   (i) The last five (5) digits of the individual's driver's license number.
   (ii) The last five (5) digits of the individual's state identification card number.
   (iii) The last five (5) digits of a preparer tax identification number that is obtained by the individual through the Internal Revenue Service of the United States.
   (iv) If the individual does not have a driver's license, a state identification card, or an Internal Revenue Service preparer tax identification number, the last five (5) digits of a control number that is on a document issued to the individual by the United States government.

If a form or statement provided to the county auditor under this section, IC 6-1.1-22-8.1, or IC 6-1.1-22.5-12 includes the telephone number or part or all of the Social Security number of a party or other number described in subdivision (4)(B) of a party, the telephone number and the Social Security number or other number described in subdivision (4)(B) included are confidential. The statement may be filed in person or by mail. If the statement is mailed, the mailing must be postmarked on or before the last day for filing. The statement applies for that first year and any succeeding year for which the deduction is allowed. With respect to real property, the statement must be completed and dated in the calendar year for which the person desires to obtain the deduction and filed with the county auditor on or before January 5 of the immediately succeeding calendar year. With respect to a mobile home that is not assessed as real property, the person must file the statement during the twelve (12) months before March 31 of the year for which the person desires to obtain the deduction.

(f) Except as provided in subsection (n), if a person who is receiving, or seeks to receive, the deduction provided by this section in the person's name:
   (1) changes the use of the individual's property so that part or all of the property no longer qualifies for the deduction under this section; or
   (2) is not eligible for a deduction under this section because the person is already receiving:
      (A) a deduction under this section in the person's name as an individual or a spouse; or
(B) a deduction under the law of another state that is equivalent to the deduction provided by this section; the person must file a certified statement with the auditor of the county, notifying the auditor of the person's ineligibility, not more than sixty (60) days after the date of the change in eligibility. A person who fails to file the statement required by this subsection may, under IC 6-1.1-36-17, be liable for any additional taxes that would have been due on the property if the person had filed the statement as required by this subsection plus a civil penalty equal to ten percent (10%) of the additional taxes due. The civil penalty imposed under this subsection is in addition to any interest and penalties for a delinquent payment that might otherwise be due. One percent (1%) of the total civil penalty collected under this subsection shall be transferred by the county to the department of local government finance for use by the department in establishing and maintaining the homestead property data base under subsection (i) and, to the extent there is money remaining, for any other purposes of the department. This amount becomes part of the property tax liability for purposes of this article.

(g) The department of local government finance may adopt rules or guidelines concerning the application for a deduction under this section.

(h) This subsection does not apply to property in the first year for which a deduction is claimed under this section if the sole reason that a deduction is claimed on other property is that the individual or married couple maintained a principal residence at the other property on the assessment date in the same year in which an application for a deduction is filed under this section or, if the application is for a homestead that is assessed as personal property, on the assessment date in the immediately preceding year and the individual or married couple is moving the individual's or married couple's principal residence to the property that is the subject of the application. Except as provided in subsection (n), the county auditor may not grant an individual or a married couple a deduction under this section if:

(1) the individual or married couple, for the same year, claims the deduction on two (2) or more different applications for the deduction; and

(2) the applications claim the deduction for different property.

(i) The department of local government finance shall provide secure access to county auditors to a homestead property data base that includes access to the homestead owner's name and the numbers required from the homestead owner under subsection (e)(4) for the sole purpose of verifying whether an owner is wrongly claiming a deduction.
under this chapter or a credit under IC 6-1.1-20.4, IC 6-1.1-20.6, or IC 6-3.6-5 (after December 31, 2016). Each county auditor shall submit data on deductions applicable to the current tax year on or before March 15 of each year in a manner prescribed by the department of local government finance.

(j) A county auditor may require an individual to provide evidence proving that the individual's residence is the individual's principal place of residence as claimed in the certified statement filed under subsection (e). The county auditor may limit the evidence that an individual is required to submit to a state income tax return, a valid driver's license, or a valid voter registration card showing that the residence for which the deduction is claimed is the individual's principal place of residence.

The department of local government finance shall work with county auditors to develop procedures to determine whether a property owner that is claiming a standard deduction or homestead credit is not eligible for the standard deduction or homestead credit because the property owner's principal place of residence is outside Indiana.

(k) As used in this section, "homestead" includes property that satisfies each of the following requirements:

(1) The property is located in Indiana and consists of a dwelling and the immediately surrounding real estate, not exceeding one acre on an individual parcel, that immediately surrounds that dwelling.

(2) The property is the principal place of residence of an individual.

(3) The property is owned by an entity that is not described in subsection (a)(2)(B).

(4) The individual residing on the property is a shareholder, partner, or member of the entity that owns the property.

(5) The property was eligible for the standard deduction under this section on March 1, 2009.

(l) If a county auditor terminates a deduction for property described in subsection (k) with respect to property taxes that are:

(1) imposed for an assessment date in 2009; and

(2) first due and payable in 2010;

on the grounds that the property is not owned by an entity described in subsection (a)(2)(B), the county auditor shall reinstate the deduction if the taxpayer provides proof that the property is eligible for the deduction in accordance with subsection (k) and that the individual residing on the property is not claiming the deduction for any other property.

(m) For assessment dates after 2009, the term "homestead" includes:
(1) a deck or patio;
(2) a gazebo; or
(3) another residential yard structure, as defined in rules adopted
by the department of local government finance (other than a
swimming pool);
that is assessed as real property and attached to the dwelling.

(n) A county auditor shall grant an individual a deduction under this
section regardless of whether the individual and the individual's spouse
claim a deduction on two (2) different applications and each
application claims a deduction for different property if the property
owned by the individual's spouse is located outside Indiana and the
individual files an affidavit with the county auditor containing the
following information:
(1) The names of the county and state in which the individual's
spouse claims a deduction substantially similar to the deduction
allowed by this section.
(2) A statement made under penalty of perjury that the following
are true:
   (A) That the individual and the individual's spouse maintain
   separate principal places of residence.
   (B) That neither the individual nor the individual's spouse has
   an ownership interest in the other's principal place of
   residence.
   (C) That neither the individual nor the individual's spouse has,
   for that same year, claimed a standard or substantially similar
deduction for any property other than the property maintained
as a principal place of residence by the respective individuals.

A county auditor may require an individual or an individual's spouse to
provide evidence of the accuracy of the information contained in an
affidavit submitted under this subsection. The evidence required of the
individual or the individual's spouse may include state income tax
returns, excise tax payment information, property tax payment
information, driver license information, and voter registration
information.

(o) If:
   (1) a property owner files a statement under subsection (e) to
   claim the deduction provided by this section for a particular
   property; and
   (2) the county auditor receiving the filed statement determines
   that the property owner's property is not eligible for the deduction;
the county auditor shall inform the property owner of the county
auditor's determination in writing. If a property owner's property is not
eligible for the deduction because the county auditor has determined that the property is not the property owner's principal place of residence, the property owner may appeal the county auditor's determination to the county property tax assessment board of appeals as provided in IC 6-1.1-15. The county auditor shall inform the property owner of the owner's right to appeal to the county property tax assessment board of appeals when the county auditor informs the property owner of the county auditor's determination under this subsection.

(p) An individual is entitled to the deduction under this section for a homestead for a particular assessment date if:

(1) either:
   (A) the individual's interest in the homestead as described in subsection (a)(2)(B) is conveyed to the individual after the assessment date, but within the calendar year in which the assessment date occurs; or
   (B) the individual contracts to purchase the homestead after the assessment date, but within the calendar year in which the assessment date occurs;

(2) on the assessment date:
   (A) the property on which the homestead is currently located was vacant land; or
   (B) the construction of the dwelling that constitutes the homestead was not completed; and

(3) either:
   (A) the individual files the certified statement required by subsection (e); or
   (B) a sales disclosure form that meets the requirements of section 44 of this chapter is submitted to the county assessor on or before December 31 of the calendar year for the individual's purchase of the homestead.

An individual who satisfies the requirements of subdivisions (1) through (3) is entitled to the deduction under this section for the homestead for the assessment date, even if on the assessment date the property on which the homestead is currently located was vacant land or the construction of the dwelling that constitutes the homestead was not completed. The county auditor shall apply the deduction for the assessment date and for the assessment date in any later year in which the homestead remains eligible for the deduction. A homestead that qualifies for the deduction under this section as provided in this subsection is considered a homestead for purposes of section 37.5 of this chapter and IC 6-1.1-20.6.
(q) This subsection applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013. Notwithstanding any other provision of this section, an individual buying a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property under a contract providing that the individual is to pay the property taxes on the mobile home or manufactured home is not entitled to the deduction provided by this section unless the parties to the contract comply with IC 9-17-6-17.

(r) This subsection:

(1) applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013; and

(2) does not apply to an individual described in subsection (q).

The owner of a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property must attach a copy of the owner's title to the mobile home or manufactured home to the application for the deduction provided by this section.

(s) For assessment dates after 2013, the term "homestead" includes property that is owned by an individual who:

(1) is serving on active duty in any branch of the armed forces of the United States;

(2) was ordered to transfer to a location outside Indiana; and

(3) was otherwise eligible, without regard to this subsection, for the deduction under this section for the property for the assessment date immediately preceding the transfer date specified in the order described in subdivision (2).

For property to qualify under this subsection for the deduction provided by this section, the individual described in subdivisions (1) through (3) must submit to the county auditor a copy of the individual's transfer orders or other information sufficient to show that the individual was ordered to transfer to a location outside Indiana. The property continues to qualify for the deduction provided by this section until the individual ceases to be on active duty, the property is sold, or the individual's ownership interest is otherwise terminated, whichever occurs first. Notwithstanding subsection (a)(2), the property remains a homestead regardless of whether the property continues to be the individual's principal place of residence after the individual transfers to a location outside Indiana. The property continues to qualify as a homestead under this subsection if the property is leased while the individual is away from Indiana and is serving on active duty, if the individual has lived at the property at any time during the past ten (10) years.
Otherwise, the property ceases to qualify as a homestead under this subsection if the property is leased while the individual is away from Indiana. Property that qualifies as a homestead under this subsection shall also be construed as a homestead for purposes of section 37.5 of this chapter.

SECTION 21. IC 6-1.1-15-1.1, AS ADDED BY P.L.232-2017, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 1.1. (a) A taxpayer may appeal an assessment of a taxpayer's tangible property by filing a notice in writing with the township assessor, or the county assessor if the township is not served by a township assessor. Except as provided in subsection (e), an appeal under this section may raise any claim of an error related to the following:

1. The assessed value of the property.
2. The assessment was against the wrong person.
3. The approval, denial, or omission of a deduction, credit, exemption, abatement, or tax cap.
4. A clerical, mathematical, or typographical mistake.
5. The description of the real property.
6. The legality or constitutionality of a property tax or assessment.

A written notice under this section must be made on a form designated by the department of local government finance. A taxpayer must file a separate petition for each parcel.

(b) A taxpayer may appeal an error in the assessed value of the property under subsection (a)(1) any time after the official's action, but not later than the following:

1. For assessments before January 1, 2019, the earlier of:
   (A) forty-five (45) days after the date on which the notice of assessment is mailed by the county; or
   (B) forty-five (45) days after the date on which the tax statement is mailed by the county treasurer, regardless of whether the assessing official changes the taxpayer's assessment.

2. For assessments of real property after December 31, 2018, the earlier of:
   (A) June 15 of the assessment year, if the notice of assessment is mailed by the county before May 1 of the assessment year; or
   (B) June 15 of the year in which the tax statement is mailed by the county treasurer, if the notice of assessment is mailed by the county on or after May 1 of the assessment year.
(3) For assessments of personal property, forty-five (45) days after the date on which the county mails the notice under IC 6-1.1-3-20.

A taxpayer may appeal an error in the assessment under subsection (a)(2), (a)(3), (a)(4), (a)(5), or (a)(6) not later than three (3) years after the taxes were first due.

(c) Except as provided in subsection (d), an appeal under this section applies only to the tax year corresponding to the tax statement or other notice of action.

(d) An appeal under this section applies to a prior tax year if a county official took action regarding a prior tax year, and such action is reflected for the first time in the tax statement. A taxpayer who has timely filed a written notice of appeal under this section may be required to file a petition for each tax year, and each petition filed later must be considered timely.

(e) A taxpayer may not appeal under this section any claim of error related to the following:

1. The denial of a deduction, exemption, abatement, or credit if the authority to approve or deny is not vested in the county board, county auditor, county assessor, or township assessor.
2. The calculation of interest and penalties.
3. A matter under subsection (a) if a separate appeal or review process is statutorily prescribed.

However, a claim may be raised under this section regarding the omission or application of a deduction approved by an authority other than the county board, county auditor, county assessor, or township assessor under subdivision (2).

(f) The filing of a written notice under this section constitutes a request by the taxpayer for a preliminary informal meeting with the township assessor, or the county assessor if the township is not served by a township assessor.

(g) A county or township official who receives a written notice under this section shall forward the notice to the county board.

SECTION 22. IC 6-1.1-15-4, AS AMENDED BY P.L.86-2018, SECTION 47, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 4. (a) After receiving a petition for review which is filed under section 3 of this chapter, the Indiana board shall conduct a hearing at its earliest opportunity. The Indiana board may correct any errors that may have been made and adjust the assessment or exemption in accordance with the correction.

(b) If the Indiana board conducts a site inspection of the property as part of its review of the petition, the Indiana board shall give notice to
all parties of the date and time of the site inspection. The Indiana board
is not required to assess the property in question. The Indiana board
shall give notice of the date fixed for the hearing, by mail, to the
taxpayer and to the county assessor. The Indiana board shall give these
notices at least thirty (30) days before the day fixed for the hearing
unless the parties agree to a shorter period. With respect to a petition
for review filed by a county assessor, the county board that made the
determination under review under this section may file an amicus
curiae brief in the review proceeding under this section. The expenses
incurred by the county board in filing the amicus curiae brief shall be
paid from the property reassessment fund under IC 6-1.1-4-27.5 of the
county in which the property is located. The executive of a taxing unit
may file an amicus curiae brief in the review proceeding under this
section if the property whose assessment or exemption is under appeal
is subject to assessment by that taxing unit.

(c) If a petition for review does not comply with the Indiana board's
instructions for completing the form prescribed under section 3 of this
chapter, the Indiana board shall return the petition to the petitioner and
include a notice describing the defect in the petition. The petitioner
then has thirty (30) days from the date on the notice to cure the defect
and file a corrected petition. The Indiana board shall deny a corrected
petition for review if it does not substantially comply with the Indiana
board's instructions for completing the form prescribed under section
3 of this chapter.

(d) After the hearing, the Indiana board shall give the taxpayer, the
county assessor, and any entity that filed an amicus curiae brief:
(1) notice, by mail, of its final determination; and
(2) for parties entitled to appeal the final determination, notice of
the procedures they must follow in order to obtain court review
under section 5 of this chapter.

(e) Except as provided in subsection (f), The Indiana board shall
conduct a hearing not later than nine (9) months one (1) year after a
petition in proper form is filed with the Indiana board, excluding any
time due to a delay reasonably caused by the petitioner.

(f) With respect to an appeal of a real property assessment that takes
effect on the assessment date on which a reassessment of real property
takes effect under IC 6-1.1-4-4.2, the Indiana board shall conduct a
hearing not later than one (1) year after a petition in proper form is
filed with the Indiana board, excluding any time due to a delay
reasonably caused by the petitioner.

(g) (f) Except as provided in subsection (h), The Indiana board shall
make issue a determination not later than the later of:

EH 1427—LS 7097/DI 120
(1) ninety (90) days after the hearing; or
(2) the date set in an extension order issued by the Indiana board.

The board may not extend the date by more than one hundred eighty (180) days.

(h) With respect to an appeal of a real property assessment that takes effect on the assessment date on which a reassessment of real property takes effect under IC 6-1.1-4-4.2, the Indiana board shall make a determination not later than the later of:
(1) one hundred eighty (180) days after the hearing; or
(2) the date set in an extension order issued by the Indiana board.

(g) The time periods described in subsections (e) and (f) do not include any period of time that is attributable to a party's:
(1) request for a continuance, stay, extension, or summary disposition;
(2) consent to a case management order, stipulated record, or proposed hearing date;
(3) failure to comply with the board's orders or rules; or
(4) waiver of a deadline.

(i) (h) The Indiana board may not extend the final determination date under subsection (g) or (h) by more than one hundred eighty (180) days. If the Indiana board fails to make a final determination take action required under subsection (e) or (f), within the time allowed by this section, the entity that initiated the petition may:
(1) take no action and wait for the Indiana board to make hear the matter and issue a final determination; or
(2) petition for judicial review under section 5 of this chapter.

(i) This subsection applies when the board has not held a hearing. A person may not seek judicial review under subsection (h)(2) until the person:
(1) requests a hearing in writing; and
(2) sixty (60) days have passed after the person requests a hearing under subdivision (1) and the matter has not been heard or otherwise extended under subsection (g).

(j) A final determination must include separately stated findings of fact for all aspects of the determination. Findings of ultimate fact must be accompanied by a concise statement of the underlying basic facts of record to support the findings. Findings must be based exclusively upon the evidence on the record in the proceeding and on matters officially noticed in the proceeding. Findings must be based upon a preponderance of the evidence.

(k) The Indiana board may limit the scope of the appeal to the issues raised in the petition and the evaluation of the evidence presented to
the county board in support of those issues only if all parties participating in the hearing required under subsection (a) agree to the limitation. A party participating in the hearing required under subsection (a) is entitled to introduce evidence that is otherwise proper and admissible without regard to whether that evidence has previously been introduced at a hearing before the county board.

