After funds are appropriated under section 4 of this chapter, each month the treasurer of state shall distribute the tax revenue deposited in the state gaming fund under this chapter to the following:

1. An amount equal to the following shall be set aside for revenue sharing under subsection (e):

   (B) After June 30, 2021, if the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is equal to or greater than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020, the first thirty-three million dollars ($33,000,000) of tax revenues collected under this chapter shall be set aside for revenue sharing under subsection (e).

Not later than the first regular meeting in the school year of a governing body of a school corporation receiving a distribution under this clause, the superintendent of the school corporation shall submit to the governing body a report describing the purposes for which the receipts under this clause were used and the improvements in educational attainment realized through the use of the money. The report is a public record.

(C) Thirteen and one-tenth percent (13.1%) shall be paid to the county treasurer of Orange County.

(D) Five and three-tenths percent (5.3%) shall be distributed quarterly to the county treasurer of Dubois County for appropriation by the county fiscal body after receiving a recommendation from the county executive. successor entity or partnership for economic development
for the purpose of recruiting new business to Orange County
as well as promoting the retention and expansion of existing
businesses in Orange County.
   (ii) The remainder of the amount transferred under this
clause in each calendar year shall be transferred to Radius
Indiana or a successor regional entity or partnership for the

(c) For each city and county receiving money under subsection (a)(2), the treasurer of state shall determine the total amount of money paid by the treasurer of state to the city or county during the state fiscal year 2002. The amount determined is the base year revenue for the city or county. The treasurer of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year, the treasurer of state shall pay that part of the riverboat wagering taxes that:

(1) exceeds a particular city's or county's base year revenue; and
(2) would otherwise be due to the city or county under this section;

to the state general fund instead of to the city or county.

(d) Each state fiscal year the treasurer of state shall transfer from the tax revenue remitted to the state general fund under subsection (a)(3) to the build Indiana fund an amount that when added to the following may not exceed two hundred fifty million dollars ($250,000,000):

(2) Surplus revenue from the charity gaming enforcement fund under IC 4-32.2-7-7.
(3) Tax revenue from pari-mutuel wagering under IC 4-31-9-3.

The treasurer of state shall make transfers on a monthly basis as needed to meet the obligations of the build Indiana fund. If in any state fiscal year insufficient money is transferred to the state general fund under subsection (a)(3) to comply with this subsection, the treasurer of state shall reduce the amount transferred to the build Indiana fund to the amount available in the state general fund from the transfers under subsection (a)(3) for the state fiscal year.

(e) Except as provided in subsections (l) and (m), before August 15 of each year, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Except as provided in subsection (h), the county auditor shall distribute the money received by the county under this subsection as follows:

(1) To each city located in the county according to the ratio the city's population bears to the total population of the county.
(2) To each town located in the county according to the ratio the town's population bears to the total population of the county.
(3) After the distributions required in subdivisions (1) and (2) are
made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

(1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5).

(2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for debt repayment.

(3) To fund sewer and water projects, including storm water management projects.

(4) For police and fire pensions.

(5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(g) Before July 15 of each year, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-9), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the state general fund. Except as provided in subsection (i), the amount of an entity's supplemental distribution is equal to:

(1) the entity's base year revenue (as determined under IC 4-33-12-9); minus

(2) the sum of:

(A) the total amount of money distributed to the entity and constructively received by the entity during the preceding state fiscal year under IC 4-33-12-6 or IC 4-33-12-8; plus

(B) the amount of any admissions taxes deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

(1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the
(2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

(i) This subsection applies to a supplemental distribution made after June 30, 2017. The maximum amount of money that may be distributed under subsection (g) in a state fiscal year is equal to the following:

(1) Before July 1, 2021, forty-eight million dollars ($48,000,000).

(2) After June 30, 2021, if the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is equal to or greater than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020, the maximum amount is forty-eight million dollars ($48,000,000).

(3) After June 30, 2021, if the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is less than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020, the maximum amount is equal to the result of:

(A) forty-eight million dollars ($48,000,000); multiplied by (B) the result of:

(i) the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year; divided by (ii) the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020.

If the total amount determined under subsection (g) exceeds the maximum amount determined under this subsection, the amount distributed to an entity under subsection (g) must be reduced according to the ratio that the amount distributed to the entity under IC 4-33-12-6 or IC 4-33-12-8 bears to the total amount distributed under IC 4-33-12-6 and IC 4-33-12-8 to all entities receiving a supplemental distribution.

(j) This subsection applies to a supplemental distribution, if any, payable to Lake County, Hammond, Gary, or East Chicago under subsections (g) and (i). Beginning in July 2016, the treasurer of state...
shall, after making any deductions from the supplemental distribution required by IC 6-3.1-20-7, deduct from the remainder of the supplemental distribution otherwise payable to the unit under this section the lesser of:

1. the remaining amount of the supplemental distribution; or
2. the difference, if any, between:
   1. three million five hundred thousand dollars ($3,500,000); and
   2. the amount of admissions taxes constructively received by the unit in the previous state fiscal year.

The treasurer of state shall distribute the amounts deducted under this subsection to the northwest Indiana redevelopment authority established under IC 36-7.5-2-1 for deposit in the development authority fund established under IC 36-7.5-4-1.

(k) Money distributed to a political subdivision under subsection (b):

1. must be paid to the fiscal officer of the political subdivision and may be deposited in the political subdivision's general fund or riverboat fund established under IC 36-1-8-9, or both;
2. may not be used to reduce the maximum levy under IC 6-1.1-18.5 of a county, city, or town or the maximum tax rate of a school corporation, but, except as provided in subsection (b)(2)(B), may be used at the discretion of the political subdivision to reduce the property tax levy of the county, city, or town for a particular year;
3. except as provided in subsection (b)(2)(B), may be used for any legal or corporate purpose of the political subdivision, including the pledge of money to bonds, leases, or other obligations under IC 5-1-14-4; and
4. is considered miscellaneous revenue.

Money distributed under subsection (b)(2)(B) must be used for the purposes specified in subsection (b)(2)(B).

(l) After June 30, 2020, the amount of wagering taxes that would otherwise be distributed to South Bend under subsection (e) shall be deposited as being received from all riverboats whose supplemental wagering tax, as calculated under IC 4-33-12-1(e), is over three and five-tenths percent (3.5%). The amount deposited under this subsection, in each riverboat's account, is proportionate to the supplemental wagering tax received from that riverboat under IC 4-33-12-1(e) in the month of July. The amount deposited under this subsection must be distributed in the same manner as the supplemental wagering tax collected under IC 4-33-12-1(e).
IC 4-33-12-1(d). This subsection expires June 30, 2021.

(m) After June 30, 2021, the amount of wagering taxes that would otherwise be distributed to South Bend under subsection (e) shall be withheld and deposited in the state general fund.

from the date of appointment, successfully completed the minimum
basic training requirements established under this chapter by the board.
If a person fails to successfully complete the basic training
requirements within one (1) year from the date of employment, the
officer may not perform any of the duties of a law enforcement officer
involving control or direction of members of the public or exercising
the power of arrest until the officer has successfully completed the
training requirements. This subsection does not apply to any law
enforcement officer appointed before July 6, 1972, or after June 30,
1993.

(c) Military leave or other authorized leave of absence from law
enforcement duty during the first year of employment after July 6,
1972, shall toll the running of the first year, which shall be calculated
by the aggregate of the time before and after the leave, for the purposes
of this chapter.

(d) Except as provided in subsections (e), (m), (t), and (u), a law

agency after June 30, 1993, may not:

(1) make an arrest;
(2) conduct a search or a seizure of a person or property; or

(e) This subsection does not apply to:

Indiana gaming commission; or
(2) an:
(A) attorney; or
(B) investigator;
designated by the securities commissioner as a police officer of
the state under IC 23-19-6-1(k).

Before a law enforcement officer appointed after June 30, 1993,
completes the basic training requirements, the law enforcement officer
may exercise the police powers described in subsection (d) if the
officer successfully completes the pre-basic course established in

ES 6—LS 6104/DI 112
subsection (f). Successful completion of the pre-basic course authorizes a law enforcement officer to exercise the police powers described in subsection (d) for one (1) year after the date the law enforcement officer is appointed.

(f) The board shall adopt rules under IC 4-22-2 to establish a pre-basic course for the purpose of training:

(1) law enforcement officers;
(2) police reserve officers (as described in IC 36-8-3-20); and
(3) conservation reserve officers (as described in IC 14-9-8-27);

regarding the subjects of arrest, search and seizure, the lawful use of force, interacting with individuals with autism, and the operation of an emergency vehicle. The pre-basic course must be offered on a periodic basis throughout the year at regional sites statewide. The pre-basic course must consist of at least forty (40) hours of course work. The board may prepare the classroom part of the pre-basic course using available technology in conjunction with live instruction. The board shall provide the course material, the instructors, and the facilities at the regional sites throughout the state that are used for the pre-basic course. In addition, the board may certify pre-basic courses that may be conducted by other public or private training entities, including postsecondary educational institutions.

(g) Subject to subsection (h), the board shall adopt rules under IC 4-22-2 to establish a mandatory inservice training program for police officers and police reserve officers (as described in IC 36-8-3-20). After June 30, 1993, a law enforcement officer who has satisfactorily completed basic training and has been appointed to a law enforcement department or agency on either a full-time or part-time basis is not eligible for continued employment unless the officer satisfactorily completes the mandatory inservice training requirements established by rules adopted by the board. Inservice training must include training in interacting with persons with mental illness, addictive disorders, intellectual disabilities, autism, developmental disabilities, and Alzheimer's disease or related senile dementia, to be provided by persons approved by the secretary of family and social services and the board, and training concerning human and sexual trafficking and high risk missing persons (as defined in IC 5-2-17-1). The board may approve courses offered by other public or private training entities, including postsecondary educational institutions, as necessary in order to ensure the availability of an adequate number of inservice training programs. The board may waive an officer's inservice training requirements if the board determines that the officer's reason for lacking the required amount of inservice training hours is due to
either an emergency situation or the unavailability of courses.

(h) This subsection applies only to a mandatory inservice training program under subsection (g). Notwithstanding subsection (g), the board may, without adopting rules under IC 4-22-2, modify the course work of a training subject matter, modify the number of hours of training required within a particular subject matter, or add a new subject matter, if the board satisfies the following requirements:

(A) (1) The board must conduct at least two (2) public meetings on the proposed modification or addition.

(B) (2) After approving the modification or addition at a public meeting, the board must post notice of the modification or addition on the Indiana law enforcement academy's Internet web site at least thirty (30) days before the modification or addition takes effect.

If the board does not satisfy the requirements of this subsection, the modification or addition is void. This subsection does not authorize the board to eliminate any inservice training subject matter required under subsection (g).

(i) The board shall also adopt rules establishing a town marshal basic training program, subject to the following:

(1) The program must require fewer hours of instruction and class attendance and fewer courses of study than are required for the mandated basic training program.

(2) Certain parts of the course materials may be studied by a candidate at the candidate's home in order to fulfill requirements of the program.

(3) Law enforcement officers successfully completing the requirements of the program are eligible for appointment only in towns employing the town marshal system (IC 36-5-7) and having not more than one (1) marshal and two (2) deputies.

(4) The limitation imposed by subdivision (3) does not apply to an officer who has successfully completed the mandated basic training program.

(5) The time limitations imposed by subsections (b) and (c) for completing the training are also applicable to the town marshal basic training program.

(6) The program must require training in interacting with individuals with autism.

(j) The board shall adopt rules under IC 4-22-2 to establish an executive training program. The executive training program must include training in the following areas:

(1) Liability.
(k) A police chief shall apply for admission to the executive training program within two (2) months of the date the police chief initially takes office. A police chief must successfully complete the executive training program within six (6) months of the date the police chief initially takes office. However, if space in the executive training program is not available at a time that will allow completion of the executive training program within six (6) months of the date the police chief initially takes office, the police chief must successfully complete the next available executive training program that is offered after the police chief initially takes office.

(l) A police chief who fails to comply with subsection (k) may not continue to serve as the police chief until completion of the executive training program. For the purposes of this subsection and subsection (k), "police chief" refers to:

(1) the police chief of any city;
(2) the police chief of any town having a metropolitan police department; and
(3) the chief of a consolidated law enforcement department established under IC 36-3-1-5.1.

A town marshal is not considered to be a police chief for these purposes, but a town marshal may enroll in the executive training program.

(m) A fire investigator in the division of fire and building safety appointed after December 31, 1993, is required to comply with the basic training standards established under this chapter.

(n) The board shall adopt rules under IC 4-22-2 to establish a program to certify handgun safety courses, including courses offered in the private sector, that meet standards approved by the board for training probation officers in handgun safety as required by IC 11-13-1-3.5(3).

(4) All administrative costs of each alternative program shall be
paid from the earnings on that program or as may be determined
by the rules of the board.

(5) Except as provided in section 4(e) of this chapter (before its

This date is the effective date of the member's selection.

(3) A member may select any combination of the guaranteed fund (before January 1, 2017), the stable value fund (after December 31, 2016), or any available alternative investment funds, in ten percent (10%) increments or smaller increments that may be established by the rules of the board.

(4) A member's selection remains in effect until a new selection is made.

(5) On the effective date of a member's selection, the board shall reallocate the member's existing balance or balances in accordance with the member's direction, based on:

When a member who participates in an alternative investment program retires, becomes disabled, dies, or suspends membership and withdraws from the fund, the amount credited to the member shall be the market value of the member's investment as of the last day of the quarter preceding the member's distribution or annuitization at retirement, disability, death, or suspension and withdrawal, plus contributions received after that date or at an alternate time established by the rules of the board.

(g) This subsection applies before January 1, 2017. When a member who participates in the guaranteed program transfers the amount credited to the member to an alternative investment program, the amount credited to the member in the guaranteed program is computed without regard to market value and is based on the balance of the member's account in the guaranteed program as of the last day of the quarter preceding the effective date of the transfer. However, the board may by rule provide for an alternate valuation date. When a member who participates in the guaranteed program retires, becomes disabled, dies, or suspends membership and withdraws from the fund, the amount credited to the member shall be computed without regard to market value and is based on the balance of the member's account in the guaranteed program as of the last day of the quarter preceding the member's distribution or annuitization at retirement, disability, death, or suspension and withdrawal, plus any contributions received since that date plus interest since that date. However, the board may by rule provide for an alternate valuation date.

(h) This subsection applies after December 31, 2016. When a member who participates in the stable value fund program transfers the amount credited to the member from the stable value fund program to an alternative investment program, the amount credited to the member shall be the balance of the member's account, as of the day before the effective date of the member's selection or at an alternate time established by the rules of the board. When a member who participates in the stable value fund program retires, becomes disabled, dies, or suspends membership and withdraws from the fund, the amount credited to the member shall be the balance of the member's account as of the last day of the quarter preceding the member's distribution or annuitization at retirement, disability, death, or suspension and withdrawal, plus contributions received after that date or at an alternate time established by the rules of the board.

ES 6—LS 6104/DI 112
FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. Real property shall be assessed at the place where it is situated, and it shall be assessed to the person liable for the taxes under IC 1971, IC 6-1.1-2-4.

SECTION 26. IC 6-1.1-4-4.5, AS AMENDED BY P.L.255-2017, SECTION 6, AND AS AMENDED BY P.L.232-2017, SECTION 2, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4.5. (a) The department of local government finance shall adopt rules establishing a system for annually adjusting the assessed value of real property to account for changes in value in those years since a reassessment under section 4 or 4.2 of this chapter for the property last took effect.

(b) Subject to subsection (e), the system must be applied to adjust assessed values beginning with the 2006 assessment date and each year thereafter that is not a year in which a reassessment under section 4 or 4.2 of this chapter for the property becomes effective.

(c) The rules adopted under subsection (a) must include the following characteristics in the system:

   (1) Promote uniform and equal assessment of real property within and across classifications.

   (2) Require that assessing officials:

       (A) reevaluate the factors that affect value;

       (B) express the interactions of those factors mathematically;

       (C) use mass appraisal techniques to estimate updated property values within statistical measures of accuracy; and

       (D) provide notice to taxpayers of an assessment increase that results from the application of annual adjustments.

   (3) Prescribe procedures that permit the application of the adjustment percentages in an efficient manner by assessing officials.

(d) The department of local government finance must review and certify each annual adjustment determined under this section.

(e) In making the annual determination of the base rate to satisfy the requirement for an annual adjustment under subsection (e) for the January 1, 2016, assessment date and each assessment date, thereafter, the department of local government finance shall not later than March 1 of each year determine the base rate using the methodology reflected in Table 2-18 of Book 1, Chapter 2 of the department of local government finance's Real Property Assessment Guidelines (as in effect on January 1, 2005), except that the department shall adjust the methodology as follows:

   (1) Use a six (6) year rolling average adjusted under subdivision

   (3) instead of a four (4) year rolling average.

ES 6—LS 6104/DI 112
(2) Use the data from the six (6) most recent years preceding the year in which the assessment date occurs for which data is available, before one (1) of those six (6) years is eliminated under subdivision (3) when determining the rolling average.

(3) Eliminate in the calculation of the rolling average the year among the six (6) years for which the highest market value in use of agricultural land is determined.

(4) After determining a preliminary base rate that would apply for the assessment date without applying the adjustment under this subdivision, the department of local government finance shall adjust the preliminary base rate as follows:

   (A) If the preliminary base rate for the assessment date would be at least ten percent (10%) greater than the final base rate determined for the preceding assessment date, a capitalization rate of eight percent (8%) shall be used to determine the final base rate.

