HOUSE BILL No. 1097

DIGEST OF HB 1097 (Updated February 13, 2019 6:41 pm - DI 77)

Citations Affected: IC 12-15; IC 16-37; IC 25-23; noncode.

Synopsis: Advanced practice registered nurses. Allows an advanced practice registered nurse who: (1) had primary responsibility for the treatment and care of a deceased individual for a period longer than six months; and (2) pronounced the time of death for the deceased individual; to enter or sign a record on a death into the Indiana death registration system. Specifies "practitioner" for purposes of a practice agreement with an advanced practice registered nurse. Sets forth requirements that must be met in order for an advanced practice registered nurse to operate without a practice agreement. Requires the Indiana state board of nursing to report to the general assembly before October 1, 2019. Makes a conforming change.

Effective: Upon passage; July 1, 2019.

HOUSE BILL No. 1097

A BILL FOR AN ACT to amend the Indiana Code concerning professions and occupations.

Be it enacted by the General Assembly of the State of Indiana:

- 1 SECTION 1. IC 12-15-5-14, AS AMENDED BY P.L.129-2018,
2 SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
3 JULY 1, 2019]: Sec. 14. (a) As used in this section, "advanced practice
4 registered nurse" means:
5 (1) a nurse practitioner; or
6 (2) a clinical nurse specialist;
7 who is a registered nurse licensed under IC 25-23 and qualified to
8 practice nursing in a specialty role based upon the additional
9 knowledge and skill gained through a formal organized program of
10 study and clinical experience, or the equivalent as determined by the
11 Indiana state board of nursing.
12 (b) As used in this section, "office" includes the following:
13 (1) The office of the secretary of family and social services.
14 (2) A managed care organization that has contracted with the
15 office of Medicaid policy and planning under this article.
16 (3) A person that has contracted with a managed care organization
17 described in subdivision (2).

HB 1097—LS 6550/DI 77

1 (c) The office shall reimburse eligible Medicaid claims for the
 2 following services provided by an advanced practice registered nurse
 3 employed by a community mental health center if the services are part
 4 of the advanced practice registered nurse's scope of practice:

- 5 (1) Mental health services.
- 6 (2) Behavioral health services.
- 7 (3) Substance abuse treatment.
- 8 (4) Primary care services.
- 9 (5) Evaluation and management services for inpatient or
 10 outpatient psychiatric treatment.
- 11 (6) Prescription drugs.

12 (d) The office shall include an advanced practice registered nurse
 13 as an eligible provider for the supervision of a plan of treatment for a
 14 patient's outpatient mental health or substance abuse treatment
 15 services, if the supervision is in the advanced practice registered
 16 nurse's scope of practice, education, and training.

17 (e) This section:

- 18 (1) may not be construed to expand an advanced practice
 19 registered nurse's scope of practice; and
- 20 (2) is subject to IC 25-23-1-19.4(c). ~~and applies only if the service
 21 is included in the advanced practice registered nurse's practice
 22 agreement with a collaborating physician.~~

23 SECTION 2. IC 16-37-1-3.1, AS AMENDED BY P.L.156-2011,
 24 SECTION 33, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 25 JULY 1, 2019]: Sec. 3.1. (a) Beginning January 1, 2011, the state
 26 department shall establish the Indiana birth registration system (IBRS)
 27 for recording in an electronic format live births in Indiana.

28 (b) Beginning January 1, 2011, the state department shall establish
 29 the Indiana death registration system (IDRS) for recording in an
 30 electronic format deaths in Indiana.

31 (c) Submission of records on births and deaths shall be entered by:

- 32 (1) funeral directors;
- 33 (2) physicians;
- 34 (3) coroners;
- 35 (4) medical examiners;
- 36 (5) persons in attendance at birth; ~~and~~
- 37 (6) local health departments; **and**
- 38 (7) **for purposes of records on deaths, advanced practice
 39 registered nurses providing primary care (as described in
 40 IC 16-37-3-0.5);**

41 using the electronic system created by the state department under this
 42 section.

1 (d) A person in attendance at a live birth shall report a birth to the
2 local health officer in accordance with IC 16-37-2-2.