(l) The Indiana board may require the parties to the appeal:

(1) to file not more than five (5) business days before the date of the hearing required under subsection (a) documentary evidence or summaries of statements of testimonial evidence; and

(2) to file not more than fifteen (15) business days before the date of the hearing required under subsection (a) lists of witnesses and exhibits to be introduced at the hearing.

(m) A party to a proceeding before the Indiana board shall provide to all other parties to the proceeding the information described in subsection (l) if the other party requests the information in writing at least ten (10) days before the deadline for filing of the information under subsection (l).

(n) The Indiana board may base its final determination on a stipulation between the respondent and the petitioner. If the final determination is based on a stipulated assessed valuation of tangible property, the Indiana board may order the placement of a notation on the permanent assessment record of the tangible property that the assessed valuation was determined by stipulation. The Indiana board may:

(1) order that a final determination under this subsection has no precedential value; or

(2) specify a limited precedential value of a final determination under this subsection.

(o) If a party to a proceeding, or a party's authorized representative, elects to receive any notice under this section by electronic mail, the notice is considered effective in the same manner as if the notice had been sent by United States mail, with postage prepaid, to the party's or representative's mailing address of record.

(p) At a hearing under this section, the Indiana board shall admit into evidence an appraisal report, prepared by an appraiser, unless the appraisal report is ruled inadmissible on grounds besides a hearsay objection. This exception to the hearsay rule shall not be construed to limit the discretion of the Indiana board, as trier of fact, to review the probative value of an appraisal report.

SECTION 23. IC 6-1.1-15-5, AS AMENDED BY P.L.219-2007, SECTION 41, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JULY 1, 2019: Sec. 5. (a) Not later than fifteen (15) days after the Indiana board gives notice of its final determination under section 4 of this chapter to the party or the maximum allowable time for the issuance of a final determination by the Indiana board under section 4 of this chapter expires, a party to the proceeding may request a rehearing before the Indiana board. The Indiana board may conduct a rehearing and affirm or modify its final determination, giving the same notices after the rehearing as are required by section 4 of this chapter. The Indiana board has fifteen (15) days after receiving a petition for a rehearing to determine whether to grant a rehearing. Failure to grant a rehearing not later than fifteen (15) days after receiving the petition shall be treated as a final determination to deny the petition. A petition for a rehearing does not toll the time in which to file a petition for judicial review unless the petition for rehearing is granted. If the Indiana board determines to rehear a final determination, the Indiana board:

1. (1) may conduct the additional hearings that the Indiana board determines necessary or review the written record without additional hearings; and
2. (2) shall issue a final determination not later than ninety (90) days after notifying the parties that the Indiana board will rehear the final determination.

If the Indiana board fails to make a final determination within the time allowed under subdivision (2), the entity that initiated the petition for rehearing may take no action and wait for the Indiana board to make a final determination or petition for judicial review under subsection (g).

(b) A party may petition for judicial review of the final determination of the Indiana board regarding the assessment or exemption of tangible property. In order to obtain judicial review under this section, a party must:

1. (1) file a petition with the Indiana tax court;
2. (2) serve a copy of the petition on:
   (A) the county assessor;
   (B) the attorney general; and
   (C) any entity that filed an amicus curiae brief with the Indiana board; and
3. (3) file a written notice of appeal with the Indiana board informing the Indiana board of the party's intent to obtain judicial review.

Petitions for judicial review may be consolidated at the request of the appellants if it can be done in the interest of justice. The department of local government finance may intervene in an action taken under this
subsection if the interpretation of a rule of the department is at issue in
the action. The county assessor is a party to the review under this
section.

(c) Except as provided in subsection (g), to initiate a proceeding for
judicial review under this section, a party must take the action required
by subsection (b) not later than:

1. forty-five (45) days after the Indiana board gives the person
notice of its final determination, unless a rehearing is conducted
under subsection (a); or

2. forty-five (45) days after the Indiana board gives the person
notice under subsection (a) of its final determination, if a
rehearing is conducted under subsection (a) or the maximum time
elapses for the Indiana board to make a determination under this
section.

(d) The failure of the Indiana board to conduct a hearing within the
period prescribed in section 4(e) or 4(f) of this chapter does not
constitute notice to the party of an Indiana board final determination.

(e) The county assessor may petition for judicial review to the tax
court in the manner prescribed in this section.

(f) The county assessor may not be represented by the attorney
general in a judicial review initiated under subsection (b) by the county
assessor.

(g) If the maximum time elapses for the Indiana board to give notice
of its final determination under subsection (a) or section 4 of this
chapter, a party may initiate a proceeding for judicial review by taking
the action required by subsection (b) at any time after the maximum
time elapses. If:

1. a judicial proceeding is initiated under this subsection; and

2. the Indiana board has not issued a determination;

the tax court shall determine the matter de novo.

SECTION 24. IC 6-1.1-17-3, AS AMENDED BY P.L.184-2016,
SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JULY 1, 2019]: Sec. 3. (a) The proper officers of a political subdivision
shall formulate its estimated budget and its proposed tax rate and tax
levy on the form prescribed by the department of local government
finance and approved by the state board of accounts. In formulating a
political subdivision's estimated budget under this section, the proper
officers of the political subdivision must consider the net property tax
revenue that will be collected by the political subdivision during the
ensuing year, after taking into account the estimate by the department
of local government finance under IC 6-1.1-20.6-11.1 of the amount by
which the political subdivision's distribution of property taxes will be
reduced by credits under IC 6-1.1-20.6-9.5 in the ensuing year, and after taking into account the estimate by the department of local government finance under section 0.7 of this chapter of the maximum amount of net property tax revenue and miscellaneous revenue that the political subdivision will receive in the ensuing year, and after taking into account all payments for debt service obligations that are to be made by the political subdivision during the ensuing year. The political subdivision or appropriate fiscal body, if the political subdivision is subject to section 20 of this chapter, shall submit the following information to the department's computer gateway:

1. The estimated budget.
2. The estimated maximum permissible levy, as provided by the department under IC 6-1.1-18.5-24.
3. The current and proposed tax levies of each fund.
4. The percentage change between the current and proposed tax levies of each fund.
5. The amount by which the political subdivision's distribution of property taxes may be reduced by credits granted under IC 6-1.1-20.6, as estimated by the department of local government finance under IC 6-1.1-20.6-11.
6. The amounts of excessive levy appeals to be requested.
7. The time and place at which the political subdivision or appropriate fiscal body will hold a public hearing on the items described in subdivisions (1) through (5).
8. The time and place at which the political subdivision or appropriate fiscal body will meet to fix the budget, tax rate, and levy under section 5 of this chapter.

The political subdivision or appropriate fiscal body shall submit this information to the department's computer gateway at least ten (10) days before the public hearing required by this subsection in the manner prescribed by the department. The department shall make this information available to taxpayers, at least ten (10) days before the public hearing, through its computer gateway and provide a telephone number through which taxpayers may request mailed copies of a political subdivision's information under this subsection. The department's computer gateway must allow a taxpayer to search for the information under this subsection by the taxpayer's address. The department shall review only the submission to the department's computer gateway for compliance with this section.

(b) The board of directors of a solid waste management district established under IC 13-21 or IC 13-9.5-2 (before its repeal) may conduct the public hearing required under subsection (a):

EH 1427—LS 7097/DI 120
(1) in any county of the solid waste management district; and
(2) in accordance with the annual notice of meetings published
under IC 13-21-5-2.

(c) The trustee of each township in the county shall estimate the
amount necessary to meet the cost of township assistance in the
township for the ensuing calendar year. The township board shall adopt
with the township budget a tax rate sufficient to meet the estimated cost
of township assistance. The taxes collected as a result of the tax rate
adopted under this subsection are credited to the township assistance
fund.

(d) A political subdivision for which any of the information under
subsection (a) is not submitted to the department's computer gateway
in the manner prescribed by the department shall have its most recent
annual appropriations and annual tax levy continued for the ensuing
budget year.

(e) If a political subdivision or appropriate fiscal body timely
submits the information under subsection (a) but subsequently
discovers the information contains an error, the political subdivision or
appropriate fiscal body may submit amended information to the

review.

(b) For a fund of a political subdivision subject to levy limits under
IC 6-1.1-18.5-3, the department of local government finance shall

department of local government finance shall review the fund to ensure
the adopted budget is fundable based on the unit's adopted tax levy and
estimates of available revenues. If the adopted budget is fundable, the
department of local government finance shall use the adopted budget
as the approved appropriation for the fund for the budget year. As
needed, the political subdivision may complete the additional

(d) For a fund of the political subdivision subject to levy limits

2. the building corporation has enough legally available funds on hand to redeem all outstanding bonds payable from the particular lease rental levy requested.

(i) The department of local government finance shall certify its action to:

1. the county auditor;

(B) the deadline for a city in the county to fix the budget, tax rate, and tax levy has been extended, in accordance with section 5.2 of this chapter, due to the executive's veto of the ordinance fixing the budget, tax rate, and tax levy.

(l) Subject to the provisions of all applicable statutes, and notwithstanding IC 6-1.1-18-1, the department of local government finance shall, unless the department finds extenuating circumstances, increase a political subdivision's tax levy to an amount that exceeds the amount originally advertised or adopted by the political subdivision if:

(d) A political subdivision may make an additional appropriation without approval of the department of local government finance if the additional appropriation is made from a fund that is not described under subsection (b). However, the fiscal officer of the political subdivision shall report the additional appropriation to the department of local government finance.

(e) Subject to subsections (j) and (k), after the public hearing, the proper officers of the political subdivision shall file a certified copy of their final proposal and any other relevant information to the department of local government finance.

(f) When the department of local government finance receives a certified copy of a proposal for an additional appropriation under subsection (e), the department shall determine whether sufficient funds are available or will be available for the proposal. The determination shall be made in writing and sent to the political subdivision not more than fifteen (15) days after the department of local government finance receives the proposal.

(g) In making the determination under subsection (f), the department of local government finance shall limit the amount of the additional appropriation to revenues available, or to be made available, which have not been previously appropriated.

(h) If the department of local government finance disapproves an additional appropriation under subsection (f), the department shall specify the reason for its disapproval on the determination sent to the
political subdivision.

(i) A political subdivision may request a reconsideration of a determination of the department of local government finance under this section by filing a written request for reconsideration. A request for reconsideration must:

(1) be filed with the department of local government finance within fifteen (15) days of the receipt of the determination by the political subdivision; and

(2) state with reasonable specificity the reason for the request.

The department of local government finance must act on a request for reconsideration within fifteen (15) days of receiving the request.

(j) This subsection applies to an additional appropriation by a political subdivision that must have the political subdivision's annual appropriations and annual tax levy adopted by a city, town, or county fiscal body under IC 6-1.1-17-20 or IC 36-1-23 or by a legislative or fiscal body under IC 36-3-6-9. The fiscal or legislative body of the city, town, or county that adopted the political subdivision's annual appropriation and annual tax levy must adopt the additional appropriation by ordinance before the department of local government finance may approve the additional appropriation.

(k) This subsection applies to a public library that is not required to submit the public library's budgets, tax rates, and tax levies for binding review and approval under IC 6-1.1-17-20. If a public library subject to this subsection proposes to make an additional appropriation for a year, and the additional appropriation would result in the budget for the library for that year increasing (as compared to the previous year) by a percentage that is greater than the result of the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the calendar year minus one (1), the additional appropriation must first be approved by the city, town, or county fiscal body described in IC 6-1.1-17-20.3(c) or IC 6-1.1-17-20(d), as appropriate.

(c) If a petition is submitted under subsection (b), the department of local government finance shall increase the provider unit's maximum permissible ad valorem property tax levy for purposes of IC 36-8-19 for property taxes due and payable in 2020. (2) the provider unit's ad valorem property tax levy for purposes of IC 36-8-19 as certified by the department of local government finance for property taxes due and payable in 2019.

(d) The adjustment under this section is a temporary, one (1) time increase to the provider unit's maximum permissible ad valorem property tax levy for purposes of IC 36-8-19.

SECTION 44. IC 6-1.1-18.5-16, AS AMENDED BY P.L.182-2009(ss), SECTION 136, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JUly 1, 2019]: Sec. 16. (a) A civil taxing
unit may request permission from the department to impose an ad
valorem property tax levy that exceeds the limits imposed by section 3
of this chapter if:

(1) the civil taxing unit experienced a property tax revenue
shortfall that resulted from erroneous assessed valuation figures
being provided to the civil taxing unit;
(2) the erroneous assessed valuation figures were used by the civil
taxing unit in determining its total property tax rate; and
(3) the error in the assessed valuation figures was found after the
civil taxing unit's property tax levy resulting from that total rate
was finally approved by the department of local government
finance.

However, a civil taxing unit may not make a request described in
this subsection on account of a revenue shortfall experienced in
excess of five (5) years from the date of the most recent certified
budget, tax rate, and levy of the civil taxing unit under
IC 6-1.1-17-16.

(b) A civil taxing unit may request permission from the department
to impose an ad valorem property tax levy that exceeds the limits
imposed by section 3 of this chapter if the civil taxing unit experienced
a property tax revenue shortfall because of the payment of refunds that
resulted from appeals under this article and IC 6-1.5. However, a civil
taxing unit may not make a request described in this subsection on
account of a revenue shortfall experienced in excess of five (5)
years from the date of the most recent certified budget, tax rate,
and levy of the civil taxing unit under IC 6-1.1-17-16.

(c) If the department determines that a shortfall described in
subsection (a) or (b) has occurred, the department of local government
finance may find that the civil taxing unit should be allowed to impose
a property tax levy exceeding the limit imposed by section 3 of this
chapter. However, the maximum amount by which the civil taxing
unit's levy may be increased over the limits imposed by section 3 of this
chapter equals the remainder of the civil taxing unit's property tax levy
for the particular calendar year as finally approved by the department
of local government finance minus the actual property tax levy
collected by the civil taxing unit for that particular calendar year.

(d) Any property taxes collected by a civil taxing unit over the limits
imposed by section 3 of this chapter under the authority of this section
may not be treated as a part of the civil taxing unit's maximum
permissible ad valorem property tax levy for purposes of determining
its maximum permissible ad valorem property tax levy for future years.

(e) If the department of local government finance authorizes an
excess tax levy under this section, it shall take appropriate steps to
insure that the proceeds are first used to repay any loan made to the
civil taxing unit for the purpose of meeting its current expenses.

(2) The sum of the following:

(A) The amount necessary to make the maximum permissible
ad valorem property tax levy for the township's general fund
equal to the maximum permissible ad valorem property tax
levy that would have applied to the township's general fund
under section 3 of this chapter for property taxes first due and
payable after December 31, 2015, 2019, if in each year,
beginning in 2003 and ending in 2015, 2019, the township had
imposed the maximum permissible ad valorem property tax
levy for the township's general fund in each of those years
(regardless of whether the township did impose the entire
amount of the maximum permissible ad valorem property tax
levy for the township's general fund).

(B) The amount necessary to make the maximum permissible
ad valorem property tax levy under section 3 of this chapter for
the township's firefighting fund under IC 36-8-13 equal to the

than the number of months for which the payments are delayed or

(1) may contract only for computer software and with software providers, computer service providers, and equipment providers that are certified by the department under the rules described in subsection (a), and

(2) may enter into a contract referred to in subdivision (1) and any addendum to the contract only if the department is a party to the contract and the addendum.

The department shall prescribe a standard contract or standard contract provisions for purposes of this subsection.

(d) A county that enters into a contract for computer software and with a software provider, computer service provider, or equipment provider shall upload the contract to the Indiana transparency Internet web site in the manner prescribed by the department. The county shall upload the contract not later than three (3) days after execution of the contract. A contract may not take effect until the contract is uploaded to the Indiana transparency Internet web site as provided in this subsection. The department may review any contract uploaded under this subsection to ensure compliance with this section.

SECTION 55. IC 6-1.1-31.5-2.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]:

Sec. 2.5. (a) Except as provided in subsection (b), for purposes of attributing the amount of:

(1) a property tax deduction under IC 6-1.1-12;

(2) an economic revitalization area deduction under IC 6-1.1-12.1;

(3) an investment deduction under IC 6-1.1-12.4; or

(4) a property tax exemption under IC 6-1.1-10;

to the gross assessed value of a property, a deduction or exemption described in subdivisions (1) through (4) that is specific to an improvement shall be applied only to the assessed value allocation pertaining to that improvement.

(b) To the extent that a deduction or exemption amount is not specific to an improvement, the deduction or exemption amount shall be applied to the gross assessed value of the property in the order that will maximize the benefit of the deduction or exemption to the taxpayer.

SECTION 56. IC 6-1.1-36-7, AS AMENDED BY P.L.187-2016, SECTION 12, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JULY 1, 2019: Sec. 7. (a) The department of local government finance may cancel any property taxes, delinquencies, fees, special assessments, and penalties assessed against real property owned by a county, a township, a city, a town, or a body corporate and politic established under IC 8-10-5-2(a), regardless of whether the county, township, city, town, or body corporate and politic established under IC 8-10-5-2(a) owned the property on the assessment date for which the property taxes, delinquencies, fees, special assessments, or penalties are imposed and regardless of when the county, township, city, town, or body corporate and politic established under IC 8-10-5-2(a) acquired the property, if a petition requesting that the department cancel the taxes is submitted by the auditor, assessor, and treasurer of the county in which the real property is located. However, the cancellation of any property taxes, delinquencies, fees, special assessments, or penalties under this subsection does not affect the liability of any person that is personally liable for the property taxes before the date the county, township, city, town, or body corporate and politic established under IC 8-10-5-2(a) acquired the property. For purposes of this subsection, in a county containing a consolidated city, "county executive" refers to the board of commissioners of the county as provided in IC 36-3-3-10.

