required to make a payment by electronic funds transfer (as defined in IC 4-8.1-2-7), overnight courier, or personal delivery and the payment is not received by the department by the due date in funds acceptable to the department;
the person is subject to a penalty.
(b) Except as provided in subsection (g), the penalty described in subsection (a) is ten percent (10%) of:
(1) the full amount of the tax due if the person failed to file the return;
(2) the amount of the tax not paid, if the person filed the return but failed to pay the full amount of the tax shown on the return;
(3) the amount of the tax held in trust that is not timely remitted;
(4) the amount of deficiency as finally determined by the department; or
(5) the amount of tax due if a person failed to make payment by electronic funds transfer, overnight courier, or personal delivery by the due date.
(c) For purposes of this section, the filing of a substantially blank or unsigned return does not constitute a return.
(d) If a person subject to the penalty imposed under this section can show that the failure to file a return, pay the full amount of tax shown on the person's return, timely remit tax held in trust, or pay the deficiency determined by the department was due to reasonable cause and not due to willful neglect, the department shall waive the penalty.
(e) A person who wishes to avoid the penalty imposed under this section must make an affirmative showing of all facts alleged as a reasonable cause for the person's failure to file the return, pay the amount of tax shown on the person's return, pay the deficiency, or timely remit tax held in trust, in a written statement containing a declaration that the statement is made under penalty of perjury. The statement must be filed with the return or payment within the time prescribed for protesting departmental assessments. A taxpayer may also avoid the penalty imposed under this section by obtaining a ruling from the department before the end of a particular tax period on the amount of tax due for that tax period.
(f) The department shall adopt rules under IC 4-22-2 to prescribe the circumstances that constitute reasonable cause and negligence for
purposes of this section.

(g) A person who fails to file a return for a listed tax that shows no tax liability for a taxable year, other than an information return (as defined in section 6 of this chapter), on or before the due date of the return shall pay a penalty of ten dollars ($10) for each day that the return is past due, up to a maximum of two hundred fifty dollars ($250).

(h) A:

(1) corporation which otherwise qualifies under IC 6-3-2-2.8(2);

but;

(2) partnership; or

(3) trust;

that fails to withhold and pay any amount of tax required to be withheld under IC 6-3-4-12, IC 6-3-4-13, or IC 6-3-4-15 shall pay a penalty equal to twenty percent (20%) of the amount of tax required to be withheld under IC 6-3-4-12, IC 6-3-4-13, or IC 6-3-4-15. This penalty shall be in addition to any penalty imposed by section 6 of this chapter.

(i) Subsections (a) through (c) do not apply to a motor carrier fuel tax return.

(j) If a partnership or an S corporation fails to include all nonresidential individual partners or nonresidential individual shareholders in a composite return as required by IC 6-3-4-12(h) or IC 6-3-4-13(j), a penalty of five hundred dollars ($500) per partnership or S corporation is imposed on the partnership or S corporation.

SECTION 259. IC 6-8.1-10-5, as amended by P.L.131-2008, SECTION 33, is amended to read as follows [effective July 1, 2009]: Sec. 5. (a) If a person makes a tax payment with a check, credit card, debit card, or electronic funds transfer, and the department is unable to obtain payment on the check, credit card, debit card, or electronic funds transfer for its full face amount when the check, credit card, debit card, or electronic funds transfer is presented for payment through normal banking channels, a penalty of ten percent (10%) of the unpaid tax or the value of the check, credit card, debit card, or electronic funds transfer, whichever is smaller, is imposed.

(b) When a penalty is imposed under subsection (a), the department shall notify the person by mail that the check, credit card, debit card, or electronic funds transfer was not honored and that the person has ten (10) days after the date the notice is mailed to pay the tax and the penalty either in cash, by certified check, or other guaranteed payment.
If the person fails to make the payment within the ten (10) day period, the penalty is increased to one hundred percent (100%) multiplied by the value of the check, credit card, debit card, or electronic funds transfer, or the unpaid tax, whichever is smaller.

(c) If a person has been assessed a penalty under subsection (a) more than one (1) time, the department may require all future payments for all listed taxes to be remitted with guaranteed funds.

(d) If the person subject to the penalty under this section can show that there is reasonable cause for the check, credit card, debit card, or electronic funds transfer not being honored, the department may waive the penalty imposed under this section.

SECTION 260. IC 6-9-8-3, AS AMENDED BY P.L.214-2005, SECTION 29, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 3. (a) The tax imposed by section 2 of this chapter shall be at the rate of:

1. before January 1, 2028, five percent (5%) on the gross income derived from lodging income only, plus an additional one percent (1%) if the fiscal body adopts an ordinance under subsection (b), plus an additional three percent (3%) if the fiscal body adopts an ordinance under subsection (d);
2. after December 31, 2027, and before January 1, 2041, five percent (5%), plus an additional one percent (1%) if the fiscal body adopts an ordinance under subsection (b), plus an additional three percent (3%) if the fiscal body adopts an ordinance under subsection (d); and
3. after December 31, 2040, five percent (5%).

(b) In any year subsequent to the initial year in which a tax is imposed under section 2 of this chapter, the fiscal body may, by ordinance adopted by at least two-thirds (2/3) of the members elected to the fiscal body, increase the tax imposed by section 2 of this chapter from five percent (5%) to six percent (6%). The ordinance must specify that the increase in the tax authorized under this subsection expires January 1, 2028.

(c) The amount collected from an increase adopted under subsection (b) shall be transferred to the capital improvement board of managers established by IC 36-10-9-3. The board shall deposit the revenues received under this subsection in a special fund. Money in the special fund may be used only for the payment of obligations incurred to expand a convention center, including:

1. principal and interest on bonds issued to finance or refinance
the expansion of a convention center; and

(2) lease agreements entered into to expand a convention center.

(d) On or before June 30, 2005, the fiscal body may, by ordinance adopted by a majority of the members elected to the fiscal body, increase the tax imposed by section 2 of this chapter by an additional three percent (3%) to a total rate of eight percent (8%) (or nine percent (9%) if the fiscal body has adopted an ordinance under subsection (b) and that rate remains in effect). The ordinance must specify that the increase in the tax authorized under this subsection expires on:

(1) January 1, 2041;

(2) January 1, 2010, if on that date there are no obligations owed by the capital improvement board of managers to the authority created by IC 5-1-17 or to any state agency under IC 5-1-17-26; or

(3) October 1, 2005, if on that date there are no obligations owed by the capital improvement board of managers to the Indiana stadium and convention building authority or to any state agency under a lease or a sublease of an existing capital improvement entered into under IC 5-1-17, unless waived by the budget director.

If the fiscal body adopts an ordinance under this subsection, it shall immediately send a certified copy of the ordinance to the commissioner of the department of state revenue, and the increase in the tax imposed under this chapter applies to transactions that occur after June 30, 2005.

(e) Before September 1, 2009, the fiscal body may, by ordinance adopted by a majority of the members elected to the fiscal body, increase the tax rate under this chapter by not more than one percent (1%). If the fiscal body adopts an ordinance under this subsection:

(1) it shall immediately send a certified copy of the ordinance to the commissioner of the department of state revenue; and

(2) the tax applies to transactions after the last day of the month in which the ordinance is adopted, if the city-county council adopts the ordinance on or before the fifteenth day of a month. If the city-county council adopts the ordinance after the fifteenth day of a month, the tax applies to transactions after the last day of the month following the month in which the ordinance is adopted.

The increase in the tax imposed under this subsection continues in effect unless the increase is rescinded.
The amount collected from an increase adopted under:
(1) subsection (b) and collected after December 31, 2027; and
(2) subsection (d);
shall be transferred to the capital improvement board of managers
established by IC 36-10-9-3 or its designee. So long as there are any
current or future obligations owed by the capital improvement board of
managers to the Indiana stadium and convention building authority
created by IC 5-1-17 or any state agency pursuant to a lease or other
agreement entered into between the capital improvement board of
managers and the Indiana stadium and convention building authority
or any state agency pursuant to IC 5-1-17-26, the capital improvement
board of managers or its designee shall deposit the revenues received
under this subsection in a special fund, which may be used only for the
payment of the obligations described in this subsection.

(g) The amount collected from an increase adopted under
subsection (e) shall be deposited in the sports and convention
facilities operating fund established by IC 36-7-31-16.

SECTION 261. IC 6-9-13-2, AS AMENDED BY P.L.214-2005,
SECTION 33, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JULY 1, 2009]: Sec. 2. (a) Except as provided in subsection (b), the

(b) On or before June 30, 2005, the city-county council may, by
ordinance adopted by a majority of the members elected to the
city-county council, increase the county admissions tax from five
percent (5%) to six percent (6%) of the price for admission to any event
described in section 1 of this chapter.

(c) After January 1, 2013, and before March 1, 2013, the
city-county council may, by ordinance adopted by a majority of the
members elected to the city-county council, increase the county
admissions tax rate by not more than four percent (4%) of the

subsection:

(1) the city-county council shall immediately send a certified
copy of the ordinance to the commissioner of the department
of state revenue; and
(2) the tax applies to transactions after the last day of the
month in which the ordinance is adopted, if the city-county
council adopts the ordinance on or before the fifteenth day of
a month. If the city-county council adopts the ordinance after
the fifteenth day of a month, the tax applies to transactions after the last day of the month following the month in which the ordinance is adopted.

The increase in the tax imposed under this subsection continues in effect unless the increase is rescinded.

(c) (d) The amount collected from that portion of the county admissions tax imposed under:

(1) subsection (a) and collected after December 31, 2027; and

So long as there are any current or future obligations owed by the capital improvement board of managers to the Indiana stadium and convention building authority created by IC 5-1-17 or any state agency pursuant to a lease or other agreement entered into between the capital improvement board of managers and the Indiana stadium and convention building authority or any state agency under IC 5-1-17-26, the capital improvement board of managers or its designee shall deposit the revenues received from that portion of the county admissions tax imposed under subsection (b) in a special fund, which may be used only for the payment of the obligations described in this subsection.

(e) The amount collected from an increase adopted under subsection (c) shall be deposited in the sports and convention facilities operating fund established by IC 36-7-31-16.

association representing an educational institution.
(2) An event sponsored by a religious organization.
(3) An event sponsored by a political organization.

(1) December 31 of the calendar year in which the ordinance
is adopted; or
(2) a later date that is set forth in the ordinance.

(d) The tax terminates and may not be collected for events that

Sec. 3. (a) As used in this section, "paid admission" refers to the
price paid by each person who pays a price for admission to any
event described in section 2(a) of this chapter. The term does not
refer to persons who are entitled to be at an event without having
paid a price for admission.

(b) The admission tax equals five percent (5%) of each paid
admission to an event at the complex.

Sec. 4. If the city fiscal body adopts an ordinance under section
2 of this chapter, it shall immediately send a certified copy of the

tax as an agent of the city in which the complex is located.

Sec. 6. A person who collects the admissions tax under section
5 of this chapter shall remit the tax collections to the city fiscal
officer. The person shall remit the revenues collected during a
particular month before the twentieth day of the following month.
At the time the tax revenues are remitted, the person shall file an

Sec. 7. (a) If a tax is imposed under this chapter, the city fiscal
body shall establish a city admissions tax fund.

(b) The city fiscal officer shall deposit money received under section 6 of this chapter in the city admissions tax fund.

(c) Money earned from the investment of money in the city admissions tax fund becomes a part of the fund.

(d) Money in the city admissions tax fund may be used by the city only for the following:

2. All reasonable and necessary architectural, engineering, legal, financing, accounting, advertising, bond discount, and supervisory expenses related to the acquisition and development of the property or the issuance of bonds.

3. Payment of principal and interest on bonds issued, or lease rentals on leases entered into, by the city to finance the construction, reconstruction, or improvement identified under this subsection. Costs payable under this section include costs of capitalized interest and legal, accounting, and other costs incurred in the issuance of any bonds or the entering into of any leases.

