Provides that not later than October 1, 2022, the department of administration (department), on behalf of the office of technology (office), shall issue a request for information for purposes of exploring how blockchain technology could be used by a state agency to: (1) achieve greater cost efficiency and cost effectiveness; and (2) improve consumer convenience, experience, data security, and data privacy. Requires the office to compile a report concerning the request for information and submit the report to the legislative council in an electronic format not later than March 31, 2023. Defines "blockchain technology" and "distributed ledger technology". Requires an agency to submit an emergency rule to the attorney general for review and approval before the emergency rule may take effect. Provides that emergency rules may not be effective for a period that exceeds 180 days. Provides that certain emergency rules expire not more than two years after the rule takes effect. Requires an agency adopting an administrative rule to submit an economic impact statement and an explanation of any penalty, fine, or other similar negative impact included in the proposed rule to the publisher of the Indiana Administrative Code (publisher). Requires the publisher to provide a copy of the materials concerning a proposed rule or pending readoption to the members of the appropriate standing committee, the governor, and the office of management and budget. Provides that administrative rules expire on July 1 of the fourth year after the year in which the rule takes effect (instead of January 1 of the seventh year after the year in which the rule takes effect). Requires an agency intending to readopt an administrative rule to provide to the publisher, not later than January 1 of the third year after the year in which the rule most recently took effect: (1) notice of; and (2) information concerning; the pending readoption. Requires that all broadband infrastructure projects that are funded in whole or in part by a grant or loan from the regional economic acceleration and development initiative (READI) fund must satisfy the criteria and requirements as described in the rural broadband program. Makes corresponding changes.

DIGEST OF HB 1214 (Updated February 22, 2022 3:57 pm - DI 140)

Residential eviction actions. Requires the plaintiff in a residential eviction action to file a motion to dismiss the action if the case is resolved between the parties at any time before final adjudication, unless the plaintiff is seeking damages. Provides that if, at any time after an eviction action is filed, no action has been taken by the plaintiff to further prosecute the case for a period of at least 180 days, the court shall send to the parties written notice: (1) stating the date of the most recent action taken by the plaintiff in the case; and (2) directing the plaintiff to take action to either: (A) further prosecute the case; or (B) dismiss the case; not later than 10 business days after the date of the notice. Provides that if the plaintiff fails to take any action within the prescribed time: (1) the defendant may petition the court to dismiss the case; or (2) the court on its own motion may dismiss the case. Provides that a residential eviction diversion program may not be offered or operated on a statewide or local basis unless participation in the program is voluntary for all parties. Requires: (1) the Indiana housing and community development authority; and (2) any political subdivision that distributes rental assistance funds made available by the federal government in response to the COVID-19 pandemic; to create a designated landlord application process, in addition to the tenant application process, not later than August 31, 2022. Requires, upon motion of the tenant, the court in which an eviction action is filed to order the clerk of the court and the operator of any state, regional, or local case management system not to disclose or permit disclosure of any records in the case, subject to certain exceptions, if any of the following occur: (1) The action is dismissed. (2) A judgment in favor of the tenant is entered. (3) A judgment against the tenant is later overturned or vacated on appeal. Provides that if: (1) an eviction action, regardless of when it was filed, results in one of the specified outcomes allowing for the nondisclosure of records in the action; and (2) the court does not issue an order prohibiting the disclosure of any records in the action; the tenant in the action may petition the court in which the eviction action was filed to issue an order prohibiting the disclosure of any records in the action in accordance with the bill's provisions. Provides that upon the filing of such a petition, the court may: (1) issue an order prohibiting the disclosure of any records in the action; or (2) set the matter for a hearing. Provides that the petitioner bears the burden of proof in any hearing set by the court. Requires the clerk of court or other court administrator to: (1) track all eviction actions with respect to which a nondisclosure order is issued by the court; and (2) furnish the data compiled in the statutorily required statistical data provided to the office of judicial administration (office), as prescribed by the office. Requires the office to include the data provided by the courts in the Indiana Judicial Report.

DIGEST OF HB 1217 (Updated February 22, 2022 5:25 pm - DI 140)

Coerced abortion. Requires that a pregnant woman seeking an abortion must be informed that a coerced abortion is illegal. Provides that certain medical personnel must inquire with a pregnant woman seeking an abortion whether the abortion is coerced. Requires certain medical personnel who believe that an abortion is coerced to offer the pregnant woman information on certain services, the use of a telephone, and an alternative exit from the health care facility. Makes it a Level 6 felony if a person knowingly or intentionally coerces a pregnant woman into having an

abortion. Mandates reports of a coerced abortion to law enforcement. Provides that a law enforcement agency must immediately respond and initiate an investigation upon receipt of a complaint of coercion or attempted coercion. Makes it a Class C infraction if a reproductive health facility knowingly employs a mandatory reporter who violates the mandatory reporting statute.

DIGEST OF HB 1221 (Updated February 21, 2022 4:14 pm - DI 140)

Electric vehicles and electricity pricing. Provides that a person that: (1) owns, operates, or leases electric vehicle (EV) supply equipment; and (2) makes the EV supply equipment available for use by the public for compensation; may charge the public for such use based in whole or in part on the kilowatt hours of electricity sold. Specifies that a person that makes EV supply equipment available for use by the public for compensation, regardless of whether the person charges the public for such use based on: (1) the kilowatt hours of electricity sold; (2) the amount of time spent by an EV at a designated charging space; or (3) a combination of both; is not a public utility solely by reason of engaging in this activity. Authorizes the utility regulatory commission (IURC) to approve: (1) time-varying price structures and tariffs; or (2) other alternative pricing structures and tariffs; for retail energy service. Defines a "public use electric vehicle" (public use EV) as any of the following electric vehicles that is used primarily to serve the public: (1) An electric school bus. (2) An electric transit bus. (3) An electric vehicle used by a public or private commercial enterprise primarily to deliver goods or services to the public. Authorizes an electric utility (defined as a public utility that is subject to the jurisdiction of the IURC) to request approval from the IURC to implement a public use EV pilot program (pilot program) to do any of the following: (1) Install, own, or operate charging infrastructure or make-ready infrastructure to support public use EVs. (2) Provide incentives or rebates to customers to encourage customer investment in public use EVs and in associated EV supply equipment. Sets forth certain required information that an electric utility's request for approval of a pilot program must include. Provides that an electric utility's request for approval of a pilot program may include a request for: (1) assurance of cost recovery for pilot program capital costs, up to the amount of an approved cost estimate; and (2) deferral of pilot program capital costs. Sets forth the processes by which an electric utility may request the IURC's approval of a pilot program. Provides that the IURC shall approve an electric utility's request for approval of a pilot program if the IURC determines that the proposed pilot program is reasonable, just, and in the public interest. Sets forth certain factors that the IURC must consider in making this determination. Specifies that an electric utility is not prohibited from: (1) installing, owning, or operating charging infrastructure or make-ready infrastructure for electric vehicles; and (2) seeking to include the associated capital costs in the electric utility's basic rates and charges by initiating a proceeding before the IURC. Provides that in such a case, the IURC shall approve the inclusion of the capital costs in the electric utility's basic rates and charges if the IURC finds that the capital costs incurred are reasonable, just, and in the public interest. Requires the IURC to adopt rules to implement these provisions.

DIGEST OF HB 1222 (Updated February 14, 2022 4:35 pm - DI 140)

Various FSSA matters. Allows the family and social services administration to deny or revoke licensing for a child care home based on a household member's conviction for certain specified criminal offenses. Removes a limitation specifying that an occupancy provision regarding school-age children in class I child care homes applies only during the school year. Eliminates the bureau of quality improvement services and reassigns the bureau's responsibilities to the bureau of developmental disabilities services. Renames the bureau of child care as the office of early childhood and out of school learning. Amends the required composition of mobile crisis teams that provide behavioral health services in conjunction with the 9-8-8 suicide prevention hotline. Provides that a contract entered into with a third party by the division of mental health and addiction (division) for provision of competency restoration services to a defendant may confer to the third party all authority the division would have in providing the services to the defendant at a state psychiatric institution. Requires the division of mental health and addiction to: (1) establish a plan to expand the use of certified community behavioral health clinics in Indiana; and (2) make certain considerations in preparing the plan. Allows the office of the secretary of family and social services to apply for a Medicaid waiver to provide behavioral health services to a committed offender held by the department of correction. Makes conforming amendments.

DIGEST OF HB 1223 (Updated February 22, 2022 5:25 pm - DI 140)

Education matters. Requires that the Indiana family friendly school designation program of the department of education (department) establish a procedure under which the department must conduct an assessment for the purpose of evaluating and improving parent involvement in the school if the parents of at least 10% of the students currently included in the average daily membership (ADM) at a particular school request an assessment. Requires that the department determine the manner in which requests may be submitted.

DIGEST OF HB 1226 (Updated March 1, 2022 3:25 pm - DI 140)

Solid waste matters. Establishes the central Indiana waste diversion pilot project (pilot project). Requires the department of environmental management to: (1) develop pilot project application forms; (2) make the forms available on or before July 1, 2022; (3) accept applications through October 1, 2022; and (4) provide recommendations to the Indiana recycling market development board (board) on or before December 1, 2022. Requires the board to award not more than \$4,000,000 in total to applicants chosen to participate in the pilot project. Limits the pilot project to Marion County. Amends the definition of "solid waste" to exclude materials that are used in creating a product and that meet other conditions. Provides that: (1) a transfer station or treatment, storage, or disposal facility that holds a permit to handle hazardous waste may also handle solid waste; (2) solid waste that is managed at a transfer station or a treatment, storage, or disposal facility shall not be allowed to come into direct contact with hazardous waste, and any solid waste that does come into direct contact with hazardous waste shall then be managed as

hazardous waste; and (3) the environmental rules board (rules board) shall amend 329 IAC 11 to conform to these provisions. Requires the rules board to expeditiously adopt by rule all waste regulation exemptions or exclusions as that are adopted by the United States Environmental Protection Agency (EPA) and set forth in the federal rule on the identification and listing of hazardous waste. Provides that until certain federal rule amendments that were adopted by the EPA on May 30, 2018, are adopted by the rules board, those amendments apply to the identification and listing of hazardous waste in Indiana just as if the amendments were already incorporated by reference into the rules of the rule board on the identification and listing of hazardous waste. Provides that: (1) the disposal of non-hazardous coal mining waste and coal combustion residuals at a surface coal mining facility; and (2) the use of coal combustion residuals as raw material for manufacturing another product or for eight other particular uses; are not subject to regulation under the solid waste rules. Makes corresponding changes.