   (B) If the preliminary base rate for the assessment date would be at least ten percent (10%) less than the final base rate determined for the preceding assessment date, a capitalization rate of six percent (6%) shall be used to determine the final base rate.

   (C) If neither clause (A) nor clause (B) applies, a capitalization rate of seven percent (7%) shall be used to determine the final base rate.

   (D) In the case of a market value in use for a year that is used in the calculation of the six (6) year rolling average under subdivision (1) for purposes of determining the base rate for the assessment date:

      (i) that market value in use shall be recalculated by using the capitalization rate determined under clauses (A) through (C) for the calculation of the base rate for the assessment date;

      and

      (ii) the market value in use recalculated under item (i) shall be used in the calculation of the six (6) year rolling average under subdivision (1).

   (f) For assessment dates after December 31, 2009, an adjustment in the assessed value of real property under this section shall be based on the estimated true tax value of the property on the assessment date that is the basis for taxes payable on that real property.

   (g) The department shall release the department's annual determination of the base rate on or before March 1 of each year.

SECTION 27. IC 6-1.1-4-5 IS REPEALED [EFFECTIVE UPON
PASSAGE. Sec. 5. (a) A petition for the reassessment of a real property that is subject to reassessment under section 4 of this chapter and situated within a township may be filed with the department of local government finance on or before:

4. three percent (3%) for a township containing all or part of an incorporated city which has a population of more than ten thousand (10,000) but not exceeding fifty thousand (50,000);
5. two percent (2%) for a township containing all or part of an incorporated city which has a population of more than fifty thousand (50,000) but not exceeding one hundred fifty thousand (150,000); or
6. one percent (1%) for a township containing all or part of an incorporated city which has a population of more than one hundred fifty thousand (150,000).

The signatures on the petition must be verified by the oath of one (1) or more of the signers. A certificate of the county auditor stating that the signers constitute the required number of resident owners of taxable real property of the township must accompany the petition.

(c) Upon receipt of a petition under subsection (a), the department of local government finance may order a reassessment under section 9 of this chapter or conduct a reassessment under section 31.5 of this chapter.

(b) The failure of the department of local government finance to inform local officials under subsection (a) shall not be construed as an indication by the department that:

1. the general reassessment under section 4 of this chapter, a reassessment of a group of parcels under a county's reassessment plan prepared under section 4.2 of this chapter or other property assessment activities are being properly conducted;
2. (2) work required to be performed by local officials under 50 IAC 21 is being properly conducted; or

2. informs:
   (A) the township assessor of each affected township (if any);

information to the board of county commissioners. A board of county
commissioners that receives information under this subsection may
adopt an ordinance to do either or both of the following:

(1) Determine that:
   (A) the information indicates that the county assessor has
   failed to perform adequately the duties of county assessor; and

   assessors in the county have failed to perform adequately the
   duties of township assessor; and
   (B) by that failure the township assessor or township assessors

   removal from office by an information filed under
   IC 34-17-2-1(b).

(g) A city-county council that is informed by the department of local
government finance under subsection (a) may adopt an ordinance
making the determination or determinations referred to in subsection
(f).

SECTION 37. IC 6-1.1-4-31.5, AS AMENDED BY P.L.112-2012,
SECTION 22, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
UPON PASSAGE]: Sec. 31.5. (a) As used in this section, "department"
refers to the department of local government finance.

(b) If the department makes a determination and informs local
officials under section 31(e) of this chapter, the department may order
a state conducted assessment or reassessment in the county subject to
the time limitation in that subsection.

(c) If the department orders a state conducted assessment or
reassessment in a county, the department shall assume the duties of the
county assessor. Notwithstanding sections 15 and 17 of this chapter, a
county assessor subject to an order issued under this section may not
assess property or have property assessed for the assessment or general
reassessment under section 4 of this chapter or under a county's
reassessment plan prepared under section 4.2 of this chapter. Until the
state conducted assessment or reassessment is completed under this

ES 6—LS 6104/DI 112
section, the assessment or reassessment duties of the county assessor are limited to providing the department or a contractor of the department the support and information requested by the department or the contractor.

(d) Before assuming the duties of a county assessor, the department shall transmit a copy of the department's order requiring a state conducted assessment or reassessment to the county assessor, the county fiscal body, the county auditor, and the county treasurer. Notice of the department's actions must be published one (1) time in a newspaper of general circulation published in the county. The department is not required to conduct a public hearing before taking action under this section.

(e) A county assessor subject to an order issued under this section shall, at the request of the department or the department's contractor, make available and provide access to all:

(1) data;
(2) records;
(3) maps;
(4) parcel record cards;
(5) forms;
(6) computer software systems;
(7) computer hardware systems; and
(8) other information;
related to the assessment or reassessment of real property in the county. The information described in this subsection must be provided at no cost to the department or the contractor of the department. A failure to provide information requested under this subsection constitutes a failure to perform a duty related to an assessment or a general reassessment under section 4 of this chapter or under a county's reassessment plan prepared under section 4.2 of this chapter and is subject to IC 6-1.1-37-2.

(f) The department may enter into a contract with a professional appraising firm to conduct an assessment or reassessment under this section. If a county entered into a contract with a professional appraising firm to conduct the county's assessment or reassessment before the department orders a state conducted assessment or reassessment in the county under this section, the contract:

(1) is as valid as if it had been entered into by the department; and
(2) shall be treated as the contract of the department.

(g) After receiving the report of assessed values from the appraisal firm acting under a contract described in subsection (f), the department shall give notice to the taxpayer and the county assessor, by mail, of the

ES 6—LS 6104/DI 112
amount of the assessment or reassessment. The notice of assessment or 
reassessment:

(1) is subject to appeal by the taxpayer under section 31.7 of this 
chapter; and

(2) must include a statement of the taxpayer's rights under section 
31.7 of this chapter.

(h) The department shall forward a bill for services provided under 
a contract described in subsection (f) to the auditor of the county in 
which the state conducted reassessment occurs. The county shall pay 
the bill under the procedures prescribed by subsection (i).

(i) A county subject to an order issued under this section shall pay 
the cost of a contract described in subsection (f), without appropriation, 
from the county property reassessment fund. A contractor may 
periodically submit bills for partial payment of work performed under 
the contract. Notwithstanding any other law, a contractor is entitled to 
payment under this subsection for work performed under a contract if 
the contractor:

(1) submits to the department a fully itemized, certified bill in the 
form required by IC 5-11-10-1 for the costs of the work performed 
under the contract;

(2) obtains from the department:

(A) approval of the form and amount of the bill; and

(B) a certification that the billed goods and services have been 
received and comply with the contract; and

(3) files with the county auditor:

(A) a duplicate copy of the bill submitted to the department;

(B) proof of the department's approval of the form and amount 
of the bill; and

(C) the department's certification that the billed goods and 
services have been received and comply with the contract.

The department's approval and certification of a bill under subdivision 
(2) shall be treated as conclusively resolving the merits of a contractor's 
claim. Upon receipt of the documentation described in subdivision (3), 
the county auditor shall immediately certify that the bill is true and 
correct without further audit and submit the claim to the county 
executive. The county executive shall allow the claim, in full, as 
approved by the department, without further examination of the merits 
of the claim in a regular or special session that is held not less than 
three (3) days and not more than seven (7) days after the date the claim 
is certified by the county fiscal officer if the procedures in IC 5-11-10-2 
are used to approve the claim or the date the claim is placed on the 
claim docket under IC 36-2-6-4 if the procedures in IC 36-2-6-4 are
used to approve the claim. Upon allowance of the claim by the county
executive, the county auditor shall immediately issue a warrant or
check for the full amount of the claim approved by the department.
Compliance with this subsection constitutes compliance with
IC 5-11-6-1, IC 5-11-10, and IC 36-2-6. The determination and
payment of a claim in compliance with this subsection is not subject to
remonstrance and appeal. IC 36-2-6-4(f) and IC 36-2-6-9 do not apply
to a claim submitted under this subsection. IC 5-11-10-1.6(d) applies
to a fiscal officer who pays a claim in compliance with this subsection.

(j) Notwithstanding IC 4-13-2, a period of seven (7) days is
permitted for each of the following to review and act under IC 4-13-2
on a contract of the department entered into under this section:

(1) The commissioner of the Indiana department of
administration.
(2) The director of the budget agency.
(3) The attorney general.

(k) If money in the county's property reassessment fund is
insufficient to pay for an assessment or reassessment conducted under
this section, the department may increase the tax rate and tax levy of
the county's property reassessment fund to pay the cost and expenses
related to the assessment or reassessment.

(l) The department or the contractor of the department shall use the
land values determined under section 13.6 of this chapter for a county
subject to an order issued under this section to the extent that the
department or the contractor finds that the land values reflect the true
tax value of land, as determined under this article and the rules of the
department. If the department or the contractor finds that the land
values determined for the county under section 13.6 of this chapter do
not reflect the true tax value of land, the department or the contractor
shall determine land values for the county that reflect the true tax value
of land, as determined under this article and the rules of the
department. Land values determined under this subsection shall be
used to the same extent as if the land values had been determined under
section 13.6 of this chapter. The department or the contractor of the
department shall notify the county's assessing officials of the land
values determined under this subsection.

(m) A contractor of the department may notify the department if:

(1) a county auditor fails to:
   (A) certify the contractor's bill;
   (B) publish the contractor's claim;
   (C) submit the contractor's claim to the county executive; or
   (D) issue a warrant or check for payment of the contractor's
bill;
as required by subsection (i) at the county auditor's first legal
opportunity to do so;
(2) a county executive fails to allow the contractor's claim as
legally required by subsection (i) at the county executive's first
legal opportunity to do so; or
(3) a person or an entity authorized to act on behalf of the county
takes or fails to take an action, including failure to request an
appropriation, and that action or failure to act delays or halts
progress under this section for payment of the contractor's bill.
(n) The department, upon receiving notice under subsection (m)
from a contractor of the department, shall:
(1) verify the accuracy of the contractor's assertion in the notice
that:
   (A) a failure occurred as described in subsection (m)(1) or
       (m)(2); or
   (B) a person or an entity acted or failed to act as described in
       subsection (m)(3); and
(2) provide to the treasurer of state the department's approval
under subsection (i)(2)(A) of the contractor's bill with respect to
which the contractor gave notice under subsection (m).
(o) Upon receipt of the department's approval of a contractor's bill
under subsection (n), the treasurer of state shall pay the contractor the
amount of the bill approved by the department from money in the
possession of the state that would otherwise be available for
distribution to the county, including distributions of admissions taxes
or wagering taxes.
(p) The treasurer of state shall withhold from the money that would
be distributed under IC 4-33-12-6, IC 4-33-13-5, or any other law to a
county described in a notice provided under subsection (m) the amount
of a payment made by the treasurer of state to the contractor of the
department under subsection (o). Money shall be withheld from any
source payable to the county.
(q) Compliance with subsections (m) through (p) constitutes
compliance with IC 5-11-10.
(r) IC 5-11-10-1.6(d) applies to the treasurer of state with respect to
the payment made in compliance with subsections (m) through (p).
This subsection and subsections (m) through (p) must be interpreted
liberally so that the state shall, to the extent legally valid, ensure that
the contractual obligations of a county subject to this section are paid.
Nothing in this section shall be construed to create a debt of the state.
(s) The provisions of this section are severable as provided in

ES 6—LS 6104/DI 112
SECTION 38. IC 6-1.1-7-9 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 9. If a semi-annual installment of taxes imposed for a year upon a mobile home is not paid on or before the due date prescribed under section 7 of this chapter, the same penalties apply that are imposed under IC 1971, IC 6-1.1-37-10 for the late payment of property taxes. In addition, the mobile home and the personal property of a delinquent taxpayer shall be levied upon and sold in the same manner that a taxpayer's personal property is levied upon and sold under IC 1971, IC 6-1.1-23 for the non-payment of personal property taxes.

   (b) The following may not assess an industrial facility in a qualifying county:

   (1) A county assessor.
   (2) An assessing official.
   (3) A county property tax assessment board of appeals.

SECTION 40. IC 6-1.1-10-26 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 26. (a) Subject to the limitations contained in subsection (b), of this section, the following tangible property is exempt from property taxation if it is owned by a county or district agricultural association of this state:

   (1) A tract of land not exceeding eighty (80) acres. and
   (2) The improvements situated on the tract of land.

   (b) This exemption does not apply unless:

   (1) the association is organized under IC 1971, 15-1-3; and
   (2) the property is exclusively used and occupied for the purposes specified in IC 1971, 15-1-3; IC 15-14-3-1.

SECTION 41. IC 6-1.1-11-4, AS AMENDED BY P.L.198-2016, SECTION 21, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4. (a) The exemption application referred to in section 3 of this chapter is not required if the exempt property is owned by the United States, the state, an agency of this state, or a
political subdivision (as defined in IC 36-1-2-13). However, this
subsection applies only when the property is used, and in the case of
real property occupied, by the owner.

(b) The exemption application referred to in section 3 of this chapter
is not required if the exempt property is a cemetery:
(1) described by IC 6-1.1-2-7; or
(2) maintained by a township executive under IC 23-14-68.

(c) The exemption application referred to in section 3 of this chapter
is not required if the exempt property is owned by the bureau of motor
vehicles commission established under IC 9-14-9.

(d) The exemption application referred to in section 3 or 3.5 of this
chapter is not required if:

(A) tangible property used for religious purposes described in
IC 6-1.1-10-21;
(B) tangible property owned by a church or religious society
used for educational purposes described in IC 6-1.1-10-16;

person for educational, literary, scientific, religious, or
charitable purposes described in IC 6-1.1-10-16; or
(D) other tangible property owned by a fraternity or sorority
(as defined in IC 6-1.1-10-24).
(2) the exemption application referred to in section 3 or 3.5 of this
chapter was filed properly at least once for a religious use under
IC 6-1.1-10-21, an educational, literary, scientific, religious, or
charitable use under IC 6-1.1-10-16, or use by a fraternity or
sorority under IC 6-1.1-10-24; and
(3) the property continues to meet the requirements for an
exemption under IC 6-1.1-10-16, IC 6-1.1-10-21, or
IC 6-1.1-10-24.

(e) If, after an assessment date, an exempt property is transferred or
its use is changed resulting in its ineligibility for an exemption under
IC 6-1.1-10, the county assessor shall terminate the exemption for that
assessment date. However, if the property remains eligible for an
exemption under IC 6-1.1-10 following the transfer or change in use,
the exemption shall be left in place for that assessment date. For the
following assessment date, the person that obtained the exemption or
the current owner of the property, as applicable, shall, under section 3
of this chapter and except as provided in this section, file a certified
application in duplicate with the county assessor of the county in which
the property that is the subject of the exemption is located. In all cases,
the person that obtained the exemption or the current owner of the
property shall notify the county assessor for the county where the tangible property is located of the change in ownership or use in the year that the change occurs. The notice must be in the form prescribed by the department of local government finance.

(f) If the county assessor discovers that title to or use of property granted an exemption under IC 6-1.1-10 has changed, the county assessor shall notify the persons entitled to a tax statement under IC 6-1.1-22-8.1 for the property of the change in title or use and indicate that the county auditor will suspend the exemption for the property until the persons provide the county assessor with an affidavit, signed under penalties of perjury, that identifies the new owners or use of the property and indicates whether the property continues to meet the requirements for an exemption under IC 6-1.1-10. Upon receipt of the affidavit, the county assessor shall reinstate the exemption under IC 6-1.1-15-12.1. However, a claim under IC 6-1.1-26-1 IC 6-1.1-26-1.1 for a refund of all or a part of a tax installment paid and any correction of error under IC 6-1.1-15-12 IC 6-1.1-15-12.1 must be filed not later than three (3) years after the taxes are first due.

SECTION 42. IC 6-1.1-12-19, AS AMENDED BY P.L.181-2016, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 19. (a) The deduction from assessed value provided by section 18 of this chapter (before its expiration) is first available in the year in which the increase in assessed value resulting from the rehabilitation occurs and shall continue for the following four (4) years. In the sixth (6th) year, the county auditor shall add the amount of the deduction to the assessed value of the real property. A (1) general reassessment of real property under IC 6-1.1-4-4; or (2) reassessment under a county's reassessment plan prepared under IC 6-1.1-4-4.2 which occurs within the five (5) year period of the deduction does not affect the amount of the deduction.

(b) This section expires January 1, 2023.

SECTION 43. IC 6-1.1-12-23, AS AMENDED BY P.L.181-2016, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 23. (a) The deduction from assessed value provided by section 22 of this chapter (before its expiration) is first available after the first assessment date following the rehabilitation and shall continue for the taxes first due and payable in the following five (5) years. In the sixth (6th) year, the county auditor shall add the amount of the deduction to the assessed value of the property. Any (1) general reassessment of real property under IC 6-1.1-4-4; or
(2) reassessment under a county's reassessment plan prepared
under IC 6-1.1-4-4.2
which occurs within the five (5) year period of the deduction does not
affect the amount of the deduction.
(b) This section expires January 1, 2023.

SECTION 44. IC 6-1.1-12.1-4, AS AMENDED BY P.L.288-2013,
SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
UPON PASSAGE]: Sec. 4. (a) Except as provided in section 2(i)(4) of
this chapter, and subject to section 15 of this chapter, the amount of the
deduction which the property owner is entitled to receive under section
3 of this chapter for a particular year equals the product of:
(1) the increase in the assessed value resulting from the
rehabilitation or redevelopment; multiplied by
(2) the percentage determined under section 17 of this chapter.
(b) The amount of the deduction determined under subsection (a)
shall be adjusted in accordance with this subsection in the following
circumstances:
(1) If
(A) a general reassessment of real property under IC 6-1.1-4-4;
or
(B) a reassessment under a county's reassessment plan
prepared under IC 6-1.1-4-4.2
occurs within the particular period of the deduction, the amount
determined under subsection (a)(1) shall be adjusted to reflect the
percentage increase or decrease in assessed valuation that resulted
from the reassessment.
(2) If an appeal of an assessment is approved that results in a
reduction of the assessed value of the redeveloped or rehabilitated
property, the amount of any deduction shall be adjusted to reflect
the percentage decrease that resulted from the appeal.
The department of local government finance shall adopt rules under
IC 4-22-2 to implement this subsection.