4. Payment of any access or connection fee imposed on the complex for access to the city's public sewer system, as long as the fee applies to all property owners served and is uniformly assessed within the city's corporate boundaries.

Sec. 8. (a) The city may:

1. Use revenues from the tax collected under this chapter to pay all or part of the costs associated with the improvements described in section 7(d) of this chapter;
2. Issue bonds, enter into leases, or incur other obligations to pay any costs associated with the improvements described in section 7(d) of this chapter;

   (2) must be issued in the manner prescribed by IC 36-4-6-19 through IC 36-4-6-20;
   (3) may, in the discretion of the city, be sold at a negotiated sale at a price to be determined by the city or in accordance with IC 5-1-11 and IC 5-3-1; and

(c) Leases entered into under this section:

   (2) may provide for payments from revenues under this chapter, any other revenues available to the city, or any combination of these sources;
   (3) may provide that payments by the city to the lessor are required only to the extent and only for the time that the lessor is able to provide the leased facilities in accordance with the lease;
   (4) must be based upon the value of the facilities leased; and
   (5) may not create a debt of the city for purposes of the Constitution of the State of Indiana.

(d) A lease may be entered into by the city only after a public hearing with notice given in accordance with IC 5-3-1 at which all interested parties are provided the opportunity to be heard. SECTION 264. IC 8-16-3.1-0.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 0.5. The definitions set forth in IC 8-16-3-1.5 apply throughout this chapter.

SECTION 265. IC 8-16-3.1-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 4. (a) The executive of any eligible county may provide a major bridge fund in compliance with IC 6-1.1-41 to make available funding for the following purposes:

(1) The construction of major bridges.

(2) In Allen County, the construction, maintenance, and repair of bridges, approaches, and grade separations with respect to structures other than major bridges.

(b) The executive of any eligible county may levy a tax in compliance with IC 6-1.1-41 not to exceed three and thirty-three hundredths cents ($0.0333) on each one hundred dollars ($100) assessed valuation of all taxable personal and real property within the county to provide for the major bridge fund.

(c) The general assembly finds the following:

(1) Allen County eliminated its levy for a cumulative bridge fund to use its levy authority to fund a juvenile center.

(2) Allen County has more bridges than any other county in Indiana, outside of Marion County: Marion County has five hundred twenty-two (522), Allen County has three hundred fifty-one (351), and Hamilton County has two hundred seventy-seven (277).

(3) Allen County has the largest land area of any county in Indiana.

(4) Allen County is the third largest populated county in Indiana.

(5) Allen County has a heavy manufacturing and industrial base, increasing traffic and wear and tear on streets, roads, and bridges.

(6) Allen County has large temperature fluctuations, leading to increased maintenance costs.

(7) Allen County has three (3) major rivers that come together
in the heart of Fort Wayne, which means more bridges are needed in the area due to the infrastructure that accommodates Fort Wayne, the second largest city in Indiana.

(8) Allen County dissolved its cumulative bridge fund in 2002 to provide room in the levy for judicial mandates to build two (2) detention facilities, as the former jail was overcrowded due to the large population.

(9) Allen County has a major bridge fund that is provided to maintain major bridges, but can be used to fund smaller bridges and will not harm the ability of Allen County to pay for obligations caused by judicial mandates.

(10) Expansion of the purposes for Allen County's major bridge fund may be used in Allen County to meet the critical needs in Allen County for the maintenance of bridges other than major bridges in the unincorporated areas of the county.

(d) Because of the findings set forth in subsection (c), except as provided in subsection (e), beginning after June 30, 2009, in Allen County the county executive is responsible for providing funds for the following:

1. All bridges in unincorporated areas of the county.
2. All bridges in each municipality in the county that has entered into an interlocal agreement under IC 36-1-7 with the county to provide bridge funds.

(e) Subsection (d) does not apply to providing funds for bridges on the state highway system.

2. the county executive requests the appropriation; and
3. the appropriation is for the purpose of constructing, maintaining, or repairing bridges, approaches, or grade separations with respect to structures other than major bridges.

(5) Access for transit dependent populations, including access by low income communities to places of employment, using analyses provided by the department of workforce development and other planning agencies regarding employment and transportation availability, and giving consideration to the location of employment centers in each county and the availability of public transportation at off peak hours and on weekends.

If the executive director is unable to mediate a resolution of any dispute, the executive director may provide a written determination recommending a change in the fares or charges or the allocation of revenues for the service or directing a change in the nature or provider of service that is the subject of the dispute. The executive director shall base the determination upon the goals and objectives of the district's plan. The determination shall be presented to the district board for a final determination. Chapter 15. Leases and Agreements With Public Transportation Agencies

Sec. 1. (a) Before a lease may be entered into by a service division, the service board for the service division must find that the lease rental provided for is fair and reasonable.

(b) A lease of land or a project by a service division:

(1) may not have a term exceeding twenty-five (25) years;

(2) may not require payment of lease rentals for a newly constructed project or for improvements to an existing project until the project or improvements to the project have been completed and are ready for occupancy or use;

(3) may contain provisions:

(A) allowing the service division to continue to operate an existing project until completion of the acquisition, improvements, reconstruction, or renovation of that project or any other project; and

(B) requiring payment of lease rentals for land, for an existing project being used, reconstructed, or renovated, or for any other existing project;

(4) may contain an option to renew the lease for the same or a shorter term on the conditions provided in the lease;

(5) must contain an option for the service division to purchase the project upon the terms stated in the lease during the term of the lease for a price equal to the amount required to pay all indebtedness incurred on account of the project, including indebtedness incurred for the refunding of that indebtedness;

(6) may be entered into before acquisition or construction of a project;

(7) may provide that the service division shall agree to:

(A) pay any taxes and assessments on the project;

(B) maintain insurance on the project for the benefit of the
district;
(C) assume responsibility for utilities, repairs, alterations, and any costs of operation; and
(D) pay a deposit or series of deposits to the lessor from any funds available to the service division before the commencement of the lease to secure the performance of the service division's obligations under the lease; and
(8) must provide that the lease rental payments by the service division shall be made from:
   (A) net revenues of the project;
   (B) any other funds available to the service division; or

No law, procedure, proceedings, publications, notices, consents, approvals, orders, or acts by the service division or any other officer, department, agency, or instrumentality of the state or any political subdivision is required to enter into any lease, except as prescribed in this article.

Sec. 3. If a lease provides for a project or improvements to a project to be constructed by a service division, the plans and specifications shall be submitted to and approved by all state agencies designated by law to pass on plans and specifications for public buildings.

Sec. 4. The service divisions may enter into common wall (party wall) agreements or other agreements concerning easements or licenses. These agreements shall be recorded with the recorder of the county in which the project is located.

Sec. 5. A service division may lease for a nominal lease rental, or sell to the other service division, one (1) or more projects or parts of a project or land on which a project is located or is to be constructed.

Chapter 16. Distributions; Grants
Sec. 1. The district shall use the money received by the district for the capital and operating expenses of the district and the district's service divisions.

Sec. 2. Excluding any amount restricted to a particular use by law or the grantor, the district shall allocate the amounts received by the district between:
   (1) the capital expenses and operation cost of the district's commuter service division; and
   (2) the capital expenses and operation cost of the district's bus
service division.

Sec. 3. A distribution received by a service division from the district must be used in accordance with the district's transportation plan.

Chapter 17. Regional Transportation Improvement Income Tax

Sec. 1. (a) An improvement tax may be imposed on the adjusted gross income of county taxpayers by the board. To impose the improvement tax, the board must first request a determination of the improvement tax rate that may be imposed in each county under section 2 of this chapter.

(b) The bus service board and the commuter rail service board shall make recommendations to the board regarding the part of the improvement income tax rate in each county that shall be dedicated to the bus service division and to the commuter rail service division.

Sec. 2. A county's improvement tax rate in a member county may not exceed the lesser of twenty-five hundredths percent (0.25%) or the rate for that member county as determined under section 3 of this chapter.

Sec. 3. (a) If the board desires to impose the improvement tax, the board must first make written findings concerning the following:

1. The value of the public transportation facilities of the district and the service divisions that the board proposes to put in service after December 31, 2009, and to be allocated to each member county.

2. The total amount of the capital needs of the district and the service divisions for the five (5) year period beginning in the year of the request, reduced by the amount of capital costs that will be paid from sources other than the improvement tax.

3. The annual amount of capital costs that the board proposes to be allocated to each member county for the five (5) year period beginning in the year of the request, reduced by the amount of capital costs that will be paid from sources other than the improvement tax. In determining the amount to propose for capital costs to be allocated to each member county, the board shall allocate the capital costs according to a formula established by the board that reflects the benefit received by the county from the capital costs in facilitating public transportation in the county and to and from the
county.

(4) The total amount of the operating needs of the district and service districts for the five (5) year period beginning in the year of the request, reduced by the amount of operating expenses that will be paid from sources other than the improvement tax.

(5) The annual amount of operating expenses that the board proposes to be allocated to each member county for the five (5) year period beginning in the year of the request, using the total number of passengers and total miles traveled by individuals using public transportation within each member county that is provided by the district, reduced by the amount of operating expenses that will be paid from sources other than the improvement tax.

(b) In determining capital and operating costs under subsection (a), the costs shall be allocated, as determined by the board, to the capital expenses and operation costs of the district's commuter rail service division and the district's bus service division.

(c) Based on the findings under subsection (a) and the required allocation under subsection (b), the board shall make a determination and certify to the department the improvement tax rate that will be necessary for each year of the five (5) year period in each member county to pay for both the annual capital costs and annual operating expenses that are allocated to that member county. The rate imposed in a member county must be sufficient to raise the annual capital costs and annual operating expenses allocated to the county.

(d) A determination under this section shall be made using the best information available. The budget agency shall assist the board in computing the appropriate tax rates for each member county.

(e) The board may adopt a resolution adjusting the tax rate in a member county if the rates are too low to pay for both the annual capital costs and annual operating expenses that are allocated to each member county.

(f) The budget agency may cause a new determination to be made if:

(1) the budget director finds that the actual annual capital costs and annual operating expenses are less than the improvement tax revenue for two (2) consecutive years such that the improvement tax rate could be reduced by at least
five-hundredths percent (0.05%) for a member county; or
(2) it has been more than three (3) years since the previous
determination was made.
If a new determination under this subsection results in the
improvement tax rate for each member county being at least
five-hundredths percent (0.05%) less than the rate in effect in the
year the new determination is made, the rate for each member
county is reduced to the new rate without any action by the board.
The new rate takes effect October 1 of the year of the new
determination. The budget agency shall certify the new
improvement tax rate to the board and the department.
Sec. 4. (a) To impose the improvement tax, the board must first
publish a notice in each member county in accordance with
IC 5-3-1. In addition to the requirements of IC 5-3-1, the notice
must include:
(1) a clear and concise statement that the board will be
considering the imposition of the regional transportation
improvement tax at the meeting; and
(2) the content of the proposed resolution to impose the
improvement tax.
(b) To impose the improvement tax, the board must, after
March 31 but before August 1 of a year, adopt a resolution. The
resolution to impose the tax must include the rate for each member
county and substantially state the following for each member
county:
"The Northern Indiana Regional Transportation District
imposes the regional transportation improvement tax on the
county taxpayers of _________ County. The improvement tax
is imposed at a rate of _________ percent (____%) of taxable
income. This tax takes effect October 1 of this year.".
Sec. 5. (a) The board may increase or decrease the improvement
tax rate imposed upon the county taxpayers in each member
county as long as the resulting rate does not exceed the rate
certified under section 3 of this chapter.
(b) To increase the improvement tax rate, the board must first
publish a notice in each member county in accordance with
IC 5-3-1. In addition to the requirements of IC 5-3-1, the notice
must include the content of the proposed resolution to increase the
improvement tax rate.
(c) To decrease or increase the rate, the board must, after
March 31 but before August 1 of a year, adopt a resolution. The
resolution to increase or decrease the tax must include the rate for each member county and substantially state the following for each member county:

"The Northern Indiana Regional Transportation District increases (decreases) the regional transportation improvement tax rate imposed upon the county taxpayers of _____________ County from _____ percent (___%) to _____ percent (___%) of taxable income. This tax rate increase (decrease) takes effect October 1 of this year."

