taxpayers, at least ten (10) days before the public hearing, through its
computer gateway and provide a telephone number through which
taxpayers may request mailed copies of a political subdivision's
information under this subsection. The department's computer gateway
must allow a taxpayer to search for the information under this
subsection by the taxpayer's address. The department shall review only
the submission to the department's computer gateway for compliance
with this section.

(b) The board of directors of a solid waste management district
established under IC 13-21 or IC 13-9.5-2 (before its repeal) may

(3) The governing body of a school corporation (other than a school corporation described in subdivision (1)) that elects to adopt a budget under section 5.6 of this chapter for budget years beginning after June 30, 2011, not later than the time required under section 5.6(b) of this chapter for budget years beginning after June 30, 2011.

(4) The governing body of a school corporation that is not described in subdivision (1) or (3), not later than November 1. Except in a consolidated city and county and in a second class city, the public hearing required by section 3 of this chapter must be completed...
at least ten (10) days before the proper officers of the political
subdivision meet to fix the budget, tax rate, and tax levy. In a
consolidated city and county and in a second class city, that public
hearing, by any committee or by the entire fiscal body, may be held at
any time after introduction of the budget.

(b) Ten (10) or more taxpayers may object to a budget, tax rate, or
tax levy of a political subdivision fixed under subsection (a) by filing
an objection petition with the proper officers of the political
subdivision not more than seven (7) days after the hearing. The
objection petition must specifically identify the provisions of the
budget, tax rate, and tax levy to which the taxpayers object.

(c) If a petition is filed under subsection (b), the fiscal body of the
political subdivision shall adopt with its budget a finding concerning
the objections in the petition and any testimony presented at the
adoption hearing.

(d) A political subdivision shall file the budget adopted by the
political subdivision with the department of local government finance
not later than five (5) business days after the budget is adopted under
subsection (a). The filing with the department of local government
finance must be in a manner prescribed by the department.

(e) In a consolidated city and county and in a second class city, the
clerk of the fiscal body shall, notwithstanding subsection (d), file the
adopted budget and tax ordinances with the department of local
government finance within five (5) business days after the ordinances
are signed by the executive, or within five (5) business days after action
is taken by the fiscal body to override a veto of the ordinances,
whichever is later.

(f) If a fiscal body does not fix the budget, tax rate, and tax levy of
the political subdivisions for the ensuing budget year as required under
this section, the most recent annual appropriations and annual tax levy
are continued for the ensuing budget year.

(g) When fixing a budget, tax rate, or tax levy under subsection
(a), the political subdivision shall indicate on its adopting
document, in the manner prescribed by the department, whether
the political subdivision intends to:

(1) issue debt after December 1 of the year preceding the
budget year; or

(2) file a shortfall appeal under IC 6-1.1-18.5-16.
subdivisions subject to the department of local government finance's review.

  (b) For a fund of a political subdivision subject to levy limits under IC 6-1.1-18.5-3, the department of local government finance shall calculate and certify the allowable budget of the fund if the political subdivision adopts a tax levy that exceeds the estimated maximum levy limits as provided by the department of local government finance under IC 6-1.1-18.5-24.

  (c) For a fund of a political subdivision subject to levy limits under IC 6-1.1-18.5-3 and for which the political subdivision adopts a tax levy that is not more than the levy limits under IC 6-1.1-18.5-3, the department of local government finance shall review the fund to ensure the adopted budget is fundable based on the unit's adopted tax levy and estimates of available revenues. If the adopted budget is fundable, the department of local government finance shall use the adopted budget as the approved appropriation for the fund for the budget year. As needed, the political subdivision may complete the additional appropriation process through IC 6-1.1-18-5 for these funds during the budget year.

  (d) For a fund of the political subdivision subject to levy limits under IC 6-1.1-18.5-3 and for which the political subdivision adopts a tax levy that is not more than the levy limits under IC 6-1.1-18.5-3, if the department of local government finance has determined the adopted budget is not fundable based on the unit's adopted tax levy and estimates of available revenues, the department of local government finance shall calculate and certify the allowable budget that is fundable based on the adopted tax levy and the department's estimates of available revenues.

  (e) For all other funds of a political subdivision not described in subsections (b), (c), and (d), the department of local government finance shall certify a budget for the fund.

  (f) Except as provided in section 16.1 of this chapter, the department of local government finance is not required to hold a public hearing before the department of local government finance reviews, revises, reduces, or increases a political subdivision's budget by fund, tax rate, or tax levy under this section.

  (g) Except as provided in subsection (l), IC 20-46, or IC 6-1.1-18.5, the department of local government finance may not increase a political subdivision's budget by fund, tax rate, or tax levy to an amount which exceeds the amount originally fixed by the political subdivision. However, if the department of local government finance determines that IC 5-3-1-2.3(b) applies to the tax rate, tax levy, or budget of the
political subdivision, the maximum amount by which the department may increase the tax rate, tax levy, or budget is the amount originally fixed by the political subdivision, and not the amount that was incorrectly published or omitted in the notice described in IC 5-3-1-2.3(b). The department of local government finance shall give the political subdivision notification electronically in the manner prescribed by the department of local government finance specifying any revision, reduction, or increase the department proposes in a political subdivision's tax levy or tax rate. The political subdivision has ten (10) calendar days from the date the political subdivision receives the notice to provide a response electronically in the manner prescribed by the department of local government finance. The response may include budget reductions, reallocation of levies, a revision in the amount of miscellaneous revenues, and further review of any other item about which, in the view of the political subdivision, the department is in error. The department of local government finance shall consider the adjustments as specified in the political subdivision's response if the response is provided as required by this subsection and shall deliver a final decision to the political subdivision. The department of local government finance may not consider any adjustments that are suggested by the political subdivision after the expiration of the ten (10) day period allowed for the political subdivision's response.

(h) The department of local government finance may not approve a levy for lease payments by a city, town, county, library, or school corporation if the lease payments are payable to a building corporation for use by the building corporation for debt service on bonds and if:

(1) no bonds of the building corporation are outstanding; or
(2) the building corporation has enough legally available funds on hand to redeem all outstanding bonds payable from the particular lease rental levy requested.

(i) The department of local government finance shall certify its action to:

(1) the county auditor;
(2) the political subdivision if the department acts pursuant to an appeal initiated by the political subdivision; and
(3) a taxpayer that owns property that represents at least ten percent (10%) of the taxable assessed valuation in the political subdivision.

(j) The following may petition for judicial review of the final determination of the department of local government finance under subsection (i):
(1) If the department acts under an appeal initiated by a political subdivision, the political subdivision.

(2) A taxpayer that owns property that represents at least ten percent (10%) of the taxable assessed valuation in the political subdivision.

The petition must be filed in the tax court not more than forty-five (45) days after the department certifies its action under subsection (i).

(k) The department of local government finance is expressly directed to complete the duties assigned to it under this section as follows:

(1) Not later than December 31 of the year preceding that budget year, unless subdivision (2) applies.

(2) Not later than January 15 of the budget year if any of the following are true:

(A) A taxing unit in a county is issuing intends to issue debt after December 1 in the year preceding the budget year and has indicated its intent to issue debt after December 1 in the year preceding the budget year as specified in section 5 of this chapter.

(B) A taxing unit intends to file a shortfall appeal under IC 6-1.1-18.5-16 and has indicated its intent to file a shortfall appeal as specified in section 5 of this chapter. or

(C) The deadline for a city in the county to fix the budget, tax rate, and tax levy has been extended, in accordance with section 5.2 of this chapter, due to the executive's veto of the ordinance fixing the budget, tax rate, and tax levy.

(l) Subject to the provisions of all applicable statutes, and notwithstanding IC 6-1.1-18-1, the department of local government finance shall, unless the department finds extenuating circumstances, increase a political subdivision's tax levy to an amount that exceeds the amount originally advertised or adopted by the political subdivision if:

(1) the increase is requested in writing by the officers of the political subdivision;

(2) the request includes:

(A) the corrected budget, tax rate, or levy, as applicable; and

(B) the time and place of the meeting described in subdivision (4);

(3) the political subdivision publishes the requested increase on the department's advertising Internet web site;

(4) the political subdivision adopts the needed changes to its budget, tax levy, or rate in a public meeting of the governing body; and
(5) notice is given to the county fiscal body of the department's correction.

The political subdivision shall publish notice of the meeting described in subdivision (4) on the Indiana transparency Internet web site in the manner prescribed by the department not later than forty-eight (48) hours (excluding weekends and holidays) before the meeting. If the department increases a levy beyond what was advertised or adopted under this subsection, it shall, unless the department finds extenuating circumstances, reduce the certified levy affected below the maximum allowable levy by the lesser of five percent (5%) of the difference between the advertised or adopted levy and the increased levy, or one hundred thousand dollars ($100,000).

