Mr. George Angelone, Executive Director  
Legislative Services Agency  
200 W. Washington St., Room 301  
Indianapolis, IN 46204-2789

Dear Mr. Angelone:

In accordance with Section 22 of IC 23-6-4, the Indiana Business Development Credit Corporation Law, the enclosed 2021 Preliminary Financials are respectfully presented as the required Annual Report of Condition of the Indiana Community Business Credit Corporation. The 2021 Annual Audit is not completed yet, but it will get forwarded once we finalize it.

In 2021, the Credit Corporation funded 8 loans for a total of \$2,881,500 of direct loans to Indiana small businesses. This was an integral part of over \$17,232,000 of total small business project financing, including Member Bank participation. Since its inception, the Credit Corporation has provided loans to 181 Indiana Companies for over \$73 million which has been an important part of over \$349 million of total project financing, including Member Bank participation. These Indiana small businesses would not have had access to this capital without the participation of the Credit Corporation.

Membership in the Credit Corporation now stands at 29 Indiana Banks (this number reflects mergers and acquisitions for many banks) with a total fund-pool of \$27 million available to loan to Indiana small businesses.

The Indiana Community Business Credit Corporation is proud of its accomplishments in 2021 and looks forward to an even more successful year in 2022. Please feel free to contact our office if you have any questions or need additional information.

Sincerely,