Sec. 6. (a) The improvement tax imposed under this chapter remains in effect until rescinded.

(b) The board may rescind the tax by adopting a resolution to rescind the tax after March 31 but before August 1 of a year.

Sec. 7. (a) Any resolution adopted under this chapter takes effect October 1 of the year the resolution is adopted.

(b) The secretary of the board shall record all votes taken on resolutions presented for a vote under the authority of this chapter and shall, not more than ten (10) days after the vote, send a certified copy of the results to the department and the budget director by certified mail.

Sec. 8. (a) A special account within the state general fund shall be established for the district. Any revenue derived from the imposition of the improvement tax shall be credited to the district's account in the state general fund.

(b) Any income earned on money credited to an account under subsection (a) becomes a part of that account.

(c) Any revenue credited to an account established under subsection (a) at the end of a fiscal year may not be credited to any other account in the state general fund. Money in the district’s account is appropriated to make distributions required by this chapter.

Sec. 9. (a) Revenue derived from the imposition of the improvement tax shall be distributed to the treasurer of the board.

(b) Before August 2 of each calendar year, the budget agency shall certify to the treasurer of the board the amount of improvement tax revenue that the department determines has been:

(1) received for the district for the taxable year ending before the calendar year in which the determination is made; and
(2) reported on an annual return or amended return processed by the department in the state fiscal year ending
before July 1 of the calendar year in which the determination is made.
The amount shall be adjusted as provided in this section. The amount certified is the district's certified distribution for the following calendar year.

(c) The budget agency shall adjust the amount determined under subsection (b) for:

(1) refunds of improvement tax made in the state fiscal year;

and

(2) the amount of interest in the district's special account that has been accrued but has not been included in a certification made in a preceding year.

(d) The budget agency shall certify an amount that is less than the amount determined under subsection (c) if the budget agency determines that the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The budget agency may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.

(e) The budget agency shall certify an amount that is more than the amount determined under subsection (c) if the budget agency determines that the increased distribution is necessary to offset underpayments made in a calendar year before the calendar year of the distribution.

(f) The budget agency shall adjust the certified distribution of the district to correct for any clerical or mathematical errors made in any previous certification under this section. The budget agency may reduce the amount of the certified distribution over several calendar years so that any reduction under this subsection is offset over several years rather than in one (1) lump sum.

(g) This subsection applies if the district:

(1) initially imposed the improvement tax; or

(2) increases the improvement tax rate;

under this chapter and the tax or increased rate takes effect in the same calendar year in which the budget agency makes a certification under this section. The budget agency shall adjust the certified distribution of a county to provide for a distribution in the immediately following calendar year.

(h) The budget agency shall provide to the treasurer of the board an informative summary of the calculations used to
determine the certified distribution. The summary of calculations must include the following:

(1) The amount reported on individual income tax returns processed by the department during the previous state fiscal year.

(2) Adjustments for:
   (A) refunds;
   (B) special account interest;
   (C) over or under distributions in prior years;
   (D) clerical or mathematical errors in prior years; and
   (E) tax rate changes.

(3) The balance in the district's special account as of the cutoff date set by the budget agency.

(i) One-twelfth (1/12) of a district's certified distribution for a calendar year shall be distributed from the district's account to the treasurer of the board each month.

Sec. 10. The district shall deposit the amount received under this chapter as follows:

(1) An amount equal to the budgeted annual capital costs as certified by the budget agency in a separate capital account.

(2) An amount equal to the budgeted operating expenses as certified by the budget agency in a separate operating account.

(3) Any part of a distribution remaining after making the deposits required under subdivisions (1) and (2) shall be deposited in a separate reserve account.

Sec. 11. (a) For purposes of this chapter, an individual shall be treated as a resident of the county in which the individual:

(1) maintains a home if the individual maintains only one (1) home in Indiana;

(2) if subdivision (1) does not apply, is registered to vote;

(3) if subdivisions (1) and (2) do not apply, registers the individual's personal automobile; or

(4) if subdivisions (1), (2), and (3) do not apply, spends the majority of the individual's time in Indiana during the taxable year in question.

(b) The residence or principal place of business or employment of an individual is to be determined on January 1 of the calendar year in which the individual's taxable year commences. If an individual changes the location of the individual's residence or principal place of employment or business to another county in
Indiana during a calendar year, the individual's liability for improvement tax is not affected.

Sec. 12. If the improvement tax is not in effect during a county taxpayer's entire taxable year, the amount of improvement tax that the county taxpayer owes for that taxable year equals the product of:

1. the amount of improvement tax the county taxpayer would owe if the tax had been imposed during the county taxpayer's entire taxable year; multiplied by
2. a fraction, the:
   (A) numerator of which equals the number of days during the county taxpayer's taxable year during which the improvement tax was in effect; and
   (B) denominator of which equals three hundred sixty-five (365).

Sec. 13. (a) If for the taxable year a county taxpayer is (or a county taxpayer and the county taxpayer's spouse who file a joint return are) allowed a credit for the elderly or individuals with a total disability under Section 22 of the Internal Revenue Code, the county taxpayer is (or the county taxpayer and the county taxpayer's spouse are) entitled to a credit against the county taxpayer's (or the county taxpayer's and the county taxpayer's spouse's) improvement tax liability for that same taxable year. The amount of the credit equals the lesser of:

1. the product of:
   (A) the county taxpayer's (or the county taxpayer's and the county taxpayer's spouse's) credit for the elderly or individuals with a total disability for that same taxable year; multiplied by
   (B) a fraction, the:
      (i) numerator of which is the improvement tax rate imposed against the county taxpayer (or against the county taxpayer and the county taxpayer's spouse); and
      (ii) denominator of which is fifteen-hundredths (0.15); or
2. the amount of improvement tax imposed on the county taxpayer (or the county taxpayer and the county taxpayer's spouse).

(b) If a county taxpayer and the county taxpayer's spouse file a joint return and are subject to different improvement tax rates for the same taxable year, they shall compute the credit under this section by using the formula provided by subsection (a), except that
they shall use the average of the two (2) improvement tax rates imposed against them as the numerator referred to in subsection (a)(1)(B)(i).

Sec. 14. (a) Except as otherwise provided in this chapter, all provisions of the adjusted gross income tax law (IC 6-3) concerning:

1) definitions;
2) declarations of estimated tax;
3) filing of returns;
4) remittances;
5) incorporation of the provisions of the Internal Revenue Code;
6) penalties and interest;
7) exclusion of military pay credits for withholding; and
8) exemptions and deductions;
apply to the imposition, collection, and administration of the improvement tax.

(b) IC 6-3-1-3.5(a)(6), IC 6-3-3-3, IC 6-3-3-5, and IC 6-3-5-1 do not apply to the improvement tax.

(c) Notwithstanding subsections (a) and (b), each employer shall report to the department the amount of withholdings of the improvement tax attributable to each county. This report shall be submitted to the department:

1) each time the employer remits to the department the tax that is withheld; and
2) annually along with the employer's annual withholding report.

Sec. 15. The improvement tax is a listed tax and an income tax for the purposes of IC 6-8.1.

SECTION 331. IC 20-43-3-4, AS AMENDED BY P.L.146-2008, SECTION 485, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 4. (a) This subsection applies to calendar year 2009. A school corporation's previous year revenue equals the amount determined under STEP TWO of the following
formula:

STEP ONE: Determine the sum of the following:

(A) The school corporation's basic tuition support for the year that precedes the current year.

(B) The school corporation's maximum permissible tuition support levy for calendar year 2008.

(C) The school corporation's excise tax revenue for calendar year 2007.

STEP TWO: Subtract from the STEP ONE result an amount equal to the reduction in the school corporation's state tuition support under any combination of subsection (b), (c), subsection (d), IC 20-10.1-2-1 (before its repeal), or IC 20-30-2-4.

(b) This subsection applies to calendar years 2010 and 2011. A school corporation's previous year revenue equals the amount determined under STEP TWO of the following formula:

STEP ONE: Determine the sum of the following:

(A) The school corporation's basic tuition support for the year that precedes the current year.

(B) For calendar year 2010, the amount of education stabilization funds received by the school corporation in calendar year 2009 under Section 14002(a) of the federal American Recovery and Reinvestment Act of 2009 (ARRA).

(C) The amount of the annual decrease in federal aid to impacted areas from the year preceding the ensuing calendar year by three (3) years to the year preceding the ensuing calendar year by two (2) years.

STEP TWO: Subtract from the STEP ONE result an amount equal to the reduction in the school corporation's state tuition support under any combination of subsection (c) or IC 20-30-2-4.

(b) (c) A school corporation's previous year revenue must be reduced if:

(1) the school corporation's state tuition support for special education or career and technical education is reduced as a result of a complaint being filed with the department after December 31, 1988, because the school program overstated the number of children enrolled in special education programs or career and technical education programs; and

(2) the school corporation's previous year revenue has not been reduced under this subsection more than one (1) time because of
a given overstatement.
The amount of the reduction equals the amount the school corporation
would have received in state tuition support for special education and
career and technical education because of the overstatement.

subsection (d) This section applies only to 2009. A school corporation's
previous year revenue must be reduced if an existing elementary or
secondary school located in the school corporation converts to a charter
school under IC 20-24-11. The amount of the reduction equals the
product of:

(1) the sum of the amounts distributed to the conversion charter
school under IC 20-24-7-3(c) and IC 20-24-7-3(d) (as effective
December 31, 2008); multiplied by
(2) two (2).

SECTION 332. IC 20-43-4-7, AS AMENDED BY P.L.234-2007,
SECTION 240, IS AMENDED TO READ AS FOLLOWS
[EFFECTIVE JANUARY 1, 2010]: Sec. 7. (a) This subsection does not
apply to a charter school. When calculating adjusted ADM for 2008
2010 distributions, this subsection, as effective after December 31,
2007, 2009, shall be used to calculate the adjusted ADM for the
previous year rather than the calculation used to calculate adjusted
ADM for 2007 2009 distributions. For purposes of this article, a school
corporation's "adjusted ADM" for the current year is the result
determined under the following formula:

STEP ONE: Determine the sum of the following:

(A) The school corporation's ADM for the year preceding the
current year by four (4) years multiplied by two-tenths (0.2).
(B) The school corporation's ADM for the year preceding the
current year by three (3) years multiplied by two-tenths (0.2).
(C) The school corporation's ADM for the year preceding
the current year by two (2) years multiplied divided by
two-tenths (0.2): three (3).
(D) The school corporation's ADM for the year preceding
the current year by one (1) year multiplied divided by
two-tenths (0.2): three (3).
(E) The school corporation's ADM for the current year
multiplied divided by two-tenths (0.2): three (3).

STEP TWO: Determine the school corporation's ADM for the
current year.

STEP THREE: Determine the greater of the following:
(A) The STEP ONE result.
(B) The STEP TWO result.
(b) A charter school's adjusted ADM for purposes of this article is the charter school's current ADM.