SECTION 24. IC 6-1.1-17-20.3, AS AMENDED BY P.L.252-2019, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 20.3. (a) Except as provided in section 20.4 of this chapter, this section applies only to the governing body of a public library that:

(1) is not comprised of a majority of officials who are elected to serve on the governing body; and
(2) has a percentage increase in the proposed budget for the taxing unit for the ensuing calendar year that is more than the result of:
   (A) the assessed value maximum levy growth quotient determined under IC 6-1.1-18.5-2 for the ensuing calendar year; minus
   (B) one (1).

For purposes of this section, an individual who qualifies to be appointed to a governing body or serves on a governing body because of the individual's status as an elected official of another taxing unit shall be treated as an official who was not elected to serve on the governing body.

(b) This section does not apply to an entity whose tax levies are subject to review and modification by a city-county legislative body under IC 36-3-6-9.

(c) If:
   (1) the assessed valuation of a public library is entirely contained within a city or town; or
   (2) the assessed valuation of a public library is not entirely contained within a city or town but the public library was originally established by the city or town;
the governing body shall submit its proposed budget and property tax levy to the city or town fiscal body in the manner prescribed by the
department of local government finance before September 2 of a year. However, the governing body shall submit its proposed budget and property tax levy to the county fiscal body in the manner provided in subsection (d), rather than to the city or town fiscal body, if more than fifty percent (50%) of the parcels of real property within the jurisdiction of the public library are located outside the city or town.

(d) If subsection (c) does not apply, the governing body of the public library shall submit its proposed budget and property tax levy to the county fiscal body in the county where the public library has the most assessed valuation. The proposed budget and levy shall be submitted to the county fiscal body in the manner prescribed by the department of local government finance before September 2 of a year.

(e) The fiscal body of the city, town, or county (whichever applies) shall review each budget and proposed tax levy and adopt a final budget and tax levy for the public library. The fiscal body may reduce or modify but not increase the proposed budget or tax levy.

(f) If a public library fails to file the information required in subsection (c) or (d), whichever applies, with the appropriate fiscal body by the time prescribed by this section, the most recent annual appropriations and annual tax levy of that public library are continued for the ensuing budget year.

(g) If the appropriate fiscal body fails to complete the requirements of subsection (e) before the adoption deadline in section 5 of this chapter for any public library subject to this section, the most recent annual appropriations and annual tax levy of the city, town, or county, whichever applies, are continued for the ensuing budget year.

SECTION 25. IC 6-1.1-18-5, AS AMENDED BY P.L.252-2019, SECTION 3, AND AS AMENDED BY P.L.257-2019, SECTION 49, AND AS AMENDED BY THE TECHNICAL CORRECTIONS BILL OF THE 2020 GENERAL ASSEMBLY, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 5. (a) If the proper officers of a political subdivision desire to appropriate more money for a particular year than the amount prescribed in the budget for that year as finally determined under this article, they shall give notice of their proposed additional appropriation. The notice shall state the time and place at which a public hearing will be held on the proposal. The notice shall be given once in accordance with IC 5-3-1-2(b).

(b) If the additional appropriation by the political subdivision is made from a fund that receives:

(4) distributions from the motor vehicle highway account established under IC 8-14-1-1 or the local road and street
account established under IC 8-14-2-4; or

(2) revenue from property taxes levied under IC 6-1.1 for which
the budget, rate, or levy is certified by the department of local
government finance under IC 6-1.1-17-16,

the political subdivision must report the additional appropriation to the
department of local government finance. If the additional appropriation
is made from a fund described under this subsection, subsections (f),
(g), (h), and (i) apply to the political subdivision.

(c) However, if the additional appropriation is not made from a fund
described under subsection (b), subsections (f), (g), (h), and (i) do not
apply to the political subdivision. Subsections (f), (g), (h), and (i) do
not apply to an additional appropriation made from the cumulative
bridge fund if the appropriation meets the requirements under
IC 8-16-3-3(c).

(d) A political subdivision may make an additional appropriation
without approval of the department of local government finance if the
additional appropriation is made from a fund that is not described
under subsection (b). However, the fiscal officer of the political
subdivision shall report the additional appropriation to the department
of local government finance.

(e) Subject to subsections (j) and (k), after the public hearing, the
proper officers of the political subdivision shall file a certified copy of
their final proposal and any other relevant information to the
department of local government finance not later than fifteen (15)
days after the additional appropriation is adopted by the
appropriate fiscal body. If the additional appropriation is not
submitted to the department of local government finance within
fifteen (15) days after adoption, the department of local
government finance may require the political subdivision to
cconduct a readoption hearing.

(f) When the department of local government finance receives a
certified copy of a proposal for an additional appropriation under
subsection (e), the department shall determine whether sufficient funds
are available or will be available for the proposal. The determination
shall be made in writing and sent to the political subdivision not more
than fifteen (15) days after the department of local government finance
receives the proposal.

(g) In making the determination under subsection (f), the
department of local government finance shall limit the amount of the
additional appropriation to revenues available, or to be made available,
which have not been previously appropriated.

(h) If the department of local government finance disapproves an
additional appropriation under subsection (f), the department shall
specify the reason for its disapproval on the determination sent to the
political subdivision.

(i) A political subdivision may request a reconsideration of a
determination of the department of local government finance under this
section by filing a written request for reconsideration. A request for
reconsideration must:

(1) be filed with the department of local government finance
within fifteen (15) days of the receipt of the determination by the
political subdivision; and

(2) state with reasonable specificity the reason for the request.
The department of local government finance must act on a request for
reconsideration within fifteen (15) days of receiving the request.

(j) This subsection applies to an additional appropriation by a
political subdivision that must have the political subdivision's annual
appropriations and annual tax levy adopted by a city, town, or county
fiscal body under IC 6-1.1-17-20 or IC 36-1-23 or by a legislative or
fiscal body under IC 36-3-6-9. The fiscal or legislative body of the city,
town, or county that adopted the political subdivision's annual
appropriation and annual tax levy must adopt the additional
appropriation by ordinance before the department of local government
finance may approve the additional appropriation.

(k) This subsection applies to a public library that is not required to
submit the public library's budgets, tax rates, and tax levies for binding
review and approval under IC 6-1.1-17-20 or IC 6-1.1-17-20.4. If a
public library subject to this subsection proposes to make an additional
appropriation for a year, and the additional appropriation would result
in the budget for the library for that year increasing (as compared to the
previous year) by a percentage that is greater than the result of the
assessed value maximum levy growth quotient determined under
IC 6-1.1-18.5-2 for the calendar year minus one (1), the additional
appropriation must first be approved by the city, town, or county fiscal
body described in IC 6-1.1-17-20.3(c) or IC 6-1.1-17-20(d),
IC 6-1.1-17-20.3(d), as appropriate.

SECTION 26. IC 6-1.1-18.5-2, AS AMENDED BY P.L.238-2019,
SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JULY 1, 2020]: Sec. 2. (a) As used in this section, "Indiana nonfarm
personal income" means the estimate of total nonfarm personal income
for Indiana in a calendar year as computed by the federal Bureau of
Economic Analysis using any actual data for the calendar year and any
estimated data determined appropriate by the federal Bureau of
Economic Analysis.

2020 IN 1113—LS 6655/DI 113
(b) Except as provided in subsection (c), for purposes of determining a civil taxing unit's maximum permissible ad valorem property tax levy for an ensuing calendar year, the civil taxing unit shall use the assessed value maximum levy growth quotient determined in the last STEP of the following STEPS:

STEP ONE: For each of the six (6) calendar years immediately preceding the year in which a budget is adopted under IC 6-1.1-17-5 for the ensuing calendar year, divide the Indiana nonfarm personal income for the calendar year by the Indiana nonfarm personal income for the calendar year immediately preceding that calendar year, rounding to the nearest one-thousandth (0.001).

STEP TWO: Determine the sum of the STEP ONE results.

STEP THREE: Divide the STEP TWO result by six (6), rounding to the nearest one-thousandth (0.001).

STEP FOUR: Determine the lesser of the following:

(A) The STEP THREE quotient.

(B) One and six-hundredths (1.06).

(c) A school corporation shall use for its operations fund maximum levy calculation under IC 20-46-8-1 the assessed value maximum levy growth quotient determined in the last STEP of the following STEPS:

STEP ONE: Determine for each school corporation, the average annual growth in net assessed value using the three (3) calendar years immediately preceding the year in which a budget is adopted under IC 6-1.1-17-5 for the ensuing calendar year.