DIGEST OF HB 1238 (Updated March 8, 2022 12:25 pm - DI 137)

Insurance matters. Specifies that the compliance of a practitioner and facility with federal law meets the good faith estimate requirements concerning health service costs. Reduces, from 1% to 0.15%, the lowest interest rate that an insurer may use in determining the minimum nonforfeiture amounts for an annuity contract. Provides that, as a condition of license renewal, a limited lines producer with a title insurance qualification must complete at least seven hours of continuing education in any combination of the following subjects: (1) Ethical practices in the marketing and selling of title insurance, including provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act. (2) Title insurance underwriting. (3) Escrow matters. (4) Matters concerning regulation by the department of insurance. (5) Marketing and selling of title insurance. Allows a property and casualty insurance company to offer property and casualty insurance on a group basis to ten or more commercial, business, or not-for-profit entities that have a preexisting relationship to one another through a common trade, an association, an affiliation, or another organizational relationship that is separate and distinct from any group insurance arrangement of the group. Amends the definition of "health payer" for the all payer claims data base. Provides that an insurer, to operate as a farm mutual insurance company, may not have annual direct written premiums of more than \$15,000,000 (instead of \$10,000,000). Provides that, except for grandfathered health plans, an accident and sickness insurance policy or health maintenance organization contract must cover or provide: (1) a colorectal cancer screening test assigned either an "A" or "B" grade by the United States Preventive Services Task Force; and (2) a follow-up colonoscopy.

DIGEST OF HB 1242 (Updated March 8, 2022 12:21 pm - DI 75)

State purchasing. Requires the department of administration (department) to determine the technological upgrades and other expenditures required to collect and compile information regarding purchases made by state agencies from the following: (1) A minority business enterprise. (2) A nonprofit agency for individuals with disabilities. (3) A veteran owned small business. (4) A women's business enterprise. Provides that if a nonprofit agency for individuals

with disabilities (qualified agency) withdraws from a department pilot project through which the qualified agency sells products or services to governmental bodies through a third party contractor, the department must award the qualified agency a quantity purchase agreement (QPA) for the same products and services and under the same terms, except for price, under which the qualified agency had a QPA with the department before participating in the pilot project. Provides that the qualified agency must agree to provide the same products or services at a price less than the price provided for the products or services under the pilot project. Requires a state agency to purchase supplies or services from a QPA for those supplies or services awarded to a qualified agency. Requires the department, in consultation with the committee for the purchase of supplies and services of individuals with a disability, to adopt administrative rules to establish a goal to procure in each state fiscal year at least 1.5% of state contracts with qualified agencies. Provides that this goal must be administered so as not to diminish any other state contracting goals established under existing law.

DIGEST OF HB 1245 (Updated March 9, 2022 9:25 am - DI 140)

Connections to water and sewer systems. Prohibits: (1) a local unit; or (2) a water or wastewater utility; that is not under the jurisdiction of the Indiana utility regulatory commission (IURC) for the approval of rates and charges from charging or collecting from a property owner a capacity related fee or a tap fee either of which is established after June 30, 2022, and that includes contributions in aid of construction. Provides that if a local unit or a utility charges a property owner a capacity related fee or a tap fee that is established after June 30, 2022, and that is based, in whole or in part, on contributions in aid of construction, the property owner is entitled to request to meet with the local unit or the utility to review: (1) the engineering and financial analyses the fee was based on; and (2) if applicable, the ordinance adopting the fee. Requires a local unit or a utility to meet with a property owner for such a review not later than 30 days after receipt of the property owner's request. Provides that if a meeting and review does not result in a satisfactory resolution, the property owner may file with the IURC a petition challenging the fee. Provides that if the IURC determines the capacity related fee or tap fee is based in whole or in part on contributions in aid of construction, the IURC shall: (1) invalidate the fee; or (2) modify the fee to comply with these provisions. Amends the statute that provides an exemption from the requirement to connect to a regional sewer district's sewer system to a property owner whose septic tank soil absorption system was new at the time of installation as follows: (1) Provides that the local health department's designee or a qualified inspector (in addition to the local health department) may approve the property owner's septic tank soil absorption system at the time of installation. (2) Provides that the 10 year exemption is measured from the date of the required written determination of the local health department, the department's designee, or a qualified inspector that the property owner's septic tank soil absorption system is not failing. (Current law provides that the 10 year exemption is measured from the date the new septic tank soil absorption system was installed.) Defines "residential onsite sewage system" as the term is defined by the state department of health (department) in the department's rule concerning residential onsite sewage systems (department's rule). Changes instances of the term "residential septic system" in current law to the term "residential onsite sewage system". Prohibits a local health department

from refusing an application for a permit for a residential onsite sewage system solely because the residential onsite sewage system has not been used previously in the jurisdiction of the local health department or is unfamiliar to the local health department, if the residential onsite sewage system has been approved for general use in Indiana by the department's technical review panel. Provides that if the local health department in one jurisdiction has issued a permit for a particular type of residential onsite sewage system, the local health department in another jurisdiction may not refuse to issue a permit for a residential onsite sewage system of that same type if: (1) a registered professional engineer; (2) a registered soil scientist; (3) a residential onsite sewage system installer; and (4) (if applicable) the designer of the residential onsite sewage system; approve of the use of that type of system in the second jurisdiction. Provides that if a registered professional engineer certifies: (1) that the location, design, proposed construction, and proposed installation of a planned residential onsite sewage system comply with the department's rule, a local health department may not disapprove an application for a permit for the residential onsite sewage system; (2) that the design, construction, installation, location, maintenance, and operation of an existing residential onsite sewage system comply with the department's rule, a local health department may not issue an order on the basis that the residential onsite sewage system is a failed system; and (3) that an existing residential onsite sewage system is not functioning properly but can be restored to proper functioning through repair, a local health department must allow the repair of the residential onsite sewage system to be made in accordance with the certification of the professional engineer. Provides that a local health department may not deny a permit for a residential onsite sewage system in a particular location on the grounds that the soil of the location is too heavily compacted if a registered soil scientist certifies that the soil can be made suitable for the residential onsite sewage system in not more than two years through the planting of plants that loosen and aerate the soil or through other means. Provides that after June 30, 2023, a local ordinance or a local health department may not impose residential onsite sewage system requirements, restrictions, or conditions that are more stringent than those of the department's rule. Requires a local health department to issue, in certain circumstances, a permit for a residential onsite sewage system not more than 30 business days after receiving the application for the permit. Effective July 1, 2023, voids a provision of the department's rule stating that the rule does not prohibit local ordinances from imposing requirements more stringent than the requirements of the department's rule. Changes population parameters used in an Indiana Code section concerning the installation of a residential onsite sewage system in fill soil, so as to reflect the population count determined under the 2020 decennial census. Amends the Indiana Code section governing the procedures for a proposal to amend or partially repeal a zoning ordinance to require a plan commission to vote on the proposal not later than 60 days after holding the public hearing on the proposal. Provides that a property owner whose property is incorporated into the territory of a municipal sanitation district (regardless of whether the property owner has filed a written remonstrance or an appeal with respect to the incorporation) is exempt from a requirement to connect to the district's sewer system and to discontinue use of a sewage disposal system on the property owner's property if: (1) the property owner's sewage disposal system: (A) was new at the time of installation; and (B) was approved in writing by the local health department, the department's designee, or a qualified inspector; and (2) the property owner obtains a written determination from the local health

department, the department's designee, or a qualified inspector that the property owner's sewage disposal system is not failing. Provides that a property owner who qualifies for this exemption may not be required to connect to the district's sewer system for a period of 10 years beginning on the date of the required written determination of the local health department, the department's designee, or a qualified inspector that the property owner's septic tank soil absorption system is not failing. Provides that a property owner may apply for two five-year extensions of the exemption. Limits the total period during which a property may be exempt from the requirement to connect to a district's sewer system to not more than 20 years, regardless of ownership of the property. Sets forth certain time frames and requirements that apply to a property owner who seeks to claim the exemption. Provides that this exemption does not apply to a property owner whose property is incorporated into a district if: (1) the district has received approval from the Indiana finance authority before January 1, 2022, of a preliminary engineering report: (A) for a project to construct the sewer line to which the property owner's property is being required to connect; and (B) in connection with funding from the wastewater or drinking water revolving loan program; and (2) the timing and requirements for connection to the district's sewer system are the same for all property owners being required to connect to the district's sewer system under the terms of the project.

DIGEST OF HB 1246 (Updated March 1, 2022 3:45 pm - DI 140)

Fire protection territories and local income taxation. Provides that a fire protection territory that experiences more than 6% population growth during a 10 year period may increase its maximum property tax levy for 2023 or any year thereafter by an amount based on the population growth that exceeds 6%. Provides, however, that the fire protection territory may not increase the tax levy based on the population growth by a total rate of more than 0.15 per \$100 of the net assessed value of the fire protection territory area within a 10 year period. Allows a total tax rate levied upon the formation of a fire protection territory established after December 31, 2022, to be implemented over a number of years, not exceeding five, and subject to review and approval by the department of local government finance. Provides that a participating unit's proceeds of property taxes imposed to meet the participating unit's obligations to a fire protection territory are exempt from areas needing redevelopment, redevelopment project areas, urban renewal project areas, economic development areas, or economic development districts established after December 31, 2021. Provides that, in the case of counties that provide emergency medical services for all local units in the county and pay 100% of the costs to provide those services, the fiscal body of the county may adopt an ordinance to impose a local income tax (LIT) rate for emergency medical services in the county. Provides that the tax rate may not exceed 0.2%. Provides that the LIT revenue shall be distributed directly to the county before the remainder of the expenditure rate revenue is distributed and must be deposited in a dedicated fund to be used only for paying for operating costs incurred by the county for emergency medical services that are provided throughout the county. Provides that the tax rate may not be in effect for more than 25 years.