SECTION 333. IC 20-43-5-3, AS AMENDED BY P.L.3-2008, SECTION 125, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 3. A school corporation's complexity index is determined under the following formula:

STEP ONE: Determine the greater of zero (0) or the result of the following:

(1) Determine the percentage of the school corporation's students who were eligible for free or reduced price lunches in the school year ending in the later of:
   (A) 2007 for purposes of determining the complexity index in 2009, and 2009 for the purposes of determining the complexity index in 2010 and 2011; or
   (B) the first year of operation of the school corporation.
(2) Determine the quotient of:
   (A) in 2008:
      (i) two thousand two hundred fifty dollars ($2,250); divided by
      (ii) four thousand seven hundred ninety dollars ($4,790); and
   (B) (A) in 2009:
      (i) two thousand four hundred dollars ($2,400); divided by
      (ii) four thousand eight hundred twenty-five dollars ($4,825);
   (B) in 2010:
      (i) two thousand two hundred sixty-three dollars ($2,263); divided by
      (ii) four thousand five hundred fifty dollars ($4,550); and
   (C) in 2011:
      (i) two thousand two hundred forty-one dollars ($2,241); divided by
      (ii) four thousand five hundred five dollars ($4,505).
(3) Determine the product of:
   (A) the subdivision (1) amount; multiplied by
   (B) the subdivision (2) amount.

STEP TWO: Determine the result of one (1) plus the STEP ONE result.

STEP THREE: This STEP applies if the STEP TWO result is
equal to or greater than at least one and twenty-five hundredths (1.25). Determine the result of the following:

(1) Subtract one and twenty-five hundredths (1.25) from the STEP TWO result.

(2) Determine the result of:
   (A) the STEP TWO result; plus
   (B) the subdivision (1) result.

The data to be used in making the calculations under STEP ONE must be the data collected in the annual pupil enrollment count by the department.

SECTION 334. IC 20-43-5-4, AS AMENDED BY P.L.234-2007, SECTION 244, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 4. A school corporation's foundation amount for a calendar year is the result determined under STEP TWO of the following formula:

STEP ONE: Determine The STEP ONE amount is:
   (A) in 2008, four thousand seven hundred ninety dollars ($4,790); or
   (B) (A) in 2009, four thousand eight hundred twenty-five dollars ($4,825);
   (B) in 2010, four thousand five hundred fifty dollars ($4,550); and
   (C) in 2011, four thousand five hundred five dollars ($4,505).

STEP TWO: Multiply the STEP ONE amount by the school corporation's complexity index.

SECTION 335. IC 20-43-5-5, AS ADDED BY P.L.2-2006, SECTION 166, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 5. A school corporation's previous year revenue foundation amount for a calendar year is equal to the result of:

(1) the school corporation's previous year revenue; divided by
   (2) the school corporation's adjusted ADM for the previous year.

SECTION 336. IC 20-43-5-6, AS AMENDED BY P.L.234-2007, SECTION 245, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 6. (a) A school corporation's transition to foundation amount for a calendar year is equal to the result determined under STEP THREE of the following formula:

STEP ONE: Determine the difference of:
   (A) the school corporation's foundation amount; minus
(B) the school corporation's previous year revenue foundation amount.

STEP TWO: Divide the STEP ONE result by:

(A) four (4) in 2008; or
(B) three (3) in 2009;
(C) two (2) in 2010; and
(D) one (1) in 2011.

STEP THREE: A school corporation's STEP THREE amount is the following:

(A) For a charter school located outside Marion County that has previous year revenue that is not greater than zero (0), the charter school's STEP THREE amount is the quotient of:

(i) the school corporation's transition to foundation revenue for the calendar year where the charter school is located;

(ii) the school corporation's current ADM.

(B) For a charter school located in Marion County that has previous year revenue that is not greater than zero (0), the charter school's STEP THREE amount is the weighted average of the transition to foundation revenue for the school corporations where the students counted in the current ADM of the charter school have legal settlement, as determined under item (iv) of the following formula:

(i) Determine the transition to foundation revenue for each school corporation where a student counted in the current ADM of the charter school has legal settlement.

(ii) For each school corporation identified in item (i), divide the item (i) amount by the school corporation's current ADM.

(A) reasonable and adequate police protection can be provided through the consolidation; and
(B) the consolidation is in the public interest.

(c) If an ordinance is adopted under this section, the consolidation shall take effect on the date specified in the ordinance.

Approval of the city-county legislative body or, when subsection (d) applies, the fiscal body of an excluded city or town is required for the issuance of
bonds. The city-county legislative body or the fiscal body of an excluded city or town may not reduce or modify a budget or tax levy of an entity listed in subsection (a) in a manner that would:

1. limit or restrict the rights vested in the entity to fulfill the terms of any agreement made with the holders of the entity's bonds; or
2. in any way impair the rights or remedies of the holders of the entity's bonds.

(d) If the assessed valuation of a taxing unit is entirely contained within an excluded city or town (as described in IC 36-3-1-7) that is located in a county having a consolidated city, the governing body of the taxing unit shall submit its proposed operating and maintenance budget and tax levies to the city or town fiscal body for approval and not the city-county legislative body. Except as provided in subsection (c), the fiscal body of the excluded city or town may reduce or modify but not increase a proposed operating and maintenance budget or tax levy under this section.

SECTION 402. IC 36-4-3-4, AS AMENDED BY P.L.111-2005, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 4. (a) The legislative body of a municipality may, by ordinance, annex any of the following:

1. Territory that is contiguous to the municipality.
2. Territory that is not contiguous to the municipality and is occupied by a municipally owned or operated airport or landing field.
3. Territory that is not contiguous to the municipality but is found by the legislative body to be occupied by a municipally owned or regulated sanitary landfill, golf course, or hospital. However, if territory annexed under this subsection ceases to be used as a municipally owned or regulated sanitary landfill, golf course, or hospital for at least one (1) year, the territory reverts to the jurisdiction of the unit having jurisdiction before the annexation if the unit that had jurisdiction over the territory still exists. If the unit no longer exists, the territory reverts to the jurisdiction of the unit that would currently have jurisdiction over the territory if the annexation had not occurred. The clerk of the municipality shall notify the offices required to receive notice of a disannexation under section 19 of this chapter when the territory reverts to the jurisdiction of the unit having jurisdiction before the annexation.
(b) This subsection applies to municipalities in a county having a population of:

1. more than seventy-three thousand (73,000) but less than seventy-four thousand (74,000);
2. more than seventy-one thousand four hundred (71,400) but less than seventy-three thousand (73,000);
3. more than seventy thousand (70,000) but less than seventy-one thousand (71,000);
4. more than forty-five thousand (45,000) but less than forty-five thousand nine hundred (45,900);

10. more than thirty-four thousand nine hundred fifty (34,950) but less than thirty-six thousand (36,000).

Except as provided in subsection (c), the legislative body of a municipality to which this subsection applies may, by ordinance, annex territory that is not contiguous to the municipality, has its entire area not more than two (2) miles from the municipality's boundary, is to be used for an industrial park containing one (1) or more businesses, and is either owned by the municipality or by a property owner who consents to the annexation. However, if territory annexed under this subsection is not used as an industrial park within five (5) years after the date of passage of the annexation ordinance, or if the territory ceases to be used as an industrial park for at least one (1) year, the territory reverts to the jurisdiction of the unit having jurisdiction before the annexation if the unit that had jurisdiction over the territory still exists. If the unit no longer exists, the territory reverts to the jurisdiction of the unit that would currently have jurisdiction over the territory if the annexation had not occurred. The clerk of the municipality shall notify the offices entitled to receive notice of a disannexation under section 19 of this chapter when the territory
reverts to the jurisdiction of the unit having jurisdiction before the annexation.

(c) A city in a county with a population of more than two hundred thousand (200,000) but less than three hundred thousand (300,000) may not annex territory as prescribed in subsection (b) until the territory is zoned by the county for industrial purposes.

(d) Notwithstanding any other law, territory that is annexed under subsection (b) or (h) is not considered a part of the municipality for the purposes of:

(1) annexing additional territory:
   (A) in a county that is not described by clause (B); or
   (B) in a county having a population of more than two hundred thousand (200,000) but less than three hundred thousand (300,000), unless the boundaries of the noncontiguous territory become contiguous to the city, as allowed by Indiana law;

(2) expanding the municipality's extraterritorial jurisdictional area; or

(3) changing an assigned service area under IC 8-1-2.3-6(1).

(e) As used in this section, "airport" and "landing field" have the meanings prescribed by IC 8-22-1.

(f) As used in this section, "hospital" has the meaning prescribed by IC 16-18-2-179(b).

(g) An ordinance adopted under this section must assign the territory annexed by the ordinance to at least one (1) municipal legislative body district.

(h) This subsection applies to a city having a population of more than thirty-one thousand (31,000) but less than thirty-two thousand (32,000). The legislative body of a city may, by ordinance, annex territory that:

(1) is not contiguous to the city;

(3) does not extend more than:
   (A) one and one-half (1 1/2) miles to the west;
   (B) three-fourths (3/4) mile to the east;
   (C) one-half (1/2) mile to the north; or
   (D) one-half (1/2) mile to the south;

SECTION 403. IC 36-4-8-15.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 15.5. (a) This section applies to:

(1) a city or county in which a riverboat (as defined in IC 4-33-2-17) is docked or located or gambling games (as defined in IC 4-35-2-5) are located; and

(2) a school corporation that is located in any part in a county described in subdivision (1) or in a county in which a city described in subdivision (1) is located.

(b) A city or county may do any of the following:

(1) Enter into one (1) or more agreements or leases with the school corporation or another public or private entity to provide for the construction or renovation of a school building that will be used by the school corporation. The agreements and leases may provide for the financing of the construction or renovation of the school building.

(2) A school building constructed or renovated as provided in subdivision (1) may be donated, sold, or leased to the school corporation under the conditions determined by the school corporation and the city or county.

(3) The city or county may use any revenues (including any gaming revenues) to pay for the construction or renovation of the school building or to finance the construction or renovation of the school building.

SECTION 404. IC 36-7-14-39, AS AMENDED BY P.L.88-2009, SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 39. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a declaratory resolution adopted under section 15 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory
resolution, as adjusted under subsection (h); plus
(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:
   (A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
   (B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(3) If:
   (A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and
   (B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;
the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the
definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997. 

Except as provided in section 39.3 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A declaratory resolution adopted under section 15 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the allocation provision is established. First obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the
redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the redevelopment district and, when collected, paid into an allocation fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by it for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this
chapter) that are physically located in or physically connected to that allocation area.
(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.
(I) For property taxes first due and payable before January 1, 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:
STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.
STEP TWO: Divide:
   (i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by
   (ii) the STEP ONE sum.
STEP THREE: Multiply:
   (i) the STEP TWO quotient; times
   (ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that have been allocated during that year to an allocation fund under this section.
If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter (before its repeal) in the same year.
(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.
(K) Reimburse public and private entities for expenses
incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(L) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

(i) Make, when due, any payments required under clauses (A) through (K), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.

(ii) Make any reimbursements required under this subdivision.

(iii) Pay any expenses required under this subdivision.

(iv) Establish, augment, or restore any debt service reserve under this subdivision.

The allocation fund may not be used for operating expenses of the commission.

(3) Except as provided in subsection (g), before July 15 of each year the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the
property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation of assessed value to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (2) or lessors under section 25.3 of this chapter.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.
(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

1. the assessed value of the property as valued without regard to this section; or
2. the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. The amount sufficient for purposes specified in subsection (b)(2) for the year shall be determined based on the prorata portion of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(2), except that where reference is made in subsection (b)(2) to allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) The state board of accounts and department of local government
finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.
(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.
(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final allocation deadline.

SECTION 405. IC 36-7-14.5-12.5, AS AMENDED BY P.L.146-2008, SECTION 742, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 12.5. (a) This section applies only to an authority in a county having a United States government military base that is scheduled for closing or is completely or partially inactive or closed.

(b) In order to accomplish the purposes set forth in section 11 of this
chapter, an authority may create an economic development area:

1) by following the procedures set forth in IC 36-7-14-41 for the establishment of an economic development area by a redevelopment commission; and

2) with the same effect as if the economic development area was created by a redevelopment commission.

The area established under this section shall be established only in the area where a United States government military base that is scheduled for closing or is completely or partially inactive or closed is or was located.