STEP TWO: Determine the greater of:

(A) zero (0); or

(B) the STEP ONE amount minus the sum of:

(i) the assessed value maximum levy growth quotient determined under subsection (b) minus one (1); plus

(ii) two-hundredths (0.02).

STEP THREE: Determine the lesser of:

(A) the STEP TWO amount; or

(B) four-hundredths (0.04).

STEP FOUR: Determine the sum of:

(A) the STEP THREE amount; plus

(B) the assessed value maximum levy growth quotient determined under subsection (b).

STEP FIVE: Determine the greater of:

(A) the STEP FOUR amount; or

(B) the assessed value maximum levy growth quotient determined under subsection (b).
(d) The budget agency shall provide the assessed value maximum levy growth quotient for the ensuing year to civil taxing units, school corporations, and the department of local government finance before July 1 of each year.

SECTION 27. IC 6-1.1-18.5-7, AS AMENDED BY P.L.203-2016, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 7. (a) A civil taxing unit is not subject to the levy limits imposed by section 3 of this chapter for an ensuing calendar year if the civil taxing unit did not adopt an ad valorem property tax levy for the immediately preceding calendar year.

(b) If under subsection (a) a civil taxing unit is not subject to the levy limits imposed under section 3 of this chapter for an ensuing calendar year, the civil taxing unit shall, before June 30 of the immediately preceding year, refer its proposed budget, ad valorem property tax levy, and property tax rate for that the ensuing calendar year to the department of local government finance. The department of local government finance shall make a final determination of the civil taxing unit’s budget, ad valorem property tax levy, and property tax rate for that the ensuing calendar year. However, a civil taxing unit may not impose a property tax levy for an ensuing calendar year if the unit did not exist as of January 1 of the immediately preceding year.

(c) This subsection does not apply to an ad valorem property tax levy imposed by a civil taxing unit for fire protection services within a fire protection territory under IC 36-8-19. In determining a budget, ad valorem property tax levy, and property tax rate under subsection (b), the department shall consider the effect of a property tax levy on a local income tax distribution to the civil taxing unit under IC 6-3.6-6.

SECTION 28. IC 6-1.1-18.5-10, AS AMENDED BY P.L.76-2018, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 10. (a) The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit to be used to fund:

1. community mental health centers under:
   - (A) IC 12-29-2-1.2, for only those civil taxing units that authorized financial assistance under IC 12-29-1 before 2002 for a community mental health center as long as the tax levy under this section does not exceed the levy authorized in 2002;
   - (B) IC 12-29-2-2 through IC 12-29-2-4; and
   - (C) IC 12-29-2-13; or

2. community intellectual disability and other developmental disabilities centers under IC 12-29-1-1.
(b) For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular calendar year does not include that part of the levy described in subsection (a).

(c) This subsection applies to property taxes first due and payable after December 31, 2008. Notwithstanding subsections (a) and (b) or any other law, any property taxes imposed by a civil taxing unit that are exempted by this section from the ad valorem property tax levy limits imposed by section 3 of this chapter may not increase annually by a percentage greater than the result of:

1. the assessed value maximum levy growth quotient determined under section 2 of this chapter; minus
2. one (1).

(d) Before July 15 of each year, the department of local government finance shall provide to each county an estimate of the maximum amount of property taxes imposed for community mental health centers or community intellectual disability and other developmental disabilities centers that are exempt from the levy limits for the ensuing year.

SECTION 29. IC 6-1.1-18.5-10.5, AS AMENDED BY P.L.245-2015, SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 10.5. (a) The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit for fire protection services within a fire protection territory under IC 36-8-19, if the civil taxing unit is a participating unit in a fire protection territory established before August 1, 2001. For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter on a civil taxing unit that is a participating unit in a fire protection territory, established before August 1, 2001, the civil taxing unit's ad valorem property tax levy for a particular calendar year does not include that part of the levy imposed under IC 36-8-19. Any property taxes imposed by a civil taxing unit that are exempted by this subsection from the ad valorem property tax levy limits imposed by section 3 of this chapter and first due and payable after December 31, 2008, may not increase annually by a percentage greater than the result of:

1. the assessed value maximum levy growth quotient determined under section 2 of this chapter; minus
2. one (1).

(b) The department of local government finance may, under this subsection, increase the maximum permissible ad valorem property tax
levy that would otherwise apply to a civil taxing unit under section 3
of this chapter to meet the civil taxing unit's obligations to a fire
protection territory established under IC 36-8-19. To obtain an increase
in the civil taxing unit's maximum permissible ad valorem property tax
levy, a civil taxing unit shall submit a petition to the department of
local government finance in the year immediately preceding the first
year in which the civil taxing unit levies a tax to support the fire
protection territory. The petition must be filed before the date specified
in section 12(a)(1) of this chapter of that year. The department of local
government finance shall make a final determination of the civil taxing
unit's budget, ad valorem property tax levy, and property tax rate for the
fire protection territory for the ensuing calendar year. In making its
determination under this subsection, the department of local
government finance shall consider the amount that the civil taxing unit
is obligated to provide to meet the expenses of operation and
maintenance of the fire protection services within the territory,
including the participating unit's reasonable share of an operating
balance for the fire protection territory. The department of local
government finance shall determine the entire amount of the allowable
adjustment in the final determination. The department shall order the
adjustment implemented in the amounts and over the number of years,
not exceeding three (3), requested by the petitioning civil taxing unit.
However, the department of local government finance may not approve
under this subsection a property tax levy greater than zero (0) if the
civil taxing unit did not exist as of the assessment date for which the
tax levy will be imposed. For purposes of applying this subsection to
the civil taxing unit's maximum permissible ad valorem property tax
levy in subsequent calendar years, the department of local government
finance may determine not to consider part or all of the part of the
property tax levy imposed to establish the operating balance of the fire
protection territory.

SECTION 30. IC 6-1.1-18.5-12, AS AMENDED BY P.L.84-2016,
SECTION 29, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JULY 1, 2020]: Sec. 12. (a) Any civil taxing unit that determines that
it cannot carry out its governmental functions for an ensuing calendar
year under the levy limitations imposed by section 3 or 25 of this
chapter, as applicable, may:
(1) before October 20 of the calendar year immediately preceding
the ensuing calendar year; or
(2) in the case of a request described in section 16 of this chapter,
before December 31 of the calendar year immediately preceding
the ensuing calendar year;
appeal to the department of local government finance for relief from those levy limitations. In the appeal the civil taxing unit must state that it will be unable to carry out the governmental functions committed to it by law unless it is given the authority that it is petitioning for. The civil taxing unit must support these allegations by reasonably detailed statements of fact.

(b) The department of local government finance shall immediately proceed to the examination and consideration of the merits of the civil taxing unit's appeal.

(c) In considering an appeal, the department of local government finance has the power to conduct hearings, require any officer or member of the appealing civil taxing unit to appear before it, or require any officer or member of the appealing civil taxing unit to provide the department with any relevant records or books.

(d) If an officer or member:

(1) fails to appear at a hearing after having been given written notice requiring that person's attendance; or

(2) fails to produce the books and records that the department by written notice required the officer or member to produce;

then the department may file an affidavit in the circuit court, superior court, or probate court in the jurisdiction in which the officer or member may be found setting forth the facts of the failure.

(e) Upon the filing of an affidavit under subsection (d), the court shall promptly issue a summons, and the sheriff of the county within which the court is sitting shall serve the summons. The summons must command the officer or member to appear before the department to provide information to the department or to produce books and records for the department's use, as the case may be. Disobedience of the summons constitutes, and is punishable as, a contempt of the court that issued the summons.

(f) All expenses incident to the filing of an affidavit under subsection (d) and the issuance and service of a summons shall be charged to the officer or member against whom the summons is issued, unless the court finds that the officer or member was acting in good faith and with reasonable cause. If the court finds that the officer or member was acting in good faith and with reasonable cause or if an affidavit is filed and no summons is issued, the expenses shall be charged against the county in which the affidavit was filed and shall be allowed by the proper fiscal officers of that county.

(g) The fiscal officer of a civil taxing unit that appeals under section 16 of this chapter for relief from levy limitations shall immediately file a copy of the appeal petition with the county auditor and the county
treasurer of the county in which the unit is located.