DIGEST OF HB 1260 (Updated March 9, 2022 12:26 am - DI 134)

Department of local government finance. Specifies provisions for federal economic stimulus funds. Provides that, unless specifically granted authority by a statute passed by the general assembly, the state lottery commission and Indiana gaming commission shall not, independently or by public-private partnership, operate or authorize the use or operation of particular games and sales over the Internet. Specifies certain exceptions. Provides that certain churches and religious societies are not required to file a personal property tax return. Provides that a county assessor shall provide electronic access to property record cards on the county's official Internet web site. Repeals the mortgage deduction for assessments beginning January 1, 2023. Increases the homestead deduction from \$45,000 to \$48,000 for assessments beginning January 1, 2023. Provides that with regard to a rehabilitation or redevelopment project in an economic revitalization area within an excluded city, that when the designating body: (1) receives a formal request for a tax abatement or incentive; or (2) issues an offer letter for a tax abatement or incentive; the designating body must provide written notice to the excluded city. Requires a local assessor to notify the department of local government finance (DLGF) of all new fixed property owned or used by a public utility company that the local assessor will begin assessing and the

date on which the assessments will begin. Requires the DLGF to notify a company if any of the company's property that was previously assessed by the DLGF will instead be assessed by the township assessor, or the county assessor if there is not a township assessor for the township. Provides that the county assessor may exempt designated infrastructure development zone broadband assets, including assets located in a designated infrastructure development zone of a centrally assessed telephone company or cable company. Provides that the authority of a property tax assessment board of appeals (county board) is not limited to review the ongoing eligibility of a property for an exemption. Provides timing clarifications for property tax deductions for taxpayers who are over age 65 or who are disabled veterans, and for the over age 65 circuit breaker credit. Provides that the assessor shall provide a report to the county auditor describing any physical improvements to the property. Increases the maximum assessed value of the real property for an individual at least 65 years of age to be eligible for a deduction from \$200,000 to \$240,000. Defines the term "taxpayer" for purposes of the procedures for review and appeal of assessments and corrections of errors. Modifies the burden of proof standard in an appeal to provide that an assessment as last determined by an assessing official or the county board is presumed to equal a property's true tax value until rebutted by evidence presented by the parties, unless the property's assessment increased by more than 5%, in which case the assessor has the burden of proof. Provides that a county auditor shall submit a certified statement to the DLGF not later than September 1 in a manner prescribed by the DLGF. Provides for maximum property tax levy increases for Otter Creek Township in Vigo County and Sugar Creek Township Fire Protection District in Vigo County. Provides for a one-time maximum property tax levy increase for Howard County. Specifies certain dates with regard to the adjustment of maximum tax rates after a reassessment or annual adjustment. For reports filed by county boards with the DLGF, changes the requirement for the total number of "notices" to be filed to the total number of "appeals" to be filed. Requires additional information to be filed in such reports. Provides that the term "tax representative" does not include an attorney who is a member in good standing of the Indiana bar or any person who is a member in good standing of any other state bar and who has been granted temporary admission to the Indiana bar in order to represent a party before the property tax assessment board of appeals or the DLGF. Provides that the DLGF may not review certain written complaints if such a complaint is related to a matter that is under appeal. Repeals a provision in current law that provides that a taxpayer that owns an industrial plant located in Jasper County is ineligible for a local property tax replacement credit against the property taxes due on the industrial plant if the assessed value of the industrial plant as of March 1, 2006, exceeds 20% of the total assessed value of all taxable property in the county on that date. Provides that for certain airport development zones and allocation areas established after June 30, 2024, "residential property" refers to the assessed value of property that is allocated to the 1% homestead land and improvement categories in the county tax and billing software system, along with the residential assessed value as defined for purposes of calculating the rate for the local income tax property tax relief credit designated for residential property. Provides formulas for school corporations that propose to impose property taxes under a referendum tax levy. Provides that the property tax rate imposed under the provision for the public safety officers survivors' health coverage cumulative fund is exempt from the adjustment of maximum tax rates after reassessment or annual adjustment. Changes the sunset provision for pro bono legal service fees

from July 1, 2022, to July 1, 2025. Allows a county surveyor to send relocation requirements for a proposed regulated drain by either registered mail or certified mail (current law requires the relocation requirements be sent by registered mail). Amends SECTION 9 of HEA 1001-2022 by adding language indicating that certain COVID-19 tests be "approved, cleared, or authorized" by the FDA as opposed to just "approved" as passed in HEA 1001-2022. Repeals various property tax provisions. Makes conforming changes.

DIGEST OF HB 1354 (Updated March 1, 2022 3:57 pm - DI 140)

Requirements for SNAP participants. Urges the legislative council to assign to an interim study committee the following topics: (1) Requiring the custodial and noncustodial parents to cooperate with the child support bureau as a condition of eligibility for assistance under the Supplemental Nutrition Assistance Program (SNAP). (2) Assigning individuals who are subject to federal work requirements for SNAP eligibility to an employment and training program.

Juvenile law matters. Requires the commission on improving the status of children in Indiana (commission) to create a statewide juvenile justice oversight body (oversight body) to do the following: (1) Develop a plan to collect and report statewide juvenile justice data. (2) Establish procedures and policies related to the use of certain screening tools and assessments. (3) Develop a statewide plan to address the provision of broader behavioral health services to children in the juvenile justice system. (4) Develop a plan for the provision of transitional services for a child who is a ward of the department of correction. (5) Develop a plan for the juvenile diversion and community alternatives grant programs. Provides that the oversight body shall, not later than July 1, 2023, submit to the commission and the legislative council: (1) the plan for the juvenile diversion and community alternatives grant programs; and (2) the juvenile justice data collection plan and the plan for the use of screening tools, assessments, and services. Requires the judicial conference of Indiana to develop statewide juvenile probation standards that are aligned with research based practices, and requires the board of directors of the judicial conference of Indiana to approve the standards by July 1, 2023. Requires the use of a risk and needs assessment tool, a risk screening tool, and a diagnostic assessment when evaluating a child at specific points in the juvenile justice system to identify the child's risk for reoffense. Requires an intake officer and the juvenile court to use the results of a detention tool to inform the use of secure detention and document the reason for the use of detention if the tool is overridden. Requires a court to: (1) after use of a detention tool, include in a court order the reason for a juvenile detention override; and (2) submit details of the juvenile detention override to the office of judicial administration (office). Requires the office to provide an annual report to the governor, chief justice, and legislative council before December 1 of each year that includes information about a court's use of a detention tool and reasons for overriding the results of the detention tool. Provides that a child less than 12 years of age cannot be detained unless detention is essential to protect the community and no reasonable alternatives exist to reduce the risk. Establishes a procedure for juvenile diversion. Requires the office to provide an annual report to the governor, chief justice, and legislative council before December 1 of each year that includes data on any child diverted through the juvenile diversion program. Repeals provisions requiring a child who participates in a program of informal adjustment to pay an informal adjustment program fee. Provides that a child who is a ward of the department of correction may receive at least three months of transitional services to support reintegration of the child back into the community and to reduce recidivism. Requires the department of correction to provide an annual report to the governor, chief justice, and legislative council before December 1 of each year that includes collected data that will help assess the impact of reintegration improvements for juveniles, including tracking recidivism beyond incarceration and into the adult system. Provides that a juvenile court may recommend telehealth services as an alternative to a child receiving a diagnostic assessment. Establishes: (1) the juvenile diversion and community alternatives grant programs and grant programs fund; and (2) the juvenile behavioral health competitive grant pilot program and grant pilot program fund; as of July 1, 2023. Requires the Indiana criminal justice institute (institute) to administer each program and fund. Requires the local or regional justice reinvestment advisory

council or another local collaborative body to oversee certain juvenile community alternatives grants awarded to a county. Requires the institute to prepare an annual report to the governor, chief justice, and legislative council before December 1 of each year that details certain performance measures that counties receiving grants must collect and report. Requires the office of judicial administration to administer the statewide juvenile justice data aggregation plan. Makes conforming changes. Makes a technical correction.

DIGEST OF HB 1361 (Updated March 1, 2022 4:04 pm - DI 140)

TANF and child care assistance eligibility. Provides, for purposes of the Temporary Assistance for Needy Families program (TANF), that a TANF assistance group that has qualified for and is receiving assistance under TANF does not cease to qualify for assistance under TANF due solely to an increase in the value of the resources of the TANF assistance group so long as the resources of the TANF assistance group are valued at not more than \$10,000. Provides that: (1) the value of a child's primary residence; and (2) \$20,000 of total equity value in motor vehicles belonging to members of a child's family; are exempt from consideration for purposes of determining the child's eligibility for TANF. Provides that up to \$15,000 in income earned by a household member while the household member is a student participating in or pursuing: (1) the household member's first postsecondary degree; (2) a workforce certificate; (3) a preapprenticeship; or (4) an apprenticeship; may not be considered in determining the amount of assistance for which the household is eligible under the Child Care and Development Fund voucher program.