(b) The department of local government finance may cancel any property taxes, delinquencies, fees, special assessments, and penalties assessed against real property owned by this state, regardless of whether the state owned the property on the assessment date for which the property taxes, delinquencies, fees, special assessments, or penalties are imposed and regardless of when the state acquired the property, if a petition requesting that the department cancel the taxes is submitted by:

(1) the governor; or

(2) the chief administrative officer of the state agency which supervises the real property.

However, if the petition is submitted by the chief administrative officer of a state agency, the governor must approve the petition. In addition, the cancellation of any property taxes, delinquencies, fees, special assessments, or penalties under this subsection does not affect the liability of any person that is personally liable for the property taxes before the date the state acquired the property.

(c) If property taxes are canceled under subsection (a) or (b), any lien on the real property shall be released and canceled to the extent the lien covers any property taxes, delinquencies, fees, special assessments, or penalties that were assessed against the real property before or after
the county, township, city, town, body corporate and politic established
under IC 8-10-5-2(a), or state became the owner of the real property.

(d) The department of local government finance may compromise
the amount of property taxes, together with any interest or penalties on
those taxes, assessed against the fixed or distributable property owned
by a bankrupt railroad, which is under the jurisdiction of:

(1) a federal court under 11 U.S.C. 1163;
(2) Chapter X of the Acts of Congress Relating to Bankruptcy (11
U.S.C. 701-799); or
(3) a comparable bankruptcy law.

(e) After making a compromise under subsection (d) and after
receiving payment of the compromised amount, the department of local
government finance shall distribute to each county treasurer an amount
equal to the product of:

(1) the compromised amount; multiplied by
(2) a fraction, the numerator of which is the total of the particular
county's property tax levies against the railroad for the
compromised years, and the denominator of which is the total of
all property tax levies against the railroad for the compromised
years.

(f) After making the distribution under subsection (e), the
department of local government finance shall direct the auditors of
each county to remove from the tax rolls the amount of all property
taxes assessed against the bankrupt railroad for the compromised years.

(g) The county auditor of each county receiving money under
subsection (e) shall allocate that money among the county's taxing
districts. The auditor shall allocate to each taxing district an amount
equal to the product of:

(1) the amount of money received by the county under subsection
(e); multiplied by
(2) a fraction, the numerator of which is the total of the taxing
district's property tax levies against the railroad for the
compromised years, and the denominator of which is the total of
all property tax levies against the railroad in that county for the
compromised years.

(h) The money allocated to each taxing district shall be apportioned
and distributed among the taxing units of that taxing district in the
same manner and at the same time that property taxes are apportioned
and distributed.

(i) The department of local government finance may, with the
approval of the attorney general, compromise the amount of property
taxes, together with any interest or penalties on those taxes, assessed
against property owned by a person that has a case pending under state
or federal bankruptcy law. Property taxes that are compromised under
this section shall be distributed and allocated at the same time and in
the same manner as regularly collected property taxes. The department
of local government finance may compromise property taxes under this
subsection only if:

(1) a petition is filed with the department of local government
finance that requests the compromise and is signed and approved
by the assessor, auditor, and treasurer of each county and the
assessor of each township (if any) that is entitled to receive any
part of the compromised taxes;

(2) the compromise significantly advances the time of payment of
the taxes; and

(3) the compromise is in the best interest of the state and the
taxing units that are entitled to receive any part of the
compromised taxes.

(j) A taxing unit that receives funds under this section is not
required to include the funds in its budget estimate for any budget year
which begins after the budget year in which it receives the funds.

(k) A county treasurer, with the consent of the county auditor and
the county assessor, may compromise the amount of property taxes,
interest, or penalties owed in a county by an entity that has a case
pending under Title 11 of the United States Code (Bankruptcy Code)
by accepting a single payment that must be at least seventy-five percent
(75%) of the total amount owed in the county.

SECTION 57. IC 6-1.1-37-7, AS AMENDED BY P.L.199-2016,
SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JANUARY 1, 2020]: Sec. 7. (a) If a person fails to file a required
personal property return on or before the due date, the county auditor
shall add a penalty of twenty-five dollars ($25) to the person's next
property tax installment. The county auditor shall also add an
additional penalty to the taxes payable by the person if the person fails
to file the personal property return within thirty (30) days after the due
date. The amount of the additional penalty is twenty percent (20%) of
the taxes finally determined to be due with respect to the personal
property which should have been reported on the return.

(b) For purposes of this section, a personal property return is not due
until the expiration of any extension period granted by the township or
county assessor under IC 6-1.1-3-7(b).

(c) The penalties prescribed under this section do not apply to an
individual or the individual's dependents if the individual:

(1) is in the military or naval forces of the United States on the
assessment date; and

(2) is covered by the federal Servicemembers Civil Relief Act (50

(d) If a person subject to IC 6-1.1-3-7(c) fails to include on a
personal property return the information, if any, that the department of
local government finance requires under IC 6-1.1-3-9 or IC 6-1.1-5-13,
the county auditor shall add a penalty to the property tax installment
next due for the return. The amount of the penalty is twenty-five dollars
($25).

e) If the total assessed value that a person reports on a personal
property return is less than the total assessed value that the person is
required by law to report and if the amount of the undervaluation
exceeds five percent (5%) of the value that should have been reported
on the return, then the county auditor shall add a penalty of twenty
percent (20%) of the additional taxes finally determined to be due as
a result of the undervaluation. The penalty shall be added to the
property tax installment next due for the return on which the property
was undervalued. If a person has complied with all of the requirements
for claiming a deduction, an exemption, or an adjustment for abnormal
obsolescence, then the increase in assessed value that results from a
denial of the deduction, exemption, or adjustment for abnormal
obsolescence is not considered to result from an undervaluation for
purposes of this subsection.

(f) If a person required by IC 6-1.1-3-7.2(e) to indicate on the
taxpayer's personal property tax return or, for purposes of the January
1, 2016, assessment date, on the taxpayer's certification under
IC 6-1.1-3-7.2(f) that the taxpayer's business personal property is
exempt fails to timely file either the taxpayer's personal property tax
return with the indication or, for purposes of the January 1, 2016,
assessment date, the certification, the county auditor shall impose a
penalty of twenty-five dollars ($25) that must be paid by the person
with the next property tax installment that is collected. A county shall
include the penalty on a property tax bill associated with the tax
district in which the majority value of the taxpayer's business
personal property within the county is located, as determined by
the county assessor.

(g) A penalty is due with an installment under subsection (a), (d),
(e), or (f) whether or not an appeal is filed under IC 6-1.1-15-5 with
respect to the tax due on that installment.

SECTION 58. IC 6-1.1-39-5, AS AMENDED BY P.L.86-2018,
SECTION 65, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JULY 1, 2020]: Sec. 5. (a) A declaratory ordinance adopted under
section 2 of this chapter and confirmed under section 3 of this chapter
must include a provision with respect to the allocation and distribution
of property taxes for the purposes and in the manner provided in this
section. The allocation provision must apply to the entire economic
development district. The allocation provisions must require that any
property taxes subsequently levied by or for the benefit of any public
body entitled to a distribution of property taxes on taxable property in
the economic development district be allocated and distributed as
follows:

(1) Except as otherwise provided in this section, the proceeds of
the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date
with respect to which the allocation and distribution is made;
or

(B) the base assessed value;
shall be allocated to and, when collected, paid into the funds of
the respective taxing units. However, if the effective date of the
allocation provision of a declaratory ordinance is after March 1,
1985, and before January 1, 1986, and if an improvement to
property was partially completed on March 1, 1985, the unit may
provide in the declaratory ordinance that the taxes attributable to
the assessed value of the property as finally determined for March
1, 1984, shall be allocated to and, when collected, paid into the
funds of the respective taxing units.

(2) Except as otherwise provided in this section, part or all of the
property tax proceeds in excess of those described in subdivision
(1), as specified in the declaratory ordinance, shall be allocated to
the unit for the economic development district and, when
collected, paid into a special fund established by the unit for that
economic development district that may be used only to pay the
principal of and interest on obligations owed by the unit under
IC 4-4-8 (before its repeal) or IC 5-28-9 for the financing of
industrial development programs in, or serving, that economic
development district. The amount not paid into the special fund
shall be paid to the respective units in the manner prescribed by
subdivision (1).

(3) When the money in the fund is sufficient to pay all
outstanding principal of and interest (to the earliest date on which
the obligations can be redeemed) on obligations owed by the unit
under IC 4-4-8 (before its repeal) or IC 5-28-9 for the financing
of industrial development programs in, or serving, that economic
development district, money in the special fund in excess of that
amount shall be paid to the respective taxing units in the manner
prescribed by subdivision (1).

(b) Property tax proceeds allocable to the economic development
district under subsection (a)(2) must, subject to subsection (a)(3), be
irrevocably pledged by the unit for payment as set forth in subsection
(a)(2).

(c) For the purpose of allocating taxes levied by or for any taxing
unit or units, the assessed value of taxable property in a territory in the
economic development district that is annexed by any taxing unit after
the effective date of the allocation provision of the declaratory
ordinance is the lesser of:
(1) the assessed value of the property for the assessment date with
respect to which the allocation and distribution is made; or
(2) the base assessed value.

(d) Notwithstanding any other law, each assessor shall, upon
petition of the fiscal body, reassess the taxable property situated upon
or in, or added to, the economic development district effective on the
next assessment date after the petition.

(e) Notwithstanding any other law, the assessed value of all taxable
property in the economic development district, for purposes of tax
limitation, property tax replacement, and formulation of the budget, tax
rate, and tax levy for each political subdivision in which the property
is located, is the lesser of:
(1) the assessed value of the property as valued without regard to
this section; or
(2) the base assessed value.

(f) The state board of accounts and department of local government
finance shall make the rules and prescribe the forms and procedures
that they consider expedient for the implementation of this chapter.
After each reassessment of a group of parcels under a reassessment
plan prepared under IC 6-1.1-4-4.2 the department of local government
finance shall adjust the base assessed value one (1) time to neutralize
any effect of the reassessment on the property tax proceeds allocated
to the district under this section. After each annual adjustment under
IC 6-1.1-4-4.5, the department of local government finance shall adjust
the base assessed value to neutralize any effect of the annual
adjustment on the property tax proceeds allocated to the district under
this section. However, the adjustments under this subsection may not
include the effect of property tax abatements under IC 6-1.1-12.1.

(g) As used in this section, "property taxes" means:
(1) taxes imposed under this article on real property; and
(2) any part of the taxes imposed under this article on depreciable
personal property that the unit has by ordinance allocated to the
economic development district. However, the ordinance may not
limit the allocation to taxes on depreciable personal property with
any particular useful life or lives.
If a unit had, by ordinance adopted before May 8, 1987, allocated to an
economic development district property taxes imposed under IC 6-1.1
on depreciable personal property that has a useful life in excess of eight
(8) years, the ordinance continues in effect until an ordinance is
adopted by the unit under subdivision (2).
(h) As used in this section, "base assessed value" means:
(1) the net assessed value of all the property as finally determined
for the assessment date immediately preceding the effective date
of the allocation provision of the declaratory resolution, as
adjusted under subsection (f); plus
(2) to the extent that it is not included in subdivision (1), the net
assessed value of property that is assessed as residential property
under the rules of the department of local government finance,
within the economic development district, as finally determined
for any the current assessment date, after the effective date of the
allocation provision.
Subdivision (2) applies only to economic development districts
established after June 30, 1997, and to additional areas established
SECTION 59. IC 6-3.6-3-2, AS AMENDED BY P.L.247-2017,
SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JULY 1, 2019]: Sec. 2. (a) An adopting body or, if authorized by this
article, another governmental entity that is not an adopting body, may
take an action under this article only by ordinance, unless this article
permits the action to be taken by resolution.
(b) The department of local government finance, in consultation
with the department of state revenue, may make electronically available
uniform notices, ordinances, and resolutions that an adopting body or
other governmental entity may use to take an action under this article.
An adopting body or other governmental entity may submit a proposed
notice, ordinance, or resolution to the department of local government
finance for review not later than thirty (30) days prior to the date
that the adopting body or governing body intends to submit the
notice, adopting ordinance or resolution, and vote results on an
ordinance or resolution under subsection (d). The department of
local government finance shall provide to the submitting entity a
determination of the appropriateness of the proposed notice, ordinance,
or resolution, including recommended modifications, within thirty (30)
days of receiving the proposed notice, ordinance, or resolution.

(c) An ordinance or resolution adopted under this article must comply with the notice and hearing requirements set forth in IC 5-3-1.

(d) The department of local government finance shall prescribe the procedures to be used by the adopting body or governmental entity for submitting to the department the notice, the adopting ordinance or resolution, and the vote results on an ordinance or resolution. The department of local government finance shall notify the submitting entity within thirty (30) days after submission whether the department has received the necessary information required by the department. A final action taken by an adopting body or governmental entity under this article to impose a new tax or amend an existing tax is not effective until the department of local government finance notifies the adopting body or governmental entity that it has received the required information from the submitting entity.

SECTION 60. IC 6-3.6-6-2.7, AS ADDED BY P.L.184-2018, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 2.7. (a) A county fiscal body may adopt an ordinance to impose a tax rate for correctional facilities and rehabilitation facilities in the county. The tax rate must be in increments of one-hundredth of one percent (0.01%) and may not exceed two-tenths of one percent (0.2%). The tax rate may not be in effect for more than twenty (20) twenty-two (22) years. If an ordinance is adopted after June 30, 2019, to impose a tax rate under this section, not more than twenty percent (20%) of the revenue from the tax rate under this section may be used for operating expenses for correctional facilities and rehabilitation facilities in the county.

(b) The revenue generated by a tax rate imposed under this section must be distributed directly to the county before the remainder of the expenditure rate revenue is distributed. The revenue shall be maintained in a separate dedicated county fund and used by the county only for paying for correctional facilities and rehabilitation facilities in the county.

SECTION 61. IC 6-3.6-9-5, AS AMENDED BY P.L.184-2016, SECTION 22, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2019 (RETROACTIVE)]: Sec. 5. (a) Before August 2 of each calendar year, before 2018, and before June 1 of each calendar year after 2017, the budget agency shall provide to the department of local government finance and the county auditor of each adopting county an estimate of the amount determined under section 4 of this chapter that will be distributed to the county, based on known tax rates.
Not later than fifteen (15) days after receiving the estimate of the certified distribution, for calendar years before 2018; and not later than July 1 of each year, for calendar years after 2017; the department of local government finance shall determine for each taxing unit and notify the county auditor of the estimated amount of property tax credits, school distributions, public safety revenue, economic development revenue, certified shares, and special purpose revenue that will be distributed to the taxing unit under this chapter during the ensuing calendar year. Not later than thirty (30) days after receiving the department's estimate, the county auditor shall notify each taxing unit of the amounts estimated for the taxing unit.

(2) the amount of interest in the county's account that has accrued and has not been included in a certification made in a preceding year.

The amount certified is the county's certified distribution for the immediately succeeding calendar year. The amount certified shall be adjusted, as necessary, under sections 6, 7, and 8 of this chapter. Not later than fifteen (15) days after receiving the amount of the certified distribution, the department of local government finance shall determine for each taxing unit and notify the county auditor of the certified amount of property tax credits, school distributions, public safety revenue, economic development revenue, certified shares, and special purpose revenue that will be distributed to the taxing unit under this chapter during the ensuing calendar year. SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JANUARY 1, 2019 (RETROACTIVE)]: Sec. 15. (a) If the budget
agency determines that the balance in a county trust account exceeds
fifteen percent (15%) of the certified distributions to be made to the
county in the determination year, the budget agency shall make a
supplemental distribution to the county from the county's trust account.
The budget agency shall use the trust account balance as of December
31 of the year that precedes the determination year by two (2) years
(referred to as the "trust account balance year" in this section).

(b) A supplemental distribution described in subsection (a) must be:
(1) made at the same time as the determinations are provided to
the county auditor under subsection (d)(2); (d)(3); and
(2) allocated in the same manner as certified distributions for the
purposes described in this article.

(c) The amount of a supplemental distribution described in
subsection (a) is equal to the amount by which:
(1) the balance in the county trust account; minus
(2) the amount of any supplemental or special distribution that has
not yet been accounted for in the last known balance of the
county's trust account;

(B) the amount of the allocation for each of the purposes set
forth in this article, using the allocation percentages in effect
in the trust account balance year.

The department of local government finance shall provide these determinations to the county auditor before May 16 of the determination year.

(2) Before June 1, the county auditor shall distribute to each taxing unit the amount of the supplemental distribution that is allocated to the taxing unit under subdivision (2): (3).

For determinations before 2019, the tax rates in effect under and the allocation methods specified in the former income tax laws shall be used for the determinations under subdivision (2): (3).

(e) For any part of a supplemental distribution attributable to property tax credits under a former income tax or IC 6-3.6-5, the adopting body for the county may allocate the supplemental distribution to property tax credits for not more than the three (3) years after the year the supplemental distribution is received.

(c) If an adopting body adopts an ordinance under subsection (b), the certified shares that each municipality and township in the county is entitled to receive equals the total amount of revenues that are to be distributed as certified shares to municipalities and townships as determined under STEP FIVE of the following formula:

STEP ONE: Determine the municipality's or township's percentage of total population compared to other municipalities or townships in the county multiplied by:
(A) for the first calendar year after the adopting body adopts the ordinance under subsection (c), ten percent (10%);
(B) for the second calendar year after the adopting body adopts the ordinance under subsection (e), twenty percent (20%);
(C) for the third calendar year after the adopting body adopts the ordinance under subsection (e), thirty percent (30%); or
(D) for the fourth calendar year and each subsequent calendar year after the adopting body adopts the ordinance under subsection (e), thirty-three and thirty-three hundredths percent (33.33%).