(c) In order to accomplish the purposes set forth in section 11 of this chapter, an authority may do the following in a manner that serves an economic development area created under this section:

1) Acquire by purchase, exchange, gift, grant, condemnation, or lease, or any combination of methods, any personal property or interest in real property needed for the redevelopment of economic development areas located within the corporate boundaries of the unit.

2) Hold, use, sell (by conveyance by deed, land sale contract, or other instrument), exchange, lease, rent, or otherwise dispose of property acquired for use in the redevelopment of economic development areas on the terms and conditions that the authority considers best for the unit and the unit's inhabitants.

3) Sell, lease, or grant interests in all or part of the real property acquired for redevelopment purposes to any other department of the unit or to any other governmental agency for public ways, levees, sewerage, parks, playgrounds, schools, and other public purposes on any terms that may be agreed on.

4) Clear real property acquired for redevelopment purposes.

5) Repair and maintain structures acquired for redevelopment purposes.

6) Remodel, rebuild, enlarge, or make major structural improvements on structures acquired for redevelopment purposes.

7) Survey or examine any land to determine whether the land should be included within an economic development area to be acquired for redevelopment purposes and to determine the value of that land.

8) Appear before any other department or agency of the unit, or before any other governmental agency in respect to any matter affecting:
(A) real property acquired or being acquired for redevelopment purposes; or
(B) any economic development area within the jurisdiction of the authority.

(9) Institute or defend in the name of the unit any civil action, but all actions against the authority must be brought in the circuit or superior court of the county where the authority is located.

(10) Use any legal or equitable remedy that is necessary or considered proper to protect and enforce the rights of and perform the duties of the authority.

(11) Exercise the power of eminent domain in the name of and within the corporate boundaries of the unit subject to the same conditions and procedures that apply to the exercise of the power of eminent domain by a redevelopment commission under IC 36-7-14.

(12) Appoint an executive director, appraisers, real estate experts, engineers, architects, surveyors, and attorneys.

(13) Appoint clerks, guards, laborers, and other employees the authority considers advisable, except that those appointments must be made in accordance with the merit system of the unit if such a system exists.

(14) Prescribe the duties and regulate the compensation of employees of the authority.

(15) Provide a pension and retirement system for employees of the authority by using the public employees' retirement fund or a retirement plan approved by the United States Department of Housing and Urban Development.

(16) Discharge and appoint successors to employees of the authority subject to subdivision (13).

(17) Rent offices for use of the department or authority, or accept the use of offices furnished by the unit.

(18) Equip the offices of the authority with the necessary furniture, furnishings, equipment, records, and supplies.

(19) Design, order, contract for, and construct, reconstruct, improve, or renovate the following:
   (A) Any local public improvement or structure that is necessary for redevelopment purposes or economic development within the corporate boundaries of the unit.
   (B) Any structure that enhances development or economic development.
(20) Contract for the construction, extension, or improvement of pedestrian skyways (as defined in IC 36-7-14-12.2(c)).

(21) Accept loans, grants, and other forms of financial assistance from, or contract with, the federal government, the state government, a municipal corporation, a special taxing district, a foundation, or any other source.

(22) Make and enter into all contracts and agreements necessary or incidental to the performance of the duties of the authority and the execution of the powers of the authority under this chapter.

(23) Take any action necessary to implement the purpose of the authority.

(24) Provide financial assistance, in the manner that best serves the purposes set forth in section 11 of this chapter, including grants and loans, to enable private enterprise to develop, redevelop, and reuse military base property or otherwise enable private enterprise to provide social and economic benefits to the citizens of the unit.

(d) An authority may designate all or a portion of an economic development area created under this section as an allocation area by following the procedures set forth in IC 36-7-14-39 for the establishment of an allocation area by a redevelopment commission. The allocation provision may modify the definition of "property taxes" under IC 36-7-14-39(a) to include taxes imposed under IC 6-1.1 on the depreciable personal property located and taxable on the site of operations of designated taxpayers in accordance with the procedures applicable to a commission under IC 36-7-14-39.3. IC 36-7-14-39.3 applies to such a modification. An allocation area established by an authority under this section is a special taxing district authorized by the general assembly to enable the unit to provide special benefits to taxpayers in the allocation area by promoting economic development that is of public use and benefit. For allocation areas established for an economic development area created under this section after June 30, 1997, and to the expanded portion of an allocation area for an economic development area that was established before June 30, 1997, and that is expanded under this section after June 30, 1997, the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date, must be allocated. All of the provisions of IC 36-7-14-39 apply to an allocation area created under this section, except that the authority shall be vested with the rights and
duties of a commission as referenced in those sections, and except that, notwithstanding IC 36-7-14-39(b)(2), property tax proceeds paid into the allocation fund may be used by the authority only to do one (1) or more of the following:

(1) Pay the principal of and interest and redemption premium on any obligations incurred by the special taxing district or any other entity for the purpose of financing or refinancing military base reuse activities in or serving or benefiting that allocation area.

(2) Establish, augment, or restore the debt service reserve for obligations payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the authority (including lease rental revenues).

(3) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(4) Reimburse any other governmental body for expenditures made by it for local public improvements or structures in or serving or benefiting that allocation area.

(5) For property taxes first due and payable before 2009, pay all or a portion of a property tax replacement credit to taxpayers in an allocation area as determined by the authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in
full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under IC 36-7-14-39.5 (before its repeal) in the same year.

(6) Pay expenses incurred by the authority for local public improvements or structures that are in the allocation area or serving or benefitting the allocation area.

(7) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:
   (A) in the allocation area; and
   (B) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in clause (B). The reimbursements under this subdivision must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made. The allocation fund may not be used for operating expenses of the authority.

(e) In addition to other methods of raising money for property acquisition, redevelopment, or economic development activities in or directly serving or benefitting an economic development area created by an authority under this section, and in anticipation of the taxes allocated under subsection (d), other revenues of the authority, or any combination of these sources, the authority may, by resolution, issue the bonds of the special taxing district in the name of the unit. Bonds issued under this section may be issued in any amount without limitation. The following apply if such a resolution is adopted:

   (1) The authority shall certify a copy of the resolution authorizing the bonds to the municipal or county fiscal officer, who shall then prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.
   (2) The bonds must be executed by the appropriate officer of the unit and attested by the unit's fiscal officer.
   (3) The bonds are exempt from taxation for all purposes.
   (4) Bonds issued under this section may be sold at public sale in accordance with IC 5-1-11 or at a negotiated sale.
   (5) The bonds are not a corporate obligation of the unit but are an
indebtedness of the taxing district. The bonds and interest are payable, as set forth in the bond resolution of the authority:

- (A) from the tax proceeds allocated under subsection (d);
- (B) from other revenues available to the authority; or
- (C) from a combination of the methods stated in clauses (A) and (B).

(6) Proceeds from the sale of bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issuance.

(7) Laws relating to the filing of petitions requesting the issuance of bonds and the right of taxpayers and voters to remonstrate against the issuance of bonds do not apply to bonds issued under this section.

(8) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(9) If bonds are issued under this chapter that are payable solely or in part from revenues to the authority from a project or projects, the authority may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the authority. The authority may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the authority that are payable solely from revenues of the authority shall contain a statement to that effect in the form of bond.

(f) Notwithstanding section 8(a) of this chapter, an ordinance adopted under section 11 of this chapter may provide, or be amended to provide, that the board of directors of the authority shall be composed of not fewer than three (3) nor more than eleven (11) members, who must be residents of or be employed at a place of employment located within the unit. The members shall be appointed by the executive of the unit.

(g) The acquisition of real and personal property by an authority
under this section is not subject to the provisions of IC 5-22, IC 36-1-10.5, IC 36-7-14-19, or any other statutes governing the purchase of property by public bodies or their agencies.

(h) An authority may negotiate for the sale, lease, or other disposition of real and personal property without complying with the provisions of IC 5-22-22, IC 36-1-11, IC 36-7-14-22, or any other statute governing the disposition of public property.

(i) Notwithstanding any other law, utility services provided within an economic development area established under this section are subject to regulation by the appropriate regulatory agencies unless the utility service is provided by a utility that provides utility service solely within the geographic boundaries of an existing or a closed military installation, in which case the utility service is not subject to regulation for purposes of rate making, regulation, service delivery, or issuance of bonds or other forms of indebtedness. However, this exemption from regulation does not apply to utility service if the service is generated, treated, or produced outside the boundaries of the existing or closed military installation.

SECTION 406. IC 36-7-15.1-26, AS AMENDED BY P.L.88-2009, SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 26. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 8 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory
resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 26.2 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within
the definition of property taxes taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A resolution adopted under section 8 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the allocation provision is established.

First obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:
   A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;
or
(B) the base assessed value;
shall be allocated to and, when collected, paid into the funds of
the respective taxing units.

(2) Except as otherwise provided in this section, property tax
proceeds in excess of those described in subdivision (1) shall be
allocated to the redevelopment district and, when collected, paid
into a special fund for that allocation area that may be used by the
redevelopment district only to do one (1) or more of the
following:

(A) Pay the principal of and interest on any obligations
payable solely from allocated tax proceeds that are incurred by
the redevelopment district for the purpose of financing or
refinancing the redevelopment of that allocation area.
(B) Establish, augment, or restore the debt service reserve for
bonds payable solely or in part from allocated tax proceeds in
that allocation area.
(C) Pay the principal of and interest on bonds payable from
allocated tax proceeds in that allocation area and from the
special tax levied under section 19 of this chapter.
(D) Pay the principal of and interest on bonds issued by the
consolidated city to pay for local public improvements that are
physically located in or physically connected to that allocation
area.
(E) Pay premiums on the redemption before maturity of bonds
payable solely or in part from allocated tax proceeds in that
allocation area.
(F) Make payments on leases payable from allocated tax
proceeds in that allocation area under section 17.1 of this
chapter.
(G) Reimburse the consolidated city for expenditures for local
public improvements (which include buildings, parking
facilities, and other items set forth in section 17 of this
chapter) that are physically located in or physically connected
to that allocation area.
(H) Reimburse the unit for rentals paid by it for a building or
parking facility that is physically located in or physically
connected to that allocation area under any lease entered into
under IC 36-1-10.
(I) Reimburse public and private entities for expenses incurred
in training employees of industrial facilities that are located:
(i) in the allocation area; and
(ii) on a parcel of real property that has been classified as
industrial property under the rules of the department of local
government finance.

However, the total amount of money spent for this purpose in
any year may not exceed the total amount of money in the
allocation fund that is attributable to property taxes paid by the
industrial facilities described in this clause. The
reimbursements under this clause must be made within three
(3) years after the date on which the investments that are the
basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency project
(as defined in IC 36-9-41-1.5) within the uni
that established
the redevelopment commission. However, property tax
proceeds may be used under this clause to pay the costs of
carrying out an eligible efficiency project only if those
property tax proceeds exceed the amount necessary to do the
following:

(i) Make, when due, any payments required under clauses
(A) through (I), including any payments of principal and
interest on bonds and other obligations payable under this
subdivision, any payments of premiums under this
subdivision on the redemption before maturity of bonds, and
any payments on leases payable under this subdivision.
(ii) Make any reimbursements required under this
subdivision.
(iii) Pay any expenses required under this subdivision.
(iv) Establish, augment, or restore any debt service reserve
under this subdivision.

The special fund may not be used for operating expenses of the
commission.

(3) Before July 15 of each year, the commission shall do the
following:

(A) Determine the amount, if any, by which the assessed value
of the taxable property in the allocation area for the most
recent assessment date minus the base assessed value, when
multiplied by the estimated tax rate of the allocation area, will
exceed the amount of assessed value needed to provide the
property taxes necessary to make, when due, principal and
interest payments on bonds described in subdivision (2) plus
the amount necessary for other purposes described in
subdivision (2) and subsection (g).