DIGEST OF HB 1363 (Updated February 28, 2022 6:23 pm - DI 106)

Department of child services matters. Repeals provisions under which certain parties may file a petition during a child in need of services proceeding to require a parent, guardian, or custodian of the child to participate in a program of care, treatment, or rehabilitation for the child. Provides that a party that receives notice of a motion filed by the department of child services (department) to change the out-of-home placement of a child has ten days (rather than 15 days, under current law) to file a written objection and initiate a hearing regarding the motion. Requires the department to file a motion with a juvenile court in order to change the out-of-home placement of a child who: (1) has been in the same out-of-home placement for one year or more; and (2) is in a foster family home or in the care of a relative. Allows the person with whom a child is placed to waive the person's right to contest a motion filed by the department to change the child's placement, and allows the juvenile court to make an expedited ruling on the motion if the court is provided with written notice of the person's waiver. Provides that a child is a child in need of services if the child is a victim of certain offenses committed by a parent, guardian, or custodian of the child. Provides for a defense to prosecution for possession of child pornography for: (1) a department employee acting within the scope of the employee's duties; and (2) an attorney acting in the attorney's capacity as legal counsel for a client. Specifies that costs paid from COVID-19 federal stimulus funds may not be disallowed when setting rates for 2023. Provides that a person who knowingly or intentionally produces, disseminates, or possesses with intent to disseminate an image that depicts or describes sexual conduct: (1) by a child who the person knows is less

than 18 years of age; (2) by a child or a person who appears to be a child, if the image is obscene; or (3) that is simulated sexual conduct involving a representation that appears to be a child, if the representation of the image is obscene; commits the offense of child exploitation. Provides that a person who, with intent to view the image, knowingly or intentionally possesses or accesses an image that depicts or describes sexual conduct: (1) by a child who the person knows is less than 18 years of age; (2) by a child or a person who appears to be a child, if the image is obscene; or (3) that is simulated sexual conduct involving a representation that appears to be a child, if the representation of the image is obscene; commits the offense of possession of child pornography. Specifies that it is not a required element of the offense of child exploitation or possession of child pornography that the child depicted actually exists under certain circumstances. Defines "image". Provides for a defense to prosecution for possession of child pornography for: (1) a department of child services employee acting within the scope of the employee's duties; and (2) an attorney acting in the attorney's capacity as legal counsel for a client. Makes conforming changes.

Various education matters. Provides that, in determining whether at least 50% of the instructional services that a student receives from a school corporation is virtual instruction for purposes of the 2021 fall count of ADM, the department of education (department) shall review the attendance of each student on each school day from the school corporation's first day of school until the school corporation's last day of school of the 2021 fall semester. Makes an exception regarding the school days the department reviews for students who transferred to or from a school corporation during the 2021 fall semester. Provides that, if a school corporation's tuition support amount is adjusted as a result of the application of this provision, the department shall, after December 31, 2021, settle any overpayment or underpayment of state tuition support to a school corporation resulting from the adjustment of tuition support on the schedule determined by the department. Requires each school corporation and charter school to annually report to the department the

number of students who, during the students' expected graduation year: (1) were enrolled in the school corporation on the September ADM count day; (2) completed graduation requirements before the February ADM count day; and (3) were not enrolled in the school corporation on the February ADM count day. Requires, not later than September 1 of each year, the department to: (1) compile and prepare a report regarding the information reported by school corporations and charter schools; and (2) submit the report to the legislative council.

DIGEST OF SB 5 (Updated March 8, 2022 4:29 pm - DI 77)

Reciprocity and audiology compact. Establishes a procedure to grant licenses and certificates to practice certain health care professions in Indiana. Requires the applicant to hold a current license or certificate from another state or jurisdiction and meet other requirements. Allows the applicant who meets certain requirements to apply for a provisional license or provisional certificate. Requires the provisional license or provisional certificate to be issued within 30 days. Provides for penalties for submitting false information on an application for a provisional license or provisional certificate. Requires a board to make a final decision on a license or certificate application before the expiration of a provisional license or provisional certificate. Provides that if a board has a pending application for initial licensure or certification that requires final approval by the board, the board shall meet not more than 31 days after the application is ready for approval. Provides that the medical licensing board may not issue a physician's license to an applicant using the reciprocity law beginning July 1, 2026. Eliminates certain requirements for an applicant seeking licensure as a clinical social worker, marriage and family therapist, mental health counselor, addiction counselor, or clinical addiction counselor. Requires the boards that regulate bachelor's degree social workers, social workers, clinical social workers, marriage and family therapists, mental health counselors, licensed addiction counselors, licensed clinical addiction counselors, and respiratory care practitioners to issue a license by reciprocity within 30 days if certain requirements are met. Requires the speech-language pathology and audiology board to, before January 1, 2023, initiate and make every effort to enter into reciprocity agreements with contiguous states for individuals licensed as: (1) a speech-language pathologist; and (2) an audiologist; to practice the individual's profession under the license from one state in the other state. Adopts the audiology and speech-language pathology interstate compact. Makes conforming amendments.

DIGEST OF SB 7 (Updated March 7, 2022 6:56 pm - DI 106)

Marion County crime reduction pilot projects. Establishes the Marion County crime reduction board (board) as part of the Marion County crime reduction pilot project. Allows a teacher preparation program to report the program's admission practices, in accordance with the Association for Advancing Quality in Educator Preparation (AAQEP) standards, for teacher preparation programs accredited by the AAQEP. Requires the department of education (department) to approve at least two accreditors that: (1) accredit teacher preparation programs; and (2) are recognized by the Council for Higher Education Accreditation; to accredit teacher preparation programs for use in Indiana. Requires the department to annually report to the legislative council the percentage of teachers who complete a particular teacher preparation program who are teaching in Indiana: (1) five years; and (2) ten years; after completion of the particular teacher preparation program. Removes a requirement that each charter school and school corporation annually provide to the department: (1) the name of the teacher preparation program that recommended the initial license for each teacher employed by the school; and (2) the annual retention rate for teachers employed by the school.

DIGEST OF SB 115 (Updated March 8, 2022 12:28 pm - DI 110)

School employee misconduct. Provides that a policy adopted by a school corporation, charter school, or nonpublic school with at least one employee addressing expanded criminal history checks or expanded child protection index checks (background checks) must prohibit the hiring of, continuing the employment of, contracting with, or continuing to contract with a person who has been convicted of an offense requiring license revocation, unless the conviction has been reversed, vacated, or set aside on appeal. (Current law provides that such a policy addressing background checks must prohibit the hiring of a person who has been convicted of an offense requiring license revocation, unless the conviction has been reversed, vacated, or set aside on appeal.) Provides that: (1) a school corporation; (2) a charter school; or (3) an entity: (A) with

which a school corporation contracts for services; and (B) that has employees who are likely to have direct, ongoing contact with children within the scope of the employees' employment; shall consider whether information obtained from the background checks concerning an individual's conviction for certain offenses constitutes grounds to not employ, not contract with, or to terminate the employment of or contract with the individual. Provides that, in the event that an entity obtains information that an individual employed by the entity who works at a particular school corporation or charter school has been convicted of certain offenses, the entity shall immediately notify the school corporation or charter school of the employee's conviction. Makes changes to the list of offenses for which the department of education shall permanently revoke a teacher's license. Makes conforming changes.

DIGEST OF SB 117 (Updated February 15, 2022 3:30 pm - DI 140)

Police log information. Provides that certain information contained in a daily log of a law enforcement agency relating to the victim of a crime or delinquent act who is less than 18 years of age may not be disclosed by a public agency without the consent of the child's parent, guardian, or custodian, unless access to the records is specifically required by a state or federal statute or is ordered by a court under the rules of discovery. Provides that the information may be disclosed to the department of child services. Provides that a law enforcement agency shall maintain a daily log or record that lists suspected or investigated crimes, accidents, or complaints. (Current law provides that a law enforcement agency shall maintain a daily log or record that lists suspected crimes, accidents, or complaints.) Prohibits, after June 30, 2023, the broadcast of a Social Security number by police radio unless the broadcast is encrypted.

DIGEST OF SB 119 (Updated February 15, 2022 4:03 pm - DI 140)

Taxation of farm property. Makes new farm equipment and new agricultural improvements eligible for local tax abatement using the same procedures for tax abatement under current law for new manufacturing equipment, new research and development equipment, new logistical distribution equipment, and new information technology equipment, or redevelopment and rehabilitation in the case of new agricultural improvements. Limits an abatement schedule for new farm equipment and new agricultural improvements to not more than five years. Specifies how agricultural improvements shall be assessed for tax purposes.

DIGEST OF SB 134 (Updated February 22, 2022 5:31 pm - DI 140)

Appropriation of donated money. Adds language specifying that a political subdivision that conducts or administers an election may not accept private money donations to prepare, administer, or conduct elections or to employ individuals on a temporary basis for preparing, administering, or conducting elections, including registering voters. Requires all state agencies to submit to the budget agency a report of each individual state employee employed by the state agency whose salary is funded in whole or in part from donated money. Provides that if the donation of money is to the secretary of state, the report shall specify whether the money was or will be distributed to political subdivisions for preparing, administering, or conducting elections, and, if so, the specific types of uses for which the donated money will be used by those political subdivisions. Requires the budget agency to annually submit to the budget committee a report of the information that specifies and identifies each individual state employee whose salary is funded in whole or in part from donated money, which must be posted and made available on the Indiana transparency portal. Requires all local units of government to submit to the state board of accounts (SBA) a report of each individual local unit of government employee employed by the local unit of government whose salary is funded in whole or in part from donated money. Requires the SBA

to annually submit to the budget committee a report of the information that specifies and identifies each individual local unit of government employee whose salary is funded in whole or in part from donated money, which must be made available to the public. Defines "local unit of government" for purposes of the reporting requirement. Specifies that the term does not include hospitals.

DIGEST OF SB 136 (Updated February 21, 2022 3:58 pm - DI 140)

Dental plans. Prohibits a dental plan (an insurance policy, a health maintenance organization contract, or a preferred provider plan) from directly or indirectly requiring a dental provider to provide a dental service to a covered individual at a fee amount that is: (1) set by the dental plan; or (2) subject to the approval of the dental plan; unless the dental service is a covered service under the dental plan. Prohibits a third party administrator or another person from arranging for a dental provider to provide dental services for a dental plan that sets the amount of the fee for any dental services unless the dental services are covered services under the dental plan. Authorizes the insurance commissioner to issue a cease and desist order against a person that violates any of these prohibitions and, if the person violates the cease and desist order, to impose a civil penalty upon the person and suspend or revoke the person's certificate of authority.