SECTION 45. IC 6-1.1-12.1-4.8, AS AMENDED BY P.L.288-2013,
SECTION 12, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
UPON PASSAGE]: Sec. 4.8. (a) A property owner that is an applicant
for a deduction under this section must provide a statement of benefits
to the designating body.
(b) If the designating body requires information from the property
owner for the designating body's use in deciding whether to designate
an economic revitalization area, the property owner must provide the
completed statement of benefits form to the designating body before
the hearing required by section 2.5(c) of this chapter. Otherwise, the

ES 6—LS 6104/DI 112
property owner must submit the completed statement of benefits form
to the designating body before the occupation of the eligible vacant
building for which the property owner desires to claim a deduction.

(c) The department of local government finance shall prescribe a
form for the statement of benefits. The statement of benefits must
include the following information:

(1) A description of the eligible vacant building that the property
owner or a tenant of the property owner will occupy.
(2) An estimate of the number of individuals who will be
employed or whose employment will be retained by the property
owner or the tenant as a result of the occupation of the eligible
vacant building, and an estimate of the annual salaries of those
individuals.
(3) Information regarding efforts by the owner or a previous
owner to sell, lease, or rent the eligible vacant building during the
period the eligible vacant building was unoccupied.
(4) Information regarding the amount for which the eligible
vacant building was offered for sale, lease, or rent by the owner
or a previous owner during the period the eligible vacant building
was unoccupied.

(d) With the approval of the designating body, the statement of
benefits may be incorporated in a designation application. A statement
of benefits is a public record that may be inspected and copied under
IC 5-14-3.

(e) The designating body must review the statement of benefits
required by subsection (a). The designating body shall determine
whether an area should be designated an economic revitalization area
or whether a deduction should be allowed, after the designating body
has made the following findings:

(1) Whether the estimate of the number of individuals who will be
employed or whose employment will be retained can be
reasonably expected to result from the proposed occupation of the
eligible vacant building.
(2) Whether the estimate of the annual salaries of those
individuals who will be employed or whose employment will be
retained can be reasonably expected to result from the proposed
occupation of the eligible vacant building.
(3) Whether any other benefits about which information was
requested are benefits that can be reasonably expected to result
from the proposed occupation of the eligible vacant building.
(4) Whether the occupation of the eligible vacant building will
increase the tax base and assist in the rehabilitation of the

ES 6—LS 6104/DI 112
economic revitalization area.

(5) Whether the totality of benefits is sufficient to justify the deduction.

A designating body may not designate an area an economic revitalization area or approve a deduction under this section unless the findings required by this subsection are made in the affirmative.

(f) Except as otherwise provided in this section, the owner of an eligible vacant building located in an economic revitalization area is entitled to a deduction from the assessed value of the building if the property owner or a tenant of the property owner occupies the eligible vacant building and uses it for commercial or industrial purposes. The property owner is entitled to the deduction:

(1) for the first year in which the property owner or a tenant of the property owner occupies the eligible vacant building and uses it for commercial or industrial purposes; and

(2) for subsequent years determined under subsection (g).

(g) The designating body shall determine under section 17 of this chapter the number of years for which a property owner is entitled to a deduction under this section. This determination shall be made:

(1) as part of the resolution adopted under section 2.5 of this chapter; or

(2) by a resolution adopted not more than sixty (60) days after the designating body receives a copy of the property owner's deduction application from the county auditor.

A certified copy of a resolution under subdivision (2) shall be sent to the county auditor, who shall make the deduction as provided in section 5.3 of this chapter. A determination concerning the number of years the deduction is allowed that is made under subdivision (1) is final and may not be changed by using the procedure under subdivision (2).

(h) Except as provided in section 2(i)(5) of this chapter, and subject to section 15 of this chapter, the amount of the deduction the property owner is entitled to receive under this section for a particular year equals the product of:

(1) the assessed value of the building or part of the building that is occupied by the property owner or a tenant of the property owner; multiplied by

(2) the percentage determined by the designating body under section 17 of this chapter.

(i) The amount of the deduction determined under subsection (h) shall be adjusted in accordance with this subsection in the following circumstances:

(1) If
(A) a general reassessment of real property under IC 6-1.1-4-4; or
(B) a reassessment under a county's reassessment plan prepared under IC 6-1.1-4-4.2
occurs within the period of the deduction, the amount of the assessed value determined under subsection (h)(1) shall be adjusted to reflect the percentage increase or decrease in assessed valuation that resulted from the reassessment.

(2) If an appeal of an assessment is approved and results in a reduction of the assessed value of the property, the amount of a deduction under this section shall be adjusted to reflect the percentage decrease that resulted from the appeal.

(j) The department of local government finance may adopt rules under IC 4-22.2 to implement this section.

SECTION 46. IC 6-1.1-12.4-2, AS AMENDED BY P.L.148-2015, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) For purposes of this section, an increase in the assessed value of real property is determined in the same manner that an increase in the assessed value of real property is determined for purposes of IC 6-1.1-12.1.

(b) This subsection applies only to a development, redevelopment, or rehabilitation that is first assessed after March 1, 2005, and before March 2, 2007. Except as provided in subsection (h) and sections 4, 5, and 8 of this chapter, an owner of real property that:

(1) develops, redevelops, or rehabilitates the real property; and
(2) creates or retains employment from the development, redevelopment, or rehabilitation;
is entitled to a deduction from the assessed value of the real property.

(c) Subject to section 14 of this chapter, the deduction under this section is first available in the year in which the increase in assessed value resulting from the development, redevelopment, or rehabilitation occurs and continues for the following two (2) years. The amount of the deduction that a property owner may receive with respect to real property located in a county for a particular year equals the lesser of:

(1) two million dollars ($2,000,000); or
(2) the product of:
(A) the increase in assessed value resulting from the development, rehabilitation, or redevelopment; multiplied by
(B) the percentage from the following table:

<table>
<thead>
<tr>
<th>YEAR OF DEDUCTION</th>
<th>PERCENTAGE</th>
</tr>
</thead>
<tbody>
<tr>
<td>1st</td>
<td>75%</td>
</tr>
<tr>
<td>2nd</td>
<td>50%</td>
</tr>
</tbody>
</table>
(d) A property owner that qualifies for the deduction under this section must file a notice to claim the deduction. The township assessor, or the county assessor if there is no township assessor for the township, shall:

1. inform the county auditor of the real property eligible for the deduction as contained in the notice filed by the taxpayer under this subsection; and
2. inform the county auditor of the deduction amount.

(e) The county auditor shall:

1. make the deductions; and
2. notify the county property tax assessment board of appeals of all deductions approved;
under this section.

(f) The amount of the deduction determined under subsection (c)(2) is adjusted to reflect the percentage increase or decrease in assessed valuation that results from:

1. a general reassessment of real property under IC 6-1.1-4-4;
2. (1) a reassessment under a county's reassessment plan prepared under IC 6-1.1-4-4.2; or
3. (2) an annual adjustment under IC 6-1.1-4-4.5.

(g) If an appeal of an assessment is approved that results in a reduction of the assessed value of the real property, the amount of the deduction under this section is adjusted to reflect the percentage decrease that results from the appeal.

(h) The deduction under this section does not apply to a facility listed in IC 6-1.1-12.1-3(e).

SECTION 47. IC 6-1.1-15-4, AS AMENDED BY P.L.207-2016, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4. (a) After receiving a petition for review which is filed under section 3 of this chapter, the Indiana board shall conduct a hearing at its earliest opportunity. The Indiana board may correct any errors that may have been made and adjust the assessment or exemption in accordance with the correction.

(b) If the Indiana board conducts a site inspection of the property as part of its review of the petition, the Indiana board shall give notice to all parties of the date and time of the site inspection. The Indiana board is not required to assess the property in question. The Indiana board shall give notice of the date fixed for the hearing, by mail, to the taxpayer and to the county assessor. The Indiana board shall give these notices at least thirty (30) days before the day fixed for the hearing unless the parties agree to a shorter period. With respect to a petition
for review filed by a county assessor, the county board that made the
determination under review under this section may file an amicus
curiae brief in the review proceeding under this section. The expenses
incurred by the county board in filing the amicus curiae brief shall be
paid from the property reassessment fund under IC 6-1.1-4-27.5 of the
county in which the property is located. The executive of a taxing unit
may file an amicus curiae brief in the review proceeding under this
section if the property whose assessment or exemption is under appeal
is subject to assessment by that taxing unit.

(c) If a petition for review does not comply with the Indiana board's
instructions for completing the form prescribed under section 3 of this
chapter, the Indiana board shall return the petition to the petitioner and
include a notice describing the defect in the petition. The petitioner
then has thirty (30) days from the date on the notice to cure the defect
and file a corrected petition. The Indiana board shall deny a corrected
petition for review if it does not substantially comply with the Indiana
board's instructions for completing the form prescribed under section
3 of this chapter.

(d) After the hearing, the Indiana board shall give the taxpayer, the
county assessor, and any entity that filed an amicus curiae brief:
(1) notice, by mail, of its final determination; and
(2) for parties entitled to appeal the final determination, notice of
the procedures they must follow in order to obtain court review
under section 5 of this chapter.

(e) Except as provided in subsection (f), the Indiana board shall
conduct a hearing not later than nine (9) months after a petition in
proper form is filed with the Indiana board, excluding any time due to
a delay reasonably caused by the petitioner.

(f) With respect to an appeal of a real property assessment that takes
effect on the assessment date on which a reassessment of real property
takes effect under IC 6-1.1-4-4 or IC 6-1.1-4-4.2, the Indiana board
shall conduct a hearing not later than one (1) year after a petition in
proper form is filed with the Indiana board, excluding any time due to
a delay reasonably caused by the petitioner.

(g) Except as provided in subsection (h), the Indiana board shall
make a determination not later than the later of:
(1) ninety (90) days after the hearing; or
(2) the date set in an extension order issued by the Indiana board.

(h) With respect to an appeal of a real property assessment that
takes effect on the assessment date on which a reassessment of real
property takes effect under IC 6-1.1-4-4 or IC 6-1.1-4-4.2, the Indiana
board shall make a determination not later than the later of:
(1) one hundred eighty (180) days after the hearing; or
(2) the date set in an extension order issued by the Indiana board.  
(i) The Indiana board may not extend the final determination date 
under subsection (g) or (h) by more than one hundred eighty (180) 
days. If the Indiana board fails to make a final determination within the 
time allowed by this section, the entity that initiated the petition may:
(1) take no action and wait for the Indiana board to make a final 
determination; or
(2) petition for judicial review under section 5 of this chapter.  
(j) A final determination must include separately stated findings of 
fact for all aspects of the determination. Findings of ultimate fact must 
be accompanied by a concise statement of the underlying basic facts of 
record to support the findings. Findings must be based exclusively 
upon the evidence on the record in the proceeding and on matters 
officially noticed in the proceeding. Findings must be based upon a 
preponderance of the evidence.  
(k) The Indiana board may limit the scope of the appeal to the issues 
raised in the petition and the evaluation of the evidence presented to 
the county board in support of those issues only if all parties 
participating in the hearing required under subsection (a) agree to the 
limitation. A party participating in the hearing required under 
subsection (a) is entitled to introduce evidence that is otherwise proper 
and admissible without regard to whether that evidence has previously 
been introduced at a hearing before the county board.  
(l) The Indiana board may require the parties to the appeal:
(1) to file not more than five (5) business days before the date of 
the hearing required under subsection (a) documentary evidence 
or summaries of statements of testimonial evidence; and
(2) to file not more than fifteen (15) business days before the date 
of the hearing required under subsection (a) lists of witnesses and 
exhibits to be introduced at the hearing.  
(m) A party to a proceeding before the Indiana board shall provide 
to all other parties to the proceeding the information described in 
subsection (l) if the other party requests the information in writing at 
least ten (10) days before the deadline for filing of the information 
under subsection (l).  
(n) The Indiana board may base its final determination on a 
stipulation between the respondent and the petitioner. If the final 
determination is based on a stipulated assessed valuation of tangible 
property, the Indiana board may order the placement of a notation on 
the permanent assessment record of the tangible property that the 
assessed valuation was determined by stipulation. The Indiana board...
may:

(1) order that a final determination under this subsection has no
precedential value; or

(2) specify a limited precedential value of a final determination
under this subsection.

(o) If a party to a proceeding, or a party's authorized representative,
elects to receive any notice under this section by electronic mail, the
notice is considered effective in the same manner as if the notice had
been sent by United States mail, with postage prepaid, to the party's or
representative's mailing address of record.

(p) At a hearing under this section, the Indiana board shall admit
into evidence an appraisal report, prepared by an appraiser, unless the
appraisal report is ruled inadmissible on grounds besides a hearsay
objection. This exception to the hearsay rule shall not be construed to
limit the discretion of the Indiana board, as trier of fact, to review the
probative value of an appraisal report.

SECTION 48. IC 6-1.1-18-8 IS AMENDED TO READ AS
FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 8. (a) Except as
provided in subsections (b) and (c), of this section, a political
subdivision may not expend any funds which it has received from the
state and which it is required to include in its budget estimate under
IC 1971, IC 6-1.1-17-2 unless:

(1) the funds have been included in a budget estimate by the
political subdivision; and

(2) the funds have been appropriated by the proper officers of the
political subdivision in the amounts and for the specific purposes
for which they may be used.

(b) The county council shall appropriate funds for the operation of
the county highway department for the entire ensuing budget year for
which annual appropriations are being made. The appropriation shall
be for an amount which is not less than the greater of:

(1) seventy-five percent (75%) of the total estimated to be in the
highway fund in the ensuing budget year; or

(2) ninety-nine percent (99%) of the total estimated to be in the
highway fund in the ensuing budget year if the county
commissioners file with the county council a four (4) year plan for
the construction and improvement of county highways and a one
year plan for the maintenance and repair of the county
highways.

(c) In the event of a casualty, accident, or extraordinary emergency,
the proper officers of a political subdivision may use state funds to
make an additional appropriation under section 5 of this chapter.

(51) IC 36-12-7-7;
(52) IC 36-12-7-8;
(53) IC 36-12-12-10;
(54) a statute listed in IC 6-1.1-18.5-9.8; and
(55) any statute enacted after December 31, 2003, that:
  (A) establishes a maximum rate for any part of the:
      (i) property taxes; or
      (ii) special benefits taxes;
      imposed by a political subdivision; and
    (B) does not exempt the maximum rate from the adjustment
    under this section.
(e) For property tax rates imposed for property taxes first due and
   payable after December 31, 2013, the new maximum rate under a
   statute listed in subsection (d) is the tax rate determined under STEP
   EIGHT of the following STEPS:

ES 6—LS 6104/DI 112
STEP ONE: Except as provided in subsection (g), determine the maximum rate for the political subdivision levying a property tax or special benefits tax under the statute for the previous calendar year.

STEP TWO: Determine the actual percentage change (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value of the taxable property from the previous calendar year to the year in which the affected property taxes will be imposed.

STEP THREE: Determine the three (3) calendar years that immediately precede the year in which the affected property taxes will be imposed.

STEP FOUR: Compute separately, for each of the calendar years determined in STEP THREE, the actual percentage change (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value (before the adjustment, if any, under IC 6-1.1-4-4.5) of the taxable property from the preceding year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Determine the greater of the following:

(A) Zero (0).

(B) The STEP FIVE result.

STEP SEVEN: Determine the greater of the following:

(A) Zero (0).

(B) The result of the STEP TWO percentage minus the STEP SIX percentage, if any.

STEP EIGHT: Determine the quotient of the STEP ONE tax rate divided by the sum of one (1) plus the STEP SEVEN percentage, if any.

(f) The department of local government finance shall compute the maximum rate allowed under subsection (e) and provide the rate to each political subdivision with authority to levy a tax under a statute listed in subsection (d).

(g) This subsection applies only when calculating the maximum rate for taxes due and payable in calendar year 2013. The STEP ONE result is the greater of the following:

(1) The actual maximum rate established for property taxes first due and payable in calendar year 2012.

(2) The maximum rate that would have been established for property taxes first due and payable in calendar year 2012 if the maximum rate had been established under the formula under this section, as amended in the 2012 session of the general assembly.

(h) This subsection applies only when calculating the maximum rate
allowed under subsection (e) for the Vincennes Community School Corporation with respect to property taxes first due and payable in 2014. The subsection (e) STEP ONE result for the school corporation's capital projects fund is nineteen and forty-two hundredths cents ($0.1942).

(i) This subsection does not apply when calculating the maximum rate for the Vincennes Community School Corporation. This subsection applies only when calculating the maximum rate for a school corporation's capital projects fund for taxes due and payable in calendar year 2016. The subsection (e) STEP ONE result for purposes of the calculation of that maximum rate is the greater of the following:

1. The actual maximum rate established for the school corporation's capital projects fund for property taxes first due and payable in calendar year 2015.
2. The maximum rate that would have been established for the school corporation's capital projects fund for property taxes first due and payable in calendar year 2015 if the formula specified in subsection (e) had been in effect for the determination of maximum rates for each calendar year after 2006.

