38 million dollars (\$10,000,000). In the case of an ordinance or
39 resolution adopted after December 31, 2017, and before
40 January 1, 2019, making a preliminary determination to
41 issue bonds or enter into a lease for the project, the threshold
42 amount is fifteen million dollars (\$15,000,000). In the case

- 1 of an ordinance or resolution adopted in a calendar year after
 2 December 31, 2018, making a preliminary determination to
 3 issue bonds or enter into a lease for the project, the threshold
 4 amount is an amount (as determined by the department of
 5 local government finance) equal to the result of the assessed
 6 value growth quotient determined under IC 6-1.1-18.5-2 for
 7 the year multiplied by the threshold amount determined
 8 under this item for the preceding calendar year. In the case
 9 of a threshold amount determined under this item that
 10 applies for a calendar year after December 31, 2018, the
 11 department of local government finance shall publish the
 12 threshold in the Indiana Register under IC 4-22-7-7 not more
 13 than sixty (60) days after the date the budget agency releases
 14 the assessed value growth quotient for the ensuing year
 15 under IC 6-1.1-18.5-2.
- 16 (ii) An amount equal to one percent (1%) of the total gross
 17 assessed value of property within the political subdivision
 18 on the last assessment date, if that total gross assessed value
 19 is more than one billion dollars (\$1,000,000,000), or ten
 20 million dollars (\$10,000,000), if the total gross assessed
 21 value of property within the political subdivision on the last
 22 assessment date is not more than one billion dollars
 23 (\$1,000,000,000).
- 24 (3) Any other controlled project that:
- 25 (A) is not a controlled project described in subdivision (1) or
 26 (2); and
- 27 (B) will not cost the political subdivision more than the lesser
 28 of the following:
- 29 (i) The threshold amount determined under this item. In the
 30 case of an ordinance or resolution adopted before January 1,
 31 2018, making a preliminary determination to issue bonds or
 32 enter into a lease for the project, the threshold amount is
 33 twelve million dollars (\$12,000,000). In the case of an
 34 ordinance or resolution adopted after December 31, 2017,
 35 and before January 1, 2019, making a preliminary
 36 determination to issue bonds or enter into a lease for the
 37 project, the threshold amount is fifteen million dollars
 38 (\$15,000,000). In the case of an ordinance or resolution
 39 adopted in a calendar year after December 31, 2018, making
 40 a preliminary determination to issue bonds or enter into a
 41 lease for the project, the threshold amount is an amount (as
 42 determined by the department of local government finance)

1 equal to the result of the assessed value growth quotient
 2 determined under IC 6-1.1-18.5-2 for the year multiplied by
 3 the threshold amount determined under this item for the
 4 preceding calendar year. In the case of a threshold amount
 5 determined under this item that applies for a calendar year
 6 after December 31, 2018, the department of local
 7 government finance shall publish the threshold in the
 8 Indiana Register under IC 4-22-7-7 not more than sixty (60)
 9 days after the date the budget agency releases the assessed
 10 value growth quotient for the ensuing year under
 11 IC 6-1.1-18.5-2.

12 (ii) An amount equal to one percent (1%) of the total gross
 13 assessed value of property within the political subdivision
 14 on the last assessment date, if that total gross assessed value
 15 is more than one hundred million dollars (\$100,000,000), or
 16 one million dollars (\$1,000,000), if the total gross assessed
 17 value of property within the political subdivision on the last
 18 assessment date is not more than one hundred million
 19 dollars (\$100,000,000).

20 (b) A political subdivision may not impose property taxes to pay
 21 debt service on bonds or lease rentals on a lease for a controlled project
 22 without completing the following procedures:

23 (1) The proper officers of a political subdivision shall publish
 24 notice in accordance with IC 5-3-1 and send notice by first class
 25 mail to the circuit court clerk and to any organization that delivers
 26 to the officers, before January 1 of that year, an annual written
 27 request for such notices of any meeting to consider adoption of a
 28 resolution or an ordinance making a preliminary determination to
 29 issue bonds or enter into a lease and shall conduct at least two (2)
 30 public hearings on a preliminary determination before adoption
 31 of the resolution or ordinance. The political subdivision must at
 32 each of the public hearings on the preliminary determination
 33 allow the public to testify regarding the preliminary determination
 34 and must make the following information available to the public
 35 at each of the public hearings on the preliminary determination,
 36 in addition to any other information required by law:

37 (A) The result of the political subdivision's current and
 38 projected annual debt service payments divided by the net
 39 assessed value of taxable property within the political
 40 subdivision.

41 (B) The result of:

42 (i) the sum of the political subdivision's outstanding long

- 1 term debt plus the outstanding long term debt of other taxing
 2 units that include any of the territory of the political
 3 subdivision; divided by
 4 (ii) the net assessed value of taxable property within the
 5 political subdivision.
 6 (C) The information specified in subdivision (3)(A) through
 7 (3)(H).
 8 (2) When the proper officers of a political subdivision make a
 9 preliminary determination to issue bonds or enter into a lease for
 10 a controlled project, the officers shall give notice of the
 11 preliminary determination by:
 12 (A) publication in accordance with IC 5-3-1; and
 13 (B) first class mail to the circuit court clerk and to the
 14 organizations described in subdivision (1).
 15 (3) A notice under subdivision (2) of the preliminary
 16 determination of the political subdivision to issue bonds or enter
 17 into a lease for a controlled project must include the following
 18 information:
 19 (A) The maximum term of the bonds or lease.
 20 (B) The maximum principal amount of the bonds or the
 21 maximum lease rental for the lease.
 22 (C) The estimated interest rates that will be paid and the total
 23 interest costs associated with the bonds or lease.
 24 (D) The purpose of the bonds or lease.
 25 (E) A statement that any owners of property within the
 26 political subdivision or registered voters residing within the
 27 political subdivision who want to initiate a petition and
 28 remonstrance process against the proposed debt service or
 29 lease payments must file a petition that complies with
 30 subdivisions (4) and (5) not later than thirty (30) days after
 31 publication in accordance with IC 5-3-1.
 32 (F) With respect to bonds issued or a lease entered into to
 33 open:
 34 (i) a new school facility; or
 35 (ii) an existing facility that has not been used for at least
 36 three (3) years and that is being reopened to provide
 37 additional classroom space;
 38 the estimated costs the school corporation expects to incur
 39 annually to operate the facility.
 40 (G) A statement of whether the school corporation expects to
 41 appeal for a new facility adjustment (as defined in
 42 IC 20-45-1-16 (repealed) before January 1, 2009) for an