SECTION 31. IC 6-1.1-18.5-13, AS AMENDED BY P.L.86-2018, SECTION 51, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 13. (a) With respect to an appeal filed under section 12 of this chapter, the department may find that a civil taxing unit should receive any one (1) or more of the following types of relief:

(1) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 or 25 of this chapter, as applicable, if in the judgment of the department the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas. With respect to annexation, consolidation, or other extensions of governmental services in a calendar year, if those increased costs are incurred by the civil taxing unit in that calendar year and more than one (1) immediately succeeding calendar year, the unit may appeal under section 12 of this chapter for permission to increase its levy under this subdivision based on those increased costs in any of the following:

(A) The first calendar year in which those costs are incurred.

(B) One (1) or more of the immediately succeeding four (4) calendar years.

(2) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 or 25 of this chapter, as applicable, if the department finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and two-hundredths (1.02):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the civil taxing unit's total assessed value of all taxable property and:

(i) for a particular calendar year before 2007, the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 (repealed) or IC 6-1.1-12-42 in the particular calendar year; or

(ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-42 in 2006 plus for a particular calendar year after 2009, the total assessed value of property
tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008;
divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the total assessed value of all taxable property in all counties and:

(i) for a particular calendar year before 2007, the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 (repealed) or IC 6-1.1-12-42 in the particular calendar year; or
(ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in all counties under IC 6-1.1-12-42 in 2006 plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008;
divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 or 25 of this chapter, as applicable, based on the assessed value maximum levy growth quotient determined under section 2 of this chapter.

(3) A levy increase may be granted under this subdivision only for property taxes first due and payable after December 31, 2008.

Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 or 25 of this chapter, as applicable, if the civil taxing unit cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 or 25 of this chapter, as applicable, due to a natural disaster, an accident, or another
unanticipated emergency.

(b) The department of local government finance shall increase the maximum permissible ad valorem property tax levy under section 3 of this chapter for the city of Goshen for 2012 and thereafter by an amount equal to the greater of zero (0) or the result of:

1) the city's total pension costs in 2009 for the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7); minus
2) the sum of:
   A) the total amount of state funds received in 2009 by the city and used to pay benefits to members of the 1925 police pension fund (IC 36-8-6) or the 1937 firefighters' pension fund (IC 36-8-7); plus
   B) any previous permanent increases to the city's levy that were authorized to account for the transfer to the state of the responsibility to pay benefits to members of the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7).

SECTION 32. IC 6-1.1-18.5-14, AS AMENDED BY P.L.182-2009(ss), SECTION 134, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 14. (a) The department of local government finance may order a correction of any advertising error, mathematical error, or error in data made at the local level for any calendar year if the department finds that the error affects the determination of the limitations established by section 3 or 25 of this chapter, as applicable, or the tax rate or levy of a civil taxing unit. The department of local government finance may on its own initiative correct such an advertising error, mathematical error, or error in data for any civil taxing unit.

(b) A correction made under subsection (a) for a prior calendar year shall be applied to the civil taxing unit's levy limitations, rate, and levy for the ensuing calendar year to offset any cumulative effect that the error caused in the determination of the civil taxing unit's levy limitations, rate, or levy for the ensuing calendar year.

SECTION 33. IC 6-1.1-18.5-16, AS AMENDED BY P.L.257-2019, SECTION 53, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 16. (a) A civil taxing unit may request permission from the department to impose an ad valorem property tax levy that exceeds the limits imposed by section 3 of this chapter if:

1) the civil taxing unit experienced a property tax revenue shortfall that resulted from erroneous assessed valuation figures being provided to the civil taxing unit;
(2) the erroneous assessed valuation figures were used by the civil
taxing unit in determining its total property tax rate; and
(3) the error in the assessed valuation figures was found after the
civil taxing unit's property tax levy resulting from that total rate
was finally approved by the department of local government
finance.

However, a civil taxing unit may not make a request described in this
subsection on account of a revenue shortfall experienced in excess of
five (5) years from the date of the most recent certified budget, tax rate,
and levy of the civil taxing unit under IC 6-1.1-17-16.

(b) A civil taxing unit may request permission from the department
to impose an ad valorem property tax levy that exceeds the limits
imposed by section 3 or 25 of this chapter, as applicable, if the civil
taxing unit experienced a property tax revenue shortfall because of the
payment of refunds that resulted from appeals under this article and
IC 6-1.5. However, a civil taxing unit may not make a request
described in this subsection on account of a revenue shortfall
experienced in excess of five (5) years from the date of the most recent
certified budget, tax rate, and levy of the civil taxing unit under
IC 6-1.1-17-16.

(c) If the department determines that a shortfall described in
subsection (a) or (b) has occurred, the department of local government
finance may find that the civil taxing unit should be allowed to impose
a property tax levy exceeding the limit imposed by section 3 or 25 of
this chapter, as applicable. However, the maximum amount by which
the civil taxing unit's levy may be increased over the limits imposed by
section 3 or 25 of this chapter, as applicable, equals the remainder of
the civil taxing unit's property tax levy for the particular calendar year
as finally approved by the department of local government finance
minus the actual property tax levy collected by the civil taxing unit for
that particular calendar year.

(d) Any property taxes collected by a civil taxing unit over the limits
imposed by section 3 or 25 of this chapter, as applicable, under the
authority of this section may not be treated as a part of the civil taxing
unit's maximum permissible ad valorem property tax levy for purposes
of determining its maximum permissible ad valorem property tax levy
for future years.

(e) If the department of local government finance authorizes an
excess tax levy under this section, it shall take appropriate steps to
insure that the proceeds are first used to repay any loan made to the
civil taxing unit for the purpose of meeting its current expenses.

SECTION 34. IC 6-1.1-18.5-25, AS ADDED BY P.L.180-2016,
SECTION 11, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 25. (a) The ad valorem property tax levy limits imposed under section 3 of this chapter do not apply to a municipality in a year if all the following apply:

(1) The percentage growth in the municipality's assessed value for the preceding year compared to the year before the preceding year is at least two (2) times the assessed value maximum levy growth quotient determined under section 2 of this chapter for the preceding year.

(2) The municipality's population increased by at least one hundred fifty percent (150%) between the last two (2) decennial censuses.

(b) A municipality that meets all the requirements under subsection (a) may increase its ad valorem property tax levy in excess of the limits imposed under section 3 of this chapter by a percentage equal to the lesser of:

(1) the percentage growth in the municipality's assessed value for the preceding year compared to the year before the preceding year; or

(2) six percent (6%).

(c) A municipality's assessed value maximum levy growth that results from either annexation or the pass through of assessed value from a tax increment financing district may not be included for the purposes of determining a municipality's assessed value maximum levy growth under this section.

(d) This section applies to property tax levies imposed after December 31, 2016.

SECTION 35. IC 6-1.1-20-1.1, AS AMENDED BY P.L.246-2017, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 1.1. As used in this chapter, "controlled project" means any project financed by bonds or a lease, except for the following:

(1) A project for which the political subdivision reasonably expects to pay:

   (A) debt service; or

   (B) lease rentals;

   from funds other than property taxes that are exempt from the levy limitations of IC 6-1.1-18.5 or (before January 1, 2009) IC 20-45-3. A project is not a controlled project even though the political subdivision has pledged to levy property taxes to pay the debt service or lease rentals if those other funds are insufficient.

(2) A project that will not cost the political subdivision more than
the lesser of the following:

(A) An amount equal to the following:

(i) In the case of an ordinance or resolution adopted before January 1, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, two million dollars ($2,000,000).

(ii) In the case of an ordinance or resolution adopted after December 31, 2017, and before January 1, 2019, making a preliminary determination to issue bonds or enter into a lease for the project, five million dollars ($5,000,000).

(iii) In the case of an ordinance or resolution adopted in a calendar year after December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, an amount (as determined by the department of local government finance) equal to the result of the assessed value maximum levy growth quotient determined under IC 6-1.1-18.5-2 for the year multiplied by the amount determined under this clause for the preceding calendar year.

The department of local government finance shall publish the threshold determined under item (iii) in the Indiana Register under IC 4-22-7-7 not more than sixty (60) days after the date the budget agency releases the maximum levy growth quotient for the ensuing year under IC 6-1.1-18.5-2.

(B) An amount equal to the following:

(i) One percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date, if that total gross assessed value is more than one hundred million dollars ($100,000,000).

(ii) One million dollars ($1,000,000), if the total gross assessed value of property within the political subdivision on the last assessment date is not more than one hundred million dollars ($100,000,000).

(3) A project that is being refinanced for the purpose of providing gross or net present value savings to taxpayers.

(4) A project for which bonds were issued or leases were entered into before January 1, 1996, or where the state board of tax commissioners has approved the issuance of bonds or the execution of leases before January 1, 1996.