(B) Provide a written notice to the county auditor, the
legislative body of the consolidated city, and the officers who
are authorized to fix budgets, tax rates, and tax levies under
IC 6-1.1-17-5 for each of the other taxing units that is wholly
or partly located within the allocation area. The notice must:
(i) state the amount, if any, of excess assessed value that the
commission has determined may be allocated to the
respective taxing units in the manner prescribed in
subdivision (1); or
(ii) state that the commission has determined that there is no
excess assessed value that may be allocated to the respective
taxing units in the manner prescribed in subdivision (1).
The county auditor shall allocate to the respective taxing units
the amount, if any, of excess assessed value determined by
the commission. The commission may not authorize an allocation
to the respective taxing units under this subdivision if to do so
would endanger the interests of the holders of bonds described
in subdivision (2).

(c) For the purpose of allocating taxes levied by or for any taxing
unit or units, the assessed value of taxable property in a territory in the
allocation area that is annexed by any taxing unit after the effective
date of the allocation provision of the resolution is the lesser of:
(1) the assessed value of the property for the assessment date with
respect to which the allocation and distribution is made; or
(2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district
under subsection (b)(2) may, subject to subsection (b)(3), be
irrevocably pledged by the redevelopment district for payment as set
forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon
petition of the commission, reassess the taxable property situated upon
or in, or added to, the allocation area, effective on the next assessment
date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable
property in the allocation area, for purposes of tax limitation, property
tax replacement, and formulation of the budget, tax rate, and tax levy
for each political subdivision in which the property is located is the
lesser of:

1) the assessed value of the property as valued without regard to this section; or

2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.

2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in the enterprise zone. These loans and grants may be made to the following:

   (A) Businesses operating in the enterprise zone.

   (B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

3) To provide funds to carry out other purposes specified in subsection (b)(2). However, where reference is made in subsection (b)(2) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that part
of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

1. The initial allocation deadline is December 31, 2011.
2. Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.
3. At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:
   A. terminates the automatic extension of allocation deadlines under subdivision (2); and
   B. specifically designates a particular date as the final allocation deadline.

SECTION 407. IC 36-7-15.1-53, AS AMENDED BY P.L.146-2008, SECTION 765, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 53. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section
"Base assessed value" means:

1. The net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
2. To the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

Except as provided in section 55 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A resolution adopted under section 40 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision must be approved by resolution of the legislative body of the excluded city and must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the allocation provision is established. First obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area.
The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
(B) the base assessed value;
shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.
(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.
(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 50 of this chapter.
(D) Pay the principal of and interest on bonds issued by the excluded city to pay for local public improvements that are physically located in or physically connected to that allocation area.
(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.
(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 46 of this chapter.
(G) Reimburse the excluded city for expenditures for local public improvements (which include buildings, park facilities,
and other items set forth in section 45 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The special fund may not be used for operating expenses of the commission.

(3) Before July 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2) and subsection (g).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

(i) state the amount, if any, of excess assessed value that the
commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).
The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (2).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:
(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
(2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located, is the lesser of:
(1) the assessed value of the property as valued without regard to this section; or
(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes
specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

1. To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.

2. To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in an enterprise zone. These loans and grants may be made to the following:
   (A) Businesses operating in the enterprise zone.
   (B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

3. To provide funds to carry out other purposes specified in subsection (b)(2). However, where reference is made in subsection (b)(2) to the allocation area, the reference refers, for purposes of payments from the special zone fund, only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the
department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

1) The initial allocation deadline is December 31, 2011.

2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:
   (A) terminates the automatic extension of allocation deadlines under subdivision (2); and
   (B) specifically designates a particular date as the final allocation deadline.

SECTION 408. IC 36-7-31-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 6. As used in this chapter, "covered taxes" means the following:

1) With respect to the professional sports development area as it existed on December 31, 2008:
   (A) The state gross retail tax imposed under IC 6-2.5-2-1 or use tax imposed under IC 6-2.5-3-2.
   (B) An adjusted gross income tax imposed under IC 6-3-2-1 on an individual.
   (C) A county option income tax imposed under IC 6-3.5-6.
   (D) A food and beverage tax imposed under IC 6-9.

2) With respect to an addition to the professional sports development area after December 31, 2008:
   (A) The state gross retail tax imposed under IC 6-2.5-2-1
or use tax imposed under IC 6-2.5-3-2.

(B) An adjusted gross income tax imposed under IC 6-3-2-1 on an individual.

(C) A county option income tax imposed under IC 6-3.5-6.

SECTION 409. IC 36-7-31-10, AS AMENDED BY P.L.214-2005, SECTION 66, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 10. (a) A commission may establish as part of a professional sports development area any facility or complex of facilities:

(1) that is used in the training of a team engaged in professional sporting events; or
(2) that is:
   (A) financed in whole or in part by:
      (i) notes or bonds issued by a political subdivision or issued under IC 36-10-9 or IC 36-10-9.1; or
      (ii) a lease or other agreement under IC 5-1-17; and
   (B) used to hold a professional sporting event; or
   (3) that consists of a hotel, motel, or a multibrand complex of hotels and motels, with significant meeting space:
      (A) located in an area in Indianapolis, Indiana, bounded on the east by Illinois Street, on the south by Maryland Street, and on the west and north by Washington Street, as those streets were located on June 1, 2009;
      (B) that provides:
         (i) convenient accommodations for consideration to the general public for periods of less than thirty (30) days, especially for individuals attending professional sporting events, conventions, or similar events in the capital improvements that are owned, leased, or operated by the capital improvement board; and
         (ii) significant meeting and convention space that directly enhances events held in the capital improvements that are owned, leased, or operated by the capital improvement board; and
      (C) that enhances the convention opportunities for the capital improvement board to hold events that:
         (i) would not otherwise be possible; and
         (ii) directly affect the success of both the facilities and capital improvements that are owned, leased, or operated by the capital improvement board.

The tax area may include a facility or complex of facilities described
in this section and any parcel of land on which the facility or complex of facilities is located. An area may contain noncontiguous tracts of land within the county.

(b) With respect to the site or future site of a facility or complex of facilities described in subsection (a)(3), the general assembly finds the following:

(1) That the facility or complex of facilities in the tax area provides both convenient accommodations for professional sporting events, conventions, or similar events and significant meeting and convention space that directly enhance events held in the capital improvements that are owned, leased, or operated by the capital improvement board.

(2) That the facility or complex of facilities in the tax area and the capital improvements that are owned, leased, or operated by the capital improvement board are integrally related to enhancing the convention opportunities that directly affect the success of both the facilities and capital improvements.

(3) That the facility or complex of facilities in the tax area provides the opportunity for the capital improvement board to hold events that would not otherwise be possible.

(4) That the facility or complex of facilities in the tax area protects or increases state and local tax bases and tax revenues.

SECTION 410. IC 36-7-31-11, AS AMENDED BY P.L.214-2005, SECTION 67, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 11. (a) A tax area must be initially established before July 1, 1999, according to the procedures set forth for the establishment of an economic development area under IC 36-7-15.1. A tax area may be changed (including to the exclusion or inclusion of a facility described in this chapter) or the terms governing the tax area may be revised in the same manner as the establishment of the initial tax area. However, a tax area may be changed as follows:

(1) After May 14, 2005, a tax area may be changed only to include the site or future site of a facility that is or will be the subject of a lease or other agreement entered into between the capital improvement board and the Indiana stadium and convention building authority or any state agency under IC 5-1-17-26, and

(2) After June 30, 2009, a tax area may be changed to include the site or future site of a facility or complex of facilities described in section 10(a)(3) of this chapter.
(2) (3) The terms governing a tax area may be revised only with respect to a facility or complex of facilities described in subdivision (1) or (2).

(b) In establishing or changing the tax area or revising the terms governing the tax area, the commission must make the following findings:

(1) With respect to a tax area change described in subsection (a)(1), the commission must make the following findings instead of the findings required for the establishment of economic development areas:

(1) (A) That a project to be undertaken or that has been undertaken in the tax area is for a facility at which a professional sporting event or a convention or similar event will be held.

(2) (B) That the project to be undertaken or that has been undertaken in the tax area will benefit the public health and welfare and will be of public utility and benefit.

(2) (C) That the project to be undertaken or that has been undertaken in the tax area will protect or increase state and local tax bases and tax revenues.

(2) With respect to a tax area change described in subsection (a)(2), the commission must make the following findings instead of the findings required for the establishment of an economic development area:

(A) That the facility or complex of facilities in the tax area provides both convenient accommodations for professional sporting events, conventions, or similar events and significant meeting and convention space that directly enhance events held in the capital improvements that are owned, leased, or operated by the capital improvement board.

(B) That the facility or complex of facilities in the tax area and the capital improvements that are owned, leased, or operated by the capital improvement board are integrally related to enhancing the convention opportunities that directly affect the success of both the facilities and capital improvements.

(C) That the facility or complex of facilities in the tax area provides the opportunity for the capital improvement board to hold events that would not otherwise be possible.

(D) That the facility or complex of facilities in the tax area
protects or increases state and local tax bases and tax revenues.

(c) The tax area established by the commission under this chapter is a special taxing district authorized by the general assembly to enable the county to provide special benefits to taxpayers in the tax area by promoting economic development that is of public use and benefit.

SECTION 411. IC 36-7-31-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 13. (a) The budget agency must approve the resolution before covered taxes may be allocated under section 14 or 14.2 of this chapter.

(b) When considering a resolution with respect to a tax area change described in section 11(a)(1) of this chapter, the budget committee and the budget agency must make the following findings:

1. The cost of the facility and facility site specified under the resolution exceeds one hundred thousand dollars ($100,000).
2. The project specified in the resolution is economically sound and will benefit the people of Indiana by protecting or increasing state and local tax bases and tax revenues for at least the duration of the tax area established under this chapter.
3. The political subdivisions affected by the project specified in the resolution have committed significant resources towards completion of the improvement.

(c) When considering a resolution with respect to a tax area change described in section 11(a)(2) of this chapter, the budget committee and the budget agency must make the following findings:

1. That the facility or complex of facilities described in section 10(a)(3) of this chapter will provide accommodations and significant meeting and convention space that directly enhance events and that are located in convenient proximity to capital improvements that are owned, leased, or operated by the capital improvement board.
2. That the facility or complex of facilities in the tax area and the capital improvements that are owned, leased, or operated by the capital improvement board are integrally related to enhancing the convention opportunities that directly affect the success of both the facilities and capital improvements.
3. That the facility or complex of facilities specified in the resolution will benefit the people of Indiana by providing the opportunity for the capital improvement board to hold events that would not otherwise be possible.
(4) That the facility or complex of facilities specified in the resolution will protect or increase state and local tax bases and tax revenues.

(c) (d) Revenues from the tax area may not be allocated until the budget agency approves the resolution.

SECTION 412. IC 36-7.31-14, AS AMENDED BY P.L.214-2005, SECTION 68, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 14. (a) This section does not apply to that part of the tax area in which a facility or complex of facilities described in section 10(a)(3) of this chapter is located. A reference to "tax area" in this section does not include the part of the tax area in which a facility or complex of facilities described in section 10(a)(3) of this chapter is located.

(c) (d) A tax area must be established by resolution. A resolution establishing a tax area must provide for the allocation of covered taxes attributable to a taxable event or covered taxes earned in the tax area to the professional sports development area fund established for the county. The allocation provision must apply to the entire part of the tax area covered by this section. The resolution must provide that the tax area terminates not later than December 31, 2027.

(b) (c) All of the salary, wages, bonuses, and other compensation that are:

(1) paid during a taxable year to a professional athlete for professional athletic services;
(2) taxable in Indiana; and
(3) earned in the tax area;
shall be allocated to the tax area if the professional athlete is a member of a team that plays the majority of the professional athletic events that the team plays in Indiana in the tax area.