- 1 increased maximum permissible tuition support levy to pay the
 2 estimated costs described in clause (F).
 3 (H) The following information:
 4 (i) The political subdivision's current debt service levy and
 5 rate.
 6 (ii) The estimated increase to the political subdivision's debt
 7 service levy and rate that will result if the political
 8 subdivision issues the bonds or enters into the lease.
 9 (iii) The estimated amount of the political subdivision's debt
 10 service levy and rate that will result during the following ten
 11 (10) years if the political subdivision issues the bonds or
 12 enters into the lease, after also considering any changes that
 13 will occur to the debt service levy and rate during that
 14 period on account of any outstanding bonds or lease
 15 obligations that will mature or terminate during that period.
 16 (I) The information specified in subdivision (1)(A) through
 17 (1)(B).
 18 (4) After notice is given, a petition requesting the application of
 19 a petition and remonstrance process may be filed by the lesser of:
 20 (A) five hundred (500) persons who are either owners of
 21 property within the political subdivision or registered voters
 22 residing within the political subdivision; or
 23 (B) five percent (5%) of the registered voters residing within
 24 the political subdivision.
 25 (5) The state board of accounts shall design and, upon request by
 26 the county voter registration office, deliver to the county voter
 27 registration office or the county voter registration office's
 28 designated printer the petition forms to be used solely in the
 29 petition process described in this section. The county voter
 30 registration office shall issue to an owner or owners of property
 31 within the political subdivision or a registered voter residing
 32 within the political subdivision the number of petition forms
 33 requested by the owner or owners or the registered voter. Each
 34 form must be accompanied by instructions detailing the
 35 requirements that:
 36 (A) the carrier and signers must be owners of property or
 37 registered voters;
 38 (B) the carrier must be a signatory on at least one (1) petition;
 39 (C) after the signatures have been collected, the carrier must
 40 swear or affirm before a notary public that the carrier
 41 witnessed each signature; and
 42 (D) govern the closing date for the petition period.

- 1 Persons requesting forms may be required to identify themselves
2 as owners of property or registered voters and may be allowed to
3 pick up additional copies to distribute to other owners of property
4 or registered voters. Each person signing a petition must indicate
5 whether the person is signing the petition as a registered voter
6 within the political subdivision or is signing the petition as the
7 owner of property within the political subdivision. A person who
8 signs a petition as a registered voter must indicate the address at
9 which the person is registered to vote. A person who signs a
10 petition as an owner of property must indicate the address of the
11 property owned by the person in the political subdivision.
- 12 (6) Each petition must be verified under oath by at least one (1)
13 qualified petitioner in a manner prescribed by the state board of
14 accounts before the petition is filed with the county voter
15 registration office under subdivision (7).
- 16 (7) Each petition must be filed with the county voter registration
17 office not more than thirty (30) days after publication under
18 subdivision (2) of the notice of the preliminary determination.
- 19 (8) The county voter registration office shall determine whether
20 each person who signed the petition is a registered voter.
21 However, after the county voter registration office has determined
22 that at least five hundred twenty-five (525) persons who signed
23 the petition are registered voters within the political subdivision,
24 the county voter registration office is not required to verify
25 whether the remaining persons who signed the petition are
26 registered voters. If the county voter registration office does not
27 determine that at least five hundred twenty-five (525) persons
28 who signed the petition are registered voters, the county voter
29 registration office shall, not more than fifteen (15) business days
30 after receiving a petition, forward a copy of the petition to the
31 county auditor. Not more than ten (10) business days after
32 receiving the copy of the petition, the county auditor shall provide
33 to the county voter registration office a statement verifying:
- 34 (A) whether a person who signed the petition as a registered
35 voter but is not a registered voter, as determined by the county
36 voter registration office, is the owner of property in the
37 political subdivision; and
- 38 (B) whether a person who signed the petition as an owner of
39 property within the political subdivision does in fact own
40 property within the political subdivision.
- 41 (9) The county voter registration office, not more than ten (10)
42 business days after determining that at least five hundred

1 twenty-five (525) persons who signed the petition are registered
 2 voters or receiving the statement from the county auditor under
 3 subdivision (8), as applicable, shall make the final determination
 4 of the number of petitioners that are registered voters in the
 5 political subdivision and, based on the statement provided by the
 6 county auditor, the number of petitioners that own property within
 7 the political subdivision. Whenever the name of an individual
 8 who signs a petition form as a registered voter contains a minor
 9 variation from the name of the registered voter as set forth in the
 10 records of the county voter registration office, the signature is
 11 presumed to be valid, and there is a presumption that the
 12 individual is entitled to sign the petition under this section. Except
 13 as otherwise provided in this chapter, in determining whether an
 14 individual is a registered voter, the county voter registration office
 15 shall apply the requirements and procedures used under IC 3 to
 16 determine whether a person is a registered voter for purposes of
 17 voting in an election governed by IC 3. However, an individual is
 18 not required to comply with the provisions concerning providing
 19 proof of identification to be considered a registered voter for
 20 purposes of this chapter. A person is entitled to sign a petition
 21 only one (1) time in a particular petition and remonstrance
 22 process under this chapter, regardless of whether the person owns
 23 more than one (1) parcel of real property, mobile home assessed
 24 as personal property, or manufactured home assessed as personal
 25 property, or a combination of those types of property within the
 26 subdivision and regardless of whether the person is both a
 27 registered voter in the political subdivision and the owner of
 28 property within the political subdivision. Notwithstanding any
 29 other provision of this section, if a petition is presented to the
 30 county voter registration office within forty-five (45) days before
 31 an election, the county voter registration office may defer acting
 32 on the petition, and the time requirements under this section for
 33 action by the county voter registration office do not begin to run
 34 until five (5) days after the date of the election.