(5) A project that is required by a court order holding that a federal law mandates the project.

(6) A project that is in response to:
(A) a natural disaster;
(B) an accident; or
(C) an emergency;
in the political subdivision that makes a building or facility unavailable for its intended use.

(7) A project that was not a controlled project under this section as in effect on June 30, 2008, and for which:
(A) the bonds or lease for the project were issued or entered into before July 1, 2008; or
(B) the issuance of the bonds or the execution of the lease for the project was approved by the department of local government finance before July 1, 2008.

(8) A project of the Little Calumet River basin development commission for which bonds are payable from special assessments collected under IC 14-13-2-18.6.

SECTION 36. IC 6-1.1-20-3.1, AS AMENDED BY P.L.246-2017, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 3.1. (a) Subject to section 3.5(a)(1)(C) of this chapter, this section applies only to the following:
(1) A controlled project (as defined in section 1.1 of this chapter as in effect June 30, 2008) for which the proper officers of a political subdivision make a preliminary determination in the manner described in subsection (b) before July 1, 2008.
(2) An elementary school building, middle school building, high school building, or other school building for academic instruction that:
(A) is a controlled project;
(B) will be used for any combination of kindergarten through grade 12; and
(C) will not cost more than the lesser of the following:
   (i) The threshold amount determined under this item. In the case of an ordinance or resolution adopted before January 1, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is ten million dollars ($10,000,000). In the case of an ordinance or resolution adopted after December 31, 2017, and before January 1, 2019, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is fifteen million dollars ($15,000,000). In the case of an ordinance or resolution adopted in a calendar year after December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is twenty million dollars ($20,000,000).
amount is an amount (as determined by the department of local government finance) equal to the result of the assessed value maximum levy growth quotient determined under IC 6-1.1-18.5-2 for the year multiplied by the threshold amount determined under this item for the preceding calendar year. In the case of a threshold amount determined under this item that applies for a calendar year after December 31, 2018, the department of local government finance shall publish the threshold in the Indiana Register under IC 4-22-7-7 not more than sixty (60) days after the date the budget agency releases the assessed value maximum levy growth quotient for the ensuing year under IC 6-1.1-18.5-2.

(ii) An amount equal to one percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date, if that total gross assessed value is more than one billion dollars ($1,000,000,000), or ten million dollars ($10,000,000), if the total gross assessed value of property within the political subdivision on the last assessment date is not more than one billion dollars ($1,000,000,000).

(3) Any other controlled project that:
   (A) is not a controlled project described in subdivision (1) or (2); and
   (B) will not cost the political subdivision more than the lesser of the following:
       (i) The threshold amount determined under this item. In the case of an ordinance or resolution adopted before January 1, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is twelve million dollars ($12,000,000). In the case of an ordinance or resolution adopted after December 31, 2017, and before January 1, 2019, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is fifteen million dollars ($15,000,000). In the case of an ordinance or resolution adopted in a calendar year after December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is an amount (as determined by the department of local government finance) equal to the result of the assessed value maximum levy growth quotient determined under IC 6-1.1-18.5-2 for the
year multiplied by the threshold amount determined under this item for the preceding calendar year. In the case of a threshold amount determined under this item that applies for a calendar year after December 31, 2018, the department of local government finance shall publish the threshold in the Indiana Register under IC 4-22-7-7 not more than sixty (60) days after the date the budget agency releases the assessed value maximum levy growth quotient for the ensuing year under IC 6-1.1-18.5-2.

(ii) An amount equal to one percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date, if that total gross assessed value is more than one hundred million dollars ($100,000,000), or one million dollars ($1,000,000), if the total gross assessed value of property within the political subdivision on the last assessment date is not more than one hundred million dollars ($100,000,000).

(b) A political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:

(1) The proper officers of a political subdivision shall publish notice in accordance with IC 5-3-1 and send notice by first class mail to the circuit court clerk and to any organization that delivers to the officers, before January 1 of that year, an annual written request for such notices of any meeting to consider adoption of a resolution or an ordinance making a preliminary determination to issue bonds or enter into a lease and shall conduct at least two (2) public hearings on a preliminary determination before adoption of the resolution or ordinance. The political subdivision must at each of the public hearings on the preliminary determination allow the public to testify regarding the preliminary determination and must make the following information available to the public at each of the public hearings on the preliminary determination, in addition to any other information required by law:

(A) The result of the political subdivision's current and projected annual debt service payments divided by the net assessed value of taxable property within the political subdivision.

(B) The result of:

(i) the sum of the political subdivision's outstanding long term debt plus the outstanding long term debt of other taxing units that include any of the territory of the political
subdivision; divided by
(ii) the net assessed value of taxable property within the
political subdivision.
(C) The information specified in subdivision (3)(A) through
(3)(H).
(2) When the proper officers of a political subdivision make a
preliminary determination to issue bonds or enter into a lease for
a controlled project, the officers shall give notice of the
preliminary determination by:
(A) publication in accordance with IC 5-3-1; and
(B) first class mail to the circuit court clerk and to the
organizations described in subdivision (1).
(3) A notice under subdivision (2) of the preliminary
determination of the political subdivision to issue bonds or enter
into a lease for a controlled project must include the following
information:
(A) The maximum term of the bonds or lease.
(B) The maximum principal amount of the bonds or the
maximum lease rental for the lease.
(C) The estimated interest rates that will be paid and the total
interest costs associated with the bonds or lease.
(D) The purpose of the bonds or lease.
(E) A statement that any owners of property within the
political subdivision or registered voters residing within the
political subdivision who want to initiate a petition and
remonstrance process against the proposed debt service or
lease payments must file a petition that complies with
subdivisions (4) and (5) not later than thirty (30) days after
publication in accordance with IC 5-3-1.
(F) With respect to bonds issued or a lease entered into to
open:
(i) a new school facility; or
(ii) an existing facility that has not been used for at least
three (3) years and that is being reopened to provide
additional classroom space;
the estimated costs the school corporation expects to incur
annually to operate the facility.
(G) A statement of whether the school corporation expects to
appeal for a new facility adjustment (as defined in
IC 20-45-1-16 (repealed before January 1, 2009) for an
increased maximum permissible tuition support levy to pay the
estimated costs described in clause (F).
(H) The following information:
   (i) The political subdivision's current debt service levy and rate.
   (ii) The estimated increase to the political subdivision's debt service levy and rate that will result if the political subdivision issues the bonds or enters into the lease.
   (iii) The estimated amount of the political subdivision's debt service levy and rate that will result during the following ten years if the political subdivision issues the bonds or enters into the lease, after also considering any changes that will occur to the debt service levy and rate during that period on account of any outstanding bonds or lease obligations that will mature or terminate during that period.
   (I) The information specified in subdivision (1)(A) through (1)(B).

(4) After notice is given, a petition requesting the application of a petition and remonstrance process may be filed by the lesser of:
   (A) five hundred (500) persons who are either owners of property within the political subdivision or registered voters residing within the political subdivision; or
   (B) five percent (5%) of the registered voters residing within the political subdivision.

(5) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition forms to be used solely in the petition process described in this section. The county voter registration office shall issue to an owner or owners of property within the political subdivision or a registered voter residing within the political subdivision the number of petition forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:
   (A) the carrier and signers must be owners of property or registered voters;
   (B) the carrier must be a signatory on at least one (1) petition;
   (C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature; and
   (D) govern the closing date for the petition period.

Persons requesting forms may be required to identify themselves as owners of property or registered voters and may be allowed to
pick up additional copies to distribute to other owners of property
or registered voters. Each person signing a petition must indicate
whether the person is signing the petition as a registered voter
within the political subdivision or is signing the petition as the
owner of property within the political subdivision. A person who
signs a petition as a registered voter must indicate the address at
which the person is registered to vote. A person who signs a
petition as an owner of property must indicate the address of the
property owned by the person in the political subdivision.

(6) Each petition must be verified under oath by at least one (1)
qualified petitioner in a manner prescribed by the state board of
accounts before the petition is filed with the county voter
registration office under subdivision (7).

(7) Each petition must be filed with the county voter registration
office not more than thirty (30) days after publication under
subdivision (2) of the notice of the preliminary determination.