SECTION 50. IC 6-1.1-18-12, AS AMENDED BY P.L.244-2017, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2019]: Sec. 12. (a) For purposes of this section, "maximum rate" refers to the maximum:

1. property tax rate or rates; or
2. special benefits tax rate or rates;

referred to in the statutes listed in subsection (d).

(b) The maximum rate for taxes first due and payable after 2003 is the maximum rate that would have been determined under subsection (e) for taxes first due and payable in 2003 if subsection (e) had applied for taxes first due and payable in 2003.

(c) The maximum rate must be adjusted each year to account for the change in assessed value of real property that results from:

1. an annual adjustment of the assessed value of real property under IC 6-1.1-4-4.5;
2. a general reassessment of real property under IC 6-1.1-4-4; or
3. (2) a reassessment under a county's reassessment plan prepared under IC 6-1.1-4-4.2.

(d) The statutes to which subsection (a) refers are:

1. IC 8-10-5-17;

(A) establishes a maximum rate for any part of the:
(i) property taxes; or
(ii) special benefits taxes;
imposed by a political subdivision; and
(B) does not exempt the maximum rate from the adjustment under this section.

(e) For property tax rates imposed for property taxes first due and payable after December 31, 2013, the new maximum rate under a statute listed in subsection (d) is the tax rate determined under the following STEPS:

STEP ONE: Determine the maximum rate for the political subdivision levying a property tax or special benefits tax under the statute for the previous calendar year.

STEP TWO: Determine the actual percentage change (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value of the taxable property from the previous calendar year to the year in which the affected property taxes will be imposed.

STEP THREE: Determine the three (3) calendar years that immediately precede the year in which the affected property taxes will be imposed.

STEP FOUR: Compute separately, for each of the calendar years determined in STEP THREE, the actual percentage change (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value (before the adjustment, if any, under IC 6-1.1-4-4.5) of the taxable property from the preceding year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Determine the greater of the following:
(A) Zero (0).
(B) The STEP FIVE result.

STEP SEVEN: Determine the greater of the following:
(A) Zero (0).
(B) The result of the STEP TWO percentage minus the STEP SIX percentage, if any.

STEP EIGHT: Determine the quotient of the STEP ONE tax rate divided by the sum of one (1) plus the STEP SEVEN percentage, if any.

(f) The department of local government finance shall compute the maximum rate allowed under subsection (e) and provide the rate to each political subdivision with authority to levy a tax under a statute listed in subsection (d).

SECTION 51. IC 6-1.1-18.5-13, AS AMENDED BY P.L.85-2017, SECTION 16, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 13. (a) With respect to an appeal filed under section 12 of this chapter, the department may find that a civil taxing unit should receive any one (1) or more of the following types of relief:

(1) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if in the judgment of the department the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas. With respect to annexation, consolidation, or other extensions of governmental services in a calendar year, if those increased costs are incurred by the civil taxing unit in that calendar year and more than one (1) immediately succeeding calendar year, the unit may appeal under section 12 of this chapter for permission to increase its levy under this subdivision based on those increased costs in any of the following:

(A) The first calendar year in which those costs are incurred.
(B) One (1) or more of the immediately succeeding four (4) calendar years.

(2) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the department finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and two-hundredths (1.02):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year. and in which a statewide general reassessment of real property under IC 6-1.1-4-4 does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the
nearest ten-thousandth (0.0001)) of the sum of the civil taxing unit's total assessed value of all taxable property and:

(i) for a particular calendar year before 2007, the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 (repealed) or IC 6-1.1-12-42 in the particular calendar year; or

(ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-42 in 2006 plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008;

divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the total assessed value of all taxable property in all counties and:

(i) for a particular calendar year before 2007, the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 (repealed) or IC 6-1.1-12-42 in the particular calendar year; or

(ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in all counties under IC 6-1.1-12-42 in 2006 plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008;

divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 of this chapter based on the
assessed value growth quotient determined under section 2 of this chapter.

(3) A levy increase may be granted under this subdivision only for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if the civil taxing unit cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 of this chapter due to a natural disaster, an accident, or another unanticipated emergency.

(b) The department of local government finance shall increase the maximum permissible ad valorem property tax levy under section 3 of this chapter for the city of Goshen for 2012 and thereafter by an amount equal to the greater of zero (0) or the result of:

(1) the city's total pension costs in 2009 for the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7); minus

(2) the sum of:

(A) the total amount of state funds received in 2009 by the city and used to pay benefits to members of the 1925 police pension fund (IC 36-8-6) or the 1937 firefighters' pension fund (IC 36-8-7); plus

(B) any previous permanent increases to the city's levy that were authorized to account for the transfer to the state of the responsibility to pay benefits to members of the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7).

SECTION 52. IC 6-1.1-22-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 13. (a) The state acquires a lien on each tract of real property for all property taxes levied against the tract, including the land under an improvement or appurtenance described in IC 6-1.1-2-4(b), IC 6-1.1-2-4(c), and all subsequent penalties and cost resulting from the taxes. This lien attaches on the assessment date of the year for which the taxes are assessed. The lien is not affected by any sale or transfer of the tract, including the land under an improvement or appurtenance described in IC 6-1.1-2-4(b), IC 6-1.1-2-4(c), including the sale, exchange, or lease of the tract under IC 36-1-11.

(b) The lien of the state for taxes, penalties, and cost continues for ten (10) years from May 10 of the year in which the taxes first become due. However, if any proceeding is instituted to enforce the lien within the ten (10) year period, the limitation is extended, if necessary, to
permit the termination of the proceeding.

(c) The lien of the state inures to taxing units which impose the
property taxes on which the lien is based, and the lien is superior to all
other liens.

(d) A taxing unit described in subsection (c) may institute a civil
suit against a person or an entity liable for delinquent property taxes.
The taxing unit may, after obtaining a judgment, collect:
(1) delinquent real property taxes;
(2) penalties due to the delinquency; and
(3) costs and expenses incurred in collecting the delinquent
property tax, including reasonable attorney's fees and court costs
approved by a court with jurisdiction.

SECTION 53. IC 6-1.1-22.5-6, AS AMENDED BY P.L.112-2012,
SECTION 39, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
UPON PASSAGE]: Sec. 6. (a) This section applies to property taxes
payable under this article on assessments determined for the 2003
assessment date or the assessment date in any later year, regardless of
whether a proceeding to determine the necessity of a reassessment is
being conducted under IC 6-1.1-4-5 (before its repeal), IC 6-1.1-4-9,
or another law. The county treasurer shall use a provisional statement
under this chapter if the county auditor fails to deliver the abstract for
that assessment date to the county treasurer under IC 6-1.1-22-5 before
March 16 of the year following the assessment date (for property taxes
first due and payable before 2011) or April 1 of the year following the
assessment date (for property taxes first due and payable after 2010).
The amount to be billed for each installment of the provisional
statement is the amount determined under section 9 of this chapter. The
billing must be based on the latest assessed values for property certified
by the department of local government finance, as adjusted under the
procedures specified by the department of local government finance.

(b) The county treasurer shall give notice of the provisional
statement, including disclosure of the method that is to be used in
determining the tax liability to be indicated on the provisional
statement, by publication one (1) time:
(1) in the form prescribed by the department of local government
finance; and
(2) in the manner described in IC 6-1.1-22-4(b).
The notice may be combined with the notice required under section 10
of this chapter.

(c) Subsection (a) applies regardless of whether the county auditor
fails to deliver the abstract as provided in IC 6-1.1-22-5(b). Section 7
of this chapter does not apply to this section.
(d) This subsection applies after June 30, 2009. Immediately upon
determining to use provisional statements under subsection (a), the
county treasurer shall give notice of the determination to the county
fiscal body (as defined in IC 36-1-2-6).

(e) In a county in which an authorizing ordinance is adopted under
IC 6-1.1-22-8.1(h), a person may direct the county treasurer to transmit
a provisional statement by electronic mail under IC 6-1.1-22-8.1(h).

(f) The department of local government finance may waive the
requirement under subsection (a) that a provisional statement must be
used for property taxes first due and payable in a calendar year, if:

(1) the county fiscal body or the county treasurer requests the
waiver; and

(2) the department of local government finance determines that:
   (A) the county will be able to send a property tax statement
       under IC 6-1.1-22 with a due date that is not later than June 10
       of that calendar year; or
   (B) the failure to send a property tax statement under
       IC 6-1.1-22 in a timely manner is due to a change by the

2. a cycle under a county's reassessment plan prepared under IC 6-1.1-4-4.2 is completed.

If the department of local government finance has not computed a new assessment ratio for a school corporation, the school corporation's adjustment factor is the number one (1) until the department of local government finance notifies the school corporation of the school corporation's new adjustment factor.

(a) A declaratory ordinance adopted under section 2 of this chapter and confirmed under section 3 of this chapter must include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. The allocation provision must apply to the entire economic development district. The allocation provisions must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the economic development district be allocated and distributed as

ES 6—LS 6104/DI 112
follows:

1. Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:
   
   (A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;
   
   or
   
   (B) the base assessed value;

   shall be allocated to and, when collected, paid into the funds of the respective taxing units. However, if the effective date of the allocation provision of a declaratory ordinance is after March 1, 1985, and before January 1, 1986, and if an improvement to property was partially completed on March 1, 1985, the unit may provide in the declaratory ordinance that the taxes attributable to the assessed value of the property as finally determined for March 1, 1984, shall be allocated to and, when collected, paid into the funds of the respective taxing units.

2. Except as otherwise provided in this section, part or all of the property tax proceeds in excess of those described in subdivision (1), as specified in the declaratory ordinance, shall be allocated to the unit for the economic development district and, when collected, paid into a special fund established by the unit for that economic development district that may be used only to pay the principal of and interest on obligations owed by the unit under IC 4-4-8 (before its repeal) or IC 5-28-9 for the financing of industrial development programs in, or serving, that economic development district. The amount not paid into the special fund shall be paid to the respective taxing units in the manner prescribed by subdivision (1).

3. When the money in the fund is sufficient to pay all outstanding principal of and interest (to the earliest date on which the obligations can be redeemed) on obligations owed by the unit under IC 4-4-8 (before its repeal) or IC 5-28-9 for the financing of industrial development programs in, or serving, that economic development district, money in the special fund in excess of that amount shall be paid to the respective taxing units in the manner prescribed by subdivision (1).

   (b) Property tax proceeds allocable to the economic development district under subsection (a)(2) must, subject to subsection (a)(3), be irrevocably pledged by the unit for payment as set forth in subsection (a)(2).

   (c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the
economic development district that is annexed by any taxing unit after
the effective date of the allocation provision of the declaratory
ordinance is the lesser of:
(1) the assessed value of the property for the assessment date with
respect to which the allocation and distribution is made; or
(2) the base assessed value.
(d) Notwithstanding any other law, each assessor shall, upon
petition of the fiscal body, reassess the taxable property situated upon

(e) Notwithstanding any other law, the assessed value of all taxable

this section; or
(2) the base assessed value.
(f) The state board of accounts and department of local government
finance shall make the rules and prescribe the forms and procedures
that they consider expedient for the implementation of this chapter.

local government finance shall adjust the base assessed value to
neutralize any effect of the annual adjustment on the property tax
proceeds allocated to the district under this section. However, the
adjustments under this subsection may not include the effect of
property tax abatements under IC 6-1.1-12.1.
(g) As used in this section, "property taxes" means:
(1) taxes imposed under this article on real property; and

assessed value of property that is assessed as residential property
under the rules of the department of local government finance, as
finally determined for any assessment date after the effective date
of the allocation provision.

Subdivision (2) applies only to economic development districts
established after June 30, 1997, and to additional areas established

from sources within Indiana shall be determined in the same
manner that the amount of the taxpayer's adjusted income derived
from sources within Indiana is determined under section 2 of this
chapter for the same taxable year during which each loss was
incurred.

(3) An Indiana net operating loss includes a net operating loss that
arises when the applicable modifications required by IC 6-3-1-3.5
as set forth in subdivision (1) exceed the taxpayer's federal
taxable income (as defined in Section 63 of the Internal Revenue

The amount of the Indiana net operating loss carried over from year to year shall be reduced to the extent that the Indiana net operating loss carryover is used by the taxpayer to obtain a deduction in a taxable year until the occurrence of the earlier of the following:

counties.

(b) The adopting body may impose a tax rate under this chapter that does not exceed one and twenty-five hundredths percent (1.25%) on the adjusted gross income of local taxpayers in the county served by the adopting body.

(c) Revenues from a tax under this section may be used only for the purpose of funding a property tax credit applied on a percentage basis to reduce the property tax liability of taxpayers with tangible property located in the county as authorized under this section. Property taxes imposed due to a referendum in which a majority of the voters in the taxing unit imposing the property taxes approved the property taxes are not eligible for a credit under this section.

(d) The adopting body shall specify by ordinance how the revenue from the tax shall be applied under subdivisions (1) through (4) to provide property tax credits in subsequent years. The allocation must be specified as a percentage of property tax relief revenue for taxpayers within each property category. The ordinance must be adopted before July 1 and first applies in the following year and then as provided in IC 6-3.6-3 and takes effect and applies to property taxes as specified in IC 6-3.6-3-3. The ordinance continues to apply thereafter until it is rescinded or modified. The property tax credits may be allocated to all property categories or among any combination of the following categories:

(1) For homesteads eligible for a credit under IC 6-1.1-20.6-7.5 that limits the taxpayer's property tax liability for the property to one percent (1%).

(2) For residential property, long term care property, agricultural land, and other tangible property (if any) eligible for a credit under IC 6-1.1-20.6-7.5 that limits the taxpayer's property tax liability for the property to two percent (2%).

(3) For the following types of property as a single category:

(A) residential property, as defined in IC 6-1.1-20.6-4.

(B) Real property, a mobile home, and industrialized housing that would qualify as a homestead if the taxpayer had filed for a homestead credit under IC 6-1.1-20.9 (repealed) or the standard deduction under IC 6-1.1-12-37.

(C) Real property consisting of units that are regularly used to rent or otherwise furnish residential accommodations for periods of at least thirty (30) days; regardless of whether the tangible property is subject to assessment under rules of the department of local government finance that apply to:

(i) residential property; or
(ii) commercial property.

(4) For nonresidential real property, personal property, and other tangible property (if any) eligible for a credit under IC 6-1.1-20.6-7.5 that limits the taxpayer's property tax liability for the property to three percent (3%). However, IC 6-3.6-11-2 applies in Jasper County.

(e) Within a category described in subsection (d) for which an ordinance grants property tax credits, the property tax credit rate must be a uniform percentage for all qualifying taxpayers with property in that category in the county. The credit percentage may be, but does not have to be, uniform for all categories of property listed in subsection (d).

The total of all tax credits granted under this section for a year may not exceed the amount of revenue raised by the tax imposed under this section. If the amount available in a year for property tax credits under this section is less than the amount necessary to provide all the property tax credits authorized by the adopting body, the county auditor shall reduce the property tax credits granted to eliminate the excess. The county auditor shall reduce credits within the categories described in subsection (d)(1) through (d)(4) as follows:

(1) First, against property taxes imposed on property described in subsection (d)(4);

(2) Second, if an excess remains after applying the reduction as described in subdivision (1), against property taxes imposed on property described in subsection (d)(3);

(3) Third, if an excess remains after applying the reduction as described in subdivisions (1) and (2), against property taxes imposed on property described in subsection (d)(2);

(4) Fourth, if an excess remains after applying the reduction as described in subdivisions (1) through (3), against property taxes imposed on property described in subsection (d)(1).

(f) The total of all tax credits granted under this section for a year may not exceed the amount authorized by the adopting body. If the amount available in a year for property tax credits under this section is greater than the amount necessary to provide all the property tax credits authorized by the adopting body, the county auditor shall retain and apply the excess as necessary to provide the property tax credits authorized by the adopting body for the following year. The adopting body may adopt an ordinance that directs to which categories described in subsection (d) the excess is to be uniformly applied.

(g) (f) The county auditor shall allocate the amount of revenue applied as tax credits under this section to the taxing units that imposed the eligible property taxes against which the credits are applied.
If the adopting body adopts an ordinance to reduce or eliminate the property tax relief credits that are in effect in the county under this chapter, the county auditor shall give notice of the adoption of the ordinance in accordance with IC 5-3-1 not later than thirty (30) days after the date on which the ordinance is adopted.

(a) If a person has paid more tax than the person determines is legally due for a particular taxable period, the person may file a claim for a refund with the department. Except as provided in subsections (j) and (k), in order to obtain the refund, the person must file the claim with the department within three (3) years after the latter of the following:
(1) The due date of the return.
(2) The date of payment.
For purposes of this section, the due date for a return filed for the state gross retail or use tax, the gasoline tax, the special fuel tax, the motor carrier fuel tax, the oil inspection fee, or the petroleum severance tax is the end of the calendar year which contains the taxable period for which the return is filed. The claim must set forth the amount of the refund to which the person is entitled and the reasons that the person...
is entitled to the refund.

(b) After considering the claim and all evidence relevant to the claim, the department shall issue a decision on the claim, stating the part, if any, of the refund allowed and containing a statement of the reasons for any part of the refund that is denied. The department shall mail a copy of the decision to the person that filed the claim. If the person disagrees with a part of the decision on the claim, the person may file a protest and request a hearing with the department. If the department allows the full amount of the refund claim, a warrant for the payment of the claim is sufficient notice of the decision.

c) The tax court shall hear the appeal de novo and without a jury, and after the hearing may order or deny any part of the appealed refund. The court may assess the court costs in any manner that it feels is equitable. The court may enjoin the collection of any of the listed taxes under IC 33-26-6-2. The court may also allow a refund of taxes, interest, and penalties that have been paid to and collected by the department.

d) The decision on the claim must state that the person has sixty (60) days from the date the decision is mailed to file a written protest. If the person files a protest and requests a hearing on the protest, the department shall:

1. set the hearing at the department's earliest convenient time;
2. notify the person by United States mail of the time, date, and location of the hearing.

e) The department may hold the hearing at the location of its choice within Indiana if that location complies with IC 6-8.1-3-8.5.