3 (e) Death records shall be submitted as follows, using the Indiana
4 death registration system:

5 (1) The:

6 (A) physician last in attendance upon the deceased; ~~or~~

7 **(B) advanced practice registered nurse providing primary
8 care to the deceased; or**

9 ~~(B)~~ (C) person in charge of interment;

10 shall initiate the document process. If the person in charge of
11 interment initiates the process, the person in charge of interment
12 shall electronically submit the certificate required under
13 IC 16-37-3-5 to the physician last in attendance upon the
14 deceased **or the advanced practice registered nurse providing
15 primary care to the deceased** not later than five (5) days after
16 the death.

17 (2) The physician last in attendance upon the deceased **or the
18 advanced practice registered nurse providing primary care to
19 the deceased** shall electronically certify to the local health
20 department the cause of death on the certificate of death not later
21 than five (5) days after:

22 (A) initiating the document process; or

23 (B) receiving under IC 16-37-3-5 the electronic notification
24 from the person in charge of interment.

25 (3) The local health officer shall submit the reports required under
26 IC 16-37-1-5 to the state department not later than five (5) days
27 after electronically receiving under IC 16-37-3-5 the completed
28 certificate of death from the physician last in attendance **or the
29 advanced practice registered nurse providing primary care.**

30 SECTION 3. IC 16-37-3-0.5 IS ADDED TO THE INDIANA CODE
31 AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY
32 1, 2019]: **Sec. 0.5. This chapter applies to an advanced practice
33 registered nurse licensed under IC 25-23 if the advanced practice
34 registered nurse:**

35 **(1) had primary responsibility for the treatment and care of
36 the deceased individual for a period longer than six (6)
37 months; and**

38 **(2) pronounced the time of death for the deceased individual.**

39 SECTION 4. IC 16-37-3-3, AS AMENDED BY P.L.122-2012,
40 SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
41 JULY 1, 2019]: Sec. 3. (a) The physician last in attendance upon the
42 deceased, **the advanced practice registered nurse who provided**

1 **primary care as described in section 0.5 of this chapter**, or the
 2 person in charge of interment shall file a certificate of death or of
 3 stillbirth with the local health officer of the jurisdiction in which the
 4 death or stillbirth occurred. The local health officer shall retain a copy
 5 of the certificate of death.

6 (b) Notwithstanding subsection (a), beginning January 1, 2011, for
 7 a death occurring after December 31, 2010, the physician last in
 8 attendance upon the deceased, **the advanced practice registered**
 9 **nurse who provided primary care as described in section 0.5 of this**
 10 **chapter**, or the person in charge of interment shall use the Indiana
 11 death registration system established under IC 16-37-1-3.1 to file a
 12 certificate of death with the local health officer of the jurisdiction in
 13 which the death occurred.

14 SECTION 5. IC 16-37-3-4, AS AMENDED BY P.L.156-2011,
 15 SECTION 36, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 16 JULY 1, 2019]: Sec. 4. The physician last in attendance upon the
 17 deceased, **the advanced practice registered nurse who provided**
 18 **primary care as described in section 0.5 of this chapter**, or the
 19 person in charge of interment shall secure the personal data required by
 20 the state department by rules adopted under IC 4-22-2 for preparation
 21 of the certificate of death or of stillbirth from the persons best qualified
 22 to give the information.

23 SECTION 6. IC 16-37-3-5, AS AMENDED BY P.L.122-2012,
 24 SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 25 JULY 1, 2019]: Sec. 5. (a) If the person in charge of interment initiates
 26 the process, the person in charge of interment shall present a certificate
 27 of death to the physician last in attendance upon the deceased **or the**
 28 **advanced practice registered nurse who provided primary care as**
 29 **described in section 0.5 of this chapter**, who shall certify the cause
 30 of death upon the certificate of death or of stillbirth.

31 (b) Notwithstanding subsection (a), beginning January 1, 2011, for
 32 a death occurring after December 31, 2010, using the Indiana death
 33 registration system established under IC 16-37-1-3.1, if the person in
 34 charge of interment initiates the process, the person in charge of
 35 interment shall electronically provide a certificate of death to the
 36 physician last in attendance upon the deceased **or the advanced**
 37 **practice registered nurse who provided primary care as described**
 38 **in section 0.5 of this chapter**. The physician last in attendance upon
 39 the deceased **or the advanced practice registered nurse who**
 40 **provided primary care as described in section 0.5 of this chapter**
 41 shall electronically certify to the local health department the cause of
 42 death on the certificate of death, using the Indiana death registration

1 system.