(c) (d) Except as provided by section 14.1 of this chapter, the total amount of state revenue captured by the tax area may not exceed five million dollars ($5,000,000) per year for twenty (20) consecutive years.

(c) (d) The resolution establishing the tax area must designate the facility and the facility site for which the tax area is established and covered taxes will be used.

(f) (g) The department may adopt rules under IC 4-22-2 and guidelines to govern the allocation of covered taxes to a tax area.
IC 4-12-1-3 may determine that, commencing July 1, 2007, there may be captured in the tax area up to eleven million dollars ($11,000,000) per year in addition to the up to five million dollars ($5,000,000) of state revenue to be captured by the tax area under section 14 of this chapter for the professional sports development area fund and in addition to the state revenue to be captured by the part of the tax area covered by section 14.2 of this chapter for the sports and convention facilities operating fund, for up to thirty-four (34) consecutive years. The budget director's determination must specify that the termination date of the tax area for purposes of the collection of the additional eleven million dollars ($11,000,000) per year for the professional sports development area fund is extended to not later than:

1. January 1, 2041; or
2. January 1, 2010, if on that date there are no obligations owed by the capital improvement board of managers to the Indiana stadium and convention building authority or to any state agency under IC 5-1-17-26.

Following the budget director's determination, and commencing July 1, 2007, the maximum total amount of revenue captured by the tax area for years ending before January 1, 2041, shall be sixteen million dollars ($16,000,000) per year for the professional sports development area fund.

(b) The additional revenue captured pursuant to a determination under subsection (a) shall be distributed to the capital improvement board or its designee. So long as there are any current or future obligations owed by the capital improvement board to the Indiana stadium and convention building authority created by IC 5-1-17 or any state agency under a lease or another agreement entered into between the capital improvement board and the Indiana stadium and convention building authority or any state agency under IC 5-1-17-26, the capital improvement board or its designee shall deposit the additional revenue received under this subsection in a special fund, which may be used only for the payment of the obligations described in this subsection.

(c) Notwithstanding the budget director's determination under subsection (a), after January 1, 2010, the capture of the additional eleven million dollars ($11,000,000) per year described in subsection (a) terminates on January 1 of the year following the first year in which no obligations of the capital improvement board described in subsection (b) remain outstanding.
SECTION 414. IC 36-7-31-14.2 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 14.2. (a) This section applies to the part of the tax area in which a facility or complex of facilities described in section 10(a)(3) of this chapter is located. A reference to "tax area addition" in this section includes only the part of the tax area in which a facility or complex of facilities described in section 10(a)(3) of this chapter is located.

(b) A tax area change described in section 11(a)(2) of this chapter must be established by resolution. A resolution changing the tax area must provide for a request for the allocation of:

(1) covered taxes attributable to a taxable event in the tax area addition; or

(2) covered taxes from income earned in the tax area addition; to the sports and convention facilities operating fund established by section 16(b) of this chapter. However, to the extent a covered tax has been pledged before January 1, 2009, and allocated under IC 36-10-9-11 to the capital improvement bond fund, that amount shall not be allocated to the sports and convention facilities operating fund.

(c) The allocation provision must apply only to the tax area addition.

(d) The resolution changing the tax area must designate each facility and each facility site for which the money to be distributed from the sports and convention facilities operating fund will be used.

(e) The budget director shall make an annual determination of whether at least one (1) of the following conditions is satisfied:

(1) The maximum additional tax rate for the innkeeper's tax under IC 6-9-8 was adopted after June 30, 2009, and before September 1, 2009, and was in effect on January 1 of the determination year.

(2) As of January 1 of the determination year:

(A) at least four million dollars ($4,000,000) per year is being raised from the innkeeper's tax rate increase that was adopted under IC 6-9-8 after June 30, 2009, and before September 1, 2009; and

(B) the treasurer of state has invested in obligations issued by the capital improvement board under IC 5-13-10.5-18.

If the budget director determines that either of the conditions under subdivision (1) or (2) is satisfied, covered taxes attributable
to the part of the tax area in which a facility or complex of facilities described in section 10(a)(3) of this chapter is located shall then be deposited in the sports and convention facilities operating fund established by section 16(b) of this chapter. For 2009, the budget director may use September 1, 2009, instead of January 1, 2009, to make a determination of whether to make deposits in the sports and convention facilities operating fund in 2009. However, the maximum total amount of covered taxes that may be deposited in the sports and convention facilities operating fund is eight million dollars ($8,000,000) during each year. To the extent a covered tax has been pledged before January 1, 2009, and allocated under IC 36-10-9-11 to the capital improvement bond fund, that amount shall not be allocated to or deposited in the sports and convention facilities operating fund.

(f) The department may adopt rules under IC 4-22-2 and guidelines to govern the allocation of covered taxes from the tax area addition.

SECTION 415. IC 36-7-31-16 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 16. (a) A professional sports development area fund for the county is established. The fund shall be administered by the department. Money in the fund does not revert to the state general fund at the end of a state fiscal year.

(b) A sports and convention facilities operating fund for the county is established. The fund shall be administered by the department. Money in the fund does not revert to the state general fund at the end of a state fiscal year.

expects to retire during the next fiscal year, the date on which the
member expects to retire, and the monthly and yearly amount of
the payment that the member will be entitled to receive.
(3) The name and the age of each dependent, the date on which
the dependent became a dependent, the date on which the
dependent will cease to be a dependent by reason of attaining the
age at which dependents cease to be dependents, and the monthly
and yearly amount of the payment to which the dependent is
entitled.
(4) The amount that would be required for the next fiscal year to
maintain level cost funding during the active fund members' employment on an actuarial basis.

(5) The amount that would be required for the next fiscal year to amortize accrued liability for active members, retired members, and dependents over a period determined by the local board, but not to exceed forty (40) years.

(d) The total receipts shall be deducted from the total expenditures as listed in the itemized estimate. The amount of the excess of the estimated expenditures over the estimated receipts shall be paid by the unit in the same manner as other expenses of the unit are paid, and an appropriation shall be made annually for that purpose. The estimates submitted shall be prepared and filed in the same manner and form and at the same time that estimates of other offices and departments of the unit are prepared and filed.

(e) The estimates shall be made a part of the annual budget of the unit. When revising the estimates, the executive, the fiscal officer, and other fiduciary officers may not reduce the items in part 1 of the estimated disbursements.

(f) The unit's fiscal body shall make the appropriations necessary to pay that proportion of the budget of the 1937 fund that the unit is obligated to pay under subsection (d). In addition, the fiscal body may make appropriations for purposes of subsection (c)(4), (c)(5), or both. All appropriations shall be made to the local board for the exclusive use of the 1937 fund, including the payments described in section 9.5 of this chapter. (2) From money, fees, and awards of every nature that are given
to the police department of the municipality or to a member of the department because of service or duty performed by the department or a member. This includes fines imposed by the safety board against a member of the department, all money from gambling cases and from gambling devices as well as the proceeds from the sale of lost, stolen, and confiscated property recovered or taken into possession by members of the police department in the performance of their duties and confiscated by court order, and sold at a public sale in accordance with law.

(3) From an assessment made during the period of his employment or for thirty-two (32) years, whichever is shorter, on the salary of each member whom the local board has accepted and designated as a beneficiary of the 1953 fund, an amount equal to six percent (6%) of the salary of a first class patrolman. However, the employer may pay all or a part of the assessment for the member.

(4) From the income from investments of the 1953 fund.

(5) From the proceeds of a tax levied by the police special service district upon taxable property in the district, which the treasurer shall collect and credit to the 1953 fund, to be used exclusively by the 1953 fund, including the payments described in section 10.5 of this chapter.

SECTION 433. IC 36-8-7.5-10, AS AMENDED BY P.L.146-2008, SECTION 779, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 10. (a) If the local board determines that the total amount of money available for a year will be insufficient to pay the benefits, pensions, and retirement allowances the local board is obligated to pay under this chapter, the local board shall, before the date on which the budget of the police special service district is adopted, prepare an itemized estimate in the form prescribed by the state board of accounts of the amount of money that will be receipted into and disbursed from the 1953 fund during the next fiscal year. The estimated receipts consist of the items enumerated in section 8 of this chapter. The estimated disbursements consist of an estimate of the amount of money that will be needed by the local board during the next fiscal year to defray the expenses and obligations incurred and that will be incurred by the local board in making the payments prescribed by this chapter to retired members, to members who are eligible and expect to retire during the ensuing fiscal year, and to the dependents of deceased members.
(b) At the time when the estimates are prepared and submitted, the local board shall also prepare and submit a certified statement showing:
   (1) the estimated number of beneficiaries from the 1953 fund during the ensuing fiscal year in each of the various classifications of beneficiaries as prescribed in this chapter, and the names and amount of benefits being paid to those actively on the list of beneficiaries at that time;
   (2) the name, age, and length of service of each member of the police department who is eligible to and expects to retire during the ensuing fiscal year, and the monthly and yearly amounts of the payment that the member will be entitled to receive; and

(c) After the amounts of receipts and disbursements shown in the itemized estimate are fixed and approved by the executive, fiscal officer, legislative body and other bodies, as provided by law for other municipal funds, the total receipts shall be deducted from the total expenditures stated in the itemized estimate, and the amount of the excess shall be paid by the police special service district in the same manner as other expenses of the district are paid. The legislative body shall levy a tax and the money derived from the levy shall, when collected, be credited exclusively to the 1953 fund, including the payments described in section 10.5 of this chapter. The tax shall be levied in the amount and at the rate that is necessary to produce sufficient revenue to equal the deficit. Notwithstanding any other law, neither the county board of tax adjustment nor the department of local government finance may reduce the tax levy.

to have the township provide the services without a contract.
(2) The township legislative body passes a resolution approving
the township's provision of the services without contracts to the

SECTION 440. IC 36-8-15-19, AS AMENDED BY P.L.146-2008,
SECTION 784, IS AMENDED TO READ AS FOLLOWS
[EFFECTIVE JULY 1, 2009]: Sec. 19. (a) This subsection applies to
a county that has a population of more than one hundred eighty-two
thousand seven hundred ninety (182,790) but less than two hundred
thousand (200,000). For the purpose of raising money to fund the
operation of the district, the county fiscal body may impose, for
property taxes first due and payable during each year after the adoption of an ordinance establishing the district, an ad valorem property tax levy on property within the district. The property tax rate for that levy may not exceed five cents ($0.05) on each one hundred dollars ($100) of assessed valuation.

(b) This subsection applies to a county having a consolidated city. The county fiscal body may elect to fund the operation of the district from part of the certified distribution, if any, that the county is to receive during a particular calendar year under IC 6-3.5-6-17. To make such an election, the county fiscal body must adopt an ordinance before September 1 of the immediately preceding calendar year. The county fiscal body must specify in the ordinance the amount of the certified distribution that is to be used to fund the operation of the district. If the county fiscal body adopts such an ordinance, it shall immediately send a copy of the ordinance to the county auditor.

(c) Subject to subsections (d), (e), and (f), if an ordinance or resolution is adopted changing the territory covered by the district or the number of public agencies served by the district, the local government tax control board shall, for property taxes first due and payable during the year after the adoption of the ordinance, adjust the maximum permissible ad valorem property tax levy limits of the district and the units participating in the district.

(d) If a unit by ordinance or resolution joins the district or elects to have its public safety agencies served by the district, the local government tax control board shall reduce the maximum permissible ad valorem property tax levy of the unit for property taxes first due and payable during the year after the adoption of the ordinance or resolution. The reduction shall be based on the amount budgeted by the unit for public safety communication services in the year in which the ordinance was adopted. If such an ordinance or resolution is adopted, the district shall refer its proposed budget, ad valorem property tax levy, and property tax rate for the following year to the local government tax control board, which shall review and set the budget, levy, and rate as though the district were covered by IC 6-1.1-18.5-7.