(f) After conducting a hearing on a protest, or after making a decision on a protest when no hearing is requested, the department shall issue a memorandum of decision or order denying a refund and shall send a copy of the decision through the United States mail to the person that filed the protest. If the department allows the full amount of the refund claim, a warrant for the payment of the claim is sufficient notice of the decision. The department may continue the hearing until a later date if the taxpayer presents additional information at the hearing or the taxpayer requests an opportunity to present additional information after the hearing.

(g) A person that disagrees with any part of the department's decision in a memorandum of decision or order denying a refund may request a rehearing not more than thirty (30) days after the date on which the memorandum of decision or order denying a refund is issued by the department. The department shall consider the request and may
grant the rehearing if the department reasonably believes that a rehearing would be in the best interests of the taxpayer and the state.

(h) If the person disagrees with any part of the department's decision, the person may appeal the decision, regardless of whether or not the person protested the tax payment or whether or not the person has accepted a refund. The person must file the appeal with the tax court. The tax court does not have jurisdiction to hear a refund appeal if:

(1) the appeal is filed more than ninety (90) days after the later of the dates on which:

(A) the memorandum of decision or order denying a refund is issued by the department, if the person does not make a timely request for a rehearing under subsection (g) on the letter of findings; or

(B) the department issues a denial of the person's timely request for a rehearing under subsection (g) on the memorandum of decision or order denying a refund; or

(2) the appeal is filed both before the decision is issued and before the one hundred eighty-first day after the date the person files the claim for a refund with the department.

The ninety (90) day period may be extended according to the terms of a written agreement signed by both the department and the person. The agreement must specify a date upon which the extension will terminate and include a statement that the person agrees to preserve the person's records until that specified termination date. The specified termination date agreed upon under this subsection may not be more than ninety (90) days after the expiration of the period otherwise specified by this subsection.

(i) With respect to the vehicle excise tax, this section applies only to penalties and interest paid on assessments of the vehicle excise tax. Any other overpayment of the vehicle excise tax is subject to IC 6-6-5.

(j) If a taxpayer's federal taxable income, federal adjusted gross income, or federal income tax liability for a taxable year is modified by the Internal Revenue Service, and the modification would result in a reduction of the tax legally due, the due date by which the taxpayer must file a claim for refund with the department is the later of:

(1) the date determined under subsection (a); or

(2) the date that is one hundred eighty (180) days after the date of the modification by the Internal Revenue Service as provided under:

before November 1, 2016. Notwithstanding IC 7.1-3-1-1.5, a retailer permittee may continue to sell carryout after May 14, 2017, and is not required to comply with the gross retail income requirements. However, if the permit is transferred to a new location after May 14, 2017, and the location is not exempt under subsection (b), the gross retail income requirements of this section apply to the transferred permit.

(e) This subsection applies to a retailer's permit with carryout privileges that was initially:

(1) issued; or

(2) transferred to the premises location;

after October 31, 2016, and before May 15, 2017. Notwithstanding IC 7.1-3-1-1.5, a retailer permittee may continue to sell carryout after May 14, 2017, and is not required to comply with the gross retail income requirements until the retailer's permit is renewed. A retailer permittee may be issued a letter of extension, and subsequent renewals of the extension under IC 7.1-3-1-3.1, but the permit term may not be extended past April 1, 2018. A retailer permittee may continue to sell carryout while the extension is in effect. If the permit is transferred as to ownership or to a location that is not exempt under subsection (b), the gross retail income requirements of this section apply upon transfer of the permit.

(f) Except for a retailer permittee described in subsection (d), a retailer permittee that has carryout privileges must apply for renewal of the carryout privileges when applying for renewal of the retailer's permit. The retailer permittee must provide the commission with a financial statement with information that shows the dollar amounts and percentages of the retailer permittee's gross retail income that is derived from sales of alcoholic beverages:

(1) for consumption on the licensed premises; and

(2) for carryout;

during the one hundred eighty (180) days preceding the date of the application for renewal.

(g) For subsequent applications for renewal, the commission may allow a retailer permittee to submit to the commission an affidavit of compliance that is signed by the permittee, or by a responsible officer
or partner, under the penalties of perjury, that states that the
requirements of subsection (c) continue to be met. If the commission
has reasonable grounds to doubt the truthfulness of an affidavit of
compliance, the commission may require the retailer permittee to
provide audited financial statements.

(h) If an applicant for renewal of carryout privileges does not meet
the requirements of subsection (c) and the commission denies the
application, the applicant may apply for a reinstatement of carryout
privileges with the permittee's next application for renewal of the
retailer's permit that is made in accordance with subsection (i).

(i) An applicant:

(1) for a retailer's permit and carryout privileges that has not
opened for business; or

(2) for carryout privileges that:

(A) is the holder of a retailer's permit for an operating
business; and

(B) has had the previous application for carryout privileges or
renewal of carryout privileges denied by the commission;

must provide the commission with a verified certification stating that
the projected gross retail income from alcoholic beverage sales during
the business's first two (2) years of operations with carryout privileges
will meet the requirements of subsection (c). Not more than one
hundred eighty (180) days after the date the applicant begins or
resumes alcoholic beverage sales with carryout privileges, the applicant
shall provide a financial statement with sufficient information to show
that during the first one hundred twenty (120) days of business
operations with carryout privileges, sixty percent (60%) of the gross
retail income from all alcoholic beverage sales was derived from sales
of alcoholic beverages for consumption on the premises.

(j) The commission may:

(1) require that a financial statement submitted by an applicant
under this chapter be audited by a certified public accountant; and

(2) with the cooperation of the department of state revenue, verify
the information provided by the applicant.

(k) The information provided to the commission under this chapter
regarding gross retail income is confidential information and may not
be disclosed to the public under IC 5-14-3. However, the commission
may disclose the information:

(1) to the department of state revenue to verify the accuracy of the
amount of gross retail income from sales of alcoholic beverages;
and

(2) in any administrative or judicial proceeding to revoke or
suspend the holder's permit as a result of a discrepancy in the
amount of gross retail income from sales of alcoholic beverages
discovered by the department of state revenue.
(l) Notwithstanding IC 6-8.1-7-1 or any other law, in fulfilling its
obligations under this section, the department of state revenue may
provide confidential information to the commission. The commission
shall maintain the confidentiality of information provided by the
department of state revenue under this chapter. However, the
commission may disclose the information in any administrative or
judicial proceeding to revoke or suspend the holder's permit as a result
of any information provided by the department of state revenue.
(m) If the commission does not grant or renew a retailer permittee's
carryout privileges, the denial shall not affect the other rights,
privileges, and restrictions of the retailer's permit, including the retailer
permittee's ability to sell alcoholic beverages for on-premises
comsumption.

SECTION 70, AND AS AMENDED BY P.L.218-2017, SECTION 73,
IS CORRECTED AND AMENDED TO READ AS FOLLOWS
[EFFECTIVE UPON PASSAGE]: Sec. 2. (a) This article contains full
and complete authority for public-private agreements between the
authority, a private entity, and, where applicable, a governmental
entity. Except as provided in this article, no law, procedure,
proceeding, publication, notice, consent, approval, order, or act by the
authority or any other officer, department, agency, or instrumentality
of the state or any political subdivision is required for the authority to
enter into a public-private agreement with a private entity under this
article, or for a project that is the subject of a public-private agreement
to be constructed, acquired, maintained, repaired, operated, financed,
transferred, or conveyed.

(b) Before the authority or the department may issue a request for
proposals for or enter into a public-private agreement under this article
that would authorize an operator to impose tolls for the operation of
motor vehicles on all or part of a toll road project, the general assembly
must adopt a statute authorizing the imposition of tolls. However,
during the period beginning July 1, 2011, and ending June 30, 2021,
and notwithstanding subsection (c), the general assembly is not
required to enact a statute authorizing the authority or the department
to issue a request for proposals or enter into a public-private agreement
to authorize an operator to impose tolls for the operation of motor
vehicles on all or part of the following projects:

(1) A project on which construction begins after June 30, 2011,
not including any part of Interstate Highway 69 other than a part
described in subdivision (4).

(2) The addition of toll lanes, including high occupancy toll lanes,
to a highway, roadway, or other facility in existence on July 1, 2011, if the number of nontolled lanes on the highway, roadway, or facility as of July 1, 2011, does not decrease due to the addition of the toll lanes.

(3) The Illiana Expressway, a limited access facility connecting Interstate Highway 65 in northwestern Indiana with an interstate highway in Illinois.

(4) A project that is located within a metropolitan planning area (as defined by 23 U.S.C. 134) and that connects the state of Indiana with the commonwealth of Kentucky.

However, neither the authority nor the department may issue a request for proposals for a public-private agreement under this article that would authorize an operator to impose tolls unless the budget committee has reviewed the request for proposals.

(c) Before the authority or an operator may carry out any of the following activities under this article, the general assembly must enact a statute authorizing that activity:

(1) Imposing tolls on motor vehicles for use of Interstate Highway 69.

(2) Imposing tolls on motor vehicles for use of a nontolled highway, roadway, or other facility in existence or under construction on July 1, 2011, including nontolled interstate highways, U.S. routes, and state routes.

(d) The general assembly is not required to enact a statute authorizing the authority or the department to issue a request for proposals or enter into a public-private agreement for a freeway project.

(e) The authority may enter into a public-private agreement for a facility project if the general assembly, by statute, authorizes the authority to enter into a public-private agreement for the facility project.

(f) As permitted by subsection (e), the general assembly authorizes the authority to enter into public-private agreements for the following facility projects:
(1) A state park inn and related improvements in an existing state park located in a county with a population of more than two hundred thousand (200,000) and less than three hundred thousand (300,000).

(2) Communications systems infrastructure, including:
   (A) towers and associated land, improvements, foundations, access roads and rights-of-way, structures, fencing, and equipment necessary, proper, or convenient to enable the towers to function as part of the communications system;
   (B) any equipment necessary, proper, or convenient to transmit and receive voice and data communications; and
   (C) any other necessary, proper, or convenient elements of the communications system.

(3) Larue D. Carter Memorial Hospital in Indianapolis.

(g) The following apply to a public-private agreement for communications systems infrastructure under subsection (f)(2):

(1) The authority may: shall
   (A) use the procedures set forth in IC 8-15.5-4. or
   (B) at the authority’s option and in its sole discretion:
      negotiate an agreement with a single offeror.

   The authority must issue a request for information before entering into negotiations with a single offeror. If an agreement is negotiated with a single offeror, IC 8-15.5-4-11 and IC 8-15.5-4-12 are the only sections in IC 8-15.5-4 that apply.

(2) This article, and any other applicable laws with respect to establishing, charging, and collecting user fees, including IC 8-15.5-7, do not apply, and the operator may establish, charge, and collect user fees as set forth in the public-private agreement.

The governing body must determine which students will be admitted as transfer students to each school building and each grade level within the school corporation by a random drawing in a public meeting: using a publicly verifiable random selection process.

(j) Notwithstanding subsections (f), (g), and (h), a governing body of a school corporation may deny a request for a student to transfer to the school corporation or may discontinue enrollment currently or in a subsequent school year, or establish terms or conditions for enrollment or for continued enrollment in a subsequent school year, if:

(1) the student has been suspended (as defined in IC 20-33-8-7) or expelled (as defined in IC 20-33-8-3) during the twelve (12) months preceding the student's request to transfer under this section:

(a) Except as provided in subsection (d) and Subject to subsection (c), the department and an authorized course provider shall negotiate a course access program course tuition fee for an enrolled eligible student for each course offered and all course materials. The negotiated course access program course tuition fee must be identical for every enrolled eligible student. Transfers of tuition payments for enrollment of an eligible student currently enrolled at an applicable school corporation in a course access program course shall be made to the authorized course provider by the school corporation in which the eligible student is enrolled. The amount of the tuition payment for enrollment of an eligible student in a course access program course must be paid from the total amount of state tuition support that would otherwise be received by the school corporation on account of the student. The state board shall adopt rules under IC 4-22-2 for payment of tuition payments from a school corporation to an authorized course provider for a student who is not currently enrolled in the school but enrolls in a course access program course as part of the eligible student's special education services provided by the school corporation. The department may charge the negotiated course access program course tuition fee to a student who enrolls in a course access program course from an eligible provider if the student is not currently enrolled in a school corporation or is otherwise eligible to enroll in the course access program as part of the student's special education services by the school corporation.

(b) A course provider may not receive any payment from the school corporation that is in addition to the tuition fee for a course access program course in which an eligible student is enrolled. Any other funds related to the student that are due to a school corporation shall be paid to the school corporation.
(c) Payment in full of a tuition fee for a course access program course must be based in part on student success in the course access program course. The department may negotiate with the course provider to determine the manner in which the course provider is paid. However, the course provider may not receive less than fifty percent (50%) of the tuition fee upon an eligible student's enrollment in a course access program course. The course provider shall receive the remaining amount if the measured student outcomes for the course access program course meet requirements set by the department. Measured student outcomes may include:

1. course access program course completion by enrolled students;
2. student growth to proficiency;
3. student results from independent end of course assessments and other state and nationally accepted assessments;
4. student receipt of credentials that are recognized in an industry;
5. postsecondary credits received by a student; and
6. other validated measures approved by the state board.

In setting the definition and criteria for low population schools, the state board shall not penalize schools based on population. An eligible school (as defined in IC 20-51-1-4.7) may not be penalized under IC 20-51-4-9 for the sole reason that the eligible school is considered a low population school under this subsection. The state board's definition and criteria may include the placement of a school that fits the state board's definition in a "null" or "no letter grade" category.

(c) In developing metrics for the categories established under subsection (a), the state board, in consultation with the department, to the extent not inconsistent with federal law, shall consider the severity of tested students' disabilities when using ISTEP statewide assessment scores as a means of assessing school performance.
(d) In developing metrics for the categories established under subsection (a), the state board shall consider the mobility of high school students who are credit deficient and whether any high school should be rewarded for enrolling credit deficient students or penalized for transferring out credit deficient students.

The amount of the reduction for a particular school is equal to the total amount of the excess multiplied by a fraction. The numerator of the fraction is the amount of the teacher appreciation grant that the school would have received if a reduction were not made under this section. The denominator of the fraction is the total amount that would be distributed as teacher appreciation grants to all schools if a reduction were not made under this section.

The addition to base salary is not subject to collective bargaining, but is discussable.

(a) Any parent corporation may acquire all of the issued and outstanding voting stock of its subsidiary insurer not owned by the parent corporation in exchange for shares or other securities of the parent corporation, or cash, other consideration, or any combination of the foregoing, in the manner provided in this section. The board of directors of the parent corporation, by resolution approved by a majority of the whole board, shall adopt a plan of acquisition setting forth:

2. the designation and a description of the voting rights of each class, and any series thereof, of voting stock of the subsidiary insurer;
3. the total number of issued and outstanding shares of each class, and any series thereof, of voting stock of the subsidiary insurer, the number of such shares owned by the parent corporation and, if either of the foregoing is subject to change prior to the proposed acquisition, the manner in which any change may occur;

6. such other provisions with respect to the acquisition as the board of directors of the parent corporation deems necessary or appropriate.

(b) Upon adoption of a plan of acquisition, the parent corporation shall submit that plan to the commissioner in duplicate, certified by the secretary or an assistant secretary of the parent corporation as having been adopted in accordance with the provisions of this chapter. Within
thirty (30) days from the date the plan is submitted to the commissioner, **he the commissioner** shall endorse his the commissioner's approval or disapproval and the date thereof on both copies of the plan, file one (1) copy of the plan in his the commissioner's offices, and deliver the other copy to the parent corporation. No plan of acquisition shall take effect unless the approval of the commissioner has been obtained. The commissioner shall approve the plan of acquisition if **he the commissioner** is satisfied that the plan complies with this chapter and that the terms and conditions of the plan of acquisition are fair and reasonable. If the commissioner disapproves the plan, **he the commissioner** shall advise the parent corporation in writing of the reasons for his disapproval. The commissioner's disapproval of a plan of acquisition shall be subject to judicial review upon the petition of the parent corporation in accordance, so far as practical, with IC 4-21.5-5.

(c) If the commissioner approves the plan of acquisition, and if the plan has not been abandoned, the parent corporation shall deliver a copy of the plan or a summary thereof approved by the commissioner to each person who, as of the date of delivery, is a holder of record of voting stock to be acquired pursuant to the plan. Delivery shall be made either in person or by depositing a copy of the plan or an approved summary thereof in the United States mails, postage prepaid, addressed to the shareholder at his the shareholder's address of record as furnished by the subsidiary insurer or its transfer agent. The parent corporation shall thereafter file with the commissioner an affidavit of its secretary or assistant secretary setting forth that the delivery was made and the date of delivery.

(d) Notwithstanding approval by the commissioner of the plan of acquisition or delivery of the plan or of an approved summary thereof to shareholders, the plan of acquisition may be abandoned at any time prior to the proposed effective date of acquisition pursuant to a provision for abandonment, if any, contained in the plan.