(8) The county voter registration office shall determine whether
each person who signed the petition is a registered voter.
However, after the county voter registration office has determined
that at least five hundred twenty-five (525) persons who signed
the petition are registered voters within the political subdivision,
the county voter registration office is not required to verify
whether the remaining persons who signed the petition are
registered voters. If the county voter registration office does not
determine that at least five hundred twenty-five (525) persons
who signed the petition are registered voters, the county voter
registration office shall, not more than fifteen (15) business days
after receiving a petition, forward a copy of the petition to the
county auditor. Not more than ten (10) business days after
receiving the copy of the petition, the county auditor shall provide
to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered
voter but is not a registered voter, as determined by the county
voter registration office, is the owner of property in the
political subdivision; and

(B) whether a person who signed the petition as an owner of
property within the political subdivision does in fact own
property within the political subdivision.

(9) The county voter registration office, not more than ten (10)
business days after determining that at least five hundred
twenty-five (525) persons who signed the petition are registered
voters or receiving the statement from the county auditor under
subdivision (8), as applicable, shall make the final determination of the number of petitioners that are registered voters in the political subdivision and, based on the statement provided by the county auditor, the number of petitioners that own property within the political subdivision. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular petition and remonstrance process under this chapter, regardless of whether the person owns more than one (1) parcel of real property, mobile home assessed as personal property, or manufactured home assessed as personal property, or a combination of those types of property within the subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within forty-five (45) days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting a petition and remonstrance process. The certificate
must state the number of petitioners that are owners of property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

If a sufficient petition requesting a petition and remonstrance process is not filed by owners of property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

(c) A political subdivision may not divide a controlled project in order to avoid the requirements of this section and section 3.2 of this chapter. A person that owns property within a political subdivision or a person that is a registered voter residing within a political subdivision may file a petition with the department of local government finance objecting that the political subdivision has divided a controlled project in order to avoid the requirements of this section and section 3.2 of this chapter. The petition must be filed not more than ten (10) days after the political subdivision gives notice of the political subdivision's decision to issue bonds or enter into leases for a capital project that the person believes is the result of a division of a controlled project that is prohibited by this subsection. If the department of local government finance receives a petition under this subsection, the department shall not later than thirty (30) days after receiving the petition make a final determination on the issue of whether the political subdivision divided a controlled project in order to avoid the requirements of this section and section 3.2 of this chapter. If the department of local government finance determines that a political subdivision divided a controlled project in order to avoid the requirements of this section and section 3.2 of this chapter and the political subdivision continues to desire to proceed with the project, the political subdivision shall fulfill the requirements of this section and section 3.2 of this chapter, if applicable, regardless of the cost of the project in dispute. A political subdivision shall be considered to have divided a capital project in order to avoid the requirements of this section and section 3.2 of this chapter if the result of one (1) or more of the subprojects cannot reasonably be considered an independently desirable end in itself without reference to another capital project. This subsection does not prohibit a political subdivision from undertaking a series of capital projects in which the result of each capital project can reasonably be considered an independently desirable end in itself without reference to another capital project.

SECTION 37. IC 6-1.1-20-3.5, AS AMENDED BY P.L.272-2019, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
Sec. 3.5. (a) This section applies only to a controlled project that meets the following conditions:

(i) The controlled project is described in one (1) of the following categories:

(A) An elementary school building, middle school building, high school building, or other school building for academic instruction that will be used for any combination of kindergarten through grade 12 and will cost more than the lesser of the following:

(i) The threshold amount determined under this item. In the case of an ordinance or resolution adopted before January 1, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is ten million dollars ($10,000,000). In the case of an ordinance or resolution adopted after December 31, 2017, and before January 1, 2019, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is fifteen million dollars ($15,000,000). In the case of an ordinance or resolution adopted in a calendar year after December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is an amount (as determined by the department of local government finance) equal to the result of the assessed value maximum levy growth quotient determined under IC 6-1.1-18.5-2 for the year multiplied by the threshold amount determined under this item for the preceding calendar year. In the case of a threshold amount determined under this item that applies for a calendar year after December 31, 2018, the department of local government finance shall publish the threshold in the Indiana Register under IC 4-22-7-7 not more than sixty (60) days after the date the budget agency releases the assessed value maximum levy growth quotient for the ensuing year under IC 6-1.1-18.5-2.

(ii) An amount equal to one percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date, if that total gross assessed value is more than one billion dollars ($1,000,000,000), or ten million dollars ($10,000,000), if the total gross assessed value of property within the political subdivision on the last assessment date is not more than one billion dollars ($1,000,000,000).
(B) Any other controlled project that is not a controlled project
described in clause (A) and will cost the political subdivision
more than the lesser of the following:
  (i) The threshold amount determined under this item. In the
case of an ordinance or resolution adopted before January 1,
2018, making a preliminary determination to issue bonds or
enter into a lease for the project, the threshold amount is
twelve million dollars ($12,000,000). In the case of an
ordinance or resolution adopted after December 31, 2017,
and before January 1, 2019, making a preliminary
determination to issue bonds or enter into a lease for the
project, the threshold amount is fifteen million dollars
($15,000,000). In the case of an ordinance or resolution
adopted in a calendar year after December 31, 2018, making
a preliminary determination to issue bonds or enter into a
lease for the project, the threshold amount is an amount (as
determined by the department of local government finance)
equal to the result of the assessed value maximum levy
growth quotient determined under IC 6-1.1-18.5-2 for the
year multiplied by the threshold amount determined under
this item for the preceding calendar year. In the case of a
threshold amount determined under this item that applies for
a calendar year after December 31, 2018, the department of
local government finance shall publish the threshold in the
Indiana Register under IC 4-22-7-7 not more than sixty (60)
days after the date the budget agency releases the assessed
value maximum levy growth quotient for the ensuing year
under IC 6-1.1-18.5-2.
  (ii) An amount equal to one percent (1%) of the total gross
assessed value of property within the political subdivision
on the last assessment date, if that total gross assessed value
is more than one hundred million dollars ($100,000,000), or
one million dollars ($1,000,000), if the total gross assessed
value of property within the political subdivision on the last
assessment date is not more than one hundred million
dollars ($100,000,000).
(C) Any other controlled project for which a political
subdivision adopts an ordinance or resolution making a
preliminary determination to issue bonds or enter into a lease
for the project, if the sum of:
  (i) the cost of that controlled project; plus
  (ii) the costs of all other controlled projects for which the
political subdivision has previously adopted within the preceding three hundred sixty-five (365) days an ordinance or resolution making a preliminary determination to issue bonds or enter into a lease for those other controlled projects;

exceeds twenty-five million dollars ($25,000,000).

(2) The proper officers of the political subdivision make a preliminary determination after June 30, 2008, in the manner described in subsection (b) to issue bonds or enter into a lease for the controlled project.

(b) Subject to subsection (d), a political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:

(1) The proper officers of a political subdivision shall publish notice in accordance with IC 5-3-1 and send notice by first class mail to the circuit court clerk and to any organization that delivers to the officers, before January 1 of that year, an annual written request for notices of any meeting to consider the adoption of an ordinance or a resolution making a preliminary determination to issue bonds or enter into a lease and shall conduct at least two (2) public hearings on the preliminary determination before adoption of the ordinance or resolution. The political subdivision must at each of the public hearings on the preliminary determination allow the public to testify regarding the preliminary determination and must make the following information available to the public at each of the public hearings on the preliminary determination, in addition to any other information required by law:

(A) The result of the political subdivision's current and projected annual debt service payments divided by the net assessed value of taxable property within the political subdivision.

(B) The result of:

(i) the sum of the political subdivision's outstanding long term debt plus the outstanding long term debt of other taxing units that include any of the territory of the political subdivision; divided by

(ii) the net assessed value of taxable property within the political subdivision.

(C) The information specified in subdivision (3)(A) through (3)(G).

(2) If the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the
officers shall give notice of the preliminary determination by:

(A) publication in accordance with IC 5-3-1; and

(B) first class mail to the circuit court clerk and to the
organizations described in subdivision (1).

(3) A notice under subdivision (2) of the preliminary
determination of the political subdivision to issue bonds or enter
into a lease must include the following information:

(A) The maximum term of the bonds or lease.

(B) The maximum principal amount of the bonds or the
maximum lease rental for the lease.

(C) The estimated interest rates that will be paid and the total
interest costs associated with the bonds or lease.

(D) The purpose of the bonds or lease.

(E) A statement that the proposed debt service or lease
payments must be approved in an election on a local public
question held under section 3.6 of this chapter.

(F) With respect to bonds issued or a lease entered into to
open:

(i) a new school facility; or

(ii) an existing facility that has not been used for at least
three (3) years and that is being reopened to provide
additional classroom space;

the estimated costs the school corporation expects to annually
incur to operate the facility.

(G) The following information:

(i) The political subdivision's current debt service levy and
rate.