2 SECTION 7. IC 16-37-3-6 IS AMENDED TO READ AS
3 FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 6. (a) If:

- 4 (1) a death or stillbirth occurred without medical attendance; or
5 (2) the physician last in attendance **or the advanced practice
6 registered nurse who provided primary care as described in
7 section 0.5 of this chapter** is physically or mentally unable to
8 sign the certificate of death or stillbirth;

9 the local health officer shall inquire into the cause of death from
10 anyone having knowledge of the facts regarding the cause of death.

11 (b) The local health officer may issue a subpoena to obtain
12 information and to employ a qualified pathologist to perform an
13 autopsy when, in the judgment of the local health officer, those
14 procedures are required to complete the inquiry. The local health
15 officer shall then certify the cause of death on the basis of the
16 information.

17 SECTION 8. IC 25-23-1-19.4, AS AMENDED BY P.L.129-2018,
18 SECTION 30, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
19 JULY 1, 2019]: Sec. 19.4. (a) This section does not apply to certified
20 registered nurse anesthetists.

21 (b) As used in this section, "practitioner" has the meaning set forth
22 in IC 16-42-19-5. However, the term does not include the following:

- 23 (1) A veterinarian.
24 (2) An advanced practice registered nurse.
25 (3) A physician assistant.
26 **(4) Beginning July 1, 2022:**
27 **(A) a podiatrist;**
28 **(B) an optometrist; or**
29 **(C) a dentist.**

30 (c) **Except as provided in subsection (d),** an advanced practice
31 registered nurse shall ~~operate~~ **practice:**

- 32 (1) ~~in collaboration~~ with a licensed practitioner as evidenced by
33 a practice agreement;
34 (2) by privileges granted by the governing board of a hospital
35 licensed under IC 16-21 with the advice of the medical staff of the
36 hospital that sets forth the manner in which an advanced practice
37 registered nurse ~~and a licensed practitioner~~ will cooperate,
38 coordinate, and consult with ~~each other~~ **practitioners** in the
39 provision of health care to their patients; or
40 (3) by privileges granted by the governing body of a hospital
41 operated under IC 12-24-1 that sets forth the manner in which an
42 advanced practice registered nurse ~~and a licensed practitioner~~ will

1 cooperate, coordinate, and consult with each other practitioners
2 in the provision of health care to their patients.

3 **(d) An advanced practice registered nurse with prescriptive
4 authority may practice without a practice agreement if the
5 following conditions are met:**

6 **(1) The advanced practice registered nurse has practiced
7 under a practice agreement with a practitioner for the full
8 time equivalent of at least three (3) years.**

9 **(2) The practitioner described in subdivision (1) has been
10 licensed in Indiana for a minimum of five (5) years with the
11 practitioner's respective governing board.**

12 **(3) The practitioner has reviewed at least:**

13 **(A) ten percent (10%) of the advanced practice registered
14 nurse's prescriptive charts during the first year of the
15 practice agreement period; and**

16 **(B) five percent (5%) of the advanced practice registered
17 nurse's prescriptive charts during the second and third
18 years of the practice agreement period.**

19 **(4) The advanced practice registered nurse has submitted an
20 attestation to the board to the completion of the required
21 three (3) year practice agreement.**

22 **(5) The advanced practice registered nurse practices in the
23 same practice area in which the advanced practice registered
24 nurse practiced with the practitioner under a practice
25 agreement.**

26 **(6) The advanced practice registered nurse establishes a
27 referral plan to other appropriate practitioners for complex
28 medical cases, emergencies, and cases that are beyond the
29 advanced practice registered nurse's scope of practice.**

30 **The board shall designate on the advanced practice registered
31 nurse's prescriptive authority license, in a manner determined by
32 the board, that the advanced practice registered nurse has
33 completed the requirements of this subsection.**