DIGEST OF SB 139 (Updated February 23, 2022 10:18 am - DI 140)

Manufactured housing in mobile home community. Prohibits a governmental body from regulating or restricting the installation of a mobile home, manufactured home, or industrialized residential structure within a mobile home community based on the age or size of the mobile home, manufactured home, or industrialized residential structure, regardless of whether: (1) the mobile home, manufactured home, or industrialized residential structure; or (2) the lot on which, or the mobile home community in which, it is or will be located or installed; constitutes a conforming structure or use, or a legal, nonconforming structure or use. Provides that after March 14, 2022: (1) a unit may not adopt, impose, amend, or enforce a regulation, or a provision in a regulation, that violates this prohibition, regardless of when the regulation or provision was originally adopted or imposed; and (2) any provision that: (A) is included in a regulation adopted or imposed by a unit; and (B) violates this prohibition; is void and unenforceable regardless of when the regulation or provision was originally adopted or imposed. Prohibits a unit from adopting, imposing, or enforcing a regulation that mandates size requirements for, or that is based on the age of, a mobile home, a manufactured home, or an industrialized residential structure that will be installed in a mobile home community, regardless of whether the mobile home community, or any part of the mobile home community, constitutes: (1) a conforming structure or use; or (2) a legal, nonconforming structure or use. Provides that after March 14, 2022: (1) a unit may not adopt, impose, amend, or enforce a regulation, or a provision in a regulation, that violates this prohibition, regardless of when the regulation or provision was originally adopted or imposed; and (2) any provision that: (A) is included in a regulation adopted or imposed by a unit; and (B) violates this prohibition; is void and unenforceable regardless of when the regulation or provision was originally adopted or imposed. Provides that a mobile home community operator who

attempts to exclude an owner with the intent to evade the requirement that the operator provide notice not less than 180 days before the date of an intended closure commits a deceptive act that is actionable by the attorney general. Amends the statute concerning the reconstruction of nonconforming structures to provide that whenever a legal, nonconforming structure, including: (1) a mobile home; (2) a manufactured home; or (3) an industrialized residential structure; on a parcel of real property used for residential purposes in a mobile home community is removed, the owner of the parcel shall be permitted to replace the structure without losing the status of the structure or parcel as a legal, nonconforming structure or use if the replacement meets the existing statutory requirements. Provides that these provisions concerning the continuing status of the structure or parcel in a mobile home community as a legal, nonconforming structure or use apply after March 14, 2022, regardless of whether: (1) the structure or parcel is conferred status as a legal, nonconforming structure or use; or (2) the legal nonconforming structure is: (A) damaged, destroyed, or removed; or (B) reconstructed, renovated, repaired, or replaced; before or after March 15, 2022.

DIGEST OF SB 145 (Updated February 22, 2022 2:22 pm - DI 140)

Property tax matters. Provides that the true tax value of commercial real property commercial property with a structure, or a portion thereof, that: (1) is at least 100,000 square feet in area; (2) is used for retail purposes; and (3) is occupied by a single retailer; shall be determined by application of the cost approach. Provides that the application of the cost approach requirement is not applicable if the property was: (1) vacated by the original occupant for which the property was constructed; (2) constructed more than five years prior to the assessment date; or (3) substantially and adversely impacted by a change in a roadway or traffic pattern. Provides that estimates of depreciation and obsolescence shall not be based on data derived from the sales comparison or income capitalization approaches. Requires the department of local government finance (department) to establish a standard construction cost per square foot for the purpose of applying the cost approach. Requires the department to update the standard construction cost per square foot annually. Provides that when requesting a review, a taxpayer may present an appraisal based on the cost approach as evidence that the actual construction cost was lower than the department's determined standard construction cost per square foot that was used to assess the property. Provides that the parties to any appeal may enter into a written agreement to stipulate to the true tax value of the property. Provides that the fiscal officer of the county may establish a separate account for the tax receipts that are attributable to the property tax assessment that is the subject of review.

(2) If the individual has resided outside Indiana at any time during the five years preceding the individual's

date of hire, the individual's: (A) out-of-state child abuse registry check; and (B) out-of-state local criminal records check; have been requested. (3) The individual's employment before the completion of the state-mandated criminal history check is limited to training during which the individual: (A) does not have contact with children who are under the care and control of the child care provider; and (B) does not have access to records containing information regarding children who are under the care and control of the child care provider. (4) The individual completes an attestation, under penalty of perjury, disclosing: (A) any abuse or neglect complaints made against the individual with the child welfare agency of a state other than Indiana in which the individual resided within the five years preceding the date of the attestation; and (B) any contact the individual had with a law enforcement agency in connection with the individual's suspected or alleged commission of a crime in a state other than Indiana in which the individual resided within the five years preceding the date of the attestation. Establishes a process by which a child caring institution, group home, licensed child placing agency, or secure private facility (child services providers) may request a review of base rates and other cost-based rates approved by the department of child services (department).

DIGEST OF SB 269 (Updated February 22, 2022 2:42 pm - DI 140)

Regulation of dams. Provides that the laws regulating dams do not apply to a structure that is a low hazard dam or significant hazard dam that meets only one of the following conditions: (1) Has a drainage area above the dam of not more than one square mile. (2) Does not exceed 20 feet in height. (3) Does not impound a volume of more than 100 acre-feet of water. Requires the department of natural resources (department) to establish a classification system for dams based on: (1) the height of the structure and the volume of water impounded by the structure; and (2) the force of the water and the likely consequences resulting from the uncontrolled release of its contents due to a failure or misoperation of the structure. Changes the standard to determine potential consequences for a failure from "may cause" to "likely to cause". Provides that for a dam constructed after June 30, 2022, if the department determines that the property owner's structure is a high hazard, significant hazard, or low hazard dam, the department shall provide the property owner with a notice stating the classification of the dam that the property owner owns. Requires that, notwithstanding an engineering inspection performed by the property owner or a consultant of the property owner, the department provide the property owner notice at least five days before performing an inspection. Requires the property owner of a high hazard dam to prepare an emergency action plan and provide a copy to the department and the emergency management agency. Provides that changes to the law do not affect past inspections.

DIGEST OF SB 271 (Updated February 22, 2022 6:03 pm - DI 140)

Small modular nuclear reactors. Amends the statute governing certificates of public convenience and necessity (certificates) that are issued by the Indiana utility regulatory commission (IURC) for the construction, lease, or purchase of electric generation facilities to require the IURC, in consultation with the department of environmental management (department), to adopt rules concerning the granting of certificates for the construction, purchase, or lease of small modular

nuclear reactors: (1) in Indiana for the generation of electricity to be used to furnish public utility service to Indiana customers; or (2) at the site of a nuclear energy production or generating facility that supplies electricity to Indiana retail customers on July 1, 2011. Requires the IURC to adopt the rules not later than July 1, 2023. Provides that the rules adopted by the IURC must provide that in acting on a public utility's petition for a certificate for one or more small modular nuclear reactors, the IURC shall consider the following: (1) Whether, and to what extent, the one or more small modular nuclear reactors proposed by the public utility will replace a loss of generating capacity in the public utility's portfolio resulting from the retirement or planned retirement of one or more of existing electric generating facilities that: (A) are located in Indiana; and (B) use coal or natural gas as a fuel source. (2) Whether one or more of the small modular nuclear reactors will be located on the same site as or near the facility to be retired and, if so, potential opportunities for the public utility to: (A) make use of any land and existing infrastructure or facilities already owned or under the control of the public utility; or (B) create new employment opportunities for workers who have been, or would be, displaced as a result of the retirement of the existing facility. Provides that the IURC's rules must provide that the IURC may grant a certificate under circumstances and for locations other than these. Sets forth additional requirements for small modular nuclear reactors that must be included in the IURC's rules, including the requirement that the owner or operator of a proposed small modular nuclear reactor must provide evidence of a plan to apply for all licenses or permits to construct or operate the proposed small modular nuclear reactor required by the United States Nuclear Regulatory Commission, the department, or any other relevant state or federal regulatory agency. Amends the statute providing certain financial incentives for energy utilities that invest in clean energy projects by providing that, for purposes of the statute, a "clean energy project" and a "nuclear energy production or generating facility" include a small modular nuclear reactor that is constructed after June 30, 2023: (1) in Indiana for the generation of electricity to be used to furnish public utility service to Indiana customers; or (2) at the site of a nuclear energy production or generating facility that supplies electricity to Indiana retail customers on July 1, 2011; under the rules adopted by the IURC under the bill. Defines "small modular nuclear reactor" for purposes of the bill's provisions.

DIGEST OF SB 272 (Updated February 21, 2022 1:57 pm - DI 140)