(e) Upon compliance with the requirements of this section and if the plan of acquisition has not been abandoned, ownership of the voting stock to be acquired pursuant to the plan shall automatically vest in the parent corporation on the date of acquisition proposed in the plan, without any physical transfer or deposit of certificates representing that voting stock, and the parent corporation shall be entitled to have new certificates therefor registered in its name. Shareholders whose voting stock is so acquired shall cease to be shareholders and shall have only the right to receive the consideration to be paid in exchange for their voting stock pursuant to the plan of acquisition.
SECTION 206. IC 27-3-3-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3. Within thirty (30) days after delivery of the plan of acquisition or an approved summary thereof to shareholders as hereinafter provided in Section 2 of this chapter, any shareholder of the subsidiary insurer may notify the subsidiary insurer in writing of his the shareholder's dissent from the plan and of his the shareholder's demand for payment of fair value of his the shareholder's voting stock, and, if the acquisition proposed in the plan is effected, the subsidiary insurer shall pay to each dissenting shareholder, upon surrender of the certificate or certificates representing the affected voting stock, the fair value thereof as of the day prior to the date on which the plan of acquisition was adopted by the board of directors of the parent corporation, excluding any appreciation or depreciation in anticipation of, or resulting from, that corporate action. Dissent and demand under this section shall be accompanied by the certificate or certificates representing the dissenting shareholder's voting stock for notation thereon that dissent and demand have been made, unless a court of competent jurisdiction, for good and sufficient cause shown, shall otherwise direct. Dissent and demand shall only be made jointly by holders of voting stock jointly held. Any shareholder failing to make the dissent and demand accompanied by certificates representing his the shareholder's voting stock within the thirty (30) day period shall be bound by the terms and conditions of the plan of acquisition. Any shareholder making dissent and demand accompanied by certificates representing his the shareholder's voting stock shall thereafter have no rights with respect to that voting stock except the right to receive payment therefor under this section, and a transferee of voting stock shall acquire by the transfer no rights other than those which the original dissenting shareholder had after making dissent and demand.

No dissent and demand may be withdrawn unless the president or a vice-president of the subsidiary insurer shall consent thereto in writing. If, however, dissent and demand is withdrawn upon such consent, or if the plan of acquisition is abandoned, or if a dissenting shareholder fails to submit for notation or surrender for payment the certificate or certificates representing his the shareholder's voting stock at the time and in the manner required by this section, or if a dissenting shareholder does not file a petition for a determination of fair value of his the shareholder's voting stock within the time and in the manner provided in this section and the subsidiary insurer does not file a petition for such determination, or if a court of competent jurisdiction determines that a dissenting shareholder is not entitled to
the relief provided by this section, then the right of the dissenting shareholder to be paid the fair value of his voting stock shall cease and his status and rights shall be the same as a shareholder failing to make dissent and demand, without prejudice to any corporate proceedings which may have been taken during the interim.

Within sixty (60) days after the acquisition proposed in the plan is effected, the subsidiary insurer shall give written notice thereof to each shareholder who has made dissent and demand as in this section provided, and shall make a written offer to each such dissenting shareholder to pay for his voting stock a specified price deemed by the subsidiary insurer to be the fair value thereof. This notice and offer shall be made when deposited in the United States mails, postage prepaid, addressed to the dissenting shareholder at his address of record. If the offer is accepted in writing by the dissenting shareholder, the subsidiary insurer shall pay the specified price to the dissenting shareholder upon surrender of the certificate or certificates representing his voting stock. Upon such payment the dissenting shareholder shall cease to have any interest in such voting stock and such voting stock shall be retired by the subsidiary insurer pursuant to IC 1971, 27-1-8-12.

If within thirty (30) days after the date of the mailing of the written offer the subsidiary insurer and a dissenting shareholder do not agree in writing upon the fair value, the subsidiary insurer or the dissenting shareholder may, within ninety (90) days after the date of the mailing of the written offer, petition the circuit or superior court of the county in which the principal office of the subsidiary insurer is located to appraise the fair value of the voting stock as of the day prior to the date on which the plan of acquisition was adopted by the board of directors of the parent corporation, excluding any appreciation or depreciation in anticipation of, or resulting from, that corporate action. If more than one (1) petition is filed, the petitions may be consolidated or joint hearings may be held thereon. The practice, procedure and judgment in the circuit or superior court shall be the same, so far as practical, as that under the eminent domain laws in this state. The judgment of the circuit or superior court shall be final. A judgment shall be payable only upon and concurrently with the surrender by such dissenting shareholder to the subsidiary insurer of the certificate or certificates representing the voting stock. Upon payment of the judgment, the dissenting shareholder shall cease to have any interest in the voting stock and such voting stock shall be retired by the subsidiary insurer pursuant to IC 1971, 27-1-8-12.

ES 6—LS 6104/DI 112
This section shall provide the exclusive method for dissenting from a plan of acquisition effected pursuant to this chapter and demanding payment of fair value of the voting stock acquired or to be acquired under such a plan.

SECTION 208. IC 27-8-15-14, AS AMENDED BY P.L.72-2016, SECTION 20, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 14. (a) This subsection applies only with respect to grandfathered health plan coverage described in 45 CFR 147.140. As used in this chapter, "small employer" means any person, firm, corporation, limited liability company, partnership, or association actively engaged in business who, on at least fifty percent (50%) of the working days of the employer during the preceding calendar year, employed at least two (2) but not more than fifty (50) eligible

number of eligible employees, companies that are affiliated companies
or that are eligible to file a combined tax return for purposes of state
taxation are considered one (1) employer.
(b) If the commissioner of insurance determines that it is necessary
or appropriate, the department of insurance may adopt emergency rules
under IC 4-22-2-37.1 to conform the definition set forth in subsection
(a) with PPACA (as defined in IC 27-19-2-14): Notwithstanding

SECTION 209. IC 28-1-20-4, AS AMENDED BY P.L.159-2017,
SECTION 33, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JANUARY 1, 2018 (RETROACTIVE)]: Sec. 4. (a) Except as provided
in subsections (c), (d), (g), and (o), it is unlawful for any person, firm,
limited liability company, or corporation (other than a bank or trust
company, a bank holding company, a subsidiary of a bank or trust
company, a subsidiary of a bank holding company, a subsidiary of a
savings bank, or a subsidiary of a savings association organized or
reorganized under IC 28 or statutes in effect at the time of organization
or reorganization or under the laws of the United States):
(1) to use the word, or a derivation of the word, "bank", "banc",
"banco", or "bankcor", as a part of the name or title of the person,
firm, limited liability company, or corporation, whether the word
is used as the person's, firm's, limited liability company's, or
corporation's official entity name or an assumed business name
under IC 23-15-1-1; IC 23-0.5-3-4, if the use of the word would
create a substantial likelihood of misleading the public by
implying that the person, firm, limited liability company, or
corporation is a state or federally chartered bank, trust company,
savings bank, or savings association; or

ES 6—LS 6104/DI 112
(2) to advertise or represent the person, firm, limited liability company, or corporation to the public:
   (A) as a bank or trust company or a corporate fiduciary; or
   (B) as affording the services or performing the duties which by law only a bank or trust company or a corporate fiduciary is entitled to afford and perform.

(b) A financial institution organized under the laws of any state or the United States is authorized to do business in Indiana:
   (1) at its principal office;
   (2) at any branch office; or
   (3) otherwise;
   using a name other than its official entity name if the financial institution notifies the department at least ten (10) days before using the other name.

(c) An out-of-state financial institution with the word "bank" in its legal name may use the word "bank" if the financial institution is insured by the Federal Deposit Insurance Corporation or its successor.

(d) A building and loan association organized under IC 28-4 (before its repeal) may include in its name or title:
   (1) the words "savings bank"; or
   (2) the word "bank" if the name or title also includes either the words "savings bank" or letters "SB".

A building and loan association that includes "savings bank" in its title under this section does not by that action become a savings bank for purposes of IC 28-6.1.

(e) The name or title of a savings bank governed by IC 28-6.1 must include the words "savings bank" or the letters "SB".

(f) A savings association may include in its name the words "building and loan association".

(g) A bank holding company (as defined in 12 U.S.C. 1841) may use the word "bank" or "banks" as a part of its name. However, this subsection does not permit a bank holding company to advertise or represent itself to the public as affording the services or performing the duties that by law a bank or trust company only is entitled to afford and perform.

(h) The department is authorized to investigate the business affairs of any person, firm, limited liability company, or corporation that uses "bank", "banc", or "banco" in its title or holds itself out as a bank, corporate fiduciary, or trust company for the purpose of determining whether the person, firm, limited liability company, or corporation is violating any of the provisions of this article, and, for that purpose, the department and its agents shall have access to any and all of the books,
records, papers, and effects of the person, firm, limited liability
compny, or corporation. In making its examination, the department
may examine any person and the partners, officers, members, or agents
of the firm, limited liability company, or corporation under oath,
subpoena witnesses, and require the production of the books, records,
papers, and effects considered necessary. On application of the
department, the circuit or superior court of the county in which the
person, firm, limited liability company, or corporation maintains a
place of business shall, by proper proceedings, enforce the attendance
and testimony of witnesses and the production and examination of
books, papers, records, and effects.

(i) The department is authorized to exercise the powers under
IC 28-11-4 against a person, firm, limited liability company, or
corporation that improperly holds itself out as a financial institution.

(j) A person, firm, limited liability company, or corporation who
violates this section is subject to a penalty of five hundred dollars
($500) per day for each and every day during which the violation
continues. The penalty imposed shall be recovered in the name of the
state on relation of the department and, when recovered, shall be paid
into the financial institutions fund established by IC 28-11-2-9.

(k) The word, or a derivation of the word, "bank", "banc", "banco",
or "bankcor" may not be included in the name of a corporate fiduciary
if the inclusion of the word would create a substantial likelihood of
misleading the public by implying that the corporate fiduciary is a state
or federally chartered bank, trust company, savings bank, or savings
association.

(l) A person, firm, limited liability company, or corporation may not
use the name of an existing depository financial institution or holding
company of a depository financial institution, or a name confusingly
similar to that of an existing depository financial institution or holding
company of a depository financial institution, when marketing to or
soliciting business from a customer or prospective customer if the
reference to the existing depository financial institution or holding
company of a depository financial institution is:

(1) without the consent of the existing depository financial
institution or holding company of a depository financial
institution; and

(2) in a manner that could cause a reasonable person to believe
that the marketing material or solicitation:

(A) originated from;

(B) is endorsed by; or

(C) is in any other way the responsibility of;
the existing depository financial institution or holding company of a depository financial institution.

(m) An existing depository financial institution or holding company of a depository financial institution may, in addition to any other remedies available under the law, report an alleged violation of subsection (l) to the department. If the department finds that the marketing material or solicitation in question is in violation of subsection (l), the department may direct the person, firm, limited liability company, or corporation to cease and desist from using that marketing material or solicitation in Indiana. If that person, firm, limited liability company, or corporation persists in using the marketing material or solicitation, the department may impose a civil penalty of up to fifteen thousand dollars ($15,000) for each violation. Each instance in which the marketing material or solicitation is sent to a customer or prospective customer constitutes a separate violation of subsection (l).

(n) Nothing in subsection (l) or (m) prohibits the use of or reference to the name of an existing depository financial institution or holding company of a depository financial institution in marketing materials or solicitations, if the use or reference does not deceive or confuse a reasonable person regarding whether the marketing material or solicitation:

1. originated from;
2. is endorsed by;
3. is in any other way the responsibility of;

the existing depository financial institution or holding company of a depository financial institution.

(o) A person, firm, limited liability company, or corporation may use the word, or a derivation of the word, "bank", "banc", "banco", or "bankcor" if the use of the word would not create a substantial likelihood of misleading the public by implying that the person, firm, limited liability company, or corporation is a state or federally chartered bank, trust company, savings bank, or savings association.

(p) As used in this section, "depository financial institution" has the meaning set forth in IC 28-1-1-6.

(q) The department may adopt rules under IC 4-22-2 to implement this section.

offense committed by the person satisfies the conditions set forth in

secure detention, probation, or parole for the offense after June 30,
1994.

(c) This section applies whenever a court sentences a person or a
juvenile court issues a dispositional decree for a sex offense (as defined
in IC 11-8-8-5.2) for which the person is required to register with the
local law enforcement authority under IC 11-8-8.

(d) At the sentencing hearing, the court shall indicate on the record
whether the person has been convicted of an offense that makes the
person a sexually violent predator under subsection (b).

(e) If a person is not a sexually violent predator under subsection
(b), the prosecuting attorney may request the court to conduct a hearing
to determine whether the person (including a child adjudicated to be a
delinquent child) is a sexually violent predator under subsection (a). If
the court grants the motion, the court shall appoint two (2)
psychologists or psychiatrists who have expertise in criminal
behavioral disorders to evaluate the person and testify at the hearing.

person is a sexually violent predator under subsection (a). A hearing
conducted under this subsection may be combined with the person's
sentencing hearing.

(1) the sentencing court or juvenile court makes its determination
under subsection (e); or

(2) the person is released from incarceration or secure detention.
A person may file a petition under this subsection not more than one (1) time per year. A court may dismiss a petition filed under this subsection or conduct a hearing to determine if the person should no longer be considered a sexually violent predator. If the court conducts a hearing, the court shall appoint two (2) psychologists or psychiatrists who have expertise in criminal behavioral disorders to evaluate the person and testify at the hearing. After conducting the hearing and considering the testimony of the two (2) psychologists or psychiatrists, the court shall determine whether the person should no longer be considered a sexually violent predator under subsection (a). If a court finds that the person should no longer be considered a sexually violent predator, the court shall send notice to the department of correction that the person is no longer considered a sexually violent predator or an offender against children. Notwithstanding any other law, a condition imposed on a person due to the person's status as a sexually violent predator, including lifetime parole or GPS monitoring, does not apply to a person no longer considered a sexually violent predator.

(5) The person has not committed another sex offense (as defined in IC 11-8-8-5.2) (including a delinquent act that would be a sex offense if committed by an adult) against any other person.

(6) The person did not have a position of authority or substantial influence over the victim.

(7) The court finds that the person should not be considered a sexually violent predator.

(b) If the screening test required by this section indicates the presence of antibodies to HIV, the court shall order the person to undergo a confirmatory test.

(c) If the confirmatory test confirms the presence of the HIV antibodies, the court shall report the results to the state department of health and require a probation officer to conduct a presentence investigation to:

(1) obtain the medical record of the convicted person from the state department of health under IC 16-41-8-1(a)(3); IC 16-41-8-1(b)(3); and

(2) determine whether the convicted person had received risk counseling that included information on the behavior that facilitates the transmission of HIV.

(d) A person who, in good faith:

(1) makes a report required to be made under this section; or
(2) testifies in a judicial proceeding on matters arising from the
report; is immune from both civil and criminal liability due to the offering of
that report or testimony.

(e) The privileged communication between a husband and wife or
between a health care provider and the health care provider's patient is
not a ground for excluding information required under this section.

(f) A mental health service provider (as defined in IC 34-6-2-80)
who discloses information that must be disclosed to comply with this
section is immune from civil and criminal liability under Indiana

carrying out an execution by lethal injection. The issuance or
compounding of a lethal substance under this subsection:

(1) does not constitute the practice of pharmacy (as defined in
IC 25-26-13-2);

ES 6—LS 6104/DI 112
(3) if the applicant is a resident of another state and has a regular place of business or employment in Indiana, to the sheriff of the county in which the applicant has a regular place of business or employment.

The superintendent and local law enforcement agencies shall allow an applicant desiring to obtain or renew a license to carry a handgun to submit an application electronically under this chapter if funds are available to establish and maintain an electronic application system.

(b) The law enforcement agency which accepts an application for a handgun license shall collect the following application fees:

(1) From a person applying for a four (4) year handgun license, a ten dollar ($10) application fee, five dollars ($5) of which shall be refunded if the license is not issued.

(3) From a person applying for a lifetime handgun license who currently possesses a valid Indiana handgun license, a forty dollar ($40) application fee, thirty dollars ($30) of which shall be refunded if the license is not issued.

Except as provided in subsection (h), the fee shall be deposited into the law enforcement agency's firearms training fund or other appropriate training activities fund and used by the agency to train law enforcement officers in the proper use of firearms or in other law enforcement duties, or to purchase firearms, firearm related equipment, or body armor (as defined in IC 35-47-5-13(a)) for the law enforcement officers employed by the law enforcement agency. The state board of accounts shall establish rules for the proper accounting and expenditure of funds collected under this subsection.

(c) The officer to whom the application is made shall ascertain the applicant's name, full address, length of residence in the community, whether the applicant's residence is located within the limits of any city or town, the applicant's occupation, place of business or employment, criminal record, if any, and convictions (minor traffic offenses excepted), age, race, sex, nationality, date of birth, citizenship, height, weight, build, color of hair, color of eyes, scars and marks, whether the applicant has previously held an Indiana license to carry a handgun and, if so, the serial number of the license and year issued, whether the applicant's license has ever been suspended or revoked, and if so, the year and reason for the suspension or revocation, and the applicant's reason for desiring a license. The officer to whom the application is
made shall conduct an investigation into the applicant's official records
and verify thereby the applicant's character and reputation, and shall in
addition verify for accuracy the information contained in the
application, and shall forward this information together with the
officer's recommendation for approval or disapproval and one (1) set
of legible and classifiable fingerprints of the applicant to the
superintendent.