(D) for the fourth calendar year and each subsequent calendar year after the adopting body adopts the ordinance under subsection (e), thirty-three and thirty-four hundredths percent (33.34%).

STEP FOUR: Determine for each municipality or township the sum of the STEP ONE, STEP TWO, and STEP THREE percentages for the applicable calendar year.

STEP FIVE: Determine for each municipality or township the product of:

(A) the STEP FOUR percentage; multiplied by
(B) total amount of revenues that are to be distributed as certified shares to all municipalities in the county or all townships in the county, whichever is applicable.

SECTION 66. IC 6-8.1-3-11, AS AMENDED BY P.L.73-2017, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 11. (a) As used in this section, "secure electronic delivery service" means a service that:

1) employs security procedures to provide, send, deliver, or otherwise communicate electronic records to the intended recipient using:

SECTION 68. IC 8-18-21-13, AS AMENDED BY P.L.146-2008,
SECTION 363, IS AMENDED TO READ AS FOLLOWS
[EFFECTIVE JULY 1, 2019]: Sec. 13. The annual operating budget of
a toll road authority is subject to
  (1) review by the county board of tax adjustment; and
  (2) review by the department of local government finance
as in the case of other political subdivisions.

SECTION 69. IC 8-22-3-23, AS AMENDED BY P.L.182-2009(ss),
SECTION 269, IS AMENDED TO READ AS FOLLOWS
[EFFECTIVE JULY 1, 2019]: Sec. 23. (a) The board shall annually
prepare a budget for the purpose of operating and maintenance
expenditures of the authority and shall calculate the tax levy necessary
to provide funds for the operating expenditures necessary to carry out
the powers, duties, and functions of the authority. The budget must be
prepared and submitted:
(1) before or at the same time;
(2) in the same manner; and
(3) with notice;
as provided by the statutes relating to the preparation of budgets by eligible entities. The budget is subject to the same review by the county tax adjustment board and the department of local government finance as exists under the general statutes relating to budgets of eligible entities.

(b) If the eligible entity that established the authority is a county, city, or town, the fiscal body of that entity may review and modify the authority's operating and maintenance budget and the tax levy to meet it, in the same manner as the budgets and tax levies of executive departments of that entity are reviewed and modified. This power includes the power to reduce any item of salary.

(c) Whenever a tax levy is required to finance the budget of an authority that was established by a city or town, the fiscal body of the county also may review the budget and tax levy of the authority, unless the district:

(1) lies wholly within, or coincides with, the boundaries of a city or town;
(2) is not the recipient of funds from a county-wide tax levy made specifically for the operating and maintenance budget for that authority; and
(3) was established by the fiscal body of the city or town, acting independently.

However, the budget and tax levy of the authority are subject to review or modification by the fiscal body of the city or town with which it shares territory, in the same manner as the budgets and tax levies of the executive departments of that city or town are reviewed or modified.

(d) If an authority was established by another eligible entity or by two (2) or more eligible entities acting jointly, its operating and maintenance budget and the tax levy to meet it is subject to review and modification by the same body that reviews and modifies the budget of each of those entities in the same manner as the budgets and tax levies of those entities, including reduction of any item of salary.

(e) This subsection applies only to the airport authority established by the city of Gary. The following provisions apply if the board enters into a lease, management agreement, or other contract under an application approved by the Federal Aviation Administration under which the lessee or other operator agrees to lease, manage, or operate all or substantially all of the airport and its landing fields, air navigation facilities, and other buildings and structures owned by the
authority:

(1) The board shall, to the extent permitted by federal law or any grant agreement, make distributions to the city of Gary from the payments received under the lease, management agreement, or other contract.

(2) The distributions to the city of Gary shall be made in installments and on the dates determined by the fiscal body of the city, and shall be paid to the fiscal officer of the city for deposit in the city's general fund.

(3) Money distributed to the city of Gary under this subsection may be used for any legal or corporate purpose of the city and may not be used to reduce the city's maximum levy under IC 6-1.1-18.5, but may be used at the discretion of the city fiscal body to reduce the property tax levy of the city for a particular year.

(f) The general assembly finds the following:

(1) The city of Gary faces:
   (A) unique and distinct challenges due to high levels of unemployment, the character and occupancy of real estate, and the general economic conditions of the community; and
   (B) unique and distinct opportunities related to transportation and economic development;

that are different in scope and type than those faced by other units of local government in Indiana.

(2) A unique approach is required to fully take advantage of the economic development potential of the city of Gary, the Gary/Chicago International Airport, and the Lake Michigan shoreline.

(3) The powers and responsibilities provided to the airport authority established by the city of Gary by subsection (e) and the other provisions of this chapter are appropriate and necessary to carry out the public purposes of encouraging economic development and further facilitating the provision of air transportation services and economic development projects in the city of Gary.

(4) The exercise of the powers and responsibilities granted to the airport authority established by the city of Gary by subsection (e) and the other provisions of this chapter is critical to economic development not only in the city of Gary, but throughout northwest Indiana, and is a public purpose.

(5) Economic development benefits the health and welfare of the people of Indiana, is a public use and purpose for which public
money may be spent, and is of public utility and benefit.

The county auditor shall allocate to the respective taxing units the amount, if any, of excess tax proceeds determined by the commission.

(g) When money in the debt service fund and in the project fund is sufficient to pay all outstanding principal and interest (to the earliest date on which the obligations can be redeemed) on revenue bonds issued by the board of aviation commissioners or airport authority for the financing of qualified airport development projects, all lease rentals payable on leases of qualified airport development projects, and all costs and expenditures associated with all qualified airport development projects, money in the debt service fund and in the project fund in excess of those amounts shall be paid to the respective taxing units in the manner prescribed by subsection (d)(1).

(a) A county shall provide funding for the operation of community mental health centers in the amount determined under subsection (b) or, in the case of Marion County for calendar year 2019, calendar year 2020, and calendar year 2021, the amount determined under subsection (c).

(b) Except as provided in subsection (c), the amount of funding under subsection (a) for a calendar year is the result equal to the following:

(1) The county's maximum appropriation amount for the operation of community mental health centers determined under this chapter in the previous calendar year, if the STEP THREE result under the following formula is less than or equal to zero (0):

STEP ONE: Determine the amount of the certified levy for funds subject to the civil maximum levy in the immediately preceding calendar year minus the amount of credits granted under IC 6-1.1-20.6 that were allocated to funds subject to the civil maximum levy in the immediately preceding calendar year, as determined by the department of local government finance under IC 6-1.1-20.6-11.

STEP TWO: Determine the amount of the certified levy for funds subject to the civil maximum levy in the year prior to the immediately preceding calendar year minus the amount of credits granted under IC 6-1.1-20.6 that were allocated to funds subject to the civil maximum levy in the year prior to the immediately preceding calendar year, as determined by the department of local government finance under IC 6-1.1-20.6-11.

STEP THREE: Determine the remainder of the STEP ONE amount minus the STEP TWO amount.

(1) If the STEP THREE result under the formula in subdivision (1) is greater than zero (0), then the county's maximum appropriation amount for the operation of community mental health centers determined under this chapter in the previous calendar year, multiplied by the greater of:

(2) the greater of:

(A) one (1); or

(B) the result of STEP SIX of the following formula:

(i) the amount of the county's general fund property tax levy that was imposed in the previous calendar year, minus the amount of credits granted under IC 6-1.1-20.6 that were allocated to the county general fund in the previous calendar year.
STEP ONE: Determine the assessed value growth quotient for the year under IC 6-1.1-18.5 minus one (1).

STEP THREE: Determine the amount of the certified levy for funds subject to the civil maximum levy in the immediately preceding calendar year.

STEP FOUR: Determine the result of the STEP TWO amount divided by the STEP THREE amount.

STEP FIVE: Determine the product of the STEP ONE amount multiplied by the STEP FOUR result.

STEP SIX: Determine the STEP FIVE amount plus one (1).

The department of local government finance shall verify the maximum appropriation calculation under this subsection as part of the certification of the county's budget under IC 6-1.1-17. For taxes due and payable in 2020, the department of local government finance shall calculate the maximum appropriation under this subsection as if the taxes were due and payable in 2019.

(B) the result of thirty-three percent (33%) multiplied by the result of:
(i) the amount that would have, except for the application of...
this subsection, applied to the county under subsection (b) for calendar year 2019; minus (ii) the actual amount of the appropriations by the county for community mental health centers under this chapter in 2018.

(2) For calendar year 2020, the sum of:
(A) the actual amount of the appropriations by the county for community mental health centers under this chapter in 2019; plus (B) the result of sixty-six percent (66%) multiplied by the result of:
   (i) the amount that would have, except for the application of this subsection, applied to the county under subsection (b) for calendar year 2020; minus (ii) the actual amount of the appropriations by the county for community mental health centers under this chapter in 2019.

(3) For calendar year 2021, the amount that would have, except for the application of this subsection, applied to the county under subsection (b) for calendar year 2021.

(2) Except as provided in section 19.5 of this chapter, invest
the funds of the trust:
(A) in accordance with IC 5-13-9 and guidelines adopted by
the board under IC 5-13-9-1; and

CODE AS A NEW SECTION TO READ AS FOLLOWS
[EFFECTIVE JULY 1, 2019]: Sec. 19.5. (a) This section applies to a
county that before 1990 sold its hospital property and established

(c) The trust board shall contract with investment managers, investment advisors, investment counsel, trust companies, banks, or other finance professionals to assist the trust board in an investment program. Money held by the trust board must be invested in accordance with the terms of an investment policy statement developed by the board of directors of the trust board with an investment advisor that:

1. is approved by the board of directors; and
2. complies with the diversification, risk management, and other fiduciary requirements common to the management of charitable trusts, including that the funds of the trust board must be invested according to the prudent investor rule. The investment policy statement must include the limitation on the investment in equities specified in subsection (e).

(d) Money held by the trust board:

1. may be invested in any legal, marketable securities; and
2. is not subject to any other investment limitations in the law, other than the limitations under this section and the limitations in the investment policy statement.

(e) The total amount of the funds invested by the trust board in equity securities under this section may not exceed fifty-five percent (55%) of the total value of the portfolio of funds invested by the trust board under this section. However:

1. an investment that complies with this subsection when the investment is made remains legal even if a subsequent change in the value of the investment or a change in the value of the total portfolio of funds invested by the trust board causes the percentage of investments in equity securities to exceed the fifty-five percent (55%) limit on equity securities; and
2. if the total amount of the funds invested by a trust board in equity securities exceeds the fifty-five percent (55%) limit on equity securities because of a change described in subdivision (1), the investments by the trust board must be rebalanced to comply with the fifty-five percent (55%) limit on equity investments not later than one hundred twenty (120) days after the equity investments first exceed that limit.

(f) The following apply to the trust board:

(A) in reviewing the compliance and performance report from the investment advisor; and

(B) in reviewing the annual audit required by subdivision (1).

The three (3) nonvoting advisors may not vote on any action of the board of directors. The board of directors of the trust board shall by majority vote select the three (3) depositories from which the three (3) nonvoting advisors will be chosen. Each of the three (3) depositories selected under this subdivision shall select an officer of the depository to serve as one (1) of the three (3) nonvoting advisors. Each nonvoting advisor shall serve a term of three (3) years, and the nonvoting advisor shall continue to serve until a successor is selected. However, to provide for staggered terms, the board of directors of the trust board shall provide that the initial term of one (1) nonvoting advisor is one (1) year, the initial term of one (1) nonvoting advisor is two (2) years, and the initial term of one (1) nonvoting advisor is three (3) years. For purposes of avoiding a conflict of interest, a financial institution for which a nonvoting advisor is an officer (and any affiliate of such a financial institution) may not receive a commission or other compensation for investments made by the trust board under this section.

SECTION 79. IC 16-23-1-40 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 40. (a) The governing board may request a cumulative hospital building fund and a tax rate upon all taxable property in the county in which the hospital is located to finance the fund. If a resolution is approved by majority vote of all members at a regular or special board meeting, the resolution shall be certified to the county auditor, who shall submit the resolution to the county executive for preliminary approval and recommendation. Upon the approval of the county executive, the county auditor shall publish notice of a public hearing before the county council on the establishment of a cumulative hospital building fund and tax rate in each year.

4. Any other pertinent facts considered advisable by the board.

(c) Except as provided in subsections (f) through (h), the rate on each one hundred dollars ($100) may be reduced but not increased by the department of local government finance in approving a cumulative building tax rate. The rate as finally fixed by the department of local government finance is final. However, the county fiscal body, by three-fourths (3/4) affirmative vote of the county fiscal body's members, may reduce the rate in any given year or years to meet an emergency existing in the county, but the temporary reduction affects the rate only in the year when the action is taken. The rate is automatically restored to the rate's original amount in each succeeding year of the established period except in any other year when another emergency reduction is made. The rate is subject to review each year by the county fiscal body, but the county tax adjustment board and department of local government finance may not reduce the rate below the original rate established and approved by vote of the county fiscal body unless the county fiscal body reduces the rate.

(d) The county fiscal body, city fiscal body, county tax adjustment board, or department of local government finance does not have power or jurisdiction over the annual budget and appropriations, additional appropriations, or transfer of money unless the action involves the expenditure or raising of money derived from property taxes. If the cumulative building fund is the only hospital fund raised by taxation, section 31 of this chapter controls.

(e) The cumulative building fund raised may be properly and safely invested or reinvested by the board to produce an income until there is an immediate need for the fund's use. The fund and any income derived from investment or reinvestment of the fund may be used as follows:

1. To purchase real property and grounds for hospital purposes.
2. To remodel or make major repairs on any hospital building.
3. To erect and construct hospital buildings or additions or extensions to the buildings.
(4) For any other major capital improvements, but not for current
operating expenses or to meet a deficiency in operating funds.

(f) Not later than August 1 of any year, ten (10) or more taxpayers
in the county may file with the county auditor of the county in which
the hospital is located a petition for reduction or rescission of the
cumulative building tax rate. The petition must set forth the taxpayers' objections to the tax rate. The petition shall be certified to the
department of local government finance.

(g) Upon receipt of a petition under subsection (f), the department
of local government finance shall, within a reasonable time, fix a date
for a hearing on the petition. The hearing must be held in the county in
which the hospital is located. Notice of the hearing shall be given to the
county fiscal body and to the first ten (10) taxpayers whose names
appear on the petition. The notice must be in the form of a letter signed
by the secretary or any member of the department of local government
finance, sent by mail with full prepaid postage to the county fiscal body
and to the taxpayers at their usual places of residence at least five (5)
days before the date fixed for the hearing.

(h) After the hearing under subsection (g), the department of local
government finance shall approve, disapprove, or modify the request
for reduction or rescission of the tax rate and shall certify that decision
to the county auditor of the county in which the hospital is located.

(1) an investment that complies with this subsection when the investment is made remains legal even if a subsequent change in the value of the investment or a change in the value of the total portfolio of funds invested by the trust causes the percentage of investments in equity securities to exceed the fifty-five percent (55%) limit on equity securities; and

the investment advisor; and

The three (3) nonvoting advisors may not vote on any action of
the board of trustees. The trustees shall by majority vote select the
three (3) depositories from which the three (3) nonvoting advisors
will be chosen. Each of the three (3) depositories selected under
this subdivision shall select an officer of the depository to serve
as one (1) of the three (3) nonvoting advisors. Each nonvoting
advisor shall serve a term of three (3) years; and the nonvoting
advisor shall continue to serve until a successor is selected.
However, to provide for staggered terms, the trustees shall
provide that the initial term of one (1) nonvoting advisor is one

established by subsection (e) (b) for each term the individual serves.

(f) The failure of an individual to complete the training required

vacancy in the office of county surveyor. An individual described in
this subsection may, but is not required to, take any training courses
required by subsection (c). If an individual described in this
subsection takes a training course required by subsection (c) for an

SECTION 102. IC 36-7-14-22, AS ADDED BY P.L.183-2016, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]:

Sec. 22.8. (a) This section applies only in Lake County as a three (3) year pilot program to obtain experience with the method of disposing of real property set forth in this section.

(b) A redevelopment commission may establish a new opportunity area in accordance with the criteria and procedures set forth in this section. A redevelopment commission may dispose of property to which section 22.5 of this chapter applies as provided in this section if the property is located in a new opportunity area.

(c) A redevelopment commission may determine that the following findings apply to an area within the jurisdiction of the redevelopment commission:

(1) At least one-third (1/3) of the parcels in the area are vacant or abandoned, as determined under IC 36-7-37 or another statute.

(2) At least one-third (1/3) of the parcels in the area have at least one (1) of the following characteristics:
   (A) The dwelling on the parcel is not permanently occupied.
   (B) Two (2) or more property tax payments owed on the parcel are delinquent.

(3) None of the properties in the area have been annexed within the immediately preceding five (5) years over a remonstrance of a majority of the land owners within the annexed area.

(4) The area cannot be improved by the ordinary operation of private enterprise because of:
   (A) the existence of conditions that lower the value of the land below that of nearby land; or
   (B) other conditions similar to the conditions described in clause (A).
(5) Each of the parcels in the area are residential parcels that are less than one (1) acre in size.

(6) The property tax collection rate over the immediately preceding two (2) years has been less than sixty percent (60%).

(7) The sale of parcels that are held by the redevelopment commission and are located in the new opportunity area to individuals and other private entities will benefit the public health and welfare of the residents of the surrounding area and the area governed by the commission.

(d) Whenever a redevelopment commission makes the findings described in subsection (c), a redevelopment commission may adopt a resolution declaring the area to be a new opportunity area.