Wastewater infrastructure. Provides that the Indiana finance authority (authority) shall serve as the executive branch coordinator for funds allocated or made available to the state or local communities from federal, state, and other sources for purposes related to drinking water, wastewater, or storm water infrastructure and systems. Sets forth the duties of the authority with respect to this role. Specifies that the authority shall coordinate the executive branch activities related to the state's drinking water and wastewater programs. (Current law provides that the authority shall serve such a role with respect to the state's water programs.) Authorizes the establishment of a drinking water and wastewater infrastructure research and extension program (program) to provide data collection and information, training, and technical assistance concerning: (1) drinking water infrastructure; (2) wastewater infrastructure; and (3) storm water infrastructure; in Indiana. Provides that the authority may: (1) contract with a state supported college or university in Indiana to provide the program; and (2) financially support the program

from existing funds appropriated to the authority. Provides that the program may be housed within, or share staff with, the existing research and highway extension program at Purdue University. Provides that the program may provide the following services and programs to, or for the benefit of, utilities providing drinking water, wastewater, or storm water service in Indiana: (1) Assisting utilities in the development of asset management programs. (2) Serving as a central repository for data concerning infrastructure used to provide drinking water, wastewater, or storm water service in Indiana. (3) Providing training and technical assistance to utilities and Indiana's drinking water, wastewater, and storm water utility industry workforces. Requires the authority to make, not later than July 1, 2023, all: (1) utility asset management programs; and (2) information concerning utility asset lifecycle management costs; submitted to or reviewed by the authority available on an Internet web site maintained by the authority or the program. Requires that in carrying out all information gathering and reporting duties under the bill's provisions, the authority and the program shall use any data the authority or the program acquires in a manner that: (1) protects the confidential information of individual utilities and customers; and (2) is consistent with applicable statutory exclusions from disclosure under the state's public records act. Provides that as a condition for receiving a loan, grant, or other financial assistance after June 30, 2023, through the wastewater revolving loan program, the drinking water revolving loan program, the water infrastructure assistance program, or the water infrastructure grant program, a participant must do the following: (1) Submit the participant's required asset management program to the authority not later than the time of submission of the participant's preliminary engineering report for any project for which the loan, grant, or other financial assistance will be provided. (Current law does not specify when the asset management program must be submitted.) (2) Submit to the authority information on the estimated and actual life cycle management costs over the useful life of the asset financed. (3) In the case of a participant that is not under the jurisdiction of the Indiana utility regulatory commission (IURC), regularly report to all: (A) customers; (B) counties; and (C) municipalities; within the participant's service territory information concerning the participant's asset management program. Provides that money in the: (1) supplemental drinking water and wastewater assistance fund; (2) water infrastructure assistance fund; and (3) water infrastructure grant fund; may be used to provide grants, loans, or other financial assistance for the planning, designing, acquisition, construction, renovation, improvement, or expansion of septic relief systems, in accordance with guidelines of the authority. Provides that the authority's project prioritization system for awarding assistance from the water infrastructure assistance fund and the water infrastructure grant fund must include as a variable the effect of a project on the environment. Provides for the following with respect to a wastewater utility that is not subject to the jurisdiction of the IURC for the approval of rates and charges and that has been issued one or more enforcement orders (orders) relating to environmental or health and human safety issues by the department of environmental management (department) after June 30, 2022: (1) For the first order, the utility is subject to an informal review of its: (A) rates and charges; and (B) asset management program; by the IURC, in accordance with procedures determined by the IURC. (2) For a second order that is issued within two years of the first order, the utility is subject to rate regulation, following two base rate cases, by the IURC for a minimum period of: (A) five years from the IURC's order in the first base rate case; and (B) one year from the IURC's order in the second base rate case. (3) For any order issued during the required rate regulation period, the

IURC may, in consultation with the department, initiate a receivership proceeding with respect to the utility. Requires the state board of education (state board) to approve, for purposes of the state's career and technical education graduation pathway, a utility career cluster that allows students to acquire knowledge and skills related to employment in the electric, natural gas, communications, water, and wastewater utility industries. Requires the governor's workforce cabinet, in consultation with the state board, the department of education, and the department of workforce development, to create course sequences for the utility career cluster.

DIGEST OF SB 273 (Updated February 28, 2022 10:39 am - DI 140)

Financing of water and wastewater utility assets. Provides that the IURC may approve periodic tracking mechanisms for water or wastewater utilities to permit such utilities to recover the following: (1) Changes in property taxes. (2) With respect to customers located within the geographic boundaries of local units of government, incremental costs of operation and maintenance resulting from policies or ordinances that are adopted by those local units and that the IURC determines to be unusual but not necessarily unreasonable. Requires the IURC to adopt rules to define what is unreasonable with respect to road cut permits and other specifications or policies established by a local unit that imposes costs on water or wastewater utilities. Amends the statute concerning wholesale water sales between small water utilities by increasing from 5,000 to 8,000 the threshold number of customers served by a water utility (as either a purchaser or supplier) for purposes of the statute. Amends the statute governing infrastructure improvement charges for water or wastewater utilities as follows: (1) Specifies that an "eligible infrastructure improvement" includes: (A) a project to relocate existing utility plant, including projects to accommodate the construction, reconstruction, or improvement of a highway, street, or road; and (B) a project that does not increase revenues by connecting to new customers, even if the project provides greater available capacity with respect to an eligible utility's distribution or collection plant. (2) Sets forth distinctions for public utilities, municipally owned utilities, and not-for-profit utilities with respect to: (A) costs that are eligible for recovery under the statute; (B) the factors the IURC may consider in determining the amount of allowable cost recovery; and (C) the resetting of the adjustment amount after a base rate case. (3) Specifies that the limitation restricting total adjustment revenues to 10% of an eligible utility's most recently approved base revenue level does not apply with respect to property taxes associated with eligible infrastructure improvements. Amends provisions in the Indiana Code chapter concerning a utility company's acquisition of an offered water or wastewater utility, by providing that the rates charged by the acquiring utility company are not considered to increase unreasonably as a result of the acquisition if the net original cost of the acquired assets does not exceed 2% of the acquiring utility company's net original cost rate base as determined in the acquiring utility's most recent general rate case, plus any adjustments to the rate base resulting from: (1) an infrastructure improvement charge; or (2) an adjustment rider for service enhancement improvement costs; that have occurred after the rate case. Makes a similar change to the Indiana Code section concerning the sale of a municipally owned utility's nonsurplus utility property.

DIGEST OF SB 277 (Updated February 14, 2022 2:48 pm - DI 140)

DIGEST OF SB 278 (Updated February 28, 2022 10:38 am - DI 140)

Indiana geological and water survey advisory council. Establishes, rather than allows the president of Indiana University to appoint, a geological and water survey advisory council (council). Increases the number of members from nine to 11 and specifies who shall serve on the council. Requires the state geologist to serve as secretary of the council. Provides that the state geologist may cast the deciding vote to break a tie. Requires the council to meet quarterly. Establishes the center for water within the Indiana geological and water survey (survey) at Indiana University for the purpose of: (1) carrying out the survey's statutory duties concerning Indiana's water resources; (2) supporting long term studies of the state's water resources; and (3) upon request, providing resources to state agencies, municipalities, and soil and water conservation groups. Establishes the center for energy within the survey for similar purposes with respect to Indiana's natural energy resources. Allows the Indiana board of licensure for professional geologists (board) to elect a secretary who is not a member of the board. (Current law requires that the secretary of the board be elected from among the members of the board.) Increases the number of times the board is required to meet to at least two times each year. Allows a licensed professional geologist to request an informal review not more than 30 days after receiving a complaint. (Current law requires the request for an informal review to be made within 20 days.) Provides that if the board compels a licensed professional geologist to respond to a complaint or charges, the notification must be sent by certified mail and the response must be in writing. Allows a geologist who is licensed in another state to be licensed in Indiana if the other state's standards are substantially equal to Indiana's requirements. Requires a licensed professional geologist to obtain continuing education in the geological sciences as a condition of license renewal. Specifies that these continuing education requirements do not apply to a person who is not licensed as a professional geologist under Indiana law. Makes technical changes.

DIGEST OF SB 284 (Updated March 7, 2022 3:47 pm - DI 104)

Telehealth matters. Consolidates Medicaid telehealth language. Provides that "health care services" does not include certain case management services, care management services, service coordination services, or care coordination services for purposes of telehealth. Adds occupational therapist assistants, school psychologists, specified developmental therapists, peers, clinical fellows, students and graduates of certain professional programs, physical therapist assistants, and certain community mental health center providers to the definition of "practitioner" for purposes of practicing telehealth. Allows behavior health analysts to temporarily perform telehealth during the time when the professional licensing agency is preparing to implement licensure for the

profession.

DIGEST OF SB 290 (Updated March 8, 2022 3:01 pm - DI 116)

Various education matters. Requires the department of education (department) to establish a career coaching pilot program to award grants to school corporations to establish career coaching programs for students of the school corporation. Beginning July 1, 2022, requires the department to annually submit a report to the general assembly in an electronic format that provides certain information concerning high school graduation waiver rates and graduation pathways and to post the report on the department's Internet web site. Provides that, if the total amount of state tuition support that a school corporation receives or will receive during a school year decreases under the student instructional day reduction of tuition support provision by an amount that is equal to or more than \$250,000 from the amount the school corporation would otherwise be eligible to receive during the school year, the budget committee shall review the amount of and the reason for the decrease before the implementation of the decrease. Provides that, if an adjustment by the state board of education (state board) of the count of enrolled eligible pupils for one or more school corporations would increase or decrease the total distribution of state tuition support in an amount that is equal to or more than \$250,000, the adjustment must be reviewed by the budget committee before the state board may adjust the enrollment count. Provides that, if the state board determines that extreme patterns of certain conditions on the count day or the subsequent adjustment date cause the enrollment to be unrepresentative of the enrollment of one or more school corporations by a count of eligible pupils that would increase or decrease the total distribution of state tuition support in an amount that is equal to or more than \$250,000 as a result of changing the count day, the state board may designate another day for determining the enrollment of the one or more school corporations after review by the budget committee. Provides that the state board shall assign to a school or school corporation (including adult high schools) a "null" or "no letter grade" for the 2021-2022 school year.

DIGEST OF SB 293 (Updated February 22, 2022 2:47 pm - DI 140)

Township trustees and budgets. Provides that the township board, county executive, and county fiscal body may adopt resolutions to collectively petition a court to remove a township trustee from office for committing certain violations. Requires the township board to meet and adopt the budget even if the township board intends for the most recent annual appropriations and annual tax levy of the township to be continued for the ensuing budget year. Corrects a reference to a provision imposing criminal liability for an officer's failure to file an adopted budget with the department of local government finance. Makes technical corrections.

DIGEST OF SB 328 (Updated March 8, 2022 12:19 pm - DI 75)

Elections. Requires the director, assistant director, or co-director of a board of elections and registration (rather than a member of the board) to attend a meeting called by the election division. Allows a member of a county election board to attend a meeting called by the election division. Provides reimbursement for the individuals who attend the meeting (current law only provides reimbursement for those required to attend). Makes changes to the county election officials instructional meeting, including duration, compensation, and expenses. Provides that record retention under seal does not prevent counties from conducting audits after an election as authorized by statute. Provides that a voter with print disabilities who chooses to vote by electronic mail must have the voter's absentee ballot application submitted to the circuit court clerk not later than 11:59 p.m. 12 days before election day. Provides that except for casting a replacement ballot under election law, a voter who knowingly or intentionally votes more than one ballot in the same election commits a Level 6 felony. Makes a technical correction.