(d) The superintendent may make whatever further investigation the
superintendent deems necessary. Whenever disapproval is

(3) is a proper person to be licensed; and
(4) is:
   (A) a citizen of the United States; or
   (B) not a citizen of the United States but is allowed to carry a
       firearm in the United States under federal law;
the superintendent shall issue to the applicant a qualified or an
unlimited license to carry any handgun lawfully possessed by the
applicant. The original license shall be delivered to the licensee. A
copy shall be delivered to the officer to whom the application for
license was made. A copy shall be retained by the superintendent for
at least four (4) years in the case of a four (4) year license. The
superintendent may adopt guidelines to establish a records retention
policy for a lifetime license. A four (4) year license shall be valid for
a period of four (4) years from the date of issue. A lifetime license is
valid for the life of the individual receiving the license. The license of
police officers, sheriffs or their deputies, and law enforcement officers
of the United States government who have been honorably retired by
a lawfully created pension board or its equivalent after twenty (20) or
more years of service shall be valid for the life of these individuals.
However, a lifetime license is automatically revoked if the license
holder does not remain a proper person.

(f) At the time a license is issued and delivered to a licensee under
subsection (e), the superintendent shall include with the license
information concerning handgun safety rules that:
(1) neither opposes nor supports an individual's right to bear
arms; and
(2) is:
   (A) recommended by a nonprofit educational organization that
       is dedicated to providing education on safe handling and use
       of firearms;
   (B) prepared by the state police department; and
   (C) approved by the superintendent.

The superintendent may not deny a license under this section because
the information required under this subsection is unavailable at the
time the superintendent would otherwise issue a license. The state
police department may accept private donations or grants to defray the
cost of printing and mailing the information required under this
subsection.

(g) A license to carry a handgun shall not be issued to any person who:
   (1) has been convicted of a felony;
   (2) has had a license to carry a handgun suspended, unless the
       person's license has been reinstated;
   (3) is under eighteen (18) years of age;
   (4) is under twenty-three (23) years of age if the person has been
       adjudicated a delinquent child for an act that would be a felony if
       committed by an adult; or
   (5) has been arrested for a Class A or Class B felony for an
       offense committed before July 1, 2014, for a Level 1, Level 2,
       Level 3, or Level 4 felony for an offense committed after June 30,
       2014, or any other felony that was committed while armed with
       a deadly weapon or that involved the use of violence, if a court
       has found probable cause to believe that the person committed the
       offense charged.

In the case of an arrest under subdivision (5), a license to carry a
handgun may be issued to a person who has been acquitted of the
specific offense charged or if the charges for the specific offense are
dismissed. The superintendent shall prescribe all forms to be used in
connection with the administration of this chapter.

(h) If the law enforcement agency that charges a fee under
subsection (b) is a city or town law enforcement agency, the fee shall
be deposited in the law enforcement continuing education fund
established under IC 5-2-8-2.

(i) If a person who holds a valid license to carry a handgun issued
under this chapter:
   (1) changes the person's name;
   (2) changes the person's address; or
(3) experiences a change, including an arrest or a conviction, that may affect the person's status as a proper person (as defined in IC 35-47-1-7) or otherwise disqualify the person from holding a license; the person shall, not later than thirty (30) days after the date of a change described under subdivision (3), and not later than sixty (60) days after the date of the change described under subdivision (1) or (2), notify the superintendent, in writing, of the event described under subdivision (3) or, in the case of a change under subdivision (1) or (2), the person's new name or new address.

(j) The state police shall indicate on the form for a license to carry a handgun the notification requirements of subsection (i).

(k) The state police department shall adopt rules under IC 4-22-2 to:
(1) implement an electronic application system under subsection (a); and
(2) expedite the processing of an application made by a person described in IC 35-47-2-2.1(b). section 2.1(b) of this chapter.

Rules adopted under this section must require the superintendent to keep on file one (1) set of classifiable and legible fingerprints from every person who has received a license to carry a handgun so that a person who applies to renew a license will not be required to submit an additional set of fingerprints.

(l) Except as provided in subsection (m), for purposes of IC 5-14-3-4(a)(1), the following information is confidential, may not be published, and is not open to public inspection:
(1) Information submitted by a person under this section to:
(A) obtain; or
(B) renew;

(A) obtain; or
(B) renew;

(3) The name, address, and any other information that may be used to identify a person who holds a license to carry a handgun issued under this chapter.

(m) Notwithstanding subsection (l):
(1) any information concerning an applicant for or a person who holds a license to carry a handgun issued under this chapter may be released to a federal, state, or local government entity:
(A) for law enforcement purposes; or
(B) to determine the validity of a license to carry a handgun;
and
(2) general information concerning the issuance of licenses to
carry handguns in Indiana may be released to a person conducting
journalistic or academic research, but only if all personal
information that could disclose the identity of any person who
holds a license to carry a handgun issued under this chapter has
been removed from the general information.

(n) A person who knowingly or intentionally violates this section
commits a Class B misdemeanor.

SECTION 37, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
UPON PASSAGE]: Sec. 10.1. (a) The following definitions apply
throughout this section:

recording or filing in the public records maintained by the county
recorder or the county recorder's designee.
(b) A county executive shall establish by ordinance the manner and
form in which the county recorder may provide bulk form copies to
bulk users. The ordinance must establish whether the county recorder
may provide bulk form copies to a bulk user:
   (1) on a disk, tape, drum, or any other medium of electronic data
storage or microfilm;
   (2) by electronically transmitting the copies using an electronic
transfer process; or
   (3) under both subdivisions (1) and (2).
(c) A bulk user must submit a written request to the county recorder
that identifies the requested bulk form copies with reasonable
particularity. Unless the request is refused under subsection (h), (j),
upon receipt of a valid written request the county recorder or the county
recorder's designee shall provide the bulk form copies to the bulk user
by the method or methods established by ordinance. The bulk form
copies shall be provided within a reasonable time after the later of the
following events:
   (1) The recorder's archival process is completed and bulk form
copies become available in the county recorder's office.

indices used by the county recorder for finding, retrieving, and
viewing a recorded document.
(e) If the county executive makes a finding and determination that
the costs incurred by the county recorder of producing bulk form
copies, including applying a watermark or other protective feature,
exceed the amount of the fee under subsection (d), the county executive
may adopt an ordinance that establishes a greater fee in an amount not
to exceed the following:
   (1) Twenty cents ($0.20) per page for a copy of a recorded
document, including the instrument's book and page, if
applicable.
(2) Twenty cents ($0.20) per recorded document for a copy of the

(f) The fees charged by the county recorder are subject to the
following requirements:
(1) The county recorder shall pay the fees into the county treasury
at the end of each calendar month.
(2) The fees prescribed and collected under this section supersede
all other fees for bulk form copies required by law to be charged

section shall be deposited in the county recorder’s records
perpetuation fund and used by the recorder in accordance with
section 10(f) of this chapter.
(g) A bulk user must enter into a contract with the county recorder
and if the county recorder uses a third party to provide bulk copy
services, the county recorder’s designee, in order to receive bulk form
copies. The contract must be in writing and must require that the bulk
user agree not to do any of the following:

allow the transfer of any copy of a recorded document obtained by
the bulk user under this section to a third party.
(2) Engage in unauthorized access to recorded documents.
(3) Engage in unauthorized alteration of recorded documents.
A contract required under this subsection may not include any
restrictions on a bulk form user’s use of the bulk form copies other than
those contained in this section.
(h) A bulk user that is licensed under IC 27-1-15.6-6(d) or holds a
certificate of authority under IC 27-7-3-6 may provide bulk form copies
related to the specific order for a title search (as defined in IC 27-7-3-2)
when operating as:
(1) a title plant for the issuance of title insurance (as defined in
IC 27-7-3-2); or
(2) title company (as defined in IC 27-7-3-2).
A bulk user that meets the requirements of this subsection may charge
its customers a fee for using the bulk form copies obtained by the bulk
user that may not exceed the costs incurred by the bulk user for
obtaining the bulk form copies. A bulk user that meets the requirements
of this subsection may not resell, provide, transfer, or allow the transfer
of any copy of a recorded document, whether in bulk form or as individual copies or images, to any other bulk user or title plant.

   (j) If a bulk user does not comply with a contract, the county recorder may terminate the contract, immediately stop providing bulk form copies to the bulk user, and refuse to provide the bulk form copies requested by the bulk user if all termination provisions and procedures in the contract have been met by the county recorder. The county recorder may refuse subsequent requests from a bulk user for bulk form copies in the following circumstances:

   (1) The bulk user is a person that has had a previous bulk form copy contract terminated by the county recorder because the recorder determined that the bulk user failed to comply with the contract.

   (2) The bulk user is a corporation or limited liability company in which a person has a majority or controlling interest and:

      (A) the person requested bulk form copies under a previous contract with the county recorder; and

      (B) the contract was terminated by the county recorder because the county recorder determined that the person failed to comply with the contract.

   (k) This section does not apply to enhanced access under IC 5-14-3-3.

The county fiscal body may grant to the county assessor, in addition to the compensation fixed under IC 36-2-5, a per diem for each day that the assessor is engaged in reassessment activities under IC 6-1.1-4-4 or under a reassessment plan prepared under IC 6-1.1-4-4.2. This section applies regardless of whether professional assessing services are provided under a contract to one (1) or more townships in the county.

SECTION 341. IC 36-3-2-10, AS AMENDED BY P.L.266-2013, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. (a) The general assembly finds the following:

(1) That the tax base of the consolidated city and the county have been significantly eroded through the ownership of tangible property by separate municipal corporations and other public entities that operate as private enterprises yet are exempt or whose property is exempt from property taxation.
(2) That to restore this tax base and provide a proper allocation of the cost of providing governmental services the legislative body of the consolidated city and county should be authorized to collect payments in lieu of taxes from these public entities.
(3) That the appropriate maximum payments in lieu of taxes would be the amount of the property taxes that would be paid if the tangible property were not subject to an exemption.
(b) As used in this section, the following terms have the meanings set forth in IC 6-1.1-1:

(1) Assessed value.
(2) Exemption.
(3) Owner.
(4) Person.
(5) Personal property.
(6) Property taxation.

(2) tangible property of which the owner is a person other than a public entity and that is subject to an exemption under IC 8-22-3;
or
(3) both.

The ordinance remains in full force and effect until repealed or modified by the legislative body.

(f) The PILOTS must be calculated so that the PILOTS may be in any amount that does not exceed the amount of property taxes that would have been levied by the legislative body for the consolidated city and county upon the tangible property described in subsection (e) if the property were not subject to an exemption from property taxation.

(g) PILOTS shall be imposed as are property taxes and shall be based on the assessed value of the tangible property described in subsection (e). Except as provided in subsection (l), the township assessor, or the county assessor if there is no township assessor for the township, shall assess the tangible property described in subsection (e) as though the property were not subject to an exemption. The public entity shall report the value of personal property in a manner consistent with IC 6-1.1-3.
(h) Notwithstanding any law to the contrary, a public entity is authorized to pay PILOTS imposed under this section from any legally available source of revenues. The public entity may consider these payments to be operating expenses for all purposes.

(i) PILOTS shall be deposited in the consolidated county fund and used for any purpose for which the consolidated county fund may be used.

(j) PILOTS shall be due as set forth in the ordinance and bear interest, if unpaid, as in the case of other taxes on property. PILOTS shall be treated in the same manner as taxes for purposes of all procedural and substantive provisions of law.

(l) If the duties of the township assessor have been transferred to the county assessor as described in IC 6-1.1-1-24, a reference to the township assessor in this section is considered to be a reference to the county assessor.

SECTION 342. IC 36-4-3-7, AS AMENDED BY P.L.113-2010, SECTION 116, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. (a) After an ordinance is adopted under section 3, 4, 5, or 5.1 of this chapter, it must be published in the manner prescribed by IC 5-3-1. Except as provided in subsection (b), (c), (d), or (f), in the absence of remonstrance and appeal under section 11 or 15.5 of this chapter, the ordinance takes effect at least ninety (90) days after its publication and upon the filing required by section 22(a) of this chapter.

(b) An ordinance described in subsection (d) or adopted under section 3, 4, 5, or 5.1 of this chapter may not take effect during the year preceding a year in which a federal decennial census is conducted. An ordinance that would otherwise take effect during the year preceding a year in which a federal decennial census is conducted takes effect January 1 of the year in which a federal decennial census is conducted.

(c) Subsections (d) and (e) apply to fire protection districts that are established after June 14, 1987.
(d) Except as provided in subsection (b), whenever a municipality annexes territory, all or part of which lies within a fire protection district (IC 36-8-11), the annexation ordinance (in the absence of remonstrance and appeal under section 11 or 15.5 of this chapter) takes effect the second January 1 that follows the date the ordinance is adopted and upon the filing required by section 22(a) of this chapter.

The municipality shall:

1. provide fire protection to that territory beginning the date the ordinance is effective; and
2. send written notice to the fire protection district of the date the municipality will begin to provide fire protection to the annexed territory within ten (10) days of the date the ordinance is adopted.

(e) If the fire protection district from which a municipality annexes territory under subsection (d) is indebted or has outstanding unpaid bonds or other obligations at the time the annexation is effective, the municipality is liable for and shall pay that indebtedness in the same ratio as the assessed valuation of the property in the annexed territory (that is part of the fire protection district) bears to the assessed valuation of all property in the fire protection district, as shown by the most recent assessment for taxation before the annexation, unless the assessed property within the municipality is already liable for the indebtedness. The annexing municipality shall pay its indebtedness under this section to the board of fire trustees. If the indebtedness consists of outstanding unpaid bonds or notes of the fire protection district, the payments to the board of fire trustees shall be made as the principal or interest on the bonds or notes becomes due.

(f) This subsection applies to an annexation initiated by property owners under section 5.1 of this chapter in which all property owners within the area to be annexed petition the municipality to be annexed. Subject to subsections (b) and (d), and in the absence of an appeal under section 15.5 of this chapter, an annexation ordinance takes effect at least thirty (30) days after its publication and upon the filing required by section 22(a) of this chapter.

SECTION 343. IC 36-6-8-5, AS AMENDED BY P.L.112-2012, SECTION 53, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. (a) When performing the real property reassessment duties under IC 6-1.1-4-4 or a county's reassessment plan prepared under IC 6-1.1-4-4.2, a township assessor may receive per diem compensation, in addition to salary, at a rate fixed by the county fiscal body, for each day that the assessor is engaged in reassessment activities.
(b) Subsection (a) applies regardless of whether professional assessing services are provided to a township under contract.

SECTION 344. IC 36-7-14-39, AS AMENDED BY P.L.85-2017, SECTION 122, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]; Sec. 39. (a) As used in this section:
"Allocation area" means that part of a redevelopment project area to which an allocation provision of a declaratory resolution adopted under section 15 of this chapter refers for purposes of distribution and allocation of property taxes.
"Base assessed value" means the following:
(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:
(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.
(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:
(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.
(3) If:
(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and
(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the assessment date immediately preceding the effective date of
the allocation provision adopted after June 30, 1997, as adjusted
under subsection (h).

effective date of the allocation provision of the declaratory
resolution, as adjusted under subsection (h).
(5) If an allocation area established in an economic development
area before July 1, 1995, is expanded after June 30, 1995, the
definition in subdivision (1) applies to the expanded part of the
area added after June 30, 1995.
(6) If an allocation area established in a redevelopment project
area before July 1, 1997, is expanded after June 30, 1997, the
definition in subdivision (2) applies to the expanded part of the
area added after June 30, 1997.
Except as provided in section 39.3 of this chapter, "property taxes"
means taxes imposed under IC 6-1.1 on real property. However, upon
approval by a resolution of the redevelopment commission adopted

depreciable personal property that has a useful life in excess of eight
(8) years, the commission may by resolution determine the percentage
of taxes imposed under IC 6-1.1 on all depreciable personal property
that will be included within the definition of property taxes. However,
the percentage included must not exceed twenty-five percent (25%) of
the taxes imposed under IC 6-1.1 on all depreciable personal property.
(b) A declaratory resolution adopted under section 15 of this chapter
on or before the allocation deadline determined under subsection (i)
may include a provision with respect to the allocation and distribution
of property taxes for the purposes and in the manner provided in this
section. A declaratory resolution previously adopted may include an
allocation provision by the amendment of that declaratory resolution on
or before the allocation deadline determined under subsection (i) in
accordance with the procedures required for its original adoption. A
declaratory resolution or amendment that establishes an allocation
provision must include a specific finding of fact, supported by
evidence, that the adoption of the allocation provision will result in
new property taxes in the area that would not have been generated but
for the adoption of the allocation provision. For an allocation area established before July 1, 1995, the expiration date of any allocation provisions for the allocation area is June 30, 2025, or the last date of any obligations that are outstanding on July 1, 2015, whichever is later. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2)
shall be allocated to the redevelopment district and, when collected, paid into an allocation fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by it for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) For property taxes first due and payable before January 1, 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and
IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

(i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by

(ii) the STEP ONE sum.

STEP THREE: Multiply:

(i) the STEP TWO quotient; times

(ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter (before its repeal) in the same year.