(e) After a redevelopment commission adopts a resolution declaring an area to be a new opportunity area, the redevelopment commission may dispose of properties to which section 22.5 of this chapter applies that are located in the new opportunity area by using the following procedure:

(1) The redevelopment commission shall give notice in accordance with IC 5-3-1 twice by publication, one (1) week apart, with the last publication occurring at least ten (10) days before the date on which the redevelopment commission intends to convene the meeting described in subdivision (2). SECTION 103. IC 36-7-14-25.1, AS AMENDED BY P.L.149-2014, SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 25.1. (a) In addition to other methods of raising
money for property acquisition or redevelopment in a redevelopment
project area, and in anticipation of the special tax to be levied under
section 27 of this chapter, the taxes allocated under section 39 of this
chapter, or other revenues of the district, or any combination of these
sources, the redevelopment commission may, by bond resolution and
subject to subsections (c) and (p), issue the bonds of the special taxing
district in the name of the unit. The amount of the bonds may not
exceed the total, as estimated by the commission, of all expenses
reasonably incurred in connection with the acquisition and
redevelopment of the property, including:

(1) the total cost of all land, rights-of-way, and other property to
be acquired and redeveloped;
(2) all reasonable and necessary architectural, engineering, legal,
financing, accounting, advertising, bond discount, and
supervisory expenses related to the acquisition and redevelopment
of the property or the issuance of bonds;
(3) capitalized interest permitted by this chapter and a debt
service reserve for the bonds to the extent the redevelopment
commission determines that a reserve is reasonably required; and
(4) expenses that the redevelopment commission is required or
permitted to pay under IC 8-23-17.

(b) If the redevelopment commission plans to acquire different
parcels of land or let different contracts for redevelopment work at
approximately the same time, whether under one (1) or more
resolutions, the commission may provide for the total cost in one (1)
issue of bonds.

(c) The legislative body of the unit must adopt a resolution that
specifies the public purpose of the bond, the use of the bond proceeds,
the maximum principal amount of the bond, the term of the bond, and
the maximum interest rate or rates of the bond, any provision for
redemption before maturity, and any provision for the payment of
capitalized interest. The bonds must be dated as set forth in the bond
resolution and negotiable, subject to the requirements of the bond
resolution for registering the bonds. The resolution authorizing the
bonds must state:

(1) the denominations of the bonds;
(2) the place or places at which the bonds are payable; and
(3) the term of the bonds, which may not exceed:
   (A) fifty (50) years, for bonds issued before July 1, 2008;
   (B) thirty (30) years, for bonds issued after June 30, 2008, to
finance:
   (i) an integrated coal gasification powerplant (as defined in
IC 6-3.1-29-6;
(ii) a part of an integrated coal gasification powerplant (as defined in IC 6-3.1-29-6); or
(iii) property used in the operation or maintenance of an integrated coal gasification powerplant (as defined in IC 6-3.1-29-6);
that received a certificate of public convenience and necessity from the Indiana utility regulatory commission under IC 8-1-8.5 et seq. before July 1, 2008;
(C) thirty-five (35) years, for bonds issued after June 30, 2019, to finance a project that is located in a redevelopment project area, an economic development area, an urban renewal project area and that includes, as part of the project, the use and repurposing of two (2) or more buildings and structures that are:
(i) at least seventy-five (75) years old; and
(ii) located at a site at which manufacturing previously occurred over a period of at least seventy-five (75) years;
or
(D) twenty-five (25) years, for bonds issued after June 30, 2008, that are not described in clause (B) or (C).

The bond resolution may also state that the bonds are redeemable before maturity with or without a premium, as determined by the redevelopment commission.
(d) The redevelopment commission shall certify a copy of the resolution authorizing the bonds to the municipal or county fiscal officer, who shall then prepare the bonds, subject to subsections (c) and (p). The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.
(e) The bonds must be executed by the appropriate officer of the unit and attested by the municipal or county fiscal officer.
(f) The bonds are exempt from taxation for all purposes.
(g) The municipal or county fiscal officer shall give notice of the sale of the bonds by publication in accordance with IC 5-3-1. The municipal fiscal officer, or county fiscal officer or executive, shall sell the bonds to the highest bidder, but may not sell them for less than ninety-seven percent (97%) of their par value. However, bonds payable solely or in part from tax proceeds allocated under section 39(b)(3) of this chapter, or other revenues of the district may be sold at a private negotiated sale.
(h) Except as provided in subsection (i), a redevelopment commission may not issue the bonds when the total issue, including
bonds already issued and to be issued, exceeds two percent (2%) of the
adjusted value of the taxable property in the special taxing district, as
determined under IC 36-1-15.

(i) The bonds are not a corporate obligation of the unit but are an
indebtedness of the taxing district. The bonds and interest are payable,
as set forth in the bond resolution of the redevelopment commission:
(1) from a special tax levied upon all of the property in the taxing
district, as provided by section 27 of this chapter;
(2) from the tax proceeds allocated under section 39(b)(3) of this
chapter;
(3) from other revenues available to the redevelopment
commission; or
(4) from a combination of the methods stated in subdivisions (1)
through (3).

If the bonds are payable solely from the tax proceeds allocated under
section 39(b)(3) of this chapter, other revenues of the redevelopment
commission, or any combination of these sources, they may be issued
in any amount not to exceed the maximum amount approved by the
legislative body in the resolution described in subsection (c).

(j) Proceeds from the sale of bonds may be used to pay the cost of
interest on the bonds for a period not to exceed five (5) years from the
date of issuance.

(k) All laws relating to the giving of notice of the issuance of bonds,
the giving of notice of a hearing on the appropriation of the proceeds
of the bonds, the right of taxpayers to appear and be heard on the
proposed appropriation, and the approval of the appropriation by the
department of local government finance apply to all bonds issued under
this chapter that are payable from the special benefits tax levied
pursuant to section 27 of this chapter or from taxes allocated under
section 39 of this chapter.

(l) All laws relating to:
(1) the filing of petitions requesting the issuance of bonds; and
(2) the right of:
   (A) taxpayers and voters to remonstrate against the issuance of
bonds in the case of a proposed bond issue described by
IC 6-1.1-20-3.1(a); or
   (B) voters to vote on the issuance of bonds in the case of a
proposed bond issue described by IC 6-1.1-20-3.5(a);
apply to bonds issued under this chapter except for bonds payable
solely from tax proceeds allocated under section 39(b)(3) of this
chapter, other revenues of the redevelopment commission, or any
combination of these sources.
(m) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(n) Any amount remaining in the debt service reserve after all of the bonds of the issue for which the debt service reserve was established have matured shall be:

1. deposited in the allocation fund established under section 39(b)(3) of this chapter; and
2. to the extent permitted by law, transferred to the county or municipality that established the department of redevelopment for use in reducing the county's or municipality's property tax levies for debt service.

(o) If bonds are issued under this chapter that are payable solely or in part from revenues to the redevelopment commission from a project or projects, the redevelopment commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects, but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the redevelopment commission. The redevelopment commission may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the redevelopment commission that are payable solely from revenues of the commission shall contain a statement to that effect in the form of bond.

(p) If the total principal amount of bonds authorized by a resolution of the redevelopment commission adopted before July 1, 2008, is equal to or greater than three million dollars ($3,000,000), the bonds may not be issued without the approval, by resolution, of the legislative body of the unit. Bonds authorized in any principal amount by a resolution of the redevelopment commission adopted after June 30, 2008, may not be issued without the approval of the legislative body of the unit.
to exceed:

(1) fifty (50) years, for a lease entered into before July 1, 2008;
(2) thirty-five (35) years, for leases entered into after June 30, 2019, to finance a project that is located in a redevelopment project area, an economic development area, or an urban renewal project area and that includes, as part of the project, the use and repurposing of two (2) or more buildings and structures that are:

(A) at least seventy-five (75) years old; and
(B) located at a site at which manufacturing previously occurred over a period of at least seventy-five (75) years;

or

(2) twenty-five (25) years, for a lease entered into after June 30, 2008, that is not described in subdivision (1) or (2).

The lease may provide for payments to be made by the redevelopment commission from special benefits taxes levied under section 27 of this chapter, taxes allocated under section 39 of this chapter, any other revenues available to the redevelopment commission, or any combination of these sources.

(b) A lease may provide that payments by the redevelopment commission to the lessor are required only to the extent and only for the period that the lessor is able to provide the leased facilities in accordance with the lease. The terms of each lease must be based upon the value of the facilities leased and may not create a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(c) A lease may be entered into by the redevelopment commission only after a public hearing by the redevelopment commission at which all interested parties are provided the opportunity to be heard. After the public hearing, the redevelopment commission may adopt a resolution authorizing the execution of the lease on behalf of the unit if it finds that the service to be provided throughout the term of the lease will serve the public purpose of the unit and is in the best interests of its residents. Any lease approved by a resolution of the redevelopment commission must also be approved by an ordinance or resolution of the fiscal body of the unit. The approving ordinance or resolution of the fiscal body must include the following:

(1) The maximum annual lease rental for the lease.
(2) The maximum interest rate or rates, any provisions for redemption before maturity, and any provisions for the payment of capitalized interest associated with the lease.
(3) The maximum term of the lease.
(d) Upon execution of a lease providing for payments by the
redevelopment commission in whole or in part from the levy of special
benefits taxes under section 27 of this chapter and upon approval of the
lease by the unit's fiscal body, the redevelopment commission shall
publish notice of the execution of the lease and its approval in
accordance with IC 5-3-1. Fifty (50) or more taxpayers residing in the
redevelopment district who will be affected by the lease and who may
be of the opinion that no necessity exists for the execution of the lease
or that the payments provided for in the lease are not fair and
reasonable may file a petition in the office of the county auditor within
thirty (30) days after the publication of the notice of execution and
approval. The petition must set forth the petitioners' names, addresses,
and objections to the lease and the facts showing that the execution of
the lease is unnecessary or unwise or that the payments provided for in
the lease are not fair and reasonable, as the case may be.

(e) Upon the filing of the petition, the county auditor shall
immediately certify a copy of it, together with such other data as may
be necessary in order to present the questions involved, to the
department of local government finance. Upon receipt of the certified
petition and information, the department of local government finance
shall fix a time and place for a hearing in the redevelopment district,
which must be not less than five (5) or more than thirty (30) days after
the time is fixed. Notice of the hearing shall be given by the department
of local government finance to the members of the fiscal body, to the
redevelopment commission, and to the first fifty (50) petitioners on the
petition by a letter signed by the commissioner or deputy commissioner
of the department and enclosed with fully prepaid postage sent to those
persons at their usual place of residence, at least five (5) days before
the date of the hearing. The decision of the department of local
government finance on the appeal, upon the necessity for the execution
of the lease, and as to whether the payments under it are fair and
reasonable, is final.

(f) A redevelopment commission entering into a lease payable from
allocated taxes under section 39 of this chapter or other available funds
of the redevelopment commission may:

(1) pledge the revenue to make payments under the lease pursuant
to IC 5-1-14-4; and
(2) establish a special fund to make the payments.

(g) Lease rentals may be limited to money in the special fund so that
the obligations of the redevelopment commission to make the lease
rental payments are not considered debt of the unit or the district for
purposes of the Constitution of the State of Indiana.

(h) Except as provided in this section, no approvals of any
governmental body or agency are required before the redevelopment commission enters into a lease under this section.

(i) An action to contest the validity of the lease or to enjoin the performance of any of its terms and conditions must be brought within thirty (30) days after the publication of the notice of the execution and approval of the lease. However, if the lease is payable in whole or in part from tax levies and an appeal has been taken to the department of local government finance, an action to contest the validity or enjoin the performance must be brought within thirty (30) days after the decision of the department.

(j) If a redevelopment commission exercises an option to buy a leased facility from a lessor, the redevelopment commission may subsequently sell the leased facility, without regard to any other statute, to the lessor at the end of the lease term at a price set forth in the lease or at fair market value established at the time of the sale by the redevelopment commission through auction, appraisal, or arms length negotiation. If the facility is sold at auction, after appraisal, or through negotiation, the redevelopment commission shall conduct a hearing after public notice in accordance with IC 5-3-1 before the sale. Any action to contest the sale must be brought within fifteen (15) days of the hearing.

SECTION 105. IC 36-7-14-27.5, AS AMENDED BY P.L.149-2014, SECTION 16, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 27.5. (a) Subject to the prior approval by the legislative body of the unit, the redevelopment commission may borrow money in anticipation of receipt of the proceeds of taxes levied for the redevelopment district bond fund and not yet collected, and may evidence this borrowing by issuing warrants of the redevelopment district. However, the aggregate principal amount of warrants issued in anticipation of and payable from the same tax levy or levies may not exceed an amount equal to eighty percent (80%) of that tax levy or levies, as certified by the department of local government finance, or as determined by multiplying the rate of tax as finally approved by the total assessed valuation (after deducting all mortgage deductions) within the redevelopment district, as most recently certified by the county auditor.

(b) The warrants may be authorized and issued at any time after the tax or taxes in anticipation of which they are issued have been levied by the redevelopment commission. For purposes of this section, taxes for any year are considered to be levied upon adoption by the commission of a resolution prescribing the tax levies for the year. However, the warrants may not be delivered and paid for before final
approval of the tax levy or levies by the county board of tax adjustment or, if appealed, by the department of local government finance, unless the issuance of the warrants has been approved by the department.

(c) All action that this section requires or authorizes the redevelopment commission to take may be taken by resolution, which need not be published or posted. The resolution takes effect immediately upon its adoption by the redevelopment commission. An action to contest the validity of tax anticipation warrants may not be brought later than ten (10) days after the sale date.

(d) In their resolution authorizing the warrants, the redevelopment commission must provide that the warrants mature at a time or times not later than December 31 after the year in which the taxes in anticipation of which the warrants are issued are due and payable.

(e) In their resolution authorizing the warrants, the redevelopment commission may provide:

1. the date of the warrants;
2. the interest rate of the warrants;
3. the time of interest payments on the warrants;
4. the denomination of the warrants;
5. the form either registered or payable to bearer, of the warrants;
6. the place or places of payment of the warrants, either inside or outside the state;
7. the medium of payment of the warrants;
8. the terms of redemption, if any, of the warrants, at a price not exceeding par value and accrued interest;
9. the manner of execution of the warrants; and
10. that all costs incurred in connection with the issuance of the warrants may be paid from the proceeds of the warrants.

(f) The warrants shall be sold for not less than par value, after notice inviting bids has been published under IC 5-3-1. The redevelopment commission may also publish the notice in other newspapers or financial journals.

(g) Warrants and the interest on them are not subject to any limitation contained in section 25.1 of this chapter, and are payable solely from the proceeds of the tax levy or levies in anticipation of which the warrants were issued. The authorizing resolution must pledge a sufficient amount of the proceeds of the tax levy or levies to the payment of the warrants and the interest.

SECTION 106. IC 36-7-14-39, AS AMENDED BY P.L.86-2018, SECTION 344, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 39. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area.
to which an allocation provision of a declaratory resolution adopted
under section 15 of this chapter refers for purposes of distribution and
allocation of property taxes.

"Base assessed value" means the following:

(1) If an allocation provision is adopted after June 30, 1995, in a
declaratory resolution or an amendment to a declaratory
resolution establishing an economic development area:
(A) the net assessed value of all the property as finally
determined for the assessment date immediately preceding the
effective date of the allocation provision of the declaratory
resolution, as adjusted under subsection (h); plus
(B) to the extent that it is not included in clause (A), the net
assessed value of property that is assessed as residential
property under the rules of the department of local government
finance, within the allocation area, as finally determined for
any the current assessment date. after the effective date of the
allocation provision:

(2) If an allocation provision is adopted after June 30, 1997, in a
declaratory resolution or an amendment to a declaratory
resolution establishing a redevelopment project area:
(A) the net assessed value of all the property as finally
determined for the assessment date immediately preceding the
effective date of the allocation provision of the declaratory
resolution, as adjusted under subsection (h); plus
(B) to the extent that it is not included in clause (A), the net
assessed value of property that is assessed as residential
property under the rules of the department of local government
finance, as finally determined for any the current assessment
date. after the effective date of the allocation provision:

(3) If:
(A) an allocation provision adopted before June 30, 1995, in
a declaratory resolution or an amendment to a declaratory
resolution establishing a redevelopment project area expires
after June 30, 1997; and
(B) after June 30, 1997, a new allocation provision is included
in an amendment to the declaratory resolution;
the net assessed value of all the property as finally determined for
the assessment date immediately preceding the effective date of
the allocation provision adopted after June 30, 1997, as adjusted
under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation
areas, the net assessed value of all the property as finally
determined for the assessment date immediately preceding the
effective date of the allocation provision of the declaratory
resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development
area before July 1, 1995, is expanded after June 30, 1995, the
definition in subdivision (1) applies to the expanded part of the
area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project
area before July 1, 1997, is expanded after June 30, 1997, the
definition in subdivision (2) applies to the expanded part of the
area added after June 30, 1997.