DIGEST OF SB 331 (Updated March 8, 2022 9:10 pm - DI 120)

Education matters. Provides that, for purposes of determining the funding floor for teachers of a school corporation, the amount a school corporation expends for full-time teacher salaries shall include the amount the school corporation expends for participating in a special education cooperative or a career and technical education cooperative that is directly attributable to the salaries of full-time teachers employed by the cooperative, as determined by the department of education (department). Requires the department to annually report to the legislative council and the state budget committee on certain matters regarding full-time teacher salaries and benefits and the issuance of waivers of the requirement that a school corporation expend a specified percentage of tuition support for full-time teacher salaries. Authorizes the treasurer of state (treasurer) to deduct up to 10% of funds made available for the Indiana education scholarship account program (program) to cover costs of administering the program in the first year and up to 5% of funds made available in each year thereafter. Establishes the Indiana education scholarship account administration fund (fund) to support the administration of the program. Requires any amounts deducted by the treasurer for administration costs to be deposited in the fund. Removes a requirement for certain participating entities in the program to post a surety bond. Makes technical corrections.

Flood plain management. Provides that in a county having a population within certain parameters, a local flood plain administrator may issue a variance allowing a structure located in a floodway to remain in its location without a permit issued by the director of the department of natural resources if the structure is an abode or residence, a permit for the construction of the abode or residence was issued by the appropriate official of the county before December 19, 2018, and other conditions are met.

DIGEST OF SB 343 (Updated February 15, 2022 4:05 pm - DI 140)

Agritourism activities. Specifies that "agritourism activity" includes camping, canoeing, kayaking, tubing on a river, and winter sports activities, including activities that take place on a facility or on grounds used for or in connection with winter sports activities. Provides that failure to post a warning sign or provide a warning notice does not create a cause of action against an agritourism provider. Allows the use of an electronic signature to sign a contract or release in connection with engaging in an agritourism activity.

DIGEST OF SB 347 (Updated February 21, 2022 2:06 pm - DI 140)

Tribal law enforcement. Authorizes police officers appointed by a tribe to exercise police powers in Indiana if the tribal police officer meets the standards of the Indiana law enforcement academy. Provides that a tribe may authorize a tribal police officer to exercise police powers in the entire state, or in any part of the state, if certain conditions are met. Requires a tribe seeking to employ an individual as a tribal police officer who will exercise police powers in Indiana to request the individual's employment history, if the individual was previously employed by a law enforcement agency. Makes conforming amendments.

DIGEST OF SB 351 (Updated February 22, 2022 2:53 pm - DI 140)

Controllable electronic records. Adds a new chapter to the Uniform Commercial Code (UCC) that governs transactions involving controllable electronic records and that does the following: (1) Defines "controllable electronic records". (2) Establishes the following: (A) The extent to which a purchaser acquires rights and interests in controllable electronic records. (B) The circumstances under which a qualifying purchaser acquires rights in a controllable electronic record free of any adverse claim. (C) The conditions that must be satisfied for a person to be considered to have control over controllable electronic records. Amends certain sections in the UCC chapter concerning secured transactions to reference controllable electronic records and to provide for the perfection of a security interest in controllable electronic records by: (1) control; or (2) the filing of a financing statement. Amends the Indiana statute concerning unclaimed personal property to:

(1) add a definition of "controllable electronic record" in that statute; and (2) authorize (rather than require, as specified in current law) the attorney general to adopt rules regarding virtual currency, controllable electronic records, and digital assets, to the extent such rules are consistent with, and not otherwise covered by: (A) the bill's provisions; or (B) any other Indiana law concerning virtual currency, controllable electronic records, or digital assets.

DIGEST OF SB 353 (Updated February 22, 2022 2:55 pm - DI 140)

Home health aide training requirements. Requires a registered home health aide who: (1) is employed as a home health aide; and (2) provides care to an individual who has been diagnosed with or experiences symptoms of Alzheimer's disease, dementia, or a related cognitive disorder; to complete certain dementia training. Sets forth the requirements of dementia training. Requires the state department of health to: (1) identify and approve a dementia training program that meets certain requirements as an approved dementia training program; and (2) establish and implement a process for state department approval of a dementia training program. Allows a home health aide to produce a certificate of completion issued by an entity that provides approved dementia training as proof of compliance with the training requirements.

DIGEST OF SB 356 (Updated March 8, 2022 3:03 pm - DI 116)

Education matters. Makes changes to the requirements necessary to obtain an initial practitioner license for an individual who completes an alternative teacher certification program and changes regarding teaching special education under the license. Provides that, for school years beginning after June 30, 2022, a school corporation may provide a supplemental payment to a teacher in excess of the salary specified in the school corporation's compensation plan. (Current law allows a school corporation to provide supplemental payment to a teacher in excess of the salary specified in the school corporation's compensation plan if certain circumstances apply.)

Acceptance of electronic conveyance documents. Effective January 1, 2024, provides that a county recorder, auditor, or assessor may not refuse to accept or endorse a document because the document is an electronic document. Provides that certain recording requirements do not apply to a military discharge, a survey of real property, or a plat of real property. Provides that if a county auditor has not collected the recording fee for a tax deed, the county recorder shall collect the recording fee when the tax deed is recorded. Requires the county auditor to use revenue collected for endorsing documents for the maintenance of property tax records (instead of platbooks). Makes conforming amendments.

DIGEST OF SB 361 (Updated March 8, 2022 9:53 pm - DI 125)

Economic development. Makes certain amendments to the Hoosier business investment tax credit,

the economic development for a growing economy tax credit, the headquarters relocation tax credit, and the redevelopment tax credit. Adds veteran owned businesses to the list of businesses that would qualify for an enhanced venture capital tax credit. Limits the total amount of credits that the Indiana economic development corporation (IEDC) may award for a calendar year for all taxpayers for all applicable tax credits to \$300,000,000. Specifies the procedure by which the IEDC may designate an area as an innovation development district (district). Requires the IEDC to enter into an agreement with the executive of a city, town, or county, or, if applicable, executives, with territory located in the district establishing the terms and conditions governing certain districts. Requires the IEDC to establish a local innovation development district fund for each district. Provides that money in a local innovation development district fund is continuously appropriated for the uses of the fund. Authorizes a county, city, or town to establish a workforce retention and recruitment program and fund (fund) for the purposes of recruiting and retaining individuals who will satisfy the current and future workforce needs of the unit's employers or provide substantial economic impact to the unit, including providing incentives in the form of grants or loans to qualified workers. Authorizes the unit to transfer money into the fund from other sources. Provides that the executive of the unit shall administer the fund in coordination with a workforce fund board of managers appointed by the executive of the unit. Provides that the IEDC may award a tax credit for media production expenses for certain media productions in Indiana. Provides for the augmentation of the amount appropriated to the IEDC in an amount not to exceed \$300,000,000 for the purposes of business promotion and innovation. Specifies that funds appropriated to the IEDC for the purposes of business promotion and innovation do not revert to the state general fund. Requires the IEDC to identify state laws and regulations that burden existing businesses or inhibit creation of new businesses and provide a report with recommendations to the general assembly and budget committee. Makes conforming changes.

DIGEST OF SB 366 (Updated February 15, 2022 4:17 pm - DI 140)

Higher education funding. Requires the commission to create a higher educational operating funding outcomes based formula (funding formula) in each year prior to a budget session of the general assembly. Provides that the commission shall (not may) develop a long range plan for postsecondary education. Requires the commission to take: (1) reducing the financial burden on students and their families for postsecondary education; (2) the impact on economic development; and (3) the funding formula; into account in developing the long range plan. Requires the commission to present to the budget committee a summary of the legislative requests of all state educational institutions and the commission's recommendations concerning operations, capital projects, and financial aid. Requires the commission to biannually measure and make findings on

the progress of each state educational institution in meeting the goals of the commission's long range plan as those goals pertain to the funding formula and include the findings in its presentation to the budget committee. Requires the commission to present the funding formula created by the commission to the budget committee. Requires the commission to biannually engage a third party examiner to audit the data submitted by each state educational institution for use within the funding formula and submit a copy of each audit report to the audit and financial reporting subcommittee of the legislative council. Requires the commission to present recommendations for the funding of state educational institution capital projects to the budget committee.

DIGEST OF SB 371 (Updated February 14, 2022 2:48 pm - DI 140)

Replacement of the London Interbank Offered Rate. Adds provisions to the title in the Indiana Code concerning financial institutions to provide for the replacement, by operation of law, of the United States Dollar LIBOR as the benchmark index for any contract, security, or instrument, with a recommended benchmark replacement that is based on the secured overnight financing rate (SOFR). Sets forth certain events that serve to trigger the replacement of LIBOR with the recommended benchmark replacement. Specifies that such replacement by operation of law applies with respect to a contract, security, or instrument that either: (1) contains no fallback provisions setting forth a methodology or procedure for determining a benchmark replacement; or (2) contains fallback provisions that result in a benchmark replacement that: (A) is not a recommended benchmark replacement; and (B) is based in any way on any LIBOR value. Provides that if a recommended benchmark replacement becomes the benchmark replacement for any contract, security, or instrument, any applicable benchmark replacement conforming changes become an integral part of the contract, security, or instrument by operation of law. Provides that the bill's provisions do not alter or impair contracts, securities, or instruments that contain certain provisions. Provides that the selection or use of a recommended benchmark replacement as a benchmark replacement for a contract, security, or instrument: (1) constitutes a commercially reasonable replacement for and a commercially substantial equivalent to LIBOR; and (2) does not: (A) impair or affect certain rights and performance obligations under; (B) constitute a breach of; or (C) void or nullify; the contract, security, or instrument. Provides that a person is not liable for damages, and is not subject to any claim for equitable relief, in connection with: (1) the selection or use of a recommended benchmark replacement; or (2) the determination, implementation, or performance of benchmark replacement conforming changes; with respect to any contract, security, or instrument. Makes a cross reference to this immunity provision in the chapter of the Indiana Code that lists statutes outside of Title 34 of the Indiana Code that confer civil immunity.