35 (10) The county voter registration office must file a certificate and
 36 each petition with:

37 (A) the township trustee, if the political subdivision is a
 38 township, who shall present the petition or petitions to the
 39 township board **if the township is located in a county having**
 40 **a consolidated city;** or

41 (B) the body that has the authority to authorize the issuance of
 42 the bonds or the execution of a lease, if the political

1 subdivision is not a township;
2 within thirty-five (35) business days of the filing of the petition
3 requesting a petition and remonstrance process. The certificate
4 must state the number of petitioners that are owners of property
5 within the political subdivision and the number of petitioners who
6 are registered voters residing within the political subdivision.

7 If a sufficient petition requesting a petition and remonstrance process
8 is not filed by owners of property or registered voters as set forth in this
9 section, the political subdivision may issue bonds or enter into a lease
10 by following the provisions of law relating to the bonds to be issued or
11 lease to be entered into.

12 (c) A political subdivision may not divide a controlled project in
13 order to avoid the requirements of this section and section 3.2 of this
14 chapter. A person that owns property within a political subdivision or
15 a person that is a registered voter residing within a political subdivision
16 may file a petition with the department of local government finance
17 objecting that the political subdivision has divided a controlled project
18 in order to avoid the requirements of this section and section 3.2 of this
19 chapter. The petition must be filed not more than ten (10) days after the
20 political subdivision gives notice of the political subdivision's decision
21 to issue bonds or enter into leases for a capital project that the person
22 believes is the result of a division of a controlled project that is
23 prohibited by this subsection. If the department of local government
24 finance receives a petition under this subsection, the department shall
25 not later than thirty (30) days after receiving the petition make a final
26 determination on the issue of whether the political subdivision divided
27 a controlled project in order to avoid the requirements of this section
28 and section 3.2 of this chapter. If the department of local government
29 finance determines that a political subdivision divided a controlled
30 project in order to avoid the requirements of this section and section
31 3.2 of this chapter and the political subdivision continues to desire to
32 proceed with the project, the political subdivision shall fulfill the
33 requirements of this section and section 3.2 of this chapter, if
34 applicable, regardless of the cost of the project in dispute. A political
35 subdivision shall be considered to have divided a capital project in
36 order to avoid the requirements of this section and section 3.2 of this
37 chapter if the result of one (1) or more of the subprojects cannot
38 reasonably be considered an independently desirable end in itself
39 without reference to another capital project. This subsection does not
40 prohibit a political subdivision from undertaking a series of capital
41 projects in which the result of each capital project can reasonably be
42 considered an independently desirable end in itself without reference

SECTION 11. IC 6-1.1-20-3.5, AS AMENDED BY P.L.246-2017, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2020]: Sec. 3.5. (a) This section applies only to a controlled project that meets the following conditions:

(1) The controlled project is described in one (1) of the following categories:

(A) An elementary school building, middle school building, high school building, or other school building for academic instruction that will be used for any combination of kindergarten through grade 12 and will cost more than the lesser of the following:

(i) The threshold amount determined under this item. In the case of an ordinance or resolution adopted before January 1, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is ten million dollars (\$10,000,000). In the case of an ordinance or resolution adopted after December 31, 2017, and before January 1, 2019, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is fifteen million dollars (\$15,000,000). In the case of an ordinance or resolution adopted in a calendar year after December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is an amount (as determined by the department of local government finance) equal to the result of the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the year multiplied by the threshold amount determined under this item for the preceding calendar year. In the case of a threshold amount determined under this item that applies for a calendar year after December 31, 2018, the department of local government finance shall publish the threshold in the Indiana Register under IC 4-22-7-7 not more than sixty (60) days after the date the budget agency releases the assessed value growth quotient for the ensuing year under IC 6-1.1-18.5-2.

(ii) An amount equal to one percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date, if that total gross assessed value is more than one billion dollars (\$1,000,000,000), or ten million dollars (\$10,000,000), if the total gross assessed value of property within the political subdivision on the last

- 1 assessment date is not more than one billion dollars
 2 (\$1,000,000,000).
- 3 (B) Any other controlled project that is not a controlled project
 4 described in clause (A) and will cost the political subdivision
 5 more than the lesser of the following:
- 6 (i) The threshold amount determined under this item. In the
 7 case of an ordinance or resolution adopted before January 1,
 8 2018, making a preliminary determination to issue bonds or
 9 enter into a lease for the project, the threshold amount is
 10 twelve million dollars (\$12,000,000). In the case of an
 11 ordinance or resolution adopted after December 31, 2017,
 12 and before January 1, 2019, making a preliminary
 13 determination to issue bonds or enter into a lease for the
 14 project, the threshold amount is fifteen million dollars
 15 (\$15,000,000). In the case of an ordinance or resolution
 16 adopted in a calendar year after December 31, 2018, making
 17 a preliminary determination to issue bonds or enter into a
 18 lease for the project, the threshold amount is an amount (as
 19 determined by the department of local government finance)
 20 equal to the result of the assessed value growth quotient
 21 determined under IC 6-1.1-18.5-2 for the year multiplied by
 22 the threshold amount determined under this item for the
 23 preceding calendar year. In the case of a threshold amount
 24 determined under this item that applies for a calendar year
 25 after December 31, 2018, the department of local
 26 government finance shall publish the threshold in the
 27 Indiana Register under IC 4-22-7-7 not more than sixty (60)
 28 days after the date the budget agency releases the assessed
 29 value growth quotient for the ensuing year under
 30 IC 6-1.1-18.5-2.
- 31 (ii) An amount equal to one percent (1%) of the total gross
 32 assessed value of property within the political subdivision
 33 on the last assessment date, if that total gross assessed value
 34 is more than one hundred million dollars (\$100,000,000), or
 35 one million dollars (\$1,000,000), if the total gross assessed
 36 value of property within the political subdivision on the last
 37 assessment date is not more than one hundred million
 38 dollars (\$100,000,000).
- 39 (C) Any other controlled project for which a political
 40 subdivision adopts an ordinance or resolution making a
 41 preliminary determination to issue bonds or enter into a lease
 42 for the project, if the sum of:

- 1 (i) the cost of that controlled project; plus
 2 (ii) the costs of all other controlled projects for which the
 3 political subdivision has previously adopted within the
 4 preceding three hundred sixty-five (365) days an ordinance
 5 or resolution making a preliminary determination to issue
 6 bonds or enter into a lease for those other controlled
 7 projects;
 8 exceeds twenty-five million dollars (\$25,000,000).
 9 (2) The proper officers of the political subdivision make a
 10 preliminary determination after June 30, 2008, in the manner
 11 described in subsection (b) to issue bonds or enter into a lease for
 12 the controlled project.
 13 (b) A political subdivision may not impose property taxes to pay
 14 debt service on bonds or lease rentals on a lease for a controlled project
 15 without completing the following procedures:
 16 (1) The proper officers of a political subdivision shall publish
 17 notice in accordance with IC 5-3-1 and send notice by first class
 18 mail to the circuit court clerk and to any organization that delivers
 19 to the officers, before January 1 of that year, an annual written
 20 request for notices of any meeting to consider the adoption of an
 21 ordinance or a resolution making a preliminary determination to
 22 issue bonds or enter into a lease and shall conduct at least two (2)
 23 public hearings on the preliminary determination before adoption
 24 of the ordinance or resolution. The political subdivision must at
 25 each of the public hearings on the preliminary determination
 26 allow the public to testify regarding the preliminary determination
 27 and must make the following information available to the public
 28 at each of the public hearings on the preliminary determination,
 29 in addition to any other information required by law:
 30 (A) The result of the political subdivision's current and
 31 projected annual debt service payments divided by the net
 32 assessed value of taxable property within the political
 33 subdivision.
 34 (B) The result of:
 35 (i) the sum of the political subdivision's outstanding long
 36 term debt plus the outstanding long term debt of other taxing
 37 units that include any of the territory of the political
 38 subdivision; divided by
 39 (ii) the net assessed value of taxable property within the
 40 political subdivision.
 41 (C) The information specified in subdivision (3)(A) through
 42 (3)(G).

- 1 (2) If the proper officers of a political subdivision make a
 2 preliminary determination to issue bonds or enter into a lease, the
 3 officers shall give notice of the preliminary determination by:
 4 (A) publication in accordance with IC 5-3-1; and
 5 (B) first class mail to the circuit court clerk and to the
 6 organizations described in subdivision (1).
 7 (3) A notice under subdivision (2) of the preliminary
 8 determination of the political subdivision to issue bonds or enter
 9 into a lease must include the following information:
 10 (A) The maximum term of the bonds or lease.
 11 (B) The maximum principal amount of the bonds or the
 12 maximum lease rental for the lease.
 13 (C) The estimated interest rates that will be paid and the total
 14 interest costs associated with the bonds or lease.
 15 (D) The purpose of the bonds or lease.
 16 (E) A statement that the proposed debt service or lease
 17 payments must be approved in an election on a local public
 18 question held under section 3.6 of this chapter.
 19 (F) With respect to bonds issued or a lease entered into to
 20 open:
 21 (i) a new school facility; or
 22 (ii) an existing facility that has not been used for at least
 23 three (3) years and that is being reopened to provide
 24 additional classroom space;
 25 the estimated costs the school corporation expects to annually
 26 incur to operate the facility.
 27 (G) The following information:
 28 (i) The political subdivision's current debt service levy and
 29 rate.
 30 (ii) The estimated increase to the political subdivision's debt
 31 service levy and rate that will result if the political
 32 subdivision issues the bonds or enters into the lease.
 33 (iii) The estimated amount of the political subdivision's debt
 34 service levy and rate that will result during the following ten
 35 (10) years if the political subdivision issues the bonds or
 36 enters into the lease, after also considering any changes that
 37 will occur to the debt service levy and rate during that
 38 period on account of any outstanding bonds or lease
 39 obligations that will mature or terminate during that period.
 40 (H) The information specified in subdivision (1)(A) through
 41 (1)(B).
 42 (4) After notice is given, a petition requesting the application of

1 the local public question process under section 3.6 of this chapter
2 may be filed by the lesser of:

- 3 (A) five hundred (500) persons who are either owners of
4 property within the political subdivision or registered voters
5 residing within the political subdivision; or
6 (B) five percent (5%) of the registered voters residing within
7 the political subdivision.