(ii) The estimated increase to the political subdivision's debt
service levy and rate that will result if the political
subdivision issues the bonds or enters into the lease.

(iii) The estimated amount of the political subdivision's debt
service levy and rate that will result during the following ten
years if the political subdivision issues the bonds or
enters into the lease, after also considering any changes that
will occur to the debt service levy and rate during that
period on account of any outstanding bonds or lease
obligations that will mature or terminate during that period.

(H) The information specified in subdivision (1)(A) through
(1)(B).

(4) After notice is given, a petition requesting the application of
the local public question process under section 3.6 of this chapter
may be filed by the lesser of:
(A) five hundred (500) persons who are either owners of
property within the political subdivision or registered voters
residing within the political subdivision; or
(B) five percent (5%) of the registered voters residing within
the political subdivision.

(5) The state board of accounts shall design and, upon request by
the county voter registration office, deliver to the county voter
registration office or the county voter registration office's
designated printer the petition forms to be used solely in the
petition process described in this section. The county voter
registration office shall issue to an owner or owners of property
within the political subdivision or a registered voter residing
within the political subdivision the number of petition forms
requested by the owner or owners or the registered voter. Each
form must be accompanied by instructions detailing the
requirements that:

(A) the carrier and signers must be owners of property or
registered voters;
(B) the carrier must be a signatory on at least one (1) petition;
(C) after the signatures have been collected, the carrier must
swear or affirm before a notary public that the carrier
witnessed each signature; and
(D) govern the closing date for the petition period.

Persons requesting forms may be required to identify themselves
as owners of property or registered voters and may be allowed to
pick up additional copies to distribute to other owners of property
or registered voters. Each person signing a petition must indicate
whether the person is signing the petition as a registered voter
within the political subdivision or is signing the petition as the
owner of property within the political subdivision. A person who
signs a petition as a registered voter must indicate the address at
which the person is registered to vote. A person who signs a
petition as an owner of property must indicate the address of the
property owned by the person in the political subdivision.

(6) Each petition must be verified under oath by at least one (1)
qualified petitioner in a manner prescribed by the state board of
accounts before the petition is filed with the county voter
registration office under subdivision (7).

(7) Each petition must be filed with the county voter registration
office not more than thirty (30) days after publication under
subdivision (2) of the notice of the preliminary determination.

(8) The county voter registration office shall determine whether
each person who signed the petition is a registered voter. However, after the county voter registration office has determined that at least five hundred twenty-five (525) persons who signed the petition are registered voters within the political subdivision, the county voter registration office is not required to verify whether the remaining persons who signed the petition are registered voters. If the county voter registration office does not determine that at least five hundred twenty-five (525) persons who signed the petition are registered voters, the county voter registration office, not more than fifteen (15) business days after receiving a petition, shall forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of property in the political subdivision; and

(B) whether a person who signed the petition as an owner of property within the political subdivision does in fact own property within the political subdivision.

(9) The county voter registration office, not more than ten (10) business days after determining that at least five hundred twenty-five (525) persons who signed the petition are registered voters or after receiving the statement from the county auditor under subdivision (8), as applicable, shall make the final determination of whether a sufficient number of persons have signed the petition. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular referendum process under this...
chapter, regardless of whether the person owns more than one (1) parcel of real property, mobile home assessed as personal property, or manufactured home assessed as personal property or a combination of those types of property within the political subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within forty-five (45) days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting the referendum process. The certificate must state the number of petitioners who are owners of property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

(11) If a sufficient petition requesting the local public question process is not filed by owners of property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

(c) If the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the officers shall provide to the county auditor:

(1) a copy of the notice required by subsection (b)(2); and

(2) any other information the county auditor requires to fulfill the county auditor's duties under section 3.6 of this chapter.

(d) In addition to the procedures in subsection (b), if any capital improvement components addressed in the most recent:

(1) threat assessment of the buildings within the school corporation; or

(2) school safety plan (as described in IC 20-26-18.2-2(b));
concerning a particular school have not been completed or require additional funding to be completed, before the school corporation may impose property taxes to pay debt service on bonds or lease rentals for a lease for a controlled project, and in addition to any other components of the controlled project, the controlled project must include any capital improvements necessary to complete those components described in subdivisions (1) and (2) that have not been completed or that require additional funding to be completed.

evidence relevant to the true tax value of the taxpayer's
property as of the assessment date that is the basis for the taxes
payable on that property.

The department of local government finance shall provide the
explanation required by this subdivision to each county treasurer.

(8) A checklist that shows:

The auditor may elect to accelerate credits or to provide a full or partial refund within the five (5) year period.

conducting the examinations. Both examinations should cover the

Successful performance on the level one examination requires the

examination requires substantial knowledge of the subjects covered in
the examination.

SECTION 45. IC 6-1.1-35.5-5, AS AMENDED BY P.L.219-2007,

(c) A rule adopted under subsection (a) may require a representative in a proceeding before the Indiana board to be an attorney admitted to the Indiana bar if the matter under consideration in the proceeding is:

The Indiana board may not dismiss the petition solely for failure to comply with the rule adopted under subsection (a) without providing the petitioner an opportunity to present evidence, testimony, or representation in compliance with the rule.

(a) This section applies only to a township if the township's township assistance property tax rate (as defined in IC 6-1.1-20.3-6.7(a)) for property taxes first due and payable in 2013 or any year thereafter is more than the result of:

(1) the statewide average township assistance property tax rate (as determined by the department of local government finance) for property taxes first due and payable in the preceding year; multiplied by

(2) twelve (12).

(b) Notwithstanding any other law, beginning with property taxes first due and payable in the year following the year in which this section first applies to the township, as provided in subsection (a), the department of local government finance shall do the following in the case of a township subject to this section:

(1) Remove the township assistance property tax levy from the maximum permissible ad valorem property tax levy for the
towmship's general fund.

(2) Require the township to separate its township assistance property tax levy into the following two (2) property tax levies:
   (A) A township assistance benefits property tax levy.
   (B) A township assistance administration property tax levy.

(3) Calculate a separate maximum permissible ad valorem property tax levy under IC 6-1.1-18.5 for each of the township's property tax levies described in subdivision (2).

(c) The department of local government finance shall, for property taxes first due and payable in the year following the year in which this section first applies to the township, as provided in subsection (a), determine the initial maximum permissible ad valorem property tax levy under IC 6-1.1-18.5 for a township's township assistance administration property tax levy.

(d) The initial maximum permissible ad valorem property tax levy under IC 6-1.1-18.5 for a township's township assistance benefits property tax levy for property taxes first due and payable in the year following the year in which this section first applies to the township, as provided in subsection (a), is equal to the amount determined in the following STEPS:

STEP ONE: Determine the result of:
   (A) the township's township assistance property tax levy for property taxes first due and payable in the year in which this section first applies to the township, as provided in subsection (a); minus
   (B) the result determined by the department of local government finance for the township under subsection (c).

STEP TWO: Multiply the STEP ONE result by the assessed value maximum levy growth quotient under IC 6-1.1-18.5-2 that is applicable to the township for property taxes first due and payable in the year following the year in which this section first applies to the township, as provided in subsection (a).

(e) The maximum permissible ad valorem property tax levy for the township's general fund shall be adjusted as determined in the following STEPS:

STEP ONE: Multiply:
   (A) the township's township assistance property tax levy for property taxes first due and payable in the year in which this section first applies to the township, as provided in subsection (a); by
   (B) the assessed value maximum levy growth quotient under IC 6-1.1-18.5-2 that is applicable to the township for property
taxes first due and payable in the year following the year in
which this section first applies to the township, as provided in
subsection (a).

STEP TWO: Subtract the STEP ONE result from the maximum
permissible ad valorem property tax levy that would otherwise
apply for the township's general fund.

The adjustment under this subsection applies beginning with property
taxes first due and payable in the year following the year in which this
section first applies to the township, as provided in subsection (a).

(f) The property taxes collected from a township's township
administration property tax levy:

(1) shall be deposited into a separate fund;
(2) shall be used only for the administration of township
assistance within the township; and

(2) shall be used only for the purpose of paying township
assistance to eligible recipients; and
(3) shall not be used to pay for the administration of township
assistance within the township.

(h) Except as provided in this section, references in the Indiana
Code to a township assistance property tax levy shall, in the case of a
township subject to this section, be considered a reference to the
township's township assistance benefits property tax levy and the
township's township assistance administration property tax levy.