Except as provided in section 39.3 of this chapter, "property taxes"
means taxes imposed under IC 6-1.1 on real property. However, upon
approval by a resolution of the redevelopment commission adopted
before June 1, 1987, "property taxes" also includes taxes imposed
under IC 6-1.1 on depreciable personal property. If a redevelopment
commission adopted before June 1, 1987, a resolution to include within
the definition of property taxes, taxes imposed under IC 6-1.1 on
depreciable personal property that has a useful life in excess of eight
(8) years, the commission may by resolution determine the percentage
of taxes imposed under IC 6-1.1 on all depreciable personal property
that will be included within the definition of property taxes. However,
the percentage included must not exceed twenty-five percent (25%) of
the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A declaratory resolution adopted under section 15 of this chapter
on or before the allocation deadline determined under subsection (i)
may include a provision with respect to the allocation and distribution
of property taxes for the purposes and in the manner provided in this
section. A declaratory resolution previously adopted may include an
allocation provision by the amendment of that declaratory resolution on
or before the allocation deadline determined under subsection (i) in
accordance with the procedures required for its original adoption. A
declaratory resolution or amendment that establishes an allocation
provision must include a specific finding of fact, supported by
evidence, that the adoption of the allocation provision will result in
new property taxes in the area that would not have been generated but
for the adoption of the allocation provision. For an allocation area
established before July 1, 1995, the expiration date of any allocation
provisions for the allocation area is June 30, 2025, or the last date of
any obligations that are outstanding on July 1, 2015, whichever is later.
A declaratory resolution or an amendment that establishes an allocation
provision after June 30, 1995, must specify an expiration date for the
allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. **Notwithstanding any other law, in the case of an allocation area that is established after June 30, 2019, and that is located in a redevelopment project area described in section 25.1(c)(3)(C) of this chapter, an economic development area described in section 25.1(c)(3)(C) of this chapter, or an urban renewal project area described in section 25.1(c)(3)(C) of this chapter, the expiration date of the allocation provision may not be more than thirty-five (35) years after the date on which the allocation provision is established.** The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public...
public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into an allocation fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by it for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) For property taxes first due and payable before January 1, 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:
STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

(i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by

(ii) the STEP ONE sum.

STEP THREE: Multiply:

(i) the STEP TWO quotient; times

(ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter (before its repeal) in the same year.

(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.
(L) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

(i) Make, when due, any payments required under clauses (A) through (K), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.

(ii) Make any reimbursements required under this subdivision.

(iii) Pay any expenses required under this subdivision.

(iv) Establish, augment, or restore any debt service reserve under this subdivision.

(M) Expend money and provide financial assistance as authorized in section 12.2(a)(27) of this chapter.

The allocation fund may not be used for operating expenses of the commission.

(4) Except as provided in subsection (g), before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3), plus the amount necessary for other purposes described in subdivision (3).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the
respective taxing units in the manner prescribed in subdivision (1); or
(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation of assessed value to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3) or lessors under section 25.3 of this chapter.

(C) If:
(i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus
(ii) the amount necessary for other purposes described in subdivision (3);
the commission shall submit to the legislative body of the unit its determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(5) Notwithstanding subdivision (4), in the case of an allocation area that is established after June 30, 2019, and that is located in a redevelopment project area described in section 25.1(c)(3)(C) of this chapter, an economic development area described in section 25.1(c)(3)(C) of this chapter, or an urban renewal project area described in section 25.1(c)(3)(C) of this chapter, for each year the allocation provision is in effect, if the amount of excess assessed value determined by the commission under subdivision (4)(A) is expected to generate more than two hundred percent (200%) of:
(A) the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3) for the project; plus
(B) the amount necessary for other purposes described in subdivision (3);
subdivision (3) for the project;
the amount of the excess assessed value that generates more
than two hundred percent (200\%) of the amounts described
in clauses (A) and (B) shall be allocated to the respective
taxing units in the manner prescribed by subdivision (1).
(c) For the purpose of allocating taxes levied by or for any taxing
unit or units, the assessed value of taxable property in a territory in the
allocation area that is annexed by any taxing unit after the effective
date of the allocation provision of the declaratory resolution is the
lesser of:
(1) the assessed value of the property for the assessment date with
respect to which the allocation and distribution is made; or
(2) the base assessed value.
(d) Property tax proceeds allocable to the redevelopment district
under subsection (b)(3) may, subject to subsection (b)(4), be
irrevocably pledged by the redevelopment district for payment as set
forth in subsection (b)(3).
(e) Notwithstanding any other law, each assessor shall, upon
petition of the redevelopment commission, reassess the taxable
property situated upon or in, or added to, the allocation area, effective
on the next assessment date after the petition.
(f) Notwithstanding any other law, the assessed value of all taxable
property in the allocation area, for purposes of tax limitation, property
tax replacement, and formulation of the budget, tax rate, and tax levy
for each political subdivision in which the property is located is the
lesser of:
(1) the assessed value of the property as valued without regard to
this section; or
(2) the base assessed value.
(g) If any part of the allocation area is located in an enterprise zone
created under IC 5-28-15, the unit that designated the allocation area
shall create funds as specified in this subsection. A unit that has
obligations, bonds, or leases payable from allocated tax proceeds under
subsection (b)(3) shall establish an allocation fund for the purposes
specified in subsection (b)(3) and a special zone fund. Such a unit
shall, until the end of the enterprise zone phase out period, deposit each
year in the special zone fund any amount in the allocation fund derived
from property tax proceeds in excess of those described in subsection
(b)(1) and (b)(2) from property located in the enterprise zone that
exceeds the amount sufficient for the purposes specified in subsection
(b)(3) for the year. The amount sufficient for purposes specified in
subsection (b)(3) for the year shall be determined based on the pro rata
portion of such current property tax proceeds from the part of the
township that is within the area as compared to all
such current property tax proceeds derived from the area. A
township that has no obligations, bonds, or leases payable from allocated tax
proceeds under subsection (b)(3) shall establish a special zone fund
and deposit all the property tax proceeds in excess of those described
in subsection (b)(1) and (b)(2) in the fund derived from property tax
proceeds in excess of those described in subsection (b)(1) and (b)(2)
from property located in the enterprise zone. The township that creates the
special zone fund shall use the fund (based on the recommendations of
the urban enterprise association) for programs in job training, job
enrichment, and basic skill development that are designed to benefit
residents and employers in the enterprise zone or other purposes
specified in subsection (b)(3), except that where reference is made in
subsection (b)(3) to allocation area it shall refer for purposes of
payments from the special zone fund only to that part of the allocation
area that is also located in the enterprise zone. Those programs shall
reserve at least one-half (1/2) of their enrollment in any session for
residents of the enterprise zone.

(h) The state board of accounts and department of local government
finance shall make the rules and prescribe the forms and procedures
that they consider expedient for the implementation of this chapter.

After each reassessment in an area under a reassessment plan prepared
under IC 6-1.1-4-4.2, the department of local government finance shall
adjust the base assessed value one (1) time to neutralize any effect of
the reassessment of the real property in the area on the property tax
proceeds allocated to the redevelopment district under this section.

After each annual adjustment under IC 6-1.1-4-4.5, the department of
local government finance shall adjust the base assessed value one (1)
time to neutralize any effect of the annual adjustment on the property
tax proceeds allocated to the redevelopment district under this section.

However, the adjustments under this subsection:

(1) may not include the effect of phasing in assessed value due to
property tax abatements under IC 6-1.1-12.1;
(2) may not produce less property tax proceeds allocable to the
redevelopment district under subsection (b)(3) than would
otherwise have been received if the reassessment under the
reassessment plan or the annual adjustment had not occurred; and
(3) may decrease base assessed value only to the extent that
assessed values in the allocation area have been decreased due to
annual adjustments or the reassessment under the reassessment
plan.

EH 1427—LS 7097/DI 120
Assessed value increases attributable to the application of an abatement schedule under IC 6-1.1-12.1 may not be included in the base assessed value of an allocation area. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

1. The initial allocation deadline is December 31, 2011.
2. Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.
3. At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:
   A. terminates the automatic extension of allocation deadlines under subdivision (2); and
   B. specifically designates a particular date as the final allocation deadline.

SECTION 107. IC 36-7-15.1-26, AS AMENDED BY P.L.86-2018, SECTION 345, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 26. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 8 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means the following:

1. If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:
   A. the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
   B. to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for any the current assessment date after the effective date of the allocation provision.

2. If an allocation provision is adopted after June 30, 1997, in a
declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for any the current assessment date. after the effective date of the allocation provision.

(3) If:
(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and
(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;
the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 26.2 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within
the definition of property taxes, taxes imposed under IC 6-1.1 on
depreciable personal property that has a useful life in excess of eight
(8) years, the commission may by resolution determine the percentage
of taxes imposed under IC 6-1.1 on all depreciable personal property
that will be included within the definition of property taxes. However,
the percentage included must not exceed twenty-five percent (25%) of
the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A resolution adopted under section 8 of this chapter on or before
the allocation deadline determined under subsection (i) may include a
provision with respect to the allocation and distribution of property
taxes for the purposes and in the manner provided in this section. A
resolution previously adopted may include an allocation provision by
the amendment of that resolution on or before the allocation deadline
determined under subsection (i) in accordance with the procedures
required for its original adoption. A declaratory resolution or
amendment that establishes an allocation provision must include a
specific finding of fact, supported by evidence, that the adoption of the
allocation provision will result in new property taxes in the area that
would not have been generated but for the adoption of the allocation
provision. For an allocation area established before July 1, 1995, the
expiration date of any allocation provisions for the allocation area is
June 30, 2025, or the last date of any obligations that are outstanding
on July 1, 2015, whichever is later. However, for an allocation area
identified as the Consolidated Allocation Area in the report submitted
in 2013 to the fiscal body under section 36.3 of this chapter, the
expiration date of any allocation provisions for the allocation area is
January 1, 2051. A declaratory resolution or an amendment that
establishes an allocation provision after June 30, 1995, must specify an
expiration date for the allocation provision. For an allocation area
established before July 1, 2008, the expiration date may not be more
than thirty (30) years after the date on which the allocation provision
is established. For an allocation area established after June 30, 2008,
the expiration date may not be more than twenty-five (25) years after
the date on which the first obligation was incurred to pay principal and
interest on bonds or lease rentals on leases payable from tax increment
revenues. However, with respect to bonds or other obligations that were
issued before July 1, 2008, if any of the bonds or other obligations that
were scheduled when issued to mature before the specified expiration
date and that are payable only from allocated tax proceeds with respect
to the allocation area remain outstanding as of the expiration date, the
allocation provision does not expire until all of the bonds or other
obligations are no longer outstanding. The allocation provision may
apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 19 of this chapter.

(D) Pay the principal of and interest on bonds issued by the consolidated city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds
payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this chapter.

(G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:
(i) in the allocation area; and
(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:
(i) Make, when due, any payments required under clauses (A) through (I), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.
(ii) Make any reimbursements required under this subdivision.
(iii) Pay any expenses required under this subdivision.

(iv) Establish, augment, or restore any debt service reserve under this subdivision.

(K) Expend money and provide financial assistance as authorized in section 7(a)(21) of this chapter.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3).

(C) If:

(i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds
necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus
(ii) the amount necessary for other purposes described in subdivision (3) and subsection (g);
the commission shall submit to the legislative body of the unit the commission's determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:
(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
(2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:
(1) the assessed value of the property as valued without regard to this section; or
(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each
year in the special zone fund the amount in the allocation fund derived
from property tax proceeds in excess of those described in subsection
(b)(1) and (b)(2) from property located in the enterprise zone that
exceeds the amount sufficient for the purposes specified in subsection
(b)(3) for the year. A unit that has no obligations, bonds, or leases
payable from allocated tax proceeds under subsection (b)(3) shall
establish a special zone fund and deposit all the property tax proceeds
in excess of those described in subsection (b)(1) and (b)(2) in the fund
derived from property tax proceeds in excess of those described in
subsection (b)(1) and (b)(2) from property located in the enterprise
zone. The unit that creates the special zone fund shall use the fund,
based on the recommendations of the urban enterprise association, for
one (1) or more of the following purposes:

1. To pay for programs in job training, job enrichment, and basic
   skill development designed to benefit residents and employers in
   the enterprise zone. The programs must reserve at least one-half
   (1/2) of the enrollment in any session for residents of the
   enterprise zone.
2. To make loans and grants for the purpose of stimulating
   business activity in the enterprise zone or providing employment
   for enterprise zone residents in the enterprise zone. These loans
   and grants may be made to the following:
   (A) Businesses operating in the enterprise zone.
   (B) Businesses that will move their operations to the enterprise
       zone if such a loan or grant is made.
3. To provide funds to carry out other purposes specified in
   subsection (b)(3). However, where reference is made in
   subsection (b)(3) to the allocation area, the reference refers for
   purposes of payments from the special zone fund only to that part
   of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government
finance shall make the rules and prescribe the forms and procedures
that they consider expedient for the implementation of this chapter.
After each reassessment under a reassessment plan prepared under
IC 6-1.1-4-4.2, the department of local government finance shall adjust
the base assessed value one (1) time to neutralize any effect of the
reassessment of the real property in the area on the property tax
proceeds allocated to the redevelopment district under this section.
After each annual adjustment under IC 6-1.1-4-4.5, the department of
local government finance shall adjust the base assessed value to
neutralize any effect of the annual adjustment on the property tax
proceeds allocated to the redevelopment district under this section.

EH 1427—LS 7097/DI 120
However, the adjustments under this subsection may not include the
effect of property tax abatements under IC 6-1.1-12.1, and these
adjustments may not produce less property tax proceeds allocable to
the redevelopment district under subsection (b)(3) than would
otherwise have been received if the reassessment under the
reassessment plan or annual adjustment had not occurred. The
department of local government finance may prescribe procedures for
county and township officials to follow to assist the department in
making the adjustments.

(i) The allocation deadline referred to in subsection (b) is
determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.
(2) Subject to subdivision (3), the initial allocation deadline and
subsequent allocation deadlines are automatically extended in
increments of five (5) years, so that allocation deadlines
subsequent to the initial allocation deadline fall on December 31,
2016, and December 31 of each fifth year thereafter.
(3) At least one (1) year before the date of an allocation deadline
determined under subdivision (2), the general assembly may enact
a law that:
   (A) terminates the automatic extension of allocation deadlines
under subdivision (2); and
   (B) specifically designates a particular date as the final
allocation deadline.

assessed value of property that is assessed as residential property
under the rules of the department of local government finance, as

effective date of the allocation provision.

A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision must be approved by resolution of the legislative body of the excluded city and must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public
question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 46 of this chapter.

(G) Reimburse the excluded city for expenditures for local public improvements (which include buildings, park facilities, and other items set forth in section 45 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and
(ii) on a parcel of real property that has been classified as
industrial property under the rules of the department of local
government finance.

However, the total amount of money spent for this purpose in
any year may not exceed the total amount of money in the
allocation fund that is attributable to property taxes paid by the
industrial facilities described in this clause. The
reimbursements under this clause must be made within three
(3) years after the date on which the investments that are the
basis for the increment financing are made.

The special fund may not be used for operating expenses of the
commission.

(4) Before June 15 of each year, the commission shall do the
following:

(A) Determine the amount, if any, by which the assessed value
of the taxable property in the allocation area for the most
recent assessment date minus the base assessed value, when
multiplied by the estimated tax rate of the allocation area, will
exceed the amount of assessed value needed to provide the
property taxes necessary to make, when due, principal and
interest payments on bonds described in subdivision (3) plus
the amount necessary for other purposes described in
subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the fiscal

within the allocation area, and (in an electronic format) the
department of local government finance. The notice must:

(i) state the amount, if any, of excess assessed value that the
commission has determined may be allocated to the
respective taxing units in the manner prescribed in
subdivision (1); or

(ii) state that the commission has determined that there is no
excess assessed value that may be allocated to the respective
taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units
the amount, if any, of excess assessed value determined by the
commission. The commission may not authorize an allocation
to the respective taxing units under this subdivision if to do so
would endanger the interests of the holders of bonds described
(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

1. the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
2. the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located, is the lesser of:

1. the assessed value of the property as valued without regard to this section; or
2. the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund,
based on the recommendations of the urban enterprise association, for
one (1) or more of the following purposes:

(1) To pay for programs in job training, job enrichment, and basic
skill development designed to benefit residents and employers in
the enterprise zone. The programs must reserve at least one-half
(1/2) of the enrollment in any session for residents of the
enterprise zone.

(2) To make loans and grants for the purpose of stimulating
business activity in the enterprise zone or providing employment
for enterprise zone residents in an enterprise zone. These loans
and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise
zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in
subsection (b)(3). However, where reference is made in
subsection (b)(3) to the allocation area, the reference refers, for
purposes of payments from the special zone fund, only to that part
of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government
finance shall make the rules and prescribe the forms and procedures
that they consider expedient for the implementation of this chapter.

After each reassessment of real property in an area under a county's
reassessment plan prepared under IC 6-1.1-4-4.2, the department of
local government finance shall adjust the base assessed value one (1)

the area on the property tax proceeds allocated to the redevelopment
district under this section. After each annual adjustment under
IC 6-1.1-4-4.5, the department of local government finance shall adjust
the base assessed value to neutralize any effect of the annual
adjustment on the property tax proceeds allocated to the redevelopment
district under this section. However, the adjustments under this
subsection may not include the effect of property tax abatements under
IC 6-1.1-12.1, and these adjustments may not produce less property tax
proceeds allocable to the redevelopment district under subsection
(b)(3) than would otherwise have been received if the reassessment
under the county's reassessment plan or annual adjustment had not
occurred. The department of local government finance may prescribe
procedures for county and township officials to follow to assist the
department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is
determined in the following manner:
(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

SECTION 119. IC 36-8-7.5-10, AS AMENDED BY
P.L.182-2009(ss), SECTION 433, IS AMENDED TO READ AS
FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 10. (a) If the local
board determines that the total amount of money available for a year
will be insufficient to pay the benefits, pensions, and retirement
allowances the local board is obligated to pay under this chapter, the
local board shall, before the date on which the budget of the police
special service district is adopted, prepare an itemized estimate in the

EH 1427—LS 7097/DI 120
form prescribed by the state board of accounts of the amount of money
that will be receipted into and disbursed from the 1953 fund during the
next fiscal year. The estimated receipts consist of the items enumerated
in section 8 of this chapter. The estimated disbursements consist of an
estimate of the amount of money that will be needed by the local board
during the next fiscal year to defray the expenses and obligations
incurred and that will be incurred by the local board in making the
payments prescribed by this chapter to retired members, to members
who are eligible and expect to retire during the ensuing fiscal year, and
to the dependents of deceased members.