8 (5) The state board of accounts shall design and, upon request by
9 the county voter registration office, deliver to the county voter
10 registration office or the county voter registration office's
11 designated printer the petition forms to be used solely in the
12 petition process described in this section. The county voter
13 registration office shall issue to an owner or owners of property
14 within the political subdivision or a registered voter residing
15 within the political subdivision the number of petition forms
16 requested by the owner or owners or the registered voter. Each
17 form must be accompanied by instructions detailing the
18 requirements that:

- 19 (A) the carrier and signers must be owners of property or
20 registered voters;
21 (B) the carrier must be a signatory on at least one (1) petition;
22 (C) after the signatures have been collected, the carrier must
23 swear or affirm before a notary public that the carrier
24 witnessed each signature; and
25 (D) govern the closing date for the petition period.

26 Persons requesting forms may be required to identify themselves
27 as owners of property or registered voters and may be allowed to
28 pick up additional copies to distribute to other owners of property
29 or registered voters. Each person signing a petition must indicate
30 whether the person is signing the petition as a registered voter
31 within the political subdivision or is signing the petition as the
32 owner of property within the political subdivision. A person who
33 signs a petition as a registered voter must indicate the address at
34 which the person is registered to vote. A person who signs a
35 petition as an owner of property must indicate the address of the
36 property owned by the person in the political subdivision.

37 (6) Each petition must be verified under oath by at least one (1)
38 qualified petitioner in a manner prescribed by the state board of
39 accounts before the petition is filed with the county voter
40 registration office under subdivision (7).

41 (7) Each petition must be filed with the county voter registration
42 office not more than thirty (30) days after publication under

1 subdivision (2) of the notice of the preliminary determination.
2 (8) The county voter registration office shall determine whether
3 each person who signed the petition is a registered voter.
4 However, after the county voter registration office has determined
5 that at least five hundred twenty-five (525) persons who signed
6 the petition are registered voters within the political subdivision,
7 the county voter registration office is not required to verify
8 whether the remaining persons who signed the petition are
9 registered voters. If the county voter registration office does not
10 determine that at least five hundred twenty-five (525) persons
11 who signed the petition are registered voters, the county voter
12 registration office, not more than fifteen (15) business days after
13 receiving a petition, shall forward a copy of the petition to the
14 county auditor. Not more than ten (10) business days after
15 receiving the copy of the petition, the county auditor shall provide
16 to the county voter registration office a statement verifying:
17 (A) whether a person who signed the petition as a registered
18 voter but is not a registered voter, as determined by the county
19 voter registration office, is the owner of property in the
20 political subdivision; and
21 (B) whether a person who signed the petition as an owner of
22 property within the political subdivision does in fact own
23 property within the political subdivision.
24 (9) The county voter registration office, not more than ten (10)
25 business days after determining that at least five hundred
26 twenty-five (525) persons who signed the petition are registered
27 voters or after receiving the statement from the county auditor
28 under subdivision (8), as applicable, shall make the final
29 determination of whether a sufficient number of persons have
30 signed the petition. Whenever the name of an individual who
31 signs a petition form as a registered voter contains a minor
32 variation from the name of the registered voter as set forth in the
33 records of the county voter registration office, the signature is
34 presumed to be valid, and there is a presumption that the
35 individual is entitled to sign the petition under this section. Except
36 as otherwise provided in this chapter, in determining whether an
37 individual is a registered voter, the county voter registration office
38 shall apply the requirements and procedures used under IC 3 to
39 determine whether a person is a registered voter for purposes of
40 voting in an election governed by IC 3. However, an individual is
41 not required to comply with the provisions concerning providing
42 proof of identification to be considered a registered voter for

1 purposes of this chapter. A person is entitled to sign a petition
 2 only one (1) time in a particular referendum process under this
 3 chapter, regardless of whether the person owns more than one (1)
 4 parcel of real property, mobile home assessed as personal
 5 property, or manufactured home assessed as personal property or
 6 a combination of those types of property within the political
 7 subdivision and regardless of whether the person is both a
 8 registered voter in the political subdivision and the owner of
 9 property within the political subdivision. Notwithstanding any
 10 other provision of this section, if a petition is presented to the
 11 county voter registration office within forty-five (45) days before
 12 an election, the county voter registration office may defer acting
 13 on the petition, and the time requirements under this section for
 14 action by the county voter registration office do not begin to run
 15 until five (5) days after the date of the election.

16 (10) The county voter registration office must file a certificate and
 17 each petition with:

18 (A) the township trustee, if the political subdivision is a
 19 township, who shall present the petition or petitions to the
 20 township board **in a township in a county having a**
 21 **consolidated city;** or

22 (B) the body that has the authority to authorize the issuance of
 23 the bonds or the execution of a lease, if the political
 24 subdivision is not a township;

25 within thirty-five (35) business days of the filing of the petition
 26 requesting the referendum process. The certificate must state the
 27 number of petitioners who are owners of property within the
 28 political subdivision and the number of petitioners who are
 29 registered voters residing within the political subdivision.

30 (11) If a sufficient petition requesting the local public question
 31 process is not filed by owners of property or registered voters as
 32 set forth in this section, the political subdivision may issue bonds
 33 or enter into a lease by following the provisions of law relating to
 34 the bonds to be issued or lease to be entered into.

35 (c) If the proper officers of a political subdivision make a
 36 preliminary determination to issue bonds or enter into a lease, the
 37 officers shall provide to the county auditor:

38 (1) a copy of the notice required by subsection (b)(2); and

39 (2) any other information the county auditor requires to fulfill the
 40 county auditor's duties under section 3.6 of this chapter.

25 property requiring protection in the jurisdiction served by the
26 township.

27 (8) Other factors directly related to the provision of public
28 safety within the jurisdiction served by the township.

29 (e) If the township received additional funds under this chapter
30 in the immediately preceding budget year for an approved
31 expenditure, any reviewing authority shall take into consideration
32 the use of the funds in the immediately preceding budget year and
33 the continued need for funding the services and operations to be
34 funded with the proceeds of the loan.

