"SECTION 114. IC 20-46-8 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2018]:
Chapter 8. School Corporation Operations Fund Property Tax Levy

Sec. 1. (a) For property taxes first due and payable after December 31, 2018, a school corporation may impose the following property tax levies for its school corporation operations fund (IC 20-40-18):

- (1) A transportation levy as provided in section 3 of this chapter.
- (2) A school bus replacement levy as provided in section 4 of this chapter.
- (3) A capital projects levy as provided in section 5 of this chapter.
- (4) For school corporations described in IC 36-10-13-7, a levy as provided in section 6 of this chapter to provide funding for an art association.
- (5) For a school corporation in a county having a population of more than two hundred fifty thousand (250,000) but less than two hundred seventy thousand (270,000), a levy as provided in section 7 of this chapter to provide funding for a historical society.
- (6) For a school corporation described in IC 36-10-14-1, a levy as provided in section 8 of this chapter to provide funding for a public playground.

(b) A school corporation's property tax levy for its operations fund for a particular year is equal to the sum of the levies described in subsection (a)(1) through (a)(6) for that year.

Sec. 2. A school corporation's property tax levy imposed under this chapter for its operations fund replaces the authority of the school corporation to impose property taxes under the following property tax levy provisions:

- (1) The school transportation fund levy (IC 20-46-4) (repealed).
- (2) The school bus replacement fund levy (IC 20-46-5) (repealed).
- (3) The capital projects fund levy (IC 20-46-6) (repealed).
- (4) The levy under IC 36-10-13 (before January 1, 2019) to provide funding for an art association or a historical society.
- (5) The levy under IC 36-10-14 (before January 1, 2019) to provide funding for a public playground.

Sec. 3. (a) Except as provided in subsection (c), for property taxes first due and payable in 2019, a school corporation's transportation levy may not exceed an amount equal to:

- (1) the school corporation's maximum permissible levy determined under IC 20-46-4 (repealed January 1, 2019) for the school corporation's transportation fund for 2018, after eliminating the effects of temporary excessive levy appeals and any other temporary adjustments made to the levy for 2018 (regardless of whether the school corporation imposed the entire amount of the maximum permissible levy in 2018); multiplied by
- (2) the assessed value growth quotient determined under IC 6-1.1-18.5-2.

(b) Except as provided in subsection (c), for property taxes first due and payable after 2019, a school corporation's transportation levy may not exceed an amount equal to:

- (1) the school corporation's maximum permissible levy determined under this section for the preceding year, after eliminating the effects of temporary excessive levy appeals and any other temporary adjustments made to the levy for the year (regardless of whether the school corporation imposed the entire amount of the maximum permissible levy in the immediately preceding year); multiplied by
- (2) the assessed value growth quotient determined under IC 6-1.1-18.5-2.

(c) A school corporation may appeal to the department of local government finance under IC 6-1.1-19 to increase the school corporation's transportation levy. To be granted an increase by the department of local government finance, the school corporation must establish that the increase is necessary because of a transportation operating cost increase of at least ten percent (10%) over the preceding year as a result of at least one (1) of the following:

- (1) A fuel expense increase.
- (2) A significant increase in the number of students enrolled in the school corporation that need transportation or a significant increase in the mileage traveled by the school corporation's buses compared with the previous year.
- (3) A significant increase in the number of students enrolled in special education who need transportation or a significant increase in the mileage traveled by the school corporation's buses due to students enrolled in special education as compared with the previous year.
- (4) Increased transportation operating costs due to compliance with a court ordered desegregation plan.
- (5) The closure of a school building within the school corporation that results in a significant increase in the distances that students must be transported to attend another school building.

In addition, before the department of local government finance may grant a maximum levy increase, the school corporation must establish that the school corporation will be unable to provide transportation services without an increase. The department of local government finance may grant a levy increase that is less than the increase requested by the school corporation. If the department of local government finance determines that a permanent increase in the maximum permissible levy is necessary, the maximum levy after the increase granted under this section becomes the school corporation's maximum permissible transportation levy under this section.

Sec. 4. (a) For property taxes first due and payable in 2019, a school corporation's school bus replacement levy may not exceed an amount equal to:

- (1) the school corporation's maximum permissible levy determined under IC 20-46-5 (repealed January 1, 2019) for the school corporation's school bus replacement fund for 2018, after eliminating the effects of temporary excessive levy appeals and any other temporary adjustments made to the levy for 2018 (regardless of whether the school corporation imposed the entire amount of the maximum permissible levy in

2018); multiplied by

(2) the assessed value growth quotient determined under IC 6-1.1-18.5-2.

(b) For property taxes first due and payable after 2019, a school corporation's school bus replacement levy may not exceed an amount equal to:

(1) the school corporation's maximum permissible levy determined under this section for the preceding year, after eliminating the effects of temporary excessive levy appeals and any other temporary adjustments made to the levy for the year (regardless of whether the school corporation imposed the entire amount of the maximum permissible levy in the immediately preceding year); multiplied by

(2) the assessed value growth quotient determined under IC 6-1.1-18.5-2.

(c) The department of local government finance may, upon petition by a school corporation, adjust the school corporation's levy for the fund to reflect the school corporation's plan adopted or amended under IC 20-46-5 (before its repeal January 1, 2019) or IC 20-40-18-9 (after December 31, 2018).

Sec. 5. (a) For property taxes first due and payable in 2019, a school corporation's capital projects levy may not exceed the result of the amount that would be raised from a rate equal to the sum of:

(1) the maximum capital projects fund rate that the school corporation was authorized to impose for 2018 under IC 20-46-6 (before its repeal), after any adjustment under IC 6-1.1-18-12 (but excluding any rate imposed for qualified utility and insurance costs); plus

(2) the capital projects fund rate imposed for qualified utility and insurance costs in 2018.

(b) For property taxes first due and payable after 2019, a school corporation's capital projects levy may not exceed an amount equal to:

(1) the school corporation's maximum permissible levy determined under this section for the preceding year, after eliminating the effects of temporary excessive levy appeals and any other temporary adjustments made to the levy for the year (regardless of whether the school corporation imposed the entire amount of the maximum permissible levy in the immediately preceding year); multiplied by

(2) the assessed value growth quotient determined under IC 6-1.1-18.5-2.

Sec. 6. (a) A school corporation described in IC 36-10-13-7 may impose a levy to provide funding for an art association.

(2) the assessed value growth quotient determined under IC 6-1.1-18.5-2.

(c) For property taxes first due and payable after 2019, a school corporation's levy under this section may not exceed

an amount equal to:

(1) the school corporation's maximum permissible levy under this section for the preceding year; multiplied by

(2) the assessed value growth quotient determined under IC 6-1.1-18.5-2.

(b) For property taxes first due and payable in 2019, a school corporation's levy under this section may not exceed an amount equal to:

Sec. 8. (a) A school corporation described in IC 36-10-14-1 may impose a levy to provide funding for public playgrounds.

(iii) **In the case of an ordinance or resolution adopted in a calendar year after December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, an**

The department of local government finance shall publish the thresholds determined under items (ii) and (iii) in the Indiana Register.

(B) An amount equal to one percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date, if that amount is at least one million dollars (\$1,000,000).
