Subject: Annual Report on Claims Involving Domestic Violence

Per IC 22-4-18-4.5, the Indiana Department of Workforce Development (DWD) shall determine the number of unemployment insurance (UI) claims filed, the number of individuals entitled to receive UI benefits under this article, and the amount of benefits charged to the fund for those individuals who qualified for benefits due to being discharged or leaving employment due to circumstances resulting from domestic or family violence.

During calendar year 2021, the Department paid out \$ 2,317,888 in UI benefits to 398 claimants due to domestic violence.