35 Sec. 9. (a) If the township trustee issues an executive order
36 under section 10 of this chapter of the executive's determination to
37 borrow money, not less than ten (10) taxpayers in the township
38 who disagree with the executive order may file a petition in the
39 office of the county auditor not more than thirty (30) days after

1 **(b) The county auditor shall immediately certify a copy of the**
 2 **petition filed under subsection (a), together with other data**
 3 **necessary to present the questions involved, to the department of**
 4 **local government finance. Upon receipt of the certified petition and**
 5 **other data, the department of local government finance shall fix a**
 6 **time and place for a hearing of the matter. The hearing shall be**
 7 **held not less than five (5) and not more than thirty (30) days after**

 10 **given by the department of local government finance to the**
 11 **township and to the first ten (10) taxpayer petitioners listed on the**
 12 **petition by letter. The letter shall be sent to the first ten (10)**
 13 **taxpayer petitioners at the taxpayer's usual place of residence at**
 14 **least five (5) days before the date of the hearing.**

15 **(c) A:**

 17 **or**
 18 **(2) township against which a petition is filed under subsection**

 21 **department of local government finance under subsection (b). The**
 22 **petition must be filed in the tax court not more than forty-five (45)**
 23 **days after the date of the department's final determination.**

24 **Sec. 10. (a) If the township trustee finds that an emergency**
 25 **requires the borrowing of money to meet the township's current**
 26 **expenses, the township trustee may take out temporary loans in an**
 27 **amount not more than eighty percent (80%) of the total anticipated**
 28 **revenue for the remainder of the year in which the loans are taken**
 29 **out.**

30 **(b) The township trustee must authorize the temporary loans by**

 36 **(5) stating the anticipated revenues on which the loans are**
 37 **based and out of which they are payable; and**
 38 **(6) appropriating a sufficient amount of the anticipated**
 39 **revenues on which the loans are based and out of which they**
 40 **are payable for the payment of the loans.**

41 **(c) The loans must be evidenced by time warrants of the**
 42 **township stating:**

- 1 **(1) the nature of the consideration;**
 2 **(2) the time payable;**
 3 **(3) the place payable; and**
 4 **(4) the anticipated revenues on which they are based and out**
 5 **of which they are payable.**

10 SECTION 62. IC 36-10-7-6, AS AMENDED BY P.L.73-2005,
11 SECTION 175, IS AMENDED TO READ AS FOLLOWS
12 [EFFECTIVE JANUARY 1, 2020]: Sec. 6. (a) This section applies to
13 all townships having a population of at least eight thousand five
14 hundred (8,500) that contain a town.

15 (b) The township executive may do the following in relation to
16 township parks:

17 (1) Purchase, acquire by eminent domain, accept by grant, devise,
18 bequest, or other conveyance, or otherwise acquire land within the
19 township for park purposes.

20 (2) Make necessary improvements on the land.

21 (3) Maintain and operate the land.

22 (4) Dispose of all or part of the land that is unnecessary for the
23 park or park purposes.

24 (c) If the executive decides to acquire land for park purposes under
25 this section, the following procedures apply:

26 (1) A resolution to that effect shall be adopted by the legislative
27 body and shall be entered upon the minutes of the legislative
28 body. The resolution must be signed by the members of the
29 legislative body and by the executive.

30 **(2) This subdivision applies only to a township in a county not**
31 **having a consolidated city. The township executive shall adopt**
32 **an executive order.**

33 ~~(2)~~ (3) Upon a petition signed in ink by at least one hundred (100)
34 resident taxpayers and freeholders of the township, the executive
35 shall, after the adoption of the resolution, fix a day not less than
36 fifteen (15) nor more than twenty (20) days after adoption during
37 which time remonstrances may be filed with the executive against
38 the resolution.

39 ~~(3)~~ (4) The executive shall give notice by publication of the
40 resolution and of the time limits for filing remonstrances in
41 accordance with IC 5-3-1.

42 ~~(4)~~ (5) Remonstrances must be signed in ink and shall be filed not

- 1 later than the day fixed for the expiration of the time for filing
 2 remonstrances in the notices.
- 3 ~~(5)~~ (6) If the number of signers of remonstrances exceeds the
 4 number of signers who have signed the original petition,
 5 determined by the same qualifications, the executive may give
 6 notice, in accordance with IC 5-3-1, of a date by which time a
 7 supplementary petition containing the names of qualified signers
 8 in addition to the names signed to the first petition may be filed
 9 asking for acquisition.
- 10 ~~(6)~~ (7) A supplemental petition must be signed in ink by signers
 11 having the same qualifications as required for the original
 12 petition.
- 13 ~~(7)~~ (8) If, after the expiration of the period for filing a
 14 supplemental petition, it is determined that the number of
 15 qualified signers to the original petition and the supplemental
 16 petition exceeds the number of signers to the remonstrance, the
 17 executive may proceed with the acquisition of land and the
 18 improvement and operation of it.
- 19 ~~(8)~~ (9) If the number signing the remonstrance is greater than the
 20 number signing the original and supplemental petition, then the
 21 township may not proceed with the improvement.
- 22 However, the remonstrance does not prevent the acquisition of land or
 23 inhibit the power of the executive to acquire parkland unless at least
 24 twenty percent (20%) of the resident freeholders who are also legal
 25 voters, execute the remonstrance. Only the executive and the legislative
 26 body may determine the sufficiency of a petition or remonstrance and
 27 the qualifications of a signer. These matters are subject to review only
 28 for fraud.
- 29 (d) The executive may acquire any property, land, privilege,
 30 immunities, or other species of interest reasonably necessary for the
 31 park or for the purpose of improving, maintaining, or operating it. The
 32 executive may sue in the name of the township for the condemnation
 33 of any property, land, privilege, immunities, or other species of interest
 34 in accordance with statutes available to municipal corporations for
 35 condemnation.
- 36 (e) To provide money for any of the purposes of this section, the
 37 legislative body may authorize the executive to issue the bonds of the
 38 township. However, the total bonds issued and outstanding at any time
 39 for such purposes may not exceed ninety thousand dollars (\$90,000).
 40 The bonds may bear interest at any rate, may be made payable
 41 semiannually, shall be sold for at least their par value, and run for a
 42 period of not less than ten (10) nor more than twenty (20) years. Parts

1 of the total issue may be sold from time to time as the executive
 2 determines. After the authorization of the bonds, the executive shall, in
 3 accordance with IC 5-3-1, publish notice of that part of the bonds that
 4 will be sold at that time. The notice must state the amount of bonds
 5 offered, the denomination, the period to run, the rate of interest, and the
 6 date, place, and hour of sale. No part of the bonds may be sold except
 7 after notice.