(e) If a unit by ordinance or resolution withdraws from the district or rescinds its election to have its public safety agencies served by the district, the local government tax control board shall reduce the maximum permissible ad
valorem property tax levy of the district for property taxes first due and payable during the year after the adoption of the ordinance or resolution. The reduction shall be based on the amounts being levied by the district within that unit. If such an ordinance or resolution is adopted, the unit shall refer its proposed budget, ad valorem property tax levy, and property tax rate for public safety communication services to the department of local government finance, which shall review and set the budget, levy, and rate as though the unit were covered by IC 6-1.1-18.5-7.

(f) The adjustments provided for in subsections (c), (d), and (e) do not apply to a district or unit located in a particular county if the county fiscal body of that county does not impose an ad valorem property tax levy under subsection (a) to fund the operation of the district.

(g) A county that has adopted an ordinance under section 1(3) of this chapter may not impose an ad valorem property tax levy on property within the district to fund the operation or implementation of the district.

SECTION 441. IC 36-8-19-6.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 6.5. (a) The legislative bodies of all participating units in a territory may agree to change the provider unit of the territory from one (1) participating unit to another participating unit. To change the provider unit, the legislative body of each participating unit must adopt an ordinance (if the unit is a county or municipality) or a resolution (if the unit is a township) that agrees to and specifies the new provider unit. The provider unit may not be changed unless all participating units agree on the participating unit that will become the new provider unit. The participating units may not change the provider unit more than one (1) time in any year.

(b) The following apply to an ordinance or a resolution adopted under this section to change the provider unit of the territory:

(1) The ordinance or resolution must be adopted after January 1 but before April 1 of a year.

(2) The ordinance or resolution takes effect January 1 of the year following the year in which the ordinance or resolution is adopted.

SECTION 442. IC 36-8-19-7.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 7.5. (a) This section applies to:

(1) county adjusted gross income tax, county option income
tax, and county economic development income tax distributions; and
(2) excise tax distributions;
made after December 31, 2009.

(b) For purposes of allocating any county adjusted gross income tax, county option income tax, and county economic development income tax distributions or excise tax distributions that are distributed based on the amount of a taxing unit's property tax levies, each participating unit in a territory is considered to have imposed a part of the property tax levy imposed for the territory. The part of the property tax levy imposed for the territory for a particular year that shall be attributed to a participating unit is equal to the amount determined in the following STEPS:

STEP ONE: Determine the total amount of all property taxes imposed by the participating unit in the year before the year in which a property tax levy was first imposed for the territory.

STEP TWO: Determine the sum of the STEP ONE amounts for all participating units.

STEP THREE: Divide the STEP ONE result by the STEP TWO result.

STEP FOUR: Multiply the STEP THREE result by the property tax levy imposed for the territory for the particular year.

SECTION 443. IC 36-8-19-8, AS AMENDED BY P.L.128-2008, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 8. (a) Upon the adoption of identical ordinances or resolutions, or both, by the participating units under section 6 of this chapter, the designated provider unit must establish a fire protection territory fund from which all expenses of operating and maintaining the fire protection services within the territory, including repairs, fees, salaries, depreciation on all depreciable assets, rents, supplies, contingencies, and all other expenses lawfully incurred within the territory shall be paid. The purposes described in this subsection are the sole purposes of the fund, and money in the fund may not be used for any other expenses. Except as allowed in subsections (d) and (e) and section 8.5 of this chapter, the provider unit is not authorized to transfer money out of the fund at any time.

(b) The fund consists of the following:

(1) All receipts from the tax imposed under this section.
(2) Any money transferred to the fund by the provider unit as authorized under subsection (d).

(3) Any receipts from a false alarm fee or service charge imposed by the participating units under IC 36-8-13-4.

(4) Any money transferred to the fund by a participating unit under section 8.6 of this chapter.

(c) The provider unit, with the assistance of each of the other participating units, shall annually budget the necessary money to meet the expenses of operation and maintenance of the fire protection services within the territory, plus a reasonable operating balance, not to exceed twenty percent (20%) of the budgeted expenses. Except as provided in IC 6-1.1-18.5-10.5, after estimating expenses and receipts of money, the provider unit shall establish the tax levy required to fund the estimated budget. The amount budgeted under this subsection shall be considered a part of each of the participating unit's budget.

(d) If the amount levied in a particular year is insufficient to cover the costs incurred in providing fire protection services within the territory, the provider unit may transfer from available sources to the fire protection territory fund the money needed to cover those costs. In this case:

(1) the levy in the following year shall be increased by the amount required to be transferred; and

(2) the provider unit is entitled to transfer the amount described in subdivision (1) from the fund as reimbursement to the provider unit.

(e) If the amount levied in a particular year exceeds the amount necessary to cover the costs incurred in providing fire protection services within the territory, the levy in the following year shall be reduced by the amount of surplus money that is not transferred to the equipment replacement fund established under section 8.5 of this chapter. The amount that may be transferred to the equipment replacement fund may not exceed five percent (5%) of the levy for that year. Each participating unit must agree to the amount to be transferred by adopting an ordinance (if the unit is a county or municipality) or a resolution (if the unit is a township) that specifies an identical amount to be transferred.

(f) The tax under this section is not subject to the tax levy limitations imposed on civil taxing units under IC 6-1.1-18.5 for any unit that is a participating unit in a fire protection territory that was established before August 1, 2001, under IC 6-1.1-18.5-10.5.
This subsection applies to a participating unit in a fire protection territory established under IC 36-8-19 after July 31, 2001. For purposes of calculating a participating unit’s maximum permissible ad valorem property tax levy for the three (3) calendar years in which the participating unit levies a tax to support the territory; the unit’s maximum permissible ad valorem property tax levy for the preceding calendar year under IC 6-1.1-18.5-3(a) STEP ONE or IC 6-1.1-18.5-3(b) STEP ONE is increased each year by an amount equal to the difference between the:

(1) amount the unit will have to levy for the ensuing calendar year in order to fund the unit’s share of the fire protection territory budget for the operating costs as provided in the ordinance or resolution making the unit a participating unit in the fire protection territory; and

(2) unit’s levy for fire protection services for the calendar year that immediately precedes the ensuing calendar year in which the participating unit levies a tax to support the territory.

SECTION 44. IC 36-9-2-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 1. This chapter applies to all units except townships. However, with respect to a public transportation system, this chapter does not apply after December 31, 2009, to a county that is a member of the northern Indiana regional transportation district established under IC 8-24 and that has a population of:

(1) more than four hundred thousand (400,000) but less than seven hundred thousand (700,000); or

(2) more than one hundred forty-five thousand (145,000) but less than one hundred forty-eight thousand (148,000); or a unit located in such a county.

SECTION 445. IC 36-9-3-2, AS AMENDED BY P.L.214-2005, SECTION 74, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2011]: Sec. 2. (a) Except as provided in subsection (d), a fiscal body of a county or municipality may, by ordinance, establish a regional transportation authority (referred to as "the authority" in this chapter) for the purpose of acquiring, improving, operating, maintaining, financing, and generally supporting a public transportation system that operates within the boundaries of an area designated as a transportation planning district by the Indiana department of transportation. However, only one (1) public transportation authority may be established within an area designated
as a transportation planning district by the Indiana department of transportation.

(b) The ordinance establishing the authority must include an effective date and a name for the authority. Except as provided in subsection (c), the words "regional transportation authority" must be included in the name of the authority.

(c) After December 31, 2009, this subsection applies if a county is not a member of the northern Indiana regional transportation district established under IC 8-24. SECTION 507. IC 8-6-4-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 1. (a) A railroad company operating in this state shall equip every locomotive engine with a whistle and a bell, maintained in good working order, such as are used by other railroad companies. Except when approaching a crossing to which an ordinance adopted under subsection (c) (d) applies, the engineer or other person in charge of or operating an engine upon the line of a railroad shall, when the engine approaches the crossing of a turnpike, public highway, or street in this state: beginning not less than one-fourth (1/4) mile from the crossings:

(1) sound the whistle on the engine distinctly not less than four (4) times, which sounding shall be prolonged or repeated until the crossing is reached; and

(2) ring the bell attached to the engine continuously from the time of sounding the whistle until the engine has fully passed the crossing.

(b) A railroad company shall erect a sign that is:

(1) not more than one-fourth (1/4) mile in advance of a crossing or multiple consecutive crossings; and

(2) visible from an approaching train;

to notify the engineer or other person in charge of or operating an engine to sound the engine’s whistle in accordance with federal law. The railroad company shall maintain the sign in good repair or replace the sign. However, this subsection does not apply to a crossing to which an ordinance adopted under subsection (d) applies. The locomotive engineer or other person in charge of the train shall notify, in writing, the appropriate maintenance of way supervisor of the railroad of any missing or damaged whistle post, and the railroad shall, within thirty (30) days after the maintenance of way supervisor is notified under this subsection, repair or replace the missing or damaged whistle post.

(b) (c) It is unlawful for an engineer or other person in charge of a locomotive to move the locomotive, or allow it to be moved, over or across a turnpike, public highway, or street crossing if the whistle and
bell are not in good working order. It is unlawful for a railroad company to order or permit a locomotive to be moved over or across a turnpike, public highway, or street crossing if the whistle and bell are not in good working order. When a whistle or bell is not in good working order, the locomotive must stop before each crossing and proceed only after manual protection is provided at the crossing by a member of the crew unless manual protection is known to be provided.

(c) (d) A city, town, or county may adopt an ordinance to regulate the sounding of a whistle or the ringing of a bell under subsection (a) in the city, the town, or the county. However, an ordinance may not prohibit the sounding of a whistle or the ringing of a bell at a crossing that does not have an automatic train activated warning signal as set forth in IC 8-6-7.7-2. An ordinance adopted after June 30, 2003, that prohibits the sounding of a whistle or the ringing of a bell at a crossing must require that signs be posted at the crossing to warn the public that trains do not sound whistles or ring bells at that crossing. Before an ordinance adopted under this subsection goes into effect, the city, town, or county must receive the written permission of the department to regulate the sounding or the ringing. The department shall grant permission only if the department determines, based upon a study conducted by the department, that the ordinance, as applied to the rail corridor identified in the ordinance, increases the overall safety of the corridor for the public. Notwithstanding anything to the contrary in this subsection, the department shall grant permission to a city or a town to regulate the sounding of a whistle or the ringing of a bell if the city or town had an ordinance regulating the sounding of a whistle or the ringing of a bell that was approved and in effect on January 1, 1991, if the city or town amended or repealed the ordinance, and if the city or town adopts a subsequent ordinance on the same subject. In making its determination during the course of the study, the department shall consider:

1. school bus routes;
2. emergency service routes;
3. hazardous materials routes;
4. pedestrian traffic;
5. trespassers;
6. recreational facilities;
7. trails; and
8. measures to increase safety in the corridor, including:
   A. four (4) quadrant gates;
(B) median barriers;
(C) crossing closures;
(D) law enforcement programs; and
(E) public education.

The study by the department required under this subsection must be completed not later than one hundred twenty (120) days after the department receives notice of the passage of the ordinance from the city, town, or county.

(d) Notwithstanding a contrary provision in an ordinance adopted under subsection (c), (d), an engineer or other person who is operating an engine shall sound the engine's whistle if, in the determination of the engineer or other person who is operating the engine, an apparent emergency exists.

(e) A railroad company and the employees of the railroad company are immune from criminal or civil liability for injury or property damage that results from an accident that occurs at a crossing to which an ordinance described in subsection (c) applies if the injury or property damage was proximately caused solely by the railroad company and the employees failing to sound a whistle.

(f) The Indiana department of transportation shall review crossing safety at each crossing to which an ordinance adopted under subsection (c) applies not less than one (1) time in a five (5) year period.

(g) The Indiana department of transportation may not revoke the permission granted under subsection (c) for an ordinance.

(h) The Indiana department of transportation may create pilot railroad crossing safety projects to improve railroad crossing safety.