(b) At the time when the estimates are prepared and submitted, the
local board shall also prepare and submit a certified statement showing:
(1) the estimated number of beneficiaries from the 1953 fund
during the ensuing fiscal year in each of the various
classifications of beneficiaries as prescribed in this chapter, and
the names and amount of benefits being paid to those actively on
the list of beneficiaries at that time;
(2) the name, age, and length of service of each member of the
police department who is eligible to and expects to retire during
the ensuing fiscal year, and the monthly and yearly amounts of the
payment that the member will be entitled to receive; and
(3) the name and age of each dependent of a member of the police
department who is then receiving benefits, the date on which the
dependent commenced drawing benefits, and the date on which
the dependent will cease to be a dependent by reason of attaining
the age limit prescribed by this chapter, and the monthly and
yearly amounts of the payments to which each of the dependents
is entitled.

(c) After the amounts of receipts and disbursements shown in the
itemized estimate are fixed and approved by the executive, fiscal
officer, legislative body and other bodies, as provided by law for other
municipal funds, the total receipts shall be deducted from the total
expenditures stated in the itemized estimate, and the amount of the
excess shall be paid by the police special service district in the same
manner as other expenses of the district are paid. The legislative body
shall levy a tax and the money derived from the levy shall, when
collected, be credited exclusively to the 1953 fund, including the
payments described in section 10.5 of this chapter. The tax shall be
levied in the amount and at the rate that is necessary to produce
sufficient revenue to equal the deficit. Notwithstanding any other law,
neither the county board of tax adjustment nor the department of local
government finance may not reduce the tax levy.
SECTION 120. IC 36-8-11-18, AS AMENDED BY P.L.146-2008,

district. After estimating expenses and receipts of money, the board

the taxes the auditor shall issue a warrant on the treasurer to transfer 
the revenues collected to the board, as provided by statute. 

SECTION 121. IC 36-8-11-22.1, AS AMENDED BY P.L.146-2008,

SECTION 122. IC 36-8-11-23, AS AMENDED BY P.L.146-2008, SECTION 782, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 23. (a) Any fire protection district may merge with one (1) or more protection districts to form a single district if at least one-eighth (1/8) of the aggregate external boundaries of the districts coincide.

(b) The legislative body of the county where at least two (2) districts are located (or if the districts are located in more than one (1) county, the legislative body of each county) shall, if petitioned by freeholders in the two (2) districts, adopt an ordinance merging the districts into a single fire protection district.

(c) Freeholders who desire the merger of at least two (2) fire protection districts must initiate proceedings by filing a petition in the office of the county auditor of each county where a district is located. The petition must be signed:

(1) by at least twenty percent (20%), with a minimum of five hundred (500) from each district, of the freeholders owning land within the district; or

(2) by a majority of the freeholders from the districts; whichever is less.

(d) The petition described in subsection (c) must state the same items listed in section 7 of this chapter. Sections 6, 8, and 9 of this chapter apply to the petition and to the legislative body of each county in the proposed district.

(e) The board of fire trustees for each district shall form a single board, which shall continue to be appointed as prescribed by section 12 of this chapter. In addition, sections 13, 14, and 15 of this chapter relating to the board of fire trustees apply to the board of the merged district, except that if the merged district lies in more than one (1) county, the county legislative bodies serving the combined district shall jointly decide where the board shall locate (or approve relocation of) its office.

(f) Sections 16, 17, 18, 19, and 21 of this chapter relating to the taxing district, bonds, annual budget, tax levies, and disbanding of fire departments apply to a merged district. SECTION 123. IC 36-8-12-4.5 IS ADDED TO THE INDIANA
CODE AS A NEW SECTION TO READ AS FOLLOWS

[EFFECTIVE UPON PASSAGE]: Sec. 4.5. If a city, town, or township contracts with a volunteer fire department to provide services to the city, town, or township for a purpose authorized under this chapter, the contract must be:

(1) in writing; and
(2) for a fixed term.

SECTION 124. IC 36-8-13-4.7, AS AMENDED BY P.L.146-2008, SECTION 783, IS AMENDED TO READ AS FOLLOWS

[EFFECTIVE JULY 1, 2019]: Sec. 4.7. (a) For a township that elects to have the township provide fire protection and emergency services under section 3(c) of this chapter, the department of local government finance shall adjust the township's maximum permissible levy in the year following the year in which the change is elected, as determined under IC 6-1.1-18.5-3, to reflect the change from providing fire protection or emergency services under a contract between the municipality and the township to allowing the township to impose a property tax levy on the taxable property located within the corporate boundaries of each municipality. For the ensuing calendar year, the township's maximum permissible property tax levy shall be increased by the product of:

(1) one and five-hundredths (1.05); multiplied by
(2) the amount the township contracted or billed to receive, regardless of whether the amount was collected:
   (A) in the year in which the change is elected; and
   (B) as fire protection or emergency service payments from the municipalities or residents of the municipalities covered by the election under section 3(c) of this chapter.

The maximum permissible levy for a general fund or other fund of a municipality covered by the election under section 3(c) of this chapter shall be reduced for the ensuing calendar year to reflect the change to allowing the township to impose a property tax levy on the taxable property located within the corporate boundaries of the municipality.

The total reduction in the maximum permissible levies for all electing municipalities must equal the amount that the maximum permissible levy for the township is increased under this subsection for contracts or billings, regardless of whether the amount was collected, less the amount actually paid from sources other than property tax revenue.

(b) For purposes of determining a township's and each municipality's maximum permissible ad valorem property tax levy under IC 6-1.1-18.5-3 for years following the first year after the year in which the change is elected, a township's and each municipality's
maximum permissible ad valorem property tax levy is the levy after the
adjustment made under subsection (a).

(c) The township may use the amount of a maximum permissible
property tax levy computed under this section in setting budgets and
property tax levies for any year in which the election in section 3(c) of
this chapter is in effect. A county board of tax adjustment may not
reduce a budget or tax levy solely because the budget or levy is based
on the maximum permissible property tax levy computed under this
section.

(d) Section 4.6 of this chapter does not apply to a property tax levy
or a maximum property tax levy subject to this section.

SECTION 125. IC 36-9-3-29, AS AMENDED BY P.L.146-2008,

annual budget for the authority's operating and maintenance
expenditures and necessary capital expenditures. Each annual budget
is subject to review and modification by the:

(1) fiscal body of the county or municipality that establishes the
authority; and

(2) county board of tax adjustment and the department of local
government finance under IC 6-1.1-17.

SECTION 126. IC 36-9-4-47, AS AMENDED BY P.L.146-2008,
SECTIONS 788, IS AMENDED TO READ AS FOLLOWS
[EFFECTIVE JULY 1, 2019]: Sec. 47. (a) The board of directors of a
public transportation corporation may:

(1) borrow money in anticipation of receipt of the proceeds of
taxes that have been levied by the board and have not yet been
collected; and

(2) evidence this borrowing by issuing warrants of the
corporation.

The money that is borrowed may be used by the corporation for
payment of principal and interest on its bonds or for payment of current
operating expenses.

(b) The warrants:

(1) bear the date or dates;

(2) mature at the time or times on or before December 31
following the year in which the taxes in anticipation of which the
warrants are issued are due and payable;

(3) bear interest at the rate or rates and are payable at the time or
times;

(4) may be in the denominations;

(5) may be in the forms, either registered or payable to bearer;
(6) are payable at the place or places, either inside or outside Indiana;
(7) are payable in the medium of payment;
(8) are subject to redemption upon the terms, including a price not exceeding par and accrued interest; and
(9) may be executed by the officers of the corporation in the manner; provided by resolution of the board of directors. The resolution may also authorize the board to pay from the proceeds of the warrants all costs incurred in connection with the issuance of the warrants.

(c) The warrants may be authorized and issued at any time after the board of directors levies the tax or taxes in anticipation of which the warrants are issued.

(d) The warrants may be sold for not less than par value after notice inviting bids has been published in accordance with IC 5-3-1. The board of directors may also publish the notice inviting bids in other newspapers or financial journals.

(e) After the warrants are sold, they may be delivered and paid for at one (1) time or in installments.

(f) The aggregate principal amount of warrants issued in anticipation of and payable from the same tax levy or levies may not exceed eighty percent (80%) of the levy or levies, as the amount of the levy or levies is certified by the department of local government finance, or as is determined by multiplying the rate of tax as finally approved by the total assessed valuation of taxable property within the taxing district of the public transportation corporation as most recently certified by the county auditor.

(g) For purposes of this section, taxes for any year are considered to be levied when the board of directors adopts the ordinance prescribing the tax levies for the year. However, warrants may not be delivered and paid for before final approval of a tax levy or levies by the county board of tax adjustment (or, if appealed, by the department of local government finance unless the issuance of the warrants has been approved by the department of local government finance.

(h) The warrants and the interest on them are not subject to sections 43 and 44 of this chapter and are payable solely from the proceeds of the tax levy or levies in anticipation of which the warrants were issued. The authorizing resolution must pledge a sufficient amount of the proceeds of the tax levy or levies to the payment of the warrants and the interest.

(i) All actions of the board of directors under this section may be taken by resolution, which need not be published or posted. The
resolution takes effect immediately upon its adoption by a majority of
the members of the board of directors.

(j) An action to contest the validity of any tax anticipation warrants
may not be brought later than ten (10) days after the sale date.

SECTION 127. IC 36-9-4-51 IS AMENDED TO READ AS
FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 51. (a) The board of
directors of a public transportation corporation shall prepare an annual
budget for the expenditures of the corporation.

(b) This subsection applies only when a municipality, having
operated an urban mass transportation system under a department of
municipal government, establishes a public transportation corporation
under section 10 of this chapter to maintain that system. The annual
operating and maintenance budget for the corporation shall be subject
to review and modification by the legislative body of the municipality.

(c) A public transportation corporation may not impose a property
tax levy on property that it has not taxed before January 1, 1982, and
that lies outside the corporate boundaries of the municipality without
the approval of the fiscal body or county council of the county in which
the municipality is located.

(d) The budget and any tax levies prepared by the board shall be
prepared and submitted at the same time, in the same manner, and with
the same notice as is prescribed by IC 6-1.1-17 for the annual budget
of the municipality. The county tax adjustment board and the
department of local government finance may review the budget and tax
levies in the same manner by which they review the department
reviews budgets and tax levies of the municipality.

SECTION 128. IC 36-9-12-5 IS AMENDED TO READ AS
FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 5. (a) Money deposited
in the special fund under section 4 of this chapter may be expended
only upon a specific appropriation made for that purpose by the
municipal legislative body in the same manner that it appropriates
other public money.

(b) The municipal works board or board of transportation shall
prepare an itemized estimate of the money necessary for the operation
of parking meters for the ensuing year at the regular time of making
and filing budget estimates for other departments of the municipality.
These estimates shall be made and presented to the municipal
legislative body in the same manner as other department estimates.

(c) An appropriation under this section is not subject to review by
the county tax adjustment board or the department of local government
finance, and the general statutes regarding appropriation of funds do
not affect this chapter.
SECTION 129. IC 36-9-13-35, AS AMENDED BY P.L.146-2008, SECTION 790, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 35. The annual operating budget of a building authority is subject to review by the county board of tax adjustment and then by the department of local government finance as in the case of other political subdivisions.

SECTION 130. IC 36-9-22-2, AS AMENDED BY P.L.18-2018, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 2. (a) The power of the municipal works board to fix the terms of a contract under this section applies to contracts for the installation of sewage works that have not been finally approved or accepted for full maintenance and operation by the municipality on July 1, 1979.

(b) The works board of a municipality may contract with owners of real property for the construction of sewage works within the municipality or within four (4) miles outside its corporate boundaries in order to provide service for the area in which the real property of the owners is located. The contract must provide, for a period of not to exceed fifteen (15) years, for the payment to the owners and their assigns by any owner of real property who:

1. did not contribute to the original cost of the sewage works;
2. subsequently taps into, uses, or deposits sewage or storm waters in the sewage works or any lateral sewers connected to them;

of a fair pro rata share of the cost of the construction of the sewage works, subject to the rules of the board and notwithstanding any other law relating to the functions of local governmental entities. However, the contract does not apply to any owner of real property who is not a party to the contract unless the contract or (after June 30, 2013) a signed memorandum of the contract has been recorded in the office of the recorder of the county in which the real property of the owner is located before the owner taps into or connects to the sewers and facilities. The board may provide that the fair pro rata share of the cost of construction includes interest at a rate not exceeding the amount of interest allowed on judgments, and the interest shall be computed from the date the sewage works are approved until the date payment is made to the municipality.

(c) The contract must include, as part of the consideration running to the municipality, the release of the right of:
1. the parties to the contract; and
2. the successors in title of the parties to the contract;
to remonstrate against pending or future annexations by the
municipality of the area served by the sewage works. Any person
tapping into or connecting to the sewage works contracted for is
considered to waive the person's rights to remonstrate against the
annexation of the area served by the sewage works.

(d) Notwithstanding subsection (c), the works board of a
municipality may waive the provisions of subsection (c) in the contract
if the works board considers a waiver of subsection (c) to be in the best
interests of the municipality.

c) This subsection does not affect any rights or liabilities accrued,
or proceedings begun before July 1, 2013. Those rights, liabilities, and
proceedings continue and shall be imposed and enforced under prior
law as if this subsection had not been enacted. For contracts executed
after June 30, 2013, if the release of the right to remonstrate is not void
under subsection (i), (j), or (k), the release is binding on a successor
in title to a party to the contract only if the successor in title:

(1) has actual notice of the release; or
(2) has constructive notice of the release because the contract, or
   a signed memorandum of the contract stating the release, has been
   recorded in the chain of title of the property.

(f) Subsection (c) does not apply to a landowner if all of the
following conditions apply:

(1) The landowner is required to connect to the sewage works
   because a person other than the landowner has polluted or
   contaminated the area.
(2) The costs of extension of or connection to the sewage works
   are paid by a person other than the landowner or the municipality.

(g) Subsection (c) does not apply to a landowner who taps into,
connects to, or is required to tap into or connect to the sewage works
of a municipality only because the municipality provides wholesale
sewage service (as defined in IC 8-1-2-61.7) to another municipality
that provides sewage service to the landowner.

(h) Notwithstanding any other law, a waiver of the right of
remonstrance executed after June 30, 2015; expires not later than
fifteen (15) years after the date the waiver was executed.

(i) (h) This subsection applies to any deed recorded after June 30,
2015. This subsection applies only to property that is subject to a
remonstrance waiver. A municipality shall provide written notice to
any successor in title to property within a reasonable time after the
deed is recorded, that a waiver of the right of remonstrance exists with
respect to the property.

(i) A remonstrance waiver executed on or before July 1, 2003,
is void. This subsection does not invalidate an annexation that was effective on or before July 1, 2019.

(j) A remonstrance waiver executed after June 30, 2003, and not later than June 30, 2019, is subject to the following:

1. The waiver is void unless the waiver was recorded:
   1. (A) before January 1, 2020; and
   2. (B) with the county recorder of the county where the property subject to the waiver is located.

2. A waiver that is not void under subdivision (1) expires not later than fifteen (15) years after the date the waiver is executed.

This subsection does not invalidate an annexation that was effective on or before July 1, 2019.

(k) A remonstrance waiver executed after June 30, 2019, is subject to the following:

1. The waiver is void unless the waiver is recorded:
   1. (A) not later than thirty (30) business days after the date the waiver was executed; and
   2. (B) with the county recorder of the county where the property subject to the waiver is located.

2. A waiver that is not void under subdivision (1) expires not later than fifteen (15) years after the date the waiver is executed.

This subsection does not invalidate an annexation that was effective on or before July 1, 2019.

SECTION 131. IC 36-9-25-14, AS AMENDED BY P.L.228-2015, SECTION 24, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 14. (a) As to each municipality to which this chapter applies:

1. all the territory included within the corporate boundaries of the municipality; and
2. any territory, town, addition, platted subdivision, or unplatted land lying outside the corporate boundaries of the municipality that has been taken into the district in accordance with a prior statute, the sewage or drainage of which discharges into or through the sewage system of the municipality;

constitutes a special taxing district for the purpose of providing for the sanitary disposal of the sewage of the district in a manner that protects the public health and prevents the undue pollution of watercourses of the district.