8 (f) The legislative body **or the township executive in a county not**
 9 **having a consolidated city**, shall levy annually a sufficient tax to pay
 10 at least the principal and interest of bonds that will mature in the
 11 following year, and the executive shall apply the tax to the payment of
 12 bonds and interest. The tax levy is in addition to other tax levies. The
 13 tax shall be levied and collected on all property within the boundaries
 14 of the township, including municipalities. The cost of the care, upkeep,
 15 repair, maintenance, and improvement of the park shall be paid out of
 16 the general fund of the township, and the legislative body **or the**
 17 **township executive in a county not having a consolidated city**, shall
 18 increase the levy of the fund each year by an amount sufficient to
 19 provide the money to maintain the park.

20 (g) The executive shall direct the expenditure of the money raised
 21 by the bond issue to save money that otherwise would be expended for
 22 township assistance. The executive may offer persons who are
 23 able-bodied and capable of work the opportunity to work upon the park
 24 improvement. If a person refuses without good excuse, the executive
 25 shall consider the refusal prima facie evidence that the person is not
 26 entitled to township assistance.

27 SECTION 63. IC 36-10-7-7 IS AMENDED TO READ AS
 28 FOLLOWS [EFFECTIVE JANUARY 1, 2020]: Sec. 7. (a) This section
 29 applies to all townships having a population between two thousand
 30 (2,000) and three thousand (3,000).

31 (b) The township executive may accept, acquire, and maintain
 32 grounds and structures to be used as public parks upon petition of at
 33 least fifty-one percent (51%) of the resident taxpayers of the township.

34 (c) Whenever a park has been established in the township, the
 35 legislative body **or the township executive in a county not having a**
 36 **consolidated city** shall, at its annual meeting and annually each
 37 following year, levy a tax not exceeding one and sixty-seven
 38 hundredths cents (\$0.0167) on each one hundred dollars (\$100) of
 39 taxable property in the township. The money shall be set aside in a
 40 public park fund to be used by the executive for the maintenance and
 41 improvement of the park and for no other purpose.

42 SECTION 64. IC 36-10-7-8 IS AMENDED TO READ AS

1 FOLLOWS [EFFECTIVE JANUARY 1, 2020]: Sec. 8. (a) This section
 2 applies to all townships having a population of less than two thousand
 3 (2,000).

4 (b) The township executive may lease, purchase, accept by grant,
 5 devise, bequest, or other conveyance to the township, or otherwise
 6 acquire land for park purposes and may make necessary improvements
 7 only as provided by this section.

8 (c) **This subsection applies only to a county having a**
 9 **consolidated city.** The legislative body may establish a township park
 10 and may, by resolution, appropriate from the general fund of the
 11 township the necessary money to lease, purchase, accept, or otherwise
 12 acquire land for park purposes or make improvements thereon. The
 13 executive shall then lease, purchase, accept, or acquire the land for
 14 park purposes or shall make improvements thereon as directed in the
 15 resolution. However, the costs of the park grounds or of the
 16 improvements provided for in the resolution may not exceed in one (1)
 17 year ~~one-fifth~~ **two-tenths** of one percent (0.2%) of the adjusted value
 18 of all taxable property of the township as determined under IC 36-1-15.

19 (d) **This subsection applies only in a county not having a**
 20 **consolidated city. The township executive may establish a township**
 21 **park and may, by executive order, appropriate from the general**
 22 **fund of the township the necessary money to lease, purchase,**
 23 **accept, or otherwise acquire land for park purposes or make**
 24 **improvements on the land. The executive shall then lease,**
 25 **purchase, accept, or acquire the land for park purposes or shall**
 26 **make improvements as directed in the executive order. However,**
 27 **the costs of the park grounds or of the improvements provided for**
 28 **in the resolution may not exceed in one (1) year two-tenths of one**
 29 **percent (0.2%) of the adjusted value of all taxable property of the**
 30 **township as determined under IC 36-1-15.**

31 ~~(d)~~ (e) If a park has been established under this section, the
 32 executive shall have the park maintained and may make improvements
 33 and construct and maintain facilities for the comfort and convenience
 34 of the public. However, the executive annually may not spend more
 35 than one cent (\$0.01) on each one hundred dollars (\$100) of assessed
 36 valuation of taxable property in the township as it appears on the tax
 37 duplicates of the auditor of the county in which the township is located.
 38 The money shall be paid from the general fund of the township.