DIGEST OF SB 374 (Updated February 21, 2022 2:10 pm - DI 140)

Regional water or sewer district service areas. Provides that the services in those parts of a regional water, sewage, or solid waste district (district) in which they are provided or made available by the district shall not be curtailed or limited by: (1) the inclusion of all or part of the district's territory, by annexation or otherwise, within the boundaries of: (A) any municipality; or

(B) the service territory of another provider of the same services; or (2) the granting of any private franchise to provide the same services within all or part of the district's territory; during the term of any loan under which the district is obligated, regardless of whether the loan is made by a public or private lender. Provides that the occurrence of any of these events does not require a district to secure any franchise, license, or permit as a condition to continuing to provide service to any part of the district's territory served by the district at the time of the occurrence of the event.

DIGEST OF SB 376 (Updated March 7, 2022 3:48 pm - DI 148)

Regulation of radioactive material. Establishes Indiana as a nuclear regulatory agreement state upon approval by the U.S. Nuclear Regulatory Commission (commission) and the signing of an agreement by the governor and the chairman of the commission. Establishes the policies and purposes of the agreement in regulating certain radioactive items. Provides that the Indiana department of homeland security (department) is responsible for carrying out the duties of the agreement. Tasks the department to create rules, regulations, and protocols for the enforcement of the agreement. Requires the department to create licensing procedures for radioactive materials. Provides that the department shall create fee structures for the regulation of various radioactive services. Establishes the radiation site closure and disposal fund and the radiation long-term care fund. Permits the department to enter public and private property to ensure compliance with radiation regulations under certain conditions. Provides that the governor and the department may enter into agreements with the commission. Supersedes municipality or county regulation of certain radioactive materials. Prohibits the use or possession of certain radioactive materials unless licensed by the department. Grants the department emergency authority to impound radioactive materials in the possession of a person who is not in compliance with the department. Provides civil penalties for violations of certain rules.

DIGEST OF SB 382 (Updated March 9, 2022 12:03 am - DI 120)

Various tax matters. Allows certain corporations to make an election to determine the corporation's state adjusted gross income tax under specified provisions. Requires all wagering taxes to be reported and remitted electronically through the department of state revenue (department) online tax filing program. Amends the distribution date for certain alcoholic beverage tax revenue and wagering tax and fee revenue. Provides that a taxpayer is not required to file subsequent personal property tax returns for the business personal property exemption. Provides that the true tax value of a self-service storage facility must be determined based solely

on the land and the improvements, less normal depreciation and normal obsolescence, and must exclude business intangible value. Clarifies provisions regarding application of the sales tax to transactions in which a person acquires an aircraft for rental or leasing in the ordinary course of the person's business. Reorganizes and revises provisions that apply to the sales tax exemption for nonprofit organizations. Reorganizes and revises provisions regarding sales tax exemptions for utilities. Provides required report filing deadlines for exempt transactions for certain retail merchants. Provides that if an amount would have been excludible under Section 108(f)(5) of the Internal Revenue Code as in effect on January 1, 2020, the amount is not required to be added back under the Indiana adjusted gross income provisions. Requires certain state or local government employees to submit to criminal history background checks at least once every five years (as opposed to 10 years under current law). Allows certain small businesses to deduct amounts paid for health insurance premiums from Indiana adjusted gross income. Amends sales tax provisions that apply to wholesale sales. Clarifies that a marketplace facilitator is considered the retail merchant for transactions it facilitates on its marketplace regardless as to whether the marketplace facilitator has a contractual relationship with the seller. Allows nonresident shareholders and partners of a partnership to make an election to opt out of withholding tax requirements in certain specified circumstances. Clarifies the reporting process used for distribution of local income tax (LIT) revenue to conform to current practice. Amends due date provisions for returns, refunds, assessments, or other submissions under the state income tax and financial institutions tax. Provides that an election by a corporation to make a consolidated return continues to apply following a corporate reorganization or sale. Makes technical and clarifying changes to the procedures for reporting federal partnership audit adjustments. Provides an affordable and workforce housing state tax credit against state tax liability to a taxpayer for each taxable year in the state tax credit period of a qualified project in an aggregate amount that does not exceed the product of a percentage between 40% and 100% and the amount of the taxpayer's aggregate federal tax credit for the qualified project. Provides that an eligible applicant must apply to the Indiana housing and community development authority for an award of an affordable and workforce housing state tax credit. Provides that a holder of an affordable and workforce housing state tax credit may transfer, sell, or assign all or part of the holder's right to claim the state tax credit for a taxable year. Increases the number of years a LIT expenditure tax rate for correctional facilities and rehabilitation facilities may be imposed from 22 to 25 years in the case of a tax rate adopted after January 1, 2019. Adds procedures to allow the department to offset LIT distributions to local units when an over distribution has been made either in error or because a taxpayer refund is approved after the distribution. Makes a technical correction to tax penalty provisions that apply to pass through entities. Reduces the tax rate imposed on the distribution of closed system cartridges beginning July 1, 2022, from 25% to 15% of the wholesale price. Requires remote sellers to collect the tobacco products tax on taxable products. Imposes a tax on the distribution of alternative nicotine products in Indiana based on a rate of \$0.40 per ounce of the product weight as listed by the manufacturer. Defines "alternative nicotine products" for purposes of the tax. Clarifies that, in the case of distributor to distributor transactions, the tobacco products tax is imposed at the time a distributor first receives the tobacco products in Indiana. Amends provisions that apply to a refund of a tobacco products license fee when a license is surrendered to the department before its expiration. Imposes a penalty on retailers who purchase tobacco products or

cigarettes from a distributor who has not obtained a registration certificate from the department (or whose registration certification is revoked or suspended). Authorizes the department to revoke or suspend a registration certificate for failure to comply with certain reporting requirements. Provides the basis upon which the department may refuse to issue or renew a registration certificate. Provides that the department may require reporting of any information reasonably necessary to determine alcoholic beverage excise tax liability. Clarifies provisions that specify the effective date of an innkeeper's tax ordinance and the subsequent tax collection duties of the department. Adds similar provisions under the food and beverage tax. Requires the budget agency to transfer \$7,100,000 from the state general fund to the Indiana mapping data and standards fund to be used for: (1) the implementation of the geographic information system (GIS) for the state and local income taxes, as well as listed taxes, administered by the department; and (2) the purposes of the Indiana geographic information office. Requires the budget agency to create a report on the current GIS related contract costs for all state agencies that could be eliminated in order to offset the required future state appropriations needed to fund the office and submit the report to the interim study committee on fiscal policy before November 1, 2022. Changes population parameters to reflect the population count determined under the 2020 decennial census. Provides that revenue received from the Nashville food and beverage tax may be used for grants to local businesses to make building improvements. Removes an outdated reference in the Indiana Administrative Code regarding a property tax exemption for public airports. Makes conforming changes. Makes an appropriation.

DIGEST OF SB 383 (Updated February 21, 2022 2:10 pm - DI 140)

Financial institutions and consumer credit. Provides that a reference to federal law in: (1) the first lien mortgage lending act; (2) the Uniform Consumer Credit Code (UCCC); or (3) the Indiana Code title governing financial institutions; is a reference to the law as in effect December 31, 2021 (versus December 31, 2020, under current law). Amends the provisions in the UCCC governing authorized finance charges for consumer loans (other than supervised loans) and for supervised loans to specify that: (1) the entire section governing finance charges for consumer loans (other than supervised loans) does not apply to supervised loans; and (2) the loan finance charge for a supervised loan must be: (A) contracted for between the lender and the debtor; and (B) calculated by applying a rate not exceeding the authorized rate to unpaid balances of the principal. Amends provisions in the UCCC concerning permitted additional charges for guaranteed asset protection (GAP) agreements for: (1) consumer credit sales; and (2) consumer loans; to specify that the average retail value for a used motor vehicle that is the subject of a GAP agreement is to be determined by using a third party valuation service provider customarily relied upon in the used motor vehicle commercial market (versus by using the National Automobile Dealers Association average retail value, under current law). Amends the Indiana Code section concerning the department's duties of confidentiality with respect to certain information concerning financial institutions to specify that those duties apply to all regulated entities licensed or registered with the department. Specifies that the required fidelity coverage for credit unions: (1) applies to those directors, officers, and employees of the credit union who have access to money or bonds of the credit union; and (2) must be approved annually by the credit union's board

of directors as to the amount and form. Amends the statute governing money transmitters to: (1) provide that a "payment instrument" does not include a "stored value account"; and (2) remove the definition of "stored value account". Changes references to a "federal savings and loan association" to a "federal savings association" for purposes of the statute concerning mergers, consolidations, and conversions involving federal savings associations and savings associations chartered in Indiana, to specify that a federal savings association may convert into a savings association chartered in Indiana.

DIGEST OF SB 388 (Updated March 8, 2022 6:45 pm - DI 137)

Foreign gifts and ownership of agricultural land. Requires a postsecondary educational institution (institution) to submit a disclosure report to the Indiana commissioner for higher education (commissioner) of gifts from a foreign source that meet the reporting threshold established by a federal law regarding disclosures of foreign gifts. Provides that the institution shall submit the disclosure report to the commissioner with the same information required to be reported in the disclosure report described in the federal law and at the same time the institution files the disclosure report under the federal law. Provides that certain information for each institution shall be posted on the commission for higher education's (commission) Internet web site. Provides that whenever it appears that an institution has failed to comply with gift disclosure requirements, a civil action may be brought by the attorney general or at the request of: (1) a member of the general assembly; (2) the governor; (3) a member of the commission; (4) a member of the state board of education; or (5) an Indiana taxpayer; to compel compliance with the gift disclosure requirements. Provides that beginning July 1, 2022, a foreign business entity may not acquire agricultural land located within Indiana for the purposes of crop farming or timber production. Specifies exceptions.