(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(L) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax
proceeds may be used under this clause to pay the costs of
carrying out an eligible efficiency project only if those
property tax proceeds exceed the amount necessary to do the
following:
(i) Make, when due, any payments required under clauses
(A) through (K), including any payments of principal and
interest on bonds and other obligations payable under this
subdivision, any payments of premiums under this
subdivision on the redemption before maturity of bonds, and
any payments on leases payable under this subdivision.
(ii) Make any reimbursements required under this
subdivision.
(iii) Pay any expenses required under this subdivision.
(iv) Establish, augment, or restore any debt service reserve
under this subdivision.
(M) Expend money and provide financial assistance as
authorized in section 12.2(a)(27) of this chapter.
The allocation fund may not be used for operating expenses of the
commission.
(4) Except as provided in subsection (g), before June 15 of each
year, the commission shall do the following:
(A) Determine the amount, if any, by which the assessed value
of the taxable property in the allocation area for the most
recent assessment date minus the base assessed value, when
multiplied by the estimated tax rate of the allocation area, will
exceed the amount of assessed value needed to produce the
property taxes necessary to make, when due, principal and
interest payments on bonds described in subdivision (3), plus
the amount necessary for other purposes described in
subdivision (3).
(B) Provide a written notice to the county auditor, the fiscal
body of the county or municipality that established the
department of redevelopment, the officers who are authorized
to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for
each of the other taxing units that is wholly or partly located
within the allocation area, and (in an electronic format) the
department of local government finance. The notice must:
(i) state the amount, if any, of excess assessed value that the
commission has determined may be allocated to the
respective taxing units in the manner prescribed in
subdivision (1); or
(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation of assessed value to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3) or lessors under section 25.3 of this chapter.

(C) If:

(i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus

(ii) the amount necessary for other purposes described in subdivision (3);

the commission shall submit to the legislative body of the unit its determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.
(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

1. the assessed value of the property as valued without regard to this section; or
2. the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes specified in subsection (b)(3) for the year shall be determined based on the pro rata portion of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(3), except that where reference is made in subsection (b)(3) to allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures
that they consider expedient for the implementation of this chapter.

After each general reassessment of real property in an area under IC 6-1.1-4-4 and after each reassessment in an area under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection:

1. may not include the effect of phasing in assessed value due to property tax abatements under IC 6-1.1-12.1;
2. may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the general reassessment, the reassessment under the reassessment plan or the annual adjustment had not occurred; and
3. may decrease base assessed value only to the extent that assessed values in the allocation area have been decreased due to annual adjustments or the reassessment under the reassessment plan.

Assessed value increases attributable to the application of an abatement schedule under IC 6-1.1-12.1 may not be included in the base assessed value of an allocation area. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

1. The initial allocation deadline is December 31, 2011.
2. Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.
3. At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:
   (A) terminates the automatic extension of allocation deadlines under subdivision (2); and
(B) specifically designates a particular date as the final allocation deadline.

SECTION 345. IC 36-7-15.1-26, AS AMENDED BY P.L.180-2016, SECTION 23, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 26. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 8 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;
the net assessed value of all the property as finally determined for
the assessment date immediately preceding the effective date of
the allocation provision adopted after June 30, 1997, as adjusted
under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation
areas, the net assessed value of all the property as finally
determined for the assessment date immediately preceding the
effective date of the allocation provision of the declaratory
resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development
area before July 1, 1995, is expanded after June 30, 1995, the
definition in subdivision (1) applies to the expanded part of the
area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project
area before July 1, 1997, is expanded after June 30, 1997, the
definition in subdivision (2) applies to the expanded part of the
area added after June 30, 1997.

Except as provided in section 26.2 of this chapter, "property taxes"
means taxes imposed under IC 6-1.1 on real property. However, upon
approval by a resolution of the redevelopment commission adopted
before June 1, 1987, "property taxes" also includes taxes imposed
under IC 6-1.1 on depreciable personal property. If a redevelopment
commission adopted before June 1, 1987, a resolution to include within
the definition of property taxes, taxes imposed under IC 6-1.1 on
depreciable personal property that has a useful life in excess of eight
(8) years, the commission may by resolution determine the percentage
of taxes imposed under IC 6-1.1 on all depreciable personal property
that will be included within the definition of property taxes. However,
the percentage included must not exceed twenty-five percent (25%) of
the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A resolution adopted under section 8 of this chapter on or before
the allocation deadline determined under subsection (i) may include a
provision with respect to the allocation and distribution of property
taxes for the purposes and in the manner provided in this section. A
resolution previously adopted may include an allocation provision by
the amendment of that resolution on or before the allocation deadline
determined under subsection (i) in accordance with the procedures
required for its original adoption. A declaratory resolution or
amendment that establishes an allocation provision must include a
specific finding of fact, supported by evidence, that the adoption of the
allocation provision will result in new property taxes in the area that
would not have been generated but for the adoption of the allocation

ES 6—LS 6104/DI 112
provision. For an allocation area established before July 1, 1995, the expiration date of any allocation provisions for the allocation area is June 30, 2025, or the last date of any obligations that are outstanding on July 1, 2015, whichever is later. However, for an allocation area identified as the Consolidated Allocation Area in the report submitted in 2013 to the fiscal body under section 36.3 of this chapter, the expiration date of any allocation provisions for the allocation area is January 1, 2051. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid
into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 19 of this chapter.

(D) Pay the principal of and interest on bonds issued by the consolidated city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this chapter.

(G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

ES 6—LS 6104/DI 112
(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance. However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

(i) Make, when due, any payments required under clauses (A) through (I), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.

(ii) Make any reimbursements required under this subdivision.

(iii) Pay any expenses required under this subdivision.

(iv) Establish, augment, or restore any debt service reserve under this subdivision.

(K) Expend money and provide financial assistance as authorized in section 7(a)(21) of this chapter.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus
the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance.

The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3).

(C) If:

(i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus

(ii) the amount necessary for other purposes described in subdivision (3) and subsection (g);

the commission shall submit to the legislative body of the unit the commission's determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

ES 6—LS 6104/DI 112
(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

(1) the assessed value of the property as valued without regard to this section; or

(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

(1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half
(1/2) of the enrollment in any session for residents of the enterprise zone.

(2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in the enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(3). However, where reference is made in subsection (b)(3) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment of real property in an area under IC 6-1.1-4-4 and after each reassessment under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the general reassessment, reassessment under the reassessment plan or annual adjustment had not occurred.

The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines
subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter. (3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:
(A) terminates the automatic extension of allocation deadlines under subdivision (2); and
(B) specifically designates a particular date as the final allocation deadline.

SECTION 346. IC 36-7-15.1-53, AS AMENDED BY P.L.184-2016, SECTION 34, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 53. (a) As used in this section:
"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 40 of this chapter refers for purposes of distribution and allocation of property taxes.
"Base assessed value" means:
(1) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
(2) to the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.
Except as provided in section 55 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property.
(b) A resolution adopted under section 40 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision must be approved by resolution of the legislative body of the excluded city and must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established
after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

1. Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:
   a. the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;
   b. the base assessed value;

2. The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

3. Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:
   a. Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.
(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 50 of this chapter.

(D) Pay the principal of and interest on bonds issued by the excluded city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 46 of this chapter.

(G) Reimburse the excluded city for expenditures for local public improvements (which include buildings, park facilities, and other items set forth in section 45 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:
   (i) in the allocation area; and
   (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

ES 6—LS 6104/DI 112
(A) Determine the amount, if any, by which the assessed value
of the taxable property in the allocation area for the most
recent assessment date minus the base assessed value, when
multiplied by the estimated tax rate of the allocation area, will
exceed the amount of assessed value needed to provide the
property taxes necessary to make, when due, principal and
interest payments on bonds described in subdivision (3) plus
the amount necessary for other purposes described in
subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the fiscal
body of the county or municipality that established the
department of redevelopment, the officers who are authorized
to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for
each of the other taxing units that is wholly or partly located
within the allocation area, and (in an electronic format) the
department of local government finance. The notice must:
   (i) state the amount, if any, of excess assessed value that the
commission has determined may be allocated to the
respective taxing units in the manner prescribed in
subdivision (1); or
   (ii) state that the commission has determined that there is no
excess assessed value that may be allocated to the respective
taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units
the amount, if any, of excess assessed value determined by the
commission. The commission may not authorize an allocation
to the respective taxing units under this subdivision if to do so
would endanger the interests of the holders of bonds described
in subdivision (3).

(c) For the purpose of allocating taxes levied by or for any taxing
unit or units, the assessed value of taxable property in a territory in the
allocation area that is annexed by any taxing unit after the effective
date of the allocation provision of the resolution is the lesser of:
   (1) the assessed value of the property for the assessment date with
respect to which the allocation and distribution is made; or
   (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district
under subsection (b)(3) may, subject to subsection (b)(4), be
irrevocably pledged by the redevelopment district for payment as set
forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon
petition of the commission, reassess the taxable property situated upon
or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located, is the lesser of:

(1) the assessed value of the property as valued without regard to this section; or

(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

(1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.

(2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in an enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.
(3) To provide funds to carry out other purposes specified in subsection (b)(3). However, where reference is made in subsection (b)(3) to the allocation area, the reference refers, for purposes of payments from the special zone fund, only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment of real property in an area under IC 6-1.1-4-4 or reassessment under a county's reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the general reassessment, reassessment under the county's reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

1. The initial allocation deadline is December 31, 2011.
2. Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.
3. At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:
   (A) terminates the automatic extension of allocation deadlines under subdivision (2); and
   (B) specifically designates a particular date as the final allocation deadline.
SECTION 347. IC 36-7-30-25, AS AMENDED BY P.L.95-2014,
SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
UPON PASSAGE]: Sec. 25. (a) The following definitions apply
throughout this section:
(1) "Allocation area" means that part of a military base reuse area
to which an allocation provision of a declaratory resolution
adopted under section 10 of this chapter refers for purposes of
distribution and allocation of property taxes.
(2) "Base assessed value" means:
(A) the net assessed value of all the property as finally
determined for the assessment date immediately preceding the
adoption date of the allocation provision of the declaratory
resolution, as adjusted under subsection (h); plus
(B) to the extent that it is not included in clause (A) or (C), the
net assessed value of any and all parcels or classes of parcels
identified as part of the base assessed value in the declaratory
resolution or an amendment thereto, as finally determined for
any subsequent assessment date; plus
(C) to the extent that it is not included in clause (A) or (B), the
net assessed value of property that is assessed as residential
property under the rules of the department of local government
finance, as finally determined for any assessment date after the
effective date of the allocation provision.
Clause (C) applies only to allocation areas established in a
military reuse area after June 30, 1997, and to the part of an
allocation area that was established before June 30, 1997, and that
is added to an existing allocation area after June 30, 1997.
(3) "Property taxes" means taxes imposed under IC 6-1.1 on real
property.
(b) A declaratory resolution adopted under section 10 of this chapter
before the date set forth in IC 36-7-14-39(b) pertaining to declaratory
resolutions adopted under IC 36-7-14-15 may include a provision with
respect to the allocation and distribution of property taxes for the
purposes and in the manner provided in this section. A declaratory
resolution previously adopted may include an allocation provision by
the amendment of that declaratory resolution in accordance with the
procedures set forth in section 13 of this chapter. The allocation
provision may apply to all or part of the military base reuse area. The
allocation provision must require that any property taxes subsequently
levied by or for the benefit of any public body entitled to a distribution
of property taxes on taxable property in the allocation area be allocated
and distributed as follows:
(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution are made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the military base reuse district and, when collected, paid into an allocation fund for that allocation area that may be used by the military base reuse district and only to do one or more of the following:

(A) Pay the principal of and interest and redemption premium on any obligations incurred by the military base reuse district or any other entity for the purpose of financing or refinancing military base reuse activities in or directly serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the reuse authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures made for local public improvements (or structures) in or directly serving or benefiting that allocation area.

(E) Pay expenses incurred by the reuse authority, any other department of the unit, or a department of another governmental entity for local public improvements or structures that are in the allocation area or directly serving or benefiting the allocation area, including expenses for the operation and maintenance of these local public improvements.
or structures if the reuse authority determines those operation
and maintenance expenses are necessary or desirable to carry
out the purposes of this chapter.

(F) Reimburse public and private entities for expenses
incurred in training employees of industrial facilities that are
located:
   (i) in the allocation area; and
   (ii) on a parcel of real property that has been classified as
industrial property under the rules of the department of local
government finance.

However, the total amount of money spent for this purpose in
any year may not exceed the total amount of money in the
allocation fund that is attributable to property taxes paid by the
industrial facilities described in this clause. The
reimbursements under this clause must be made not more than
three (3) years after the date on which the investments that are
the basis for the increment financing are made.

(G) Expend money and provide financial assistance as
authorized in section 9(a)(25) of this chapter.

Except as provided in clause (E), the allocation fund may not be
used for operating expenses of the reuse authority.

(4) Except as provided in subsection (g), before July 15 of each
year the reuse authority shall do the following:
   (A) Determine the amount, if any, by which property taxes
payable to the allocation fund in the following year will exceed
the amount of property taxes necessary to make, when due,
principal and interest payments on bonds described in
subdivision (3) plus the amount necessary for other purposes
described in subdivision (3).
   (B) Provide a written notice to the county auditor, the fiscal
body of the unit that established the reuse authority, and the
officers who are authorized to fix budgets, tax rates, and tax
levies under IC 6-1.1-17-5 for each of the other taxing units
that is wholly or partly located within the allocation area. The
notice must:
      (i) state the amount, if any, of excess property taxes that the
reuse authority has determined may be paid to the respective
taxing units in the manner prescribed in subdivision (1); or
      (ii) state that the reuse authority has determined that there
are no excess property tax proceeds that may be allocated to
the respective taxing units in the manner prescribed in
subdivision (1).
The county auditor shall allocate to the respective taxing units the amount, if any, of excess property tax proceeds determined by the reuse authority. The reuse authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 19 of this chapter.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the military base reuse district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the military base reuse district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the reuse authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and the making of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

(1) the assessed value of the property as valued without regard to this section; or

(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes specified in
subsection (b)(3) for the year shall be determined based on the pro rata part of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that does not have obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) that are derived from property in the enterprise zone in the fund. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(3), except that where reference is made in subsection (b)(3) to allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. The programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) After each general reassessment of real property in an area under IC 6-1.1-4-4 or reassessment under the county's reassessment plan under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the military base reuse district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the military base reuse district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the military base reuse district under subsection (b)(3) than would otherwise have been received if the general reassessment; reassessment under the county's reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

SECTION 348. IC 36-7-30.5-30, AS AMENDED BY P.L.95-2014, SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 30. (a) The following definitions apply throughout this section:
(1) "Allocation area" means that part of a military base development area to which an allocation provision of a declaratory resolution adopted under section 16 of this chapter refers for purposes of distribution and allocation of property taxes.

(2) "Base assessed value" means:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the adoption date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A) or (C), the net assessed value of any and all parcels or classes of parcels identified as part of the base assessed value in the declaratory resolution or an amendment to the declaratory resolution, as finally determined for any subsequent assessment date; plus

(C) to the extent that it is not included in clause (A) or (B), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(3) "Property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A declaratory resolution adopted under section 16 of this chapter before the date set forth in IC 36-7-14-39(b) pertaining to declaratory resolutions adopted under IC 36-7-14-15 may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution in accordance with the procedures set forth in section 18 of this chapter. The allocation provision may apply to all or part of the military base development area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.
(2) The excess of the proceeds of the property taxes imposed for
the assessment date with respect to which the allocation and
distribution is made that are attributable to taxes imposed after
being approved by the voters in a referendum or local public
question conducted after April 30, 2010, not otherwise included
in subdivision (1) shall be allocated to and, when collected, paid
into the funds of the taxing unit for which the referendum or local
public question was conducted.

(3) Except as otherwise provided in this section, property tax
proceeds in excess of those described in subdivisions (1) and (2)
shall be allocated to the development authority and, when
collected, paid into an allocation fund for that allocation area that
may be used by the development authority and only to do one (1)
or more of the following:

(A) Pay the principal of and interest and redemption premium
on any obligations incurred by the development authority or
any other entity for the purpose of financing or refinancing
military base development or reuse activities in or directly
serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for
bonds payable solely or in part from allocated tax proceeds in
that allocation area or from other revenues of the development
authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from
allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures
made for local public improvements (or structures) in or
directly serving or benefiting that allocation area.

(E) For property taxes first due and payable before 2009, pay
all or a part of a property tax replacement credit to taxpayers
in an allocation area as determined by the development
authority. This credit equals the amount determined under the
following STEPS for each taxpayer in a taxing district (as
defined in IC 6-1.1-1-20) that contains all or part of the
allocation area:

STEP ONE: Determine that part of the sum of the amounts
under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2),
IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and
IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to
the taxing district.

STEP TWO: Divide:
(i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by
(ii) the STEP ONE sum.

STEP THREE: Multiply:
(i) the STEP TWO quotient; by
(ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 32 of this chapter (before its repeal) in the same year.

(F) Pay expenses incurred by the development authority for local public improvements or structures that were in the allocation area or directly serving or benefiting the allocation area.

(G) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:
(i) in the allocation area; and
(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

(H) Expend money and provide financial assistance as authorized in section 15(26) of this chapter.

The allocation fund may not be used for operating expenses of the development authority.

(4) Except as provided in subsection (g), before July 15 of each year the development authority shall do the following:
(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivisions (2) and (3).

(B) Provide a written notice to the appropriate county auditors and the fiscal bodies and other officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

(i) state the amount, if any, of the excess property taxes that the development authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the development authority has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditors shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the development authority. The development authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 24 of this chapter. Property taxes received by a taxing unit under this subdivision before 2009 are eligible for the property tax replacement credit provided under IC 6-1.1-21 (before its repeal).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the military base development district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the military base development district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the development authority, reassess the taxable property.
situated upon or in or added to the allocation area, effective on the next
assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable
property in the allocation area, for purposes of tax limitation, property
tax replacement, and the making of the budget, tax rate, and tax levy
for each political subdivision in which the property is located is the
lesser of:

1. the assessed value of the property as valued without regard to
   this section; or

2. the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone

However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the military base development district under subsection (b)(3) than would otherwise have been received if the general reassessment, reassessment under the county’s reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.