34 **(e) If an advanced practice registered nurse practices
35 independently without a practice agreement, the advanced practice
36 registered nurse shall notify patients, through posting in a
37 prominent and conspicuous place in the patient waiting area, that
38 the advanced practice registered nurse is practicing independently.**

39 SECTION 9. IC 25-23-1-19.6, AS AMENDED BY P.L.129-2018,
40 SECTION 32, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
41 JULY 1, 2019]: Sec. 19.6. (a) When the board grants authority to an
42 advanced practice registered nurse to prescribe legend drugs under this

- 1 chapter, the board shall assign an identification number to the
 2 advanced practice registered nurse.
- 3 (b) An advanced practice registered nurse who is granted authority
 4 by the board to prescribe legend drugs must do the following:
- 5 (1) Enter on each prescription form that the advanced practice
 6 registered nurse uses to prescribe a legend drug:

(c) Submission of records on births and deaths shall be entered by:

- (1) funeral directors;
- (2) physicians;
- (3) coroners;
- (4) medical examiners;
- (5) persons in attendance at birth; ~~and~~
- (6) local health departments; ~~and~~
- (7) for purposes of records on deaths, advanced practice registered nurses providing primary care (as described in IC 16-37-3-0.5);**

using the electronic system created by the state department under this section.

(d) A person in attendance at a live birth shall report a birth to the local health officer in accordance with IC 16-37-2-2.

(e) Death records shall be submitted as follows, using the Indiana death registration system:

- (1) The:
 - (A) physician last in attendance upon the deceased; ~~or~~
 - (B) advanced practice registered nurse providing primary care to the deceased; or**
 - ~~(B)~~ (C) person in charge of interment;

shall initiate the document process. If the person in charge of interment initiates the process, the person in charge of interment shall electronically submit the certificate required under IC 16-37-3-5 to the physician last in attendance upon the deceased ~~or the advanced practice registered nurse providing~~

primary care to the deceased not later than five (5) days after the death.

(2) The physician last in attendance upon the deceased **or the advanced practice registered nurse providing primary care to the deceased** shall electronically certify to the local health department the cause of death on the certificate of death not later than five (5) days after:

(A) initiating the document process; or

(B) receiving under IC 16-37-3-5 the electronic notification from the person in charge of interment.

(3) The local health officer shall submit the reports required under IC 16-37-1-5 to the state department not later than five (5) days after electronically receiving under IC 16-37-3-5 the completed certificate of death from the physician last in attendance **or the advanced practice registered nurse providing primary care.**

SECTION 3. IC 16-37-3-0.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: **Sec. 0.5. This chapter applies to an advanced practice registered nurse licensed under IC 25-23 if the advanced practice registered nurse:**

(1) had primary responsibility for the treatment and care of the deceased individual for a period longer than six (6) months; and

(2) pronounced the time of death for the deceased individual.

SECTION 4. IC 16-37-3-3, AS AMENDED BY P.L.122-2012, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 3. (a) The physician last in attendance upon the deceased, **the advanced practice registered nurse who provided primary care as described in section 0.5 of this chapter**, or the person in charge of interment shall file a certificate of death or of stillbirth with the local health officer of the jurisdiction in which the death or stillbirth occurred. The local health officer shall retain a copy of the certificate of death.

(b) Notwithstanding subsection (a), beginning January 1, 2011, for a death occurring after December 31, 2010, the physician last in attendance upon the deceased, **the advanced practice registered nurse who provided primary care as described in section 0.5 of this chapter**, or the person in charge of interment shall use the Indiana death registration system established under IC 16-37-1-3.1 to file a certificate of death with the local health officer of the jurisdiction in which the death occurred.

SECTION 5. IC 16-37-3-4, AS AMENDED BY P.L.156-2011,

SECTION 36, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 4. The physician last in attendance upon the deceased, **the advanced practice registered nurse who provided primary care as described in section 0.5 of this chapter**, or the person in charge of interment shall secure the personal data required by the state department by rules adopted under IC 4-22-2 for preparation of the certificate of death or of stillbirth from the persons best qualified to give the information.

SECTION 6. IC 16-37-3-5, AS AMENDED BY P.L.122-2012, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 5. (a) If the person in charge of interment initiates the process, the person in charge of interment shall present a certificate of death to the physician last in attendance upon the deceased **or the advanced practice registered nurse who provided primary care as described in section 0.5 of this chapter**, who shall certify the cause of death upon the certificate of death or of stillbirth.