39 ~~(e)~~ (f) **This subsection applies only in a county having a**
 40 **consolidated city.** If the general fund of the township is insufficient to
 41 meet the expenses of acquiring or improving the land for park
 42 purposes, the executive shall call a special meeting of the legislative

1 body by written notice to each member of the legislative body at least
 2 three (3) days before the date of the meeting. The notice must state the
 3 time, place, and purpose of the meeting. The legislative body shall
 4 meet and determine whether an emergency exists for the issuance of
 5 the warrants or bonds of the township. The legislative body shall, by
 6 resolution, authorize the issuance and sale of the warrants or bonds of
 7 the township in an amount not exceeding two percent (2%) of the
 8 adjusted value of all taxable property in the township as determined
 9 under IC 36-1-15. The amount of bonds may not exceed the total
 10 estimated cost of all land to be acquired and all improvements
 11 described in the resolution, including all expenses necessarily incurred
 12 in connection with the proceedings. The proceeds from the sale of the
 13 bonds shall be deposited in the general fund of the township. The
 14 bonds become due and payable not less than two (2) nor more than ten
 15 (10) years after the date of issuance, may bear interest at any rate, and
 16 may not be sold for less than par value. The bonds shall be sold after
 17 giving notice of the sale of bonds in accordance with IC 5-3-1. The
 18 bonds and the interest thereon are exempt from taxation as provided by
 19 IC 6-8-5 and are subject to the provisions of IC 6-1.1-20 relating to the
 20 filing of a petition requesting the issuance of bonds, the appropriation
 21 of the proceeds of the bonds, and the approval by the department of
 22 local government finance.

23 **(f) (g) This subsection applies only to a township in a county**
 24 **having a consolidated city.** The legislative body shall, at its next
 25 annual meeting after authorization of bonds and annually each
 26 following year, levy a sufficient tax against all the taxable property of
 27 the township to pay the principal of the bonds, together with accruing
 28 interest, as they become due. The executive shall apply the money
 29 received from the levy only to the payment of bonds and interest as
 30 they become due.

31 **(g) (h) This subsection applies only to a township in a county**
 32 **having a consolidated city.** In addition to the levy required by
 33 subsection (f); (g), the legislative body shall, when a park has been
 34 established under this section and at every annual meeting after
 35 establishment, levy a tax not exceeding one cent (\$0.01) on each one
 36 hundred dollars (\$100) of taxable property in the township. The levy
 37 required by this subsection shall be used by the executive for the
 38 maintenance and improvement of the park. The executive may not
 39 expend more for maintenance and improvement of the park than the
 40 amount collected by the levy except:

- 41 (1) upon petition by fifty-one percent (51%) of the taxpayers of
 42 the township; or

1 (2) when warrants or bonds are to be issued under this section to
2 finance the expenses of improvements.
3 The amount received from the levy shall be deposited in the general
4 fund of the township.
5 **(i) This subsection applies only to a township in a county not**
6 **having a consolidated city. If the general fund of the township is**
7 **insufficient to meet the expenses of acquiring or improving the land**
8 **for park purposes, the executive shall determine whether an**
9 **emergency exists for the issuance of the warrants or bonds of the**
10 **township. The executive shall, by executive order, authorize the**
11 **issuance and sale of the warrants or bonds of the township in an**
12 **amount not exceeding two percent (2%) of the adjusted value of all**
13 **taxable property in the township as determined under IC 36-1-15.**
14 **The amount of bonds may not exceed the total estimated cost of all**
15 **land to be acquired and all improvements described in the**
16 **executive order, including all expenses necessarily incurred in**
17 **connection with the proceedings. The proceeds from the sale of the**
18 **bonds shall be deposited in the general fund of the township. The**
19 **bonds become due and payable not less than two (2) nor more than**
20 **ten (10) years after the date of issuance, may bear interest at any**
21 **rate, and may not be sold for less than par value. The bonds shall**
22 **be sold after giving notice of the sale of bonds in accordance with**
23 **IC 5-3-1. The bonds and the interest on the bonds are exempt from**
24 **taxation as provided by IC 6-8-5 and are subject to the provisions**
25 **of IC 6-1.1-20 relating to the filing of a petition requesting the**
26 **issuance of bonds, the appropriation of the proceeds of the bonds,**
27 **and the approval by the department of local government finance.**
28 **The executive shall, at its next annual budget hearing under**
29 **IC 6-1.1-17 after authorization of bonds and annually each**
30 **following year, levy a sufficient tax against all the taxable property**
31 **of the township to pay the principal of the bonds, together with**
32 **accruing interest, as they become due. The executive shall apply the**
33 **money received from the levy only to the payment of bonds and**
34 **interest as they become due. In addition to the levy, the executive**
35 **shall, when a park has been established under this section and at**
36 **every annual budget hearing under IC 6-1.1-17 after**
37 **establishment, levy a tax not exceeding one cent (\$0.01) on each one**
38 **hundred dollars (\$100) of taxable property in the township. The**
39 **levy required by this subsection shall be used by the executive for**
40 **the maintenance and improvement of the park. The executive may**
41 **not expend more for maintenance and improvement of the park**
42 **than the amount collected by the levy except:**

1 **(1) upon petition by fifty-one percent (51%) of the taxpayers**
 2 **of the township; or**

3 **(2) when warrants or bonds are to be issued under this section**
 4 **to finance the expenses of improvements.**

5 **The amount received from the levy shall be deposited in the**
 6 **general fund of the township.**

7 ~~(h)~~ **(j)** A park established under this section shall be kept open to the
 8 public in accordance with rules prescribed by the executive.

9 ~~(i)~~ **(k)** If the executive determines that land or other property used
 10 for park purposes under this section should be disposed of and that the
 11 park should no longer be maintained, the executive shall appoint three
 12 **(3)** disinterested appraisers to appraise the property. The property shall
 13 then be disposed of either at public or private sale for at least its
 14 appraised value.

15 ~~(j)~~ **(l)** This subsection applies if the township sells the property by
 16 acceptance of bids. A bid submitted by a trust (as defined in
 17 IC 30-4-1-1(a)) must identify each:

18 (1) beneficiary of the trust; and

19 (2) settlor empowered to revoke or modify the trust.

20 ~~(k)~~ **(m)** All money from the sale of park property, less the expenses
 21 incurred in making the appraisal and sale, shall be paid into the general
 22 fund of the township.