SECTION 52. IC 12-29-2-2, AS AMENDED BY P.L.257-2019,
SECTION 82, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JULY 1, 2020]: Sec. 2. (a) A county shall provide funding for the
operation of community mental health centers in the amount
determined under subsection (b) or, in the case of Marion County for
calendar year 2019, calendar year 2020, and calendar year 2021, the
amount determined under subsection (c).

(b) Except as provided in subsection (c), the amount of funding
under subsection (a) for a calendar year is equal to the following:

(1) The county's maximum appropriation amount for the operation
of community mental health centers determined under this
chapter in the previous calendar year, if the STEP THREE result
under the following formula is less than or equal to zero (0):

STEP ONE: Determine the amount of the certified levy for funds subject to the civil maximum levy in the immediately preceding calendar year minus the amount of credits granted under IC 6-1.1-20.6 that were allocated to funds subject to the civil maximum levy in the immediately preceding calendar year, as determined by the department of local government finance under IC 6-1.1-20.6-11.

STEP TWO: Determine the amount of the certified levy for funds subject to the civil maximum levy in the year prior to the immediately preceding calendar year minus the amount of credits granted under IC 6-1.1-20.6 that were allocated to funds subject to the civil maximum levy in the year prior to the immediately preceding calendar year, as determined by the department of local government finance under IC 6-1.1-20.6-11.

STEP THREE: Determine the remainder of the STEP ONE amount minus the STEP TWO amount.

(2) If the STEP THREE result under the formula in subdivision (1) is greater than zero (0), then the county's maximum appropriation amount for the operation of community mental health centers determined under this chapter in the previous calendar year, multiplied by the greater of:

(A) one (1); or

(B) the result of STEP SIX of the following formula:

STEP ONE: Determine the assessed value maximum levy growth quotient for the year under IC 6-1.1-18.5 minus one.

STEP TWO: Determine the amount of the certified levy for funds subject to the civil maximum levy in the immediately preceding calendar year minus the amount of credits granted under IC 6-1.1-20.6 that were allocated to funds subject to the civil maximum levy in the immediately preceding calendar year, as determined by the department of local government finance under IC 6-1.1-20.6-11.

STEP THREE: Determine the amount of the certified levy for funds subject to the civil maximum levy in the immediately preceding calendar year.

STEP FOUR: Determine the result of the STEP TWO amount divided by the STEP THREE amount.

STEP FIVE: Determine the product of the STEP ONE amount multiplied by the STEP FOUR result.
STEP SIX: Determine the STEP FIVE amount plus one (1).

The department of local government finance shall verify the maximum appropriation calculation under this subsection as part of the certification of the county's budget under IC 6-1.1-17. For taxes due and payable in 2020, the department of local government finance shall calculate the maximum appropriation under this subsection as if the taxes were due and payable in 2019.

(c) This subsection applies only in calendar year 2019, calendar year 2020, and calendar year 2021. In the case of Marion County, the amount of funding under subsection (a) for a calendar year is determined under this subsection and is equal to the following:

(1) For calendar year 2019, the sum of:
   (A) the actual amount of the appropriations by the county for community mental health centers under this chapter in 2018;
   plus
   (B) the result of thirty-three percent (33%) multiplied by the result of:
       (i) the amount that would have, except for the application of this subsection, applied to the county under subsection (b) for calendar year 2019; minus
       (ii) the actual amount of the appropriations by the county for community mental health centers under this chapter in 2018.

(2) For calendar year 2020, the sum of:
   (A) the actual amount of the appropriations by the county for community mental health centers under this chapter in 2019;
   plus
   (B) the result of sixty-six percent (66%) multiplied by the result of:
       (i) the amount that would have, except for the application of this subsection, applied to the county under subsection (b) for calendar year 2020; minus
       (ii) the actual amount of the appropriations by the county for community mental health centers under this chapter in 2019.

(3) For calendar year 2021, the amount that would have, except for the application of this subsection, applied to the county under subsection (b) for calendar year 2021.

The department of local government finance shall verify the maximum appropriation calculation under this subsection as part of the certification of the county's budget under IC 6-1.1-17. This subsection expires January 1, 2022.

(d) The funding provided by a county under this section shall be used solely for:
(1) the operations of community mental health centers serving the county; or
(2) contributing to the nonfederal share of medical assistance payments to community mental health centers serving the county.

(3) Property taxes collected by the county under the property tax levy authorized under this subsection may be used only for those purposes for which a property tax levy imposed by a solid waste management district under this article may be used.

(1) Subject to the limitations of this subsection, the county has the authority to impose property taxes for purposes of this article.

(2) For property taxes first due and payable in the first year in which the county is no longer a member of the joint district, the department of local government finance shall establish a separate solid waste management maximum permissible ad valorem property tax levy for the county that is equal to:

(A) the joint solid waste management district's maximum permissible property tax levy for the last year in which the county was a member of the joint district; multiplied by

(B) a fraction equal to:

(i) the certified assessed valuation of the county for taxes payable in the last year in which the county was a member of the joint district; divided by

(ii) the certified assessed valuation of the joint solid waste management district for taxes payable in the last year in which the county was a member of the joint district; multiplied by

(C) the assessed value maximum levy growth quotient under IC 6-1.1-18.5-2 that applies to the determination of maximum permissible ad valorem property tax levies for the first year in which the county is no longer a member of the joint district.

(3) For property taxes first due and payable in the first year in which the county is no longer a member of the joint district, the department of local government finance shall reduce the joint solid waste management district's maximum permissible property tax levy that would otherwise apply by the amount determined under subdivision (2) for the withdrawing county.

(4) Property taxes collected by the county under the property tax levy authorized under this subsection may be used only for those purposes for which a property tax levy imposed by a solid waste management district under this article may be used.

SECTION 54. IC 20-29-6-12.5, AS AMENDED BY P.L.272-2019, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 12.5. However, if the parties subsequently receive the certification of estimated general fund (before January 1, 2019) or education fund (after December 31, 2018) revenue available for bargaining before an impasse is declared, the parties shall use the certified general fund (before January 1, 2019) or education fund (after December 31, 2018) revenue from the school funding formula for purposes of collective bargaining.

The resolution shall include:

1. all transfers between the operations fund and the education fund; and
2. a statement regarding whether or not the transfer is for the purpose of funding teacher contracts.

STEP TWO: Determine the product of:

(A) The amount determined in STEP ONE, after eliminating the effects of temporary excessive levy appeals and any other temporary adjustments made to each of these levies for 2018 (regardless of whether the school corporation imposed the entire amount of that maximum permissible levy for the previous year); multiplied by

(B) the assessed value maximum levy growth quotient determined under IC 6-1.1-18.5-2.

The appeal must be filed with the department of local government finance before October 20 of the year before the increase is proposed to take effect. To be granted an increase by the department of local government finance, the school corporation must establish that the increase is necessary because of either or both of the following:

(1) A cost increase of at least ten percent (10%) over the preceding year for at least one (1) of the following:

(A) A fuel expense increase.

(B) A cost increase due to an increase in the number of students enrolled in the school corporation who need transportation or an increase in the mileage traveled by the school corporation's buses compared with the previous year.

(C) A cost increase due to an increase in the number of students enrolled in special education who need transportation or an increase in the mileage traveled by the school corporation's buses due to students enrolled in special education as compared with the previous year.

(D) Increased transportation operating costs due to
compliance with a court ordered desegregation plan.

(5) (E) A cost increase due to the closure of a school building within the school corporation that results in a significant increase in the distances that students must be transported to attend another school building.

(6) (F) A cost increase due to restructuring or redesigning transportation services due to a need for additional, expanded, consolidated, or modified routes.

(7) (G) A labor cost increase due to a labor shortage affecting the school corporation's ability to hire qualified transportation employees.

To obtain the increase, the school corporation must establish that it will be unable to provide transportation services without an increase.

(2) A cost increase associated with the school corporation's bus replacement plan adopted or amended under IC 20-40-18-9 (after December 31, 2018). To obtain the increase, the school corporation must show that the school corporation must incur reasonable and necessary expenses to acquire additional buses under the plan.

In addition, before the department of local government finance may grant a maximum permissible operations fund levy increase, the school corporation must establish that the school corporation will be unable to provide transportation services without an increase: The department of local government finance may grant a levy increase that is less than the increase requested by the school corporation. If the department of local government finance determines that a permanent increase in the maximum permissible levy is necessary, the increase granted under this section shall be added to the school corporation's maximum permissible operations fund levy as provided in section 1 of this chapter.

SECTION 57. IC 20-46-8-4 IS REPEALED [EFFECTIVE JULY 1, 2020]. Sec. 4. The petition must be filed with the department of local government finance before October 20 of the year before the adjustment is proposed to take effect.