(b) Notwithstanding subsection (a), beginning January 1, 2011, for a death occurring after December 31, 2010, using the Indiana death registration system established under IC 16-37-1-3.1, if the person in charge of interment initiates the process, the person in charge of interment shall electronically provide a certificate of death to the physician last in attendance upon the deceased **or the advanced practice registered nurse who provided primary care as described in section 0.5 of this chapter**. The physician last in attendance upon the deceased **or the advanced practice registered nurse who provided primary care as described in section 0.5 of this chapter** shall electronically certify to the local health department the cause of death on the certificate of death, using the Indiana death registration system.

SECTION 7. IC 16-37-3-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 6. (a) If:

- (1) a death or stillbirth occurred without medical attendance; or
- (2) the physician last in attendance **or the advanced practice registered nurse who provided primary care as described in section 0.5 of this chapter** is physically or mentally unable to sign the certificate of death or stillbirth;

the local health officer shall inquire into the cause of death from anyone having knowledge of the facts regarding the cause of death.

(b) The local health officer may issue a subpoena to obtain information and to employ a qualified pathologist to perform an autopsy when, in the judgment of the local health officer, those procedures are required to complete the inquiry. The local health

officer shall then certify the cause of death on the basis of the information.

SECTION 8. IC 25-23-1-19.4, AS AMENDED BY P.L.129-2018, SECTION 30, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 19.4. (a) This section does not apply to certified registered nurse anesthetists.

(b) As used in this section, "practitioner" has the meaning set forth in IC 16-42-19-5. However, the term does not include the following:

- (1) A veterinarian.
- (2) An advanced practice registered nurse.
- (3) A physician assistant.

(4) Beginning July 1, 2022:

- (A) a podiatrist;**
- (B) an optometrist; or**
- (C) a dentist.**

(c) **Except as provided in subsection (d),** an advanced practice registered nurse shall ~~operate~~ **practice:**

- (1) ~~in collaboration~~ with a licensed practitioner as evidenced by a practice agreement;
- (2) by privileges granted by the governing board of a hospital licensed under IC 16-21 with the advice of the medical staff of the hospital that sets forth the manner in which an advanced practice registered nurse ~~and a licensed practitioner~~ will cooperate, coordinate, and consult with ~~each other practitioners~~ in the provision of health care to their patients; or
- (3) by privileges granted by the governing body of a hospital operated under IC 12-24-1 that sets forth the manner in which an advanced practice registered nurse ~~and a licensed practitioner~~ will cooperate, coordinate, and consult with ~~each other practitioners~~ in the provision of health care to their patients.

(d) An advanced practice registered nurse with prescriptive authority may practice without a practice agreement if the following conditions are met:

- (1) The advanced practice registered nurse has practiced under a practice agreement with a practitioner for the full time equivalent of at least three (3) years.**
- (2) The practitioner described in subdivision (1) has been licensed in Indiana for a minimum of five (5) years with the practitioner's respective governing board.**
- (3) The practitioner has reviewed at least:**
 - (A) ten percent (10%) of the advanced practice registered nurse's prescriptive charts during the first year of the**

practice agreement period; and

(B) five percent (5%) of the advanced practice registered nurse's prescriptive charts during the second and third years of the practice agreement period.

(4) The advanced practice registered nurse has submitted an attestation to the board to the completion of the required three (3) year practice agreement.

(5) The advanced practice registered nurse practices in the same practice area in which the advanced practice registered nurse practiced with the practitioner under a practice agreement.

(6) The advanced practice registered nurse establishes a referral plan to other appropriate practitioners for complex medical cases, emergencies, and cases that are beyond the advanced practice registered nurse's scope of practice.

The board shall designate on the advanced practice registered nurse's prescriptive authority license, in a manner determined by the board, that the advanced practice registered nurse has completed the requirements of this subsection.

(e) If an advanced practice registered nurse practices independently without a practice agreement, the advanced practice registered nurse shall notify patients, through posting in a prominent and conspicuous place in the patient waiting area, that the advanced practice registered nurse is practicing independently.