(b) Upon request by:

1. a resolution adopted by the legislative body of another
municipality in the same county; or
(2) a petition of the majority of the resident freeholders in a
platted subdivision or of the owners of unplatted land outside the
boundaries of a municipality, if the platted subdivision or
unplatted land is in the same county;
the board may adopt a resolution incorporating all or any part of the
area of the municipality, platted subdivision, or unplatted land into the
district.
(c) A request under subsection (b) must be signed and certified as
correct by the secretary of the legislative body, resident freeholders, or
landowners. The original shall be preserved in the records of the board.
The resolution of the board incorporating an area in the district must be
in writing and must contain an accurate description of the area
incorporated into the district. A certified copy of the resolution, signed
by the president and secretary of the board, together with a map
showing the boundaries of the district and the location of additional
areas, shall be delivered to the auditor of the county within which the
district is located. It shall be properly indexed and kept in the
permanent records of the offices of the auditor.
(d) In addition, upon request by ten (10) or more interested resident
freeholders in a platted or unplatted territory, the board may define the
limits of an area within the county and including the property of the
freeholders that is to be considered for inclusion into the district.
Notice of the defining of the area by the board, and notice of the
location and limits of the area, shall be given by publication in
accordance with IC 5-3-1. Upon request by a majority of the resident
freeholders of the area, the area may be incorporated into the district in
the manner provided in this section. The resolution of the board
incorporating the area into the district and a map of the area shall be
made and filed in the same manner.
(e) In addition, a person owning or occupying real property outside
the district may enter into a sewer service agreement with the board for
connection to the sewage works of the district. If the agreement
provides for connection at a later time, the date or the event upon
which the service commences shall be stated in the agreement. The
agreement may impose any conditions for connection that the board
determines. The agreement must also provide the amount of service
charge to be charged for connection if the persons are not covered
under section 11 of this chapter, with the amount to be fixed by the
board in its discretion and without a hearing.
(f) All sewer service agreements made under subsection (e) or (after
June 30, 2013) a signed memorandum of the sewer service agreement
shall be recorded in the office of the recorder of the county where the property is located. The agreements run with the property described and are binding upon the persons owning or occupying the property, their personal representatives, heirs, devisees, grantees, successors, and assigns. Each agreement that is recorded, or each agreement of which a signed memorandum is recorded, and that provides for the property being served to be placed on the tax rolls shall be certified by the board to the auditor of the county where the property is located. The certification must state the date the property is to be placed on the tax rolls, and upon receipt of the certification together with a copy of the agreement, the auditor shall immediately place the property certified upon the rolls of property subject to the levy and collection of taxes for the district. An agreement may provide for the collection of a service charge for the period services are rendered before the levy and collection of the tax.

(g) Except as provided in subsection (j), sewer service agreements made under subsection (e) must contain a waiver provision that persons (other than municipalities) who own or occupy property agree for themselves, their executors, administrators, heirs, devisees, grantees, successors, and assigns that they will:

1. neither object to nor file a remonstrance against the proposed annexation of the property by a municipality within the boundaries of the district;
2. not appeal from an order or a judgment annexing the property to a municipality; and
3. not file a complaint or an action against annexation proceedings.

(h) This subsection does not affect any rights or liabilities accrued or proceedings begun before July 1, 2013. Those rights, liabilities, and proceedings continue and shall be imposed and enforced under prior law as if this subsection had not been enacted. For contracts executed after June 30, 2013, a waiver of the right to remonstrate under subsection (g) that is not void under subsection (i), (m), or (n) is binding as to an executor, administrator, heir, devisee, grantee, successor, or assign of a party to a sewer service agreement under subsection (g) only if the executor, administrator, heir, devisee, grantee, successor, or assign:

1. has actual notice of the waiver; or
2. has constructive notice of the waiver because the sewer service agreement or a signed memorandum of the sewer service agreement stating the waiver has been recorded in the chain of title of the property.
(i) This section does not affect any sewer service agreements entered into before March 13, 1953. However, this section applies to a remonstrance waiver regardless of when the waiver was executed.

(j) Subsection (g) does not apply to a landowner if all of the following conditions apply:

(1) The landowner is required to connect to a sewer service because a person other than the landowner has polluted or contaminated the area.

(2) The costs of extension of service or connection to the sewer service are paid by a person other than the landowner or the municipality.

(k) Notwithstanding any other law, a waiver of the right of remonstrance executed after June 30, 2015, expires not later than fifteen (15) years after the date the waiver was executed.

(l) A remonstrance waiver executed before July 1, 2003, is void. This subsection does not invalidate an annexation that was effective on or before July 1, 2019.

(m) A remonstrance waiver executed after June 30, 2003, and before July 1, 2019, is subject to the following:

(1) The waiver is void unless the waiver was recorded:

(A) before January 1, 2020; and

(B) with the county recorder of the county where the property subject to the waiver is located.

(2) the amount of interest in the county's account that has accrued and has not been included in a certification made in a preceding year.

The amount certified is the county's certified distribution for the immediately succeeding calendar year. The amount certified shall be
adjusted, as necessary, under sections 6, 7, and 8 of this chapter. Not later than fifteen (15) days after receiving the amount of the certified distribution, the department of local government finance shall determine for each taxing unit and notify the county auditor of the certified amount of property tax credits, school distributions, public safety revenue, economic development revenue, certified shares, and special purpose revenue that will be distributed to the taxing unit under this chapter during the ensuing calendar year. The budget agency shall use the trust account balance as of December 31 of the year that precedes the determination year by two (2) years (referred to as the "trust account balance year" in this section).

(c) After the effective date of an ordinance adopted under subsection (b), the medical care trust board may do the following:

SECTION 58. IC 16-22-3-19.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS

EH 1427—LS 7097/DI 120
[EFFECTIVE JULY 1, 2019]: Sec. 19.5. (a) This section applies to a county that before 1990 sold its hospital property and established a medical care trust board to hold the proceeds from the sale.

(b) As used in this section, "trust board" refers to a medical care trust board established to hold the proceeds from the sale of a county hospital.

(c) The trust board shall contract with investment managers, investment advisors, investment counsel, trust companies, banks, or other finance professionals to assist the trust board in an investment program. Money held by the trust board must be invested in accordance with the terms of an investment policy statement developed by the board of directors of the trust board with an investment advisor that:

(1) is approved by the board of directors; and

(2) complies with the diversification, risk management, and other fiduciary requirements common to the management of charitable trusts, including that the funds of the trust board must be invested according to the prudent investor rule. (e) The total amount of the funds invested by the trust board in equity securities under this section may not exceed fifty-five percent (55%) of the total value of the portfolio of funds invested by the trust board under this section. However:

(1) an investment that complies with this subsection when the investment is made remains legal even if a subsequent change in the value of the investment or a change in the value of the total portfolio of funds invested by the trust board causes the percentage of investments in equity securities to exceed the fifty-five percent (55%) limit on equity securities; and

(2) if the total amount of the funds invested by a trust board in equity securities exceeds the fifty-five percent (55%) limit on equity securities because of a change described in subdivision (1), the investments by the trust board must be rebalanced to comply with the fifty-five percent (55%) limit on equity investments not later than one hundred twenty (120) days after the equity investments first exceed that limit.
(f) The following apply to the trust board:

1. The trust board must be audited annually by an independent third party auditor.
2. The board of directors of the trust board must meet at least quarterly to receive a quarterly compliance and performance update from the investment advisor.
3. Three (3) nonvoting advisors who are officers of different county designated depositories shall attend the quarterly meetings in an advisory capacity to assist the board of directors of the trust board:
   a. in reviewing the compliance and performance report from the investment advisor; and
   b. in reviewing the annual audit required by subdivision (1).

The three (3) nonvoting advisors may not vote on any action of the board of directors. The board of directors of the trust board shall by majority vote select the three (3) depositories from which the three (3) nonvoting advisors will be chosen. Each of the three (3) depositories selected under this subdivision shall select an officer of the depository to serve as one (1) of the three (3) nonvoting advisors. Each nonvoting advisor shall serve a term of three (3) years, and the nonvoting advisor shall continue to serve until a successor is selected. However, to provide for staggered terms, the board of directors of the trust board shall provide that the initial term of one (1) nonvoting advisor is one (1) year, the initial term of one (1) nonvoting advisor is two (2) years, and the initial term of one (1) nonvoting advisor is three (3) years. For purposes of avoiding a conflict of interest, a financial institution for which a nonvoting advisor is an officer (and any affiliate of such a financial institution) may not receive a commission or other compensation for investments made by the trust board under this section.

(a) A taxpayer may appeal an assessment of a taxpayer's tangible property by filing a notice in writing with the township assessor, or the county assessor if the township is not served by a township assessor. Except as provided in subsection (e), an appeal under this section may raise any claim of an error related to the following:

A written notice under this section must be made on a form designated by the department of local government finance. A taxpayer must file a separate petition for each parcel.

(b) A taxpayer may appeal an error in the assessed value of the property under subsection (a)(1) any time after the official's action, but not later than the following:

(1) For assessments before January 1, 2019, the earlier of:
(A) forty-five (45) days after the date on which the notice of assessment is mailed by the county; or

(3) For assessments of personal property, forty-five (45) days after the date on which the county mails the notice under IC 6-1.1-3-20.

A taxpayer may appeal an error in the assessment under subsection (a)(2), (a)(3), (a)(4), (a)(5), or (a)(6) not later than three (3) years after the taxes were first due.

(c) Except as provided in subsection (d), an appeal under this section applies only to the tax year corresponding to the tax statement or other notice of action.

(d) An appeal under this section applies to a prior tax year if a county official took action regarding a prior tax year, and such action is reflected for the first time in the tax statement. A taxpayer who has timely filed a written notice of appeal under this section may be required to file a petition for each tax year, and each petition filed later must be considered timely.

(e) A taxpayer may not appeal under this section any claim of error related to the following:

(f) The filing of a written notice under this section constitutes a request by the taxpayer for a preliminary informal meeting with the township assessor, or the county assessor if the township is not served.
by a township assessor.

(g) A county or township official who receives a written notice under this section shall forward the notice to the county board.

SECTION 24. IC 6-1.1-15-4, AS AMENDED BY P.L.86-2018, SECTION 47, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 4. (a) After receiving a petition for review which is filed under section 3 of this chapter, the Indiana board shall conduct a hearing at its earliest opportunity. The Indiana board may correct any errors that may have been made and adjust the assessment or exemption in accordance with the correction.

(b) If the Indiana board conducts a site inspection of the property as part of its review of the petition, the Indiana board shall give notice to all parties of the date and time of the site inspection. The Indiana board is not required to assess the property in question. The Indiana board shall give notice of the date fixed for the hearing, by mail, to the taxpayer and to the county assessor. The Indiana board shall give these notices at least thirty (30) days before the day fixed for the hearing unless the parties agree to a shorter period. With respect to a petition for review filed by a county assessor, the county board that made the determination under review under this section may file an amicus curiae brief in the review proceeding under this section. The expenses incurred by the county board in filing the amicus curiae brief shall be paid from the property reassessment fund under IC 6-1.1-4-27.5 of the county in which the property is located. The executive of a taxing unit may file an amicus curiae brief in the review proceeding under this section if the property whose assessment or exemption is under appeal is subject to assessment by that taxing unit.

(c) If a petition for review does not comply with the Indiana board's instructions for completing the form prescribed under section 3 of this chapter, the Indiana board shall return the petition to the petitioner and include a notice describing the defect in the petition. The petitioner then has thirty (30) days from the date on the notice to cure the defect and file a corrected petition. The Indiana board shall deny a corrected petition for review if it does not substantially comply with the Indiana board's instructions for completing the form prescribed under section 3 of this chapter.

(d) After the hearing, the Indiana board shall give the taxpayer, the county assessor, and any entity that filed an amicus curiae brief:

(1) notice, by mail, of its final determination; and
(2) for parties entitled to appeal the final determination, notice of the procedures they must follow in order to obtain court review under section 5 of this chapter.
(e) Except as provided in subsection (f), the Indiana board shall conduct a hearing not later than nine (9) months one (1) year after a petition in proper form is filed with the Indiana board, excluding any time due to a delay reasonably caused by the petitioner.

(f) With respect to an appeal of a real property assessment that takes effect on the assessment date on which a reassessment of real property takes effect under IC 6-1.1-4-4.2, the Indiana board shall conduct a hearing not later than one (1) year after a petition in proper form is filed with the Indiana board, excluding any time due to a delay reasonably caused by the petitioner.

(g) Except as provided in subsection (h), the Indiana board shall make issue a determination not later than the later of:

1. ninety (90) days after the hearing; or
2. the date set in an extension order issued by the Indiana board.

The board may not extend the date by more than one hundred eighty (180) days.

(h) With respect to an appeal of a real property assessment that takes effect on the assessment date on which a reassessment of real property takes effect under IC 6-1.1-4-4.2, the Indiana board shall make a determination not later than the later of:

1. one hundred eighty (180) days after the hearing; or
2. the date set in an extension order issued by the Indiana board.

The time periods described in subsections (e) and (f) do not include any period of time that is attributable to a party's:
1. request for a continuance, stay, extension, or summary disposition;
2. consent to a case management order, stipulated record, or proposed hearing date;
3. failure to comply with the board's orders or rules; or
4. waiver of a deadline.

(i) The Indiana board may not extend the final determination date under subsection (g) or (h) by more than one hundred eighty (180) days. If the Indiana board fails to make a final determination take action required under subsection (e) or (f), within the time allowed by this section, the entity that initiated the petition may:
1. take no action and wait for the Indiana board to make hear the matter and issue a final determination; or
2. petition for judicial review under section 5 of this chapter.

This subsection applies when the board has not held a hearing. A person may not seek judicial review under subsection (h)(2) until the person:
1. requests a hearing in writing; and
(2) sixty (60) days have passed after the person requests a hearing under subdivision (1) and the matter has not been heard or otherwise extended under subsection (g).

(j) A final determination must include separately stated findings of fact for all aspects of the determination. Findings of ultimate fact must be accompanied by a concise statement of the underlying basic facts of record to support the findings. Findings must be based exclusively upon the evidence on the record in the proceeding and on matters officially noticed in the proceeding. Findings must be based upon a preponderance of the evidence.

(k) The Indiana board may limit the scope of the appeal to the issues raised in the petition and the evaluation of the evidence presented to the county board in support of those issues only if all parties participating in the hearing required under subsection (a) agree to the limitation. A party participating in the hearing required under subsection (a) is entitled to introduce evidence that is otherwise proper and admissible without regard to whether that evidence has previously been introduced at a hearing before the county board.

(l) The Indiana board may require the parties to the appeal:

(1) to file not more than five (5) business days before the date of the hearing required under subsection (a) documentary evidence or summaries of statements of testimonial evidence; and

(2) to file not more than fifteen (15) business days before the date of the hearing required under subsection (a) lists of witnesses and exhibits to be introduced at the hearing.

(m) A party to a proceeding before the Indiana board shall provide to all other parties to the proceeding the information described in subsection (l) if the other party requests the information in writing at least ten (10) days before the deadline for filing of the information under subsection (l).

(n) The Indiana board may base its final determination on a stipulation between the respondent and the petitioner. If the final determination is based on a stipulated assessed valuation of tangible property, the Indiana board may order the placement of a notation on the permanent assessment record of the tangible property that the assessed valuation was determined by stipulation. The Indiana board may:

(1) order that a final determination under this subsection has no precedential value; or

(2) specify a limited precedential value of a final determination under this subsection.

(o) If a party to a proceeding, or a party's authorized representative,
elects to receive any notice under this section by electronic mail, the notice is considered effective in the same manner as if the notice had been sent by United States mail, with postage prepaid, to the party's or representative's mailing address of record.

(p) At a hearing under this section, the Indiana board shall admit into evidence an appraisal report, prepared by an appraiser, unless the appraisal report is ruled inadmissible on grounds besides a hearsay objection. This exception to the hearsay rule shall not be construed to limit the discretion of the Indiana board, as trier of fact, to review the probative value of an appraisal report.

SECTION 25. IC 6-1.1-15-5, AS AMENDED BY P.L.219-2007, SECTION 41, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 5. The Indiana board may conduct a rehearing and affirm or modify its final determination, giving the same notices after the rehearing as are required by section 4 of this chapter. The Indiana board has fifteen (15) days after receiving a petition for a rehearing to determine whether to grant a rehearing. Failure to grant a rehearing not later than fifteen (15) days after receiving the petition shall be treated as a final determination to deny the petition. A petition for a rehearing does not toll the time in which to file a petition for judicial review unless the petition for rehearing is granted. If the Indiana board determines to rehear a final determination, the Indiana board:

(1) may conduct the additional hearings that the Indiana board determines necessary or review the written record without additional hearings; and
(2) shall issue a final determination not later than ninety (90) days after notifying the parties that the Indiana board will rehear the final determination.

If the Indiana board fails to make a final determination within the time allowed under subdivision (2), the entity that initiated the petition for rehearing may take no action and wait for the Indiana board to make a final determination or petition for judicial review under subsection (g).

(b) A party may petition for judicial review of the final determination of the Indiana board regarding the assessment or exemption of tangible property. In order to obtain judicial review under this section, a party must:

EH 1427—LS 7097/DI 120

(2) serve a copy of the petition on:
   (A) the county assessor;
   (B) the attorney general; and
   (C) any entity that filed an amicus curiae brief with the Indiana board; and
(3) file a written notice of appeal with the Indiana board informing the Indiana board of the party's intent to obtain judicial review.

Petitions for judicial review may be consolidated at the request of the appellants if it can be done in the interest of justice. The department of local government finance may intervene in an action taken under this subsection if the interpretation of a rule of the department is at issue in the action. The county assessor is a party to the review under this section.

(c) Except as provided in subsection (g), to initiate a proceeding for judicial review under this section, a party must take the action required by subsection (b) not later than:
   (1) forty-five (45) days after the Indiana board gives the person notice of its final determination, unless a rehearing is conducted under subsection (a); or
   (2) forty-five (45) days after the Indiana board gives the person notice under subsection (a) of its final determination, if a rehearing is conducted under subsection (a) or the maximum time elapses for the Indiana board to make a determination under this section.

(d) The failure of the Indiana board to conduct a hearing within the period prescribed in section 4(e) or 4(f) of this chapter does not constitute notice to the party of an Indiana board final determination.

(e) The county assessor may petition for judicial review to the tax court in the manner prescribed in this section.

(f) The county assessor may not be represented by the attorney general in a judicial review initiated under subsection (b) by the county assessor.

(g) If the maximum time elapses for the Indiana board to give notice of its final determination under subsection (a) or section 4 of this chapter, a party may initiate a proceeding for judicial review by taking the action required by subsection (b) at any time after the maximum time elapses. If:
   (1) a judicial proceeding is initiated under this subsection; and
   (2) the Indiana board has not issued a determination;
